THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

ST. EDMUNDSBURY AND IPSWICH.

OBJECTS.

1.—**Federation.**—To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.**—To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.**—To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.**—To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the conditions of bells and their fittings.

CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2/6 a year; the other Members (including the Clergy), 1/- a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

THE SUFFOLK GUILD.

Report for 1930.

The chief event for us during the past year has been the departure of Archdeacon Farmiloe, who has not only been our President since the Guild began, but it is due to his fostering care and guidance that the Guild owes not only its start, but its continued existence. Unfortunately it was not possible to get a representative meeting of the Guild to bid him good-bye, and we can only take this inadequate opportunity of thanking him for his work and labour of love among us in previous years, and of our hope of many long years and lighter work where he has gone.

We are fortunate in getting Canon Goldsmith as his successor.

Our financial position is still disquieting. We ought to collect over 900 subscriptions, but less than 600 have been paid; the result is that we continue to need £5 a year more than we are at present raising. We are now again in the position that we cannot get through this year without additional effort as our balance is less than £5.

We must congratulate Halesworth in getting their ring of eight bells so well rehung, and we hope soon to hold a meeting there. There are a number of rings in Ipswich, and elsewhere in the Diocese, which are now unringable for various causes. Now is the time to have plans made for setting matters right, so that they can be carried out when times are better. In such cases there are not likely to be ringers in the parish, but if every ringer would try to find out about the bells in his own neighbourhood, and get the people there interested in having them put right or their numbers increased, we should soon have many more towers to ring in.

Signed on behalf of the Committee,

J. C. GORDON HAGGAR.

Ringing Master's Report.

The year 1930, has maintained the standard of peal ringing for the Guild, both as regards numbers and quality. The total number of peals is 98, a large proportion being in the more difficult "Surprise" methods. These have been rung in 37 different towers, 182 members taking part, and 26 sharing the conducting. Nineteen members have rung their first peal for the Guild, and many their first peals in various methods.

Our peal list is an ever growing one, five methods appearing this year for the first time, these being the Pudsey, Lincolnshire, and Rutland Surprise Major at Helmingham, the Yorkshire C.B. Major at Lavenham, and the Pudsey Surprise Maximus at Ipswich, the latter being the first ever rung. The companies taking part are to be congratulated on the enterprise shown in taking up these new methods.

In addition to the peals rung, which take a permanent place in our records, there is a large amount of Sunday service, and other ringing done by bands which for various reasons do not ring peals. These bands carry on often in the face of great difficulties, and the thanks of the Guild are due to them for keeping change ringing alive in their various districts.

CHAS. J. SEDGLEY,
Ringing Master.

CHURCH BELLS REPAIRED BY BARIMAR.

A fine old bell sadly shattered.

The permanent repair of cracked and broken bells by scientific welding is an "every-day" job in the Barimar Factory. Barimar charges are low and show great saving on cost of re-casting. Re-casting destroys the identity of an old bell, but welding preserves it and restores the silent peal. Why allow a bell to remain silent when it can be repaired at low cost? "Sound as a bell" is always true of Barimar bell repairs, which are covered by the Barimar "Money Back" Guarantee. The tone is unimpaired and you actually hear the soundness of Barimar welding.

Some Church Bells Repaired by Barimar:

Metfield Church, Harleston, Norfolk.
Hardwycke, nr. Wellingborough.
St. Mary-le-Tower, Ipswich (No. 7 of a peal of 12).
Dunster, Somerset.
Filey Church, Yorks.
Ightham Church, Kent.
Southfleet Church, Kent (3 bells).
Earsham Church, Norfolk.
Shelton Church, Beds.

BARIMAR LTD

The Scientific Welders of Bells,

14-18, Lamb's Conduit Street, LONDON : W.C.1.

LIST OF MEMBERS FOR 1930.

After the name of each tower is printed:—

1st. The number of bells in it.

2nd. Printed between ( ) is the weight in cwts., if known, and the note of the Tenor.

3rd. The condition of the bells: X standing for excellent or good, P for poor, i.e., the bells can be rung for a peal, but need some repair; W means something wrong, or the bells go so badly that a peal cannot be rung.

4th. The Day and Hour of the weekly practice.

5th. The methods then rung: gr. means Grandsire; b Plain Bob; s. Stedman; a. all, i.e., Treble Bob and other methods.

When a C appears it means that all the names after it have been compounded for.

* after a name means a Change Ringer.
(c) means Captain (or Secretary).

THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

ST. EDMUNDSBURY AND IPSWICH.

OBJECTS.

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the conditions of bells and their fittings.

CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2/6 a year; the other Members (including the Clergy), 1/- a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

THE SUFFOLK GUILD.

Report for 1931.

