# REPORT,

***Presented at Easter, 1924.***

---

After the strenuous few years of the formation of the Guild, the first year of its existence since Easter, 1923, has been a quiet time of consolidation.

There is, therefore, little to record; there have been 76 peals rung up to the end of 1923, some of which were in new methods.

The Secretary has had a number of enquiries and requests for advice as to the management and re-hanging of bells, and several new companies have been formed; some new companies have joined us, such as Mendlesham and Easton. Unfortunately, there seems no diminution of the disastrous practice of "clocking," and so ultimately cracking bells, in spite of Dr. David's earnestly expressed desire. The Secretary does not know of a single parish where this practice is not considered the right thing to do at a funeral; we know how difficult it is to change funeral customs.

The question of Districts, and whether more general meetings should be held, are matters we should now settle, and also whether the Guild should issue a Certificate to its members.

No deaths have been recorded, except that of Mr. W. Grimes, of Hadleigh, who not only died "in harness" but actually in the belfry. His works do follow him—may he rest in peace.

Signed on behalf of the Committee,

W. T. FARMILOE,
Archdeacon (President).

# LIST OF PEALS RUNG up to Dec. 31st, 1923.

## RINGING MASTER'S REPORT.

The nine months from April 1st to the end of the year, 1923, produced 76 peals, an average of about two per week. Of these, four were rung in Essex, 12 in West Suffolk, and 60 in East Suffolk. Many bands have done well and shewn their loyalty to the Guild by their performances, but there are a few that deserve special mention. These are the two new Surprise Methods, "Lancashire" and "Edinburgh," at Leiston; the Double Norwich Major and Stedman Triples on Handbells by the Leiston band; the first Cambridge Surprise by a local band at Debenham; the peal of Surprise Minor by the Thornham men; and the Spliced Minor in ten methods at Wrentham.

# THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

# ST. EDMUNDSBURY AND IPSWICH.

## OBJECTS.

1.—**Federation.**—To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.**—To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.**—To encourage, cultivate, and foster the art of scientific Change-ringing by frequent meetings in various centres for practice or peal-ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.**—To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

# CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any Meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. od.; or 5/- for the first year and 2/6 in subsequent years; the other Members (including the Clergy), 1/- a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held on Easter Monday at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

## RULES.

1.—Subscriptions shall be due on January 1st: New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at Meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper and Clerk; provided their names are sent to the Secretary with the subscriptions before Jan. 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting, or at each Branch, or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

# REPORT for the year 1924.

Steady progress has still to be recorded in the matters which concern our Guild. Not only have our numbers increased, but new members are coming in from towers not formerly interested in Change Ringing, while several new rings (e.g. St. Mary le Tower, Ipswich, Long Melford, Wilby) have been repaired and made available.

Appeals for help in teaching ringing or re-hanging bells have been received from the following, among others: Buxhall, Metfield, Hartest, Assington, and Hepworth. Instructors have been provided at Preston and Cowlinge, and new bands started, the latter is, I believe, still making good progress.

The list of members will be found to have been differently arranged, in that those who have rung peals are now put in a separate list. It has not been found possible this year to include the numbers of peals rung by members in the former ringing Societies, whether this should be attempted in future issues is for the Guild to decide; but there are practical difficulties in the way of making such a list correct, and if it is not to be more correct than it has been it would be best omitted.

Last year we were able to record all the new compositions. This year they have been so many that it has only been possible to print those of outstanding interest, but the Ringing Master has inaugurated a book, entitled, the "SUFFOLK GUILD COLLECTION OF COMPOSITIONS," in which every new composition will be entered carefully, as it is rung.

The only death among our members that has been notified is that of Mr. Charles Cutting, of Woodbridge. His health had been gradually failing, and it is long since he rang a peal, but he was always interested in our Guild.—R.I.P.

It is to be hoped that all our members will stir up their District Secretaries to hold meetings in their neighbourhood. Unless this is done the Society cannot do its work. Some of our Secretaries have done splendid work this year. Why not all?

Signed on behalf of the Committee,

W. T. FARMILOE,

*April 13th, 1925.* *President.*

# LIST OF PEALS RUNG up to Dec. 31st, 1924.

## RINGING MASTER'S REPORT.

The Peals rung by the Guild, as shown on another page, total 90 in a good variety of methods. Thanks to the efforts of the Leiston and Debenham bands, there is a specially good list of Surprise peals, no less than eight different kinds of these methods having been rung. It is doubtful if any other Ringing Society in the country can show as good a list.

The peal of Stedman Triples at Lavenham, the first on these famous bells by a local band, is noted with pleasure, perhaps this success will prove a stepping stone to higher things. Another outstanding effort is the London Surprise at Helmingham, the band are to be congratulated. The first peal of Stedman ever rung on handbells in the county town is worthy of note. Our six-bell members have not been quite so busy in the past year, but perhaps this is only a temporary lapse, and this year will see a revival.

CHARLES J. SEDGLEY,

March 10th, 1925. Ringing Master.

# THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

# ST. EDMUNDSBURY AND IPSWICH.

---

## OBJECTS.

1.—**Federation.**—To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.**—To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.**—To encourage, cultivate, and foster the art of scientific Change-ringing by frequent meetings in various centres for practice or peal-ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.**—To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

## CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any Meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. od.; or 2/6 a year; the other Members (including the Clergy), 1/- a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held on Easter Monday at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

# RULES.

1.—Subscriptions shall be due on January 1st: New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at Meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper and Clerk; provided their names are sent to the Secretary with the subscriptions before Jan. 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting, or at each Branch, or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

# THE SUFFOLK GUILD.

## REPORT for the Year 1925.

The two outstanding features of the year 1925 are:—

(a) The completion of all our Districts, each with its own Secretary.

(b) The issue of the CERTIFICATE of Membership and Attainments.

As nearly 200 members have now received a copy of this, it must be said that there has been some demand for it.

However, while about three-quarters of the members have not applied for one, it shows that there is considerable slackness still among our ringers. All who have had a copy speak well of its appearance. It is sold at 6d.

The failure to arrange District Meetings in so many districts is also a feature to be deplored. A few of the District Secretaries are admirable workers, and in their districts the Guild is progressing as it should. However, the number of inquiries for help which the Secretary receives in a regular stream, shows that the Guild is, on the whole, making good progress.

Two outside events have interested our members, one is the destruction of the Coventry Cathedral Bells, a ring unique as a record of the skill of masters of the art of Bell Founding in the past. Your Secretary left no stone unturned to save these bells, but prejudice against old bells was too strong for him and those who were working with him.

The other matter is the meeting of the Central Council at Ipswich next Whitsuntide. A Special Committee has been formed, and an appeal has been made to welcome the Council to our County, a visit which not many of us can hope to live to see repeated.

Signed on behalf of the Committee,

W. T. FARMILOE, Archd.,

*President.*

# LIST OF PEALS RUNG up to Dec. 31st, 1925.

## RINGING MASTER'S REPORT.

The Peals rung by the Guild during the year 1925 number 68; showing a rather considerable falling off as compared with the 90 for 1924. That the number is so large, is mainly due to the efforts of two or three bands, notably those of Leiston, Debenham, and Helmingham.

There are few outstanding performances. The ringing of another peal of London Surprise at Helmingham is very creditable, as is the peal of Minor in seven methods by the Ipswich St. Clement's band. The Leiston company continue to maintain their reputation for Surprise ringing. The revival of ringing at St. Mary-le-Tower, Ipswich, after the restoration of the bells, and the ringing of Stedman Caters on handbells, the first by a local band in Ipswich, is noteworthy. It is also noted as a good sign for the future, that a good many members have rung their first peals in various methods.

CHARLES J. SEDGLEY,

Jan. 31st, 1926. Ringing Master.

*NOTE.—Will Conductors please send references or figures of compositions to the Ringing Master as early as possible in the New Year.*

# SOME LARGE CLOCKS.

ST. PAUL'S CATHEDRAL CLOCK—was designed by Lord Grimthorpe (the great authority on large clocks), and was made by John Smith & Sons, of Derby, in 1893. The movement is the same size as the clock at the Houses of Parliament at Westminster ; its frame being 19 ft. long, and rests on two steel girders each 28 ft. long. The main wheels on the striking and quarter-chime parts are 3 ft. in diameter, and the pendulum weighs about 6 cwt. The three dials are 17 ft. diameter. The hours are struck on a 5-ton bell (cast by Phelps in 1709) by a hammer weighing 2¼ cwt.

BEVERLEY MINSTER CLOCK.—This was also made by Messrs. Smith & Sons. It chimes the quarters on a peal of 10 bells having a 2-ton tenor, strikes the hours on "Great John," weighing 7 tons, and shows the time on one dial 14 ft. diameter.

# THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

# ST. EDMUNDSBURY AND IPSWICH.

## OBJECTS.

1.—**Federation.**—To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.**—To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.**—To encourage, cultivate, and foster the art of scientific Change-ringing by frequent meetings in various centres for practice or peal-ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.**—To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

## CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. od,; or 2/6 a year; the other Members (including the Clergy), 1/- a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held on Easter Monday at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

# RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper and Clerk; provided their names are sent to the Secretary with the subscriptions before Jan. 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting, or at each Branch, or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

*A large Bell fractured at dome and parts completely broken out.*

# Broken Bells
## repaired by
# Barimar
## at low charges.

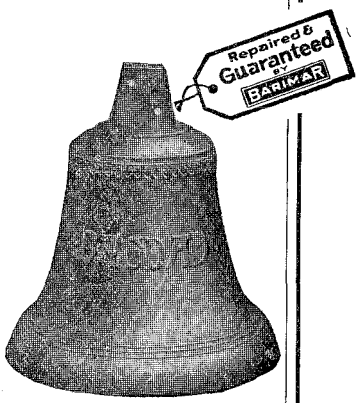
The saying "sound as a bell" is always true in regard to Barimar Welding, as soundness, strength and wearing quality are the three essentials in Barimar's work.

The repair of broken bells is an every-day job in the Barimar Factory.

In the case of the bell illustrated, flawless welding was required so that the purity of tone would not be impaired. In this case it is possible to "hear" the soundness of Barimar Welding.

Barimar charges are always low; delivery is the quickest in the trade; and each bell repaired is covered by the Barimar "Money-back" Guarantee.

Consign Broken Bells, carriage paid, to London Factory and advise us by letter.



*The same Bell after repair by Barimar Welding Process. Stringent tests proved that the tone of the bell was in no way affected by the welding, while the dome of the bell was much stronger than before and able to resist greater strain. The Repair was done at a small cost in THREE days and under Barimar Guarantee.*

# THE SUFFOLK GUILD.

## REPORT for the Year 1926.

The out-standing event of the year 1926 was the visit of the Central Council to Ipwich, at Whitsuntide. An excursion round West Suffolk was arranged and a tea given to all who were interested in the meeting. The weather was favourable and general pleasure was expressed by everyone at the arrangements made. Not quite sufficient funds were raised and it will be necessary to consider how to close this account.

It might appear to be only a reaction to this unwonted activity that fewer meetings of our own have been found possible this year, but this would not seem to be the true explanation. From all sides complaints are made that meetings are not being held; while it is difficult to get any but a few select towers to welcome meetings.

Apparently, owing to the gap caused by the war, the old and young ringers do not combine in as good a succession as in the past. It is true that in one or two towers the method of compounding has led to young ringers persevering and learning change ringing; may the number of such new towers increase. But most old ringers do not seem to have the patience or discernment to keep on helping to teach beginners, and so many ringers do not seem to have the time now-a-days to attend meetings.

