A large list of honoraries is a great asset to any Association not merely as a means of swelling the credit balance, but retains the interest of a large body of non-performers all over the county, and contributes to a great extent towards the success of the Guild.

May I ask all members to make a special effort to secure their local clergy, relatives and friends and other well wishers of the Guild into this class of membership.

Here I would like to thank Mr. J. M. Bailey, of Leiston, who has revived the hon. membership of 10.

The rules of the Guild are that no peal shall be credited unless all performers are members and have paid their subscription for the year in which the peal was rung, excepting Life Members.

We are glad to see peals rung and have no desire to discount any performance due to a ringer or ringers not having paid their subscription but in future this rule WILL be strictly adhered to and we advise conductors to make sure that all ringers are bona fide members.

CECIL W. PIPE.

# SUFFOLK GUILD OF RINGERS.

Audited and found correct,
Jan. 31/1947. S. R. E. PIPE.

# R.I.P.

We offer our sincere sympathies to the relatives of the following members of The Guild who have died since the last report.

ARBON, JOHN, of MONEWDEN. For some years District Secretary of Framlingham, he had rung 39 peals for The Guild including handbell peals.

BASON, WILLIAM E., of FELIXSTOWE and formerly of Norwich. A grand ringer and a composer of merit. He had rung 190 peals for the N.D.A. and 2 for The Guild.

BETTS, JAMES, of WETHERINGSETT. A very reliable ringer in the Debenham District and had rung 53 peals for The Guild.

CHINERY, JAMES, of BURY ST. EDMUNDS and Secretary of that District for some years. He had rung 13 peals for The Guild.

MORE, GEORGE, of IPSWICH (St. Margaret's). He had rung 23 peals for The Guild.

RUMSEY, WILLIAM C., of DEBENHAM. District Secretary of that District to the time of his death. A great and grand ringer and invaluable Secretary. His death is a great loss to The Guild. His peals were in the neighbourhood of 500, of which 241 were rung for our Guild. Of genial disposition and ever ready willingness to help any one we miss him greatly and we mourn his passing.

# THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

# ST. EDMUNDSBURY AND IPSWICH.

---

## OBJECTS:

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, instructors when and where required.

4.—**Reform.** To promote a proper appreciation of the ringing chamber as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment thereof, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

# CONSTITUTION.

1.—The Officers of the Guild shall consist of: The Bishop as President, Patrons, Vice-Presidents, Ringing Master, Secretary, Clerical Secretary, Treasurer, and Auditor.

2.—The Guild shall consist of (a) Ringing Members, (b) Honorary Members, (c) Life Members.

(a) Ringing Members may be elected at any meeting where there are five other Members present, or, provisionally by two other Members, before starting for a peal. Ringing Members may be elected as soon as they have rung 120 changes on a tower bell or on two handbells retained in hand. The subscription of Ringing Members shall be 2s. 6d. per year.

(b) Honorary Members may be elected on a life payment of £2 2s. 0d., or 2s. 6d. per year.

(c) Life Members, residing out of the Diocese, to make a single payment of 5s.

3.—The Committee shall consist of the Ringing Master, Secretary and Treasurer and seven elected members, to be subject to election at each Annual Meeting, who may co-opt three other members. Four to form a quorum.

4.—The area covered by the Guild shall be divided into districts each of which shall have its own Ringing Master and Secretary. The Secretary will

(a) Arrange Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon as possible after January 1st and send them to the District Secretary.

(d) Forward these subscriptions to the General Secretary together with his Receipt Book and details of any expenditure, at the end of the year for audit.

5.—The Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

# RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st will not be required to pay a second subscription for the following year.

2.—Any Member whose subscription is unpaid on December 31st shall lose his membership. No peal shall be recorded unless the subscriptions of all taking part in it are paid. Lapsed Members may be reinstated on payment of 2s. in addition to the annual subscription.

3.—Probationers under the age of 16 may be elected on payment of half the annual subscription.

4.—The Committee may allow a Tower to compound on payment of 2s. 6d. per bell yearly; this to include all the ringers whose names shall be sent to the Secretary at the time of payment of the annual subscription. The number of reports issued will equal the number of bells.

5.—Should a ringing member, having paid five consecutive years' subscription, remove from the Diocese, he may without payment, become a Non-Resident member for such time as he continues to reside outside the Diocese.

6.—All ringing at Meetings of the Guild shall be under the direction of a Ringing Master and shall be such as is approved by the Central Council. The decisions of the Central Council shall be recognised in recording any ringing performances.

7.—The Committee may remove a Member from the Guild for a serious offence against the Objects and Rules. Subject to appeal at a General Meeting.

8.—The Objects, Constitution and Rules can only be altered by a General Meeting after three months' notice given at a General Meeting.

# SECRETARIES' REPORT FOR 1947.

The entry of the year 1947 was heralded by the ringing of Church Bells in many towns and villages, but this centuries-old tradition is gradually fading out, and my number one appeal is for Suffolk Ringers to revive this romantic old custom.

Considering the privileges we enjoy throughout the year by ringing bells at our convenience it is not asking too much, nor is it such a great hardship to turn out just before midnight and ring the old year out and the New Year in. Here in Grundisburgh we ring twice every Sunday, Christmas Eve and Festival days and half muffled for the dying year on New Year's Eve up to midnight, and open for the entry of the New Year.

Before the first month was out our popular Ringing Master Mr. C. J. Sedgley was taken into hospital where after two serious operations he laid dangerously ill. Much anxiety not only in the County, but all over the Country was felt for his life, but the prayers offered for his recovery to normal health were answered and after six months he was restored to us again. Thank God.

At the same time one of the severest winters on record set in and for seven weeks the earth was covered by snow and ice followed by floods with disastrous results. Many things suffered including ringing, and meetings and peals were practically at a standstill.

Our Annual Meeting was held as usual at Ipswich on Easter Monday and was well attended. A nice service was arranged and a good organist was engaged and the address by the Rev. F. Tucker Harvey was a benefit and well received.

I was disappointed by those ringers who did not attend.

The very nice lunch was followed by the business meeting, when about 80 people were present and the Chair was occupied by the Rev. H. Drake. The high light of the meeting was the decision to create a Guild Restoration Fund which Mr. Ernest Pye headed with a grand and generous gift of £50. At a later meeting Mr. Pye again showed his generous nature when he presented me with a cheque for £200 on behalf of Grundisburgh Bells Fund.

I am glad to say Mr. Pye has now come to live among us. We welcome him as a friend and a good ringer, the son of one of

the greatest ringers the world has ever known. May we show him our gratitude for his great generosity.

I represented the Guild at the Central Council meeting held at Exeter and met some of the finest and best known ringers in the country when I was able to report a general revival of ringing in Suffolk. The great peal of 12 bells with a tenor of 72 cwt. was put to good use and here again Suffolk was represented.

Twenty-nine meetings were held during the year spread over nearly all the districts and the district secretaries are to be congratulated for the work they have put in by making the meetings as enjoyable and instructive as possible.

At Beccles, Mr. Edwin Goate works hard in a difficult district, where apart from the beautiful 10 bells in his own tower, there is a lack of both ringers and bells. Ringing is practised slowly and laboriously and I dare to say it could be enjoyed far more if the beat was speeded up.

In the Bury district many meetings have been held under the supervision of Mr. A. Gillings and all members should have received their moneys' worth. Here again I trust I shall be pardoned for saying a little more speed would be conducive to easier striking. Transport is still my chief problem but Mr. Gillings has put in some very good and useful work on my behalf in the Eye and Mildenhall districts. Thank you, Mr. Gillings, your frequent reports and beautifully rendered accounts are a pleasure to receive and handle.

The Debenham district is famous for its prolific peal ringers, conductors and good strikers. No meetings have been held chiefly due to the fact that tea cannot be arranged.

Mr. Leslie Brett is district secretary pro-tem and I trust he will be elected permanently when I feel sure he will revive the district to its former greatness.

I am glad to report the revival of the Eye district with Mr. W. Archie Lock as secretary. A keen young man with a genial disposition who has already done some good work, he has a difficult task ahead. I trust those many ringers in this district whose names do not now feature in our columns will return to the fold and back him up.

My best wishes Mr. Lock and may good luck and success be yours.

Mr. George Filby after many years as Secretary in the Fressingfield district still holds that position. Another difficult district with scattered ringers which could perhaps be made more bright and interesting for its members if some joint meetings could be arranged. I thank Mr. Filby for his long and faithful service.

The Hadleigh District has increased in its membership thanks to Mr. Joe Corder who has introduced the ringers at Copdock.

We welcome these members in our midst and trust they will remain with us.

Hadleigh bells are kept ringing through the efforts of Mr. Frank Betts and we thank him for his good work.

Turning to the Halesworth district we remember Mr. Fred Lambert who held the post as secretary since the formation of the Guild until the date of his death which took place in October. By his passing the Guild has suffered a sad loss and we have lost a dear and genial friend. Faithful to his Church and to his Maker he was faithful and loyal to the Guild and to ringing in general. He found recruits and taught them; he kept his own and other church bells ringing and he worked for the benefit of the Guild. Many ringers attended his funeral service which was conducted by the local Rector who gave the most beautiful address I have ever heard on a like occasion. His fellow ringers rang handbells at his graveside and his church bells were rung half muffled. A half muffled peal of Grandsire Triples was rung on the bells at a later date. May he rest in peace.

Mr. R. S. Payne of Southwold has taken over secretarial duties for Halesworth district and I ask all members to rally round him and give their loyal and unstinted support. Perhaps some of us may meet Mr. Payne and Halesworth members when the new peal of six bells for Blythburgh are dedicated when I trust a new band may be formed and become members of the Guild.

A change of secretary has again taken place in the Ipswich district due to Mr. James Jennings taking up residence at Brantham.

We regret Mr. Jennings' departure, for his office as district secretary portrayed a healthy sign for Ipswich. His work as instructor and service ringer will not be forgotten and we are glad he has not entirely left the County. We convey to him our

best wishes and thanks for his past services and trust we shall see and hear of him from time to time.

Mr. E. G. Ellenger has been elected to fill the vacancy and I am grateful for so good a man taking up the reins. Full of zeal and keenness for the prosperity and progress of the Ipswich district, Mr. Ellinger is prepared to work hard for the benefit of members and I trust he will receive full support at his meetings from ringers who can show they are as interested in The Guild as they are in ringing the fine peal performances they are credited with.

I have little to report from Lavenham—Mr. Stedman Symonds remains loyal and faithful as ever, keeping around him his band of Sunday service ringers whose striking is second to none. Long live Lavenham.

Mildenhall district again comes into its own and it gives me great pleasure in seeing so many names in our membership columns. My thanks are due to Mr. R. Wallis for re-floating this district and although he has resigned the secretaryship I hope for his continued support. My right hand man, Mr. Gillings, will keep an interested eye on Mildenhall to the best of his ability and with loyalty and backing from the members, the district should settle down to progress.

Saxmundham district under Mr. W. Smith reports little change. Bells are rung in scattered churches and the district secretary finds the office none too easy and long distances to travel, all of which gains my admiration and thanks to Mr. Smith for his continued support and good work.

May he carry on for many more years.

I have to thank Mr. James Bailey for his large amount of honorary members, once again, and I should like to see other districts emulate this fine example which is such a valuable source of income. Good ringers and good striking has always been the slogan at Leiston and great performances took place there years ago. Is it too much to hope for a repetition of its past history?

The Stowmarket district is fairly well blessed with good ringers and good strikers and Mr. Bert Chilvers sends me in a good list of subscriptions for which I sincerely thank him.

There are many peal ringers and conductors in this district which in the past held the laurels for performances, and I dare to forecast a great revival which we will watch with interest.

Little news and few complaints come from the Sudbury district which is run by Mr. Archie Fitch, who have again forwarded a useful number of subscriptions for which I thank him.

Mr. Fitch works hard in this difficult district and has arranged many meetings for the benefit of his members, some being well attended and others not so well. There is a shortage of recruits and the three fine eight bell towers are manned by barely one eight bell band. Help and encouragement is badly needed by our representative in Sudbury, and I appeal to all Westerners to rally round Mr. Fitch and try hard for a general improvement.

Woodbridge district. We find it hard to realise our Founder and good friend, Rev. H. Drake is no longer with us. At the age of 79 he was quietly called to higher service in November, and his passing came as a sad shock rather than a surprise, for he was practically active up to the last. Known throughout the whole exercise for his great love and interest in Bells and Bell-ringing, he will be sadly missed and we have lost a dear and good friend. His death causes a vacancy on the Central Council, a matter which must be dealt with at our next Annual Meeting. On your behalf I attended his funeral service held in his church at Ufford.

Much work is needed in Woodbridge district and like elsewhere more recruits are wanted for training. Messrs. Billy Woods and Stanley Woodard are working hard to form a new Sunday service band at Woodbridge. May they be blest with good luck and success.

Fifty-four peals were rung during the year and a passing comment on a few may prove interesting. My son, George, at age 11, surprised us by calling Bob Major (without assistance) at Ufford. Two peals were rung at Clopton, where the bells were condemned many years ago. The first peal of Royal at Mildenhall was rung soon after the peal had been augmented to 10 and was conducted by Mr. Harry Lister. Spliced Oxford and Kent Major at St. Mary-le-Tower, conducted by Mr. O. G. Barnard. Cambridge Maximus when Mr. W. P. Garrett rang his 100th peal of Maximus at the age of 80. This well struck peal reflects great credit on the part of Mr. Garrett and Mr. George E. Symonds. God bless them both and may they live to ring for many more years.

A peal of Cambridge Major at Stradbroke made news and caused surprise, and here I would like to congratulate Mr. Ernest Pye for his masterly handling of the 23 cwt. tenor. Stradbroke bells are very fine but the tall tower oscillates badly and affects the go of the bells. It was nearly 40 years since a peal was rung on them.

RESTORATIONS. The talked of trebles at Mildenhall became a reality when they were dedicated in May. It seemed nearly every ringer in Suffolk turned up to hear the latest ring of ten in our County, and to compliment Messrs. Gillett and Johnston upon a splendid piece of work. And now I hear with great pleasure two trebles may be installed at Stowmarket, which should result in another fine peal of ten. While I cannot claim a restoration at St. Mary Quay, Ipswich, I must thank Mr. Ronald Clouston for these bells being ringable once again. Six bells of good tone, with a six cwt. tenor, they were abandoned nearly 40 years ago on account of the condition of the Tower. The church was partly destroyed by bombs, and the bells may be transferred to another tower if one suitable can be found. They will be available for ringing on the day of the Annual Meeting. The new peal of six bells for Blythburgh Church is in the hands of Messrs. Mears & Stainbank. We await their dedication with great interest.

Clopton bells were condemned 20 years ago but have been touched up by Messrs. Cecil Mayne, Fred Crapnell and Charles Clarke, and are now a worthy peal of six with a 14 cwt. tenor. Mr. Archie Fitch reports the re-clappering of the tenor at All Saints, Sudbury, may soon be put in hand.

Grundisburgh. We go from strength to strength. Last year at this time the fund stood at £192, while today it touches £720, and the order is provisionally placed with Messrs. John Taylor who have promised to commence the work shortly after the issue of the faculty and licences. Last year I appealed to you for donations to this worthy project, and I have been the happy recipient of many generous gifts. Many promises of donations have been made by Suffolk ringers which have not yet materialised and I shall be grateful to those good people if they will keep their word. The whole of the money required for the bells will in a short time from now be raised and I know there are many in the County who desire to have more than a passing interest in them. They will want to ring upon the newly

re-hung bells and they will want to feel they have contributed to the restoration.

Please hurry with your subscriptions. Make up your minds at this very moment to send me your gifts for Grundisburgh Tower and Bells Fund before it is too late. Your names will be recorded in the "Friends of the Bells" book which will go down in the ages for future generations to see.

An amplifying set has been installed in the belfry at St. Mary Stoke, Ipswich, which plays records of famous peals of bells.

I have heard the effect of this latest intrusion in our art which from a distance is quite pleasing, but in the vicinity of the tower, one hears the scratching of the needle on the record and the dreadful distortions likely to emanate if not properly tuned in. When asked by the very pleasant Rector, my opinion of this modern innovation I replied "It is a departure from the truth." I hear a similar apparatus may find its way into the tower at St. John's, Felixstowe. With the nice little ring of six bells at St. Mary Quay, Ipswich, waiting for a new home, I would indeed feel sad and wonder why the Diocesan Authorities could not arrange for their transfer to Felixstowe, if they are allowed to hang idle and Felixstowe Church has a musical box in its belfry instead.

I mention this as a warning. The Red Light for Clergy and ringers shows in the tower at Stoke, Ipswich. This undesirable practice, if allowed to continue on the grounds of cheapness will surge into our churches like a mighty flood and will ironically enough, ring the changes on our present bells, sounding their death knell and that of our art.

Summing up, what does this report amount to!

The necessity for a greater effort by everyone of us, if ringing is to keep its head up.

Priority No. 1, is the finding and teaching of beginners to become regular attendants and good strikers. Many may be called, but few chosen, for only a small percentage come to stay. Every ringer should endeavour to ring for Sunday service and regular practice when progress in method and striking should be the keynote.

If every ringer would make up his or her mind to call a 720, quarter peal, or peal, or to ring a couple of peals each year, we should soon be on the Royal Road.

(The ringing and calling of peals cultivate concentration and eliminates the careless habit of continual trips and errors).

The backing up of your district secretary and local captain, by becoming one of those who always turn up.

Ringing Brethren, Make up your minds to do that little bit extra in 1948 and help to put Suffolk back into the premier position it once occupied.

CECIL W. PIPE,
*General Secretary and Treasurer.*

---

## SUDBURY-CLARE DISTRICT REPORT.

We are not pulling our weight in our District. First, let's do all we can to get new recruits, and secondly, try hard to keep them.

More support is needed at District meetings, and we must keep closer contact with our Vicars. All the Sunday ringing that is possible, and let's have at least an occasional peal from some of you. We are in a good position now to put West Suffolk back on the ringing map.

ARCHIE A. FITCH.

---

## IPSWICH DISTRICT.

A plan for the coming months was agreed upon at the Henley meeting on November 25th, to take the form of a campaign of meetings to be held in the outlying towers of the district. A start will be made on this in the early Spring. Members of the Ipswich District please rally round and support these meetings, and so make this district a live one. The Country towers are Bramford, Coddenham, Harkstead, Henley, Holbrook, Rushmere, Stratford St. Mary, Stutton and Tuddenham. I will make it my duty to visit these towers as soon as weather permits, in order to get to know all the ringers and to arrange the meetings. If all concerned will co-operate, much will be achieved in 1948. Meanwhile, a few meetings will be arranged in Ipswich in the early months of the year, at which it is hoped all who can do so

will attend. I should be very happy to hear from any ringers in the towers, telling me when they ring, and I will do all I can to encourage the interests of the art, and to bring the district to a condition of life and activity.

EDWARD G. ELLENGER,
*District Secretary.*

---

## BURY ST. EDMUNDS DISTRICT.

This District has enjoyed a very successful year and although no records have been broken in the way of peal ringing some good touches of various methods have been heard the length and breadth of the District during the course of the year. This is indicative of interest generally in the art.

There are 32 Ringing Members in the District and three new Life Members have been made during the year.

Five Meetings have been held during 1947, these being at Ixworth, Hopton, West Stow, Horringer and Fornham St. Martin, plus one joint Meeting with Eye District which was held at Walsham-le-Willows.

These have all been well supported and some very good ringing enjoyed, also old friends have met again and been able to talk over the days that have gone by.

The Guild generally, and Horringer Company in particular have lost a stalwart and fine exponent of the art through the departure of Mr. J. A. Ford of Great Saxham, who sailed for Australia with his wife and family on the 18th October, 1947, where he is starting a new life.

We shall all watch the Ringing World and doubtless as time drifts on and Mr. Ford becomes settled we shall see his name associated with ringing in this part of our Empire.

I feel the efforts of Mr. Harry King, of Ixworth, in striving to train single-handed, a band of young ringers at that Church are worthy of the highest commendation and it is very noteworthy that he is attaining steady but sure success. Practice nights there are on TUESDAYS at 7.30 p.m., and I feel sure he would appreciate any help in his efforts from seasoned ringers.

A. GILLINGS.

# TREASURER'S REPORT FOR 1947.

Subscriptions have been paid earlier in the year than hitherto, and nearly all District Secretaries have remitted to me their cash and Accounts before December 31st.

For these items I sincerely thank all members. One important point. There are many members bearing the same surname and to avoid confusion when crediting subscriptions I would be glad if the members and District Secretaries will give the full names and up-to-date address.

Once again I ask conductors to make sure that all peal ringers are bona-fide members of the Guild. This rule must be strictly adhered to.

A Guild Restoration Fund has been formed for the purpose of rendering financial help from time to time to deserving Parishes who are restoring their bells and who require outside aid. Help of all kinds and gifts to this fund will be gratefully received and requests for financial grants will be dealt with by the Committee.

A marked increase of ringing members is shown for the year; there being no less than 37 additions and 86 new members have been elected.

The working balance in the Bank has increased by £22 19s. 6d., thanks to the good work put in by our District Secretaries and augmented by advertisements.

The careful and economic handling of Guild funds will render our Balance even higher and this I trust may be drawn upon and transferred to the Guild Restoration Fund. In this way every member can play a small part by obtaining all classes of subscribers to the Guild, thereby rendering financial help to restorations all over the County.

CECIL W. PIPE.

# Obituary.

We offer our sincere sympathies to the relatives of the following members of The Guild who have died since the last report.

The Rt. Hon. The EARL OF STRADBROKE. Patron.

The Rev. HERBERT DRAKE, M.A., Rector of Ufford. Founder of the Suffolk Guild and General Secretary for many years. Representative on the Central Council up to the date of his death.

Mr. FREDERICK C. LAMBERT of HALESWORTH. An old and respected ringer and historian of wide repute and District Secretary for Halesworth. His death is a great loss to The Suffolk Guild.

Mr. THOMAS SPARROW of STOWMARKET. A regular service ringer for many years. Sadly missed.

Mr. SIDNEY J. HOWELL of SUDBURY. (1946).

Mr. RUPERT RICHARDSON of SURFLEET, LINCOLNSHIRE. Life Member.

R.I.P.

# GENERAL SECRETARY'S REPORT.

As the last notes of the bells ringing out the old year, fade out, a secretary's mind automatically turns to his report on the year that has gone, and the treasurer to his accounts that must be submitted: two very important items which may or may not present a difficult undertaking to reach a successful conclusion.

If all subscriptions are paid at the beginning of the year, and the Districts' accounts are rendered in time to remit the cash to the bank before December 31st, then both Secretary's Report and Treasurer's Accounts may be drawn up with little effort, work, or worry.

Alas, at this first week in January many members' subscriptions and a few district secretaries' accounts are outstanding, consequently a hold up of the work I wish to attack, which means delay in issuing the Reports.

However, I am glad to report another successful year, showing increase in all phases of our art and work and I am sure every active member has received in full measure the enjoyment and benefit that emanates from our ringing and our association with the Guild.

We have enjoyed a large number of meetings all over the County, more members have joined our ranks and more church bells are rung on Sundays. More peals have been rung, and quarter peals on eight bells and 720's on six bells are on the increase.

WE ARE BEGINNING TO WAKE UP! Our aim? To provide every church in the County which has ringable bells, with a band of ringers to ring every Sunday. An enormous task but not an impossible one.

A plan to produce an even greater recruitment into our ranks is being drawn up by the Committee and will be made known in due course. In this connection we not only require the co-operation of the Diocesan authorities but that of every single member if the scheme is to be successful. Briefly, the plan is to interest the public in our art to a greater extent by invitations to our meetings etc., with the

ultimate aim of finding and training recruits on a greater scale than heretofore.

During the past year I have travelled extensively to all parts of the county for the purpose of attending meetings and these have for the greater part been well supported. And here I trust I may be forgiven if I criticise the striking, which, generally, is not good and can and should be much improved upon especially at the leads.

One ringer only, who does not open and close his leads can upset the beat and the good striking that may be set by the others. On all numbers of bells, when leading, the sally must be allowed to rise at the hand stroke and not snatched away. This opens the lead nicely and the rope may then be smartly brought down from backstroke in order to close the lead. To lead properly, the ringer should endeavour to see the bell or bells that are led over as a good lead is the forerunner of a good row and if one row can be well struck then all subsequent rows should follow suit.

A bad habit of not getting the arms high at both hand and back stroke is creeping in resulting in poor bell control, and apart from the bad striking which follows, the reputation of the ringer suffers when he or she allows the arms to rise no higher than the face.

Our Annual Meeting on Easter Monday was well attended and all visitors to Ipswich had the opportunity of ringing on six, eight, ten and twelve bells. The Church of St. Lawrence was fairly full with ringers who listened with interest to the splendid address given by Archdeacon Browne. Over seventy sat down to lunch and a greater number were present at the meeting.

We amalgamated with Norfolk on the occasion of a meeting at Lowestoft, which was much enjoyed, and at a general meeting at Grundisburgh, gramophone records were made of the bells ringing Grandsire and Stedman Triples and Bristol Major.

At Mildenhall the great tower was packed, and at the last general meeting held at Eye it was difficult to give

everyone the ringing they required so great was the support.

High methods were rung at all general meetings and some good striking heard, yet the beginners were usually to the fore and some good instruction was given everywhere.

Halesworth too, received some help and I am glad to report that wherever I went I saw and heard signs of life and interest and was told of many churches whose bells ring Sunday by Sunday, and of bands here and there struggling for existence and improvement.

The Ringing Master, Mr. George Symonds and myself represented the Guild at the Central Council Meeting held in London during Whitsun and while we had no resolutions from you, Mr Symonds notified the Council he held John Carter's broadsheet on Stedman and was willing to present it to the Council archives. He was duly thanked by the President and members and his offer was graciously accepted.

We rang on the noble twelve at St. Paul's Cathedral (Tenor 62 cwt.) including Cambridge Maximus.

Thirty-six meetings were held during the year in almost as many towers and our district secretaries have worked well and deserve your thanks.

If you wish then to continue this unpaid work and to keep the bells in your district going, please pay your subscriptions promptly, attend all district meetings and be ever ready to teach that beginner.

Seventy-three peals were rung, an increase of 19 on 1947. Thirteen of these were rung at Framsden and Mrs Pipe tops the list with 37. Mr. Ernest Pye heads the conductors' list with 13.

The increase in the number of peals has made it necessary for me to cut out other matter as the cost of printing this report exceeds the income from members' subscriptions. I am loth to raise subscriptions and I am not in favour of peal levies as the pealringers are the general force of the Guild and contribute greatly to training recruits and setting examples of good striking at meetings. But if a report is to be issued annually then income must increase in order to

meet the necessary expenses, and I am in favour of a voluntary offering at all Guild meetings.

If an afternoon and evening ringing and the social enjoyment that goes with it is worth a small piece of silver given voluntarily in the belfry to the secretary, there will be no need to increase subscriptions or put a tax on peals. I ask for a "BELFRY OFFERING" at all meetings during 1949 and I look for your generous support.

RESTORATIONS. The six bells at Wingfield Church have been rehung with all new fittings by Messrs. Gillett and Johnson, who are to be congratulated on a very fine job. The tenor at All Saints', Sudbury has been reclappered by Mears and Stainbank, who also have in hand the new peal of six for Blythburgh, and, I believe, the rehanging of the famous bells at Lavenham.

There were four bells at Bredfield of which three were cracked, and these have been taken to the foundry of Gillett and Johnson. The beautiful old Brayser bell has been retained, the three cracked bells recast and two new trebles added. We look forward with interest to the Croydon product, when the Woodbridge district will be the richer by a new ring of six.

GRUNDISBURGH. A decision to make this light eight into a peal of ten was agreed on last Autumn, and by the time this report is in your hands the work of replacing the bells should be under way. Many ringers remember the swaying tower and falsely struck, poorly toned bells, and great expectations of a handy little ring of ten occupies our minds.

Finance would not run to the recasting of the eight bells, but Messrs. John Taylor, in whose care the work has been placed, have tuned the bells, added two new trebles and new fittings in plain bearings hung in a new iron and steel frame.

It is possible that the cracked 4th and 7th bells of the grand ring at Woodbridge may be recast by the end of the year, and the incumbents of several other churches whose bells are in a delapidated condition have asked for inspections.

The death of Mr. William P. Garrett of Ipswich, which occurred in the belfry of St. Mary-le-Tower last August,

was a severe shock to all his intimate friends, and leaves a gap in our ranks which can never be filled. Known all over the country as a ringer of first rate qualities, Bill Garrett was a gentleman of the highest character and everyone who knew him loved him.

Mr. Robert H. Brundle too, has been called to higher service, and although his death at the age of 97 was not so much of a surprise, we mourn his passing. Bob Brundle will be remembered as one of the ringers in the peal of 16,608 Oxford Treble Bob Major at Debenham, and his last peal, one of Cambridge Maximus, was rung at the age of 87.

The death of Mr. T. William Last of Helmingham, deprives the Guild of one of its foremost ringers and conductors and there is no sign that his place will be filled. Bill Last, like Messrs. Garrett and Brundle, was one of those genial gentlemen who had gained popularity not so much by his performances but by his personality and we shall miss him greatly.

At the time of writing I hear of the death of Mr. Rupert J. Goate of Beccles after a long illness. Mr. Goate will be remembered more by the old school but retained his membership of the Guild up to the date of his death.

To the relatives of our deceased members we offer our sincere sympathy and say "May they rest in peace."

It is regrettable that two famous bands have lost three famous ringers and have produced no one to fill their places, and of course similar occurrences have happened elsewhere. Can we not DO something to prevent this unhappy state of affairs?

How? By being ever vigilant to obtain new blood. It may be thought that when a band has enough ringers to ring all the bells they need not look for, or bother about recruits and all is well and will stay well. Alas, life on earth is not eternal and sooner or later comes the time when removal, illness or death takes its toll and many a band breaks up through the loss of two or three members. Surely it is far easier for a full band to interest and train a few

more young people in order to double their strength so that membership and ringing is maintained.

In concluding I wish to thank ALL MEMBERS for the part they have played during the year. To our Clerical Secretary, Rev. W. H. Trickett who is leaving us for Canada, I say on your behalf "Thank you Mr. Trickett for all you have done for the Guild, and Bon Voyage. We hope we may see you again"; to Mr. A. Gillings of Horringer who has given me his resignation before his departure to Oxford I extend my congratulations on his promotion. Mr. Gillings has shown himself to be one of the finest district secretaries a Guild could have and he has done much good work, not only in the Bury district, but others. He has acted on my behalf on several occasions when distance prevented me from attending meetings and I shall miss him greatly. Thank you for your splendid work, Mr. Gillings.

Mr. Archie Fitch has also intimated his intention of resigning district secretaryship of Sudbury. Here again the Guild looks like losing a splendid and enthusiastic all-round man who has worked hard to build up his district to its present-day successful strength. I have written Mr. Fitch asking him to reconsider his decision and I sincerely hope and trust he will do so and carry on. To him goes all the credit for raising the money in getting All Saints' tenor re-clappered.

Other district secretaries have worked hard and contributed their share and on behalf of all members I thank them. We are definitely on the up-grade and in a noticeable position in comparison with other Guilds and Associations. We will go yet higher and we will work for the noble cause of Church bellringing as never before. We will leave our Art and our Guild in a better and sounder position than it was when we entered it and be proud of our work and achievement.

CECIL W. PIPE.

# ANNUAL MEETING AT IPSWICH

## EASTER MONDAY, APRIL 18th, 1949

Bells of St. Mary-le-Tower, St. Margaret's, St. Clement's, St. Matthew's, St. Mary Quay and St. Lawrence available all day. Meet at St. Mary-le-Tower 9.30 a.m. Committee Meeting 11 a.m. in Vestry. Service at 12 o'clock at St. Lawrence. **Everyone please attend.**

**LUNCH AT**

## NIGHTINGALE'S RESTAURANT

UPPER BROOK STREET, at 12.45 p.m., 4/- per head, including room-charge and tips. Followed by Business Meeting.

All requiring Lunch MUST notify Mr. C. W. Pipe, Grundisburgh, by April 9th.

# DISTRICT REPORTS

## BURY ST. EDMUNDS DISTRICT.

Once again I am able to report the District has enjoyed a very successful year of work and much good ringing has been heard throughout its area.

There are 34 ringing members in the District and of this number seven are new members and we welcome them to the Guild and wish them every success in their efforts.

Against this influx it is perhaps right that I should comment on the loss Mr. H. King of Ixworth and his band of learners have sustained, in the loss of the Rev. and Mrs. Meek who have gone to live at Somerset. This gentleman was indeed an ardent supporter of our art and his wife was a practical ringer whose great influence did much to hold the band of learners at Ixworth together.

We wish them both good luck in their new District and can only add "Ixworth's loss is Somerset's gain."

Seven District Meetings have been held during the year, these being at Ixworth, Whepstead, Bury St. Edmunds, Fornham-St.-Martin, Rougham, West Stow and Horringer.

These Meetings have been well supported and some good ringing has been heard and enjoyed.

In conclusion, I regret to say my added duties necessitate my giving up the office of District Secretary and whilst I thank all who have contributed to the success of my work, I appeal to all of you for your loyal support to my successor.

A. GILLINGS,
*(District Secretary).*

## FRESSINGFIELD DISTRICT.

Looking back on the past year a few of us old ringers have been busy teaching some of the young ones, which has proved to be very successful.

Before Wingfield Bells were rehung we went over to Fressingfield once a week for practice, which helped the

young learners considerably. We now have a good Company of 6 in Wingfield itself and are getting on in the Plain and Oxford methods. We also have six more young ones learning to handle the bells and are getting on, but I doubt if they will stick to it. Practice night is Wednesday, and sometimes we ring Saturday evenings and have done up to the present for every Sunday service.

G. FILBY.

## HALESWORTH DISTRICT.

Through the kind co-operation of the Halesworth Band, Saturday night practice there has become almost a District affair, and ringers are welcomed from towers in the district. Proficiency has advanced and we can frequently get a course of Kent Treble-Bob. It is, as always, difficult to fit in suitable practice for the more advanced ringers and for beginners in change ringing, but an attempt has been made to cater for both grades.

A band of boys have been taught to pull a bell at Wissett and it is hoped that they will continue their enthusiastic practices and become a band of ringers this year.

Wenhaston are pushing on under the capable guidance of Mr. Gibson.

Southwold have ringing twice on Sundays but no practice. It is hoped that at least a monthly ringing night may be arranged.

R. S. PAYNE.

## IPSWICH DISTRICT.

An outstanding and promising feature of the year's work has been the support given by the members in their attendance at the Meetings of the District. In March a Meeting was held in Ipswich, when the bells of St. Mary Quay, St. Clements, and St. Lawrence were rung, and twenty-six ringers enjoyed a good tea. In April, the bells of Tuddenham and Rushmere were rung on the occasion of a Meeting,

and tea was provided at Tuddenham. In June a Meeting at Stratford St. Mary was well attended and thirty-two sat down to tea. Afterwards a party went to East Bergholt to see the unique five rung by the local ringers. Coddenham was visited in July and the 8 bells were made good use of. In September, the three towers of Holbrook, Stutton and Harkstead had their meeting, and tea was at the Mill House, twenty-two friends being present round the table. The eight bells of Henley were rung in October, when our good friend Rev. Knapp made us welcome in his Vicarage for tea. Bramford and Sproughton were visited in November and twenty-three members had tea at the Angel. Each tower in the District had a Meeting during the year, and all of these extended a welcome to those attending. The District is showing signs of life, and it is hoped the time will come when all the bells will be rung Sunday by Sunday. I would like all members of the Ipswich District to accept my sincere thanks for support given, as shewn by these satisfactory Meetings; and also my thanks for, and appreciation of, assistance and good-fellowship maintained throughout the year.

EDWARD G. ELLENGER.

## SAXMUNDHAM DISTRICT.

We have had a brighter year in the Saxmundham district, and have had a practice meeting nearly every month. New recruits have been found and three have joined from Blaxhall. Two are being taught at Aldeburgh and three at Benhall. Practice night at Leiston is Tuesday 7.30; Aldeburgh is Tuesday 7 p.m.; Benhall is Tuesday 7 p.m.; Blaxhall is Monday 7 p.m.; Saxmundham is Saturday 6 p.m.

W. SMITH.

## HADLEIGH DISTRICT.

Several meetings have been held during the year and have been well attended. Steady progress is maintained at Hadleigh and some local ringers have rung their first peals. Several beginners are being taught and Sunday service ringing takes place regularly every week. Practice Friday evenings, visitors welcome.

J. T. CORDER.

## EYE DISTRICT.

I am very pleased to say that the members of this district have been working together during the year, and through this effort, we are able to have many more names appearing in this report. We have had a few peals together, and there has been much more Sunday service ringing and practices.

We thank Mr. Clement J. More of Palgrave, who is doing very good work at Thrandeston in training a young band. Practice nights there are on Fridays at 7.30 p.m. I feel sure that he would appreciate the help of any experienced ringers, who would like to help the band along.

There is still room for us all to do a bit more in 1949, by trying to bring back some of those ringers who are still in the district, but who have drifted away from ringing since the war years. We must hunt all these out, and also find a few more recruits to train in our art, and so put this district back to its original position in ringing activities.

W. A. LOCK.

## STOWMARKET DISTRICT.

Although a great number of peals have not been rung in the district during the past year, practice has been well attended, and various methods have been rung.

Ringing for the Sunday services has been regular at Stowmarket and Cotton and great credit is due to these companies.

Some of the outlying churches have been visited and good ringing has taken place, with one or two old ringers of the villages taking part.

We are hoping to visit more of these churches during the coming year.

Let us all try and add a few more peals to the credit of the Stowmarket district during 1949.

B. CHILVERS.

## WOODBRIDGE DISTRICT.

Most gratifying is the band which has formed at Hasketon chiefly of old ringers who left the Guild after the

departure of Mr. George Ablitt. Their Sunday morning and Wednesday evening ringing is a joy to hear, and we hope to see more peals under the conductorship of Mr. Bill Sawyer and Tom Ward.

Woodbridge bells ring for service every Sunday evening and their ringers practice with those of Ufford on alternate Tuesdays.

Wickham Market ringers are loyal to their church and that at Marlesford, and we hope the bells at Pettistree may sound once again.

Burgh and Clopton bells are rung occasionally by the Grundisburgh band and at the latter tower Sunday service ringing will take place as usual and practice on Thursday evenings every week of the year. We hope a band will form at Bredfield and keep the new six regularly rung.

# GENERAL SECRETARY'S REPORT.

It gives me great pleasure to report a marked improvement in all spheres of the Guild's work during the year 1949.

The reports from the district secretaries indicate that more church bells are rung for services on Sundays. Our membership of practical ringers and recruits have increased and meetings on the whole have improved through larger attendances. Very little difficulty has been experienced in obtaining subscriptions and nearly all members had paid well before the end of the year. A glance at the balance sheet will show the Guild's finances to be healthy.

