26 In the event of dissolution of the Guild any assets remaining after the satisfaction of all its debts and liabilities shall not be paid to or distributed among the members of the Guild but shall be given or transferred to such other charitable institution or institutions having similar Objects to the Guild.

If election is not confirmed the subscription shall be refunded.

## Regulations relating to the Suffolk Guild Handbells

1 The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells viz:

| | |
|---|---|
| 25 bells by Taylors | size 20 in C (2 chromatic octaves) |
| 16 bells generally by Shaw | size 19 in F (diatonic 13 + 3 semitones) |
| 13 bells by Warner | size 20 in E (diatonic 12 + 1 semitone) |
| 13 bells by various founders | size 20 in F (diatonic 13) |

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

8 The Trustee and the Guild Management Committee would be grateful for financial help for the maintenance of the handbells from members who have enjoyed the use of them.

## The Mitson Shield and the Rose Trophy Striking Competitions

**Rules:**

1 The competitions shall take place on date(s) decided by the GMC.

2 All Ringing Members and Life Honorary Members of the Guild may compete providing their subscriptions are paid.

3 No Member may ring more than once in the Rose competition, except as specified in Rule 11.

4 The Mitson Shield and the Rose Trophy shall be competed for as follows:

**Mitson Shield**

4.1 Bands shall comprise six bona fide ringers from a tower, of whom at least four are shown in the Annual Report as members of that tower.

4.2 The test piece will be 240 true changes of any recognised Doubles or Minor method(s).

**Rose Trophy**

4.3 Bands shall comprise eight members of a district or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

4.4 The test piece will be at least 224 true changes of any recognised Triples or Major method(s), of which only the first 224 changes, excluding the opening rounds will be judged.

5 Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 4.

6 The times of the draws are to be advertised in the 'Ringing World' and each band must have a representative present at the relevant draw.

7 A total of two minutes practice ringing will be allowed before each test piece.

8 In the event of bands ringing Doubles or Triples a cover bell must be used.

9 The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.

10 In the event of a large entry the Ringing Master may choose to shorten the length of either test piece.

11 A reserve ringer, appointed by the Ringing Master, will be available at the Ringing Master's discretion, to bands meeting short.

12 A minimum of two judges appointed by the Ringing Master will be present. Their decision is final.

13 The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.

14 Interpretation of all rules is at the discretion of the Ringing Master.

## TREASURER'S REPORT

ERIC BULL

This year income has diminished somewhat from last year but fortunately so has expenditure, so we end the year still in a very satisfactory position.

Restoration work has been completed at four churches and the grants paid. A further two grants totalling £4175.00 have been promised but this still leaves £19,640.70 in the Restoration Fund. I hope that you will find that the introduction of the new category "Restoration Allocated Grants" in place of "liabilities" gives you a clearer picture of what funds have been paid out, promised or are still available.

Badges are issued free of charge to new members. The stock was shown as an asset and part was written off each year. However they have no commercial realisable value so this method unrealistically raised the total asset value. Occasionally a badge is sold and if that happens it will be treated as a "sundry sale". The small remaining stock has been written off and a new supply purchased.

The rope pool had in fact been diminishing over the years with various towers being helped. It now stands at nil and has been written off. It has been decided that, in future, any purchase of rope will be treated as a simple consumable and that any money received from a tower for the supply of rope be treated as income from a "sundry sale".

By now we must all be aware of the "Gift Aid" scheme. It differs from the old covenants in that no commitment over a period is required. All that is needed is a simple declaration signed by each member declaring that he or she is a taxpayer and that the amount of tax paid is greater than the amount of tax to be reclaimed in respect of the membership fee. Forms will be available for this purpose. Not at all as scary as having to commit oneself for four years in these perilous times. If all taxpaying members signed then we could be reclaiming in the region of £1,500 per year instead of the £310 shown in the accounts this year.

## NOTES TO THE ACCOUNTS

1. The interest received from the CBF account and shown in the Jubilee and Restoration funds has been apportioned in the ratio of their respective capital sums.
2. An expenditure item of £300.00 has been entered in the general fund to write off the small stock of badges which has no other commercial value.
3. An expenditure item of £307.00 has been entered in the general fund to write off the stock of rope which no longer exists.
4. As is customary 50% of the sum of subscriptions plus peal fees is transfered to the Restoration fund.
5. In the past allocated grants if unpaid during the year were shown as liabilities. This year a separate category which has been called "Restoration Grants Allocated" has been introduced which is hoped will clarify the grant position especially to those not familiar with accounting practices.This is the reason why no entry has been made for last year in this category and no entry made for this year under liabilities on the balance sheet. No goods or services have been supplied - only a promise made in good faith which we consider need not formally be treated as a liability.
6. "Sum to balance" - we did not have the time to discover the reason for this small error before going to press.

## RINGING MASTER'S REPORT — STEPHEN PETTMAN

In many respects 2001 was a very frustrating year. The cooling off after the Millennium recruitment and ringing seems to have continued. Hopefully the Queen's Golden Jubilee will see more enthusiasm amongst our members. It was also marred by some malicious correspondence in the Ringing World which then spilled into our own Guild Newsletter. On a more positive note, two out of the three R&T Committee meetings were supported and initiatives are now being considered.

Guild events were thin on the ground due to a variety of reasons but the Striking Competitions were held. This year they were split over two evenings - 19th May, 8-bell at Cotton and 9th June, 6-bell at Bacton. St Mary-le-Tower, Ipswich again won both competitions. My thanks to the local ringers, particularly Peter and Sheila Franks, for arranging both events. The entries in the 6-bell were virtually identical to 2000, which negates the argument the Saturday afternoons in May are difficult for teams. The next experiment is to change the rules to make it easier for bands to qualify.

Peal ringing has not been prolific but there has been some variety among methods rung. It was particularly disappointing to note that there were no first pealers and only one first as conductor. However, footnotes show that many people rang their first in methods or on numbers of bells. The following milestones were achieved:

1,000th peal - Alan Mayle

800th peal - Mary Allum

300th peal for the Guild - Winston Girling

75th peal - Mary Garner

50th peal - Jonathan Stevens (who also conducted his first peal), Anne Brechin (who also completed the standard 8 Surprise Major) and Christopher Munnings

25th peal - Glenys Fear and Alan Rogers

It is also interesting to note that the late Martin Thorley, a past Master, rung his 1,500th different bell to a peal whilst visiting during the year.

It is with some regret that I feel I have to return to the subject of Guild Fees and Rope Fees. It is a pointless exercise comparing the Suffolk Guild with other Guilds/Associations. Our problems are different. We need to generate income to offer realistic grants to bell restorations. Although the number of ringables has risen in recent years, there are lots of rings, although still ringable, that are unsatisfactory. Unlike most Guilds/Associations, at least 50% of our income goes directly to restoration. The main protagonists in the peal fee debate must spend a huge amount in petrol getting to attempts, so is an extra 25 pence really a big deal? It will be interesting to see who the peals are rung for this year as one of the traditional bastions of cheap peals, the NDA, has also increased its peal fee to £1.00.

Following David Salter's Newsletter article, Brian Whiting spoke at all the ADMs and it was clear that the general membership do not feel that subscriptions are too high. We must move away from these petty squabbles and concentrate on improving our service to members and improving the quality of our ringing. We must also look at our objectives, particularly Sunday service ringing. I would challenge the commitment to this of some of these complainants.

With regard to rope fees for peals, although I would not wish to be prescriptive, it is clear that £2

to £3 is the normal going rate. Many places, including my own tower, charge more for outside bands. However, I do feel it is unreasonable for Guild Members to pay £10.00 (or even £4.25) a rope for a Guild peal, bearing in mind the grants and help received. I urge those in charge to be more realistic, particularly if the motive for the fee can only be described as selfishness. On the other hand, I would strongly urge towers to charge £5 to £10 a rope to those boycotting the Guild.

I should like to end by thanking all the District Officers and Members for their welcome and hospitality during 2001. Hopefully, the quarter peal initiative for the Golden Jubilee will raise ambitions and generate more enthusiasm for the future. I look forward to receiving the details.

## SECRETARY'S REPORT — SANDRA PEREIRA

During the year the Guild Management Committee met on three occasions, with an average attendance of 14. There are still some deaneries which are not represented on the committee and it would be good to see those vacancies filled in 2002.

The Annual General Meeting was held on 21st April at Palgrave. Fifty-nine members were present. The officers were re-elected and Bel Rivers was elected to be Newsletter Editor, having stepped into the breach earlier in the year. Stephen Young agreed to act as Report Editor for one more year and, hopefully, by the time you read this a new Editor will have been found.

This year we had to elect Central Council Representatives. Stephen Pettman, Lawrence Pizzey, Alan Smith and David Salter were all re-elected for a further three year term.

At the meeting it was agreed to invite Revd Harry Edwards of Marlesford to be a Vice President in recognition of his support for the Guild and his work in restoring the bells in two benefices.

The Guild web page has been much further developed this year: the address is www.suffolkbells.org.uk. It is being updated on a regular basis and John Pereira is willing to put suitable material onto it. The database continues to be an ongoing project, but does rely on information coming in from the districts.

At a recent meeting we had a visit from a member the Suffolk Child Protection Committee. We are now urged to be aware of child protection issues and the Management Committee will be looking closely at action we should take. I have a pack of information which is available for all towers who work with minors.

The Committee has continued to support restoration projects, this year grants have been offered to Wingfield, Rendham, Sudbury (All Saints), Campsea Ashe, Mendham, East Bergholt and Easton amounting to £18,025 in all.

## LIBRARIAN'S REPORT — GILLIAN WAKEFIELD

The library has been well used this year and both books and videos have been borrowed. The Central Council's video "The Tutors Companion" has been out on loan several times in the past year.

Some time ago George Pipe presented the library with archive material on Alfred Bowell, a bell founder and bell hanger who worked in Ipswich in the nineteenth century. George was very fortunate to obtain these records as they were about to be flung on a bonfire. Building on work already done

by Ranald Clouston on records about Bowell, Chris Pickford, an archivist and researcher, who is also Master of the Ancient Society of College Youths, has catalogued all the information on Alfred Bowell which the Guild Library possesses, and has produced the material on a CD. Anyone interested in the Wykes Bishop Street foundry and the Bowell family can now access the records, cuttings concerning work undertaken by Bowell, and photographs without the need to consult the original records. Talks are taking place between the Guild Management Committee and Chris on the possibility of marketing the CD, and any profits from sales will go to the Guild.

Without archive material like the Bowell papers a lot of valuable information about bells and bell-ringing would be lost. The Guild library is not only a depository for books but is a valuable source of information on local ringing history. If you have any personal ringing records which you would like to donate to the library they will be very gratefully received.

# BELFRY ADVISORY COMMITTEE REPORT

**WINSTON GIRLING AND ALAN MOULT**

In September Ranald Clouston MBE stood down as Bells Advisor to the Diocesan Advisory Committee; Ranald has sat on this Committee for 47 years. His first request to attend was for the meeting held on 24th September 1954. Over the years Ranald has ably and willingly advised on many proposals for bell restorations and other work, often before the DAC has been involved. In addition, Ranald was for 25 years the Honorary Technical Advisor to the Guild or carried out the duties before the actual creation of this post. His vast contribution on all aspects of our Suffolk bells has been immeasurable and will continue to be so. We would both wish to thank Ranald for all the invaluable help and advice that he has given and for the hundreds of precise, comprehensive and detailed reports on Suffolk bells which represent not only an irreplaceable library of information, but a dedicated lifetime's work spent in (often inhospitable) bell chambers. Thank you, Ranald. Your MBE award was so very much deserved and we are indeed privileged to have you in Suffolk.

The Suffolk Guild Parish Affiliation Scheme continues to grow. There are now well over 80 members and the Guild is grateful for the support of members for the work of our Guild and the Bell Restoration fund. We look forward to achieving the first 100 members.

During the last 12 months a great deal of work has been carried out on bell installations all over the county. Space will not allow mention of every item that has been discussed but we would like to say thank you to all those who have worked on bells in whatever way and who have also assisted us in the various jobs that we have been involved in. It is gratifying to see how readily people will come forward and get involved and how much parishes appreciate their bells.

The bells at St Mary at Elms in Ipswich were last rung in 1903 and are not safe to even swing chime. A chiming apparatus has been fitted to the tenor bell to allow chiming for the time being. Nettlestead (single bell) have expressed an interest getting their single bell back into use and a report has been prepared. The 2 bells at Ashfield cum Thorpe (near Debenham) hang in an inaccessible bellcote and members of the Committee (via a very long ladder) managed to fit ropes to the bells so that they could be chimed.

Restoration and augmentation to 8 at Earl Stonham is proposed and all necessary advice and assistance has been given. At Brandeston (Mortuary Chapel) a single bell has been re-hung on a new

headstock by Chris McArthur. The clappers have also been rebushed and the frame painted at Brandeston Church. East Bergholt is now ringing again following modifications to improve the safety of the cage and the bells. At Hitcham, the bells have been out of action since the 1950s and there is the possibility of restoration. Campsea Ashe are fitting new bearings to the existing headstocks.

Laxfield PCC have agreed to the installation of a new frame after completion of other non-bell work. Rendham are fund raising with a view to restoration and Parham (chiming 3) are in the early stages of a project to hang the bells in a new frame and augment to 6 or 8. The existing frame is a very interesting medieval 4 bell frame. It has been recommended that ringing of the treble at Thurston should cease owing to a badly cracked headstock. It is likely that the bells will now be fully restored before too much longer. Interest in restoration has been shown at Worlington and proposals for re-hanging Stowmarket in a new 10 bell steel frame have been presented to the PCC. Problems with rainwater getting into the tower at Bildeston in large quantities have now been resolved. A report has been prepared for All Saints, Newmarket describing the options available to the PCC to get these bells ringing again.

Fund raising is continuing at Wickham Market to have the tower repaired and all ringing has been stopped because of the cracks which are present in the tower. Interest in restoration was shown at Little Waldingfield but this is likely to be in the much longer term. Restoration at Old Newton is now complete and the bells are very easy to ring following the completion of this Guild Project, carried out by the Guild maintenance team assisted by local ringers.

It will be noted that we have from time to time been involved in advice and assistance on installations with one, two or three bells. Although the Guild is primarily concerned with peals of bells which are rung full circle, we are nevertheless pleased to advise and assist with chiming bells of any number.

### RONALD H DOVE – LEEDS, DERBY AND HARROGATE

Dove as a name became synonymous with ringing towers – a bit like Hoover in vacuum cleaners. Building on a gazetteer of the pre-war Bristol and United Ringing Guilds Directory of Towers, RH Dove produced in 1952 a quite remarkable Directory of Rings in both the UK and abroad. For such a work there were very few errors and his book has now run to nine editions, an almost indispensable guide for ringers everywhere.

Ronnie Dove worked for both Gillett & Johnson and Smiths Clocks of Derby. Besides being a prolific collector of towers, around 5000, he was also a member of the brilliant Maurice Swinfield's Stedman Triples band of the thirties – Swinfield calling one hundred different compositions, almost all non-observation.

Ron was a Non Resident Life Member of our Guild and the Central Council gave him Honorary Membership in 1985.

### NORMAN V HARDING BEM – SURREY AND KINGS LYNN

Small of stature but big of heart, Norman was for many years in one sense West Norfolk ringing and a proud Non Resident Life Member of our Guild.

His early days in ringing before the war in Surrey and Sussex were under the tutelage of fine ringers like Oliver Sippetts of Crawley and Alfred H Pulling of Guildford before moving to Kings Lynn in 1946. There he became master of the St Margaret's ringers and rang much with the Ely and Norwich Associations, representing the NDA as a Central Council member. Norman was a fine striker on all numbers and, despite his short frame, an excellent heavy bell ringer.

He is greatly missed especially in the Fens, and we in turn miss his cheery face. He rang about 700 peals and was awarded the BEM for services to ringing, known of course to the Sandringham Estate and its churches.

### MARGARET LOVETT – GRUNDISBURGH

Margaret and her late husband Clifford came to the village from Bolney in Sussex in the early fifties and soon became integrated into local life. She rang at Grundisburgh and was skilled in many other things – embroidery, flower arranging; the whole gamut of WI activities, one might say. The Lovetts made a great contribution to the area.

### STANLEY G MOSS – MISTLEY, ST MARGARET'S AND ST MARY LE TOWER, IPSWICH

Stan was the son of George W Moss of Mistley who came down from Bolsover in Derbyshire between the wars. He was a 'natural' and soon graduated from his six and eight bell opportunities to Cinques and Maximus at the Tower.

Due to illness he did little ringing after the war but always maintained his interest in the Guild.

### Edna Peachey – Lakenheath

Edna Peckett was a fen girl and lived all her life in that area of black soil, skeletal trees, fine churches and big skies. She was taught to ring by the old Lakenheath and Elveden bands, Jimmy Paul, George Miller and Co.

When she married, she became a very competent District Secretary in a part of the Guild that has always been pretty tough going.

People like Edna are the real backbone of rural ringing. How good it was to see her at the 2001 Veterans' Gathering at Debenham.

### Sidney Philbrick MBE – Lyme Regis and Ewell

Sidney was a distinguished man, a service background as a warrant officer in the RAF, mentioned in despatches in 1964 and receiving the Palestine Medal. He died, aged 85, after a long and varied life, with interests as wide ranging as engineering, carpentry, horology and ringing. I remember meeting him just after the war and was struck then by his infectious personality.

Sidney rang a peal of Double Norwich at Stowmarket during a visit to airbases in the region and certainly had a fondness for Suffolk.

### Susan Riley – Whittlesey and Northamptonshire

Susan was a non-resident member of our Guild and, with her husband John, a frequent visitor. She was a delightful lady and a first-class ringer and, although saddened by her early death at the age of 41, we are thankful for having known her.

### J Martin Thorley – Yorkshire, Rutland, Lancashire and Laxfield

League tables are fashionable these days and if one created a table for sheer enthusiasm Martin would be in the Premier Division. He was indefatigable, whether it was towers, general ringing, quarters or peals, especially the latter – nearly 3000 of them.

Supported by Paddy his wife, his three daughters, all excellent ringers, Martin was just as happy ringing Bob Doubles as Superlative Maximus. During his two sojourns in Laxfield he was Master of the Guild.

Yorkshiremen are very proud of their county and rightly so, but he loved Suffolk almost as much – who knows, perhaps more. Knew a bit about cricket too – and footnotes! We won't forget the Thorleys and to (almost) quote Dr. Johnson "if you are tired of Bob Triples you are tired of life".

### Anne Walter – Blythburgh

The ladies of Blythburgh ... and the gentlemen ... faithful ringers on that lovely six in one of the great village churches of England. Anne was one of them and much involved in local life in so many ways. How valuable are members such as she.

### William G Whiting – Helmingham and Chelmsford

William was always known as Wiggle due to his rather delightful handling style – a cross between Twisty Prentice and Groucho Marx – and to distinguish him from his brother Tubby!

He came from a notable Helmingham family – the Whitings: Noah was his grandfather (Noah Whiting that is) and George his father, one of the four conductors of the forty different Surprise Major methods on the bells. Those were the days when, moving on from Treble Bob and Double Norwich, the mid twenties to thirties band became one of the leaders in the country alongside Leiston and the Hertfordshire men.

Wiggle was a regular visitor to the Debenham gathering and we shall miss his amusing company. A top rate eight-bell striker in his day.

### Urban W Wildney – Kirby le Soken

It wasn't just that by the sixties Urban had rung exactly half his 210 peals in Suffolk that we thought of him as a bona fide full Guild member, it was that we knew he loved Suffolk as much as his north-east corner of Essex.

The Tendring Hundred knew Urban for nearly all of his ninety years as a man of integrity, ability, gentleness and encouragement; a paradigm to any belfry.

How proud he was of Kirby and Holland's bells, two of the best eights in Essex. His contribution in that area was considerable and I for one can say that some of my happiest six-bell ringing was in his company.

He rang 164 peals for the Guild, conducting many of them. We especially remember Gill who cared for him for long years.

### Leslie Wright – Rougham

The Sergeant-Major (or was it Captain!) – Les was a character indeed, personified by discipline in all he undertook, not least to himself, and especially in ringing. His outings were reminiscent of a military operation in Warmington on Sea but great fun, meticulously arranged and given one hundred per cent.

A man of immense ability, Leslie held a number of jobs. Born at Ixworth he lived in many Suffolk and Essex places. His first wife, Ethel, a member of the pre-war ladies band in these parts, looked after him, as did Connie his second, devotedly – and they had their hands full!

The Suffolk Guild is indebted to Leslie's great energy and commitment to ringing and the Church. We shall miss his robust presence – and, of course, the whistle.

*We also especially remember Margaret Arbon, widow of the late Sydney (Mendlesham), Dorothy Rose, widow of the late Richard (Dick) of Rougham and all the relatives and friends of the above.*

*May they rest in peace.*

SAXMUNDHAM Richard Rapior, address as above (Chairman).

## SECRETARY'S REPORT — BEL RIVERS

We have had a successful year in the NE. Attendances at the quarterly meetings have been much the same as usual, and the monthly practices have been well supported, with several people making good progress.

The Striking competition in May was held at Saxmundham. Of the four teams entered, Reydon came out on top, with Aldeburgh just one fault behind. The new trophy for the Striking Competition was presented to our Chairman at the ADM in November by Pat Bailey. It replaces the present trophy (now

full) and marks Pat's long and distinguished ringing career.

The August "mini-tour" proved popular. We visited Weybread, Metfield and St. Margaret South Elmham - then finished up in the Rumburgh Buck for liquid refreshments!

The Quiz held at the end of January was a lot of fun. The turn-out was very good and everyone enjoyed both the afternoon ringing at Wenhaston and the evening - ably hosted by Hav and Angela Wilkins. The "Thousand Peelers" carried off the prizes - again! This year`s Quiz will be in March.

The Maintenance Seminar, run for us in March by Winston Girling and members of the BAC, was well attended. This proved to be a very interesting and informative day.

We welcomed ten new members to the District in 2001 - five from Thornham Magna, two from Southwold and one from Wingfield, Leiston and Barsham. We lost some members through non-payment, moving, etc., but our numbers remain about the same.

There is a full programme of meetings and practices planned for 2002, which I hope you all enjoy. I'd like to thank my fellow officers for their support during the year. Happy ringing!

## SECRETARY'S REPORT — SALLY MUNNINGS

This year has been a fairly successful one for the SE District: adult membership has stayed the same (in numbers, although not necessarily the same people); students up a little in numbers; paying senior members are down by roughly speaking the same amount as the number of seniors moving into the free subscriptions.

Our new Ringing Master organised an enjoyable outing to the far-flung areas of our Guild's NW District. With the necessary support it is hoped to have a coach outing in April 2002.

Six towers entered our striking contest, held at our master's home tower of Marlesford, where St Mary-le-Tower took the trophy.

Most of our practices and meetings were well-attended and the district finances are in good credit. One learners' practice at Stutton went well and more will be organised next year. The master does need help with these, though, as he works most Saturday mornings.

Many thanks to all members for making my first year a pleasure and specially to those who pay their subscriptions on time.

The St Edmund's Clapper for fundraising was won by Sproughton tower but to the district's credit, the only other three contenders, Barking, Offton and Stonham Aspal, were also from our district.

Happy ringing to you all in 2002.

## SECRETARY'S REPORT — MARGARET LAMBETH

2001 has seen District practices of varying sizes, but all have hopefully been useful to those who attended. The striking competition, at Redgrave this year, took on the new format of a 'fun' striking competition, with names pulled out of a hat to form a band ringing either call changes or method.

There was a good turn out for the district mini outing in July to Fornhams All Saints and St Martin, and West Stow. This was followed by a superb BBQ organised by the West Stow band, but British Summer weather meant that burgers were enjoyed inside the church.

The following month saw another well attended outing, this time jointly with the South West District to north Essex and south Suffolk. The weather behaved itself this time and several district members were

able to enjoy ringing at towers that were new to them. Many thanks to Rolie Whiting for his excellent organisation.

Throughout the year it has been encouraging to see an increasing number of youngsters at District practices, and along with some of the more 'young at heart' learners, there have been several first quarter peals. Special thanks should also be made to Peter Goodwin who has just retired after an incredible 45 years service as tower captain at Mildenhall.

Lastly, I would like to thank everyone who has helped me during my final year as District Secretary and to wish Carol Girling all the best as she takes over from me.

## RINGING MASTER'S REPORT — ANN JESSOP

Our report looks similar year after year as we tend to repeat events which have been successful. However, we are always open to new ideas and suggestions.

Early in the year we held practice meetings at Preston St Mary and Stratford St Mary and a specialist Plain Bob Minor practice at Edwardstone. We rang Grandsire Triples for the Guild Striking Contest at the interesting tower at Cotton. In June we were made very welcome at Great Thurlow for our own striking contest which was won by Nayland, although Polstead must get a mention for winning the trivia quiz. Richard and Christine Knight looked after us in July on our evening tour to Whepstead, Barrow and Horringer, finishing with a pub supper. In July, Rolie organised a joint tour with the NW District, taking in Harwich, Tendring, Great Bromley, Stoke by Nayland and Sudbury St Gregory's. This occasion was marked by a sumptuous tea, a proper ringers' tea according to connoisseurs, provided by Stratford St Mary.

In September, our own tour took us to the beautiful seaside, ringing at Orford, Tunstall, Aldeburgh, Leiston, Theberton and Yoxford. In October we tried our hand at ten-bell ringing at St Peter's in Sudbury. This brought us round to our ADM in November at Nayland and Stoke by Nayland. The committee is grateful to all the host towers which made us so welcome and to all the quiet workers who provided suppers and coffees. Brian and Peta Whiting supported us on most of our events and are always a great encouragement.

Needless to say, most of the SW activities go on without the committee. Sunday ringing is maintained in most of our towers, even those without a full resident band. Weddings and special occasions are marked. Learners are being brought on and new members enrolled. Bands such as Polstead and Stratford St Mary have annual coach tours which cater for all their parishioners as well as the bellringers. This year Acton and Long Melford joined forces to organise a car tour to neighbouring towers. The Lees in Bures have organised two outings this year. Quarter peals are frequently attempted and successes are not unusual. Some ringers are trying to develop their surprise major skills. If I have not mentioned your event I apologise. We are a busy and friendly District and will be pleased to welcome you at any of our meetings.

## PEAL SECRETARY'S REPORT — ALAN MAYLE

The number of peals rung by the Guild during 2001 was 70, a further decline and the lowest number since 1967. This does not mean that less peals are being rung in Suffolk but simply more peals are for other associations, guilds and societies. Maybe the Queen's Golden Jubilee in 2002 may see an increase in the Guild totals, although the increase in peal fee may counteract this.

Peals were rung in 34 Suffolk towers and only one tower outside the County. The first peal since restoration and augmentation of the bells was rung at Iken.

A notable performance during the year was the peal of Grandsire Triples using Holt's Original, to celebrate the 250th anniversary of this difficult composition first being rung. In 1751 it was considered too complex for someone to ring and conduct this peal at the same time and John Holt sat in the belfry and called the peal from his manuscript.

First performances for the Guild during the year were:-

* Denotes first peal in the method.

The Central Council, at their meeting in Liverpool, decided to rename the two peals of Penultimus rung during 2000 by prefixing the word 'Little' numerous times dependant upon the number of bells below the Maximus method rung first. They are therefore now known as Little Little Little Little Penultimus Little Place Major and Little Little Penultimus Little Place Royal. It would seem that you can extend a method to a higher number of bells without any prefix but you cannot reduce a method to a *lesser number!*

## REGULATIONS RELATING TO THE SUFFOLK GUILD HANDBELLS

1 The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells viz:

| | |
|---|---|
| 25 bells by Taylors | size 20 in C (2 chromatic octaves) |
| 16 bells generally by Shaw | size 19 in F (diatonic 13 + 3 semitones) |
| 13 bells by Warner | size 20 in E (diatonic 12 + 1 semitone) |
| 13 bells by various founders | size 20 in F (diatonic 13) |

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

8 The Trustee and the Guild Management Committee would be grateful for financial help for the maintenance of the handbells from members who have enjoyed the use of them.

## THE MITSON SHIELD AND ROSE TROPHY STRIKING COMPETITIONS

RULES:

1 The competitions shall take place on date(s) decided by the GMC.

2 All Ringing Members and Life Honorary Members of the Guild may compete providing their subscriptions are paid.

3 No Member may ring more than once in the Rose competition, except as specified in Rule 11.

4 The Mitson Shield and the Rose Trophy shall be competed for as follows:

**MITSON SHIELD**

4.1 Bands shall comprise six bona fide ringers from a tower, of whom at least four are shown in the Annual Report as members of that tower.

4.2 The test piece will be 240 true changes of any recognised Doubles or Minor method(s).

**ROSE TROPHY**

4.3 Bands shall comprise eight members of a district or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

4.4 The test piece will be at least 224 true changes of any recognised Triples or Major method(s), of which only the first 224 changes, excluding the opening rounds will be judged.

5 Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 4.

6 The times of the draws are to be advertised in the 'Ringing World' and each band must have a representative present at the relevant draw.

7 A total of two minutes practice ringing will be allowed before each test piece.

8 In the event of bands ringing Doubles or Triples a cover bell must be used.

9 The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.

10 In the event of a large entry the Ringing Master may choose to shorten the length of either test piece.

11 A reserve ringer, appointed by the Ringing Master, will be available at the Ringing Master's discretion, to bands meeting short.

12 A minimum of two judges appointed by the Ringing Master will be present. Their decision is final.

13 The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.

14 Interpretation of all rules is at the discretion of the Ringing Master.

## Any Other Business

Mr Stephen Young informed the meeting of several amendments to the Annual Report.

Mr Geoff Pulford reminded members that the Annual Veterans' Day would be on July 11th.

Mr Rolie Whiting mentioned the change of address of B Mills, tower correspondent at Great Thurlow, this is now 28, Recreation Road, Haverhill, telephone unchanged.

Mrs Bel Rivers asked that Barsham bells be upgraded to 7, following recent work.

A query was raised about the amount of space taken up in the Annual Report for non Guild peals. After lengthy discussion, Revd Lawrence Pizzey proposed that instead of listing them all, a footnote be added to the peals section stating that "in addition to peals listed in church towers, there were .... peals rung at privately owned towers" This proposal was seconded by Mr John Girt.

Mr Richard Knight proposed an amendment that the listing be left as it is. This was seconded by Mr David Stanford. The amendment was defeated by 24 votes to 10.

The original proposal put by Revd Pizzey was then accepted by the meeting.

Mr Richard Knight proposed that 14 pages of peal compositions also took up expensive space in the Annual Report. He proposed that the Guild Management Committee consider whether or not these should be included, or a record kept in the Guild Library. This proposal was seconded by Mr Stephen Young and agreed.

There being no further business, the meeting closed at 4.35pm.

# TREASURER'S REPORT

ERIC BULL

Income is up and expenditure overall is fairly static so we end the year with a comfortable surplus.

Much work has been done to recover tax on subscriptions/donations under the Gift Aid scheme but we will not see the fruits of our labours until all the forms sent out have been returned, the calculations completed and the claim made. This should be accomplished well before the end of the year. Do keep a supply of Gift Aid forms in your tower so that new members can fill them in when paying their first subscriptions. This will save much time and cost in sending out forms afterwards. A quick phone call to me will get you a supply whenever you run out of them.

Restoration work at East Bergholt has been completed and the Guild donated £2,000 towards the very considerable cost. In 2001 seven towers have been allocated grants totalling £17,975 and, together with the grant to Elmsett which was promised in 2000, the total allocated sum is £19,575 leaving £14,850 still available.

You will see that there is a new fund called "The Pipe Family Trust Fund". We thank Sylvia, George and Roderick Pipe for the very generous first donation that enabled it to be set up. The Management Committee added £200 and it will be further enhanced later in the year by a Gift Aid reclaim. The purpose of the fund is "for the encouragement of beginners in the art of change ringing in the Suffolk Guild". It will be administered by the Guild Executive.

## RINGING MASTER'S REPORT — STEPHEN PETTMAN

The highlight of the year was the quarter peal project for the Queen's Golden Jubilee, which as I had hoped last year, saw great enthusiasm from a lot of our members. Quarters were rung in 187different towers and included 29 first quarters. This was all completed between 6/2/02 (the Accession date) and 9/6/02 (a few days after the official celebration). Only two towers were not represented: Dalham, where permission was refused after the local band failed to arrange an attempt, and Beccles, who were stopped during the quarter over the Jubilee weekend and were unable to arrange a further attempt.

I am very grateful to the district officers and the deanery representatives, who, in the main, applied themselves wholeheartedly to the task. They had many helpers, too numerous to mention, completing quarters at towers with no or few ringers. My personal thanks to those who have given up time, often at short notice, to help me with missed quarters.

Guild events were again thin on the ground due to a variety of reasons but the Striking Competitions were held. This year they were held at Pettistree and Ufford. St Mary-le-Tower, Ipswich again won both competitions. My thanks to the local ringers, particularly Chris and Mary Garner, for arranging both events. Unfortunately, the relaxation in the rules did not increase the turn out for the six bell competition.

Peal ringing has again not been prolific, possibly due in part to the four months of quarter peal activity, but there has been some variety among methods rung. It was encouraging to note that there were seven first pealers, most of them young ringers. Footnotes show that many people rang their first in methods or on numbers of bells. The following milestones were achieved:

First peals: Felicity J Caryer Ruth Eagle, Hazel Joyce, Lois A
Mansfield, Claire E Monk, Sarah L Monk, Douglas Perry
Ruth Eagle First on 12 (the youngest, at 13 years5 months,
Suffolk lady ringer to ring a twelve bell peal)
Katherine J Eagle - 50th peal
Marie Carson - 100th peal
Richard T L Rapior - 300th peal
Alan P Mayle - 1100th peal
Robin D Allum, David G Salter - 500th together

Last year also saw the passing of Ranald Clouston, who had spent countless years working for us to keep Suffolk bells ringing. Apart from his work on the GMC, the DAC and other committees, Ranald spent lots of time all over the county making repairs to enable bells to continue ringing. Whereas, I would certainly agree that the best option for many of our rings is a complete rehang, I am concerned that we are stopping ringing rather than making stop gap repairs to give a few more years life. We have to accept that in many places, there is never likely to be the necessary enthusiasm to raise vast sums,

particularly where there are no ringers. There must be some middle road here to stem the tide of increasing numbers of unringables.

I should like to end by thanking all the District Officers and Members for their work during 2002. We can now look forward to our 80th Anniversary Year and will hopefully have enjoyed a successful celebratory dinner by the time this report is presented.

## SECRETARY'S REPORT — SANDRA PEREIRA

During the past year the Guild management committee has met three times with an average attendance of 12. There are still one or two spaces on the committee where deaneries have not appointed representatives. Two new members have been welcomed during the year.

The Annual General meeting, held at Horringer on April 6th attracted 51 members. A highlight of this meeting was the presentation to the Guild by Betty Syrett of Wingfield of an historic book, a handwritten, illustrated account of the bell-ringing career of Daniel Gridley of Sudbury. This book is now in the guild library.

During the meeting Rolie Whiting was elected a Life Honorary member in recognition of many years of service to the guild in various roles.

The officers were all re-elected with the exception of Stephen Young who had served several years as report editor. The secretary later agreed to undertake this task, but would welcome a volunteer to take over the role this year!

A rule change was agreed to enable towers to put together teams for the striking competitions more easily.

A generous gesture from the Pipe Family has enabled us to set up a Trust Fund to give financial assistance to enable learners to attend training courses.

The web site has been further developed and is updated regularly by John Pereira, and the central database is steadily improving, although more returns from members would be appreciated.

Interest in the St Edmund clapper competition was again limited to the South East district, the winners again being Sproughton. Further participation in this would be appreciated.

For the first time in several years there had been no applications for grants for restoration work, a situation that looks like changing in 2003, as three churches are already planning restorations.

## LIBRARIAN'S REPORT — GILLIAN WAKEFIELD

The library has been used 17 times this year, not only by ringers wishing to borrow books, or videos, but by people wanting information on bells, ringing or past ringers. Enquiries included requests for information on the methods rung to a peal at Rendham on 21.10.22, information about the bell founder R Chirche, and information about Claude Rush. Researching this last enquiry turned up information on the very large handbell with an interesting dedication on it which is held in the library

among the archive material. The Librarian is always pleased to try to answer queries relating to bells or ringing.

The ringing fiction section of the library now includes a collection of ghost stories with a ringing theme by Chico Kidd, some of which have been published in The Ringing World, and a novel by Chico called The Printer's Devil which is set in the time of Fabian Stedman. This is light reading - perhaps good to take on holiday.