It has already been pointed out that in our list of members there are 60 towers with less members than there are bells, where, of course, the Guild would gain if the Church Authorities concerned could be induced to compound; while there are 46 more towers where there are rings of five or more bells and no members at all.

There is here a good field for the Guild to work on besides the many towers that are not yet mentioned in the Report. Can we not make a move to get all Districts to hold at least one meeting a quarter and, in addition, to arrange a District Peal once a quarter? Once a month in each case would be better and should not be impossible. At every meeting it should be a rule to try to get at least one new tower interested.

During the year a number of towers have been visited by your secretary and reported on. At Yoxford the six bells have been thoroughly repaired and put into good going order, and a band of change ringers are being instructed, who are hoping to join the Guild. At Metfield the middle bell of the three has been welded by the firm of Barimar, and the crack seems to have been quite repaired.

We are asked to lend any interesting exhibits, such as jugs or sets of ancient rules from our belfries, to the Exhibition at the Church Congress, at Ipswich, by September 26th.

Signed on behalf of the Committee,
W. T. FARMILOE, Archd.
*President.*

# LIST OF PEALS RUNG up to Dec. 31st, 1926.

## RINGING MASTER'S REPORT.

During the year 1926, 64 peals have been rung by the Guild, this being 4 less than the previous year. Peals on higher numbers than eight show an increase this year, as also do peals of minor, but the eight bell peals show a falling off of thirteen.

An outstanding event of the year was the ringing of the fiftieth consecutive Surprise Peal, at Leiston, a truly remarkable record, and a very good indication of the way this company is enriching our Surprise Peal list. The St. Mary-le-Tower Society have had a successful year, with seven peals on twelve, including four different methods of Maximus. The band located in and around Helmingham have again distinguished themselves with some good performances. The Lavenham band still remains almost the only peal ringing band on the west side of the county, and continues to add good peals to our records. Our six bell members have been more active during the year and several good performances are recorded, especially the peals in 6 and 7 methods, at Blaxhall, Thornham, and Wrentham.

A list of towers where peals have been rung during the year, and also of conductors, have been added to the report and should prove of interest.

CHARLES J. SEDGLEY,

Jan. 31st, 1927. Ringing Master.

# THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

# ST. EDMUNDSBURY AND IPSWICH.

## OBJECTS.

1.—**Federation.**—To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.**—To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.**—To encourage, cultivate, and foster the art of scientific Change-ringing by frequent meetings in various centres for practice or peal-ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.**—To correct abuses, irregularities irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required reliable information and advice of a practical character concerning the conditions of bells and their fittings.

## CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(c) Honorary Members may be elected on a life payment of £2 2s. od.; or 2/6 a year; the other Members (including the Clergy), 1/- a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held on Easter Monday, at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

## RULES.

1.—Subcriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the anuual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before Jan. 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting, or at each Branch, or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

*A large Bell fractured at dome and parts completely broken out.*

The saying "sound as a bell" is always true in regard to Barimar Welding, as soundness, strength and wearing quality are the three essentials in Barimar's work.

The repair of broken bells is an every-day job in the Barimar Factory.

In the case of the bell illustrated, flawless welding was required so that the purity of tone would not be impaired. In this case it is possible to "hear" the soundness of Barimar Welding.

Barimar charges are always low; delivery is the quickest in the trade; and each bell repaired is covered by the Barimar "Money-back" Guarantee.

Consign Broken Bells, carriage paid, to London Factory and advise us by letter.

*The same Bell after repair by Barimar Welding Process. Stringent tests proved that the tone of the bell was in no way affected by the welding, while the dome of the bell was much stronger than before and able to resist greater strain. The Repair was done at a small cost in THREE days and under Barimar Guarantee.*

# THE SUFFOLK GUILD OF RINGERS
FOR THE DIOCESE OF
# ST. EDMUNDSBURY AND IPSWICH.

## OBJECTS.

1.—**Federation.**—To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.**—To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.**—To encourage, cultivate, and foster the art of scientific Change-ringing by frequent meetings in various centres for practice or peal-ringing; and to provide, as far possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.**—To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the conditions of bells and their fittings.

# CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. od.; or 2/6 a year; the other Members (including the Clergy), 1/- a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held on Easter Monday, at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

## RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before Jan. 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as their are bells will be supplied to the Secretary of a company so compounding. In return for this privilege, Members of such a company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting, or at each Branch, or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

# THE SUFFOLK GUILD.

## REPORT for the Year 1927.

The only outstanding subject during last year has been one of finance. As the year 1926 ended with a small deficit, the matter has had to be one of anxious consideration both of the members, and especially of the committee. They have met several times, and at length unwillingly proposed that the Report now in the printer's hands should be issued without the list of members, and this was endorsed at a general meeting. At first it was hoped that the deficit was only temporary, but as it has been increased during 1927, this is not the case. It is clear that we are spending slightly above our income. As the deficit is not a large one, and should be quite wiped out by printing the smaller Report for one year, it should not be difficult to pay our way in future if we all try.

There are several ways in which we can do this. The number of honorary members is very small, and could be easily doubled. This alone would free us from any anxiety in future. If a tower cannot get one or two people to be sufficiently interested in their ringing to pay 2/6 a year to the Ringers' Guild, it does not speak much for the skill they have attained, or for the pleasure they give to their hearers. We may be sure however, that that is not the reason, and that round every ringing tower there are several people who only need asking, in order to subscribe to us.

Another way is by every member getting certificates. Very many members have not yet got their membership certificates, while very few have applied for certificates of any attainment they may be entitled to. The Central Council is thinking of issuing such certificates, so evidently other ringing associations are not so backward as we are in applying for them.

But the chief way in which we can put our funds straight is by paying our subscriptions. In 1926 just 50 less than half the recorded members paid up. This is a matter of which the remedy is in our own hands. Let every tower see that all its members pay, and promptly. Let every secretary see that all the members in his district pay, and promptly, and we shall have all the money we want and more. The difficulty is largely about members who live at a distance. Obviously it is not worth anyone's time to make a long journey to collect a shilling each year, but could not every outlying member, or tower, be visited once; and an arrangement made by which the subscription in future years would be collected and paid with a minimum of trouble and cost?

So far we have made a good start, and in 1927 we have had 425 ringing members who have paid, against 347 in 1926.

Signed on behalf of the Committee,

W. T. FARMILOE, Arch.,

*President.*

# RINGING MASTER'S REPORT.

The peals recorded for the Guild in 1927 have quite maintained the standard of previous years, both as regards quality and quantity ; 69 have been rung, as against 64 last year, and 68 in 1925.

The outstanding performance is the Superlative Maximus, at St. Mary-le-Tower, which it is no exaggeration to say has set the whole ringing world talking, and as readers are no doubt aware, has provoked great controversy on method extension. Whatever views one may have on this, the fact remains that it is an exceedingly fine achievement, and the Guild is to be congratulated on having amongst its members a band capable of giving a lead to the whole exercise.

The Leiston band, to whom we always look for good additions to our peal lists, have not failed us, and have maintained their reputation as one of the leading eight bell bands in the country. We are pleased to note the appearance of fresh names in their band; a good sign this!

The band at Lavenham have again done well, and valiantly keeps the torch of change-ringing shining in the west side of the county. Congratulations are due to them on ringing the first peal of Superlative by a local band in W. Suffolk.

The band centred in and around Debenham have again been busy, and rung several good peals.

We are pleased to see another name peal this year, this time by a band of "Georges," rung on the feast day of their patron saint.

Several good performances are recorded on six bells, notably the peals, in seven methods at Benhall, in six methods at Blaxhall and Hasketon, and the peals of Bankes-James arrangement of Cambridge S. Minor at Sproughton. The Hasketon band is new to our list, and we are pleased to see also the Ixworth and Mendlesham bands ringing peals.

In addition to the ringing recorded in peals, there is a large amount of ringing done in the diocese by bands, who for various reasons do not ring peals, but who are nevertheless doing their bit to keep the East Anglian tradition of change ringing alive.

CHAS. J. SEDGLEY,

Feb. 3rd, 1928. Ringing Master.

N.B. May I again ask conductors of peals to keep their composition references, and let me have them early in the year.

# Broken Bells
## repaired by
# Barimar
## at low charges.

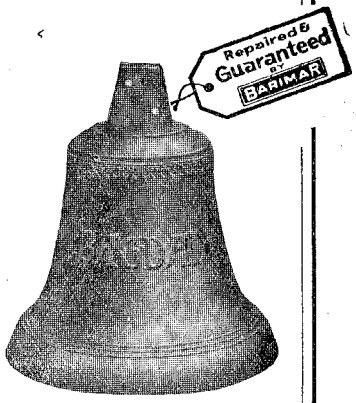
The saying "sound as a bell" is always true in regard to Barimar Welding, as soundness, strength, and wearing quality are the three essentials in Barimar's work.

The repair of broken bells is an every-day job in the Barimar Factory.

In the case of the bell illustrated, flawless welding was required so that the purity of tone would not be impaired. In this case it is possible to "hear" the soundness of Barimar Welding.

Barimar charges are always low; delivery is the quickest in the trade; and each bell repaired is covered by the Barimar "Money-back" Guarantee.

Consign Broken Bells, carriage paid, to London Factory and advise us by letter.



*The same Bell after repair by Barimar Welding Process. Stringent tests proved that the tone of the bell was in no way affected by the welding, while the dome of the bell was much stronger than before and able to resist greater strain. The Repair was done at a small cost in THREE days and under Barimar Guarantee.*

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2/6 a year; the other Members (including the Clergy), 1/- a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held on Easter Monday, at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

# RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

# THE SUFFOLK GUILD.

## Report for 1928.

We may hope that we have turned the corner as regards our finances. The deficit of nearly two pounds has been changed into a balance of over seven pounds. This is, however, only the result of our not printing the names of members in last year's Report. Unless we can increase our income permanently, we shall have to repeat this every few years, which would be undesirable. However, our paying members still increase in number; this year there are 490 ordinary members who have paid.

Unfortunately, the full list of members is still swollen by the inclusion of names which ought not to be there. Until we can get the Secretaries, both of Companies and of Districts, to keep a sharp look-out for these useless names, and get them removed from our lists with the most urgent promptitude, we shall still have to print them unnecessarily, and the Secretaries themselves will still be short of the amounts that are due from them, according to the printed list.

There have been much-needed attempts at instruction on all sides; the Halesworth District is responsible for quite new companies at Yoxford and Huntingfield, taught by the District Secretary, who has also helped three other towers in his district to revive their companies. There is unlimited room for work of this kind in the Diocese. Will each company see if they cannot make a dead set on some other tower in their neighbourhood in the coming year, and make it a new recruit to our Guild by teaching it Change-Ringing?

Signed on behalf of the Committee,

W. T. FARMILOE, Archd.

# Ringing Master's Report.

The peals rung by the Guild in 1928 total 79, an increase of 10 over the previous year. Handbell peals have increased from 1 to 14, and Minor and Doubles peals from 16 to 27. The handbell peals, with the exception of one in Essex, have been rung by two bands, those of Lavenham and Ipswich, and the latter are to be congratulated on ringing a peal of Oxford T. B. Max., the first on handbells since 1816. On tower bells 11 Surprise Major peals have been rung in five different methods, chiefly by the bands at Leiston, and the Debenham district. Peals of Double Norwich, Kent T. B. and Plain Bob are well represented in our list. It is pleasing to note the increase in the number of seven-method peals of Minor, and also the number of members who have rung their first peal for the Guild.

The St. Mary-le-Tower Society, deprived of the use of their bells for some time by the cracking of the 7th, are to be congratulated on ringing a peal of New Cambridge Max., the first in the method; congratulations are also due to Mr. Wm. Rumsey, of Debenham, who, as the result of a busy year of ringing, during which he rang 27 peals, is the first member to ring a hundred peals for the Guild.

