PRICE LIST ON APPLICATION

BUYING OR SELLING YOUR HOUSE?

A NEW SERVICE FOR HOUSE OWNERS
COMES TO EAST ANGLIA

When you think about buying your new home
you automatically think of heavy expenses incurred.

NOW! As very long standing specialists
purely in conveyancing and all property transactions
— residential, commercial, industrial, agricultural
and council house purchasing.

House Owners Conveyancers Limied

are able expertly to complete the Purchase or Sale of your property speedily, legally and at reasonable fixed charges. So when you think of purchasing or selling give us a call first — you will be pleased and pleasantly surprised you did.
Special low charges for council tenants purchasing.

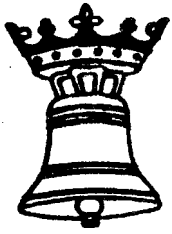

Contact: Mr. S.G. Mason

House Owners Conveyancers Limied

The Antlers, Cherry Ground,
Hintlesham, Suffolk. IP8 3NP.

Telephone: HINTLESHAM 256 / COLCHESTER 64884

We will be pleased to send you our Brochure showing our charges. We stand by our fees quoted — irrespective of the complexity of the transation.

Whitechapel Bell Foundry Ltd.

from each District.

INDEX AND DIRECTORY OF TOWERS

The following table is used to show the condition of the ring:

10 — Excellent, Ball bearings, modern frame and fittings.
9 — Excellent, Plain bearings, modern frame and fittings — or ball bearings in an old frame.
8 — Good going order.
7 — Fair going order.
6 — Poor going order.
5 — Ringable if cleaned up and odd fittings and ropes provided.
4 — Ringable with difficulty and a degree of risk after making odd repairs.
3 — Unringable mainly because of tower and/or frame arrangement and position.
2 — Unringable mainly because of frame and/or fittings.
1 — Hung dead.
0 — Some bells unhung and on the ground.

While every effort has been made to ensure that the information given is accurate, the Technical Adviser would be very pleased to hear of any corrections.

Honorary Treasurer

(Subject to Audit)

TREASURER'S REPORT

This year has been an eventful one from the financial viewpoint with all the Districts and the Special General Meeting voting for the subscription increase for 1981. It was encouraging to see that so many members are now aware of the need to pay realistic subscriptions.

This year has also been marked by a number of fund raising efforts which have helped to reduce the deficit on the general fund and boostthe restoration fund:-

		£	£
General Fund	- Barn Dance at Horringer	78.50	
	- A.G.M. Tea Profit	12.00	90.50
Restoration Fund	- Norman Tower Family Day	20.00	
	- Lakenheath Social	16.40	
	- Stowmarket Event	15.50	
	- Guild Social	41.61	93.51

In addition Sally and Alan Munnings have been busy selling calendars and the profit from this, which is expected to be over £400, is being divided between the general fund and the restoration fund. This item, which will be included in the 1981 accounts, should go a long way to putting the general fund on a sound footing.

The Accounts for 1980 have generally turned out more favourably than originally expected, many items of expenditure being lower than anticipated whilst the income items were generally higher. It is indeed pleasing to note that our membership has grown by 10% to 554 and perhaps the only note of caution that should be entered is that whilst about 130 new names appear on the membership lists this year about 80 names have disappeared. As well as recruiting new members we must all make every effort to retain our existing members, and this is perhaps particularly a task for our Deanery Representatives.

Donations have as usual been made to the Friends of the Cathedral, the Friends of St. Peters Sudbury and the Suffolk Historic Churches Trust. In addition this year leaving gifts have been given to the Bishop of Dunwich and the Provost.

It will be noted that the income from covenants has grown to over £50 p.a. and that over the seven year life of these covenants this will represent a significant sum. However, there are still a large number of members who pay tax but have not yet completed a form. I can but plea to everyone, who can, to fill one in and return it to me - it costs nothing!

During the year the Guild purchased a new stock of badges and a supply of rule books and these are shown in the balance sheet at their cost value. In addition there are in stock 16 badges from the old stock and 294 certificates which are not shown in the accounts.

There is one change of practice in this year's accounts concerning insurance which has previously been charged wholly to the general fund. The cost of providing cover for the maintenance committee is now charged to the Jubilee Fund, with the general fund bearing only half the cost of the third party cover and the premiums relating to the Guild's assets - the handbells, shields, masters badge and library.