Thank you to all those people who have donated material to the library. Space is limited and it is possible only to accept items to do with ringing, but gradually a valuable store of books, audio-visual items and archive material on bell ringing is building up for the Suffolk Guild of Ringers

# BELFRY ADVISORY COMMITTEE REPORT

**WINSTON GIRLING AND ALAN MOULT**

On 30th March 2002, the funeral service of Ranald Warren Monteith Clouston M.B.E. was held at All Saints Church, Hartest. His passing marked the end of a remarkable lifetime dedicated to recording and researching all aspects of bells, and left an enormous void in this field. Over many years Ranald had meticulously put together a vast store of information about bells. He was well known throughout the length and breadth of Britain and overseas. His wealth of information about Suffolk bells and towers runs to hundreds of reports and we will be eternally grateful to him for his hard work, visiting individual churches, and recording accurate details that often covered several pages for each installation. As a member of our Belfry Advisory Committee and the former Maintenance Committee, Ranald was always present at the meetings and would go to great lengths to ensure his attendance. Mention of a particular tower or bells would have him looking through his portable index system and he would immediately have any information to hand that was needed. Ranald was the perfect gentleman, always very considerate of others and it was an enormous privilege for us both to have known him and to have had the opportunity to learn from him.

Meetings of the Belfry Advisory Committee have been held during 2002 in February, May and September. In May and September there was much concern about the ringing of bells which are listed in the Guild report as unringable. Recommendations have since been made to the Management Committee advising changes in the wording of our Tower Directory. In addition, incumbents and churchwardens responsible for dangerous rings of bells will be advised accordingly.

It is heartening that complete restorations are regularly in the news. Too many of our peals of Suffolk bells are either derelict or in an extremely run down condition. The average condition of the rings listed in the tower directory in the annual report is less than 7; in comparison the Southwell Guild, using the same system of grading, is 9.5. We therefore need to continue our efforts to encourage the restoration of rings in poor condition. The presence of a keen ringer 'on the spot' to support a restoration certainly helps, and the Suffolk Guild will give all assistance possible in terms of advice,

physical help and grants. Congratulations to all involved in recent restoration projects, and it is especially gratifying to realise just how much hard work is being done, not only to get bells restored, but to try and recruit ringers at these towers.

As the Minutes of each Belfry Advisory Meeting are now printed in the Guild Newsletter it seems unnecessary to duplicate each item here so may we encourage all to read the Minutes as they appear, and to raise any comments on them with either of us or a local member of the Committee.

Thank you to all who have assisted with maintenance, cleaning out towers or in restorations throughout the last year.

## TREASURER'S REPORT

**ERIC BULL**

Alas subscriptions are nearly 8% down this year also other items of income in the General Fund have decreased. Tax from covenants shows nil as all of the Gift Aid refund has been allocated direct to the restoration fund the increase of which is one of our prime objectives.

The General fund shows a small positive balance and still totals enough to finance expenditure for a year despite the reduced income.

The Gift Aid claim for 2001 realised £1,295.67 and has been split between the restoration fund and the Pipe Family Trust Fund in the same proportion as the capital sums. My thanks to those who filled in gift aid forms and made this possible.

As for those who did not receive or for some reason did not fill in a form please ask me for one - it is possible that we could increase the amount we can claw back by £200 to £300. There is no commitment on your part or anything else to do except to inform me should you cease to pay tax.

No new promises of grants were made during the year. The following grants have been paid: -

Wingfield £700
Sudbury All Saints £2,000
Campsea Ashe £300
Mendham £6,375

Grants totalling £10,200 remain awaiting completion and approval of work. There remains £23,478 available for new grants.

Despite the disappointing reduction in subscriptions our financial position remains sound

WILLIAM ABBOTT - WORLINGWORTH

Billy was a call change ringer, one of that faithful band that has kept the bells of Monk Soham, Bedfield, Tannington and Worlingworth going over decades - their total span covering more than a century. He died after a long illness, bravely borne.

RANALD WARREN MONTEITH CLOUSTON -HARTEST

Ranald lived in Kent, Hertfordshire, Suffolk and elsewhere. Born in Lavenham, a place he loved dearly, he was a man of enormous skills and interests and his campanology in all its facets took him all over the world. He will be best remembered perhaps for his vast knowledge of bells and their founders, serving on many committees and giving so freely of his time in so many directions.

Ranald was much loved by us all, not least as our Technical Advisor for nearly fifty years. Many tributes to him were made following his passing in March 2002 and his funeral at Hartest was a moving experience indeed.

ALMA CORNER - IPSWICH

The eldest daughter of the late and great George E Symonds, Alma specialised in handbell ringing, especially tune ringing, with the Symonds family. One memorable occasion was her parents' Diamond Wedding in 1967when, not having touched change ringing for about fifty years, she rang Bob Major in hand faultlessly on an inside pair.

ALBERT J LANCEFIELD - WILLESBOROUGH, KENT

Bert was a life member of the Guild, having joined on a peal tour in Suffolk in 1954. A bachelor, as were his two brothers Mark and Rex, all superb strikers, he was something of a wanderer and developed a special love for Australia and New Zealand. A railway engineer, Bert could always find work; he wrote poetry too and wherever there was ringing in Australasia he supported it from 1952 to 1965.

As a member of the famous Kent band, he rang several peals here on that 1954 tour and maintained his love of the Suffolk countryside.

C KENNETH LEWIS - ALTRINCHAM

Ken Lewis was also a life member, joining in 1949 as part of the Cheshire tour. Composer, conductor, two thousand pealer, teacher and Guild officer for his county, Ken's ringing experience and expertise was considerable. He was one of the pioneers of spliced surprise minor and a great exponent of the Albert Pitman series of spliced surprise major. One of his favourite parts of England? - the Norfolk and Suffolk coast.

THOMAS W LOCKWOOD - MENDELSHAM

We shall miss Tom's cheery face at our Debenham gatherings each July. Although unable to ring for some years, he maintained a keen interest in the Guild and loved good ringing and good company.

Tom was just about the last link with the Stowmarket area bands pre war; names like Arthur Grimwood, Harry Lister, Garnham Blaxcell, Keith Whittell, Edwin Cracknell, Leslie Forster, Shelford Sparrow and others. Yes, we shall miss dear Tom.

BERNARD MANN - GOLDHANGER AND HALESWORTH

Essex's loss was Suffolk's gain when the Manns moved to Halesworth. And as you might expect, Bernard carried on his faithful work in church and belfry in the Halesworth area. A lovely person, we are glad his memory will be perpetuated by Rosemary's gift of a sixth bell for Rumburgh Priory when the restoration takes place there.

RODNEY B MEADOWS - KILBURN AND THE CITY

Life member, Oxford graduate, wit, railwayman, President of the Delius Society and many other things beside, Rodney was one of the best known and respected members of the Exercise. A ringer of the highest class on any number, a member of the Ancient Society of College Youths for over fifty years, he was one of the faces of London, wonderful company and one of the best after-dinner speakers in the business.

His loyalty to the great J L Pearson church of St Augustine, Kilburn, was unsurpassed, despite other duties at Westminster Abbey, St Paul's, Smithfield and in the City generally.

CEDRIC FRANK WILLIAM PHILLIPPO - BUNWELL, NORFOLK

Frank was a Bunwell man, 86 years in the village and so proud of his church and bells, which he served with distinction and utter devotion. When I was 'nobbit a lad' as they say in Yorkshire, there were four Franks in the local band of St Michael and All Angels, and one thing was certain - always a fine welcome.

Frank's funeral was a day of thanksgiving for this strong Christian and we remember him as a life member in Suffolk with gratitude.

KENNETH SHERWIN - TATTINGSTONE

When Tattingstone's ground floor five were restored, rung from a new gallery and augmented to six, there were Bertha, Norman and Ken with others to see the work through. These endeavours may not make the 'big' headlines, but they are the backbone of the Exercise's activities in the county. Ken was a man of many other talents too.

ERNEST SMITH - ASSINGTON

For many years Ernie was Tower Captain at St Edmunds, a church in its lovely setting by the old Hall, seat of the Brampton Gurdons. With Bures on one side and Sudbury on the other he had to keep his wits about him, but he managed that very well! We give thanks for his loyal years.

ERNEST WALLACE - WETHERINGSETT

One marvels sometimes that isolated towers with tough and sometimes heavy bells keep going. Well they do through people like Ernest with their Sunday by Sunday call changes, teaching a new beginner when they could. Many of our churches throughout the land would be the poorer without such men.

FRANK ALFRED WILLIS-BETTS - HADLEIGH AND BILDESTON

Frank Betts was a man of many parts - and played them as it were for all his 86 years, A solicitor's clerk in Hadleigh where he was born, he found time for numerous activities among them 'weekend' farming, brass band instrumentalist, choirmaster, ringer, model yacht maker and radio ham. He learned to ring in 1929 when he was 14 and joined the Guild in 1945, having come under the influence of the redoubtable David Elliot of Groton.

Hadleigh bells used to be rung from the ground floor with 6-7-8 on enormously high boxes and they weren't easy, although a fine old ring. Frank helped teach a band under pretty hard conditions and proved himself to be a capable ringer and conductor. A memorable feat was ringing the notorious seventh in 1948 to a peal of Double Norwich in kid gloves with A Patrick Cannon on the box quite eclipsing the tenor king's own performance.

*We also especially remember the family and friends of the above.*

*May they all rest in peace*

## SECRETARY'S REPORT — BEL RIVERS

Most of us were busy this year with all the Jubilee ringing. Fifty seven quarters were rung in our district for the Guild's Golden Jubilee project, plus some others rung for local celebrations.

We held our first Quarterly Meeting in February at Peasenhall and Yoxford. The Striking Competition in May was held at Wingfield on the recently re-dedicated bells. Only four teams entered with Aldeburgh being the first band to win the new Patricia M Bailey Challenge Shield. The August Mini-Tour to Monk Soham, Tannington and Worlingworth was a very pleasant evening attended by about a dozen or

so members. Our ADM in November was at Ringsfield, Barsham and Beccles

At all our meetings this year we tried out the "Bring a plate of food" idea which has worked extremely well, resulting in delicious teas, less work for the towers involved (only teas and coffees to provide) and problems of petty cash and the cost of the halls seems to have been solved!!

Although attendances at the quarterly meetings was about average, the practices were poorly attended. There was much debate at the ADM but no proposals resulted, so practices have not been arranged for 2003. However, requests or suggestions for practices will be welcomed by the committee.

Enjoy your ringing!

## SECRETARY'S REPORT — CAROL GIRLING

2002 has been a rather troubled year for our District. Keith Ashton-Jones (the current Chairman) who had served us immaculately for three years, was obliged to resign the post, and we chose, as Chairman elect, Stephen Young. We all know Steve well, and are confident in his future leadership. We send our support and good wishes to Keith, together with gratitude for his hard work.

Apart from the unpleasantness over some aspects of the Jubilee Quarters, the past years has been a successful one for ringing and for ringers. Nine new members have been attracted into the Guild and the position of Management Deanery Rep. (vacant for two years) has now been filled by Mandy Sheddon.

The July 'fun striking competition' and barbeque was held at Bacton and Old Newton. It will take a long time to forget the 'gamesmanship' involved with my team's ring, but much laughter was to be heard and that's what we were aiming for. The meal afterwards was superb – organised as it was by Peter and Coral Smith. We were served wonderful food and given enough space to play silly games afterwards.

August saw us enjoying the joint SW/NW outing in the South Norfolk area, ably organised by Ruth and Steve Young. In November the District hosted 'Alec's Wheel Appeal' – a tower grab organised by Mandy Sheddon to raise funds to buy a motorised chair for her disabled son. Other associated projects ongoing was a sale of homemade soaps and cosmetics (all with pure natural ingredients) and made by Cathy Colman plus a sponsored weight loss by Mandy. I understand that all the necessary money was raised, so very well done to all concerned.

The Christmas Dinner was held at the Bull Public House, Bacton. The food and venue proved so popular that I have pre-booked it for 2003.

Stowmarket tower has been organising monthly practices for those who want to progress to 8 bell ringing. Working on the ideal of more 'chiefs' than 'indians' these two hour sessions have been well supported and we are hoping to add Surprise Major to the menu this coming year. As a result of these practices, Stephen Munford from Pakenham has rung in his first (and well struck) peal of Bob Major. It just proves what can be done if you do your homework.

A happy and prosperous New Year to all our District.

## SECRETARY'S REPORT — SALLY MUNNINGS

This year has been another fairly successful year although attendance at District practices and meetings could be better if more than a hardcore of fifty members attended out of the 280 or so members. Having said this an average attendance is generally twenty to forty ringers. During the year 35 members have been lost but 23 of these have given up for various reasons including old age and ill health, six left the county and one died so this leaves five who have not paid. However on the plus side eighteen new members have joined.

Sadly our ringing master has been very ill this year and has not been able to partake in all our activities. He is therefore retiring to a back seat this coming year and we all wish him and Katrina all

the best and full health in coming years.

The committee organised a Coach District outing to Norwich which was very successful and the local area, showing that support is forthcoming if the main activity is Ringing there being 49 ringers and friends on board. We hope to have another coach outing next year.

The District Striking contest took place at Monewden but could have benefited from more support, we also were the hosts for the Guild Striking contests held at Pettistree and Ufford.

Learners' practices were held at Pettistree, Falkenham and Stutton and offered progress to those who attended.

The District played a full part in the quarter peal challenge set by our Guild Master for the Queen's Golden Jubilee which was a success and some firsts were scored.

Many thanks once again to those who pay their subs on time and support arranged events.

Once again Sproughton won the St Edmunds Clapper for fund raising. This feat won't be repeated next year unless more than the stalwart five give me goods to sell at my Car Boot visits. So a chance next year for someone else to win.

Happy ringing to you all in 2003.

## RINGING MASTER'S REPORT — ANN JESSOP

We began our year with a warm welcome at Polstead in February. March found us at the opposite corner of our district, in Haverhill. At this practice we remembered with a brief silence Ranald Clouston, who died that day. Our 8 bell practice at Kersey in April gave members a chance to further their triples and major skills. In June, Stoke by Nayland won the striking contest at Cavendish but Nayland managed to win the Trivia.

The Knights' evening tour in July, always greatly enjoyed, took us to the Suffolk/Cambridgeshire borders. In August we were grateful to the NW District who arranged a joint tour on the Norfolk border. In September, our secretary organised a tour up the Suffolk and Norfolk coast. In October, we did not

succeed in booking a ten bell tower for our usual ten bell practice but another 8 bell session was well supported at Boxford, followed by a sausage supper at the Fleece. At our ADM in November we enjoyed the stately bells of Clare followed by the challenge of an anticlockwise ring at Stoke by Clare.

During the first half of the year we achieved a quarter peal at all our ringable towers to honour the Queen's Golden Jubilee. The task seemed large when we began but we enjoyed the ringing and gained a lot of experience and I hope some improvement.

We entered a team for the Guild 8 bell Striking Contest in May and Alan Mayle conducted our Grandsire Triples.

Our record for Sunday ringing remains good, although, like other districts, we are disheartened by the lack of youthful ringers.

At the ADM the District was delighted to vote Simon Pilsbury onto the committee as Deputy Ringing Master, who will be a great asset to the District.

We are so grateful to all the ringers and their friends and relations who have provided the drinks and eats at our various venues.

The clergy in our district have always been good to us and among several who are moving on we are very sad to be losing Richard Titford who has given up the Box Rivers Benefice. Richard and Sarah inspired and made happen the restoration at Edwardstone and have consistently supported bellringing in their eighteen years here.

We all miss Ranald Clouston who is irreplaceable. Many tributes have appeared to him but we shall remember him as a kind friend who gave us so much of himself.

As I write this, Rolie Whiting is preparing to celebrate his 75th birthday with a peal. His long service to the District and the Guild has this year been recognised by making him a Life Honorary Member of the Guild.

2002 was a busy year with some happy and sad memories. We look forward to the challenge of 2003.

## PEAL SECRETARY'S REPORT — ALAN MAYLE

The number of peals rung by the Guild continues to decline year on year, the total in 2002 being 67. This is the least rung since 1967, when just 63 were recorded. Peals continue to be rung on the two secular rings at Ipswich and Newmarket. The Queen's Golden Jubilee, which lead to a great number of quarter peals being rung during a period of 4 months, only generated 4 peals over the Jubilee week-end.

Peals were rung in 38 Suffolk towers and 2 other towers outside the county, i.e. Grantham, Lincs and Lincoln Cathedral.

The first peal on the bells was rung at Hacheston and Mendham, and the first since augmentation to 6 at Metfield (although rung by a touring peal band for the Lancashire Association.) Towers that had a peal for the first time in over 20 years were Ixworth (1981), Monks Eleigh (1960) and Rendham (1978). The peal at Rendham being the last before rehanging and augmentation to 8.

Stephen Pettman called Holt's Original composition of Grandsire Triples twice during the year. The earlier being at Stonham Aspal to mark the 250th anniversary of the ringing of the same composition on those bells in 1752. This was then only the second time the peal had been rung and the first time outside of London.

First performances for the Guild during the year were: -

# Regulations relating to the Suffolk Guild Handbells

1 The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells viz:

| | |
|---|---|
| 25 bells by Taylors | size 20 in C (2 chromatic octaves) |
| 16 bells generally by Shaw | size 19 in F (diatonic 13 + 3 semitones) |
| 13 bells by Warner | size 20 in E (diatonic 12 + 1 semitone) |
| 13 bells by various founders | size 20 in F (diatonic 13) |

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

8 The Trustee and the Guild Management Committee would be grateful for financial help for the maintenance of the handbells from members who have enjoyed the use of them.

7 A total of two minutes practice ringing will be allowed before each test piece.

8 In the event of bands ringing Doubles or Triples a cover bell must be used.

## MINUTES OF THE ANNUAL GENERAL MEETING, 2002

The Annual General Meeting of the Suffolk Guild of Ringers held on Saturday 6th April 2002 at Horringer

The Chairman, Mr Brian Whiting, opened the meeting and welcomed the 51 members present. He thanked Revd. Brian Raistrick and Peter Franks, organist, for organizing the service. He also thanked Sally and Buster Crouch for overseeing the arrangements for the day.

Apologies for absence were received from Peter Allen, Chris Nunn, Kay Nunn, Paul Stannard, John Girt, Shirley Girt, Michael Warren, Jenny Warren, David Jessop, Ann Jessop, Bel Rivers, Ray Rivers, Tony Sutherland, Liz Sutherland, Michael Parker, Christine Knight, Katrina Rogers, Alan Rogers, Alan Moult, T Read, Sue Ashton-Jones, Jim Wightman, A Barker, C Barker, Ed Hynard, Mary Hynard, Julian Colman, Cathy Colman, Charlotte Colman, Margaret Lambeth, Marion Turner, Margaret Cherry, David Barnard, Chris Meara, Brian Sayers, Bridget Sayers, Brian Wilson, Richard Rapior, Rosemary Howard, Chris Munnings, Marion Saker, Tinker Lockwood, Winnie Lockwood, Jonathan Stevens, Suzanne Stevens, Timothy Stanford, Ralph Earey, Tessa Earey

Presentation to The Guild

George Pipe welcomed Betty Syrett from Wingfield, who was to present an historic book to the Guild. George explained that the book, which was beautifully bound and in excellent condition, had been handwritten by Daniel Gridley, who had been a ringer in the Sudbury area many years ago. The book contained hand drawn method diagrams for 3 to 12 bells together with details of towers, peals of bells etc. written during Daniel Gridley's career as a ringer. In presenting the book to the Chairman, Betty explained how the book came to be in her keeping, via Bert Ellis. Now that all connections with the Ellis and Gridley families had been lost she felt that the Guild Library was the best place for the book to be kept. The Chairman thanked her for her generosity and handed the book on to the Librarian for inclusion in the Guild Library.

Minutes of the 2001 AGM

These had been previously published in the Annual Report. It was proposed by Mr Stephen Young, seconded by Canon Lawrence Pizzey and agreed that these be accepted

Matters arising

There were no matters arising.

Officers' Reports:

Master: Mr Stephen Pettman proposed, seconded by Mr Stephen Young, that the Master's report as published be adopted. This was agreed.

Secretary: Mrs Sandra Pereira proposed, seconded by Mr Matthew Cracknell that the Secretary's report as published be adopted. This was agreed.

Treasurer: Mr Eric Bull proposed and Mr John Pereira seconded that the accounts be adopted. Mr Bull reported that the Auditors had requested that £88.25 be added to the income for last year, as it related to last years subs. The amendment made no difference to the balance sheet. He also made a plea for more Gift Aid returns. Reclamation of tax would increase income by 28%. The meeting

accepted the accounts.

Public Relations Officer: Mr Stephen Pettman gave a brief verbal report. He mentioned that the project to ring a Jubilee Quarter Peal in all towers would be a source of publicity, and urged towers to complete these quarters. He mentioned that he had dealt with one complaint, but this was in Essex, none had been reported in Suffolk. John Pereira, in seconding the adoption of the report, mentioned the poster which had been produced and distributed to all towers, and also the revamped website. This was agreed.

Technical Adviser and Belfry Advisory Committee: Mr John Taylor corrected a minor error, in that Earl Stonham are being augmented to six in an eight bell frame.

Mr Winston Girling proposed that, with this amendment, the report be adopted. Dr Bruce Wakefield seconded, and the meeting agreed.

Librarian Mrs Gillian Wakefield proposed, seconded by Mrs Diana Pipe that the Librarian's report as published be adopted. This was agreed.

Peal Secretary Alan Mayle proposed, seconded by Maurice Rose the adoption of the Peal Secretary's report as published. This was agreed.

A query was raised about peal 7867 at Hollesley, when a non member had participated. The GMC had agreed that this peal be disallowed. Peal Secretary to inform the conductor. Mary Dunbavin queried peal 7838, where again a non member had participated. It was proposed by Stephen Pettman and seconded by Stephen Young that this be referred to the GMC for further investigation.

There was some discussion about the status of NRLMs who move into the Guild's area. The meeting was reminded that the life membership of a non resident only applied while they were non resident. Ringers living in Suffolk and regularly ringing at a county tower were expected to become full members.

Handbell Trustee The Chairman gave a verbal report reminding members that there are handbell sets in SW and NE districts, a set to be collected from a borrower and a set in his care. All were in good order. He proposed, seconded by John Pereira that the report be adopted. This was agreed.

The Chairman thanked all officers for their reports and work throughout the year.

## Subscriptions and fees for 2003

Proposal from GMC:

| | |
|---|---|
| Ringing Member | £ 12.50 |
| Ringing Member over 65 | £ 6.25 |
| Ringing member in full time education | £ 5.00 |
| Associate member | £ 6.25 |
| Non Resident Life Member | £ 6.00 - unchanged |
| Peal Fee | £ 1.00 - unchanged |

Donations

| | |
|---|---|
| Friends of St Peter's Sudbury | £50.00 |
| Friends of the Cathedral | £50.00 |
| Suffolk Historic Churches Trust | £50.00 |
| Donations in lieu of Wreaths | £50.00 |

The GMC proposals for subscriptions for 2003 were proposed by Mr Stephen Young.

Canon Lawrence Pizzey questioned the massive increase from £20 to £50 in donations in lieu of wreaths at funerals. Following some discussion Mr John Pereira proposed, seconded by Mrs Sally Munnings that the donation in lieu of wreath be £25.00, equivalent to the cost of a spray of flowers. This amendment was carried by 28 votes to 4.

Mr Stephen Young then withdrew his original proposal and proposed that the subscriptions and donations as proposed by the GMC, with the amendment previously carried, be adopted. This was seconded by Mr James Smith and agreed.

## Election of Officers for 2002/2003:

Vice-Presidents: Mr John Pereira asked for the view of the meeting on electing to the position of Vice President someone who had conducted a peal in a Suffolk tower, with a mainly Suffolk band, for the installation of a Suffolk Rector, and crediting it to the Essex Association. Mr Stephen Pettman explained that this referred to a recent peal at Holbrook, conducted by David Salter. After some discussion Mr Stephen Pettman proposed, seconded by Mr John Pereira that the Vice Presidents as listed in the 2001 Annual Report be elected en bloc with the exception of Ranald Clouston (deceased) and David Salter. This was carried overwhelmingly with 3 votes against.

Mr Keith Ashton-Jones then proposed, seconded by Mr Stephen Young that David Salter be re-elected to the position of Vice President. This was carried by 18 votes to 4 with 12 abstentions.

Chairman Mrs Diana Pipe, seconded by Mr Maurice Rose, proposed that Mr Brian Whiting be re-elected as Chairman. Mr Whiting was elected.

Ringing Master Mr Richard Knight, seconded by Mr Stephen Young, proposed that Mr Stephen Pettman be re-elected as Ringing Master. Mr Pettman was elected.

Secretary Mr Trevor Hughes, seconded by Mr Winston Girling, proposed that Mrs Sandra Pereira be re-elected as Secretary. Mrs Pereira was elected.

Treasurer Mrs Sally Munnings, seconded by Mr John Pereira, proposed that Mr Eric Bull be re-elected as Treasurer. Mr Bull was elected.

## RINGING MASTER'S REPORT — DAVID SALTER

2003 was for me, yet another exciting year in ringing. Taking over the Mastership for a second time presents different challenges and different problems to last time. The Guild, in my view, is still in pretty good shape. The interest in Ringing continues wherever you go and a lot of the sound work that was done for "Ring in 2000" appears to have resulted in a heightened ringing profile in the media, which can only be good for the Exercise. It is also very encouraging to see those recruited for "Ring in 2000" progressing in ringing and in the Guild. Indeed the number of new faces I have come across during the year is heartening. Seeing those that four years ago were just learning to handle, ringing Double Norwich now, is a great treat and a testament to those that have given so freely of their time to teach and forward the art.

I have not been able to visit as many meetings and practises as during my first term, but those that I have been to have been, friendly, constructive and exciting. The acceptance of "the family" at Ringing events is very positive and we must all try to promote ringing as a "Family" activity as many of those seen crawling about 6 years ago, are now ringing and continuing the family involvement in Ringing.

The Guild Striking competition was held at Polstead and Stoke by Nayland. A previous engagement prevented myself from attending and Winston officiated in my absence.

Anne Carpenter, Ian Holland, Michael Edwards and Mary Dunbavin covered the judging, awarding first place in the Mitson Shield to St Mary Le Tower and the Rose Trophy to St Mary Le Tower. The slight downturn in entrants was expected and a good effort for Southwold in 2004 would be welcomed. Despite recent trends, striking competitions can be rewarding and both fun and a learning curve. After all, good striking is what we all should be aiming for. However, the attainment should not be taken too seriously. When Katharine and I judged the Yorkshire Association Competition, the best piece technically lacked any life or spirit, and that lack of life and spirit was abundantly clear outside the tower. In my humble view, spirited ringing clearly being enjoyed by the ringers, should be the order of the day. A happy band will always sound better outside, over a tense band.

Veterans' Day, (always my favourite event), was impeccably organised by Muriel and the Debenham ringers. A few of the regular faces were missing this year, but as always a tremendous gathering from near and far. Just to be with the names and faces of the past is an education and the stories will hopefully always be remembered. Some good ringing but mostly good socialising and good company.

The bi-annual "Ringing Roadshow" was held just north of Lincoln. This was the first one at which I had not had to man a stand. Being more easterly than previous ones, a very large selection of Suffolk ringers came in cars, coaches and minibuses. The whole day is a complete eye-opener to ringing and the art of ringing. The Lincoln show was organised by Robin Rogers, whom some of you will remember from his days at Horringer. Handbells, Clay bells, mini rings, carillons, stays, muffles, computer programmes, books, a picture of the 1928 Debenham band, beer and seminars made up the day. I did try to get the 2003 event staged in Suffolk, but having seen what Robin did, I think Lincoln was, like the weather that day, ideal.

In August, Katharine and I had our second "Wolery" open day. This year was well attended again, but with a better-spaced out crowd giving more time to ringers. All seemed to have a good time and the variety of methods rung was very encouraging. Watch out for the 2004 date, if you have missed out previously.

The sight of Katharine, on the grass at Stutton, with five ringers walking a course of Plain Bob Doubles in front of her, will be the abiding memory of Training Day 2003. Eighteen students attended two courses, Plain Bob Doubles and Plain Bob Minor. Over 50 ringers helped out at three towers. All in all a wonderful day from which if just one ringer learnt one thing to help them, it will have all been worthwhile. I hope to have more learning events in 2004, mostly aimed at the beginner. However, if you need a course on anything to do with ringing, just let me know. The Guild has a huge wealth of knowledge from method ringing to tower work and beyond.

Work continues on towers in Suffolk. 2003 saw the completion of the Felixstowe and Rendham projects. Both new eights, and both interesting in their own ways. Rendham, where I have yet to ring, can be especially proud of the project which was completed quickly and efficiently, being driven along by the local ringers. Alan Moult finished work at Easton restoring this ring in an excellent manner. This job shows more than most what can be done on a budget with input from the Technical team. However I dread to think how much time Alan spent on it. The Guild can only be very grateful to have such a dedicated Technical Advisor.

On the peal ringing front, there was just two more than in 2002. Of concern is the downturn in peals of Major from 39 in 2000 to 17 in 2003. Whilst the Aldeburgh peal band continues apace, with peals of Major, there clearly is more room for effort in other areas in order to give as many members as possible the chance to do well on eight, and the Guild needs to look at this carefully as eight bell ringing is fundamental to progression to higher numbers.

First peal congratulations go to:

Christopher J Hunt, Julie Wren, John Keeble, John M Tesh, Ruth Suggett, Rev Geoffrey P Clement, Thomas G Scase, Sue McCouaig and Angela Cable.

75th for the Guild : Marie Carson

100th peal : Mary S Garner

500th peal : Michael G Whitby

700th peal : Mary E Dunbavin

300th together: Mary Allum, Katharine J Salter

800th together: Katharine J Salter, David G Salter

250th as conductor for the Guild : Alan P Mayle

The 200th peal on the bells was rung at Aldeburgh.

I was pleased to see the 50th anniversary of Diana Pipe's first peal marked with a peal at Debenham, and the two peals for Herbert Jillings' birthday, one at the tower (Huntingfield) where he rang his first peal for the Guild in 1934.

I was also very pleased to ring in the first 41 Surprise Minor for the Guild by a resident band. This has been a long time coming, but was well worth it.

There are three Suffolk born ringers who should pass the 1000th peal mark in 2004; Mary Allum, Katharine Salter and Richard Brown. Even in this day and age, it is a very creditable achievement to reach 1000 and takes a lot of doing and organisation.

I have now all Suffolk Guild peals on a database in full. With the exception of corrections, which will

take some time yet to verify, this record is correct in most details. Any members or towers who would like a copy of their Guild peal record should contact me. I am charging £5 per 100 records or part thereof for this service, with all monies going directly into the Jubilee Fund. So: cheques to Eric, and requests to me.

Whilst I would like to see more members ringing peals, it is very pleasing to see the large number enjoying quarter peal ringing. This is an area where for little effort, great strides can be made. If each Guild member this year organises one quarter for one other member to help them improve or advance, then I believe the Guild would benefit. Please see what you can do. I am currently involved with two quarter peal projects, one to ring quarters in each of the standard 41 Surprise Minor methods. Themed projects of this type can offer valuable encouragement to the less achieved members.

I must say it very pleasing to see so many beginners ringing in Suffolk. However they will remain "beginners" unless somebody helps them to advance. I personally would never have progressed at any stage of my ringing without help. Cecil Aldous, Reg Kersey, Howard Egglestone, Martin Thorley, Frank Price, Peter Ellis and many others, all took time to give me good advice and from that advice I was able to progress. As a project for 2004 , if you are a ringer "who can", why not spend a little time helping a ringer "who cannot" to progress? Why not, as a beginner, ask those "who can" for advice? Perhaps a little more sharing and working together, will provide a sounder base from which to move into the future.

The other plea I would make concerns enjoying what you do. The whole point of ringing is to enjoy it. A band that rings in fear of the conductor will always perform poorly. A happy band will produce a better product than a miserable band. Relax, enjoy and the ringing will be less strained, less hesitant and better for it.

Finally, it remains for me to thank all my fellow officers with whom I have worked during the year. It is only at the sharp end that you can see exactly how much Guild work goes on unseen by most members. A thank you to all members who have greeted and welcomed my family and myself during the year. And a special "Thank you" to Katharine, George and Colin, with out whose help and support, I would never get anything done.

## SECRETARY'S REPORT

**SANDRA PEREIRA**

During the past year the Guild management committee has met three times. Attendance has looked up since the AGM, but there are still one or two spaces on the committee where deaneries have not appointed representatives. Three new members have been welcomed during the year.

The Annual General meeting, held at Barking on April 26th attracted 67 members, considerably more than the previous year's. Brian Whiting and Stephen Pettman, having completed their term of office, stood down. Winston Girling was elected Chairman, and after the most exciting election seen for years, David Salter was elected Ringing Master on the casting vote of the Chairman. The officers were all re-elected, and Ruth Suggett was elected Report editor, much to the relief of the Secretary!

Two minor rule changes were agreed, one to clarify the Trustees for the Auditors and the other to include the Pipe Family Trust Fund.

1983 marked the eightieth anniversary of the founding of the Guild. To celebrate, 105 members of the Guild together with Bishop Clive and his wife enjoyed an excellent meal, kindly organised by Liz Pettman, and afterwards we were well entertained with stories of Suffolk life in years gone by.

Plans are now in hand for a service to mark the long membership of some members. This will be in July and Bishop Richard has agreed to participate.

The website has been further developed and is updated regularly by John Pereira, and the central database is steadily improving, although more returns from members would be appreciated.

Applications for grants have been received from Wickham Skeith, Earl Stonham, Parham and Mildenhall, and enquiries received from Rumburgh and Thurston where restoration work is being considered. This contrasts with last year when no applications were made for restoration work.

## LIBRARIAN'S REPORT

**GILLIAN WAKEFIELD**

The Guild library contains not only books but also archive material. Most of the archive material consists of past ringers' personal papers and photographs, but the library also possesses two handbells which are of considerable interest as they once formed part of a set which were rung by a Stradbroke band in the early 1900's. The handbells are inscribed " Presented to Herbert Bayles by Mrs F W Ffrench". Herbert Bayles was a saddler, and the verger, steeple-keeper, and clock winder at Stradbroke church for many years. Mrs Ffrench, whose husband unsuccessfully contested the Eye parliamentary seat for the Conservatives against the Liberals in 1914, must have had an affection for Herbert Bayles and his love of bells. One of the handbells is 11" in diameter, a "two-hander" and has a superb deep booming tone. The handbells were in poor condition; however Winston Girling has recently restored them beautifully, fitting them with new handles, re-fixing the clapper of the larger of the two bells, and polishing both of them, and they are now a valuable possession of the Guild.

The library also contains videos and one recent acquisition is "The Nine Tailors". This classic BBC adaptation of the novel by Dorothy Sayers stars Ian Carmichael as Lord Peter Wimsey, and is interesting to ringers because of the strong bell ringing theme, and shots of actors ringing. Another recent purchase is a new training video "Look and Learn – Plain Hunt". Made by some Kent ringers the video is intended for learners grappling with the complexities of rope sight and coursing orders. Some of the material is presented very well, some of it is difficult to follow, but overall this video will be helpful to new ringers. A third video, "Campane alla Bolognese" donated by Stephen Pettman, shows ringing Bolognese style, and for those who haven't seen Italian bell ringers standing on the bell frame, pushing the bells with their hands, and jumping on the headstocks to raise the bells, it is a "must". There are also some wonderful sequences of a 90 year old Italian ringer chiming the all the bells by means of cords attached to his hands and feet.

The library has been used more than ever this year. Do continue to use it to borrow books or videos, or for information on bells or bellringing.

# BELFRY ADVISORY COMMITTEE REPORT

**WINSTON GIRLING AND ALAN MOULT**

Meetings of the above Committee were held during February, June and October, 2003. The following is a summary of the matters discussed.