CHAS. J. SEDGLEY,
Ringing Master.

February 18th, 1929.

Note.—The importance is urged to conductors of sending their peal reports to the "Ringing World" or to me. Two peals have been omitted from their proper place in the Reports through failure to do this.

# Broken Bells

## repaired by

# Barimar

## at low charges.

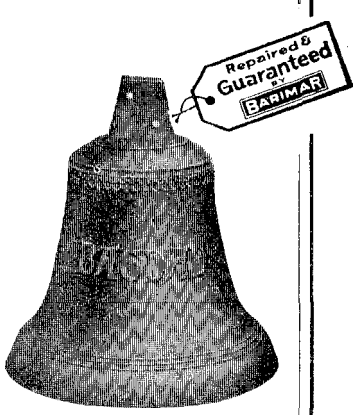
The saying "sound as a bell" is always true in regard to Barimar Welding, as soundness, strength, and wearing quality are the three essentials in Barimar's work.

The repair of broken bells is an every-day job in the Barimar Factory.

In the case of the bell illustrated, flawless welding was required so that the purity of tone would not be impaired. In this case it is possible to "hear" the soundness of Barimar Welding.

Barimar charges are always low; delivery is the quickest in the trade; and each bell repaired is covered by the Barimar "Money-back" Guarantee.

Consign Broken Bells, carriage paid, to London Factory and advise us by letter.



*The same Bell after repair by Barimar Welding Process. Stringent tests proved that the tone of the bell was in no way affected by the welding, while the dome of the bell was much stronger than before and able to resist greater strain. The Repair was done at a small cost in THREE days and under Barimar Guarantee.*

## R. I. P.

R. CALVER, Yoxford.

JAS. CUTTING, Palgrave.

A member of the Guild since 1923.

H. CHAS. GILLINGHAM, St Mary-le-Tower, Ipswich.

A member of the N.D.A. since 1893, he joined the Suffolk Guild in 1923 and had rung 146 peals. He was a member of the St. Mary-le-Tower Society, Ipswich, and took part in many of their notable performances, including the first peals of Cambridge Surprise and Superlative Surprise Maximus ever rung. The "Charles" peal of Superlative S Major at Ufford was another performance in which he took part.

A very capable ringer, of quiet and unassuming manner and a most likeable man, he is greatly missed by his brother ringers.

W. HOLLINGWORTH, Laxfield.

For many years captain of the Laxfield Band, he joined the N.D.A. in 1895 and the Suffolk Guild on its formation, and had rung two peals.

J. LARTER, Reydon.

A member of the Suffolk Guild from its formation and an old member of the N.D.A., which he joined in 1890, this well-known six-bell ringer had taken part in 76 peals.

## OBJECTS.

1.—**Federation.**—To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.**—To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.**—To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.**—To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the conditions of bells and their fittings.

# CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2/6 a year; the other Members (including the Clergy), 1/- a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held on Easter Monday, at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

# RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

# THE SUFFOLK GUILD.

## Report for 1929.

This year has been one of steady (if not very fast) progress. The difficulties about district secretaries are diminishing. Only one district, that of Clare, is not now efficiently staffed in this respect. We had, however, a very successful meeting there last year, and hope we may now soon find a secretary for that neighbourhood. The Halesworth district is very flourishing, and new bands are still being taught by the energetic and able secretary, Mr. F. C. Lambert.

Although our finances are improving, they are not yet satisfactory. In spite of a generous addition of over four pounds to our income this year from a whist drive at Sproughton, our balance has only increased by less than two pounds. As there is three pounds owing for advertising meetings in the "Ringing World," this means that we are not paying our way by more than five pounds a year.

Where bells are rung in changes, there are always some people in the parish who are sufficiently interested to subscribe half a crown to our funds. Forty such half-crowns would make us pay our way ; there are many more than forty towers where there is not a single honorary member connected with the Guild. If none of our members in these villages will collect those half-crowns, will they not subscribe them themselves? Is not our Guild worth keeping as it should be kept?

Signed on behalf of the Committee,

W. T. FARMILOE,
Archd.

21st April, 1930.

# Ringing Master's Report.

During 1929 a total of 99 peals were rung by the Guild, the largest number since its inception, and an increase of 20 over last year. These peals have been rung in 41 different towers, 193 members taking part, of whom 31 shared the conducting; 34 members have rung their first peal for the Guild during the year.

A great variety of methods have been rung, all the standard ones, and many others, being represented, including a large proportion of the more intricate methods.

A few performances stand out for special note, and congratulations are due to the St. Mary-le-Tower Society, Ipswich, for placing the first peal of Yorkshire Surprise Maximus ever rung upon our records, and also for other good performances; to the Leiston band for peals in five different Surprise methods; to the Lavenham, Helmingham and Debenham bands for many good additions to our peal list, and to the band of well-known ringers who rang 12 peals during a week's tour of the county in September. Our 6 bell bands have not been idle, and the Hasketon, Wrentham and St. Clement's, Ipswich, companies, are to be congratulated on peals in seven different Minor methods. We welcome another handbell band in our midst—that of Helmingham—and it is hoped that they will make progress in this fascinating branch of our art.

May I again ask conductors to send peal reports to the "Ringing World." Two peals rung in 1928 have been missed from our report for that year through failure to do this, thus throwing the numerical order of the peals into confusion.

CHAS. J. SEDGLEY,
Ringing Master.

## at low charges.

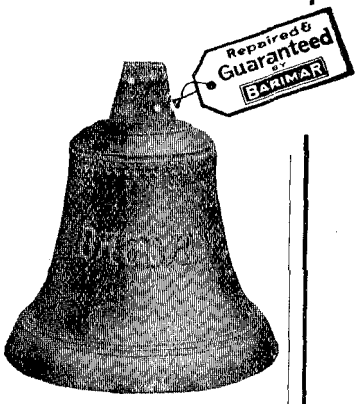
The saying "sound as a bell" is always true in regard to Barimar Welding, as soundness, strength, and wearing quality are the three essentials in Barimar's Work.

The repair of broken bells is an every-day job in the Barimar Factory.

In the case of the bell illustrated, flawless welding was required so that the purity of tone would not be impaired. In this case it is possible to "hear" the soundness of Barimar Welding.

Barimar charges are always low; delivery is the quickest in the trade; and each bell repaired is covered by the Barimar "Money-back" Guarantee.

Consign Broken Bells, carriage paid, to London Factory and advise us by letter.



*The same Bell after repair by Barimar Welding Process. Stringent tests proved that the tone of the bell was in no way affected by the welding, while the dome of the bell was much stronger than before and able to resist greater strain. The Repair was done at a small cost in THREE days and under Barimar Guarantee.*

FOR THE DIOCESE OF

# ST. EDMUNDSBURY AND IPSWICH.

---

## OBJECTS.

1.—**Federation.**—To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.**—To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.**—To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.**—To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the conditions of bells and their fittings.

# CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2/6 a year; the other Members (including the Clergy), 1/- a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

# RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

# THE SUFFOLK GUILD.

## Report for 1930.

The chief event for us during the past year has been the departure of Archdeacon Farmiloe, who has not only been our President since the Guild began, but it is due to his fostering care and guidance that the Guild owes not only its start, but its continued existence. Unfortunately it was not possible to get a representative meeting of the Guild to bid him good-bye, and we can only take this inadequate opportunity of thanking him for his work and labour of love among us in previous years, and of our hope of many long years and lighter work where he has gone.

We are fortunate in getting Canon Goldsmith as his successor.

Our financial position is still disquieting. We ought to collect over 900 subscriptions, but less than 600 have been paid; the result is that we continue to need £5 a year more than we are at present raising. We are now again in the position that we cannot get through this year without additional effort as our balance is less than £5.

We must congratulate Halesworth in getting their ring of eight bells so well rehung, and we hope soon to hold a meeting there. There are a number of rings in Ipswich, and elsewhere in the Diocese, which are now unringable for various causes. Now is the time to have plans made for setting matters right, so that they can be carried out when times are better. In such cases there are not likely to be ringers in the parish, but if every ringer would try to find out about the bells in his own neighbourhood, and get the people there interested in having them put right or their numbers increased, we should soon have many more towers to ring in.

Signed on behalf of the Committee,

J. C. GORDON HAGGAR.

# Ringing Master's Report.

The year 1930, has maintained the standard of peal ringing for the Guild, both as regards numbers and quality. The total number of peals is 98, a large proportion being in the more difficult "Surprise" methods. These have been rung in 37 different towers, 182 members taking part, and 26 sharing the conducting. Nineteen members have rung their first peal for the Guild, and many their first peals in various methods.

Our peal list is an ever growing one, five methods appearing this year for the first time, these being the Pudsey, Lincolnshire, and Rutland Surprise Major at Helmingham, the Yorkshire C.B. Major at Lavenham, and the Pudsey Surprise Maximus at Ipswich, the latter being the first ever rung. The companies taking part are to be congratulated on the enterprise shown in taking up these new methods.

In addition to the peals rung, which take a permanent place in our records, there is a large amount of Sunday service, and other ringing done by bands which for various reasons do not ring peals. These bands carry on often in the face of great difficulties, and the thanks of the Guild are due to them for keeping change ringing alive in their various districts.

CHAS. J. SEDGLEY,
Ringing Master.

February 12th, 1931.

# CHURCH BELLS REPAIRED BY BARIMAR.

*A fine old bell sadly shattered.*

The permanent repair of cracked and broken bells by scientific welding is an "every-day" job in the Barimar Factory. Barimar charges are low and show great saving on cost of re-casting. Re-casting destroys the identity of an old bell, but welding preserves it and restores the silent peal. Why allow a bell to remain silent when it can be repaired at low cost? "Sound as a bell" is always true of Barimar bell repairs, which are covered by the Barimar "Money Back" Guarantee. The tone is unimpaired and you actually hear the soundness of Barimar welding.

**Some Church Bells Repaired by Barimar:**

Metfield Church, Harleston, Norfolk.
Hardwycke, nr. Wellingborough.
St. Mary-le-Tower, Ipswich (No. 7 of a peal of 12).
Dunster, Somerset.
Filey Church, Yorks.
Ightham Church, Kent.
Southfleet Church, Kent (3 bells).
Earsham Church, Norfolk.
Shelton Church, Beds.

FOR THE DIOCESE OF

# ST. EDMUNDSBURY AND IPSWICH.

## OBJECTS.

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the conditions of bells and their fittings.

# CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2/6 a year; the other Members (including the Clergy), 1/- a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

# RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

# THE SUFFOLK GUILD.

## Report for 1931.

The chief event of the past year has been the progress made by the young band at Woodbridge, under Mr. Trotman. Not only has an unprecedented number of members joined at one time from a single tower, but also Woodbridge is once again "on the map" as a change ringing centre, and that, too, with a band who all do their part in Sunday ringing.

An entirely new band has been organized at Wattisfield, where there seems previously to have been no one who could ring a bell. Great credit is due to the band for persevering, and to those ringers from neighbouring towers who have helped them.

This is worth mentioning, because here is a five bell tower where change ringing is being taught. There are a number of five bell towers in Suffolk and our members are not doing what they could to get them all to be change ringing towers. It is true that it is difficult to have meetings at a five bell tower because so few can ring at a time, but there is no reason why ringers where they have more bells of their own should not help ringing bands to be kept going where they have fewer bells.

What happens it that when more bells are in a tower the ringers always try to ring the full number and are out of practice on the lesser numbers. This should not be so; it is always a pleasant change for the general public to hear the lesser numbers occasionally. Moreover, if we can help and encourage the ringers of five bells to ring changes it is very probable that they will soon organize a movement to increase their five bells to six, or even eight.

