## COMMITTEE REPORT — PETER HARPER

It is pleasing to note that most of our activities this year have been well attended, although attendances dropped off a bit during the summer. However to counterbalance that we once again attempted three quarter peals at the beginning of August. Unfortunately only one was successful, but in compensation, 26 sat down to a splendid meal at Pettistree Greyhound and enjoyed a very sociable evening.

The first two practices of the year were both in Ipswich, St Mary-Le-Tower and St Margaret's. As ever, it was pleasing to have people prepared to embrace the experience of ringing on higher numbers.

A warm welcome awaited us at Framlingham in March for our quarterly meeting. A good turnout and the hospitality of the local ringers made for a most enjoyable afternoon and evening. Likewise, the practice at

Hollesley in April was well attended and produced a good solid ringing session.

Rushmere St Andrew was the scene of the striking competition with two more teams competing than in 2008. The arrangements by the local ringers were excellent and the afternoon's ringing was of a suitably high standard. Unfortunately there can only be one winner (St Mary-Le-Tower were worthy champions), but there's always next year.....!

Our summer practices were at Hasketon, Burgh and Stonham Aspal and in July many of us enjoyed an outing to North Essex arranged by Kate.

Our quarterly meeting in September was at Felixstowe and Falkenham. We were a little short of numbers, but the local bands made us very welcome and we had a good meeting.

East Bergholt ringers kindly demonstrated their unique style to us at the start of a tour of the all the towers on the Shotley Peninsula in October, including the 3 bells at Woolverstone. The successful afternoon raised £117 for the Guild Restoration Fund.

In November we rang at Barking and Coddenham, back in action after tower repairs.

But as has become customary, our most popular event was the ringing in Ipswich on the Saturday before Christmas, followed by coffee and mince pies. How good it was to have the restored bells of St Lawrence joining in this year. Our thanks once again to Revd Brian Redgers for his organisation and also to Shirley Girt and her team for the refreshments. As regards the Ipswich churches, because of Health & Safety concerns, Ipswich Borough Council have tightened up on key holding for both St Lawrence and St Stephen. Key holding for the other redundant churches remains as before at present.

This year we have visited about 25 of the District's ringable towers. My thanks to all incumbents, tower captains and tower correspondents, and the District committee for their help with the year's activities and especially to our Ringing Master, Kate Eagle, for keeping us all on the straight and narrow with such good humour.

## SECRETARY'S REPORT — SUE FREEMAN

It has been a good year for the SW District. Membership has increased significantly, due largely to the fact that the Kedington ringers have joined the Guild and a new band has been formed at Acton. Long Melford, too, has seen several new members. All this is excellent news for the future of ringing in this area.

Practices and the mini tour, to Oakley, Palgrave, Redgrave and Hinderclay were all well attended and very much enjoyed.

John Smith's "Triples from Scratch" monthly practices at Sudbury, St Gregory's have been very popular. Touches of plain bob triples are now being rung by people who have only recently started to ring on more than six bells.

The striking competition, held at Cavendish, attracted an entry of ten bands. Stephen and Ruth Young were the judges and Kersey were the winners, with Stoke by Nayland runners up. The Guild Social was held at Hadleigh and took the form of a barbecue in the delightful garden of the Guildhall. The mini ring was set up here and proved very popular. Many thanks to the Hadleigh ringers for organising the event and providing the excellent meal. In the afternoon, ringing was organised at the newly ringable All Saints, Sudbury and at Elmsett and Hadleigh.

At the ADM Richard and Christine Knight stood down from their posts as District Ringing Master and Deputy Ringing Master. We would like to thank them both for all their hard work in these posts over several years.

# Map of Suffolk Towers

Map shows rings of 4 or more bells of condition 4 or above

Updated January 2010

## PEAL SECRETARY'S REPORT — CHRISTINE KNIGHT

The upward trend of the last few years continued in 2009, with 131 peals being rung. Peals were rung in 55 Suffolk towers and at three towers in Norfolk, namely Woodton, Thetford and East Raynham. In addition, the Guild's mobile Mini-Ring was pealed for the first time by Guild members at Moats Tye. Peal Week in February was even more successful than in the previous two years. Sixteen peals were rung and there were no less than seven first pealers. The Master deserves great credit for his efforts to encourage a larger proportion of the membership into peal ringing. On November 20th, extensive coverage of St Edmund's Day by Radio Suffolk portrayed peal ringing in a very positive light and all four District peal attempts were successful.

It is always very heartening to record peals rung as the culmination of restoration projects. A well co-ordinated mix of dedicated local effort and Guild support led to no less than six projects coming to fruition in 2009. Peals were rung to mark the restoration of the bells at Chediston, Stradishall and St Lawrence, Ipswich. The first peal on the eight was rung at Ixworth, whilst the first ever peals on the bells were rung at Parham and Felixstowe. Bardwell bells have been dedicated and a peal will, no doubt, follow soon. Two major restoration and augmentation projects in the adjacent villages of Ixworth and Bardwell is a phenomenal achievement by Ruth Suggett and her team. As the oldest complete ring, the restoration of the five bells at St Lawrence, Ipswich, received extensive media coverage, appearing on national TV news. The first peal on the bells since restoration was rung on 11th November and there is much interesting material about the project in George Pipe's article 'Ipswich St Lawrence and Cardinal Wolsey', which appeared in the Christmas edition of 'The Ringing World'. A peal of Wolsey Surprise Maximus ( a new method especially devised by Rod Pipe) was rung on 5th December at St Mary le Tower as part of Ipswich's celebration of Cardinal Wolsey and to mark the completion of the St Lawrence project.

Interest in composing peals of a particular length to commemorate special events has continued. Some celebrated personal milestones, but others had much wider significance. On 7th June, 5065 Gold Surprise Major was rung at Grundisburgh to commemorate the 65th anniversary of the D-Day Landings. A 5040 of Houston Surprise Major by Brian Whiting was rung at Henley on 21st July for the 40th anniversary of man walking on the moon. Stephen Pettman composed a 5076 of Ipswich Delight Royal as a tribute to the life and work of Sir Bobby Robson. This peal was rung at Grundisburgh on 6th August. Another commemorative peal was Bristol Surprise Major at Thetford (a rare visitor to the peal columns) on 7th November, rung as part of the closing ceremony for the Thomas Paine 200 celebrations.

The Wolery Mini-Ring topped the list of towers used for peals once again, and the 100th peal on these bells was rung on 31st May. As well as ambitious peals of Spliced Surprise Minor at The Wolery, several peals of single method Surprise Minor have also been rung. The number of Suffolk towers hosting peals rose from 44 in 2008 to 55 in 2009. Many local community events have been marked by a peal. Much work has been done by Guild officers, through the media, to raise the profile of the Guild in the eyes of the general public. Peal ringing is also starting to receive more publicity and it is good that extended ringing is being heard by a wider section of the local population.

This has, undoubtedly, been an exciting year for peal ringing in Suffolk, with many positive developments. In a largely rural county, an invitation to ring in a peal is often the main opportunity for progress in method ringing and striking. Many individual 'firsts' have been achieved and it is good to see a number of younger members emerging onto the peal ringing scene. There were eleven first pealers, a very encouraging total, and in Peal Week, two members were persuaded to ring another peal after gaps of 16 and 37 years! Another trend in 2009 was the substantial increase in the number of peals in the Stan-

dard 8 Surprise Major methods. There were 9 of Yorkshire and 5 of Cambridge, compared with just 2 of each in 2008, an excellent means of progress for several members. All the Standard 8 were pealed except London S Major, which was attempted.

There has been a shift in the Guild's peal ringing activity; 35% of all peals in 2009 were of Major, compared with 26% in 2008. Another pleasing development is the increased interest in conducting. Two members called their first peal in 2009 and 10 resident members called more than one peal for the Guild, compared with 6 in 2008. A year then, with many positives; hopefully, this enthusiasm will lead to more peals on 10 and 12 in the near future.

First performances for the Guild during the year were:

# MINUTES OF THE ANNUAL GENERAL MEETING OF THE SUFFOLK GUILD OF RINGERS, HELD AT WENHASTON, SATURDAY 18 APRIL, 2009

**1. The Chairman,** Philip Gorrod (PJG), opened the meeting by giving a warm welcome to the eighty nine members present and four visitors. He thanked Edward Renard for taking the service and Jason Busby, the organist, Becky Canham for booking the tower and the Village Hall, also Maggie Ross and her helpers from the Blyth Valley Ringers, including Dilys, Tom, Jason and Becky for the tea.
The meeting stood in silence in remembrance of Sylvia Morley from Barrow, Douglas Rowland from Bury St Edmunds, Jack Sturgeon from Mildenhall, Bernard Fairhead from Colchester and four non resident members who had died during 2008.

**2. Apologies** were received from 43 members.

**3. Election of New Members**

The following were elected as members of the Guild; Richard Lawrence, Ixworth (Senior), David Brand, Ixworth (Senior), Graham Mace, Ixworth (Full), Alistair Whybrow, Euston (Full), Maureen Slinger, Palgrave (Senior), proposed by Ruth Suggett, seconded by Maurice Rose; Eileen Russell Roberts, Ixworth (Senior) proposed by Ruth Suggett, seconded by Chris Nunn; James Lucas, Tattingstone (Full), proposed by Richard Hobson, seconded by Richard Beeston; Hilary Steam, SE Unattached (Full), proposed by Mary Garner, seconded by Kate Eagle; Rupert Bragg, Mendham (Senior), proposed by Trevor Hughes, seconded by Julie Hughes; Christine Pickup, Unattached (Full), proposed by PJG, seconded by Maggie Ross; Pam Davies, John Davies, Richard Treloar, Peter Carter, Campsea Ashe (Full), proposed by Glenys Fear, seconded by Kate Eagle; Andrew Fisk, Woolpit (Full), proposed by Alan Moult, seconded Ruth Suggett; John Pallant, Stutton (Full), proposed by John Pereira, seconded by Sandra Pereira; Michelle Williams, Reydon (Full) , proposed by Tom Britten, seconded by Jason Busby.

**4. Minutes of the 2008 AGM**

These had been published in the Annual Report. Their acceptance was proposed by Chris Garner and seconded by Peter Harper and they were signed as a true record.

**5. Officers' Reports:**

Ringing Master: Richard Munnings (RJM) presented the Master's Report as printed in the Annual Report. He added his thanks to everyone who had taken part in the Guild Peal Week in February, congratulating the seven first pealers. The acceptance of his report was proposed by David Mulrenan, seconded by Robert Beavis and agreed by the meeting.

Secretary: Mary Garner proposed the acceptance of the Secretary's report as printed. This was seconded by Diana Pipe and agreed by the meeting.

Treasurer: Keith Ashton Jones explained that his written report was contained in the Trustees' Report. Robert Beavis proposed, seconded by Maurice Rose, that the accounts and trustees report should be accepted. This was agreed by the meeting.

Public Relations Officer: Bruce Wakefield reported that TV and radio had taken a positive attitude to Guild activities during the year especially restoration projects. He asked members to let the media and himself know if their band or tower had done anything which is good news. He is keeping a log of coverage. Most recently Richard Munnings, Kate Eagle and Alan McBurnie have been teaching Lesley Dolphin from BBC Radio Suffolk and her lessons at St Mary-le-Tower have been featured on her Tuesday afternoon programme.

Belfry Advisory Committee: Jonathan Stevens proposed that the report as printed should be accepted. Philip Gorrod said that this was just a brief snapshot of the achievements of the BAC. It has a lot to be proud of. As well as practical work throughout the county their discussions have resulted in the BAC

Chairman presenting an update of the grant conditions and a protocol for a restoration project, both of which are on the website. George Pipe added that the Guild should congratulate itself having passed the 100 mark for restorations since the war, especially for a Guild between 600 and 700 members. The proposal was seconded by David Salter and agreed by the meeting.

Librarian: Gillian Wakefield proposed the acceptance of her report as printed. This was seconded by Robert Scase and agreed by the meeting.

Peal Secretary: Christine Knight reported that it was noticeable that a wider cross section of our membership is being encouraged into peal ringing as seen in the 120 peals scored last year. It was also very noteworthy for the breadth of achievement: first on 14, Cambridge Maximus and the St Edmunds Day peal ringing with upbeat and extensive coverage on Radio Suffolk. She thanked David Salter for his help with the peal report. She proposed the acceptance of her report as printed. It was seconded by David Salter and agreed by the meeting.

Handbell Trustee: Brian Whiting reported a dormant year with regard to borrowing. He has two sets at home, a 16 and a 25. There are two sets in the NE district. They are available for tune or method ringing. He proposed the acceptance of his report, which was seconded by Diana Pipe and agreed by the meeting

**6. Central Council Report**

PJG told the meeting that four members had been elected to represent the Guild interest. Last year's meeting was in Newcastle and full reports are on the website. He invited questions to our representatives or any points they should take to the next meeting. There were none.

**7. Subscriptions and Peal Fees for 2010**

The GMC proposed that the subscriptions should be as follows;

| | |
|---|---|
| Ringing Member | £ 15.00 (£14) |
| Associate member | £ 7.00 (£7) |
| Ringing Member 65-74 | £ 10.00 (£7) |
| Non Resident Life Member | £ 7.00 (£7) |
| Members 75 and over | Free |
| Ringing member in full time education | £ 7.00 (£7) |
| Peal Fee | £ 1.00 (£1) |

Animated discussion followed. It included noting a 50% increase for OAPs. Consideration was given to an increased peal fee, or a quarter peal fee, but it was felt that neither would encourage more ringing.Others felt that it was right to keep pace, that it was only the price of a wedding fee and that it was a cheap hobby which gives a lot of pleasure through ringing with friends and visiting lovely churches. Were we not arguing over trivialities when the money is needed for restoration? Shirley Girt seconded the proposal and the vote that followed found all in favour, with three abstentions.

**8. Proposed constitution changes, proposed by GMC**

B4: add "of an amount at least equal to a Ringing member (65-74) subscription".

D6: revised as follows:

D6

6.1 The President shall be the Bishop of St Edmundsbury and Ipswich.

6.2 A Suffragan Bishop within the Diocese shall be a Vice-President.

6.3 A member may be elected as a Vice-President at an AGM.

6.4 A non-member may be elected as a Patron at an AGM.

6.5 Patrons and Vice-Presidents shall hold office without re-election, but may be removed by a resolution at an AGM. Vice-Presidents elected under 6.3 shall cease to hold office if they cease to be a member of the Guild.

D7: delete "Vice-Presidents may be elected. Subscriptions and fees for the year beginning the following

January shall be set at the AGM or a SGM". [See H2 below]
D9: delete "to certify the accounts" and add "to act as Independent Examiner in accordance with The Charities Acts"
D10 (3rd line): delete "Certified".
E14: delete "applied to the work of the Guild in the restoration and maintenance of bells" and add "transferred to the Guild Restoration Fund".
F24: add "and the secretary shall maintain an up-to-date inventory of other Guild assets"
G 26.2 Delete "1 Jan following" and insert "the date given in the proposal"
PJG explained to the meeting that these had been drawn up by a sub committee of himself, Mary Garner and Keith Ashton Jones with John Girt overseeing, before presentation to the GMC. They were to be regarded as a tidying up rather than major changes.
Discussion revealed that B4 contained a mistake. It was commented that the constitution as it stood was purposely kept flexible.
The meeting agreed to the changes with the exception of B4, which will be revised and presented at the next AGM.

**9. Proposed rule changes, proposed by GMC**

H2 (2nd line after "year"): add "and shall be set at the preceding AGM, or a SGM".
K16 (3rd line): add "(including District)"
Handbell Regulations Delete 8 [duplication of 6]
The proposal was seconded by Chris Garner. The following vote recorded 68 in favour, none against with one abstention.

**10. Election of Officers for 2009/2010:**

Prior to the elections Maurice Rose thanked the GMC and all the Guild and District Officers for their hard work throughout the year.

| | Nominee | Proposer | Seconder |
|---|---|---|---|
| 1. Vice-Presidents | En bloc | Philip Gorrod | Mary Garner |
| 2. Chairman | Philip Gorrod | Jason Busby | Suzanne Stevens |
| 3. Ringing Master | Richard Munnings | Tom Britten | Philip Moyse |
| 4. Secretary | Mary Garner | Philip Gorrod | Suzanne Stevens |
| 5. Treasurer & Gift Aid Secretary | Keith Ashton Jones | Philip Gorrod | David Mulrenan |
| 6. Technical Adviser | Jonathan Stevens | Philip Gorrod | Jason Busby |
| 7. Chairman of the Belfry Advisory Committee | Jonathan Stevens | Philip Gorrod | Jason Busby |
| 8. Public Relations Officer | Bruce Wakefield | John Taylor | David Mulrenan |
| 9. Librarian | Gillian Wakefield | Mary Garner | Veronica Downing |
| 10. Report Editor | Ruth Suggett | Suzanne Stevens | Brian Whiting |
| 11. Webmaster | Chris Garner | Veronica Downing | John Taylor |
| 12. Newsletter Editor | Carol Girling | David Mulrenan | Richard Knight |
| 13. Peal Secretary | Christine Knight | Brian Whiting | Richard Knight |
| 14. Handbell Trustee | Brian Whiting | Richard Knight | Maggie Ross |

The Vice Presidents were elected en bloc. Philip Gorrod was re elected Chairman to a round of applause. As each of the remaining nominees were re elected, each was met with a round of applause and they were thanked for their work during the year.
The Chairman was asked whether a minute secretary to the GMC might be considered. He agreed that it would be desirable but as a position delegated by the GMC rather than an officer.

**11. Appointment of Independent Examiner**

David Mulrenan proposed, seconded by John Taylor, that Larking Gowen be appointed as Independent Examiners of the Guild Accounts. This was carried by the meeting.

**12. Election of Life Honorary Members**

On behalf of the NW district Maurice Rose proposed Chris Nunn as a Life Honorary Member. Maurice described his long friendship with Chris, Chris's long hours and his commitment to the BAC. Jonathan Stevens endorsed the proposal saying that he had known Chris for 12 years on the committee as someone who always worked hard and never missed meetings. Brian Whiting added that he had known Chris since 1966 when he was taken round by him to other towers. Trevor Hughes added that he had known him since 1969, both as peal ringer and serving together on the maintenance committee. Chris Nunn was elected unanimously. Chris Nunn thanked everyone for their endorsement, and said that it was most enjoyable and uplifting having to use basic principles.

John Girt explained that in the past Vice Presidents had been elected and their remit was to serve on the GMC enabling continuity through the years. Since they no longer sit on the GMC he questions the value of awarding Vice President but rather to award Life Honorary Membership since this represents a greater acknowledgement of what people do. PJG thanked him for his comments and said that the matter would be taken to the GMC.

**13. Mini-Ring**

PJG explained that he and RJM had discussed whether or not the Guild should own a portable mini-ring. PJG had been given first refusal on one for £2100. He took this to the GMC who agreed in principle but felt that there was no money to finance this, even with the Pipe Trust Fund.

Discussion followed regarding the uses of a the mini-ring, ie publicity, to raise the profile of the Guild, an aid to recruiting, demonstrations, targeted teaching, possibly to help people into method ringing, ringing for service at a church without bells, ringing for weddings in secular places etc.

The point was made that although the technique doesn't relate directly with tower bell ringing it does connect people and bells. Further, a trustee for a mini-ring would need to be appointed. Questions were raised about storage, transport and insurance.

PJG thanked people for their comments and said that he was pleased to announce that our Patron, George Vestey, along with his brothers Timothy, James and Robin, has offered to buy a new ring to be cast in memory of their father, at a cost of about £5000. When the new ring is ready the current ring will be handed back in part exchange.

PJG reported that the ring would have Bowditch bells and that a provisional order had been placed with Matthew Higby. This news was very well received and PJG was asked to write and say thankyou to Mr Vestey. Furthermore the view was expressed that the new ring should be dedicated in the Cathedral by the Bishop.

**14. Child Protection - new legislation October 2009**

PJG advised that the Guild was alert to recently published CCCBR notes. The changes include the appointment of a Vulnerable Persons Officer for the Guild.

**15. Guild History**

PJG told the meeting that following an approach from a member of the Guild the GMC agreed that it would be good to have a history of the Guild. George Pipe(GWP) was approached and agreed. GWP reported that he has started and that it is great fun to do. He said that he feels that the Guild is worthy of history and that he hope to do it justice. He will be pleased to accept input for this. GWP related the story about Bailey brothers of Leiston. There were 11 of them, 10 of whom rang. 8 rang more than 20 peals together, in some very advanced methods. In 1926 six of them rang a peal of Stedman cinques in hand, repeating it the following month. Adrian Knight added that he was taught to handle by one of the brothers.

**16. Guild Social Event – Hadleigh, 27th June 2009**

Richard Knight said that the arrangements were well in hand. There is ringing planned for the afternoon in unusual towers including All Saints' Sudbury. The new mini-ring will be at the evening barbecue which starts at 6pm at Hadleigh Guildhall. Tickets available at £10 each.

**17 St Edmund's Clapper Competition**

*The trophy was made by John Uden of Southwold, hence the reference to St. Edmund, and was first competed for in 1991. It is a simple competition, open to all towers, the object being to raise the most money for the Restoration Fund between the period 1 April to 30 September by any chosen means. Initially organised as part of The Friends of Suffolk Bells scheme, it lapsed in the mid 1990s but was relaunched in 2001. It provides an excellent opportunity for towers to involve non-members in a variety of fund raising activities*

The results of the competition for the tower which raises most money for the Bell Restoration Fund were announced as follows: 3rd The Folly, Sproughton £260, Offton £325. Offton won the trophy and it was noted that £635 is the highest amount raised so far in any year. Brian Whiting urged more towers to take part.

**18. There were no further matters arising from the minutes of the 2008 AGM not already covered**

**19. The 2010 AGM will be held in the NW District. It is hoped it will be at Ixworth, probably on April 10th.**

**20. Any Other Business**

1. Please forward your current e-mail address to the webmaster if you would like receive information this way.
2. GWP spoke about the Essex recruitment weekend at Coggeshall and asked whether some of our young people could go there. He and Rod are very keen for the Pipe Family Trust Fund to be used for this purpose, that is, to target beginners. He is pleased that it is still going after 19 years. (PJG reported that it had been used recently to make grant for training at Worcester).
3. With regard to the AGM date, Alan Moult said that it was difficult to get the report done in time. PJG said that the GMC will consider the date.
4. Muriel Page reminded the meeting that the Veteran's Day will be on July 8th at Debenham.

## OBITUARIES

### JOHN WILLIAM BANKS — Bury St Edmunds

John Banks, known as 'Jack', was a post-war ringer and member of the Bury St Edmunds Company, who rang at the Cathedral and St Mary's. He rang 18 peals for the Suffolk Guild, his first, Plain Bob Major, at the Norman Tower, on 13 September 1947. Jack rang 2 peals on St Mary's bells prior to their removal in 1964. The Cathedral bells were removed for re-hanging in 1973. The bells at St Mary's were returned in 1975 but hung 'dead' and Jack trained a band there to chime the bells for services. He died on 15 June 2009 and his funeral was held at St Mary's Church, Bury St Edmunds. An obituary appears in the Ringing World No. 5145.

### HENRY IVINGS — Euston

Although synonymous with Euston and the Estate, Henry was from Oxfordshire, and was a bricklayer and carpenter by trade. He learnt to ring at Euston and he looked after the bells there from 1952 for 55 years. Henry became a member of the Suffolk Guild in 1953 for whom he rang 30 peals. In the early 1980s Win and Henry raised funds to re-hang and augment the 5 bells at Euston to 6 in a new frame and this was completed in 1983. Henry's practical skills enabled him to do a lot of work in the tower himself and assist with the re-hanging. Win and Henry made good use of the bells and arranged peals and quarter peals for local and national events, as well as for family occasions of the Duke and Duchess of Grafton. In 2007 both Henry and Win moved to Gloucestershire, and Henry died on 29 May 2009. On Sunday 23 August 2009 a Thanksgiving service for Henry's life was held at Euston St Genevieve church. A full obituary appears in the Ringing World No. 5140.

### DR DAVID PEARSON — Haverhill

David was a GP in Haverhill, who along with his wife Lynn, had been involved with St Mary's Church for many years. He expressed an interest some ten years ago in becoming a bellringer and duly joined the tower, being taught by the Tower Captain Albert Wade, assisted by long time member, Gordon Adams David regularly attended Monday evening practice and subsequently became a reliable ringer for th Sunday morning services. He was held in great respect in Haverhill and died on 28 September 2008 i the comparatively early age of 66 years.

### DAVID L C RUTHERFORD — Long Melford

David and his brother Nicholas were the fourth generation of a seafaring family, both becoming Captains of some of the largest supertankers in the world. In 1974 David came ashore to work in the London office as the Fleet Safety Officer. With his wife Jean and daughter Mary, he moved to Long Melford. Something that David had always wanted to do was learn bellringing; he learnt with his daughter Mary. David rang some quarter peals but his main interest was to ring for Sunday Service. He had a great interest in the Church and became a lay reader. Then he became a fully ordained non- stipendiary minister working with Lawrence Pizzey at Acton and Great Waldingfield. One of David's proudest moments was conducting the wedding service for his grand-daughter Emma and afterwards ringing a few rounds with his family. David had his first bout of cancer in 1999, but following a successful operation continued with a busy Church life for the following years. He was always pleased to hear the bells even if he was unable to ring them. The cancer returned in 2009 and he died on 15 May. His funeral service, conducted by Lawrence Pizzey, was held at Acton church. The bells were rung half muffled and David would have had a chuckle that one of the muffles slipped and one of the bells was then rung open!

## GEORGE SALTER — Ipswich

George A W Salter was taught to ring at St Clement's Ipswich by Fred Steward in the early 70s. He gave many years of support to St Clement's and his sons helping with all aspects of the tower from Sunday service ringing to clock winding. Regrettably he stopped ringing in the 80s but always retained an active interest, being particularly supportive of fund raising for bells through the Suffolk Police Male Voice Choir. He passed away on 1 January 2009.

## ALBERT JAMES WADE — Haverhill

Albert was a bellringer at Haverhill St Mary's Church for almost sixty years, learning under the then Tower Captain, Harry Backler, and Harry Clark. He was a keen and excellent ringer and was appointed Captain in 1984. He also undertook the maintenance of the bells until some four years ago, when hip problems forced him to conclude his active ringing career. Despite this, he maintained his dedicated interest, organising ringers for weddings as well as ensuring the tower was open and someone available to meet any teams of visiting ringers. Albert died suddenly on 2 December 2009 at the age of 90 years. In accordance with his wishes the St Mary's Church bells were rung open, both before and after his funeral service.

## RUTH WRIGHT — Halesworth and Woodbridge

Ruth Wright (nee Dickens) learnt to ring at Halesworth, and joined the Suffolk Guild in 1987. She married in 1993 but remained in Halesworth until 2004 when she and her husband Chris moved to Woodbridge. Ruth immediately became a loyal member of the Woodbridge band, until her sad and untimely death in 2009. A keen bellringer, needlewoman and gardener, Ruth was also a talented violinist and soon took over the running of the Woodbridge handbell team, raising it to a standard that she considered high enough for public performances. Despite valiantly fighting cancer in the last years of her life, Ruth remained a regular ringer at Woodbridge, and, whenever her health permitted, she was always ready to ring for weddings and other special occasions. She is greatly missed.

We remember the following non-resident Life members who passed away in 2009;

Bernard W Fairhead
William H Jackson
Paul Cattermole
Clifford A Barron

and we also remember the family and friends of the above.

May they all rest in peace

## REGULATIONS RELATING TO THE SUFFOLK GUILD HANDBELLS

1 The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells viz:

| | |
|---|---|
| 25 bells by Taylors | size 20 in C (2 chromatic octaves) |
| 16 bells generally by Shaw | size 19 in F (diatonic 13 + 3 semitones) |
| 13 bells by Warner | size 20 in E (diatonic 12 + 1 semitone) |
| 13 bells by various founders | size 20 in F (diatonic 13) |

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same

tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

## Foreword from the Chairman

2010 has been another successful year for the Suffolk Guild. Apart from the considerable ringing achievements (detailed in the Master's Report) the year saw the arrival of our new mini-ring, thanks to the generosity of our Patron and his family, its debut before 20,000 members of the public at the Henham Steam Rally, and the high-profile dedication service at Bury Cathedral. The Guild Social event, the Quiz at Ringsfield, was a triumph for the NE District, and we had a bumper attendance at the AGM at Ixworth, which included the very successful "fringe" meeting on Heritage Lottery Funding. Perhaps the biggest achievement, though, has been the launch of "Awl A'huld" our periodical magazine that I hope members will agree to continue when the matter is debated at this year's AGM.

One of the most satisfying things about ringing in Suffolk is the number of young people who are coming to prominence, and who promise a bright future for the Guild. In all corners of the county teenagers, some of whom only started to learn the day before yesterday (so it seems!), are now stalwarts of their local bands, and are ringing peals and quarter peals regularly, and putting more experienced ringers to shame with their striking. Two of our four districts have appointed under-eighteen year olds as Assistant Ringing Masters We must do what we can to encourage and support the new generation, including providing transport, tutorials and helpful advice. We do have to be mindful of Child Protection issues, but these problems are largely overcome by sharing the burden between members of the band, thus strengthening the team ethos that is so important in ringing.

As usual I am most grateful to your Guild Officers for the work they do in making things run smoothly. In particular, Mandy and Gordon have slotted seamlessly into their roles as Secretary and Treasurer respectively The biggest accolade, though, goes to Richy who retires as Master this year after five years of outstanding service in that role. He has earned a rest, but I hope we can find another role for him to make use of his expertise. After all, we do have to encourage youth!

## Trustees' Annual Report

The Trustees present their report and financial statements for the year ending 31 December 2010.

**Charity**

The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The charity's registered address is 21 Old Ipswich Road, Claydon, Ipswich IP6 0AB. It is governed under a constitution originally registered in 1977 and most recently revised in 2010.

**Principal Objectives**

The purpose of the charity is to promote and encourage the practice of bellringing within the Diocese of St Edmundsbury and Ipswich; to recruit, train and encourage bellringers in the practice of their art; and to cultivate the art of scientific change ringing, and to promote and advise on the preservation of bells in an efficient condition.

**Trustees**

The Trustees during the period were;

| | |
|---|---|
| Chairman : | PJ Gorrod |
| Treasurer: | K Ashton Jones (to 10 April 2010); G E Slack (from 10 April 2010) |
| Secretary: | M S Garner (to 10 April 2010); A J Shedden (from 10 April 2010) |

## Review of Progress and Achievements

**Bellringing Activities** Throughout the year ringing has taken place for services in many of the (approximately) 200 towers with bells in the Diocese. Regular practices have been held in around 100 towers where training takes place for beginners and more experienced ringers. Each of the four Guild districts held monthly activities, both ringing and social. There were 135 peals rung for the Guild during 2010 in 57 Suffolk towers and 6 outside the county. Quarter peal ringing increased significantly once again to 594 quarter peals and this enables many ringers to improve their skills. Recruitment and Training strategies have been developed to maintain the improvement of skills in the Guild.

**Restoration Activities** A new grant application was received from Bury St Edmunds (Norman Tower) and projects at Hopton, Dennington and Wissett were completed, with much progress at Campsea Ashe. These projects employing professional bellhangers also use local labour from the ringers and congregations to assist wherever possible. In addition to work carried out on many towers by members of the Belfry Advisory Committee, two very successful maintenance courses were run by them for Guild members.

## Guild Finances

**Policies**. All money in the Guild's funds not required for day-to-day working purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee. Grants from the Restoration Fund are authorised by the Guild Management Committee but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

**General Fund**. General Fund income, at £4,791 (after transfers to Restoration and Library Funds) represents an 8% increase compared to 2009. Excluding the purchase of the mini-ring, which has distorted the figures, General Fund expenditure has slightly reduced from last year. The production of three issues of a full-colour printed magazine in place of the photocopied newsletter was the only significant increase in expenditure. The increase was partly offset by additional advertising and this could prove more fruitful in the future. The membership will be invited to decide at the AGM whether they wish to continue with this publication.

**Restoration Fund**. For the second year in succession, Restoration Fund income has been affected by low interest rates with interest income this year at just over £300. At 2008 rates it would have been over £3,500. Excluding interest received, and transfers from the General Fund, income at £4,630 showed a 7% increase over 2009. Grant approval during the year totalled £5,500 (nil in 2009). The sum now available for allocation to new projects stands at £35,625.

Payments of previously allocated grants, totalling £18,000, were made for three projects completed in the year. The amount reserved for grants allocated to a further three projects still in progress stands at £18,100.

**Mini-Ring** During the year the new Guild Mini-Ring arrived and the old mini-ring was sold. The outstanding generous donation from the family of the late Edmund Vestey to fund the new mini-ring arrived too late to be included in the 2010 accounts, so in 2011 the General Fund will benefit from the remaining instalment.

**Summary**. The Guild finances remain in a reasonably healthy state, with the General Fund balance maintained from the previous year. The Restoration Fund again has a healthy balance available to contribute to projects that may arise in 2011.

## Belfry Advisory Committee Report — Jonathan Stevens

This has been yet another busy year for the BAC during which we welcomed two new members; Carol Girling, long known for her sterling work alongside Winston, and Martin Croucher, who as a chartered structural and civil engineer adds further strength to an already strong team.

We had three meetings; these were held at Barking, Ipswich St Lawrence and Sudbury St Gregory. The approved minutes of BAC meetings can be found on the Guild website; these make interesting reading, showing the breadth of the work the BAC does caring for the Guild's towers.

Four restorations came on stream; Campsea Ashe, Dennington, Hopton and Wissett. Each had its own challenges, the heritage issues at Wissett needing particular care to resolve.

We ran two very successful belfry maintenance courses; one at Rougham, the other at Laxfield and Fressingfield. These had an in-depth theory seminar followed by practical sessions up the tower and on splicing ropes. Next year the emphasis will be on showing individual towers what to do and how to do it.

We have seen a lot of restorations over recent years; these installations need looking after just as much as our older rings if they are to be the pleasure to ring on they should be. Don't be content with poor going and odd-struck bells. The BAC is a valuable Guild resource; use it to ensure Suffolk's bells are in top condition.

## Guild Committees

**GENERAL MANAGEMENT COMMITTEE**

Chairman, Ringing Master, Secretary, Treasurer, Chairman of BAC, and one elected representative from each Deanery.

## RINGING MASTER'S REPORT — RICHARD MUNNINGS

All good things have to come to an end and so I find myself writing my last report as Guild Ringing Master after a thoroughly enjoyable five years.

I can't claim it's all been sunshine and flowers and I've been frustrated by the lack of enthusiasm by so many members in attending the social outlets that the various district and Guild practices, meetings, striking competitions, outings and socials represent. Some people spend much time and even money in preparing teas or booking towers all for large swathes of members to ignore their efforts often for no good reason. Yes, there can be travelling and time involved but these events are all set up to help those learning and need learners and experienced ringers in equal abundance to make them truly worthwhile. In any walk of life people come and go for various reasons and you need to make sure there are others coming in to replace them. That's why learners are welcome and indeed necessary and experienced ringers are needed to help guide them through. This applies at a tower, district and Guild level. So whatever level of ability you consider yourself to be at, come and support us to ensure that ringing can continue in Suffolk and importantly that all enjoy it!

Whilst this aspect of our Guild has remained, on many occasions there have been promising signs. There were finally over a hundred members at the most important event of the year, the AGM at Ixworth and although the meeting was one of the longest for some time, the rest of the day was a very, very enjoyable occasion with ringing at several towers, a fringe event, a superb tea and of course a good crowd in the pub afterwards!

This year William and Kate have ensured that there is an extra Bank Holiday on AGM weekend so people can get those odd jobs done and still attend what promises to be a wonderful day at Henley, my last as Ringing Master.

Growing crowds at the AGM have been a positive in my time as Master (though not necessarily down to me!) as have the fantastic turnouts at the Guild Striking Competitions, helped – I believe – by the introduction of the call-change element in the shape of The Lester Brett Trophy. In 2010, this was won by Debenham and The Mitson Shield by St Mary-le-Tower in the six-bell competition at Hasketon, whilst the North-East District were the worthy recipients of The Rose Trophy at Woodbridge in the evening. Well done to them and thank you to the judges Alban and Chris Forster, David Stanford and Jonathan Dickenson on sharing the duties.

Peals are another element of Suffolk ringing I have been very happy to see flourish, especially with the Guild Peal Week. This year's SGPW equalled that of 2009 in numbers and again contributed a healthy number of first-pealers and first-time conductors, providing all four first-pealers and two of the three first-time conductors.

Overall there was much achieved in peals, particularly with the following;

1st peal - Michelle Williams, Alex Tatlow, Alison Evans & George Salter
1st as conductor - Tom Britten, Philip Moyse & David Potts
1000th as conductor for the Guild – Stephen Pettman
850th for the Guild – Alan Mayle
600th for Guild – Mary Dunbavin
300th for Guild – Mary Garner
50th for Guild – Peter Harper, Gordon Slack
1700th as conductor & 2600th – David Salter
1300th – Gordon Birks
1000th – Adrian Knights

1000th together – David and Katharine Salter (1st Suffolk born couple to achieve this)
800th – Michael Edwards
500th – Winston Girling
450th as conductor – Alan Mayle
400th – Richard Rapior
200th – Thomas Scase & Peter Harper
25th – Tom Britten

Well done particularly to Arnie, who has deservedly reached his 1000th after decades of service to the Guild. Personally I have been greatly helped by his advice, often over a pint or three! I know this has been the case for many.

There were also significant peals rung at Fressingfield (first since being rehung), Campsea Ashe (last before restoration and augmentation) Dennington (first since restoration) and Bardwell (first since restoration and augmentation). Other notable peals included the impressive completely resident Reydon pealband and the first peal of Stedman Triples by a resident North-West band.

I often think that quarter-peal ringers don't always get the recognition for their achievements. Part of this is due to the sheer numbers rung by our members compared to peals and so from a practical side of things I couldn't possibly acknowledge everything done through this medium over the year, though I try to on my daily blog on the Guild's website. However, particular congratulations to Alex Scase, Mike Hill, Erin Coolbear, Joan Clinton, Catherine Looser, Richard George, Helen Naughton and Giles Croucher who rang their first quarter in 2010, Davids Steed and Howe on calling their first and at the other end of the spectrum Mike Whitby who rang his 1300th and called his 900th, Josephine Beever who rang her 900th and Marys Allum and Garner who rung their 800th. Well done to Pettistree and Offton in particular who again led the way in both numbers and variety.

Congratulations to all who achieved something either in a peal or quarter and apologies if I've missed anyone. There's just been so much going on.

As usual, dedications were a highlight of the year as they have been throughout my tenure and in 2010 I was delighted to help local and Guild ringers celebrate the projects carried out at Dennington and Ixworth as well as the dedication of the Guild's new mini-ring, the Vestey Ring at Bury St Edmunds Cathedral. All wonderful occasions.

The Vestey Ring is something we must make the most of. It is a superb tool for recruitment and training throughout Suffolk and on its first official outing to the Henham Steam Rally it attracted a huge amount of attention and I believe a handful of recruits.

Talking of Recruitment and Training, some headway has been made with meetings taking place and strategies laid out. However, we are going to need the help of members everywhere to ensure that ringing at all your towers can continue and thrive, surely something we should all be working towards.

It remains for me to say thank you to you all for your support and friendship particularly since 2006. I've had a great time travelling the county meeting members, taking in ringing at all sorts of places with all sorts of people for all sorts of reasons. Particular thanks to those officers past and present who have guided and advised me and most of all to Ruthie and Mason who have stoically put up with my role. I couldn't have done it without them.