**Thurston** – Work is to start in February, 2004 to rehang and augment to 6 in a new steel frame. The new frame will be easily adapted to house 8 bells if this becomes possible at a later date.
**Rumburgh** – Severe frame movement and other problems has necessitated moves to rehang and augment this peal of 5 bells. The tower is unusual in that only the southern half of the bell chamber is taken up by the present wooden frame and it will be possible to install a new steel frame for 6 bells in the remaining empty northern part of the chamber. The old frame will be left in situ.
**Sudbury, All Saints** – Following recent tower repairs these bells could again be rung but unfortunately the 7th headstock was found to be badly decayed preventing the bell being rung full circle. The Parish has now decided to re-hang this one bell on modern fittings.
**Bramford** – Early in 2003 it was reported that ringing had been stopped because of problems with the tower buttresses. At the present time (December 2003) fund raising is going ahead and hopefully the tower will be repaired as soon as possible.
**Wickham Market** – Tower repairs at this Church have been completed and ringing commenced again towards the end of 2003.
**Wickham Skeith** – The 6 bells have become unsafe owing to severe wear in the gudgeons and other problems. However, the Day wooden frame is still in excellent condition and a restoration and rehanging of these bells in the old frame is to take place. Wickham Skeith and Thornham Magna were once two of the towers which shared an enthusiastic and competent peal band, and it is excellent news that Wickham's bells will now be restored and preserved for future generations.

**Whepstead** – Recent problems with the 'go' of the tenor on this peal of 5 revealed that all are very much time expired and Alan Moult has recommended complete restoration as soon as possible. Temporary repairs were made to the tenor bell which means that all 5 can still be rung for the time being and the Church is looking at the possibility of rehanging in due course.
**Felixstowe, St. John** – A great success story. A new peal of 8 bells on the Felixstowe peninsula to join the 6 not too far away. The packed Church at the Dedication bore witness to the importance of this new installation and an excellent peal of bells has resulted. Congratulations to all concerned.
**Easton** – The peal of 6 bells have now been restored and rehung in the old wooden frame. The frame was first lifted and RSJ's inserted underneath to replace the original wooden frame supports which were much decayed. Alan Moult and Committee members then completely restored the bells and fittings which were rehung in the old frame. This was a long term job which was very successful and the bells can now be rung again. Alan has spent many, many hours carrying this out and congratulations and thanks are due to all for their efforts.
**Wissett** – It has been reported that a major restoration is being seriously considered for this peal of 6.
**Middleton** – There is some interest in restoring this unringable 5.
**Stowmarket** – During the summer the bells were out of action for 2 weeks. During this time all of the vertical tie rods on the wooden Bowell frame were fitted with new metal plates and half cotters and other metal fixings on the frame were repaired as necessary. Following this work, carried out by Winston and Carol Girling, the frame could then be tightened properly for the first time for many years and the bells are reported to be considerably easier to ring. The Church has agreed that in the long term it will consider rehanging in a new 10 bell steel frame as the present frame is now well over 100 years old and is proving more and more difficult to repair.
**Earl Stonham** – Complete restoration involving a new steel frame and possible augmentation to 8 is likely to to start soon.
**Parham** – A tower with at present 3 chiming bells, 2 of them 14th century. The Church intends to rehang the existing treble and tenor bells and and install a new second bell with full ringing fittings in a new bellframe and augment to a peal of 6 with a 6cwt tenor. The present medieval wooden bell frame is to be preserved. It is believed that long ago there were 4 bells in this tower which were rung full circle, but documentation is scarce.
**Mildenhall** – Large cracks in the tower walls have prevented much ringing of the whole peal of 10 bells and consequently ringing is restricted to the front six only. The Church is taking steps to carry out some restoration on the front six so that these bells can continue to be rung.
**Rougham** – All the bells have been lifted and the bearings cleaned and repacked.
**Ixworth** – Some work has been done to improve the 'go' of the bells.

Thank you to all who have helped in any way with restoration, repairs, cleaning out towers and general bell work over the last year. Our Suffolk bell installations are nearly all in flint rubble towers which are notoriously susceptible to integrity problems. Add on the (all too often) tendency for ailing bells to be neglected in favour of other Church repairs and the long, uphill task ahead of us becomes all too clear. We must keep up the excellent work of the last few years.

## TREASURER'S REPORT — ERIC BULL

The accounts for 2003 (not audited) show our finances to be in a healthy state at this time. The balance in the general fund remains sufficient to cover a years expenditure after the regular transfers to other funds have been made and with gift aid refund and interest payments allocated directly to the restoration account. While it is not proposed to increase the subscriptions for the coming year we must not be too complacent as the following table would seem to indicate:

| Year | Total subscribing Ringing members | Adult members | Senior members | Junior members |
|---|---|---|---|---|
| 1999 | 653 | 461 | 123 | 69 |
| 2000 | 646 | 440 | 141 | 65 |
| 2001 | 668 | 452 | 161 | 55 |
| 2002 | 647 | 430 | 168 | 49 |
| 2003 | 641 | 422 | 176 | 43 |

Some unfortunate trends can be observed. The number of junior members has steadily decreased. The number of senior member paying reduced or nil subscription has increased at the expense of the adult members. Naturally we would wish that these trends can be reversed but if not then income must inevitably decrease. If not offset by increased subscriptions (not always a popular move) or other remedy, our ability to help towers by grants for restoration or augmentation eventually could well be diminished. The G.M.C. is at present considering its options.

Grants paid this year amounted to £6,650 and grants promised on satisfactory completion of the work amounted to £15,000 leaving £20,143 still available in the restoration fund.

Finally may I make my annual plea for all taxpaying members who have not yet filled a Gift Aid declaration to consider doing so. The accounts will show you what a considerable sum has already been clawed back and that from less than 50% of the members. We could do much better. There is no commitment to pay a set amount over a set period as with the previous covenants. If your tower captain does not have one of the forms to hand just telephone me and I will send one.

## SATURDAY

Campsea Ashe (1, 3; 09 - 10.30) Orford (09.30)

SUSAN ASHTON-JONES SUSSEX AND BADWELL ASH

Badwell Ash church was full on that sad day in January for Sue's funeral and yet it was a joyous service of thanksgiving for the life of this much-loved lady. Secretary of the NW District, Sue did much to bring together and encourage towers in a widespread area. One always felt better for meeting her.

DAVID BARNARD BARKING

David set us an example by his fortitude and cheerfulness during his long illness. Even then it was a cruel blow to lose him at the age of 53.

Richard and Olive's five children all became capable ringers, David being the last to learn but he showed that same tenacity and commitment as he did in all he undertook. He continued the teaching tradition at Barking, encouraged restoration work and when Earl Stonham bells are done he will certainly be remembered.

David served our SE District in office and a packed church testified to his popularity across Suffolk.

ERNEST BROCK KESSINGLAND

Ernie was a Non Resident Life member, loyal to the NDA. One of a ringing family (happy memories of Tom), he gave good service to the fine tower of St Edmund and churches round about.

LT. COMM$^{DR}$ WILLIAM BROUNGER ST MARY LE TOWER AND LYDD

An associate member as verger of the Tower, Bill was immensely supportive of our ringing and encouraged peals and quarters. 'Why don't you ring a peal every weekend?' he used to say, 'the public need to hear 'em!' He really was an ambassador for bells.

A measure of his and Mary's compassion for people was the fact they fostered over forty children during their lives. Bill had a happy retirement to the Romney Marsh - within sound of bells too.

W ERIC CRITCHLEY DONCASTER AND DAVENTRY

Eric was a life member, having joined the Guild in 1949 whilst on the famous Cheshire tour. Indeed he rang his first peals of London and Bristol in Suffolk that year.

A two-thousand pealer, composer and conductor, Eric Critchley's name was known up and down the land.

THOMAS CULLINGWORTH MAIDSTONE

One of the nicest of men, modest Tom joined our Guild in 1954 prior to a peal of Cambridge Royal at the Norman Tower. He became fond of Suffolk and spent holidays here.

Ringing over 2000 peals, half of them when he was nearly blind, Tom was a high class performer, rarely making a mistake. A great encourager of beginners too.

HAROLD CULPIN — GREAT BARTON

Unfortunately Harold's name was omitted from the 1997 obituaries, and I am grateful to Carol Girling for pointing this out. He came down to Barton originally from London and during his years here was a strong supporter of the Guild especially in the NW District.
Harold taught many good ringers and with his Sunday service duties epitomised a ringer who is the backbone of the Exercise.

FRANK E DARBY — CROYDON

We thought Frank, a life member from the 1930's, might beat George Symond's record of 99¾ - he nearly did, passing away peacefully aged 98. A fine ringer on all numbers, especially ten and twelve. He, with Charles H Kippin and Tony Price (Frank's father) were the mainstay of Beddington's notable ten bell band before the war.

He had two other claims to fame! He was the only man to have rung a peal on all three twelves at St Mary le Bow and his elegant four part peal of 5007 Stedman Cinques was called no less than one hundred times by Tudor Edwards.

KENNETH EBELING — LOUGHTON AND HINTLESHAM

We were pleased to welcome Ken to Suffolk and he immediately made friends when he came to the Veterans' gathering at Debenham two years ago. His subsequent help at Hintlesham, Hadleigh and Stoke was much appreciated and we are so sorry to record his sudden death.

GEORGE GARDINER — GLOUCESTER, WARWICK AND NAYLAND

Born on Easter Day 75 years ago, George eventually moved to Nayland in 1970 having learned to ring on the fine eight at St Nicholas, Warwick. Supported by his family, he was another of those unsung ringers who form such a valuable core of loyalty especially in our country areas. His was the land of Polstead and the Naylands - what prettier? - and in all he did, warmth and humour shone through.

BERTHA HARDMAN née REEVE — IPSWICH, TATTINGSTONE AND PRESTBURY

Bertha Reeve with eight other ladies (what a catch!) was taught by Cecil Aldous at St Matthew's, Ipswich in 1935. Some measure of her flair, was the ringing of a peal of maximus at the Tower for only her fourth peal; no mean feat even in those days.

During the war Bertha was a Sergeant Major in the ATS, no doubt the reason for her disciplined approach to things. She was utterly dependable, a real worker and it was her determination that saw Tattingstone bells restored and made six.

We missed her when she moved to Prestbury in 1981 but she took with her the (first) Honorary Life Membership of our Guild. As one can imagine, she made her contribution in Gloucestershire too, right up to her death when she almost reached ninety.

DR DAVID R M HEIGHTON — NORWICH

President of our neighbouring Association, the NDA, David died in April aged 68. He was also a Ringing master at 'St Peter in the Magna Crofta' - Mancroft, one of the most famous towers in the land.

Chorister at Norwich Cathedral, David read medicine at Bristol University and eventually returned as a GP at Saxlingham Nethergate. He was very effective in office, a great encourager of young ringers, indefatigable collector of towers (over 3000 worldwide) and loved peals. Small of stature, he certainly made up for it by his infectious enthusiasm and always retained his fondness for Norfolk, Bristol and Suffolk, where he had been a Life member for almost fifty years. A memorial service was held for him at St Peter Mancroft in June.

ALFRED HONEYWOOD — MISTLEY

Alf was 79 and was taught by his father, also Alfred in 1946. Another Life member, he rang 86 peals mostly in the Tendring Hundred of Essex.

Contemporary of George Moss, Daisy Andrews and others, Alf was a staunch figure in the Stour Valley area and will be missed.

COLIN LOKE — HENLEY AND ASHBOCKING

Coming under the influence of Howard Egglestone, one of our past Masters in the late sixties, Colin became proficient in six and eight bell ringing and was especially fond of Spliced Minor. He much enjoyed his time in Suffolk and we were sorry to read of his passing aged 71.

PHYLLIS EVELYN MARRIOTT (née TILLETT) — IPSWICH

Phyll came from a good stable, as they say; she was the sixth generation of the Naunton-Tillett family to ring - a fine pedigree indeed.

In 1933 aged 14 she became the youngest person to ring a 12 bell peal - Grandsire Cinques, a record that was to stand until 1948. By 17, she had rung peals of Superlative and Rochester Maximus, no small achievement pre-war. Following on from her father Ben, grandfather Fred and great-uncle Bill she was the pride of the old Tower band. Ill health prevented her doing much ringing after 1939 although she maintained a keen interest up to her death and loved events like the Rushmere Outing.

HARRY J MILLATT — COLCHESTER

A well-known ringer on the Essex-Suffolk border, Harry died at the great age of 88. Until the last few months one could be excused for thinking he was no more than 70. Except for the belt and the voice. The belt (holster) got lower and lower and the voice not quite the bark for Stedman Triples and Double Norwich that it was.

Taught by George Andrews at Thorrington in the thirties, Harry's contribution to NE Essex and his friendship in Suffolk will long be remembered. A very useful ringer on six and eight, conductor too, we shall miss his shiny face and keen ear and eye. Of the many anecdotes, one comes to mind when Harry was chairing a meeting after a particularly greasy tea. Tapping the table he said 'has anyone anything to bring up - in AOB'. Laughter - when he saw the joke he took it in good part.

RAYMOND MITSON — EARL STONHAM

Cousin of Hubert (donor of the Guild's Striking Competition Shield) and brother of John, Ray served the Church and ringing for many years. He remembered of course the old band at Stowmarket and Frank Sterry and others at Earl Stonham and Mendlesham.

How pleased he was that plans were afoot to restore and augment his local bells; like David Barnard he will be remembered on Dedication Day.

JOHN J PRENTICE — BARKING

I think it was dear Bob Lester who gave John his nickname 'Twisty', due to the ballet-like style he had coming down from backstroke - a sort of corkscrew effect.

Lovely chap John and many's the happy hour I spent on Barking bells looking out over that fine church and the ghosts of Samuel de la Bere and George Read, priests there in John's time.

HILDA GWENDOLEN SNOWDEN — HALSTEAD AND GOSFIELD

Sadly these days it seems politically incorrect to single out a lady ringer for being a lady but there is no doubt, in her day, Hilda was an outstanding lady ringer. This was mainly due to her prowess on heavy bells, something essayed only by Edith K Fletcher (née Parker) up to the 1930's.

Fine tenor ringer she certainly was but also a precision striker and stylist anywhere in the circle. Strong on opinion, criticism and loyalty, Hilda was certainly her own person. Immensely gifted too; piano, organ, golf, management, driving and much more. Her contribution to Essex ringing in office, teaching and restoration work and to the Ladies' Guild was huge and she will be a name talked about for generations.

Amongst many heavy bell performances - her greatest? Perhaps the 10th at Exeter (33cwt) to a peal in the 1950's.

G ANTHONY SUTHERLAND — HALESWORTH AND LOWESTOFT

Michael Parker's fine tribute to Tony in the Guild Newsletter said it all. A popular figure in both the NDA Eastern District, in north east Suffolk and beyond, Tony Sutherland's membership exceeded fifty years. His other middle name was surely 'helper' for that is what he did so well in the Halesworth area, Lowestoft and Kessingland in particular.

His first peal, Bob Major at Southwold in 1949, had Jack Thurlow in the band who famously said to Nolan Golden before they started that he hoped there would be no singles. Nolan promptly called 206 of them!

We miss Tony's ringing and his singing but we are glad we have Elizabeth to remind us of him.

ARTHUR FREDERICK WARREN — STOKE BY NAYLAND AND FINCHLEY

At nearly 96 Arthur died in April with a record of happy marriage, gardening, aircraft (Spitfires) production, a love of horses and ringing behind him.

After call changes on the old six at Stoke (they used to hang 123645 - a real handful) he graduated to Surprise Major and Stedman at St Mary's Finchley and became Steeplekeeper there. Amongst his many pupils was Dorothea Mayne (née Robotham) who always spoke fondly of him.

## SECRETARY'S REPORT — BEL RIVERS

Our first meeting of the year was at Leiston and Aldeburgh in February. In May we held the Striking Competition at Blythburgh. The winners were Aldeburgh (method) and Sweffling (call changes). The ADM in November was held at Rendham where we had the chance to ring on the newly-restored eight bells. The attendance at the meetings was slightly below average. We only had three new members during the year and our overall totals of membership have dropped by 4! Out of a total of 116 members, only two are juniors!

The August mini-tour was better attended, with ringing at Metfield, the recently restored six at Mendham, and 'across the border' to the wonderful ring of eight at Redenhall.

Trevor Hughes, our Ringing Master, worked hard throughout the year with his 'hit squad' going to various towers that had asked for help, and progress was made by many. Trevor has a full programme of ringing for us for 2004, so please support as much as you can.

Thank you for your continued support, and enjoy your ringing.

## SECRETARY'S REPORT — CAROL GIRLING

The year began on a sad note for our District with the Memorial Service for Sue Ashton Jones – a former Secretary, and friend. Our continued good wishes go to Keith, in his new home just down the road.

The meetings and practices during this sun-filled year have been as well attended as those in the other Districts, with the possible exception of our ADM. This most important of all the meetings had less than twenty members present.....where were you all? It begs the question, "are meetings really necessary?" If you all feel the answer is "no", then don't blame your District Committee if we make unpopular decisions and treat you like mushrooms!

High spots have been the July BBQ, (held in sweltering conditions, and ably catered for by the Three Tenners, AKA Stephen, Stuart and Winston), and the "young ringers' day" organised by Claire Monk.

Recently a group of learners from the Old Newton, Stowmarket and Buxhall area have been recruited from one of the local High Schools, and look like staying the course. It all goes to prove that peer pressure can be positive.

The next event will be the District Christmas Dinner at Barningham. Allthough the muddle was not of my making, I do apologise for it. Better luck next year eh?

We are thinking of Mandy Shedden who is in hospital and has had to resign her post of Newsletter Correspondent for the District. We thank Mandy for all she has done and wish her a speedy recovery.

From all in the North West District to those in the rest of the Guild, we wish you "a peaceful new year". Enjoy your ringing.

## SECRETARY'S REPORT — SUE FREEMAN

The most significant event in the last ringing year in our District was the move by our Ringing Master, Ann Jessop, to Gloucestershire. She and David are much missed at Boxford and Edwardstone. Ann's work as District Ringing Master was greatly appreciated and her teaching skills with new recruits were invaluable. We wish her well in her new home. In September, Simon Pilsbury took over the job of Ringing Master. I'm sure he will carry on the good work.

The year has followed its usual pattern. General practices were held in February and March this year at Bildeston and Cowlinge. It was our turn to host the Guild Striking Competition, which was held at Stoke

by Nayland and Polstead. In June, the District Striking Competition, held at Preston, was won by Kersey, with Stoke by Nayland the runners-up. The July evening tour, as always, was ably organised by Richard and Christine Knight. This year we visited Great Yeldham, Belchamp St Paul and Pentlow, and enjoyed supper together at Long Melford. In August, Rolie Whiting organised the joint outing with the North West District at Little Thurlow, Stoke by Clare, Sible Hedingham and Bures, and the September car tour took in towers in North Essex in the Finchingfield area. The October event was a visit to the Norman Tower. This was so poorly attended that we only managed to ring all ten bells because two local ringers kindly stayed to help us out. Indeed, many of this year's events have been sparsely attended and would not have taken place at all if friends from other Districts had not joined us. Nevertheless, those who came to the various practices and outings all enjoyed them. Thanks are due to the members of the committees for all their hard work during the year in helping to organise the programme of events.

## SECRETARY'S REPORT — SALLY MUNNINGS

This year has been another fairly successful year, but attendance at meetings could have been better especially at the October practice where nine ringers attended. In the last twelve months, the average attendance at practices has bee 17 and at meetings 31 - hardly impressive from a District membership of 280. However, once again the outing was nearly fully booked and everyone enjoyed themselves in the Peterborough area. Sadly many of these members we do not see at Guild or District meetings. Does this tell us anything?

During the year 19 members were lost but of these 12 gave up ringing for various reasons including poor health/age, or other commitments. 7 left the county and little can be done about that. Three

members have not yet paid but may later, but they are still members who ring little, if at all, or only ring in their own towers, so I feel we must class their subscription as a bonus to our accounts. On the plus side, 18 new members have joined, so let's give them every encouragement and keep them as active ringers.

The District account continues to look healthy, but because of lack of numbers at some practices we would have had a shortfall had we not introduced Draws at meetings by popular request and the outing had not made a profit. We did give the Guild Bell Fund £100 during the year.

One problem I have when I come to do the accounts is that many towers have not banked their donation cheques from up to 6 months ago. At the time of writing, 6 cheques totalling £50 have not been banked, making the bank balance a rather deceiving £228. Please bank them.

The Guild AGM was held at our District at Offton and Barking, which was very enjoyable. Learners' practices were held at Hollesley, Burgh and Hacheston and were fairly well attended.

Many thanks to those who attend meetings, pay their subscriptions on time and help me generally,

# PEAL SECRETARY'S REPORT — ALAN MAYLE

The number of peals rung by the Guild showed a slight increase to 69 in 2003, from the 67 rung in 2002. Peals were rung in 40 Suffolk towers and 2 other towers outside the county, i.e. East Retford, Notts and Peterborough Cathedral.

The first peal on the bells since restoration and augmentation was rung at Rendham during the year. A peal was rung at Stoke by Clare and at Walsham-le-Willows on the 100th anniversary of the first peal on those bells.

The peal of the 41 regular Surprise Minor rung on the mini-ring at Old Stoke, Ipswich was the first time that this has been rung for the Guild by an entirely resident band. It is remarkable that not a single peal of Stedman was rung during the year, although Grandsire seems to have made a comeback, especially of triples and caters.

First performances for the Guild during the year were: -

| 12 January | Aldeburgh | Eckland S Major |
| 9 March | Aldeburgh | Griffin S Major |
| 11 May | Aldeburgh | Xamit S Major |
| 14 September | Aldeburgh | Kirkham S Major |

A Peal rung at Salle, Norfolk in 1993 previously not published in the annual report has now been added.

Peal No. 7867 in the 2001 Annual Report removed from the Guild records at the 2002 AGM, after the membership status of one of the band was questioned, has subsequently been readmitted into the records by the 2003 AGM.

After much discussion recently about non-resident members I would like to remind all organisers and conductors of peals that it is your responsibility to ensure that everyone is a member of the Guild before commencing. Details and payment for new non-resident members should be forwarded as soon as possible after the peal for ratification by the Management Committee.

## Regulations relating to the Suffolk Guild Handbells

1 The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells viz:

| | |
|---|---|
| 25 bells by Taylors | size 20 in C (2 chromatic octaves) |
| 16 bells generally by Shaw | size 19 in F (diatonic 13 + 3 semitones) |
| 13 bells by Warner | size 20 in E (diatonic 12 + 1 semitone) |
| 13 bells by various founders | size 20 in F (diatonic 13) |

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

8 The Trustee and the Guild Management Committee would be grateful for financial help for the maintenance of the handbells from members who have enjoyed the use of them.

## THE MITSON SHIELD AND ROSE TROPHY STRIKING COMPETITIONS

RULES:

1 The competitions shall take place on date(s) decided by the GMC.

2 All Ringing Members and Life Honorary Members of the Guild may compete providing their subscriptions are paid.

3 No Member may ring more than once in the Rose competition, except as specified in Rule 11.

4 The Mitson Shield and the Rose Trophy shall be competed for as follows:

**MITSON SHIELD**

4.1 Bands shall comprise six ringers fulfilling at least one of the following:
   a) at least four are listed under the tower in the Annual report
   b) the ringers are a bona fide benefice (or similar) Sunday Service or practice night band.

4.2 The test piece will be 240 true changes of any recognised Doubles or Minor method(s).

**ROSE TROPHY**

4.3 Bands shall comprise eight members of a district or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

4.4 The test piece will be at least 224 true changes of any recognised Triples or Major method(s), of which only the first 224 changes, excluding the opening rounds will be judged.

5 Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 4.

6 The times of the draws are to be advertised in the 'Ringing World' and each band must have a representative present at the relevant draw.

7 A total of two minutes practice ringing will be allowed before each test piece.

8 In the event of bands ringing Doubles or Triples a cover bell must be used.

9 The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.

10 In the event of a large entry the Ringing Master may choose to shorten the length of either test piece.

11 A reserve ringer, appointed by the Ringing Master, will be available at the Ringing Master's discretion, to bands meeting short.

12 A minimum of two judges appointed by the Ringing Master will be present. Their decision is final.

13 The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.

14 Interpretation of all rules is at the discretion of the Ringing Master.

## MINUTES OF THE ANNUAL GENERAL MEETING, 2003

Minutes of The Annual General Meeting of the Suffolk Guild of Ringers held on Saturday 26th April 2003 at Barking.

The Chairman, Mr Brian Whiting, opened the meeting and welcomed the 67 members present. He thanked Revd. Brian Redgers for a very enjoyable and unusual service, and Paul Chapman for playing the organ. He also thanked Peta Whiting and her band of helpers from Offton for providing the tea.

**2. Apologies for absence** were received from John Taylor, the Bredfield Ringers, Michael and Jennifer Warren, Margaret Roberts, Jonathan Stevens, Suzanne Stevens, Richard Wilson, Ralph and Tessa Earey, Angela Cable, Mary Ridd, Peter Davies, John Barry, Roger Coley, Sue McCouaig, Alan Munnings, Chris Munnings, Lesley Southgate, Alan Foreman, Audrey Foreman, Kate Eagle, Mary Garner, Katharine Salter, Ian Holland, Robin Allum, Hannah Kidger, Gill Waterson, Margaret Cherry, Ann and David Jessop, Ed and Mary Hynard, Stefan Labedzki, Charles Ablitt, Sue Freeman, Tinker Lockwood, Paul Simon, Richard Pegg, Joyce Lester, Ruth Suggett.

**3. Minutes of the 2002 AGM**

These had been previously published in the Annual Report. It was proposed by Stephen Young, seconded by Canon Lawrence Pizzey and agreed that these be accepted.

**4. Matters Arising**

David Salter raised a query about peal number 7867, which the 2002 AGM had agreed should be struck from the record as Frank Price, a non member had taken part. He proposed, and Trevor Hughes seconded that this peal be reinstated. The meeting agreed to this proposal by 17 votes to 11. It was then proposed by Richard Knight and seconded by David Salter that the GMC look to clarifying rule B 2.4 to ensure that NRLMs moving into the Guild's geographic area become full ringing members if they wish to continue their membership of the Guild.

**5. Officers' Reports:**

At the end of his five year term of office, Brian Whiting expressed his enjoyment of his time as Chairman. During that time, membership had increased as had the Guild's financial resources. The Restoration Fund had made grants of over £50,000 in that time, thanks to the policy on subscriptions and peal fees.

On the negative side, he had been disappointed at the response to his attempts to revive the St Edmund Clapper competition. He also expressed his disappointment at the disloyalty shown by certain members in ringing peals in Suffolk towers by Suffolk bands, and crediting them to other associations.

**Master**: Stephen Pettman presented his report, giving special thanks to his wife for the excellent dinner for the Guild's 80th Anniversary, which was enjoyed by all who attended. David Salter made considerable criticism about aspects of the Jubilee Quarter Peal project, a matter which, it was pointed out, had been thoroughly aired by the GMC. Following explanations and apologies from certain ringers, the GMC had agreed to safeguards being put

in place to prevent further similar problems, and the matter was now closed. The Master's report was accepted.

**Secretary**: Sandra Pereira presented the Secretary's report as printed. This was accepted by the meeting.

**Treasurer**: In presenting the accounts for the year, Eric Bull corrected an error in the printed version. He again emphasised the benefits of Gift Aid to the Guild. The accounts were accepted by the meeting.

**Public Relations Officer**: Stephen Pettman gave a brief verbal report, emphasising that no complaints about ringing had been received during the year. His report was agreed.

Technical Adviser and Belfry Advisory Committee: Winston Girling proposed that the report as written be adopted. This was agreed.

**Librarian**: Gillian Wakefield proposed that the Librarian's report as published be adopted. This was agreed.

**Peal Secretary**: In the absence of the Peal Secretary, the meeting agreed to adopt his report as written.

**Handbell Trustee**: The Chairman gave a verbal report reminding members that there are handbell sets in SW and NE districts, and two sets in his care. All were in good order. He proposed that the report be adopted. This was agreed.

**6. Subscriptions and fees for 2004**:

| | |
|---|---|
| Proposal from GMC: | |
| Ringing Member | £13.00 |
| Ringing Member over 65 | £ 6.50 |
| Ringing Member in full time education | £ 5.00 - unchanged |
| Associate Member | £ 6.50 |
| Non Resident Life Member | £6.00 - unchanged |
| Peal Fee | £ 1.00 - unchanged |
| Donations | |
| Friends of St Peter's Sudbury | £50.00 |
| Friends of the Cathedral | £50.00 |
| Suffolk Historic Churches Trust | £50.00 |
| Donations in lieu of wreaths | £25.00 - all unchanged |

Trevor Hughes proposed, seconded by Stephen Young, that these subscriptions and donations be accepted. This was agreed by the meeting.

John Pereira suggested that we take a careful look at the membership in relation to rule H 2.4, as at some point in the future, the number of paying members will make it difficult to raise the funds to keep the Guild running.

He was advised that the GMC already had this matter in hand, and some research was being undertaken.

**7. Election of Officers for 2003/2004**:

Vice-Presidents: Stephen Young proposed, seconded by Winnie Lockwood that the Vice Presidents as listed in the 2002 Annual Report be re-elected en bloc. This was agreed.

Stephen Pettman proposed, seconded by George Pipe that Brian Whiting be elected to the position of Vice President on his retirement from the position of Chairman. This was agreed by the meeting.
Chairman: David Salter proposed, seconded by Stuart Harrison, that Winston Girling be elected as Chairman. Mr Girling was elected, and subsequently took the chair.
Ringing Master: There were two nominations for Ringing Master. Mary Garner was proposed by Stephen Pettman and seconded by Diana Pipe, and David Salter was proposed by Stephen Young, seconded by Gordon Slack. Following a ballot which produced a dead heat (33 votes each), Mr Salter was elected on the Chairman's casting vote.
Secretary: Winnie Lockwood proposed, seconded by Maurice Rose, that Sandra Pereira be re-elected as Secretary. Mrs Pereira was elected.
Treasurer: Stephen Pettman proposed, seconded by Trevor Hughes, that Eric Bull be re-elected as Treasurer. Mr Bull was elected.
Technical Adviser: John Pereira proposed, seconded by Sheila Franks, that Alan Moult be re-elected as Technical Adviser. Mr Moult was elected.
Chairman of the Belfry Advisory Committee: Helen Price proposed, seconded by Gordon Slack, that Winston Girling be re-elected as Chairman of the Belfry Advisory Committee. Mr Girling was elected.
Public Relations Officer: Sheila Franks proposed, seconded by Stephen Pettman, that Mandy Shedden be elected as Public Relations Officer. Mrs Shedden was elected.
Librarian: George Pipe proposed, seconded by Maurice Rose, that Gillian Wakefield be re-elected as Librarian. Mrs Wakefield was elected.
Report Editor: Sandra Pereira proposed, seconded by Stephen Young that Ruth Suggett be elected as Report Editor. Mrs Suggett was elected.

Peal Secretary: David Salter proposed, seconded by Mandy Shedden, that Alan Mayle be re-elected as Peal Secretary. Mr Mayle was elected.
Auditor: Revd Brian Redgers proposed, seconded by Maurice Rose, that Larking Gowen be re-elected as Auditor. This was agreed.
Handbell Trustee: Winnie Lockwood proposed, seconded by John Pereira, that Brian Whiting be re-elected as Handbell Trustee. Mr Whiting was elected.

**8. Election of Life Honorary Members**

There were no nominations for Life Honorary membership.

**9. Election of New Members**

It was agreed that the following be elected members of the Guild:
Carl Melville from Old Newton - proposed by Josephine Beevor
Ann Bond and Jane Stearn from Hollesley - proposed by Sally Munnings
Frances Green and Imogen McCaw from Burgh - proposed by David Stanford
Ted Samson from Offton - proposed by Brian Whiting
Peter Hamilton Jones, Joy Castle and Ian Lord from Orford - proposed by Stuart Harrison

Laura Sager from Grundisburgh - proposed by Stephen Pettman
All nominations were seconded by John Pereira.

**10. Proposal for Rule Additions**

A proposal was put to the meeting by the GMC to add the following to the Constitution and Rules:
Rule A 1.3 to read:
'The Trustees of the Guild shall be the Guild Executive, as defined in Rule J 13.'
Rule E 19 to read:
'The Pipe Family Trust Fund shall be used for the encouragement of beginners in the art of change ringing in the Suffolk Guild. The fund will be administered by the Guild Executive.'
As a consequence of this addition, Rules E 19, 20 and 21 will become E 20, 21, 22; rules F22, 23, 24, will become F 23, 24, 25; rules G 25, 25.1, 25.2, 25.3 and 26 will become G26, 26.1, 26.2, 26.3 and 27.
These proposed additions were notified to members in the Ringing World on Friday 11th April 2003.
The first addition was proposed as a result of a query from the Auditors about the Charity Trustees of the Guild. The second was a necessity following the setting up of the new Trust Fund.
Revd Lawrence Pizzey proposed an amendment, that the word 'will' in the second sentence of Rule E19 be replaced by 'shall' to be correct. This was seconded by Stephen Pettman and agreed by all.
The meeting then agreed to adopt the new rules unanimously.
George Pipe put in a plea to ensure that the trust money be used and not left to accumulate.
The Secretary read out a letter from Claire Monk of Walsham le Willows thanking the fund for a grant to enable her and her sister to attend the Essex Course.

**11. Date and Venue for 2004 AGM**

The 2004 AGM will take place on Saturday April 17th 2004 in the South West District; venue has yet to be arranged.

**12. Any Other Business**

Winnie Lockwood thanked the Guild for the card sent with best wishes for her and Tinker's Golden Wedding. She also expressed her delight at revisiting Offton, where she had first rung.
In answer to a query about the Ringing World Roadshow, it appeared that individuals were making their own arrangements to visit this.
The Ringing Master announced that David Heighton, President of the Norwich Diocesan Association of Change Ringers had died recently. The Secretary agreed to send a message of sympathy to the NDA.
Stephen Pettman reported a quarter peal rung at Monewden, where the ringers were his two young nieces, and four girls from Grundisburgh, including Ruth Eagle who conducted. The average age of the ringers was 13 years 11 months and 23 days.
He also expressed the hope that Chairman and Ringing Master would cease their habit of ringing peals in Suffolk with Suffolk ringers in the name of other associations.

David Salter agreed to start doing What's On from July. Districts were asked to be more forthcoming with data for What's On.
Mandy Shedden expressed her thanks to all who contributed to Alec's Wheel Appeal.
Muriel Page informed the meeting that Veterans' Day would be held at Debenham in the afternoon of Tuesday July 9th.
The Chairman thanked Brian Whiting and Brian Redgers for acting as tellers. John Pereira proposed that the papers be destroyed. This was seconded by Winnie Lockwood and agreed by the meeting.

There being no further business, the meeting closed at 5.10 pm.

## RINGING MASTER'S REPORT — DAVID SALTER

It has been a very quiet year ringing- wise for me, with family and work commitments quite rightly reducing the amount of time I have been able to spend at practices and meetings. However I have done my best and been welcomed at the practices and meetings I have attended. The SW outing to Essex was most enjoyable, the NE Striking competition great fun and produced some excellent ringing, very difficult to judge. Touch of the year however was at a NW District practice where as I arrived they were ringing a most perfect course of Cambridge Minor, well paced, well struck and totally overwhelming in its effect; bringing out the very best of the Pakenham bells - exactly what we all should be aspiring to every time.

The AGM at Sudbury, whilst not particularly well attended, provided a rare chance to ring on the unique bells of All Saint's. Good use was made of both St Gregory's and St Peter's after the meeting, with a higher number of members participating in the ringing than usual. However, it is disheartening that some members come to a ringing meeting then do not ring.

The six bell Striking Competition was held at Reydon and the eight bell at Southwold. A very pleasant afternoon in Adnam's country resulted in St Mary Le Tower winning both competitions.

As usual Muriel produced a memorable Veterans' Day, with members from all over the country and county attending, and all had a great time. There was good ringing interspersed with good company, chat and anecdotes, making this event a highlight of any year. The Guild owes a big thank you to Muriel and the Debenham Ringers.

The following Sunday we had the Loyalty Service at Debenham. Whilst it was open to all members, the GMC decided that those members whose names appear in 25 or more reports prior to 2003 would receive personal invitations. We could only go on the official information provided in the report and it does seem that there have been admin/secretarial errors in years gone by. Anyway these criteria resulted in a list of 110 members qualifying, of whom 65 attended, 20 did not reply and 25 were unable to attend. The result was a church packed with 120 people, the Guild President, Bishop Richard, thanked every member of the Guild for their past and continuing support of ringing in Suffolk. During the service three leads of Kent Treble Bob Major were rung on the bells by a band, all of whom had been members for more than 42 years, giving a combined band total of 376 years' membership. Tea followed in Dove Cottage with open ringing into the early evening. My thanks go to everybody who helped make the afternoon so special. Loyalty is something that often gets overlooked and we must ensure we care for all our members not just the few. I still consider some form of acknowledgement, long service certificate, gold watch or such like should be taken on by the GMC, and now we have a database it is so easy to check.