Before commenting on the events of the year that has passed, my thanks are due most warmly to all those who by their hard and faithful work have contributed so much to a successful year. Much of the credit must go to the District Secretaries for their able leadership and organisation. Their meetings provide much pleasure, social and practical, and all ringers should show their gratitude to these unpaid men for the good work they are putting in on behalf of the Guild, the Church and themselves. To encourage our District Secretaries and to show our thanks I ask all ringers to attend meetings and pay subscriptions PROMPTLY. I can add no greater tribute to the District Secretaries than to say without their help the Guild would scarcely exist and I thank them all most sincerely.

The Annual Meeting was, as usual, held at Ipswich and was well attended by our own ringers and many visitors. The bells were made good use of and at the service at St. Mary-le-Tower our new Clerical Secretary, Rev. C. P. Newell gave an inspiring address to a large congregation.

During the year 30 meetings have been held and 107 peals were rung. Messrs. George A. Fleming, William J. Button and George Pipe qualify for having their names appear in "The Ringing World" as having rung 40 peals and over. I may add that these three ringers are regular Sunday service and weekly practice attenders. Mrs. Pipe heads the list of conductors and would probably have

doubled her total had she not been incapacitated by a sprained arm.

I cannot complete this report without once again refering to striking. This all important phase in our art, far more important than the ability to ring intricate methods or to pile up the peal totals. Good striking is only attained by the perfect rhythm of all the ringers and the ability to keep that same pace usually set by the Tenorman.

If the tenorman is inclined to quicken or slacken his pace good strikers automatically sense the change and no-one suspects the difference. As a rule bad striking is the result of bad handling and a bad handler should be quickly noted by the rest of the band who will be wise to ring to the pace of the offender. I again stress the importance of ringing rounds until a good beat is reached before calling the bells into changes. The greatest contribution to good striking is bold open and closed leads. Alas, not all our ringers *can* "Open and Close" the lead, and the striking suffers badly. Many ringers have no idea *how* to open and close and I ask our more fortunate brethren to teach them.

All three representatives of the Central Council attended the meeting held at York and ringing was enjoyed at the Minster (tenor 60 cwt.), Ripon, Selby and Wakefield. We had no resolutions from you but perhaps this year a resolution may go forward with a view to improving the treatment of bells meted out by the B.B.C. for services, Christmas morning and New Year's Eve.

The first restoration dedicated in the year was at Bredfield where Messrs. Gillett & Johnston are to be congratulated on the fine peal of six bells.

Followed a week when the dedication took place at Grundisburgh. The work by Messrs. John Taylor on the lightest peal of ten bells in any church in the world proved amazing, and all ringers were delighted with the brilliance of this little peal. The new peal of six at Blythburgh will, I understand, be dedicated about Easter of this year. A brand new product from Messrs. Mears & Stainbank's Whitechapel foundry, they should prove a great acquisition

in this lonely part of Suffolk and I anticipate a great gathering of ringers at the dedication.

The six bells at Brandeston are to be overhauled and we await the recasting of two bells at Woodbridge. Two treble bells are to be added to the ring of six at Cotton and your generous financial help is needed.

Many of our once famous peals are showing signs of wear and age and there is much work for the bellfounders in the county. Funds for all these rings of bells should be started *now* and not left until the bells are totally unringable. Much money can be raised in the meantime, resulting in ultimate restoration, where probably a fine ring would be abandoned due to the large cost involved.

In glancing through the peals a few items stand out worthy of mention. The peal at Rickinghall conducted by James Bailey. The one at Hasketon conducted by William Sawyer. The peal at Tuddenham in honour of the diamond wedding of Mr. Charles Parker (age 84). The Stedman Triples at Ufford and peals of Holt's Original conducted by Mr. Frank Fisher. Two peals at Southwold. Peals on the new bells at Bredfield and Grundisburgh and the Little Bob at Bungay and Fressingfield conducted by Mr. E. Whiting. The handbell peals conducted by Mr. George Wightman, aged 83. And finally, the wonderful performances in the peal tour by the Yorkshire and Cheshire ringers.

Deeply regretted is the loss through death of the Rev. W. H. Trickett, William J. Groom, John Hall, Robert J. Steed and Rev. P. M. Hinde.

Rev. Trickett had served on the Guild as Clerical Secretary and we are indebted to him for his good work. Mr. William J. Groom of Debenham was well known as a good ringer and a splendid striker and conductor. His death causes a great gap in the ranks of the Guild. Mr. R. J. Steed was a member in the Stowmarket district and will be remembered as a Sunday service ringer and a safe man in peals. He had done good service to mankind and his loss will be severely felt. Mr. John Hall of Framlingham was

one of the old school in that district when there was more activity, due to the presence of ringers who have since moved away.

To the relatives of our deceased brethren we offer our deep sympathy in their loss.

Illness and old age also takes its toll and among those whose health is impaired is Mr. David Elliott, William Dye (90) and Charles Parker (84). We wish them a speedy recovery to better health. Three veterans who deserve special mention are Messrs Fred Tillett and George Symonds of Ipswich and Mr. George Thompson of Hasketon. I visited Fred a few days after Christmas and found him remarkably well at over 80 years of age. His thoughts are always of ringers and ringing and his advice is always worth listening to. Perhaps he will favour us with his presence at the next Annual Meeting, and so let the younger generation see the man who rang Debenham tenor for 10½ hours when in his early twenties. Mr. George E. Symonds at well over 70 is wonderful to say the least, and is still going strong. Well known and remembered throughout all England his contribution to the art of ringing will live through the ages. Mr. George Thompson at 85 still rings at Hasketon for services and is a grand man.

The health of our Ringing Master has again suffered while that of Mr. W. J. G. Brown leaves much to be desired. Ringing in the County is not improved by the incapacity of these two first class men and we hope and pray that good health may soon restore them to our active ranks.

Two new bands have been established at Bredfield and Easton. Under the guidance of the Rev. Cotton and Mr. Goss we hope the Bredfield beginners will persevere with patience and practice and ring their bells each Sunday. Experienced help is needed and nearby ringers can render a great service to this struggling band. Mr. Sidney Wightman has taught several ringers at Easton. Their striking is good and their Rector also a ringer, fires their courage. We welcome both bands into the Guild.

To all ringers, "A Happy and Prosperous New Year" is

my warm wish for 1950. All you who ring have a talent, to which I would like to see you add another talent. More and more ringers, is still the demand of the Church, and we must continue our work of training the recruits. With goodwill and zeal we will achieve our goal. The future of change ringing is dependant upon what *we* do *now.*

The Suffolk Guild is firmly established on the road to success and the co-operation of the Clergy and Ringers so vitally essential and now so largely recognised is the one and only sure foundation of a successful and glorious future. For remember, United we stand, divided we fall.

UPPER BROOK STREET, at 12.45 p.m., 4/- per head, including room charge and tips. Followed by Business Meeting.

All requiring Lunch MUST notify Mr. C. W. Pipe, Grundisburgh, by April 5th.

# DISTRICT REPORTS.

## STOWMARKET DISTRICT.

This District has had a good year of practice and peal ringing, good work being done by Mr. O. G. Barnard and Mr. H. Lester on practice nights at Stowmarket. Their help has been appreciated.

We were pleased to hear the Mendlesham bells on several occasions during the past year.

With the help of the Mendlesham ringers we are able to practice every Friday evening at Cotton. We are to get sufficient money to augment our existing peal to 8 in the near future.

The Stowmarket Company has suffered a great and sad loss in the passing of Mr. J. Steed, a good ringer and of a cheerful disposition, always willing to help the beginner. Dearly loved by his colleagues, his passing has left a gap in the district ranks.

B. CHILVERS.

## IPSWICH DISTRICT.

The first Annual District Meeting of the Ipswich District was held in January. Thirty ringers attended the Tea and Meeting, presided over by the Guild's Clerical Secretary, the Rev. Cameron Newell, who is working well for the Guild in his new office.

Meetings were also held during the year at Tuddenham, Stratford St. Mary, Henley, Holbrook, Harkstead, Stutton and Caddenham. Our good friend the Rev. J. C. Knapp, Vicar of Henley, has retired and an informal Ringing Meeting was held at Henley in September as a farewell to Mr. Knapp. We can ill afford to lose these members of our clergy, who have shewn interest in the Guild and who have entered into the spirit of our work. The Meeting expressed a wish that Mr. and Mrs. Knapp would enjoy happiness in their retirement.

In the district, generally, there is still a great need for effort and enthusiasm, especially in attendance at meetings,

which cannot be successful without support of the members. On the social side these meetings can have the greatest value in bringing members together, in creating good fellowship and in giving scope for all members to have a voice in the running of the Guild. It all depends on us. That means you and I. Let us not forget the duty of our high calling. There are many privileges attending it.

EDWARD G. ELLENGER.

## FRESSINGFIELD DISTRICT.

I wish to thank all ringing members for their excellent attendance during the past year.

Ringing for Sunday services at Wingfield has been regularly attended and not one has been missed.

Some of the outlying towers have been visited and good ringing took place. We are hoping to visit more of these towers during the coming year.

The younger ringers are getting on and are able to ring the Plain and Oxford methods. Great credit is due to the old ringers who give their time and patience instructing them in the art of change ringing. Also to members who come from outlying districts and are ever ready to lend a helping hand. Practice nights, Wednesday 7 p.m., Saturday 7 p.m., Sunday Service regular. All visitors are welcome.

G. J. FILBY.

## SUDBURY-CLARE DISTRICT.

If we had scored a few peals our district would have been second to none. However, we are getting along well and it is pleasing to report that we are very much alive in this corner of the county.

Those who were at the final meeting of the year had a most enjoyable time. It is always a pleasure to go to Stoke and to visit our worthy stalwart, Mr. Sam Twitchett at Clare, who is such a pillar of strength with his band of regular service ringers.

At Sudbury we are back in good form and strength and it is encouraging to see what Leslie Mills is doing at Bures.

I am sorry a few subs. did not come to hand and much regret I could not rope in the youthful and progressive band at Long Melford. We are pleased to hear Cavendish are getting together again.

Thanks to all for your support. Let us resolve to go one better in 1950.

ARCHIE G. FITCH.

## HALESWORTH DISTRICT.

The Halesworth District may claim to have had a successful year. Great impetus has been given to ringing in the district by the return of Mr. J. W. C. Blythe from the Forces. His enthusiasm and ability have added to any advancement that was being made.

Four quarter-peals have been rung, the ringers and conductors being all district members. Four peals have been rung in which one or more ringers were district members.

A Quarterly Meeting has been revived and two successful meetings have been held, one at Wissett in September and one at Halesworth in December. Visiting ringers from other districts have attended and been very welcome and the number of local ringers present has been encouraging; but I should like to see more of our own members present.

Halesworth Saturday practices are well maintained. Wisset band are getting on well. A Tuesday night practice at Southwold is becoming established, though a little irregular at present. Wenhaston has suffered a little through the long absence of Mr. J. Gibson, but now he is back in the village it is hoped that ringing will be revived with enthusiasm. Mr. Ainger of the Halesworth band has put in a lot of time and patience with a band of beginners at Huntingfield and it is hoped they will maintain Sunday Service ringing.

R. S. PAYNE.

# GENERAL SECRETARY'S REPORT.

The brightest stars in the firmament of Suffolk ringing during the year 1950 are the names of 38 young people who were elected as new ringing members, and it is quite probable that a like amount of young folk have been attracted to our art whose names I hope may feature in the next Report.

A useful number of Honorary members have joined the Guild, which shows there is greater interest among the public than we have hitherto imagined.

To all these newcomers we offer a warm and sincere welcome and we hope they have come to stay.

Furthermore, many fully trained ringers who allowed their membership to lapse have returned to the ranks where they may enjoy ringing with their colleagues during a well-organised meeting or peal.

On the other hand many well-known names are absent in this year's report which is surprising and to be greatly regretted. There is little excuse for the non-payment of subscriptions, for in nearly all districts meetings have been held and the opportunity to offer the modest half-crown to the district secretary has been available.

The Guild does not function like a Trade Union. There is no closed shop. Every ringer is welcome to a pull with his comrades at any meeting whether he has paid his subscription or not, and questions are never asked as to whether he is, or is not, a member. A glance at the membership register shows up the erratic member, the "flash in the pan" type who pays one year's subscription and misses three. The type who rings a peal occasionally and knows he has to pay or the peal is not recorded, and until he rings a further peal he enjoys ringing at Guild meetings and reading the Report someone else has paid for.

Thank God for those staunch and loyal members who, year after year, come what may, render to the Secretary without fuss the annual subscription. They too, are seen in the register and they are not all peal ringers. I have a special message for these pillars of strength to the Guild who form the real backbone of our movement. I say "THANK YOU" and I am sure the District Secretaries agree with me and also thank you. So much for a little straight talking!

Thirty-three meetings were held during the year and nearly all these events have been well attended with a goodly percentage of young folk. To the distress and disappointment of District Secretaries whose voluntary work deserves all-round backing, many local ringers at some of these meetings have been conspicuous by their absence. The standard of the ringing however suffered little, but it is to be wondered whether the absentees are interested only in Surprise peal ringing.

The Annual Meeting was held as usual at Ipswich on Easter Monday and proved a great success. The service at St. Lawrence was splendidly attended, the body of the church being full and the hymns were sung with real feeling. Mr. Edward Ellenger read the

Lesson from the parable of the ten talents in such a clear manner that everyone present must have felt how closely connected were the words of Our Lord and our work in the Guild. In his sermon, nay, oration, our Clerical Secretary, Rev. C. P. Newell, held us in profound interest in pointing out our important duty to Church and State. He related it had been said "The hand that rocks the cradle rules the world," but, said Mr. Newell, it was equally true "The hand that holds the bell-rope TELLS the world." Food for thought indeed, and we would all do well to "think on these things."

I attended the Central Council Meeting held at Eastbourne and voted on your behalf on all matters that came up for discussion. All the business was given full publicity in "The Ringing World". The majority of the time was spent on C.C. rule amendments, and I hope the forthcoming meeting at Chester may be occupied with matters more closely affecting the rank and file and with which only the C.C. can deal.

I refer, as I did last year, to broadcast ringing. To my mind and I am sure to yours, the ringing which was broadcast on Christmas morning was little short of a disgrace. Nothing else that comes from Broadcasting House would have been allowed to proceed as did the Christmas ringing and it is evident that the B.B.C. are really ignorant of what constitutes good, bad or indifferent bells or striking. From an exhibition such as we received I hope your minds are thoroughly made up that the time has arrived when action should be taken with the B.B.C. that we and our art should cease to be so grossly misrepresented. In this connection I ask that you all attend the forthcoming Annual Meeting, when the matter may be discussed with a view to the Guild C.C. delegate making a resolution that the C.C. set up a committee to approach the B.B.C. and advise on future ringing broadcasts.

It may be quite safely said that the B.B.C. was not altogether to blame for what was put over the air. Partly at fault were the local companies, who were not fit to handle the job themselves and did not invite reliable strikers. Here is a lesson by which we may all profit when the occasion arrives for Suffolk bells to be broadcast. While a local band whose striking is generally not first class suffices for local ringing, let us hope they will give way to outside help by inviting the highest class strikers obtainable rather than adopt the attitude of dog in the manger as did quite probably happen in the Christmas ringing.

Two important restorations took place during the year. The new peal of six bells at Blythburgh, hung in a new iron and steel frame by Mears and Stainbank of Whitechapel, London, were dedicated by our Bishop in September, when nearly 100 ringers attended. Mellow and quiet, with a tenor 10½ cwt. in G, these bells will prove a great asset in the Halesworth district, and Mr. John W. C. Blythe, who is struggling with a company of beginners deserves much local and general help.

Brandeston bells had been silent for about 40 years and were removed by Messrs. John Taylor, of Loughborough, who recast both second and fifth bells and returned them to the tower in complete

new fittings and frame. The peal of six with tenor 7½ cwts. in G sharp, are really very wonderful for their weight.

In both these restorations the bellfounders have made first class jobs and are to be congratulated.

This year we look forward to seeing two trebles added at Cotton where Mr. Bert Chilvers has worked hard to raise the money to complete the octave.

At Bures Mr. Leslie Mills has made himself responsible for raising funds to add two trebles to the heavy peal of six, tenor 21 cwts.

It is also proposed to restore the six bells at Monewden by recasting and retuning and hanging all the bells in new fittings and frame, the driving force being Mr. S. Arbon.

Cash gifts are urgently required for all three projects, and ringers who expect to ring on these bells at a later date should hand in or send their donations to the above gentlemen NOW. The restorations are, I understand, to be carried out by Messrs Gillett and Johnston of Croydon.

Much more restoration requires to be undertaken in the County where on the whole our bells have fallen low in rank compared with other counties. The majority of our heavyweights, once famous for tone and "go", have seen their best days and recasting and rehanging now so sadly essential, is the only answer.

Is it fair to the public who have to endure the sound of bells out of tune, and of poor quality, and to the future of our art, when young folk are expected to learn on rough going bells, that apathy should be so predominant among ringers and certain incumbents. There never was a time when bells of such pureness of tone were cast as those which the bellfounders turn out today, and nearly all newly hung bells are a real joy to manipulate. This is indeed the Golden Age of Bellfounding and Bellhanging.

LET US DO OUR JOB. Away with the mantle of apathy so prevalent these days and let us all set about putting our houses (bells) in order. Let every ringer who resides in a parish where hangs a peal of neglected bells see to it that those worn stairs and rotten ladders and floors, constituting a real danger to the unwary and the risk of fire due to rubbish which has accumulated for years, be brought to the notice of the incumbent and churchwardens, and duly appear on the agenda at the next Parochial Church Council Meeting. A simple report on the actual state of the bells and frame is only a step further in the right direction and much good can evolve from a little interest and action taken in that unringable peal of bells which form one of the 40 cases of neglect and danger in the County.

Forty-nine peals were rung during 1950 compared with 107 during 1949, which was a peak year partly due to the 17 peals rung by the Cheshire tourists and those in honour of the birth of Princess Ann. Nevertheless, a serious decline and I have wondered if the reason for this decrease is connected with the poor condition of some of our once famous peals, or the attitude of a few local companies who refuse to allow a peal attempt unless local ringers are included ! ! !

Worthy of mention is the attempt to beat the record length of Double Norwich at Debenham and all the ringers deserve the highest marks for their striking.

The loss by death among our ranks is light, but the name of Charles W. Parker of Tuddenham, which has featured in Reports since the inception of the Norwich and Ipswich Association, is published among our subscribing members for the last time. Taught to ring at Grundisburgh by the late Mr. Tom Saddler of Witnesham, Mr. Parker rang many peals in the district. He was instrumental in raising the money required to add two trebles at Grundisburgh in 1897 and had been a ringer and REGULAR member of the Suffolk Guild up to the time of his death in November last, at the age of 85 years. Mr. Parker's last wish was for handbells to be rung over his grave and this was reverently carried out by his fellow ringers.

Mr. W. Head of Little Waldingfield has also been called to higher service, having reached an advanced age. Well known by the older school, he had been a ringer all his life and had hoped to see the restoration of his local bells before he died.

To the relatives of our deceased friends we offer our deep sympathy.

The District Secretaries deserve our warm thanks for their loyal work on behalf of the Guild. They are in office for the purpose of collecting the annual subscriptions, and arranging meetings in order to improve the standard of ringing, and to encourage a bond of friendship among all students of the art. They have worked well and deserve support in the manner you all know best how to give.

Greatly encouraging to me, and, I am sure to all who have not missed the opportunity of hearing him, have been the remarks of our President, Dr. Richard Brook (Bishop of the Diocese), on those occasions of dedications. More than once the Bishop has pronounced his extreme fondness for the music of church bells and it is indeed a comfort to know we have in the Head of the Church a real friend and staunch supporter of our work.

Canon Graham too, has shown his interest and hospitality in no uncertain manner, and our Clerical Secretary, Rev. Newell, well known for his fondness for bells and ringers, has rendered faithful service.

Throughout the County I find in incumbents and laymen, friends and supporters of our art, awaiting the invitation to work or serve in the manner best suited to them, and it is these people we should approach with a view to them becoming honorary members. A closer understanding between clergy and ringers was never more necessary than it is today and apart from the enjoyment experienced when relations are happy between East and West, the possibilities of repair and restoration are far more enhanced.

But the "give and take" principle remains essential if we are to enjoy the sympathy, help and understanding from the Church dignitaries. Visits from the head of the East End to the West End deserve visits from the West to the East.

We must Play the Game.

C. W. PIPE.

# ANNUAL MEETING

**AT IPSWICH**

## EASTER MONDAY, MARCH 26th, 1951

Bells of St. Mary-le-Tower, St. Margaret's, St. Clement's, St. Matthew's and St. Lawrence available all day. Meet at St. Mary-le-Tower 9.30 a.m. Committee Meeting 11 a.m. in Vestry. Service at 12 noon at St. Lawrence.

**Everyone please attend.**

**LUNCH AT**

## NIGHTINGALE'S RESTAURANT

UPPER BROOK STREET, at 12.45 p.m., 4/- per head, including room charge and tips. Followed by Business Meeting.

All requiring Lunch MUST notify Mr. C. W. Pipe, Grundisburgh, by March 22nd.

# DISTRICT REPORTS.

## BECCLES.

We had a successful joint meeting at Beccles in November and are still struggling to keep up a Wednesday evening practice and Sunday morning service ringing.

Our new Rector was inducted in December and our ringing drew satisfactory comments from the Bishop, Rector, and Churchwardens.

EDWIN R. GOATE.

## BURY ST. EDMUNDS.

Two meetings were held during the year. At Ixworth Mr. King is teaching a young band and at West Stow Mr. Ballam is doing similar good work.

W. STANNARD.

## EYE.

I have been able to keep up a weekly practice at Walsham le Willows with ringers from the surrounding villages and we ring regularly once each Sunday. We have also rung for Sunday services at nearby Churches.

Three beginners have qualified for membership through practice at Walsham and two young ringers from Ixworth have rung two quarter peals. A new band has commenced practicing at Eye and another at Oakley, where a new treble has been installed to make a peal of six bells.

A. E. COOK.

## HALESWORTH.

The Halesworth district has had quite an active and successful year. The outstanding event has been the dedication of the new ring of six bells at Blythburgh, and great credit is due to Mr. John Blythe for his efforts in teaching almost a dozen people to handle a bell.

A new feature of the district was the outing which made an enjoyable Saturday afternoon, and some good ringing was done in the six bell towers.

Our four quarterly meetings were held at Yoxford, Southwold, Wenhaston, and Halesworth.

Several successful quarter peals have been rung and two peals were recorded, which are largely district efforts.

R. S. PAYNE.

## IPSWICH.

The Annual District Meeting was held in February at Ipswich and further meetings were held at Ipswich, Grundisburgh, Holbrook, Rushmere, Henley, Tuddenham, and Stratford. These meetings on the whole were well attended and should yield a fruitful result on the social side.

A very healthy and hopeful sign is the number of young people

now learning in the towers, and I would very strongly recommend the older hands to give them every encouragement.

EDWARD G. ELLENGER.

## LAVENHAM.

Sunday service ringing takes place regularly and practice on Thursday evenings. At Preston the bells are rung regularly on Sunday mornings and practice on Friday evenings.

STEDMAN H. SYMONDS.

## MILDENHALL.

Six meetings were held during the year at Elveden, Newmarket, Lakenheath, Freckenham, Elvedon and Brandon, and a combined meeting at Methwold. Sunday service ringing takes place at all the churches in the district with ringable bells and weekly practices are held.

DORA M. REEVE.

## SAXMUNDHAM.

Meetings were held at Peasenhall, Yoxford, Aldeburgh, Benhall, Saxmundham, and Kelsale. The standard of ringing is good and at the six bell towers as many as eight surprise methods were rung. The members of the district express their gratitude to Mr. William Smith who retired from the secretaryship on May 20th. He has served the Guild loyally for eighteen years and is still a staunch ringing member.

P. S. BEDFORD.

## STOWMARKET.

I deeply regret to report the death of Mr. W. M. Forster of Mendlesham, on July 15th, for many years a ringer at that village and district.

B. CHILVERS.

## SUDBURY.

Thanks again to all who helped to make our meetings successful, particularly you of Clare and district.

Congratulations to the first pealers at Clare, not forgetting our prodigy Rosemary Seabrook. Oh for a few more of her kind.

I cherish a hope for better days at Sudbury where I have several lads keen and doing well. One man who requires special mention is Mr. Harry Clarke of Haverhill, who has done so much to foster our art.

Some of our leading ringers have failed to pay their subscriptions. Would that some of them could be a little more staunch to the Suffolk Guild as a whole.

ARCHIE A. FITCH.

# "Don't be a Mole"

The Mole stays underground and knows nothing of what goes on in the outside world.

Do YOU know what is going on in the great world of bell-ringing that lies outside your own little sphere?

If you don't, you are missing more than half the pleasure and interest which membership of the bellringing fraternity can give you.

Keep in touch with all that is happening in the Exercise by becoming a regular reader

of

# "THE RINGING WORLD"

which caters for all interests and devotes an article each week to beginners.

It can be obtained, price 4d weekly, from any newsagent, or direct from:

"The Ringing World" Office,

# THE SUFFOLK GUILD OF RINGERS

## FOR THE DIOCESE OF

# ST. EDMUNDSBURY AND IPSWICH

---

## OBJECTS:

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, instructors when and where required.

4.—**Reform.** To promote a proper appreciation of the ringing chamber as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment thereof, as well as the preservation of the bells in an efficient condition; to advocate needful repairs and renovations and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

## CONSTITUTION

1.—The Officers of the Guild shall consist of: The Bishop as President, Patrons, Vice-Presidents, Ringing Master, Secretary, Clerical Secretary, Treasurer, and Auditor.

2.—The Guild shall consist of (a) Ringing Members, (b) Honorary Members, (c) Life Members.

(a) Ringing Members may be elected at any meeting where there are five other Members present, or, provisionally by two other Members, before starting for a peal. Ringing Members may be elected as soon as they have rung 120 changes on a tower bell or on two handbells retained in hand. The subscription of Ringing Members shall be 2s 6d per year.

(b) Honorary Members may be elected on a life payment of £2 2s 0d, or 2s 6d per year.

(c) Life Members, residing out of the Diocese, to make a single payment of 5s.

3.—The Committee shall consist of the Ringing Master, Secretary and Treasurer, and seven elected members, to be subject to election at each Annual Meeting, who may co-opt three other members. Four to form a quorum.

4.—The area covered by the Guild shall be divided into districts each of which shall have its own Ringing Master and Secretary. The Secretary will

(a) Arrange Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon as possible after January 1st and send them to the District Secretary.

(d) Forward these subscriptions to the General Secretary together with his Receipt Book and details of any expenditure, at the end of the year for audit.

5.—The Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

## RULES

1.—Subscriptions shall be due on January 1st. New Members elected after 31st October will not be required to pay a second subscription for the following year.

2.—Any Member whose subscription is unpaid on December 31st shall lose his membership. No peal shall be recorded unless the subscriptions of all taking part in it are paid. Lapsed Members may be reinstated on payment of 2s. in addition to the annual subscription.

3.—Probationers under the age of 16 may be elected on payment of half the annual subscription.

4.—The Committee may allow a Tower to compound on payment of 2s. 6d. per bell yearly; this to include all the ringers whose names shall be sent to the Secretary at the time of payment of the annual subscription. The number of reports issued will equal the number of bells.

5.—Should a ringing Member, having paid five consecutive years' subscription, remove from the Diocese, he may without payment, become a Non-Resident Member for such time as he continues to reside outside the Diocese.

6.—All ringing at Meetings of the Guild shall be under the direction of a Ringing Master and shall be such as is approved by the Central Council. The decisions of the Central Council shall be recognised in recording any ringing performances.

7.—The Committee may remove a Member from the Guild for a serious offence against the Objects and Rules. Subject to appeal at a General Meeting.

8.—The Objects, Constitution and Rules can only be altered by a General Meeting after three months' notice given at a General Meeting.

# OFFICERS OF THE GUILD. 1951

**President:**
The Right Rev. the Lord Bishop of St. Edmundsbury & Ipswich
Dr. Richard Brook.

**Patrons:**
The Rt. Hon. The Earl of Cranbrook.
The Rt. Hon. Lord Cranworth, K.G., M.C. George Sandeman, Esq.

**Vice-Presidents:**
The Very Rev. Provost J. L. White, M.A. The Venerable T. R. Browne, B.D. The Rev. Canon T. Batterby, M.A. The Rev. Canon F. Tucker-Harvey, B.A., A.K.C. Mr. Charles E. Fisher.

**Ringing Master:**
Mr. C. J. Sedgley, 61 Belvedere Road, Ipswich.

**General Secretary and Treasurer:**
Mr. C. W. Pipe, Grundisburgh.

**Hon. Auditor:**
Mr. J. W. H. Preastner, Wickham Market.

**Committee:**
Mrs. Sylvia R. E. Pipe, Mr. O. G. Barnard, Mr. G. E. Ellenger, Mr. Chas. Shemming, Mr. Leslie Mills, Mr. F. L. Fisher, Mr. E. W. Pye, Mr. Derek Woodward.

**District Secretaries:**

| 16 | Woodbridge ... | Mr. C. W. Pipe, Grundisburgh. |

**Clerical Secretary:**
Rev. C. P. Newell, St. Peter's Vicarage, Ipswich.

**Representatives on the Central Council:**
Mr. C. J. Sedgley. Mr. C. W. Pipe. Mr. G. E. Symonds.

## OBSERVATIONS BY THE RINGING MASTER

The chief item of interest in our Peal Records for the past year, is that for the first time in its history the peals of Minor rung for the Guild exceed those of Major, the totals being Minor 42 and Major 26. This opens up several interesting lines of thought, but I shall confine myself to two. The first is that the generation of ringers that built and maintained the prestige of the Guild for so many years is passing away. Some have joined the great majority, and I need only mention Charles Bailey of Leiston, William Rumsey of Debenham, and T. William Last and George Whiting of Helmingham in this respect; others, by reason of infirmity and other matters are, we trust, temporarily laid aside.

The other inference I draw is that we have a growing band of young Minor Ringers who have put up some good performances this year, especially in seven method peals, and in whose hands lie the future prestige of the Guild. But—and here I sound a note of warning—in ringing, as in most other things, we cannot remain static: either we progress or we recede, we either go forward to fame or we slip back to nonentity. That choice is theirs, but they will attain nothing by ringing peal after peal of Minor in one, two or three Methods, than which nothing could be more paralysingly monotonous.

Congratulations to young Rod. Pipe on calling his own composition of Kent T. B. Royal from a working bell—a quite remarkable feat for one of his age.

A final word of congratulation to Frank L. Fisher who, in its bi-centennial year, conducted—not for the first time—Holt's Original on handbells, a conductor's job and one which at all times is an achievement.

CHARLES J. SEDGLEY.

## GENERAL SECRETARY'S REPORT

Every person who takes more than a frivolous interest in our Guild will wish to know whether we are making progress or whether the Guild is on the decline, and it is not until the figures of the past year are shown that the yardstick of judgment can be brought into being.

Progress, it may be held, depends upon many factors. There are some ringers who will judge progress by the quantity and quality of peals. Others will judge by the number of meetings and the introduction of new and young members, and finally, there are those who base their opinion upon the increase or decrease of membership and/or the financial situation.

The latter usually interests the majority of members, and it is with great satisfaction I can report a healthy increase in membership and finance.

It must be admitted however, that our standard has deteriorated, and it is a matter for regret that peals of Surprise Royal and Maximus, Grandsire and Stedman Caters and Cinques, and London and Bristol Major do not feature in last year's peal columns. Were it not for the Surprise Major peals under the conductorship of Mr. Leslie Brett, our 1951 performances would look very humble indeed.

This steady contribution of the better class ringing is a challenge to many of our intelligent young men to emulate the example set by the Framsden ringers.

In other years the need has been stressed for finding recruits; for more service ringing by everyone; the prompt and regular payment of the small subscription, and I thank those members of the Guild for the improvement in this connection, but if our standard does not improve, and that very quickly, there will be a sharp decline in interest and our good work will vanish rapidly. The chief fault is the failure to observe the open and closed lead and the offenders in this respect cannot claim to be good strikers.

Some years ago I used the phrase "United we stand, divided we fall", and today we may see how we have fallen from the point of view of standard.

Good work has again been put in by the District Secretaries, who have arranged meetings all over the county in order to achieve better feeling, better striking, and more members. I again emphasize the fact that they are unpaid; their work is voluntary and is undertaken for the pleasure of members and to further the cause of our art and that of the church. Please give them all the support you are able.

Mr. George Filby offers his resignation after holding for many years the office of District Secretary. Half way through the year Mr. Edward Ellenger decided to become a minister of the Free Church and his resignation was received with great regret. Before this came into effect, we were stunned by the sad news of the sudden passing of Mrs. Ellenger. Thus, Ipswich looses two staunch supporters of the Guild. The District Meeting which followed close on these events was a mixture of regret, sympathy, and condolences, and the thanks and appreciation due to Mr. Ellenger could not be adequately expressed.

Mr. Max Page has taken up the work and responsibility of the Ipswich District and has already made a name for himself for his keenness. Please support him.

Deeply regretted also is the decision of Mr. Archie Fitch to resign office as District Secretary of Sudbury, which he has held since 1945. Here is another man who has given good service on behalf of the Guild, and our grateful thanks are due to these three gentlemen for all they have done on our behalf.

Death continues to take its toll and the news of the sudden passing of the Rev. George Porter, of Easton, came as a shock to those who knew him. Fond of church bells and fonder still of ringers, and loved by all, we have indeed lost a good friend.

Mr. Charles F. Bailey, of Leiston, has passed from our midst, and thus we loose the greatest ringer that Suffolk has probably ever produced.

Mr. Charles Crapnell, of Ipswich, has also been called to higher service, and Mr. William Dye, of Grundisburgh, had reached the age of 90 years before his death took place early in the year.

To the relatives of our deceased friends we offer our sincere sympathy.

Thirty-six meetings were held during the year and all members had the opportunity of improving their standard of method and

striking. The Annual General Meeting at Ipswich on Easter Monday was well attended and the service at St. Lawrence, which was conducted by our Clerical Secretary, was appreciated by all who attended. The very nice address by Canon F. Tucker-Harvey, the reading by Mr. Oliver G. Barnard, and the singing—led by the choir of boys and girls, ladies and men—were greatly enjoyed. The proceeds of the offering were placed in the Guild Bell Restoration Fund.

At the business meeting, applications for grants to bell restorations were received from Blythburgh, Bures, Cotton and Tunstall, and it was agreed that five guineas be allocated to each case. A discussion arose on ways and means of keeping the Restoration Fund solvent, and it was decided to ask for voluntary donations, the names of subscribers to appear in the Annual Report.

Four very useful restorations took place during the year. At Bures, through the hard work of Mr. Leslie Mills, two trebles were added to the fine old existing six bells. Later, at Cotton, two trebles were added to complete the octave; for this we have to thank Mr. Bert Chilvers, who was put to a great deal of work and much expense. The six bells at Copdock have been rehung on ball bearings. At Tunstall a complete restoration has taken place, and the little peal of six bells are now a credit to both the parish and the bellhangers. Work has been commenced at Pakefield (Taylor), Stradbroke (Gillett), and at Lavenham (Mears).

It can be truly said that nearly all our heavy peals, including those of our two leading churches, are now in a poor condition, and these should be reported to the church authorities without delay in order that funds may be opened before the bells become totally unringable, and the costs of restoration double to what they may be today. Clumsy and heavy-going bells, with poor tonal quality, will neither attract young recruits, nor inspire the listening public; neither are they worthy of the fine churches in which they hang. However, it is heartening to know that a dozen orders, chiefly from the minor churches, have been placed with all three bellfounders, and we may confidently look forward to the day when the majority of our bells are in a respectable condition and on a par with the "go" and tone of bells in many other counties.

The present three bellfounders are capable of turning out the finest bells the world has ever known and it is astounding what can be done with the tuning of old bells. Whenever old bells are dismantled for rehanging, etc., it is well worth while having them sent to the bellfoundry for retuning and quarter turning.

In conclusion, I appeal for greater interest all round. A friendlier spirit among all ringers: for co-operation between ringers, towers, churches and Guild. Please find and train more recruits; improve your striking; call that first 720 or peal; learn that new method; ring for more services; hand your subscription promptly to the District Secretary; give generously to the Bell Fund; attend your meetings and thereby encourage your Secretary, and finally, if you think the Officers of the Guild are not doing their job, replace them by people who can do the work much better.

CECIL W. PIPE.

# DISTRICT REPORTS

## HALESWORTH

Halesworth District has had a year of varying degrees of activity. The four quarterly meetings have been held at Bramfield, Southwold, Wissett and Blythburgh. The outing this year, kindly arranged by Mr. John W. Blythe, was on Whit Monday and was quite an enjoyable tour in Norfolk and Suffolk.

Ringing at Halesworth has unfortunately suffered because ringers from nearby villages who used to ring there, are now ringing in their home towers. It is hoped that some new recruits will be taught, to keep up the Service ringing.

The Southwold bells have been overhauled by Messrs. Mears and Stainbank, and the difficult 5th bell now runs easily. Southwold has been more fortunate in finding two young lady recruits who have in their first year made good strides in change ringing.

R. S. PAYNE.

## IPSWICH

There has been a lack of support by the more experienced ringers at the meetings held this year at Ipswich, Henley, Coddenham, Stratford St. Mary, Langham, Holbrook, Harkstead, Bramford and Sproughton, Hadleigh and Hintlesham.

We have suffered a great loss in the death of Mrs. Ellenger, always a willing helper of the Guild. To Mr. Ellenger, who is leaving the District, we extend our best wishes for success in his new calling.

The bells of Copdock have been rehung and bands of learners are being taught there, and also at Henley. Please give them your loyal and whole-hearted support. Thanks are due to the Essex ringers for supporting our meetings, and to the few staunch instructors of our District. I would like to thank our young ringers for their support in the past and hope that they will continue to come to the meetings, thereby not only improving their own standards of ringing but of the Guild as a whole.

MAX P. PAGE.

## SAXMUNDHAM

Quarterly meetings were held at Blaxhall, Leiston, Benhall, with Sweffling and Aldeburgh. The attendance at these meetings was not high, though thanks are due to our friends from Framlingham for their regular attendance.

It is with regret that we have to report the death of Charles F. Bailey, that master of Metal and Method, whose outstanding record of the last fifty years is known to many.

P. S. BEDFORD.

# DONORS TO THE GUILD RESTORATION FUND

Blythe, John W. C.; Button, William J.; Duesbury, Roy; Fisher, Charles E.; Fisher, Frank L.; Fleming, George A.; Goldsmith, H.; Preastner, Joe W. H.; Wildney, Urban W.

# GENERAL SECRETARY'S REPORT

During the year 31 meetings were held in nearly all the districts covered by the Guild and these, with the exception of a General Meeting at Bury St. Edmunds were, on the whole, poorly attended.