I only hope I have been the Ringing Master you all deserve.

## Secretary's Report — Mandy Shedden

As newly-elected Secretary, I have been introduced to the intricacies of GMC meetings and am gradually learning more about how the Suffolk Guild works. I am very impressed with how everyone acts and works together. New members are joining all the time and we have had a busy year promoting and increasing public awareness of the Guild, and bellringing in general. It is good to see members involved in Guild events: over one hundred members attended the AGM and the Guild Social in November was also very well attended. I am looking forward to getting to know more members as time goes by and I hope that by the end of my term of office I will have made a useful contribution towards the life of the Guild which I am honoured to serve as Secretary. Other newly-elected Officers include the Treasurer and Librarian and we have two new Central Council Representatives. I have already enjoyed working with many of the existing Officers as well as the new ones, so long may this continue.

## Librarian's Report — Abby Antrobus

For the Guild library, 2010 was a year of change. Gillian Wakefield deservedly reclaimed space in her house after 15 years of curating, developing and cataloguing the collection, and as her successor I would like to express the Guild's thanks to her for her work and legacy.

The library consists of *Ringing Worlds*, periodicals, archive material and audio-visual items. While housing the library at the Wakefields' offered many benefits: visitor access to the entire collection; information at the Librarian's fingertips; and secure storage, it nevertheless demands all too valuable space. To secure it for the future, it was placed in the care of public institutions: audio-visual material at the specialist Archive Centre in Norwich, and documentary material and books at the Suffolk Records Office. At present, most of the material is still being catalogued in Ipswich, with the intention of a move to Bury.

Despite these arrangements, a significant development since April has been the return of non-Suffolk-related material from the Records Office. So far, the *Ringing Worlds* are temporarily with me until a new repository for them and the rest of the library can be found. Ideally, this should be permanent and public. Suggestions are welcome – the possibility of building a learning centre into any upcoming augmentation project is one very good idea.

Please use the library – it is valuable for all aspects of ringing, bells and the history of ringing in Suffolk. Enquiries can still be addressed and access arranged even during the changeover. The catalogue is a vital linking element now that the library is dispersed, and I plan to add the location, availability and reference numbers of items to the information that is available on the Guild website.

The updated catalogue will also show this year's additions. John Girt has offered to continue our run of *The Ringing World*, and we have purchased a searchable DVD of it from 1911-1940. Continuing the historical theme, David Rogers has donated an issue of *Picture Post* from July 1949 which features photographs and descriptions of the Lavenham ringers. The author observed that 'in the belfry all types and ages of men and women meet on common ground'. This still rings true, and in 60 years' time people may want to look back to today. I would therefore like to finish with a general plea for materials - orders of service, leaflets, photos (digital or otherwise), newspaper cuttings, videos, notes on trips and other items will all create an archive of today's Suffolk Guild of Ringers, so do please send or e-mail them.

## PUBLIC RELATIONS OFFICER'S REPORT — BRUCE WAKEFIELD

This year saw the delivery of the Guild's new mini-ring, a generous gift from the estate of the former Patron of the Guild, Edmund Vestey. His son, George Vestey, the Guild's current Patron, says that he and his brothers, Timothy, James and Robin, are pleased to be able to help the ringers and, in doing so, provide a lasting memorial to their father. The ring is to be known as the Vestey ring. It was dedicated in the cathedral at Bury during evensong in the autumn. The mini-ring is proving to be a valuable tool to help with the promotion of bellringing in the county. Manned by members of the Guild, it has been taken along to a number of public events, including the Henham Steam Rally. At these events, members of the public have been actively encouraged to safely "have a go" at ringing.

Ringing at St Lawrence in Ipswich on Wednesday lunchtimes has now become a regular occurrence Any ringer who happens to be in Ipswich on Wednesday lunchtimes between 12:30pm and 1:00pm will be welcomed. Methods that are rung range from rounds and call-changes up to Stedman Doubles. If you haven't already rung on these historic bells this is a good chance to ring them. And of course, because the ringers can be clearly seen (if not heard) from the cafeteria in the main body of the church, ringing here is valuable from a public relations point of view.

BBC Radio Suffolk are still campaigning to raise the profile of Saint Edmund, hoping that in time he might be adopted as the country's Patron Saint. The station again gave wide coverage to the Guild's special ringing activities for St Edmunds Day. Our Chairman was interviewed on the Mark Murphy Show which was being broadcast from Bury St Edmunds, and later in the morning Abby Antrobus and Jed Flatters were interviewed by the presenter at the Norman Tower.

On the last Saturday before Christmas we managed to ring all the ringable bells in Ipswich together for half an hour around midday to remind the shoppers of the presence of the church in the town and of the true meaning of Christmas This is a feat that requires at least 51 ringers. In previous years, one or more of the Ipswich towers has been unavailable for one reason or another.

Earlier in the year the bells of St Mary's Woodbridge were rung for the special service in the church attended by the 23 Engineer Regiment (Air Assault), who are based at the Rock Barracks Woodbridge, prior to their deployment to Afghanistan.

Everyone must have heard via the media of the theft of the Campsea Ashe bells whilst they were at the bell hanger's works. Fortunately the stolen bells were able to be replaced, and Campsea Ashe now has a lovely ring of 6 bells which replaces the old ring of 4 that used to be in the tower.

If you have a newsworthy event to report, don't keep it to yourself. Let the Guild's PRO or the media know. The media is always willing to consider a good story for publication.

## WEBMASTER'S REPORT — CHRIS GARNER

The Guild Website continues to grow. Information about towers, bells, ringers and events is constantly updated. The Ringing Master's Blog, now in its fourth year, is posted daily and generates friendly repartee in the Guest Book. A page on Facebook has been added. Please remember to send photos and snippets of news to the Webmaster for him to post on the site.

There has been an increased use of the email system and it is now used to circulate *What's On* to all those who would like to receive it. The email addresses are known only to the Webmaster and are not published even to other members. If you would like information distributed please email it to him. If you change your email address please let him know.

# DIRECTORY OF SUFFOLK TOWERS

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Advisor or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place.

The table on the following pages shows details of every ring of four or more bells in the area covered by the Suffolk Guild of Ringers. The following details are included:

KEY

The key of a ring (ie the note of the tenor) is given in cents (ie, hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C# -20, and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

## SECRETARY'S REPORT — JULIE RAPIOR

The NE District has had another successful year. The year started well with a focused practice on plain minor methods beyond Bob Minor which has been built upon throughout the year with several 'first in method' quarter peals. The Surprise Major practices at Halesworth have been well attended and a quarter of Standard Eight Surprise Major was rung in August by an all-District band. Guild Peal Week saw two new conductors for the District and an impressive local band peal at Reydon. The District Striking Competition was well-attended again with lots of new call-change teams participating. The North East District were proud winners of the Rose Trophy at the Guild 8 Bell Competition a few weeks later.

In August Jonathan Stevens ran a workshop on belfry maintenance and passed on lots of useful information to those attending. We have had a lot of new younger members this year and they enjoyed a Young Ringers afternoon in the summer finishing with a barbecue.

The ADM in November was the first chance for many to try the new bells at Wissett, followed by a superb tea provided by the Wissett ringers.

The NE District also hosted the Guild Social in November with a quiz and meal at Ringsfield, which was enjoyed by the participants and the District planning team.

We hope we have produced another varied programme of events for 2011 but as always, we encourage members to contact us if they have suggestions or specific requirements.

## SECRETARY'S REPORT — MANDY SHEDDEN

It has been another busy year for the North West District. Hosting the Guild AGM was a challenge, with a talk by Stuart Hobley from the Heritage Lottery Fund being held at a separate location from the main AGM events, so timing was of the essence. A lot of hard work by the District team made the day a great success.

The call change striking competition held at Pakenham, together with a barbecue, was a very enjoyable afternoon and the Pakenham Ringers were great hosts. The winners (Young Ringers) were presented for the first time with the Ivings Shield, a tribute to the lifelong love of ringing of Henry and Win Ivings of Euston.

Although there were no formal events during the summer months, there was plenty of ringing going on and in particular a group of young recruits met regularly throughout the summer holidays to practise and

consolidate. Many of them enjoyed a Young Ringers' training day in October half term which gave them an opportunity to get together and realise that they are not on their own even though their home towers are several miles apart. They were joined by some young ringers (and helpers) from other Districts, and Bardwell Church, normally a serene and quiet building was certainly buzzing in the early afternoon with sounds of several youngsters enjoying the mini ring, hunting answers to a quiz, using the simulator to "play" methods or ringing in the tower using real bells.

On a comparatively warm Saturday in November a small group enjoyed a day out in Cambridgeshire ringing at four towers within a six mile radius interrupted by a nicely cooked pub lunch in Swaffham Bulbeck. Two ultra keen members even left their car at the finish point and cycled between the churches. Now that is just too much exercise in one day!

Sadly, this year has been tinged with sorrow for all of us with the loss of four very dear members; Keith Rands, Albert Driver, Wendy Mason and Sue Munford. They all gave so much to ringing and we miss them very much.

I have really enjoyed being the District Secretary for the last six years, working within a team of enthusiastic people who really have made a difference in the District with their inclusive and encouraging attitude to ringers of all abilities, and I am looking forward to enjoying events in the coming year, in between weaning my Guild Secretary hat.

## COMMITTEE REPORT — PETER HARPER

We started the year looking forward to the pre-Christmas ringing in Ipswich. In spite of the weather and a traffic jam caused by a police cordon, we managed to ring in most places. We enjoyed coffee and mince pies in St Margaret's Church Hall, when most of those unavoidably detained were able to join us. Our thanks to the St Margaret's ringers for the refreshments, and especially to Brian Redgers for his organisation.

There were several highlights during the year. Who can forget the cheesecake served at our successful meeting at St Lawrence and St Mary-Le-Tower? May was particularly busy with the District striking competition at Sproughton, followed almost immediately by the Guild competitions held at Hasketon and

Woodbridge. Thanks to everyone who helped in the smooth running of these events.

Kate organised another enjoyable tour to SW Norfolk ( we won't mention the mannequins at Hilgay!), and in August we rang quarter peals, with those taking part meeting for a meal at Saxtead.

I must admit to some trepidation in proposing a quarter peal fortnight at the end of October, but in the event the District rose to the occasion with 24 quarters peals being rung, but, more importantly, 80 ringers took part, including three ringing their first quarters, as well as various firsts and personal targets achieved. Well done to everyone who took part. Do you think we can do better next year?

We finish the year as we started, looking forward to pre-Christmas ringing in Ipswich on Saturday 18th December.

My thanks to all district members for their help and cooperation with district activities.

## SECRETARY'S REPORT — SUE FREEMAN

I am very pleased to report another good year for the South West District. All the practices, at Lavenham, Polstead, Sudbury, Kedington, Acton and Little Thurlow were extremely well attended. (There were excellent refreshments at Acton!) The striking competition was held at Polstead, always a popular venue for this event which is followed by a bring-and-share supper. The Kersey ringers were again the winners, the runners up being the Stratford St Mary band.

Christine and Richard Knight again organised a most enjoyable mini tour in October, this time to New Buckenham, Banham, Kenninghall and Hopton. A convivial meal was consumed afterwards at The Mill,

Market Weston. Richard and Christine have organised this annual event for many years but this year was the last. The District is very grateful for all the marvellous tours they have arranged.

The triples practices at Sudbury St Gregory's were held regularly throughout the year and a beginners' 10 bell practice at Sudbury St Peter's was extremely well attended. It has seemed a great pity that Sudbury, a sizeable town with three rings of bells, has, in recent years, had no ringers. John Smith has now started to teach a prospective new band at St Gregory's, to go some way towards rectifying this situation. It is hoped that in 2011 bells will be rung again in Sudbury on Sunday mornings.

At the ADM in November Rolie Whiting stood down as District Treasurer, a post he had held for many years. Indeed, he has been an officer of the district for over three decades. He was presented with a gift by the District Officers as a token of appreciation for all the work he has done for the South West District.

## OBITUARIES

### JULIA BARRY — Long Melford

Julia joined Long Melford Tower in spring 2007 where she learnt very quickly how to handle a bell, within 6 months she was ringing in rounds and call changes and at Sunday services, she also loved to get out and about visiting other towers. Julia had a very dry sense of humour and was never shy in telling other ringers if they were not 'focused enough' on the task. It is a year now since she lost her fight to cancer, but still we miss her and often comment how she would be 'glaring' at our mistakes as we learn new methods. Julia was a much loved and valued ringer and will be always remembered at Long Melford

### D SIMON COTTRELL — Parham

Simon and his wife Audrey spearheaded the restoration and augmentation of the three medieval and unique bells at Parham to the present six. Simon was a terrific chap to work with; enthusiasm, kindness and generosity personified and good humour besides. It was his drive that saw this project through to completion. One applauded too his willingness to learn the Art so late in life, but he did it, and gave us as much pleasure as it obviously gave him.

### ALBERT G. DRIVER — Redgrave

Albert was born at Moneypot Farm, Redgrave on 14th February, St Valentine's Day, 1915 and lived there all his life. He learnt to ring at the age of 8, being taught by his father Frederick. Albert rang the bells for Redgrave's Harvest Festival for 81 consecutive years. Peals were rung for his 60th and 70th anniversaries and the 80th anniversary was celebrated by a Quarter Peal of Grandsire Doubles on 21 September 2008; Albert ringing the tenor. In recent years Albert taught a new band using the bells at Rickinghall. It is a credit to him that four of them were able to ring in a quarter peal following his funeral. Full accounts of Albert's life and bellringing appear in the *Ringing World* at pages 876 and 1000.

### DENNIS KIDDY — Cowlinge

Dennis was already in his forties when he was taught to ring at Cowlinge by Harry Stubbings. The band was very depleted and had merged with the one at Stradishall. Dennis joined the Suffolk Guild in 1975 and soon began training a new band at Cowlinge. He organised his own first peal there in 1976 to commemorate the 50th anniversary of the first peal on the bells. It was conducted by Walter Perry of Clare, who had helped with teaching recruits. Dennis rang just one other peal, but was proud to have rung 72 quarter peals. He was always looking out for new recruits, working extremely hard to maintain a band for regular service ringing at Cowlinge Stradishall bells were unringable for many years owing to tower problems, but once the tower was restored in the mid-1990s, Dennis began working tirelessly towards having the bells re-hung. The project came to fruition in 2007. Dennis died suddenly, aged 81, on 27th August 2010, at his life-long home, Hawbush Farm. He made a huge contribution to local ringing and he will be greatly missed.

### JOHN MARDON — Sproughton

John and his wife Jean moved to Sproughton from Cock Clarks near Purleigh, Essex some 8 years ago and John immediately became an enthusiastic, regular and valuable member of the Sproughton band. John learnt to ring at Purleigh in his mid seventies. Sadly John suffered a stroke a couple of years ago and although he tried, he knew it was no longer practical for him to ring. John sadly suffered a further stroke in the autumn of 2009 and died Monday 11th Jan at the age of 89. His warm, kindly, generous, humorous and Christian personality will be missed.

## ROBERT MARES — Edwardstone

Robert and his wife Mavis came to live at Groton in 1987. They were eager to participate in the various local activities on offer, one of which was church bellringing, and presented themselves for instruction in our noble art at St. Mary the Virgin church in the next door parish of Edwardstone. They were taught to ring by members of the local band under the captaincy of Sarah Titford, ( the local Rector's wife), and became regular Sunday service ringers there for several years. Both Robert and Mavis were elected ringing members of the Suffolk Guild in 1990.

In 1997 the restoration of the eight bells in St Mary the Virgin church, Boxford, was completed and they became regular Sunday Service ringers at that tower. The advancing years began to take their toll on Robert's health however and, sadly, he eventually became unable to handle the bells.

## WENDY MASON — West Stow

Wendy was the experienced ringer needed when teaching a new band from scratch at West Stow for the Millennium. She was born and brought up in the village and spent her whole life in that general area. She originally learnt to ring as a teenager in the fifties, being taught by Arthur Ballam. This was the era when each ringer had his own bell. Work and family took over and she had not rung for 40 years when a chance meeting persuaded her to have another go, and she found that she had not forgotten as much as she thought. She was a loyal member of the band that rang in the Lark Valley Benefice, ringing regularly there and with the Breckland ringers until May 2010 when she started feeling unwell. She died on 9 September 2010, aged 68 years. The bells at West Stow were rung open before her funeral as a celebration of her life.

## SUSAN MUNFORD — Pakenham

Susan Tipple was born in Pakenham in 1958 and learnt to ring there in 1971 along with her future husband Stephen Munford. The tower at Pakenham became unsafe for ringing in 1976 and handbells were rung for their wedding in 1977. Susan became Secretary of the North West District of the Suffolk Guild between 1975 and 1976.

In 1993, following repair work on the tower, and the re-ordering of the bells, Susan and Stephen returned to St Mary's, bringing with them their son Carl and daughter Becky. Since then the family have been regular ringers, always reliable, and always ready to "have a go" at anything new. Susan rang six peals, including the first following the re-ordering of the bells at Pakenham in 1995, and the first after the addition of a sixth bell for the Millennium, and many quarters, among them several family-only, the four Munfords being joined by Susan's mother, Joan, and Stephen's brother-in-law, Maurice Rose. Their enthusiasm was such that they also rang at Great Barton, juggling Sunday services where possible, and were ever ready to help with teaching. Quietly confident, Susan was an asset to any team, and a pleasure to ring with.

## H MALCOLM OLIVER — Nayland

Malcolm was a 'ready-made' ringer who came to live in north Colchester in the early 1980s in connection with his job as a railwayman. He joined the St. Peter's Colchester company and soon began to visit local towers in the North East Essex and South West Suffolk Districts on their respective practice nights. He became a member of the Essex Association and served as Master of their North Eastern District for several years. Malcolm was elected as a member of the Suffolk Guild under Nayland in 1985 and rang 7 peals for the Guild between 1986 and 1995. He remained a member of the Nayland band until his death but had not rung anywhere locally for many years as he became deeply involved in the running of the East Anglia Transport Museum at Carlton Colville during the latter part of his life which took up most of his leisure time.

## KEITH RANDS — Old Newton

A loyal and supportive member of both the Old Newton and Buxhall bands, and a Stowmarket Sunday ringer, Keith died on 18th March 2010 at the age of 80. Keith was actively involved in the restoration of the Old Newton bells to 'full circle' ringing in 1999, ready for the Millennium.

His other great interest was choral singing and the church choir at Old Newton was delighted when Keith rejoined them, having left many years previously. He stayed in the choir until problems with breathing caused him to give up singing and also to restrict his bell ringing.

He is remembered fondly by his friends as a great lover of Stedman, and as a man with a very wry sense of humour.

## DAVID TALLIS — Yoxford

A regular and loyal ringer who supported his local practice at Yoxford, but had not rung for many years.

## GEOFFREY TIMMS — Reydon

A professional singer and musician, Geoffrey and his wife Josephine retired to Reydon in 1986, where he soon became involved in local choral activity and at the time of his death, aged 84, he was Conductor of the Blythe Consort, which benefited several East Anglian charities.

Soon after moving to Reydon, he was taught to ring at Southwold, becoming a regular member of the band. He also became a great supporter of the Reydon Bell Fund, which successfully augmented the one bell to a ring of six, and he looked forward to ringing without having to climb Southwold's 50 steps. Geoffrey was a witty and popular member of the band until motor neurone disease prevented him from taking part. The church at South Cove was overflowing for his funeral, and that evening, a well-struck quarter peal of mixed doubles was rung in his memory at St Margaret's, Reydon.

# PEAL SECRETARY'S REPORT — CHRISTINE KNIGHT

There were 135 Suffolk Guild peals in 2010. These were rung in 57 towers in Suffolk and 6 towers outside the county, namely Campton in Bedfordshire, Chelmsford Cathedral and Belchamp St Paul in Essex, Great Yarmouth, Hagley in Worcestershire and Bitterne Park, Southampton.The Master had hoped for 150 peals during his last full year in office. We may have fallen slightly short, but so much has been done to promote peal ringing and widen participation by members, not least through Peal Week, which was re-introduced in 2007. The 2010 Peal Week equalled the 2009 total of 16 peals and, more importantly, there were 'firsts' of many kinds, including 4 first pealers. It has been particularly encouraging to trace the progress of younger members in Peal Weeks, and several have now joined the ranks of Guild conductors. Once again, St Edmund's Day was a superb PR exercise; 3 out of 4 attempts were scored and the Guild received excellent publicity, both in the press and on radio.

Peals to celebrate restoration featured again this year. In January, the first peal on the re-hung bells was rung at Fressingfield. A peal of Minimus at Campsea Ashe in March was the last peal on the bells prior to restoration and augmentation to six. July saw the first peal on the restored bells at Dennington. A peal of Double Norwich at Bardwell in November was the first peal on the bells since 1938 and also the first of Major, following augmentation from six to eight.

It is a noteworthy achievement to ring a local band peal in a village. A peal of Plain Bob Minor at Reydon on 14th February was rung by a band made up entirely of village residents, conducted by 15 year old Philip Moyse. During Peal Week, the NW District led the way in organising peals by a district band. There was a first pealer at Great Barton, and a district band, conducted by Ian Holland, achieved a peal of Stedman Triples at Elveden on 20th February, an excellent peal by all accounts. Peal Week also saw a footnote of historical interest: on 17th February, at The Wolery, George Salter became the fifth consecutive generation of his family to have rung a peal. Soon after, on 25th April at St Lawrence, Ipswich, his parents, David and Katharine Salter, rang their 1000th peal together, becoming the first Suffolk born couple to achieve this. Another personal milestone was achieved by Adrian Knights, who rang his 1000th peal on his birthday, 1st June, on the front eight at St Mary le Tower. A 5063 of Bristol S Major was composed by Brian Whiting to celebrate the occasion. On 19th June, Stephen Pettman became the first person to have conducted a thousand peals for the Guild, an incredible achievement. The peal of Grandsire Cinques was also the 750th peal on Grundisburgh bells.

Several trends in Guild peal ringing have been carried over from recent years. Surprise Minor has remained popular. At the Wolery, many individual methods have been pealed for the Guild for the first time and Spliced Surprise Minor has also been a focus. A peal of 41 Spliced Surprise Minor was rung there on 14th July. The Master has also led a band with this aim, and a peal in 27 Surprise Minor methods was rung at The Folly on 30th December. Stephen Pettman and Brian Whiting have retained their interest in composing peals of a commemorative length. There were 7 such peals in 2010, rung as birthday or memorial peals. The increased involvement of younger members in peal ringing is a very pleasing trend. Although they were very modest and did not claim an 'average age' footnote, it was good to see a very youthful band ring a peal of 7 Surprise Minor at Reydon on 11th August, conducted by Tom Britten. In me, progress and enthusiasm will, hopefully, generate more 10 and 12 bell peals, and also more peals if wrong place Surprise Major. Only 2 peals of Bristol Major were rung, and none of London. A very encouraging trend, though, has been the growing interest in conducting. In 2008, only 6 resident members called more than one peal for the Guild; by 2010, this total had doubled. I should like to extend my thanks to Ruth Suggett, Brian Whiting and David Salter for all their help, and also to those conductors who have submitted peal fees and compositions without needing to be reminded, making my job much easier.

First performances for the Guild during the year were:

# Minutes of the Annual General Meeting of the Suffolk Guild of Ringers, Held at Ixworth, Saturday 10 April, 2010

1. The Chairman. Philip Gorrod (PJG) opened the meeting by giving a warm welcome to the one hundred and four members present. He thanked Gill Walker for taking the service and the organist, the local ringers, masterminded by Anita Rose (on her birthday), for the wonderful tea and the Girl Guides who had been serving teas all day. He thanked Ruth Suggett and Jonathan Stevens for organising the Restoration Seminar at Bardwell during the afternoon, which had been very well supported. The meeting stood in silence in remembrance of John (Jack) Banks from Bury St Edmunds, Henry Ivings from Euston, Dr David Pearson from Haverhill, David Rutherford from Long Melford, George Salter from Ipswich, Albert Wade from Haverhill, Ruth Wright from Halesworth and Woodbridge and three non resident members who had died during 2009.

2. Apologies were received from 51 members.

Ewan James Gadd, Great Barton (Junior), proposed by Jacky Savage and seconded by Sally Veal. Sue Tyler, Huntingfield (Full) proposed by Jason Busby and seconded by PJG. Beatrice Buckley (Junior), Amelia Buckley (Junior), Edward Buckley (Junior) all from Thornham Magna, proposed by Sylvie Fawcett and seconded by St John Perry. Emma Creasey, Wickham Skeith (Junior), proposed by P J Davidson and seconded by St John Perry.

4. Minutes of the 2009 AGM

These minutes had been published in the Annual Report. Their acceptance was proposed by Peter Harper and seconded by Chris Garner and they were signed as a true record.

5. Officers' Reports:

Ringing Master: Richard Munnings (RJM) presented the Master's Report as printed in the Annual Report. The acceptance of his report was proposed by Robert Beavis, seconded by Alan Munnings and agreed by the meeting. Secretary: Mary Garner (MSG) proposed the acceptance of the Secretary's report as printed. This was seconded by Jane Harper and agreed by the meeting.

Treasurer: Keith Ashton Jones (KAJ) explained that his written report was contained in the Trustees' Report. It was explained that the Library expenses of £10 was the Guild subscription to the Central Council Library and the apparent disparity in the figures for the Mini Ring was due to the method of accounting which works on the day an item is received and paid for. It will resolve next year and show that it has cost us nothing. RJM proposed, seconded by Diana Pipe, that the accounts should be accepted. This was agreed by the meeting.

Public Relations Officer: Bruce Wakefield presented the Public Relations report as printed. The acceptance of his report was proposed by Veronica Downing, seconded by Alan Smith and agreed by the meeting.

Belfry Advisory Committee: Jonathan Stevens presented his report as printed with one amendment. He explained that Winston Girling had been omitted inadvertently in the report but that his name should appear on the list of Belfry Advisory Committee members. His report was proposed by Jason Busby, seconded by Chris Garner and agreed by the meeting.

Librarian: Gillian Wakefield presented her report as printed. Its acceptance was proposed by Shirley Girt, seconded by George Pipe and agreed by the meeting.

Peal Secretary: Christine Knight thanked Brian Whiting for producing the compositions section of her report, David Salter for allowing her to use his database for checking details and Ruth Suggett for her patience and support during the completion of her report. Her report as printed was proposed by Robert Beavis, seconded by Diana Pipe and agreed by the meeting.

Handbell Trustee: Brian Whiting reported that there had been little demand for the Handbells during 2009, saying that two sets were with members in the NE and the other two sets with him, one of 16 the other of 25. He reported that Winston Girling had complete minor refurbishment on the 16.

Webmaster: Chris Garner presented his report as printed, adding that the email system for contactin members was used mainly for distributing letters from PJG. He explained that there is an ema correspondent for almost every tower as well as many individuals. He stressed that emails were alway sent as blind copies, that is, ensuring nobody else's address was visible to other recipients. Th acceptance of his report was proposed by Robert Beavis, seconded by Veronica Downing and agreed b the meeting.

6. Trustees' Report: The Trustees for 2009, PJG, MSG and KAJ presented the report as printed. It acceptance was proposed by Jacky Savage, seconded by Valerie Eagle-Bott and agreed by the meeting

7. Central Council Report

PJG told the meeting that there were two reports on the website. He said that two of the Guil representatives were present, Laurence Pizzey and Richard Munnings. He invited questions but ther were none.

8. Subscriptions and Peal Fees for 2011

The GMC proposed that there should be NO CHANGES and that the 2011 subscriptions should be:

| | | |
|---|---|---|
| Ringing Member | £ 15.00 | Associate Member £ 7.00 |
| Ringing Member 65-74 | £ 10.00 | Non Resident Life Member £ 7.00 |
| Members 75 and over | Free | Peal Fee £ 1.0 |
| Ringing member in full time education | £ 7.00 | |

KAJ explained that since last year expenses were covered comfortably there was no need to consider a increase in subscriptions. The proposal was agreed by the meeting.

9. Proposed constitution changes

The following were proposed by GMC to take immediate effect:

B4 to read: Churches within the Diocese may be affiliated to the Guild on payment of an annual donatio of an amount at least equal to a Senior member's subscription. It was commented from the floor that n reference was made to Senior Members in the Annual Report. The following amendment was propose by MSG and seconded by John Girt:

B4 to read: Churches within the Diocese may be affiliated to the Guild on payment of an annual donatio of an amount at least equal to the subscription payable by a ringing member aged between 65 and 74.

PJG answered a question posed regarding qualification for Affiliation by explaining it was open to a parishes where the PCC likes to be associated with the Guild.

The amendment was carried and would have immediate effect.

D6. revised as follows:

D6 (6.1 & 6.2 to be unchanged.)

6.3 Vice-Presidents elected before 2010 shall hold office for life and shall not be required to pay a subscription.

6.4 A non-member may be elected as a Patron at an AGM. Patrons shall hold office without re-election, but may be removed by a resolution at an AGM.

6.5 (to be deleted)

PJG reminded the meeting that two proposals with regard to LHMs and VPs had been circulated for

discussion at each ADM. He reported that the districts displayed a great deal of agreement, that is VPs should keep their office for life but no further ones will be elected, adding that the SE had felt that VPs should not be required to pay a subscription. In reality many do not need to pay but do anyway, but the gesture is there.

The question about the need for a Patron was raised and PJG explained that it presented an opportunity for a non-member to support the Guild, especially financially. Our present Patron is funding a Mini Ring in memory of his father a previous Patron.

The proposal was carried with one against and two abstentions.

D8 Members shall be elected to the following Offices:

Change "Newsletter Editor" to "Magazine Editor", add "Mini-Ring Trustee".

The proposal was carried unanimously.

10 Election of Officers for 2010/2011:

Prior to the elections Maurice Rose explained that two officers had completed their term of office whilst wo more did not seek re election. He wished to record the thanks of the whole Guild to all the officers.

Chairman: Philip Gorrod had been proposed by Tom Britten and seconded by Stephen Pettman. RJM asked if there were any further nominations. There were none and PJG was elected unanimously. PJG said that he had enjoyed the last two years largely because of the excellent team of officers. Ringing Master: RJM was proposed by Louis Suggett and seconded by Maggie Ross and elected unanimously.

Secretary: PJG explained that MSG had been Secretary for five years and was not eligible for re-election. He thanked her for her work and for being a valuable member of the team. He said that Mandy Shedden was willing to stand, proposed by Mary Garner and seconded by Jacky Savage. He invited further nominations, but there were none. Mandy was elected unanimously.

Treasurer: PJG explained that KAJ had been Treasurer for five years and was not eligible for re-election. He praised KAJ's contribution to the team adding that his understanding of money meant that he always put the opposing view before standing down graciously for the business to continue. Gordon Slack, proposed by Keith Ashton-Jones and seconded by Mary Garner, was elected unanimously.

Technical Adviser: Jonathan Stevens, proposed by Chris Garner and seconded by Helen Price, was elected unanimously.

Chairman of the Belfry Advisory Committee: PJG explained that this job was separate from the Technical Advisor but was pleased that Jonathan had agreed to do this too. Jonathan Stevens, again proposed by Chris Garner and seconded by Helen Price, was elected unanimously.

Public Relations Officer: PJG reminded the meeting of the stunning success achieved during 2009 with regard to Publicity and was pleased that Bruce Wakefield was willing to stand for re-election. He was proposed by RJM, seconded by Gillian Waterson and elected unanimously.

Librarian: PJG told the meeting that Gillian Wakefield had been Guild Librarian for many years during which time the collection had grown a great deal. She had done a great job fielding requests, looking after the archive and keeping it updated. The meeting showed their appreciation with hearty applause. He was pleased to announce that Abby Antrobus was willing to take on this role, proposed by Gillian Wakefield and seconded by Mary Garner. Abby was elected unanimously.

Report Editor: PJG thanked Ruth Suggett for producing an excellent report and handbook. She was proposed by Veronica Downing, seconded by Louis Suggett, and elected unanimously.

Webmaster: PJG thanked Chris Garner for his work, saying that the website was regularly cited as comprehensive and up to date. This received hearty applause. Chris, proposed by Kate Eagle and seconded by was Maggie Ross, was elected unanimously.

Magazine Editor: PJG thanked Carol Girling for her work over the past few years. Alan Stanley, proposed by Mandy Shedden and seconded by Sue Freeman, was elected unanimously.

Peal Secretary: PJG thanked Christine Knight for keeping the records so efficiently. She explained that the job was quite bitty but that she had routines, which enabled her to keep everything up to date. Christine, proposed by Mary Garner and seconded by Gillian Waterson, was elected unanimously.
Handbell Trustee: Brian Whiting, proposed by Stephen Pettman and seconded by Helen Price, was elected unanimously.
Mini-Ring Trustee: PJG thanked Brian Whiting for all his work during the year, including writing a manual, taking bookings and moving the ring around the county. Brian, proposed by Stephen Pettman and seconded by Helen Price, was elected unanimously.
11. Election of Trustees
MSG proposed, seconded by John Girt that the Chairman, Secretary and Treasurer be the Trustees. They were elected unanimously.
12. Appointment of Independent Examiner
Larking Gowen was proposed by Keith Ashton Jones to be appointed as Independent Examiner for 2010. This was seconded by Philip Gorrod and carried unanimously by the meeting. When asked KAJ said that the examination of the accounts was done for nothing but that a token of appreciation was given.
13. Election of Central Council Representatives
PJG explained that these elections were for the posts in 2011, 2012 and 2013.
Canon Revd Lawrence Pizzey said that he had been a member of CCCBR since his election by the Guild in 1969. This received great applause. He thanked the Guild for having provided him with the privilege for so long. He explained that the Central Council has changed much in that time, with a great deal of work being done by committees. He had served on the committee for Peal Analysis for twelve years. There are many very experienced ringers who are on CC but also a great number of ordinary ringers. Their names do not appear in peal columns and they have no particular expertise as conductors, but are people who genuinely reflect the ringers both in this country and abroad. He repeated how privileged he had been and said that he was standing down now. John Girt endorsed what he said about CCCBR and added that Lawrence had been extremely modest about his contributions. David Salter, proposed by Glenys Fear and seconded by Winston Girling, and Stephen Pettman, proposed by Philip Moyse and seconded by Tom Scase, were standing for re-election. Alan McBurnie, proposed by Kate Eagle and seconded by Chris Garner, and Veronica Downing, proposed by Hugh Spink and seconded by Jason Busby, had expressed willingness to stand. He invited other nominations. There were none. The four nominees were elected unanimously.
14. Mini Ring
PJG explained that Brian Whiting had taken custody of the Mini Ring in August 2009. Brian told that meeting that since then it had been out to eight different venues, there had been five before. He had received bookings for eight events so far this year. Last year the first peal was rung which took place at Kimberley Hall. PJG added that this was an interim ring. Matthew Higby had promised the new ring (Vestey Ring) for this spring. Bishop Nigel has agreed to dedicate it when it arrives, at present negotiations are continuing between George Vestey, the Bishop and the Cathedral to find a suitable date, hopefully a Sunday evensong in July or August. He added that after that time there will be a second hand one for sale. The question was posed as to whether registry offices were aware of its availability. PJG replied that it was going to wedding fair in Halesworth and that it is something to encourage when the new ring arrives and has a large logo on display.
15. Child Protection – update
PJG explained that John Girt had filled this post as a temporary measure during last year. A new person will be appointed at the next GMC meeting.
16. Guild Library - update

Gillian Wakefield, outgoing Librarian addressed the meeting. She said that it had been a tremendous privilege to have custody of the valuable books and artefacts. The collection had grown over the years as generous donations were made by the families of ringers past and present and £50 a year had enabled her to buy appropriate publications as they became available. She thanked Ruth Suggett for her initial contact with the Office Manager at the Bury Record Office and MSG for her help setting up a meeting with the archivist along with herself. The AV items have been deposited at the Bury RO to be sent to the East Anglian Film Archive for conservation. It is these items that will deteriorate most rapidly and will need transferring to appropriate media in order to be heard and viewed. The remainder had been placed temporarily at Ipswich before being moved to Bury when space becomes available. The Bowell Papers are already at Ipswich and will remain there since Bowell was an Ipswich Bellfounder. The Ringing Worlds date back to the 1930s and have been referred to on a number of occasions. Everything is on long-term loan and remains the property of the Guild. The two handbells from Stradbroke remain in the care of Gillian & Bruce Wakefield. Regarding the *Ringing Worlds*, in recent years these have been donated by St Mary's Woodbridge, which will no longer be practical. Should the Guild wish this collection to be desirable it will need to consider how it will be carried out. She thanked her husband and Mary & Chris Garner for the morning spent in depositing the archive at Ipswich. Finally she expressed her delight that Abby has taken over as Libranan and hoped that she has as much fun as Gillian has with the care of the collection, and a feeling of pleasure that the library is in good hands at the RO.

17. Guild History – update

PJG invited George Pipe to talk about the book he is writing about the history of the Guild. George told the meeting that he was getting on quite well with the project and was keen that it would appeal to a wide range of people. He plans to include 30 chapters, the first 6 leading up to the establishment of the Diocese of St Edmundsbury & Ipswich and the formation of the Guild in 1923. Others would be about ringers and towers in various decades, VE & VJ days, handbell ringing, famous ringing families, the Millennium and the Guild today and looking to the future. In all about 100 photographs will be included. He hopes it will be published by the end of 2010. When asked about size and cost he was unable to give any indication but said that he had a friendly printer. A show of hands indicated that many would buy a copy. George jokingly added that signed copies would be £5 extra!

18. Guild Magazine

Alan Stanley talked about the first issue of the Guild Magazine. It has an editorial team who were hoping that the magazine would fulfill the needs of new and experienced ringers alike, forming a key part of communication in towers both to encourage and report on things happening in the Guild. He stressed that the team was keen to hear from members. They had discussed the possibility of defraying some of the expenses with advertising, and asked if anyone might be able to assist there. Some discussion followed complimenting the impressive style and questioning the quantity produced. It was explained that the greater number of copies was to enable a wider distribution, e.g. clergy, churchwardens, in the body of the church. PJG said that the GMC had agreed to underwrite for a year, but could not continue without considering increasing subscriptions or getting advertising. Further comments were made about printing out copies from the web, but it was felt that the good paper copy was important and helped keep members in touch, especially those who were unable to attend the tower regularly. PJG asked members to send any ideas to the editorial team.

19. Guild Social Event – Ringsfield 20th November 2010

PJG reminded the members of the great success of the Guild Social at Hadleigh last June. This year the NE are organizing the Guild Social on November 20th centred on Beccles and Bungay. Ringing in the afternoon will culminate with a meal and quiz night at Ringsfield. Tickets from Julie Rapior, price £7.50.

20. Any matters arising from the minutes of the 2009 AGM not already covered

There were no further matters arising from the 2009 AGM.

21. St Edmund's Clapper competition

Three teams were about equal in second place; the winners were Offton raising £300.

22. Date and Venue for 2011 AGM - SE District

Peter Harper, Chairman of the SE District invited the members to Henley on 30th April 2011.

23. Any Other Business

(i) Veronica Downing offered to sell a pair of silver earring and a silver charm which were left from the fundraising for the restoration at Chediston, the proceeds to go to the BRF

(ii) Ian Holland from The Norman Tower thanked the Guild for their financial support to augment from 10 to 12. He was hopeful that it would take place in 2011.

(iii) Ruth Suggett said that there were wooden items for sale, turned out of the old headstocks at Ixworth.

(iv) RJM reminded the members about the Guild Striking Competitions on 15th May.

(v) Please let RJM if you wish to ring in a peal on 20 November, St Edmund's Day. Radio Suffolk are keen to have more peals than ever rung, especially as it falls on a Saturday.