The SW Open Day, on 2 October 2004, to raise funds for All Saints, was a huge success, largely due to superb organisation by Rolie and his team. The GMC has agreed to a bi-annual open day, starting in 2006, to raise funds for the Guild Restoration fund.

The main training day was held at Stutton on 17 September 2004, again offering two courses, Plain Bob Doubles and Plain Bob Minor. Whilst not as well attended as last year good work was done with the students who did attend. Following requests for courses an additional training day was held on 16 October 2004. This was designed to cover belfry maintenance, teaching beginners, rounds and call changes and method learning. Only the rounds and call changes course ran because of a lack of sup-

port. This was a shame as there is clearly a need for both belfry maintenance and teaching beginners in Suffolk. The number of restoration jobs which have been done in the last ten years that are now odd struck or go badly needs addressing and we must get across that a restoration requires on-going attention in order to assure the longevity of the ring. It still astounds me that ringers who do not know how to do it offer advice to beginners or learners.

During the year I provided one tower peal history and three ringers' peal histories from the Guild Peal Database. Hopefully the Jubilee Fund will have benefited as outlined last year. I am happy to continue and if you would like your details please contact me directly.

During the year we have approved grants at Earl Stonham, where Taylor's have done a terrific job, Thurston and Wickham Skeith. On the whole, bell restoration work these days is very good, but it is disappointing when locals cannot get their bells up right or there are speed/timing/clappering problems, given what the work costs, this should not happen. We also need to remember that the DAC advice is just that. If you want to replace the frame and the DAC says no, appeal. At the end of the day, it is the local tower, local church, local ringers who are going to use the bells, not the DAC and if the Diocese wants to keep ringing alive, then the local ringers' views must be taken into consideration. It does concern me that a lot of advice I hear bandied about is not based on provable facts, just on the giver's personal views. We have a broad spectrum of experience in the Guild. As with ringing itself it is better to ask those that know; Alan Moult, Winston Girling and the Belfry Advisory team will all offer impartial advice, which is not mandatory but can be relied on to be informed.

At 76, the 2004 peal total was average, but the total number of peals rung in Suffolk continues to be high, mostly because of the handbell band at Bacton whose output is prolific at present. They must be congratulated for their 15 in a day (31st October) - a stunning performance.

2004 saw several record performances. Richard Brown, who whilst not being born in Suffolk learnt to ring in the NE, reached his 1000th peal. Mary Allum & Katharine Salter, both Suffolk born also reached the 1000th peal milestone. Stephen Pettman became only the fourth person to ring 1000+ peals for the Guild, joining myself, Lester Brett and Martin Thorley. Alan Mayle became only the eighth person to ring 750 peals for the Guild and is now fourth in the conductors' table. Stephen Pettman also passed 800th as conductor for the Guild, the first person to do this. There were 9 first in the methods for the Guild, most coming from the continuing activities of the Aldeburgh peal band. I was pleased to be able to ring in the peal to mark the 50th anniversary of Muriel Page's first peal. It was good to see performances to mark the 100th anniversary of first peals at Ashbocking and Haverhill, a very fitting way to remember the exploits of our predecessors. Congratulations go to all first pealers and first as conductors, hopefully you will not have been put off but will have discovered the joy, challenges and fun of peal ringing.

The Harkstead quarter peal band completed quarters in each of the standard 41 surprise minor methods. Harkstead is only the second Suffolk tower to have had a 720 of each of the standard 41 surprise rung in it. It was a very worthwhile project and now we are trying the 29 Treble Bob.

Although not Guild members, the Exercise lost two ringers during the year, who will have had an effect on every ringer. William J Hall, who set up the main Internet peal Database, which has now at his family's request been taken over by the Ringing World. David W Beard, who was solely responsible for BYROC and its associated programmes. In both cases they will be greatly missed but their legacy will live on.

My thanks go to my fellow officers, for their help and assistance throughout the year, always there, always helpful, currently a first rate team. And of course my thanks to Katharine and the boys for supporting me throughout the year.

And finally, a big thank you to everybody that has helped, supported or attended Guild events throughout the year and rung Suffolk's bells. We need to try to involve all members at all levels so that we stand as one Guild dedicated to the furtherance of ringing in Suffolk.

## LIBRARIAN'S REPORT

GILLIAN WAKEFIELD

During the past year the Guild library has been used frequently, both by ringers wanting to borrow books and by people with requests for information on a variety of topics related to bells and bellringing. The library catalogue is published on the Suffolk Guild web-site and it is evident that this is consulted by people outside the Guild, as requests for information this year have come not only from Suffolk, but from Hampshire, Essex and even the USA.

One request was for information on the medieval casting of bells and it was very interesting to find references to this in several books in the library. One of the acquisitions made this year is "The Craft of the Bell Founder" by George Elphick. This book traces the history of the craft from prehistoric China to the present day and every aspect of the craft is covered, from the mining, smelting, purifying and alloying of the metal, through design, moulding, casting, tuning and repair of bells. The author even attempts to look into the future.

Each year ringers kindly donate items to the library, and this year I am grateful to Jonathan Stevens for the video recording of the BBC's televised broadcast of Songs of Praise. Made in 1992, this video shows 1000 ringers at a service at St. Martin's in the Fields in London, and includes an interview with one very well known Ipswich ringer speaking about the part ringing plays in worship. Bruce Wakefield has also been very generous in donating several of his own books on ringing and methods.

So do use the free service of the library for information, or to borrow books, records, tapes and videos.

## SECRETARY'S REPORT

SANDRA PEREIRA

As usual during the past year the Guild management committee has met three times. Attendance has been better than in the past, two new members have been welcomed and two returning ones.

The Annual General meeting, held at Sudbury on April 26th attracted a mere 43 members, the lowest in living memory. This was especially disappointing as there had been the opportunity to ring the bells in the newly repaired tower at All Saints. The officers were all re-elected, with the exception of Alan Mayle, who was thanked for twenty years' service as Peal Secretary. The new Peal Secretary elected is Christine Knight. The post of Public Relations Officer was again left vacant.

Two rule changes were agreed, one to clarify the position and definition of non resident life member Rule H5, and the second to agree that members who attain the age of 65 pay a reduced subscription, irrespective of length of membership. (H 2.3)

In July a service was held to celebrate the long service of a number of members. We were privileged to have our President, Bishop Richard, to speak to a full Debenham church on this occasion.

Alongside the distribution to all towers of guidelines for Child Protection procedures, a letter was sent from Bishop Richard and the Guild reminding all towers of their obligations in this matter. It is important that all bands are aware of the implications of Child protection legislation and that they all have procedures in place to ensure that they comply with the law at all times.

The website has been further developed and is updated regularly by John Pereira, and the central database is steadily improving, although more returns from members would be appreciated.

Applications for grants have been received from Parham, Rumburgh, Mildenhall and Gislingham and enquiries received for extra help from Earl Stonham and Wickham Skeith. The restorations at Earl Stonham, Wickham Skeith and Rumburgh are now complete.

During the course of the year a number of officers have indicated their wish to stand down. The Secretary and Treasurer, under the five year rule, must be replaced and Honorary Technical Adviser and Newsletter Editor, as well as Chairman of Belfry Advisory Committee have also indicated their intention to step down. Together with the vacancy for Public Relations Officer, these vacancies offer the Guild a unique opportunity to make positive strides into the future with some new blood at the helm.

I have enjoyed my five years as Secretary. It has been an interesting experience with some difficult moments. and I wish my successor all the best in the next five years.

## BELFRY ADVISORY COMMITTEE REPORT

WINSTON GIRLING AND ALAN MOULT

This year has seen many days of work by volunteers from the Guild at the various towers where projects are in progress. This has helped save thousands of pounds across the diocese with the result of adding several pleasant and easy-going rings to the number already available. The technical advisor would like to express his thanks to all the volunteers, particularly those where he has organised the help on behalf of the parish and volunteers have agreed to help at towers at a considerable distance from their homes. Thank you.

The year 2004 has proved to be a very busy year with several major projects being completed. The following is a summary of work carried out or agreed and any known changes in condition of rings in the diocese.

**Earl Stonham.** The five bells have been rehung in metal frames for eight bells and augmented to six, leaving two vacant pits for future augmentation.

**Thurston.** The five bells have been rehung with all new fittings in a new metal frame for six bells, leaving a vacant pit for future augmentation.

**Wickham Skeith.** The six bells have been rehung with all new fittings in the existing frame.

**Rumburgh.** The five bells have been rehung with all new fittings in a new metal frame, with the addition of a new treble. The interesting and historic old frame is retained in situ at the side of the new frame in this odd shaped rectangular tower.

**Mildenhall.** The headstocks from bells three to six have been removed for the fitting of new gudgeons and ball bearings to replace the old plain bearings. The existing ball bearings on bells one and two are to be cleaned, regreased and refitted. The work is scheduled to be completed by early February 2005.

**Easton.** The swing-chiming bell has been rehung with new fittings in the spire.

**Sudbury All Saints.** The aim is to rehang the seventh bell on new fittings to allow the bell to be rung. The South West district Open Towers Day raised the sum of £783 towards the project. Agreement has yet to be reached on the work to be carried out.

**Parham.** Fundraising is well advanced to rehang two of the three bells for full circle ringing, augmented to six in an eight bell frame. The bells are currently hung dead, and bell number 2 will be hung for swing chiming as a service bell.

**Rattlesden.** The PCC has agreed to the rehanging of the existing six bells in the existing frame. The frame is an unusual steel design by Day of Eye.

**Gislingham.** The parish have obtained tentative agreement from English Heritage to rehang the six bells with all new fittings in a new eight-bell frame. The project fundraising is to be launched in January 2005.

**Hopton.** Fundraising has started to rehang the six bells with all new fittings in an eight-bell frame.

**Monks Eleigh.** Agreement has been reached to permanently fill in the 'hole' in the floor of the timber ringing gallery. This will allow the removal of the low hand railing around the 'hole' on which ropes have caught in the past.

**Wrentham.** Ringing has stopped due to the condition of the tower.

**Copdock.** It has been reported that ringing has been restricted to services only due to the condition of the tower.

Sadly, George Pipe announced his resignation from the Belfry Advisory Committee during the year, following many years of support for the committee and the many projects that have taken place around the diocese. Thank you, George, for your hard work, help and support.

In addition, both Alan and Winston have announced their intentions to step down as Guild Technical Advisor and Chairman of the BAC respectively at the AGM in April 2005. We would like to thank all those on and off the BAC and GMC for their help and support over the years.

## TREASURER'S REPORT — ERIC BULL

The accounts for 2004 show our finances to be in a healthy state. The balance in the general fund is only a little more than that of 2003. It amply covers a year's expenditure after the regular transfers to other funds have been made and with gift aid refund and interest payments allocated directly to the restoration account. It would seem that we have the balance about right. We consider that we need only keep in the general fund sufficient to guarantee solvency for the coming year the rest we can dedicate to keeping our bells ringing.

Grants paid this year amounted to £14,540.00 and grants promised during the year to be paid on satisfactory completion of the work amount to £16,040.00. This leaves a total of £16,500.00 of grants promised but yet to be paid. A fund of £12,822.22 is still available for approved restoration work.

The greater part of the fund available for grants comes from the subscriptions of members. This year the tax claw back added £960.83 (if you are a tax payer and have not yet filled in a Gift Aid declaration please do so – it does not cost you anything but you can see how the cause of bell-ringing benefits). By the way, if you no longer pay tax don't forget to let the Gift Aid Secretary know – it is illegal to claim if insufficient tax is paid by the member. Another important contribution is made by the members of the "Affiliation Scheme". Those members are P.C.C.s who, every year, donate say £10 to £25. This year the donations amounted to £1159.50. A list of those members is printed elsewhere in this report. Many of those members have already received grants and all give to help other churches in need. If your church is not on that list you may care to commend the scheme to your P.C.C. - you never know, your tower might be in need of a grant in the future. Help is not restricted only to those who give regularly but I am sure that one would feel easier requesting a grant when one has, over the years, helped others.

In April I will have completed my maximum of five years in office and, at the Annual General Meeting will be handing over to a new Treasurer. It has been an interesting task and one that has enlarged my database (computer speak) of friends considerably.

# DIRECTORY OF SUFFOLK TOWERS

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Advisor or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place.

The table on the following pages shows details of every ring of bells in the area covered by the Suffolk Guild of Ringers. The following details are included:

KEY

The key of a ring (ie the note of the tenor) is given in cents (ie, hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C# -20, and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

## Secretary's Report — Bel Rivers

The first meeting of the year was held at Southwold and Reydon on St Valentine's day! The Striking Competition, held at Wenhaston in May, was won by Southwold (Method) and Reydon B (Call Changes). The Mini-Tour in August to Ditchingham, Bungay and brooke was well attended, mostly by friends from Loddon. The ADM in November was held at Wilby and Stradbroke. We averaged 23 members at the meetings, but with the exception of one or two, the practices were once again not so well attended.

We welcomed fourteen new members to our District during the year; we lost nine through various reasons. Sadly, we lost Betty Syrett of Wingfield in November. Betty was a well-known tower and handbell ringer for many years—she will be greatly missed by many, especially the Wingfield ringers.

Looking forward, Trevor has another full programme for us for the coming year, with regular 8 and 10 bell practices at Halesworth and Beccles. Please don't be afraid to come along –these practices are being run to help everyone.

Many thanks to all who help make my job easier –enjoy your ringing!

## Chairman's Report — Stephen Young

The year 2004 was perhaps a slightly disappointing one for the district. Attendances at many events were noticeably down and the "Fun Striking Contest" which had been such good fun in previous years attracted only nine ringers and was, predictably, abandoned. After working to analyse the reasons for our fading attendances, the district committee embarked on a new pattern of events for 2005, with Saturday evening practices, beginners' practices on some Saturday mornings and a reduction to two meetings a year, both to be held on Saturday evenings. Let's hope that our piece in the next Annual Report will be able to say that the new pattern has attracted more members to our events!

Among the more successful events during the year were a day out ringing all the Suffolk towers that are not in the Suffolk Guild (in the Lowestoft area) and a joint outing with the South-West district to Cambridgeshire, although again attendances were disappointing.

On the positive side, it was good to welcome our first member from the newly-formed band at Wickham

Skeith and to report that their rehung bells are a great improvement. Various members of the district have spent a lot of time at Wickham Skeith providing advice, technical know-how, muscle and instruction and it is good to see the district pulling together in this way to support a new tower. It will be interesting to see how the project to restore the nearby bells at Gislingham develops and also how the restoration appeal at Hopton progresses.

We are lucky to have a good nucleus of younger ringers in the district, particularly at Walsham, Hopton and Old Newton and they have brightened up many a practice over the year. I must thank them and all other ringers in the district for keeping as many of our rings of bells going as possible and doing what they can to ensure that the main purpose of our bells is fulfilled – to ring for Sunday services. We were sad to hear, towards the end of the year, of the death of one of those district stalwarts, Ken Mulley, who had done so much to keep Wetherden bells ringing.

At our ADM we said thank you to Carol Girling who stood down as our district secretary and we welcomed Mandy Shedden as her replacement – I'll be happy to let her write this piece next year!

I wish everyone happy ringing in the coming year and look forward to seeing district members at district events. Keep an eye on the "What's On"!

## SECRETARY'S REPORT — SALLY MUNNINGS

This has been a very mixed year with attendance on the coach outing and Striking Contest being very good, but other practices and meetings being very poorly attended. One practice would have been very poor had not two American visitors swelled our numbers by chance.

Various new ideas were tried out but all failed, the social and quiz were cancelled and Fun Striking Contest and Mini Course were poorly supported although they benefited those who did attend and were enjoyed by the few.

Finances have just about balanced out as profits on successful teas and draws have subsidied the other events where the collection never covers the tower donation. Membership stayed stable, with just a few leaving the area or giving up.

I look forward to a break from this job next year after 5 years and hope that someone with perhaps some new ideas will be able to encourage the other 230 members who never attend District events to do so and will stand for election for 2005. Anyone who is keen for this job can do it.

Finally, many thanks to those who DO attend practices and events, and to all the members who pay their subscriptions and help me generally.

## SECRETARY'S REPORT — SUE FREEMAN

The most significant event in our District in the last year was the Open towers day on 2 October, when 35 towers were open to raise funds for the refurbishment of the bells at All Saints, Sudbury. This was a very successful event due to the hard work put in by Rolie Whiting and all those who helped on the day by opening towers, collecting money or helping to make up bands. Over £800 was raised for All Saints' bells.

Suffolk ringers, of course, had the chance to ring at All Saints in April as the Guild AGM was held in Sudbury, and ringing took place in all three churches there.

The practices at Acton and Hadleigh were well supported but once again, the 10 bell practice, this time at St Peter's, Sudbury was sparsely attended, as were the Striking Contest and the September car tour to the Clacton area. The evening tour in July to Stisted, Greenstead Green and Colne Engaine was greatly enjoyed by more than thirty ringers. Thanks again to Richard and Christine Knight for arranging this event.

Ed Hynard has been in our thoughts a great deal this year. In August he celebrated his 80th birthday, and a peal was rung at Polstead by friends in the District to mark this event. In November he and Mary left Suffolk to live permanently in Guernsey, where Ed has many ringing friends. He will be greatly missed in the District and particularly at Polstead.

Many thanks to everyone who has supported the District in the past year.

# PEAL SECRETARY'S REPORT

CHRISTINE KNIGHT

The number of peals rung for the Guild in 2004 was 76. This increase, from the 69 rung in 2003, continues a modest upward trend. Peals were rung in 38 Suffolk towers. Members also rang peals at 4 towers outside the county, namely Tibenham and North Lopham in Norfolk, St John's, Peterborough and The Swan Tower, Perth, Western Australia.

A peal was rung at Haverhill to mark the centenary of the restoration of the bells, and at Ashbocking the exact centenary of the first peal on the bells was commemorated on 22 December.

2004 was a significant year in Guild Peal Records in that two Suffolk ladies reached the 1000th peal mark, each with a peal at Ashbocking. Mary Allum and Katharine Salter became, respectively, only the second and third Suffolk ladies to achieve this total, Pat Bailey being the first in 1992. Another noteworthy peal was the Little Penultimus LP Cinques rung at Grundisburgh on 28 March. This was Stephen Pettman's 1000th peal for the Guild. It is particularly significant, not only because it was rung with a band whose first peals had all been conducted by him, but also due to his long-term encouragement of the peal ringing careers of several of the band. Thus, Ruth Eagle achieved her first peal as conductor with a peal of Yorkshire Maximus on 17 July at St Mary-le-Tower on the day after her fifteenth birthday, a tremendous achievement. Two members also rang their first on 12 in that peal.

After a dip to only 17 peals of Major in 2003, the 2002 level of 25 has been regained. Peals were rung in 17 different Surprise Major methods, and as well as the methods rung at Aldeburgh, it is pleasing to note at least one peal of all the Standard Eight Surprise methods, except Cambridge. There was also a peal of Glasgow at Grundisburgh in May, it being the first in the method for three of the band. The overall statistics for 2004 are finely balanced, with 25 peals of both Major and Minor, but it is disappointing to record only one peal of both Maximus and Cinques.

First performances for the Guild during the year were:

| | | |
|---|---|---|
| 11th January | Aldeburgh | Checkendon S. Major |
| 8th February | Aldeburgh | Pershore S. Major |
| 14th March | Aldeburgh | Ashworth S. Major |
| 17 April | Ipswich, St Mary le Tower | Ipswich Bob Major |
| 25 April | Pettistree | Golden Wedding Treble Place Minor |
| 11th July | Rendham | Xironcourt S. Major |
| 12th September | Aldeburgh | Greybury S. Major |
| 14th November | Aldeburgh | Groombridge S. Major |
| 12th December | Aldeburgh | Dunbar S.Major |

The numbering of the Guild's 2003 peals ended at No. 8013, but following a decision by the 28 February Guild Management Committee Meeting to grant an 'amnesty', the previously unpublished peal at The Wolery Mini-Ring on 12 January 2002 (printed in last year's report) has become No. 8014. Historically, there have been several peals for the Guild containing ringers who had not been elected properly, but it was agreed that, having now been clarified, the rules on Non-Resident Life Membership and bona fide resident status should be enforced strictly from 1 January 2004.

Alan Mayle served the Guild for 20 years as Peal Secretary, and I should like to express my thanks for the advice he has given me in my first year. Many thanks also to those conductors who have been prompt in forwarding compositions and peal fees.

## Regulations relating to the Suffolk Guild Handbells

1 The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells viz:

| | |
|---|---|
| 25 bells by Taylors | size 20 in C (2 chromatic octaves) |
| 16 bells generally by Shaw | size 19 in F (diatonic 13 + 3 semitones) |
| 13 bells by Warner | size 20 in E (diatonic 12 + 1 semitone) |
| 13 bells by various founders | size 20 in F (diatonic 13) |

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

8 The Trustee and the Guild Management Committee would be grateful for financial help for the maintenance of the handbells from members who have enjoyed the use of them.

1 The competitions shall take place on date(s) decided by the GMC.

2 All Ringing Members and Life Honorary Members of the Guild may compete providing their subscriptions are paid.

b) the ringers are a bona fide benefice (or similar) Sunday Service or practice night band.

**ROSE TROPHY**

4.3 Bands shall comprise eight members of a district or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

4.4 The test piece will be at least 224 true changes of any recognised Triples or Major method(s), of which only the first 224 changes, excluding the opening rounds will be judged.

5 Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 4.

7 A total of two minutes practice ringing will be allowed before each test piece.

8 In the event of bands ringing Doubles or Triples a cover bell must be used.

9 The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.

14 Interpretation of all rules is at the discretion of the Ringing Master.

# OBITUARIES

*We take this opportunity to thank George Pipe who until this year has so conscientiously written the Obituaries for the Guild Annual Report for many years. Please ensure that in future any Obituaries to be included in the report are submitted at the end of the year to your District Secretary.*

**JOYCE LESTER** **BARKING**

Joyce will be affectionately remembered by all who knew her. Many have enjoyed the famous Lester family hospitality over the years and district meetings were always favoured with Joyce's excellent fruit cake and sausage rolls. She was a loyal member of the Barking band and staunch Guild member for well over forty years. She rang four peals for the Guild and reliably rang many quarters during her ringing career. She will be sadly missed as a loyal and cheerful friend to all.

**KEN MULLEY** **WETHERDEN**

Ken learned to ring at Great Ashfield with his brother Dennis before the War. He started ringing again in 1973 when he became Tower Captain of a newly formed band at Wetherden and held that position until he died in October. Ken was very involved in all aspects of church life, being a Churchwarden and Sidesman. He spent many hours maintaining the bells and always ensured the grass in the churchyard was cut regularly. Using his skills as a welder he made the very sturdy ladder to the ringing chamber which will surely be used by ringers for many years to come.

Visitors of all abilities were warmly welcomed and numerous people - young and old - learned to ring under his guidance. Ken ensured that the social side of ringing was not neglected and presided over many parties, barbecues and outings where he and Gwen would always ensure a cup of tea was available, however remote the location. Ken never aspired to be a great peal ringer but succeeded in keeping a band together for over 30 years where his priority was to ensure the bells were rung for Sunday services.

**FRANCES JOAN MUXLOW** **ACTON**

Joan, an experienced ringer, came to Suffolk in the mid 1950's when her husband Arthur, also a ringer, was appointed as Vicar of Stowmarket. They then joined the band, led by O G Barnard, and with him played an important part in the organisation of the major overhaul of Stowmarket bells in the mid 1960's.

Following Arthur's death in 1977, she moved to Acton where, in addition to becoming organist and churchwarden, she was active in supporting the small band of ringers. In her later years, although always willing to help out, she only rang occasionally but the high point of her later ringing career was the short ring with the band specially recruited for the Millennium.

**DELPHINE SHARPE** **NEWMARKET**

Delphine Sharpe was a member of the Suffolk Guild of Ringers and in her later years was Tower Captain at St Mary's, Newmarket. She started to ring as a teenager and was taught by her father at Burwell Church in the Ely Diocese. She met her husband Peter through ringing and she was a proficient and enthusiastic bellringer. During her time at St Mary's she rang regularly for services, weddings and funerals and rang many quarter peals during her lifetime.

**LEONARD SYDNEY SHARPE** **IXWORTH**

Lenny, as we all called him, started to ring at Ixworth in 1944. With several others, he learned to ring under the leadership of Mr. Harry King. He rang his first peal in 1951, leading to more peals during the 1950's and was a member of a band of youngsters who helped to get the Suffolk Guild on its feet after the 2nd World War. In all he rang 45 peals, one of these being 10,080 of Minor at Holbrook in 1953. Lenny also rang a large number of quarter peals, often travelling to far away places by cycling to the station and putting his bike in the guard's van of the train. He will be sadly missed by all his bellringing friends in the Ixworth area.

**BETTY SYRETT** **WINGFIELD**

With the passing of Betty Syrett, the Guild and Wingfield in particular, have lost an enthusiastic supporter of ringing and bells in general. She was the last remaining link with the Barbers and Filbys who maintained the tradition of change-ringing at Wingfield for many years and under whose auspices Betty was taught to ring. She was born on the farm where she spent her long life and following the death of her parents, continued the work of the farm until recent years. She formed a tune-ringing handbell team at a time when such groups were a rarity in East Anglia, and this adjunct to our art remained an abiding interest to her. We shall miss this gracious lady, one of life's unsung heroines. May she rest in well-earned peace.

**NON RESIDENT LIFE MEMBERS**

We also remember the following Non Resident Life Members who passed away in 2004;

| | |
|---|---|
| Edwin A Barnet | Crayford |
| Patrick I Chapman | Daventry |
| Cedric Curson | Norwich |
| John McDonald | Birmingham |
| Stephen Rich | York |
| Olive Rogers | Isleworth |
| Richard C Stevens | Bucks |
| Ron Suckling | Bocking |
| Cyril Wratten | Cheltenham |

*May they all rest in peace.*

*We also especially remember the family and friends of the above.*

**Master:** David Salter presented the Master's report as printed.

In answer to questions he defended his upbeat comments, saying that he had received many positive comments throughout the year. He felt that the downturn in entries for the striking competition was due to the location in the South West, which made it difficult for more distant bands to enter. The problem of peals being credited to other Associations whilst being rung in Suffolk towers by Suffolk members was discussed. There was a strong feeling that loyalty to the Guild should be paramount. The Master explained why he was not listed in the Annual Report under a church tower. The report was accepted by the meeting.

**Secretary:** Sandra Pereira presented the Secretary's report as printed. This was accepted by the meeting.

**Treasurer:** Eric Bull presented the accounts as published, highlighting some of the figures.

The proposal was seconded by Gordon Slack.

Carol Girling proposed, seconded by Jackie Savage, that subscriptions be £10 for all adults and a reduced subscription of £6.50 for all in full-time education and non-resident life members. It was agreed that the following be elected members of the Guild:

Richard Clarke from East Bergholt - proposed by Sally Munnings; Celia Sims from Falkenham - proposed by Sally Munnings. Both nominations were seconded by John Pereira.

## 10. Proposal for Rule Changes

A proposal was put to the meeting by the GMC to change the following in the Constitution and Rules:

**Rule H5 to read**:

*A person resident outside the Diocese who wishes to be associated with the Guild may be elected a Non Resident Life Member. A one-off subscription is payable by such members. Any Non Resident Life Membership ceases if the member takes up residency within the Diocese.*

The 2005 AGM will take place on Saturday April 2nd 2005 in the North East District at Beccles. Lawrence Pizzey commented on the current low attendance, and recalled the days when 150 members would attend the AGM. He asked that the GMC look at the format of the day to try and make it more attractive for more members.

## 12. Any Other Business

The Secretary drew members' attention to the CCCB guidelines on child protection and sample parental consent form that were distributed with agendas. It is hoped that all towers will use these documents in order to fulfil the law on child protection.

John Girt felt that the current officers had a lack of concern for the members. He put in a plea for more social events to concentrate on members and put less emphasis on the apparent obsession with restoration.

David Salter reminded members about the Loyalty service with the Bishop to be held on 18th July at Debenham and encouraged all members to attend.

Muriel Page reminded members about the Veterans' Day at Debenham on 14th July.

Gillian Wakefield offered to take commissions to paint portraits, with proceeds going to the library fund.

Brian Whiting expressed concern about the website. John Pereira had been abroad and had not been able to do recent updating. Stephen Young had offered to be web master; it was hope that he would take it on soon.

Rolie Whiting reported that the collection from the service amounted to £101.80. This would be donated to All Saints bell restoration fund.

In answer to a question from Bruce Wakefield about cover for bell ringing being in household insurance, David Salter said that he doubted that most policies would include such cover.

There being no further business, the meeting closed at 5.12 pm.

## BELFRY ADVISORY COMMITTEE REPORT

WINSTON GIRLING AND ALAN MOULT

Belfry Advisory Committee Meetings were held in February, June and October, 2005. Various major restorations (some completed, some current and others being proposed) were discussed. There seems to be every likelihood that the current enthusiasm to restore our time expired installations will continue. This is excellent and must be encouraged. It is also apparent that when bell restorations are taking place there are those who are willing to give their time voluntarily to help. Thank you to those members of the Committee and others who have done so over the last year.

Space will not allow all the items to be recorded but the following is a summary covering 2005.

**Chediston** – are looking at rehanging the bells in a new frame.
**Mildenhall** – work on front 6 bells now complete. Restrictions on ringing all 10 bells in place because of concerns about the integrity of the tower.
**Sudbury** (All Saints) – repairs to 7th bell have not been done so far. A fresh look seems to be needed as to the way forward.
**Haverhill** – work on the clappers on 4 and 5 has now stabilised them.
**Westhall** – the 2nd has been rehung on ball bearings and now goes much better.
**Hepworth** – are raising funds to rehang the bells.
**Framsden** – frame decay, excessive frame movement and worn gudgeons have meant that restricted ringing has been advised until a trial ring and assessment can be carried out in January, 2006.
**Stonham Aspal** – excessive movement in the bell frame is to be assessed at a trial ring in January, 2006.
**Wingfield** – are looking at the possibility of installing a ringing gallery.
**Barsham** – local ringers complained that the tenor bell has a tendency to 'drop.' These bells have been rehung in the original wooden frame right at the top of a slender round tower. Resultant tower movement is clearly a contributory factor to any difficulties being experienced.
**Thurston** – following restoration, bell hangers have returned to cure problems with 4 and 5 slipping wheel. Sound proofing has now been installed on the bell chamber floor to reduce excessive bell noise getting through to ringing chamber.
**Rushmere St. Andrew** – the tenor has been recast and made a little heavier.
**Restorations discussed** – Parham, Felsham, Hopton, Rattlesden, Wissett, Aldham (single bell), Gislingham and Dennington.

## SECRETARY'S REPORT — MARY GARNER

The Guild Management Committee has met three times during the year. Every deanery has a representative, but sadly attendance has been less than 50% at each meeting. Future meetings will be at a different and warmer venue which will hopefully encourage members along.

The AGM, held at Beccles on 2 April, was attended by sixty four members. Whilst the chairman and ringing master were re-elected, Keith Ashton-Jones was elected as Treasurer and Mary Garner as Secretary. Carl Melville was elected as Newsletter Editor. The post of Public Relations Officer remained vacant but has since been filled by Bruce Wakefield.

During the year applications for grants have been received from Hopton, Fressingfield and Woolpit. The central database of members continues to grow and is essential for insurance purposes. It is hoped that it will be up to date completely in the near future. It can only be maintained with the help of the district secretaries and my thanks go to those who keep me fully informed.

My first few months as secretary have presented me with a steep learning curve, but I am grateful to Sandra for a smooth handover, together with advice and accompanying notes and files.

## RINGING MASTER'S REPORT — DAVID SALTER

A quiet 12 months has passed and 2005 will be remembered for the passing away of some key members whose contribution to the exercise was immense. Some excelled at all aspect of the art, others contributed by loyal service, district and practice ringing. However, all were irreplaceable, and will be greatly missed.

The question of the legacy of knowledge we leave future generations needs to be addressed by the Guild. Where are the likes of Arthur Knights, Gabriel Lindoff or Rod Pipe to be found in Suffolk ringing now? Or the next generation of composers to follow Stephen Pettman with his original and innovative approach to ringing? We are very short of knowledgeable proponents of the art, in terms of change ringing skills, method construction or composing. In order to keep the art alive we need to foster and promote these important aspects of the art. Likewise, competent conducting not just bob calling. Ringing the treble by numbers is wrong, and we need alumni to understand how things are done correctly and pass that on to the next generation. Hopefully the Guild will look at this with urgency this year, as without quality informed leadership towers will fall silent.

The Striking Competitions this year were at Finborough and Stowmarket. Several last minute entries were welcome, but from the point of view of organisation can I please ask that deadlines for entries be respected. However, first class ringing from Grundisburgh, just edging ahead of Pettistree, won them the Mitson Shield. There is a target, as it is also many years since the Mitson Shield was won by a six bell tower. The North West District won the Rose Trophy very creditably turning in a fine tenor and back bell dominated performance. It makes all the difference when rollups and the attendant changes are presented well.

Central Council was in Yorkshire in 2005, and as usual all four Suffolk Guild representatives attended. At times the Central Council may seem very remote from day to day ringing, and needs to publicise its work better to the average ringer. I am sure the other reps would agree with me in welcoming comments from both members and Districts. It is after all your Council.

I have had several complaints during the year about tower correspondents not replying to requests as helpfully as perhaps they might. Late replies or incomplete information has a detrimental effect on the perception of Suffolk and its ringers, and is totally preventable. Please urge your own correspondent to "treat requests and enquiries as they would wish to be treated", that is, promptly and courteously, so that visitors take away a good impression of Suffolk ringers.

Yet another successful Training Day was held in September with everybody taking something away from the sessions. Please book the third Saturday in September 2006 to help and pass on your experience where it is needed. Veterans' Day as always was a high point, with yet another good gathering. Muriel and the Debenham ringers deserve our grateful thanks for this wonderful event.

New jobs were a bit thin on the ground this year. Rumburgh has had a complete re-hang in a new metal frame with augmentation to six. What a superb first Suffolk job Nicholson's have done. Let's hope it is not their last. If you are thinking of re-hanging, do go and have a look at Rumburgh before deciding to whom to give the work. There were problems during the year with bells re-hung in old wooden frames. Could this be seen as a false economy in a church that is short of funding and needs financial security in the future? Even when an old wooden frame is used, it has to be cut about to facilitate the re-hang, so it is not retained unaltered or untouched. The state of some of our rings that have been restored in the last 10 to 15 years is also worrying. In some of these, I have come across odd struck and poor-going bells. Bells cannot be re-hung and then not touched till the next re-hang. Routine maintenance and care are needed to ensure the full cost effectiveness of any project. The Belfry Advisory Committee need only to be approached for good effective advice on how to get the best from your bells.

On the peal front 76 is average for the past few years. The Aldeburgh band continues to ring a great variety of new methods. First peals were rung on restored rings at Wickham Skeith & Rumburgh and a first on the bells at Campsea Ashe.

Only three first pealers this year but a batch of first in methods and first on higher numbers. Congratulations to all who have achieved this year and my apologies to any missed from the following list:
Pamela M Harris, Ian R D Harris and Tess Blower.

Personal Milestones;

| | | | |
|---|---|---|---|
| 50th peal | Alan W Rogers | For the Guild; | |
| 100th peal | Jonathan J Stevens | 150th peal | Kate Eagle |
| 100th peal | Ruth Eagle | | |
| 150th peal | Mary Garner | As Conductor; | |
| 400th peal | Roger L K Whittell | 100th peal | Mike Whitby |
| 2000th peal | David G Salter | 600th peal | Jeremy Spiller |

Kate Eagle was the leading ringer for the Guild for the second year running. Interestingly, the ladies held the top three spaces in 2004, but the top four spaces in 2005. Come on lads! The 99th anniversary of the first peal in Suffolk by a lady, Birdie Robinson in 1906, was appropriately marked at the tower (Rumburgh) where the original was rung, by a 2005 all-ladies band.

I was very pleased that Howard Egglestone (Past Master of the Guild) was able to ring in my 2000th peal. There are a lot of ringers in Suffolk with good reason to be grateful to Howard and owe him a huge debt. His motivation and enthusiasm in my early days certainly encouraged many others and myself into progression in ringing. "Beginning to conduct" on the grass at Horringer was a stepping-stone that Howard provided. What a stepping-stone! Thank you Howard.

Because of my work/family life balance I have found it difficult to attend as many meetings and practices as I would have liked. I am now in a position where I consider that I am not able to deliver the service the members deserve. The Guild should be actively looking for a new Ringing Master to take the Guild forward. I am happy to continue until a suitable replacement is found but it needs to be in the next twelve months not three years.