The chief event of the past year has been the progress made by the young band at Woodbridge, under Mr. Trotman. Not only has an unprecedented number of members joined at one time from a single tower, but also Woodbridge is once again "on the map" as a change ringing centre, and that, too, with a band who all do their part in Sunday ringing.

An entirely new band has been organized at Wattisfield, where there seems previously to have been no one who could ring a bell. Great credit is due to the band for persevering, and to those ringers from neighbouring towers who have helped them.

This is worth mentioning, because here is a five bell tower where change ringing is being taught. There are a number of five bell towers in Suffolk and our members are not doing what they could to get them all to be change ringing towers. It is true that it is difficult to have meetings at a five bell tower because so few can ring at a time, but there is no reason why ringers where they have more bells of their own should not help ringing bands to be kept going where they have fewer bells.

What happens it that when more bells are in a tower the ringers always try to ring the full number and are out of practice on the lesser numbers. This should not be so; it is always a pleasant change for the general public to hear the lesser numbers occasionally. Moreover, if we can help and encourage the ringers of five bells to ring changes it is very probable that they will soon organize a movement to increase their five bells to six, or even eight.

The tower at Debenham has been strengthened very adequately, and now the order for the re-hanging of the bells in an entirely new frame has been given we may hope that they will soon be in ringing order again.

Other towers have been reported on, and we may hope that a number of rings will be hung, or re-hung. when times are better.

So far the bad times are not manifest in our finances. Our position is not quite so good as the increase in our balance would seem to indicate, some receipts from other years appear this year while not all the usual payments have been made, still we have undoubtedly more than paid our way. If all members will pay their subscriptions regularly, and also get some honorary members in every parish, we shall continue to do so.

Signed on behalf of the Committee,

J. F. HUGHES.

Ringing Master's Report.

During 1931 86 peals were rung for the guild, all but one of these were on tower-bells, in 32 different towers, the other being on hand-bells. The talented band at Leiston had a busy year, and this tower heads the list with 12 peals. Framsden and Helmingham also did well with 7 each. Glemsford, Holbrook, Monks Eleigh and Rougham appear in our list for the first time. 182 members, the same number as last year, took part in the peals, 30 of whom shared the conducting.

Although our total is 12 less than in 1930 the standard of methods rung is high, especially in the Surprise Major section, 13 of these methods having been rung, thanks to the enterprising Leiston and Helmingham district bands. Our peal list now shows 22 of these methods, a record of which we can be proud. The falling off in numbers is chiefly due to a decline in the number of six bell peals, it is to be hoped that this is but a temporary lapse. Eight methods appear for the first time in our peal list, which is a remarkable one, comprising as it does 11 different Maximus methods and 28 different Major methods.

An interesting addition has been made to the Report by the incorporation in the Tower index of the number of peals rung at each tower.

In conclusion, it is worthy of note that the great majority of our peals are rung by members who are regular Sunday service ringers at their respective parish churches.

CHAS. J. SEDGLEY,
Ringing Master.

CHURCH BELLS REPAIRED
BY BARIMAR

A fine old bell sadly shattered.

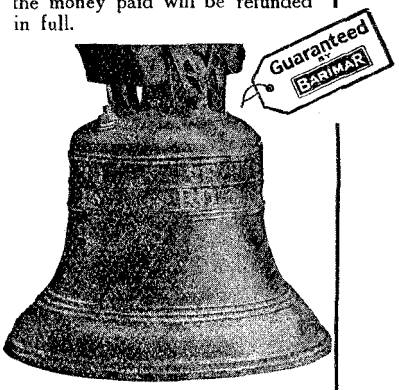

Some Church Bells Repaired by Barimar.

Metfield Church, Harleston, Norfolk.
Hardwycke, near Wellingborough.
St. Mary-le-Tower, Ipswich (No. 7 of a peal of 12).
Dunster, Somerset.
Filey Church, Yorks.
Ightham Church, Kent.
Southfleet Church, Kent (3 Bells).
Earsham Church, Norfolk.
Shelton, Beds.
Bledington, Glos.

In the churches of Britain there must be many old bells which are silent through injury.

The Barimar Scientific method of welding has repaired many a fine old bell, so that its inscriptions and founder's mark have been preserved, and **the tone of the bell has been restored.** This has been proved in cases where bells in peals have been restored to perfect tune.

The cost of repairing a cracked or fractured bell by the Barimar Process is low, and the work is undertaken on the understanding that a perfect repair is made or the money paid will be refunded in full.

Repaired and restored by Barimar at small cost, equal in tone and strength to new. Repairs completed within a few days and "Barimar Guaranteed."

THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

ST. EDMUNDSBURY AND IPSWICH.

OBJECTS.

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the conditions of bells and their fittings.

CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2/6 a year; the other Members (including the Clergy), 1/6 a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

THE SUFFOLK GUILD.

Report for 1932.