(vi) Alan McBurnie told the members that the concession for reclaiming VAT on repair work for churches is due to finish in 2011. He advised the membership that a petition against its finishing was available on the Government website. He was seeking the approval of the membership to inform them of its existence through the e-mail system. There was lively discussion, during which it was reiterated that that petition was not on the Guild website, and that the zero-rated new building works was set to continue. Richard Coe proposed that the email system could be used, with discretion, to advise members of items of importance to ringers in general. This was seconded by Robert Beavis and carried by the meeting with twelve against and five abstentions.

(vii) The Ringing Master was asked whether there were plans for ringing on St George's Day.

(viii) Peter Harper emphasised that mid week ringing was open to everyone. It took place monthly, the second Tuesday, an hour before and after a leisurely lunch.

(ix) Gillian Wakefield said that she had paintings and cards for sale in aid of the Guild.

(x) Sally Munnings said that she has one Guild fleece for sale, suitable for a large child.

## Regulations relating to the Suffolk Guild Handbells

The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells viz:

| | |
|---|---|
| 25 bells by Taylors | size 20 in C (2 chromatic octaves) |
| 16 bells generally by Shaw | size 19 in F (diatonic 13 + 3 semitones) |
| 13 bells by Warner | size 20 in E (diatonic 12 + 1 semitone) |
| 13 bells by various founders | size 20 in F (diatonic 13) |

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

## FOREWORD FROM THE CHAIRMAN

The Suffolk Guild Annual Report is something members look forward to, and it is really uplifting to read about the Guild's achievements, for example, "Bailey Day", over the year just gone. This report is a credit to a large team across the Guild, all working with Ruth to make sure you are reading this before the AGM.

Teamwork is important throughout ringing. Here in Suffolk, with our membership spread thinly over the rings of bells available to us, it is not always easy to get bands together to ring, be it on Sundays, for weddings, or for peals and quarters. It takes considerable effort to bring together a team, and towers that are fortunate enough to have a thriving band have usually made their own luck by a lot of hard work.

Over the last few years the Guild has had a steady stream of new members: we now have 100 more members than when I became Chairman four years ago. This is not due to an influx of ready-made from foreign parts, but largely because of new recruits, which means a high proportion of the membership of our local teams is relatively inexperienced.

In a team activity though, inexperience must be accommodated. If eight ringers turn up at a tower, and seven can ring Surprise but one just call changes, then call changes is what is rung. In the process, however, the inexperienced ringer gains more experience and confidence. The opportunity to ring with more accomplished ringers is a fabulous resource, and I am disappointed that often new ringers seem reluctant to go to other towers to take advantage. "They won't want me messing things up" is often said, but all ringers get satisfaction from ringing simple things well and helping someone to improve in the process. I was only when, as a teenager, I was exposed to other ringers in other towers by a kindly mentor that my ringing began to climb out of mediocrity (albeit slowly!).

Being a member of the Suffolk Guild team is a privilege ,something to be proud of, but it also carries a responsibility: to do the best for the team, whoever and wherever that team happens to be. Getting out of bed to ring on a Sunday, doing your homework, and always trying to ring to the best of your ability, striking your bell as well as you can, that is what makes a good team member: I hope that's you!

**Philip Gorrod, Guild Chairman**

## Review of Progress and Achievements

### Bellringing Activities

Ringing takes place in most of the towers with ringable bells, both for services and practices. Each of the four Districts holds regular activities for members. Striking competitions take place in each District, and the Guild holds an annual striking competition. A good number of peals and quarter peals are rung. The Vestey Ring has been used to demonstrate what the Guild does, at the Suffolk Show and other events.

### Restoration activities

Major projects have been supported at Campsea Ashe and Helmingham. Members of the Belfry Advisory Committee, as well as other Guild members, frequently give advice and support, both for routine maintenance and restoration projects.

## Guild Finances

### Policies

All money in the Guild's funds not required for day-to-day working purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee. Grants from the Restoration Fund are authorised by the Guild Management Committee, but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

### General Fund

Leaving aside the final donation to the Vestey mini-ring, General Fund income in 2011 was almost unchanged from 2010, with increases in subscription income and peal fees offset by a decrease in sales (primarily of rope). General Fund expenditure increased slightly from 2010. Significant savings were made in the printing of the 2010 Annual Report but these were balanced by increased administration costs and the purchase of a sizeable stock of badges. Administration costs are monitored carefully and the growth reflects increased activity within the Guild.

### Restoration Fund

Restoration Fund income showed a 25% increase over 2010, primarily from an increase in the Gift Aid refund and donations from a variety of sources. Tower Affiliation income was up, as was income from Guild events, reflecting the additional activity referred to above. For the third year running, grant approval at £1,850 was low (£5,500 in 2010 and nil in 2009). The sum now available for allocation to new projects stands at £45,374.

Payments of previously allocated grants, totalling £13,750, were made for three projects completed in the year. The amount reserved for grants allocated to three projects still in progress stands at £5,200.

### Summary

A satisfactory year financially with an increase in the General Fund balance. The Restoration Fund has a significantly higher balance available to contribute to projects that may arise in 2012.

## Belfry Advisory Committee Report — Jonathan Stevens

As usual the BAC has been busy; as well as the hours of skilled volunteer labour helping major projects such as Helmingham's restoration (saving the parish many thousands of pounds), over fifty other parishes have benefited from help or advice from BAC members.

The BAC has a wealth of knowledge and experience about all things to do with bells and towers, from the mechanics to sound and design and layout of ringing chambers.

The BAC members like to keep active, so ringers, do ask for aid, where you perceive a need.

## Guild Committees

**GENERAL MANAGEMENT COMMITTEE**
Chairman, Ringing Master, Secretary, Treasurer, Chairman of BAC, and one elected representative from each Deanery.
**RECRUITMENT & TRAINING**

## RINGING MASTER'S REPORT — JED FLATTERS

I would like to start my report by thanking everybody for helping me to slot into the Ringing Master's seat so easily, and especially Richy, who made sure that my first event, the Guild Striking Competition, was already well organised. A handy church hall, a large churchyard and Nayland's pleasant bells with a good turnout of 14 teams and supporters made for a superb afternoon. In the evening at Stoke by Nayland, five teams competed for the Rose Trophy on the tricky eight, with the SE District running out as worthy winners.

In the weeks before and after, I was able to attend all but the SE District's striking competitions, standing in as a spare ringer for two of the NE teams who, I am pleased to say, carried off trophies on the day.

On a regional level we hosted the Ridgman ten bell competition at St. Mary le Tower in June. Home advantage did not fully benefit us, although our ringing was more than creditable. This year we look forward to a better placing when we ring at Kempston in Bedfordshire.

I was privileged to attend George Pipe's master classes for learners held at Pakenham and Brandeston in March and June respectively. George's talk held us all, beginner and expert alike, as he drummed home the mantra of good handling being the key to progression and good striking. I was also pleased to be able to get over to the young ringers' day at Aldeburgh and Leiston to see the younger ringers in action. Well done to Maggie Ross for running this event.

Also we have to thank Maggie for organising the North East's novel ADM Open Day at some of the rarely rung fives. The hard work and resulting sore hands were well worth it though, for the ringer's tea with the famous cream meringues. Although not a Guild event, I was pleased to support Angela and Crawford Allen's Open Day in aid of the Elmsett augmentation, which gave me a chance to ring at many towers in the north of the county and meet up with ringing friends out for a grab. One pleasing aspect of this day was to see so many ringers enjoying the chance to ring on different and often difficult bells for the first time and gaining experience whilst doing so.

The Guild Social, held in the NW District, struggled for numbers due partly to Jason Busby's wedding meaning an almost total absence of NE ringers but we had a good evening and, on the plus side, made a small profit to keep Gordon happy. I am very much looking forward to this year's event, a barn dance at Sproughton barn, so please put the date in your diaries (Sat 15 Sept).

On the celebrations side, we supported Cindy Fitsell and the Leiston ringers helping them to celebrate the 100th anniversary of the Bailey brothers ringing a family peal. A peal band under Richy's guidance repeated the peal of Plain Bob Major, using the same composition, although their performance was somewhat quicker than the 1911 venture. Other ringers gathered for a buffet lunch before heading off for a series of quarter peals at various towers ably arranged by Maggie, and Jonathan Stevens, our Guild Technical Adviser, spent some considerable time armed with spanners and oil at Kelsale and made our task much easier. The day was rounded off by a fish and chip supper in the evening plus a few beers in the Engineer's Arms. We gained good coverage of this in the press and through the *Ringing World* and the *Church Times*.

This year we can look forward to the Queen's Diamond Jubilee, with the extended Bank Holiday weekend from 2 to 5 June, giving us plenty of chance to ring peals and quarter peals in celebration. We also have the opportunity to ring as the Olympic torch passes through the county on 5 and 6 July and, if you feel so inclined, you can ring Five Rings Triples, the special method designed for the event.

Despite what we do in the county as a Guild, we are judged from the outside by the number of peals rung and the mileposts passed. It has been another successful year for peal ringing with the total just slightly down on last year, but I would like to draw attention to the following achievements :-

| | |
|---|---|
| 2800th David Salter, also 1800th as conductor | 250th for the Guild, Michael Edwards |
| 1550th Alan Mayle | 250th Tom Scase |
| 1200th Mary Dunbavin also 700th for the Guild | 100th Maggie Ross |
| 700th Brian Whiting | 100th Louis Suggett |
| 500th Roger Whittell | 75th for the Guild, Peter Harper |
| 350th Mary Garner | 50th Robert Beavis |

Just starting on their peal careers are :- Chris Davies, Derek Rose, Andy Green, Clare Veal and Kay Lucas, and on the conducting front, well done to Robert Beavis and Alex Tatlow for calling their first peals.

It was reported last year that David Salter rang his 2600th peal and conducted his 1700th - this year he and Mary Dunbavin have rung their 750th together. Without their prolific achievements our totals would be all the poorer, although it is pleasing to see young Alex Tatlow rising to the challenge and bringing several youngsters with him. Also George Salter has moved from ringing behind when needed at the Wolery to new heights on an inside bell and, by the time you read this, Louis Suggett will probably be over the 200 mark as he continues to ring with the Birmingham band.

Coming from a bellfoundry background, I look forward to restorations and I am pleased to report on the first peal on Gislingham's restored and augmented bells and the first since 1889. At Helmingham, Doris Haas is to be congratulated on her efforts to get this historic ring put back into good order. The Dedication there took place on 15 October, and earlier in the year the new 8 at Hopton were dedicated. I was delighted to be asked in the first peal, which was dedicated to the memory of Stephen Young, whose efforts saw the old ring tuned and augmented. A worthy addition to the NW District. The first peal on the new six at Campsea Ashe was rung by a mostly local band and I hope to see many more on these handy bells in years to come.

I enjoyed my trip over to Pettistree in December to celebrate their 25th anniversary. It was good to go back for another ring on this well-used six that has now had over 700 quarter peals rung on them, some 500 or so called by Mike Whitby, who has developed the band from nothing. And on the personal side, I am looking forward to the Dedication of the two trebles at the Cathedral, but there is some hard work to do there first to get things right.

Congratulations must go to Sarah and Jason Busby and to Lesley and David Steed who were married this year. We are also pleased for Julie and Richard Rapior, on the birth of their daughter, Emily.

Sadly, several well known and well loved members passed away this year, and we especially remember Rod Pipe, who did so much for ringing composition and placed his adopted home of Birmingham at the top of 12 and higher numbered ringing. All will remain in our memory.

As we all know, the true measure of a Guild's achievement is at grass roots level in the commitment to Sunday service ringing and the number of quarter peals rung. Here are some more inspiring statistics:- (if I have missed anyone, please accept my sincere apologies).

| | | |
|---|---|---|
| 1000th as C - Mike Whitby | 500th David Steed | 150th Robert Beavis & Alex Tatlow |
| 1000th Jo Beever | 450th Tom Scase & Pippa Moss | 100th Philip Moyse |
| 700th Lesley Wilson (now Steed) | 250th Robert Scase | 75th David Howe |

As to the future, I will be looking into ways of keeping our membership levels buoyant and will work with the Recruitment and Training Committee to develop a new training regime. All too often we spend time bringing people to an acceptable standard only for them to drift away, or even worse, develop a poor handling style that severely hampers their progress. We need to ensure that we can give all of our new recruits the best grounding in an art that is now in its fourth century.

## SECRETARY'S REPORT — MANDY SHEDDEN

2011 has been another busy year on all fronts for the Guild. Despite the Royal Wedding on the same weekend with the resulting extra bank holiday allowing people to get away, attendance at the AGM was only slightly down on the previous year.

Recruitment and training of a number of youngsters is encouraging and there has been an increase in members from older age groups as well in many towers within the Guild. The upward trend needs to continue both in growth and retention so hopefully in 2012 we will be able to adapt and put into practice some of the ideas discussed at the National Conference held at Wellesbourne in November.

One of the nice things about being the Secretary is that I learn about the great many people county-wide, who continue to work hard behind the scenes ensuring that the bells ring out in as many parishes as possible on a Sunday. Members of the Guild enjoy a good level of support for the hard work they put in, whether it be by training ringers, maintaining the belfry, or by encouraging good public relations within their communities.

Often in life it is easier to highlight the negatives rather than praise the positives but within this Guild we have a team spirit which we can be proud of. Our task for the future is to ensure that we have a new generation of ringers who can enjoy the benefits of the many towers that have recently had refurbishment or augmentations, all of which have been made possible by the fantastic enthusiasm and dedication of the members and their local public. To misquote a popular phrase -"The future is Suffolk".

## LIBRARIAN'S REPORT — ABBY ANTROBUS

Following last year's deposition of most of the Guild Library with the Suffolk Records Office or East Anglian Sound and Vision Archive, 2011 has seen the acceptance by the GMC of a welcome offer: a new home for the rest of the material on purpose-built shelves in the Norman Tower. The *Ringing Worlds* and other non-Suffolk resources, scheduled to be returned from the Records Office (where the collection is still being catalogued), will be available to read there, and the conditions in the tower were considered satisfactory by an archivist from Bury Records Office. We are still to have discussions about binding the *Ringing Worlds*.

The library is still growing, and recent additions will also be stored in the Norman Tower until they are deposited with the rest of the collection. Do feel free to borrow items – the catalogue is online. A new highlight is a DVD, courtesy of Mr Pettman, with good footage of Italian bells and countryside taken this summer; some familiar 'campanari inglesi Suffolk' appear as handbell stars, and another can be spotted watching a rather more athletic display on some much bigger bells. I have received several requests for information about past ringers and local bells, from relatives, Guild members and the Central Council Biographies Committee. If you have any questions, requests or suggestions for items for the library, please do get in contact. I have also started a collection of digital photographs, so if you have any good ones, do please send them.

## PUBLIC RELATIONS OFFICER'S REPORT — RICHARD MUNNINGS

It's been a busy year for publicity in the Suffolk Guild and it's hard to know how to squeeze it all in to a smaller space than I'm used to! I must start by thanking my predecessor Bruce Wakefield. Through both good and bad publicity, he always found the right person to front up to the right outlets. Thank you Bruce.

For me I've found two of our assets extremely useful PR tools. *Awl a'huld* is a superb publication, but isn't just for members. Please put it into your churches, doctor's waiting rooms, hairdressers; give them to incumbents – anywhere they can spread the word to the public. The other tool is The Vestey Ring, which has had a hectic 2011, most notably appearing at The Suffolk Show and the Henham Steam Rally. Our presence at the former event attracted Radio Suffolk, who also interviewed me about what we were doing for The Royal Wedding, Christmas ringing in Ipswich and St Edmund's Day. They also interviewed Philip Gorrod about Bailey Day, and some of these caught the attention of the *East Anglian Daily Times*. The *EADT* have been superb, featuring the Young Ringers' Outing in the summer, and the Dedications of both Helmingham and Campsea Ashe.

Meanwhile, ringing in Suffolk has had a high profile thanks to the Symphony of Bells, which kicked off this year's Ip-art Festival, and the Ridgman Trophy, the ten-bell striking competition for the Eastern region which was held at St Mary-le-Tower in June. It was also pleasing that our ringers played an important part in The Ringing World Centenary Celebrations, with 1911 peals at Leiston, Palgrave and Thornham Magna rung for the occasion.

2012 promises to be even busier, with the Olympics and Diamond Jubilee celebrations, so look out for more initiatives like Five Rings Doubles and Triples, and ringing along the Torch Relay route in July. And be wary of the Martin Creed project, more details of which can be found on my weekly blog on the Guild website.

Whilst I am the PR Officer for the Guild, I don't decree that every bit of ringing publicity in Suffolk comes through me! Indeed, much has been done off the backs of others which is great and bodes well for the future of our Guild. It would be helpful if people let me know about any PR they're doing to avoid any doubling up, though. Likewise, if you want to publicise something, I am more than happy to do so for you if you prefer! For now though, thank you to Mason and Ruthie for supporting me even when I should have been resting up after five years as Master and indeed to all who have helped me settle into the role.

## WEBMASTER'S REPORT — CHRIS GARNER

The Guild Website still continues to grow. Information about towers, bells, ringers and events is constantly updated. *Richy's Blog*, a continuation of *The Ringing Master's Blog*, is now in its fifth year and is posted daily, generating friendly repartee in the Guest Book. Surprisingly, the Facebook page is used by only a few. Please remember to send photos and snippets of news to the Webmaster to be posted on the site.

There has been an increased use of the email system and it is now used to circulate *What's On* to all those who would like to receive it. The email addresses are known only to the Webmaster and are not published even to other members. If you would like any information to be distributed, please email it to me. A significant number of emails are returned as undeliverable so, if you change your email address, don't forget to let me know.

Note 2. The interest received from the CBF and Barclay's bank accounts and shown in the Jubilee, Restoration and Pipe Family Trust Funds has been apportioned in the ratio of their respective capital sums.
Note 3. For clarity, the net cost each year is shown. The total mini-ring cost over three years is zero.

The independent examiners, Larking Gowen, had not completed their examination of these accounts at the time of printing. Their report will be published on the Guild website when it becomes available .

# DIRECTORY OF SUFFOLK TOWERS

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Advisor or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place.

The table on the following pages shows details of every ring of four or more bells in the area covered by the Suffolk Guild of Ringers. The following details are included:

KEY

The key of a ring (ie the note of the tenor) is given in cents (ie, hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C# -20, and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

## SECRETARY'S REPORT — JULIE RAPIOR

The North East District has had another year with a varied programme of events. We hope that this has appealed to a wide cross section of our membership, but we always welcome members to contact us with suggestions or specific requirements.

The February Quarterly Meeting was combined with a training afternoon, 'First Steps on 8', including Call Changes and Plain Hunt, and this was well attended. During Guild Peal Week a District band rang a good peal of 4 Spliced Surprise Major at Wilby. Several members attended the Ringing World Centenary celebrations in London in March and enjoyed their day.

The District Striking Competition, held at Reydon, attracted a large number of teams from call change and method ringing bands, and it was good to see some of our newer bands and members entering. The Pat Bailey Shield was won by Aldeburgh, the Call Change Trophy was won by Sweffling and the Harry Archer Trophy was won by Halesworth.

In July, the young ringers enjoyed an afternoon ringing at Theberton and Aldeburgh, followed by a beach picnic and kite flying, and finishing at Leiston. The Handling Workshop, in October, was popular to help with either specific handling problems, or to give help with teaching new ringers. The November meeting saw members from the District (and beyond) on a 5 bell tower outing to some of our less regularly visited towers. There were plenty of tower grabbers at Brampton! The year finished with a ringers' and villagers' Carol Service at Wenhaston.

## SECRETARY'S REPORT — ABBY ANTROBUS

Icy weather on the NW's first event of 2011 didn't dissuade a good crowd from ringing at the Norman Tower, lunching at the Flying Fortress, and holding the less formal of the year's meetings. The enthusiastic start was not false, and the district's workshops on handling, conducting and ten bell ringing were well attended. We thank George Pipe, Brian Whiting and David Stanford for tuition. In more clement June weather, the district Striking Competition, and now-traditional barbecue, was hosted by Wickham Skeith, and the Ivings Shield was won by the Norman Tower, in a close competition judged by David and Katharine Salter. In July, we hosted the Guild social, with ringing, a history trail and evening buffet (special thanks to Ruth Young, Gordon Slack and Janet Sheldrake for organising, and to Jed Flatters and Rowan Wilson for sorting the beer). April's Quarter Peal week scored 28 quarters that raised £541 for the MS Society -

several 'firsts' particularly represent the progress of developing bands. New district members from various towers (e.g. Mildenhall, Great Barton, Walsham and Pakenham) also show the dedication of recruits and teachers alike, and seven members are, as I write, proposed from the Hartismere deanery. Elveden practices have consolidated district 8-bell method ringing, and the NW came second in the Guild Striking Competition. The ADM and ringing on the new 8 at Hopton represented the business end of the year and I would like to thank outgoing Deanery Reps Craig Gradidge and Angela Packer. 2011 finished with a convivial Christmas social at Barrow, where Paul's sausage rolls and hot tea did just the job in taking the chill off. Events for 2012 include the now traditional carvery lunch, barbecue and Christmas nibbles – but it's not all about food in the North West, so here's to a good year of ringing too.

## COMMITTEE REPORT — PETER HARPER

The Guild AGM, held at Henley, showed the District at its best, with plenty of support to ensure the day went smoothly and put on a good show. The District Striking Competition at Tunstall a week later was also well supported and a good social occasion, likewise, the quarter peal attempts at the beginning of August followed by a meal are proving increasing popular. There were other examples of the District coming together, such as the "Ipswich Bell Symphony" in June, and, of course the pre-Christmas ringing

in Ipswich. Mention must be made of the augmentation at Campsea Ashe, after an intense fund-raising campaign, and of the restoration of Helmingham bells. Both the dedication and rededication services were well supported, and these projects are a welcome addition to Suffolk ringing. Our monthly practices were reasonably well attended, although there were one or two when there were only just enough to keep ringing for the whole period. It was very sad that the summer outing had to be cancelled for lack of support, especially as Kate had put a great deal of work into the organisation, and her previous tours had been extremely enjoyable.

However, on the plus side, I am aware of the good work being done in various parts of the District to encourage ringers, with groups of towers coming together, and quarter peals being rung. This can only be to the benefit of the District and the Guild as a whole, and I am fairly optimistic about the future of ringing in our area. My thanks to incumbents, tower captains and all who ensure we can visit the District towers regularly.

## SECRETARY'S REPORT — RICHARD GATE

I am pleased to report that the South West District has had a good year. All the practices at Hadleig Lavenham, Rattlesden, Monks Eleigh, Poslingford and Kersey were well attended. The District Striki Competition was held at Edwardstone, and a beautiful evening enhanced the success of the event. Kers were the winners and all the bands were encouraged and learnt much from the instructive criticism give by the judge.

This year the mini tour was organised by David and Linda Lee and ventured into the wilds of North E sex. Unfortunately, one of the towers failed to open for us but this simply meant that we got to the excellen evening meal that little bit earlier and an enjoyable time was had by all.

The Triples practices at St. Gregory's have continued with some success and the District has appreciated the effort the Deputy Ringing Master, John Smith, has put into this venture. He has also brought on some new ringers to form a band for Sudbury and it is encouraging to know that there are people who want to take up our interest in and continue the long tradition of church bellringing.

The lack of a Secretary during the last year was resolved at the ADM. An innovation that was agreed at the ADM is to have a series of Training/Teaching practices. These are intended to support towers that are teaching learners and also help established ringers gain the knowledge and confidence to teach beginners.

## OBITUARIES

### DAVID ALLSOPP — Ipswich, St Margaret

David will always be remembered for his ever present cheery smile and sparkling blue eyes. He was very modest character who began life as a Barnardo's Boy and eventually spent most of his working lif as a ship's "chippy". He began his bell ringing life learning to ring for the millennium and progressed a far as call changes. He was always reliable both in his ringing and in using his practical skills to help wit the usual bell maintenance work in the tower. Sadly he gave up ringing earlier this year because hi increasing health problems no longer enabled him to control his bell. A very sad loss both for his famil and the Exercise.

### KEITH BAINBRIDGE — Cowlinge

Keith started ringing late in life, but quickly became a valuable member of the service band, ringing a both Cowlinge and Stradishall. Like a lot of people who start ringing when they are older, he found th complexities of change ringing something of a challenge, but he stuck at it with enthusiasm. He went o a ringing course and regularly attended the SW District outings.

The last time he attended a practice was at Stradishall. He commented that he was feeling very tire that day and almost hadn't come, but he then proceeded to ring three touches of Plain Bob Double better than he had ever rung before. He was rightly a proud man at the end of the practice. Sadly, th tiredness of which he complained was probably a symptom of what he was to suffer so bravely for mor than a year. He made many friends in ringing and it was no surprise that there was a good turnout fror across the region to ring at his funeral. He was a great friend and colleague and will be sorely missed.

### ELSIE BRAYBROOK — Polstead

Elsie learned to ring at Polstead when the ban was lifted after the Second World War. She worke hard to help the fund-raising efforts when the bells at Polstead were re-hung in the fifties. During her lon ringing career of more than 50 years she rang a large number of quarter peals and two peals. Her mai interest, however, was in ringing every Sunday for service. She did this until back problems forced her t stop ringing soon after her 85th birthday. After that she continued to come to practice nights, to suppor the rest of us, almost till the end of her long life of 91 years.

Elsie worked for the church all her life. She was churchwarden for 25 years, organiser of flower rotas chief arranger of flowers for weddings, mower of the churchyard – you name it – she did it. She was mine of information about the church and an active member of the community up until the day she died.

In 2009, she was chosen to attend the Maundy Service, held that year at the Cathedral in Bury S Edmunds. It was a proud day for her to receive the Maundy money from HM the Queen. The ringers wi always remember the next practice night when Elsie brought her Maundy money to the tower to show everyone. She is very much missed.

### JUDITH FROST — Haughley

In 1991, the rumour around Haughley was that two experienced ringers from Drinkstone had moved in Coincidentally, we in the village were trying to re-form a bell ringing team. So Judy and Dennis joined u and soon they were involved in Monday night practice, restoration work to the bells, and the necessar fund raising. Dennis became Tower Captain. One of the things we learnt is that after ringing practice, yo always go to the pub. A Drinkstone tradition - possibly? Monday Nights became one of the highlights

the week, always with Judy at the centre of it. A familiar face in the village, she worked in Palmer's Bake Office for 15 years, and when she retired she cared for her husband who had had a stroke. She had a great zest for life and she brought something special into the lives of all who knew her.

### DENNIS LORD — Nayland

Dennis learnt to ring in his native village of St Osyth, Essex, soon after the end of the last war. National Service and his career as an electrician were to cause him to move to the Halstead area of Essex for the rest of his life, where he raised a family. Unfortunately, he was not to ring again until 1999 when the sound of the bells one Sunday morning in Clare encouraged him to have another go. He had suffered several strokes by this time, which prevented him from progressing beyond rounds and call changes, but he was an enthusiastic and loyal supporter at local and District ringing events. He particularly enjoyed attending the Monday afternoon practices at Nayland.

### ARTHUR JAMES (JIM) NUNN — Framlingham

Jim was a dedicated bellringer and member of the choir at St Michael's Church, Framlingham, for 55 years. He was a much loved, respected and reliable man, who got on with things in a quiet way and with a quirky sense of humour. He was involved in several activities, both within the church and the community, as well as enjoying an interest in aircraft and caravanning. On Christmas morning he would play carols on the Ellecombe apparatus in the ringing chamber. A call change ringer for many years, Jim eventually trebled to doubles methods, but professed to not knowing how. He said he 'just filled in the gaps'. The Framlingham ringers will remember him with great affection.

### ROY THOMAS (TOM) PARKE — Earl Stonham

Tom learned to ring at Brome where he was born, and at Oakley. He settled in Creeting St Mary, but maintained the connection with Brome. In later life he rang at Earl Stonham, Barking, Stonham Aspal and sometimes at Debenham and Walsham-Le-Willows. He was active in the restoration of Earl Stonham bells and was always busy, helping people, visiting friends and family or pursuing his interests. At his funeral in Brome church he received a true bell ringer's send-off which thrilled his family, and a peal was rung at Earl Stonham, and a quarter at Henley.

### BERNARD POLLARD — Walsham le Willows

Walsham le Willows is personified by Bernard Pollard. He represented everything that was best about the village, but it was the church which was most important to him, being organist, Lay Reader, and PCC Treasurer over the years. Bernard joined the choir when he was five, and as a teenager started helping to ring the bells. In 1970 a new team of ringers was recruited and Bernard was made Tower Captain. He went on to train many new ringers and oversaw the restoration of the bells in 1988. Bernard is listed as a member since 1973 and rang 16 peals for the Guild. In 2009, Bernard was chosen to be one of the recipients of the Maundy Money distributed by The Queen in the Cathedral.

### GEOFF PULFORD — Otley

Geoff took up ringing when he retired to Otley in the early 1990s. He was keen to master the art and very enthusiastic in his support of Otley and the surrounding towers. He enjoyed outings and visiting other practices, always keen to make progress. He rang several quarter peals and was particularly proud that he had managed to ring Stedman Triples. He was active in the District and Guild and eventually became a Life Honorary member. He was a reliable, committed and kind gentleman who is missed by many, especially the band at Otley where he was a real mainstay of the band.

**SUSAN SCHURR** **Pettistree**

Susan was in her 70s when she decided to become a Millennium ringer. A warm kindly lady with an open mind to new ideas and an enquiring nature, she won the hearts of the Pettistree band who willingly taught her the art of change ringing. She did her homework diligently, and gradually progressed through Doubles to Minor, and was not afraid to ask questions on points which she was uncertain about. She was able to ring Cambridge Minor, but her finest achievement was probably a quarter of Grandsire Triples at Ufford (another tower she regularly supported). In all she rang an amazing 56 quarter peals. Supported by her husband, Peter, she hosted the annual tower meeting in her home, providing refreshments and always ready with supportive comments on the band's progress. Sadly, age caught up with her, but her memory lives on. Pettistree church was packed for her memorial service in August, and she would have been thrilled that the local band have named a new method in her memory "Schurr Surprise Minor".

**STEPHEN YOUNG** **Hopton**

Stephen learnt to ring at Drayton, Oxfordshire in 1972. He moved to Beccles in 1982 and established regular ringing at Blythburgh and for some years was NE District Ringing Master. In 1993 Stephen married Ruth Bedford and they moved to Coney Weston. The bells at nearby Hopton were becoming increasingly difficult to ring and Stephen was the driving force in a project to re-hang and augment the bells to 8. The bells were taken out in March 2010, but Stephen had been diagnosed with a brain tumour. Thankfully, he was able to see the bells return in June 2010 and ring them for services until December when his condition worsened. We very much feel for Ruth in her loss. Stephen rang around 50 peals and a thousand quarters. A full obituary appeared in the *Ringing World* at page 688.

We also remember the following Non-Resident Life members who passed away in 2011;

and we especially remember the family and friends of them all.

May they rest in peace

## PEAL SECRETARY'S REPORT — CHRISTINE KNIGHT

There was a slight dip in the Guild peal total in 2011, to 128, but it was pleasing to see 58 Suffolk towers pealed during the year. There were just 2 peals outside the county, at Ardleigh, Essex, and Longstanton in Cambridgeshire. Three memorable events were a focus for peals in 2011. The centenary of *The Ringing World* was celebrated in March and peals were rung across the country at towers which had had peals published in the first issue on 24th March 1911. As part of this commemoration, a NW District band rang a peal of Grandsire Triples at Palgrave on 21st February, and a peal at Thornham Magna on 18th March replicated the 7 methods rung on that day in 1911. April saw the sudden death of Roderick W Pipe of Birmingham, an event which shocked the whole Exercise. It was fitting that 5 *in memoriam* peals were rung in his home county, including a 5070 of Stedman Cinques on 9th April at Grundisburgh, where he learned to ring. This was specially composed and conducted by Stephen Pettman. On the following day, Richard Munnings called one of Rod's compositions of Cambridge S Maximus at St Mary-le-Tower. October 22nd 2011 was dubbed 'Bailey Day'. On October 21st 1911, 8 of the 11 famous Bailey Brothers of Leiston rang the first peal by a band made up entirely of brothers. On the day following the centenary, this remarkable feat was commemorated with quarter peals, an exhibition and a re-run of the peal of Bob Major at Leiston, using the original Gabriel Lindoff composition. A lovely touch too, that Adrian Knights, the only surviving pupil of the brothers, rang the same bell (6th) as his tutor Ernest Bailey had a hundred years before.

The year saw 5 peals to celebrate restoration. A peal at Wissett on 10th February was the first on the bells since re-hanging, and since 1958. At Gislingham, a NW District band rang a peal of Grandsire Triples on 29th April to celebrate the marriage of HRH Prince William to Catherine Middleton, the first peal on the bells since restoration and augmentation, and the first peal in the tower since 1889. Sadly, this was the only successful Royal Wedding attempt for the Guild. The first peal on the newly restored and augmented bells was rung at Campsea Ashe on 12th October, and it was very pleasing that a first pealer rang in both this and the Gislingham peal. Restoration and augmentation at Hopton was completed just before the untimely death of the project leader, Stephen Young. The first peal on the eight was rung in his memory on 26th November. *The Ringing World* of 13th January 2012 featured a very interesting article by George Pipe on the restoration of the famous bells at Helmingham, given by the sixth Earl Tollemache to mark the victory at Waterloo. The restoration was celebrated by a peal of Yorkshire S Major on 10th December.

Once again, Peal Week took place in February. The former Master may have been disappointed that only 8 peals were rung, but despite several losses, it was good to see 2 firsts as conductor, a first pealer and peals by both NE and NW District bands. Richard Munnings deserves great credit for the reintroduction and development of Guild Peal Week. Since 2007, 58 peals have been rung in Guild Peal Weeks, involving 115 ringers, 22 conductors, no less than 14 first pealers and 6 firsts as conductor. The wider participation in peal ringing, and especially that of younger members, has been a huge achievement.

Several trends in Guild peal ringing have continued. Surprise Minor has remained popular at The Wolery. Richard Munnings continued a project to ring a peal of Spliced S Minor in 41 methods, and it was good to see the band achieve their goal at Brandeston on 14th November. Regular peals of Surprise Major have continued at Aldeburgh and the 200th peal of Surprise Major on the bells was recorded on 9th October. Stephen Pettman and Brian Whiting maintain their interest in composing peals of a commemorative length. 12 such peals were rung for a variety of birthdays and other anniversaries.

There are many positives to draw from the Guild's peal ringing in 2011. Six first pealers is an encouraging sign, as is the growing involvement of young members in peal ringing, including conducting. Foot-

notes have included a wide variety of achievements by younger members. Robert Beavis, Philip Moyse and Alex Tatlow all rang their first peal of Bristol S Major in 2011. Messrs Beavis and Tatlow also progressed through firsts of Stedman Triples, Caters and Cinques between August and December, all conducted by Stephen Pettman at Grundisburgh; a superb achievement. It remains disappointing that few 10 and 12 bell peals have been rung for the Guild in recent years. There was only one peal of Maximus and none of Royal in 2011. However, peals of Major as a percentage of the Guild's peal total showed a substantial increase from 30% in 2010 to nearly 43% in 2011. It is encouraging that a wide variety o 'firsts' was recorded in footnotes to peals of Major. The increase in peals of Surprise Major at The Wolery has contributed to this statistic, and it was good to see a peal of Bristol rung there on 9th November.

As ever, I should like to record my thanks to Ruth Suggett, Brian Whiting and David Salter for their invaluable help. Many thanks also to those conductors who have submitted peal fees and compositions promptly, but may I remind conductors that it is imperative to check the membership status of all members of the band before commencing a peal attempt.

First performances for the Guild during the year were:

## *from The Ringing World*

In 2011, The Ringing World enjoyed a year of celebration and reflection on 100 years of life at the heart of change ringing. As we enter 2012, we are looking ahead and are excited to launch the first stage of our initiative to serve the needs of the ringing community in 2012 and beyond.

The Ringing World is delighted to present **BellBoard**, an exciting new online resource for the change ringing community. The site has been set up for individuals to register as a user, post peals and quarters and related compositions for public viewing, and submit these details to The Ringing World.

This is only the tip of the iceberg for **BellBoard**. Our vision for the website extends far beyond its current form. The Ringing World has engaged the very best skills and has the resources and ambition to develop and maintain a facility which will serve the ringing community for many years to come.

The Ringing World has set this up for you and we would love to see you using it! Go to:

## MINUTES OF THE ANNUAL GENERAL MEETING OF THE SUFFOLK GUILD OF RINGERS, HELD AT HENLEY, SATURDAY 30 APRIL, 2011

The Chairman Philip Gorrod (PJG) opened the meeting by giving a welcome to the eighty-five members present. He thanked the local ringers in the South East District for the organisation of the day and Chris Farley for taking the service, Jane Harper and her team for the teas and Jonathan Stevens for organising the debate- "Bellframes: Repair or Replace?" with Mark Regan and Shawn Kholucy in Henley Community Centre before the meeting. Apologies were received from fifty five members.

The meeting stood in silence in remembrance of Stephen Young from Hopton, Julia Barry from Long Melford, Simon Cottrell from Parham, Albert Driver from Redgrave, Dennis Kiddy from Cowlinge, John Mardon from Sproughton, Robert Mares from Edwardstone, Wendy Mason from West Stow, Susan Munford from Pakenham, Geoffrey Pulford from Ottley, Malcolm Oliver from Nayland, Keith Rands of Old Newton, David Tallis from Yoxford and Geoffrey Timms from Reydon. There were also a number of NRI Members who had passed away recently, including Rod Pipe.

**Election of New Members**

The following were elected as members of the Guild;

| Name | Tower | Proposed | Seconded |
|---|---|---|---|
| Nathan Colman | Stowmarket | Winston Girling | Mandy Shedden |
| David Ruffles | Bardwell | Ruth Suggett | Mandy Shedden |
| Mark Palmer | Mildenhall | Ruth Suggett | Louis Suggett |
| Abby Teague | Stoke Ash | Winston Girling | Carol Girling |
| Bill Lloyd | Pettistree | Mary Garner | Mike Whitby |
| Ian Wright | Rendham | Suzanne Stevens | Jonathan Stevens |

**Minutes of the 2010 AGM**

These minutes had been published in the Annual Report. Their acceptance was proposed by John Girl and seconded by Mary Garner and agreed by the meeting

**Officers' Reports**

**Ringing Master:** Richard Munnings (RJM) presented the his report as printed in the Annual Report. Acceptance proposed by Mary Dunbavin and seconded by Maurice Rose. It was accepted by the meeting.

**Secretary**: Mandy Shedden (MJS) Mary Garner proposed and Chris Garner seconded acceptance of the Secretary's report as printed. The meeting accepted the report.

**Treasurer's Report:** Gordon Slack (GES) added that the Examiners had now approved the accounts. John Girt queried if insurance cover was in place for the replacement value of assets, in particular the Ringing Master's Badge of Office and the mini ring. GES replied that he would double check the insurance policy schedule to be certain. There being no other questions, Peter Harper proposed and Ruth Suggett seconded that the report be accepted by the meeting. The members agreed.

**Technical Advisor/Belfry Advisory Committee:** Jonathan Stevens (JJS) presented his report as printed, and informed the meeting that two more members of the BAC had joined, Carol Girling and Martin Croucher. He urged the members to use him and the committee members for free help and advice regarding maintenance of the bells in their towers. Winston Girling proposed acceptance and Derek Rose seconded this. The meeting accepted the report.

