REPORT for the year 1924.

Steady progress has still to be recorded in the matters which concern our Guild. Not only have our numbers increased, but new members are coming in from towers not formerly interested in Change Ringing, while several new rings (e.g. St. Mary le Tower, Ipswich, Long Melford, Wilby) have been repaired and made available.

Appeals for help in teaching ringing or re-hanging bells have been received from the following, among others : Buxhall, Metfield, Hartest, Assington, and Hepworth. Instructors have been provided at Preston and Cowlinge, and new bands started, the latter is, I believe, still making good progress.

The list of members will be found to have been differently arranged, in that those who have rung peals are now put in a separate list. It has not been found possible this year to include the numbers of peals rung by members in the former ringing Societies, whether this should be attempted in future issues is for the Guild to decide ; but there are practical difficulties in the way of making such a list correct, and if it is not to be more correct than it has been it would be best omitted.

Last year we were able to record all the new compositions. This year they have been so many that it has only been possible to print those of outstanding interest, but the Ringing Master has inaugurated a book, entitled, the "SUFFOLK GUILD COLLECTION OF COMPOSITIONS," in which every new composition will be entered carefully, as it is rung.

The only death among our members that has been notified is that of Mr. Charles Cutting, of Woodbridge. His health had been gradually failing, and it is long since he rang a peal, but he was always interested in our Guild.—R.I.P.

It is to be hoped that all our members will stir up their District Secretaries to hold meetings in their neighbourhood. Unless this is done the Society cannot do its work. Some of our Secretaries have done splendid work this year. Why not all ?

Signed on behalf of the Committee,

W. T. FARMILOE,

President.

LIST OF PEALS RUNG up to Dec. 31st, 1924.

RINGING MASTER'S REPORT.

The Peals rung by the Guild, as shown on another page, total go in a good variety of methods. Thanks to the efforts of the Leiston and Debenham bands, there is a specially good list of Surprise peals, no less than eight different kinds of these methods having been rung. It is doubtful if any other Ringing Society in the country can show as good a list.

The peal of Stedman Triples at Lavenham, the first on these famous bells by a local band, is noted with pleasure, perhaps this success will prove a stepping stone to higher things. Another outstanding effort is the London Surprise at Helmingham, the band are to be congratulated. The first peal of Stedman ever rung on handbells in the county town is worthy of note. Our six-bell members have not been quite so busy in the past year, but perhaps this is only a temporary lapse, and this year will see a revival.

CHARLES J. SEDGLEY,

THE SUFFOLK GUILD OF RINGERS
FOR THE DIOCESE OF
ST. EDMUNDSBURY AND IPSWICH.

OBJECTS.

1.—**Federation.**—To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.**—To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.**—To encourage, cultivate, and foster the art of scientific Change-ringing by frequent meetings in various centres for practice or peal-ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.**—To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any Meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. od.; or 2/6 a year; the other Members (including the Clergy), 1/- a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held on Easter Monday at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

RULES.

1.—Subscriptions shall be due on January 1st: New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at Meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper and Clerk; provided their names are sent to the Secretary with the subscriptions before Jan. 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting, or at each Branch, or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.