The working of the Guild during the past year has shown the weakness of the official element. Since Archdeacon Farmiloe left England, we have had no working head. Our Secretary's age prevents him acting much longer, and our Ringing Master has already once expressed a wish to retire. It is time some of our younger members came forward to run the Guild.

Last year the Committee in their Report said that if members would pay their subscriptions regularly, and if they would get some honorary members in every parish, we could pay our way as we did in 1931.

Unfortunately our accounts show that neither of these things have been done. Subscriptions are more in arrear than ever, and fewer honorary members have been obtained. So that if it were not for the Whist so excellently arranged by our good and generous friends at Sproughton, we should be in debt. If, therefore, the Guild is to continue, we must make a serious effort to improve our present position.

To turn to more interesting topics. Again we have to report an advance in spite of bad times. The important ring at Debenham has been excellently re-cast and re-hung, and the awkwardly built tower strengthened. The sixth bell we started an appeal for, is now made and given, and in use at St. Matthew's, Ipswich. At the time of writing, the glorious old ring from Woodbridge is in the Foundry being re-hung. We hear that other towers are likely soon to improve their bells.

The Diocesan Gazette has published appeals to those parishes where there are cracked bells—alas, there are too many in Suffolk—to have them welded. It would be well if a list of these cracked bells could be made.

Signed on behalf of the Committee,

APRIL 22ND, 1933. W. C. RUMSEY.

CHAS. E. FISHER,
Treasurer.
April 22nd, 1933.

Audited and found correct,
W. G. ARNOT.
April 22nd, 1933.

Ringing Master's Report.

During the past year 101 peals were rung, this being the first time that the hundred mark has been reached by the Guild. 193 members took part in these performances, many ringing their first peals, and others their first peals in various methods. Peals were rung in 37 different towers; Leiston with 13, and Ipswich St. Mary-le-Tower with 11, heading the list. 30 members appear as conductors.

The methods rung cover a wide field of campanology, ranging from Doubles to Maximus, the Surprise sections being, as in past years, especially well represented. New methods added to our list include Double Norwich C.B. Royal, Ashstead, Edmundsbury, Essex, and Helmingham Surprise Major.

Our old friends, the bands at Helmingham, Ipswich St. Mary-le-Tower and Leiston continue to enrich our records with excellent performances, and it is pleasing to note the increasing progress of the band situated in and around Stowmarket who crowned a good year's work with a peal of 7,616 Treble Bob Major, the longest length yet rung for the Guild. Other performances worthy of note are the peals of Minor in seven methods at Ipswich St. Clements and Tunstall, and the Oxford T.B. Major on handbells at Cretingham.

A notable occurrence of the year has been the restoration of Debenham bells, and since the re-opening of this renowned ring several peals have been rung upon them, a tribute to the excellence of the workmanship expended upon them. It is to be wished that other famous peals in the county could have similar attention.

CHURCH BELLS REPAIRED
BY BARIMAR

A fine old bell sadly shattered.

Some Bells repaired by Barimar.

Metfield Church, Harleston, Norfolk.
Hardwycke, near Wellingborough.
St. Mary-le-Tower, Ipswich (No. 7 of a peal of 12).
Dunster, Somerset.
Filey Church, Yorks.
Ightam Church, Kent.
Southfleet Church, Kent (3 Bells).
Earsham Church, Norfolk.
Shelton, Beds. Bledington, Glos.
Ogbourne St. Andrew, Wilts.
Brackley Town Hall.
Pangbourne Nautical College.

In the churches of Britain there must be many old bells which are silent through injury.

The Barimar Scientific method of welding has repaired many a fine old bell, so that its inscriptions and founder's mark have been preserved, and the **tone of the bell has been restored.** This has been proved in cases where bells in peals have been restored to perfect tune.

The cost of repairing a cracked or fractured bell by the Barimar Process is low, and the work is undertaken on the understanding that a perfect repair is made or the money paid will be refunded in full.

Repaired and restored by Barimar at small cost, equal in tone and strength to new. Repairs completed within a few days and "Barimar Guaranteed."

THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

ST. EDMUNDSBURY AND IPSWICH.

OBJECTS.

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the conditions of bells and their fittings.

CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2/6 a year; the other Members (including the Clergy), 1/6 a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/6 per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

*"Rules and decisions of the Council," price 6d., post free, from the Hon. Librarian Rev. C. W. O. Jenkyn, Broadlands, Caversham, Reading.

THE SUFFOLK GUILD.

Report for 1933.

Although the new subscription only takes effect this coming year, yet the fact that the change was made in 1933, brings the matter into our present Report. The change seems to have had the wholesome result of causing members to pay more punctually last year. Also the accounts were not closed arbitrarily on December 31st, but a few days later, so as to get in all the 1933 money. The result has been that we have in fact increased our balance slightly during the year. The suggestion was made last year that the different bands should collect the subscriptions of their members at the first meeting in January, and send the amount at once to their District Secretary. This has been done in many cases, so that we ought not to be in any financial difficulty in future.