**Public Relations Officer:** Bruce Wakefield presented his report as written in the Guild Report and added that Richard Munnings had been very active and continues to give good PR for the Guild. Mary Garner proposed and Ruth Suggett seconded the acceptance of his report. The meeting agreed.

**Report Editor:** Ruth Suggett thanked everyone involved in the collation of the Report and ensuring that the material was submitted in good time for printing.

**Magazine Editor:** Alan Stanley spoke on behalf of his two other colleagues, Sue Freeman and Richard Gates, who work as a team. The average is one edition every three months and lots of positive feedback had been received. He offered his thanks to all the contributors and the team of Deanery Reps who are responsible for the delivery of the magazine to the whole county.

**Librarian:** In the absence of Abby Antrobus, the meeting was referred to her written report. Ann Pilgrim asked if the Library was accessible at the moment and she was told that Abby would be pleased to access any material that she needed. The report was proposed for agreement by Robert Scase and Mary Garner seconded it. The meeting accepted the report.

**Peal Secretary:** Christine Knight reported an error in the name of a new NRLM. Christopher CP Woodhouse should read Christopher CP Woodcock. Other than this, she offered her thanks to all who have helped collate the peal statistics and asked that her report should be accepted as written. David Potts proposed and Derek Rose seconded this and the meeting agreed.

**Handbell/Mini Ring Trustee:** Brian Whiting reported that one of the four sets of handbells owned by the Guild was on loan and this year donations totalling £73 had been received for the handbells. The new mini ring had been used at the Young Ringers training day in October 2010 and was in use here at the AGM. There were 10-12 bookings in place for the mini ring for the next two years and it was going to be used at the Suffolk Show this year. Trevor Hughes asked if preference would be given to Suffolk Guild members if the mini ring was asked for in two places at once. PJG replied that this would be difficult to implement if outside organisations were relying on the booking for an event and had asked for it in plenty of time. This is a matter that will be discussed at the GMC meeting. Mike Pilgrim reported that as a result of the presence of the mini ring at Henham he was now teaching two new recruits to ring.

**Webmaster's Report:** Chris Garner had nothing to add to his printed report but Veronica Downing praised his work in producing one of the best Guild/Association websites available. The meeting applauded her compliment. David Steed proposed and Ralph Earey seconded the adoption of the report. The meeting agreed.

**Trustees' Report:** PJG asked for the report to be accepted as printed. Chris Garner proposed and John Girt seconded this. The meeting agreed.

**Central Council Report:** Two reports from the CC Meeting had been posted on the website but none of the representatives who had attended were present. There were no questions

**Subscriptions and Peal Fees for 2012**

The GMC proposed that there should be NO CHANGES and that the 2012 subscriptions should be:

| | | | |
|---|---|---|---|
| Ringing Member | £15.00 | Associate Member | £7.00 |
| Ringing Member 65-74 | £10.00 | Non Resident Life Member | £7.00 |
| Members 75 and over | Free | | |
| Ringing Member in FTE | £7.00 | Peal Fee | £1.00 |

Maurice Rose proposed and Lesley Wilson seconded that the fees should be accepted. The meeting agreed.

**Election of Officers for 2011/2012**

Richard Munnings had to stand down as Ringing Master after five years in Office and Bruce Wakefielc resigned as Public Relations Officer. The following Officers were elected unopposed by the members present.

| Elected | Proposed | Seconded |
|---|---|---|
| **Chairman** Philip Gorrod | Ole Jensen | Veronica Downing |

**Election of Trustees**

**Appointment of Independent Examiner**

The reappointment of Larking Gowen, the current Examiners, was proposed by Gordon Slack and seconded by the Chairman and agreed unopposed.

**Election of Life Honorary Members.**

**Trevor D Hughes**

The North East District proposed Trevor D Hughes. Jason Busby introduced him as a bellringing legend, who had worked very hard for the Guild over many years. JJS continued that he had given outstanding service as a committee member over a period of some 40 years. He has taught several of the current members to ring and been elected to several offices within the District, finally retiring as its Chairman recently in order that he could concentrate on teaching more new recruits Trevor was unanimously elected as a Life Honorary Member of the Guild. He thanked the Guild for electing him.

**Mary S Garner**

The South East District proposed Mary Garner. George Pipe spoke of her as a very worthy recipient of the honour, as she had worked tirelessly in many different ways for the District and the Guild. His comments were echoed by Peter Harper, the SE District Chairman. On her election as Life Honorary Member, Mary said that she felt honoured to be in this position especially as she was a relative newcomer of only 25 years membership.

**Gillian Wakefield**

Gillian was also proposed by the South East District. George Pipe spoke of her outstanding service as Guild Librarian of many years. For many years, Gillian had housed the contents of the library in her home and she was always willing for members to visit and use it, and was very hospitable when they did. Nothing was ever too much trouble. Gillian was elected by the meeting and she thanked everyone for this, saying she had enjoyed being the Librarian and felt privileged to have been in the position.

**Guild Magazine**

PJG said that he felt the magazine had been a success, but some concern had been expressed at the cost of production, which may have some impact on subscription levels in the future. Some of the costs could be defrayed by advertising revenue, but the Editors wanted to strike a healthy balance between adverts and content. JJS stated that the Editors had done a good job in producing a readable magazine which was of interest to the general public and not just the ringers. David Mulrenan asked about cost in relation to the previous cost of producing the newsletter, and whether there was any wastage or not. GES advised that the cost was £285 per issue of 500 copies and that the cost did not reduce proportionately if fewer copies were printed. Some of this figure had been reduced by advertising revenue so far. It was suggested that wastage could be addressed by everyone making a conscious effort to deliver copies to other places in the community such as GP surgeries. Shirley Girt commented that she sent out 12 copies to retired ringers who did not have access to the internet and that it was much appreciated because of the continuity of contact. Brian Whiting pointed out that the magazine cost approximately £1 per member to produce over the course of a year (3 copies per year). Shirley Girt proposed and David Mulrenan seconded a motion that the magazine should be continued. The meeting agreed.

**Suffolk Show**

The mini ring is going to be demonstrated at the Suffolk Show this year on the 1st and 2nd of June. PJG asked for two or three more volunteers to help with the manning of it. The Diocese and the GMC have between them agreed to pay half the entrance fee. An invitation had also been received to take the Mini Ring to Henham Steam Rally again this year.

**Erratum in 2010 Report**

On p.68 peal composition at top middle of page 5056 Spliced S Major: notes should read 5 part calling **Penultimate** course **NOT** last course. All unissued reports have been amended to the correct version.

**Child Protection Update**

Mary Garner reported that there had been no change in the law, and current guidelines previously issued should still be referred to.

**Guild History Update**

George Pipe reported that he has a rough draft done and that a third of the 40 chapters had been completed. He had hoped to have been taking it to the printers by now but for personal reasons he had been unable to work on it recently.

**Guild Social**

This is being hosted by the NW District on July 30th. Plans were for ringing at Bury and Horringer in the afternoon, an historical quiz around Bury St Edmunds, followed by food and drink in Whepstead Village Hall.

**Matters Arising from 2010 AGM minutes not previously covered**

No matters arising.

**St Edmunds Clapper Competition**

The winners of the competition this year were Ofton who raised £400 for the BRF. In second place was Swefflíng and third was The Folly. The clapper trophy will be retained by Offton who were the winners last year.

**Date and venue for 2012 AGM**

This will be held on April 14th at Edwardstone and Boxford. Full details will follow.

**Any Other Business**

i) John Girt drew attention to an article in the RW on 15 April regarding the Ringing Foundation and the intention of the CC to develop an Integrated Teacher Training Scheme to train new instructors which it was suggested all Guilds and Associations could adopt to complement any existing training for teachers that they already do. He asked that this could be taken further and PJG agreed that it would be put on the agenda for the next GMC meeting.

ii) George Pipe reported that the *Ringing World* had approached one subscriber in each of the Guilds and Associations to act as a spokesman for the publication, which is danger of becoming a casualty of the new digital age if subscriptions do not increase in number. In Suffolk out of over 700 members only 80 were subscribers. For less than the cost of a pint of beer per week, he urged each tower to subscribe to the *Ringing World* so that it could be shared amongst the ringers in the tower. It could be that as a result the number of personal subscriptions increases.

iii) RJM asked recently elected members who were present to collect their membership certificates from him.

iv) Trevor Hughes asked if Richard's blog would still be available now that he was no longer Master. Richard assured him that it would under a different guise.

v) Peter Harper asked if handbell ringing could be a regular feature during future AGM church services.

vi) Ann Pilgrim asked if a reminder of the subscription rates and when they were due be put on the *What's On*.

Vii) The BRF Collection during the service amounted to £135.36

| 16 bells generally by Shaw | size 19 in F (diatonic 13 + 3 semitones) |
| 13 bells by Warner | size 20 in E (diatonic 12 + 1 semitone) |
| 13 bells by various founders | size 20 in F (diatonic 13) |

If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. 3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notic if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

## FOREWORD FROM THE CHAIRMAN

I can hardly believe that this is my fifth and final annual report as Chairman of the Suffolk Guild – how time flies! In some ways though, it seems as if I have been doing the job forever and, on balance, I am pleased that my term of office is coming to an end. I think it is absolutely right that there should be a maximum term for the "big" jobs, and I think that five years is about right.

It is worth looking back over the five years to see how the Guild has progressed in that time. Peal ringing has really taken off, pushed initially by Richy when he was Master and continued since by .....well, you can all read *Campanophile!* Quarter peals too have burgeoned across the county. Membership has increased, and the number of active younger members is very pleasing, with a good showing in the National Youth Contest last year and regular practices since. We have our own mini ring, on which the first peal was rung this year, and our new promotional banners. The Guild handbells are being well-used with a number of quarter peals and practices. We have a highly successful and popular quarterly magazine, and the annual social events, such as the 2012 barn dance at Sproughton, have all been most enjoyable. We have a skilled and experienced Belfry Advisory Committee whose technical expertise, coupled with the grants we have given, has helped a large number of bell projects, such as that at Helmingham, to completion. Our AGMs see above average attendances, with innovative "fringe" meetings: in 2012 we held a debate on teaching, and in particular, the Integrated Teacher Training Scheme (ITTS) which now is being introduced by our Recruitment and Training Committee, led enthusiastically by Jed. The list goes on.

What could we do better? Well, there is always something, and I am not going to throw down a challenge to next year's Officers, but I am proud to have been part of a team which has helped steer the Guild to its current position with so many successes and achievements. My plea to you, the members, is to support your Officers as much as you can, be it at County or District level, and within your individual towers, and to help ensure that the next five years are as successful as the last.

**Philip Gorrod**

## TRUSTEES' ANNUAL REPORT

The Trustees present their report and financial statements for the year ending 31 December 2012.

**Charity**

The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The charity's registered address is Millbeck House, Harleston Green, Shelland, Stowmarket IP14 3HU. It is governed under a constitution originally registered in 1977 and most recently revised in 2010.

**Principal Objectives**

The purpose of the charity is to promote and encourage the practice of bellringing within the Diocese of St Edmundsbury and Ipswich; to recruit, train and encourage bellringers in the practice of their art; and to cultivate the art of scientific change ringing, and to promote and advise on the preservation of bells in an efficient condition.

**Trustees**

The Trustees during the period were PJ Gorrod, G E Slack and A J Shedden

**Review of Progress and Achievements**

**Bellringing Activities**

In addition to regular ringing activities throughout the Guild, great emphasis has been given this year to the teaching of ringing, in particular the formal training and mentoring of teachers of ringing. The Vestey Ring was used around the County to demonstrate what the Guild does and was also loaned to neighbouring Guilds.

**Restoration activities**

The main activity was at the Norman Tower where the augmentation to 12 bells was completed. Members of the Belfry Advisory Committee continue to give advice and support, both for routine maintenance and restoration projects.

**Guild Finances**

**Policies**

All money in the Guild's funds not required for day-to-day working purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee. Grants from the Restoration Fund are authorised by the Guild Management Committee but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

**General Fund**

Leaving aside the final donation made in 2011 to the Vestey mini-ring, General Fund income in 2012 increased slightly from 2011 from increases in subscription income and peal fees. General Fund expenditure also increased from 2011 with the introduction of insurance for the Guild's handbells and the purchase of publicity banners. Further savings were made in the printing of the Annual Report and in administration costs, but a stock of rope was purchased for resale within the Guild. The net effect after an increased transfer to the Restoration Fund is a reduction in the General Fund of £359.

**Restoration Fund**

Restoration Fund income was down by 7% on 2011 although still significantly above the 2010 level. For the fourth year running Grant approval at £6,600 was relatively low (£1,850 in 2011, £5,500 in 2010 and nil in 2009). The sum now available for allocation to new projects stands at £49,078. The interest on our deposit account has diminished substantially in recent years as interest rates have fallen. To help offset this £45,000 has been invested in one-year bonds through the Charities Aid Foundation.

Of the previously allocated grants totalling £5,200, only £600 was paid in 2012 as the other projects are ongoing. The amount reserved for grants allocated to the four projects still in progress stands at £11,200.

**Summary**

The small reduction in the General Fund balance in 2012 was in line with budget. The Restoration Fund has again grown leaving the Guild in a strong position to assist with projects which may arise.

## BELFRY ADVISORY COMMITTEE REPORT — JONATHAN STEVENS

I'll start this year's reflection with thank yous; not just a general one to the BAC Team, though they all deserve thanks, but more specifically. Suzanne Stevens has given up many hours as Secretary, to take the minutes in cold churches, but has chosen to give someone else a chance at this demanding position. Bruce Wakefield, after thirteen or so years on the committee, has decided it is time to hang up his boots. His sage advice will be missed, most recently of special value when updating the Guild Grant Conditions. John Pereira, stalwart and fearless workmate, welcomed on any restoration job (Helmingham comes clearly to mind) is moving out of the County. I hope your skills don't languish un-used, John. So this is a very public thank you for your work in enabling the betterment of Suffolk's bells.

Chris MacArthur has embraced the role of Secretary, already proving to be as useful here as in the belfry.

Nathan Colman has continued the family tradition by joining the team and Chris Davies is especially welcome, not just because of his extensive workshop but for his attendant skills.

The BAC minutes show a long list of towers that have been visited, advice or practical help being given, freely, as always; restoration projects are underway or planned and another belfry maintenance seminar was held at Rougham. The BAC is working and available to all Suffolk towers; a word is all that is needed and this vast reservoir of skills, knowledge and experience is yours. Do keep the BAC busy in 2013.

## RINGING MASTER'S REPORT — JED FLATTERS

When we look back over 2012, I am sure we will all remember two things above all else. Firstly the Diamond Jubilee weekend with the flotilla of boats of all sizes moving majestically down the river Thames, led by the Thames barge with the ring of bells on top and the bells seen turning over and over as the band rang a celebratory peal, all in weather conditions that got worse and worse as the day progressed.

Secondly we had the Olympics and Paralympics with Team GB doing so well and, at the opening ceremony, Bradley Wiggins ringing "that bell".

As we always do in times like this, we went to the ropes and rang quarters and peals to mark the Queen's Diamond Jubilee and then again, either as the Olympic Torch Relay passed by our tower or as our team picked up medals. Though some of us thought little of it when first mooted, we also joined in the crazy Martin Creed Project giving the chance for many non ringers to come into the tower to see just what we did.

Attending the various District meetings gives me the chance to meet up with our grass roots members and to see how our learners are progressing from rounds and call changes into method ringing. Much is said about ringing being on the decline but reassuringly at each GMC meeting the Chairman and I sign a good number of new membership certificates.

As part of our initiative to bring more people in to ringing, we have embarked on the Integrated Teacher Training Scheme (ITTS) and have now held three courses for new teachers and mentors. This is now starting to show results as new recruits are stepping over the first big handling hurdle to take their place as Sunday Service ringers. Time will tell if this is successful but I do urge people not to knock this scheme without giving it a go.

On the weddings front I would like to congratulate Ruth and Richy Munnings and Maggie and Philip Gorrod for tying the knot.

The Guild six bell striking competition was held at Blythburgh, a good easy going ring, our judges for the day being Andrew Higson of John Taylor and Co and Iain Mitchell formerly of Taylor, Eayre & Smith. They spent a pleasant afternoon by the river listening to and marking the teams as they rang. After a massive tea with wonderful cream meringues they gave us the results, with Otley taking the Lester Brett trophy for some really good call changes and Pettistree coming out top in the Mitson Shield.

Rushing down the lanes to Leiston saw the draw for the eight bell competition where six teams competed and the NE district were rightfully declared the winners. Again I wish to thank our Guild Technical Advisor, Jonathan Stevens, for checking over the bells in both towers and doing a lot to correct the oddstruckness in Leiston's bells

At the Ridgman Trophy held at Kempston we did not sparkle, and although our ringing was of a good standard it only brought us 5th place.

On the national side we entered a youth team in the competition at Birmingham and elected to ring method when we could easily have played safe with call changes (as did several experienced bands). Again we were placed 5th. Next year we will have the core of a band to go one better so let's wish them luck at York.

On Easter Sunday the two new trebles for the Cathedral were dedicated by Bishop Nigel with many ringers present; on the following Tuesday they were lifted and hung, and the first peal on the twelve rung on the August bank holiday Saturday. The flat 6th was cast in November and we expect to hang it before too long.

The only other major restoration to report on is that at Beccles where new gudgeons and bearings have been fitted, the other fittings refurbished and the cracked third recast.

In 2013 we look forward to the restoration and augmentation of Redgrave, made possible by the legacy from Albert Driver and the persistence of Chris Davies on steering a way through the minefields of bureaucracy.

The big social event of the year was the barn dance at Sproughton Barns, where a good turnout danced the night away to Inertia Reel, and in typical ringers' fashion, drank the bar dry! In all it was a good night with the great majority showing their prowess on the dance floor. A fair profit was also made to add to the Restoration Fund.

Peal ringing has shown an increase this year due no doubt to the number of occasions to celebrate, and this would certainly have been higher still if David Salter had not had an enforced lay-off. In times like this someone will step up to the mark and push things on, so enter elder son George, who has taken over the reins of organising the young ringers and in doing so brought himself, Colin and Clare Veal forward in leaps and bounds.

Figures from the peal records show the following personal milestones passed:-

| | |
|---|---|
| 750 | Brian Whiting |
| 500 | Richard Munnings and Christine Knight |
| 350 | Tom Scase |
| 250 | Ruth Eagle/Munnings |
| 150 | Julian Colman, David Potts |
| 75 | George Salter |
| 50 | Ruth Suggett, Alex Tatlow |
| 25 | Colin Salter, Philip Moyse |

Quarter peals still feature strongly with Lesley and David Steed and friends pushing the numbers up most weekends and the Scase family doing likewise most Friday nights. Whilst in the east, the Pettistree ringers keep plugging away.

From the quarter peal records I note:-

| | |
|---|---|
| 1500 | Mike Whitby (and 1100 as conductor) |
| 1000 | Mary Garner |
| 900 | Maggie Ross |
| 500 | Tom Scase |
| 300 | Robert Scase |
| 150 | Philip Moyse |
| 50 | Hugh Spink |
| 25 | Alex Rolph, Colin Salter and Clare Veal |

I should also like to mention Nicole Rolph and Ambrin Williams, keep a look out for them in 2013. Our future is with young ringers!

I apologise if I have missed out any person's key events.

## SECRETARY'S REPORT — MANDY SHEDDEN

2012 has flown by. Nationally of course there was much to celebrate, but in the confines of our rural corner of East Anglia here too we have much to be proud of. The Suffolk Guild continues to benefit from the freely given time and efforts of its members. Every month there is activity in each of the districts aimed at improving the abilities of all age groups, or promoting the social benefits of the art. Although Suffolk is a large county, members are always within reach of an event which will enhance their ringing experience in some way. As I write, we are preparing for the 90th Anniversary dinner, which is an achievement in itself. 90 years of existence of an organisation such as this, in a world where computers and micro technology rule many facets of our lives, and when there are many more demands on our time from other sources, is something to be proud of. Credit for this has to be given to the collective efforts of our members who are passionate about bellringing and who help the Guild to thrive. It is encouraging to see a growing number of young ringers, who by the means of social media, are managing to arrange ringing events for themselves. They are supported by older members whose input is invaluable. For the time being at least, it appears that the Suffolk Guild is bucking the national downward trend in attracting new and younger members. Forty two new membership forms have been received during the year and the total membership was 783 after the number of members who had passed away had been accounted for, but at the time of writing, this figure does not reflect those who may not have renewed their membership for whatever reason in 2012. Attendance at the AGM was lower than last year with 70 names signed in the register, although a further 60 members did send their apologies. GMC meetings have been well attended through the year with attendance figures of over 85% at each of the three meetings.

## LIBRARIAN'S REPORT — ABBY ANTROBUS

This year, the Suffolk Records Office has been working through the Guild collection, packing and cataloguing the original material relating to ringing, bells and ringers in Suffolk. This material is accessible at the Records Office, and several people have made arrangements to study books and papers at the SRO in Gatacre Road, Ipswich. Once cataloguing is complete, it will be easy to pop in and request items, but for the present I am happy to help arrange appointments. Other resources will be returned to us, and are destined to be made available from the Norman Tower in Bury St Edmunds. The *Ringing Worlds* were returned earlier in the year, and are up on the mezzanine floor. As I write the rest is packed up ready to be picked up, once we have some shelves sorted out. An advance batch has been loaned to the Great Barton bell ringers, and it's good to see the books in demand. The catalogue on the Guild website will be updated to include information on what is where and how to borrow or consult it – otherwise, do please keep asking me. Ringing networks mean that there are always volunteers to ensure items reach their destination, and where I can e-mail or post information, I will endeavour to do so. I have received several requests for information about past ringers and local bells from relatives and Guild members, and requests for information from the *Ringing World* – either for personal or ringing records. The library is a living collection, and the Records Office have been very patient as I take things back with one hand and give them more material with the other. Recent depositions include *Awl A'huld* and Annual Reports to ensure they have full runs; Leslie Wright's ringing diaries and notebooks spanning 60 years; Dennis Knox's diaries (1950-1973); the Guild Account books 1957-1993, and blue lines for a range of less common surprise major methods drawn by Fred Bailey of Leiston and donated by Lynda Lazzerini. Our digital collection is also growing, including scans of older material (such as Fred Bailey's blue lines) and photos of new events. As for last year, if you have any questions, requests or suggestions for items for the library, please do get in contact. I haven't yet spent the year's library budget, but am developing a design for a custom 'ex libris' stamp.

## PUBLIC RELATIONS OFFICER'S REPORT — RICHARD MUNNINGS

It's been a busy year for publicity, but not the easiest! The Diamond Jubilee, Torch Relay and Olympics were national events that offered PR opportunities, but they offered those same opportunities for just about every organization in the county, so it was hard work making ourselves heard! We managed it though, with both BBC Radio Suffolk and the *East Anglian Daily Times* giving us coverage over a hectic summer! On a national level, it was wonderful to see bells given such a huge platform, not least in the Royal Pageant on the River Thames for the Jubilee.

Before that, the resumption of ringing at Woodbridge was covered by the EADT and since then, the tremendous project at Redgrave was visited by the paper and BBC Look East. Beyond the new stuff, it was heartening to see Radio Suffolk continue to offer support in promoting the annual St Edmund's Day ringing on 20 November and the Christmas Ringing in Ipswich.

In the December edition of the *East Anglican* (the monthly magazine of the Diocese of St Edmundsbury & Ipswich) there was a page feature on the ringing at Helmingham, and the front cover was given over to bells!

And The Vestey Ring continues to offer us tremendous exposure at various events, not just in Suffolk but beyond. Whilst it was a shame that due to a miscalculation by the Diocese we were unable to pitch it up with their tent at the Suffolk Show, we didn't miss out too much as the weather was pretty terrible, to the extent that the second day of the Show was cancelled.

It is important to note that we are all ambassadors for ringing. Anything we say or show to non-ringers in relation to our art, is in itself PR. And not everything has to come through me. I appreciate it when I'm told about any PR for Suffolk ringing being done off someone else's backs, but it doesn't have to involve me if you don't want to! Likewise, if you want to publicize something ringing related, but don't know who to contact, how to go about it, or just want advice, then I am more than willing to help out to whatever extent you want me to.

PR isn't just external either. There is much happening within the Guild, with District and Guild events. Please use all the tools available to keep in touch – What's On, the website, *Awl a'huld* and my daily blog are all there to help inform and keep as many members as possible in the loop. Make sure that everyone in your band is aware of these means of catching up and help with PR on all levels.

## WEBMASTER'S REPORT — CHRIS GARNER

The Guild Website still continues to grow. Information about towers, bells, ringers and events is constantly updated. Thank you to all those who have made contributions. *Richy's Blog* is now in its sixth year and is posted daily, generating friendly repartee on Facebook. # DIRECTORY OF SUFFOLK TOWERS

KEY

The key of a ring (ie the note of the tenor) is given in cents (ie, hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C# -20, and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

## SECRETARY'S REPORT — JULIE RAPIOR

The NE District tried to provide a varied programme of events in 2012. We hope this had appealed to our members, but we would always welcome new faces at district practices and contact from those with specific requirements.

Maggie Ross organised a walking tour of Norwich in March which was well attended and very much enjoyed. In May, the District held its Striking Competition at Chediston and hosted the Guild competition at Blythburgh and Leiston, where the District team won the 8 bell competition. Throughout the District, there was ringing at several towers for the Olympic Torch Procession. The District also scored a gents' peal and a ladies' peal later on in the year.

The 10 bell practices have been well attended at Beccles and we look forward to ringing there again after their recent work. A Surprise Royal practice at Stradbroke in October was enjoyed by our District and visitors from the NW and SE. Finally, the District would like to congratulate Maggie Ross (District Ringing Master) and Philip Gorrod (Guild Chairman) on their wedding in October.

## SECRETARY'S REPORT — ABBY ANTROBUS

The ringing year started once again with ringing at the Norman Tower, followed by a carvery lunch for 32 and a meeting at the Flying Fortress in Bury St Edmunds. The January meeting in Bury has become a regular fixture, but the District continued to ring on higher numbers through the year, scoring several 10-bell quarters. Elveden practices have consolidated 8-bell ringing, and general progress was demonstrated in April's Quarter Peal Week, where the 18 quarters included 9 firsts of various kinds. In May and July, the North West ringers ventured out and about, visiting the Woodbridge area and completing a wet but enjoyable cycle tour-de-Huntingdon. The bells of the district sounded out for the Olympics, and marked the Queen's Jubilee with peals and quarters (Bardwell, Buxhall, Gislingham, Great Finborough, Old Newton, Walgrave, Stowmarket), general celebratory Yorkshire Maximus (Norman Tower), and ringing for services (Eye, Newmarket and Whepstead), parties (Euston) and picnics (Exning and Thornham Magna), not to mention the Bacton Benefice Bicycle Jubilee Jaunt. This year's ADM was hosted by Great Barton, with a

well-received bring and share tea and Evensong, and bring-and-share fare was also enjoyed at the Christmas social at Buxhall. The ADM was a significant one in that Ruth Suggett stepped down as Ringing Master after seven years of enthusiasm and hard work, and, although it has been a good sociable experience, I saw through my intention to not continue as Secretary. Finding a new Secretary remains an important priority - Ruth Young has kindly stepped in to fill the role as well as continue as Treasurer, but this should be a short term arrangement, and between all of us we should be able to find a volunteer. Maurice Rose has also indicated that as he will be 70 next year he will retire as Chair. At the opposite end of the spectrum to well-earned retirements, we have welcomed several new members to the District throughout the year, particularly from the Hartismere Deanery, and a desire to learn was shown by good attendance at a belfry maintenance session in Rougham in November, for which we thank Jonathan Stevens. We wish Winston luck as he takes up the reins as Ringing Master!

## COMMITTEE REPORT — PETER HARPER

There have been several highlights during the year. We started with the ever popular pre-Christmas ringing in Ipswich for which we have to thank Brian Redgers for his organisation. Then there was the quarterly meeting at Badingham and Dennington where the local band really went to town and gave the District a wonderful welcome. Our morning practice at Henley over the Diamond Jubilee weekend was amazingly successful. This was followed by the now regular feature of quarter peals and meal at the

beginning of August, when for the first time all quarter peals were scored. We experimented with a "bring and share" tea at our quarterly meeting at Orford in September, and this proved successful. Also in September, we hosted the Guild Social in the form of a Barn Dance at Sproughton Tithe Barn. This was a huge success, with 92 tickets sold and we were able to pass £430 to the Guild Treasurer for the Bell Restoration Fund. Our grateful thanks to everyone who worked so hard to make the evening such an enjoyable occasion.

Just when we thought there would be a quiet end to the year, we had the District Outing to South Norfolk in November when almost 40 enjoyed a splendid day organised by Tom who had clearly encouraged the Debenham Supporters Club and others to join in.

Our practices have been well attended for the most part, although more entries in the District Striking Competition would be welcome. Unfortunately circumstances dictated that the quarter peal fortnight should be abandoned, but perhaps it could be resurrected next year if there is enough support.

My thanks to incumbents, tower captains, committee members and all who are so helpful and enable the District to hold its practices and meetings in their towers.

## SECRETARY'S REPORT — RICHARD GATES

The South West District has had generally a good year. The newly instigated Teaching and Training days have been well supported and it is proposed to continue with this innovation as it allows beginners to improve with the help of experienced ringers. This is fortunate, as regrettably, the Triples practices held at St. Gregory's in Sudbury have had to be discontinued for the moment as the Deputy Ringing Master is suffering from medical problems. The committee is very appreciative of the work done to promote eight bell ringing in the district by John Smith.

Three members from the District have attended the ITTS course and they all felt that the information and advice that they gained was very helpful towards improving their teaching skills. A positive result of this course is that several new learners have started under their tuition and this can only benefit the District.

The Striking Competition held at Polstead on June 23 introduced two classes of competition: a trophy for

call change ringing and a second trophy for method ringing. It is hoped that this will encourage the less experienced bands to enter the competition with the knowledge that they will be competing against bands of a similar level, while more experienced bands can attempt something more challenging.

This year, the mini tour visited three Essex towers; Ardleigh, Langham and Little Horkesley. The tour, organised by David Lee, was very successful and ended with a dinner at the Eight Bells in Bures that was enjoyed by more than twenty ringers.

A great friend of the District, Jürgen Bath, passed away during the year and a peal in his memory was rung at Kersey in September. He had been taught to ring by Peter Cummings at Camelford, Cornwall, while on one of his many trips to the UK, and was a frequent visitor to practice nights in the SW District.

It is hoped that the forthcoming year will be as successful as the last.

## OBITUARIES

### PATRICIA BAILEY (née CLARKE) — Beccles

Pat was an Ipswich lass, taught to ring by Frank Wiseman at Rushmere St Andrew in the 1940s. Frank was a stern tutor but this stood Pat in good stead, and it wasn't long before she joined the Grundisburgh practice and later Helmingham and Framsden with their conductor Leslie (Lester) Brett. She took her ringing seriously and was soon capable in all the standard methods. At the age of 16. she rang Cambridge Maximus at the Tower, on the first attempt. She married Trevor Bailey at Beccles and they were blessed with twin daughters. Pat held Guild Office in the NE District and went on to ring 1,000 peals, the first Suffolk lady to do so. Sadly, a long illness curtailed her ringing in the last ten years of her life but she bore the disappointment with great fortitude. 'Lester's gals' - Pat, Muriel and Diana rang together and helped liven up the well known Framsden outings. May she rest in peace.

### LESLIE CARTER — Marlesford

Leslie learned to ring at Little Glemham, where he worked on the Cobbold estate farm. He and his family moved to Marlesford in 1953 when Lord Marlesford offered him a job as gardener at Marlesford Hall, and they remained there until they moved into Wickham Market in 2002. Initially he worked as "boy" to George Finch, one of the founder members of the Suffolk Guild, who was at the time Head Gardener at the hall. When George died, Leslie took over as Head Gardener. He was Churchwarden for many years and was always a very keen and active member of the band. He was a Marlesford ringer for 50 years and a Guild member since 1981. He rang with many of the "old school" ringers of the time – Ernie Steward, George Finch and Joe Priestner. He didn't aspire to be a serious method ringer, he seemed just happy with call changes, but he was persuaded to his one and only quarter peal at Marlesford. He was always chuffed about that. Leslie had a wonderful sense of humour and was always great company - a true good old Suffolk boy.

### BOB GOWAN — Stoke-by Clare

Bob learned to ring at Stoke-by-Clare over fifty years ago and was a valuable and totally committed member of the of the team. Although ill health forced him to give up at the age of 81, he continued to take a keen interest in the band, almost up until the time of his death in 3 July 2012, at the age of 89.

Being a carpenter, he used his practical skills to assist with bell maintenance work, as well as in many other ways. Many fine examples of his carpentry skills can be found, not only in the Church, but in the neighbourhood generally, which are a constant reminder of his skills and achievements.

His daughter - Mrs Valerie Jay - followed in her father's footsteps and has been a member of the Stoke-by-Clare team for over forty years. Bob was a valuable ringer and a fine carpenter: a real gentleman who is sadly missed by us all.

### EPHRAIM (TINKER) LOCKWOOD — Hadleigh/Hintlesham

In the late 1950s Tinker and his wife Winnie were ringing at Barking and at Offton (6 bells in those days), and even with a young family they found time to attend practices and support Sunday service ringing. Winnie became District Secretary, and Tinker willingly played a very supportive role. He later went to work on a farm at Hintlesham where ringing was at a low ebb, but they soon livened things up and also Tinker did quite a lot of work on the bells. Eventually retirement came, and they moved to Hadleigh. Sadly ill-health curtailed and finally ended their ringing careers. For the Suffolk Guild, Tinker rang a total of 25 peals and numerous quarters. In any consideration of Tinker's work in both parish life and ringing in particular, mention of his devoted and generous wife Winnie always creeps in, simply because they always worked so closely together. Winnie now lives in Hadleigh, where anyone visiting would, as always, be most welcome.

**ALAN W. ROGERS** **Marlesford**

Alan and Katrina moved to Marlesford in the Autumn of 1987, when Alan took up the post of Buildings Manager on the Marlesford estate. He was encouraged to take up ringing by Leslie Carter who was Head Gardener on the estate. He and Katrina both learned to ring. In 1994, when the tower captain left to go to the USA, Alan took charge of the ringing. His combination of firm teaching and a great sense of humour made Marlesford a popular tower (it was the only ringing tower in the benefice at that time). Alan became SE District Ringing Master for a spell in the 1990s. Alan and Katrina were always there at ringing and social events, in fact the Christmas meal enjoyed by up 50 local ringers was organised by them. He also spent many hours helping with the Hacheston bells restoration, not forgetting his 53 peals and numerous quarters.

Alan was diagnosed with cancer in December 2001, but they both decided to carry on as normal, fighting it every step of the way. As we know, Alan's activities were curtailed by his illness, but he and Katrina made the most of the time they had together with frequent holidays, both at home and abroad. Wales was their favourite destination, and they went there so many times that they became part of the family near Llandiloes.

**PHIL WILLIS** **Wickham Market**

Phil was just 57 when he died earlier this year after a short illness. His passing was a real shock to us all. He learnt to ring at Wickham Market along with his daughter some 20 years ago and soon became a Guild member and remained so ever since. A keen and active member of the band, he became deputy tower captain and rarely missed a practice or Sunday service. He rang numerous quarter peals, but only one peal (knowing Phil, he probably felt it was too much like hard work). He was such a nice guy and great fun to be with, always lightening up the mood in the tower with his cheeky sense of humour. He loved his sweets and anyone who has visited Wickham in recent years will have seen the carefully stacked empty sweet tins in the alcoves of the ringing chamber. Whereas other towers have peal boards we have Cadbury's Roses & Quality Street tins – we suspect they will stay there for a very long time in memory of our dear friend Phil.

The following Non-resident members passed away in 2012;

|---|---|
| Raymond Aldington | Kings Norton |
| Roy Duesbury | Thorington |
| Jack Dear | Hertford |
| Alison Regan née Surry | Worcester |

And we also remember the family and friends of them all.
May they rest in peace.

# PEAL SECRETARY'S REPORT — CHRISTINE KNIGHT

Two national events, the Diamond Jubilee of HM Queen Elizabeth II and the London Olympics were a focus for celebratory peals in 2012. There was also the eagerly anticipated first peal on the augmented ring at the Cathedral in Bury St Edmunds. 2012 was a very positive year for Suffolk Guild peal ringing. Not only did the Guild's peal total rise by 19 to 147, the highest total since 1999, but there were peals in 54 Suffolk towers and 7 out of county, namely at Ardleigh, Coggeshall, Great Dunmow, Mistley and Toppesfield in Essex, Thetford in Norfolk and Bristol, St John.

The Master decided to move Peal Week so that the Jubilee celebrations could be a focus for peal attempts. Six peals were rung during the Peal Week dates of 26 May to 3 June but, in all, 15 peals were dedicated to the Jubilee between May and July. There were also peals at Grundisburgh and Pakenham to mark the 60th anniversary of the Accession in February, and a peal at Hopton in April for HM Queen's 86th birthday. The other big national event of 2012, the Olympics, was marked by two peals in July. A peal of Olympic S Major, called by Stephen Pettman, was specially arranged for 5 July at Felixstowe so that the bells would ring out as the Olympic Torch Relay passed the church. There was also a peal at Freckenham on 28 July to celebrate the opening of the Olympics. At a more local level, the project to augment the Norman Tower bells culminated in a peal of Yorkshire S Maximus, conducted by Ian Holland, who had played a leading role in the project. Many members of the band had also worked towards the augmentation and the footnote recorded thanks to the Stannard and Vestey families for the new trebles, and to the late Dean of St Edmundsbury, the Very Revd Neil Collings, who had inspired the launch of the project. This was the first twelve bell peal on tower bells in West Suffolk, a landmark peal, and the start of increased opportunities for ringers in the west of the county to gain experience in twelve bell ringing.

Unusually for recent years, there were no peals to celebrate the completion of restoration projects, but there were several individual peals worthy of mention. On 7 January, Katharine Salter conducted a peal of Plain Bob Major at Rendham, in which the band consisted of four mothers and their sons, all Suffolk residents, to a composition by Suffolk-born Rod Pipe. This is believed to be only the second mother and son peal, the first having featured in 'The Ringing World' in 1951. On 21 March, David Salter became only the second person to have called a thousand peals for the Guild, an incredible achievement. It was good that he could share this peal at The Wolery with his wife Katharine and sons, George and Colin. It is always encouraging to see progress through local peals, such as the peal of Doubles at Reydon on 22 February, in which there was not only a first pealer, but also a 'first as conductor'. Also, it was pleasing that the first peal on the Vestey mini-ring was rung at High Hill House in Halesworth on 3 April, 7 Surprise, called by Richard Munnings.

David Salter leads the list of conductors by a considerable margin, even more remarkable as he was out of action for three months. No longer is the Conductors' List restricted to a few established names. Fourteen resident conductors called more than one peal in 2012, up from 12 in 2011, and only 6 in 2008. Such bare statistics do not reveal that the Conductors' List now has a considerably more youthful profile. George Salter and Michelle Williams recorded their first as conductor in 2012, and Alex Tatlow and Louis Suggett have become established conductors, who are also interested in composition. Alex called his own composition of Double Norwich at Elveden on 23 June, and Louis composed a peal of 4 Spliced S Major, which he called on 1 September, also at Elveden. David Potts has arranged regular attempts of Surprise Major and called his first of London S Major at St Mary-le-Tower in March, as well as his first of Maximus as conductor for the Jubilee in June. Stephen Pettman and Brian Whiting have maintained their interest in composing peals of a commemorative length. There were seven such peals during the year.