By the morning of the Annual Meeting on Easter Monday at Ipswich, I had names of eleven people who required lunch, and when it is realised that a restaurant opened and engaged its staff especially to provide lunch for an expected and moderate number of fifty, I make no overstatement when I say I viewed the situation with some alarm. By twelve o'clock, the time of the service at St. Lawrence, only three persons were in the church, but the bells of St. Mary-le-Tower and St. Margaret's were still ringing. Happily, some thirty people put in a belated appearance and were able to take part in worship conducted by our Clerical Secretary, Rev. C. P. Newell, and assisted by the Ven. C. O. George, who gave an immensely interesting address. The collection, which was devoted to the Guild Restoration Fund, amounted to twenty-one shillings!!

Finally, thirty-five people sat down to a delightful lunch at the Continental Restaurant, which was the only place in Ipswich willing to provide a meal and place for a meeting for less than 8/6 per head (which was the lowest amount quoted by other establishments).

Most of the District Secretaries have not found it easy to collect subscriptions as only a very few members offer the modest half-crown at the beginning of the year, while the majority do not bother to subscribe until requested or written. It is said that one ringer refuses to pay until December 31st on the grounds that he may die and therefore not have the benefit of the full year's membership.

By December 31st, subscriptions for 125 people had not been paid including 20 who had rung in peals during the year. This necessitated the writing of 40 letters and cards by the General and District Secretaries. It may, therefore, not be difficult to trace the reason why so many District Secretaries are resigning office.

Subscriptions are due on January 1st each year and no conductor should attempt a peal without first ascertaining that all the ringers have paid. Failing payment, the peal will not be recorded unless made good by the conductor.

I have appealed for donations to our Restoration Fund and during the year the sum of £2/3/6 was received from four members.

Is the foregoing a cause for gloom!! An opportunity for the unfriendly to forecast that the Guild is on its last legs!!

Not at all.

Certainly a cause for disappointment on the part of all the Secretaries, but nothing can be demanded and if members prefer to visit other places on the day of the Annual General Meeting they have a perfect right to do so.

It has been said that the bells where our meetings have been held are so poor that travelling long distances to ring on them is

not justified, and as the bells are the chief attraction at meetings there may be some truth in this statement.

There need be no cause for gloom and despondency over this sorry picture of human failure, so applicable to these modern days, for I believe our members stand up to their duty Sunday by Sunday in their local belfries all over the County.

Sixty-seven new members joined the Guild during the year, but up to the time of writing 92 members have still not paid their subscriptions. This has led to the expenditure in the General Account being higher than the Income, while the same has taken place in the Restoration Fund, due to a poor response to the appeal for donations. Due, however, to some District Secretaries working for nothing and strict economy being observed by the General Secretary, the finances of the Guild remain extremely healthy.

Lectures and lantern slides on bells and bell-ringing have been given by Mr. O. G. Barnard and myself, and handbells rung and played to the public—especially during the Christmas season—have been popular and well received.

The aged, sick and infirm have not been forgotten, and mention must be made of Mr. Fred Tillett, Mr. W. J. G. Brown (who has given handsomely to the Restoration Fund), Mrs. W. P. Garrett, Messrs. George Wightman, James G. Rumsey, Percy Parker, Charles Clark (Sudbury) and John Crooks, who are still in poor health. We have lost by death Mr. Shelford Sparrow and George Thompson.

The brightest spots of the year were four important restorations. Pakefield, though not in the Diocese, is a Suffolk village: the five bells which have been augmented to eight and hung in a new frame and fittings by John Taylor of Loughborough, are now a first-class peal. Lavenham bells have been re-clappered and rehung and the Southwold bells overhauled, by Mears of London.

The eight bells at Stradbroke have been rehung and with two new treble bells (most generously given by Mr. David Vincent and his sister) has given Suffolk another fine peal of ten. The tenor at Buxhall has been recast, a new treble added, and all rehung in a new frame and fittings, and form a splendid peal. (Both by Gillett and Johnston of Croydon).

Some restoration work has also taken place on the five bells at Heveningham.

Our congratulations are certainly not only due to the bell founders for the fine work they have executed, but also to the local ringers for putting before their church authorities the need for this work to be undertaken. To Mr. Stedman Symonds and his band at Lavenham, Canon K. E. Shaw, Rev. C. N. Kendall, and Edwin Cracknell, we owe a great debt of gratitude for the courage and hard work they have put into these projects and for seeing them through to a successful end.

This good news is by no means all we have to be proud of. In the foundry are the five bells from Hartest, the eight from Leiston, and next on the list should be the fine peal of ten at Stonham Aspal, where Messrs. W. J. Button and R. G. Parker are putting up a struggle to raise enough money to recast the eighth

bell and rehang the whole peal. Work will also take place on the bells at Tannington, Cratfield, Woodbridge, and probably the eight at Newmarket. Splendid news, all of which should make the hearts of Suffolk ringers glow.

BUT—what about our once really fine and important peals? Rough going, out of tune, and odd struck are our bells at St. Mary-le-Tower and St. Margaret's, Ipswich; the Cathedral and St. Mary's, Bury St. Edmunds; the eights at Hadleigh, St. Peter's, Sudbury, Stowmarket, Eye, Helmingham, Framsden, Framlingham, Bungay, Fressingfield, Coddenham and Boxford! A sorry picture indeed, and one that can only be put right by the local ringers reporting to their church authorities the condition of their bells.

Gratitude is due to our Bishop of the Diocese, Dr. Richard Brook, who really takes a great interest in bells and ringing, as does also the Bishop of Dunwich, who sums up the lack of recruits being due not to lack of ringers or modern times but to lack of leaders. Likewise, gratitude is due to Mr. Joe Corder, Mr. Max Page and Mr. Peter Bedford, who have carried on the work of District Secretaries but who have resigned for various reasons. Let us hope the Secretaries who follow these good men may prove real **Leaders.**

The Coronation of our young and wonderful Queen will be upon us before many will have realised its importance and opportunities. I would like to urge every ringer in the Guild to give the matter serious consideration. It is possible for the bells of every church in the County that has a ringing peal to sound merrily on that joyous day, and all ringers should make arrangements forthwith to ring on as many towers as possible, especially where there is no local band. There are many who will want to mark the occasion with a peal which is to be commended, but I trust those ringers will not consider such a performance to be all that is required of them. At no time in this era will the sound of bells be more gladly received by the public than on June 2nd and much good will come from our united efforts. It is still not too late to recommend the restoration of a bad going peal to commemorate this great occasion.

How much real delight and pleasure do we derive from our ringing? One source is from the ringers' paper "The Ringing World" and those people who do not take it are missing a great treat of ringing history, education, instruction, and up-to-date news and comments. It is impossible to be a first-class ringer without taking this valuable weekly paper. My own personal experience can be summed up in a few words: "The more you put into it the more you will get out of it".

---

## RINGING MASTER'S REPORT

During the year 89 peals have been rung for the Guild, an increase of 9 on last year. Two new performances are recorded, a peal of Minor in nine methods at Holbrook, and one of Doubles in seven methods at Tuddenham.

An analysis of the records shows that Cambridge Surprise

retains its popularity amongst the Major methods, closely followed by Kent Treble Bob and Plain Bob, whilst Yorkshire Surprise seems to be gaining favour at the expense of that old East Anglian favourite, Superlative. The peals of Minor show a greater variety of methods than in the past, there being 13 peals in seven methods.

Perhaps the most pleasing feature of the performances is the first peals in various methods by young, and not-so-young members; in this connection, congratulations are offered to some very young members: Rosemary Seabrook, on ringing a peal of Cambridge Surprise Major at Clare (where opportunities for its practice are not great); Pat Clarke, on calling a peal in the same method; Rod Pipe, on ringing his first of Cambridge Surprise Major and Royal; and to Stuart Hume and Donald Mills, who rang in the peal at Bures—a meritorious one, and the reward of a lot of hard work by the conductor, Leslie Mills. At the other end of the scale we have that grand young man of 77, Geo. E. Symonds, enjoying himself by ringing in two peals on December 27th.

Towards the end of the year the Helmingham band had the unfortunate experience of ringing two peals of Spliced Cambridge, Superlative and Yorkshire Surprise which, although advice had been taken, turned out to be false. This seems to indicate that conductors should be very careful before attempting anyhing unusual, and I shall always be glad to help members with any problem they may have.

CHAS. J. SEDGLEY.

# DISTRICT REPORTS

## MILDENHALL

During 1952 Mildenhall District has held five meetings—the Annual at Mildenhall followed by Freckenham, Lakenheath, Elveden and Newmarket. One joint meeting with the Wisbech District was held at Northwold.

## HALESWORTH

It may be said that on the whole Sunday ringing in the Halesworth District has improved a little. The bells are generally heard at least once on a Sunday in Blythburgh, Bramfield, Halesworth, Huntingfield, Southwold, Wenhaston, Wissett and Yoxford.

The four quarterly meetings this year have been at Yoxford, Southwold, Wenhaston and Halesworth. One peal was rung at Blythburgh, a district effort with the help of one visiting ringer.

It was feared in the summer that Wenhaston tower or bells required some repair work to be done, but a complete examination by Messrs. Mears & Stainbank proved the fears to be groundless, and they were pronounced fit for many more years of ringing. Some work has been done on the five bells at Heveningham, but as yet there are no regular ringers there. It is hoped to have a Spring meeting in that district and include both the five-bell towers of Huntingfield and Heveningham.

R. S. PAYNE.

## SAXMUNDHAM

With the exception of the Kelsale Meeting, the quarterly meetings this year have not been very well attended, and had it not been for friends from other districts they would have been dull indeed.

The ring of eight at Leiston are being rehung and it is hoped that they will be open for ringing early in the New Year.

P. S. BEDFORD.

## STOWMARKET

By the dedication of Buxhall bells, one more restoration and augmentation has taken place in the Stowmarket district. It was very pleasing to see so many ringers present at the Dedication in spite of its being held on a dark winter evening.

The Guild is grateful to Mr. E. Cracknell and Mr. F. Borley for their untiring effort for the good cause.

It is with deep regret we have to report the passing of Mr. Shelford Sparrow, known to his many ringing colleagues as "Shelley". By his passing, the Stowmarket band has lost one of its stalwart members, a good ringer, and colleague. His company was always enjoyed, as were his humorous tales.

B. CHILVERS.

## SUDBURY

With Mr. S. Twitchett as Ringing Master and Mr. F. Bensley as liaison officer around Clare, my first year as Secretary has been very successful. We have had an average attendance of 28 at our five meetings, including Haverhill, when we experienced adverse travelling and weather conditions, thus affecting our average total. The hospitality of the "locals" left nothing to be desired.

Apart from our black spot—Long Melford—service ringing has been well maintained, and having travelled around we find we have every reason to be proud of our service ringing. At Bures we have rung for 112 services and received 23 messages of congratulation on our first ever local peal.

New members will be coming along from Assington, Bures, Clare and Sudbury.

Let us treat our act as a duty, not as somewhere to go in spare time—then the quality of our ringing will be the envy of the County. Remember — your unnecessary absence is robbing your comrades of enjoyment and you will be getting behind. Many thanks to all of you who support our efforts in trying to put our district **top.**

LESLIE D. MILLS.

# GENERAL SECRETARY'S REPORT

The outstanding event of the year was the Coronation of our beloved young Queen which gave ringers the greatest opportunity of their lives of bringing to the public the joyful sound of church bells.

From all parts of the County, from early morn until late evening our ringers did what was expected of them and the bells occupied their high and rightful place above the cheers and tumult of this never to be forgotten occasion.

Suffolk bells had been recast and rehung, others had been patched up to make them ringable and many towers where the bells had remained silent for years proudly took their place among their more important brethren and rocked with joy to herald the beginning of a new Elizabethan era.

Scores of young folk had for months beforehand diligently been practising in order to give of their best on the great day and, thanks to their instructors, the County and the Guild are the richer for a record number of recruits.

Eighteen General and District meetings were held during the year: the Annual Meeting as usual being at Ipswich on Easter Monday when there was a fair attendance at the service and business meeting both of which were conducted by our Clerical Secretary, Rev. C. P. Newell.

Three proposals were made at a General Meeting at Halesworth which were: (1) To change the Annual Meeting from Easter Monday to a Saturday; (2) To charge a levy of sixpence per person per peal and (3) To increase the annual subscription.

The difficulties of organising a really successful Annual Meeting at Ipswich on Easter Monday increase each year and I feel a change might be tried. The fixing of a levy on peals to help pay the expense of the Annual Report is fair and justified and will enable a more comprehensive report to be issued.

An increased subscription would not in my opinion proportionately increase our income.

The General Meeting at Bury St. Edmunds on 6th February will decide and I must point out that if the peal levy is adopted it must take effect immediately and conductors of all peals must collect and remit to the General Secretary or Peals Secretary within one month of the peal being rung.

Many ringers have failed once again to pay their annual subscriptions and consequently their names have been removed from the Annual Report. It is to be greatly regretted that a large percentage of these defaulters have rung peals and several performances may have to be deleted from our records due to this serious infringement of the rules. Subscriptions are due on 1st January each year and membership expires on 31st December of that year.

Our District Secretaries have worked well and loyally once again. They are chiefly the leaders of the Guild in a practical sense by their contribution to service ringing, practice and meeting arrangements and they ask little or nothing for the expenses they incur. These men

and in particular the young lady who runs District 12 are the backbone of the Guild. They deserve our loyal support.

The Ipswich and Saxmundham Districts still remain without local secretaries which, I must confess causes me some little surprise for there was a time when the highest example of ringing and membership was set by these two districts. To be unable to produce at least one man to lead and run each district would, several years ago, have been considered shameful and unthinkable. Let us hope this apathetic state of affairs may soon be remedied and there may come forth from each district a person who is willing to prove there are as good leaders in these districts as elsewhere.

The Lavenham District has been merged with Sudbury and our sincere thanks are due to Mr. Stedman H. Symonds for his long and faithful work as District Secretary.

A word of thanks on behalf of the Guild should go to Mr. L. D. Mills who has done yeoman work in the Sudbury District and there is every sign that he intends to carry on as he began. Many new members have come from this farthest corner of the County and two splendid ideals, first class handling and striking are kept up to a high standard. Their aim? More and more recruits and more service ringing.

Fifty-one new members joined the Guild during the year while eighty-two who were members in 1952 have lapsed due to non-payment. I trust these people will remember to pay the 2/- re-instatement fee, if and when they rejoin.

Death struck a cruel blow when Mr. Garnham A. Blaxcell was fatally injured in a road accident during September. One of the best known East Anglian ringers, Garnham had conducted a large percentage of the three hundred peals he had rung for the Guild in probably more towers in the County than any other ringer. He is sadly missed. Also taken from our ranks is Mr. Percy K. Parker of Tuddenham who had been a member since the formation of the Guild. Of a quiet disposition he was a popular man and should be remembered for his last duty when upon his death bed he sent out to collect the subscriptions of the Rector and fellow ringers which he paid to me personally before he died.

To the relatives of the above deceased brethren and any others, we in the Guild offer our sincere sympathy.

By the retirement of our President, The Lord Bishop of the Diocese, Dr. Richard Brook we lose a good friend. His Lordship was a great lover of church bells and many were the occasions when he stated from a pulpit his joy at hearing the sound of the bells as he approached a church. May we hope for the same support and interest from his successor.

Bell restoration contiues in the County; the once famous eight at Leiston having been rehung in ball bearings and the five bells at Hartest entirely refitted in a new frame. Both by John Taylor of Loughborough.

The fourth and seventh bells at Woodbridge have been recast by Gillett and Johnston of Croydon and we now await the return of the six bells at Tannington where a complete restoration has been effected.

At the time of writing there is little else to look forward to except the rehanging of the ten bells at Stonham Aspal. This, when sufficient funds are raised and the work completed, will be a major benefit to Suffolk ringers and many will require a peal at this well known tower. But, reader, have **you** given a donation towards this work? Messrs. W. J. Button and Russell Parker are almost entirely responsible for seeing this project to a successful finish. They receive little financial help from the Village or elsewhere and they rely practically on whist drives and socials to augment their fund. Your donation NOW will encourage them in their good but hard work. They will remember you when the work is finished. They will probably remember you if you give nothing!

Apart from a promise from Canon R. H. Babbington to have the bells of St. Mary-le-Tower inspected by bell founders no move appears to have been made to overhaul the bells mentioned in last year's Report due chiefly to lack of interest and not lack of money. There are now several young folk in their teens in the Guild who are capable of putting up a good show in a peal of Cambridge Maximus but due to the poor condition of the twelve bells at St. Mary-le-Tower it would be harmful to the health of these keen young ringers to allow the attempt. The delay in getting this one only of several peals in the County overhauled is retarding progress, stifling interest, helping to kill the art, and is, of course contrary to the ideals of the Guild. May we hope to have in the near future at the Cathedral, Bury St. Edmunds, and Ipswich, peals of bells that are as good as those in other Counties.

During the year I was invited to give talks on Bells and Campanology to members of the Rotary Clubs at Ipswich and Frinton. The Ipswich Inner Wheel and St. Mary-le-Tower Men's Forum. I endeavoured to make these talks as interesting and comprehensive as possible, mentioning the fact that bells, like other things, will not last for ever without repair and I felt convinced that my listeners would not fail to support any particular restoration fund if called upon to do so.

This, I trust, will be my last report as General Secretary as I feel it is not good for the Guild to be denied a change of ideas. The Guild has prospered by a record number of members and the financial assets are higher than ever before. A substantial sum can now be credited to our Bell Restoration Fund when larger grants can be made to applicants. This should be an incentive to those whose bells require attention. "First come, first served". CECIL W. PIPE.

---

## RINGING MASTER'S REPORT

The peals rung for the Guild during the past year numbered 110, which has only once before been exceeded—in 1938 which had 116. These peals were rung in 57 Towers, 42 names appearing as conductors and whilst there is nothing particulary outstanding to record,

excepting the Spliced Surprise in four methods, which was the first in these methods for the Guild, yet a good variety of methods have been rung. All the Standard methods appear, together with the Spliced Surprise, mentioned above, Spliced Treble Bob, Painswick S. Major, Yorkshire S. Royal and Major and Little Bob Major. Our Minor ringers were well to the fore with a record total of 51, including a 10,080 in five methods which is the longest length of Minor for the Guild.

Once again we must comment on the large number of members who have rung their first peal, or first peal in various methods, together with some very good conducting performances on the part of some of our younger members. Can we look to these as promising signs for the future? Do they denote a renewed interest in the Art and that influx of youth which is so greatly needed? We sincerely trust so. That we have some very promising young members both young men and maidens, is very evident as a perusal of our peal records will show, and they have put up some very good performances during the past year, which all goes to prove that the accent is on youth. The careers of these young people will be watched with interest, we hope they will progress and do all they can to advance the Art wherever they may be, bearing in mind those traditions of good striking and truth which are their heritage from those great ringers who have gone before. CHAS. J. SEDGLEY.

# DISTRICT REPORTS

## HALESWORTH

The Halesworth District has had the usual four meetings during the year—at Huntingfield and Heveningham, at Southwold, at Wissett and at Halesworth. This last was a General Meeting of the Suffolk Guild. There have been 5 peals and 11 quarter peals rung in the District in which a varied number of District members have taken part. R. S. PAYNE.

## SUDBURY—LAVENHAM DISTRICT

1953 has been an historical year in this District as the Lavenham District has joined us and we very much appreciate their support, the Guild owes Stedman a deep debt of gratitude for keeping the flag at full mast all these years.

Acton has now joined the Guild and we look forward to the pleasure of their company for many years to come.

Many years have passed since a band from here ventured into East Suffolk to score a first class peal which earned the congratulations of the Vicar, Rev. White. No longer is it necessary to import conductors into the district as we now have six with others showing great promise. We produced the youngest Coronation peal conductor who received congratulations from all over the Ringing World. All the ringable bells in the district were rung on that day. The Hartest dedication will live long in our memories.

Glemsford are again going and are receiving help from Clare and Cavendish and we hope to have them back in the Guild in 1954.

Just outside our boundary are two Towers, Nayland and Polstead who deserve all the help and encouragement we can give them when they are trying to teach themselves change ringing. Nayland practice is Wednesdays.

Let us make a united effort to achieve even greater success. God has bestowed this district with the talents needed for ringing, let us not waste them.

Anyone who can master Plain Bob can ring any method with paper study and practice; the Preston band has proved this and we offer them our congratulations. To all those who give their support and help in any way, my grateful thanks. LESLIE D. MILLS.

## DONORS TO THE GUILD BELL RESTORATION FUND

Wingfield Ringers; Mr. Ronald W. Steward; Annual Meeting Collection; Mr. Frank L. Fisher; H. Claude Rush, Esq.; Mr. Peter J. Came; Mr. H. Goldsmith; Collection, Bures Church per Mr. Leslie D. Mills.

## GENERAL SECRETARY'S REPORT

Once again I bring to your attention the good work put in by our District Secretaries which has contributed very largely to the success The Guild enjoyed during the year 1954.

In an area thinly populated with towers and ringers, Mr. Edwin Goate carries on the Beccles district in spite of the small amount of encouragement he receives. The peal of Bob Royal was a good performance. May it be the forerunner of further peals.

In the Bury St. Edmund's district Mr. William Stannard has remained loyal and would be glad to see his members more often.

Another District vacancy has been caused by the resignation of Mr. Leslie Brett in the Debenham area. Mr. Brett, one of our best known ringers and conductors has held office several years and could always be relied upon to remit his District subscriptions early in the year. On your behalf I thank Mr. Brett most sincerely for his good work to The Guild. Another scattered area is the Eye District where Mr. Arthur Cook has once again collected and remitted his members subscriptions. Again, I would like to see more ringers visit this part of the the County and encourage those who toil there.

In spite of incapacity Mr. Willoughby Maulden sticks to the ship in the uninteresting Framlingham District; a well known ringer, he has rendered good service to the Church and Guild and we hope Mr. Maulden may soon be restored to good health again.

A very wonderful man for his age is Mr. James Barber who carries on the secretaryship in the Fressingfield District. He tells me he is 79 years of age. His versatility and fitness is due, maybe, to the many miles he walks to collect subscriptions.

Halesworth is an up and coming District under the able leadership of Mr. Richard Payne together with the help of Mr. John Blythe. Recruits are being taught, 720's, quarter peals and peals are being rung every week, isolated towers visited and handbells are rung on various occasions including Christmas Eve. Most important of all, every available subscription is collected.

Well done Mr. Payne and Mr. Blythe.

The Ipswich District is still without a secretary. How we miss Mr. Edward Ellenger.

Mildenhall District has again done well under the leadership of Miss Edna Peckett who has followed that splendid lady secretary Miss Dora Reeve. Our grateful thanks are due to Miss Reeve for all her good work during several years office and, it looks as if Miss Peckett will co-operate as well with the members as did her predecessor. The members in this District are extremely loyal to The Guild, for in spite of the fact they ring fewer peals they pay their subscriptions with unfailing regularity and I am told they are faithful service ringers.

Mr. Bert Chilvers struggles on in the Stowmarket District and could do with a little more encouragement. It is regrettable that no subscriptions from the leading tower have been remitted. All the same, thank you Mr. Chilvers.

The Sudbury District must take first place due especially to the large increase of members the result of much hard work by Mr. Leslie Mills. In practically every tower recruits are being taught and the whole area is restoration minded.

Apart from several good peals rung in the Woodbridge District, nothing outstanding has taken place. Regular service ringing and practice every Thursday evening still goes on at Grundisburgh and visiting ringers are usually certain of a touch on six, eight or ten bells.

Service ringing also takes place at Bredfield, Wickham Market and Woodbridge.

I would like to thank all District Secretaries for their work, time, patience and expense and on their behalf I would ask for your support. Please pay your 1955 subscription right away.

Twenty three meetings were held during the year and at a General meeting on February 6th, it was unanimously agreed to impose a levy of sixpence each person taking part in a peal. At the Annual General meeting it was decided to allocate 2% of the cost of restorations from our Bell Restoration Fund so long as funds permit. It is hoped that many Towers will avail themselves of this generous grant.

To relieve the General Secretary of the work in collecting peal levies and all matters relating to peals, the office of peals secretary was created and Mr. John Blythe was elected to this position. Levies should be sent to Mr. Blythe within a month of the peal being rung and I trust all conductors will co-operate in this matter. Mr. H. Claude Rush of Eye was unanimously elected Vice President.

We have lost by death Mrs. Margaret Groom, Messrs. William J. G. Brown, Thomas Chapell, Lewis J. Last and William R. Poulson. Mr. Brown was a well known ringer at St. Mary-le-Tower, where he took part in all the twelve bell peals when the band was in its hey day. His health during the past few years prevented him from ringing and he passed away on January 20th at the age of 69.

Mrs. Groom was an honorary member and although not a ringer she always gave a visiting band to Hollesley a cheery welcome.

Grundisburgh tower suffered a great loss by the passing of Lewis Last who had been a regular ringer there for many years. Lew was both loyal and faithful and the gap caused by his death has not yet been filled. His death is recorded with very great regret.

Tom Chapell of Debenham was one of the old school and a contemporary of the late William C. Rumsey and William Groom. He would often be seen at Debenham Church before or after a peal and we shall miss his cheery face.

William Poulson was a well known ringer at Lavenham; famous for his perfection as a striker and genial disposition.

We are indeed sorry to lose these good friends and to their relatives we offer our sincere sympathy.

Illness prevents several of our members meeting us and we must remember Mr. Frank L. Fisher of Ufford who has been seriously ill for over a year. A letter to Frank would be appreciated.

Mr. Fred Tillett is now at St. Mary's Hospital, Tattingstone, and those who know him will be pleased to hear he is as well as his age will allow him. There are others and to them we extend our best wishes for a speedy recovery.

Restoration in the County proceeds slowly but surely and it was a great day at Stonham Aspal when the ten bells were rededicated on May 22nd. Our congratulations to Mr. W. J. Button, Mr. and Mrs. R. Parker and the Stonham ringers.

A great work was completed at Tannington, where a new trèble has been added to make a fine peal of six bells. Estimates have been given for restoration at St. Mary-le-Tower and St. Margaret's, Ipswich, Polstead, Theberton, Wetherden and Witnesham. It seems fairly certain the bells of St. Margarets, Ipswich will shortly receive attention and I would ask ALL those ringers who have rung upon these bells to give a HANDSOME donation to Mr. R. J. Munnings on whose shoulders lies the work and responsibility of raising the money required. Please make certain your name features in St. Margarets Restoration Donors Book which will be deposited in the belfry for all to see when the work on the bells is finished—Mr. Munnings address is 42 Beechcroft Road, Ipswich.

Our new Bishop, Dr. A. H. Morris has come to the County and has kindly agreed to be President of The Guild. His visit to Grundisburgh belfry left us in no doubt that he is not only interested in the art but is intensely fond of bells. We hope his term as Bishop of the diocese will be a long and happy one.

By the resignation of Rev. C. P. Newell as Clerical Secretary, we have lost a good friend and it seems the vacancy will be hard to fill for Mr. Newell took a hearty interest in The Guild. On your behalf I wrote him a letter of thanks for all his good work.

A glance at the accounts will show The Guild continues to prosper at least financially which is most gratifying. This has been made possible by very strict economy thanks to the District Secretaries. In spite of the fact we paid £35 to restorations we increased our assets by £15/8/10.

Standing at £105/9/4, the Restoration Fund serves a splendid purpose and those ringers whose bells are in poor condition should advise their Church authorities to avail themselves of its benefits.

Summing up, it would probably be true to say we have had a successful year judging by the number of ringers who have paid subscriptions, the gradual improvement in striking, number of peals and standard of method, and increase in funds.

May 1955 prove even better.

CECIL W. PIPE.

## PEAL SECRETARY'S REPORT

1954 has been a record year for the peal ringers, the total rung being 127 exceeding the Guild's previous record by eleven. This is extremely encouraging in view of the newly imposed and much debated levy of 6d per rope per peal. I wish to thank all the conductors who have so readily assisted in the collection of these fees and will be grateful for their continued co-operation.

The position of Peal Secretary has been created in order to ease the burden so willingly undertaken by our General Secretary. My address is 18, Barnaby Green, Southwold and not as was printed in "The Ringing World".

It may not be universally known that the Ringing Master endeavours to maintain a book of peal compositions which have been rung for The Guild. Any new or interesting compositions which are rung should be enclosed when peal fees are remitted so that he may record them.

My best wishes to all members for 1955 and let us try to make it just as successful as 1954 has been. J. W. BLYTHE.

## HALESWORTH DISTRICT REPORT

The District has had the usual four Quarterly Meetings this year—at Blythburgh, Southwold, Chediston and Halesworth. Our Southwold conductor, John Blythe has been very active in peal ringing and has arranged for many in the District to take part in a peal or quarter peal.

An effort is being made to get the Chediston bells ringing on Sundays and some 12 or 14 very keen beginners have been taught to handle a bell. It is expected that a local band will be able to ring Rounds and Call-changes for Christmas. RICHARD S. PAYNE.

## MILDENHALL DISTRICT REPORT

The Mildenhall District has held five meetings during the year, in addition to the joint meeting with the South Norfolk Branch at Thetford; the other meetings being at Mildenhall, Brandon, Lakenheath, Elveden, and Newmarket with Exning.

With the exception of the Annual Meeting at Mildenhall, they were all very well attended, and good ringing enjoyed. My grateful thanks to all who have supported me during the past year.
EDNA M. PECKETT (District Secretary).

## SAXMUNDHAM DISTRICT REPORT

Two meetings were held during 1954, at Blaxhall with Tunstall and Kelsale with Saxmundham. I am pleased to be able to report that both these were well attended.

The re-dedication of Leiston bells early in the year marks a step in the effort of keeping the bells of Suffolk ringing. The service was well attended by ringers from all parts of Suffolk. The five bells of Theberton have returned to the foundry and it is hoped that a treble will be added when they are rung.

A special practice evening once a month (the third Friday when possible) has been started for Surprise Methods, taking each tower in turn. These are proving to be popular in spite of adverse weather conditions.

An increase in membership must be noted by five ringing members, three of whom have rung a 720 of Plain Bob Minor, and four honary members. ALAN R. BRIDGES.

## SUDBURY DISTRICT REPORT

What has otherwise been a successful year has been overshadowed by the departure from this life of a grand English gentleman John Poulson. We would all do well if we try to emulate his life amongst us, few could surpass him in striking and transposition. Among my treasured possessions is a B.B.C. record of him ringing Lavenham Tenor. "We will remember him".

My appeal for St. Peters Bells did not meet with success. Sudbury is very popular for outings and if everyone who had rung in the town had sent me 1/- the job would have been half paid for. If every ringer in the country gave 6d to these restorations it would amount to £1,000. Rosemary Seabrook is our Assistant Honorary Secretary and has put in some hard work in the Clare area.

Our four meetings have not received the support we would like but our first dinner was an outstanding success, let us make it 100 next time.

Our District could produce a peal of London Major, why this has not been attempted is a problem I have been unable to solve.

Let us go forward together because United we stand.

LESLIE D. MILLS.

## GENERAL SECRETARY'S REPORT

Elected to the office of General Secretary and Treasurer at Easter, 1945, and resigning as from 31st December last year, this will be my last report, and I would like to thank all members of every grade for their co-operation.

During most of that time I enjoyed the work, and I feel that although I failed to please everyone, the Guild occupied a fairly high place among the Associations in the country.

Our membership has increased, our finances are extremely healthy, and many country restorations have taken place.

It may be worthwhile to examine these three important items which form the foundation of our movement. Every year we, like all other Societies, sustain leakage by death, etc., and in this respect the loss in recent years has been serious. Grand ringers and conductors such as G. Ablitt, C. F. Bailey, J. Betts, G. Blaxcell, W. J. G. Brown, R. Brundle, C. Catchpole, G. Furnish, F. L. Fisher, A. Fleming, W. Groom, T. W. Last, F. Naunton, C. Mee, E. Poppy, W. R. J. Poulson, W. Rumsey, F. J. Smith, R. J. Steed, S. Sparrow, F. J. Tillett, W. Whiting, L. C. Wightman and others have passed to higher service, while many are laid aside by age or illness.

The disturbing fact is that while recruitment remains high, the quality of the younger generation falls far short of our deceased brethren, and I earnestly appeal to all young folk to forge ahead in the immediate future and so help to sustain the tradition of our county.

In all phases of our art there can be found work which brings enormous interest, excitement and satisfaction such as training recruits, steeple-keeping, inspection and reporting, composing and conducting, learning new methods and ringing on higher numbers of bells, handbells, taking office in The Guild, and last but by no means least, the improvement in striking.

Furthermore, a great improvement would automatically become apparent if every member took The Ringing World each week.

The finances of The Guild reflects great credit on the regularity and loyalty of members in paying subscriptions, and I trust this will continue. In this respect a tremendous amount of work is put in by the District Secretaries, who deserve loyal support. A further amount can now be transferred to The Guild Restoration Fund, which has already served a useful purpose and will continue so to do.

Nearly thirty restorations have taken place since the end of the war, chiefly in country parishes, who are to be congratulated on their courage in raising the money required.

Once again I feel bound to draw attention to the apathy and LACK of courage of those town Churches whose bells are now in extremely poor condition, and I have reached the conclusion that bad going bells and lack of ringers have something in common.

Give us the tools and we will do the job.

Mr. John W. Blythe is to be thanked and congratulated in taking over the office of General Secretary and Treasurer. This involves a lot of work which is often tedious, and he will need your loyal support.

CECIL W. PIPE.

## PEAL SECRETARY'S REPORT

This year we only rang 51 peals, a drop of 76 on last year's record figure of 127. The decline in peal ringing has been general throughout the country, but in the case of the Suffolk Guild was no doubt accentuated by other factors. Whilst we should strive to do better in 1956, we have nevertheless passed through a year of steady progress, with new names appearing in our peal columns. To all those who rang their first peal or first peal in a new method, or made their first bow as a conductor, I offer my hearty congratulations. There are places to be filled to replace those called to Higher Service, but I believe that we have the people to fill these gaps, and I would ask them to support The Guild in all branches of ringing and help keep us in our rightful position in the ringing world.

My thanks are due to all those conductors who have so faithfully assisted me during the year by their prompt payment of peal fees. The levy has produced just over nine pounds this year, and with ever increasing cost of printing, this is a great help. Will conductors please note that for the present peal fees should still be sent to me, and that my new address is 29 Holton Road, Halesworth.

May we all enjoy happiness, peace, prosperity and good ringing in 1956.

JOHN W. BLYTHE.

Towers in the Diocese having any fears that all is not well with their bells, frames or fittings, or are contemplating restoration work, are at liberty to consult Mr. Ranald Clouston, of "Swanslea," Westerfield, Nr. Ipswich, who is on the Diocesan Advisory Committee as well as our own Committee, and he will be pleased to inspect their bells and advise where necessary.

## RINGING MASTER'S REPORT

The chief subject of comment on the Guild's activities in the past year is the remarkable drop in the number of peal performances, that these should fall from 127 in 1954 to 51 in 1955 is to say the least staggering. Whilst recognising that the

ringing of peals is not by any means the sole purpose of the Guild, yet those who ring them do show a keen interest in the art, and get a certain satisfaction from the pride of achievement. The causes of the drop can be seen by the keen observer, chief among them being that for various reasons some of our most prominent peal organisers and ringers have been less active, one has had a long illness, another has moved to a district where peal ringing opportunities are not so great, another for business reasons has had to curtail his ringing, and so on. On top of this there is the general slackening of peal ringing throughout the country, which was the subject of an editorial comment, well worth study, by the editor of "Ringing World" on August 12th.

In another branch of the Guild's activities, that of service ringing, I am pleased to report a good year, and it is safe to say that, wherever there are bands the bells have been rung for Church services and festivals. Thanks are due to those who, year in and year out, often at personal inconvenience, render this service to the Church. It will be noted that I said "Wherever there are bands." I said it advisedly, and it will be patent to many that places which formerly had good bands have now few or no ringers. The lesson to be drawn is obvious, we must have recruits. I ask leaders of bands to get hold of recruits, get them into the belfry, and get them interested. There is plenty of interest for all; the young man with a pride in his strength can tackle heavy bells, the young person with a love of figures can turn to composition, which offers a fascinating field of study. In no other recreation will be found both mental and physical qualities so well combined. Once proficient the exercise will give a lifetime of interest and pleasure, and such is the good fellowship of ringers that wherever they may go, they will never lack a friend.

It is pleasing to note increasing activity in the Western side of the county, with peals of Yorkshire Surprise and Double Norwich at Clare, Cambridge Surprise and Plain Bob at Lavenham, Superlative at Bures, Yorkshire Surprise at Sudbury All Saints, and 7 Surprise Minor Methods at Kedington, mostly by local bands, they have put up some fine performances. On the Eastern side too, some good peals have been rung, including the first of Cambridge Surprise, and Spiced Plain and Little Bob Royal at Stradbroke, Yorkshire Surprise at Ipswich St. Margaret, Eye, and Grundisburgh, Lincolnshire Surprise at Debenham, and Kent Treble Bob at Cotton, Fressingfield, and Leiston. Our six-bell ringers have been busy, and quite a number of first-pealers appear.

During the year the Guild has suffered grievous loss by the death of some outstanding ringers. We lost in the early days of the year Norman Bailey, one of the famous Leiston brothers, who had kept ringing going in the Aldeburgh district for some years. Later came the passing, after a long illness, of Frank Fisher, he was a keen and accomplished ringer who

had made himself a master of that very difficult composition "Holt's Original." Just before Christmas came the death in his 89th year of Fred Tillett, who was but a name to the present generation, but in his day was a giant of the exercise; and just at the turn of the year Les Wightman passed on after a long period of indifferent health, he was a great ringer and conducted many of the new Surprise peals, for which his band made themselves famous in the decade before 1939.

With the end of the year came the resignation of our secretary, Mr. Cecil W. Pipe. He took up office in 1945, and has earned the thanks of every member for the efficient and smooth way in which he has conducted the business of the Guild during the past ten years. It has always been a pleasure to work with him. I trust that members will give the same help and support to our new secretary, Mr. John W. Blythe, as they did to Mr. Pipe.

In conclusion, may I reiterate my appeal for recruits? It is vital to the continuance of the art to obtain them, and perseverance will bring its due reward.

CHAS. J. SEDGLEY.

## HALESWORTH DISTRICT REPORT

The District held its usual four meetings in 1955, at Wenhaston, Heveningham with Huntingfield, Southwold and Halesworth. The meetings were attended by the usual staunch supporters of the District and were of a very friendly nature. Visitors to the meetings varied as to number, but were all most welcome and added to the quality of the ringing performance.