Each year lately we have chronicled the re-hanging of eight bell rings. So we now have Wilby, Halesworth, Southwold, Debenham, Stradbroke, and this year Woodbridge, as pleasant towers to ring in. Ufford and All Saints Sudbury, are at present silent, awaiting repairs, and we hope soon to ring again at Kelsale. Of six bell towers, Otley can rejoice in their new and well-made frame; but Saxmundham is not yet put into ringing order.

We have not so far made a list of the cracked bells in the Diocese; but four of the bells at Woodbridge, which were cracked, have been welded, one of the three at Kettlebaston, and the single bell at Blythburgh. These are all now ringing quite well again, so we may hope soon that all cracked bells will be a thing of the not-very-creditable past.

Quite a number of new bands are learning changes, but they are not far enough advanced to join the Guild.

Signed on behalf of the Committee,

APRIL 7TH, 1934. S. W. GOLDSMITH.

CHAS. E. FISHER,

Audited and found correct,
B. W. ENGLISH,
27th March, 1934.

Ringing Master's Report, 1933.

The general decline in the number of peals rung throughout the country as disclosed in the C.C. analysis, extended to Suffolk, and we have a considerable decrease to record, 83 against 101 in 1932. Various reasons, which will readily occur to our members, can be assigned for this, and does not necessarily mean that less ringing has been done. The most disturbing feature is the decline in Minor ringing. In the three years 1928-30, 93 peals of Minor were recorded, against 57 in the three years 1931-33; this should give rise to serious thought, and stimulate us to give every assistance to the encouragement of ringing in the six-bell towers and country districts.

Although our peal list has lost somewhat in quantity, the high standard of recent years has been well maintained, and new additions have to be recorded in Little Albion T.B. Max., and Bosmere, Daventry, Waveney, and Woodbridge S. Major. In recording the four latter methods, it is a pleasure to note that the Suffolk Guild, by the efforts of two of its premier companies, is maintaining a foremost place in the remarkable development in Surprise ringing which has taken place in recent years.

Peals were rung in 34 different towers, Framsden with 16 being easily first. 161 members took part, 29 of whom shared the conducting. Several members have rung their first peal during the year, and others their first in various methods.

Meetings have been held at several places during the year, and have been fairly well attended; but it is to be hoped that more members will support them, and take advantage of the opportunities offered of practice and instruction.

CHAS. J. SEDGLEY,
Ringing Master.

March 30th, 1934.

N.B.—Owing to an oversight the composition of the peal of Cambridge Royal printed in last year's Report was credited to Mr. Geo. E. Symonds, it is of course the well known composition by Mr. Wm. Pye.

CHURCH BELLS REPAIRED

By BARIMAR.

A bell as received at the Barimar Works.

The same bell a week later—as strong and as pure in tone as when it was new.

BARIMAR LTD

The Scientific Welders of Bells,

14-18, Lamb's Conduit Street, London, W.C.1.

No matter how badly a bell is damaged we can restore its note and beauty.

Barimar scientific welding has restored hundreds of bells, from the small ones of ships to the noble giants from ancient belfries. The inscriptions and the founder's mark are retained. None of the historical charm is lost.

The cost of the special exclusive Barimar repairing process is always low. The work is done under a firm guarantee that if a perfect repair is not made the money will be returned in full.

SOME BELLS REPAIRED BY BARIMAR.

Metfield Church, Harleston, Norfolk.
Hardwycke, near Wellingborough.
St. Mary-le-Tower, Ipswich (No. 7 of a peal of 12).

THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

ST. EDMUNDSBURY AND IPSWICH.

OBJECTS.

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.**—To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the conditions of bells and their fittings.

CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2s. 6d. a year; the other Members (including the Clergy), 1s. 6d. a year.

(d) Life Members, residing out of the Diocese, to pay 5s.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmunds alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1s. in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1s. 0d. per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.*

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

THE SUFFOLK GUILD.

Report for 1934.

The past year has not been an eventful one for Ringers. Finances have for the present ceased to trouble the Guild, although it is hoped that all members will pay their subscriptions each January.

Kelsale tower is now repaired and open for ringing once more, and a new band is under instruction. When this band has been built up again, we may hope that they will be able to equal the record of the famous band once in that village, all of whom have left us, during the period when the bells were not available.

Ufford, All Saints Sudbury, and Saxmundham, are still in the condition of hope deferred. May they ring again while the ringers are still alive.

The pre-reformation ring of five at St. Lawrence, Ipswich, are now in good order again, and are being rung in Changes; and the poor bell in the ring at Bardwell is being recast in our local Foundry.