Stephen produced two compositions of 5060 Yorkshire S Major for the Jubilee, one to mark the Accession, which was rung at Grundisburgh on 8 February, and one rung during the main Jubilee celebration period on 6 June, also at Grundisburgh.

Footnotes record a wide variety of achievements in 2012 peals. Ten first pealers is an encouraging number for the Guild. Another cohort of young peal ringers is emerging, and the achievement of a first peal for the older members in the list is, in many ways, even more of a feat. For all age groups, the footnotes make positive reading. Four first peals inside, four firsts of Surprise Major, two firsts of Spliced Surprise Major, four firsts of Bristol S Major and two firsts on twelve is only a selection of the achievements recorded. Alex Tatlow rang his first of Royal and first of Maximus on consecutive days in March, a huge achievement. It would still be good to see more ten and twelve bell peals, but peals of Major as a percentage of the total continues to rise, with almost half of all the 2012 peals, 73 out of 147, being of Major. There have been more peals of wrong place standard Surprise Major methods, with nine peals of Bristol and one of London. Also, peals which deserve credit are the peal of Double Dublin S Major for St Patrick's Day at Debenham, and a peal of Glasgow S Major, rung at Ixworth on 9 August, which contained three firsts in the method. This was the first peal of Glasgow for the Guild for eight years. The peal columns reveal real enthusiasm for progress, which looks set to continue in 2013. As always, I should like to record my thanks to Ruth Suggett, Brian Whiting and David Salter for all their hard work and support.

First performances for the Guild during the year were:

Shorten to 5152 by calling S* at the previous Home to produce 62543 and omitting the course that S* was in (one part only). There are other options for reducing by a course according to taste. This arrangement can be further shortened (5022) by calling a Bob at Home at the course which would produce 34256 (4 leads from the end)

# Quarter Peals in Suffolk Guild Towers

Details of Quarter peals rung in Guild towers and published on www.campanophile.co.uk, www.bb.ringingworld.co.uk and in the *Ringing World*, up to 13 January 2013. These statistics reflect the best efforts of Guild members to collate them from a variety of sources. Unlike peal data, there is no mandatory requirement for quarter peals to be formally recorded and so there may be some errors and omissions. As in recent years, quarter peal ringing in Suffolk has thrived.

**Appointment of Independent Examiner**

The reappointment of Larking Gowen, the current Examiners, was proposed by Gordon Slack and seconded by the Chairman and agreed unopposed.

**ITTS**

Jed Flatters introduced the Integrated Teacher Training Scheme to the meeting, details of which had been obtained at the Wellesbourne Conference in November last year. Pip Penney and Graham Nabb have been using this successfully and Jed has set up a session at the Norman Tower taking a trainee teacher and a pupil from each of the four Districts. When they have successfully completed the whole course the trainees will then become accredited teachers. There was some concern from the meeting that people who had been teaching in their own towers for many years would now not be considered qualified to teach if they did not do the scheme even though they were very experienced and had taught many who had gone on to become successful ringers. The question of insurance for non-accredited teachers was also a worry. Jed assured the meeting that no-one would be excluded from the scheme. A proposal from the Chair that the Guild supports the Master in the adoption of the ITTS was carried overwhelmingly.

**Mini Ring on Tour**

The mini ring is booked to go to the Suffolk Show again following on from the success of last year and also Henham Steam Rally. The Chairman asked the meeting to consider volunteering to help with the mini ring at the Suffolk Show in return for reduced entry price. It is also being used by neighbouring associations which is good publicity for the Guild.

**Deanery basis of representation**

The Chairman explained that two deaneries in NE District had merged and other towers had changed benefices across District boundaries. The GMC had set up a committee with a representative from each District to consider how the constitution should be amended in the light of these changes and whether any changes in the existing makeup of the Districts were desirable. He asked members to give their views to their District representative so that any changes could be effected at next year's AGM.

**Guild Social Events.**

The NW District hosted the Guild Social on Saturday 30th July. Numbers were depleted due to the wedding of Jason and Sarah Busby, but a sizeable number enjoyed a historic quiz based on Bury St Edmunds Town Centre before moving on to a barbecue at Great Welnetham Village Hall. Jed Flatters ran a bar and it was an enjoyable evening.

It is the turn of the SE District to host the Guild social this year and tickets will be available for a barn dance at Sproughton Tithe Barn on Saturday 15th September. Next Year the Guild will be celebrating 90 years of existence with the 5 yearly Guild dinner.

**National Youth Striking Competition**

Alex Tatlow is organising practices for a group of young ringers from around the Guild to take part in the second National Young Ringers Striking Competition to be held in Birmingham at St Paul's on 30th June. The Chairman encouraged everyone to support our young people as this is quite an undertaking for the band, all of whom have to be under the age of 19.

**Guild Clothing**

Stephen Cheek is able to supply a variety of Guild Clothing with the Logo embroidered on it. The choice is wide e.g. T-shirts, fleeces, sweatshirts and polo shirts. Items can be ordered individually as there is not a minimum order required. A link to his website and his details can be found on the Guild website. The aim is not to be a profit-making venture, but rather to advertise the Guild.

**Matters arising from 2011 AGM**

George Pipe apologised for the fact that the History of the Guild book had not yet been published due to illness but he was able to show members a prototype cover which was very impressive.

**Errata in 2011 Report**

Ruth Darton erroneously recorded as Ruth Dalton

SW District Chairman telephone number is 01359 408247 not as printed

**St Edmunds Clapper Competition**

Four bands competed for this but again the trophy was won by Offton who had raised £300 for th BRF.

**Date and venue for 2013 AGM**

On behalf of the NE District, Maggie Ross invited the Guild to Stradbroke on Saturday 6 April, 2013.

**Any Other Business**

A) Maggie Ross highlighted the forthcoming Guild Striking Competitions on Saturday 21 May. Th Miston Shield and Lester Brett Trophy competitions will be held at Blythburgh and the Rose Trophy a Leiston.

B) Chris Davies asked members to give written support to the augmentation project at Redgrave.

## Regulations relating to the Suffolk Guild Handbells

1 The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells viz:

| | |
|---|---|
| 25 bells by Taylors | size 20 in C (2 chromatic octaves) |
| 16 bells generally by Shaw | size 19 in F (diatonic 13 + 3 semitones) |
| 13 bells by Warner | size 20 in E (diatonic 12 + 1 semitone) |
| 13 bells by various founders | size 20 in F (diatonic 13) |

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

## FOREWORD FROM THE CHAIRMAN

A number of officers both at Guild and District level have decided to pass on the baton or maybe just take a break. We should all thank all of them for their help and efforts. At the same time a number of ringers have taken on responsibilities at Guild and District level. I will not mention them specifically for fear of omission. The fact is that we are a ringing Guild so we will not have long queues forming to fill the officers' roles that are largely of an administrative nature; and this alone is cause for further thanks. We do have ringing officers of course in the five Ringing Masters at Guild and District Level and our debt to them is huge for organising ringing, particularly for our young ringers and for the help they give so willingly.

Although I have not seen the Report contents, a peek at the Guild website reveals that the year on year increase in the number of peals rung for the Guild continues its upward trend. At the same time reports of youth ringing; successes with the ITTS training scheme and numbers of new ringers all serve to inform that the Guild is in a healthy state.

As well as the Guild website there is also a strong presence on Facebook and more recently twitter which gives the Guild a younger feel, so important if we are to continue to raise the profile which in turn is key to our future. Two other threads that also lift our profile are our 'appearances' on local broadcast media and the Guild magazine.

Our outgoing chairman was coy last year about what could be improved, careful not to challenge the Guild's officers. Well, there always will be and we need help at Guild and District level to get them done. And that's where I came in.

I have had a great year getting round the Districts as much as possible and would like to thank again all of you for making those visits so enjoyable.

Alan Stanley

## A MESSAGE FROM THE BISHOP

This year our Diocese celebrates its hundredth birthday. Congratulations and Many Happy Returns! But the story of our faith in Suffolk goes back much longer than that, to the days of Felix and Fursey, and will we trust stretch long into the future together, as we walk as Pilgrims in Time into God's good future.

Since the beginning the church in Suffolk has been committed to "being there" in our many communities. And the bells which ring out from our wonderful family of fine churches are our warm invitation to everyone to come and discover them as places of prayer and care.

So whether it is a strong tower ringing a peal, a few ropes faithfully pulled on Sunday morning, a verger counting out a passing bell or the vicar announcing his morning prayers – the church bells of Suffolk still tell the same story: your local place of prayer is there just as it always was, God's love and care is as deep as it ever was, and as we respond to the call of the bells together we can make a real difference to real lives wherever we live.

Thank you to all the ringers and their friends who have made that possible.

+David

The Right Reverend Dr David Thomson — Acting Bishop of St Edmundsbury & Ipswich

## TRUSTEES' ANNUAL REPORT

The Trustees present their report and financial statements for the year ended 31 December 2013.

**Charity**
The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The Charity's registered address is Millbeck House, Harleston Green, Shelland, Stowmarket, IP14 3HU. It is governed under a constitution originally registered in 1977 and most recently revised in 2013.

**Principal objectives**
The purpose of the Charity is to promote and encourage the practice of bell ringing within the Diocese of St Edmundsbury and Ipswich; to recruit, train and encourage bell ringers in the practice of their art; to cultivate the art of scientific change ringing; and to promote and advise on the preservation of bells in an efficient condition.

**Trustees**
The Trustees during the period were A F Stanley (replacing P J Gorrod from April 6th), G E Slack, and A J Shedden.

**Review of Progress and Achievements**

**Bell ringing** The Guild continues to attain a presence on local broadcast media and is prominent on social networking sites. It has been another busy year for ringing as shown with the number of peals and quarter peals and other successful ringing events taking place. The advances made last year with the teaching of ringing and the mentoring of teachers have continued in 2013 and our young ringers have made real progress. A presentation from the Guild was made to our retiring President, Bishop Nigel, to express our thanks for his support.

**The Pipe Trust Fund** In addition to supporting a number of activities for beginners during the year, grants from the Pipe Family Trust Fund helped defray the travelling and accommodation costs of those taking part in the Young Ringers Striking Competition in York. We are pleased to acknowledge receipt of a further generous contribution to the Fund at the beginning of 2014 from the Pipe family, which will help us to continue to support our beginners in the future.

**Restoration activities** Our main contribution was to Clopton where the restoration of the bells was completed. We also made a further contribution to the Norman Tower as their augmentation reached completion. Members of the Belfry Advisory Committee continue to give advice and support, both for routine maintenance and restoration projects.

**Guild Finances**

**Policies** All money in the Guild's funds not required for day-to-day working purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee. Grants from the Restoration Fund are authorised by the Guild Management Committee but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

**General Fund** Income to the General Fund increased some 8% from 2012 primarily from increased sales of rope to towers in the Guild and from additional peal fees. Expenditure showed an increase of 4% although the only category to show a sizeable increase was our purchase of rope: both polyester and hardy hemp are now available for towers to purchase. The net effect after an increased transfer once again to the Restoration Fund is a reduction in the General Fund of £272 which is more than covered by the increase in our stock and assets.

**Restoration Fund** Restoration Fund income has increased by 25% on 2012, mainly from a large increase in donations and from an increase in interest as a result of the investment made last year in bonds through the Charities Aid Foundation. Grant approval was low once again continuing the pattern since 2009 and hence the sum available for allocation to new projects has increased to £58,369.
With the grants paid to Clopton and to the Norman Tower and other small grants paid, most of the previously allocated grants have now been paid.

**Summary** The small reduction in the General Fund balance in 2013 resulted from the increase in stock and assets. The Restoration Fund has again grown leaving the Guild in a strong position to assist with projects which we understand are in the pipeline.

## Diocese Info

This year the Diocese of St Edmundsbury and Ipswich is 100 which marks a significant moment in time. Although many of Suffolk's fine churches are older than the Diocese, the Centenary Year is nonetheless significant.

To mark this you will see that the report contains a message of thanks from our Acting Bishop, but also throughout the report will be events that will mark this milestone for the Diocese which we serve. We are fortunate to be able to ring in a Diocese that is so rich in history, spirituality and community spirit. I hope people find the Diocese information both refreshing and encouraging. I hope people will join me in praying for another successful 100 years for our Diocese.

## BELFRY ADVISORY COMMITTEE

The following have been appointed as a Belfry Advisory Committee to give advice and assistance on all matters connected with rings of bells. No fees are charged but if expenses are incurred and requested they should be paid by the local Parochial Church Council. The Guild Maintenance Officer will be pleased to arrange inspections as required.

## BELFRY ADVISORY COMMITTEE REPORT — JONATHAN STEVENS

A typical year for the BAC and the Technical Advisor in that towers were inspected, projects guided, spanners and other key tools wielded All of this to keep Suffolk's bells ringing and to improve them. Clopton had its bells returned and re-hung in a new frame in the old ringing chamber, the ringers returning, thanks to English Heritage, to the original windowless ringing chamber. The Architect's insistence on hiding the foundation beam grout behind flints and lime mortar necessitated a number of visits to inspect the work in progress, making sure it met with Guild Grant Conditions. This is sadly very necessary, the flint and lime at Thurston proving to hide more flint and lime, which is now, because it has not stood up under the everyday stresses of ringing, being removed and replaced with cement based grout.

Rattlesden, who have long wanted a refurbishment are getting it; a Heritage Lottery Grant helping here. Wickham Market, who were last restored in very recent memory, are getting their poorly designed headstocks replaced, the clappering sorted and a new floor to the belfry, so the bells can be worked on safely and the sound level in the ringing chamber reduced. The Grant Conditions, a useful guide of what to aim at in a restoration, have been revised and can be found under Restoration, on the Guild website.

At the BAC meetings, we have started having a speaker, beforehand. So far Jed Flatters has talked about bell-hanging and Douglas Kent from the Society for the Protection of Ancient Buildings (SPAB) has told us about that body's policy towards bells and bell frames. All are welcome to come and listen, but the meeting itself is still for BAC members. During this Advisor's tenure, he has attended three Bell Advisors' Conferences, a number of bell related courses and worked hard to raise the awareness of the needs of ringers, steeple keepers and audience with the Bell hangers, DAC, English Heritage, Church Building Council and SPAB. Douglas had the pleasure of running three courses, introducing many members to the care of towers and belfries.

Douglas has been invited to write around sixty reports and make many more visits to parishes around the Diocese. Sound, both internal and external is a particular interest, with a number of sound surveys being completed with practical recommendations being put successfully in place. This work is making the bells more available, more clearly heard inside and out, and better balanced, again, inside and out.

Your new Technical Advisor and new Chairman of the BAC will be continuing the hard work. Do use them and the rest of the BAC Team in 2014.

## RINGING MASTER'S REPORT — JED FLATTERS

This year could not have been more different to the last with only the Royal birth and the centenary of Benjamin Britten to call for major celebrations. To cap things off we lost Bishop Nigel as he moved on to become Bishop of Lambeth, a better champion for our cause will be hard to find. A highlight for me however was taking part in the Pilgrimage from St. Pauls in London to Bury, ringing as we went to great praise from our bishop.

Our Guild dinner was held in March using Woolpit village hall as a central venue with a good turnout supporting the Guild and listening to an interesting after dinner talk from Drew Craddock about his Pealbase creation.

The Guild Six Bell Striking Competition was held at Thornham Magna, a pleasant ring but with a couple of odd-struck bells which caught some out. Our judge for the day, Peter Hayward of John Taylor and Co., spent the afternoon sat under a gazebo in the churchyard, drinking tea and listening to and marking the teams as they rang. After tea he gave us the results with Debenham B taking the Lester Brett trophy and the Wolery ringing some excellent Norwich to take the Mitson Shield. Moving on quickly to Gislingham saw the draw for the eight bell competition where eight teams competed and the NE district were rightfully declared the winners. Peter was to have been assisted by his wife but due to family problems she had to remain at home; anyone who has judged a competition will know the effort required to maintain full attention.

The Ridgman Trophy was held at Surfleet this year where we rang a good practice piece and then failed to follow this up in the test piece getting a disappointing 6th place. All agreed that we needed to organise more practice sessions for the 2014 competition! On the national side we entered a youth team in the competition at York and, like last year, rang Plain Bob triples being placed 3rd in the method category and 8th overall. Support from parents has led to the setting up of a young ringers group with regular ringing sessions and hopefully a chance to get a good nucleus together to challenge at Worcester next year.

In spite of difficult financial times, a number of restorations and augmentations have been completed. On 17th May the flat 6th was delivered to the Cathedral and dedicated in a brief ceremony at the base of the tower by our ringing Precentor Philip Banks. About 150 people watched the ceremony before we lifted the new bell into place and tried it out that evening.

At Clopton a major restoration has seen the rough old six transformed into an easy going, tuneful, set of bells which will be of great use to us.

The cracked tenor at Woolpit has been successfully welded and rehung, so all six are back in use.

Sneaking in the new treble at Elmsett has seen a nice light ring of four being created, but get there quickly if you are a four bell ringer as the treble is soon to be bought!

Although there have been few major events this year our peal ringers continue to push up their totals. Figures from the peals show the following milestones passed:-

3000 David Salter
1650 Alan Mayle
1500 Jeremy Spiller
1400 Mary Dunbavin and Katharine Salter
1000 Mick Edwards and James Smith
900 Cherril Spiller
800 Brian Whiting
500 Richard Knight
400 Maunce Rose
350 Joan Garrett
250 Louis Suggett and Peter Harper
150 George Salter
100 Colin Salter (youngest Suffolk ringer to achieve this) and Robert Beavis
75 Oliver Thompson

I make special mention of John Taylor in scoring his first peal but will not embarrass him by mentioning his age and also congratulate Nicole and Ed Rolphe and Ambrin Williams on their first peals.

Quarter peals still feature strongly with Lesley and David Steed and friends pushing the numbers up most weekends and the Scase family doing likewise most Friday nights. Whilst in the east, the Pettistree ringers keep plugging away each Wednesday evening with different methods.

From the records I note the following quarter peal achievements:-
1600 Mike Whitby (and 1200 as conductor)
1000 Maggie Ross and Lesley Steed
850 David Steed
800 Pippa Moss and Ralph Earey
500 Ruth Suggett
350 Robert Scase
250 David Howe
200 Richard Brewster
150 Stephen Dawson
100 Michelle Williams , George Salter and Lucy Dawson
50 John Taylor and Clare Veal
25 Nicole Rolphe

I apologise if I have missed out any persons or key events.

In 2014 we can look forward to celebrating the centenary of the formation of our Diocese. I am planning to spend the first week of August ringing and cycling around our borders and will post details on our web site so please book the dates and join in. All are welcome, cycling or not, and you are welcome do your own thing at towers nearby as we pass through the districts.

## SECRETARY'S REPORT — MANDY SHEDDEN

Another year has flown by and the Suffolk Guild has certainly kept up the trend we saw last year in an increasing number of new members. Forty eight new applications for membership were received during the year and although district membership totals are not available as I write at the end of 2012 there were 838 recorded members. Some members have passed away and there will be the inevitable loss of members through non- renewal for whatever reason but we still have membership totalling over 800. There were 90 members present at the AGM in Stradbroke and a further 63 tended their apologies. Attendance at the three GMC meetings held during the year has not been very good, at one meeting several important matters could not be dealt with as a result. Hopefully a change in the structure of the districts and an increase in the number of members who are eligible to attend from each district will rectify this situation in the future. The youngsters continue to enjoy a very good standard of ringing helped along by lots of enthusiasm and practical help from the not so young experienced members who regularly give of their time to help preserve the future of ringing in the county. A particularly pleasing fact to note about the youngsters who are learning at the moment is that a large percentage of them are not from ringing families. They are not just following in their ancestor's footsteps but are there because they have been attracted to and remain as active ringing members for reasons other than generational expectations. The presence of some of these youngsters at the 90th Anniversary Guild Dinner brought the average age of members present down considerably.

In a county where geographical distances between towers and ringers can cause some logistical problems which affect both practices and Sunday Service ringing, Suffolk continues to do very well in producing good standards of ringing and this has to be down to the dedication of many members who selflessly give of their time week in and week out for the reward of seeing improvement and success in those that they teach. Perhaps these valuable people should be named in the 2015 honours list.

## LIBRARIAN'S REPORT — ABBY ANTROBUS

As I penned the Guild Library report for 2012, we were at any moment expecting to pick up from the Suffolk Records Office everything in our collections that was not original material relating to ringing, bells and ringers in Suffolk. A plea in *Awl A'Huld* for shelves on which to put the material was well met, and I would like to extend thanks to all who offered their spare furniture - special mention, however, goes to Brian Hale who donated a wooden bookcase and bought it up the Norman Tower for us. The books are now housed there in the ringing chamber, and I have a sign-out sheet system for loans. At present, the bookcase has a temporary paper sign on it, but I hope to arrange something more permanent. The *Ringing Worlds* are stored under the bells on the Mezzanine floor, along with duplicate reports, and conditions have so far proved stable and dry. I have re-sorted and catalogued everything that has been returned to us, and apologise that I have not yet typed this up into an up-to-date version of the catalogue as promised in my 2012 report. I will add in the Records Office reference numbers so that material there can easily be identified and requested. Investigating insurance is also on the library agenda.

In terms of digital resources, I will be ordering the next CD of digitised *Ringing Worlds*, 1941-1970, which should save a clamber down the trapdoor to retrieve issues from the floor under the belfry! Neil Dodge from Great Barton has also been doing an excellent job scanning and creating pdf files of the early annual reports. As for last year, if you have any questions, requests or suggestions for items for the library, please do get in contact. As well as historic material, I send the Records Office items relating to our current day activities. This year has several major anniversaries, including the 100th Anniversary of the Diocese and the commencement of World War I, so if you have any memorabilia from events in your tower, both national and local, do pass them on.

## PUBLIC RELATIONS OFFICER'S REPORT — RICHARD MUNNINGS

2013 could've easily struggled to compete with 2012 in regards to PR. No Olympics, Torch Relay or Diamond Jubilee to get involved in. But of course it was the Guild's 90th anniversary, which offered an opportunity to promote what we do to the ever-responsive Radio Suffolk.

Our local BBC radio station has - as usual - been a good friend (and some of their presenters are members of the Guild's Facebook page), helping raise awareness of our ringing for St Edmund's Day, Christmas ringing in Ipswich, and our young ringers participation in the National Youth Striking Competition in York, as well as speaking to our young ringers themselves - particularly Neal Dodge - in regards to their activities. It bodes well that our youngsters are media savvy, and very proactive in raising the public's awareness of ringing.

The newspapers have been slightly slower in responding to requests for publicity, but the Ipswich Star/ East Anglian Daily Times came to a St Mary-le-Tower practice in August to interview and photograph local ringers, resulting in a superb double-page spread.

And right at the end of the year, on New Year's Eve, Betty Baines was in the news for her deserved MBE for services to ringing in Norfolk and North Suffolk, bringing some welcome positive PR for our art.

I managed to get mention of the South-East District Striking Competition at Brandeston advertised on the village website, and whilst no enquiries that I'm aware of came from it, I hope it at least gave local villagers more of an idea of what was going on that afternoon. It is perhaps worth notifying the local magazine and/or website when a district or Guild ringing event is taking place in a community.

Indeed, whilst I am always here to advise, guide and/or support on all matters PR, I am more than happy if members want to undertake their own PR, though if you are able to let me know that avoids any embarrassing mix-ups!

## WEBMASTER'S REPORT — CHRIS GARNER

# DIRECTORY OF SUFFOLK TOWERS

KEY

The key of a ring (ie the note of the tenor) is given in cents (ie, hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C# -20, and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

## SECRETARY'S REPORT — JULIE RAPIOR

In 2013 the NE District organised a variety of events for both the district and the whole guild. The AGM at Stradbrooke was well attended as the guild thanked Philip Gorrod for his work as Chairman and welcomed Alan Stanley. The District Striking competition was held at Rumburgh and then a District band won the 8 bell competition at Gislingham a week later. In June we organised a district walk and picnic ringing at Tannington and Monk Soham which was enjoyed by all those who came. In October Maggie organised a walking tour around Ipswich which was very well attended and extremely successful with a full house at St Mary-Le-Tower. At the Annual District Meeting in November the district thanked Maggie for her hard work as Ringing Master and welcomed Michelle Williams as her successor. The year finished with a district carol service at Barsham. The committee would always be pleased to welcome ideas from district members for events which would help or interest them.

## SECRETARY'S REPORT — RUTH YOUNG

2013 saw us using the usual format of starting the year with the first of our business meetings being held in January at Bury St Edmunds. After ringing at the Norman Tower where members enjoyed the challenge of ringing on the twelve, the meeting was held at the Flying Fortress following a carvery lunch for 28. In April during quarter peal week 18 quarters were rung with several firsts being achieved. May saw us heading to the Lowestoft area for an outing organised by Winston to all the Suffolk towers in the NDA and in June the striking competiton was held at Rickinghall Superior followed by a barbecue, thanks to Chris and Briony Davies for hosting this. In October the ADM was held at Eye and was attended by 23 members. At this meeting Maurice Rose retired as Chairman and was thanked for all his hard work during his time of office. David Steed was welcomed as the new Chairman.

During the year we also held practice meetings at Bacton, Wickham Skeith, Mildenhall and Hopton with the Christmas social at Rougham rounding off the year.

The Centenary souvenir book '100 Years, 100 Treasures' A Celebration of Suffolk Churches. AS featured on BBC Radio Suffolk with Rob Dunger and with Lesley Dolphin as well as the East Anglian Daily Times and Discover Heritage magazine, there is still a chance to snap up your very own copy of this little companion revealing the treasures inside 100 churches. For just £5 you get a history of the diocese, the stories of 100 treasures plus a guide to what else you can discover in each church, and a pull -out map. Order a copy at your local church so that they can benefit by keeping £2 from the sale for their upkeep, or pick one up at the Cathedral Shop, the Sanctuary Café, Ipswich, or Waterstones in Ipswich or Bury.

## SECRETARY REPORT — RUTH MUNNINGS

It's been a very successful year for the District, with good attendances and support from members. We started the year with practices at Framlingham in January, and over to Stutton and Harkstead in February. This was followed by a large turnout at Debenham for the quarterly meeting, although ringing at Helmingham after the meeting was shorter than anticipated because of a clapper breaking! This year, the striking competition in May saw some old faces, and some young ones too. With the introduction of a call

change competition, it encouraged bands from Hollesley, Helmingham, Barking and a youngsters' band from Sproughton all to take part. Well done to Hollesley on being crowned the first victors of the David Barnard Trophy!! Also, congratulations to St Mary le Tower 'A' for winning the method trophy. In June the district ventured over to Barking and Coddenham for a short meeting, where it was lovely to see Alan Smith. Due to ill health he had not been able to attend district events. It was particularly poignant to see him as he died two months later. Following our visit to Cretingham and Monewden in July, we had such a successful quarter peal evening in August it became necessary to draft in two extra towers! Special thanks go to Tom Scase for organising the quarter peal bands, and to Kate Eagle for sorting the meal at The Three Tuns, Pettistree afterwards. The September meeting at Sproughton and Bramford was followed by a productive practice at Grundisburgh in October, and an enjoyable outing to North Essex in November before we saw out the year with the ADM at Ufford and Wickham Market and Christmas Ringing in Ipswich.

Our thanks go to Mary Garner, our acting Chairman for the year on keeping us in order, and to welcome Ralph Earey as our new Chairman. Also, my thanks go to tower correspondents, incumbents and to district members for your continued support. Let's continue for this year!

## SECRETARY'S REPORT — RICHARD GATES

The South West District has had generally a good year. The Teaching and Training days have been well supported and have helped new ringers to progress and improve their ringing. It is particularly pleasing that experienced ringers are willing to give time to support these sessions.

It is also pleasing to see a steady number of beginners wishing to learn to ring. It goes without saying that the future of the district lies in the hands of those people, particularly young people, who we can encourage to take up ringing.

Although the district is not lucky enough to have a twelve bell tower we are planning to extend our practices to include more frequent visits to St. Peters Sudbury the only ten bell tower in the district in the expectation that this will give more experience to local ringers and provide some more challenging ringing for the more experienced members.

The district held its first carol service this year which was a pleasure to attend and is another way to unite the district in ways other than just ringing.

Generally speaking the feeling in the district is very positive and augurs well for the forth coming year.

# OBITUARIES

**John Bonney - St Margaret, Ipswich;**

John E. Bonney is first recorded as a member of the Guild in 1982, soon after he became Head of St. Margaret's, Ipswich, C of E Primaary School. He joined the band of ringers at the time and it was understood that he had learnt much of his ringing during his service in the R.A.F in the Cheshire area. In 1986 he was elected District Chairman and held the post for three years. John also taught ringers at St. Margaret's and was a loyal supporter of practice nights and Sunday ringing. He was critical of poor ringing right up the eto nd of his life. Unfortunately he was unable to ring in the latter years, being afflicted with sciatica which prevented him from climbing the tower stairs. In 1988 he rang a peal of Rutland Surprise Major - a feat of which he was particularly proud. His favourite method, which he often conducted, was Grandsire Triples. As a Lay Preacher John was also very active in Church matters and, especially in his younger days, was also an active sportsman, playing tennis, golf and bowls. A true gentleman and devoted father, John died of a serious illness a little over a year after he had lost his wife.

**Alan Smith - Coddenham;**

Alan came to Suffolk from Kent in the mid 1970's. His ever cheerful smile quickly endeared him to all who met him. When he was elected to membership of The Suffolk Guild some of the more observant members soon recognised his financial skills. In 1978 Alan was elected Guild Treasurer, a post he held for eleven years. Upon election he immediately changed the system of accounting and this revealed a deficit in the General Fund. Because of this he sought, and achieved, a doubling of the subscription rates. You can imagine the shock waves which reverberated through the Guild members! Very rapidly he succeeded in putting the Guild finances on a sure footing.
1984 brought election to the Central Council of Church Bell Ringers where again his financial skills were recognised. He served on the Council's Bell Restoration Funds Committee from 1984 to 1999. Having attended twenty two Annual Council meetings, he retired from the Council in 2008. It was in this year that Alan was elected as an Honorary Life Member of the Guild.
Alan rang in eight peals, the last of which was rung at Coddenham, where he had been instrumental in achieving their re-hanging. Alan, your life's work has been well done, thou good and faithful servant. May you rest in peace.

**Anne Lewis—Polstead;**

Anne was taught to ring at Polstead by Ed Hynard during the 1970s. She rang her first quarter peal there in October 1979. Anne was a loyal member of the Sunday service band and could always be relied upon to be there. She worked indefatigably for St Mary's church in many ways; in her latter years she was a conscientious church warden. She is very much missed.

**Michael Daniels– Bredfield;**

Michael Daniels came from an old Bredfield family. In 1954 he learned to ring there, aged 12, under the guidance of Bob & Brenda Downing and Jim Pipe. After regular ringing at Bredfield ceased in 1958, he rang at Grundisburgh from 1961. His first peal was at Hasketon, and he rang 15 in all for the Suffolk Guild between 1963 and 1967. After about 20 years, due to family and work commitments he gave up ringing, but returned at the Millennium. He very much enjoyed re-learning methods at Bredfield and later at Pettistree. A faithful member of the Bredfield band, he helped greatly in training new recruits recently. In 2010 ill health kept him out of ringing for 6 months, but then he returned to it until a recurrence of his Leukaemia made it impossible for him to continue. He passed away peacefully on 14 October 2013, and our thoughts are with his widow Jenny, brother Peter, and all the family. A quarter of Ipswich Surprise was rung in his memory at Pettistree on 16 October, soon followed by a peal of Bristol Surprise Major at Grundisburgh and another in Four Minor methods at Bredfield. He will be sorely missed, may he now rest in peace.

**Dennis Frost—Haughley:**

Dennis learnt to ring in Drinkstone back in the 1970s, taught by Dick and Derek Rose. After ringing in Drinkstone for many years with his wife Judy (where they also kept the pub) they moved to Haughley in 1991. The ringers in the village were trying to form a band and soon Dennis and Judy were involved in Monday night practice, restoration work to the bells, and the necessary fund raising. Dennis became Tower Captain.
Dennis's last ring was in 2008 for a village funeral, ringing half muffled before the service. The ringers joined in the service, sitting in the back pew. During the first hymn Dennis suffered a stroke and was never able to ring again. He died on 2 April 2013.

**Peter Mayle - Clare:**

Peter was born in Clare and apart from his National Service lived there for his whole life. He was taught to ring at Clare by Sam Twitchett in the late 1940's when a new band was being formed. He took over as steeple keeper and clock winder in 1953 and continued to look after the bells and clock until ill health prevented him from climbing the stairs. The clock was electrified in 1989 but prior to that date he climbed the 60 steps to wind the clock every day. His contribution to the maintenance of bells in the local area will be much missed. He joined the Suffolk Guild in 1947 and remained a member for 66 years until his death. He rang a total of 610 peals including 358 for the Guild. It was his two sons, John and Alan, learning to ring in the late 1960's that led to many of these peals being rung. He rang 446 peals with Alan and although not having rung a peal for 8 years he was determined to ring in Alan's 1000th peal, at Clare on 17 February 2001, which was the last he rang. Despite failing health he continued to ring for Sunday Service until entering hospital for heart surgery where he passed away on 28 November 2013, aged 84.

# PEAL SECRETARY'S REPORT — CHRISTINE KNIGHT

The Guild peal total of 155 was the highest since 1995. This resulted largely from the huge enthusiasm for peal ringing at The Wolery mini-ring, where 60 peals were recorded. It was the second most pealed tower nationally, only just behind Thorverton in Devon. In fact, milestones were reached at the top two Suffolk peal towers in October, with The Wolery reaching its 250th peal and Grundisburgh, the 800th peal on the bells. Peals were rung in 45 Guild towers in 2013 and 9 others, namely Lowestoft, Ardleigh, Helions Bumpstead, Belchamp St Paul, Putney, Garlickhythe (Greater London), King's Lynn, Thetford and Giggleswick-in-Craven.

Although 2013 saw no national events on the scale of the Diamond Jubilee or the London Olympics, peals were rung in June to celebrate the 60th anniversary of the Coronation of HM Queen Elizabeth II, at the Norman Tower, Horringer and Sudbury, All Saints. The latter saw the first peal on the bells since 1955, thanks to the efforts of the Guild maintenance team. The birth of HRH Prince George of Cambridge in July was also marked by peals at Grundisburgh and Great Barton. It has become customary, every five years, to celebrate the founding of our Guild, not only with a Guild Dinner, but also a peal of Suffolk S Major. This was duly rung at Helmingham on 6th August, a special length of 5090 changes, composed by Brian Whiting and conducted by Stephen Pettman to mark the Guild's 90th anniversary. In November, the centenary of Suffolk born composer, Benjamin Britten, Baron Britten of Aldeburgh, was commemorated by peals at the Norman Tower, and in the NE Distnct, at Southwold, Iken and Aldeburgh. The Iken peal was rung in 100 methods to emphasise the centenary. Equally noteworthy was the Aldeburgh peal of Kent TB Major as it was rung by a NE Distnct band and contained two firsts of Treble Bob.

The Master moved Peal Week back to February in 2013. Disappointing, perhaps, that only 5 peals were rung, but the usual emphasis on progression was evident, with a first pealer, a first of Surprise inside and a first peal on tower bells being recorded. In March, three peals were rung in memory of Howard W Egglestone, who was Guild Master from 1969-1974 and did much to advance the standard of ringing in Suffolk. These were at the Norman Tower, Bardwell, and his former home tower of Henley. On the theme of progression, another peal worthy of mention is that of Bristol S Maximus, called by Richard Munnings on 5th January at the Norman Tower. This was a very significant achievement as the peal contained 8 resident members and there were 2 firsts of Bristol Maximus as well as a first of Bristol as conductor. Another impressive achievement was the peal at Hacheston on 31st May, in which David Salter became the first person to ring 1500 peals for the Guild.

Four Guild members rang their first peal in 2013, a drop from the exceptional total of 10 first pealers in 2012, but the peal columns provide ample evidence of the progress of quite recent first pealers in peals on higher numbers, in more complex methods and, indeed, in conducting. There is now quite a youthful element in the list of Guild conductors, which bodes well for the future. It was good to see Clare Veal join this group, by achieving her first as conductor at The Wolery in November. The age range of 13 to 80 for the first pealers underlines the immense attraction of our Art, a mix of youth and maturity which adds so much to the social aspect of ringing. All 4 deserve the warmest congratulation on their achievement. It is also good to see younger ringers getting together to ring peals, as at Great Barton on 7th April. A band with an average age of 17 years and 8 days rang a peal of Great Barton Doubles, conducted by Alex Tatlow. Also deserving credit is the peal at The Wolery on 26th September, in which 15 year old Colin Salter became the youngest Suffolk born ringer to achieve 100 peals, beating his mother Katharine's record by approximately six months.

Many trends in Guild peal ringing continued during the year. There were regular peals of Surprise Major at Aldeburgh and The Wolery, and the interest in ringing peals of individual Surprise Minor methods at The Wolery culminated on 27 August in the completion of peals in each of the standard 41 Surprise Minor methods, believed to be the first tower to achieve this. Stephen Pettman and Brian Whiting have continued to pursue their interest in composing peals of a commemorative length. There were 8 such peals. It is pleasing that the twelve at the Norman Tower have been put to good use, with 4 peals of Surprise Maximus there during the year for the Guild. There were four peals of right place Surprise Royal, and the signs are that London and Bristol will follow. Unfortunately, the number of Suffolk towers pealed dropped from 54 in 2012 to 45. It would be good to see more peals to celebrate local occasions, which can be good PR for ringing among local congregations, and in the wider community. I should like to thank David Salter, Brian Whiting and the new Report Editor, George Reynolds, for their help in producing the peals section of this Report.

**13. Amendments to the Constitution and Rules.**

Trevor Hughes raised an objection. Graham Downing would like the wording to be clearer and approval of GMC must be clarified. PJG reinforced that GMC would always oversee proposed changes and are not likely to approve unworkable changes.

John Girt stood to explain the reason for the current organisation. There used to be 5 districts and it was proposed that each district should have the same number of deaneries (C.1972) These were set out to divide the Guild into equal parts for representation of members on GMC.

PJG explained the reason for the changes to the rules to cover future events such as collapse of RW etc. He also explained the reason for change to Election of LHM This was to ensure that inappropriate proposals for LHM could no longer be made, although a GMC refusal could always be overturned by the members at an AGM.

GMC Deanery Representation. The idea behind this was that each district may elect up to 5 members to

sit on the GMC. It is hoped that the new system will encourage members who are interested in being part of the GMC to opt into being elected. Trevor Hughes said that he thought it was important that people interested in moving the Guild on should be taking part on the GMC.
PJG went on to further explain the reasons for changes to the rules. Essentially the districts should elect to the GMC those people that they feel would best serve the Guild.
Changes to Constitutions - Majority in favour one abstention
Changes to Rules - Overwhelming Majority 3 abstentions.

**14. Election of LHM.**

Maggie Ross explained that Helen Price of Southwold and Reydon has been a loyal and hard- working member of the NE District. She has taught many to ring, she undertook the new installation fundraising for Reydon. A member since 1979, she is always happy to try new things and goes the extra mile to encourage others. She has been district RM, and she has had a hand in all events including tower maintenance. She leads by example well worth following.
Helen Price stood to thank you to the meeting and to everyone who has supported her. She was unanimously elected as LHM.

**15. ITTS**

3 courses have been held in the county, two at level 1 which have progressed 15 new ringers, and 5 into membership of the Guild. There is a level 1 course being started at Mildenhall, and one in the SE District in conjunction with the Essex Association.

**16. Mini Ring**

The Vestey ring continues to appear at events both within and outside the county and promotes good publicity for the Guild.

