THE -SUFFOLK GUILD OF RINGERS
FOR THE DIOCESE OF
ST. EDMUNDSBURY AND IPSWICH.

OBJECTS :

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

- (a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.
- (b) Performing members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.
- (c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2s. 6d. a year; the other Members (including the Clergy), 1s. 6d. a year.
- (d) Life Members, residing out of the Diocese, to pay 5s.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmunds alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

- (a) Arrange for Meetings for Practice.
- (b) Arrange for Instruction.
- (c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st and, on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1s. in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1s. 6d. per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.†

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

Ringing Master's Report, 1937.

The peals rung for the Guild in 1937 totalled 107, this constitutes a record, the only previous year on which the 100 has been passed being 1932, when 101 were rung.

As usual peals on all numbers from Doubles to Maximus were accomplished. The conducting of these peals was carried out by 36 members and it is interesting to note several fresh names in the list, as is also the appearance of new towers in our tower list, especially noteworthy being Ufford, where first peals were rung on the recently restored bells, and Exning, from which part of the county few peals are recorded.

The voice of the bells plays its part on all occasions of national importance, and the bells of Suffolk rang out their message at the Coronation of their Majesties. As will be seen from our peal list, seven peals were rung on this occasion.

In analysing the peals it will be seen that the county's only twelve-bell tower—St. Mary-le-Tower, Ipswich—continues its activity with 5 peals of Maximus, 1 of Cinques and 2 of Royal, the last including 1 of Rochester S. Royal; the only peal yet rung in that method. We are glad to see a peal of Kent T.B. Royal on the grand ring at Beccles, and also peals in the same method and Grandsire Caters at Stonham Aspal. Major methods with 44 are the most numerous and chief credit must again be given to the Helmingham band, who continue pre-eminent in the Surprise section with 6 new methods besides the standard ones. The Stowmarket band have also done well under the leadership of their keen conductor, H. L. Lister. Suffolk still shows allegiance to the old East Anglian traditions of "Tenor in," and only 5 peals of Triples were rung. Peals of Minor and Doubles number 42, an increase of 8 on last year.

Meetings during the year have been held at Stowmarket, Sproughton, Lavenham, Coddensham, Long Melford and the annual at Sudbury, where once again we have 3 peals of 8 bells in good ringing order. We would like to remind secretaries and members, when sending subscriptions, to enclose names, so that a correct list of members may be kept.

This report can hardly be concluded without reference to the ringing activities of Miss Sylvia Bowyer, who by ringing 42 peals in the year has set up a record, not only for the Guild, but for ladies throughout the country. We offer our congratulations to this brilliant young Ipswich ringer.

CHAS. J. SEDGLEY,

Ringling Master.

CHURCH BELLS REPAIRED BY BARIMAR

NO matter how badly a bell is damaged we can restore its note and beauty. Barimar scientific welding has restored hundreds of bells, from the small ones of ships to the noble giants from ancient belfries. The inscriptions and the founder's mark are retained. None of the historical charm is lost. The cost of the special exclusive Barimar repairing process is always low. The work is done under a firm guarantee that if a perfect repair is not made the money will be returned in full.