The annoyance caused by noisy bells is giving the Guild some anxiety. Now that it is known how to obviate this at very little expense, there is no excuse for the annoyance being continued anywhere.

Signed on behalf of the Committee,

CHAS. E. FISHER.

27TH APRIL, 1935.

Secretary's Report for 1935.

There has always been a demand for a Report that would be published in the early part of the year, instead of July or later. To have done so in two successive years would have meant leaving only six months between two issues. The cost alone of this would have made it impossible. The alternative is to have a double number, really covering 18 months. This is what we have now done, and if there are any members who have not yet paid for last year, will they please pay for the two years together, to cover the cost of this Report.

It will be seen that our numbers have gone up, and that at 1,011, they are again over the thousand names.

During the year, the rings at Stoke-by-Clare and Hinderclay have been re-hung, and now go well with new bands to ring them. At Stoke-by-Clare, it is due to the generosity and keenness of the Rev. E. W. Carpenter, who has retired and settled there, and rings regularly, that both bells and ringers are in good trim. The ring at Bardwell has also been attended to, and the faulty bell recast. The Ufford bells are now at Loughborough, and we hope soon to have peals rung again. If we can help to have the eight at Horham rehung, we will.

In revising the Directory of Towers at the end of this Report, we are struck with the many omissions. Will every one who reads this please turn up their tower, and any other they know about, and send me at once any corrections needed there, and in the list of members?

I say, "at once," as this is perhaps the last thing I can do, as Secretary of the Guild. If any of you are at all grateful for the work I have done for the Guild during the 14 years of its existence, will you please send me a little towards our re-hanging at Ufford. We are very grateful for those who have already sent; but if each tower to which this report goes, were to send one shilling, something could be done which would commemorate the Guild here.

Wishing you all goodbye,

HERBERT DRAKE,
Secretary.

Ringing Master's Report.

The peals recorded for the Guild in the two years 1934-35 numbered 167, in 1934 78 being run, and 89 in 1935. For purposes of comparison the following table gives the totals on various numbers for the past three years.

	1933.	1934.	1935.
Maximus	6	6	4
Cinques	2		2
Royal	2	3	1
Major	51	39	47
Triples	4	7	8
Minor	14	20	25
Doubles	4	3	2
Totals ...	83	78	89

A glance at this will reveal a rather surprising drop of 12 in Major peals in 1934, which has been almost recovered the next year. It also indicates that there is a revival in Minor ringing, which is in fact the case, as our records show more bands are ringing peals. This revival is particularly welcome, as it can scarcely be doubted that six bell ringing is the foundation of all ringing.

We maintain our reputation for variety, the Surprise group seeming to be the most favoured. Of these methods on eight bells, we recorded 42 in fifteen different methods, eight of them being rung for the first time by the enterprising Helmingham band. This band has now rung peals in more than thirty different Surprise methods. Included in the peals of Minor were twelve in 7 methods—always a good performance. The Ipswich St. Mary-le-Tower band continues to give a lead to the ringing

fraternity in Maximus ringing, and three peals of Rochester are recorded, the first of Surprise Maximus ever rung in an extending lead method. Other notable peals are the 10,368 of Kent Treble Bob Major at Horringer, the longest peal yet rung for the Guild; the Symonds' "name" peal at Stowmarket, and the peal at Woodbridge on His late Majesty's Jubilee Day, the only peal completed in the county on that day, this peal is also remarkable for the number of "firsts" in it.

Members to the number of 185 took part in the peals, of whom 42 appear as conductors; a remarkable feature being the number ringing either their first peal, or their first in a fresh method, a large proportion of the peals have footnotes indicating this, showing a desire on the part of our members for advancement in the art.

The standard of ringing seems to be well maintained in the county, and many churches have their bells rung regularly for service by members of the Guild; but again I would urge our more experienced ringers to encourage in every way, beginners and learners as they come along, and thus assist in upholding the old East Anglian tradition of change-ringing.

CHAS. J. SEDGLEY.
Ringing Master.

The Scientific Welders of Bells,

14-18, Lamb's Conduit Street, London, W.C.1.

No matter how badly a bell is damaged we can restore its note and beauty.

Barimar scientific welding has restored hundreds of bells, from the small ones of ships to the noble giants from ancient belfries. The inscriptions and the founder's mark are retained. None of the historical charm is lost.

The cost of the special exclusive Barimar repairing process is always low. The work is done under a firm guarantee that if a perfect repair is not made the money will be returned in full.

THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

ST. EDMUNDSBURY AND IPSWICH.

OBJECTS.

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2s. 6d. a year; the other Members (including the Clergy), 1s. 6d. a year.

(d) Life Members, residing out of the Diocese, to pay 5s.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmunds alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st and, on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1s. in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1s. 6d. per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.†

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

† "Rules and decisions of the Council," price 6d., post free, from the Hon. Librarian.