The Restoration Fund is again in a healthy state, but it should be remembered that in Suffolk we have a large number of towers in need of restoration and it is essential that this fund is in a position to encourage parishes, to start restoration work, by giving significant grants. The special donation of £100 received during the year is available to be used, at the Technical Adviser's discretion, to aid various small schemes.

The balance on the St. Peter's Sudbury Fund has grown during the year in preparation for financing the soundproofing work which is currently in hand there.

Alan R. Smith Hon Treasurer

RINGING MASTER'S REPORT

This is the seventh annual report I have penned as Ringing Master of the Guild, and I begin it with an acute awareness of the changing faces, yet unchanging aims, of the Guild. During 1980 this fact was brought home to me by the death of Jim Pipe. Having just celebrated the 60th anniversary of his first peal (rung before the Suffolk Guild was formed!), Jim's ringing life had been a long one: yet it is not from his later years that the following quotation comes:–

> 'There are many towers with bells in good condition but with no ringers to sound them, and I think it is our rightful duty to visit these isolated parishes now and again to convey the joyful message of the bells to the public. That the people still love the sound of their Church bells properly rung, there is not the slightest doubt, and I dare say many young recruits in all parts of the county will be attracted to our art, compensating us in time for our trouble and finally proving themselves assets to the Guild.
>
> Upon examination it will therefore be seen that our duty to the Church, the public, the Guild and ourselves, is to see to it we are strict Sunday service ringers, visiting occasionally those towers where there are no ringers and keeping an ever open eye for the right type of young person as a potential ringer and giving that training which will ensure good striking and keenness, and a worthy member of the Guild.'

Jim wrote those words in 1946 – they remain as true today as they were then: only the faces change.

The changing faces are reflected week by week in the quarter peal and peal columns of the Ringing World. We congratulate twelve members on having rung their first peal during 1980. They are:– Josephine M. Beever, Christine E. Bishop, Edmund Christian, Elizabeth J. Christian, George S. Gardiner, Thomas W.H. Gardiner, John le Grove, Basil K. Hart, Iain M. Howlett, Janet M. Langham, Andrew C.W. Pryce and Alison J. Whitby. Two peals in particular strike me as worthy of special mention as enterprising achievements, namely the peal in eight methods by an all-Laxfield band and the local band peal at Exning which included three first-pealers and a first as conductor. It is good to see more familiar names in the peal columns have progressed to peals on higher numbers of bells and in more intricate methods.

First peals since restoration were scored during the year at Earl Soham, Hadleigh, Rushmere and Wickham Market; and one new tower name came into the records – that of Hessett, where five bells had hung unpealed for 256 years! Anniversaries marked by peals during 1980 included George Finch's 90th birthday, Jack Pilgrim's 80th birthday, the 50th anniversary of the first peal of Pudsey S. Maximus at Ipswich and the centenary of the hanging of Iken bells.

Quarter peal ringing tends to be patchy: where it is practised regularly, its value in promoting good striking is appreciated. I recommend a monthly or bi-monthly quarter peal attempt by Sunday service bands as a way of promoting and encouraging good striking.

The Guild AGM at Sudbury and the Striking Competition at Wingfield (won this year by the St. Mary-le-Tower band) were enjoyable as ringing and social occasions. The third Guild Training Day, held once again in the central area of the county, had a large attendance. Instruction was given in the classroom and in the tower on Plain Hunt/Plain Bob, Plain Minor methods and Conducting – with a joint evening session led by Ranald Clouston on Belfry Maintenance.

I am extremely grateful to Tower Captains, District Ringing Masters, and members of the Recruitment and Training Committee for the hard work put into training Guild members during 1980.

As I mentioned at the beginning of this report, I have been Ringing Master for seven years, and I would now like to retire from the post. It has been a privilege to serve in the position and I am most grateful to Guild members for their cooperation and support during my term of office.

Lawrence R. Pizzey.

SECRETARY'S REPORT

It is pleasing to be able to report that the most important meeting – the Annual General Meeting – was much more successful this year. It is difficult to judge whether the two Sudbury towers were the attraction or whether the return to the more traditional format attracted over one hundred members to what turned out to be a rather lively meeting. The contentious topic was the proposal to increase subscriptions and fees and it was not until later in the year that this problem was finally resolved and the increase approved when a General Meeting was held at the end of a very successful Training Day in October. Prior to this General Meeting steps had been taken to ascertain the feelings of members before the final voting.