**17.** Both the Guild Dinner at Woolpit and the barn dance at and Sproughton were very successful.

**18.** George Salter is leading a band to take part in the Young Ringers Striking competition being held at York.

**19.** A memorial weekend is being arranged to commemorate the life of Rod Pipe, a former Suffolk Ringer and brother to George Pipe. All Suffolk Guild members are invited and details will follow It is the weekend of 12th October

**20.** There were no matters arising from the minutes of the 2012 AGM

**21.** St Edmunds Clapper Competition was won yet again by Offton with a splendid effort in raising £385 for the BRF.

**22.** The 2014 AGM will take place on 26th April 2014 in Stowmarket at the invitation of the NW District.

**23. Any other Business**

On the 12th October ringing has been arranged in several towers in Ipswich and the NE District is organising a walking tour in Ipswich on that day so collaboration will be required.
A card is being circulated to send to George Pipe who is in Papworth awaiting heart surgery on Monday.
Mr Girt asked for a collection for the BRF from the meeting.£118.31 was raised and a further surplus of tea donations of £60.25 was also given to the BRF.
Brian Whiting asked if members were able to put names to all 140 members in the 1974 photo at BSE in the Ringing World as part of Harold Egglestone's obituary.
Chris Garner asked for email addresses from any members wishing to receive information.

**REGULATIONS RELATING TO THE SUFFOLK GUILD HANDBELLS**

1 The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells viz:

| | |
|---|---|
| 25 bells by Taylors | size 20 in C (2 chromatic octaves) |
| 16 bells generally by Shaw | size 19 in F (diatonic 13 + 3 semitones) |
| 13 bells by Warner | size 20 in E (diatonic 12 + 1 semitone) |
| 13 bells by various founders | size 20 in F (diatonic 13) |

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further penod, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

**THE MITSON SHIELD, LESTER BRETT TROPHY AND ROSE TROPHY STRIKING COMPETITIONS RULES:**

1 The competitions shall take place on date(s) decided by the GMC.

2 All Ringing Members and Life Honorary Members of the Guild may compete providing their subscriptions are paid.

3 The Mitson Shield, Lester Brett and Rose Trophies shall be competed for as follows:

**MITSON SHIELD and LESTER BRETT TROPHY**

3.1 Bands shall comprise six ringers fulfilling at least one of the following:

a) at least four are listed under the tower in the Annual report

b) the ringers are a bona fide benefice (or similar) Sunday Service or practice night band.

3.2 a) For the Mitson Shield the test piece will be 240 true changes of any recognised Doubles or Minor Method(s) Opening rounds will not be marked.

or b) For the Lester Brett Trophy call changes of at least eight minutes marked ringing, to include Queens, Whittingtons and Tittums. "Marked" changes start when the first change is made.

**ROSE TROPHY**

3.3 Bands shall comprise eight members of a district or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

3.4 The test piece will be at least 224 true changes of any recognised Triples or Major method(s), of which only the first 224 changes, excluding the opening rounds will be judged.

4 Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 3.

5 The times of the draws are to be advertised in the 'Ringing World' and each band must have a representative present at the relevant draw.

6 A total of two minutes practice ringing will be allowed before each test piece.

7 In the event of bands ringing Doubles or Triples a cover bell must be used.

8 The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.

9 In the event of a large entry the Ringing Master may choose to shorten the length of either test piece.

10 A reserve ringer, appointed by the Ringing Master, will be available at the Ringing Master's discretion, to bands meeting short.

11 A minimum of two judges appointed by the Ringing Master will be present. Their decision is final.

12 The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.

13 Interpretation of all rules is at the discretion of the Ringing Master.

# Foreword from the Chairman

How the year has flown. Another Annual Report is on my desk needing a Foreword; actually a relatively simple task compared with the huge amount of effort that goes into its production by the many contributors; George Reynolds, the Report Editor; with Maggie Ross who has done an excellent job of proof reading.

A foreward often gives an insight to content, but I am not going to steal anybody's thunder, well not to any great extent. Wherever you look in this report you will find success, progress, enjoyment, and contribution to the Guild. Even when looking sadly at the obituaries, you will find the same.

There is detail here describing a huge amount of ringing and non ringing activity, indicative of a successful and forward looking Guild celebrating its art while building for the future. Something we can all be proud of. The Guild Accounts continue to show a sound financial footing. The brevity of this comment is in stark contrast to the amount of work that goes into their production and presentation.

If one thing shines in common from each of the District Secretary's reports it is the participation and enjoyment of so many ringers in the various events held across the County throughout the year.

We are very fortunate to have the expertise and contribution of a number of people, some for a short term, some year in year out. But there remain a number of unfilled posts at district level and at executive level. The GMC is up to strength, while at the time of writing we have two members of the executive about to complete their maximum of five years in office, with no replacements yet identified. Fingers crossed.

# A message from Bishop David

Ding dong merrily on high! With your kind help, for which many thanks, the Bells of Suffolk rang out last year for both our Diocesan centenary and the great festivals of our faith, as well marking the steady courses of our lives.

They are a vital and time-honoured part of the texture of our life, speaking of both time and eternity. Each bell rings with its own unique timbre, often known by its own name. But together they weave a pattern and a tune that in full change ringing takes us out to the mathematical extremities of the possible permutations – like the amazing profligacy of life itself – before returning in the end to the point from which it came, resting satisfactorily back (like the ringers!) into a renewed peace.

So here is an avocation (to use an old word) that is also a vocation into which we can be called and through which we can call others. We are given a work-out in body, mind (all that maths!) and spirit – and others are invited to share in it too. Most of that sharing is through listening; but if you are reading this and not already a bell-ringer, are reasonably sound of wind and limb, and are wondering what it would be like to pull a rope and make a merry sound – then do have a word with your local ringers or vicar and give it a try. I think you'll enjoy it.

+ David

# Obituaries

***Winifred Ivings - Euston***

Win, 'Mrs Ivings' was a member of the Suffolk Guild from 1958. She and Henry were very much part of Euston life and together raised the money to rehang and augment the bells there in the early '80's. Win rang 26 peals for the guild and was the NW District secretary and treasurer for two years. Win enjoyed district events, outings, minibus tours and Sunday afternoon ringing at the Norman Tower and ringing for Bury in Bloom judging. Win had spent the last six years in a nursing home at Wickwar and passed peacefully away on 26 April aged 95 years.

***Anthony Mitchell - Bardwell***

Anthony joined the Bardwell band at the age of 78. He was a wonderful, happy, funny and caring man who relished Wednesday evenings in the tower. He adored bellringing and infused practice night with humour and jollity. He gave his time freely and he took the weekly commitment of service ringing and practice seriously, setting a shining example to the other members of the band. His death at the age of 80 was a blow, but his legacy is a burgeoning band of friends and ringers.

***David Moyse - Reydon***

Visitors to Reydon tower have frequently been greeted by the lovely Suffolk accent of David Moyse. Living only two fields away from St Margaret's, he was the first ringer to be taught there,when a peal of six was installed in 1996, joining the band who learnt at Southwold and attending regularly until his last short illness. He rang the tenor for several quarter peals, notably one for his 70th birthday with 13 year old grandson Philip (now Ringing Master of Southampton University) on the treble.

David was Steeplekeeper and an active member of the Suffolk Guild Belfry Advisory Committee. Active in the support of the community, his annual slide-show in aid of Reydon's spectacular Christmas lights was always a sell-out and left the audience better informed and chuckling at his anecdotes. He is sorely missed by ringers, his close family and beloved wife Joan.

***Roger Peters - Benhall***

Born on the 12 Dec 1925 Roger lived his early life at Barking Tye near Needham Market. His father Alfred was tower captain at Barking and would cart young Roger around on the back of his bike, hoping Roger would take up the art, but Roger resented being propped on window sills in the cold - no way was he going to learn to ring.

After leaving school Roger joined the Merchant, then the Royal Navy, serving until the end of the Second World War. Transferring to the Royal Engineers, he rose to the rank of Staff Sergeant and became a qualified Clerk of Works, moving back to Suffolk to become Clerk of Works for the Blyth District Council in Saxmundham and buying a house at Benhall. When Roger's father Alfred died, Roger deeply regretted never having rung with him. Finally in January 1969 Roger and second son Michael came under instruction from Peter

Bedford of Aldeburgh. Roger struggled to acquire rope sight in the early days and rang his first couple of quarter peals entirely by numbers, but he soon progressed.

Roger served as District Chairman and on the GMC. He was Benhall Tower Captain and correspondent for many years and the driving force behind the tower, ringing just on three hundred peals, from Doubles to Royal, including half a dozen handbell peals.

His other talents were drawing, painting, sign writing, making stained glass windows, wood carving, turning, home brewing and making teddy bears. He spoke six languages and his diary entries were in Arabic!

Roger was an unassuming man who led a relatively simple life. He never sought any reward, content that people got pleasure as he did, from the things he did or made. He died on 6th February 2014. Rest in peace you deserve it.

***Simon Griffiths - St Mary Le Tower***

In the early nineties a young man walked into St Mary Le Tower Belfry; none of us knew him except perhaps by name, because Simon was in the first peal ever of Orion Surprise Maximus. I quote from the Ringing World of March 19th 1982 "The most difficult single method ever attempted - Orion, was rung in Birmingham last week". Orion is still considered as such.

Simon was a Sutton Coldfield man and, happily for us here, was seconded to BT at Martlesham. He became a valuable member of the Tower band - someone who could ring anywhere in the circle and was a fine conductor too. He was not a keen peal ringer although whilst here he rang peals of Maximus in all the standard methods, plus York, Snow Tiger, Queenscliffe and Rochester.

What Simon loved best was a day's outing, good towers, preferably a ratio of 2 pubs to one tower, good company and good conversation. He was a very private man and was devoted to his wife Linda and his son James. His untimely death at 56 was a great shock to us all and we shall miss him keenly. Our sympathy goes out to his family.

***Rev Janet Bufton - Winston***

Janet followed two of her children, Richard and Sarah, to learn to ring at Debenham in the 1980s. She was a loyal and reliable ringer for several years. She rang quarter peals and enjoyed joining in with outings and other social activities. In the late 1990s she trained as a locally ordained priest for the Debenham and Helmingham benefice. Understandably her ringing had to take a back seat but she was always willing to help out when needed for weddings and services. She loved hearing the bells ring and enjoyed meeting visiting ringers when they visited her home village of Winston, where she remained tower correspondent until she died on 4 May 2014.

Those of us who knew her felt privileged to have been touched by this calm, quiet, spiritual lady who cared so much for her Church and for those around her.

# Trustees' Annual Report

The Trustees present their report and financial statements for the year ended 31 December 2014.

**Charity**
The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The Charity's registered address is Millbeck House, Harleston Green, Shelland, Stowmarket, IP14 3HU. It is governed under a constitution originally registered in 1977 and most recently revised in 2013.

**Principal objectives**
The purpose of the Charity is to promote and encourage the practice of bellringing within the Diocese of St Edmundsbury and Ipswich, to recruit, train and encourage bellringers in the practice of their art; to cultivate the art of scientific change ringing; and to promote and advise on the preservation of bells in an efficient condition.

**Trustees**
The Trustees during the period were A F Stanley, G E Slack, and A J Shedden.

**Review of Progress and Achievements**

**Bellringing**
It has been another busy year for ringing, restoration, and social activities and we welcome the progress made by learners and young ringers. More ringers have completed teaching training and this should stand us in good stead for recruitment and retention of ringers. The Guild had a high profile in marking the centenary of the start of World War I and in celebrating the centenary of the Diocese. A well-attended AGM incorporated a valuable fringe meeting with guest speakers on the use of handbells in teaching church bell ringing; and an open forum on the Future of Ringing which in turn has led to actions being taken by the General Management Committee to consider how best the Guild can contribute, both financially and practically.

**Restoration activities**
Our main contribution was to Rattlesden where the restoration of the bells was completed. Smaller contributions were made to Stowmarket, Thurston and Thelnetham. Members of the Belfry Advisory Committee continue to give advice and support, both for routine maintenance and restoration projects.

**Guild Finances**

**Policies**
All money in the Guild's funds not required for day-to-day working purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee. Grants from the Restoration Fund are authorised by the Guild Management Committee but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

**General Fund**
Income to the General Fund decreased by 5% overall, although this conceals increases in some categories and decreases in others. The most notable change was a reduction in subscription income of 10%. Membership numbers have fallen and a further contributory factor is the increasing age profile of our members with more paying the senior rate or becoming free. We are grateful that many such members give a generous donation to the Restoration Fund in lieu of their subscription. Expenditure was virtually unchanged from 2013 although again there were increases and reductions. The Young Ringers raised sufficient funds for the Striking Competition to offset their costs and although this income and expenditure is included in the accounts, they virtually balanced out. Overall there was a small reduction in the General Fund of £162 which was anticipated in the budget for the year.

**Restoration Fund**
The significant increase in Restoration Fund income from donations and interest reported last year has meant that income this year is down by 20%, especially as interest rates have deteriorated further. Grants made were relatively low again at less than £7,500 but after several years where requests for grants were small, grants of over £21,000 were approved in 2014. As a result, the sum available for allocation to new projects has decreased to £46,600.

**Summary**
As anticipated, there was a small reduction in the General Fund balance in 2014 and the reduction in subscriptions is a cause for concern. It was encouraging to receive significant funding requests for restoration work after some years of declining activity.

# Belfry Advisory Committee's Report

## Winston S Girling

After previously completing 17 years as BAC Chairman I now find myself having almost completed another year with the post of Technical Adviser added on. Because of the ever increasing workload facing myself steps are being taken with a view to appointing District Technical Advisers. This has been discussed both on a District and Guild level and has not been opposed in any way. I will of course still act as Guild Technical Adviser. At the moment we have Jonathans Stevens (NE) Winston Girling (NW) and Neville Whittell (SW) It is hoped that a suitable and willing candidate will be found for the SE in due course. Whilst the Guild wishes I will of course remain as Guild Technical Advisor.

After a great deal of work the Ranald Clouston Reports have finally been digitised. This includes the locations with one, two and three bells. I can now pass on a report (hopefully by email) but they are not being made public because of some of the information contained in them. I am grateful for the help and advice given by other Guild Members. I also organised a sponsored peal which raised enough money to buy an additional odd-struckness meter so that there will be one with Jonathan Stevens and one with myself, covering the north and south of Suffolk.

Restorations continue and Rattlesden were completed during 2014 by Taylors. These have been transformed into an easy going and very pleasant sounding six. Redgrave should have been under way by now, but in spite of planning permission being issued for the work at this redundant Church, the Churches Conservation Trust have stopped things in their tracks by ordering major changes to the proposed restoration. This is a pity because Albert Driver had already left the money for this work in his will. A solution is being sought. Horringer continue to raise money towards a major restoration and there are also moves at St Mary at Quay, Ipswich, to restore the bells. Little Cornard have also expressed an interest in restoration.

In conclusion I would like to thank all the Members of the BAC and others who have helped in any way to keep our bells in order. Thanks also to Jonathan, my very hard working predecessor, for all that he has done and continues to do so.

# Ringing Master's Report
## Jed Flatters

This year was always going to be about the centenary of the Diocese with peals arranged at some of our less well featured towers to celebrate the year long event. Our planned week long cycling tour around the border, ringing at most of the towers and cycling through the Suffolk lanes also helped us to commemorate the event. We received good support from each of the four districts and the East Bergholt ringers also did their bit to help by demonstrating this unique ring to us. In addition to this, we raised money for Guild funds.

Our Guild Social, hosted by the SW District, was held on a pleasant August evening in the wonderful setting of Hadleigh Guildhall. At one stage it looked as though apathy was going to win but on the night a good turnout made a success of the evening and everyone enjoyed the quiz, raffle, garden games, mini-ring , Guildhall tours and participating in an auction for two radio controlled cars. Richard Finch and his ringers also put on a good barbecue with ample food for all.

The Guild six bell striking competition was held at Ashbocking, a lovely easy going ring. Our judges for the day were Lesley Boyle and Gareth Davies. As is usual for these events we sat them in the churchyard in a quiet corner where they could hear the bells clearly and mark each of the teams as they rang. All went well until the thirteenth team took hold and the tenor rope decided to undo above the sally. A temporary repair saw things running again but crucial time was lost resulting in an unforeseen knock-on effect. Then it was on to the hall for a quick tea and results, the worthy winners of the Mitson Shield being St Mary le Tower whilst Hollesley claimed the Lester Brett call change trophy with a good steady piece of ringing. A mad rush through the lanes took us to Helmingham where a late start was made for the Rose Trophy. Unfortunately time was against us however and were it not for the voluntary withdrawal of the last two teams, the competition would not have been brought to a successful conclusion. The NW District team were judged the winners with a good rendition of Plain Bob Major. The Ridgman Trophy was more local this year being held at Coggeshall. The test piece was a touch of Stedman Caters ably called by Simon Griffiths though it was only good enough to place us fifth, one up from last year.

A good fund raising effort by the young ringers and their supporters raised sufficient monies to enable a team and their 'groupies' to travel to Worcester for the National Youth Contest where again our team rang method and were placed well being beaten by bands that were much more capable but chose to ring rounds and call changes. Monthly young ringer events are being run to improve standards but like all things they need good support if they are to continue, not just from the young learners but also from the more experienced members of the Guild.

It has been a very slow year with restoration work, only two major projects being completed. At Rattlesden the poor going ring of six have been transformed by careful tuning into a pleasant sounding ring that in spite of the long draught respond well. Well done to Dave Ward and his team and thanks to Ruth Suggett for help in submitting the application to Heritage Lottery whose grant made this project possible.

Last year I mentioned Elmsett and I am delighted to have helped install the new treble just before Christmas to make what is a super light ring of five. Well done to all in this project that has taken several years to bring to its conclusion. Although not really restorations we welcome ringing again at Copdock and Ingham where the bells are now in regular use.

Fittingly on St. Edmund's day we received news of the appointment of our new Bishop, the Rev. Canon Martin Seeley. We wish him well in his new post and look forward to welcoming him to future Guild events.

This year saw fewer people ringing Guild peals, a national trend I understand. Even so the following milestones were passed:-

| | |
|---|---|
| 3000 | David Salter and 2000 as conductor as well as 1600 for the Guild |
| 1700 | Alan Mayle and 950 for the Guild |
| 1000 | For the Guild, Katharine Salter |
| 500 | Tom Scase |
| 400 | Mary Garner |
| 300 | George Salter |
| 250 | Colin Salter |
| 150 | Maggie Ross |
| 100 | Clare Veal |

First peal congratulations go to 10 year old Richard Stevens.

Quarter peals still feature strongly with Lesley and David Steed and friends pushing the numbers up most weekends and the Scase family doing likewise most Friday nights, whilst in the east, the Pettistree ringers keep plugging away each Wednesday evening with different methods. From the records I note:-

| | |
|---|---|
| 1700 | Mike Whitby (and 1300 as conductor) |
| 1200 | Lesley Steed and Jo Beever |
| 1000 | David Steed |
| 750 | Gordon Slack |
| 600 | Ruth Suggett |
| 400 | As conductor Philip Gorrod |
| 300 | Doug Perry |
| 250 | Philip Moyse and Richard Brewster |
| 150 | Stephen Dawson |
| 100 | Richard Walters |
| 75 | Clare Veal and Neil Dodge |

Whilst I have only noted one first peal this year there are a number of ringers ringing their first quarter: Steve Wilson, Sange Wilson, Alex Brett-Holt, David Ruffles, Catherine Draper, Matthew Rolph, Sal Jenkinson, Gavin Alexander, Clare Goodchild, Tess Styles, Adam Shard Caroline Priestley and Richard Stevens. Well done all of you and hope that these are the first of many.

I apologise if I have missed out any persons or key events.

# Secretary's Report
## Mandy Shedden

As I write this I am nearing the end of my maximum term of 5 years as secretary and from a physical perspective I can't say with honesty that I will be sad to go. During my time in office it has been a pleasure to write and send letters offering the Guild's financial support to successful grant applicants for the numerous restorations and augmentations that have been completed. It is worrying though that the number of recruits into ringing may not be enough to sustain ringing in the future in Suffolk. Like everyone else, the recruits that stay long enough to become useful members of a ringing band are giving of their time voluntarily and there are many other demands on their time.

The whole structure of the Guild is dependent on volunteers giving of their time from teaching to administration, restoration and maintenance and like many other organisations the Guild is struggling to find willing bodies to take on these roles for the future. Looking at the list of officers both at county level and district level we see the same names in many cases fulfilling more than one role, and whilst this is admirable and we should be grateful for it, it is something that needs to be addressed in the longer term.

Despite this it is pleasing to see the amount of enthusiasm and energy being brought into some areas of the Guild, especially in a county where sustaining recruitment is difficult and the population density is low with a higher proportion of older people who are unlikely to become involved. Suffolk has a high proportion of retired people amongst the membership and many more of us are heading that way, so anything we as a Guild can do to ensure that Sunday Service ringing is maintained has to be welcomed.

# Librarian's Report
## Abby Antrobus

The main credit for library-related activities this year goes to those who have digitised some of our items. Neal Dodge has been scanning old Annual Reports, and a number are available on the Guild website (http://www.suffolkbells.org.uk/guildreports.php): thanks to him for devoting so much time to making the reports accessible. GMC also commissioned the scanning of Ranald Clouston's unpublished reports, compiled particularly throughout his DAC years. There are over 400 of these, relating to church and secular towers. Alongside recommendations for work, they contain illustrated information on the history and condition of bells and their frames, and are an invaluable resource for research and restoration projects. PDF files are available on request from Winston Girling or me.

A recent addition to the library is Heather Nicholas's campanological and social study, 'The Bells of Rattlesden: A History' - whilst the Guild website documents our recent activities, there is still call for interesting items to be deposited in the Guild library, to be kept either in the Norman Tower, or the Suffolk Records Office if directly relating to the history of the Guild. Our collection is gradually being catalogued (ref. GC522), and whilst mostly it is in Ipswich, staff can transfer items to Bury for viewing.

# Public Relations Officer's Report

## Richard Munnings

I'll be honest - I haven't been awfully proactive as Public Relations Officer this year for one reason or another!

That's not to say there hasn't been some good publicity out there for the Guild, mainly provided for by BBC Radio Suffolk. They were at Rendlesham's Village Fete on the August bank holiday Monday, as were a band of soggy ringers with The Vestey Ring, and although she was cut off in her prime due to technical problems, Sally Munnings gave an informative explanation of ringing to the Beeb s roving reporter live on air. St Edmund's Day and the Christmas ringing in Ipswich saw us get coverage to varying degrees, with myself being interviewed on the phone for the latter, and whilst I'm not aware that anything was ever broadcast, it is worth noting that Radio Suffolk approached us about what we might be doing for St George's Day having seen it mentioned on our website!

They also gave The Norman Tower's Open Day for the Heritage Day in September a plug, with the East Anglian Daily Times also mentioning this and the Mayor of Sudbury having a go at St Peter's for the same occasion. The newspaper also reported the news of the two bells stolen from the floor of Little Saxham church. Generally though, the EADT and the rest of our local media weren't as responsive as Radio Suffolk. It is a reminder that the best way of getting publicity is off our own back. The Open Day at St Mary-le-Tower in October was the textbook way to hold such an event, and I'm sure others have had similar successes with these - please consider opening your tower to your local community and don't be afraid to ask those who have done the same for tips.

Twitter, Facebook and Awl a'huld offer avenues to reach out to the public and each other, and I try to get across as much as I can through my daily blog on the website. Maybe we should also be looking at Instagram and even Wikipedia? Ultimately though, we are all responsible for the image of ringing when we speak and deal with non-ringers, so please put across the best impression you can. Whether you want me to publicise something or to tell me about publicity you are arranging, then please do not hesitate to contact me!

# Webmaster's Report

## Chris Garner

The Guild Website now contains over two thousand pages. Information about towers, bells, ringers and events is constantly updated. Photos and snippets of news can be sent to the webmaster for posting on the web site. Richy's Blog is now in its eighth year and is posted daily, generating friendly repartee on Facebook. The Guild also has a Twitter account (@SuffolkBells). Thank you to all those who have made contributions. The Guild email system continues to be used to circulate What's On and news and now contains the email addresses of about 450 members. The addresses are known only to the webmaster and are not published even to other members. If you would like information distributed please email it to the webmaster. A significant number of emails are returned as undeliverable so, if you change your email address, don't forget to let the webmaster know. The system itself has been changed recently. The Guild now uses a free system, MailChimp, instead of a program written by the webmaster. Emails are formatted and include the Guild logo. Members can now unsubscribe using a link in each email.

# Directory of Suffolk Towers

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Adviser or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place. The table on the following pages shows details of every ring of four or more bells in the area covered by the Suffolk Guild of Ringers. The following details are included:

The key of a ring (ie the note of the tenor) is given in cents (ie, hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C# -20, and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

## Secretary's Report - Chrissy Blunt

The District offered a wide variety of events over the year. The highlights included a well-attended quarterly meeting at Wissett, striking competition kindly hosted by Sweffling, walk and picnic (complete with zip wire and flypast!) and a quarter peal afternoon just over the border in Norfolk.

5th Friday Surprise Major at Halesworth and Beyond Bob Minor at Worlingham specialised practices continued. Whilst attendance fluctuated throughout the year, they still provided scope for learning along with consolidating quarter peal attempts.

In a break from the usual format, a 'Week of Firsts' in August was designed to link in with World War One outbreak commemorations and gave ringers of all abilities the chance to participate. The week provided 38 'firsts' recorded by 19 ringers at 9 towers which is an incredible effort. Thank you so much to all that took part and for making the Week of Firsts a success. We look forward to next year to see what the District Ringing Master has planned!

As a District, we made a concerted effort to support our young ringers once again, and 2014 saw them journey off to Worcester to take part in the Ringing World National Youth Competition and ringing events. It was a fantastic experience for all involved and particularly pleasing as we see our younger ringers go from strength to strength.

Thanks are also due to Jason Busby who stepped down as District Chairman at the end of the year and to Julie Rapior, who after many years, stepped down as District Secretary (although she continues to be District Treasurer). Thank you both for your support of the

## Secretary's Report - Ruth Young

The best attended meeting of the year is always our first, held at Bury St Edmunds in January. This gives an opportunity for members of the District to ring on the twelve in the morning, followed by a carvery lunch and then our business meeting. In February and March we held practices at Barrow and Gislingham. In April we held our quarter peal week and the District hosted the Guild AGM at Stowmarket. In May we had an outing to the Soham area: thanks are due to Chris Davies for organising the towers. The District striking competition in June was cancelled due to lack of numbers which was disappointing; on a more positive note the District team won the Guild eight bell striking competition. October brought the ADM also held at Stowmarket. Winston Girling was thanked for all his hard work during his time as Ringing Master; Rowan Wilson was elected to succeed him. We held a practice at Walsham le Willows in November and our Christmas social once again at Rougham in December.

# Secretary's Report - Ruth Munnings

2014 was, generally speaking, a well supported and enjoyable year within our District. We began at Henley in January, where approximately thirty members helped learners along towards the end of their Saturday morning practice. In February the District were at Marlesford where, again, ringing was well attended and varied from call changes to Surprise Minor. The quarterly meeting at Hollesley in March saw Ralph Earey chairing his first meeting since taking office and saw around forty members attend throughout the afternoon and evening (despite Richard and me moving house the same day)! This year the District has visited some towers that we had not been to for some time.

In April, we visited Earl Soham and retired to the nearby pub where some of us sampled some of the excellent local ale. Ringing here obviously did some good, as five days later Richard and I welcomed Alfie into the world! Getting used to having a newborn around, you would think that District business could take a back seat for a little while. Think again! May was Striking Competitions month in the district. Our own District competition was at Campsea Ashe, with an excellent bring and share tea following the formalities of the competition. Well done to Pettistree 'Them' and 'Us' teams on winning the method and call change trophies, and thanks to Glenys Fear and David and Gill Twissell for providing tea and coffee throughout the afternoon. Then came the Guild six and eight bell competitions, which were held in our District at Ashbocking and Helmingham. Thankfully, with the exception of a rope repair at Ashbocking and two of our districts teams having to withdraw from the eight bell due to time constraints, both competitions came together in the end. Many thanks must go to all those who helped make cakes and sandwiches for the tea, which was marvellous.

Attendances suffered going into the summer months. Ipswich was the town of choice for the June meeting, with St Margaret's and St Mary-le-Tower being the chosen towers, and around twenty members were present at the meeting and ringing. Though numbers may have been disappointing, it was a good opportunity to ring on ten and twelve for many of those there. Again, there was a select gathering at Offton in July, but a useful practice nonetheless. Once again, August was the quarter peal evening, with quarters being rung at Clopton, Ashbocking and Otley. Thanks once again go to Tom Scase for organising this, and to Kate Eagle for arranging the meal afterwards.

The District quarterly meeting in September (although in August) at Winston and Debenham was well attended, as were the outing in November and the District Annual meeting at Woodbridge in December. October, on the other hand, was not so well attended. Only eight members took part at the practice held at Tuddenham, which is a particularly poor show for the largest district in the Guild. Despite my grumble, this turned out to be a very useful practice for those who went along.

Once again, on the whole, it has been an eventful year for us in the South East, and I hope this continues. I would like to thank all those who has helped throughout the year with organising towers, keys, services and the teas, especially whilst I have been adjusting to life with Alfie. Particular thanks to Richy and our families for their support too. Here's to 2015!

## Secretary's Report - Richard Gates

The South West District has had a generally good year. The teaching and training days have been well supported and have helped new ringers to progress and improve their ringing. It is pleasing that experienced ringers are willing to give time to support these sessions.

It is good to see a number of beginners wishing to learn to ring although it would be heartening if more young learners came forward. It goes without saying that the future of the District lies in the hands of those people, who we can encourage to take up ringing.

The more frequent use of the ten bells at St. Peter,s in Sudbury has been popular with both ringers and with the church trustees. However, Sudbury, in common with most of the District, is suffering from a shortage of ringers to provide bands for the three towers.

Thanks to the Hadleigh ringers the District hosted the Guild Social which proved to be a success even though some other District dates clashed. The planned carol service was cancelled because of a lack of support which was disappointing. It is difficult to know if any District activity outside ringing is worth putting on even when some of the ringers activities could be better supported.

All we can do is keep trying to make ringing an interesting and challenging activity for all of us who get so much pleasure from this past time.

# Peal Secretary's Report
## Christine Knight

Since 2006, when 93 peals were rung for the Guild, annual rises in the peal total had become an almost unbroken trend. This peaked at 155 in 2013, and the 2014 total of 121 is disappointing. The exceptional total of 60 peals at The Wolery in 2013 dropped to 46, and there were also 9 fewer peals at Grundisburgh.The decline in peals on higher numbers and less interest in Peal Week are also contributory factors. There are also relatively few members prepared to take on the, often frustrating, task of organising peals. 2014 was the first year since 1976 that no peals of Maximus were rung for the Guild. There were also no peals of Surprise Royal. Peals were rung in 49 Suffolk towers and just two outside the county, the church of Our Lady and the English Martyrs in Cambridge and Great Bentley in Essex.

Nationally, many peals were rung during the year to commemorate the centenary of the outbreak of the First World War and also to honour individual ringers who had made the ultimate sacrifice. A peal to mark the outbreak of the conflict was rung at Stoke Ash on 7th August. The loss of individual Suffolk ringers was commemorated at their home towers by peals at Great Barton and Wissett. Another focus for peals was the centenary of the founding of the Diocese of St Edmundsbury and Ipswich. Peals were rung to celebrate this at The Norman Tower, Pettistree, Gislingham, Kelsale and, perhaps most notably, Offton, where a peal of 5120 Spliced Edmundsbury and Ipswich S Major was conducted by Stephen Pettman on AGM Day. Appropriately, James Smith had produced a composition containing exactly the same number of changes of each method.

There were several individual peals worthy of note during the year. On 5th January, Wilby was the venue for a peal of 4 Spliced S Major, the very difficult Horton's 4 'all the work' composition of Glasgow, London, Bristol and Belfast. The project was organised by Maggie Ross and half the band came from Suffolk .This was the first performance of the Horton 4 for the Guild, for which the band deserves great credit. Another noteworthy peal was one of Stedman Cinques, rung at St Mary le Tower, Ipswich on 15th February. This was George Salter's first ever touch of Stedman Cinques as conductor and the band contained 5 firsts of Stedman Cinques and 2 firsts on 12. In June, Stephen Pettman's light-hearted response to Central Council rule changes in a peal of 22 methods and 18 blocks at Earl Stonham, was voted by ringers nationwide into the 'Featured Performance' slot on the 'BellBoard' website. Also in June, Katharine Salter rang her 1000th peal for the Guild in a peal at The Wolery, becoming only the fifth person, and the first female ringer, to achieve this landmark. There was just one peal to celebrate the completion of a restoration project. This was rung at Clopton on 11th January, and it was good to see a further 4 peals rung there for the Guild during the year. A very rare visitor to the peal columns was Stansfield, where a peal of Grandsire Doubles on 13th January marked the exact centenary of the only previous recorded peal on the bells, also Grandsire Doubles.

Once again, many trends of recent years have continued. There were regular peals of Surprise Major at The Wolery and Aldeburgh, the latter seeing the 300th peal on the bells for the Guild on 14th December. Surprise Minor also remained popular. There were no fewer than 16 peals of 7 Surprise during the year. At The Wolery, interest in peals of Spliced Surprise Minor continued, leading to 41 Spliced Surprise being rung three times during the year, all conducted by David Salter. Spliced Surprise Major has been a focus of attempts on the front eight at St Mary le Tower, conducted by Brian Whiting. Two peals of 10 Spliced were rung, with three of the band achieving their first of 10 Spliced on 21st May. Stephen

Pettman called 6 peals of a special commemorative length, of which 5 marked special birthdays or anniversaries. In contrast, a 5090 of Yorkshire S Major was rung at Debenham on 10th November to commemorate the 90th anniversary of the first peal of Yorkshire S Major rung for the Guild. Both peals were rung half-muffled on 10th November, the eve of the Armistice.

It is always pleasing to see young conductors emerging. On 29th January, Colin Salter rang his first peal as conductor, at The Wolery. Congratulations must also go to Richard Stevens who rang his first peal, at Monewden, on 1st November, aged just ten. Indeed, several members achieved personal milestones during the year, with 2 firsts on 12, 2 firsts on eight, 2 firsts of Surprise Major and a first of Spliced Surprise Major being recorded. It is a cause for concern, however, that there was only one first pealer. Especially in a rural area, peal ringing provides a vital opportunity to improve striking and gain experience in more complex methods. The diminishing interest in Peal Week is regrettable as it seemed to crystallise the theme of progression early in the year and act as a catalyst for further achievement. Peal Week 2014 generated only 4 peals, the lowest total since its reintroduction in 2007. At its peak, 16 peals were rung during the Peal Weeks of both 2009 and 2010, with a wide variety of 'firsts' achieved. It has also been proved in recent years that age need not be a barrier to ringing a first peal, and it would be good to see a wider cross section of the Guild membership ringing peals. Celebrating a local occasion with a peal can be excellent PR for ringing, and a means of stimulating interest in our Art. I should like to thank David Salter, Brian Whiting and George Reynolds for their hard work on the peals section of this Report.

First performances for the Guild during the year were:

First peal in the method under this name. The method has been named according to part B of the decision on Non-Method blocks. The method was previously rung as 'Oxford Treble Bob Minimus on 8th March 1987 at Stowlangtoft. This was not accepted by Central Council, although they advised that if we called it 'Original' it would be. We declined as that would have been a misrepresentation of what was rung (a lie).

The personal commitment Jonathan has made in reforming the way things are organised and the introduction of a revised

Chris Garner asked people to let him know if they found any errors on the website, in particular in relation to tower correspondents.

John Girt reported that the St Nicholas Centre in Ipswich needed repair work to the bells which were rung for many events in the Diocese. There are processes which exist within the Guild to help with this and Winston Girling has agreed to start investigating. David Salter proposed and John Girt seconded that the Guild should approach the Diocese to sort the bells out.

Bruce Waterson asked if anybody could be available to ring at St Lawrence Ipswich on a Wednesday lunchtime as they were short of ringers on some occasions.
The members were reminded of the Veterans Day at Debenham on 9th July 2pm-6pm.

1 Ringing and Associate Members may be elected at any meeting by a majority of those present when proposed and seconded.

1.1 A member may belong to only one District, normally the District under which the member is shown in the Annual Report.

2 Subscriptions are due on election and thereafter, in advance, on January 1st each year and shall be set at the preceding AGM, or a SGM. If a change in subscription has not been passed the existing rate shall continue.

2.1 No member shall be entitled to be heard, vote or hold office if subscription for the current year is unpaid.

2.2 The subscriptions of members elected during or after October shall cover the remainder of that year and the whole of the following year.

2.3 Persons in full time education and members over 65 years of age shall pay a reduced rate of subscription. Members over 75 years of age shall pay no subscription.

3 Life Honorary Members may only be nominated by the GMC or a District and shall only be elected at a Guild AGM after their nomination has been approved by the GMC. No further subscription is payable after election.

4 Ringing or Associate Members may, on leaving the Diocese, inform the Guild Secretary that they wish to become Non-Resident Life Members. No subscription is payable during the period of non-residence.

5 A person resident outside the Diocese who wishes to be associated with the Guild may be elected a Non-Resident Life Member. A one-off subscription is payable by such members. Any Non Resident Life membership ceases if the member takes up residency within the Diocese.

6 For the purposes of peal ringing, new members may be provisionally elected in the belfry. Membership is subject to confirmation at a meeting of the appropriate District in the case of a Ringing Member or at a meeting of the GMC in the case of a Non-Resident Life Member. If election is not confirmed the subscription shall be refunded.

7 Any member failing to conform to the Objects and Rules of the Guild may be expelled by the GMC which shall report the matter to the next Annual General Meeting. Such a member shall forfeit any payment made to the Guild.

## REGULATIONS RELATING TO THE SUFFOLK GUILD HANDBELLS

1 The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells:

| | |
|---|---|
| 25 bells by Taylors | size 20 in C (2 chromatic octaves) |
| 16 bells generally by Shaw | size 19 in F (diatonic 13 + 3 semitones) |
| 13 bells by Warner | size 20 in E (diatonic 12 + 1 semitone) |
| 13 bells by various founders | size 20 in F (diatonic 13) |

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are re-turned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

## **Foreword from the Chairman**—Alan Stanley

I had an early sight of the reports from officers of the Guild so that I could put together some introductory notes, then found that rather than reading them for the purpose of producing a foreword, I was devouring the content and marvelling at the amount of effort and energy that our officers and so many other members put into this Guild.

Jed Flatters, our Ringing Master writes his final report in that capacity as he will complete his maximum allowed five terms this coming April. Whilst I strive not to single out individuals it would be remiss of me not to record, on behalf of the Guild our thanks to Jed for his massive contribution. And well done to those ringers who Jed names as having achieved personal milestones. From first quarters to four figure pealers and all those in between.

In a similar vein I would like to record our thanks to Richy Munnings as he completes his final of five years as the Guilds Public Relations Officer. A role he stepped into immediately following five years as Master. During his term as PRO, the Guild has very successfully embraced modern media as well as maintaining a presence in traditional media both broadcast and published.

This year's report contains the first report from our Membership Secretary, Mary Garner. The GMC made this new appointment in June, Mary having taken the lead in defining the role. It will strengthen and streamline Guild management over time as well as meeting the needs of HMRC with reference to Gift Aid. While on the subject of the GMC, I should also mention the introduction of a fast track process to provide funding for training with its particular emphasis on our younger ringers. This has taken a time but it stems directly from the open forum that was held after the formal business of the AGM at Stowmarket in 2014.