My thanks go to all who have supported The Guild and myself during the year. Thanks also to all those who have welcomed my family to their practices and meetings. Special thanks go to Katharine and the boys who have been exceptionally tolerant and without whose help I would not be able to function.

## LIBRARIAN'S REPORT — GILLIAN WAKEFIELD

The Suffolk Guild library continues to expand thanks to the generosity of ringers in donating material, and thanks also to the financial support from the Guild Management Committee which enables the librarian to purchase items considered to be of general interest.

This year for example, Ralph Earey very kindly donated a folder of press cuttings relating to his demo bell, which makes interesting reading. George Pipe has kindly donated a copy of the Pipe family tree. Chris Pickford gave an updated CD of his catalogue of the Bowell bell foundry records. Pippa Moss donated two videos, one which includes an episode of "Heartbeat", featuring ringing, and another of the ringers' "Songs of Praise" so the library now has two copies of this; well worth watching if you haven't already seen it. Shirley Girt continues to send Service leaflets of the dedication of new rings of bells, and of funerals of Suffolk ringers. The librarian collects copies of "What's On", Suffolk Guild Newsletters, and leaflets of Don Price's walks. All these items, some of which may seem ephemeral, but which may be useful to researchers in the future, build up a collection of archive material which otherwise would be lost.

Library purchases this year include a large collection of Ringing Worlds going back to 1935. Not all the years are complete but hopefully they will be of great use to anyone researching their peal records. Also purchased are "Church Bells of Norwich" by Paul Cattermole, "Bellframes: a practical guide to inspection and recording," "Church Bells of Britain" by Dove 6th edition, a CD "Let the Bells Ring Out" in aid of Parham bells, a video "Bells for St. John's Church Felixstowe", and "Diagrams – Jasper Snowden Change Ringing Series 1985".

Eleven videos, and three books have been borrowed this year, and the librarian has had three requests for information, one of which came from Australia! Please continue to use the library. The services are free, loans are made to any ringer living within Suffolk, (though items must be collected and returned in person, not posted) and the librarian is happy to answer queries and give information on ringing topics.

## TREASURER'S REPORT — KEITH ASHTON JONES

The Guild accounts (un-audited) for 2005 show the Guild finances to be in a sound condition. Subscription and Peal Fee income continues to be apportioned equally between the General Fund and the Restoration Fund, whilst Gift Aid refunds and deposit account interest are allocated in full to restoration.

General Fund income has been maintained at a similar level to last year and continues to meet expenditure. This was achieved because, even with the purchase of £550-worth of Guild badges from this fund, expenditure overall was reduced. This resulted primarily from a significant (29%) reduction in administration costs. Other regular expenditure items generally show inflationary increases.

Notable in this year's Restoration Fund is the inclusion of the significant legacy from the late Leonard Sharpe which, with interest accrued, amounts (as at 31 Dec) to £33,375. This legacy is held on interest-earning deposit, but is shown separately in the accounts pending Guild decision on its most appropriate utilisation. Apart from this, the unallocated balance on the Restoration Fund has increased by some £3600 after the grant of £5000 to Hopton. The reserve for grants allocated-but-not-yet-approved stands at £16,300 with payments (totalling £5,200) made this year to Rumburgh and Mildenhall.

The refund received as a result of gift aid was up by nearly £200 for 2005, an encouraging 18% increase. We are still, however, well short of maximising the benefit we would gain if all those members who are UK tax payers filled in Gift Aid declarations. If you have not done it yet, please consider doing so.

KEY

The key of a ring (ie the note of the tenor) is given in cents (ie, hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C# -20, and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

## SECRETARY'S REPORT — BEL RIVERS

We started the year very well with the Dedication of Rumburgh's newly augmented bells. The new treble bell being donated by the family of Bernard Mann in his memory. The church was full of ringers and local residents for the service. There was plenty of ringing after the service and a superb tea in the Village Hall.

The meetings were, however, not so well attended, with the exception of the Striking Competition which was held at Rumburgh and attracted the biggest turn out for many years! Seven teams competed, Aldeburgh won the Call Change Trophy and Sweffling won the Challenge Shield for method.

The practices at Halesworth and Beccles were reasonably successful with some steady pro-

gress being made at both. Our Ringing Master, Trevor Hughes, visited several local practices during the year. There are plans for a Quarter Peal Fortnight in April of 2006, so watch out for details!

We were pleased to welcome eleven new members to our district in 2005. Sadly, three of our members passed away during the year - Brenda Pepper of Peasenhall, Robin Allum of Laxfield and Trevor Bailey of Beccles. All were long serving members of the Guild and all will be greatly missed.

A big "thank you" to all who help to make my job easier throughout the year. Enjoy your ringing in 2006.

## SECRETARY'S REPORT — MANDY SHEDDEN

2005 has certainly been an encouraging and busy year for ringing activity in the North West District. Geographically it is not easy to arrange practices and meetings that do not involve a fair amount of travelling for some people. There is also a high percentage of ringers in the district who are relatively inexperienced in the art and who in the past have tended not to come to events for fear of not being able to ring much, but in fact in this last year there has been an encouraging turnout of ringers who are at varying levels and we are very lucky to have a good nucleus of people who do spend a lot of time teaching others. I would like to take this opportunity to thank them without naming names and embarrassing anyone.

The beginner's practices that were started by Ruth in 2004 have continued to be popular and plans are in place to make more use of learning resources such as the simulator at the Norman Tower both for beginners and those of us who are all improvers!

One of the memorable highlights of the year has to be the success of the North West District in winning the 8 bell striking competition and the Rose Trophy. Quite an appropriate home for it considering it was donated by our current chairman's family!

The ADM in October saw some considerable changes in the committee and our thanks have to go to Stephen Young who has worked so hard and diligently in trying to cater for ringers of all ages and abilities and as he has retired in order to concentrate on the Hopton Bells Appeal, we wish him well. Ruth Suggett has replaced Matt Cracknell as Ringing Master and I am sure as she has already demonstrated with the beginner's practices that she has a lot more skills to offer the district. (No, she didn't pay me to write that!). We have a full programme in place for the coming year and are delighted to be hosts to the Guild for the AGM in April.

In closing I would like to add that I felt privileged to be included in an outing organised by Claire Monk for the young(er) ringers recently, and I was very impressed at the level of skill, hard work and determination that those taking part have obviously devoted to learning not only how to ring, but some very difficult methods. Some of these youngsters are the future of the Suffolk Guild, or maybe Guilds and Associations in other parts of the country, and we are very lucky to have them among us at this point in their lives.

I am looking forward with great enthusiasm to what we can achieve in the coming year, over and above of course, the main purpose of calling people to worship week by week.

## SECRETARY'S REPORT — SALLY MUNNINGS

As far as attendances are concerned, there was not much of an improvement on last year. This year, even the outing made a loss, which was disappointing and cannot happen again. If you want to have events organised to get the most out of your subscriptions, you must support events, otherwise they will not occur. This coming year, every tower will receive a list of proposed events, and except for extra they will all take place on the first Saturday of the month. It would be really supportive to the committee if towers did not organise their own events on these Saturdays, so as to give their members the chance to go on trips, courses etc.

Finances remain stable but only because of tea profits which cover the times when the box receipts don't cover costs at poorly attended events.

I would still like to retire from my post this year, if only from the secretarial parts. On the plus side, the local mini-outing was very enjoyable and the ringing up and down course was very profitable for those who came. We even had to turn some away as there had to be a limit on the numbers so that those who came got some benefit.

Finally many thanks to those who do support practices and pay their subscriptions on time. Let's see if we can collect them in record time this year.

## SECRETARY'S REPORT — SUE FREEMAN

The year followed a similar pattern to the previous one: some events extremely well supported but others attended by disappointingly few people.

The practices at Stradishall, Kersey and Long Melford all went well.

The Striking Competition, held at Higham, attracted only three teams. The winners were the Stratford St Mary band.

The evening tour in July to West Wratting, Balsham and Linton, followed by a meal, was a great success and enjoyed by many members. Thank you to Richard and Christine Knight for organising this tour yet again.

The September car tour organised by Rolie Whiting took us to the Southend area and included the recently rehung bells at Leigh on Sea and a chance to join the Basildon ringers' practice at the glass tower, a first for most of us. This was a most enjoyable day out.

Attendance at the Annual District Meeting was again very low. The committee members work very hard to organise ringing events, and if members do not like these events, it would be helpful if they came to the meetings to say what they would like to do in the following year.

## PEAL SECRETARY'S REPORT — CHRISTINE KNIGHT

In 2005, 76 peals were rung for the Guild, exactly the same total as in 2004. Peals were rung in 36 Suffolk towers, and members also rang peals at St Mary Magdalene, Oxford, Saffron Walden in Essex and Biddenham in Bedfordshire.

The first peal on the bells since re-hanging and augmentation was rung at Rumburgh. It was at this tower, in 1906, that the first peal in Suffolk including a woman took place, Miss Birdie Robinson. A peal by a ladies' band in August marked the anniversary of this event. Also in August, a peal of Stedman Caters was rung at The Norman Tower in Bury St Edmunds to celebrate the completion of the Cathedral's Millennium Tower. Guild peal ringers also joined in the national commemoration of the 60th anniversaries of VE Day and VJ Day, and the bi-centenary of The Battle of Trafalgar.

The overall peal statistics for 2005 are similar to those of 2004. Peals were rung in 16 different Surprise Major methods, and it was good to see three members achieve their first peal of 8 Spliced Surprise Major in a peal at Grundisburgh on 26th November. At Aldeburgh, the regular peal band's visits over the years led to the 150th peal of Surprise on the bells in May. There was a notable lack of peals of Royal in 2005. The only one rung was of London Surprise Royal at St Mary Magdalene, Oxford in January, this being David Salter's 2000th peal. Two handbell peals, of 420m Spliced Treble Dodging Minor and 405m Spliced Surprise Minor, contained only one resident Guild member, but they represent advances made in multi-method handbell peals of Minor.

There has been a slight increase in the pool of resident conductors calling more than one peal, a healthy development. Interest has also continued in producing compositions of a special commemorative length for a variety of personal, local or national anniversaries. There were eight such peals in 2005.

**First performances for the Guild during the year were:**

| | | | | | |
|---|---|---|---|---|---|
| 9 Jan | Aldeburgh | Covingham Surprise Major | 17 July | Aldeburgh | NUSCR Surprise Major |

| 8 May | Aldeburgh | Mexico Surprise Major | 11 Dec | Aldeburgh | Yew Surprise Major |
| 22 May | Orford | Orford Surprise Major | | | |

*First peal in the method

Many thanks to those conductors who have sent peal fees and compositions without the need for reminders, but I should like to stress the importance of checking the membership status of all the band prior to peal attempts; peal fees and details of any new Non-Resident Life Members should then be forwarded promptly for ratification by the Guild Management Committee.

## OBITUARIES

### ROBIN ALLUM — Laxfield

Robin was taught to ring in 1948 at Laxfield. His early ringing was mainly call changes, but he conducted his first peal in 1979 and went on to ring 892 peals, including Mary's 1000th peal. Robin, along with Mary, helped teach numerous bands, and in recent times the band at Mendham have benefited from Robin's skills. Throughout his illness, Robin never lost his sense of humour and he died peacefully at home on 10 July. He will be sadly missed by the Guild and especially by the North East District.

### TREVOR BAILEY — Beccles

Trevor Bailey was a well known ringer, not only in Suffolk and Norfolk but throughout the British Isles. He was, perhaps, equally well known as a bell hanger for Whitechapel where he worked for many years, travelling all over Britain. He married his wife Patricia in 1971 and they had twin girls, Janet and Stella.

Trevor rang 1314 peals, 760 of which were for the Suffolk Guild. The last Guild peal he conducted was Pat's 1000th in 1992. The Guild, the North East District and the Beccles band will miss this quiet man, both for his sense of humour and his skills as a ringer.

### LADY RACHEL BRIDGES — Orford

Lady Bridges was one of the most influential members of the Orford community responsible for the restoration and augmentation of Orford bells to celebrate the Millennium. As a teenager during the Second World War she had lived in Church House near to the remains of the church tower. She and her sisters referred to the two bells hung in the tower at that time as 'Bim Bom' because of their musical pitch (the 6th and tenor of the present ring). Shortly after their marriage, she and Lord Bridges purchased the Great House in Orford and returned there whenever their diplomatic duties allowed. They supported the restoration of the tower during the 60s and 70s, and when the bells were restored, gave a bell in memory of her father, raised it into the tower themselves, and learnt to ring in preparation for the dedication. Rachel became a very loyal member of the Orford band, and with great determination was able to ring after she had fractured her hip. Unfortunately, illness prevented her from ringing in the last months of her life. The Orford band will remember the personality and determination to succeed of this remarkable lady.

### AUDREY FOREMAN — St Matthew's, Ipswich

Audrey came to ringing late in life and, along with her husband Alan, was an important part of the St.Matthew's band, taught en masse in 1992. The strength of her Christian background served her well throughout her life, and her 20 year battle against cancer was one of sheer determination and unswerving faith. Loved by all who knew her, she was never without a twinkle in her eye and always enjoyed life to the full. When presented with new challenges, as learning to ring well into retirement certainly was, the one thing you could guarantee was that Audrey would never give up. She was a keen member of the Ladies Guild and all who knew her miss her greatly; especially the fun she brought to any occasion.

### MARIE GOODSHIP — Grundisburgh

Marie was part of an established ringing family in the Harrow Weald area. She rang 8 peals, incuding two of Stedman Caters at that time. After her father, Gilbert Goodship, moved to Suffolk in the fifties, she was a regular visitor to Suffolk until she settled permanently in Grundisburgh after her father died in 1971. She only rang one further peal at Grundisburgh. Marie was an extremely loyal member of Grundisburgh Church and ringers. She was also involved in many activities within the village, usually in the background. She rang for the last time the day before she died. She is missed by many.

**NEIL F. HURSEY** **Rattlesden**

Neil Hursey who was SouthWest District Maintenance Officer from 1990 until 1993, died in May 2005 aged 59 years. Neil learned to ring as a young teenager ar Monken Hadley in Hertfordshire. As happens with many youngsters, Neil gave up ringing in his late teens but when Rattlesden started ringing again in 1989 Neil became a loyal member of the band and was its ringing master during its formative stages. He rang in a number of quarter peals as well as at least two peals. Around 1994 Neil once again gave up ringing but was still an enthusiastic supporter of the Rattlesden band. Unfortunately he became very ill during 2003 and although he struggled bravely he eventually succumbed to cancer in May 2005. He is much missed both as a loyal member of the Rattlesden band as a personal friend of the writer of this obituary. Fittingly his ashes are interred within the sound of the Rattlesden bells.

**ROBIN PAINE** **Harkstead**

Robin learnt to ring at Harkstead and joined the Guild in 1997. Like everything he did, he embraced ringing with great enthusiasm, taking great pleasure from participating in a number of quarter peals. His ringing also led to his greater involvement in the Church; holding the posts of Churchwarden and Steeple Keeper at the time of his death. He used his great practical abilities to the benefit of the church and especially the bells. His contribution will be missed.

**BRENDA PEPPER** **Peasenhall**

Brenda passed away on 18 July. Although not a well known peal or quarter peal ringer, she was a long-serving and loyal member of the Peasenhall band and of the Guild for many years. She will be sadly missed by the local band.

**SYLVIA PIPE** **Grundisburgh**

Sylvia learnt to ring at St Matthews, Ipswich in the 1930s. She soon established herself as a leading light in the area. She married C. W. "Jim" Pipe and moved to Grundisburgh, where she continued to ring until ill health prevented her in the nineties. She was a prolific peal ringer until an injury curtailed her activities in the fifties, but nevertheless she was able to continue peal ringing up to 1989 on her beloved seventh at Grundisburgh. She was first woman to conduct many methods for the Guild and set many records. Her legacy to the exercise are her two sons George and Roderick and her grandson David, all exceptional ringers. May she rest in peace.

**FRANK PRICE** **Dalham**

Frank was born in Feltham, Middlesex in 1933 and was taught to ring by his father, Tony, when the wartime ban on ringing was lifted. His first peal was at Cranford in 1944. He went on to ring 1608 peals, from doubles to 22 –in. 681 of these peals were on tower bells (and 29 of these double-handed), and 787 were handbell peals. One of his proudest memories was being selected as one of ten ringers from England to dedicate the new ring at Washington National Cathedral in 1964. He assisted in numerous restoration works and even built his own 10 bell campanile in his lovely garden. He will be sorely missed by all.

**CANON JOHN RUTHERFORD** **Walsham-le-Willows and Hinderclay**

John Rutherford learnt to ring as a young curate in Portsmouth. He was keen to pass on his knowledge and after moving to Walsham in the summer of 1970, started a new band of ringers ably supported by experienced ringers from the local area. Being an ex school teacher, he was enthusiastic to encourage the younger members of the village to participate and join the band. In 1985 he retired from Walsham and moved to Hinderclay, where on occasions he would join the band of ringers on practice nights. John spent his last years at Stowlangtoft Nursing Home and was always keen to hear how his "band of ringers" were progressing, some still the originals from 1970. May he rest in peace.

**ARTHUR SCARSE** **Stowmarket**

Arthur will be affectionately remembered by all who knew him at Stowmarket, Buxhall and Great Finborough. Both he and his wife, Margaret learned to ring at Stowmarket during the time that Marie Carson was tower captain. They both supported the local band of ringers and were also members of the Churches at Stowmarket and Buxhall. Arthur was always cheerful and friendly. He served in 170 Squadron, Royal Air Force, during the 1939-1945 war as a navigator on Lancaster bombers. At his funeral a colleague from those days remembered how Arthur used to cheer them up when they were in the thick of it, often by a hand on the shoulder and a comment on the firework display below. He would then get back to plotting a course home. All of us are indeed privileged to have known such a man as Arthur, and our thoughts are with Margaret and his surviving son, David.

# MINUTES OF THE ANNUAL GENERAL MEETING, 2005

Minutes of The Annual General Meeting of the Suffolk Guild of Ringers held on Saturday 2nd April 2005 at Beccles.

**The Chairman,** Mr Winston Girling, opened the meeting and welcomed the 64 members present. He thanked Revd John Beauchamp for leading the service, and also the organist. He also thanked Bel Rivers and Barry Pickup and their band of helpers for arranging the afternoon and providing the tea.

The meeting stood in silence in remembrance of members who had died during the past year.

On a happier note he mentioned that two ladies, Katharine Salter and Mary Allum had passed their 1000 peal mark.

**2. Apologies for absence** were received from Michael and Jennifer Warren, Ralph and Tessa Earey, Mary Garner, Chris Garner, Ruth Suggett, Jonathan and Suzanne Stevens, Stephen Pettman, Owen Claxton, Rolie Whiting, Peter and Sheila Franks, Muriel Page, Robert and Jennie Scase, Ken Brown, Sal Burrows, Angela Cable, Timothy Stanford, Eleanor Houghton, Doug Crooks, Tricia Markery, Josephine Beever, Mary and Robin Allum, Rose Godfrey, Frank and Gwen Bloomfield, Celia Sims, Lorraine Beer, Brian Aldous, Diana Duckery.

The Chairman asked the meeting to remember Pat Bailey and Robin Allum who are both suffering long term illness, also Dennis Kiddy who had recently suffered a heart attack.

## Regulations relating to the Suffolk Guild Handbells

1 The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells viz:

| | |
|---|---|
| 25 bells by Taylors | size 20 in C (2 chromatic octaves) |
| 16 bells generally by Shaw | size 19 in F (diatonic 13 + 3 semitones) |
| 13 bells by Warner | size 20 in E (diatonic 12 + 1 semitone) |
| 13 bells by various founders | size 20 in F (diatonic 13) |

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower

without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

8 The Trustee and the Guild Management Committee would be grateful for financial help for the maintenance of the handbells from members who have enjoyed the use of them.

## BELFRY ADVISORY COMMITTEE REPORT

WINSTON GIRLING & MICHAEL ROLPH

Committee meetings were held in February, June and October 2006. The following restorations were discussed: **Ixworth, Stradishall, Bardwell, Chediston, Rattlesden, Felsham** and **Gislingham**. Grants on all seven have been agreed by the GMC and offered subject to the usual conditions. It is understood that the bells at **Fressingfield** will be removed from the tower during April 2007. A decision on grant aid by the Guild has been deferred until after the bells are out because the final details on the work will not be available until then. It seems fair to say that the Guild has seen an unprecedented number of restorations or potential restorations over a short period of time. Surely the overall condition of our Suffolk bells must be improving to some degree.

**Gislingham** have been restored to the tower, augmented to eight and rung for the first time. First impressions are of an excellent 14 cwt eight. Congratulations to all involved. **Parham** are also now ringing, a really delightful peal of six and a credit to Simon Cotterell and all involved. It was a great pleasure to hold our October Meeting there - thank you Simon.

The following matters have also been raised:

**Stowmarket** - reports are with PCC to consider rehanging bells in a steel frame for 10 bells at the same level. The present wooden Bowell frame is now difficult to keep tight and even after tightening the bells quickly become harder to ring as the frame slackens off. Reports on the frame indicate that it is worn out and frame repairs alone would not guarantee any degree of success.

**Stonham Aspal** - bells 7 & 8 are not to be rung because of excessive frame movement around these two bells. Reports from engineers and the architect set out a method of repairing the frame cills and supports on the outer edge of the frame adjacent to these two bells which should resolve the problem and allow all ten bells to be rung again.

**Framsden** - recommended that professional advice be sought regarding serious bearing wear on some of the lighter bells.

**Campsea Ashe** - advice requested regarding problems with second clapper which needed some engineering work.

**Little Waldingfield** - advice sought from Church on current state of bell installation, which requires major restoration.

**Sudbury All Saints** - hard work by local ringers has raised sufficient funds to re hang the 7th bell (which has a decayed headstock) provided that the work is done in the tower. Enquiries have revealed that the work could be done in the tower, but the Diocesan Bells Advisor feels that it would be preferable to have the crown staple drilled out in the workshop. This increases the cost beyond the reach of the Parish owing to much additional work including installing lifting beams and moving other bells around. Problems centre around the fact that the one ton bell is pre-Reformation and also has canons. It is hoped that a way forward can be urgently found so that all eight bells can be rung again.

**Assington** - the bells have remained silent in this tower for a number of years. A trial ring was requested by a Churchwarden. This revealed that the bells are in need of restoration but with some minor work could be made ringable for short periods. Unfortunately, the very short trial ring caused such a local uproar that it is unlikely that there will be any more ringing in the near future.

Thank you to all who have been involved with work on Suffolk's bells over the last year, particularly those who have helped to remove and install at the various major restorations. It looks as if there will continue to be plenty of work during the next 12 months!

## SECRETARY'S REPORT — MARY GARNER

The Guild Management Committee has met three times during the year. Attendance has improved to about 60%, but there are one or two deaneries that have had no representative attend at all. Hopefully this will not be the case in the coming year. This year's venue has proved to be warm, welcoming and cheerful.

The AGM, held at Bury St Edmunds on 22 April, was attended by sixty three members. Whilst the Chairman, Secretary and Treasurer were re-elected, Richard Munnings was elected as Ringing Master and Michael Rolph as Honorary Technical Adviser.

The central database of members has grown substantially during the year. It can only be maintained with the help of the district secretaries and my thanks go to those who keep me fully informed.

A small display was mounted at the AGM showing examples of pages from the updated website This has continued to grow during the year with photographs, details of towers and news items. It certainly provides a speedy way to advertise events in addition to the printed "What's On" and also to report on tower and district events. Digital photography allows illustrated reports, with a few words or only a caption, to be posted quickly; though to be really successful it does require copy to be submitted to the webmaster. The success of the site might be one reason for selling fewer copies of the report this year.

## RINGING MASTER'S REPORT — RICHARD MUNNINGS

Having started the year still finding my feet back in Suffolk, I certainly didn't expect to end it with the job of Guild Ringing Master. I am very honoured to hold this position.

Although only elected in April, I have seen enough to know that the Guild is running quite well but I feel that there are areas that could be improved on. One thing that does bother me is how relatively few people come to District and Guild events or indeed leave their own tower. As a Guild we are very lucky to have many people who give up a lot of time, energy and indeed money to help other practices out, organise events and teach ringers. We are also extremely fortunate to participate in one of the few (in fact the only one that I can think of) hobbies in which you can go to almost any practice in the county, country and indeed the world and be welcomed and asked to join in. It's such a shame that so few of us take advantage of this. Not only is ringing at other towers good experience, it's also nearly always a massive help to those practices you visit. However, it has to be appreciated these days that people's lives are a lot busier and this level of commitment is difficult. But if you are in a position to help, what's stopping you?

Tied in with this is many people's fear of trying something new. I appreciate we shouldn't be crashing about on Sunday mornings or at weddings, but what is the point of going to a practice night and not trying to improve yourself? The more we improve at practice nights, in quarter peals and peals, the better the ringing will be when it really matters. Surely that's what we all want? .

The striking competitions were fairly popular, although they could still be better supported, both by more teams and most importantly more ringers. It's a nice day out, not too serious, but still good experience. The Guild came a respectable third in the Ridgman Trophy, the ten-bell striking competition open to guilds, associations and societies in the Eastern Counties. As it happened, the result between first and second was very controversial, so we were probably safer in third! Still, we're hoping to win it this year, especially as I'm looking for a bigger emphasis on ten-bell ringing in Suffolk in general this year.

Ipswich has also entered the National Twelve-Bell Competition for the first time in nine years. Although this is an Ipswich entry, many of the eligible ringers come from various parts of Suffolk, so we feel we are representing the Guild to a large extent. Also, the better ringing we have on higher numbers, the better it is for the Guild in general as I feel this filters down to all ringing in the area.

On the restoration and augmentation front we have seen the jobs at Parham and Gislingham come to fruition. The dedication at Parham was a marvellous afternoon with lots of people enjoying the six bells there. It'll be very interesting to see how Gislingham turn out and I've heard good things so far. There has been a lot of hard work going into fundraising for Chediston too, another worthwhile job progressing within our borders.

As if to highlight what can be achieved, 2006 saw well attended celebrations marking the 10th and 20th anniversaries of the successful jobs at Reydon and Pettistree.

It's good to see the young ringers in the county getting together for practices and outings. This is something very important to me, having started young myself and with the realisation that these are the future of the Guild. I have been particularly impressed with the Young Ringers' practices held on the 3rd Thursday of each month at Tostock and run very well by the Monk sisters. Do encourage your young ringers to attend, though Sarah and Claire are willing to take the practice 'on the road' so to speak, if there are enough youngsters from other parts of Suffolk who can't easily make it to Tostock. It's also worth keeping an eye out for the regular outings they organise.

The R & T Committee has started meeting again and an abundance of ideas came forward - in fact we didn't really have enough time to do them all justice! All good signs though. The training day was also relatively well attended, although I have decided to move it to a different date in 07.

On the peal and quarter-peal front there has been plenty happening, with lots of achievements. From the quarter-peal columns, Sylvia Perry's first as conductor was noticeable not least because she chose to call Stedman Triples, no mean feat! Peals and quarter-peals are an important tool in helping to learn methods, get used to good striking and achieve a good rhythm, so I would strongly urge members to do more of them this year.

Four members rang their first peal during 2006 - Anne Buswell, Louis Suggett, Becky Munford and Jason Busby, who rang his for the Lancashire Association at Halesworth in April. At the other end of the spectrum, Simon Rudd rang his 1000th peal and David Salter rang his 1000th peal of Surprise. In between Mary Garner rang her 200th peal and Ruth Eagle rang her 100th for the Guild. Well done to you all and apologies to anyone who I've missed.

It has been good to see George Pipe return to the peal columns and to ringing in general. George and Diana have been tremendous servants to the Guild over the years and George's presence has been missed by many recently.

Finally, I would like to thank everyone who has helped me settle into the Master's role. Without the wise words of many officers past and present the job would be extremely hard to carry out. I look forward to seeing you all over the course of this next year and hope to see lots of people at various ringing events, both District and Guild!

## LIBRARIAN'S REPORT — GILLIAN WAKEFIELD

The library continues to increase, partly from archive material kindly donated by ringers, and partly from library purchases – books or CDs that the librarian thinks Suffolk ringers would find interesting. Archive material donated in 2006 included a description of Great Cornard bells written by Ranald Clouston and donated by Alan Moult, copies of certificates made following two successful peals rung at St. Mary's church Woodbridge donated by Bruce Wakefield, the Order of Service for the Dedication of Parham bells from Simon Cottrell, the Order of Service of Thanksgiving and Blessing celebrating George and Diana Pipe's Golden Wedding sent in by Shirley Girt, a report on the design, and estimate for installation of sound control at St. John Baptist Church Felixstowe donated by Frank Bloomfield. Frank also wrote an interesting account of a visit he made to Bowell's bell foundry in Ipswich when Bowell had ceased casting bells but was then making parts for a "lead chamber" sulphuric acid plant, one of the last such plants to be constructed. The Librarian also keeps copies of the Suffolk Guild Annual Report, Newsletters, and the monthly "What's On".

Part 1 of the Central Council Library Catalogue has now been published so a copy is now available in the Suffolk Guild Library. Other purchases include a CD of the Service of Dedication of Parham bells, CD of the Swan Bells in Perth Western Australia for all those who aspire one day to ring on 16 bells, and for those who are not quite so ambitious but wish to improve their ringing, the Abel Ringing Simulator CD. Another audio visual addition to the Library is a recording of a BBC production of the augmentation of the bells at East Raynham, Norfolk – long standing members of the Suffolk Guild will remember Simon Rudd who is seen in the programme very ably teaching new recruits at East Raynham.

Because ringing features in "Akenfield" by Ronald Blythe, this book has been added to the fiction section of the Library. Similarly "The Bell" by Iris Murdoch might appeal to ringers wanting fiction with a strong bell theme - a submerged bell plays a significant part in the plot.

Strangely, one of the most interesting requests for information in 2006 was regarding the submerged bells at Dunwich. An artist designing an art work in lights involving the patterns generated by the blue lines of ringing methods wanted to link them with the myth of sounds of the submerged bells of Dunwich. Who said that the work of a librarian is dull and never interesting?

## TREASURER'S REPORT — KEITH ASHTON JONES

The Guild accounts for 2006 (un-audited at time of writing) show that the Guild finances continue in a healthy state. Subscription and Peal Fee income continues to be apportioned equally between the General Fund and the Restoration Fund, whilst Gift Aid refunds and deposit account interest are allocated in full to restoration.

General Fund. General Fund income, derived principally from subscriptions and peal fees, is marginally below last year's figure. However, the income has continued to meet expenditure after the customary transfers to the Restoration Fund have been made. At first sight there is a reduction in General Fund expenditure compared to 2005. However, if the exceptional expenditure in 2005 on Guild badges (£550) is excluded, a truer comparison emerges. This reveals a 9% increase in Guild running costs for the year. Even so, projecting into 2007, if the 2006 General Fund level of income is maintained, it should cover 2007 expenses. In addition, the General Fund year-end balance is sufficient to underpin projected 2007 expenses, a prudent additional safeguard.

Restoration Fund. The Restoration Fund income (excluding transfers from the General Fund) was £1800 higher than 2005. This does not, of course, include the capital from the L Sharpe bequest reflected in the 2005 income. The additional interest from the Fund's much enhanced sum on deposit is almost entirely responsible for this increased in income received in 2006. When put together with the transfer from the General Fund, the Restoration Fund benefited from an income of £10,400. Therefore, although Restoration grants of £28,000 were approved in 2006, the balance still available for allocation reduced by only £17,600, to £32,520. In addition, money reserved for grants approved, but not yet paid out stands at £39,000. Approved grants totalling £5000 were paid out in 2006.

## PUBLIC RELATIONS OFFICER'S REPORT — BRUCE WAKEFIELD

This is my first year in office, and I now have a working relationship with the local press, radio and TV. My first activity was to point out some errors in an item broadcast by Radio Suffolk concerning the proposed augmentation of Chediston bells. This together with input from Veronica Downing resulted in a more accurate version of the story being broadcast a few days later. Later in the year I drew the attention of the media to Stowmarket's Christmas Tree Festival, and in particular to the Tower Open Day which was arranged by the Stowmarket ringers as part of that event. Then just before Christmas I publicised the simultaneous Christmas ringing in all the ringable Ipswich towers on 16th December, which was arranged once again by Revd Brian Redgers. All brought positive responses from the media.

An article by Revd Margaret Blackall, the Diocesan Tourism Officer, in the monthly magazine of the Diocese of St Edmundsbury and Ipswich about a proposed Open Churches Week in the summer of 2007, prompted me to contact her with the idea that bellringers could take advantage of the occasion to promote bellringing in their respective parishes. Her enthusiastic reply suggested that it would be great if every church with ringable bells could ring out sometime during the week.

May I now pass on a PR idea that we have been practising at Woodbridge for many years now? Whenever we ring for a wedding, rather than just taking the fee for ringing, we also send to the newly married couple a memento, in the form of a small certificate, giving the names of the ringers and a few other details printed against a background of St Mary's church tower. In this way it makes our ringing more personal, and makes the couple and their families aware that there are real people ringing the bells to celebrate their special day. If they are not already doing so, perhaps other towers could consider doing something similar. It is good Public Relations.

Finally, if there is any ringing event that you would like assistance with in publicising, please let me know. That is my job, but I cannot help you unless you tell me about it.

# DIRECTORY OF SUFFOLK TOWERS

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Advisor or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place.

KEY

The key of a ring (ie the note of the tenor) is given in cents (ie, hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C# -20, and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

## SECRETARY'S REPORT — BEL RIVERS

Our first meeting of the year was to be held at Metfield and Mendham. We received a very warm welcome from the Metfield ringers, but unfortunately we were unable to ring at Mendham in the evening. The Striking Competition in May was held at Worlingham. A good number turned out, making eight teams. The winners were Rendham. In August our mini tour took us to Haddiscoe, Norton Subcourse and the recently restored bells at Loddon. Finally our ADM was held at Leiston and Aldeburgh.

We welcomed two new members to our district of the Guild this year. Trevor Hughes, our Ringing Master, was busy helping with special practices at towers where help was requested. Attendances at the

district practices was generally rather low.

There have been some changes of Officers for next year. Richard Rapior has stood down after ten years as Chairman and I have left after nine years. We welcome Philip Gorrod as Chairman and Julie Troupe as Secretary/Treasurer. I would like to thank you all for your support during my time at the typewriter!

## SECRETARY'S REPORT MANDY SHEDDEN

As I write this report it is the start of the New Year and everyone is talking about resolutions and new beginnings. This is all well and good and the beginning of the new year is a good opportunity for us to take stock of what is going on in both our personal and private lives. What about our bellringing activities though?

As I look back over the year I note that there has been an awful lot of work going on both in front and behind the scenes by members of the North West District who week in and week out

spend a lot of their time helping other people to become more proficient in the art. Apart from the monthly meetings on the 2nd Saturday of the month, there are ample opportunities for ringers to improve themselves. There are extra practices arranged for the young ringers at Tostock, which are proving to be a good tool for bringing youngsters on, (maybe one of them will be a future Ringing Master - who knows? They are certainly getting younger these days!). The new band at Wickham Skeith is progressing well and several Tower Open Days in the District have led to some extra beginner sessions at various towers. Eight Bell practices have been put on at Stowmarket and at the Norman Tower using the simulator for those who want to improve their ringing on higher numbers of bells. A Day course was successfully held at Pakenham in Plain Bob Doubles, hopefully a precursor for more in the future, and in general there is a very positive approach by many people who want to see themselves and others improve. All of the activities that have taken place can be seen as the foundations for the future quality of ringing in the District.

Do I want to make resolution for change in this coming year? Most certainly not. I firmly believe in the adage "If it ain't broke don't fix it". What I am hopeful of is that the continued enthusiasm of our members will encourage more to join us and perhaps herald the start of a new beginning and an increase of people committed to keeping the art of ringing alive in our churches.

## SECRETARY'S REPORT — SALLY MUNNINGS

Still not very good attendances at District practices but money wise we broke even, and those who do come to meetings seem to get something from them. The ringing up and down course went well, but next year we will be trying something different. Once again the full year's programme will be published and sent to every tower to help active towers in particular avoid

these dates.

Some of our meetings next year will not be on the first Saturday as we thought it would not be a good idea to clash with bank Holiday weekends, so please note these dates!

Once again I plea to somebody to take on the Secretary's job as in 2008 I will not be doing it.