The business of the Guild has proceeded smoothly during the year with well attended Management Committee meetings and the Recruitment and Training Committee and Restoration and Maintenance Committee meeting regularly. It is good to see the tireless efforts being made by Roly Whiting and the Maintenance Committee showing results as more of this work is being tackled. Your Central Council Representatives attended the Council meeting at Winchester and Southampton; the new Council triennium begins in 1981 with the same four members remaining as your Representatives.

The weather clerk was again beneficent to us when we met for the Striking competition in May. It is also pleasing to see District Striking Competitions taking place. It is not so pleasing to have to report a further decline in attendance at the Social in December. Could this be the time to reconsider the style of this event? That we meet on a social basis must surely be good but perhaps members would give the matter some thought and let the organisers know what changes, if any, ought to be made.

Membership has increased a little; a considerable number of people have joined the Guild and it hardly needs a mathematician to point out that quite a number have left – or have they just not been asked to renew their subscription? It is my firm belief that the system of Deanery representatives could do a great deal to help in this aspect, and others, with the work of the Guild. It appears that the responsibility of this small but important Office could be operated with much greater efficiency throughout our territory. How about it Deanery representatives, can *you* make this and the following years the start of an efficiency campaign?

1981 will see three new District Secretaries in Office and whilst it is encouraging fresh faces accepting responsibilities let us not forget those who have relinquished Office and thank them for the time and effort which they have given the Guild. Without your District Officers the work of the Principal Officers would be almost impossible to cope with. Trevor Bailey, who served for a very long time as an Officer of the N.E. District was elected a Vice President at Sudbury in recognition and appreciation of his unceasing and efficient work.

1980, in my opinion, has been a year of progress with encouraging signs of more to come. Thank you all for your efforts – keep up the good work. Finally, but not least, our thanks are due to all who have worked on behalf of the Guild and again this year let me say how much my family and I have appreciated the welcome and support we have received when we have visited the various meetings and events held during the year.

John L. Girt

TECHNICAL ADVISER'S REPORT

1980 has seen the rededication of the rings at Rushmere St. Andrew and Wickham Market, and the addition of a sharp second at St. Mary-le-Tower, Ipswich. The towers at Haughley, Cratfield, Woodbridge St. Mary, Sproughton and Barham have been restored and work is in hand at Pakenham. Work is projected to the tower and bells at Worlingham and the tower at Chevington.

At Rushmere St. Andrew Taylors have overhauled the ring of six and rehung the bells with new fittings in a new metal lowside frame. At Wickham Market the Whitechapel Foundry has overhauled the ring of six and rehung them with new fittings in an H type frame set lower in the octagonal tower. Both sets of bells are a pleasure to ring. At St. Mary-le-Tower Ipswich the space in the new frame left for a sharp second has now been filled with a new bell cast by Taylors from the metal of the cracked and damaged Mickfield tenor to three, cast by Thomas Gardiner of Sudbury in 1716, and the treble there cast by Thomas Mears II in 1816. Mickfield church is redundant and is on the market for sale, so it was necessary to remove the bells anyway.

At Earl Soham the sound deadening properties of the single floor between the ringers and the bells has been increased, and the writer feels that any further improvement must be by means of another floor between the girders supporting the frame so creating a dead space. He considers the present situation tolerable, and the promised grant from the Bell Restoration Fund has been paid.

During the year your Adviser continued his inspections of Suffolk church bells. His reports cover 399 sets of bells in the diocese, some of which have been examined twice in the last 25 years. During 1980 he inspected the rings of bells at Sibton, Chediston, Carlton, Haughley, Whepstead, Middleton, Barnham, Woodbridge St. Mary and reinspected Pettistree.

At Sibton the five bells are now unringable, and hang in a two tier wooden frame. The tenor's headstock is now in two pieces on a window sill and the bell is supported stationary from beams across the pit.

At Chediston the six bells remain ringable in a modified ancient four bell frame of unusual design, which is also found at Cratfield, Bramfield, and Middleton; perhaps made in the 16th Century. The bottom sill beams in the centre are inclined upwards from the walls and interlock in the middle around a central opening. Interesting, as the design is not known to occur anywhere else in England. The fifth bell is badly cracked in the crown, and a new frame and fittings are needed.