The tower at Debenham has been strengthened very adequately, and now the order for the re-hanging of the bells in an entirely new frame has been given we may hope that they will soon be in ringing order again.

Other towers have been reported on, and we may hope that a number of rings will be hung, or re-hung. when times are better.

So far the bad times are not manifest in our finances. Our position is not quite so good as the increase in our balance would seem to indicate, some receipts from other years appear this year while not all the usual payments have been made, still we have undoubtedly more than paid our way. If all members will pay their subscriptions regularly, and also get some honorary members in every parish, we shall continue to do so.

Signed on behalf of the Committee,

J. F. HUGHES.

# Ringing Master's Report.

During 1931 86 peals were rung for the guild, all but one of these were on tower-bells, in 32 different towers, the other being on hand-bells. The talented band at Leiston had a busy year, and this tower heads the list with 12 peals. Framsden and Helmingham also did well with 7 each. Glemsford, Holbrook, Monks Eleigh and Rougham appear in our list for the first time. 182 members, the same number as last year, took part in the peals, 30 of whom shared the conducting.

Although our total is 12 less than in 1930 the standard of methods rung is high, especially in the Surprise Major section, 13 of these methods having been rung, thanks to the enterprising Leiston and Helmingham district bands. Our peal list now shows 22 of these methods, a record of which we can be proud. The falling off in numbers is chiefly due to a decline in the number of six bell peals, it is to be hoped that this is but a temporary lapse. Eight methods appear for the first time in our peal list, which is a remarkable one, comprising as it does 11 different Maximus methods and 28 different Major methods.

An interesting addition has been made to the Report by the incorporation in the Tower index of the number of peals rung at each tower.

In conclusion, it is worthy of note that the great majority of our peals are rung by members who are regular Sunday service ringers at their respective parish churches.

CHAS. J. SEDGLEY,
Ringing Master.

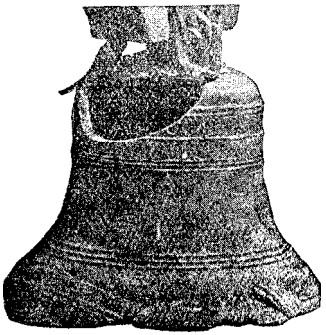
# CHURCH BELLS REPAIRED
## BY BARIMAR



*A fine old bell sadly shattered.*

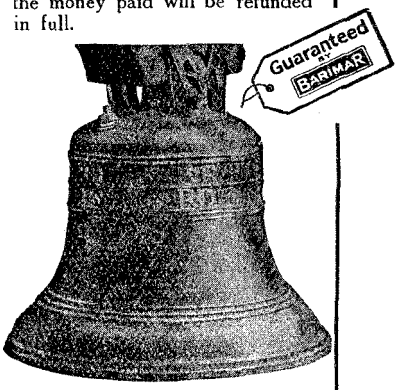
**Some Church Bells Repaired by Barimar.**

Metfield Church, Harleston, Norfolk.
Hardwycke, near Wellingborough.
St. Mary-le-Tower, Ipswich (No. 7 of a peal of 12).
Dunster, Somerset.
Filey Church, Yorks.
Ightham Church, Kent.
Southfleet Church, Kent (3 Bells).
Earsham Church, Norfolk.
Shelton, Beds.
Bledington, Glos.

In the churches of Britain there must be many old bells which are silent through injury.

The Barimar Scientific method of welding has repaired many a fine old bell, so that its inscriptions and founder's mark have been preserved, and **the tone of the bell has been restored.** This has been proved in cases where bells in peals have been restored to perfect tune.

The cost of repairing a cracked or fractured bell by the Barimar Process is low, and the work is undertaken on the understanding that a perfect repair is made or the money paid will be refunded in full.



*Repaired and restored by Barimar at small cost, equal in tone and strength to new. Repairs completed within a few days and "Barimar Guaranteed."*

## OBJECTS.

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the conditions of bells and their fittings.

# CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2/6 a year; the other Members (including the Clergy), 1/6 a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

# RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

# THE SUFFOLK GUILD.

## Report for 1932.

The working of the Guild during the past year has shown the weakness of the official element. Since Archdeacon Farmiloe left England, we have had no working head. Our Secretary's age prevents him acting much longer, and our Ringing Master has already once expressed a wish to retire. It is time some of our younger members came forward to run the Guild.

Last year the Committee in their Report said that if members would pay their subscriptions regularly, and if they would get some honorary members in every parish, we could pay our way as we did in 1931.

Unfortunately our accounts show that neither of these things have been done. Subscriptions are more in arrear than ever, and fewer honorary members have been obtained. So that if it were not for the Whist so excellently arranged by our good and generous friends at Sproughton, we should be in debt. If, therefore, the Guild is to continue, we must make a serious effort to improve our present position.

To turn to more interesting topics. Again we have to report an advance in spite of bad times. The important ring at Debenham has been excellently re-cast and re-hung, and the awkwardly built tower strengthened. The sixth bell we started an appeal for, is now made and given, and in use at St. Matthew's, Ipswich. At the time of writing, the glorious old ring from Woodbridge is in the Foundry being re-hung. We hear that other towers are likely soon to improve their bells.

The Diocesan Gazette has published appeals to those parishes where there are cracked bells—alas, there are too many in Suffolk—to have them welded. It would be well if a list of these cracked bells could be made.

Signed on behalf of the Committee,

APRIL 22ND, 1933. W. C. RUMSEY.

# Ringing Master's Report.

During the past year 101 peals were rung, this being the first time that the hundred mark has been reached by the Guild. 193 members took part in these performances, many ringing their first peals, and others their first peals in various methods. Peals were rung in 37 different towers; Leiston with 13, and Ipswich St. Mary-le-Tower with 11, heading the list. 30 members appear as conductors.

The methods rung cover a wide field of campanology, ranging from Doubles to Maximus, the Surprise sections being, as in past years, especially well represented. New methods added to our list include Double Norwich C.B. Royal, Ashstead, Edmundsbury, Essex, and Helmingham Surprise Major.

Our old friends, the bands at Helmingham, Ipswich St. Mary-le-Tower and Leiston continue to enrich our records with excellent performances, and it is pleasing to note the increasing progress of the band situated in and around Stowmarket who crowned a good year's work with a peal of 7,616 Treble Bob Major, the longest length yet rung for the Guild. Other performances worthy of note are the peals of Minor in seven methods at Ipswich St. Clements and Tunstall, and the Oxford T.B. Major on handbells at Cretingham.

A notable occurrence of the year has been the restoration of Debenham bells, and since the re-opening of this renowned ring several peals have been rung upon them, a tribute to the excellence of the workmanship expended upon them. It is to be wished that other famous peals in the county could have similar attention.

CHAS J. SEDGLEY,

MARCH 10TH, 1933. Ringing Master.

# CHURCH BELLS REPAIRED
## BY BARIMAR

*A fine old bell sadly shattered.*

**Some Bells repaired by Barimar.**

Metfield Church, Harleston, Norfolk.
Hardwycke, near Wellingborough.
St. Mary-le-Tower, Ipswich (No. 7 of a peal of 12).
Dunster, Somerset.
Filey Church, Yorks.
Ightam Church, Kent.
Southfleet Church, Kent (3 Bells).
Earsham Church, Norfolk.
Shelton, Beds. Bledington, Glos.
Ogbourne St. Andrew, Wilts.
Brackley Town Hall.
Pangbourne Nautical College.

In the churches of Britain there must be many old bells which are silent through injury.

The Barimar Scientific method of welding has repaired many a fine old bell, so that its inscriptions and founder's mark have been preserved, and the **tone of the bell has been restored.** This has been proved in cases where bells in peals have been restored to perfect tune.

The cost of repairing a cracked or fractured bell by the Barimar Process is low, and the work is undertaken on the understanding that a perfect repair is made or the money paid will be refunded in full.

*Repaired and restored by Barimar at small cost, equal in tone and strength to new. Repairs completed within a few days and "Barimar Guaranteed."*

# THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

# ST. EDMUNDSBURY AND IPSWICH.

## OBJECTS.

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the conditions of bells and their fittings.

# CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2/6 a year; the other Members (including the Clergy), 1/6 a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

# RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/6 per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

## Report for 1933.

Although the new subscription only takes effect this coming year, yet the fact that the change was made in 1933, brings the matter into our present Report. The change seems to have had the wholesome result of causing members to pay more punctually last year. Also the accounts were not closed arbitrarily on December 31st, but a few days later, so as to get in all the 1933 money. The result has been that we have in fact increased our balance slightly during the year. The suggestion was made last year that the different bands should collect the subscriptions of their members at the first meeting in January, and send the amount at once to their District Secretary. This has been done in many cases, so that we ought not to be in any financial difficulty in future.

Each year lately we have chronicled the re-hanging of eight bell rings. So we now have Wilby, Halesworth, Southwold, Debenham, Stradbroke, and this year Woodbridge, as pleasant towers to ring in. Ufford and All Saints Sudbury, are at present silent, awaiting repairs, and we hope soon to ring again at Kelsale. Of six bell towers, Otley can rejoice in their new and well-made frame; but Saxmundham is not yet put into ringing order.

We have not so far made a list of the cracked bells in the Diocese; but four of the bells at Woodbridge, which were cracked, have been welded, one of the three at Kettlebaston, and the single bell at Blythburgh. These are all now ringing quite well again, so we may hope soon that all cracked bells will be a thing of the not-very-creditable past.

Quite a number of new bands are learning changes, but they are not far enough advanced to join the Guild.

Signed on behalf of the Committee,

APRIL 7TH, 1934. S. W. GOLDSMITH.

# Ringing Master's Report, 1933.

The general decline in the number of peals rung throughout the country as disclosed in the C.C. analysis, extended to Suffolk, and we have a considerable decrease to record, 83 against 101 in 1932. Various reasons, which will readily occur to our members, can be assigned for this, and does not necessarily mean that less ringing has been done. The most disturbing feature is the decline in Minor ringing. In the three years 1928-30, 93 peals of Minor were recorded, against 57 in the three years 1931-33; this should give rise to serious thought, and stimulate us to give every assistance to the encouragement of ringing in the six-bell towers and country districts.

Although our peal list has lost somewhat in quantity, the high standard of recent years has been well maintained, and new additions have to be recorded in Little Albion T.B. Max., and Bosmere, Daventry, Waveney, and Woodbridge S. Major. In recording the four latter methods, it is a pleasure to note that the Suffolk Guild, by the efforts of two of its premier companies, is maintaining a foremost place in the remarkable development in Surprise ringing which has taken place in recent years.

Peals were rung in 34 different towers, Framsden with 16 being easily first. 161 members took part, 29 of whom shared the conducting. Several members have rung their first peal during the year, and others their first in various methods.

Meetings have been held at several places during the year, and have been fairly well attended; but it is to be hoped that more members will support them, and take advantage of the opportunities offered of practice and instruction.

CHAS. J. SEDGLEY,
Ringing Master.

March 30th, 1934.

**N.B.**—Owing to an oversight the composition of the peal of Cambridge Royal printed in last year's Report was credited to Mr. Geo. E. Symonds, it is of course the well known composition by Mr. Wm. Pye.