Guild membership shows a slight decline in numbers again, and this is something which we must find a way of addressing if we are to continue to play the very full role in Suffolk ringing that has been our privilege over so many years.

The Belfry Advisory Committee have had another busy year. I read that, amongst many other things Elmsett bells are now finished and remember fondly those Saturdays spent charging all over the County trying to get all twenty towers open on the day as a fundraiser.

The Annual Report itself is a mammoth task and my thanks go to Michelle Williams for her contribution as compiler and editor, and also to all contributors. I should also record our thanks to our advertisers whose continued support makes funding our report that little bit easier.

There is a huge amount more in these pages that illustrates commitment, energy and just the pure enjoyment of ringing. Recognition and thanks are due to so many of you. Enjoy the report; enjoy your ringing.

# Obituaries

***Matthew Warner - Stowmarket***

Matthew's death came as a great shock to the Stowmarket ringers and to many other ringers in Suffolk. He was a single man and in 2012 he lived quite close to the church in Stowmarket. One Sunday morning he came up to the ringing chamber and introduced himself and asked if he could join us. He had not rung for a while, but had learnt to ring in the Great Ashfield area some years before. From that day he became a regular Sunday Service ringer and also joined the Suffolk Guild of Ringers.

Matthew came with us to ring at towers around Stowmarket which he enjoyed very much and soon became very popular wherever he rang. Everyone will remember his cheerful personality and ability to put people at ease. He was held in high regard by everyone that he met. If we saw him in town, he would wave and always come across to have a chat. He adored animals and had a rabbit, various cats and other pets.

This young man was taken from us in the prime of life, but our memories of him will never die. Rest in peace.

***Benedict Powell - Theberton***

Ben was a native of Suffolk, the youngest of seven children born near Ipswich. He lived much of his early life around Theberton and Walberswick and remembered as a child watching the Zeppelins and witnessed the R48 coming down.

On his retirement, Ben learnt to ring under the guidance of Trevor Hughes and quickly became the Tower captain at Theberton where he rang well into his nineties. A quarter peal was rung to celebrate his 100th birthday which he took great pleasure listening to from his garden, a celebratory glass of bubbly in hand and surrounded by his numerous family and friends. The bells were rung half muffled at his service of Thanksgiving on 7th November 2015.

***Jack Bennett - Beccles***

Jack moved to Beccles about 50 years ago and rang with Eddie Goate and with fellow-Lancastrian Barry Pickup. He became a very experienced bell handler and ringer. His engineering background was invaluable to Beccles, and Jack was steeple keeper for over 30 years. With assistant David Ellis he faithfully greased the bearings fortnightly until the restoration in 2012, replacing plain with ball bearings, rendered the job unnecessary.

He was a devoted family man, enthusiastic Scottish dancer and a great fundraiser, both for the local May centre and for the bell restoration, enlivening many a bell ringers' dinner with a quiz. He gave up attending practices as his health declined but maintained service ringing as long as he was able. He is much missed, both by his family and by the Beccles Company of Ringers.

***Mike Warren - Hadleigh***

Mike Warren was taught to ring by David Culham in 1964 at Little Horkesley. He was not the first ringer in his family as his father Harry and Uncle Arthur were already ringers. He remained a regular ringer at Little Horkesley until he moved to Suffolk. He rang his first quarter peal at Wormingford on 5th November 1964 and his first peal shortly after on 24th April 1965 at Shrub End, Colchester. Whilst living in Essex he also rang at Bures, Wormingford, St Leonard's at the Hythe Colchester, Stratford St Mary and Higham.

In the 1980s he attended the monthly eight bell practices at Stoke by Nayland and Hadleigh. His last peal was 7th September 1986 at Stoke by Nayland, rung by members of the Friday night practice band to mark the donation of new ropes. By the early 1990s Mike was attending practices at Grundisburgh and in late 1996 he helped train a new band for Stutton, remaining a regular ringer there until shortly before his death.

Mike only rang 13 peals: he much preferred quarter peals or outings. He was a member of the Essex Association, the Suffolk Guild and the Open University Society of Change Ringers. His favourite method was Double Norwich Court Bob Major and he regretted that it was not more popular. Mike died peacefully at home on Good Friday with his family around him, a week after his sixty-ninth birthday. He leaves behind his second wife, Jenny, and his two sons by his first marriage, Nicholas and Jeremy.

***The Right Reverend Clive Young, the Venerable Terence Gibson and Dr John Blatchly M.A. MBE***

In 2015 we lost three distinguished 'non-ringers' - scholars theologians and much more; Bishop Clive, Archdeacon Terry and John. These eminent men were enthusiastic about bells and ringing and each in their way supported the Suffolk Guild. Dedications preachments, history and archival work, all three in the calling contributed much to our social and spiritual lives. We thank them for their friendship and all they achieved. May they Rest in Peace and Rise in Glory and enjoy the ringing in the Heavenly Belfry, not made with hands.

***Sal Burrows - Pakenham***

Sal (Cynthia) was already an accomplished ringer when she moved to Pakenham with her family, having learnt to ring in her teens, at Eastington in Gloucestershire. At that time, Pakenham bells had been silent for years, but with the help of Harold Culpin (deceased) and Maurice Rose, she started a new band of ringers.

All of her six peals were rung at Pakenham, the first, most notably after the re-hanging of the bells in 1993. A few years later, she was instrumental in the augmentation to six. On the 1st of July 2000, she rang in the first peal on the bells as a six.

Sal was tower captain at Pakenham for many years where she continued to help young ringers progress and maintained weekly practices on Friday evenings. She also rang in many quarters of both plain and surprise methods until her health began to deteriorate. Sal passed away peacefully on the 1st January 2016. She will be greatly missed by the Pakenham ringers together with all those who had the pleasure of meeting and ringing with her.

# Trustees' Annual Report

The Trustees present their report and financial statements for the year ended 31 December 2015.

**Charity**

The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The Charity's registered address is 2 Fredellen, Upper Street, Witnesham, Ipswich, IP6 9EW. It is governed under a constitution originally registered in 1977 and most recently revised in 2013.

**Principal objectives**

The purpose of the Charity is to promote and encourage the practice of bellringing within the Diocese of St Edmundsbury and Ipswich; to recruit, train and encourage bellringers in the practice of their art; to cultivate the art of scientific change ringing; and to promote and advise on the preservation of bells in an efficient condition.

**Trustees**

The Trustees during the period were Chairman: A F Stanley, Treasurer: G E Slack (to 11th April 2015); O P Claxton (from 11th April 2015), Secretary: A J Shedden; (to 11th April 2015); Revd C Melville (from 11th April 2015).

**Review of Progress and Achievements**

**Bellringing**

Although the peal total for the year is down on 2014, there has been an increase in the number of quarter peals rung. The quarter peals covered a wide range of methods, from Doubles to Maximus, involved a diverse range of towers and ringers, and benefitted all who took part. The Integrated Teacher Training Scheme (ITTS) continues the established training programme. Those who have participated agree that it is a valuable aid to the teaching and instruction of beginners, and a skills investment for the future.

**Restoration activities**

Our main contributions were to Wickham Market and Elmsett, with other contributions to Halesworth, St Mary le Tower Ipswich and Stoke Ash. Members of the Belfry Advisory Committee continue to give advice and support, both for routine maintenance and restoration projects. On 4th July a 'Maintenance Get Together' was held at Long Melford and well attended by Guild Members, with rope splicing and general routine maintenance of bells and their associated gear being demonstrated.

**Guild Finances**

**Policies**

All money in the Guild's funds not required for day-to-day working purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee. Grants from the Restoration Fund are authorised by the Guild Management Committee but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

In order to respond to the short term need to provide financial support to training activities the General Management Committee (GMC) have introduced a process to enable grants of up to £50 to be made immediately, at the discretion of the Ringing Master, and grants of up to £500 to be made within seven days at the discretion of the Guild Executive. In both cases subject to appropriate records being kept and presented to the GMC.

**General Fund**

Income to the General Fund decreased by 11% overall, although, as is always the case, some categories have increased, others decreased. Subscriptions were 1% higher than 2014, although this amounted to just £94 in total. A notable change was a 33% reduction in peal fees, obviously the result of fewer peals rung. Also, in the 2014 income account is £984 raised through 'Young Ringers Fundraising'. This was to cover specific expenditure, which if removed leaves a difference in incomes between the 2014 and 2015 of just £58 Expenditure was 28% less than in 2014. Again, some categories saw increases, some decreases and some very little change. Most of the difference arose from the absence of expenditure on digitisation of tower records and the Ringing World National Youth Contest. Overall there was a small increase, of £482, in the General Fund.

**Restoration Fund**

The Restoration Fund income, compared with 2014, is down by 20%. With the exception of interest received, which increased by £14, or 2%, income from all other categories has declined. Just two grant applications, for a total of £1800, were made and approved in 2015, the lowest for many years. As a result, the sum available for allocation to new projects has increased to over £53,000.

**Summary**

In 2015, there was a small increase in the General Fund balance and a small, but not significant, increase in subscriptions. Funding requests for restoration work was the lowest since before 2011.

# Belfry Advisory Committee Report—Winston Girling

The Committee met in February, June and October, and 2015 was once again a busy year. A number of grant aided bell restorations/augmentations have been ongoing and your Committee worked at various towers to keep the bells in order. In July, a successful Maintenance Seminar was held at Long Melford and others will be arranged as soon as practicable.

Elmsett are now finished – a glorious little five and all down to the hard work and determination of Crawford Allen. The work at Wickham Market has been completed by Taylors and with local help are now ringing again. At Stoke Ash a large oak supporting beam had rotted at one end. Committee members spent many hours there fitting a steel beam to cleat and support the frame supports and these bells can now be rung normally again. We also removed all the clappers at Lavenham and these have been re-bushed and re-profiled with some new metal work and replaced and striking adjusted. The 137 steps to the bell chamber will be well remembered here. Thanks to all who helped.

At Palgrave we removed and reamed tight clappers. Despite Planning Permission being granted and many reports and visits at Redgrave, the C.C.T. have refused to allow a steel frame for nine bells to be erected at the present level. This was in spite of a scheme which went to great lengths to ensure the careful preservation of the present wooden frame and Albert Driver's will which specifically asked for augmentation.

Now the present wooden frame is to be repaired at huge expense and to have six bells only put back. This is a huge disappointment for Suffolk and Norfolk ringers and also the Redgrave Church Heritage Trust.

Little Cornard are still keen to progress and Whatfield (2 bells) have expressed an interest in restoration and augmentation. Proposed restorations at St Margaret's Ipswich, and Horringer are moving nearer. The bell frame has been de-rusted and painted at St Mary le Tower, Ipswich, and the front eight clappers replaced, all with local help. This was a mammoth task and the result is impressive.

At our last meeting we discussed the problems associated with retaining old wooden frames. Preservation issues together with an unfortunate tendency to generalise have not helped and it is clear that we do collectively require more information on those that presently remain in Suffolk towers. I am sure that all our metal frames will one day be historically interesting and worthy of the same degree of preservation.

Thank you to all our Members and helpers who have worked so hard and I apologise if I have missed anything out.

## **Ringing Master's Report** -Jed Flatters

Three major events feature this year with the 800th anniversary of the signing of Magna Carta putting Bury in the spotlight as the original meeting place for the barons. A number of peals were arranged to celebrate this. Peals were also arranged to commemorate the 200th anniversary of the Battle of Waterloo and special mention should be made of the peal of Waterloo Bob Triples on the 1815 octave at Helmingham. Finally we celebrated Queen Elizabeth II becoming the longest serving monarch.

Our AGM was held at Felixstowe on 11th April and saw George Pipe mount a display of ringing memorabilia in the nearby Masonic Hall. This proved to be the collection of a lifetime with something of interest to all ringers, some of whom travelled many miles to see the artefacts.

This year we had a slightly different format for the Guild striking competitions, holding the six bell competitions in the morning at Rattlesden followed by lunch and results. Our judges for the day were Phillip Wilding and David Pipe helped by Alfie and Henry. After a quick ring, they were safely hidden around the back of the church and plied with tea, coffee, squash and biscuits whilst they got to work marking each test piece.

Good weather saw most people gathered in the churchyard to listen to each of the teams as they rang. Tea and coffee was provided by the catering team who at the same time were putting together an excellent meal. As the ringing finished we descended on the hall and in no time had demolished the food. Following this the results were given with suitable comment on the quality of the ringing as appropriate. The Lester Brett call change trophy was claimed by Rendham & Sweffling with a good steady piece of ringing whilst the Mitson Shield was retained by St Mary le Tower.

A scenic drive through the SW lanes then took us to Lavenham for the Rose Trophy. Here, six teams attempted to do justice to the fine octave. St Mary le Tower were adjudged the winners for their steady test piece of Grandsire Triples.

The Ridgman Trophy was held at Wisbech this year with the test piece being a half course of Cambridge Surprise Royal. We made the best of our practice session by ringing one test piece with some pace and the other more sedately and agreed that the slower approach was right for this slightly awkward ring. The judge for the day, David House, judged that all teams had rung the bells far too slowly for their weight but then confessed to have never rung on them! He then gave his results placing us second to The Ely DA, a good result which can hopefully be built on next year.

On the restoration front, I have been directly involved by helping with site work at St Mary le Tower in preparation for the professional descale and repainting of the two massive bell frames. I was also pleased to check over work at Wickham Market which has made these bells so much easier to ring and much safer to access. I also checked over the new sound proofing system fitted into the louvres at Halesworth and saw work completed by the Belfry Advisory team at Stoke Ash.

The trend of fewer people ringing guild peals has unfortunately continued and our total this year is the lowest in years; nonetheless we rose to the challenge set by the Central Council and contributed to their target of getting 300 people to ring their first peal in the year. I am very pleased to be able to congratulate our eight first pealers and the bands that helped them to do this. Well done to:-

Ruth Eyles, Adam Shard, William Lloyd, Kevin Ward, Peter Davidson, Matthew Kemsley, Matthew Rolph and Malcolm Westrup.

Other peal milestones are:-

1750 Alan Mayle

1500 Mary Dunbavin, and 900 for the Guild

350 George Salter

Lesley and David Steed continue with their quarter peal adventures into the standard 41 Surprise Minor methods, whilst, in the East, the Pettistree ringers keep plugging away each Wednesday evening with different methods totalling 74 quarters this year.

From the records, I note the following personal quarter peal milestones:-

1500 Lesley Steed

1300 David Steed

1250 Mary Garner

1000 Peter Harper

475 Pam Ebsworth

450 Paul Ebsworth

400 Stephen Dawson

150 Neal Dodge

A number of ringers rang their first quarters:-

Aisha Gilbert, Carina Winget, Ben Williamson, Steven Tye, John Massey, Zoe Wright, Julie Brown, Emma Goodchild, and Peter Stock . Well done to all of you and I hope that these are the first of many.

I apologise if I have missed out any persons or key events.

So it would appear that things have taken a downturn in the peal ringing department in terms of the number scored, but have shown a healthy increase in terms of newcomers. Quarter peal totals are down too. Many guilds are showing large falls in membership whilst we, at the moment, retain good levels. We cannot be complacent however and will need to ensure that all guild members are encouraged to take part in guild activity be it meetings, practices, social events, striking competitions or training events in order to boost attendance levels and ensure that our towers are “manned” for Sunday service ringing and local practices.

## **Secretary's Report** - Rev Carl Melville

A report like this seems a difficult task as I haven't been secretary for long. Thank you to those who have helped me settle in this role and to those who will continue to help and guide.

The GMC continues to meet regularly, each time with a full agenda and good representation from the districts. The GMC continues to receive and discuss grant applications, ringing matters, finance, events, training, and competitions. It is also trying to improve communication between the various groups, events and meetings that are held. The magazine, website and What's On remain excellent tools to help us too.

Mary Garner's new vision, upheld by the GMC, to welcome new members is an initiative we should adopt and encourage. New members are, of course, vital for the Guild's future and the welcome and training of them is an essential part of the Guild's DNA.

Winston Girling and I are looking at revamping the Parish Affiliation Scheme, which brings in a steady annual income for the Guild. We would like to have more churches on board with us. On this note, we mark Sal Burrow's life and contribution to ringing and to the scheme as she sadly passed away at the turn of the new year.

I am looking forward to the Guild AGM this year and I will be trying to attend some of the district meetings as and when I can. Best wishes for the ringing year ahead.

## **Librarian's Report** - Abby Antrobus

This year Neal Dodge has continued to scan old Annual reports for addition to the website – thanks again are due to him. In other library news, George and Diana Pipe are now looking after the two handbells from the Stradbroke ring of handbells (1910 and 1913), in view of Gillian and Bruce Wakefield's upcoming move – I'd like to take the opportunity to thank Gillian again for her years of work with the library. I have a batch of items ready to take to the Records Office to keep our collection 'live' (Annual Reports, and magazines), and the past year's batch of Ringing Worlds have been donated by John Girt and are in the Norman Tower with the rest of the collection – the mezzanine floor is as expected proving a dry and ideal storage area.

This year we have added to our collection 'The Bells Told: The story of ringers and ringing at St Peter Mancroft, Norwich' by Maureen Cubitt – do get in touch if you'd like to borrow it for a read (or available from the website, mancroft.bells.co.uk for £10 and postage and packing, with proceeds to the Mancroft 300 appeal). I also have a collection of the Friends of the Central Council Essays and newsletters, including the most recent issues not yet available online at http://www.cccbr.org.uk/library/.

## **Membership Secretary's Report** - Mary Garner

I was appointed Membership Secretary by the GMC in October 2015 and would like to thank everyone for the magnificent response to updating membership information. Let me reassure you that this information will remain confidential.

If you move house, change your email address, wish to be added to or removed from the Gift Aid register etc., please let me know by contacting me by phone on 01728 746097, or membership@suffolkbells.org.uk Thank you again for your support.

## **Public Relations Officer's Report** - Richard Munnings

My final year as Guild Public Relations Officer has been remarkably similar to many other years that I have been in the role. I got little response from our local newspapers, though others did, such as the ringers of St Margaret's in Ipswich who appeared in the East Anglian Daily Times in October to announce their stage one bid to the Heritage Lottery Fund to fund the project to move the bells and the ringing chamber down the tower was successful.

BBC Radio Suffolk was generally more forthcoming and most notably when they hosted George Pipe, handbell ringers Colin Salter, George Salter and George Vant and myself (plus Mason!) to promote GWP's exhibition of his tremendous collection of ringing memorabilia at April's AGM in Felixstowe. The event itself was a huge success and generally gave ringing and the Suffolk Guild some brilliant, positive PR.

Our local BBC radio station also gave the ringers of The Norman Tower in Bury St Edmunds some great coverage for their ringing for St Edmund's Day on 20th November, Lesley Dolphin also interviewed me to advertise the Christmas ringing in Ipswich and Jonathan Williamson was interviewed a couple of times over the year, with ringing featuring prominently and explained fantastically by this Ipswich ringer.

Awl a'huld continues to be displayed in churches throughout the county, offering an insight to the public of what we do, whilst the website, my daily blog, the Facebook page and Twitter feed give us a window to display our wonderful hobby.

Generally ringing not just here but across the country is getting far more publicity, with a greater number of outlets to showcase our art as was shown so successfully by our neighbours in Norfolk with the Mancroft 300 Appeal, but it is important that we all take the opportunity to promote ringing to non-ringers, even if it just comes up in conversation.

Finally, I'd like to thank those who have highlighted events in our ringing and those who have promoted Suffolk ringing not just in 2015 but since 2011 when I first took on the role, as well as to Ruthie, Mason and Alfie for their patience whilst I have been engrossed in PR business! I hope my successor gets the same support.

## **Webmaster's Report—**Chris Garner

The Guild Website now contains over two thousand pages. Information about towers, bells, ringers and events is constantly updated. Photos and snippets of news can be sent to the webmaster for posting on the web site. *Richy's Blog* is now in its ninth year and is posted daily, generating friendly repartee on *Facebook*. The Guild also has a *Twitter* account (@SuffolkBells). Thank you to all those who have made contributions.

The Guild email system continues to be used to circulate *What's On*. As I write this, more than two thirds of the Guild membership can be contacted by email. The addresses are known only to the webmaster and the Membership Secretary. If you would like information distributed please email it to the webmaster. A significant number of emails are returned as undeliverable so, if you change your email address, don't forget to let the Membership Secretary know.

In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C#-20m and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

Philip Gorrod

To be appointed

**Other Committee Members**

## **Secretary's Report**—Michelle Williams

It has been a year of ups and downs for the District. However, there have been a number of practices that have stood out as being worthy of note; there were plenty of opportunities for development at the January District Practice, kindly hosted by Rumburgh and the rounds and call changes evening at Beccles in March saw many new people venture out and ring on 10 for the first time. Wenhaston hosted the striking competition with encouraging results on quite tricky bells in May.

The scaled back Guild Social in September included ringing at both Little Glemham and Great Glemham. For those that came along it was an ideal opportunity to experience the challenge of these towers, although it was especially disappointing to have to scale back activities for the Guild Social so drastically after much planning and organisation.

To end the year, a practice aimed specifically at learners took place at Blythburgh. There were 20 present in total including at least six ringers who have only just recently learnt. It was decided to continue these practices into 2016 as there was a good deal of positive feedback.

At the end of the year I stood down as District Ringing Master after two years (although I have been coerced to stay as on as District Secretary). Thank you everyone for your encouragement and support, I have learnt such a lot in a short space of time, and I trust the District will be just as supportive to Philip Gorrod who takes over the reins.

## Secretary's Report—Ruth Young

District Practices have been generally successful with attendances of between 10-20 and 29 at the Norman Tower practice and meal in January although local band participation has been disappointing: 5 at Walsham le Willows, 2 at Newmarket and 6 at the Norman Tower. Method Highlights include Yorkshire S Royal and Erin Caters at the Norman Tower, Yorkshire and Superlative S Major at Ixworth.

Striking Competitions - The District 6 bell plan this year was run as a 'best on the day' at the Norman Tower using the strikeometer. Two teams rose to the challenge, Bardwell & Hopton and Hinderclay/Walsham. Although the strikeometer wasn't working properly both bands enjoyed ringing at the Cathedral in an informal situation. For the Guild 6 bell competition, Great Barton entered two teams coming 5th in the method and 2nd in the call change competitions. The Guild 8 bell saw us coming 5th this year.

Quarter peal week - 10 were scored (1 Surprise Royal, 2 Triples and 7 Minor) at 9 towers involving 32 ringers.

Training - An introduction to conducting was held on the simulator at the Norman Tower led by Brian Whiting, 10 people attended.

Outing - This was held in South Norfolk (Diss area). 21 people supported this including 9 cyclists. We rang at 6 towers, including helping out at a wedding in Gissing.

# Young Ringers

There is an active group of Young Ringers in the Guild that ring together and support each other to further their ringing. Events have been held on Guild-wide basis, but we are likely to focus on more local practices to reduce travel. They have entered a team into the Ringing World National Youth Contest but this is not the only purpose of the group.
We ask for all Tower Captains to promote this group and encourage attendance.

If you're interested in joining the group and ringing with other young ringers please contact yrcoordinator@suffolkbells.org.uk

## Secretary's Report - Ruth Munnings

As I write this, I am nearing the end of three years as Secretary, of which there have been some highs and some lows. It has been another mixed year in the District, with attendances starting off rather well, in particular the striking competition in May at Monewden with over fifty people there! On the other hand, there were only nine members at the October practice at Holbrook.

With my time increasingly being taken up by my family, I understand that sometimes going to a District practice or meeting can slide further and further down the list of priorities. However, if nothing is done about the attendance of the events, then there may be some doubt as to their frequency. We are ALL part of this District, it is not an elitist clique that some may feel they would not be welcomed into. You are already in it!

I would like to thank my fellow officers for their support, good humour and dedication to the District. In order for things to get better, we all have to pull together to make it better. Please support your District Officers (who are volunteers after all), so that the District has a brighter future!

## Secretary's Report—Richard Gates

This year has been a disappointing one for the South West District. The ambition to have a district practice and a teaching and training practice every month too often resulted in dividing the support for either with the unfortunate result that sometimes there were only just enough ringers for a very limited practice be it district or teaching. The optimistic beginning of last year has not been maintained and consequently the district is reverting to a single district practice for each month. However in the hope of encouraging young ringers in the district there is a planned youth practice aimed at letting younger ringers meet each other and have an opportunity to ring together.

The district mini tour and the Hadleigh tower tour were both well supported and thoroughly enjoyed by those who took part. There can be little doubt that the opportunity to ring at different towers and experience different bells was much appreciated by those who are new to ringing.

# Map of Suffolk Towers

Map shows rings of 4 or more bells of condition 4 or above

Updated January 2016

## **Peal Secretary's Report**—Christine Knight

There was a further sharp decline in peal ringing for the Guild during 2015. For the first time in nine years, the total fell below the century mark, to 95. Exactly 60 fewer peals were rung in 2015 than were as recently as 2013. The year started very slowly indeed. With no Peal Week to bolster the total, only four peals were rung in February and, by the end of April, the total was 25, only just over half the 49 reached by this point in 2014. The year saw an unusually large proportion of losses. It is notable, though, that almost half the Guild total, 47 peals, resulted from regularly organised attempts at The Wolery, on the front eight at St Mary le Tower and in the second Sunday peals at Aldeburgh and elsewhere. These involve a relatively small nucleus of ringers. Not only is it a great pity that the number of towers hosting peals is in decline, but it would be good to see a far wider cross section of our membership involved in peal ringing. Peals took place in just 42 Suffolk towers, and only one tower out of county, Ardleigh in Essex.

Peals were rung to mark five different national commemorations during the year. In May, peals at Aldeburgh and Bures marked the 70th anniversary of VE Day and, in June, as part of the Magna Carta 800 Weekend, peals were rung at The Norman Tower, Clare and Framlingham, all places with strong links to the barons and the build-up to the sealing of the Charter. Also in June, a peal of Waterloo Bob Triples at Helmingham commemorated the 200th anniversary of the victory at Waterloo. The bells were cast later in 1815 to celebrate the victory. Her Majesty Queen Elizabeth II became the longest reigning British monarch on 9th September. Peals were rung to celebrate this at Barrow and Tostock on the day, and later at Aldeburgh and Clopton. October saw the 600th anniversary of the Battle of Agincourt. A 5600 of Yorkshire S Major was composed and conducted by Alex Tatlow at Offton to mark this.

There were several noteworthy peals during the year. In the series of monthly Surprise Major attempts at St Mary le Tower conducted by Brian Whiting, a peal of 12 Spliced was rung on 22nd April, it being the most Spliced Surprise Major methods by all except one of the band. On 5th July, the first peal was rung on the five bells at Elmsett. This was the culmination of a long fund-raising project, led by Crawford and Angela Allen. The only peal following a restoration was at Wickham Market. Here, the first peal on the re-hung bells was rung on 28th November. A footnote which highlighted the long history of peal ringing in Suffolk followed a peal at Debenham to commemorate the 250th anniversary of the first peal recorded at Debenham, on 6th December 1765. A composition of 5250 Plain Bob Major, specially composed by Brian Whiting, was conducted by Tom Scase. Having achieved his first as conductor in 2014, Colin Salter is to be congratulated on his rapid progression to calling a 12 bell peal. The peal of Cambridge S Maximus at The Norman Tower on 24th October also contained a 'first on 12' and a 'first of Maximus'. In a rather negative year for Suffolk peal ringing, it is heartening that both peals of Maximus rung for the Guild were conducted by young ringers. Also, it was good to see another young ringer, Neal Dodge, join the list of conductors in December.

Everyone remembers their first peal; the blisters, the aching limbs, the relentless need to 'perform'. The huge sense of achievement gained from contributing to a successful team effort makes peal ringing a vital tool in raising standards, especially in a rural county where opportunities to progress at practices may be limited. Following an alarming decline in the number of first pealers nationally, the 'First Peal 2015' initiative was launched with the target of 300 first pealers in 2015. This was designed to coincide with the tercentenary of the first ever true peal, rung at St Peter Mancroft in Norwich on 2nd May 1715. After quite a slow start, the target was exceeded impressively, with 387 people worldwide ringing their first peal during the year. Of these, it is pleasing that eight were rung for the Suffolk Guild. Ruth Suggett organised attempts of Plain Bob Triples at Ixworth and Bardwell during the anniversary weekend in May, each containing a first pealer. Matthew Rolph deserves great credit for ringing his first peal at the age of thirteen, but others on the list proved that those of more mature years can still become peal ringers. There has been much debate about the percentage of first pealers who will progress to ring further peals, but inspiration must be taken from John Taylor who, having rung his first peal aged 80, went on to ring his second, aged 82, at Monewden on 13th June.

David and Katharine Salter have provided peal opportunities at The Wolery for young ringers seeking to progress from peals on six to Treble Bob Major and then Surprise Major. There have also been firsts on 10 and 12 recorded during the year, but the continuing decline in peals on higher numbers limits opportunities for progress. It has, indeed, been a dispiriting year for Suffolk peal ringing, but quoting too many negative statistics seems counterproductive. An annual peal total is not the only indicator of the health of a Guild or Association. Sunday Service ringing, and particularly the percentage of towers at which bells are rung regularly for service must be of prime importance, but encouraging a greater proportion of our membership to take part, to whatever extent, in peal ringing can only raise standards overall. The Suffolk Guild has an established reputation as a peal ringing Guild. We have a rich heritage of peal ringing in Suffolk, which we must continue to develop. Finally, I should like to thank David Salter, Michelle Williams and Brian Whiting for their hard work on the peals section of this Report.

First performances for the Guild during the year were:

# Minutes of the Suffolk Guild Annual General Meeting held on Saturday 11th April 2015 at Felixstowe

**Welcome**

The Chairman Alan Stanley (AS) welcomed everyone to the meeting and expressed thanks to Rev Rachel Cornish for conducting the service and Jeremy Prentice the organist. He also thanked Jane Harper, Anne Buswell and all who contributed to the tea. Jenny and Richard Holland for their help with arrangements for the church and finally to George Pipe and all who were involved in making sure that his exhibition was displayed in the church hall. It was a welcome contribution to AGM day.
88 members signed the attendance book and apologies were received from 35 members.

**Obituaries**

The meeting then stood in silence to remember all who had died during the year. The names of the departed were read out from the Annual Report and Michael Warren who died recently was also included in the mark of respect.

**Election of New Members**

The following people were proposed and elected as members at the meeting:
Ben Eaden (Woolpit) Proposed by P Ebsworth, Seconded by J Flatters
Linda Rochester (Stowmarket) Proposed by W Girling, Seconded by C Girling
Ruth Eyles (Thurston) Proposed by N Dodge, Seconded by C Veal
Carmen Wright (Stowmarket) Proposed by W Girling, Seconded by C Girling
Margaret Lillyman (Lavenham) Proposed by R Bewster, Seconded by D Howe
Maureen Gardiner (Stowmarket) Proposed by W Girling, Seconded by C Girling

**Minutes of the 2014 AGM**

The minutes of the 2014 AGM were printed in the Annual Report and were available on the Guild Website and were accepted as a true record with one correction to Veronica Downing's name.
There were no matters arising.

**Officer Reports**

Lesley Steed Proposed and Derek Rose seconded that the reports that appeared in the Annual Report be accepted by the meeting. AS stated that the reports reflected only a small proportion of the work done by officers involved.

**Report Editor**

George Reynolds thanked Christine Knight, Brian Whiting and David Salter and for their help in compiling the peal data.
Phillip Gorrod then addressed the meeting in response to the Report Editor. He expressed concern at the lack of accuracy in the report and the hope that this should be addressed in time for the publication of the next report.

**Magazine Editor's Report**

Sue Freeman thanked everyone for their contribution to the magazine this year but pointed out that there had been instances where news had been submitted to the Ringing World from members who had not also sent the information to her and asked that in future newsworthy items should be included in the magazine as well as the Ringing World.
John Girt questioned whether the magazine was fulfilling members' needs, how many were produced, where they go and if content should be widened to encompass other potential recipients. He felt that we should widen our outlook and circulation of the magazine. AS asked Sue Freeman to add this to the agenda for a future GMC meeting.

**Handbell and Mini Ring Trustee Report**

Brian Whiting reported that the Guild owns 4 sets of handbells and 3 of them were out on loan to Guild members, he understands them to be in good order.

The Vestey Ring had 12 outings last year 50% of these were within county, the rest were to Essex Hertfordshire and Norfolk Associations and events. This year it was booked out for 5 events already.

Mary Dunbavin suggested that the donations offered for the loan of the handbells be increased to a higher level that they are at present.

**Trustees Report**

John Girt proposed and Chris Garner seconded that the trustees report that appeared in the Guild Report be accepted. The meeting agreed.

**Central Council Report**

Peter Harper had submitted a report to the GMC in June after the CC Meeting held in May last year and this was now available on the website.

Richard Knight asked if in future all verbal reports could be given to the secretary and then circulated before the meeting in order to save time.

**Subscriptions and Peal Fees for 2016**

The GMC had agreed that for the next year subscriptions and peal fees should remain unchanged but a table survey was conducted to ascertain the feelings of members as to whether or not the reduced subscription fees should be abolished.

Mike Pilgrim commented that if any changes were made then current recipients of free or reduced subs should not be adversely affected. Veronica Downing asked if an increase in subs could be made without altering the concessionary rates.

**Election of Officers for 2015/16**

Two nominations for the post of Report Editor necessitated a paper ballot to be held with Gordon Slack and Winston Girling acting as tellers. Before this was carried out, Michelle Williams was given the opportunity to speak to the meeting about her intentions if she was elected.

*"For me, standing as Report Editor is about wanting to contribute on a Guild level, not just a District level and about fostering a positive and supportive approach to all contributors to the Guild Report. From my own experience, I know that submitting content on behalf of a District can be unnecessarily challenging. It is my intention to cut the red tape and bureaucracy where I can.*

*My aim is to concentrate on making the Guild Report an informative and an accurate document that values its contributors as part of a collective group, rather than an academic exercise where you feel tested.*

*From a personal level, I am happy to offer endless hours proof reading, have attention to detail along with the technical know-how to produce your report.*

*This is your document and your contributions matter. It's a representation of us as a Guild and as a team. Ringing is about teamwork, so let's practice this outside the ringing chamber as well as within. Thank you."*

The paper ballot was conducted and the following people were elected into office.

| Post | Elected | Proposed by | Seconded by |
|---|---|---|---|
| Chairman | Alan Stanley | George Pipe | Kay Lucas |
| Ringing Master | Jed Flatters | Brian Whiting | Joan Garrett |
| Secretary | Carl Melville | Winston Girling | Alan Stanley |
| Treasurer | Owen Claxton | Ralph Earey | Gordon Slack |
| Chair BAC & Technical Advisor | Winston Girling | Alan Stanley | Carol Girling |

|---|---|---|---|
| PRO | Richard Munnings | Ruth Munnings | Mary Garner |
| Report Editor | Michelle Williams | Philip Gorrod | Mandy Shedden |
| Magazine Editor | Sue Freeman | Rolie Whiting | Richard Gates |
| Librarian | Abby Antrobus | Maurice Rose | George Reynolds |
| Peal Secretary | Christine Knight | Brian Whiting | Maurice Rose |
| Handbell/Mini Ring Trustee | Brian Whiting | Gordon Slack | Janet Sheldrake |
| Webmaster | Chris Garner | Mike Whitby | Bill Lloyd |

**Election of Trustees**

Veronica Downing proposed and David Salter seconded that the elected Chairman, new Secretary and new Treasurer should be elected as trustees of the Guild, the meeting agreed.

**Appointment of Independent Examiner**

The Chairman proposed that Larking Gowen should remain as the Independent Examiner.

**50 Year Membership Awards**

Peter Harper initiated this new award in line with what many other associations and guilds have done. He was assisted in his research by Neal Dodge and David Salter. It is a way of recognising the long standing commitment of the rank and file members. Eligible members were identified up until the end of 2014 but Peter would like to hear if anyone has been inadvertently missed.

The following members were awarded a certificate commemorating their 50 years of membership and those at the meeting collected them in person: George Pipe, Daphne Pegg, Richard Pegg, Eddie Hynard, Walter Perry, Margaret Jarvis, Donald Mills, Kenneth Brown, Margot Blythe, Diana Pipe, Muriel Page, Alice Lester, Winston Girling, Hubert Mitson, John Girt, Maurice Rose, Roger Whittell, Trevor Hughes, Marian Saker, Shirley Girt, Alan Munnings, Lawrence Pizzey, Neville Whittell, Gordon Adams, Adrian Knights, Winnie Lockwood, Ruth Last.

**BAC Role and Maintenance Sessions**

Winston Girling reported: "*At a recent Guild Management Meeting the problems of regular maintenance at towers where there is no local band or any ringers to look after bells was raised. It was pointed out that in some cases the bells were pealed/quarter-pealed occasionally without any proper checks beforehand. The Belfry Advisory Committee then discussed this problem and the following actions were suggested by the Committee: Firstly, it should be incumbent upon the organisers of any peals/quarters to ensure that the bells they are about to ring are properly maintained. If they are not sure about this then ask, and if necessary speak to somebody on the BAC about it. In practice, most of the peals & quarters are organised by Suffolk ringers who are responsible about it, but there can be a tendency to obtain permission to ring from somebody at the church and to assume this means all is in order.*

*From a BAC perspective, to arrange hands on maintenance instruction and to encourage as many people as possible who are willing to look after bells but need some instruction to come along.*

*The first of these will be in the South West District at Long Melford at 10.0am on Saturday, 4th July. Light refreshments will be available and all are welcome. The day is advertised on the Guild website and there will be similar events in other Districts in due course."*

**The Way Forward**

Ralph Earey then addressed the meeting as to the way forward: *"When I re-joined the GMC in 2013, I asked the question whether we as a Guild had the ability to financially support activities that were not directly related to the refurbishment of bells and fittings. My concern was that whilst the Guild had a considerable amount in the restoration fund, I could see that if we're not careful we could end-up with lots of restored rings of bells and no-one the ring them. Thanks to those 65 people who stayed behind after the 2014 AGM to take part in the discussion forum entitled 'The future of ringing' many ideas were raised and passed onto the GMC (ranging from training days, ITTS, ringing schools, through to recruitment and encouragement of young ringers). I am pleased to say that, yes, the Guild is able to financially support such activities and it's now for all of us, the Guild, to determine what we are going to do ensure the future of ringing. I will hand-over to Jed who has a further update".*

**RWNYC**

George Salter reported that the young ringers were as yet undecided about entering the Ringing World National Youth Contest because they had lost a lot of eligible contestants. He went on to say that he and Amanda Richmond had organised a practice recently at Bury St Edmunds and further meetings have been arranged with a view to having a regular slot for young ringer's practices.

**Guild Social**

This will be held in the NE District and there will be events for all ages. Date is 26th September and possible activities include open towers and a brewery and distillery tour.

**St Edmunds Clapper Competition.**

The following fundraisers organised events in aid of the BRF: Sproughton Tower raised £200.
Jed Flatters and Rowan Wilson cycled around the Diocesan boundaries and raised £329 in sponsorship.
Ofton had their Annual barbecue and raised £400 so for another year were the winners of the St Edmunds Clapper trophy.

**Any Other Business**

GWP gave thanks to the members for allowing him to share his vast collection of Ringing memorabilia and for all the help he received enabling him to do so. It is his intention to create an inventory of all the material and record its' provenance.
Winston Girling reported that Mary Allum had suffered a broken leg in a fall and asked members to sign a Get Well card that was being circulated.
Ralph Earey thanked everyone for completing the Subscription survey and for appearing in the photograph that was taken after the tea. He asked that people could check their names had been recorded correctly alongside their appearance in the photograph.
Ruth Suggett announced that 2nd May marked the tercentenary of the first recorded peal in Norwich and on Bank Holiday Monday various events were being held in Norwich in aid of the Mancroft Appeal, she asked members for their support.