Our chief events of the year were concerned with personalities rather than ringing. A number of the District ringers rang at Southwold for the wedding of John Blythe, our District conductor, to Miss Margot Thompson, who is well known in local peal ringing circles. All were invited to the reception where, it can truly be said, "a good time was had by all." Later in the year John Blythe was unanimously voted to the office of general secretary and treasurer of the Guild, and the Halesworth District feels that it is an honour to have provided a ringer to fill this office.

RICHARD S. PAYNE (District Secretary).

## MILDENHALL DISTRICT REPORT

Five meetings have been held during the year, these being at Mildenhall, Brandon, Elveden, Lakenheath and Fakenham with Mildenhall. As in 1954, these meetings were fairly well attended.

The District felt a great loss of Mr. S. Atkins, tower captain, and the Rev. Napier, both of Elveden. Both these men played a great part in forwarding the activity of the Mildenhall District.

My best wishes to all members for 1956, and may it prove even more successful than 1955.

EDNA M. PEACHEY (District Secretary).

## SAXMUNDHAM DISTRICT REPORT

Three meetings were held in the District in 1955, at which the attendance was varied, Leiston in May, Aldeburgh in July and Kelsale with Saxmundham in November. The Leiston meeting being the first in the year, the usual elections were held, with Alan R. Bridges re-elected District secretary, and James M. Bailey elected District ringing master.

Two well known members, Norman Bailey and Edward G. Smy, were called to Higher Service during the year, following long spells of illness. Norman Bailey did most of his ringing at Leiston and Aldeburgh, and Edward G. Smy was a member of the Blaxhall company.

Of bell restorations in the District, Theberton is hoping to have its five augmented to six, and a greater effort is to be made during the coming year to raise the money and complete the work. Aldeburgh bells are due for some attention and I understand that advice is being sought from the founders.

Four new members were elected during the year, Harry Archer and Robert Wilding, both ringing members of Saxmundham, and Mrs. G. M. Walker and Mrs. L. M. Parker, both honorary members of Theberton.

ALAN R. BRIDGES (District Secretary).

## SUDBURY DISTRICT REPORT

Having been District secretary for only two months, it is rather difficult for me to write a report, but I am very pleased to say that two towers have recently started ringing again after long lapses. One is Stoke-by-Clare where the old band has been re-formed, and the other is Long Melford, where Mr. Vic Ambrose has started almost from scratch to teach a new band. Our very best wishes go out to both.

It is a sad fact that so few of the towers in this district ring regularly for Sunday services, but we are very thankful for those who do, and wish them every encouragement. Our leading light of course is Bures, where Surprise Major is rung for practices and on Sundays.

Although this has been rather a poor year, with only two meetings, owing to the fact that we were without a District secretary for five months, we look forward to next year in the hope that our membership will increase, that all meetings will be well attended, and that at every tower where the bells are not rung regularly, real efforts will be made to ensure that they are.

ROSEMARY J. SEABROOK (District Secretary).

# THE SUFFOLK GUILD OF RINGERS

## Statement of Accounts for the Year Ending December 31st, 1955

## RINGING MASTER'S REPORT

During the year 83 peals were rung for the Guild, an increase of 32 on the year previous. These peals show a remarkable distribution throughout the County, having been recorded at no less than 46 Towers. The conducting was shared by 28 members, one peal being non-conducted — a new and unusual performance for the Guild.

It is pleasing to note the continued appearance of several young members amongst the conductors, and it is to them that we look to carry on the traditions of the Guild for good ringing. More especially we note in this connection, Ken. Brown who heads our list of conductors with 12 and is proving his ability in the centre of the County, our Secretary, John Blythe who is keeping things going around Halesworth, Peter Kindred who is active in the north-east, Donald Mills son of the leader of the Bures band who has now called a surprise peal from each bell of the circle, Rod. Pipe the youngest member of a talented family, and Rosemary Seabrook who besides calling a peal in seven methods, took part in the non-conducted peal mentioned above. Whilst the accent is on youth, we cannot help referring to the record of one of our elder brethren, George Symonds who during the year rang his 250th peal as conductor.

The peals themselves call for little comment, the usual methods being rung — Kent T.B. with 7, Camb. S. and Plain Bob 6 each, and Yorks. S 5, were the most popular Major Methods, one notable absentee was Dble. Norwich, which at one time was very much rung because of its musical qualities. Our six-bell ringers are showing an increasing variety in their performances and we record 14 seven-method peals. The East Anglian preference for "Tenor in" ringing persists, and apart from 8 peals of Doubles, only 2 odd-bell peals appear.

To conclude, may I stress again, as I did last year, the importance of getting and training recruits? There are faint indications that a few more are coming along, and it is up to all of us to do what we can to help and encourage them.

CHARLES J. SEDGLEY.

## GENERAL SECRETARY'S REPORT

This year has been one of many changes in the Officers of the Guild. I myself, am new to this office, Mr. Kenneth Brown has taken over the Bury St. Edmunds District from Mr. Stannard, Mr. W. Cracknell has replaced Mr. Barber in the Fressingfield District and Mr. W. J. Button has been appointed to the Debenham District. Our thanks are due to Messrs. Barber and Stannard for all their good work and our best wishes go out to Messrs. Brown, Button and Cracknell.

Membership remains about the same. Gains in new members merely compensating losses due to death and other reasons. It is

with deep regret that we record the passing of Arthur Ballard of Cavendish, Harry Backler of Haverhill, George Berry of Wickham Market, Rev. F. R. Keightley of Tuddenham, Fred Munnings of Mendham, Charles Whiting of Leiston and George Wightman of Cretingham. Men such as these are hard to replace and we must make every effort to secure and train recruits who will be worthy successors in helping to maintain and improve not only our standards of ringing but also our duty to the Church.

A happy occasion was the Marriage on May 19th of two of our well-known members, Mr. George Pipe and Miss Diana Matthew to whom we offer our hearty congratulations. A Peal of Bristol Surprise Major at Debenham that day by an East Anglian band expresses the sentiments of us all. We are sorry that we shall not have the benefit of their talents in Suffolk as George is already in Australia and his wife should join him shortly, but, are proud to think that George had the privilege of conducting the peals at Melbourne for the Olympic Games.

The number of peals, which this year total 83, is very encouraging, being an increase of 32 on the 1955 figure. Twelve members rang their first peal during the year, and many more their first in some particular method. Leslie Melton and Allen Cansdale had the pleasure of calling their first "That's all" to a peal. We offer our congratulations to all these and trust that they will be the first of many more to come. Another performance of note was the non-conducted peal at Cavendish. Those two young veterans George Fleming and George Symonds have both been active, the former ringing his 500th peal, one of Grandsire Triples, which he conducted and the latter rang his 250th peal as conductor. Many more have passed milestones in their peal ringing careers and also deserve our congratulations as the peal footnotes show.

The accounts show a reasonably healthy state of affairs but must be watched with caution. On the General Account we show an increase of £20 over the year. Running expenses have been kept as low as possible, though certain expenses did not occur this year which could very easily have swallowed up that £20 and in view of that fact alone it is my belief that we are not in a position to make further transfers to the Restoration Fund at the moment. It has been proposed that we should have a Guild Badge, which, in my opinion, is an excellent one, as most Guilds do have them and we shall need the necessary cash to finance such a project and in view of this we should at once examine the whole question of grants because we are not in a position to maintain them at the present rate for long. Each case should be considered individually and on its own merits. The income of the Guild during the next few years will undoubtedly be required to pay our way unless there is any alteration in the present trend of rising prices and we must not overlook the possibility that by the end of the year we may find ourselves compelled to increase subscriptions. Whilst I hope that this will not be necessary, the facts have to be faced, and in order to provide the

Restoration Fund with a regular source of income will District Secretaries please pass the plate round during tea at ALL Meetings of the Guild for this purpose.

Restorations have taken place at Polstead, Stoke-by-Nayland, Great Thurlow and Wenhaston. At Polstead the six bells have been retuned, quarter-turned and rehung in a new metal frame. At Stoke-by-Nayland the old six have been augmented to a fine eight with a tenor weighing 22 cwt. 12 lb. in D. The opening was a great gathering of ringers from all over Suffolk and Essex and will long be remembered. At Great Thurlow I understand that Mears and Stainbank have put the six into ringing order but I do not know the exact details of the job. At Wenhaston four of the six bells have been recast and the others retuned and turned and all rehung in a new metal frame. Messrs John Taylor and Co. were responsible for Polstead, Stoke-by-Nayland and Wenhaston. Our Diocese is now the richer for all these Restorations and others are pending in the New Year. The Church authorities have played their part and now it is up to us to see that all these bells are manned Sunday by Sunday.

Mr. Claude Rush of Eye, has opened a fund for the bells there with a cheque for £235 as a result of the sale of his Christmas cards of Eye Church. This is a fine example of what can be done with enthusiasm.

For the first time for many years our Annual General Meeting was held at Bury St. Edmunds and proved most successful. The Provost made us very welcome and the impressive service in the Cathedral will not easily be forgotten.

On the whole 1956 has been a year of steady progress and we hope that 1957 will be even better. My sincere thanks are due to all those who have done so much to help me during the year, for without your support my efforts would come to nought. May you all enjoy health, happiness and good ringing in the months to come.

JOHN W. BLYTHE.

## SAXMUNDHAM DISTRICT REPORT

Five meetings were held during the year, the first at Leiston in February could not be called a success as heavy falls of snow made travelling very bad, thanks are due to Mr. Mrs. and Miss W. Mellin who came all the way from Essex to attend. Benhall and Saxmundham in May had the best attendance of the year with over 40 ringers present, when Mr. Alan R. Bridges, the Hon. Secretary and Mr. James M. Bailey, Ringing Master were re-elected. The meeting in July at Yoxford and Peasenhall will be well remembered because of the excellent tea arranged by the Rev. Thickett, Rector of Peasenhall and the local ladies. A meeting was held at Tunstall and Blaxhall in September and at Kelsale in November.

Five new members were elected during the year, three ringing

members, one honorary and one probationer.

The sudden death of Mr. Charles Whiting at his home at Leiston, on March 5th was a loss to the Leiston company, at the age of 82 years, Charles had been associated with bell-ringing for over 62 years. He was first a member of the Norwich Diocesan Association until the formation of the Suffolk Guild when he became a founder member and had a total of 22 peals to his credit.

The restoration of the Theberton bells has had a serious hold-up It was found that the tower requires a new roof and the battlements must be taken down and rebuilt as they are unsafe, at the cost of almost £700. However, to look on the bright side, it is hoped to start training a band of ringers for Theberton (at Leiston) in the new year, so that when the bells are re-hung the ringers will be ready to take over.

ALAN R. BRIDGES, *District Secretary.*

## HALESWORTH DISTRICT REPORT

Four meetings have been held during the year, three of these being full meetings with a service and tea and the fourth, in December, at Blythburgh was an evening ringing meeting. The Spring meeting was held at Wrentham by arrangement with the Beccles District. This meeting was well attended and proved to be an occasion for meeting old friends. The Summer meeting was held at Southwold and the Autumn one at Wissett and were attended by the usual strong supporters of the District and a welcome sprinkling of visitors.

The most notable event of the year has been the re-hanging of the Wenhaston bells. The Re-dedication Service was on December 29th and it called together a good gathering of ringers from the surrounding district. The Restoration of the Wenhaston bells will bring back to the district a tuneful and ringable six. The work done has entailed considerable expense and I am sure that the Churchwarden, who is Treasurer of the fund, would welcome any contribution which could be made, from other towers in the district.

RICHARD S. PAYNE, *District Secretary.*

## MILDENHALL DISTRICT REPORT

The Mildenhall District has held six meetings during 1956, these being at Elveden, Newmarket, Brandon, Lakenheath, Freckenham and Elveden, in addition to the joint meeting held at Fornham St. Martin by the Bury and Mildenhall Districts. The average attendance of these meetings was not very high.

Best wishes to all for 1957 and successful ringing.

EDNA M. PEACHEY, *District Secretary.*

## SUDBURY DISTRICT REPORT

Meetings during the year were held at Lavenham, Felsham, Monk's Eleigh and Haverhill, the average attendance was approximately 33.

Our Social and Supper held at Lavenham in October was very successful, almost 100 people being present, including many visitors, mainly from the Bury District and from Essex. We were very glad of their support, both at this Social and at our Meetings.

One fact that we must face up to is that we have not had one new ringing member in our District during the year. We have had 3 new Honorary Members and there have also been 7 Life Members, these are a good help financially, but we must have new Ringing Members if we are to make progress.

I am pleased to be able to report that we have added one more name to our list of ringable peals. Great Thurlow bells, which have been out of order for many years, have been restored by Messrs. Mears and Stainbank and a new ringing gallery has been built.

My best wishes to all for 1957, and may this be a year of real progress.

ROSEMARY J. SEABROOK, *District Secretary.*

## WOODBRIDGE DISTRICT REPORT

With the exception of a tea at a District Meeting at Woodbridge on December 15th, which showed a loss of 32/9d. due to a poor attendance, the year 1956 has been uneventful.

At Bredfield ringing takes place Sunday and Tuesday evenings.

At Grundisburgh 6 peals have been rung and ringing takes place Sunday mornings and evenings and Thursday evenings regularly. There is occasional early Sunday ringing at Hollesley and regular ringing at Wickham Market.

The death of Mr. George Berry is recorded with regret. For many years he lived at Hacheston and recently at Wickham Market. He had been a member of the Guild since its inception and is already sadly missed.

DISTRICT MEETINGS 1957. Provided that permission is given for the use of the bells, District Meetings will be held at Grundisburgh on March 30th, Hollesley on July 27th and Woodbridge on October 26th. Members please note, and please attend. A final request — will those ringers who do not take *The Ringing World* please support this valuable weekly paper that gives so much joy by ordering a quarter or a whole year's issues.

C. W. PIPE, *District Secretary.*

## MR. G. E. SYMONDS

On December 22nd. Mr. George Symonds rang his 250th peal as conductor. We make no apologies for printing this list of peals he has conducted, indeed, we do so with pleasure, for it summarises the career of a truly great ringer. Its scope and variety, especially on the higher numbers is extraordinary, and gives distinction not only to himself, but to the Guild, for which so many of the peals were rung:—

## RINGING MASTER'S REPORT

Having kept no records prior to the Annual General Meeting when you elected me to the post of Ringing Master, this report covers only the last eight months. But good work has been done during the year and 135 peals have been rung for the Guild in 63 different Towers. Euston has had its first peal and Stoke-by-Nayland its first since augmentation. Long silences have been broken at Chediston (32 years), Laxfield, Dennington and Weybread (23 years), and Whepstead (24 years). Two records for the Guild come from the 15 Doubles Methods peal at Ixworth and the first ladies peal to be rung in Suffolk. "Well done girls" now what about a Royal peal in the near future ?

Six firsts of Bob Triples at Elveden it is hoped will lead to other Methods.

Our worthy Secretary has had a busy year and is top peal scorer with 40 to his credit not forgetting that "go anywhere" enthusiast Ted Chapman, with peals over the border, but who has also rung 40 peals for the Guild this year. He has been a great help to John in reaching their fine total as also to Jack Gibson who is runner-up with 39 peals to his credit.

Two Golden Wedding peals have been rung, one for that evergreen youngster, George E. Symonds, at St. Mary le Tower and the other for Fred Brunning, still a very interested member of Eye. Congratulations to Bob Lester on his 200th peal, who although having been barred by illness, it is hoped he will soon be "peal fit" again. This all-ringing family is doing good work in their area with service ringing. A party from here attended the Annual Social at Lavenham organised by Rosemary Seabrook, the Lavenham ringers and their wives. Some 90 ringers were present and an enjoyable evening was spent by all.

It is most pleasing to see first pealers and conductors. I would also like to mention Ken Brown and Leslie Melton both of whom have been going places.

Although they are now the leading local band, our friends at Bures have been very quiet — no peals recorded. It is hoped that this is only a temporary relapse.

We welcome home from National Service, Jim Morley and Chummy Allum, and maybe others. Wherever they ring they should be a great asset to the band and given the opportunity, will be conductors. On the shortest day, Pat Clarke took part in two peals and finished in good form. "Well done Pat !"

At the time of writing we are looking forward to the 12-bell practices, which I advocated, with help from St. Mary le Tower. It is hoped much good will be forthcoming.

LESLIE G. BRETT

## GENERAL SECRETARY'S REPORT

This has been yet another year of steady progress. Membership appears to be maintained at a high level and meetings have been held throughout the Diocese although the attendance at some was not up

to the usual standard. Instructors have been active teaching recruits and we must all back up their efforts during the months ahead so that Sunday Service ringing can be maintained and improved. Once again our thanks must be accorded to the District Secretaries for their hard work. Please continue to give them your wholehearted support as this is the finest way in which we can all express our appreciation of their services.

The finances appear to have held their own despite the increasing cost of living, but the accounts do not show the complete position as not all funds had reached me by December 31st. Grants have been paid to Wenhaston, Stoke-by-Nayland and Theberton from the Restoration Fund and collections for the fund have been made at some meetings during the year and it is to be hoped that this will become normal procedure at ALL meetings in future.

Mr. Sedgley retired from the office of Ringing Master, a post he has held since 1923. In recognition of his many years of service he was unanimously elected a Vice-President. Mr. Les Brett, the popular Framsden Conductor, was elected to succeed Mr. Sedgley and we all wish him success in his task. Mr. Ronald Clouston has been appointed Technical Adviser to the Guild and his report is printed in this issue.

During 1957 we rang 135 peals, the highest total ever recorded by the Guild, being 8 more than the previous record of 127 peals in 1954. Over 200 members took part in these peals and although rung on all numbers of bells, no peal of cinques is recorded.

This year saw the introduction of the Guild Badge which, I believe, has had a good reception. 328 were purchased, and at the time of writing 170 have been sold. They are 3s. each and may be obtained from Miss Rosemary Seabrook, Mr. K. G. Brown, or myself.

It is with regret that we record the passing of Messrs. Wm. Wightman and E. Goodwin, to whose families, and those of any others who may have passed on to higher service, we extend our sympathy.

The augmented ring of six at Theberton was dedicated on December 14th. This proved to be a large gathering of ringers from all parts of the County. First the warm welcome and inspiring service in the beautifully restored church, to be followed by the pleasure of ringing on the pleasant toned light ring of bells will linger long in the minds of those present. Afterwards in the Hall, at the social gathering, the Rector received from Mr. C. W. Pipe (Vice-President) a donation from the Guild Restoration Fund.

Other restorations are pending. Oakley bells are already in the hands of the founders and work is being contemplated at Eye and Marlesford. These are good signs for the future and we shall all look forward to these schemes being brought to successful conclusions.

May we all resolve to make 1958 an even better record year than 1957.

JOHN W. BLYTHE

## TECHNICAL ADVISER'S REPORT

During 1957 the writer has inspected and reported on the bells in 51 of our Suffolk church towers, these reports being duplicated to the parish concerned, the Archdeacon and the Hon. Secretary of the Diocesan Advisory Committee, of which the writer is a member.

Of these 51 churches, thirteen could be considered to contain rings of bells though a number are now quite unringable and in one case, Orford, some of the bells are cracked and unhung.

The unringable bells reported on are at Shelley (5), Westhorpe (5), Nowton, by Bury (6), Little Thurlow (5), and Clopton (6).

The remaining reports related to Marlesford (5) where the treble has fallen out of its bearings and the main frame has completed its useful life ; Eye (8) where the bells badly require overhauling, Iken (4) one of our few ringable fours, Winston (5), Otley (6), Harkstead (5), Oakley (6).

Faculties have been granted during the year for the following work :

Ringsfield. Overhauling the two existing bells and adding a middle bell. The whole being rehung in a new framework for ringing in full circles with space for further bells. This work is now complete.

Eriswell. The addition of two trebles to the existing three. The whole to be hung for change ringing.

Oakley. Provision of a new frame, recasting of the 1828 fourth bell cracked in the crown, and rehanging with new fittings.

During 1957 the bells at Theberton were rededicated after a lengthy silence. A new treble has been added to the old five and all are now hung in a new metal frame with modern fittings.

It has been a great disappointment to the writer that an order has not yet been placed to have the eight bells at St. Margaret's, Ipswich, overhauled. With the twelve at St. Mary-le-Tower in poor order, ringing in Ipswich cannot be expected to flourish under the present conditions.

The writer has now reported on the state of the bells in 113 of our Suffolk towers which number some 500. The results so far indicate the very poor state of many of our belfries and in a number of towers containing up to four bells most unsafe conditions. Far too high a proportion of the bells are unsafely clocked due to decayed and insecure fittings.

The writer would be pleased to hear of any member of the Guild who is physically active and mechanically inclined to assist him in this work. It would be preferable if such a person lived near Ipswich but this is not essential. The work is of considerable interest as no complete engineering survey has ever been made of bells in the Diocese and one never knows what one is going to find.

R. W. M. CLOUSTON

## MILDENHALL DISTRICT REPORT

The Mildenhall District held six meetings during 1957, these being at Mildenhall, Brandon, Lakenheath, Elveden, Exning with Newmarket, and Freckenham with Mildenhall. The Elveden meeting was outstanding for attendance, the others being average. Credit is due to the band who rang the peal of Bob Triples at Elveden on August 5th. Sincere greetings to all for 1958.

EDNA M. PEACHEY, District Secretary

## SAXMUNDHAM DISTRICT REPORT

Four meetings were held during 1957, at Aldeburgh, Leiston, Tunstall with Blaxhall, and Benhall with Saxmundham. A ringers' service was held at each with the exception of Leiston where the Vicar was taking part in a gift day. A collection was made at each meeting for the Guild Restoration Fund, a total of £2 : 16 : 0 being collected.

The Annual Meeting at Aldeburgh saw the re-election of Mr. Alan R. Bridges as District Secretary and Mr. James M. Bailey as District Ringing Master.

The rehanging of the Theberton bells gives the district one more ring of six, the five bells have been retuned and rehung in a new metal frame by Messrs. John Taylor and Co., and a new treble added, being the gift of a parishioner, Mr. Reuben Wright, as a memorial to his wife. The rededication took place in mid-December and was carried out by Canon J. R. Chapman, a former Rector of Theberton. The following week the first peal ever rung at this tower was recorded in 2 hours and 31 minutes, conducted by the District Ringing Master.

ALAN R. BRIDGES, District Secretary

## SUDBURY DISTRICT REPORT

Ringing meetings during the year have been held at Clare (A.D.M.), Cowlinge, Gt. Thurlow and St. Gregory's Sudbury. These were not as well attended as during the previous year, the average being approximately 22.

We have again held a successful supper and social at Lavenham, thanks mainly to the Lavenham ringers and their willing helpers.

We have been pleased to welcome into the Guild the Rev. E. S. B. Barnes of Gt. Thurlow, and his complete band who are now learning to ring since the restoration of their bells. My best wishes to all for 1958.

ROESMARY J. SEABROOK, District Secretary

**Hon. Technical Adviser :**
Mr. R. W. M. Clouston, 38 Gainsborough Road, Ipswich

## OBJECTS

**1. Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

**2. Recognition.** To obtain full recognition of the ringers office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demand much time, skill and mental labour) may be placed upon a true and acknowledged basis.

**3. Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, instructors when and where required.

**4. Reform.** To promote a proper appreciation of the ringing chamber as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment thereof, as well as the preservation of the bells in an efficient condition; to advocate needful repairs and renovations and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

## CONSTITUTION

**1.** The Officers of the Guild shall consist of: The Lord Bishop of the Diocese as President, Patrons, Vice-Presidents, Ringing Master, Secretary, Treasurer, Auditor and Technical Adviser.

**2.** The Guild shall consist of (a) Ringing Members; (b) Honorary Members; (c) Life Members.

(a) Ringing Members may be elected at any meeting where there are five other members present, or, provisionally by two other Members, before starting for a peal. Ringing Members may be elected as soon as they have rung 120 changes on a tower bell or on two handbells retained in hand. The subscription of Ringing Members shall be 2s. 6d. per year.

(b) Honorary Members may be elected on a life payment of £2 : 2 : 0 or 2s. 6d. per year.

(c) Life Members, residing out of the Diocese, to make a single payment of 5s.

**3.** The Committee shall consist of the Vice-Presidents, the Ringing Master, Secretary and Treasurer, and twelve elected members, to be subject to election at each Annual General Meeting, who may co-opt two other members. Seven to form a quorum.

**4.** The area covered by the Guild shall be divided into districts each of which shall have its own Ringing Master and Secretary. The Secretary will : —

(a) Arrange Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the subscriptions of all Members.
**N.B.** In each Company there shall be chosen a Secretary or Captain, or Ringing Master, who shall collect all subscriptions as soon as possible after January 1st and send them to the District Secretary.

(d) Forward these subscriptions to the General Secretary together with his receipt book and details of any expenditure, at the end of the year for audit.

**5.** The Guild shall be affiliated to the Central Council of Church Bell Ringers, and shall loyally abide by the rules and decisions thereof.

## RULES

**1.** Subscriptions shall be due on January 1st. New Members elected after 31st October will not be required to pay a second subscription for the following year.

**2.** Any Member whose subscription is unpaid on December 31st shall lose his membership. No peal shall be recorded unless the subscriptions of all taking part in it are paid. Lapsed Members may be reinstated on payment of 2s. in addition to the annual subscription.

**3.** Probationers under the age of 16 may be elected on payment of half the annual subscription.

**4.** The Committee may allow a Tower to compound on payment of 2s. 6d. per bell yearly ; this to include all the ringers whose names shall be sent to the Secretary at the time of payment of the annual subscription. The number of reports issued will equal the number of bells.

**5.** Should a ringing Member, having paid five consecutive years' subscription, remove from the Diocese, he may without payment, become a Non-Resident Member for such time as he continues to reside outside the Diocese.

**6.** All ringing at Meetings of the Guild shall be under the direction of a Ringing Master and shall be such as is approved by the Central Council. The decisions of the Central Council shall be recognised in recording any ringing performances.

**7.** The Committee may remove a Member from the Guild for a serious offence against the Objects and Rules, subject to appeal at a General Meeting.

**8.** The Objects, Constitution and Rules can only be altered by a General Meeting after three months' notice given at a General Meeting.

9. A peal fee of 6d. per rope is payable in respect of all peals rung for the Guild. Conductors are responsible for collecting these and forwarding them to the General Secretary. No peal will be recorded unless the peal fees have been paid.

## RINGING MASTER'S REPORT

A somewhat quieter year as regards peals, only 82 being recorded against 135 in 1957. Six peals of Doubles include 2 "firsts" on the bells, Hereningham and Eriswell. 38 of Minor were rung, of interest were 10 methods at Theberton, 7 Surprise at Aldeburgh and Blythburgh and 8 Surprise at Cavendish, whilst from Oakley comes the first on the bells.

Plain Bob Major at Lavenham (Silent) maybe will take on in other methods (Congratulations), likewise to the band who rang in the Melbourne peal in honour of the birth of a daughter to George and Diana Pipe, their earliest return will be welcomed by us all.

Only one peal of Caters was rung, against two of Cam Royal.

Quite appropriate was the peal of Little Bob Royal at Bury for the induction of the new Provost, Rev. J. Waddington, from St. Peter's Mancroft, whose band so ably completed the double.

Most disappointing of peals during the year was the failure to ring the Cam Max in honour of the 'first ever' rung at S.M.L.T. 50 years ago. This proved we still badly need those 12 bell practices, but which seem to be losing interest. Is the time not far away when we shall have neither a 12 bell band or someone who can call a peal of Cinques ? Do let us revive this ! Likewise handbell ringing, no peal has been recorded. Quite a few familiar names are missing from our peal columns throughout the county, it is hoped, only temporary, as this also means absence from service ringing.

We all now look forward to the amalgamation of the districts which, it is hoped, will be an asset to the running of the Guild and ringing in general. With your fullest support this should materialize.

"Grundisburgh bells on the air", it is hoped is the beginning to further broadcasts from the good peals we have in Suffolk. "Congratulations Grundisburgh, a loyal job well done". Furthermore to finish the year with "Holt's Original", the only peal of Grandsire Triples rung. To Rod Pipe, the conductor "Congratulations". Likewise to Pat Clarke for scoring her 100th peal at 22, and last, but not least, to that still so young enthusiast, George E. Symonds, on completing 72 years as a ringer and over 90 peals of Maximus to his credit.

LESLIE G. BRETT, Ringing Master.

## GENERAL SECRETARY'S REPORT

On the whole 1958 has been a quieter year, but has nevertheless been an active one in many ways. Meetings have been held throughout

the Diocese and it has been a source of disappointment to some of our District Secretaries that the attendance has not always been good. A great deal of thought and work has been put into the proposed re-organisation which it is hoped will streamline the organisation of running the affairs of a Guild such as this. Let us all aim at making 1959 a successful year from this angle. Your presence and enthusiasm can greatly enhance the attraction of this side of our activities and strengthen the bonds of fellowship between members and districts. The presiding Master at any meeting wishes to do his best by ALL present and we can best help him by studying something fresh at home beforehand, and a willing co-operation at the Tower. This applies more especially to the beginners, but also to the more advanced who can do much by standing behind the others to guide where necessary, and advancement be attained. Finally we must not overlook the fact that however good we may be we must still strive to improve our striking.

Returning for a moment to the proposed re-organisation of the Districts, I would refer to the dilemma in which many Secretaries find themselves when trying to arrange dates for meetings. This is one thing which we should be able to overcome. It should be possible to fix dates for the whole year without any clashing whatsoever under the new scheme. In the past many meetings have been ruined because of this.

We have seen several changes in the District Secretaries this year, Mr. Cook has retired from Eye District but has continued to collect subscriptions pending either a new appointment or re-organisation. Mr. Anthony Mann has taken over from Mrs. Peachey in the Mildenhall District, Mr. L. Wright has replaced Mr. Brown in the Bury St. Edmunds District, and at the end of the year Mr. Clifford Lovett took over from Mr. C. W. Pipe in the Woodbridge District. Our sincere thanks are due to all these as well as to all those who are still in office.

The Annual General Meeting was held at Bury St. Edmunds on Saturday, April 12th. This was a well-attended meeting and greatly enjoyed by all members and visitors attending. At this meeting it was proposed that we should invite Mr. R. A. Vestey, of Great Thurlow, to become a Patron of the Guild as a mark of our appreciation of his services to ringing in the Diocese and I am very glad to inform you that he has graciously accepted.

It is with regret that we record the passing of The Very Reverend J. L. White, Provost of St. Edmundsbury and a Vice-President of the Guild. Ernest Grimes of Ipswich, George Wightman (formerly of Cretingham and more recently of Great Baddow), Arthur Coleman of Cotton and Edward G. Grindell of Southwold. Our sympathy is extended to the relatives of these and any others who may have passed on to higher service during the year.

Once more it is gratifying to report that the accounts have managed to hold their own, this is only possible by the full support of members in the prompt payment of their subscriptions and dues. I much ap-

preciate your help in this respect and look forward to your continued co-operation in 1959.

Further restoration has taken place this year at Oakley and St. Margaret's Ipswich, whilst at Eriswell both augmentation and restoration have been achieved mainly through the assistance of American Servicemen in the area. Both the leading Bell Founders have been involved and further restorations are envisaged at Eye, Offton and Marlesford. Our thanks and support are due to all connected with these projects. During 1958 grants were made to Theberton and St. Margaret's Ipswich.

On the question of peals, I feel I cannot say more than that it has been a good average year, 82 having been recorded. But I would say that it is indeed an honour to have a peal rung for us on the other side of the world. "Congratulations George and Diana".

But if George has honoured us I believe that Grandfather Jim has given us a masterpiece in his Christmas Day broadcast. Apart from being a first class effort by all the band, the bells started from and returned to rounds in what we all agree is a short time and this is what to my mind gave it that touch of perfection and labelled it "First Prize — Thank you Grundisburgh!"

This year we are printing a directory of towers for the first time since 1939. A great deal of hard work and research have gone into it and for this we owe a note of thanks to our technical adviser, Mr. Clouston.

Space and time are too limited to record all the many things that have been put into 1958, but I cannot close without expressing my thanks to all members for everything they have contributed, however small, and may 1959 prove to be even more worthy.

JOHN W. BLYTHE, General Secretary and Treasurer.

## TECHNICAL ADVISER'S REPORT

During 1958 the writer inspected and submitted detailed reports on the contents of a further 28 towers in the Diocese, making the total to date, 141. Of these 28, seven contained rings of bells, these being, Sudbury St. Peter, Shimpling, Wetheringsett, Witnesham, Offton, Troston and Baylham. All are in an unsatisfactory condition, and those at Shimpling, Witnesham, Offton and Troston are unringable. Offton bells have now been removed for rehanging.

Faculties or Archdeacon's Licences have been granted during the year for the following work : —

**Kettleburgh.** Lowering the three bells to the ground for safety.

**Marlesford.** Rehanging the five bells with a new treble to make six in a new metal frame.

**Icklingham St. James.** Recasting and rehanging the cracked 18th Cent. single bell.

**Offton.** Rehanging the five bells with a new treble to make six in a new metal frame.

**Sudbury St. Peter.** Repairs to the church fabric which includes overhauling the bells.

**Orford.** Restoring the top of the tower to its original height, provision being made for the re-installation of a ring of bells later.

**Troston.** Restoration of the tower which will be followed later by the restoration of the ring of six bells.

**Eye.** Rehanging the bells and recasting the tenor which is cracked in the crown.

**Ipswich St. Francis.** The installation of the 14th Cent. third bell from Stanton St. John in the tower of this new church being built on the Chantry Estate. The tower is only big enough for this one bell which will be swing chimed.

**Great Thurlow.** The addition of a treble bell to make six.

During the year the rings at Eriswell, Oakley, and St. Margaret's Ipswich have been rededicated after receiving attention from the bell-founders. The single bells at Pettaugh, Brantham, and Claydon have been completely rehung, and the writer has done some minor work at Great Wenham, Shelley, Semer, Nedging and Naughton to enable the bells to be safely sounded.

The writer has addressed a weekend course at Belstead House, Ipswich on bells and change ringing, and he has paid further visits to 16 churches to give advice or to inspect completed work on the bells.

There is a good chance that the bells at Aldeburgh will soon receive attention, but the prospects are not so bright in the case of St. Mary-le-Tower, Ipswich.

The writer has for some while wanted to assess the state of every ring of bells in the Diocese and to revise the information given in the 1939 Guild Report. With this in mind he has in the past year made inspections of 25 rings about which he had no information. Of these the great majority were found to be unringable. In addition he has rung in 36 towers in the Diocese in the year and has seen the bells being swung and observed frame movements, etc. The information so collected has been incorporated in the list given in this report of the rings and their present-day state.

The writer would like to record his thanks to Mr. Ronald Steward who has been of great assistance with ladders and equipment, and also to Mr. Leonard Last for so kindly organising outings to rings in the Diocese which are almost never rung so that an assessment could be made of their state.

A number of members of the Guild, and especially Mr. Trevor Bailey, have been very helpful with information on the state of some of our rings.

Excluding the East Bergholt ring which must be considered as abnormal, the 242 rings listed can be grouped thus :—

| | |
|---|---|
| Excellent ..... | 51 rings |
| Good ..... | 66 rings |
| Fair ..... | 35 rings |
| Poor ..... | 12 rings |
| Code 0 to 5 ..... | 78 rings |
| | 242 |

Of this latter category of 78, only 11 are listed as code 4 or 5 which could be rung at a pinch for short periods, and the remainder are quite unringable.

This position is far from satisfactory and Guild members should make every effort to get something done in the too numerous black spots.

R. W. M. CLOUSTON.

## MILDENHALL DISTRICT REPORT

The Mildenhall District held 6 meetings during the year. The Annual being at Lakenheath, and the others at Elveden, Exning with Newmarket, Brandon, Eriswell with Mildenhall, and Freckenham with Chippenham.

The attendances at the start were rather poor, but towards the end of the year they greatly improved.

Three peals were rung in the District, at Newmarket, Exning, and most appropriately, one of Elveden Surprise at Elveden.

ANTHONY R. MANN, District Secretary.

## SAXMUNDHAM DISTRICT REPORT

Four meetings were held during the year, the first two at Kelsale and Peasenhall with Yoxford had a disappointing afternoon, and it was only thanks to visitors from different counties that ringing was at all possible, fortunately things improved during the evening. The other meetings at Tunstall with Blaxhall and Leiston were well attended. Collections for the Guild Restoration Fund amounted to £1 : 1 : 7.

The name of Fred. Youngman will be missing from the report this year. Fred. has been unable to ring for some time now because of ill health and I am sorry he has decided to give up Suffolk Guild Membership.

The need for more recruits to take up ringing is always in the front and it is gratifying to know that training is going on at Aldeburgh, Kelsale and Leiston, but we must not stop this work if we are going to keep our Church bells ringing.

News has come to me of inspection of the bells and fittings at Rendham and a hope that the bells will be ringing again soon.

The proposed new districts came under discussion at the Leiston meeting, these will, if accepted by the Guild, make the administration work easier and better attendance at meetings.

One last word for 1958, don't forget to take the "Ringing World" in 1959.

A. R. BRIDGES, District Secretary.

## SUDBURY DISTRICT REPORT

Ringing Meetings during the year have been held at Cavendish (A.G.M.), Polstead, Kedington and Preston St. Mary, and there was an improved average attendance of 27. We also held a short series of Practice Meetings at Long Melford and Clare and most of these were quite well attended.

We again held a successful Supper and Social at Lavenham, this year, in December.

The recently restored peal of 5 bells at Gt. Thurlow is now to be made into a Peal of 6 by the addition of a new treble.

My best wishes to all for 1959.

ROSEMARY J. SEABROOK, District Secretary.

## THE SUFFOLK GUILD OF RINGERS

Repeat the first 24 courses, calling first course W and H and substituting W for H and H for M in all other courses.
A=B, H, M.
C=I
D=F, W, M, H,
Contains 6th extent home in tittums and tenors together.
Rung at Bury 1-11-58

## INDEX AND DIRECTORY OF TOWERS

The following code has been used to show the condition of the ring :

10. Excellent. Ball bearings, modern frame and fittings.
9. Excellent. Plain bearings, modern frame and fittings ; or ball bearings in an old frame.
8. Good going order.
7. Fair going order.
6. Poor going order.
5. Ringable if cleaned up and odd fittings and ropes provided.
4. Ringable with difficulty and a degree of risk after making odd repairs.
3. Unringable mainly because of tower, and/or frame arrangement and position.
2. Unringable mainly because of frame and/or fittings.
1. Hung dead.
0. Some bells unhung and on the ground.

While every effort has been made to ensure that the information given is accurate, the Technical Adviser would be very pleased to hear of any corrections.

## RINGING MASTER'S REPORT

During the year 78 peals were rung for the Guild, these came from 39 towers throughout the county and 5 on handbells. Although 4 of these were peals of Doubles and one of Plain Bob Major it's most encouraging that this interesting technique of our art has again been revived.

The tower bell peals were rung in a variety of methods on all numbers excepting Cinques. The first-ever has been rung at Gt. Thurlow. Our six bell bands, which include some young enthusiastic members, have made good use of the peals throughout the county.