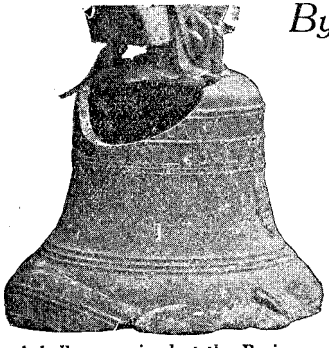
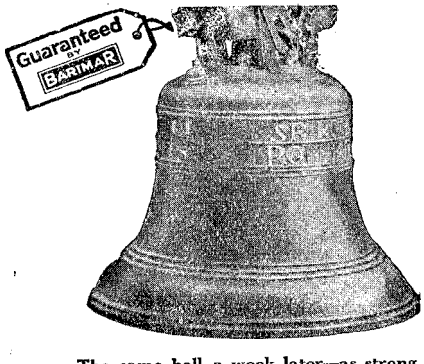
# CHURCH BELLS REPAIRED

## *By* BARIMAR.



A bell as received at the Barimar Works.



The same bell a week later—as strong and as pure in tone as when it was new.

BARIMAR LTD

*The Scientific Welders of Bells,*

**14-18, Lamb's Conduit Street, London, W.C.1.**

No matter how badly a bell is damaged we can restore its note and beauty.

Barimar scientific welding has restored hundreds of bells, from the small ones of ships to the noble giants from ancient belfries. The inscriptions and the founder's mark are retained. None of the historical charm is lost.

The cost of the special exclusive Barimar repairing process is always low. The work is done under a firm guarantee that if a perfect repair is not made the money will be returned in full.

## OBJECTS.

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.**—To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the conditions of bells and their fittings.

# CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2s. 6d. a year; the other Members (including the Clergy), 1s. 6d. a year.

(d) Life Members, residing out of the Diocese, to pay 5s.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmunds alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

# RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1s. in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1s. 0d. per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. ## Report for 1934.

The past year has not been an eventful one for Ringers. Finances have for the present ceased to trouble the Guild, although it is hoped that all members will pay their subscriptions each January.

Kelsale tower is now repaired and open for ringing once more, and a new band is under instruction. When this band has been built up again, we may hope that they will be able to equal the record of the famous band once in that village, all of whom have left us, during the period when the bells were not available.

Ufford, All Saints Sudbury, and Saxmundham, are still in the condition of hope deferred. May they ring again while the ringers are still alive.

The pre-reformation ring of five at St. Lawrence, Ipswich, are now in good order again, and are being rung in Changes; and the poor bell in the ring at Bardwell is being recast in our local Foundry.

The annoyance caused by noisy bells is giving the Guild some anxiety. Now that it is known how to obviate this at very little expense, there is no excuse for the annoyance being continued anywhere.

Signed on behalf of the Committee,

CHAS. E. FISHER.

27TH APRIL, 1935.

# Secretary's Report for 1935.

There has always been a demand for a Report that would be published in the early part of the year, instead of July or later. To have done so in two successive years would have meant leaving only six months between two issues. The cost alone of this would have made it impossible. The alternative is to have a double number, really covering 18 months. This is what we have now done, and if there are any members who have not yet paid for last year, will they please pay for the two years together, to cover the cost of this Report.

It will be seen that our numbers have gone up, and that at 1,011, they are again over the thousand names.

During the year, the rings at Stoke-by-Clare and Hinderclay have been re-hung, and now go well with new bands to ring them. At Stoke-by-Clare, it is due to the generosity and keenness of the Rev. E. W. Carpenter, who has retired and settled there, and rings regularly, that both bells and ringers are in good trim. The ring at Bardwell has also been attended to, and the faulty bell recast. The Ufford bells are now at Loughborough, and we hope soon to have peals rung again. If we can help to have the eight at Horham rehung, we will.

In revising the Directory of Towers at the end of this Report, we are struck with the many omissions. Will every one who reads this please turn up their tower, and any other they know about, and send me at once any corrections needed there, and in the list of members?

I say, "at once," as this is perhaps the last thing I can do, as Secretary of the Guild. If any of you are at all grateful for the work I have done for the Guild during the 14 years of its existence, will you please send me a little towards our re-hanging at Ufford. We are very grateful for those who have already sent; but if each tower to which this report goes, were to send one shilling, something could be done which would commemorate the Guild here.

Wishing you all goodbye,

HERBERT DRAKE,
Secretary.

Ufford, Woodbridge.

# Ringing Master's Report.

The peals recorded for the Guild in the two years 1934-35 numbered 167, in 1934 78 being run, and 89 in 1935. For purposes of comparison the following table gives the totals on various numbers for the past three years.

| | 1933. | 1934. | 1935. |
|---|---|---|---|
| Maximus ... ... | 6 | 6 | 4 |
| Cinques ... ... | 2 | | 2 |
| Royal ... ... ... | 2 | 3 | 1 |
| Major ... ... | 51 | 39 | 47 |
| Triples ... ... | 4 | 7 | 8 |
| Minor ... ... | 14 | 20 | 25 |
| Doubles ... ... | 4 | 3 | 2 |
| Totals ... | 83 | 78 | 89 |

A glance at this will reveal a rather surprising drop of 12 in Major peals in 1934, which has been almost recovered the next year. It also indicates that there is a revival in Minor ringing, which is in fact the case, as our records show more bands are ringing peals. This revival is particularly welcome, as it can scarcely be doubted that six bell ringing is the foundation of all ringing.

We maintain our reputation for variety, the Surprise group seeming to be the most favoured. Of these methods on eight bells, we recorded 42 in fifteen different methods, eight of them being rung for the first time by the enterprising Helmingham band. This band has now rung peals in more than thirty different Surprise methods. Included in the peals of Minor were twelve in 7 methods—always a good performance. The Ipswich St. Mary-le-Tower band continues to give a lead to the ringing

fraternity in Maximus ringing, and three peals of Rochester are recorded, the first of Surprise Maximus ever rung in an extending lead method. Other notable peals are the 10,368 of Kent Treble Bob Major at Horringer, the longest peal yet rung for the Guild; the Symonds' "name" peal at Stowmarket, and the peal at Woodbridge on His late Majesty's Jubilee Day, the only peal completed in the county on that day, this peal is also remarkable for the number of "firsts" in it.

Members to the number of 185 took part in the peals, of whom 42 appear as conductors; a remarkable feature being the number ringing either their first peal, or their first in a fresh method, a large proportion of the peals have footnotes indicating this, showing a desire on the part of our members for advancement in the art.

The standard of ringing seems to be well maintained in the county, and many churches have their bells rung regularly for service by members of the Guild; but again I would urge our more experienced ringers to encourage in every way, beginners and learners as they come along, and thus assist in upholding the old East Anglian tradition of change-ringing.

CHAS. J. SEDGLEY.
Ringing Master.

The cost of the special exclusive Barimar repairing process is always low. The work is done under a firm guarantee that if a perfect repair is not made the money will be returned in full.

## OBJECTS.

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

# CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2s. 6d. a year; the other Members (including the Clergy), 1s. 6d. a year.

(d) Life Members, residing out of the Diocese, to pay 5s.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmunds alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

# RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st and, on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1s. in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1s. 6d. per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.†

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

## Report for 1936.

During this year, there seems to have been continued progress, both in the art of ringing, and in improving the condition of Church bells. While there are still Churches where no progress seems to be made, there are many others where beginners are being taught, or where the more experienced are practising new methods. This latter is especially the case at Helmingham, and at St. Mary-le-Tower. In the latter church a new peal board has been erected across the whole length of one wall of the ringing chamber. This was unveiled by Mr. E. H. Lewis, the President of the Central Council of Ringers, on November 28th, who spoke of the reputation which these two bands had gained throughout England for their pioneer work in exploiting new methods.

There are, alas, still some churches who do not seem to trouble about the disgraceful state into which they have allowed their bells to remain, but these are getting fewer. Among newly re-hung rings, the Guild is especially interested in that of Ufford (now a lovely peal in a well-appointed tower), where the Guild raised more than the £10 it appealed for, so that the frame should be made large enough to add more bells later on. The eight at All Saints', Sudbury, are being re-hung; and an appeal for Horham, the first (as well as the lightest) old ring of bells to be cast (in the seventeenth century), is now being made.

Signed on behalf of the Committee,

CHAS. E. FISHER.

# Ringing Master's Report.

The year 1936 was a fairly successful one as regards peal ringing, a total of 90 being accomplished in a large variety of methods from Doubles to Maximus. These peals were rung in 39 different towers throughout the Diocese, 30 members sharing the conducting. Many members are showing the desire for advancement in the art, as will be noted by the number of footnotes to peals recording "firsts" in various methods.

The Guild took its part in the universal expression of sorrow at the passing of His late Majesty King George V., and as will be seen from our records, nine peals were rung, as well as many shorter touches with the bells deeply muffled.

Our peal list continues to grow, and should be a source of pride to every member of the Guild. Five new methods are recorded, Chester, Cornwall, Leeds, and Double Dublin Surprise, by the enterprising Helmingham band, and St. Clement's Major at Stowmarket. Congratulations are due to these two bands, and also to the conductor of the Holt's Original at Grundisburgh, a feat which is somewhat of a rarity.

In addition to the recorded peals, much work is done by members of the Guild in maintaining Sunday Service ringing, and also in the teaching of beginners in the art.

CHAS. J. SEDGLEY,

Ringing Master.

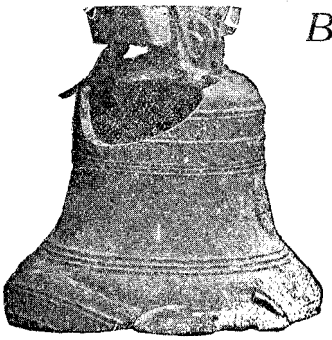
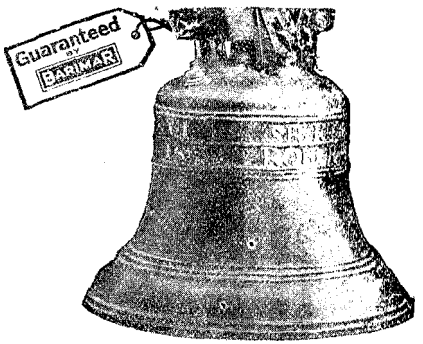
# CHURCH BELLS REPAIRED

## *By* BARIMAR.



A bell as received at the Barimar Works.



The same bell a week later—as strong and as pure in tone as when it was new

BARIMAR LTD

*The Scientific Welders of Bells,*

**14-18, Lamb's Conduit Street, London, W.C.1.**

No matter how badly a bell is damaged we can restore its note and beauty.

Barimar scientific welding has restored hundreds of bells, from the small ones of ships to the noble giants from ancient belfries. The inscriptions and the founder's mark are retained. None of the historical charm is lost.

The cost of the special exclusive *Barimar repairing* process is always low. The work is done under a firm guarantee that if a perfect repair is not made the money will be returned in full.

# THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

# ST. EDMUNDSBURY AND IPSWICH.

---

## OBJECTS:

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

# CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2s. 6d. a year; the other Members (including the Clergy), 1s. 6d. a year.

(d) Life Members, residing out of the Diocese, to pay 5s.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmunds alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

# RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st and, on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1s. in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1s. 6d. per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.†

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

# Ringing Master's Report, 1937.

The peals rung for the Guild in 1937 totalled 107, this constitutes a record, the only previous year on which the 100 has been passed being 1932, when 101 were rung.

As usual peals on all numbers from Doubles to Maximus were accomplished. The conducting of these peals was carried out by 36 members and it is interesting to note several fresh names in the list, as is also the appearance of new towers in our tower list, especially noteworthy being Ufford, where first peals were rung on the recently restored bells, and Exning, from which part of the county few peals are recorded.

The voice of the bells plays its part on all occasions of national importance, and the bells of Suffolk rang out their message at the Coronation of their Majesties. As will be seen from our peal list, seven peals were rung on this occasion.