THE SUFFOLK GUILD.

Report for 1936.

During this year, there seems to have been continued progress, both in the art of ringing, and in improving the condition of Church bells. While there are still Churches where no progress seems to be made, there are many others where beginners are being taught, or where the more experienced are practising new methods. This latter is especially the case at Helmingham, and at St. Mary-le-Tower. In the latter church a new peal board has been erected across the whole length of one wall of the ringing chamber. This was unveiled by Mr. E. H. Lewis, the President of the Central Council of Ringers, on November 28th, who spoke of the reputation which these two bands had gained throughout England for their pioneer work in exploiting new methods.

There are, alas, still some churches who do not seem to trouble about the disgraceful state into which they have allowed their bells to remain, but these are getting fewer. Among newly re-hung rings, the Guild is especially interested in that of Ufford (now a lovely peal in a well-appointed tower), where the Guild raised more than the £10 it appealed for, so that the frame should be made large enough to add more bells later on. The eight at All Saints', Sudbury, are being re-hung; and an appeal for Horham, the first (as well as the lightest) old ring of bells to be cast (in the seventeenth century), is now being made.

Signed on behalf of the Committee,

CHAS. E. FISHER.

Examined April 6th, 1937.
BERTRAM W. ENGLISH.

Ringing Master's Report.

The year 1936 was a fairly successful one as regards peal ringing, a total of 90 being accomplished in a large variety of methods from Doubles to Maximus. These peals were rung in 39 different towers throughout the Diocese, 30 members sharing the conducting. Many members are showing the desire for advancement in the art, as will be noted by the number of footnotes to peals recording "firsts" in various methods.

The Guild took its part in the universal expression of sorrow at the passing of His late Majesty King George V., and as will be seen from our records, nine peals were rung, as well as many shorter touches with the bells deeply muffled.

Our peal list continues to grow, and should be a source of pride to every member of the Guild. Five new methods are recorded, Chester, Cornwall, Leeds, and Double Dublin Surprise, by the enterprising Helmingham band, and St. Clement's Major at Stowmarket. Congratulations are due to these two bands, and also to the conductor of the Holt's Original at Grundisburgh, a feat which is somewhat of a rarity.

In addition to the recorded peals, much work is done by members of the Guild in maintaining Sunday Service ringing, and also in the teaching of beginners in the art.

CHAS. J. SEDGLEY,

Ringing Master.

No matter how badly a bell is damaged we can restore its note and beauty.

Barimar scientific welding has restored hundreds of bells, from the small ones of ships to the noble giants from ancient belfries. The inscriptions and the founder's mark are retained. None of the historical charm is lost.

The cost of the special exclusive *Barimar repairing* process is always low. The work is done under a firm guarantee that if a perfect repair is not made the money will be returned in full.

THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

ST. EDMUNDSBURY AND IPSWICH.

OBJECTS:

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2s. 6d. a year; the other Members (including the Clergy), 1s. 6d. a year.

(d) Life Members, residing out of the Diocese, to pay 5s.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmunds alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st and, on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1s. in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1s. 6d. per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.†

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

† "Rules and decisions of the Council," price 6d., post free, from the Hon. Librarian.

Ringing Master's Report, 1937.

The peals rung for the Guild in 1937 totalled 107, this constitutes a record, the only previous year on which the 100 has been passed being 1932, when 101 were rung.

As usual peals on all numbers from Doubles to Maximus were accomplished. The conducting of these peals was carried out by 36 members and it is interesting to note several fresh names in the list, as is also the appearance of new towers in our tower list, especially noteworthy being Ufford, where first peals were rung on the recently restored bells, and Exning, from which part of the county few peals are recorded.

The voice of the bells plays its part on all occasions of national importance, and the bells of Suffolk rang out their message at the Coronation of their Majesties. As will be seen from our peal list, seven peals were rung on this occasion.

In analysing the peals it will be seen that the county's only twelve-bell tower—St. Mary-le-Tower, Ipswich—continues its activity with 5 peals of Maximus, 1 of Cinques and 2 of Royal, the last including 1 of Rochester S. Royal; the only peal yet rung in that method. We are glad to see a peal of Kent T.B. Royal on the grand ring at Beccles, and also peals in the same method and Grandsire Caters at Stonham Aspal. Major methods with 44 are the most numerous and chief credit must again be given to the Helmingham band, who continue pre-eminent in the Surprise section with 6 new methods besides the standard ones. The Stowmarket band have also done well under the leadership of their keen conductor, H. L. Lister. Suffolk still shows allegiance to the old East Anglian traditions of "Tenor in," and only 5 peals of Triples were rung. Peals of Minor and Doubles number 42, an increase of 8 on last year.