Best wishes to all for 2007 and many thanks to all those who do support our events and pay subscriptions on time.

## SECRETARY'S REPORT — SUE FREEMAN

The year has been encouraging in that most events were very well attended. The practices at St Gregory's Sudbury, Boxford and Hartest all went well. Unfortunately, few people from our district were able to go to the joint practice with the North West - obviously August is a tricky month for the South West!

The Striking Competition at Edwardstone was very pleasing as five bands entered, and included several new ringers taking part in their first competition. An advantage of having a large entry was that there was an excellent quantity and variety of food at the shared supper afterwards! The winning band was Edwardstone, with Kersey a close second.

Rolie Whiting organised an enjoyable outing to the Stowmarket area followed by an evening meal at Sicklesmere. Christine and Richard Knight arranged a mini tour to Monewden, Kettleburgh, Brandeston

and Cretingham, again finishing with a meal, this time at The Bell at Cretingham. This was a hugely popular event.

The only District event which was poorly attended was the ADM, this year held at Bildeston and Hadleigh. All I can say is that members missed an excellent tea provided by the Hadleigh ringers. Many thanks to them.

Pressure of work has caused Simon Pilsbury to step down as Ringing Master. We are grateful for all his hard work in the last four years.

## PEAL SECRETARY'S REPORT — CHRISTINE KNIGHT

In 2006, 93 peals were rung for the Guild, a healthy increase of 19 on the revised total for 2005†, and the highest number since the year 2000. The year started very slowly, with only 11 peals being rung during the first quarter, but such was the resurgence of interest as the year progressed, that 61 of the total number were rung in the second half of the year. Much enthusiasm has been generated by the new Master, and the year finished on a really high note with 19 peals being rung in December alone. Peals were rung for the Guild in 37 Suffolk towers, and also at Great Yarmouth in Norfolk and St Leonard, Shoreditch, in London.

During the year, members rang peals to celebrate the 80th birthday of Her Majesty The Queen at Tostock, Rendham and Monewden, where a special peal of Queen Elizabeth II Treble Place Minor was rung. At local level, a peal of Plain Bob Major at Framlingham on 29 May marked the 250th anniversary of the first peal on the bells. In July, the first peal for 50 years was rung on the bells at Blaxhall to coincide with The Blaxhall Festival. Gordon Slack's mini-ring at Claydon, The Folly, was pealed for the first time on 22 October. There was also a note of commemoration, with a peal to mark the centenary of Jim Pipe's birth, Stedman Cinques at Grundisburgh on 5 September.

An encouraging trend during the year has been the substantial increase in the number of peals of Maximus and Cinques – 7 peals of Maximus and 3 of Cinques, compared with only 2 of each in 2005. One of these, Cambridge Surprise Maximus at St Mary le Tower on 18 November was Simon Rudd's 1000th peal. Another peal of note is that of Bristol Surprise Maximus, rung at Grundisburgh on 27 December; not only a superb effort with the number of 'firsts' achieved, but an excellent peal too, by all accounts. It is also very pleasing to see increasing numbers of young ringers becoming involved in peal ringing, and making rapid progress. The seeds of this are sown, of course, at local level, and I would highlight the local band peal at Pakenham on 26 November as an excellent example of this.

It is interesting, however, that despite the substantial increase in the total number of peals compared with 2005, there has been an increase of only 1 in the number of Suffolk towers which have hosted Suffolk Guild peals. It is always good to read footnotes which relate to church or community events, or to the dedicated service of clergy or members of local congregations, and such peals meet with great appreciation. This type of 'grass-roots' ringing is also invaluable in integrating the culture of celebratory or commemorative peal ringing into the wider context of parish life, as well as helping to prevent situations in which a request for a peal attempt might be refused because a lengthy period of time had elapsed since a previous peal.

Once again, I should like to extend my thanks to those conductors who have forwarded peal fees and compositions without the need for reminders.

## OBITUARIES

### JOHN W C BLYTHE — Ipswich

John was a Southwold boy - steeped in its history whether it was the branch railway, the lovely town and countryside around, the church or Southwold people. He learned to ring just after the last war and soon became very competent, coming under the influence of the bands at Beccles, Norwich, Leiston and elsewhere. John rang nearly 400 peals, mostly in Suffolk, and conducted a large proportion of them. He served the Guild faithfully and well - as Guild Secretary for 10 years, Central Council member, as well as a keen Sunday service ringer. In the early fifties he married Margot (Thompson), herself a keen ringer, and our sympathy goes out to her and the family.

### OLIVE BUNN — Bacton

Having been taught to handle a bell by her friend and work colleague Sylvia Pipe, Olive joined the band started in the 60s by the self-taught Ernest Wallace, ringing mostly at Wetheringsett, where the bells were quite a handful even then, before the rotting and mobile frame eventually silenced the tower. Ringing with her children at Cotton and the newly re-hung Bacton was the highlight of her life in the 1970s. After the passage of time and many more miles, her enthusiasm for ringing has rubbed off onto her son James, now a prolific quarter and peal ringer in Darwin Point, Sydney Australia. Latterly her gift for flower arranging kept her active following her retirement to Stowmarket after the death of her husband.

### HERBERT JILLINGS — Ipswich

Herbert came from Heveningham and was taught to ring there and at the surrounding towers by the redoubtable Frederick Lambert, shopkeeper, bandsman, verger and recruiting sergeant at the Halesworth Drill Hall. Herbert rang his first peal at Huntingfield on St George's Day 1938. The well-known Harold Rogers from Chediston was also in that peal - his first, too. Herbert moved to Ipswich in 1946 and was a regular ringer at St Mary le Tower for 50 years. He was a Christian gentleman, faithful worshipper at St John's, carpenter and wheelwright, raconteur, famous for his malapropisms, Special Constable and a great family man. We shall miss him.

*May they all rest in peace.*

# MINUTES OF THE ANNUAL GENERAL MEETING OF THE SUFFOLK GUILD OF RINGERS, HELD AT BURY ST EDMUNDS, SATURDAY 22 APRIL, 2006

**1. The Chairman**, Mr Winston Girling, opened the meeting by giving a warm welcome to the sixty three members present. He thanked all those involved in the day's arrangements, the Cathedral authorities, Ian and Marion Holland and all those involved in the tea planned for after the service. He welcomed the opportunity for Guild members to ring on such a fine ten.
The meeting stood in silence in remembrance of members who had died during the past year.

**2. Apologies for Absence** were received from John and Shirley Girt, Revd Brian Redgers, John Taylor, Peter Ernst, Corinne Ellam, Susan Schurr, Jonathan and Suzanne Stevens, Bel and Ray Rivers, Catherine and Julian Colman, Jackie Savage, Susan Freeman, Rose Godfrey, John Malster, Michael Rolph.

**3. Minutes of the 2005 AGM**
These had been published in the Annual Report and were accepted by the meeting.

**4. Matters Arising**
There were no matters arising.

**5. Officers' Reports**
**Master:** David Salter presented the Master's report as printed in the Annual Report. It was accepted by the meeting.

**Secretary:** Mary Garner proposed the acceptance of the Secretary's report as printed. This was seconded by Maurice Rose and agreed by the meeting.

**Treasurer:** Keith Ashton Jones presented the accounts as published. He commented that they had now been audited. He added that some grants had been awarded which were yet to be paid. He proposed the acceptance of the accounts for 2005, which was seconded by Gordon Slack and carried by the meeting.

**Public Relations Officer:** Bruce Wakefield had been co opted during the year. He reported that the Ipswich Christmas ringing had been well publicised and had good coverage on local television and radio. He reported that the proposed restoration at Chediston had been given one sided local radio coverage. The radio station had been contacted and a second broadcast made giving a more balanced view. He suggested that the Guild ringing for the Queen's 80th birthday should be publicised. He stressed the importance of publicising the Guild and welcomed the opportunity to advertise appropriate events.

**Belfry Advisory Committee:** Alan Moult proposed that the report as printed should be adopted. It was seconded by Diana Pipe. This was agreed with one correction, that the old tenor at Rushmere was now hung as a clock bell, not recast.

**Librarian:** Gillian Wakefield proposed the report as presented. This was seconded by Carl Melville and agreed by the meeting.

**Peal Secretary:**
Christine Knight proposed the acceptance of her report as printed.
It was noted that two peals referred to The Ringing World for a full description of methods. It was explained the decision was made because of the length of the list of methods and printing costs. However it had since been decided that the details would be published in full in the next report. The Chairman reported that he had recently received a letter expressing a wish for the peals to be withdrawn and attributed to the Iceni Guild. Lively discussion followed which concluded that the current rules cover all situations adequately. The rule change to be proposed later in the meeting, namely:
Guild Constitution F. Records and Handbells. Rule 23 to read *"All peals rung for the Guild shall be published in full in the Annual Report, except where there are more than 42 methods, when the Ringing World reference shall be given instead. A summary of other peals and quarter peals rung in the Diocese shall be published in the Annual Report."* was withdrawn by the proposer.
The report was seconded by James Smith and agreed by the meeting.

**Handbell Trustee:** Brian Whiting, the Trustee, reported that in addition to the set in the SW with Winnie Lockwood, the NE district with Jonathan Stevens, the two sets in his care, there was now a set in the NW district. He proposed that his report be adopted. This was seconded by Maurice Rose, and agreed by the meeting.

**6 . Subscriptions, fees and donations for 2007**
The GMC proposed that all subscriptions, fees and donations be held at 2006 levels for 2007:

| | |
|---|---|
| Ringing Member | £ 13.00 |
| Ringing Member 65-74 | £ 6.50 |

| Ringing member in full time education | £ 5.00 |
| Associate member | £ 6.50 |
| Non Resident Life Member | £ 6.00 |

| **Donations:** | |
| Friends of St Peter's Sudbury | £ 50.00 |
| Friends of the Cathedral | £ 50.00 |
| Suffolk Historic Churches Trust | £ 50.00 |
| Donations in lieu of Wreaths | £ 25.00 |

The proposal was seconded by Sally Munnings. It was agreed with a majority in favour and none against.

**7. Election of Officers for 2006/2007:**
Maurice Rose thanked all the Guild and District Officers for their service over the past year.
**Vice Presidents:** Mandy Shedden proposed and David Mulrenan seconded, that the Vice Presidents as listed in the 2005 Annual Report be re-elected on bloc. This was agreed.
**Chairman:** Maurice Rose proposed, seconded by Alan Moult, that Winston Girling be re-elected as Chairman. Mr Girling was elected.
**Ringing Master:** Winston Girling thanked David Salter for all his hard work during the past three years. Brian Whiting proposed Richard Munnings for the post of Ringing Master. Brian told the meeting that Richard had suitable credentials, being born and bred in Suffolk and coming from a ringing family. While

living away he had been ringing with one of the best bands in the country and now, back in Suffolk, he was involved with teaching and service ringing. The proposal was seconded by Stephen Pettman and carried by the meeting.

**Secretary:** Brian Whiting proposed, seconded by Diana Pipe, that Mary Garner be re-elected as Secretary. Mrs Garner was elected. She was thanked for her work during the last year.

**Treasurer and Gift Aid Secretary:** Maurice Rose proposed, seconded by Carol Girling, that Keith Ashton-Jones be re-elected as Treasurer and Gift Aid secretary. Mr Ashton Jones was elected. He was thanked for all his hard work during the past year.

**Technical Adviser:** The Chairman recorded thanks from the Guild for all the work that Alan Moult had done in this post. Michael Rolph was proposed from the Chair and accepted by the meeting.

**Chairman of the Belfry Advisory Committee:** Gordon Slack proposed, seconded by Alan Moult, that Winston Girling be re-elected as Chairman of the Belfry Advisory Committee. Mr Girling was elected.

**Public Relations Officer:** Sally Munnings proposed, seconded by Chris Garner, that Bruce Wakefield be elected as Public Relations Officer. Dr Wakefield was elected.

**Librarian:** Stephen Pettman proposed, seconded by James Smith, that Gillian Wakefield be re-elected as Librarian. Mrs Wakefield was elected.

### 8. Election of Life Honorary Members

Sally Munnings, on behalf of the SE District proposed Geoff Pulford for Life Honorary Membership. She spoke of his many years as Deanery Representative and his faithful commitment to his band. The proposal was seconded by Alan McBurnie and Geoff was elected by the meeting.

### 9. Election of New Members

The following were proposed, seconded and elected as members of the Guild:
Mrs A Wood, Jane Wright, Daniel Wright, Mrs Janice Lee, Miss Rebecca Lee, Graham Downing, Thomas N de-Vries, Mrs Vicky J Daniell, Mrs Anne Buswell, Mrs Vanessa Laker, Dawn Scotcher, Lillian Caudle, Mrs J Hoare and Mr R Hoare.

### 10. Proposed Rule Changes

The GMC proposed that Rule 3 be deleted from "The Mitson Shield and Rose Trophy Striking Competitions."

David Salter explained that the background to this was to enable people to take part in the competitions representing their tower and or district. It is hoped that it will encourage more ringers to take part. Discussion followed during which concern was expressed regarding the possible abuse of the spirit in which this was meant. The District competitions were cited and comments made that there had been no

problems there. Concern was also expressed that this rule change might lead to exclusivity.
The rule change was seconded by Stephen Pettman and carried by the meeting with 1 vote against and 17 abstentions.

**11. Date and Venue for 2007 AGM**
The 2007 AGM will take place on Saturday 14th April 2007 in the SW District at a venue yet to be decided.

**12. Any Other Business**
David Salter reported that he had been approached by Christain Aid who had asked that the bells in Ipswich be rung between 11am and 1pm on the Saturday prior to Christain Aid Week as an aid to their publicity.
Veronica Downing advertised the Olde Time Farming Day to be held on 15th July to raise funds for the Chediston Bells Appeal.

**St Edmunds Clapper*** Two towers only had taken part, Sproughton and Offton, and it was unclear which had won. Offton retained the trophy until the matter was clarified. It was felt that more promotion was needed for this competition.

Fleeces, sweatshirts and polo shirts with the Guild logo will be available again in the autumn.

The Librarian announced that that various items were on sale, including a CD with records of the Bowell Foundry. Pictures and cards were for sale in aid of the Guild Library. She will also undertake portraits.

Disappointment was expressed that proposals for work at All Saints, Sudbury had come to a halt again and querying whether the Guild should put money there. Concern was expressed about the limited ringing at Stonham Aspal and Mildenhall. Alan Moult reported that tests at Mildenhall showed that the tower was being damaged by the ring of ten and that the back two should only be rung occasionally. He said that the 7 and 8 at Stonham Aspal were unringable due to movement in the side frame. It was thought that this would be repairable.

**Ringing for the Queen's 80th Birthday**. It was agreed that David Salter would collect together the Guild records of special ringing between the Queen's actual and official birthdays. Please submit information to him for publication.

There being no further business, the meeting closed at 4.45pm.

*** The St Edmunds Clapper Competition**

The trophy was made by John Uden of Southwold, hence the reference to St. Edmund, and was first competed for in 1991. It is a simple competition, open to all towers, the object being to raise the most money for the Restoration Fund between the period 1 April to 31 September by any chosen means. Initially organised as part of The Friends of Suffolk Bells scheme, it lapsed in the mid 1990s but was relaunched in 2001. It provides an excellent opportunity for towers to involve non-members in a variety of fund raising activities - even the medium of Ebay could be used! (See info at http://pages.ebay.co.uk/community/charity/sellerinfo.html). Make the effort this year to enter the competition. Your contributions need to be with the Treasurer by 7 October 2007.

| | |
|---|---|
| 25 bells by Taylors | size 20 in C (2 chromatic octaves) |
| 16 bells generally by Shaw | size 19 in F (diatonic 13 + 3 semitones) |
| 13 bells by Warner | size 20 in E (diatonic 12 + 1 semitone) |

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same

tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

# TRUSTEES' ANNUAL REPORT

The Trustees present their report and financial statements for the year 1 January 2007 to 31 December 2007.

**Charity**

The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The charity's registered address is 9 The Gallops, Old Station Road, Newmarket, Suffolk CB8 8LA. It is governed under a constitution originally registered in 1977 and revised 1999.

**Principal Objectives**

The purpose of the charity is to promote and encourage the practice of bellringing; to recruit, train and encourage bellringers in the practice of their art; and to cultivate the art of scientific change ringing.

**Trustees**

The Trustees during the period were as follows:

| | |
|---|---|
| Chairman : | W S Girling |
| The Ringing Master: | R Munnings |
| Treasurer: | K Ashton Jones |
| Secretary: | M Garner |

**Review of Progress and Achievements**

*Bellringing Activities*

Throughout the year Sunday and special service ringing has taken place for most services in the Guild's 178 ringing towers. Regular practices have been held in almost 100 towers where training takes place for beginners and more experienced ringers. In addition there have been monthly activities in each of the four Guild districts both ringing and social. The Guild held an annual training day and there have been 117 Peals rung for the Guild during 2007 in 42 Suffolk towers, and 7 outside the county. 339 quarter peals have been rung in Suffolk towers enabling many members to improve their skills and keep this ancient art progressing.

*Restoration Activities*

Grants have been agreed for help with restoration projects at Fressingfield, Stonham Aspal, Campsea Ashe, Stradishall and Elmsett. Projects employing professionals also use local labour from amongst the ringers and congregations to assist wherever possible. Members of the Belfry Advisory Committee have undertaken work in seven other towers, whilst test rings have taken place at another four with a view to restoration. A great deal of time and advice is given freely to enable much maintenance work to be carried out, so that the bells across the Guild are kept in as good working order as possible.

*Guild Finances*

The Guild accounts for 2007 show that the Guild finances remain healthy. Subscription and Peal Fee income continues to be apportioned equally between the General Fund and the Restoration Fund, whilst Gift Aid refunds are allocated in full to Restoration. Deposit account interest is apportioned to the Restoration, Jubilee, and Pipe Family Trust funds in the ratio of their respective capital sums.

General Fund The balance on this fund has risen by £500, as a result of lower than normal expenses (in particular, administrative costs, and annual report and newsletter printing costs) and an increase in income (notably from peal fees and subscriptions – although the latter reflects some late payment of 2006 subs.) The fund opening balance for 2008 therefore comfortably covers forecast expenditure for the year, allowing for proposed increased spending on recruitment & training and for some inflationary pressures.

Restoration Fund Grants of £15,250 were made in 2007, against a fund income of £11,600. The sum still available for allocation is £28,870. The reserved amount for grants already made, but not yet disbursed, stands at £48,250; this reflects the often lengthy lead-time from grant allocation to project completion (when grants are paid out).

*Policies*

All money in the Guild's funds not required for normal working purposes shall be invested or deposited by the Treasurer as may be directed by the Guild Management Committee.

Grants from the Restoration Fund shall be authorized by the Guild Management Committee but shall only be paid after the work has been approved by the Guild Ringing Master and the Technical Adviser. Grants will normally be offered for work to restore bells and their fittings for full-circle ringing, but may include augmenting and other ancillary work associated with any such project.

Approved by the Trustees and signed on their behalf by:

# BELFRY ADVISORY COMMITTEE REPORT

MICHAEL ROLPH &
WINSTON GIRLING

Committee Meetings were held in February, June and October, 2007. The following restorations were discussed: **Stonham Aspal, Fressingfield, Campsea Ashe, Elmsett and Stradishall.** Grants on all five have been agreed by the GMC and offered subject to the usual conditions. At **Stonham Aspal** the wooden outer bell frame supporting bells 7 and 8 is being stabilised, the Dedication at **Fressingfield** will take place in February 2008, **Campsea Ashe** are making great strides towards a complete rehang and augmentation. At **Elmsett** it is proposed to hang an additional bell in the new 6 bell steel frame. This will make 3 bells hung for full circle ringing. At **Stradishall** work on welding the cracked tenor and rehanging the 5 bells has been carried out. It is encouraging to note that the level of restorations on our Suffolk bells continues at a pace. Credit is due to all those involved in what is inevitably a long and frustrating road.

The following matters have also been raised:

**Ipswich, St. Mary at Elms:** recommendation that the 5 bells are hung on deadstocks in the existing wooden frame for chiming.

**Framlingham:** bells checked and tightened and new crown washers fitted.

**Wickham Skeith:** incorrectly fitted 3rd clapper removed and fitted properly.

**Ixworth:** 2 new bells ordered to provide trebles to augment to 8 – work to start in 2008.

**Onehouse:** the 2 bells have been checked and tightened.

**Risby:** Incumbent asked if 3 bells could be rung (tenor 10 cwt) They have been checked and tightened and parts replaced as necessary. Replacement ropes also fitted. Bells have now been rung 2 or 3 times and occasional ringing is in order provided the architect is happy with the integrity of the tower.

**Little Glemham:** test ring carried out, repairs to west outer frame supports now done.

**Laxfield:** test ring carried out, excessive frame movement and also tower problems, hoped that local interest may result in restoration.

**Kelsale:** moves to restore and consider augmentation.

**Framsden:** problems with wear in treble bearings (this bell is over trapdoor) and other small bells have similar wear. Frame upright alongside tenor suffering from decay. Likelihood of ball bearings being fitted to affected bells and wedging of frame which will restore this 8 to full use again.

**Helmingham:** moves to restore and rehang in new steel frame under way. Bells cannot be rung because of severe clapper wear in the soundbows of some of the bells.

**Orford:** pulley problems and odd struckness dealt with.

**Bacton:** clapper on bell No. 5 came out and jammed in frame. The clapper was bent and a small piece knocked out of the lip of the bell. The bell has been tested and is not cracked and the clapper has now been straightened and replaced.

**Stowupland:** single bell checked and tightened.

**Cratfield:** test ring with a view to restoration. Serious problems with frame supports.

**Clopton:** test ring carried out. Wooden bell frame has been cemented to the tower walls on all four sides. If the cement was removed the frame would clearly move well beyond acceptable limits and if left there is a risk of the tower structure being damaged. It has been suggested that the bells are not rung and restoration considered.

**Sudbury All Saints:** It is proposed that a laminated wooden headstock with ball bearings be fitted to the 7th. The present headstock is badly decayed and the bell cannot be rung. The Church are at present taking steps to obtain a Faculty for the work.

**Burgate:** Church has indicated that it would now like to take steps to have the 5 bells completely restored.

## SECRETARY'S REPORT — MARY GARNER

The Guild Management Committee has met three times during the year. Attendance has been almost 70%. There has been much frank and lively discussion and it is good that most deaneries in the Guild have had their representatives there. I should like to thank Carl Melville for organising the venue and refreshments at each meeting.

The AGM, held at Stonham Aspal on 14th April, was attended by about fifty five members. All the Guild Officers were re elected and Richard Munnings was elected as one of four Central Council representatives, following Alan Smith's retirement after many years.

The website now has more than 1,000 pages containing details of all the towers with four or more bells and an increasing number of towers with fewer bells. Details of bells themselves are being added gradually. The current What's On and details of future events can be found here. There is ample space for news items and pictures, but the webmaster needs copy to keep this up to date. The District Programmes are posted too and it's a good place for extra events and/or details to be advertised. You will also find many useful links from the site eg Dove, Methods, Central Council, suppliers etc. Please keep supporting your webmaster so that he can continue to improve the Guild website.

# RINGING MASTER'S REPORT — RICHARD MUNNINGS

Phew! What a year. It has been busy, enjoyable and although occasionally frustrating, ultimately fulfilling. On a personal note, I became a father for the first time right at the beginning of the year. Little Mason has brought much joy and amusement to myself and many others, but has meant with everything else I've had some juggling act to keep as many people as possible happy. I hope people will be patient and appreciate I, like all the officers, are doing our best. We do appreciate the support of those who give the time and effort in the hope of achieving the ultimate goal - good ringing.

On a baby note, other ringers have experienced the wonders of newborns this year. David and Katharine Salter became the proud parents of Henry Albert in September and likewise David and Claire Potts with young Isabel in October. Ben Waterson, a former Guild member also became a father to Oliver, making Gill and Dick grandparents for the first time. Congratulations to you all!

Peal ringing for the Guild has been great, with the annual total hitting 100 for the first time this century and some! Particular note has to go to;

1st peal: Richard Coe, Margaret Forrest & Rona Sporle
1st inside: Godfrey Croughton
1st as conductor: Louis Suggett
150th peal: Jonathan Stevens
200th peal: Ruth Eagle
250th peal: Mary Garner, Paul Stannard
300th for Guild: Maurice Rose
800th for Guild: Alan Mayle
950th peal: Mary Dunbavin
700th Surprise as conductor: David Salter
900th for Guild as conductor and 1000th as conductor: Stephen Pettman

Well done to all of the above and to all those who achieved something in a peal, quarter peal and indeed any ringing - there's just not enough space to mention you all, which I think is a fantastic sign!

Guild events have been fairly successful in 2007, particularly the return of Guild Peal Week. Despite eight losses, the fifteen peals attempted showed a huge amount of effort and desire to try something new, just what I am looking for from Guild members.

The AGM was poorly attended. Two things here. One is that some meetings are important to aid the running of the Guild, the AGM most of all. The more members that go, the less likely it is that things will happen that make them feel cut-off. If nothing else, the day itself is a great social occasion. The second thing is, in order to make these events more appealing to those members, we don't need to drag the meetings on with waffle. Keep them short!

The striking competitions saw good ringing, especially at Monks Eleigh which aren't easy! Well done to Grundisburgh (6 bell) and the South-East District (8 bell) for their victories. Thanks also to Paul Bibilo and Jonathan Healy from Birmingham for judging them. It would be great to see loads of teams from districts other than the South-East for both contests this year. Please enter!

As we enter another year, I'll make a plea here for people to use as many of the various forms of communication available in order to keep up with what's happening. Apart from the fantastic What's On sheets which each belfry ought to have up, we have the Newsletter and in my opinion the best ringing

website around which is updated daily. It also has my daily blog which hopefully gives people some understanding of what I'm trying to achieve and how I'm going about it.

Another plea to end with - stop the politics! We are ringers in a charitable organisation, not shareholders in a multi-million pound corporation. All officers at Guild and district level are trying very hard to make things happen in an entirely voluntary environment. Indeed many people give up time and effort to help others, in many different ways, as tower captains, in quarters, peals, teaching, giving lifts, etc. On a personal level I have found it very hard to balance being a father (in tough circumstances), working, being St Mary-le-Tower ringing master and Guild Master, only then to be criticised for my efforts in some quarters. I'm not the only one who suffers this and it would be much more beneficial if these people put their very talented efforts into helping out rather than boycotting practices, events and even other ringers. We are all on the same side!

Thank you though to all those who have often given time and effort, even when it has been inconvenient. Here's to a great 2008 with everyone working together!

## PUBLIC RELATIONS OFFICER'S REPORT — BRUCE WAKEFIELD

On the whole, this year the media have shown favourable interest in the Guild and its activities. Prompted by the forthcoming Guild's AGM at Stonham Aspal, BBC Radio Suffolk broadcast a feature on Easter Day about the work of the Guild, during which I was interviewed live. Also, following an incident in Leicestershire where new arrivals in a village complained to the Local Environmental Officer, I was interviewed again in August on BBC Radio Suffolk during the Andy Archer show. This time the subject centred on complaints about bellringing, and whether this was common in Suffolk. I was able to reassure the listeners that such events in Suffolk are rare! Then, in November, the East Anglian Daily Times published an excellent double page feature article about Richard Munnings' ringing trip last summer to Lundy Island. (For those who missed the article, there is now a copy available for loan in the Guild's Library). Richard was also interviewed on BBC Radio Suffolk on Sunday 25 November; the subject being the Guild's help in promoting the "White Ribbon Campaign" (the international campaign against domestic violence) by ringing and firing as many bells as possible at midday on 1,2,8 and 9 December.

I have found that the media are always interested in items of news concerning ringing. Bell restoration projects in Suffolk are particularly newsworthy. It is one of the positive aspects of our dedication to our art that demonstrates that ringing in Suffolk is still very much alive. I am able to provide useful media contacts to those involved in restoration projects, or indeed to anyone who has an interesting ringing item to report or publicise. However, one does have to be careful when talking to the media, as they can quite easily add their own spin to a story, and turn what was intended to be a positive item into a negative one, as happened recently on a local radio station, when from the situation at just one tower in the county they gave the impression that ringing throughout the county was dying out.

Finally, do not forget to use me if you need help in publicising any of your ringing events that you think will be of interest outside the normal ringing community. But do give me plenty of notice, as the media do have, in general, lead times of a couple of weeks or more. Between us we can prove to the outside world that we bellringers are not a group of country yokels hauling on the end of ropes, as is the general impression to the uninitiated, but people of all ages, backgrounds and occupations who week by week loyally serve their parishes by ringing bells, and by doing so drawing attention to the presence of the church.

## LIBRARIAN'S REPORT — GILLIAN WAKEFIELD

2007 has been quite a busy year for the library. Twenty two items have been acquired for the library, some generously donated, others purchased including a recently released DVD, "The Craft of Bell ringing". This gives a comprehensive picture of bell ringing, covering the history of bells and bell ringing, learning to handle a bell, ringing for Sunday services and going on a ringing outing. It will be useful to lend to a beginner, but experienced ringers will also find it worth watching. Eleven items have been out on loan, including two novels in which bells feature, DVDs, a CD and three books with sections on how to ring Stedman. Ten requests for information have included one from Australia from a lady researching her family, and two from ringers who are updating their peal records.

The library catalogue is published on the Guild website and is updated every January, and items are available to borrow. Alternatively, contact the librarian for information on bells or bell ringing.

# DIRECTORY OF SUFFOLK TOWERS

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Advisor or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place.

The table on the following pages shows details of every ring of four or more bells in the area covered by the Suffolk Guild of Ringers. The following details are included:

DISTRICT (DIST)

4 - Rung occasionally. Frame/fittings nearly life expired.
3 - Not to be rung mainly because of tower and/or frame arrangement and position.
2 - Not to be rung mainly because of frame and/or fittings.
1 - Hung dead.
0 - Some bells unhung on the ground.

Please note that the classification is based on the condition only at the last date of inspection, and any enquiries or requests for further inspections should be directed in the first instance to the Suffolk Guild Technical Advisor or Maintenance Officer.

KEY

The key of a ring (ie the note of the tenor) is given in cents (ie, hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C# -20, and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

## SECRETARY'S REPORT

The NE has had an enjoyable year's ringing. We started with a very successful bob doubles and raising and lowering training afternoon which was very well attended and well received. We have tried to spread the evening district practices across the district and generally attendance at these has been good. Don organised a ringing walk to Iken in the summer followed by an evening meal at Snape, and in October we had a walking tour of the City of London finishing with the superb bells at Spitalfields. Both these events were very much enjoyed by those

that took part. The year ended with a carol service at Huntingfield with a full church and an excellent choir made up from the musical talent of the Halesworth band.
We have many events planned for this year and look foward to welcoming ringers of all abilities to these.

## SECRETARY'S REPORT

MANDY SHEDDEN

What a fantastic year 2007 has been as far as ringing in the North West District is concerned. Apart from low turnout to events in the summer months which is understandable given that there are so many other demands on our time when the days are longer and warmer, the year has seen tremendous progress by ringers young and old(er) throughout the District. In the north east of the area, Gislingham and Wickham Skeith now have some very keen ringers all champing at the bit to learn more now that they have recently refurbished bells and it was nice to see teams

with lots of new ringers taking part in the fun striking competition at Bacton, which was a resounding success. Nine teams took part in rounds and call changes for five minutes and even though the team that won could have been predicted to given their superior experience, the young ringers' team came a very close second, so watch out next year.

On the subject of young ringers we have an encouraging number of young people throughout the district who are making very good progress thanks to the efforts of Alan Moult and helpers at Woolpit and Ruth with her Bardwell team. The regular Young Ringers practice at Tostock is starting to bear fruit as well. It was also encouraging to see some older new ringers at the Christmas Social this year so as a District we must be doing something right!

Some more experienced ringers among us are also learning new methods fairly rapidly thanks to the 8 bell practices arranged by the Ringing Master which have attracted a good number who are willing to learn and help others learn with them.

Recognition must also go to the people attached to our various towers who don't necessarily ring but are supportive in a lot of other ways and without embarrassing people I would like to pay tribute to their efforts to help the ringers.

We have a full programme arranged for the coming year designed to attract ringers of all standards who want to improve and I am confident that 2008 will be great!

## SECRETARY'S REPORT — SALLY MUNNINGS

As this will be my last report I would like to thank all the ringers, clergy and committee members who have helped me in my task during the last 7 years. Without them it would not have been so enjoyable, but now I feel I would like to take a back seat and let new blood have a go at the job.

Attendance at district practices is still a matter for concern, if only for the committee wondering what the members really want. Despite an opinion expressed at a meeting this year, it is the Quarterly meetings and the Striking contest which are best attended. These meetings average 38 attending, against an average of 19 attending a district practice - pretty poor out of a 300 ringing membership.

Of our 300 membership, 95 attended at least once during the year. However for 10 of these it was just the once, 22 only attended practices at their own towers or nearby, 10 others (plus some unsigned) only attended the Striking Contest, leaving a hardcore of 53 members who attended more than three events. (These figures do not include the car outing.) Perhaps what members seem to lack is the confidence to move out of their own towers and experience the pleasures of ringing elsewhere. Alan and myself ring in various other Guilds from time to time and even meet other Guild members on an adventure! Talking of adventure, as I write this, 4 visiting ringers did a round trip of over 1,000 miles to be with us at a practice at Parham, and although it was reasonably attended, it would have been nice to see more of the 80 members who lived within 5 miles of the tower!

So best wishes for 2008 and enjoy your ringing, and let your committee know what you want from your membership.

## SECRETARY'S REPORT — SUE FREEMAN

It has been another busy year in the South West District. The most popular events have been the mini tours. Two of these were held during the summer, one with a splendidly convivial meal afterwards. We are all very grateful to Richard and Christine Knight for organising these events yet again.

The striking competition, held in June at Polstead, was another memorable event, with nine bands entering. I don't know if this is a record for the District, but it is certainly a huge improvement on recent years. The winners were Hadleigh, an excellent result for a comparatively inexperienced band.

Practices were mostly well attended, but it is still the case that most of those who attend come from one end of the District, with only patchy attendance from ringers at the other end. Care is taken to

plan practices in various parts of the District to encourage local ringers to attend, but this is not always successful.

Membership remains stable: ten new members were elected during the year, while eight left. We were saddened by the death of Peter Allen, Tower Captain at Long Melford.

Looking ahead, we have a varied programme planned for 2008, with more practices than in recent years. We hope that ringers of all levels will come to these, learn something new and above all, enjoy themselves.

# PEAL SECRETARY'S REPORT — CHRISTINE KNIGHT

In 2007, 117 peals were rung for the Guild, an increase of 24 on the total for 2006, and the first time the century mark has been exceeded since 1999. The Ringing Master had stated that he would like to see 100 peals rung during 2007, and this was achieved before the end of October. There are two main reasons for this encouraging development. Firstly, the large number of peals rung at The Wolery mini-ring, which has top position in the Tower List for the first time. A regular band has rung a series of peals of spliced Surprise Minor, no doubt working towards a peal in 41 methods. Secondly, the welcome reintroduction of Guild Peal Week gave several members the opportunity to achieve 'firsts' of varying kinds. Seven peals were rung between 11th and 17th February. During the year, peals were rung in 43 Suffolk towers and, outside the county, at Chelmsford Cathedral, Great Yarmouth, Darley Dale in Derbyshire, Lundy Island, South Croydon (St Peter) and on the 25cwt five at East Pennard in Somerset.

The first peal on the restored bells was rung at Thurston on 5th May. Worlingham bells were pealed for the first time on the 24th November, and the same day saw the first peal at Bramfield for 81 years. Both these peals were rung to welcome the new Bishop, the Rt. Revd. Nigel Stock to the Diocese. The monthly Surprise Major attempts have contributed to the 250th peal milestone being reached at Aldeburgh on 11th November. Stephen Pettman is also to be congratulated on achieving two personal milestones, his 900th peal for the Guild as conductor at Ufford on 11th March, followed closely by his 1000th peal as conductor on 25th March, with a peal of Stedman Cinques at Grundisburgh.

