Consultant (Technical Adviser):

Mr. J. C. G. Haggard, Sproughton.

THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

ST. EDMUNDSBURY AND IPSWICH.

OBJECTS.

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2s. 6d. a year; the other Members (including the Clergy), 1s. 6d. a year.

(d) Life Members, residing out of the Diocese, to pay 5s.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmunds alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st and, on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1s. in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1s. 6d. per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.†

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

† "Rules and decisions of the Council," price 6d., post free, from the Hon. Librarian.

THE SUFFOLK GUILD.

Report for 1936.

During this year, there seems to have been continued progress, both in the art of ringing, and in improving the condition of Church bells. While there are still Churches where no progress seems to be made, there are many others where beginners are being taught, or where the more experienced are practising new methods. This latter is especially the case at Helmingham, and at St. Mary-le-Tower. In the latter church a new peal board has been erected across the whole length of one wall of the ringing chamber. This was unveiled by Mr. E. H. Lewis, the President of the Central Council of Ringers, on November 28th, who spoke of the reputation which these two bands had gained throughout England for their pioneer work in exploiting new methods.

There are, alas, still some churches who do not seem to trouble about the disgraceful state into which they have allowed their bells to remain, but these are getting fewer. Among newly re-hung rings, the Guild is especially interested in that of Ufford (now a lovely peal in a well-appointed tower), where the Guild raised more than the £10 it appealed for, so that the frame should be made large enough to add more bells later on. The eight at All Saints', Sudbury, are being re-hung; and an appeal for Horham, the first (as well as the lightest) old ring of bells to be cast (in the seventeenth century), is now being made.

Signed on behalf of the Committee,

CHAS. E. FISHER.

CHAS. E. FISHER,
Treasurer.

Examined April 6th, 1937.
BERTRAM W. ENGLISH.

Ringling Master's Report.

The year 1936 was a fairly successful one as regards peal ringing, a total of 90 being accomplished in a large variety of methods from Doubles to Maximus. These peals were rung in 39 different towers throughout the Diocese, 30 members sharing the conducting. Many members are showing the desire for advancement in the art, as will be noted by the number of footnotes to peals recording "firsts" in various methods.

The Guild took its part in the universal expression of sorrow at the passing of His late Majesty King George V., and as will be seen from our records, nine peals were rung, as well as many shorter touches with the bells deeply muffled.

Our peal list continues to grow, and should be a source of pride to every member of the Guild. Five new methods are recorded, Chester, Cornwall, Leeds, and Double Dublin Surprise, by the enterprising Helmingham band, and St. Clement's Major at Stowmarket. Congratulations are due to these two bands, and also to the conductor of the Holt's Original at Grundisburgh, a feat which is somewhat of a rarity.

In addition to the recorded peals, much work is done by members of the Guild in maintaining Sunday Service ringing, and also in the teaching of beginners in the art.

CHAS. J. SEDGLEY,

Ringling Master.

CHURCH BELLS REPAIRED

By **BARIMAR.**

A bell as received at the Barimar Works.

The same bell a week later—as strong and as pure in tone as when it was new

BARIMAR LTD

The Scientific Welders of Bells,
14-18, Lamb's Conduit Street,
London, W.C.1.

No matter how badly a bell is damaged we can restore its note and beauty.

Barimar scientific welding has restored hundreds of bells, from the small ones of ships to the noble giants from ancient belfries. The inscriptions and the founder's mark are retained. None of the historical charm is lost.

The cost of the special exclusive Barimar repairing process is always low. The work is done under a firm guarantee that if a perfect repair is not made the money will be returned in full.