That 'go anywhere' enthusiast, Bob Lester, is back on form and top peal scorer, while heading the list of conductors are our busy Secretary and R. W. Pipe.

Worthy of comment was the London Royal at Grundisburgh, although a mixed band it was the first for the Guild.

Personal praise goes to Mr. Frank C. Price in ringing 9—10 and conducting Bob Royal, also at Grundisburgh, to my mind a superb performance. Likewise again we must congratulate G. E. Symonds on calling "Holt's Original."

With the closing of the year we welcome back to the Helmingham band James Bennett, jun., but alas, will be sorry to lose after 30 years as Rector, Rev. J. A. Burness. His co-operation at all times has been very much appreciated. All will join me in wishing him and Mrs. Burness many years of retirement.

LESLIE G. BRETT, Ringing Master.

## GENERAL SECRETARY'S REPORT

Looking back over the year there does not appear to be any one item to brand it "spectacular." But is has been full of life and promise. We show an increase in membership of over 30, bringing our total Honorary and Ringing members to 493. This is most encouraging and we would wish our new members a very warm welcome and trust they will find every success and happiness in their endeavours.

Meetings have again been held throughout the Diocese and I would draw your attention to the fact that the success of these is in your hands. They are your meetings and it is what you put into them that counts.

There are signs of youth coming along in many parts of the Diocese and it is up to the more experienced ringers to help, instruct and encourage them in the art and so build a foundation which will enable our work to be carried on in sure hands in the years to come.

Perhaps the most significant thing in our minds at the moment is the re-organisation of the Districts. I sincerely hope that they will prove successful and there again it is up to every one of us to play our part.

Officers have been found ready and willing to undertake the duties involved and I wish them every success and if all members play their parts the seal of success will be guaranteed.

At this point I feel it only right that we should record our thanks to those Secretaries who have brought us to this stage. Some are giving way to younger members and some are carrying on in various capacities but I know that all of you will wish me to say a very big thank you to them.

The Annual General Meeting was held at Ipswich and proved to be most successful. The Service was held at St. Margarets and we are deeply grateful to the Vicar (Rev. A. H. Marks) and the organist (Mr. E. H. Bugg) for leading our act of worship.

The 1960 Annual General Meeting will be held at Bury St. Edmunds on Saturday, April 23rd, when the Service will be held in the Cathedral. The preacher on this occasion will be the Very Rev. J. A. H. Waddington, Provost of St. Edmundsbury. Full details will be advertised in the 'Ringing World' so make sure that you are in the know by sending your subscription now to Mr. J. E. Jeater, Greystones, Cusgarne, Nr. Truro, Cornwall (3 months 9s. 6d., 6 months 18s., 12 months £1 15s. 0d.).

We record with regret the passing of the Rev. Sowden, Percy Fordham, Edward Battle, William Smith and Frederick Youngman. We extend to their relatvies our deepest sympathy as we also do to the relatives of any others I may have omitted to mention through personal ignorance.

Two restorations have taken place during the year at Marlesford and Offton. The work was shared by both the leading Bellfounders and once more the Diocese is the richer by their skill. Grants were made from the Restoration fund in both these cases. Further work is anticipated during 1960 and we hope that both Aldeburgh and Eye will be in first class order by the time the next report goes to print.

During the year we succeeded in ringing 78 peals. A steady figure is, I believe, an apt description. The number of stars, however, are a favourable indication for the future.

The accounts show a small excess of expenditure over income. Whilst this is not exactly alarming it is an indication that income does not increase with the same rapidity as running expenses have. But there is an overlap in that another £10 due for 1959 will appear in the 1960 accounts as this was not in my hands soon enough to be included. On the other hand the cost of printing this report will be more than last year in spite of making economies. It might, therefore, be considered prudent to take some positive action during the coming year to correct this trend by 1961.

With these reflections on our activities I will close by expressing my thanks to all for their support which I greatly appreciate and trust that by our united efforts 1960 will prove successful in every way.

JOHN W. BLYTHE, General Secretary and Treasurer.

## TECHNICAL ADVISER'S REPORT

During the past year the writer has continued to inspect the contents of our church towers in the diocese. In the year he has submitted a further 46 reports making a total to date of 187. Of these 46 reports 15 covered rings of bells, being:- Monewden, Kersey, Hacheston, Stutton, Hoxne, Bury Cathedral, Worlingham, Covehithe, Market Weston, Bacton, Stanstead, Copdock, Blaxhall, Cretingham, and Charsfield. Of these only Stutton, Bury Cathedral, Covehithe, Copdock, Blaxhall and Cretingham are ringable. Covehithe bells were rung in changes during the year for the first time since 1939.

Faculties or Archdeacon's Licences have been granted during the year for rehanging the single bell at Barnby, and the three at North Cove, the latter are now to be hung dead. A small mid 14th century bell is to be installed in the spirelet, over the chancel arch at Lavenham.

The Diocesan Advisory Committee, of which the writer is a member, has expressed disapproval of a scheme to install loud-speakers and a gramophone in one of our church towers.

The bells of Eye and Rickinghall Inferior (3) are now away at the bell-foundries. Those of Offton and Marlesford have been returned to their respective towers after overhaul and augmentation and were rededicated during the year. Also a new treble to make six was added to Great Thurlow.

During the year the writer has been visiting a number of towers to obtain more information about the bells to revise the Index and Directory of Towers which appeared in the 1958 Guild Report. As a result a number of corrections are noted elsewhere. His thanks are due to Mr. Ronald Steward for considerable assistance in the towers and to Mr. Leonard Last for organising two outings to rings which are seldom heard so that their state could be assessed.

There are now quite a number of parochial authorities in no doubt about the unsatisfactory state of their bells. It must be the duty of every member of the Guild to do what they can to get the necessary work undertaken and to see that the bells which are in good order are reguarly rung for Sunday services.

R. W. M. CLOUSTON.

## BURY ST. EDMUNDS DISTRICT REPORT

Five meetings have been held at Bury St. Edmunds, Gt. Barton, Rougham, Ixworth and Mildenhall, with practices at Lakenheath and Bury St. Edmunds with only an average of 19.

Only two peals have been rung during the year both at Bury St. Edmunds and rung chiefly by visiting bands.

At a joint meeting with Mildenhall the following new Officers were elected: Ringing Master, Mr. R. Rose; Dist. Sec., Mr. A. F. Ballam; Ass. Dist. Sec., Mr. J. Y. Parker; Chairman, The Rev. Paul Greaves, L.Th.

Sunday Service ringing in the District is not very encouraging as likewise are the practise nights; there seems to be only West Stow and Rougham that hold weekly practices with good attendances at both and plenty of youngsters in training.

My best wishes to the working of the new District in 1960

L. WRIGHT, District Secretary.

## MILDENHALL DISTRICT REPORT

The year started well with the Annual Meeting at Exning with Newmarket, and meetings at Brandon, with the last of our district meetings at Elveden.

During the year evening meetings were held at Lakenheath, and Mildenhall. The combined meeting with the Bury district was also held at Mildenhall, where Mr. A. Ballam, of West Stow, was elected Secretary, Mr. R. Rose, of Rougham, as Ringing Master, and the Rev. Greaves, Vicar of Rougham, as the Chairman. Mr. J. Y. Parker was elected to Assistant Secretary.

Peals rung in the district include a Hand-Bell peal of Plain Bob Major at Newmarket, also a peal of Bob Doubles at Freckenham, with two district members ringing their first peal.

Deaths fell heavily on us this year. With the passing of Canon Sowden at Freckenham, a Quarter peal was rung half-muffled at Exning by members of the district. Also Mr. Percy Fordham, for over fifty years a ringer, a Quarter peal was rung half-muffled at Mildenhall, and a peal board dedicated by the Vicar to him. May they both rest in peace.

I would like to wish the new Officers the best of luck in 1960.

ANTHONY R. MANN, District Secretary.

## SAXMUNDHAM DISTRICT REPORT

Only one meeting was held in the District during the year at Benhall with Saxmundham in May. One arranged for Theberton had to be cancelled unfortunately. As I have been elected Secretary of the North-East District for 1960 there are two requests I should like to make. Will all members please make every effort to attend the quarterly meetings even if a little longer journey is necessary and will you please pay your subscriptions to your Tower Captain or Secretary early in the year so that they can be forwarded as soon as possible (See Constitution 4 c).

The Restoration of Aldeburgh bells is in progress. The order has been placed with Messrs. John Taylor & Co. and includes rehanging in a new frame capable of taking a further two bells and retuning. It is hoped that they will be reinstated by the middle of 1960.

The death occured in November of Mr. Frederick Youngman, of Leiston, at the age of 70 years. He had been a faithful service ringer there for over 50 years. We must also record the passing of Mr. William Smith, of Aldeburgh, a former District Secretary.

As a Ringing World representative I must repeat my footnote for 1958, only much more strongly. Don't forget to take the Ringing World in 1960 even though the price is now eightpence.

ALAN R. BRIDGES, District Secretary.

## SUDBURY DISTRICT REPORT

I think we can again look back on a successful year. Our Meetings at Long Melford, Assington, Acton, and Stoke-By-Nayland were all well attended, and our numbers of Ringing and Honorary Members are up.

By collections at our Meetings we have donated the record amount of £5 7s. 3d. to the Guild Bell Restoration Fund.

We look forward to 1960 and to the coming into operation of the new District, and we extend a hearty welcome to all our new members. We hope they will play a full part in our activities.

ROSEMARY J. SEABROOK, District Secretary.

## RINGING MASTER'S REPORT

A much improved year with 110 peals rung against 79 in 1959.

With only one peal of Max we record 11 of Royal. Of interest were two of London when more scored their first in this now popular and interesting method. Also Grunisburgh Surprise by C. J. Sedgley was rung for the first time as was the Major. Although no peal of Cinques or Triples were rung, there are three of Caters. 29 peals of Major were made up by a variety of Surprise methods and Double Norwich not entirely forgotten.

Undoubtably an interesting Minor year with 62, of these 18 were in seven methods, two of seven Surprise, 11 in more than seven methods—i.e. 9 (3), 11, 12, 13, 14, 15, 17 and 22.

Whilst congratulating the conductors, and all who took part in these peals, special mention goes to the 11 Surprise at Blythburgh only to be surpassed by 14 Surprise at Barking, a record for the Guild. Likewise the 12,240, in 17 methods at Askbocking also a record. To the band our congratulations. Two peals of Minor were rung on handbells. Les Melton calling his first "in hand," and the other the first peal by Miss Irene A. Cross of Exning, at the age of 14. "Well done."

Five peals of Doubles also include one on handbells,

These peals were rung in 42 Towers and the conducting was shared by 30, to be headed by Rod Pipe with 24.

Again this report would not be complete without mention of that young man of Ipswich, George E. Symonds, who at the closing of the year rang faultless in a peal of Cambridge Surprise Major—a shining example to all at the age of 86. Lastly, do **you** take the "Ringing World?" If not, start without delay by **post** and keep our only journal well maintained and cheap.

LESLIE G. BRETT, Ringing Master.

## GENERAL SECRETARY'S REPORT

On reviewing 1960 I think that we could describe it as a successful year. It has been one of considerable change in that from the beginning of the year the new districts came into operation. I had hoped that they would be an improvement and although the attendance at some meetings has not been as good as the officers would like the fact that our membership now stands at 514—an increase of 21—does speak well for the work that they have put in. We must do all that we can to attract young people to take up the art and there are signs of improvement from various parts of the Diocese which we hope will lead to more bells being rung regularly for Sunday Service.

This has been a good year for peals, a total of 110 being recorded. This is an increase of 31 over 1959. In this sphere Minor and Royal appear to have been the highlights.

It is good to note the spirit of progress and competition which has emerged. We regret however, that one band had the misfortune to ring a 'peal' which was afterwards proved false and therefore does not appear in these records. Peal No. 2465—one of Grandsire Caters rung at Grundisburgh in 1957—has also been found to be false and Mr. Roderick Pipe has had the painful task of withdrawing it. It will be seen that the peal totals have been adjusted accordingly. Whilst on this subject I must apologise for omitting a peal from the 1959 report and it will be seen that this has been printed this year. It is obvious from the individual peal totals that several of our members will figure in the Ringing World lists of leading peal ringers for 1960 and we must offer them our congratulations.

The Annual General Meeting was held at Bury St. Edmunds on April 23rd. This proved to be a successful occasion and our thanks are due to the Provost (the Very Rev. John Waddington), Archdeacon Norton, Canon Godfrey, the organist and verger at the Cathedral and the Bury St. Edmunds ringers for their co-operation.

Once more we have lost a number of good friends through death including Rev. Paul Greaves, Rev. F. S. W. Simpson, James Rumsey, George Pryke and William Weedon. To the relatives of these and any others I have failed to mention by name we offer our sincere sympathy.

The accounts have held their own this year showing a small excess of income over expenditure. Whilst this in itself is gratifying it must be remembered that expenditure was actually less than the previous year which showed an excess of expenditure over income. We have been enjoying the income from the sale of badges. The stock of these is almost exhausted and if we should decide to purchase a further supply this will greatly increase expenditure during 1961.

The Central Council Meeting was held at Folkestone at Whitsuntide when the Guild was represented by Mr. C. W. Pipe, Miss R. J. Seabrook and Mr. J. W. Blythe.

At the end of the year two energetic District Secretaries, Miss R. J. Seabrook and Mr. A. R. Bridges, relinquished office. I feel that I cannot let this pass without expressing our grateful thanks to them both. This does not mean we are without Lady Secretaries as Miss Evelyn Cansdale has taken over from Miss Seabrook and Miss Marion Branch, of Halesworth, from Mr. Bridges.

On the occasion of the visit of the Archbishop of Canterbury to the Cathedral at Bury St. Edmunds we were represented by Mr. C. W. Pipe.

With these reflections on the past year I will close by expressing my thanks to one and all for their support and hope that by our united endeavours 1961 will be even more successful.

JOHN W. BLYTHE, General Secretary and Treasurer.

## TECHNICAL ADVISER'S REPORT

During 1960 the writer has submitted a further 21 reports on the contents of our Suffolk church towers, bringing the total inspected to date to 208. Of these 21 reports nine related to rings of bells, being those at Stowmarket, Ipswich St. Mary at Quay, Bradfield St. George, Barnardiston, Elmswell, Burgate, Glemsford, Wissett and Stradishall. Of these Bradfield St. George, Barnardiston and Elmswell are quite unringable and the others though ringable, are in need of attention from the bell-hanger; Burgate has unfortunately a badly cracked tower.

The Diocesan Advisory Committee on the Care of Churches, of which the writer is a member, has considered a number of

faculty applications covering projected work on bells and towers.

A faculty has been granted to Aldeburgh to recast all except the present second bell of 1622 and to rehang the six bells in a new timber eight bell frame. This work is due for completion before Easter 1961.

The top of the tower at Trimley St. Mary (one Bell), has now been rebuilt and Westleton have a faculty to erect an open turret for one bell to replace the flint tower which fell down many years ago and the more recent timber structure which was destroyed by a land mine in the recent War.

Wissett tower is to be repaired and it is to be hoped that the parish will in due course be able to undertake the rehanging of the bells in a new frame.

The three bells at Thorpe Morieux are to be rehung and the existing frame strengthened.

The Eye bells are still at the bell-foundry. Examination of the bell frame and the support beams beneath which have been covered up by floor and ceiling boards has disclosed that it would be best if they were all replaced. Unfortunately this will involve the expenditure of a far greater sum than was originally envisaged; so please remember that the fund for these bells is still open and that Claude Rush, who has already done so much to raise money for this worthy cause, is very ready to receive your contributions. If more money is not forthcoming then the alternative is putting the bells back in the existing frame and support structure which will not give as satisfactory a job as we all hope for.

At Wickham Market it is proposed to put in a new first floor to the tower some 10ft. above the ground to make a new ringing chamber. This will allow the ground floor of the tower to be used as a porch and will shorten the draught of rope and will make the bells easier to handle.

Your Adviser recorded an interview for the B.B.C. during the year on his inspection work in the Diocese, and also addressed the Aldeburgh Festival, being greatly assisted by a number of members of the Guild who came along to ring hand-bells to illustrate the talk. From July 18th to 21st 1961 there is to be held an exhibition of church treasures from the Archdeaconry of Suffolk in Blythburgh Church and the writer hopes to put on view items relating to the bells in the Archdeaconry such as plaster casts, rubbings, etc.

Your Adviser's thanks are again due to Mr. Ronald Steward for helping him on his inspections and to Mr. Leonard Last for organising an outing to ring on bells to assess their state.

R. W. M. CLOUSTON.

## NORTH-WEST DISTRICT REPORT

There were four Ringing Meetings in the district, at Rougham, Euston, Newmarket and Mildenhall, and eight Practice Meetings, which were very well attended.

The collections at Ringing Meetings realised £3 5s. 6d. for the Bell Fund.

I would like to thank the members for their support and hope to have more support next year. I would also like to thank all those who provided transport.

ARTHUR F. BALLAM, District Secretary.

## SOUTH-EASTERN DISTRICT REPORT

I believe we can rightly claim to have had a very successful first year. Four meetings were held at Woodbridge, Offton, Ufford and Copdock, with an average attendance of around thirty.

There were over 40 peals rung by its members and we must congratulate Mr. E. G. Pearce, of Grundisburgh, who rang in no fewer than 33 of them, also Mr. R. W. Pipe, who rang 64 peals during the year, 32 of them for the Suffolk Guild, and conducted most of them.

Sunday service ringing takes place in a number of our churches but I feel that the effort of the ringers of St. Mary's Grundisburgh should not be passed by without mention. The bells were rung twice every Sunday and every Thursday evening throughout the year, and out of these 156 meetings the average attendance of its ten resident ringers was no less than 92.

We are sorry to lose our Ringing Master, Mr. L. N. Melton, who on January 2nd, 1961, joined the Royal Air Force. His presence in the years to come will be missed.

CLIFFORD R. LOVETT, District Secretary.

## WEST-CENTRAL DISTRICT REPORT

The new district got off to a good start and has worked well throughout the year. Four meetings have been held during the year at Palgrave, Buxhall and Gt. Finborough, Cotton and Barking with an average attendance of 31. Collections taken at those meetings for Suffolk Guild Bell Restoration Fund amounted to £6 1s. 8d.

Evening meetings have also been held at Walsham-le-Willows, Hinderclay, Oakley and Thrandeston which were also well attended, an attendance of over 50 being recorded at Oak-

ley. The membership of the district stands at 49 with 4 probationers being 5 up on the figures when the new district was formed.

During the year nine peals were rung in the District, one of major and eight of minor. Of these one at Barking in 14 Surprise Minor Methods was noteworthy, it being a record for the Guild.

Sunday Service ringing and practice nights vary throughout the District only a few being regularly well attended. I hope members will do their best to improve this unsatisfactory position in 1961. May I, in closing, wish the District every success in the coming year and thank the Chairman, District Ringing Master, and the Committee, for all the support and help they have given me during the past year.

H. S. MITSON, District Secretary.

## NORTH-EAST DISTRICT REPORT

Seven meetings were held during the year. Quarterly meetings at Leiston, Bungay, Southwold and Beccles, and practice meetings at Wenhaston with Blythburgh, Theberton with Yoxford and Marlesford with Wickham Market. The attendance at most of these left much to be desired apart from the Beccles meeting which proved most successful.

With the passing of Mr. James G. Rumsey we have lost a ringer of high standards, a good churchman, and a gentleman. His peal total of 310 included a good selection of Surprise Methods, some of them being the first to be rung in the method. Failing health compelled him to retire and also to give up active ringing several years ago.

So ends the first year of the Suffolk Guild's new districts and also my term as District Secretary after seven successive years in the office. I take my bow by moving to a new district because of a change of work.

A new secretary will be elected for 1961. Whoever it is be faithful and make every effort to attend meetings in your own district.

ALAN R. BRIDGES, District Secretary.

## SOUTH-WEST DISTRICT REPORT

Meetings during the year have been held at Lavenham, Hartest, Stratford St. Mary and Higham, Glemsford, and Bures. At this last meeting (the A.G.M.) Miss E. R. M. Cansdale was

elected to the office of District Secretary for 1961. In handing over my position I would like to thank all the members for their support during the past five years, and to wish Miss Cansdale every success in the office.

Mr. S. J. Twitchett and Mr. Allen W. Cansdale retain their positions as Chairman and Ringing Master respectively.

We regret the passing of the Rev. F. S. W. Simpson, of Long Melford, always a friend to ringers, and an Honorary Member of the Guild.

My best wishes to all for 1961.

ROSEMARY J. SEABROOK.

## OBJECTS

1. FEDERATION. To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.
2. RECOGNITION. To obtain full recognition of the ringers office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demand much time, skill and mental labour) may be placed upon a true and acknowledged basis.
3. PROMOTION OF CHANGE RINGING. To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, instructors when and where required.
4. REFORM. To promote a proper appreciation of the ringing chamber as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment thereof, as well as the preservation of the bells in an efficient condition; to advocate needful repairs and renovations and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

## CONSTITUTION

1. The Guild shall be known as the Suffolk Guild of Ringers for the Diocese of St. Edmundsbury and Ipswich.

2. The officers of the Guild shall consist of: The Lord Bishop of the Diocese as President, Patrons, Vice-Presidents, Ringing Master, Secretary, Treasurer, Auditor and Technical Adviser.

3. The Guild shall consist of (a) Ringing Members, (b) Probationers, (c) Junior Members, (d) Honorary Members, (e) Life Members.

(a) Ringing Members may be elected at any meeting where there are five other Members present, or, provisionally by two other Members, before starting for a peal. Ringing Members may be elected as soon as they have rung 120 changes on a tower bell or on two handbells retained in hand. The subscription of Ringing Members shall be 2s. 6d. per year.

(b) Probationers may be elected at any meeting where there are five other Members present. This grade of Membership is for those learning change ringing but who have not yet rung 120 changes on a tower bell or on two handbells retained in hand. The subscription of Probationers shall be 2s. 6d. per year.

(c) Junior Members under the age of 16 years, who shall pay half the annual subscription.

(d) Honorary Members may be elected on a life payment of £2-2-0 or 2s. 6d. per year.

(e) Life Members residing out of the Diocese, to make a single payment of 5s.

4. The Committee shall consist of the President, the Vice-Presidents, the Ringing Master, Secretary, Treasurer, Technical Adviser, the District Secretaries ex officio, together with one elected member from each District. The Committee will have power to co-opt two other members and elect their own Chairman annually. Five to form a quorum.

5. The area covered by the Guild shall be divided into districts, each of which shall have its own Chairman, Ringing Master, Secretary and Committee, who shall be elected at the District annual meeting. Each district will elect one representative to serve on the Guild Committee. The Secretary will:

(a) Arrange Meetings for practice.

(b) Arrange for instruction.

(c) Collect the subscriptions of all members.

N.B. In each company there shall be chosen a Secretary, or Captain, or Ringing Master, who shall collect all subscriptions as soon as possible after January 1st and send them to the District Secretary.

(d) Forward these subscriptions to the General Secretary together with his receipt book and details of any expenditure, at the end of the year for audit.

6. The Guild shall be affiliated to the Central Council of Church Bell Ringers, and shall loyally abide by the rules and decisions thereof.

## RULES

1. Subscriptions shall be due in advance, on January 1st annually.

2. Any member whose subscription is unpaid on December 31st shall lose his membership. No peal shall be recorded unless the subscriptions of all taking part in it are paid. Lapsed members may be reinstated on payment of 2s. in addition to the annual subscription.

3. Junior Members under the age of 16 may be elected on payment of half the annual subscription.

4. The Committee may allow a Tower to compound on payment of 2s. 6d. per bell yearly, this to include all the ringers whose names shall be sent to the Secretary at the time of payment of the annual subscription. The number of reports issued will equal the number of bells.

5. Should a ringing Member, having paid five consecutive years' subscription, remove from the Diocese, he may, without payment, become a Non-Resident Member for such time as he continues to reside outside the Diocese.

6. All ringing at meetings of the Guild shall be under the direction of a Ringing Master and shall be such as is approved by the Central Council. The decisions of the Central Council shall be recognised in recording any ringing performances.

7. A peal fee of 6d. per rope is payable in respect of all peals rung for the Guild. Conductors are responsible for collecting and forwarding them to the General Secretary. No peal will be recorded unless the peal fees have been paid.

8. The Secretary may pay on request, 2nd Class return railway fare together with a maximum of two nights hotel expenses to such representative attending the Central Council Meeting provided that the total indebtedness of the Guild for all representatives does not exceed £20 in any one year.

9. The Committee may remove a member from the Guild for a serious offence against the Objects and Rules, subject to appeal at a General Meeting.

10. The Objects, Constitution and Rules can only be altered by a General Meeting after three months' notice given at General Meeting.

## RINGING MASTER'S REPORT

Once again an average year, with 101 peals recorded, of these one of Bob Minor was rung in 'hand'. 10 peals of Surprise were rung by the Cheshire touring party during their few days in Suffolk and a good variety of methods are included in our local peals—Maximus three, two of them being Cambridge. Eight peals of Royal were rung again, six of Surprise including Birmingham, which was rung for the first time in the county, while only three of Caters (all Grandsire) were recorded. 39 peals of Major include 24 of Surprise, of these one was four spliced, London, Bristol, Cambridge and Superlative. Only one peal of Triples was scored, again Grandsire. Minor peals are again to the fore with 46, among the most interesting are two of 10 methods rung at Yoxford and Higham and 14 methods at Ashbocking. Only one peal of Doubles was rung. Yet again Cinques are missing from our records, as also is that most musical method, Stedman. Whilst it appears that Suffolk ringers still prefer"Tenor in," I still maintain that a peal of Stedman on ALL numbers is an achievement to any band. Do let us revive this interesting method.

Of the 47 towers where the peals were rung, Aldeburgh has had its first on eight, so rightly conducted by Mr. J. Pilgrim, whose initiative played so great a part in this augmentation. May he have a long retirement and ring many peals on this handy octave.

33 shared the conducting of these peals, to be headed once again by that talented ringer and conductor Rod Pipe, with a total of 21. During the year Roddy scored his 200th peal at 21, "good going," whilst his father rang his 500th. Congratulations to both and not forgetting his mother, who after a lapse of some 12 years has returned to the peal columns with a peal of Spliced Surprise, four standard methods. Also, 1961 saw the return home of brother George and Diana. Their stay, though several weeks, passed all too quickly, combining business with holiday restricted their ringing activities, however I am sure that they enjoyed the company of old friends and new. Whilst doing a great job "down under," their final home-coming will be eagerly awaited.

Yet again that "Grand Old Man" G. E. Symonds has added three more peals of Maximus to his credit. May he score his "century," in fact take part in many more.

A peal of Bob Major to commemorate the "first ever" to be rung by eight brothers 50 years ago was scored at Leiston. Congratulations to James and Ernest Bailey who took part—may they take part in many more.

At least 10 young ringers scored their first peal during the year, an encouraging sign, likewise to all who ring for services Sunday by Sunday throughout the county—on behalf of the Guild—THANK YOU!

LESLIE G. BRETT, Ringing Master

## GENERAL SECRETARY'S REPORT

This has been yet another useful year from the aspect of the Guild as a whole. 36 meetings were held and the signs of youth coming along were encouraging at many of these gatherings, although some were not so well supported as the organisers would have wished. With membership one up at 515 we have maintained our position numerically. But I would urge every competent ringer to examine his conscience and ask himself whether he is doing all he can in finding and teaching recruits. Many members are committed to extensive programmes of teaching and their work is to be highly commended, but more instructors are needed if some of our silent towers are to come to life.

During the year 101 peals were recorded. This would have been 90 had it not been for the 11 scored on behalf of the Guild by the Cheshire Ringers Peal Tour. In this total exclusive of the peals rung on the tour, we have to congratulate 10 first pealers and 86 first in a method or on a certain number of bells. In this sphere we must not overlook the benefits which accrue from getting youngsters through a peal as soon as they are ready for it, so don't be hesitant if asked to stand in somebody's first peal of Bob Minor. Whilst on the subject of peals we must congratulate all those who have passed milestones in their peal ringing careers and make particular mention of the following: Mr. C. W. Pipe (500), Mr. G. E. Symonds (450), Mrs. S. R. E. Pipe (275) and Mr. W. J. Button (250).

The Annual General Meeting was held at Ipswich and was quite well attended. The service was held in St. Margaret's.

In addition to the usual towers, Rushmere was also available during the afternoon.

We regret to have to record the passing of George Bennett (Otley), George Fleming (Witnesham), J. B. Parling (Halesworth), Wm. Stannard (Bury St. Edmunds) and George Wilson (Leiston). Our sympathy is extended to their relatives and also to any others I may have overlooked to mention by name.

Aldeburgh bells were augmented from six to eight during the year. Suffolk is now the richer by another delightful octave. Many ringers had the opportunity to enjoy these bells both on the dedication day and later at a district meeting.

Other restorations are pending and we hope that other towers will copy their example during 1962.

Our stock of badges has now been sold and the further supply ordered during the year has now been received. These are on sale by the District Secretaries at three shillings each. As they were not received until the end of the year the cost of these will appear in the 1962 accounts. This expenditure will absorb the whole of the increase in balance shown on the general account for 1961.

At the Central Council meeting at Stoke-on-Trent the Guild was represented by Messrs. C. W. Pipe and J. W. Blythe, apologies being received from the other representatives.

May I thank all members for the support that they have given during the year and hope that 1962 will be one of happiness and progress.

JOHN W. BLYTHE, General Secretary and Treasurer

## TECHNICAL ADVISER'S REPORT

During 1961 the writer submitted a further 18 reports on the contents of our Suffolk church towers, bringing the total to date to 225. Though this may sound quite a number it is just short of half the number of churches in the diocese, so there remains quite a bit more work to do before they have all been reported on. Of the towers inspected in 1961 nine contained rings of bells, being those at Cockfield, Monks Eleigh, Old Newton, Cratfield, Coddenham, Hitcham, Stowlangtoft (4 bells), Earl Soham, St. Mary's Bury. Of those Cockfield and Hitcham are quite unringable due to the bell frames and bell fittings; at the former the fourth, fifth and tenor are cracked. At Cratfield the tower is in a very seriously cracked condition and the bells are unringable because of it.

As a result of the inspection of the ring of five at Old Newton the bells were rung in changes for the first time it is thought for some 40 years. The treble is cracked, the second is poor in tone and all were rather hard work to ring. Monks Eleigh is in need of a new bellframe and the progressive deterioration of the going order of these bells is largely attributable to the movement of the existing one. This was originally designed for four bells and has been much modified and weakened to house six.

At Coddenham too the present bell frame of 1742-3 is far too flexible. The tower walls have been excavated in places to make room for it and four of the pits have iron bar ends which have very little rigidity. Two bells, the treble and seventh are cracked in their crowns and will need to be recast.

At Stowlangtoft the frame is designed for six bells, pits being left for two trebles. The four existing bells are in quite fair order though they have not been touched by a bell-hanger for over 100 years. The bell frame is not as adequately supported and clamped down as it ought to be and distorts as the bells swing.

Earl Soham bells were overhauled by Days of Eye in 1898 and put in a six bell frame. In 1903 a treble was added. Here a leaking tower roof has affected the third and tenor headstocks and other fittings need attention.

The tower at St. Mary's Church, Bury St. Edmunds, has a number of cracks in it at about the level of the base of the bell frame and examination has disclosed an unsatisfactory state of affairs which will involve inserting a reinforced concrete girdle at about this level. It may be convenient at the same time to install a new bell frame to ensure that the trouble is completely eliminated.

The bells at Eye have been re-hung in the existing bell frame which has been strengthened and more adequately supported than hitherto. The Rededication Service is expected to be in the Spring. In the year the augmented bells at Aldeburgh were dedicated and the single re-cast bell at Westleton was hung in a new turret.

The five bells at Great Glemham are now connected to a chiming manual and the change ringing ropes have been removed. When last rung in full circles the frame distorted appreciably and a new one is necessary; unfortunately the parish felt unable to afford a new one now.

The Diocesan Advisory Committee for the Care of Churches has considered bells on a number of occasions though a large number of faculty applications have related to repairs to the fabrics and heating problems. At our last Guild Annual General Meeting I did mention that the Committee had no power to ensure that churches put their bells in order; at the moment, with every church being inspected every five years by an approved architect, a great deal of trouble is being noted with roofs, masonry, timberwork generally, etc., in the church proper, which has to be put right as a matter of some urgency. Also the problem of the redundant churches is not finally resolved, many of these churches are to be found in East Anglia and a number will have rings of bells.

During 1961 the Diocesan Advisory Committee, on which your Adviser serves, approved a new scheme for the rebuilding of Orford Church tower, the first stage will be to a level somewhat below where the bell frame will finally be.

The four bells at Tostock are to be lowered to the ground and then re-hung at a later date when funds permit.

The writer was present when the Cretingham bells were rung in changes recently, the bells were found to be in quite good order after the mild steel frame and the fittings had been treated and painted. Unfortunately with the bells being rung a crack in the centre of the east wall over the tower arch into the church opens and shuts to a degree that causes concern, and until the wall can be strengthened at this point, ringing will have to be limited.

During 1961 your Adviser made two B.B.C. Television appearances to explain about bells and ringing to children in the Blue Peter magazine programme.

One of the more hopeful signs is the impending launching of an appeal for the overhaul of the bells and the organ of St. Mary-le-Tower Church, Ipswich. It will be remembered that the Guild donated £25 for the work on the bells as long ago as 1956. So it is to be hoped that it will now not be too long before we have a really first class ring of twelve in the Diocese.

Your Adviser must again record his thanks to Mr. Ronald Steward for his considerable assistance during the inspections noted above, and for organising an outing to ring on bells to assess their state.

R. W. M. CLOUSTON

## NORTH-WEST DISTRICT REPORT

There were four meetings held in the district at Horringer, Elveden, Ixworth and West Stow, and eight practice meetings, with good attendances.

The collections at ringing meetings realised £4 10s. 5d., for Bell Fund. In the last two years there has been an increase of 19 new members, mostly young people.

We regret the passing of William Stannard of the Bury St. Edmunds company. He was a good supporter at meetings in the district.

I sincerely thank everyone for their support.

ARTHUR F. BALLAM, District Secretary

## SOUTH-EAST DISTRICT REPORT

Four quarterly meetings were held during the year at Grundisburgh, Hollesley, Stutton and Henley. These meetings were well attended and enjoyed by all.

We were very pleased to welcome seven new ringing members.

We regret to record the death of Mr. Geroge Fleming, of Witnesham, who was for so many years a member of the Suffolk Guild.

I should like to thank members for their support during the year.

C. R. LOVETT, District Secretary

## WEST-CENTRAL DISTRICT REPORT

The district has had another good year on the whole, with meetings held at Stowmarket, Wickham Skeith, Badwell Ash and Gt. Ashfield, and Rattlesden with Drinkstone, with an average attendance of 26. It would be very encouraging to see more members of the West-Central District attend the meetings in their own district. The collections taken for the Suffolk Guild Bell Restoration Fund amounted to £3 9s. 0d.

Four evening meetings have been held at Redgrave, Cotton, Rickinghall with Thornham Magna, and Wetherden. The attendance was only fair. The membership again shows a further rise to 59, a net increase of 10. This figure consists of 48 members and eleven probationers.

May I in closing thank the Chairman and District Ringing Master for their support during the year and wish the district every success for the future.

H. A. MITSON, District Secretary

## NORTH-EAST DISTRICT REPORT

Four meetings were held during the year, three quarterly meetings at Halesworth, Leiston and Aldeburgh, and one practice meeting at Wenhaston and Blythburgh. The average attendance at the meetings was thirty.

There were 18 peals rung during the year. Congratulations to Dr. Bedford who rang his 100th peal in 1961.

I would like to thank all the people who have helped me during my first year as District Secretary and I hope to have as much support during 1962.

MARION E. BRANCH, District Secretary.

## SOUTH-WEST DISTRICT

My first year of office, I regret to say, has not been a successful one. We have had four meetings at Preston St. Mary with Monks Eleigh, Polstead, Clare and Stoke-by-Nayland

(A.G.M.), with an average attendance of 25 (16 district members), which is not very high considering we have nearly 100 paying members. I sincerely hope we shall be better supported in 1962.

It is pleasing to know that there are a few live places in the district, but how much better it would be if we could make the whole area active, which I feel sure we can do if we work together.

I have not found it possible to visit many district towers but I am given to understand that Sunday service ringing is well maintained in most churches, which is the first duty of each member, even so we should like to see more of you at our meetings, where we enjoy the fellowship of other ringers.

May I suggest three resolutions for 1962, to recruit a new ringer for your tower, to visit a neighbouring practice say once a fortnight and, dare I say it, to make an effort to attend at least one district meeting and the Annual General Meeting of the Guild.

EVELYN R. M. CANSDALE, District Secretary

## RINGING MASTER'S REPORT

Peals rung during 1962 total 56, the lowest since 1955 when 51 were recorded.

Once again our Minor friends have taken the lead with 23, against 19 of Major.

This was mainly due to the enthusiastic band at Barking, and those who ring in the Halesworth area. The major peals include Glasgow and Kendal Surprise, rung in the County for the first time, and a few other Surprise methods, otherwise these peals are of a very low standard.

Royal include London, Cambridge, Yorkshire, Pudsey and York Surprise, taking part in the latter enabled Mrs. S. R. E. Pipe to ring peals of York on 6, 8, 10 and 12 bells. Of the three peals of Maximus (Yorkshire and Cambridge 2) one was the 100th peal of Maximus by George E. Symonds, a record held by a minority. All, I am sure, will join me with congratulations on this fine achievement, not forgetting those who helped him to reach his goal.

Two peals of Caters, one of Triples and one of Doubles were recorded; again no peal of Cinques or Stedman was rung. These peals were rung in 35 towers, and 23 shared in the conducting, to be headed this year by John W. Blythe with 14.

Five young members scored their first peal.

Eye has had its first peal since re-dedication, so rightly conducted by the District Ringing Master, Robert E. Lester.

During the year 56 quarter peals have been rung, most of these for services, "Good Going" from 29 towers, Barking 7, Grundisburgh 5, Exning 5 and Rougham 4.

It is most pleasing to know that over the county several young pupils are getting interested in our art. At Halesworth John Blythe has a band making good progress, Walter Bailey at Higham is over-run with beginners, while Howard Egglestone is doing good work at Henley. Wherever a band has a recruit, I wish them every success.

During the year Mr. L. E. Last has done a grand job lecturing on bells and ringing in the county. Result so far—Wetheringsett bells are being rung regularly again.

With the Ladies Guild visiting the County in 1963 for the first time, why not make it a record year?

LESLIE G. BRETT, Ringing Master

## GENERAL SECRETARY'S REPORT

In some ways this has been a disappointing year. Activity does not seem to have been quite so prolific as in some recent years, but, it is to be hoped that 1963 will show a reversal of this trend.