There were 29 peals of Surprise Minor in 2007, compared with only 10 in 2006. 20 of these have been rung on The Wolery mini-ring. Any project to increase the number of methods rung in a series of peal attempts requires dedicated preparation and application by all the band, and the peal of 32 methods Surprise Minor rung in 1hour 46 minutes on 17th October is a significant achievement. There has also been an interest in single method peals (not rung in extents) of Surprise Minor at The Wolery, with 6 different methods having been rung. Another indicator of the development in peal ringing this year is that on 10 separate dates two completely different bands rang a peal. Peals of Major have remained on a par with 2006, but the main negative trend is the marked dip in peals on higher numbers. There were only 6 twelve bell peals compared with 10 in 2006, but it is pleasing to note that two members achieved their first of Maximus in a peal of Yorkshire at St Mary-le-Tower on 22nd September. Also, only two peals of Royal were rung during the year, both of Cambridge Surprise. It does seem regrettable that three peals have been credited to other societies (two rung for the NDA and one for the St James' Society), although rung in Suffolk by bands containing predominantly resident members. It would be good to think that a majority view on appropriateness could prevail in such cases, especially if an event recorded in a footnote should form part of the records of The Suffolk Guild.

Local band peals are often the result of a sustained teaching effort and, hopefully, are a springboard for some into greater involvement in peal ringing. Worthy of note is the peal of Plain Bob Minor at Rumburgh on 28th February, which was rung by a band of resident Halesworth ringers and contained a first pealer and a first inside. Another first peal resulted from the local band peal at Haughley on 24th June. Equally worthy of mention is a peal of Plain Bob Major at Palgrave on 7th July, it being Louis Suggett's first peal as conductor and the first peal on eight for two other members of the band.

On this positive note, I should like to conclude by thanking all those conductors who have supported me by submitting peal fees and compositions promptly.

## OBITUARIES

### PETER ALLEN — Long Melford

Following in his father's footsteps at Christ Church, Colliers Wood, Peter learnt to ring at an early age and by 16 he had conducted his first peal. His later career was spent overseas which prevented him from developing his early potential, but in 1993 he returned to ringing and became Tower Captain at Long Melford, still climbing the 50 or so steps at the age of 85. He is sorely missed at Long Melford and by his many friends in the area.

### FRANK CLARKE — Reydon

Frank was taught to ring at Southwold where he and his wife Bette were valued members of the choir. Frank was also Churchwarden at Reydon during the augmentation and restoration which saw six bells dedicated there in 1999. Frank became Secretary and Treasurer of the new Reydon band and always enjoyed meeting visiting ringers. With his wife he founded a Dickens' Society and a hand-chime group, and they were also active supporters of the Southwold Picture Palace and Southwold Railway Society. A beloved father and grandfather, and a loyal ringer, he is greatly missed by all.

### PETER GOODWIN — Mildenhall

Peter Goodwin was born at Weston Colville, Cambs in 1929, one of 9 children, eventually moving to Mildenhall where he was taught to handle a bell. He learnt change ringing over the border at Fordham in the early 1960s and became a Sunday service ringer there. Peter then became Tower Captain at Mildenhall and over the years taught many people to ring. He was always very enthusiastic and enjoyed quarter peals and outings. He rang 4 peals for the Ely Diocesan Association and 5 for the Suffolk Guild. All his working life, except for national service in the RAF, was spent with the Eastern Electricty Board and he was a founder member of the Faraday Guild.

### JOHN F. JENNINGS — Wickham Market

John passed away on 15th March 2007 aged 79 years. He learnt to ring after the second world war and along with his brother Jimmy spent many of their early years ringing in Ipswich at St Mary le Tower and surrounding towers. John rang 37 peals for the Suffolk Guild, his first being at Burgh, during which he managed to sprain his wrist but kept ringing to complete the peal. John married Barbara and they settled in Woodbridge, where he was a regular for many years and during this time his daughters Liz and Christine learnt to ring. John and Barbara moved to Wickham Market where he went to ring regularly on Sundays and practice night and spent many evenings helping with teaching a new band at Pettistree. He continued to ring until ill health prevented him, but enjoyed the occasions that he could meet with his ringing friends. John quietly helped many bands and will be greatly missed. May he rest in peace.

### CHRISTOPHER F. LONGRIDGE — Horringer

Christopher Longridge, previously a loyal member of the North West District of the Suffolk Guild, and recently Tower Captain of Beaminster, Dorset, died on 16 November following a long illness. Chris was well-known to ringers in the North West District, having lived in Bury St Edmunds during the 1970s and early 80s. Around 1974 he became Tower Captain at Horringer. He was also a member of the Norman Tower band and served as District Ringing Master between 1978 and 1979 and District Secretary/ Treasurer in 1980. A teacher by profession, he moved to Dorset in the early 1980s to further his career but kept in touch with friends from the District.

**WILLIAM ARCHIE LOCK** **Yaxley**

Archie learned to ring at Stoke Ash under the instruction of Ernest F. Poppy and he rang his first peal in May 1938. He went on to ring 44 peals in total, many of which he conducted. He served as Secretary to the Eye District of the Suffolk Guild for fourteen years. He passed away in August 2007, aged 89 years.

**MICHAEL MUSGRAVE** **Hollesley**

Michael came from London to Felixstowe with BT in 1986 and he moved in to Shottisham. He was a qualified engineer and later gained a BSc. The record book shows that he first appeared to learn to ring at Hollesley All Saints on 12th September 1997. From that time he became a valuable and regular member of the band. Because of his own interest in anything remotely mechanical and wanting to make sure that things worked properly, he also became a real asset in helping to mend stays, fix clappers, make bushes or whatever. Michael battled through major illness in his life for 20 years but finally succumbed in October. Members of the band rang a quarter peal of Bob Triples in his memory later in the day following his burial at Shottisham.

**GEORGE PARRY** **Wetherden & Haughley**

George learnt to ring at Wetherden in the 1970s, shortly before his retirement. As Churchwarden at Haughley he masterminded the structural repairs to the tower and got the bells ringing again. A band subsequently started up at Haughley in the early 90s and continues to this day, with many fond memories of George and his contribution to ringing.

**REG STANNARD** **Dennington**

In many parts of Suffolk, call change ringers are the life-blood. Many of the rings in our lovely churches would not be heard without them. One thinks of people of days gone by like Leslie Ludbrook of Kelsale, the present band in the Worlingworth benefice, those in the remoter parts of north and west Suffolk. Reg Stannard was one such stalwart, ringing on the fine six at Dennington, in one of the great churches of Suffolk and elsewhere in that area. A kind and loyal man he also made and gave a beautifully crafted model bell for use in teaching and talks. We give thanks for his life, and to all our call change ringers - we must be careful not to lose our old terminology in this field - 'set changes', 'duck hunting' etc - all part of our rich heritage.

**COLIN STEEL** **Bildeston**

Colin learned to ring at Kersey in readiness for the re-hanging at Bildeston, where he was a loyal member of the band as well as Tower Correspondent until ill health forced him to give up ringing.

**NORMAN THURLOW** **Tattingstone**

Norman was a respected bell ringer who dedicated many years to ringing in the community and was the previous tower captain at Tattingstone. On Sunday 18t November, a quarter peal in memory of Norman Thurlow was rung by a local band.

**EDMUND VESTEY Esq** **Patron of the Guild**

In the North Transept of our Cathedral, a simple memorial to Mrs Vestey by her husband RA Vestey and their children Edmund, Elizabeth, Jane and Margaret reminds us of the generosity of that family to our mother Church in Bury. Likewise in the great cathedral of Liverpool. Edmund followed his esteemed father as patron of our Guild and we remember him as equally generous. His funeral at Thurlow was attended by our Chairman and we now have the good news that George, Edmund's son, has agreed to be our new Patron. How richly blessed we have been by the Vesteys.

**TONY WARREN** **Grundisburgh**

Tony was born in 1963 and was brought up in Exford, on Exmoor, where his father was Rector and where he learned to ring. He moved to West Monkton, where he sang in the choir, developed his ringing

and learned to play the flute. After studying at Birmingham, he was posted to Martlesham Heath where he found plenty of scope for his ringing in and around Ipswich – at St.Mary-le-Tower and Grundisburgh among others. He joined the Suffolk Concert Band and played regularly at Sunday evensong at Polstead Church. Sadly Tony was diagnosed as clinically depressed and remained in and out of hospital for the rest of his life. He had lost all confidence and sense of purpose in life. Tragically, Tony took his own life on March 9th 2007. He rang just over 100 quarters at Offton between 1986 – 1991, which included his first of London, Bristol, Glasgow, Belfast and spliced. Quarters were rung at Offton and Sproughton in his memory. May he rest in peace.

The next AGM will take place on Saturday March 29th 2008. Richard Knight invited the Guild to Lavenham. on behalf of SW district.

**12. Any Other Business**

Sally Munnings announced that she had two fleeces for sale, to suit either children or small adult. She will be sending a new order in the Autumn. Quiz sheets are available at £1 each. Both raising funds for St Edmund's Clapper Competition on behalf of Sproughton.

After tea in Debenham, everyone was invited to go and support evening ringing at Henley.

The Master invited the members to view a small display about ringing centres at the back of the hall.

The St Edmund's Clapper Competition* was commended to the members.

It was announced that Winnie Lockwood had gone into hospital.

Brian Whiting sought the views of the meeting regarding the GMC grant offer of £14,000 to the Ixworth Project. He felt this to be rather disappointing since Ixworth was Lenny Sharpe's church. A lively and full discussion followed both supporting the idea for the grant to be larger and voicing opposition to any further award. Eventually a proposal was tabled that the grant for the Ixworth restoration project should be referred back to the GMC for reconsideration. The vote that followed recorded 42 for, 3 against and 2 abstentions

John Girt was disappointed at the relatively poor attendance at meeting, about 8% of the membership, last year about 9%. Should this be a wake up call to what we do in the Guild? He commented on the time taken for consultation, through districts and the GMC. Should the meeting structure be changed to allow more general meetings? Discussion followed raising the question of whether more meetings were the answer and the effect on the General Management Committee, or whether there were already too many meetings.

Susan Schurr said she had heard that Essex were going to use the Olympics for recruitment. Could the Suffolk Guild do the same for young people particularly? Robert Beavis pointed out that ringing does have an image problem among young people. Unlike Support the Olympics it's often referred to as a pensioner's hobby.

Gillian Wakefield said that the GMC already awards £50 per annum to the library, but there are some paintings for sale for library funds too.

The members were encouraged to read the recent article in The Ringing World about Gift Aided phobia.

There being no further business the meeting closed at 4.08pm.

---

*** The St Edmunds Clapper Competition**

The trophy was made by John Uden of Southwold, hence the reference to St. Edmund, and was first competed for in 1991. It is a simple competition, open to all towers, the object being to raise the most money for the Restoration Fund between the period 1 April to 31 September by any chosen means. Initially organised as part of The Friends of Suffolk Bells scheme, it lapsed in the mid 1990s but was relaunched in 2001. It provides an excellent opportunity for towers to involve non-members in a variety of fund raising activities - even the medium of Ebay could be used! (See info at http://pages.ebay.co.uk/community/charity/sellerinfo.html). Make the effort this year to enter the competition. Your contributions need to be with the Treasurer by October 2008.

**Librarian:** Shirley Girt proposed, seconded by Sally Munnings, that Gillian Wakefield be re-elected as Librarian. Gillian was elected and thanked for her work with the library.

Alan Smith addressed the members saying that he would stand down. He was thanked by the chairman. Alan Smith proposed, seconded by Alan Munnings, that Lawrence Pizzey, David Salter and Stephen Pettman should be Guild representatives. This was agreed by the meeting. ## REGULATIONS RELATING TO THE SUFFOLK GUILD HANDBELLS

1 The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells viz:

| | |
|---|---|
| 25 bells by Taylors | size 20 in C (2 chromatic octaves) |
| 16 bells generally by Shaw | size 19 in F (diatonic 13 + 3 semitones) |
| 13 bells by Warner | size 20 in E (diatonic 12 + 1 semitone) |
| 13 bells by various founders | size 20 in F (diatonic 13) |

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by

another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

8 The Trustee and the Guild Management Committee would be grateful for financial help for the maintenance of the handbells from members who have enjoyed the use of them.

## THE MITSON SHIELD AND ROSE TROPHY STRIKING COMPETITIONS

RULES:

1 The competitions shall take place on date(s) decided by the GMC.

2 All Ringing Members and Life Honorary Members of the Guild may compete providing their subscriptions are paid.

3 The Mitson Shield and the Rose Trophy shall be competed for as follows:

MITSON SHIELD

3.1 Bands shall comprise six ringers fulfilling at least one of the following:
   a) at least four are listed under the tower in the Annual Report
   b) the ringers are a bona fide benefice (or similar) Sunday Service or practice night band.

3.2 The test piece will be 240 true changes of any recognised Doubles or Minor method(s).

ROSE TROPHY

3.3 Bands shall comprise eight members of a district or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

3.4 The test piece will be at least 224 true changes of any recognised Triples or Major method(s), of which only the first 224 changes, excluding the opening rounds will be judged.

4 Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 3.

5 The times of the draws are to be advertised in the 'Ringing World' and each band must have a representative present at the relevant draw.

6 A total of two minutes practice ringing will be allowed before each test piece.

7 In the event of bands ringing Doubles or Triples a cover bell must be used.

8 The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.

9 In the event of a large entry the Ringing Master may choose to shorten the length of either test piece.

10 A reserve ringer, appointed by the Ringing Master, will be available at the Ringing Master's discretion, to bands meeting short.

11 A minimum of two judges appointed by the Ringing Master will be present. Their decision is final.

12 The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.

## FOREWORD FROM THE CHAIRMAN

These are exciting times for the Suffolk Guild!

2008 has seen a public relations triumph, with ringing featured regularly on BBC radio and television. Recruitment is on the up, with, for example, three brand new bands within five miles of my home. The rejuvenated Recruitment and Training Committee is drawing up an ambitious agenda to co-ordinate the development of these new ringers, and simulators have been installed at three towers. Over 100 peals were rung for the Guild again last year, and the number and variety of quarter peals has been outstanding. Bell restoration projects are taking place all over the county, and the Belfry Advisory Committee has been working tremendously hard to support these.

These successes do not just happen spontaneously: they happen because people make them happen: Guild Officers, District Officers and Tower Captains all play their part, but the real success of the Guild depends on the support and enthusiasm of ordinary members, ringers who week after week ring on a Sunday morning, who turn out in all weathers to help the teach learners, or ring yet another quarter of Bob Doubles to help someone notch up a first.

Well done to all of you, but do keep it up, as there is much more work still to do!

**Philip Gorrod, Guild Chairman**

## TRUSTEES' ANNUAL REPORT

The Trustees present their report and financial statements for the year 1 January 2008 to 31 December 2008.

**Charity**

The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The charity's registered address is 9 The Gallops, Old Station Road, Newmarket, Suffolk CB8 8LA. It is governed under a constitution originally registered in 1977 and revised in 1999.

**Principal Objectives**

The purpose of the charity is to promote and encourage the practice of bellringing; to recruit, train and encourage bellringers in the practice of their art; and to cultivate the art of scientific change ringing.

**Trustees**

The Trustees during the period were:

| | |
|---|---|
| Chairman : | W S Girling ( to 5 April 08); PJ Gorrod (from 5 April 08) |
| Treasurer: | K Ashton Jones |
| Secretary: | M S Garner |

**Review of Progress and Achievements**

*Bellringing Activities*

Throughout the year, Sunday and special service ringing has taken place for most services in the Guild's 178 ringing towers. Regular practices have been held in almost 100 towers where training takes place for beginners and more experienced ringers. In addition there have been monthly activities, both ringing and social, in each of the four Guild districts. The Guild held an annual training day and there have been 120 peals rung for the Guild during 2008 in 44 Suffolk towers, and 2 outside the county. At least 415 quarter peals have been rung in Suffolk towers enabling many members to improve their skills and keep this ancient art progressing. Emphasis on recruitment and training is ensuring that this traditional skill continues to flourish.

*Restoration Activities*

Grants have been agreed to help with restoration projects at St Lawrence, Ipswich, Dennington, Wissett, Helmingham and Grundisburgh. Projects which employ professionals also use local labour from amongst the ringers and congregations to assist wherever possible. Members of the Belfry Advisory Committee have undertaken work in several other towers, whilst test rings have taken place at others, with a view to restoration. A great deal of time and advice is given freely to enable much maintenance work to be carried out, so that the bells across the Guild are kept in as good working order as possible.

**General Fund.**

General Fund income, derived principally from subscriptions and peal fees, was slightly up on last year's figure owing to an almost 50% increase in peal fees collected. However, General Fund expenditure was also up; despite a substantial saving on insurance premiums, administrative and printing costs rose significantly. Nonetheless, income still exceeded expenditure (albeit by a smaller margin than in 2007) leaving the fund overall in a sound position, with a balance sufficient to underpin projected 2009 expenses, which is the aim.

**Restoration Fund**

Grants of £26,200 were approved in 2008, representing another year of substantial allocation of the monies from the Sharpe bequest. In the year, the fund's income was £9,600, leaving the sum still available for allocation at year-end at £16,078. During the year, payments of £24,100 were made for completed projects, including a payment of £14,000 representing the major portion of the grant given for the Ixworth (Lenny Sharpe's old tower) restoration and augmentation project. The amount reserved for grants not yet disbursed since work is not yet completed, now stands at £50,350.

**Policies**

All money in the Guild's funds not required for normal working purposes are invested or deposited by the Treasurer as is directed by the Guild Management Committee.

Grants from the Restoration Fund are authorised by the Guild Management Committee but only paid after the work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

Approved by the Trustees and signed on their behalf by

## BELFRY ADVISORY COMMITTEE REPORT JONATHAN STEVENS

The work of the BAC continues apace; it is good that not only is there a wealth of skills and experience available to the members of the Guild from this committee, but that there is a demand for help. The help offered ranges from the practical splicing of a rope to advice on how to successfully organise a complete rehang. Following the latter the Guild Inspection ensures the work is up to an appropriate standard and guidance on remedial works, where necessary, is given.

This past year, as well as grant aided restorations being completed at Fressingfield, Stradishall and Ixworth, and the new tenor and replacement of plain with ball bearings at Grundisburgh, projects at Campsea Ashe, Dennington, Helmingham, Ipswich St Lawrence, and Wisset have been offered grants; showing the pace and enthusiasm towards ensuring the future of the diocese's bells continues.

Frustratingly, despite test rings and site meetings at Cratfield, that project seems no further ahead.

Inspections have been carried out at a number of towers including Ufford, where the back four headstocks are in need of replacement with those of a more modern design. It was good to see the three bells at Woolverstone brought into use. Another three, at Elmsett, are up and running; hopefully this ring will continue to grow.

Work on adjusting the striking was carried out at Woodbridge, amongst others, and the replacing of the rotten seventh headstock at All Saints Sudbury was started by a BAC team.

By the time this report is published, Chediston should have been rehung, with the dedication on March 15. Bardwell has its funding in place and the restoration will be completed during the life of this report. Plans for a restoration are well under way at Eye and at Woolpit.

Many smaller works were undertaken by the BAC team, such as the work on the pulleys at Easton and the rehanging of the Treble at Buxhall.

Committee meetings were held in February, June and October. A sub-committee was set up primarily to rewrite the Guild Grant Conditions, but also to look at how the BAC's knowledge could be best shared. The new conditions have been ratified by the Management Committee and are now available on the Guild website. These conditions have been circulated to the bell-hangers who have given some positive feedback.

I would like to express the Guild's and my own thanks to Winston who has carried out the role of BAC Chairman for many years, with such dedication. I am pleased he is still on the BAC where his experience is most valuable.

## RINGING MASTER'S REPORT RICHARD MUNNINGS

2008 was – as most years – made up of highs, lows and much in between, punctuated with some of the age-old problems that have always threatened the Guild as well as the continuation of some fine traditions that have helped keep the Guild going.

The highs are easy to recall and pick out. The Guild Dinner at Woolpit, held every five years, was a massive success. Much credit has to go to Mary Garner, who I know first hand worked incredibly hard on this very difficult event to organise. So many things go into it, so many people to speak to, so many people to please. Well done Mary!

The Guild striking competitions were almost too successful, with a large entry working the judges – Fran Dodds and Andrew Ellis from Birmingham – extremely hard. Well done to St Mary-le-Tower on winning the Rose Trophy, Pettistree 'A' winning the Mitson Shield and Debenham 'O' winning the Lester Brett Call Change Trophy. This was the first time Pettistree had won the competition, an inspiration to all aspiring bands. Well done to Debenham, but they need more competition for the call change trophy. Don't be shy!

The Guild's first peal on 14, rung at Winchester Cathedral in August was both historic and a huge achievement. Encouragingly, there was a substantial splash of youth in the band, with Louis Suggett and Tom Scase in particular doing very well.

Peals in general were a highlight over the twelve months. Once again well over 100 peals were rung in our name, including the notable handbell peals, the peals of 41-spliced Surprise Minor, 8-Spliced Surprise Major and Bristol Maximus. Landmark achievements included;

1st peal – Robert Beavis, Susanne Eddis, John Smith and Nigel Smith
1st inside – David Lee
1st as conductor – Katherine Eagle
1st Major as conductor – Mary Gamer, Lesley Wilson
400th tower-bell peal as conductor – Alan Mayle
1500th as conductor – David Salter
25th peal – Isabel Rivers
150th – Peter Harper
300th – Adam Crocker
700th – Michael Edwards
1000th – Mary Dunbavin
1200th & 450th in hand – Jeremy Spiller
1300th – Barry Pickup

Well done to everyone above, particularly the first-pealers (a good entry this year) and Mary Dunbavin on what is still – even today – a landmark milestone.

There was also much done through the medium of quarter-peals, with Pettistree leading the way in numbers, ringing very varied range. However, there were half-lead surprise Major quarters being rung in the Woodbridge area, much happening in the Halesworth region as well as a grand contribution from a healthy number of North-West members.

This year also saw the return of the Recruitment and Training Committee meeting again, thanks largely to the efforts of Alan McBurnie. Initial moves have been made with John Harrison coming down to Stowmarket for a 'Teaching the Teachers' course, which went very well.

Bar one bit of notorious PR – which I shall come to later – the Guild enjoyed the amount of publicity that I can't remember it ever having before. The highlight was The Inside Out Show, featuring the Hollesley ringers. A presentation to Albert Driver, a stalwart servant, appeared on BBC Look East and the St Edmund's Day celebrations that the Guild marked with peals and quarters received blanket coverage from BBC Radio Suffolk most of the day. The White Ribbon Campaign used the Guild and bells as a focus for its worthy campaign against domestic violence.

With all this going on, you'd be forgiven for thinking everything was blooming in the Suffolk Guild garden, but I'd be failing in my role if I didn't highlight where things haven't gone quite so well and more importantly what I think needs to be done to improve these areas.

Attendances at many district and Guild events are still relatively poor given the number of members we have. Whilst the AGM had a much-improved number of attendees from the 2007 one, I am still disappointed that an organization with nearly 700 members cannot muster even 100 for the most important and relevant event of the year. I am not going to lie and say the meeting itself is a thrill a minute. But it isn't a meeting you would normally experience at work or anywhere else. We try to keep dull figures to a minimum, jargon out of it and focus on things that directly affect YOU. Things like reintroducing the call change element to the striking competition which was passed at this year's AGM. Electing officers who will be endeavouring to directly serve you, help to teach ringers, recruit ringers and other matters that WILL make a difference. Apart from anything else, it is an interesting day where you can see how fellow members – many of whom you may not have met for a long time, if at all – are carrying out their ringing. A chance to meet friends old and new. And this goes for any ringing event. Most district events in particular are arranged at considerable time and effort by people who want LEARNERS to benefit. They are wasted if you do not turn up. No one judges you, scoffs at you or tuts away in the corner. Rather your presence is welcomed. Please, please, please, please, PLEASE turn up to these events, if you possibly can.

Closely linked to the above is the number of people who actually organize things or take up positions on the GMC. Currently we have a dedicated group of people who carry out various roles. The problem is, it's a relatively small group of people and the strain on time and energy can be tremendous. We want the Guild to function so that it benefits ALL its members. Sadly, it's not going to do that if we continue to rely on the same people to do everything year-in-year-out. We need more of you to get involved. We're not asking you to hand your lives over to the Guild or even ringing itself. But for example, we have vacancies on the GMC. Now this is no great strain on a person's lifestyle. The meetings can be long, but that's because they are used to their full potential, with reps making sure the decisions made are the right ones for those they are representing. More to the point, there are only THREE meetings a YEAR. Yes, that's right three a year. Not one every week or even every month, but one every four months! So come on folks, put yourselves forward, help us to help you.

The traditional second Sunday peal at Aldeburgh was – for a brief time – national news this year and not for good reasons. A resident made a complaint against the ringing that has regularly taken place at the same time for decades. Thankfully the complaint never came to anything more than the national coverage that if anything actually went in our favour. Indeed, there was more support for ringing than even I had expected. However, it was a reminder that we do need to be aware of our neighbours and those who can hear the bells. We perhaps need to give more consideration to soundproofing as we can't always rely on the goodwill of those who live nearby. It only takes one new resident, an unsympathetic council and a thriving tower could be shut down instantly. Always try and interact with those who live in the community, let them know what's happening, when you're ringing. Have open days or just invite the locals to a practice sometime.

Despite these problems, the Guild is thriving. Keep it up, bear in mind what I have just said and most of all, enjoy your ringing in 2009!

Thank you very much to all those who have helped me, most of all Ruthie and Mason who have had to put up with my prolonged absences and sometimes prolonged presence and put up with my whims and silly ideas. Also to Mum and Dad, Kate and anyone else who has helped look after my boy and to all who have offered their time to myself and the Guild this year.

## LIBRARIAN'S REPORT — GILLIAN WAKEFIELD

The Guild Library has been used 18 times during 2008 by people wishing to borrow items or requesting information, and 10 people have very kindly donated items of interest including CDs, a record, books and leaflets. In addition to accepting donated material, items are purchased from time to time and this year, following the acquisition of the 3rd and 7th editions of Dove's Guide for Church Bell Ringers, the library now has the complete set of the nine editions. (The 3rd edition is becoming difficult to get hold of). It could well help any ringer researching new rings or augmentations of rings to look back through the editions of Dove to see in which year a ring was installed or augmented.

*The Nine Tailors* by Dorothy L. Sayers is the best known work of ringing fiction, but the library does possess several other novels in which ringing or bells feature; some ghost stories, a detective novel and three light romances for example. Another library purchase this year was *The Nebuly Coat* by J. Meade Faulkner. This book, a masterpiece by the author of *Moonfleet* is a mystery and a romance. It was discussed in the letters column of the Ringing World earlier this year, as towards the end of the book it describes briefly the ringing of a peal of Grandsire Triples before the catastrophic collapse of the church tower (though not when the bells are being rung so no fictitious ringers are killed!) If you would like a change from learning blue lines or composing touches, borrow a novel from the library and have "a good read".

## SECRETARY'S REPORT — MARY GARNER

The Guild Management Committee has met three times during the year. Attendance has been about 80%. There has been much frank and lively discussion and it is good that so many deaneries in the Guild have had their representatives there. However there are still vacancies on this decision making body. It would be great if they were all filled.

The AGM at Long Melford on 5 April was attended by seventy three members, a 34% increase on 2007. Philip Gorrod was elected Chairman, whilst Ringing Master, Treasurer and Secretary were re elected.

The Dinner, marking the 85th Anniversary of the formation of the Suffolk Guild, was held at Woolpit. All the tickets were sold and the draw raised funds for the Bell Restoration Fund. It was felt to be a good social event and the SW district has planned a Guild Social for June 2009. It is hoped that the other three districts will do likewise for 2010-12, until the next dinner in 2013.

The website continues to grow. Our webmaster updates it almost daily and is pleased to receive any photos and copy for it. There are tower notices and diary inserts available for download which contain the appropriate District and Guild events, as well as a wealth of other information and links.

## PUBLIC RELATIONS OFFICER'S REPORT — BRUCE WAKEFIELD

The Guild has received substantial favourable coverage in the media this year. Many of its activities have been featured on TV, radio and in the press. The most widely reported event was the unsuccessful attempt by some of the residents of Aldeburgh to stop the long established practice of peal ringing there. Support for the ringers appeared in the media both nationwide and worldwide. Bell Restoration Projects seized the imagination of reporters. Chediston's project featured on BBC Look East in April, and the now completed project at Ixworth made a number of appearances in the local newspapers, as did the ongoing project to restore the 5 pre-reformation bells of St Lawrence in Ipswich. All these projects have received grants from the Suffolk Guild of Ringers and from the Heritage Lottery Fund.

In November, the BBC TV Look East programme "Inside Out" broadcast a feature on the application of simulators in bellringing. This was recorded mainly at Hollesley, but did include footage of the public "having a go at ringing" on a mini-ring that had been specially erected for the occasion on the Market Hill in Woodbridge. Hollesley and Woodbridge also featured in an excellent article on bellringing in Suffolk that appeared in the June edition of the glossy magazine "Suffolk and Norfolk Life". The local press also picked up on a performance of Tchaikovsky's 1812 Overture given by the Suffolk Concert Band at Woodbridge for which the Woodbridge ringers were asked to ring the tower bells at the appropriate time.

BBC Radio Suffolk is now taking a significant and positive interest in bellringing in the county. As part of its campaign to raise the profile of Saint Edmund it asked whether the Guild could put on special ringing on St Edmunds Day. Four peal attempts were subsequently arranged and the Ringing Master (Richard Munnings), together with the Bishop, were interviewed live on the radio on the morning of St Edmund's Day, and described what had been planned and chatted about ringing in general. On another occasion the Ringing Master was interviewed live about ringing in Suffolk that had been arranged to draw attention to the start of the 2008 White Ribbon Campaign, the international event highlighting violence perpetrated against women. Just before Christmas, I was interviewed live on Radio Suffolk to talk about the annual Christmas ringing event in Ipswich during which all the ringable bells are rung for half an hour around midday to remind the shoppers of the presence of the church in the town and of the true meaning of Christmas.

So let us continue to make positive use of the good relations that we have with the media. If you think you have a newsworthy event to report, let the media know. In my experience they are always willing to consider a good story for publication.

KEY

The key of a ring (ie the note of the tenor) is given in cents (ie, hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C# -20, and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

## SECRETARY'S REPORT

The NE District has had another busy year of ringing. We have welcomed a lot of new members this year and have new bands learning at Huntingfield and Wenhaston, and ringers learning ready for Chediston and Wissett later in the year. The new band at Fressingfield is also progressing well. Thank you to everyone who has been involved with teaching and encouraging all our new learners.

Our striking competition in May at Wingfield was well attended and we enjoyed a meeting outside in the evening sun. In June, Aldeburgh welcomed the support of the Guild and local ringers in its press appearances. In August we had an outing to the SE District finishing with the ten bells at Stonham Aspal. Don organised a film evening at the Southwold Electric Picture Palace in October showing the East Raynham

Bell Project and Akenfield, which was attended by Viscount Raynham. We are hoping to arrange a return outing to East Raynham this year.

We have had some changes in the district officers this year as Philip Gorrod was elected Guild Chairman at the AGM. We wish him success in this role.

## SECRETARY'S REPORT — MANDY SHEDDEN

2008 has seen the number of participants in District Events grow overall, although some events were probably less well attended than would be hoped for. It has been very encouraging to see new faces from within the original District and since moves have been ratified for the Hartismere Deanery to become part of the North West District it has been a pleasure to meet more new people from further afield. It is also been great to watch our youngsters progress and their enthusiasm has proved to be infectious and many of us old timers have been encouraged to take part in quarter peals with them. The quarter peal week was a resounding success and has encouraged the committee to include it in the programme for next year.

As I write this in the weeks leading up to Christmas I feel that there is an excited buzz within the District, helped along by the completion of the augmentation at Ixworth, and the fact that a recruitment drive at Great Barton brought forward a good number of potential ringers for the future. There has been some recruitment activity in Newmarket in recent months and a number of ringers while not necessarily able to join in the District events have been diligently practising for and ringing on a Sunday. On a fun note, the District Striking competition and barbecue held by kind invitation of Father Peter at Barrow was, despite the rain, a very enjoyable event and the Young Ringers were deserving winners. Some unlucky losers were those who were chased across the rectory garden by an alpaca who shall remain nameless but being a member of Father Peter's family she should have known better! A full and varied programme has been planned for 2009 and it has been a pleasure to be involved with the planning knowing that the District ringers are fully supportive in trying out new ideas. The District could not operate without the support of a hardworking band of people who regularly give up their time to teach others both at beginner level and further down the line by the teaching of new methods by more experienced ringers and I want to take this opportunity to thank them all.

## COMMITTEE REPORT — PETER HARPER

A varied programme meant there was something for everyone during the year. The Striking Competition at Brandeston was held on a glorious spring day . It would have been good to have seen a few more of the district towers represented to sample the generous hospitality of the local band. In the event, 7 bands competed with St Mary le Tower emerging the winners.

St Mary le Tower hosted an afternoon of rounds and call changes in January and it was good to see several members who might not usually attend practices tempted to have a go. Kate Eagle kindly organised two successful outings; one in April around Cambridge and a mini outing to North Essex in June which had the desired effect of attracting some learners to try fresh towers despite the atrocious weather.

During the summer we paid an enjoyable visit to Dennington on their practice night which was well received, whilst in August with people on holiday we rang 3 quarter peals with several firsts, all starting at the same time and all the bands coming together afterwards for a meal. Unfortunately there were virtually no takers for a coach to the Roadshow in September. However in October we held a simple conducting course at Stutton with an introduction to change-ringing on handbells running in parallel which was greatly appreciated by all who took part..

The most popular event of the year by far was the ringing at the Ipswich towers on the Saturday before Christmas to remind shoppers of the meaning of Christmas, followed by coffee and mince pies. It takes an enormous amount of effort to ensure there are sufficient ringers available to cover all the bells (above 50 required!) and we have to thank Revd Brian Redgers for the work he puts into the organisation.

Our thanks to committee members and district members who have all been extremely helpful and patient with us whilst we find our way around the district.

## SECRETARY'S REPORT — SUE FREEMAN

Membership has risen slightly this year and attendance at most practices and the two mini-tours so well organised by Richard and Christine Knight has been good. The striking competition, won by Kersey, attracted a good entry of seven bands. John Smith has started a monthly triples practice at St Gregory's, Sudbury, to encourage district members to progress from ringing on six bells to higher numbers.

2008 was a busy year for Rolie Whiting. He celebrated his 80th birthday in January, an event commemorated by a peal rung at Polstead by friends in the district. Then, in the summer, he rang in a peal at his home tower of Nayland in celebration of his Golden Wedding anniversary. He was very pleased that his daughter Christine rang in this peal with him.

## OBITUARIES

### SYLVIA MORLEY — Barrow

Sylvia was taught to ring at Whepstead by Bob Hartley c1990. Sylvia would freely admit she rang by numbers and never progressed beyond Plain Bob and Grandsire Doubles. Sylvia moved to Barrow in 1995 and joined the local band to whom she was already known and was a loyal member, always available for weddings, and often for those extra services during the church's year for which she suggested the bells should be rung. Sylvia worked hard as a fundraiser for the local church and St Nicholas Hospice. She cared for her immediate family and beyond in all sorts of ways. Sylvia was struck by a massive stroke in September and died a few days later. She never mentioned her age, despite the fact that quarter peals were rung for milestones of other villagers. It was therefore a surprise to learn that this apparently indefatigable woman was 81.

### DOUGLAS ROWLAND — Bury St Edmunds

Doug's childhood was spent at Great Livermere, where he probably learnt to ring, as he could ring when he used to join the ringing at Ingham in the 1940s. In the 1950s Doug was one of the few with a car and gave fellow ringers lifts to meetings and practices, Lakenheath being an especial attraction in those days! Doug married his childhood sweetheart, Joan, and moved to the outskirts of Bury St Edmunds where he joined the Bury St Edmunds Company which then included ringing for services at both the Cathedral and St Mary's. Doug was tower captain/steeple keeper at the Norman Tower for over 20 years, retiring from this post in 1986. Doug organised the annual tower outing which in those days was by coach and included an organised lunch and tea, along with sandwiches and crates of beer for the 'stop on the road' in the boot. Doug continued to ring until he had a serious abdominal operation in 1993. Doug is attributed to having rung 9 peals for the Guild. Two of these are of note, the first peal at Eriswell in April 1958, the stays being removed as the bells were so light, and the peal of Plain Bob Royal at the Norman Tower on 18 November 1978 following the bells' rehanging. Doug died on 18th December 2008 in his 91st year.

### REGINALD 'JACK' STURGEON — Mildenhall

Jack was a bellringer at Mildenhall for over 40 years. If ever you went to Mildenhall to ring, Jack was always there. For his own reasons Jack was not a member of the Guild and did not visit other towers although he helped Peter Goodwin teach many ringers over the years. Jack was a quiet person and devoted to St Mary's church as verger, again holding this position for over 40 years. His tragic death at the age of 80 years and occurring at the church he loved on 30 August, having rung for a wedding and climbing to wind the church clock is all the more poignant.