In analysing the peals it will be seen that the county's only twelve-bell tower—St. Mary-le-Tower, Ipswich—continues its activity with 5 peals of Maximus, 1 of Cinques and 2 of Royal, the last including 1 of Rochester S. Royal; the only peal yet rung in that method. We are glad to see a peal of Kent T.B. Royal on the grand ring at Beccles, and also peals in the same method and Grandsire Caters at Stonham Aspal. Major methods with 44 are the most numerous and chief credit must again be given to the Helmingham band, who continue pre-eminent in the Surprise section with 6 new methods besides the standard ones. The Stowmarket band have also done well under the leadership of their keen conductor, H. L. Lister. Suffolk still shows allegiance to the old East Anglian traditions of "Tenor in," and only 5 peals of Triples were rung. Peals of Minor and Doubles number 42, an increase of 8 on last year.

Meetings during the year have been held at Stowmarket, Sproughton, Lavenham, Coddenham, Long Melford and the annual at Sudbury, where once again we have 3 peals of 8 bells in good ringing order. We would like to remind secretaries and members, when sending subscriptions, to enclose names, so that a correct list of members may be kept.

This report can hardly be concluded without reference to the ringing activities of Miss Sylvia Bowyer, who by ringing 42 peals in the year has set up a record, not only for the Guild, but for ladies throughout the country. We offer our congratulations to this brilliant young Ipswich ringer.

CHAS. J. SEDGLEY,
Ringing Master.

# CHURCH BELLS REPAIRED
# BY BARIMAR

NO matter how badly a bell is damaged we can restore its note and beauty. Barimar scientific welding has restored hundreds of bells, from the small ones of ships to the noble giants from ancient belfries. The inscriptions and the founder's mark are retained. None of the historical charm is lost. The cost of the special exclusive Barimar repairing process is always low. The work is done under a firm guarantee that if a perfect repair is not made the money will be returned in full.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

# RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st and, on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1s. in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1s. 6d. per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.†

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

# Secretary's Report for 1938.

It is with great regret that we have to record the death of the Archdeacon of Suffolk, Ven. J. G. R. Darling, M.A., one of our Vice-Presidents, also of Mr. Arthur Symonds, of Lavenham, one of the founders of the Suffolk Guild and a good instructor and help to young ringers.

Mr. C. J. Trotman, of Woodbridge, he, too, had taught a young band to ring and did a great deal in making the ringing chamber at this tower so bright and clean; and Mr. Harry Smith, of Assington, not known so well as above members, but very interested and keen to teach the art of ringing.

Meetings have been held at Beccles, Ipswich, Hollesley, Kedington, Stratford St. Mary, Debenham, Sudbury, Newmarket, Woodbridge, Elveden, Saxmundham and Redgrave.

We should like to thank all members for their support and help and especially to the District Secretaries in collecting members' subscriptions.

HAROLD G. HERBERT,
Hon. Secretary.

## COMMUNICATED BY REV. H. DRAKE.

The representative of the Suffolk Guild on the Rural Community Council was asked to arrange for a dozen members to meet the Duke of Kent on his visit to the county on June 8th. As head of this organisation, his Royal Highness wished to see what was being done in this, the latest county to have a R.C. Council. It was impossible to get anyone from West Suffolk, but others from nearer towers (including Miss Sylvia Bowyer, who works there), met at the County Hall. The representatives met in the Council Chamber, where a few were presented to his Royal Highness. The rest were in the car park below, where he went up to several by himself, and spoke to them in turn, thus almost the first he spoke to were ringers, and he had a long talk to our members, being much interested in our art, of which before he had never heard. As two of our members were at Leeds for the Central Council the previous day, it had meant an early start, and a long journey to arrive in time, but we felt that it was worth it to have interested Royalty in our art, a matter which so many in high places take for granted.

# Ringing Master's Report, 1938.

The year 1938 provides us with the largest number of peals yet recorded for the Guild—116. This total would without doubt have been higher but for the very severe weather at the end of the year. These peals have been rung in 47 towers in Suffolk and two in Essex. St. Mary-le-Tower, Ipswich, heads the list with 12 peals—10 of Maximus and two of Royal. The St. Mary-le-Tower Society as will be seen from the peal list, has had a record year and remains in the front rank of twelve bell bands. Helmingham and Framsden have 13 peals between them and the band attached to these towers has again provided some very good performances, including four new Surprise Methods. The band centred around Stowmarket continues to do good work and is responsible for the three peals on the fine ten at Stonham Aspal.

Our six bell bands have again been active, having rung 41 peals, including 9 in seven methods. A peal of more than usual interest was recorded at Debenham on December 3rd by a band of "Williams." The responsibility of conducting was shared by 40 members, as against 36 last year. It is worthy of record that several members have rung their first peal or their first in various methods.

By ringing in 51 peals for the Guild, Miss Sylvia Bowyer, of Ipswich, has set up an outstanding record of enthusiasm and ability, which should prove an example to our young ringers.

Bell restoration has taken place at Saxmundham, where the ring of six has been re-hung, and also at All Saints, Sudbury; whilst a welcome addition to the eights in the county has been provided at Hollesley, where a new peal has been installed as a golden wedding memorial by Sir John and Lady Jervis-White-Jervis. Is it too much to hope that the bell-hangers' services will be requisitioned for other of our Suffolk peals which are in a bad state, notably Horham, the oldest ring of eight in the county, and the fine old peal at Boxford, both of which are now unringable?

CHAS. J. SEDGLEY,
Ringing Master.

# THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

# ST. EDMUNDSBURY AND IPSWICH.

---

## OBJECTS:

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

# CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2s. 6d. a year; the other Members (including the Clergy), 1s. 6d. a year.

(d) Life Members, residing out of the Diocese, to pay 5s.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmunds alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

# RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st and, on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1s. in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1s. 6d. per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.†

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

8.—Should a ringing member, having paid five consecutive years subscription, remove from the Diocese, he may without further payment, become a Non-Resident member for such time as he continues to reside outside the Diocese.

# Secretary's Report for 1939.

During the year 60 new names have been elected members of our Guild and we have a nett gain of 20.

We are sorry to have to record the loss by death of Mr. E. F. Poppy, one of our keenest and best known ringers throughout the Guild; also of Mr. F. C. Clarke, of Grundisburgh, Mr. C. Tyler, of Stonham Aspal and Mr. Ernest Lincoln, of Bungay.

We have held meetings at Bury St. Edmunds, Ipswich, Halesworth and Clare; a meeting to have been held at Fressingfield in September was cancelled.

May we thank members and district secretaries for their help and support by the collecting and sending of subscriptions.

The district secretary for Mildenhall resigned owing to ill-health, this post we have been unable to fill at present.

HAROLD G. HERBERT,

Hon. Secretary.

## R.I.P.

We offer sincere sympathies to the relatives of the following members of the Guild who have died during the year.

CLARKE, FRED C., GRUNDISBURGH. One of the old generation of ringers, whose son and grandson have both followed in his footsteps.

POPPY, ERNEST F., STOKE ASH. One of the best known members of the Guild; a keen ringer and Churchman, he was a Churchwarden of his parish church, Stoke Ash, and member of the Rural District Council. His peals, which included many of more than ordinary interest, totalled 346, of which 89 had been rung for the Suffolk Guild. He had a great knowledge of East Anglian ringing lore, which made it a pleasure to meet and talk with him. His genial personality and sage counsel on committee will be greatly missed.

LINCOLN, ERNEST, BUNGAY.

TYLER, C., STONHAM ASPAL.

# Ringing Master's Report, 1939.

During the year 1939, covered by this Report, 54 peals were recorded for the Guild, all with one exception, rung in the County; 139 members taking part in them and 24 appearing as conductors. These peals were all rung in the first eight months of the year, there having been a complete cessation of peal-ringing since the outbreak of war.

The St. Mary-le-Tower Society again had a successful year, ringing 7 peals on their own bells, including the first of York Surprise Maximus ever rung; they also rung at Debenham, the first of York Surprise Major for the Guild, and the only peal outside the county, Cambridge Surprise Maximus at Yarmouth, the first on the bells.

The Stowmarket band, with several good performances, including a successful day at Elveden and Mildenhall on Easter Monday, have again done well. It is a pleasure to record a peal of Bristol Surprise at Leiston, bringing to mind, as it does memories of the great days of the local band. We miss the customary outstanding performances of our Helmingham friends, this being the first time for several years we have not had to record "the first in the method" by them, we shall look confidently for a revival here, when the dark days of war have passed. Our six-bell ringers have some meritorious performances to their credit, including three peals in seven different methods. We should like to see more of our six-bell bands throughout the county appearing in our records.

The Directory has again been included in the Report, in the hope that it will be useful to ringers when arranging visits to other towers. We are indebted to Mr. Fred Bowell, of the Ipswich Bell Foundry, who has a great knowledge of Suffolk bells, for his help in revising and bringing it up to date.

As this is the last Report that will be issued—in all probability—for some time, I should like to conclude by asking members to do all they can to interest and train beginners in the art. Meetings can be arranged on Saturday afternoons and evenings in the summer time, and if visitors are welcomed and encouraged, much can be done. If tower bells are not available, get the handbells out and practice on these, there is no more fascinating branch of our art. It should be realised that there is just as much interest—and perhaps more credit due—in getting a beginner through his first 720, as through his first peal.

CHAS. J. SEDGLEY,
Ringing Master.

# REPORT FOR 1946.

The increase of ringing member's subscriptions, which was discussed at the last annual meeting, was put into effect at a meeting at Bury St. Edmunds on January 5th, together with the Revised Rules, Objects and Constitution which were drawn up by a Rules Committee.

Much publicity was given to the revision prior to adoption and we thank Mr. Oliver Barnard for providing the copies which were distributed to District Secretaries.

Many changes have taken place since the last report and the work of the Secretaries will be made easier if all members pay their subscriptions early in the year.

In order to ensure a more complete audit, it will be appreciated if District Secretaries will forward their receipt books, together with cash and accounts, at the end of the year to the General Secretary.

The Annual Meeting will take place at Ipswich on Easter Monday, as it is felt that members would prefer more time for ringing. Bells will be available from an early hour and it is intended to provide a good lunch which will follow the mid-day service at St. Mary-le-Tower. A good attendance is requested and those requiring lunch will be wise in notifying the Secretary in good time as the number will be limited.

Following the decision made at the last Annual Meeting, the names of only those who have paid subscriptions up to and including 1945 have been published in the Report. Much care has been taken to ensure accuracy, but any mistakes will be rectified if written notification is given to the General Secretary. The subscriptions of members serving in H.M. Forces are waived, but the privileges of the Guild are extended to them during their service.

Signed on behalf of the Committee,

CECIL W. PIPE.

# SECRETARY'S REPORT FOR 1940-45.

After nearly six long and weary years of war the activities of the Guild are gradually reviving and 1946 opens with hope and promise. Ringing, like any other phase of normal life was disrupted and suffered badly, and a gigantic effort on the part of all of us is required to put the Guild on the footing it rightly deserves.

Many of our bells were unrung before the war, and it would be no exaggeration to say the present position is many times worse, and in this connection alone I ask everyone of you to do all in your power to improve this unhappy state of affairs.

There are many towers with bells in good condition but with no ringers to sound them, and I think it is our rightful duty to visit these isolated parishes now and again to convey the joyful message of the bells to the public. That the people still love the sound of their Church bells properly rung, there is not the slightest doubt, and I dare say many young recruits in all parts of the county will be attracted to our art, compensating us in time for our trouble and finally proving themselves assets to the Guild.