The attendance at meetings has not been as good as your officers would have wished and it is to be hoped that members will make a greater effort to support them in the coming year. The Annual General Meeting was held at Bury St. Edmunds

and was one of the best we have had with extra towers being available and tea being most successfully arranged by Mr. Wright and the ladies.

Membership is slightly down at 489 but in some parts of the Diocese there are quite a good number of young ringers coming along and in fact have been prominent at some of our gatherings. We should do all we can to encourage and extend this trend and give them all the assistance we can to improve their standards of striking and ringing generally. Your Committee have this foremost in their minds and it is to be hoped that it may be possible for a week-end course to be arranged at Belstead House in the not too distant future.

Peals numbered 56 during the year. Five members rang their first peal and many more passed notable milestones in their peal ringing careers. The Ringing Master refers to some of these highlights in his report but I feel that we must congratulate all who have achieved successes in this sphere. Whilst I do not wish to encroach upon the Ringing Master's domain I would urge all beginners to aim at ringing their first peal. The benefits which accrue from the experience of peal ringing do much to improve the standard of striking for Sunday Service ringing.

This year has seen the restoration of the ring of eight at Eye. We all know the efforts made by Mr. Claude Rush to bring this project to completion. It is, therefore, gratifying to know that we have another octave in first class order. Work is contemplated at Hartest to augment the existing ring of five to six and we hope that 1963 will see the completion of this worthy scheme. Plans are being considered for restoration work at Bury St. Edmunds and Ipswich and whilst these are probably of a more long term policy we still welcome them and look forward to the day when they will be carried out.

The Central Council meeting was held at Cardiff at Whitsun when you were represented by Messrs. C. W. Pipe and J. W. Blythe.

The supply of badges received at the end of 1961 have been on sale during the year and any member who is still in need of one can obtain it from any of the District Secretaries.

The Accounts for the year show a large excess of expenditure over income. The purchase of badges is the principal item of expenditure to account for this. A donation made to the Melbourne Cathedral Appeal is also of a non recurring nature, but, the remainder is attributable to a variety of reasons. Whilst I anticipate that the 1963 accounts will not show such a rapid decline in our finances due to compensating factors it is obvious that we must now take steps to arrest this trend. Your Committee has, therefore, recommended that the annual subscriptions be increased in 1964.

May I thank all members and Officers who have given their support during 1962 and trust that by our united efforts 1963 may prove to be a better and happier year.

JOHN W. BLYTHE, General Secretary and Treasurer.

## TECHNICAL ADVISER'S REPORT

During the year your Technical Adviser continued his work of inspecting and reporting on the contents of our Suffolk towers and completed 16 reports, bringing the total to date 241. Of the 16 towers, 12 contained rings of bells, being those at Little Stonham, Groton, Edwardstone, Bildeston, Newton Green, Lidgate, Great Waldingfield, Lawshall, Moulton, Horham, Little Waldingfield, Ipswich St. Mary-le-Tower. All except the last are unringable.

At Little Stonham (5) the tenor is cracked in the crown and the bell frame and gear are much decayed due to a leaky roof. At Groton (5) the treble has been cracked at the lip by unsafe clocking, a method which was being used on the others. The frame is wedged to the walls at bearing level and a new frame and gear would be required to permit change ringing again. Bildeston (6) has a cracked pre-Reformation treble. Of the others, only the fifth was being used and that was unsafely clocked. It has been said that the tenor is cracked, but the writer could find no evidence of this, though the bell is a poor one musically, due, perhaps to being too thin. The rope circle is peculiar, being clockwise 145326, and the gallows type frame, part oak, part soft wood, has all the bells swinging the weakest way of the tower. Here again a new frame and gear will be needed before the bells can be swung in full circles.

The tenor at Newton Green (5) has a porous zone in the crown and is quite unfit, even to swing chime. The frame is a hotchpotch of timber and is now quite unfit even for a light ring of bells.

Lidgate (5) has the third and tenor cracked at the lip, the frame and fittings are seriously delapidated and are held up by two rolled steel joists inserted underneath in modern times.

Great Waldingfield (6) are by Briant of Hertford, 1800, with the fourth re-cast Warners, 1876. The frame is 6ft. 4in. high and sits on three courses of brick mounted on a timber grillage, a most unusual use for brick. Unusually for Briant bells, they are quite a bit out of tune, the second and fifth being nearly half a semitone sharp compared with the tenor. Here, too, the frame has seen its best days, the fittings are decayed and the bells need quarter turning. Currently Ellacombe hammers are used.

At Lawshall the writer had expected to find six bells, but the tower never seems to have contained more than the present minor five. The third is cracked at the lip. Chiming hammers have been used since about 1902 and the gear necessary for change ringing is fragmentary or absent. Peculiarly the third wheel has the garter hole at 12 o'clock with the bell down, those on the treble and tenor are normal.

At Moulton (5) the second, fourth and tenor are cracked in the crown and all are unsafely clocked. The bell frame supporting structure was found to be very decayed and some action will soon have to be taken to adequately support the bells.

Horham has the oldest existing ring of eight bells in the whole of England. There were earlier rings of eight, but they have all in part or completely been re-cast in later times. At Horham the latest bell is the treble dated 1673. The last peal was rung here in 1911 and now the frame and gear is much decaped, but of considerable interest. The writer has in hand an article for the Ringing World on these bells. The rope circle clockwise is 15643278 and the fifth and tenor to-day only have three-quarter wheels, i.e. the rim only covers an arc of 270 degrees.

Little Waldingfield (5) tenor seems to have been re-hung about 1900 and the fittings are quite good, but the state of those on the other rule out change ringing as the headstocks are so weak. The frame is decayed and has been wedged to the walls at bearing level. The medieval ladder to the bells is of interest, others are to be seen at Boxford and Orford.

Ipswich St. Mary-le-Tower (12) has an unsatisfactory part wood and part metal frame. Tonally some of the lighter bells are much below any reasonable standard. In order of poorness, the worst first, the writer suggests:— Fifth (Warners 1866), Fourth (C. Hodson 1683), Treble (Warners 1866), Ninth (Warners 1866), Second (Taylors 1845), Sixth (Darbie 1671). The writer feels that some re-casting will be unavoidable if the musical properties of the ring are to be brought up to a reasonable standard and he has suggested that the front six and the ninth should be re-cast. The new frame should make provision for either a flat sixth or a sharp second, depending on whether the ninth is to be re-cast or not.

The Diocesan Advisory Committee for the Care of Churches has considered a number of faculty applications connected with bells. The scheme to add a treble to the five at Hartest was approved. The three bells at Martlesham are to be re-hung for swing chiming, and the tenor, which is cracked, re-cast. The brick top of Nayland tower is to be removed as the pinnacles are unsafe and a timber framed spire is to be installed instead. This will make its appearance to be much the same as in Constable's day. The bells are to be re-hung in a new frame lower down the tower. The Committee has also considered John Marven's tomb in Copdock churchyard. He was a noted Suffolk ringer and died in 1789, aged 34. His tomb is a fine one and its restoration has been recommended.

During the year Eye bells have been re-dedicated after re-hanging and re-casting the tenor. They now go much better than formerly and the musical effect is much improved.

Worlingworth (8) bells have been rung for the first time for some years, the silence being due to repairs to the fabric; unfortunately the tenor is cracked in the crown and the tone is affected.

Ipswich St. Nicholas (5) were also rung for the first time for quite a period; it is reported that the bearings are much worn, causing considerable knocking. The front four are in driven-in bearings with wood boards over, installed probably over 100 years ago. Those for the tenor are in cast iron boxes and are thus more recent.

Your Adviser's thanks are due to Mr. Ronald Steward for his help and information.

R. W. M. CLOUSTON

## NORTH-WEST DISTRICT REPORT

There were four ringing meetings and seven practice meetings with one joint practice meeting at Long Melford in the year, which was very well attended.

We regret to report the death on February 11th of Mrs. C. Stannard, of Fornham All Saints, who was a great Church worker, and her services will be sadly missed. Our sympathy goes out to Mr. Stannard, a member of the Bury St. Edmunds company, in his sad and sudden loss.

Once again the end of the year has come and now it is my turn to sincerely thank all members near and far for their support.

ARTHUR F. BALLAM, District Secretary.

## SOUTH-EAST DISTRICT REPORT

Our quarterly meetings were held at Woodbridge, Ufford, Sproughton and Henley with an average attendance of twenty-five. We were particularly pleased to visit Sproughton, where there had not been a meeting for some years, and to meet the new incumbent, Rev. E. A. Wells. At Henley eleven probationery members were elected, eight of them being from the local tower where they are being taught to ring by Howard Egglestone, who, together with his wife Margaret, is a welcome newcomer to the district.

At the first meeting of the year new officers were elected and amongst those retiring were Messrs. C. R. Lovett and C. W. Pipe, to whom thanks are due for the work they have done in the past, both for the present district and its forerunner.

Although 1962 was a quiet year for peals, two fine individual performances by our members must be mentioned. George Symonds rang his 100th peal of Maximus in March and in August Roddy Pipe called the first of Glasgow Surprise for the Guild. Congratulations to both.

At long last the launching of the appeal for the St. Mary-le-Tower Restoration Fund has been made. At the time of writing some £10,000 of the £25,000 required overall has been raised. The re-hanging of the bells is planned, but this will have to take its turn after more urgent church works. Still, perhaps it won't be too long now before we have a good ring of twelve again.

Looking forward to 1963, let us strike an optimistic note and hope that the small increase in paying members for 1962 will result in better attended meetings and more intermingling by the various bands in the district, after all that is one of the objects of our Guild. More important, however, let us hope that we will be more successful in our efforts to find and train recruits and so provide more Sunday Service Bands.

In conclusion I would like to thank all those who have helped me with my duties in the year and at the same time wish, most sincerely, all members of the Suffolk Guild a very successful 1963.

J. B. MORLEY, District Secretary.

## WEST-CENTRAL DISTRICT REPORT

Nineteen-sixty-two has been disappointing in more than one way. Firstly the poor number of district members who turn up at the meetings held in the district throughout the year, there were only six present on two occasions. Secondly, the Sunday Service Ringing has also fallen away very badly which is very discouraging and practice nights are almost a thing of the past throughout the district.

Four meetings have been held during the year at Palgrave, Wetherden, Eye and Oakley with Brome, also evening meetings at Barking, Rattlesden and Mendlesham.

The great high-light of the year in the District was the dedication of the eight bells at Eye which now make a very fine octave in a district which is very short of rings of eight.

May I in closing thank the Chairman and Ringing Master for their support during the past year and hope the district may have a more active year in 1963.

H. A. MITSON, District Secretary.

## NORTH-EAST DISTRICT REPORT

Eight meetings were held during the year, four quarterly meetings at Bungay, Halesworth, Leiston and Southwold, and four practice meetings at Saxmundham, Blaxhall, Peasenhall and Yoxford and Wickham Market and Marlesford. The average attendance at each meeting was twenty-five and it was very encouraging to see so many young ringers in attendance.

I should like to thank all members for their support during the year.

MARION E. BRANCH, District Secretary.

## SOUTH WEST DISTRICT REPORT

May I begin my report by wishing every happiness for the future to Rosemary Seabrook and Roger Palmer who were married at Clare in October also to Barbara Matthews, of Higham. Unfortunately both these lady ringers have left the district.

We have had an average year with four meetings at Haverhill, Great Thurlow, Glemsford and Lavenham. Mr. and Mrs. R. A. Vestey, of Great Thurlow Hall, have offered us a Cup to encourage ringing in the district, which we have decided to accept.

I should like to thank all members who have supported me in 1962, but hope we shall see a few fresh faces in 1963 as well as the "old faithfuls."

EVELYN R. M. CANSDALE, District Secretary.

Mr. G. E. Symonds and Mr. R. Whittell

**Hon. Technical Adviser:**

Mr. R. W. M. Clouston, Lavenham, 1 Canons Close, Radlett, Herts.

## GENERAL SECRETARY'S REPORT

1963 saw the amalgamation of the two Central Districts into one with the following adjustments. Framlingham, Fressingfield, Cratfield, Laxfield, Mendham, Dennington, Weybread and Badingham have been transferred to the North East District. Ashbocking, Blaxhall, Easton, Monewden, Otley, Tunstall, Wickham Market and Hacheston are now in the South East District. It is to be hoped that this arrangement will now prove satisfactory.

The Guild approved the following subscription rates to operate from January 1st, 1964, together with the abolition of compound subscriptions. Resident and Hon. Members 5/- annually. Junior members under the age of 16, 2/6 annually. Non resident Life members, one payment of 10/-. The qualification of members with five years consecutive subscriptions to their credit to be able to become non resident life members without further payment should they remove from the Diocese to remain in force.

The Ladies Guild honoured us by holding their Annual General meeting at Ipswich during the year. This was the first time that it had been held within our territory.

The first Striking Competition to be held took place at Bredfield on August 31st, and proved to be a most successful afternoon. The winning band was led by Mr. Howard Egglestone of Henley and were presented with the Shield so kindly donated by Mr. Hubert Mitson. This is to be an annual event and it is to be hoped that the weather will always be as kind as it was at Bredfield.

Another new venture, which it is hoped that it will be possible to repeat, is a week-end course of instruction for would be instructors and conductors, to be held at Belstead House, Ipswich, January 21st to February 1st, 1964. This has been very kindly sponsored by The East Suffolk Education Committee.

The accounts show an excess in income over expenditure which is very gratifying after the trend of 1962. This is due very largely to reduced expenditure and shows that 1964 will prove that the increase in subscriptions which takes place then is necessary.

Further bell restoration has been carried out at Hartest and a grant was made to that parish from the Bell Fund.

The Central Council Meeting was held at Great Yarmouth when all four representatives attended.

In conclusion may I thank everyone who supported the Guild in any way during the year especially Mr. and Mrs. Frank Lufkin who so kindly judged the Striking Competition.

JOHN W. BLYTHE, General Secretary and Treasurer.

## RINGING MASTER'S REPORT—1963

Once again a low peal year with only 55 to record, a decrease of one from 1962.

As our only 12 are not now pealable it is obvious no peals of Cinques or Maximus were rung. Anyway, there are four peals of Royal, but only one of Caters (Grandsire). 23 Peals of Major, included 13 of Surprise "Biddenden" rung in the county for the first time.

Our Grundisburgh friends finished the year with the one and only "Bob Triples". Again the Minor bands have topped the list with 25, several in seven or more methods. Two of Doubles completes the total.

These peals were rung in 38 towers and 29 shared the conducting, again headed by J. W. Blythe with eight, Ernest Steward calling his first and Miss R. Browne of Blaxhall ringing her first.

Peals of special mention are: St. Matthew's, Ipswich, "first" for 25 years.

The "Alan" peal at Lavenham, three of which reside in the county.

To Alan Munnings, congratulations, it is certainly unique an honour to ring a name peal for one's first.

Bob Major at Henley: Stanley Bloomfield, although he has been ringing for 30 years, has scored his first.

Not forgetting that stalwart of Leiston fame, Reg Kersey, who has made a come back after 30 years, is to continue, it is hoped.

Joe Roast and his band from over the border rang "London" at Lavenham, the only peal for the Guild in memory of President Kennedy.

First peal credit also goes to John Byatt (15) and William E. E. Pye (14). It is certainly great to see again that once familiar name in the peal columns and that it should be rung in a Suffolk tower.

Although quite a lot of bells are still silent in the county, maybe through lack of ringers or repair, it is most encouraging to know that 61 quarter peals, in 30 towers, were rung, most of these for some form of service.

Congratulations also go to our Rougham friends who rang 48 720's in 20 different methods. Good Going!

Credit goes to the Barking band who head the quarter peals with seven, while Elveden has five. How encouraging to see this once very quiet tower coming to the front.

The remains of the Framsden band have assisted in Service ringing in several places.

Ringing with a difference, for the first time took place in Ipswich during Christmas, when several young ringers played "Carols", etc., on the Town Hall steps in aid of S.M.L.T. bells. To Howard Egglestone, as instructor, G. R. Goodship and all who took part. Well Done.

LESLIE G. BRITT, Ringing Master.

## TECHNICAL ADVISER'S REPORT

During 1963 your Technical Adviser reported on the bells in a Further 25 Suffolk towers bringing the total to date to 266, which is rather more than half the total of some 500 towers in the Diocese.

Of the 25 towers concerned 11 contained 4 or more bells, being those at Mendlesham (5), Dalham (5), Lavenham (8), Gazeley (6), Great Cornard (5), Little Cornard (5), Sapiston (4), Chevington (5), Worlington (5), Ipswich St. Mary at the Elms (5), and Mendham (6).

At Mendlesham it is hoped in due course to add a treble to make six and hang the new bell in the space provided in the frame when they were last rehung by Days of Eye in 1897.

At Dalham there is a very interesting pre-Reformation bell frame 16 ft. square in plan by 13 ft. 10 ins. tall, a veritable 'cage'. On my visit we rang the three tenors in full circles and the two trebles half up. There is some frame movement and the headstock on the third is in a poor state. With ropes the bells would be just about ringable but it is reported that they were rather hard work when last rung.

At Lavenham the existing frame is as old as the top of the tower, 1525. It is not in good condition due to extensive decay, and though some members are 17 ins. square in section the long term position is unsatisfactory. Consideration is now being given on what action to take.

Gazeley bells are now unringable. Most are very worn where the clappers strike, the fourth bell headstock is in a very bad condition and the N gudgeon on the fifth is loose on the stock.

Great Cornard were hung dead in 1947 when the treble was recast. Now the clock dial rod, installed in 1951, passes right through the centre of the elm deadstock supporting the tenor!

Little Cornard also has five bells and these too are quite unringable. In fact there were piles of sticks by three of the bells up to the crowns. The fourth is cracked, and the third probably so though the sticks made the exact location of the crack diffiult.

The four bells at Sapiston are sound but their fittings and frame are in a very poor state indeed. The pre-Reformation 8½ cwt. tenor has never been turned and is worn to a depth of ½ in. on one side, wear in excess of ¼ in. can be considered dangerous!

Chevington bells were last rung about 1930. They were rehung with new fittings in a new frame by Bullock of Ixworth in 1905 and a peal was rung on them in 1907. There is a dummy upper section to the tower, added about 1800, which has been causing trouble over the years.

Worlington tenor (8 cwt.) is a fine bell bearing the name of John Godynge of Kings Lynn who was working about 1310. In 1850 Taylors added a treble to make five and recast the present fourth. They were all hung with new fittings in a new frame at the same time. Now the timberwork is extremely badly wormeaten and decayed and the bells are quite unringable.

The five at St. Mary at the Elms, Ipswich, have had little done to them since 1800 and are now in a serious condition even for swing chiming, mainly due to weak securing straps, very worn soundbows, and a clapper which is too long. The anti-clockwise circle has the treble rope falling between second and third.

At Mendham the rope circle is exactly the same and only the tenor of the six is safe even to swing chime; the others suffer from a too long clapper, very loose in headstock, seriously worn in soundbow, and the fifth has a badly broken lip which has affected the tone.

The five at Tuddenham St. Mary, by Mildenhall, are chimed from a manual and are now quite past swinging in full circles. The diagonally mounted frame is in a bad state and the fittings are fragmentary.

At Blaxhall it is intended to rehang the six bells in a new lowside cast iron frame with entirely new fittings. The present frame distorts and the fittings are basically those of 1881.

At Exning it is hoped to put the organ in the lower stage of the tower and the new ringing chamber will be on the first floor to be reached by a new internal staircase.

At Stoke by Clare a heating system is to be added on the ground inside the tower by the nave wall. This will involve a slight rearrangement of the ground floor ringing chamber. The clock occupies the first floor and ringing will have to continue from the ground.

At Nayland the brick upper section of the tower put on in 1832 and replacing an earlier timber spire has been removed as the pinnacles were unsafe. A new timber spire is to be erected and the bells, which are now at the foundry, will be rehung in a new frame lower down the tower than formerly.

At nearby Wissington the tenor to three which has been in two pieces for many years has now been lowered to the ground.

At Hartest a new treble to make six was dedicated during the year, and an Ellacombe chiming system has been installed for the five at Groton which will be much safer than the clocking in use at the time of your Adviser's visit.

There were fragments in Coddenham ringing chamber of a chandelier presented by Theodore Eccleston in 1740. He was instrumental in getting the present Coddenham eight cast and Stonham Aspall made ten and was Master of the Ancient Society of College Youths in 1750. The chandelier has now been restored to its former state and it is to be hoped that in time the bells he gave to this church will be overhauled.

At Martlesham the cracked tenor to three has been recast and all have been rehung with new fittings for swing chiming.

Your adviser has now had a personal look at all the unringable rings of bells in the Diocese, and he has made detailed reports on the state of a good many of them. He is sure that if change ringing could be made to flourish in the area many of them would be overhauled but as it is the parishes do not feel like spending over £1,000 on a set of equipment which probably will not be fully used.

R. W. M. CLOUSTON.

## NORTH-WEST DISTRICT REPORT

Four ringing meetings were held during the year at Mildenhall, Rougham, Ixworth and Lakenheath. The attendances were fair and it is to be hoped that they will be better in the coming year.

Membership has dropped slightly during the last two years. Practice meetings held during the year were well attended.

It is with deep regret that we record the death of Mr. J. W. Jennings of Whepstead, which occured quite suddenly at his home last August, at the early age of 53 years. He was a most reliable ringer who will be sadly missed and our sympathy goes out to his wife and family.

Once again the end of the year has come and I sincerely thank everyone for their support.

A. F. BALLAM, District Secretary.

## SOUTH-EAST DISTRICT REPORT

Our quarterly meetings were held at Ipswich, Holbrook and Stutton, Hollesly and Rushmere St. Andrew, with a fairly good attendance at each meeting. It was pleasing to see the younger members in company with the "Old Faithfuls".

We regret to report the untimely death of one of our Hon. Members, Mr. S. Goodwin of Grundisburgh. He will be remembered as a good friend to ringers and a good Church worker.

Mr. D. Buxton of Grundisburgh has taken up an appointment in South Africa. We wish him and his wife success and happiness. Mr. A. Clarke, also of Grundisburgh, has taken up employment in London and we wish him all the best. We welcome back to the Guild Mr. and Mrs. G. W. Pipe. I am sure that when they settle into their new home they will be a great help to us all.

Mr. H. Egglestone is making good progress with his young band at Henly, as also is Mr. A. Beckwith at Ashbocking. We wish them every success.

May I, in conclusion, thank everyone who has helped me as Secretary. Good Ringing in 1964.

E. G. PEARCE, District Secretary.

## SOUTH-WEST DISTRICT REPORT

We have held meetings in 1963 at Hadleigh, Stratford St. Mary and Higham, Polstead and All Saints, Sudbury (A.G.M.), with an average attendance of 22.

During the year wedding bells rang for two Bures ringers, Allen W. Cansdale (District Ringing Master), and Donald L. Mills—we wish both couples every happiness for the future.

We regret having to report the deaths of Canon J. D. Barnard (Honorary Member of Cavendish), and Mr. L. Poulson (Ringing Member of Little Waldingfield).

May I thank everyone who has supported me throughout the year, and with Mr. L. D. Mills and Miss J. Cant every success in their new offices, as District Ringing Master and Secretary.

(Miss) EVELYN R. M. CANSDALE, District Secretary.

## CENTRAL DISTRICT REPORT

The transfer of the greater part of the East Central to the West Central to from one Central District became a reality during the past year. The beneficial results will become more evident as the union is strengthened and the area consolidated. The new Central District includes fifty-nine parishes with two rings of ten bells, ten of eight, twenty-four of six and twenty-three of five bells, yet it is doubtful whether in more than four or five of these parishes are the bells rung regularly for Sunday services. The quarterly meetings held at Buxhall, Walsham-le-Willows, Wilby, and Debenham, together with the evening practices at Wovlingworth, Stonham Aspall, Hindevelay, and Wingfield were arranged to cover the whole area. The quarterly meetings were poorly attended by Central District members, but the practice meetings proved popular and useful. We thank the members of other Districts, particularly the stalwarts from the N.W. District, for their regular and loyal suppport, but above all, we wish to acknowledge the excellent service given by our Ringing Master, Mr. Robert Lester, who always arranges a programme to meet the needs of the beginner and the skill of the more expert. The "striking" competition held at Bredfield aroused considerable interest and we congratulate the team of youngsters from the S.E. District who beat our team to second place. We regret the resignation, for health reasons, of our chairman, Mr. H. Mitson, but welcome Mr. H. Leather to this office. Promising instructional work is continuing at Barking, Debenham, Mendlesham, Wetheringsett and Worlingworth, and next year we hope to enrol more new members. We welcome this opportunity of announcing the following programme of meetings arranged for 1964. The Hon. Sec. would be grateful if all members would attend at least one meeting and bring the annual subscription of five shillings.

*Quarterly Meetings* (*from* 2.30 *p.m.*)

July 25— Helmingham (afternoon)
Framsden (evening)

Oct. 31— Wickham Skeith (afternoon)
Thornham Magna (evening)

Jan. 30—Polgrave—A.D.M.

*Practice Meetings* (*from* 6.30 *p.m.*)

June 6—Gt. Finborough
Sept. 19—Cotton
Nov. 28—Redgrave

L. E. Last, District Secretary.

## THE SUFFOLK GUILD OF RINGERS

### Statement of Accounts for the Year ending the 31st December, 1963

## OFFICERS OF THE GUILD—1964

**President:**

The Right Rev. the Lord Bishop of St. Edmundsbury and Ipswich, Dr. A. H. MORRIS

**Patrons:**

R. A. Vestey, Esq.

**Vice-Presidents:**

The Venerable T. R. Browne, B.D., Messrs. Bert Chilvers, Charles E. Fisher, Cecil W. Pipe, H. Claude Rush, Charles J. Sedgley, George E. Symonds.

**Chairman:**

John W. Blythe.

**Ringing Master:**

George W. Pipe, 8 Lansdowne Road, Ipswich. Tel. Ipswich 75647.

**General Secretary and Treasurer:**

Andrew T. Beckwith, 8 Lansdowne Road, Ipswich.

**Report Editor:**

Roger L. K. Whittell, 39 High View Road, Ipswich.

**Hon. Auditor:**

Joseph W. H. Preastner, Wickham Market.

**Hon. Technical Adviser:**

Ranald W. M. Clouston, "Lavenham", 1 Canons Close, Radlett, Herts.

**Committee:**

The President, Vice-Presidents, Chairman, Ringing Master, General Secretary and Treasurer, Report Editor, Technical Adviser, District Chairmen and District Secretaries (ex-officio), together with two elected Members from each District.

**Central Council Representatives:**

Miss Alice E. J. Lester, Messrs. John W. Blythe, Leslie G. Brett, and Cecil W. Pipe.

**Pearson Handbells Trustees:**

George E. Symonds and Roger L. K. Whittell.

## OBJECTS

1. **Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2. **Recognition.** To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demand much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3. **Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, instructors when and where required.

4. **Reform.** To promote a proper appreciation of the ringing chamber as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment thereof; as well as the preservation of the bells in an efficient condition; to advocate needful repairs and renovations and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

## CONSTITUTION

1. The Guild shall be known as the Suffolk Guild of Ringers for the Diocese of St. Edmundsbury and Ipswich.

2. The Officers of the Guild shall consist of: The Lord Bishop of the Diocese as President, Patrons, Vice-Presidents, Chairman, Ringing Master, Secretary and Treasurer, Report Editor, Auditor, and the Technical Adviser.

3. The Guild shall consist of (a) Ringing Members, (b) Probationers, (c) Junior Members, (d) Honorary Members, (e) Life Members.

   (a) Ringing Members may be elected at any meeting where there are five other Members present, or, provisionally by two other Members, before starting for a peal. Ringing Members may be elected as soon as they have rung 120 changes on a tower bell or on two handbells retained in hand. The subscription of Ringing Members shall be 5s. 0d. per year.

   (b) Probationers may be elected at any meeting where there are five other Members present. This grade of Membership is for those learning change ringing but who have not yet rung 120 changes on a tower bell or on two handbells retained in hand. The subscription of Probationers shall be 2s. 6d. per year.

   (c) Junior Members under the age of 16 years, who shall pay half the annual subscription.

   (d) Honorary Members may be elected on a payment of 5s. 0d. per year.

(e) Life Members residing out of the county to make a single payment of 10s.

4. The Committee shall consist of the President, Vice-Presidents, Chairman, Ringing Master, Secretary & Treasurer, Report Editor, Technical Adviser, District Chairmen (ex-officio), District Secretaries (ex-officio), together with two elected Members from each Disrict, seven to form a quorum. The Committee will meet a minimum of three times during the year.

5. The area covered by the Guild shall be divided into Districts, each of which shall have its own Chairman, Ringing Master, Secretary and Committee, who shall be elected at the District Annual Meeting. Each District will elect two representatives to serve on the Guild Committee. The Secretary will:—

   (a) Arrange Meetings for practice.

   (b) Arrange for instruction.

   (c) Collect the subscriptions of all members.
   N.B.—In each company there shall be chosen a Secretary, or Captain, or Ringing Master, who shall collect all subscriptions as soon as possible after January 1st and send them to the District Secretary.

   (d) Forward these subscriptions to the General Secretary together with his receipt book and details of any expenditure, at the end of the year for audit.

6. The Guild shall be affiliated to the Central Council of Church Bell Ringers, and shall loyally abide by the rules and decisions thereof.

## RULES

1. Subscriptions shall be due in advance on January 1st, annually.

2. Any member whose subscription is unpaid on December 31st shall lose his membership. No peal shall be recorded unless the subscriptions of all taking part in it are paid. Lapsed members may be reinstated on payment of 2s. in addition to the annual subscription.

3. Junior Members under the age of 16 may be elected on payment of half the annual subscription.

4. Should a Ringing Member, having paid five consecutive years' subscriptions, remove from the Diocese, he may without payment become a Non-Resident Member for such time as he continues to reside outside the Diocese.

5. All ringing at meetings of the Guild shall be under the direction of a Ringing Master and shall be such as is approved by the Central Council. The decisions of the Central Council shall be recognised in recording any ringing performances.

6. A peal fee of 6d. per rope is payable in respect of all peals rung for the Guild. Conductors are responsible for collecting and forwarding them to the General Secretary. No peal will be recorded unless the peal fees have been paid.

7. The Secretary may pay, on request, 2nd class return railway fare, together with a maximum of two nights' hotel expenses to such representative attending the Central Council Meeting, provided that the total indebtedness of the Guild for all representatives does not exceed £20 in any one year.

8. The Committee may remove a member from the Guild for a serious offence against the Objects and Rules, subject to appeal at a General Meeting.

9. The Objects, Constitution, and Rules can only be altered by a General Meeting after three months' notice given at General Meeting.

## RINGING MASTER'S REPORT, 1964

Ringing activity and performances during 1964 have been a curious mixture of immense keenness and enthusiasm in spot localities on the one hand and yet almost abysmal apathy on the other. If one assesses this in the light of Suffolk's scattered population and high number of rings of bells of which a large number are either unringable or in poor condition, then one could find reasons for the latter case. But the fact must be squarely faced that at the present time, taking the county in its entirety, the ringing scene is in a sorry state.

These might seem strong words with which to open one's report!, but when one considers how in the short space of 25 years we have let ourselves slip from one of the top three of four counties to one that is really struggling then the time comes for taking stock, with I trust, some constructive criticism.

Let me say straight away, however, that to offset this we are indeed fortunate to have about a dozen centres of real progress, where beginners are being taught at a most heartening rate, where Sunday service ringing and quarters have provided a real and necessary backbone to the year's work. We all know where these centres are and the instructors behind the scenes have mine and, I know, the whole Guild's warmest praise. They have realised that the two legacies that have been left this generation, no teaching done at the important pre-war and immediate post-war periods in the leading centres and the allowing of so many of our major rings (and others) to deteriorate, have got to be tackled by first principles: Hard teaching and maintenance of their own peals at least in first class order. It has been said before, I know, but Ipswich, Helmingham, Leiston, Stowmarket, Sudbury, Bury St. Edmunds, Debenham, Hadleigh and Lavenham were household words for quality of bells and the performances rung on them. To these may be added another score of 'Key' rings alone, but of that galaxy scarcely *one* tower is rung today on Sundays.

But even more tragic is the falling away of ringers who are capable of putting the matter right. It is my firm belief that if a band is organised and prepared to teach, then by their own initiative and industry their bells will be restored. Bures, Grundisburgh, Mendlesham, Aldeburgh, Offton, etc., are examples of this. It is wrong to blame the bells, poor though they might be.

Despite all this I am convinced that 1965 is going to see a reverse trend and the example being set by such places as Beccles, Blythburgh, Ashbocking Bramford, Henley, Rushmere, Rougham, Offton and others is going to spread. To those of you who are either teaching or manning a tower on Sundays, both I trust, a warm thank you. Keep up this good work, this is the backbone we need in the Suffolk Guild right now. If by good fortune your band is fairly strong, do try and visit, say monthly, any other tower in your vicinity where ringing does not take place. That regular Sunday morning or evening is the surest way to attract recruits from a neighbouring village, and to let locals know that there are bells in the tower.

Now to events and performances during the year.

Ringing at District Quarterlies has been quite good considering attendances and the organised practice meetings have proved very valuable. May I ask members to look up at least one new method for these functions and let others know of this. This will increase our repertoire especially in 5 and 6 bell field and provide incentive for beginners.

The striking competition held at Buxhall on September 26th provided some excellent ringing and participation by bands from four of our five Districts proved the popularity of such a day. Results were as follows:

| | | faults | | | faults |
|---|---|---|---|---|---|
| 1. | S. E. District (Ipswich) | 5 | 5. | N.E. District ... ... | 51 |
| 2. | Central District I ... | 7 | 6. | S. E. District (Offton) ... | 80 |
| 3. | Central District II ... | 28 | 7. | S.E. District (Henley) ... | 83 |
| 4. | N.W. District I ... | 49 | 8. | N.W. District II ... | 98 |

with the first three teams turning out some first rate Minor. I would like to see 12 teams plus at Cavendish on September 25th, 1965. Incidentally the choice of method is now open.

Now to peals, seventy being recorded for the Guild during 1964. Peals are often criticised, generally by people who do not ring them themselves, but one can pretty well gauge a Guild's healthiness by its peals. Only seventy of our paid up members of over 300 took part in these. Every peal is a good performance whether it be Doubles or Maximus, but obviously all the more worthwhile if there is a first pealer, a new method/conductor or for some special occasion. It can be fairly said that the best ringing generally occurs in peals and these give an ideal opportunity for sustained concentration and driving a method home. Ring plenty, but I caution this with a request that fresh ground be broken whenever possible.

Congratulations to Messrs. Margetts, E. J. Lockwood, Fordham, Dodds. Oakley and young Michael Howes on scoring their first, to C. W. Pipe and R. E. Lester for their 400th and 300th for the Guild respectively and to R. L. K. Whittell on his 100th peal. Last but not least, George Symonds scoring 6 in his 90th year (many a good tune, etc.!) and to James Bennett on his monumental toal of 1,300. N. F. Whittell and R. E. Lester were top for the Guild with 30 and 26 respectively.

It was good to see two peals of Stedman Triples, firsts for Suffolk of 8, 10 and 12 Spliced, Edmundsbury and Lindum S. Major and Rutland S. Royal. We thank visitors from neighbouring counties for their help and can assure them that they are most welcome amongst us.

Quarter peals also totalled 70 in a variety of methods. This goodly number was probably sparked off by the Guild's contribution to the Cross and Arrows Festival organised by Howard Egglestone and was followed up by many of our beginners scoring their first quarter. A word too about our call change ringers, especially those at Kelsale and Worlingworth. Your efforts are appreciated.

In the six months since the A.G.M. at Bury in June I was able to visit 37 different towers for either service practice, meeting or peal ringing. A figure which I hope to at least double during 1965. **Please** make any request where assistance in any form of ringing is required—either the General Secretary or myself will be pleased to help.

May I conclude by thanking those of you who have given both the Guild and me personally your support. Please forget old prejudices and back up your officers and keep up the good work by supporting the Church and every facet of the Art. The reward of a really active and vital Suffolk Guild will be immeasurable and will be repaid to us "some ninety and some an hundred fold".

GEORGE W. PIPE.

## GENERAL SECRETARY'S REPORT

My review of the year's work will begin from my election in June at a well attended A.G.M. at Bury St. Edmund's. In addition to the change of Officers, the creation of new posts of Chairman and Report Editor were proposed and an enlargement of the Committee. These motions were all ratified at a General Meeting in Ipswich on September 12th when over 70 members attended.

The Striking Competition at Buxhall on September 26th also proved popular and ten teams competed for the Hubert Mitson Shield. My thanks are due to Messrs. W. Arnold, F. B. Lufkin (Essex Association) and F. C. Goodman (Norwich Association) for their kind assistance with the judging.

The Central Council Meeting was held at Truro with Miss A. E. J. Lester and Mr. C. W. Pipe representing the Guild.

The following analysis will show a loss of 85 members on 1963, largely due to the abolition of compound towers and the inevitable loss after the increase in the annual subscription. I would like to take this opportunity of urging all members to do their utmost in the field of recruitment—seeing one's own pupil ring his first 720 or quarter peal can be as rewarding as ringing a peal of Surprise Major, and I feel sure the future of the Guild depends on this.

| *District* | 1964 | 1963 | |
|---|---|---|---|
| North East ... ... | 67 | 75 | |
| North West ... ... | 54 | 74 | |
| South East ... ... | 110 | 93 | |
| South West ... ... | 46 | 105 | |
| Central ... ... | 50 | 65 | |
| | 327 | 412 | Members |

The increase in the balance of the General Account is largely attributed to the increase in the subscriptions. Although no grants have been made from the Restoration Fund, the Receipts of £21 11s. 6d. are a little disappointing. I ask all members to give as generously as they can to collections at Meetings.

The Jubilee of the Diocese was marked by the visit of the Archbishop of Canterbury to Bury St. Edmunds and Ipswich, where a reception was held in County Hall. The Guild was represented at this function by the

Ringing Master and myself.

A very successful week-end course to provide for the needs of prospective instructors was held from January 30th—February 1st, 1964. The course was held at Belstead House, Ipswich and was kindly sponsored by the East Suffolk Education Committee. Thanks are due to the hard work put in by the organiser, Mr. L. E. Last.

It will be seen that the Calendar of Meetings for 1965 is included on the inside cover. The venues have been provisionally fixed and will be adhered to where possible with the co-operation of the clergy concerned. Sunday Service ringing and practice nights as far as I am aware have also been included under the heading of towers as a further guide to the activities in the county. I would be grateful if tower secretaries would notify the Report Editor or myself of any amendments or additions. Likewise the matter of adjustment of peal totals since several members have remarked to me that their peal total as shown in the Report is incorrect.

Our most sincere condolences are extended to the relatives of members who have passed to higher service during the year.

My grateful thanks are due to those who have helped me complete this first year of office. In particular to Mr. Roger Whittell for his help in compiling this Report and to the ladies for the splended tea at the General Meeting in September. My best wishes to you all for good ringing during 1965 and the furtherance of the work of the Guild.