The four bells at Carlton cast by Thomas Andrew of Bury St. Edmunds in 1598 form his only ring; in fact his only other existing bell is at Nedging. The Carlton bells are in a bad state and quite unringable.

At Haughley the tower has been restored on the outside, and it is hoped to get all five bells ringing again. They hang in a timber frame erected by Bowell of Ipswich in 1896 with fittings of the period. The third has a broken wheel, but the writer was able to swing each of the other bells in full circles on his visit. A pit remains in the frame for a treble to make six.

The ring of five at Whepstead remain in quite good order, though they will soon need turning. The tower is in a poor state and needs attention.

At Middleton the ring of five is in a poor way with only the treble fit to swing chime through a small arc. The fourth is well hung, but is badly cracked in the crown; the other three have very decayed and weak fittings.

At Barnham there are four bells; the third is badly cracked, and all have iron straps under their mouths to catch them in case the securing ironwork or headstocks failed. Only the tenor is sounded. There is an Ellacombe chiming apparatus which it is hoped to bring back into use for the three uncracked bells.

At Woodbridge St. Mary the tower wobbles appreciably N-S and upsets the ringing of the second, third, sixth and seventh bells. It has been shown that roping the sixth on the other side of the wheel halves this wobble in rounds, so this modification should be made first, to check on the benefit obtained when changes are rung. If not enough, then we may have to redesign the frame to have say the third and sixth swinging E-W. Quite apart from the difficulty in ringing the bells as they are now, the wobble is bound to have a detrimental effect on the tower which has just recently been restored at considerable expense. So something must be done. At Stradishall Mr. D. Kiddy has continued his work on the bells and he has now roped the tenor on the other side of the wheel to reduce the tower rock here.

At Leiston your Adviser visited when the bells were being rung to check on tower rock, etc. This was satisfactory, but parts of the frame are loose in the tower. He made recommendations to correct this.

At Cratfield the tower is restored, and it is desired to see if the six bells can be made ringable again. Currently the clappers are connected to a chiming manual; these would need to be disconnected and some other work done before this could be attempted. Your Adviser has listed the items and advised the parish.

The metal frame at Wenhaston is badly in need of painting, and your Adviser visited and discussed the problems with Mr. C. Ainger. As the tower is near the sea corroding steelwok must be avoided to ensure long life.

At Mendlesham woodworm attack has required the fourth bell's wheel to be replaced. The tower at Sproughton has now been restored and the bells are now being rung again. It is hoped that they will soon be rehung.

At Pettistree the tower has also been restored and moves are now being made to rehang the ring of six which has not been rung in changes for over 30 years. The writer has reinspected them, and has made up a scheme for such a restoration.

Lawshall has an unringable five in a minor key with a cracked third bell. It is hoped to replace this bell with one from Bruisyard to make a major five. Witnesham has an unringable six, and there is some interest to get them restored.

At Barham there are four bells in poor order. Your Adviser patched them up for swing chiming and obtained an old clapper from Rushmere which he fitted to the treble to replace one which has fallen out and been lost! Alan Smith kindly provided some old bell ropes.

The Towers of the redundant churches at Ipswich St. Lawrence and Ipswich St. Clement are defective and cracked, and ringing has had to stop for the time being.

Your Adviser gave a talk on Belfry Care and Maintenance to the Guild Training Meeting on 25th October which was well received.

At last 'Bells and Bellringing in Suffolk' has appeared, and George Pipe and the writer have been busily signing copies. Some 3000 have been printed and we hope that you will all make a point of getting copies at £1.95 for yourselves and your friends.

The Diocesan Advisory Committee for the Care of Churches, on which your Adviser has served for over 26 years, has been reorganised; and he has agreed to become a member of a Panel of Consultants.

R.W.M. Clouston

MAINTENANCE OFFICER'S REPORT

Members of your Maintenance Committee have been able to help resolve a goodly number of problems during the past twelve months. Trevor Hughes and David Noy have been particularly active in the Northeast District where at **Laxfield** they were able to free a seized pulley and advise the local ringers regarding the fitting of rope bosses in an intermediate floor, secure a worn Slider which had a disturbing habit of jumping off its pivot and tighten some loose wheel securing bolts. Treat worm infected woodwork at **Little Glemham**, carry out general maintenance at **Yoxford** where the headstocks were found to be very rusty and the 4th and 5th bells found to be loose on their headstocks, fix some heavy duty P.V.C. mesh behind the Louvres in **Aldeburgh** tower and liaise with Mr. Clouston over the problems which currently prevail at **Cratfield**.

