THE SUFFOLK GUILD OF RINGERS
FOR THE DIOCESE OF
ST. EDMUNDSBURY AND IPSWICH.

OBJECTS.

1.—**Federation.**—To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.**—To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.**—To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.**—To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the conditions of bells and their fittings.

CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

- (a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.
- (b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.
- (c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2/6 a year; the other Members (including the Clergy), 1/- a year.
- (d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held on Easter Monday, at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

- (a) Arrange for Meetings for Practice.
- (b) Arrange for Instruction.
- (c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

THE SUFFOLK GUILD.

Report for 1929.

This year has been one of steady (if not very fast) progress. The difficulties about district secretaries are diminishing. Only one district, that of Clare, is not now efficiently staffed in this respect. We had, however, a very successful meeting there last year, and hope we may now soon find a secretary for that neighbourhood. The Halesworth district is very flourishing, and new bands are still being taught by the energetic and able secretary, Mr. F. C. Lambert.

Although our finances are improving, they are not yet satisfactory. In spite of a generous addition of over four pounds to our income this year from a whist drive at Sproughton, our balance has only increased by less than two pounds. As there is three pounds owing for advertising meetings in the "Ringing World," this means that we are not paying our way by more than five pounds a year.

Where bells are rung in changes, there are always some people in the parish who are sufficiently interested to subscribe half a crown to our funds. Forty such half-crowns would make us pay our way ; there are many more than forty towers where there is not a single honorary member connected with the Guild. If none of our members in these villages will collect those half-crowns, will they not subscribe them themselves? Is not our Guild worth keeping as it should be kept?

Signed on behalf of the Committee,

W. T. FARMIOLOE,

Archd.

CHAS. E. FISHER,

Ringling Master's Report.

During 1929 a total of 99 peals were rung by the Guild, the largest number since its inception, and an increase of 20 over last year. These peals have been rung in 41 different towers, 193 members taking part, of whom 31 shared the conducting; 34 members have rung their first peal for the Guild during the year.

A great variety of methods have been rung, all the standard ones, and many others, being represented, including a large proportion of the more intricate methods.

A few performances stand out for special note, and congratulations are due to the St. Mary-le-Tower Society, Ipswich, for placing the first peal of Yorkshire Surprise Maximus ever rung upon our records, and also for other good performances; to the Leiston band for peals in five different Surprise methods; to the Lavenham, Helmingham and Debenham bands for many good additions to our peal list, and to the band of well-known ringers who rang 12 peals during a week's tour of the county in September. Our 6 bell bands have not been idle, and the Hasketon, Wrentham and St. Clement's, Ipswich, companies, are to be congratulated on peals in seven different Minor methods. We welcome another handbell band in our midst—that of Helmingham—and it is hoped that they will make progress in this fascinating branch of our art.

May I again ask conductors to send peal reports to the "Ringling World." Two peals rung in 1928 have been missed from our report for that year through failure to do this, thus throwing the numerical order of the peals into confusion.

CHAS. J. SEDGLEY,
Ringling Master.

A large Bell fractured at dome and parts completely broken out.

In the case of the bell illustrated, flawless welding was required so that the purity of tone would not be impaired. In this case it is possible to "hear" the soundness of Barimar Welding.

Barimar charges are always low ; delivery is the quickest in the trade ; and each bell repaired is covered by the Barimar "Money-back" Guarantee.

Consign Broken Bells, carriage paid, to London Factory and advise us by letter.

Broken Bells repaired by Barimar at low charges.

The saying "sound as a bell" is always true in regard to Barimar Welding, as soundness, strength, and wearing quality are the three essentials in Barimar's Work.

The repair of broken bells is an everyday job in the Barimar Factory.

The same Bell after repair by Barimar Welding Process. Stringent tests proved that the tone of the bell was in no way affected by the welding, while the dome of the bell was much stronger than before and able to resist greater strain. The Repair was done at a small cost in THREE days and under Barimar Guarantee.