Upon examination it will therefore be seen that our duty to the Church, the public, the Guild and ourselves, is to see to it we are strict Sunday service ringers, visiting occasionally those towers where there are no ringers and keeping an ever open eye for the right type of young person as a potential ringer and giving that training which will ensure good striking and keenness, and a worthy member of the Guild.

The years of war have taken a heavy toll of our membership; age, too, is showing its signs on some of our most brilliant and reliable ringers and if we are to reach the high peak once enjoyed by our 6, 8 and 12 bell ringers, we **must** look for new and young blood to fill the ranks.

The next few years will prove the greatest test our art has ever faced, as the aftermath of a war usually does, and an even greater test will be put to change ringing than we faced after the 1914-18 war.

With the many types of pleasure and amusement and the easy means of travel that are presented us to-day, we may find

ourselves as voices crying in the wilderness, and the danger that ringing is dying out, so often repeated in the past as a prophecy, may in fact become a reality.

But now is the time to face up to these facts and to see to it that never (at least in our lifetime) shall ringing of any kind vanish from the face of the earth. Never let it be said that the glorious sound of Church bells, together with its traditional art which has been handed down to us for hundreds of years, died a natural death in the middle of the 20th century, due to the lack of interest of the ringers of that time, who had the chance to revive it.

We have our chance and a better one than was ever available. The majority of our bells are in good order and some magnificent rings hang in towers throughout the county. Transport too is fairly easy, but we must all, every one of us, pull our weight and ring our bells and find those recruits and ever be ready to improve our knowledge and striking.

In electing me as General Secretary you have rendered me an honour which I trust I may repay by efficiently carrying out the many duties involved in this office and by any improvement conducive to the welfare of the Guild and to the happiness and pleasure of you all, and finally, if not firstly, to the service of the Church and the public. My first duty was to visit Long Melford far away from us here in East Suffolk. I have hitherto understood this district to be on its last legs, but I was agreeably surprised to find a fairly large gathering of ringers turn up, and the ringing itself to be of a superior quality. It was at this meeting that Mr. E. Ambrose, who had faithfully held the position of District Secretary for many years, announced his wish to retire and Mr. Archie Fitch was elected to the vacancy. I formed the opinion that Mr. Fitch was the right man for the job and I am most happy to say I have had no reason to alter that opinion.

At a later date I journeyed to Clare, again with the idea that I should be lucky if I found a band large enough to ring the 8 bells. Suffice to say the meeting was a success and some good striking was enjoyed on these ponderous but lovely bells.

At a meeting at Horringer another change of District Secretaries took place when Mr. A. Gillings took over office from

Mr. W. Chinery, of the Bury district and once again I felt we were fortunate in securing such an enthusiastic young man. Indeed, Mr. Gillings has already proved himself a great asset to the Guild and I look upon him as one of my right hand men. At a joint meeting at Beccles, organised by Mr. Edwin Goate, I met many old friends and by the numbers that were present one had little doubt of the high esteem in which Mr. Goate is held.

Another successful meeting was at Halesworth and some good ringing by members far and near was brought round. The very name of this East Anglian town reminds all of us of Mr. Fred Lambert, a loyal and faithful Secretary of the Guild. We were sad to find he had been removed to hospital, but I am most thankful to say he is now out and about and carrying on the good work.

Lavenham day was enjoyed by hundreds so it seemed, judging by the crowds who invaded the mighty tower and it was good to see Mr. Stedman Symonds and his regular Sunday service band in their usual fine form, famous for their striking.

The vacant District Secretaryship at Hadleigh caused by the death of Mr. Charles F. Mee, was filled by Mr. Joe Corder, one of the young band in training at this noted tower. I am amazed at the pertinacity of these young people at Hadleigh. Their enthusiasm is undaunted in spite of the poor going of these great bells and one can only admire them for their continued Saturday night practices and regular Sunday service ringing, and I dare to prophecy that some good material will emanate from this district. I wish Mr. Corder and the Hadleigh band, with their lady heavy bell ringer, good luck and good ringing.

Meetings have also been held at Debenham, where Mr. Rumsey holds the fort. What an example to us young ringers is Mr. Rumsey's record, in training recruits, Sunday service duties, ringing peals in all parts of the county (an enormous amount of which he has conducted), a perfect striker, a safe ringer and conductor and, an unequalled man on a heavy bell, and finally his long and faithful term of office as District Secretary. Although his health has impaired his activities, I trust he may be spared many more years to help us through the difficult transitional period that lies ahead.

In the Helmingham and Framsden towers we have had well attended meetings with a very high grade of method ringing, as is to be expected when in the company of these highly skilled ringers whose performances before the war left us breathless. The records of Messrs. Last, Wightman, Brett, Bennett, Pryke, A. Whiting and the late G. Whiting are worthy of study.

Due to ill health Mr. John Arbon has resigned the Secretaryship of Framlingham district. He, too, has been a good man and his office is held by Mr. W. E. Maulden, one of the most popular men in Suffolk and a talented ringer of bells in hand and in the tower. I hope most sincerely he will stay with us as an officer of the Guild.

Mr. Filby is plodding away in Fressingfield district and his bells at Wingfield are undergoing repair, while in the Eye district, with Mr. Roy Nelthorpe serving in H.M. Forces in India, not a single person has paid the Guild subscription. I hope to visit this district in the near future with a view to rectifying this unhappy state of affairs.

The Mildenhall district has had no Secretary for several years and no subscriptions have been received from any of its members. This is not to be wondered at if there is no Secretary to arrange frequent meetings and I intend putting in a new leader or suggesting an amalgamation with Bury.

The Saxmundham district, under Mr. W. Smith, has rendered a fair amount of subscriptions and we look to this district to show us it has still some of its life left, and those prolific records of the past which have gone down in ringing history are capable of repetition.

We are glad to see the return of Mr. H. D. Lister to Stowmarket and we remember his notable performances up to the outbreak of war. With Mr. Oliver Barnard as a reinforcement to the local company and a coming leader in the Guild, together with Mr. G. Blaxcell to push up the peal totals, and Mr. Bertie Chilvers as Secretary, there is every indication of the success of this district.

Mr. Fred Bowell and his assistant, Mr. Geo. E. Symonds, have retired from office in the Ipswich district. Mr. Bowell

is well known for his success as a friend and trainer of beginners and Mr. Symonds' name is world wide as a ringer and conductor. The district is now under the leadership of Mr. James W. Jennings, a keen young man with instructors' qualifications, and we feel confident of his success.

Last of all comes Woodbridge district, which has been under the able guidance of Mr. Charles E. Fisher, whose popularity has gained him a name well known in Norfolk and Suffolk. As Treasurer and District Secretary since the formation of the Guild, as a trainer and conductor and regular Church attendant and Sunday service ringer, Mr. Fisher has gained high respect for his contribution to the Guild and the exercise. It was with great regret that we had to accept his resignation of office and although I thank him publicly I feel we are in his debt for the loyal and loving work he rendered the Guild for so many years. Thank you, Mr. Fisher. You have elected me to fill these two positions for the time being and I trust the confidence you have in me will not be misplaced.

In conclusion, I thank all members for their loyalty to the District Secretaries and to myself, and ask for still greater co-operation all round, with more recruits and more service ringing, always with the thought behind our minds that only the best is good enough for God and the Church.

CECIL W. PIPE,
*General Secretary and Treasurer.*

# RINGING MASTER'S REPORT, 1940-45.

During the period under review, 47 peals have been rung for the Guild, the yearly totals being: 1939, 2; 1940, 2; 1941, 1; 1942, 4; 1943, 1; 1944, 10; 1945, 27. The ringers taking part in these peals numbered 94; those appearing as conductors being 17. For the first time in many years no new methods have been recorded, peal ringers confining themselves generally to the old favourite Standard methods, the old East Anglian preference for "Tenor in" is again shown; no peals with the Tenor covering have been rung.

During the ban years ringing became in a more or less moribund condition, only those places with a tradition of handbell ringing being able to keep practical interest alive. As will be seen in the peal list, a few handbell peals were rung in and near Ipswich; it may be of interest to record that the last part of one of these was rung after the "Alert" siren had sounded. It is to be wished that more ringers would take up this very fascinating branch of the art.

The ban was lifted on two occasions and each time bands responded as well as their depleted numbers would allow, and the bells rang out their message of Victory. With the complete lifting of the ban, peals became more numerous, although they were mostly confined to one small district bounded by Debenham, Framsden, Helmingham and Woodbridge. Perhaps as members get back from the Forces and things return to normal, we shall see peals rung in other parts of the county; peals do not of course represent everything in ringing, far from it, there are other interests, Sunday Service ringing, Guild meetings, where we can renew old friendships, and so on, yet it cannot be gainsaid that peal ringers show a keen and healthy interest in the art.

Amongst the peal ringers are noted two remarkable young performers, Master Geo. W. Pipe, who rang his first peal—Bob Major at Woodbridge—at the age of ten, and Master John R. Mayne, who rang a peal of Camb. S. Major at Ufford at the age of twelve; both have the advantage of having parents who are good ringers. They are to be congratulated on their achievements, which should be an encouraging example to other young performers.

CHAS. J. SEDGLEY,
*Ringing Master.*

# R.I.P.

We offer sincere sympathies to the relatives of the following members of the Guild who have died since the last report.

ABLITT, GEORGE A. For many years captain and ringer at Hasketon. His peals for the Guild numbered close on 100, many of which he conducted. He had rung over 100 for the N.D.A.

BOWELL, ALFRED, BELLFOUNDER, OF IPSWICH. The whole exercise has suffered a great loss by his passing. His skill as a bell hanger was unequalled and his genial personality gained him wide popularity with all whom he came into contact. Peals, 2; N.D.A., 23.

CATCHPOLE, CHARLES A. Ringer at St. Mary-le-Tower and a great friend of all who knew him. His death was deeply regretted and we feel we have not only lost a great ringer, but a dear friend. His peals numbered 175. N.D.A., 130.

CRICKMER, WILLIAM C., of EARL SOHAM. He was famous as a ringer in the 16,608 Oxford Treble Bob at Debenham on June 6th, 1892, which occupied 10 hours 32 minutes. He had rung 6 peals for the Guild and 119 for the N.D.A.

FARNISH, GEORGE, ASHBOCKING. Well known for his preference of six bell towers and good striking. An able conductor, he had rung about 50 peals.

MEE, CHARLES. His passing was heard with regret by the hundreds who knew him, for there was never a more lovable man. As a ringer and conductor on bells in hand and in the tower, he was supreme in his day. His peals for the Guild numbered 26. For the N.D.A., 121.

RIVERS, EDGAR, SPROUGHTON. A great ringer of years gone by; his passing has left a gap in our ranks. His peals numbered 26, but a far greater number with the N.D.A.

SHEMMING, HERBERT W. Member of St. Mary-le-Tower with whom he had rung some worthy 12 bell peals. He gave his life for his Country while in H.M. Forces and we regret the loss of this young and promising ringer. Our sympathies go out to his father, George and brother, Charles. He had rung 26 peals for the Guild.

SMITH, FREDERICK J. Another sad loss to St. Mary-le-Tower, with whom he had been a member several years after leaving Leiston. A splendid ringer in all methods on all numbers and a genial disposition. We miss him greatly. His peals totalled 126 for the Guild and 98 for the N.D.A.

SMITH, JAMES. Captain and ringer at St. Margaret's, Ipswich and one of the old brigade and a champion of Bob Triples, which was his first peal.

WARD, WILLIAM. An old member of the Guild and the N.D.A., he lived for many years at Ufford and in his younger days rang several notable peals at Woodbridge and district.

WATLING, FREDERICK, of SAXMUNDHAM. Well known in East Anglia at the beginning of the century for his six and eight bell peals. The dryness of his tales and jokes made him popular wherever he went, but the sharpness of his tongue when striking was not up to his high standard earned him great respect. He had rung about 100 peals.