**Date of Next Meeting Saturday 2nd April 2016 in the NE District**

**REGULATIONS RELATING TO THE SUFFOLK GUILD HANDBELLS**

1 The Suffolk Guild handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four sets of handbells:

| | |
|---|---|
| 25 bells by Taylors | size 20 in C (2 chromatic octaves) |
| 16 bells generally by Shaw | size 19 in F (diatonic 13 + 3 semitones) |
| 13 bells by Warner | size 20 in E (diatonic 12 + 1 semitone) |
| 13 bells by various founders | size 20 in F (diatonic 13) |

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by other member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without the prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to given seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that Committee.

**THE MITSON SHIELD, LESTER BRETT TROPHY AND ROSE TROPHY STRIKING COMPETITION RULES:**

1 The competitions shall take place on date(s) decided by the GMC.

2 All Ringing Members and Life honorary Members of the Guild may compete providing their subscriptions are paid.

3 The Mitson Shield, Lester Brett and Rose Trophies shall be competed for as follows:

Mitson Shield and Lester Brett Trophy

3.1 Bands shall comprise six ringers fulfilling at least one of the following:

a) at least four are listed under the tower in the Annual Report

b) The ringers are a bona fide benefice (or similar) Sunday Service or practice night band.

3.2 a) For the Mitson Shield the test piece will be 240 true changes of any recognised Doubles or Minor Method(s). Opening rounds will not be marked.

b) For the Lester Brett Trophy call changes of at least eight minutes marked ringing, to include Queens, Whittingtons and Tittums. Marked changes start when the first change is made.

**Rose Trophy**

3.3 Bands shall comprise eight members of a District or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

3.4 The test piece will be at last 224 true changes of any recognised Triples or Major method(s), of which only the first 224 changes, excluding the opening rounds will be judged.

4 Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 3.

5 The times of the draws are to be advertised in the Ringing World and each band must have a representative present at the relevant draw.

6 A total of two minutes practice ringing will be allowed before each test piece.

7 In the event of bands ringing Doubles or Triples a cover bells must be used.

8 The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.

9 In the event of a large entry the Ringing Master may choose to shorten the length of either test piece.

10 A reserve ringer, appointed by the Ringing Master, will be available at the Ringing Master's discretion, to bands meeting short.

11 A minimum of two judges appointed by the Ringing Master will be present. Their decision is final.

12 The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.

13 Interpretation of all rules is at the discretion of the Ringing Master.

## **Foreword from the Chairman**—Alan Stanley

Once again this year, I have had the opportunity to read through the reports from officers of the Guild so as to write a Foreword. As I do so I am conscious that there is an amount of similarity, repetition almost, of last year's Foreword. I make no apology for this. There is just as much to celebrate and enthuse about in this report as there was last year, but the detail is different in a number of ways. We have the first annual report from our new Ringing Master Tom Scase, who again thanks his predecessor Jed Flatters for support, and then goes on to encourage attendance at District AGMs. I am hoping again for a good turnout at the AGM on 22nd April at Beccles so if you are reading this in advance of that date please clear your diary and come along. Tom mentions two first pealers and a number of personal milestones achieved by others as well. Congratulations are due to all of them and I am sure many, many others who have made progress toward their next personal milestone, whatever that may be.

It is no surprise that the Belfry Advisory Committee have had a busy year (it seems they always do) with involvement in projects large and small, and with plenty of work in the pipeline. Let there be no doubt that alongside the various Parish initiatives and local hard work there exists this very valuable supportive resource that not only offers advice and guidance, but rolls up its sleeves and gets stuck in. And there are more bells ringable, and going better in more Suffolk towers as a result. Winston Girling is chair and he thanks all BAC members.

You need last year's report to hand to make a comparison to appreciate another contribution made by Winston Girling and that is in the increased number of parishes participating in the Affiliation Scheme which Winston has taken charge of in the last twelve months or so. The Affiliation Scheme is a useful source of funding for the Guild.

Again we see a slight decline in membership, and I would appeal to each of you to try and recruit additional members when you are out ringing or socialising.

The Guild finances remain in good shape, although general running costs continue to increase slightly while subscription income falls slightly. That is the shortest of summaries that in no way reflects the very significant amount of work that goes into managing the finances and also into the preparation of the accounts by our Treasurer, Owen Claxton.

Well done and thanks to all other contributors not just for the reports but also for the huge amount of work done on behalf of all of us and the Guild. And thanks to Michelle Williams for another Annual Report. I should also like to record our thanks to our advertisers whose continuing support makes funding our report that little bit easier.

There is a huge amount more in these pages that reflects commitment, energy and just the pure enjoyment of ringing. Recognition and thanks are due to so many of you. Enjoy the report; enjoy your ringing.

# Obituaries

***Bridget Sayers – Earl Stonham***

Bridget joined the Earl Stonham band about 15 years ago when she, and her husband Brian, moved to the area. Her father had been a previous Rector of Earl Stonham and her widowed mother was still living in the area. Bridget learnt to ring in Hythe about 40 years ago and had rung quarters and a peal. She and Brian quickly became valuable members of the church and of the ringing band, including being active in the restoration and augmentation in 2004. Her friendship and ringing ability was a great bonus to the band. She will be greatly missed by the Earl Stonham ringers and those who knew her.

***Dr Peter S. Franks***

Dr Peter S. Franks MBBS (Lon) DRCOG lived at Bacton, and latterly at Ardleigh, Essex.
Although he did not start to ring until the 1970's he always played the organ at Bacton. In 1973 the 5 bells at Bacton were restored and hung in a new steel frame and are now a superb 6. Peter and his wife Sheila were the prime movers in getting these bells restored and it is doubtful whether they would have been done without their tenacity and grit. Peter finally took up ringing when his son, Tim, was being taught, and he rang with Sheila in the first peal on the restored bells in 1973.
Peter and Sheila were synonymous with Bacton. As he said once, "I have brought half this village into the world and seen the other half out". He will always be remembered with great affection by all the villages he covered, and everyone will remember the great hospitality they insisted on at home, especially after ringing.

***Ken Brown - Ixworth***

Ken was taught to ring in 1950 by Harry King. Ken was a member at Ixworth but also rang at other local towers namely Pakenham, Great Barton, Rougham and Bury St Edmunds both at the Norman Tower and St Mary's. He gave up ringing because of his work as a milkman and a part time fireman. On retirement he came back to ringing and rang 129 peals and many quarter peals, also looking after his wife Wendy full time. Ken passed away in April 2016.

***Valerie Jay – Stoke-by-Clare***

The entire village of Stoke-by-Clare as well as many people from the surrounding area were totally shocked and saddened by the death on 9th June 2016, after only a very short illness, of Val, as she was respectfully known, at the age of 62 years. She was born in Stoke-by-Clare and was encouraged to take up ringing at the age of fourteen by her father, the late Bob Gowan, who was a member of the Stoke team, and was taught to ring by the then Tower Captain, Aubrey Peacock, and often assisted by another well known ringer, Walter Perry. Val became a very competent and much respected ringer not only at Stoke-by-Clare but at many other towers in the area where she was also a regular ringer.

She leaves behind her husband Leslie and her daughter Carolyn and son Christopher. A truly respected person who will be sorely missed not only amongst her bell ringing friends, but also by all who knew her so well in the many other organisations in which she was involved. The church at Stoke-by-Clare was full to capacity for her funeral with the bells being rung half-muffled both before and after the service. May her soul rest in peace.

***Chris Plummer—Worlingham***

It was with great sadness that the ringers in the North East District heard of Chris' death, shortly before Christmas. He had withstood serious illness with great fortitude for some years, but had retained his energy and enthusiasm right until the end.

Chris learned to ring at Worlingham in the late 60s. Shortly afterwards, when Worlingham had to cease ringing, he transferred his allegiance to Beccles. From then on, he regarded himself as a Beccles ringer, thoroughly enjoying ringing in Plain Bob Royal on Sundays unless it was the sailing season! He rang in a handful of peals, always viewing a peal of Yorkshire Major rung by a Beccles Sunday service band in 1988 as his high point.

Chris and his wife Sarah were a well-known ringing couple who first met in Beccles tower in 1982. They were married in Worlingham Church, Chris having earnestly requested that the organist (a fellow ringer) play Widor's Toccata 'as impressively as possible' even allowing for the limitations of the organ.

Although Chris did not ring so much as his illness progressed, he remained a strong supporter and was invaluable at practices standing behind people new to various methods. He was very popular with the local ringers for his kindness, sense of humour and ability to sing Plain Bob Doubles to help the striking!

The Beccles band was privileged to ring for Chris' Service of Thanksgiving in December, which was very well attended. Chris had a wide variety of interests, including sailing, and we were regaled with many anecdotes about his very active life.

A quarter peal of Plain Bob Royal was rung at Beccles on 8 February 2017 in memory of Chris.

# Trustees' Annual Report

The Trustees present their report and financial statements for the year ended 31 December 2016.

**Charity**

The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The Charity's registered address is 2 Fredellen, Upper Street, Witnesham, Ipswich, IP6 9EW. It is governed under a constitution originally registered in 1977 and most recently revised in 2014.

**Principal objectives**

The purpose of the Charity is to promote and encourage the practice of bellringing within the Diocese of St Edmundsbury and Ipswich; to recruit, train and encourage bellringers in the practice of their art; to cultivate the art of scientific change ringing; and to promote and advise on the preservation of bells in an efficient condition.

**Trustees**

The Trustees during the period were:
Chairman A F Stanley, Secretary Revd C N Melville, Treasurer O P Claxton

**Review of Progress and Achievements**

**Bellringing**—107 peals were rung in 2016, an increase of 12 on 2015. Peals were rung in 43 towers. The number of quarter peals rung declined slightly from 552 in 2015 to 499 in 2016. Quarters were rung in 98 towers. Both peals and quarter peals covered a wide range of methods from Doubles to Maximus, involved a diverse range of towers and ringers, and benefited all who took part. These were the successful attempts, the number of peal and quarter peal attempts which were unsuccessful is not known, but nonetheless they too are an important learning experience. Established training programmes are used to develop the skills of new ringers, and those new to teaching people to ring. Participants agree it is a valuable aid to the teaching and instruction of beginners, and a skills investment for the future.

**Restoration activities**—Members of the Belfry Advisory Committee have been very active throughout the year, carrying out inspections and making repairs to installations. Work has been completed at Stoke Ash - renovating decayed frame mountings; Otley - rectifying loose clappers; Cretingham - advisory work on installation of new tenor and fittings; Eye - work on clappers; Thornham Magna - minor adjustments; Melton Old Church, and Levington, - repairs to chiming bells; Badwell Ash - inspection of installation. In addition support and advice has been given for routine maintenance.

**Guild Finances**

**Reserves Policy**— In line with advice from Larking Gowen, the appointed examiners for the Guild, the Trustees have formulated a Reserves Policy. The Guild will expect to hold at the bank, a surplus of approximately one year's running costs.

**Policies**—All money in the Guild's funds not required for day-to-day working purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee. Grants from the Restoration Fund are authorised by the Guild Management Committee but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

In order to respond to the short term need to provide financial support to training activities, the General Management Committee (GMC) have introduced a process to enable grants of up to £50 to be made immediately, at the discretion of the Ringing Master, and grants of up to £500 to be made within seven days at the discretion of the Guild Executive. In both cases subject to appropriate records being kept and presented to the GMC.

**General Fund** - Compared with the 2015 account, income to the General Fund decreased by just 6%, although, as is always the case, some categories have increased, others decreased. Subscriptions were down 4%, but peal fee income had increased by 28%, albeit from an unusual low in 2015. Expenditure was 29% more than in 2015. Exceptional items were the purchase of lapel badges at £758 and administration costs of £687: together they account for virtually all of the expenditure increase. The remaining categories, affiliation fees, insurance, donations etc showed little variation from previous years. After transfers to other accounts, the General Fund stood at £4,817.

**Restoration Fund** The Restoration Fund income has increased by 11% to £59,783. There are two grants outstanding, each for £12,000. That for the restoration of Horringer bells is expected to be claimed in early 2017. The other, for proposed restoration work at St Margaret's, Ipswich, which has not yet started, will be claimed at a later date. No other funding requests for restoration work have been received.

**Summary** In 2016, there was a decrease in the General Fund balance mainly because of increased expenditure. All restricted funds have a positive balance. There are no new funding requests for restoration work.

# Belfry Advisory Committee Report—Winston Girling

2016 proved to be another busy year for the Committee. At our February, June and October meetings a great deal of ongoing work was discussed. This included some ongoing or proposed major restorations.

At Horringer the bells should have been up and ringing by Christmas 2016. I understand that this will now be delayed owing to some instability in an interior wall. We look forward to this new 8 and wish them every success. Redgrave should have the bells removed in July. Here the 1700's timber frame is to be repaired and returned to service for the existing 6 bells only. This is a shadow of what was originally envisaged but was required by the CCT who own the building. The viability of repairing and continued use of yet another timber bell frame will be evident as time progresses. Cretingham and St. Margaret's, Ipswich are fast approaching restorations and there is news that Whatfield are also in the pipeline. In addition, John Taylor is working hard to get Little Cornard restored. It is also proposed to carry out restoration at Stowmarket. This could well involve retaining 3 listed bells for chiming and the clock and providing a new lighter peal of 10 in a steel frame.

At Laxfield there is much vertical and horizontal movement of the timber frame and restoration is likely in the future. Brome have been inspected and some maintenance advised. Here the tower roof is leaking badly. At Wickham Market timber shafted clappers are to be fitted to 5 and 6 to stop these bells going up wrong. This may well have been completed as I write. Iken have had problems with the clapper bushes seizing in hot weather and these have now been reamed to prevent this happening in the future.

I recently reported on the bells at Badwell Ash and here it is proposed long term to install a kitchen and toilet on the ground floor of the tower, moving the ringing chamber to a gallery above, and to restore the bells and possibly augment to 6 in a steel frame lower in the tower.

Many small jobs have also been carried out by the team. I am grateful to our members for all their hard work and assistance over the year. I apologise if I have missed anything out.

# Ringing Master's Report –Tom Scase

It's an honour to become only the 12th different Ringing Master of the Suffolk Guild of Ringers. I would like to thank my predecessor, Jed Flatters, for his contribution over the last five years and support since the Annual General Meeting. Indeed, I'm grateful for all the words of encouragement I have received since April and am reassured in the knowledge that there's valuable advice available from seven former Guild Ringing Masters living in the county!

Having been elected as Guild Ringing Master, I continued in my role as South East District Ringing Master until the Annual District Meeting (ADM) in December and this overlap of roles meant I didn't hit the ground running as fast as I would have liked.

Nevertheless, I still managed to attend three of the four ADMs: the North East at Stradbroke, the South East at Debenham and the South West at Sudbury. At these ADMs, I was pleased to note the willingness of those present to ensure the majority of District roles were filled. What's concerning, though, and this is no new concern, or indeed one unique to Suffolk, is the proportion of members attending. There is, alas, no 'click of the button' solution to encourage greater engagement of members. If there were, it would have been pushed long ago. What we, as a Guild, must do, is to continue to foster a Guild that promotes opportunities in ringing. This has many aspects and it's my mission to oversee and develop this intent into fruition. The Guild's objectives -read them - offer a clear and concise reminder of what this means.

I was unable to attend the Guild Striking competitions, held at Reydon and Southwold, owing to a prior commitment in Prague. I am grateful to Jed Flatters for ensuring the day went well. Our thanks go to James Smith for judging and to all taking part. Congratulations go to the winners: St Mary le Tower, Ipswich, in both the Mitson Shield (six bell method) and Rose Trophy (eight bell method); and to Hollesley in the Lester Brett Trophy (six bell Call Changes).

Ten members represented the Guild in the Ridgman Trophy, held on the glorious ten at Daventry. The test piece was 212 Erin Caters and although we rang without obvious mistakes, our ringing didn't settle as well as others; nevertheless, we were disappointed to be placed sixth out of seven. We will be looking to improve in Cambridge in 2017.

One of the mainstays and highlights of the ringing year is the annual Veterans' afternoon at Debenham, on the second Wednesday in July. 2016 was the 25th event, all of which have been organised by Muriel Page and her team. Muriel is now, deservedly, taking a back seat- thankfully future arrangements are in capable hands. I'm sure everyone who has attended over the years reiterates our thanks to Muriel.

I was pleased to join several members on the Guild Social, in September, hosted by the North West, with an enjoyable ring and walk between Thornham Magna and Wickham Skeith.

Slightly fewer quarter peals were rung in Suffolk in 2016 than in 2015. Neal Dodge's analysis makes interesting ringing - thanks Neal for compiling this. Congratulations to David and Lesley Steed who, once again, are the leading quarter peal ringers in Suffolk. Likewise, Pettistree remains the leading tower. Quarter Peals are a good means for consolidating methods and improving striking. Peals, however, provide a prolonged period in which to advance the aforementioned. It's pleasing, therefore, that the 2016 peal total shows a slight increase compared to 2015. It's still the second fewest peals rung for the Guild in the last ten years, though. I would very much like to see more members participating in peals. I am minded to re-introduce a Guild peal week, which has proved very successful in previous years, with a particular emphasis on encouraging greater involvement. Many congratulations to Adrian M Craddock and Sal Jenkinson on ringing their first peals. It's unfortunate there were not more first pealers.

Thanks to *Pealbase*, I note and congratulate the following personal achievements:

3,400th peal - David G Salter
1,800th peal - Alan P Mayle
1,600th peal - Stephen D Pettman
1000th peal as Conductor- Jeremy W Spiller
900th peal - Brian E Whiting
600th peal - Michael G Whitby
400th peal - Joan Garrett, Colin F Salter and George M Salter
300th peal - Katherine J Eagle
200th peal - Nigel F C Gale and Alex W Tatlow
100th peal - Ruth Suggett
50th peal - Neal T Dodge and Timothy P Hart

Apologies for any personal milestones that I may have inadvertently missed.

Recruitment and Training (R&T) is an important focus for the Guild and I'm grateful to Rowan Wilson for agreeing to chair and guide our R&T committee. The Association of Ringing Teachers (ART) training courses have been well publicised within the Suffolk Guild and to back this up, the Guild now offers training grants, the first of which have been granted in conjunction with members attending ART courses. Recruitment and subsequent retention of new ringers is one of the principal issues facing ringing across the board and here in Suffolk we need to be focusing our attention on continuing to address this fundamental matter.

I encourage all Guild members to get more involved with ringing across Suffolk, whether it's more practices, more quarters or peals, or most importantly, continuing to ensure Services are rung for.

## **Secretary's Report** - Rev Carl Melville

The office of Guild Secretary is a rather odd job, often the "middle man" of many conversations and situations.

I receive news from the Central Council which I pass on to the relevant people. They are currently renewing their vision and strategy and it's worth checking their website for more details.

Guild communication is, I think, very good, thanks to various people including Chris Garner, who looks after the website and regular news by email, and Sue Freeman, who edits the Guild Magazine which is published three times a year. I often find that replies to emails I send to the various Districts come back very slowly. I'm getting used to this, but please remember that we each play a part in aiding good communication, which in turn speeds up the smooth running of the Guild between meetings and ringing. I say all this knowing that I failed to get last year's AGM agenda out in time – I hope things will run differently this coming year!

The Parish Affiliation Scheme has been revamped and renewed thanks to Winston Girling. This has taken a huge amount of time but brought in a large amount of income, some of which is new income.

Here's to another year of ringing!

## **Membership Secretary's Report** - Mary Garner

Membership Data Forms continued to trickle in throughout most of the year. All the additions and amendments have been collated and it is hoped that this will enable tower listings to be even more accurate than in previous years. If your listing is incorrect please let me know. It will also mean that the Treasurer can make better predictions of subscription income.

The total membership by the end of 2016 was 727, compared with 749 in 2015. Twenty six people did not renew which was balanced exactly by the number of new members elected. Fewer than ten "rejoined", some stopped ringing, others moved away and a few passed away.

If a ringer in your tower is ready to join the Guild please ensure that an Application Form is completed and passed to your District Secretary for their election. If you move house, change your email address, change home tower, wish to be added to or removed from the Gift Aid register etc., please don't forget to let me know.

## **Public Relations Officer's Report** - Neal Dodge

Since our last AGM I've been fortunate enough to fill the role of PRO, as Richard Munnings had decided to step down. So I'd like to thank Richy for all the effort that he devoted to the role as he enjoys a break from holding Guild Office.

My first task of 2016 came following the debate about whether ringing is a sport, as Radio Suffolk were intrigued by the rarely seen side of competitive ringing and wished to cover our Guild Striking contest. I gave two interviews on the day, to announce the winners in the middle of the football results! So at least Radio Suffolk sees ringing as a sport! The Lowestoft Journal also devoted a whole page to the event with some excellent photos.

Just as in previous years we were asked to ring to celebrate events including: the Queen's 90th Birthday, BBC Music Day, Heritage Open Days and many local occasions. Radio Suffolk covered these events so thanks to Philip Gorrod, Ralph Earey, Joe Lavington, and Matt Thomas for being interviewed live on air. Our local papers included many ringing related stories including the Lt Cornard Project, the Norman Tower, and the new bells at Horringer.

Another big event in 2016 was the Folk East festival where a band of willing volunteers ran a successful ringing workshop with the Vestey Ring. Their team taught over 100 people to ring rounds on the mini ring, and Catherine Draper produced a revised and updated leaflet on learning to ring, more copies of which will be printed for future use.

We were also invited to attend Kingsfleet Primary School's community day in Felixstowe where John Girt and Roger Coley ran a very worthwhile session and now 6 children and their parents have taken up ringing thanks to local ringer Jacky Savage.

The Guild twitter account, @suffolkbells, has grown considerably during the year. With 231 followers it has become one of the largest ringing accounts with some tweets being seen by over 4,000 users. It has become a great way to interact with the public. One tweet was even picked up by the Guardian and was featured in their article on the events at York Minster.

As we look into 2017 there will be some events in which bells will play their part so if you're doing some special ringing or having an open day please let me know as I'd be happy to help publicise or provide promotional material for your occasion. Equally if you're having complaints or trouble dealing with an organisation please do get in touch. It's what I'm here for! Finally I must thank all 700+ of you, because you're all ambassadors for ringing. People don't become ringers based on an article or a website they've read, but down to encouragement and explanation from you. So my challenge to all SGR members this year is to speak to your colleagues, neighbours, friends, and family and tell them what a great time can be had when you go ringing!

## **Webmaster's Report**—Chris Garner

The Guild Website now contains over two thousand pages. Information about towers, bells, ringers and events is constantly updated. Photos and snippets of news can be sent to the Webmaster for posting on the web site. *Richy's Blog* is now in its tenth year and is posted daily, generating friendly repartee on *Facebook*. The Guild also has a *Twitter* account (@suffolkbells). Thank you to all those who have made contributions.

Various sections of the Guild may be contacted by email: all Members (527), Tower Correspondents & Email Contacts (132), Tower Captains (109), NE Members (101), NW Members (136), SE Members (194) & SW Members (91). The addresses are known only to the Webmaster and the Membership Secretary. If you would like information distributed please email it to the Webmaster. A significant number of emails are returned as undeliverable so, if you change your email address, don't forget to let the Membership Secretary (*membership@suffolkbells.org.uk*) know.

163 tower correspondents or tower email contacts now have generic email addresses (e.g. *pettistree@suffolkbells.org.uk*). This makes things easier when the correspondent changes.

## **Librarian's Report -** Abby Antrobus

This year I have moved house and now live in Ipswich. Whilst the bulk of the library remains in the Norman Tower (in the Ringing Chamber and on the mezzanine floor), I have moved a few of the more fragile volumes with me - please do get in touch to borrow books.

Winston Girling has worked on digitising Ranald Clouston's tower reports, and they are due to appear on the Guild website over the course of the year. They will be password protected to ensure personal contact details that may appear on them are not directly available on the web, but viewable on request.

This year we have added DVDs to the library - 'Bell News + Ringing World 1941-1970', 'Ringing World 1971 - 2000', and 'Two Ringing Periodicals'.

## **Magazine Editor's Report**—Sue Freeman

We have continued to produce three issues of the magazine in the year. Each District in turn is invited to contribute the front and back pages, featuring a church within the District. It is hoped that this will encourage all Districts to send in material for every issue, but sadly this has not always happened. The magazine will only continue to exist if Guild members contribute to it. In the last year we have been really delighted to receive stories and photographs quite unexpectedly – so much better than having to chase people for articles, although quite a lot of that goes on too!

Thank you to everyone who has sent in material in the last year, especially those faithful regulars without whom the life of the editor would be so much more difficult. Especial thanks to Richard Gates for his continued support and for Fairfax's cartoon characters Sally and Bob.

Distribution is sometimes difficult; many thanks to all those who help in this. Please note that District Secretaries are given a small number of spare copies of each issue so if you feel your tower has insufficient copies, please refer to your Secretary.

## **Guild Handbells & Mini Ring Trustee's Report**—Brian Whiting

**Guild Handbells**

The Guild has four sets of handbells:
25 bells by Taylors size 20 in C (2 chromatic octaves)
16 bells generally by Shaw size 19 in F (diatonic 13 + 3 semitones)
13 bells by Warner size 20 in E (diatonic 12 + 1 semitone)
13 bells by various founders size 20 in F (diatonic 13)

They have been used intermittently during the year and currently all sets are back with the trustee, with the exception of one of the sets of 13, which is in the NE district. The bells remain in good order.

The loan of any of the sets of handbells is subject to the regulations printed on page 84 of this report.

**Vestey Ring**

The Vestey Ring is a portable peal of six, tenor 8lb 5oz in B.
Three promotional banners are available with the mini ring.
Details are available at http://www.suffolkbells.org.uk/towers/vesteyring1.php
The bells had eleven outings during 2016, two of which were out of county, details of which can be found at http://www.suffolkbells.org.uk/vesteyringbookingsall.php

# Directory of Suffolk Towers and Correspondents

Please note that the classification is based on the condition only at the last date of inspection, and any enquiries or requests for further inspections should be directed in the first instance to the Suffolk Guild Technical Advisor.
The key of a ring (i.e. the note of the tenor) is given in cents (i.e. hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C#-20m and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

Code: G Ground floor ring
A Anticlockwise rope circle
D Detached tower

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Advisor or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place.

## District Report—Kate Gill

I was pleased to be elected as the Secretary for the North East District, at the Annual District Meeting in November 2016. As a relatively new returner to this absorbing activity, it is a pleasure to become more closely involved in supporting ringing throughout our District. Mike Cowling is our new Chairman and Philip Gorrod remains as Ringing Master. Warm thanks are due to our previous Chairman and Secretary, Ed Rolph and Michelle Williams.

The District has had a busy year and we are pleased that we have attracted eleven new members. There has been a busy programme of focused training events, following tower liaison meetings in January to discuss their needs. These focused practice sessions have included bell handling for beginners at Blythburgh, call changes at Halesworth, Metfield and Yoxford, Plain Hunt at Rumburgh, and Plain Bob Doubles at Reydon and Theberton. Ten District members attended Module 1 of the ITTS held at Reydon and two others attended a similar course at Bury St Edmunds.

The District Striking Competition was held in May at Wissett, and there was a good entry, including bands that had not recently or regularly taken part. It was an enjoyable event and we hope that more bands will take part in the District Striking Competition on 13 May 2017 at Metfield. The District was also pleased to host the 2016 Guild Striking Competition at Reydon and Southwold.

We were asked to attend the FolkEast event in Little Glemham during three days in August, with a team of ringers available to help people try the mini-ring. We are grateful to ringers from other Districts who helped. Many people tried the mini-ring and we collected names of those interested in progressing further. However, this has not proved successful in terms of finding new recruits.

There were some notable successes in terms of ringing peals and quarter peals during the year. These are too numerous to mention individually, but included a first peal for Sal Jenkinson and first peals for many years for Mike Cowling, Jon Iles and Chrissie Pickup. First quarter peals were scored by Barry Kimber, Caron Harris and Dominic Parkes.

## District Report—Ruth Young

We started in January in our customary fashion with ringing at the Norman Tower followed by a carvery lunch and meeting at the Bunbury Arms in Great Barton.

Practices – In an attempt to ensure that each practice would have enough people, we tried a new formula this year, a quarter peal attempt followed by open ringing: this we did in February, March, April and May. Although reducing the open practice time, this approach meant that those turning up were guaranteed a ring.

Striking competitions – We did not hold a District striking competition this year. We were represented in the Guild six bell by teams from Great Barton coming 3rd (method) and 2nd (Call Changes) and Pakenham 5th (Call Changes).

Quarter Peal Week - 21st to 29th May. We repeated last year's simultaneous quarter peals followed by a meal. During the week a total of 28 people participated with 11 quarters scored at 9 different towers.

Training – In June we held a training morning titled 'How to Improve your Striking' on the simulator at the Norman Tower. This was attended by 6 trainees from 4 different towers with 6 helpers.

Outing – Held in July, this year's outing was to Cambridgeshire. In spite of a long delay on the A14 we all made it to the first tower on time.

Focus practice – This was held in August and designed as follow up to the training morning. The Lakenheath ringers invited us to their practice where we assisted with rounds and Call

Changes and Plain Hunt Doubles. This was very well attended with 19 present.

The Guild Social – September. The Ring and Ramble + picnic was designed to ensure the event would happen regardless of numbers. 35 people (and two dogs) joined us with each District represented. The weather could have been better, but we didn't lose anyone on the footpaths around Thornham Magna and Wickham Skeith. Three table quizzes were provided for entertainment after the picnic in the village hall at Thornham Magna.

In October we held the ADM at Rougham and in November there was a quarter peal and open practice at Great Barton, with our Christmas social and ringing at Pakenham in December.

District events have been fairly well attended although we would welcome more District members and visitors in 2017.

## District Report - Ralph Earey

2016 has seen a significant change in the calendar of District events. After a lot of analysis and discussion, the District chose to drop future quarterly meetings with immediate effect. This decision was not an easy one to take. There has, however, been a healthy level of District events; District practices, the training morning, quarters afternoon, quarter peal fortnight and the outing. We are grateful to Jane Harper who volunteered to take the role of Secretary (with reduced responsibilities) at the March meeting.

April saw the first District training day for a long while. Grundisburgh ringing room was full to capacity and, from the feedback we received, this session on ringing up and down was much appreciated by all those in attendance.

Ipswich Historic Churches Trust—George Pipe, who has represented the Guild's interests on the Trust for some 36 years, has stepped down. We owe a great deal to George for this unstinting service and are delighted that Katharine Salter has volunteered to take up this responsibility.

We were delighted that the District was well represented in the Guild's entry to the Ringing World National Youth Contest held in London in July. They attained a Grade B for their entry in the Call Change competition. I know the team are very grateful for the sponsorship from the Pipe Fund and general fundraising by members.

At the Guild AGM in April, Tom Scase was 'promoted' by election as the Guild Ringing Master. He kindly agreed to continue in both posts until the ADM. We are of course delighted for Tom and proud that this key Guild role has been filled by a District member.

Thank you all, and especially the District Officers, who have given freely of their time over the past year.

## District Report—Pam Ebsworth

My first task as your new secretary is to thank all the District Officers who have kept things ticking along over the last 12 months. You know who you are! Monthly practices and other events have been held on 4th Saturdays at a variety of different towers, with ringing for all levels of ability. There has also been a monthly practice on Sunday afternoons at Sudbury, St Peter. These are your practices so please come and get a 'buzz' from helping our newer ringers to achieve or by challenging yourself to ring something different.

The District Striking Competition was held at Rattlesden on 25th June. We had a fabulous bring and share tea and thanks go to everyone who contributed to the success of this event by ringing and donating food. Also, a big thank you must go to Dave Ward and his team of happy helpers. We would like to see more ringers having a go at this, so please put June 24th in your diary and start practising! Congratulations are also due to the Woolpit team who came 2nd in the Guild 6 bell competition for the Mitson Shield, ringing Grandsire Doubles. I am sure that we have other ringers in our district who could enter a band for this or the Lester Brett Call-Change trophy – are you up for this challenge in 2017?

In July four district ringers attended an Association of Ringing Teachers Module 1 course (teaching Bell-handling) at The Norman Tower. They are all now actively teaching new

ringers at Hadleigh and Cavendish, with support from their assigned mentors. Watch this space for an increase in membership over the next 12 months! Anyone interested in the ART courses can read more at http://ringingteachers.org/

If you have young ringers at your tower please encourage them to attend the District Young Ringers events as it is much more fun ringing with people of your own age – contact Ruth Suggett yrcoordinator@suffolkbells.org.uk
Enjoy your ringing in 2017!

# Recruitment and Training

## Learning methods - first steps

1) Identify your learning style – do you prefer to learn by seeing, hearing or doing?
2) Learn the method in small bits to start with, then join the bits up
3) Relate any new method to what you already know
4) Familiarise yourself with new types of work
5) Learn where you pass the treble and where you work with it
6) A poor handling style can affect progress so get someone to video you then listen to their advice!
7) Try to maintain a constant rhythm (which should be the same as the rest of the band)
8) Stand behind someone and follow them ringing the method you are learning
9) Go out to other towers where they ring what you are learning (& attend Guild and District events)
10) Do not be afraid to ask for help – ask several people as they may explain things differently
11) Do your homework (before the practice night)

## Learning methods - next steps

1) Learn the basics first and then build up to more complicated methods
2) Look for signposts (roll ups, familiar changes, passing & working with your before & after course bells)
3) Learn the place bell order and all of the starts
4) Learn the structure of the method by using the grid (shows blue line for each bell for one lead)
5) Learn the bobs and singles
6) Practise ringing the method on Abel
7) Do your homework (before the practice night)
8) Listen critically to your striking (whatever you are ringing)
9) Attend Training Days & Ringing Courses
10) Attempt a quarter peal

## **Peal Secretary's Report**—Christine Knight

The rise in the Guild peal total to 107 in 2016 was very welcome after the big drop of the previous year. However, it is disappointing to note a further decline, to 40, in the number of Suffolk towers which hosted Guild peals during the year. Excursions out of county have also diminished recently. There were just two such peals, at Ardleigh in Essex and Elloughton in the East Riding of Yorkshire. There were no peals following restoration projects in 2016, but on 7th August the last peal was rung on the old bells at Horringer prior to the casting of an eagerly awaited completely new ring.

There were fewer national commemorations to act as stimuli for peals in 2016, but it was good to see the Suffolk Guild feature prominently in the record of peals to celebrate the 90th birthday of HM Queen Elizabeth II. Peals were rung at Felixstowe on 22ndApril and at Aldeburgh and Wenhaston on 12th June. Also, Brian Whiting composed and conducted special 5090's of Elizabeth R Surprise Royal and Queen Elizabeth II Delight Major, rung at the Norman Tower (11th June) and Offton (16th June) respectively. Nationwide, World War One centenary peals continued throughout the year, both to honour individuals who made the ultimate sacrifice and to commemorate major battles in the conflict. On 31st May, a new method was rung at Grundisburgh to mark the centenary of the Battle of Jutland. A 5100 of Battle of Jutland S Major was rung in memory of RSM James Bennett (RM), who was a survivor of that battle and had been a ringer at Grundisburgh. Another local ringer was remembered in a footnote to the peal at Pettistree on 17th November. The peal was rung on the exact centenary of the death of village resident Private Edward George Cooper. The centenary of the commencement of the Battle of the Somme on 1st July 1916 was also a focus for peals. Stephen Pettman conducted another Brian Whiting composition, this time a 5100 of Somme S Major at Henley on 1st July, it having been the worst day in the history of the British army, which suffered 57,470 casualties on that day alone.

The 'First Peal 2015' initiative produced eight first pealers for the Guild. Without this impetus, there were just two first pealers in 2016. Congratulations must go to Adrian Craddock and Sal Jenkinson. It is interesting that the peals in which each of these reached this milestone also contained someone ringing a peal after a very long gap. At Grundisburgh on 16th May, Joanna Crowe rang her first peal for 35 years, and the peal at Wenhaston on 12th June was Michael Cowling's first peal for 50 years, both huge achievements. In fact, 2016 could be seen as 'the year of the returnee', an exceptional year in that Joanna and Michael were joined by no less than four other ringers who had been absent from the peal columns for many years: Christine Pickup (Wissett, 2nd July) after a gap of 24 years, Rowan Wilson (Grundisburgh, 4th November) after 25 years and, although not claimed in footnotes, Martyn Crouch (Horringer, 7th August) after 19 years and Mark Ogden (Ufford, 30th July) after 25 years. Hopefully, they will be encouraged to ring further peals in the near future.

Many trends in Suffolk peal ringing have continued, with monthly attempts by the Aldeburgh peal band, and also attempts of Surprise Major on the light eight at St Mary-le-Tower. At The Wolery, the 350th peal on the bells was reached on 10th February. It was also pleasing to see more peals at Grundisburgh in 2016, where the 700th peal on the bells for the Guild was recorded on 9th April. After the huge dip in 10 and 12 bell peals in 2015, it is encouraging to see an increase, though still no peals of wrong place Royal or Maximus. Five handbell peals have boosted the Guild peal total, and it is good to see talented younger ringers taking part. On tower bells, one first each of Minor, Royal and Maximus, together with a first of Surprise Major, London Major and Bristol Major and three firsts of Cambridge Major were recorded; these are all encouraging, but there is scope for much more. It may be that there is a hiatus between a very able group of young ringers who are now well established and, in some cases, have left the county, and a new group of young ringers who are only just beginning to realise their potential in peal ringing. The peal rung on the Vestey Mini-Ring at Halesworth on 6th April, by a predominantly youthful band, with 5 firsts on a mini-ring, indicates that there is no lack of enthusiasm. Mini-bell ringing is a difficult skill, and the band is to be congratulated on this achievement. The List of Conductors also makes positive reading as 6 of the ringers

featured are aged under 30. Louis Suggett and Alex Tatlow maintain their interest in composition. Alex called his own composition of Yorkshire Major at Ixworth on 1st February, and Louis his own composition of Stedman Cinques at St Mary-le-Tower on 6th February. George Salter is also to be congratulated on calling a complex Alan Reading composition of Double Norwich at Ardleigh on 29th July. Stephen Pettman has always been keen to produce musical compositions and has developed an innovative series of compositions of Plain Bob using a 'shunt' call to shorten courses and cut out less musical parts. The Major version, rung at Leiston on 1st September, was particularly difficult to call.

As the number of peal venues declines, the number of Guild towers which used to host one or two peals a year, but now have not been pealed for several years is rising, with the regrettable effect that the difficulty of obtaining permission for a peal attempt can only increase. The peal rung at Clopton on 28th May during the church's flower festival is a good example of peal ringing for a local occasion, which, if organised carefully, can be such good PR for ringing in a local community. Such peals could, perhaps, involve ringers who ring peals infrequently, and thus bring the benefits of peal ringing to a wider cross section of our membership. Finally, I should like to thank David Salter, Brian Whiting and Michelle Williams for all their support in preparing the peals section of this Report.

# Young Ringers

There is an active group of Young Ringers in the Guild that ring together and support each other to further their ringing. Events have been held on a Guild-wide basis, but we are likely to focus on more local practices to reduce travel. Previously we have entered teams into the Ringing World National Youth Contest, but this is not the only purpose of the group.
We ask for all Tower Captains to promote this group and encourage attendance.

If you're interested in joining the group and ringing with other young ringers please contact yrcoordinator@suffolkbells.org.uk
