THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

ST. EDMUNDSBURY AND IPSWICH.

OBJECTS.

1.—**Federation.**—To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.**—To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.**—To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.**—To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the conditions of bells and their fittings.

CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

- (a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.
- (b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.
- (c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2/6 a year; the other Members (including the Clergy), 1/- a year.
- (d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held on Easter Monday, at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

- (a) Arrange for Meetings for Practice.
- (b) Arrange for Instruction.
- (c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

THE SUFFOLK GUILD.

Report for 1928.

We may hope that we have turned the corner as regards our finances. The deficit of nearly two pounds has been changed into a balance of over seven pounds. This is, however, only the result of our not printing the names of members in last year's Report. Unless we can increase our income permanently, we shall have to repeat this every few years, which would be undesirable. However, our paying members still increase in number; this year there are 490 ordinary members who have paid.

Unfortunately, the full list of members is still swollen by the inclusion of names which ought not to be there. Until we can get the Secretaries, both of Companies and of Districts, to keep a sharp look-out for these useless names, and get them removed from our lists with the most urgent promptitude, we shall still have to print them unnecessarily, and the Secretaries themselves will still be short of the amounts that are due from them, according to the printed list.

There have been much-needed attempts at instruction on all sides; the Halesworth District is responsible for quite new companies at Yoxford and Huntingfield, taught by the District Secretary, who has also helped three other towers in his district to revive their companies. There is unlimited room for work of this kind in the Diocese. Will each company see if they cannot make a dead set on some other tower in their neighbourhood in the coming year, and make it a new recruit to our Guild by teaching it Change-Ringing?

Signed on behalf of the Committee,

W. T. FARMIOE, Archd.

Ringling Master's Report.

The peals rung by the Guild in 1928 total 79, an increase of 10 over the previous year. Handbell peals have increased from 1 to 14, and Minor and Doubles peals from 16 to 27. The handbell peals, with the exception of one in Essex, have been rung by two bands, those of Lavenham and Ipswich, and the latter are to be congratulated on ringing a peal of Oxford T. B. Max., the first on handbells since 1816. On tower bells 11 Surprise Major peals have been rung in five different methods, chiefly by the bands at Leiston, and the Debenham district. Peals of Double Norwich, Kent T. B. and Plain Bob are well represented in our list. It is pleasing to note the increase in the number of seven-method peals of Minor, and also the number of members who have rung their first peal for the Guild.

The St. Mary-le-Tower Society, deprived of the use of their bells for some time by the cracking of the 7th, are to be congratulated on ringing a peal of New Cambridge Max., the first in the method; congratulations are also due to Mr. Wm. Rumsey, of Debenham, who, as the result of a busy year of ringing, during which he rang 27 peals, is the first member to ring a hundred peals for the Guild.

CHAS. J. SEDGLEY,

Ringling Master.

February 18th, 1929.

Note.—The importance is urged to conductors of sending their peal reports to the "Ringling World" or to me. Two peals have been omitted from their proper place in the Reports through failure to do this.

N.D.A. Report No. 1,014.

A large Bell fractured at dome and parts completely broken out.

In the case of the bell illustrated, flawless welding was required so that the purity of tone would not be impaired. In this case it is possible to "hear" the soundness of Barimar Welding.

Barimar charges are always low; delivery is the quickest in the trade; and each bell repaired is covered by the Barimar "Money-back" Guarantee.

Consign Broken Bells, carriage paid, to London Factory and advise us by letter.

BARIMAR^{LTD}

The Scientific Welders of Bells.

Head Office :

Broken Bells repaired by **Barimar** at low charges.

The saying "sound as a bell" is always true in regard to Barimar Welding, as soundness, strength, and wearing quality are the three essentials in Barimar's work.

The repair of broken bells is an everyday job in the Barimar Factory.

The same Bell after repair by Barimar Welding Process. Stringent tests proved that the tone of the bell was in no way affected by the welding, while the dome of the bell was much stronger than before and able to resist greater strain. The Repair was done at a small cost in THREE days and under Barimar Guarantee.

R. T. P.

R. CALVER, Yoxford.

JAS. CUTTING, Palgrave.

A member of the Guild since 1923.

H. CHAS. GILLINGHAM, St Mary-le-Tower, Ipswich.

A member of the N.D.A. since 1893, he joined the Suffolk Guild in 1923 and had rung 146 peals. He was a member of the St. Mary-le-Tower Society, Ipswich, and took part in many of their notable performances, including the first peals of Cambridge Surprise and Superlative Surprise Maximus ever rung. The "Charles" peal of Superlative S Major at Ufford was another performance in which he took part.

A very capable ringer, of quiet and unassuming manner and a most likeable man, he is greatly missed by his brother ringers.

W. HOLLINGWORTH, Laxfield.

For many years captain of the Laxfield Band, he joined the N.D.A. in 1895 and the Suffolk Guild on its formation, and had rung two peals.

J. LARTER, Reydon.

A member of the Suffolk Guild from its formation and an old member of the N.D.A., which he joined in 1890, this well-known six-bell ringer had taken part in 76 peals.