## PEAL SECRETARY'S REPORT — CHRISTINE KNIGHT

2008 has been a very interesting year for peal ringing in Suffolk, with many examples of individual progress and achievement, as well as peals of significance for the whole Guild, and beyond. After the large increase in peals in 2007, three extra peals in 2008 led to a total of 120. Hopefully, the seeds of an upward trend have been sown. Peals were rung at 44 Suffolk towers and at just two towers outside the county, Great Yarmouth and Winchester Cathedral. At Ixworth, the last peal before re-hanging and augmentation was rung on 30 March. The first peal was rung on the new tenor at Grundisburgh on 5 October, and a peal of Oxford Treble Bob Major on 16 November marked the centenary of the first peal on the bells at Palgrave. Another peal worthy of note was one of Cambridge Surprise Major at Horringer on 21 June; Mary Dunbavin is to be congratulated on joining the ranks of Suffolk ringers who have rung a thousand peals.

Peal Week 2008 was a resounding success. Eleven out of fourteen attempts were scored between 10 and 16 February, and there were no less than thirteen individual 'firsts' recorded in the footnotes. Members had the opportunity to develop their ringing skills in a wide variety of methods, ranging from Doubles to Caters. A highlight of the year was the Guild's first peal on Fourteen, Yorkshire Surprise, rung at Winchester Cathedral on 25 August, including nine resident members, a tremendous achievement. Another notable peal was Bristol Surprise Maximus at St Mary le Tower on 28 June, in which there were three firsts of Bristol Max and one 1st on twelve. Also at St Mary le Tower, a peal of Stedman Cinques on 13 September was a joint celebration for George and Diana Pipe; the 60th anniversary of George's first peal on twelve coincided with Diana's 100th peal on twelve. At Grundisburgh on 14 August, compositions of 1440's of New Bob, St Simon's and St Martin's Bob Minor by James Smith were rung together with a 720 of Grandsire Minor to achieve the most methods of Twin-Hunt Minor yet rung to a peal.

At The Wolery Mini-Ring, the series of Surprise Minor peals begun in 2007 culminated in a peal of 41 Spliced Surprise Minor on 11 June. The band then consolidated their achievement with two further peals of '41' on 17 September and 5 November. Handbell peals made a return in 2008, with a resident band ringing a peal of 19 Methods Minor on 10 April at Bacton. Jeremy Spiller and Cherril Thompson also took part in a series of eleven Spliced Surprise Minor peals in July and August, ranging from 35 to 200 methods. Each peal represents very advanced handbell ringing in itself, but to ring eleven such peals over eight days is a really significant achievement.

2008 marked the centenary of a peal in Ipswich of great historical importance. "The Ringing World" of 19th September carried a fascinating front page article by George Pipe, which described the events leading up to the first ever peal of Surprise Maximus. There had been considerable rivalry between bands in Gloucester, Ipswich, London and Bristol to achieve this feat, but it was the St Mary le Tower band which rang the first peal of Cambridge Surprise Maximus on 15 August 1908, an event which, to quote George, "put them firmly in the vanguard of the development of Surprise on twelve." A Centenary Festival of Cambridge Maximus peals took place between 9 and 16 August, with peals being rung around the country. A Suffolk Guild peal

at Great Yarmouth on 9 August launched the week, and there was also a peal at St Mary le Tower on 16 August. Unfortunately, an attempt at Grundisburgh on 15 August, the exact centenary, was lost after two hours due to a broken rope.

Another exciting development in 2008 was the integral part peal ringing played in some really positive local publicity for the Guild. The Master planned simultaneous attempts of Minor in each District to mark St Edmund's Day. The progress of peal attempts during the morning of 20th November formed the focal point of the 'Ring Your Bell for St Edmund' feature on BBC Radio Suffolk. Only two of the four attempts were successful, but the Master and other ringers interviewed were able to introduce our Guild and Art to a wide audience tuned into the upbeat coverage.

Interest in ringing peals of a special commemorative length continued. Seven such peals were rung in 2008, for a variety of events. One, 5085 Suffolk Surprise Major at Rendham on 13 December, was specially composed by Brian Whiting to celebrate the 85th anniversary of the formation of the Suffolk Guild. It would be good to think that the one negative trend in 2008 could be addressed in 2009, namely the dip in the number of peals of Surprise Major and Royal. Only one peal of Surprise Royal was rung in 2008. As for Surprise Major, there were two peals of 8-Spliced, the peal of Suffolk and the series of 'Firsts in the method for the Guild' rung by the Aldeburgh peal band, but there were only five peals of single method Standard Eight Surprise Major, compared with seventeen last year. Nonetheless, 2008 has been an overwhelmingly positive year, stretching the boundaries of both individual and Guild achievement. Once again, I should like to thank all those conductors who have supported me by submitting peal fees and compositions without the need for reminder.

# MINUTES OF THE ANNUAL GENERAL MEETING OF THE SUFFOLK GUILD OF RINGERS, HELD AT LONG MELFORD, SATURDAY 5 APRIL, 2008

**1. The Chairman,** Winston Girling, opened the meeting by giving a warm welcome to the seventy five members present and visitors. He thanked Fr Nick Woodhouse for the service and Jeremy Blaiby the organist, those who helped with the tea, especially Sue Freeman, John and Stephen. He thanked the Tower Captains of Lavenham and Long Melford, Richard Brewster and Richard Lant and the SW district for the arrangements for the day and the warm welcome to the Guild.

The meeting stood in silence in remembrance of the thirteen resident and five non resident members who had died during 2007.

**2. Apologies for Absence** were received from 32 members

**3. Minutes of 2007 AGM**

These had been published in the Annual Report and were signed as a true record.

**4. Matters Arising**

There were no matters arising.

**5. Officers' Reports**

**Master:** Richard Munnings presented the Master's Report as printed in the Annual Report. It was seconded by Chris Garner and accepted by the meeting.

**Secretary:** Mary Gamer proposed the acceptance of the Secretary's report as printed. This was seconded by Stephen Munford and agreed by the meeting.

**Treasurer:** Keith Ashton Jones presented the accounts as published, commenting that they had now been examined and were ready to be submitted to the Charities Commission. He said that the Trustees' Report was reproduced in full for the first time in the Annual Report and will be put on the website.

Since the accounts were finalised, it has been realised that a deposit by the Peal Secretary of £310 (for peal fees and NRLM subs) was wrongly assigned in the accounts to Affiliation fee income. The result of this is that in the accounts, Affiliation Fees are overstated by £310, whilst Peal fees are understated by £298, and NRLM fees are understated by £12. In terms of the Guild income overall, there is no discrepancy, and therefore the error does not misrepresent the Guild's financial position. Technically, however, the Restoration Fund benefited from 100% of the Affiliation Fees, whereas it would only have benefited from half had the correct attributions been made. The General Fund on the other hand lost out correspondingly. A retrospective adjustment could be made. However, the General Fund more than broke even last year, and had a healthy balance to start 2008. Keith therefore proposed that, subject to the AGM's agreement, the Restoration and General Funds balances as per the published accounts be allowed to stand. The proposal was seconded by David Mulrenan and agreed by the meeting

**Public Relations Officer:** Bruce Wakefield reminded the meeting that the media are interested in anything that bellringers promote, especially restoration. He reported that the BBC had been filming and interviewing at Hollesley and Woodbridge in preparation for an item for Inside Out, to be shown on 2nd May. He thanked Tony and Betty Baines for bringing their mini ring to Woodbridge. He proposed the acceptance of his report which was seconded by David Steed and agreed by the meeting.

**Belfry Advisory Committee:** Winston Girling proposed that the report as printed should be adopted. The report was seconded by Chris Gamer and agreed by the meeting.

**Librarian:** Gillian Wakefield proposed the acceptance of her report as printed. This was seconded by Diana Pipe and agreed by the meeting.

**Peal Secretary:** Christine Knight addressed the meeting and spoke of the Guild as a body which has always given support and encouragement to others. Richard and Christine have been very touched by the abundance of care and support shown to them during the past few months and offered their thanks to everyone.

She proposed the acceptance of her report as printed. It was seconded by Ruth Suggett and agreed by the meeting.

The Chairman thanked her and added that it was good to see that the number of peals had increased from previous years.

**Handbell Trustee:** Brian Whiting, the Trustee, reported that a set had been returned and was in need of some attention, and that he held a set of 25. Two sets were in the NE and he was pleased to know that they are being used for change ringing.

Winston Girling thanked all the officers of the Guild for their reports and work and for keeping everything running so smoothly.

**6. Subscriptions, fees and donations for 2009**

The GMC proposed that the subscriptions should be as follows

| | | | |
|---|---|---|---|
| Ringing Member | £ 14.00 | Donations: | |
| Ringing Member 65-74 | £ 7.00 | Friends of St Peter's Sudbury | £ 50.00 |
| Members 75 and over | Free | Friends of the Cathedral | £ 50.00 |
| Ringing member in full time education | £ 7.00 (from £5) | | |
| Associate member | £ 7.00 | Suffolk Historic Churches Trust | £ 50.00 |
| Non-Resident Life Member | £ 7.00 (from £6) | Donations in lieu of Wreaths | £ 25.00 |
| Peal fee | £ 1.00 | | |

This was seconded by Chris Garner and carried unanimously.

**7. Proposed Constitution changes**

The GMC proposed the following:

*A1 1.3 to read* "The Trustees of the Guild shall be at least three members of the Guild Executive as defined in rule J 13, and shall be elected at the AGM."

A question from the floor prompted assurance that the Trustees would be named. The proposal was seconded by Jason Busby and passed unanimously.

*C5* shall be amended by moving "Hartismere" from "1 North East" to "2 North West". This was proposed M.J.Rose, NW Chairman, and seconded by P.J.Gorrod, NE Chairman.

Discussion followed noting that one or two events organised by the NE in Hartismere Deanery received no support locally, also that the ringers at Gislingham feel it easier to support NW events. It was also reported that all the ringers in Hartismere had been asked which district they wished to be in and that they supported going with the NW. The current Deanery Representative reminded the meeting that the Deanery would need to appoint someone from within Hartismere since he resides in the NE.

The vote which followed recorded 56 for the proposal, 1 against and 14 abstentions. The proposal was carried with more than the two thirds majority required.

*D8*: to add "Webmaster" to list of members to be elected to Offices. This was seconded by John Taylor and carried unanimously.

It was noted that the rules dictate that these changes can only take effect from 1st Jan 2009.

**8. Proposed rule changes**

The GMC proposed the following rule changes:

*The title of The Mitson Shield and Rose Trophy Striking Competitions shall read:*

*"The Mitson Shield, Lester Brett Trophy and Rose Trophy Striking Competitions"*

*Rule 3 shall read : "The Mitson Shield, Lester Brett and Rose Trophies shall be competed for as follows:"*

*MITSON SHIELD and LESTER BRETT TROPHY*

*(Rule 3.1 shall remain unaltered.) Rule 3.2 shall read:*

*"a) For the Mitson Shield the test piece will be 240 true changes of any recognised Doubles or Minor Method(s) Opening rounds will not be marked.*

*or b) For the Lester Brett Trophy call changes of at least eight minutes marked ringing, to include Queens, Whittingtons and Tittums. "Marked" changes start when the first change is made.*

*(Rules 3.3 and 3.4 shall remain unaltered)*

The Master explained that he hoped that the introduction of a rounds and call changes competition within the Guild six bell would encourage more bands to take part and help boost the confidence of many ringers whilst enabling more people to hear and take part in good ringing. In the discussion that followed concern was expressed from the floor that an extremely capable band could enter for rounds and call changes. Qualification for the Essex competition was mentioned where each band must contain an appropriate number of rounds and call change only ringers. It was suggested that a tower should enter a method ringing team if at all possible and only call changes if not. Concern was also expressed at the need for tight rules at all.

The proposal was seconded by Veronica Downing. In the vote which followed 57 were in favour, none against with 13 abstentions. The proposal was carried.

The meeting was asked to vote for its introduction for May 2008. This was carried with none against.

**9. St Edmund's Clapper Competition***

The total raised in 2007 was £542 for the Bell Restoration Fund, with Offton raising £250, Sproughton £242 and The Folly £50. The trophy was awarded to Offton.

It was explained that Philip was willing to stand. There were no further nominations and Philip was elected. Since Philip was unable to be at the meeting, Winston continued in the Chair.

*** The St Edmunds Clapper Competition**

The trophy was made by John Uden of Southwold, hence the reference to St. Edmund, and was first competed for in 1991. It is a simple competition, open to all towers, the object being to raise the most money for the Restoration Fund between the period 1 April to 30 September by any chosen means. Initially organised as part of The Friends of Suffolk Bells scheme, it lapsed in the mid 1990s but was relaunched in 2001. It provides an excellent opportunity for towers to involve non-members in a variety of fund raising activities - even the medium of Ebay could be used! (See info at http://pages.ebay.co.uk/community/charity/sellerinfo.html). Make the effort this year to enter the competition. Your contributions need to be with the Treasurer by October 2009.

**12. Election of Life Honorary Members**

The GMC proposed seconded by John Girt, that Alan Smith and Albert Driver be elected as Life Honorary Members. The Chairman reminded the meeting of the contributions made by Alan Smith both as Guild Treasurer and as a Central Council Representative for many years. Trevor Hughes explained that Albert Driver aged 93, who has given very long service at Redgrave, has been teaching a new band at Rickinghall Superior. One of his pupils has just rung their first quarter on the treble.

Alan Smith and Albert Driver were elected unanimously.

**13. Election of New Members**

The following were proposed, seconded to become members of the Guild:

George Fry (full) Tunstall; Paul Bray and Anne Bray, (both full) St Mary le Tower; Angela Hay, (full), Adam Hay, Wingfield; Christopher Barber (full), Malcolm Roberts (senior) Fressingfield; Edith Nurse, David Reeve, (both senior) Ixworth; Roger Fouracre, Brenda Fouracre, Wickham Skeith; Henrietta Fawcett, Ruby Mason from Thornham Magna.

They were all elected and warmly welcomed to the Guild.

**14. Date and Venue for 2009 AGM - NE district**

The NE District invited the Guild to the AGM on Saturday 18 April 2009, venue yet to be decided.

**15. Any Other Business**

a) Glenys Fear, Campsea Ashe, expressed sincere appreciation for the great support by the Guild, both financial and technical, in their augmentation project. Their next fundraiser is a concert at Campsea Ashe church on Sunday 27th April (4pm-6pm). All welcome.

b) Veronica Downing announced that a Heritage Lottery Grant of £40,000 had come through. The total cost of the project is £120,000. They are still fundraising and the next event is The Old Time Faming Day on July 19th at Bridge Farm, Chediston.

c) Graham Downing said that additional funds were being raised at Chediston where a local silversmith has been commissioned to produce ear rings. They are available in silver or gold (9 or 18 carat).

d) Brian Whiting gave the thanks of the Guild for the dinner arrangements to Mary and Chris Garner and to Christine Knight for her brilliant report on the website. Chris Garner added that Ruth Eagle and Richard Munnings had also done a great deal to help with arrangements.

e) Sally Munnings announced that she has a child's fleece for sale at £9.

f) The Dedication of the bells at Stradishall will take place next Sunday April 13th,at 4pm.

g) Alan McBurnie explained that the BBC had become very interested in the ringing at Hollesley, particularly the Listening Course. He wanted to publicly thank Richard Munnings for getting the BBC involved. A nine minute piece for the programme to be screened at 7.30pm on 2nd May on BBC1.

He further explained that the ringing course is for people who can handle rather than for complete beginners. He issued a general invitation for members to come and look at the installation and to take part. Winston thanked Alan very much for telling the meeting about this exciting event.

h) Jonathan Stevens announced that 6 bells at Sweffling and 8 bells at Rendham are available for practice before the Guild Striking competition. He urged prospective bands to book times for a visit.

There being no other business the meeting closed at 7.40pm.

1 The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells viz:

| | |
|---|---|
| 25 bells by Taylors | size 20 in C (2 chromatic octaves) |
| 16 bells generally by Shaw | size 19 in F (diatonic 13 + 3 semitones) |
| 13 bells by Warner | size 20 in E (diatonic 12 + 1 semitone) |
| 13 bells by various founders | size 20 in F (diatonic 13) |

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned

to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

## FOREWORD FROM THE CHAIRMAN

I am delighted to be writing this at the end of another successful year. We have elected 70 new members in the last twelve months. Over 130 peals and 500 quarter peals were rung. We have acquired our own portable mini-ring, which has been used extensively. Links with BBC Radio Suffolk have continued to provide us with excellent publicity, while the project to restore the bells at St Lawrence Ipswich made the national news. Bell restoration projects continue to flourish, and our Belfry Advisory team, having drawn up detailed protocols, are in regular discussion with the bellhanging firms about improving different aspects of our many installations.

We cannot be complacent though. The retention of new recruits is a national problem to which we are not immune, and maintaining new bands beyond the enthusiastic first few months is a difficult task that all too often ends in disappointment. We will all have our own opinions on how to teach, how to maintain interest, and how to raise standards, but there seems to be no magic formula: sometimes what we do works; sometimes it doesn't.

The Recruitment and Training Committee has piloted some sessions labelled "Teaching the Teachers". Do not be misled: this is not a didactic "This is how you do it" lecture, but an opportunity for participants to pool experiences and learn new ideas from others. I hope many members involved with teaching will take the opportunity to attend one of the sessions planned for 2010.

Once again I extend my thanks to the Guild Officers, District Officers, Tower Captains and all those who help develop our ringing life. In particular I pay tribute to Mary Garner and Keith Ashton-Jones who, having completed five years in office, will be retiring as Guild Secretary and Treasurer respectively at the AGM. It has been good to see people putting themselves forward for office (albeit sometimes with a little arm-twisting) as new blood at all levels guards against stagnation, and I look forward to working with whomever you elect as their replacements.

**Philip Gorrod, Guild Chairman**

## TRUSTEES' ANNUAL REPORT

The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The charity's registered address is 9 The Gallops, Old Station Road, Newmarket, Suffolk CB8 8LA. It is governed under a constitution originally registered in 1977 and most recently revised in 2009.

**Principal Objectives**

The purpose of the charity is to promote and encourage the practice of bellringing; to recruit, train and encourage bellringers in the practice of their art; and to cultivate the art of scientific change ringing.

**Trustees**

The Trustees during the period were;

| | |
|---|---|
| Chairman : | PJ Gorrod |
| Treasurer: | K Ashton Jones |
| Secretary: | M S Garner |

**Review of Progress and Achievements**

**Bellringing Activities** Throughout the year Sunday and special service ringing has taken place for most services in the Guild's 178 ringing towers. Regular practices have been held in almost 100 towers where

training takes place for beginners and more experienced ringers. In addition there have been monthly activities in each of the four Guild districts both ringing and social. There have been 131 Peals rung for the Guild during 2009 in 55 Suffolk towers, and 3 outside the county. At least 529 quarter peals have been rung in 119 Suffolk towers enabling many members to improve their skills and keep this ancient art progressing. Emphasis on recruitment and training ensures that this traditional skill continues to flourish.

**Restoration Activities** Although no new grant applications have been received during 2009, a number of projects have been completed and grants paid, namely Bardwell, Chediston, Ipswich St Lawrence and Elmsett, whilst restoration at Campsea Ashe and Wissett is underway and Dennington has a planned completion early in 2010. Projects employing professionals also use local labour from the ringers and congregations to assist wherever possible. Members of the Belfry Advisory Committee have undertaken work in several other towers, while test rings have also taken place with a view to restoration. A great deal of time and advice is given freely to enable much maintenance work to be carried out, so that the bells across the Guild are kept in as good working order as possible.

**Guild Finances**

**Policies**. All money in the Guild's funds not required for day-to-day working purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee. Grants from the Restoration Fund are authorised by the Guild Management Committee but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

**General Fund.** General Fund income, at £4,448 (after transfers to Restoration and Library Funds) represents a 13% increase compared to 2008. However, high General Fund expenditure, at £5,259, (55% up on 2008) resulted in an £810 reduction in the General Fund closing balance, now at £5,360. The high expenditure was primarily due to the purchases of a supply of Guild badges, stock of bell rope, and the balance-of-cost for the purchase of the mini-ring. All these are considered capital purchases (which should produce some additional income in future years) and accounted for £1,238 of the expenses. Without these, the normal running expenses for the Guild for 2009 (£4,021) are comfortably within the income raised. This was the basis on which the items of stock were sanctioned, despite a rise in running costs of £623 (18%) over the previous year.

**Restoration Fund.** The Restoration Fund's income, at £5,427, represents a 43% reduction compared to last year's income. However, this was anticipated, being explained by the reduced interest rates received on the reduced amount of money on deposit. The income was however boosted by the repayment of a £6,000 grant paid out in a previous year, and by the traditional transfer-in of half of subscriptions and peal fees from the General Fund. No new grants were approved in 2009. As a result, the sum now available for allocation to new projects stands at £31,822.

Payments of previously allocated grants, totalling almost £20,000, were made for five projects completed during the year. The amount reserved for grants allocated to a further five projects still in progress now stands at £30,600.

**Summary.** The Guild finances remain in a healthy state, with the General Fund balance sufficient to underpin the cost of day-to-day activities for 2010, and a Restoration Fund balance available to support a vibrant, ongoing programme of restoration projects.

## BELFRY ADVISORY COMMITTEE REPORT JONATHAN STEVENS

It has been another busy year for the BAC Team. Three meetings were held; February's at Sweffling, June's at Chediston and October's at Fressingfield. We were made most welcome at each, and at Chediston and Fressingfield the members took the opportunity to look at these recent restorations.

Looking at the minutes (all approved BAC minutes can be read on the Guild Website) I see that forty two towers are mentioned. For some it was a reference to maintenance or repair work, others test rings and reports written, yet others because their restoration was underway or completed.

Our knowledge base was deepened with Alan Moult and myself attending the Central Council Sound Control Seminar, which added some useful tools to our "sound" repertoire.

We are pleased to be offering Belfry Maintenance Seminars this year; one in the North West and one in the North East. There will be some theory, some practical and some rope splicing at these.

Many hundreds of hours have been spent up towers and technical advice freely given by the BAC members this year, and I am most grateful for this hard work. Should any Suffolk Guild Tower need such assistance, it is only a call away.

## RINGING MASTER'S REPORT RICHARD MUNNINGS

Whether it is old age or the fact that this year has been very busy, it doesn't feel very long since I was writing my last report - but here I am. And what has changed in 2009? Last year I started with the positives and finished with the negatives. I'll do things the other way round this year and part on a high!

Attendances, particularly at district level, were a negative – again. I've tired myself out making this point but it's worth reiterating. These district events are set up for the members, primarily for learners as a chance to try something new, improve, make new friends, meet old ones, get a bit of advice. But the presence of more experienced ringers is vital too. So next time you see one of these events, which may only require your attendance once a month, if that, please do not dismiss it as something irrelevant. The quality and usefulness of such events are guided entirely by YOU!

The cancellation of this year's Training Day was a huge let-down. There are many lessons I have learnt from this. And although there has been a lack of progress on the Recruitment and Training front, there is nevertheless an abundance of ideas, so this should hopefully be something that will come on in 2010.

It was also a shame not to be able to enter a Guild band in the Ridgman Trophy, a competition that we do stand a real chance of winning. It seems I began organising it too early, believe it or not! Still, I am already onto the 2010 entry, so let's bring the trophy back to Suffolk!

I do find it disappointing occasionally when personal disagreements detract from the enjoyment of ringing. You cannot expect 700 members to agree on everything, but I do expect grown adults to find ways of working together to further ringing in the county. We also all need to remember that we are representing the Guild and the way we behave often reflects on the Guild itself.

Positively, it's been another good year for PR, with many newspaper, radio, TV and internet reports on various projects within the Guild, perhaps most spectacularly involving St Lawrence in Ipswich which also featured on the front page of the bumper Christmas double-issue of The Ringing World. Once again BBC Radio Suffolk did us proud with extensive coverage of the St Edmund's Day ringing which again presented the Guild in a good light, especially as all peals and quarters were scored.

Talking of peals, 2009 has seen another rise in the number rung for the Guild for the fourth consecutive year. There have been many achievements (highlighted below) and congratulations to those listed below; The number of first pealers in particular is astonishing and well done to them all and especially those who have gone on to ring further peals.

*1st peal - Sonia Charnley, Graham Downing, Sylvie Fawcett, Craig Gradidge, Adnan Lee, Granville Lindsay, Sally Mason, Richard Moody, John Mortimer, Philip Moyse and Julie Rapior.*
*1st as conductor - Margaret Ross and Gordon Slack*
*50th peal - Jennifer Scase, Gordon Slack and Louis Suggett*
*150th peal - Thomas Scase*
*300th peal - Mary Garner*
*400th for the Guild - Winston Girling*
*500th for the Guild & 600th peal - Brian Whiting*
*600th for the Guild - Mary Allum*
*1100th peal - Mary Dunbavin*
*1300th for the Guild & 900th as conductor for the Guild - David Salter*
*1600th peal - George Thoday*
*2000th tower bell peal - James Towler*

Guild Peal Week was a huge factor in these impressive figures, accounting for sixteen peals, seven first-pealers and a new conductor. Well done to Gordon who called Cambridge Major (which he was also pealing for the first time) and Maggie who called Stedman Triples, no mean feat! Also well done to Louis Suggett who has really progressed not only with conducting but also in composing. Keep it up Louis!

Quarters are not to be overlooked, either, and this year we have seen many towers quartered which is encouraging. Again Pettistree and Offton have been leading the way in numbers whilst also producing much quality and variety, but the ringing done by the Blyth Valley ringers and the North-West group who have toured the county and indeed the region has been wonderful to hear about. Keep it up guys.

Both peals and quarters have been key to celebrating bells augmented and/or restored this year, with the first quarters rung at Bardwell, Chediston, Stradishall and Wissett in their new state as well as the first one on the Guild Mini-Ring since we acquired it. Meanwhile, the first peals have been rung since restoration, augmentation or acquisition at Chediston, Felixstowe, Ixworth, Parham and on the Guild Mini-Ring.

The celebrations of significant projects have been a real highlight for me and I have enjoyed seeing the satisfaction and joy on the faces of those involved at Chediston in March, Bardwell in October and Wissett in December as one of the most visible benefits of 50% of the subscriptions going to the Bell Restoration Fund showed itself regularly in 2009 - as it has done for some years now.

For a while it looked as if the return of the Guild Social would be one of the big negatives of this year as an incredibly sad amount of apathy meant ticket sales were very slow. The total attendance was still a lot lower than had been hoped but as it turned out the event was a huge success and very, very enjoyable. Huge credit has to go to the South-West District for organising such a wonderful occasion and particularly the ringers of Hadleigh for hosting the main event. It's the North-East's turn this year, so keep an eye out for more details and please, please support it!

Having criticised the level of support for many of the District events earlier, the turnout at the AGM and the Guild Striking Competitions was marvellous! The former was superbly hosted by the Blyth Valley ringers in the North-East District and although it didn't quite hit the century attendance that I was hoping for, the highly enjoyable day should serve to encourage enough people along to meet that target in 2010.

My deepest gratitude to Brian Meads and John Hall for their patient judging of both striking competitions as they sat through an enormous entry that was nonetheless highly pleasing for me and it was a day that all who took part in should be highly proud of, especially as the North-West served a welcome reminder of how far the Guild's reach is as we all travelled over to Exning and Dalham. Thank you to the North-West, it was a wonderful day despite the wasps nest next to the entrance at Exning! Congratulations to St Mary-le-Tower on winning the Mitson Shield and Rose Trophy and to Sweffling for winning the Lester Brett Call Change Trophy as this competition continues to encourage those who previously may not have such opportunities. As if to highlight this, well done to young Holly Abell who was part of the Halesworth band that came second to Sweffling, just months after first handling a bell.

The Guild website is growing and has been a great aid to providing information and for me personally has provided a fantastic platform from which to impart my ideals and thinking through the medium of my daily blog, which I hope gives an insight into not just what I'm up to and trying to do but what the Guild is trying to do.

However, by the time you read this, my time as Guild Master will be short. My reign of terror ends at the 2011 AGM and even as I write this with tinsel and Christmas trees sparkling you should all be giving some thought as to who you would like to replace me. I can't say it's always been a pleasure, but I would urge any potential successors to consider that actually it doesn't involve as much work as the many district officers carry out (though more travelling!) and is in the main a highly enjoyable role. If anyone is interested and wants to know more about it, please feel free to contact me.

My thanks go out again to Philip and Mary who have been a great support in 2009, but also to anyone who has humoured me or helped me out on my many crazy ideas and demands, with greatest apologies for those times it has gone wrong! However, my deepest gratitude goes to those closest to me who have helped me carry out my role including Kate, my parents and of course most of all Mason and Ruthie!

I look forward to seeing MANY of you throughout 2010 and remember - it's all out there for YOU!

## LIBRARIAN'S REPORT

GILLIAN WAKEFIELD

During the last fifteen years that I have been Librarian the Suffolk Guild Library has grown considerably. *Ringing Worlds* date from the present day to the 1930s, archive material, ringing memorabilia and audio visual items have increased thanks to the generosity of people who have donated items over the years, and the purchase of books has extended both the reference and fiction sections.

Indeed, the library is frequently used by researchers with an interest in bells and ringing both in the UK and abroad. For instance an Australian asked for information on the bells of Mendham, someone in Belgium wanted to know about Dutch or Flemish bells in Suffolk, and from the USA a request came for copies of Orders of Service for the dedication of new hand bells. (Although on this occasion the library could not satisfy the enquirer; there are copies available of Orders of Service for the dedication of tower bells).

One valuable resource is on long term loan to the Ipswich Record Office. This is the collection of Bowell Papers referring to the Bowell Bell Foundry that existed in Ipswich. The papers were catalogued by the archivist Chris Pickford and recorded on a CD that is kept in the library for reference.

Other interesting items are the two hand bells that were part of the ring belonging to a band of Stradbroke ringers in the early 1900s. The larger bell is a "two hander" as it has a diameter of 26cm. and it has the most beautiful deep, mellow tone when rung.

Because the complete library has been kept together under the supervision of the librarian, storage conditions have been maintained appropriately. This has been an important consideration as some of the books are worth several hundred pounds each. Also, all the resources of the library have been easily accessible to any member of the Suffolk Guild, enabling a researcher to consult books, *Ringing Worlds* and archive material on one visit. In the same way the Librarian has been able to cross reference using any relevant source in the library to answer a query that has been phoned in or sent by e-mail.

The enquiries have been so interesting that it has been a pleasure to be the Guild Librarian and I hope that my successor will find it equally rewarding.

## SECRETARY'S REPORT — MARY GARNER

The Guild Management Committee has met three times during the year. The meetings have covered a wide range of ringing subjects and full and lively discussion has been a feature of each. The AGM at Wenhaston on 18th April was attended by eighty nine members, a 22% increase on 2008. The Chairman, Ringing Master, Treasurer and Secretary were all re-elected.

As I draw to the end of my five year term as Secretary I feel honoured to have served the Guild. I have enjoyed my time in this role from booking the halls for meetings and discussions with fellow ringers at the GMC, through to negotiating the insurance, dealings with Central Council, not to mention the opportunity to talk to potential visitors from other Guilds. I have certainly learnt a great deal about the Guild and ringing in general and I would to thank everyone who has helped me along the way. I hope that my successor derives similar enjoyment from this post.

## WEBMASTER'S REPORT — CHRIS GARNER

The Guild Website continues to grow. A section about Restorations has been added, and information about towers, bells, ringers and events is constantly updated. Diary inserts for each district showing events in 2010 are available for download. The Ringing Master's Blog is posted daily and is now in its third year. An email system has been set up, whereby information can be sent to everyone for whom addresses are held, members in a district, Tower email correspondents either within a district or across the Guild. These email addresses are known only to me and are not published even to other members. If you would like information distributed please email it to me. If you change your email address please let me know.

## PUBLIC RELATIONS OFFICER'S REPORT — BRUCE WAKEFIELD

Perhaps the most significant PR coup this year must have been the reporting of the restoration of the pre-reformation bells of St Lawrence in Ipswich. The event was widely covered on national and local TV, radio, and in the national and local press. Now that the bells are back, the Town Council is keen that they are rung as much as possible, and anyone who would like to ring on these historic bells is welcome to come on Wednesday lunchtimes between 12:30 and 1:00 pm when there is a commitment to ring them.

BBC Radio Suffolk is still taking a significant and positive interest in bellringing in the county. During March and April, their popular presenter, Lesley Dolphin, elected to learn to ring as part of the BBC's "Learn a New Skill Challenge". Her progress was regularly covered in her afternoon broadcasts, and in the space of four weeks she had progressed from being a completed beginner to being able to ring behind to Bob Doubles. Again as part of its campaign to raise the profile of Saint Edmund, the station gave wide coverage to the Guild's special ringing activities for St Edmund's Day. The Ringing Master (Richard Munnings), was awakened from his slumbers and interviewed live on the radio on the morning of St Edmund's Day, and later in the day he and I were invited into the studio to chat about ringing in general with Lesley Dolphin from the comfort of her "sofa". Then, just before Christmas, I was again interviewed live on Radio Suffolk to talk about the annual Christmas ringing event in Ipswich during which all the ringable bells are rung for half an hour around midday to remind the shoppers of the presence of the church in the town and of the true meaning of Christmas.

During July, a BBC film crew spent a whole evening filming ringing at Woodbridge as part of an Arena programme about musician Brian Eno, who was born in Woodbridge. Even though Brian Eno was not a ringer, the producer was keen to include the ringing footage. How much of it will actually get shown remains to be seen. As I have said before, if you think you have a newsworthy event to report, let the media know. In my experience they are always willing to consider a good story for publication.

# DIRECTORY OF SUFFOLK TOWERS

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Advisor or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place.

The table on the following pages shows details of every ring of four or more bells in the area covered by the Suffolk Guild of Ringers. The following details are included:

KEY

The key of a ring (ie the note of the tenor) is given in cents (ie, hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C# -20, and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

## SECRETARY'S REPORT

The North East District has seen the restoration and Dedication of two peals of bells at Chediston and Wissett this year. Both have bands learning to ring. Thank you to all those involved in the fundraising and teaching of ringers for those projects.

District events have drawn mixed attendances this year. We had an extremely high number of teams at the Striking Competition in May and it was good to see bands from towers that haven't entered in previous years.

Following last year's film show of the East Raynham Bells Project, some members enjoyed a day's ringing in Norfolk finishing at East Raynham.

The Listening Course at Hollesley was also well attended and enjoyed by those who took part.

The District participated in the Guild Peal Week and several members have rung their first peal this year, with many continuing to ring several more.

The committee is trying to organise different events to appeal to as many members as possible. If you have a specific request or idea, please let a committee member know.

## SECRETARY'S REPORT — MANDY SHEDDEN

What a year to report on. 2009 was certainly very busy for the North West District. Amongst the highlights was the completion of the augmentation and rehang at Bardwell providing the District with another very useful 8 bell tower. Already this and the new 8 at Ixworth have been well used for a variety of events. Both projects are a tribute to the cohesive spirit of help and hard work that exists in the district among a large number of dedicated people. Apart from that there was a trip to Taylor's of Loughborough, which saw a busload of ringers and cathedral guides have a really enjoyable and informative day out, stopping for a tower grab at Market Harborough where the father of the organiser was delighted to reacquaint himself with a relative of an old work colleague from some 20 years back. Already enchanted by the work of the bell foundry, being retired from the castings industry, his meeting at Market Harborough made the day complete. Yet another example of how small the ringers' world is!

The quarter peal week and the striking competition were again very successful, and this year the numbers

at all the district events have been augmented by our new members from the Hartismere Deanery who have been very busy making their mark in an already thriving District. Well done. The number of new recruits both young and old continues to grow albeit slowly and it is so refreshing to meet up with people who also have lots of enthusiasm and new ideas, all of which help keep things moving.

The ADM managed to fill all the vacancies of District Officers and Representatives. The outing to North Essex in November proved to be a rather cold and wet one outside but the bells more than compensated for that and a good number turned out for the Christmas social at Pakenham.

A new communication tool in the form of our very own website has proved to be popular and is visited frequently, in fact it is a challenge to keep abreast of everything going on that needs to be reported, but it is certainly a job that is worthwhile.

Overall the North West District is a thriving ringing community which covers a large geographical area of North and West Suffolk but distance certainly does not seem to be a problem for many of its ringing members, whose enthusiasm and willing spirit certainly make the hard work of organising activities very worthwhile. We are looking forward to another very busy year in 2010.