WHITING, GEORGE, HELMINGHAM. We have indeed lost a most talented ringer and conductor and his place will be hard to fill. George Whiting made a name in Suffolk ringing history in ringing so wide and varied a number of peals, many of which he conducted, and as a man he was loved by all who knew him. He had rung 123 peals for the Guild and 50 for the N.D.A.

BAILEY, EDGAR, H. Latterly of Aldeburgh and the eldest of the Bailey brothers; his passing is regretted but his contribution to the Ringing Exercise has been enormous. In the flourishing years when Baileys and Leiston were the marvel of ringers up and down the country, Edgar Bailey made a name which will go down in ringing history. His peals for the Guild numbered 19, while for the N.D.A. they totalled 242, including 39 on handbells on all numbers.

DURRANT, ALBERT, IPSWICH. Although not on the active list during the latter 10 years of his life, his name was great in the days of James Motts and Charles Mee, with whom he rang many a good peal on handbells and in the tower. Albert Durrant loved good striking and was interested more in quality than quantity and we are the poorer by his passing. He rang 36 peals for the Guild and 85 for the N.D.A.

LINDOFF, GABRIEL, of DUBLIN. Life member. We mourn the loss of one of the greatest men in the Exercise, but his name will live for ever in the annals of ringing. As a composer he had no equal and as a man he was loved by all. A great gentleman.

COLES, CHARLES T., HIGHAMS PARK. Life member. One of the greatest ringers that ever lived, his death came suddenly and we were grieved at the news. He was one of the few who had rung over 1,000 peals and conducted a high percentage of that number. Tom Coles was a gentleman in more ways than one. His quiet charm and ever ready eagerness to make way for one to stand in or call a peal, his ability in organising, and his quiet manner in teaching, together with other abilities, made him one of the most popular and respected of ringers in the country.

DAVIS, JAMES E., WALWORTH, S.E. Life member. He was known from one end of the country to the other and will be remembered as one of the greatest conductors in his time, With over 1,000 peals to his credit, Jim Davis was at home on all numbers of bells and the Exercise has suffered a great loss by his passing.

FUSSELL, WILLIAM E., SLOUGH, BUCKS. Life member. One of nature's finest of gentlemen, renowned for his wit and unending stream of stories, a great organiser and writer, and an architect by profession, the late Bill Fussell leaves behind him history that will be read as long as bells are rung. We deeply regret to part with another of those great ringers whose peal totals reach well over the 1,000 mark.

PYE, GEORGE R., CHADWELL HEATH. Life member. We deeply regret the passing of this most talented ringer whose name we were proud to associate with. Brother of the late William Pye, surely the greatest ringer that ever lived. Bob Pye held laurels high in the Exercise and as a ringer, conductor and gentleman he had no equal. He too, reached the terrific figure of 1,000 peals and well towards the 2,000 mark. We mourn his loss and cherish his memory.

PIKE, EDWIN F., BROCKLEY. Life member. Suffolk born and a good all round ringer combined with a jovial personality. His passing leaves a gap in London ringers.

BRETT, ERNEST, CITY OF LONDON. Suffolk born and well known as a member of St. Andrew's, Holborn. Sadly missed.

MADGWICK, WILLIAM R., LONDON. A first class ringer on all numbers and who had travelled the world. Once resided in Ipswich and was attached to St. Mary-le-Tower.

POPNELL, GEORGE, NEWPORT, MON. A young and clever ringer of a cheerful disposition. His death is a blow to towers in Wales.

HOLMAN, JOHN, SHEFFIELD. One of the most loved men in the North of England, he was a service ringer and conductor at the Cathedral for many years.

HOWARD, CHARLES. Master of the Essex Association for many years. Not a great peal ringer, but cherished a love for good Sunday service ringing. A great loss to Essex.

NEVARD, WILLIAM, GREAT BENTLEY. Well known all over East Anglia and had done a lot for the Essex Association, including his own parish bells, which he restored at his own expense.

FITZJOHN, THOMAS, SCARTHO. Formerly of Norfolk, and a staunch supporter of the N.D.A. One of the old school and could be termed a "Fine old English Gentleman."

DENT, WILLIAM, COLCHESTER.

BARTON, HARRY.

ARCHER, GEORGE, DISS. N.D.A., 165.

SYMONDS, FREDERICK C., LONDON. Formerly of Lavenham.

BERRY, ERIC, BENHALL.

GREEN, GEORGE N., BENHALL. Honorary member.

# SECRETARY'S REPORT FOR 1946.

As I write on this New Year's night, I look back on the year that has passed with mixed feelings of satisfaction and regret. Satisfaction on the steady progress of the Guild by increased recruits, re-instatement of members, more peals and conductors and greatest of all, more bells rung for Sunday services. Regret by the loss of several valuable ringers by death, among them Mr. William C. Rumsey, of Debenham, whose performances up to the beginning of the war, made news, and whose service to the Guild as District Secretary was held in high esteem. Bill Rumsey was a man we could least afford to part with, but a Greater Power has called him to his last Home and we are left with his pleasant memories. Would that there arise a dozen men from among us endowed with all his capabilities, we would indeed be rich.

Another item of regret is the small amount of District Secretaries who have remitted subscriptions for 1946. Five in all, including my own district, which leaves nine unpaid. This will seriously affect our credit balance, but I hope for a happier position by the date of the Annual Meeting, when we should be able to show a record financial year.

You will, I am sure, smile at these last few words and visualise what is in the back of my mind. You are quite right and I will not try to hide the fact, but rather to shout from the hilltop in as loud a voice as possible.

It has been proposed and seconded at a General Meeting that a Bells Restoration Fund be formed by the Guild headed by the £40 3% Defence Bonds and swelled by part of our credit balance and a substantial amount of this fund donated to the Grundisburgh Bells Fund. I make no apologies for my persistency in this connection and I trust you will all back me to the last man and maid and help me achieve my collossal task to raise the £1,000 required. I have put my hands on nearly £200 since the last Annual Meeting and which, by the way, has not been easy. The remaining £800 is going to be a far greater task and I shall require not only your sympathy and good wishes, but all the money you can give me. If YOU, dear reader, and all members of the Guild send me £1 this year, Grundisburgh Bells will be re-hung and ready for your enjoyment in far less time than they

are likely to be at present. I cherish the idea of a light peal of ten, which would be very useful to the district, but as beggars cannot be choosers, I must concentrate on the re-hanging of the present eight bells for your future pleasure.

I have given advice on the prospective trebles at Mildenhall and although the money was quickly raised, I hear no news of their immediate installation at the time of writing. This grand tower and present peal, together with two new trebles, should prove an acquisition to the County, and may mean the revival and increase of the art in this remote corner of our hunting ground. Here I would like to say "Good luck and our best wishes to you, Mr. Fordham and Mr. Wallis."

Many meetings have been held during the year in all parts of the county and I have made it my business to visit as many as circumstances would permit. Travel is still difficult and has been the reason for my non-attendance at some obscure District Meeting. Bungay, Fressingfield, Stradbroke, Southwold, Leiston, are only a few of the places I would like to see meetings at, but for the time being I must leave these towers in the hands of our capable District Secretaries and instead of buying that car I must put my spare cash into Grundisburgh Bells Fund ! !

Some good meetings have been enjoyed at Bury under the vigilant eye of Mr. Gillings, and again at Hadleigh in the hands of Mr. Joe Corder, while the Annual Meeting at Ipswich was a fair success, I believe. We enjoyed having the Bishop give us his interesting address and his presence, with other clergy, at the lunch, made the occasion a notable one. The lunch was quite good, which reminds me to tell you I hope to arrange an even better one this year.

An exceptionally well attended meeting was held at Mildenhall and the 50 ringers were entertained to tea and presided over by the Vicar, the Rev. J. Sawbridge. At the business meeting which followed, mention was made of a suggestion to re-hang the bells in ball bearings. Those present were asked to vote whether they were in favour of ball bearings or to let the bells remain in the present plain bearings. It was interesting and revealing to note that 100% voted in favour of the latter.

Meetings at Stowmarket and Sudbury have been held and proved remarkably successful. On two occasions the Ladies'

Guild held the reins while Guild members were happy to do as they were told and we thank Messrs. Barnard and Fitch for their very efficient arrangements which largely contributed to the success of these events.

As regards peals. We took great pleasure before the war in recording some new methods rung by our friends at Leiston and Helmingham and while it is not possible to record a new method rung, we have again broken the ice in doing something new for the Guild by the ringing of a peal in 4 spliced Surprise methods, which took place at Framsden, conducted by Mr. Leslie C. Wightman. The peal of Bob Caters at Ipswich, apart from being beautifully rung, was a new departure from usual practice. Little Bob Maximus was also rung for the first time.

I trust I shall not stand rebuked for writing in bad taste if I mention the second peal of Spliced Surprise at Framsden, which was conducted by my wife, the first lady to reach this zenith in conducting. To her and Mr. Wightman I raise my hat. and to my son, George, in ringing peals of Cambridge and Superlative Major on an inside bell at the age of eleven, I say "Well done."

Mr. Harry Lister has begun a revival of his valuable pre-war work and I am glad to notice there is evidence of more than one peal conductor at Stowmarket. Mr. James E. Bailey has put in some useful work in the Leiston district and the two Leslies at Framsden have again pulled their weight. One name is conspicuous by its absence and in referring to our popular Master, may I say that ill health has prevented him fron appearing in our peals columns. My earnest hope, and that of yours I am sure, is for his speedy recovery to normal health again.

Let me not however, forget to mention the great percentage of those whose names rarely appear in print, but who never-the-less are the backbone of the Guild and ringing in general. Those modest stalwarts who attend regularly their service ringing practices and meetings, and take upon themselves the unthankful task of finding and teaching beginners, deserve our whole-hearted thanks. Your good work is not overlooked and we salute you.

Our District Secretaries have done good work again, Many district meetings have taken place and every member of the

Guild should have had ample opportunity of receiving his money's worth in ringing and meeting old friends. The social side plays a great part in our ringing life and much pleasure is gained from this aspect alone.

The work of the District Secretaries can be made easier and brighter if all members would make a point of attending as many meetings as possible and having put in an appearance, be ever ready to ring when called upon to do so, or to be frank and tell the M.C. the particular method required. Last, but by no means least, the prompt payment of subscriptions at the *beginning* of the year.

We have entered a New Year with all its hopes and fears. What are to be our resolutions? I give you one word: FORWARD. Put in more Sunday service attendances, more practices. Attend more meetings. Find and train the new blood. Help that youngster through that first Peal. Ring and conduct that first or new 720 or Peal and finally, do something which will give you the satisfaction of having DONE something for yourself, your neighbours and the Guild. I thank you one and all for your continued loyalty and support.

CECIL W. PIPE.

# TREASURER'S REPORT FOR 1946.

The subscriptions of more than half the members who paid during 1946 were not received by me before 31st December, consequently they cannot be shown in this report and our credit balance is not as great as that I had hoped for.

Nevertheless our District Secretaries have done a grand job and the membership has greatly increased for since January 1st I have received subscriptions for no less than 113, which brings the total of our Ringing Members up to 238.

The sum of £14 10s. 0d., representing late 1946 subscriptions, has been paid into the bank since January 1st, 1947, which can be added to our credit balance as shown at 31st December. Together with our £40 War Bonds and £1 3s. 0d. held to our credit with "The Ringing World" our capital to date (January, 1947) is £92 7s. 2d.

I would like to see more honorary members, whose subscriptions have not been increased, chiefly as an inducement to join our ranks.