ANDREW T. BECKWITH.

## TECHNICAL ADVISER'S REPORT

In 1964 your Technical Adviser reported on the bells in a further 10 Suffolk towers, bringing the total to date to 276, and he made re-inspections of three other rings of bells. Progress has been slower this year due to your Adviser having undertaken to train a band from scratch on the new light ring of six, tenor 3 cwt. 0 qr. 16 lb., at his home tower of Christ Church, Radlett, thus making absence from Hertfordshire at the week-end more difficult until the new band is established.

Of the 10 towers inspected three contained rings of bells. At All Saints, Newmarket (8), the fittings are in a bad state and the headstocks badly worm-eaten. Musically they are very unsatisfactory; but the five heavier bells are the only existing ring by John Thornton of Sudbury and are perhaps the only ring he ever cast, which may explain their poor tone. Until recently only one bell has been tolled and a scheme to instal a set of Ellacombe hammers has been approved and it is hoped that this will arouse enough interest to get the ring completely overhauled. Swinging all eight bells in full circles is now alas too risky to contemplate.

At Ousden the five bells hang in a central tower in a frame dated 1758; the bells were cast by Lester & Pack in the same year with a tenor of 14 cwt. 1 qr. 10 lb. The tenor badly needs quarter turning, but the bells are now only sounded with Ellacombe hammers. The headstocks are severely worm-eaten and will soon be unsafe to support even the dead weight of the bells. In the long term a new frame and fittings are required.

At Rougham the fourth bell of about 1400 badly needs turning again. A treble was added and all hung in a new frame with new fittings by Day in 1895, but there are four different designs of clapper joints in the six bells, all are unsatisfactory by modern standards. The pulleys rattle, and the plain bearings allow the lubricant to run over the slider paths. It is hoped that the six bells will be overhauled shortly.

The Lavenham bells have been removed to the Loughborough Foundry where it was found that the tenor, which retains canons and most of the argent, weighs only 21 cwt. 0 qr. 7 lb. The strike note is ¼ semitone sharp of D flat, which is quite exceptional for this weight. The bells are to be hung in a new metal frame with new fittings. The old frame of about 1525 has been dismantled and the timbers were found to be in a very seriously decayed state.

St. Mary's, Bury St. Edmunds, bells have been removed to Loughborough while work is in hand restoring the tower which began to disintegrate on the west side. A new metal frame is to be installed, mounted on a reinforced concrete girdle needed to stiffen up the tower. Funds are the problem here and no date is known to the writer for the bells' return to the tower.

At Bramford the five heavier bells were all cast by Miles Graye I in 1632, unfortunately a bent Ellacombe hammer has cracked the tenor. There are only two other sets of five or more bells bearing Miles Graye's name, those at Great Leighs, Essex, and Swaffham, Norfolk, but they are almost certainly the work of his son and not the founder of the Lavenham tenor. We have recently had some experience with a Danish firm who very successfully welded the cracked Little Hallingbury, Essex, tenor of about 1400. This bell is hung dead and chimed, and it was desired as a national matter to see if the same technique would be satisfactory for bells swung in a full circle. The Bramford tenor is to be welded using this technique.

During the year the Dalham bells were rung for the first time for quite a while, and it was a great pleasure to have the incumbent, the Rev. H. B. S. Cartwright, take a rope with us. It is such a pity that we have so few clerical ringers in the diocese.

At Stoke-by-Clare the installation of the heating system mentioned in the last report has been completed, but the equipment is really vast and larger than anyone had been led to believe. As a result the two tenors are unringable as the ropes fall inside the perimeter of the plant. Your Adviser has submitted a scheme for altering the fall of these ropes but unfortunately the living is vacant at the moment.

At Little Thurlow the cracked third bell is to be recast, and all five bells hung dead in the existing frame. They will then be chimed with Ellacombe hammers. This is a set-back for change ringers in the area but clearly unless local ringers do give strong support to P.C.C's one cannot grumble if a cheaper scheme is selected which will enable the bells to be heard but not to be swung in full circles.

At Stanstead (6) the bells are to be rehung with new fittings and put in a new metal frame set on a reinforced concrete girdle. The single bell at Wixoe is to be rehung after being unsafe to use for some years and the tenor of three at Little Saxham is to be rehung in a new metal three bell frame. The other two bells are to be temporarily placed on the church floor

Your Adviser has now completed ten years service on the Diocesan Advisory Committee for the Care of Churches and has been re-appointed by the Bishop for a further term of five years. As change ringing gets back on to its feet again in Suffolk and more rings are regularly used your Adviser will be very pleased to help solve any problems which may arise connected with badly going bells, etc. A letter to his home, 1 Canons Close, Radlett, Herts, will ensure an early visit.

R. W. M. CLOUSTON,

1st January, 1965.

## DISTRICT REPORTS

### NORTH EAST

Quarterly meetings during 1964 were held at Halesworth, Dennington, Laxfield, Aldeburgh, Saxmundham and Benhall. The meetings were all well attended and it was pleasing to see new faces from other districts of the Guild. 1964 has not been very successful as far as new recruits are concerned, and it is hoped that 1965 will produce better results.

At our Annual Meeting in February, Mr. R. Bickers was elected as Chairman and Mr. E. Goate as Ringing Master, in place of Mr. Bedford and Mr. Blythe who retired.

This is my last year as District Secretary, and I would like to take this opportunity of expressing my thanks to all members of the District for all the support I have received during my period as District Secretary, and I hope my successor receives the same co-operation during his term of office.

I wish everyone a happy and successful 1965.

MARION E. BRANCH, Secretary.

### SOUTH EAST

Our Meetings for 1964 were held at Woodbridge, Offton, Ufford and Ashbocking, with very good attendances.

Our young ringers at Ashbocking and Henley are making very good progress, some of them now ringing Surprise Minor.

We are, I am sure, all very pleased to see Mr. Jim Bennett back to peal ringing again and congratulate him on ringing his 1,300th peal at Grundisburgh and hope that he will ring many more peals.

Thanks to all for your support in 1964 and Good Ringing in 1965.

ERNEST G. PEARCE, Secretary

## CENTRAL DISTRICT

A full programme of quarterly and practice meetings was held and as usual our District Ringing Master, Mr. Robert Lester, arranged for the needs of the beginners and also the more expert members. We are also much indebted to our efficient chairman, Mr. Harold Leather who, with Mr. Les Brett, is doing valuable work with beginners at Debenham and Worlingworth. We must again admit, however, that the attendance of our own district members continues to prove disappointing. It was anticipated that the raising of the Guild annual subscription would reduce our membership and at the end of the year only fifty of the sixty-five members recorded on last year's report are now paid up members. We have enrolled only four new members to offset the loss of nearly one quarter of our members. The urgent need for increasing our membership is further stressed by the fact that only nineteen of a total of fifty-eight towers with ringable bells are represented by Guild members, and at only ONE of these towers are there sufficient members to man all the ropes.

We look forward to the addition of a treble bell to the fine heavy five at Mendlesham and to the restoration of the lovely eight at Stowmarket.

L. E. LAST, Secretary

## NORTH WEST

Four general meetings were held during the year, these being at Elveden, Rougham, Horringer, and Barrow, and at these the attendances were good, thanks to the support of other Districts. Six practice meetings were held, but these were not quite so well attended. The Bell Fund Collections amounted to £2 17s. 11d. I would like to appeal to all North West District members to make every effort to attend meetings, as by so doing you will show support for the new officers you have elected.

ARTHUR F. BALLAM, Secretary

## SOUTH WEST

During 1964 meetings were held at Bures, Clare, Preston St. Mary and Long Melford (A.G.M.), with an average attendance of twenty.

Although the year was not a very encouraging one, we look forward in 1965 to a renewal of the old enthusiasm which will help to bring new members into the District.

EVELYN R. M. CANSDALE, Secretary

## OBITUARY

### Mr. Llewellyn Allum

The death took place at the East Suffolk Hospital on April 17th, of Llewellyn Allum, late of Stonham Aspal, at the early age of 27.

"Chummy", as he was locally known, began to ring in his early teens,, and soon joined the then Framsden band. Very quick to learn, he was soon ringing Spliced Surprise, and London. Although he had rung only 20 peals they were of good standard.

As a last respect a peal of Yorkshire (his favourite method) was rung upon the bells where he learnt his change ringing. All who took part were members of that band. To his young widow, we offer our deepest sympathy: they had been married only 18 months.

### Mr. F. W. Rickwood

The death occurred of Mr. F. W. Rickwood of West Stow on August 28th, at the early age of 44 years.

"Bill", as he was known, was a most reliable ringer, always being punctual. West Stow has lost a wonderful man.

### Mr. Arthur E. Smith

During the year the Blaxhall company lost a respected member in the death of Mr. Arthur E. Smith, at the age of 74 years.

Mr, Smith started handling a bell in 1912 and continued with the same company up to his death, apart from a period of service in the 1914-18 war, when he was taken prisoner-of-war. He was a staunch Churchman in his lifetime, being clerk and sexton at Blaxhall Parish Church, and the last five years being Rectors Warden. In all he rang 36 peals for the Guild, and was a person those at Blaxhall will greatly miss.

2965A GRUNDISBURGH

On Saturday, November 30th, in 2 Hours and 57 Minutes

## OFFICERS OF THE GUILD—1965

**President:**

The Right Rev. the Lord Bishop of St. Edmundsbury and Ipswich, Dr. A. H. MORRIS

**Patron:**

R. A. Vestey, Esq.

**Vice-Presidents:**

The Venerable T. R. Browne, B.D., Messrs. Bert Chilvers, Charles E. Fisher, Cecil W. Pipe, H. Claude Rush, Charles J. Sedgley, George E. Symonds.

**Chairman:**

John W. Blythe, 69 Heath Road, Ipswich (Tel. Ipswich 76833).

**Ringing Master:**

George W. Pipe, 8 Lansdowne Road, Ipswich (Tel. Ipswich 75647).

**General Secretary and Treasurer:**

Andrew T. Beckwith, 8 Lansdowne Road, Ipswich.

**Report Editor:**

Roger L. K. Whittell, 39 High View Road, Ipswich.

**Hon. Auditor:**

Joseph W. H. Preastner, Wickham Market.

**Hon. Technical Adviser:**

Ranald W. M. Clouston, "Lavenham", 1 Canons Close, Radlett, Herts.

**Central Council Representatives:**

Miss Alice E. J. Lester, Messrs. John W. Blythe, Leslie G. Brett, and Cecil W. Pipe.

**Central Council Representatives elected to serve Whitsun, 1966-69**

Miss Alice E. J. Lester, Howard W. Egglestone and Cecil W. Pipe.

**Pearson Handbells Trustees:**

George E. Symonds and Roger L. K. Whittell.

**Committee:**

The President, Vice-Presidents, Chairman, Ringing Master, General Secretary and Treasurer, Report Editor, Technical Adviser, District Chairmen and District Secretaries (ex-officio), together with two elected Members from each District.

## RINGING MASTER'S REPORT—1965

My first duty is to warmly thank all those members who have responded to my various appeals during 1965 for the furtherance of the Art of Ringing.

Perhaps my 1964 Report appeared pessimistic. On the contrary. Here were plain and realistic facts which indicated a general decline in activity throughout the county. But it was a challenge, and one I am happy to say that has been taken up by not a few enthusiastic and loyal members.

Suffolk is not alone in facing the problem of reduced membership, but if we can look upon 1964, determined that 327 members is the lowest total we shall ever reach, then we are on the way to keeping alive an Art essentially British, unique, curious yet abundantly fascinating, connected in every way with our beloved heritage. Moreover, an Art that I'm sure we want to be carried on and share with generations to come.

Last year several towers were listed as teaching areas and to these must be added Barking, Gt. Barton, Saxmundham, Aldeburgh and Halesworth. Well done! A big task indeed but it's been my experience that if a pupil can be held long enough to get his or her first taste of change ringing, then allowed the chance to visit other towers to try something new, coupling all this with a positive interest in the Church itself, then useful ringers will be the result.

I must be frank here. The Western half of the county and the Central District concern me deeply. In this scattered territory are members whose untiring efforts alone hold things together. Every meeting, every practice, Sunday by Sunday, there they are. But they're not receiving the backing and when one looks back in the old Reports and sees the potential, it's so disappointing. May I suggest that your report is perhaps loaned or passed on to people whose interest has waned, or let officers know of these ringers.

Turning now to the year's ringing, 1965 has seen some definite progress. There have been some excellent meetings and there is no doubt that our yearly 'calendar' and the formation of the Districts has helped this. There have been several practice meetings too and again here lies the opportunity for increasing our repertoire. Of course we're proud that Treble Bob, Double Norwich and Superlative are traditionally Suffolk, but I commend to everyone the breaking of new ground. Minor alone offers unlimited territory.

I was able to visit 51 towers for either Service ringing or Meetings during the year and this has given me great satisfaction. If *your* tower isn't one of these just yet, then perhaps in 1966 it will be. So please write or telephone if I or any of the Officers can help in any way.

The Striking Competition is now an established event in our calendar and the eight teams and other friends who visited Cavendish in September, had a really good afternoon. Results were as follows:

| | Faults | | Faults |
|---|---|---|---|
| 1. Henley (S.E.) | 14 | 5. Bramford (S.E.) | 29 |
| 2. N.E. District | 16 | 6. Offton (S.E.) | 29 |
| 3. Central District | 25 | 7. Bures (S.W.) | 31 |
| 4. Rougham (N.W.) | 26 | 8. S.E. District | 39 |

Congratulations to the winners—an example of what a young band can do. Pleasing, too, that all Districts entered a team this year.

Now to peals; our best year since 1961. Regrettably still no twelve-bell peals but perhaps this will be rectified soon! However, variety on all other numbers including first for the Guild of Eastcote, Wembley, Debenham and Finborough Surprise Major, the latter two being the first ever. Added to these, firsts of St. Edmundsbury and Oxford Triples and 26 methods of Minor. In this connection a tribute to Howard Egglestone and his young band in setting the pace and scoring some first-rate peals.

Nothing gives greater pleasure than seeing "First peal" and 1965 shows a goodly number. Warmest congratulations to: Greta Spurgin (Bures), Harold Culpin (Gt. Barton), Alan Dilley (Tuddenham/Rushmere), Alan Farnish (Ashbocking), Kenneth Chapman (Monk Soham), David Reeve (Long Melford), Peter Harris (Grundisburgh), Kuala Toone (Gorleston), Stephen Hammond, Lawrence Parry, Leslie Brain, Tim Gooderham (all of Henley), Martin Whittell, Simon Christian, Alan Walters, David Derrick, Roy Lockwood and Robert Southgate (all of Bramford). Finally, to Roy Groom, also of Henley, who didn't miss a Service ring in 1965 and attended Church each time afterwards.

Congratulations also to H. W. Leather and L. R. Pizzey on their first as Conductor. Personal achievements include L. G. Brett 500th, R. Rose 50th and our very close Essex friend, F. B. Lufkin, 50th for the Guild, respectively, and to Trevor Bailey and Neville Whittell on their 200th and 100th peal. Top scorers were reversed this year! R. E. Lester 28, N. F. Whittell 22, Leading conductor, H. W. Egglestone with 13.

We record the first on the bells by an all local band at Henley and the first at Offton.

With the passing of Sir Winston Churchill, Suffolk paid their tribute with five muffled peals. That at Winston was particularly appropriate, more so when we read that another was rung at Churchill in Somerset.

What a splendid total of Quarter Peals—136 in fact! Here are Sunday Service bands in operation and what untold good they do for ringing in general. The Bramford band in particular deserve special mention.

I want to applaud again the call change ringers and their work, especially at Kelsale, Worlingworth and Weybread.

I finish where I began, inviting all our members to make 1966, ringing-wise, a memorable one. I am prepared to do anything in my power to make it so. Will you back me?

GEORGE W. PIPE.

## GENERAL SECRETARY'S REPORT

How difficult it is to condense into a few sentences a whole year's work of a ringing organisation covering so large and scattered a diocese as ours. As I put pen to paper at the end of another year my feelings generally are that some Districts are in a reasonably healthy position, whilst some give cause for concern. By visiting most meetings of all Districts, I have been able to assess where enthusiasm lies and where recruitment is most prolific. It will be accepted by all, I think, that the support for our Churches in a good many of the smaller parishes has reached a very low ebb and trying to maintain a band under these circumstances is thereby made doubly difficult. From personal experience I can sympathise with tower captains who are faced with such problems. How often one hears of a new incumbent coming to a parish where the congregation has dwindled to 10 or 12 faithful people. He looks at the empty choir-stalls and recruits some new voices, perhaps. He will undoubtedly move westward where he will find a tower containing quite often a splendid ring of bells which have not had a regular band for many years. They are rung for perhaps two of the major festivals in the year by a band consolidated from fragments of teams and the distance covered by these remaining enthusiasts to ring for one of these services can often total 100 miles! I can hear you saying that you are well aware of these problems and what solution can I provide?

Let us consider for a moment the reasons which have brought about this situation. I think the senior and more experienced ringers than myself would agree that our position today has not appeared overnight, indeed it has probably evolved gradually over the past twenty years. If we put our own exercise in line with other spare-time and voluntary activities such as the Scout and Guide movements, choral groups of all types, amateur dramatic societies, etc., quite often it will be found that these are similarly afflicted by lack of interest and support. Do not all these organisations, not least our own, require an approach that the more one puts in, the greater the rewards and joys accruing therefrom? This attitude is sadly lacking and also I think if we are to be honest with ourselves, the tendency to sit in front of a television screen instead of attending the local practice has become very rife in recent years.

I have made a brief study of other Guild and Association Reports for some time and this trend seems to be almost nation-wide. First and foremost, surely, moves to start a new band must come from within the Church itself and I am also a firm believer that each tower must contain a really enthusiastic leader who can combine experience with discipline when it comes to giving the pupil his first plain course and also encouraging the more advanced. In some of the more thinly populated areas, there are few who are able to take on this work and I hope that a further course may be held in the not too far distant future for the benefit of prospective instructors. When undertaking to train a band from scratch, the leader will obviously have to prepare himself for plenty of 'donkey-work' for a long time, but when the new band ring their first rounds together and begin to interest themselves in our activities, then we know that headway is being made and that we are fulfilling our Objects.

To visit those towers which are on the upgrade and whose members are enthusiastic and progressive, is a real pleasure and does help to make up

for the disappointments and lack of willingness and enterprise which one sometimes comes across. Let us endeavour to make 1966 a year of fulfilment for some of the objectives which we as Suffolk Guild members have pledged to see carried out

**Guild Events**

The A.G.M. at Ipswich was well supported by about 90 members and visitors from neighbouring counties.

The Officers were all re-elected and the agenda contained nothing of a controversial nature.

During the course of the day members were able to ring at seven of the town's Churches, including St. Nicholas' whose bells have not been in general use for many years.

On May 8th, the culmination of three years money raising by the Mendlesham band was rewarded by the dedication of a new treble, which has given us another good ring of six. The dedication service was conducted by the Rev. J. B. Jolley, during which the new bell was blessed by the Ven. C. C. G. Hooper, Archdeacon of Ipswich, who also gave an address.

On August 28th the renowned octave at Lavenham was re-dedicated at an impressive service attended by about 300 ringers and friends from a wide area. The Bishop of Dunwich performed the re-dedication ceremony after which the opening touch was rung by the local band. The bells have undergone complete re-hanging in a new metal frame as the 16th century oak frame had reached an advanced state of decay. A word of thanks is due here to the hard work of Capt. G. A. D. Cooper, R.N. (Rt'd.), in his capacity as Hon. Treasurer of the appeal fund.

The Annual Striking Competition held on September 25th at Cavendish, was its usual success and eight teams set a high standard throughout a beautiful afternoon. The Rector of Cavendish (Rev. C. Storrs-Fox) conducted Evensong and afterwards presented the shield to the winning team. I am again most grateful to the judges (Frank Lufkin, Essex Association), (Harold Peacock and Harold Foster, Ely Association) for their valuable assistance, and to Mrs. Bickers for playing the organ at short notice.

**1966 Calendar**

The front inside cover again shows a wide selection of meetings. the dates and venues of which have been decided provisionally and I hope *every* member will make an attempt to attend at least one meeting during 1966. The fixtures are, however, only intended as a guide, and District Secretaries cannot be held responsible when local conditions necessitate a change of date or venue as does occasionally happen. Confirmation should be sought from the 'Ringing World' or the District Secretary concerned.

**Work of the Committee**

During the year the executive committee has met on three occasions, viz., January 30th at Palgrave, May 1st at Ipswich and October 23rd at

Earl Soham. It was agreed to present a copy of "The Sound of Bells" by Edgar C. Shepherd to the library at Belstead House Education Centre, Ipswich, as a token of the Guild's appreciation of the hospitality extended to them during the week-end course in January, 1964. Grants from the Bell Restoration Fund were awarded as follows: Mendlesham £10 and Lavenham £25. A further supply of 200 badges was ordered and are on sale from District Secretaries at 3/6 each. The question of the formation of a Guild library was raised and the binding of the Annual Reports. Regarding the latter, the Secretary said he had a complete collection of Reports in his possession and the question of binding was left in abeyance. Mr. Edwin Goate kindly offered to present a copy of Raven's "Church Bells of Suffolk" in memory of Charles Sayer of Beccles, as a foundation to the library. Future accommodation for the library was being looked into at Diocesan House. A new supply of 12 printed receipt books was ordered. The possibility of a printed Guild form of service was also considered, although it is quite likely that this matter will be deferred until the new Bishop is appointed.

**Treasurer's Report**

Perusal of the balance sheet will show that this has been drawn up on 31st January instead of 31st December, as is customary. This is principally to enable District Secretaries to get in all current subscriptions and for them to be included in the accounts for that year, thus keeping arrears to a minimum. Names of members who are paid at the time of going to press will be included in the report. There are two items of expenditure in the General Account which are non-recurring, viz., badges and receipt books, and I therefore anticipate a further increase in the balance next year if membership is maintained. The Restoration Account is in a very healthy position and receipts have totalled £42 12s. 7d. this year. I would like to thank members who have given generously to collections at meetings and particularly appreciate a donation of £7 18s. 6d., being part of the proceeds from a Christmas Social held at Bramford on December 18th. Although grants totalling £35 have been made the balance to go forward has increased by £7 12s. 7d.

**Membership**

The following analysis will show an overall gain of 16 members on 1964 and it is very pleasing to see the increasing number of probationers. A total of 23 members from the 1964 lists have failed to renew their subscriptions for 1965.

**Membership 1965**

| | *Ringing Members* | *Honorary Members* | *Junior Members* | *Total* | *Probationers* |

| | 316 | 8 | 19 | 343 | 17 |

**Central Council**

Miss A. E. J. Lester and Mr. C. W. Pipe represented the Guild at the Central Council meeting held at Northampton.

**Obituary**

The sincere condolences of all will go out to the relatives of those members who have passed to higher service during the year.

**Bishop's Retirement**

The news of the premature retirement of Dr. A. H. Morris as Bishop due to ill-health caused by over-work, was received with regret by many people throughout the Diocese. As our President for over 11 years, this report would be incomplete without some small tribute to Dr. Morris for his great work for the Church and for the interest he has shown in our own branch of this work. The Ringing Master and myself were present at the official presentation on December 14th in the Hall of Ipswich School, when hundreds of people representing clergy and laity from many parishes gathered to have that final word with the Bishop and a parting handshake. On December 21st the Bishop received the Master and myself at his home in Park Road where we were able to make a small presentation from the Guild in the form of an inscribed copy of "The Sound of Bells". Dr. Morris was very thankful that the ringers of his diocese had thought of him in that way and wished the Guild every success in the future and hoped that perhaps the new Bishop might be a ringer!

**Thanks**

May I express a most warm vote of thanks to all those who have contributed to the success of Guild events, meetings, etc. during the year and may 1966 bring you all peace and happiness, and joy in this great service which we have undertaken.

ANDREW T. BECKWITH.

## TECHNICAL ADVISER'S REPORT

In 1965 your Technical Adviser reported on the state of the bells in a further 28 towers in the diocese, bringing the total to date to 304. Of these, six had rings of bells; Yaxley had not been rung for a number of years and the incumbent was doubtful about giving permission for this to be done. On inspection it was found that the bells and their gear, which include ball bearings, were in quite good order but the tower roof did urgently need attention.

It must be admitted that Ipswich St. Nicholas ring of five is in a poor state, the bearings and gudgeon pins are badly worn and the frame shifts, and ringing is very hard work. Apart from a complete restoration there is not much one can do to make a worthwhile improvement.

Barsham was the subject of some correspondence in the "Ringing World". Your Adviser inspected the bells and after some routine maintenance found that they were quite in order to ring. Latterly a quarter peal has been rung here.

Peasenhall bells are in poor order due to inadequate maintenance, poor pulleys and excessive rope friction in chutes, and tower rock. All except the latter item can be corrected quite simply and it is hoped that this work will be put in hand.

The anti-clockwise ring of eight at Bungay has been in a poor way for quite a number of years. The tower roof has been leaking and the old six bell frame, extended to take eight, has now reached the end of its useful life. The last major overhaul was in 1875.

At Stratford St. Mary the six bell frame is a tight fit in the tower and is of a weak timber design with gallows ends to all the pits and with all the bells swinging east-west. As a result the tower rocks quite a bit, the frame shifts, and the pulleys are worn. In the long term, a new metal frame of better design is required but as an interim measure the pulleys can be replaced and the frame more adequately secured.

During 1965 the highlight of completed work has been the rededication of the Lavenham bells now housed in a new metal frame with new fittings. It is earnestly to be hoped that the success of this work will encourage other key towers with rings of eight or more bells in poor order to have their bells overhauled.

A treble has been added to make six at Mendlesham, and at Little Thurlow the third has been recast and all are now hung dead for chiming from a manual. Ringing has so declined in this area that Great Thurlow applied for a faculty to instal Ellacombe chiming hammers to ensure that their bells can at least be heard on major festivals. The ring of six at Rougham is to be overhauled and money is being raised to get the Kersey bells rehung. Stoke by Clare are now ringable again, and with some second hand pulleys from Lavenham they will only be marginally worse to ring than they were before the heating system invaded the ringing chamber.

At Hasketon the clapper joints and pulleys have been rebushed. The Bramford tenor has been welded in Denmark, the work being witnessed by a representative of the British Welding Research Association; there is every hope that the technique used will give a lasting restoration of tone of this fine Miles Graye I bell.

R. W. M. CLOUSTON.

## DISTRICT REPORTS

### NORTH EAST

While 1965 may not be regarded as having been an outstanding year in the District, this report may seem more encouraging than some of its predecessors.

Nine new members have been elected during the year and learners are progressing well at Saxmundham, Blythburgh, Halesworth, Aldeburgh and Beccles. To offset this happy state of affairs however, we have many silent or near-silent towers such as Leiston, Theberton, Wrentham, Fressingfield, Laxfield and others. *We* are the people who have *got* to do something to remedy this for it is only by the constant infusion of new blood that our bells can be made to fulfil their function.

Barsham bells are now ringing again after a lapse of some years and Mr. Bickers and his helpers are to be thanked for their enthusiasm and hard work in accomplishing this. Four meetings were held during the year; at Beccles (A.G.M.), Framlingham, Peasenhall and Yoxford, and Southwold, that at Framlingham being particularly successful when over 70 members attended. Members heard with regret at the Peasenhall meeting of the death of Mrs. E. Le Blanc Smith of Southwold and a short silence was observed as a token of respect. In conclusion may I thank all who have supported me in my first year of office, especially local ringers and clergy who have made us so welcome, and ringers from other Districts who have travelled long distances to attend our meetings. My best wishes to all Guild members for 1966 and please remember that "success is the reward of perseverance".

TREVOR N. J. BAILEY, Secretary.

## SOUTH EAST

Our four quarterly meetings were held at Henley, Blaxhall and Tunstall, Coddenham, and lastly St. Matthew's, Ipswich, with an average gathering at each of 50. Once again, we have increased our membership and hope to recruit more and keep those we have in the coming year.

We will, I am sure, wish to extend our congratulations, first to the Henley team for winning the shield in the Striking Competition; to the under 21 years of age peal conductor Neville Whittell; to our young ringers at Bramford for their first quarter peals and also first peals under the guiding hand of Neville and Roger Whittell.

Lastly, congratulations to our oldest friend, Mr. George Symonds, who reached his 90th birthday in 1965, and is still ringing with us.

May I, in conclusion, thank everyone who has helped me as Secretary, and I wish all good ringing in the year of 1966.

WINIFRED LOCKWOOD, Secretary.

## CENTRAL DISTRICT

Three quarterly meetings and four practice meetings were held during the year—these proved to be rather better attended by visitors than by Central District members and the continued lack of support is rather discouraging—however, the meetings became useful for learners, etc., and quite pleasant social occasions.

Three new members were elected during the year, but still a number of the previous years members are delaying their subscription.

The addition of the new treble at Mendlesham was dedicated on 8th May, the act of dedication being performed by the Ven. C. G. Hooper, Archdeacon of Ipswich. This was well attended, many members including visitors from neighbouring counties taking part in ringing until 9 p.m.

LEONARD E. LAST, Secretary.

## NORTH WEST DISTRICT

There were four ringing meetings during the year, these being at Elveden, Newmarket St. Mary's, Mildenhall and West Stow and these and the four practice meetings were very well attended.

The Bell Fund Collections amounted to £3 19s. 0d. Four new members were elected during the year, these being Mr. C. Hancock (Ringing Member), and three probationers, D. G. Rose, M. Rose and J. Brill, all from Rougham.

I would like to thank Mr. R. Rose for his help in the last five years as Ringing Master, and I would like as many members as possible in the District to attend meetings and support Mr. Leslie Wright, the new Ringing Master.

ARTHUR F. BALLAM, Secretary.

## SOUTH WEST DISTRICT

During the year we held meetings at Cavendish, Stoke-by-Nayland, Kedington, and Lavenham (A.G.M.), with an average attendance of twenty-five.

The highlight of the year was the re-dedication of Lavenham bells, and the service was attended by approximately 300 members and friends from near and far.

One team, from Bures, competed in the Guild Striking Competition, which was this year held in the District at Cavendish.

We regret to record the death of Mr. J. Macbeth of Nayland early in the year, who was a very keen ringer in his home tower.

Good wishes to all for 1966.

EVELYN R. M. CANSDALE, Secretary.

# THE SUFFOLK GUILD of RINGERS

## INDEX AND DIRECTORY OF TOWERS

The following code has been used to show the condition of the ring:

10. Excellent. Ball bearings, modern frame and fittings.
9. Excellent. Plain bearings, modern frame and fittings: or ball bearings in an old frame.
8. Good going order.
7. Fair going order.
6. Poor going order.
5. Ringable if cleaned up and odd fittings and ropes provided.
4. Ringable with difficulty and a degree of risk after making odd repairs.
3. Unringable mainly because of tower, and/or frame arrangement and position.
2. Unringable mainly because of frame and/or fittings.
1. Hung dead.
0. Some bells unhung and on the ground.

While every effort has been made to ensure that the information given is accurate, the Technical Adviser would be very pleased to hear of any corrections.

## RULES

1. Subscriptions shall be due in advance on January 1st, annually.
2. Any member whose subscription is unpaid on December 31st shall lose his membership. No peal shall be recorded unless the subscriptions of all taking part in it are paid. Lapsed members may be reinstated on payment of 2s. in addition to the annual subscription.
3. Junior Members under the age of 16 may be elected on payment of half the annual subscription.
4. Should a Ringing Member, having paid five consecutive years' subscriptions, remove from the Diocese, he may without payment become a Non-Resident Member for such time as he continues to reside outside the Diocese.
5. All ringing at meetings of the Guild shall be under the direction of a Ringing Master and shall be such as is approved by the Central Council. The decisions of the Central Council shall be recognised in recording any ringing performances.
6. A peal fee of 6d. per rope is payable in respect of all peals rung for the Guild. Conductors are responsible for collecting and forwarding them to the General Secretary. No peal will be recorded unless the peal fees have been paid.
7. The Secretary may pay, on request, 2nd class return railway fare, together with a maximum of two nights' hotel expenses to such representative attending the Central Council Meeting, provided that the total indebtedness of the Guild for all representatives does not exceed £20 in any one year.
8. The Committee may remove a member from the Guild for a serious offence against the Objects and Rules, subject to appeal at a General Meeting.
9. The Objects, Constitution, and Rules can only be altered by a General Meeting after three months' notice given at General Meeting.

## OBITUARY

### Frederick Buckle

The death is reported of Frederick Buckle at his home at Fornham Road, Bury St. Edmunds, on June 1st, aged 73 years. He was a regular service ringer until two years ago when he was prevented from climbing the tower due to ill health. His ringing career began at Rougham, but he moved to Bury over 40 years ago and joined the band at St. Mary's Church. He later became attached to the Cathedral band at the Norman Tower.

### George John Filby

On January 15th, George John Filby of Goulders Farm, Wingfield, passed away at the age of 78 years. He had been a lifelong ringer, and village blacksmith at Wingfield for many years and served as a farrier with the Royal Artillery during World War I. On the day of his funeral a half-muffled quarter peal of Oxford was rung by members of Wingfield and neighbouring towers.

### John Macbeth

The death occurred during early February of John Macbeth of Nayland. For many years he had struggled to maintain a band with bad going bells and no experienced ringers near enough to help, and it was not until 1957 that he rang his first, and only peal, conducted by Donald Mills at Wormingford in Essex. It is to be hoped that Nayland bells will soon be returned to the tower and rung out again to remind all of the presence of the church and in memory of one who had worked so hard to keep the exercise alive in his parish.

### Mrs. E. Le Blanc Smith

During the year the Southwold ringers have suffered a sad loss in the passing of Mrs. E. Le Blanc Smith. Learning to ring at Wissett after tthe restoration and augmentation of the bells in 1909, Mrs. Smith had maintained a lifelong interest in the exercise and was ringing in London at the towers of St. Clement Danes and St. Magnus the Martyr for some years, after leaving Suffolk in 1910. Mrs. Smith returned to her native county in 1945 and had been an active and loyal member of the Southwold band for 20 years.

### John Woodman

The tragic death of John Woodman is reported as the result of a fall during the course of his duties at Sizewell Power Station on December 27th. Hiss loss to the exercise will be felt very much at Blythburgh where he and his wife had been helping the local band for the last two years. John had also been teaching youngsters to handle recently at Theberton with a view to re-forming a band.

### George Stannard

One of the real 'old timers', George Stannard, passed away in May, leaving a place in the Worlingworth District that will be hard to fill. He served as a ringer for nearly sixty years and was associated with some of Suffolk's famous names in the early 1900's, particularly William G. Crickmer. A half-muffled peal was rung to his memory on May 19th.

## OFFICERS OF THE GUILD—1966

**President:**

The Lord Bishop of St. Edmundsbury and Ipswich,
The Right Reverend LESLIE WILFRED BROWN, C.B.E., D.D.

**Patron:**

R. A. Vestey, Esq.

**Vice-Presidents:**

The Venerable T. R. Browne, B.D., Messrs. Bert Chilvers, Charles E. Fisher, Cecil W. Pipe, H. Claude Rush, Charles J. Sedgley, George E. Symonds.

**Chairman:**

John W. Blythe, 69 Heath Road, Ipswich (Tel. Ipswich 76833).

**Ringing Master:**

George W. Pipe, 8 Lansdowne Road, Ipswich (Tel. 75647).

**General Secretary and Treasurer:**

Andrew T. Beckwith, 49 Alston Road, Ipswich (Tel. 58652).

**Report Editor:**

Roger L. K. Whittell, 39 High View Road, Ipswich.

**Hon. Auditor:**

Joseph W. H. Preastner, Wickham Market.

**Hon. Technical Adviser:**

Ranald W. M. Clouston, "Lavenham", 1 Canons Close, Radlett, Herts.

**Central Council Representatives:**

Miss Alice E. J. Lester, Howard W. Egglestone and Cecil W. Pipe.

**Pearson Handbells Trustees:**

George E. Symonds and Roger L. K. Whittell.

**Committee:**

The President, Vice-Presidents, Chairman, Ringing Master, General Secretary and Treasurer, Report Editor, Technical Adviser, District Chairman and District Secretaries (ex-officio), together with two elected members from each District.

## RINGING MASTER'S REPORT—1966

It is always very heartening for a Ringing Master to be able to report a year of progress and I do this gladly for 1966. However I am conscious too that it is very easy to be repetitive as I comment on each year's activities, so I will endeavour to confine myself (as Dickens' character Mr. Gradgrind emphasised) to "facts, boy, facts"!

For the third successive year we have recorded an increased membership and this has happily resulted in widespread teaching. Each District has, in its own way, taken up the challenge of recruitment and there are now centres over the face of the Diocese. Isolated agreed, but it's a start and if we can continue at the same tempo as set in 1966, our target of 500 members by 1970 is a distinct possibility. Apart from the well-known beginners' towers, Theberton, Leiston, Blythburgh, Horringer, Barrow and Otley made a start during the year and have already shown excellent results. I commend the "circuit" system operating in the N.E. District; am more convinced than ever that it is the answer in our scattered community and would like to refer to it at Beccles in April.

As evidenced by our record A.G.M. at Lavenham with 200 present, ringing has received a timely 'shot in the arm'. I call on every one of you to keep this up. It was a privilege to be able to visit 43 different towers during 1966 including 15 of the 22 meetings and I accord my thanks to those who made my wife and I so welcome. We have a varied calendar for 1967 and Beccles should prove an ideal venue for our Annual Meeting.

The quality of Sunday Service Ringing was clearly demonstrated at the Striking Competition at Theberton. Results were as follows:

| | Faults | | Faults |
|---|---|---|---|
| 1. Beccles (N.E.) | 54 | 6. N.E. District | 85 |
| 2. Aldeburgh (N.E.) | 63 | 7. Rougham (N.W.) | 103 |
| 3. Ixworth (N.W.) | 65 | 8. Henley (S.E.) | 106 |
| 4. Bramford (S.E.) | 80 | 9. Barking (C.) | 115 |
| 5. Ipswich (S.E.) | 81 | | |

Neither let us be slow in asserting our Churchmanship—it's high time this nonsense of assuming that ringers just ring and go to the pub opposite was dispelled. I am very proud of the fact that seventy-five per cent of our young bands are Communicant members of the Church.

Turning to peals, we improved again on last year. The first of Albanian and Lincolnshire Surprise Royal and Ealing S. Major are noted; and the first of Stedman Caters for ten years! The peal of London at Wilby was the 1,500th peal of Major for the Guild. However it was in the field of Multi-Minor, culminating in 148 methods, that we were able to record the highest number of methods ever rung to a peal. Moving from 40, to 55, 66, 100, 134 and 148 Howard Egglestone distinguished himself with some first class conducting. Being leading peal ringer (23) and conductor for 1966, besides considerable teaching and social work I congratulate Howard on your behalf on the contribution he makes to our ringing affairs.