Meetings during the year have been held at Stowmarket, Sproughton, Lavenham, Coddenham, Long Melford and the annual at Sudbury, where once again we have 3 peals of 8 bells in good ringing order. We would like to remind secretaries and members, when sending subscriptions, to enclose names, so that a correct list of members may be kept.

This report can hardly be concluded without reference to the ringing activities of Miss Sylvia Bowyer, who by ringing 42 peals in the year has set up a record, not only for the Guild, but for ladies throughout the country. We offer our congratulations to this brilliant young Ipswich ringer.

CHAS. J. SEDGLEY,
Ringing Master.

BY BARIMAR

NO matter how badly a bell is damaged we can restore its note and beauty. Barimar scientific welding has restored hundreds of bells, from the small ones of ships to the noble giants from ancient belfries. The inscriptions and the founder's mark are retained. None of the historical charm is lost. The cost of the special exclusive Barimar repairing process is always low. The work is done under a firm guarantee that if a perfect repair is not made the money will be returned in full.

THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

ST. EDMUNDSBURY AND IPSWICH.

OBJECTS:

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2s. 6d. a year; the other Members (including the Clergy), 1s. 6d. a year.

(d) Life Members, residing out of the Diocese, to pay 5s.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmunds alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st and, on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1s. in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1s. 6d. per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.†

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

† "Rules and decisions of the Council," price 6d., post free, from the Hon. Librarian

Secretary's Report for 1938.

It is with great regret that we have to record the death of the Archdeacon of Suffolk, Ven. J. G. R. Darling, M.A., one of our Vice-Presidents, also of Mr. Arthur Symonds, of Lavenham, one of the founders of the Suffolk Guild and a good instructor and help to young ringers.

Mr. C. J. Trotman, of Woodbridge, he, too, had taught a young band to ring and did a great deal in making the ringing chamber at this tower so bright and clean; and Mr. Harry Smith, of Assington, not known so well as above members, but very interested and keen to teach the art of ringing.

Meetings have been held at Beccles, Ipswich, Hollesley, Kedington, Stratford St. Mary, Debenham, Sudbury, Newmarket, Woodbridge, Elveden, Saxmundham and Redgrave.

We should like to thank all members for their support and help and especially to the District Secretaries in collecting members' subscriptions.

HAROLD G. HERBERT,
Hon. Secretary.

COMMUNICATED BY REV. H. DRAKE.

The representative of the Suffolk Guild on the Rural Community Council was asked to arrange for a dozen members to meet the Duke of Kent on his visit to the county on June 8th. As head of this organisation, his Royal Highness wished to see what was being done in this, the latest county to have a R.C. Council. It was impossible to get anyone from West Suffolk, but others from nearer towers (including Miss Sylvia Bowyer, who works there), met at the County Hall. The representatives met in the Council Chamber, where a few were presented to his Royal Highness. The rest were in the car park below, where he went up to several by himself, and spoke to them in turn, thus almost the first he spoke to were ringers, and he had a long talk to our members, being much interested in our art, of which before he had never heard. As two of our members were at Leeds for the Central Council the previous day, it had meant an early start, and a long journey to arrive in time, but we felt that it was worth it to have interested Royalty in our art, a matter which so many in high places take for granted.

Ringing Master's Report, 1938.

The year 1938 provides us with the largest number of peals yet recorded for the Guild—116. This total would without doubt have been higher but for the very severe weather at the end of the year. These peals have been rung in 47 towers in Suffolk and two in Essex. St. Mary-le-Tower, Ipswich, heads the list with 12 peals—10 of Maximus and two of Royal. The St. Mary-le-Tower Society as will be seen from the peal list, has had a record year and remains in the front rank of twelve bell bands. Helmingham and Framsden have 13 peals between them and the band attached to these towers has again provided some very good performances, including four new Surprise Methods. The band centred around Stowmarket continues to do good work and is responsible for the three peals on the fine ten at Stonham Aspal.

Our six bell bands have again been active, having rung 41 peals, including 9 in seven methods. A peal of more than usual interest was recorded at Debenham on December 3rd by a band of "Williams." The responsibility of conducting was shared by 40 members, as against 36 last year. It is worthy of record that several members have rung their first peal or their first in various methods.

By ringing in 51 peals for the Guild, Miss Sylvia Bowyer, of Ipswich, has set up an outstanding record of enthusiasm and ability, which should prove an example to our young ringers.

Bell restoration has taken place at Saxmundham, where the ring of six has been re-hung, and also at All Saints, Sudbury; whilst a welcome addition to the eights in the county has been provided at Hollesley, where a new peal has been installed as a golden wedding memorial by Sir John and Lady Jervis-White-Jervis. Is it too much to hope that the bell-hangers' services will be requisitioned for other of our Suffolk peals which are in a bad state, notably Horham, the oldest ring of eight in the county, and the fine old peal at Boxford, both of which are now unringable?

CHAS. J. SEDGLEY,
Ringing Master.

THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF

ST. EDMUNDSBURY AND IPSWICH.

OBJECTS:

1.—**Federation.** To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.** To obtain full recognition of the ringers office as essentially a branch of the Church's work; that ringers and their services (qualifications for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.** To encourage, cultivate, and foster the art of scientific Change Ringing by frequent meetings in various centres for practice or peal ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.** To correct abuses, irregularities, irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required, reliable information and advice of a practical character concerning the condition of bells and their fittings.

CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 0d.; or 2s. 6d. a year; the other Members (including the Clergy), 1s. 6d. a year.

(d) Life Members, residing out of the Diocese, to pay 5s.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held after Easter Day at Ipswich and Bury St. Edmunds alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

N.B.—In each company there shall be chosen a Secretary (or Captain, or Ringing Master), who shall collect all Subscriptions as soon after January 1st as possible, and send them to the District Secretary.

6.—This Guild shall be affiliated to the Central Council of Change Ringers, and shall loyally abide by the Rules and decisions thereof.

RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st and, on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1s. in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1s. 6d. per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before January 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a Company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.†

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting or at each Branch or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

8.—Should a ringing member, having paid five consecutive years subscription, remove from the Diocese, he may without further payment, become a Non-Resident member for such time as he continues to reside outside the Diocese.

Secretary's Report for 1939.

During the year 60 new names have been elected members of our Guild and we have a nett gain of 20.

We are sorry to have to record the loss by death of Mr. E. F. Poppy, one of our keenest and best known ringers throughout the Guild; also of Mr. F. C. Clarke, of Grundisburgh, Mr. C. Tyler, of Stonham Aspal and Mr. Ernest Lincoln, of Bungay.

We have held meetings at Bury St. Edmunds, Ipswich, Halesworth and Clare; a meeting to have been held at Fressingfield in September was cancelled.

May we thank members and district secretaries for their help and support by the collecting and sending of subscriptions.

The district secretary for Mildenhall resigned owing to ill-health, this post we have been unable to fill at present.

HAROLD G. HERBERT,

Hon. Secretary.

R.I.P.

We offer sincere sympathies to the relatives of the following members of the Guild who have died during the year.

CLARKE, FRED C., GRUNDISBURGH. One of the old generation of ringers, whose son and grandson have both followed in his footsteps.

POPPY, ERNEST F., STOKE ASH. One of the best known members of the Guild; a keen ringer and Churchman, he was a Churchwarden of his parish church, Stoke Ash, and member of the Rural District Council. His peals, which included many of more than ordinary interest, totalled 346, of which 89 had been rung for the Suffolk Guild. He had a great knowledge of East Anglian ringing lore, which made it a pleasure to meet and talk with him. His genial personality and sage counsel on committee will be greatly missed.

LINCOLN, ERNEST, BUNGAY.

TYLER, C., STONHAM ASPAL.

Ringing Master's Report, 1939.

During the year 1939, covered by this Report, 54 peals were recorded for the Guild, all with one exception, rung in the County; 139 members taking part in them and 24 appearing as conductors. These peals were all rung in the first eight months of the year, there having been a complete cessation of peal-ringing since the outbreak of war.

The St. Mary-le-Tower Society again had a successful year, ringing 7 peals on their own bells, including the first of York Surprise Maximus ever rung; they also rung at Debenham, the first of York Surprise Major for the Guild, and the only peal outside the county, Cambridge Surprise Maximus at Yarmouth, the first on the bells.

The Stowmarket band, with several good performances, including a successful day at Elveden and Mildenhall on Easter Monday, have again done well. It is a pleasure to record a peal of Bristol Surprise at Leiston, bringing to mind, as it does memories of the great days of the local band. We miss the customary outstanding performances of our Helmingham friends, this being the first time for several years we have not had to record "the first in the method" by them, we shall look confidently for a revival here, when the dark days of war have passed. Our six-bell ringers have some meritorious performances to their credit, including three peals in seven different methods. We should like to see more of our six-bell bands throughout the county appearing in our records.

The Directory has again been included in the Report, in the hope that it will be useful to ringers when arranging visits to other towers. We are indebted to Mr. Fred Bowell, of the Ipswich Bell Foundry, who has a great knowledge of Suffolk bells, for his help in revising and bringing it up to date.

As this is the last Report that will be issued—in all probability—for some time, I should like to conclude by asking members to do all they can to interest and train beginners in the art. Meetings can be arranged on Saturday afternoons and evenings in the summer time, and if visitors are welcomed and encouraged, much can be done. If tower bells are not available, get the handbells out and practice on these, there is no more fascinating branch of our art. It should be realised that there is just as much interest—and perhaps more credit due—in getting a beginner through his first 720, as through his first peal.

CHAS. J. SEDGLEY,
Ringing Master.