"First pealers" were: H. Archer, Stephen (14) and Ruth Bedford (13), Andrew (12) and Wendy Ellis (13), Robert Cassidy (13), Melvin Hone, Brian Clampin, Barry Haywood, David Brooks, Ernest Smith, Owen Claxton and John W. Carter. Special congratulations to the youngsters and their tutor Peter Bedford and his bands, and to Leslie Mills as leader at Bures.

Some other interesting peal notes emerge. The first on the Mendlesham six, the seven Surprise at Preston, Vevuar Bedfords 1st as conductor and peals by G. R. Goodship (79) and G. E. Symonds (91). Grundisburgh had its 200th peal on the bells and personal milestones include J. I. Rogers and T. Brocks' 50th, R. L. K. Whittells 100th for the Guild, S. R. E. Pipe and C. W. Pipe 300th and 600th respectively.

Eighty-nine quarters with good variety are listed for the year and very pleased we are to see them. I'm sure you will all agree the worth of printing the quarters.

May I suggest that whilst the beginners are naturally started on Doubles and Minor as ringing maturity develops do go out into the eight and ten-bell fields when you can. A young ringer that has had his six bell peal needs one of Triples or Major to keep him interested and I will gladly be available for that step if I can assist.

Last, but not least our call change ringers. Be encouraged by the fact that the Ringing World Committee is endeavouring to set up a "call change ringers weekly feature" which should be of interest to all.

I look forward to another progressive year in 1967. Thank you for your support; let us remember our duties to God and the Church, the District and the Guild and moreover, enjoy your ringing to the full.

GEORGE. W. PIPE.

## GENERAL SECRETARY'S REPORT

In presenting what I hope will be a comprehensive and encouraging Report of 1966, I hope also that we as individual members will examine ourselves to see what contribution we have made over the past year for the progress of ringing. We have all heard said many times "I don't go to Church but I love to hear the bells on a Sunday morning". This to me is an indication that our work kindles in more than a few people the thought of the continuance of Christian worship. It probably portrays it to ten times the number of people who are assembling in the building below. Every peal, quarter peal or short 'touch' is representative of the attitude of the band in their minds towards the ringing in which they are taking part. Perhaps 50 per cent are putting everything into it, 25 per cent are indifferent and the remainder couldn't care less. Even such a 'touch' might sound better than one where the band is composed of 100 per cent keenness but where experience is lacking. It is therefore not for us to stand outside the tower and remark, "That was a bit of a jumble" when it may well be the very best that the band are capable of producing. Far better, surely, to impart our own knowledge and skill whatever grade it may be for the furtherance of the art and attainment of the highest standard possible. Ringing has so many facets and each one can become the study and pleasure of a lifetime if we are prepared to put something of ourselves into it.

### Guild Events

The A.G.M. at Lavenham on April 16th was undoubtedly a great success and it was estimated that some 200 people attended the gathering, thus creating a record in attendance. We were grateful to the Rev. A. A. Muxlow, Vicar of Stowmarket, and himself a ringer for his address at the service. A total of 20 towers were open during the afternoon and evening. At the business meeting all the officers were re-elected.

Another very successful striking competition was held on May 7th at Theberton and the arrangements were very efficiently handled by Trevor Bailey and fellow officers of the North East District. Thanks are accorded to the Judges (Tom Lock, Hon. Secretary, Middlesex Association, and Richard Hunt of Ruskington, Lincs.).

On May 14th Rougham bells were re-dedicated by Canon Gilbert Thurlow who also preached an inspiring address which was later the subject of a leading article in the "Ringing World". The bells now 'go' splendidly and the work accomplished at this tower is of great credit to the local band.

In addition to the 20 District Meetings and numerous district practice evenings, two joint meetings have been held with neighbouring associations. I hope we shall see more of these in the future as they are a splendid indication of the fraternal spirit which exists among ringers everywhere. As usual our Calendar of Events for the coming year is to be seen on the front inside cover.

### Committee Meetings in 1966

The usual three meetings have been held viz., 26th February at Stratford St. Mary, 13th August at Little Glemham and 26th November at Stoke-by-Nayland. General matters of administration and organising of events were the chief items of discussion at these meetings. There was an average

attendance of 13 which is indicative of representatives interest in the free running of the Guild. I would be grateful if members with any problems at their towers would ask their representatives to bring them to the notice of the committee. Also if it is heard that a ring of bells is to be removed or tampered with in any way which might be regarded as untoward, please bring such matters to the notice of the committee. If this is done remedial action may well result after action is taken by the Diocesan Guild as a body under our Technical Adviser, who is on the Diocesan Advisory Committee.

**Treasurer's Report**

It may be safely said that the Guild financial state is satisfactory with an increased balance in both General and Restoration accounts. No grants have been made for bell restoration work during the year but the receipts side is again largely helped by a generous donation from the Guild Social at Bramford on December 17th. The transfer of £100 from the current account to a deposit account will help the funds slightly with the interest annually accruing.

**Membership**

The analysis shows an increase of 25 members over 1965 largely due to the increase in the North-East District.

**Membership 1966**

| | *Ringing Members* | *Honorary Members* | *Junior Members* | *Total* | *Probationers* |
|---|---|---|---|---|---|
| S.E. Dist. ... | 94 | 1 | 11 | 106 (1965—119) | 31 |
| N.E. Dist. ... | 68 | 4 | 30 | 102 (1965— 70) | 7 |
| N.W. Dist ... | 56 | 1 | -- | 57 (1965— 55) | — |
| Cent. Dist ... | 46 | — | -- | 46 (1965— 48) | 2 |
| S.W. Dist. ... | 52 | 3 | 1 | 56 (1965— 51) | 2 |
| | 316 | 9 | 42 | 367 (1965—343) | 42 |

**Central Council**

Our three delegates all attended the meeting held at Bath at Whitsun.

**General**

The year has seen a new Bishop enthroned and I am very pleased to say that Dr. Brown has most gladly accepted the Office of President.

I hope the Bishop will feel welcome to attend future meetings of the Guild whenever possible. The Master and myself were grateful for a short audience with the Bishop on September 12th when we were able to explain some of the work of ringers throughout the Diocese.

With the steady increase in the population of the County, both East and West, no doubt this will, in part at least help to re-fill our often almost empty but very beautiful Churches. As this becomes apparent, is it not our duty as ringers to see that the belfry as a very integral part of the Church's worship is also full and maintains its rightful place for all time to come. I am particularly grateful this year to all those kind friends who visited me

while I was ill and also for the assistance they gave to enable my duties to be carried on as normal.

I hope we may all enjoy a splendid year in 1967 and receive the just reward for our efforts and assiduity.

ANDREW T. BECKWITH.

## TECHNICAL ADVISER'S REPORT

In 1966 your Adviser reported on the rings of bells at Wickham Market, Hadleigh, Boxford, and Great Barton together with the set of four at Mettingham.

At Wickham Market pigeons had been getting into the bell chamber, and though the frame and fittings were new in 1883 they are now deteriorating. The tenor headstock is wormeaten and split, and a complete overhaul will soon be necessary. Another factor is a vertical crack in the west part of the round tower. Fortunately the bells still remain fairly easy to ring.

The eight at Hadleigh by contrast are really hard work; the worst bells in this respect are the two tenors. The front six go reasonably well on their own and the writer made recommendations for enabling these to be rung regularly for service for the time being. The main trouble is a distorting frame and worn fittings, and a restoration must include a new frame. The Miles Graye III tenor is virtually the same mouth diameter as the Lavenham tenor and $\frac{1}{4}$in. thicker in the soundbow; now it has no canons it must weigh no more than 23 cwt., rather less than the 28 cwt. reputed.

The eight at Boxford have not been properly rung for some 40 years due to the frame arrangement and the tower. The three trebles hang in an upper tier just under the roof, with the five tenors in an old four bell frame below. This frame has been much weakened to get the extra bell in. The sixth and seventh here have remarkably fine pre-Reformation inscriptions. The treble is cracked. The tenor here at 50$\frac{1}{2}$in. mouth diameter is less canons and argent and is not likely to scale more than 22 cwt.

Great Barton bells are not in a good state, the tower is cracked in the east wall, the gudgeon pins on the fourth and tenor (1861 vintage) are badly worn, the third and fourth are very poor tonally, and the bell frame after many years service and much patching is now getting past it.

Mettingham has an unringable four; only three bells have ropes due to a decayed wheel on the second, yet it is this latter bell which is the only one safe to use!

Bell restoration work in 1966 has been rather less than in former years. Rougham were re-dedicated after a thorough overhaul and are now in excellent order. Another re-dedication of some interest was that of the Bramford tenor after a welded repair in Denmark. This welding was observed by the British Welding Research Association's representative from Abington Hall, Cambridge, and they have since then successfully welded a scrap bell at Abington Hall. It is hoped that they will soon commence work on the Groton treble.

Stowmarket bells are away at the Loughborough Foundry and are expected back shortly. The bells from St. Mary's, Bury and Nayland have remained at Loughborough for another year. Troston bells have been returned to the church, the tenor is hung dead up the tower and the other

five sit on their mouths in different parts of the church. This also applies to Stanstead where only one of the trebles is used. The five at Lidgate are soon to be lowered from the frame for safety, they have been unringable for many years with the third and tenor cracked.

At Sweffling the tower parapets are unsafe and at Monks Eleigh the tower walls are breaking up internally; in both cases ringing has had to stop, at least for the moment.

Worlingham tower has had a reinforced concrete roof cast and the parapets rebuilt, and the bells were rung for the first time for some years. The N-S tower sway is considerable and a new frame with a better layout is needed lower down the tower.

Thurston is another tower where the bells have not been rung in full circles for some years before 1966; their state is, however, poor. Clopton were rung again in 1966 but here the second and fifth are cracked in the crown.

Your Adviser visited Huntingfield to check on the position of a proposed central heating boiler just by the tower and he found that with it in the suggested position the treble could not be rung in changes. The scheme is being reconsidered.

Your Adviser asks to be kept informed of bells that are difficult to ring without obvious cause, or where permission to ring is not granted due to the state of the tower or the bells so he can visit and keep the index and directory of towers up to date.

RANALD W. M. CLOUSTON.

## DISTRICT REPORTS

### NORTH EAST

1966 has been a year of solid achievement. No less than 39 new members have been elected bringing total District to in excess of 100. It is with a sense of pride and satisfaction that we record this, but let us be wary of becoming complacent. Much has been accomplished by a few, and this should only serve to make us realize our full potential. The challenge of the silent towers is still with us and positive action such as has been so admirably demonstrated at Saxmundham and Theberton during the past year, is the only answer to this.

Five meetings have been held during the year at Halesworth (A.D.M.), Fressingfield, Beccles (joint with Norwich Diocesan Association), Marlesford and Little Glemham and Blythburgh and Wenhaston (A.D.M.). The average attendance was 38. At the Blythburgh meeting Mr. Peter Bedford was elected Ringing Master to replace Mr. Edwin Goate who is to be thanked for his work in that capacity.

Two teams from the district entered the striking competition held at Theberton and we at Beccles were very proud to be declared the winners, thus securing the shield for the District for the first time.

This Report must conclude with thanks to all who have contributed to the success of our meetings. Please continue to support your Officers and make 1967 an even more noteworthy year.

TREVOR N. J. BAILEY, Secretary.

## SOUTH WEST

During the year we held meetings at Stratford St. Mary, Clare, Preston St. Mary and Stoke-by-Nayland (A.D.M.), with an average attendance of 24. We also had a joint meeting with the Northern District of the Essex Association at Long Melford in September which was well attended. It is hoped to arrange a similar meeting in the not too distant future.

It is pleasing to see two probationers from Kedington, Mr. A. Messem and Mr. G. Senior elected members, and we hope that other towers similarly situated will soon be on the map again.

Congratulations to David Brooks, Brian Clampin and Barry Haywood who rang their first peal during the year, also to Jeremy Dingwall, who scored his first quarter peal; all are members of the Bures band.

As a tribute to Mr. Stedman Symonds, for his long and faithful service as a ringer and member of the Church, Mr. L. D. Mills has made a memorial board, which is to be placed in Lavenham tower.

We regret to record the death of another Lavenham ringer, Mr. Stanley Smith.

Good wishes to all for 1967.

EVELYN R. M. CANSDALE, Secretary.

## CENTRAL

1966 has been a moderate year regarding the Central District. Two members have retired from the Guild owing to age and ill-health, but we have been fortunate in having two new members elected. Our paid-up membership to date is 46. Ringing in general seems to be declining throughout the District but good work is being done by Mr. R. E. Lester at Barking. Also at Thorndon there are some recruits.

Meetings on average have been well attended although lack of District members support is still discouraging. Members have been able to improve and ring new methods at the four practice meetings held during the year.

I hope support will be more encouraging during 1967.

HAROLD W. H. LEATHER, Secretary.

## NORTH WEST

There were four quarterly meetings during the year at Elveden, Newmarket, Rougham and Fornham All Saints; and there were six practice meetings also during the year at Whepstead, Great Barton, Ixworth, Euston, Mildenhall and Horringer. There was a good attendance at most of these gatherings.

Bell Fund collections were £3 10s. 0d. and I would like to thank all members for their support.

ARTHUR F. BALLAM, Secretary.

## SOUTH EAST

Woodbridge, Hollesley, Clopton and Hintlesham were the Churches visited for our quarterly meetings and on the whole the attendance was good. Six practice meetings were held. New bands have started up at Sproughton, Otley and Clopton under the guiding hand of Reg. Kersey and Howard Egglestone, also it is great to see the younger ringers on the increase.

We have lost a good friend of ringers in Rev. W. H. Groom, of Hollesley, who passed away this year.

Congratulations are extended to the band who rang the peal in 148 methods at Ashbocking on July 13th.

Although throughout this year the outlook has been bright we must not let up, but go forward to increase and improve in every way. I wish on behalf of the District Officers to thank all for past support and also to wish an increase in knowledge of ringing and good rope pulling in 1967.

WINIFRED LOCKWOOD, Secretary.

## PROPERTY OF THE SUFFOLK GUILD OF RINGERS

**Books:** Church Bells of Suffolk, by Canon J. J. Raven, D.D. (presented in memory of C. F. Sayer, Beccles).

Bells of all Nations, by Ernest Morris.

Bells in England, by Tom Ingram.

Complete collection of Guild Reports from 1921.

The Secretary would welcome any applications for loan of any of the above books and would also be pleased to hear of additions in the form of bequests, etc.

**Handbells:** Originally the property of the Rev. W. C. Pearson, of Henlev, and presented to the Guild in 1942.

Set of 26 bells by Taylor of Loughborough.

Two full Chromatic octaves beginning at middle C.

Set of 16 bells by Shaw of Bradford in diatonic scale of G.

Set of 13 bells by Warner of London in diatonic scale of E.

# THE SUFFOLK GUILD of RINGERS

## INDEX AND DIRECTORY OF TOWERS

The following code has been used to show the condition of the ring:

10. Excellent. Ball bearings, modern frame and fittings.
9. Excellent. Plain bearings, modern frame and fittings: or ball bearings in an old frame.
8. Good going order.
7. Fair going order.
6. Poor going order.
5. Ringable if cleaned up and odd fittings and ropes provided.
4. Ringable with difficulty and a degree of risk after making odd repairs.
3. Unringable mainly because of tower, and/or frame arrangement and position.
2. Unringable mainly because of frame and/or fittings.
1. Hung dead.
0. Some bells unhung and on the ground.

While every effort has been made to ensure that the information given is accurate, the Technical Adviser would be very pleased to hear of any corrections.

## RULES

1. Subscriptions shall be due in advance on January 1st, annually.
2. Any member whose subscription is unpaid on December 31st shall lose his membership. No peal shall be recorded unless the subscriptions of all taking part in it are paid. Lapsed members may be reinstated on payment of 2s. in addition to the annual subscription.
3. Should a Ringing Member, having paid five consecutive years' subscriptions, remove from the Diocese, he may without payment become a Non-Resident Member for such time as he continues to reside outside the Diocese.
4. All ringing at meetings of the Guild shall be under the direction of a Ringing Master and shall be such as is approved by the Central Council. The decisions of the Central Council shall be recognised in recording any ringing performances.
5. A peal fee of 6d. per rope is payable in respect of all peals rung for the Guild. Conductors are responsible for collecting and forwarding them to the General Secretary. No peal will be recorded unless the peal fees have been paid.
6. The Secretary may pay, on request, 2nd class return railway fare, together with a maximum of two nights' hotel expenses to such representative attending the Central Council Meeting, provided that the total indebtedness of the Guild for all representatives does not exceed £20 in any one year.
7. The Committee may remove a member from the Guild for a serious offence against the Objects and Rules, subject to appeal at a General Meeting.
8. The Objects, Constitution, and Rules can only be altered by a General Meeting after three months' notice given at General Meeting.

## LIST OF MEMBERS—1966

## OBITUARY

### Ronald A. Francis

Ronnie Francis of Rickinghall passed away on December 13th, 1965, aged 50 years. A ringer for the past 30 years he was also sidesman and latterly Churchwarden at the Rickinghall Churches.

### Frederick Kinsey

On August 24th Fred Kinsey passed away in the Ipswich and East Suffolk Hospital in his 85th year. He was taught ringing by his father at Old Newton but had been connected with bands in the Ipswich area for the past 50 years. He was a most faithful Sunday service ringer at St. Margaret's, Ipswich until about two years ago and had made a speciality of rope-splicing, at which he was expert. A half-muffled quarter peal of Grandsire Triples was rung as a tribute.

### Stanley Smith

Lavenham tower has lost a faithful and loyal member in the passing of Stan Smith during 1966. Aged 66, he had started ringing in 1919 and had rung one peal at Lavenham, and a few handbell peals. He had over the years taken part in many quarter peals for Sunday service ringing.

### Stedman H. Symonds

The whole county mourned the passing of Stedman Symonds in February. One of the famous Lavenham band and a ringer there, like his father for over 60 years, he was an accomplished composer and conductor. Stedman was a master of the whole art of ringing from teaching to handbells—all with the patience and skill of a true craftsman.

Of his total of 239 peals, 100 exactly were for our Guild. He was the first Ringing Master (in 1921) when the Guild was formed and remained a loyal member until his death.

Friends from far and wide attended his funeral at Lavenham and handbells were rung over the grave.

# PEALS 1966

**Committee:**
The President, Vice-Presidents, Chairman, Ringing Master, General Secretary and Treasurer, Report Editor, Technical Adviser, District Chairmen and District Secretaries (ex-officio); together with two elected representatives from each District.

## RINGING MASTERS REPORT—1967

If I were asked to cite the two most encouraging aspects of our work in the Suffolk Guild during 1967, I would name first, our closer liaison with Clergy and parish alike throughout the Diocese and secondly (for the fourth successive year) an increased membership.

This latter point, in an age when Rural Arts and Crafts and many things worthwhile are losing a lot of general support, is something of which we can be proud. And when I record that three of the Michaelmas Ordinands were ringers then this is good news indeed.

My travels around the Diocese during 1967 were not able to be quite as extensive as 1966 but nevertheless it was a pleasure to attend 12 meetings and to call on 47 Towers for either Service or Practice ringing. Generally speaking our standard is quite good and credit is again due to our untiring instructors. I would like members to particularly note the addendum to the N.W. District membership list which is an excellent medium for district expansion and ascertaining "whats on."

The A.G.M. was again a tremendous success and what a tonic to see that fine belfry at Beccles filled to capacity with our President in its midst before the Service. We are trying Stowmarket this year and although only an 8 bell Tower there is a good supporting programme in the afternoon and evening.

The striking competition at Horringer broke all records—12 Teams competing, and we congratulate the winners.

Results were:—

| | | Faults | | | Faults |
|---|---|---|---|---|---|
| 1 | Central District | 42 | 7 | Gt. Barton (N.W.) | 94 |
| 2 | St. Mary le Tower (S.E.) | 43 | 8 | Henley (S.E.) | 109 |
| =3 | Bramford | 62 | =9 | Beccles (N.E.) | 116 |
| | S.E. District | 62 | | Rougham (N.W.) | 116 |
| =5 | Aldeburgh (N.E.) | 92½ | 11 | Barking (C.) | 163 |
| | N.W. District | 92½ | 12 | Offton (S.E.) | 201 |

One point on striking needs continued emphasis—that of Leading, and I ask instructors to stress its importance. And if I could generalise for a moment and give one tip for the 1968 competition it's this—put your good strikers on 1, 2 and Tenor!

Talks were given at Ufford, Beccles and Ipswich during the year—do let me know if I can help your area in this way.

The peals total for 1967 was the lowest since 1963 due entirely to some of our peal organisers not being quite so active in this field. It is a matter for regret no 12 bell peal has been rung for five years now, highlighting the pressing need for the St. Mary le Tower Ipswich Restoration not only for the fortunate few I might add but 'open house' for ALL Guild members who wish to try their hand at Cinques and Maximus.

The first of Superlative S. Royal for the Guild is recorded and a notable anniversary marked with the fine performance of 10,080 Bob Major at Debenham in September. The goodly list of first pealers includes: Alan Kirk Solbert and Alan McDonald II both from Groton School, U.S.A., Michael Baldry, Clyde Curtis, Jane Hallas, Dr. Stuart Harrison, Chris Nunn, Clifford Poulson, Sharon Page, John Rampley, Tony Spurling and John Wintram.

Four people conducted their first peal: Winifred Lockwood, David Derrick, Michael Howes and Adrian Knights. Personal achievements include 50th peals for Muriel Page, Leslie Mills and Michael Howes and 50th and 100th for the Guild for Edwin R. Goate and Neville Whittell respectively. Finally, hearty congratulations to George Symonds with peals in his 92nd year.

Our call change ringers and Quarter pealers have had an active spell—118 quarters being recorded with an interesting cross section of methods.

In conclusion may I thank you all for your support during last year. When I took office at Bury St. Edmunds in 1964 I was asked to define the Masters' job! There are no parameters for such an office nor would I venture to say for any ringer whatever his standard. Whatever we can do for the promotion of the Art of Ringing both as a hobby and a service to God and the community. Could this be our theme for 1968?

GEORGE W. PIPE.

## SECRETARY AND TREASURER'S REPORT

As 1967 closes it is apparent that the extent of the Guild's activities has been subject to the usual continuous changes which take place. Some new bands have sprung up, some have fallen away, the majority plod on faithfully week after week. Some members have lost interest, others have become rejuvenated in their enthusiasm. Unless progress in the tower is being made and we have an end-product in view there is likely to be complacency. To endeavour to leave ringing in a better state than we found it must surely be a good aim and the interest it provides should help carry us through the months ahead.

### Guild Events

Members gave splendid support to the A.G.M. at Beccles on April 1st and about 180 attended the choral service, tea and meeting. The Bishop of the Diocese, Dr. Leslie Brown, preached an inspiring sermon. Fifteen towers were available during the afternoon and evening. All officers were re-elected except the Report Editor, to which office Rev. Lawrence R. Pizzey was elected.

A record number of teams entered the striking competition at Horringer on May 6th. Frank Lufkin and Miss Hilda Snowden were the judges and about 120 members attended. On May 13th, a memorial board to the late Stedman Symonds was dedicated in Lavenham Tower in the presence of a large company of his friends.

The Rt. Rev. D. R. Maddock was commissioned as Bishop Suffragan of Dunwich in the Cathedral and has been invited to accept the office of Vice-President of the Guild. I have welcomed the Bishop to the Diocese on your behalf and hope he may have a long and happy association with Suffolk. At the ordination services held at Hadleigh and St. Mary-le-Tower, Ipswich on 24th September, three of the ordinands were ringers. A particular welcome is therefore extended to Frank Tanner (St. Margaret's, Ipswich), Lawrence Pizzey (Bramford) and Brian Redgers (Rushmere). Stowmarket bells have been re-dedicated and Mr. Barnard and neighbouring ringers are working hard training a new band assisted by the Vicar and his family. Three Committee meetings have been held at Ufford, Framsden and Leiston with an increased average attendance of 15. A detailed inventory of the Pearson's handbells was drawn up together with rules relating to their use. They are also now insured for their replacement value of approximately £300.

### Finance

The general account balance is about the same as last year at £204 4s. 7d and can be regarded as satisfactory as expenses have been slightly higher. Members have given wonderful support to the Restoration Fund and the present balance at £240 13s. 7d. is the highest since the fund was started in 1947.

### Membership

Membership has again increased by 37 and it is good to see the 400 mark passed again.

## Membership 1967

| | Ringing Members | Honorary Members | Junior Members | Total, | 1966 | Prob. |

### Central Council

The Central Council meeting was held at Nottingham when our three representatives were in attendance.

I do sincerely thank all those who have worked so hard for the progress of the art during the past year.

ANDREW T. BECKWITH.

## TECHNICAL ADVISER'S REPORT

In 1967 your Adviser reported on the rings of bells at Benhall, Newmarket St. Mary, Rushmere St. Andrew, Kelsale, and the sets of four bells at Sternfield and Darsham.

The ring of six at Benhall were overhauled by Alfred Bowell in 1927 and remain in quite good order. As inspected, one of the tenor bearings was loose in the frame and required attention. The elm headstocks and some of the wheels were worm-eaten and the treble clapper was an inch too long.

At Newmarket St. Mary, Taylors put the ring of five in a new metal six bell frame in 1904, and they added a tenor in 1923. Here the frame wanted painting and attention was required to some of the clapper joints and rope pulleys.

At Rushmere St. Andrew all the six bells swing N-S, and the vertical crack in the centre of the west wall changes its width as they are rung. Also the tower has spasms of horizontal movement when particular changes are rung. Your Adviser considers that the bells should be re-hung in a new frame with some of the bells swinging E-W with the frame support structure set on a reinforced concrete girdle to tie the walls together. Generally towers like Rushmere are stiffer E-W than N-S.

At Kelsale the two trebles are in an upper timber frame which rocks excessively when they are rung. The plain bearings on the fifth, sixth, and seventh are badly worn, and the tone of the fourth and sixth leaves much to be desired. In the long term a new frame is needed.

The four at Sternfield were re-hung by Alfred Bowell in 1935. He re-cast the treble, and hung them all for swing chiming with levers in the timber four bell frame of about 1600. He replaced the side frame on the south side and stiffened it up elsewhere, but it remains weak in the N.E. corner due to decay.

At Darsham the four bells have not been overhauled for a great many years and are in poor order. All the bells need turning and supplying with new fittings. A leaking roof has seriously decayed the frame in two areas.

Musically the bells are odd, they are closest to being the front four of a ring of six, but they hang in a normal four bell frame with a central access opening.

During the year the Stowmarket bells were re-dedicated. Before the work was put in hand it was agreed by the parish that the bell frame should be anchored, but at the time of re-dedication this unfortunately had not been done, and the whole frame was shifting E-W relative to the walls as the bells were rung. Such movement is bound to make the bells harder to ring than they need be.

At Kersey the six bells including the cracked tenor have been removed to the Loughborough Foundry. The tower is to be restored, and the bells will in due course be hung in a new frame set just above the clock room floor. The tenor is to be re-cast and the new frame is to be capable of being extended to house eight bells.

The single bell at Walton cast by Thomas Lawrance of London about 1520 and the single bell at Little Bradley have both been re-hung by Messrs. Mears and Stainbank.

The Groton treble has been repaired by welding by the British Welding Research Association at Abington Hall, Cambridge, and is now in use again up the tower. It is to be hoped that the visit of the band of ringers from Groton School, Mass., U.S.A. during the summer will lead to a complete restoration of these bells for change ringing. This will involve a new frame and fittings.

Your Adviser was asked to look at the tower parapets at Halesworth, and he found them in an extremely decayed state. Re-building them would seem to be indicated, and the parish was advised to consult their architect.

At Bardwell the tower is cracked and some of the belfry walling has collapsed, so ringing has been suspended until the defects can be made good.

Your Adviser is concerned about some of the rusty metal bell frames he has seen recently in Suffolk towers. Cast iron has good corrosion resistance but often our frames are in rolled mild steel or wrought iron and all are generally supported on steel girders set into the walls. It is very important to repaint before the rust gets too much of a hold as then a great deal of preparation work is necessary to get down to bare metal. The local band does have a duty to keep the P.C.C. informed of the position and to ensure that the matter is kept before them till dealt with.

Your Adviser will be pleased to inspect and give advice on bell problems on request to his home address, 1, Canons Close, Radlett, Herts.

RANALD W. M. CLOUSTON.

## OBJECTS

1 FEDERATION. To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2 RECOGNITION. To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demand much time, skill and mental labour) may be placed upon a true and acknowledged basis.

3 PROMOTION OF CHANGE RINGING. To encourage, cultivate and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and so provide, as far as possible, instructors when and where required.

4 REFORM. To promote a proper appreciation of the ringing chamber as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment thereof; as well as the preservation of the bells in an efficient condition; to advocate needful repairs and renovations and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

## CONSTITUTION

1 The Guild shall be known as the Suffolk Guild of Ringers for the Diocese of St. Edmundsbury and Ipswich.

2 The Officers of the Guild shall consist of:— The Lord Bishop of the Diocese as President, Patrons, Vice-Presidents, Chairman, Ringing Master, Secretary and Treasurer, Report Editor, Auditor and the Technical Adviser.

3 The Guild shall consist of (a) Ringing Members, (b) Probationers, (c) Junior Members, (d) Honorary Members, (e) Life Members.

(a) Ringing Members may be elected at any meeting where there are five other members present, or, provisionally by two other Members, before starting for a peal. Ringing Members may be elected as soon as they have rung 120 changes on a tower bell or on two handbells retained in hand. The subscription of Ringing Members shall be 5s. 0d. per year.

(b) Probationers may be elected at any meeting where there are five other members present. This grade of membership is for those learning change ringing but who have not yet rung 120 changes on a tower bell or on two handbells retained in hand. The subscription of Probationers shall be 2s. 6d. per year.

(c) Junior Members under the age of 16 years, who shall pay half the annual subscription.

(d) Honorary Members may be elected on a payment of 5s. 0d. per year.

(e) Life Members residing out of the County to make a single payment of 10s.

4 The Committee shall consist of the President, Vice-Presidents, Chairman, Ringing Master, Secretary and Treasurer, Report Editor, Technical Adviser, District Chairmen (ex-officio), District Secretaries (ex-officio), together with two elected members from each District, seven to form a quorum. The Committee will meet a minimum of three times during the year.

5 The area covered by the Guild shall be divided into Districts, each of which shall have its own Chairman, Ringing Master, Secretary and Committee, who shall be elected at the District Annual Meeting. Each District will elect two representatives to serve on the Guild Committee. The Secretary will:—

(a) Arrange Meetings for practice.

(b) Arrange for instruction.

(c) Collect the subscriptions of all members.
N.B.—In each company there shall be chosen a Secretary, or Captain, or Ringing Master, who shall collect all subscriptions as soon as possible after January 1st., and send them to the District Secretary.

(d) Forward these subscriptions to the General Secretary together with his receipt book and details of any expenditure, at the end of the year for audit.

6 The Guild shall be affiliated to the Central Council of Church Bell Ringers, and shall loyally abide by the rules and decisions thereof.

## RULES

1 Subscriptions shall be due in advance on January 1st annually.

2 Any member whose subscription is unpaid on December 31st shall lose his membership. No peal shall be recorded unless the subscriptions of all taking part in it are paid. Lapsed members may be reinstated on payment of 2s. in addition to the annual subscription.

3 Should a Ringing Member, having paid five consecutive years' subscriptions, remove from the Diocese, he may without payment become a Non-Resident Member for such time as he continues to reside outside the Diocese.

4 All ringing at meetings of the Guild shall be under the direction of a Ringing Master and shall be such as is approved by the Central Council. The decisions of the Central Council shall be recognised in recording any ringing performances.

5 A peal fee of 6d. per rope is payable in respect of all peals rung for the Guild. Conductors are responsible for collecting and forwarding them to the General Secretary. No peal will be recorded unless the peal fees have been paid.

6 The Secretary may pay, on request, 2nd class return railway fare, together with a maximum of two nights' hotel expenses to such representative attending the Central Council Meeting, provided that the total indebtedness of the Guild for all representatives does not exceed £20 in any one year.

7 The Committee may remove a member from the Guild for a serious offence against the Objects and Rules, subject to appeal at a General Meeting.

8 The Objects, Constitution and Rules can only be altered by a General Meeting after three months' notice given at a General Meeting.

## REGULATIONS relating to PEARSON'S HANDBELLS

1 The Pearson Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustees. They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.
2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the trustees by the borrower, and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the trustees if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.
3 The bells are the responsibility of the borrower, after he has signed for them, until they are returned to the trustees by the borrower. The bells are not to be loaned to anyone by the borrower without the prior consent of both the trustees.
4 The bells must be returned to the trustees upon request. The trustees should endeavour to give seven days' notice if they require the bells, and should return them to the borrower as soon as possible.
5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.
6 The trustees are responsible to the Committee of the Guild for the administration of the bells, and their decisions regarding the bells can be revoked by the Committee.
7 The trustees and the Committee of the Guild would be grateful for financial help for the maintenance of the handbells from members who have enjoyed the use of them.

## DISTRICT REPORTS

### NORTH WEST

Quarterly meetings were held at Barrow, Elveden, Horringer and Ixworth.

Practice meetings were held at Rougham, Lakenheath, Fornham St. Martin, West Stow, Great Barton and Ixworth. Service ringing has been carried out at Fornham St. Martin, Pakenham and Dalham—all towers at which the bells are not normally rung. Quite a number of district members have taken part in this special service ringing; and mention must also be made of the efforts of the Rougham band, who have carried out ringing for special services at Hunston, Great Ashfield, Stowlangtoft, Thurston, Hepworth, Dinkstone, Hessett, Pakenham and Ixworth. It is to be hoped that the occasional ringing of these normally silent bells, whether for practice, service, or wedding, will prove worthwhile.

During 1967 District membership has increased from 57 to 74—an increase of 30 per cent over 1966.

Three District towers entered for the Striking Competition, held at Horringer: Ixworth, Horringer and Rougham were placed 5th equal, 7th and 9th respectively. Can we manage four entries in 1968?

The recent innovation of holding practice meetings on a Friday evening has been tried on two occasions, and has proved popular, particularly with the younger ringers.

Finally, a big thank you to Robin and Janet Rogers, and to John Underwood, for their work in teaching younger ringers and getting the District buzzing again. My sincere thanks.

ARTHUR F. BALLAM, Secretary.

## CENTRAL

Four quarterly and four practice meetings were held during the year; numbers of District members attending were disappointing. However, ringing was of a fairly good standard, and the practice meetings were useful. A number of new members have been elected during the year. The committee has met once, for a helpful discussion.

My thanks to all who have assisted in arranging meetings.

HAROLD W. H. LEATHER, Secretary.

## SOUTH EAST

1967 has been a year of great activity for the District. The four quarterly meetings were held at Ufford, Offton, Grundisburgh, and Ipswich St. Margaret, ringing being arranged under the watchful eye of Howard Egglestone who has ensured that beginners and more experienced ringers have equal opportunity. Seven practice meetings have also been well supported.

Congratulations to those who have rung their first peal or quarter peal during the year, and to those who have conducted their first peal.

During the year our congratulations also went to Mr. and Mrs. George Symonds as they celebrated their Diamond Wedding.

We record with regret the passing from our number of Arthur Cuthbert (Wickham Market), Claude Woodard (St. Margaret's, Ipswich), and Percy Marjoram (Tuddenham).

We welcome two ringing clergy to the District—Rev. Brian Redgers, as curate of Rushmere, and Rev. Lawrence Pizzey, as curate of Bramford.

Membership has increased during the year, but we must not rest on our laurels. We must look for more recruits in 1968, and determine to help one another—especially those who are beginners—whilst seeking to achieve new goals ourselves.

The Ringing Master and Chairman join me in thanking you for your support in 1967, and wishing you all good ringing in 1968.

WINIFRED LOCKWOOD, Secretary.

## NORTH EAST

On looking back to our activities in 1967, one is immediately struck by the amount of basic groundwork which has been put in, particularly in the Southern half of our District which is taking on a new lease of life. Our meetings are now thronged with youngsters and our warmest thanks must go to those responsible for training, encouraging and above all retaining their interest.

Membership has shown a further increase of 13, but we have to record the deaths of two members—Messrs. J. E. Stokes and E. C. Bailey both of Beccles. Tributes were paid to them at our Kelsale meeting and in the 'Ringing World.'

Five meetings were held during the year—at Kelsale, Aldeburgh, Great Yarmouth (joint with Norwich Diocesan Association), Weybread (when ringing took place at Fressingfield), and Leiston (A.D.M.) The average attendance was 40. We were also pleased to welcome the Guild to Beccles for the A.G.M. held in April. Teams from the District again entered the striking competition at Horringer and we congratulate the Central District on taking the shield from our midst.

My thanks once again to all who helped make our meetings a success and as we move into 1968, I feel constrained to quote the words of Sir Winston Churchill—"Come then, let us go forward together."

TREVOR N. J. BAILEY, Secretary.

## SOUTH WEST

During the year we held meetings at Haverhill, Cowlinge, Hartest and Bures (A.D.M.), with an average attendance of 30. We again held a joint meeting with the Northern District of the Essex Association, this time at Bocking in the Essex district. Unfortunately our district was not very well represented, owing to the fact that this tower is rather a long way from the district borders. However, we anticipate a better attendance at the 1968 joint meeting, which we hope to have at the more easily accessible town of Sudbury, in September.

Congratulations to Cliff Poulson and Clyde Curtis, both of Lavenham, who rang their first peal during the year. We are pleased to have more new members from Kedington elected.

We regret to record the deaths of two more Lavenham ringers, Mr. Fred Boreham and Mr. William Faiers.

1967 has seen a renewal of enthusiasm, but we hope that 1968 will be an even bigger and better year.

Good wishes to all for 1968.

(Miss) EVELYN R. M. CANSDALE.

## SUFFOLK GUILD OF RINGERS

### Statement of accounts: 25th January, 1967—20th January, 1968

Andrew T. Beckwith,
Hon. Treasurer,
20th January, 1968.

## INDEX AND DIRECTORY OF TOWERS

The following code is used to show the condition of the ring:—

10—Excellent. Ball bearings, modern frame and fittings.
9—Excellent. Plain bearings, modern frame and fittings—or ball bearings in an old frame.
8—Good going order.
7—Fair going order.
6—Poor going order.
5—Ringable if cleaned up and odd fittings and ropes provided.
4—Ringable with difficulty and a degree of risk after making odd repairs.
3—Unringable mainly because of tower and/or frame arrangement and position.
2—Unringable mainly because of frame and/or fittings.
1—Hung dead.
0—Some bells unhung and on the ground.

While every effort has been made to ensure that the information given is accurate, the Technical Adviser would be very pleased to hear of any corrections.

Key to Districts:— 1-N.E., 2-S.E., 3-N.W., 4-S.W., 5 Central.