Tony Petter has carried out some general maintenance at **Tunstall** and the bell-frame etc. has been repainted by a locally recruited labour force. Tony is also currently engaged in repainting the frame at **Marlesford** with Nevopalene C, a chemical rust stabiliser which has been advertised in 'The Ringing World' from time to time. One big advantage is that it is not necessary to get right down to the bare metal before applying it and so a considerable amount of laborious preparing can be avoided, if it works! At **Debenham** the local band are repainting their bell-frame and at **Woodbridge** (St. Mary) the local ringers are planning a major restoration job and a fund has been launched to finance this.

Members of the local band at **Mendlesham** fitted a new wheel to the 4th. This item was purchased from the Whitechapel Bellfoundry. **Exning** also have been trying to obtain a replacement wheel and have been quoted £170 by Taylor's for a new one.

At **Stoke-by-Nayland** the P.C.C. has had the very large louvred openings professionally rewired by a local building contractor and members of the local band have cleaned out the belfry prior to repainting the metalwork. Work is also in progress on the installation of an effective sound control system at **St. Peter's** church in **Sudbury**. Walter Perry, Leslie Mills, Richard Knight and myself are currently involved in this project and, hopefully, the work will have been completed by the time you get this report.

I would like to thank the members of the Maintenance Committee, on your behalf, for the work which they have undertaken during the past year and to ask you all to lend a helping hand whenever it is necessary. I feel that much of the work which I have detailed above could have been considerably minimised and perhaps even been avoided altogether if regular attention had been given to these matters in the past. Sadly, Suffolk came 'top of the league' in the list of unringable towers which the Central Council of Church Bellringers published at the last A.G.M. In most cases I fear that there is not much we can do to reduce this total but we can at least all do our best to ensure that those bells which are still available to us shall not cease to be so on account of neglect on our part.

Roland C. Whiting.

OBITUARIES

Cecil Aldous – St. Matthews' Ipswich

A Sunday service ringer for over fifty years Cecil saw his ring of five augmented to six in the early thirties and since that time taught scores of ringers. He was keen on his church and loved his annual outings with the Rushmere and St. Clements bands.

Mrs. A.J. Haynes – Lavenham

A great supporter of our Guild this Christian lady is a great loss, especially on the social side. Ann Haynes had those qualities of being always cheerful and welcoming as well as a splendid provider. She loved accompanying Arthur at all ringing functions and we shall miss her.

Frederick O. Hunt – Preston St. Mary

Someone whose cheery ruddy face we shall miss for years, Freddie was so much part of the rural scene. A member of the notable Surprise Minor band at Preston, he and his lifelong pal, Mack, were a familiar duo at meetings and striking competitions. He liked good striking too, especially when followed by a cool pint.

Victor Lockwood – Earl Stonham

There have been several ringing families in the Stowmarket area and Vic came from such a one. Much of his ringing was done with Garnham Blaxhall, Harry Lister and the Mendlesham and Cotton Companies. He rang 9 peals for the Guild.

Albert E. Whiting – Helmingham

Tubby Whiting rang over 200 peals for the Guild, mostly at Helmingham and Framsden. His father, George, and grandfather, Noah, were ringers there before him and possibly his great-grandfather. Certainly he could claim a link back to the historic restoration of the bells in 1816.

Cecil W. Pipe – Grundisburgh

As a boy Jim taught himself to handle a bell and progressed from there to ring on the higher numbers of bells – that part of our art at which he excelled. He rang over a thousand peals and delighted in perfect striking. He served the Guild as Secretary and Treasurer for ten years from 1945, and as a Central Council Representative from 1946 to 1977 and for many years as a Vice-President of the Guild. Proud of the consistent service ringing at Grundisburgh Jim was instrumental in augmenting the eight to the ten they now are. We shall all sadly miss the teaching and friendly encouragement which have been with us for so long but we must remember with gratitude that we have been privileged to know such a fine gentleman.

We also remember any ringers' relatives who may have died during the past year and the families of the above.

May they rest in peace.

AUTISTIC COMMUNITY TRUST

A Community Project to help Autistic People in East Anglia

We have recently purchased Barton Hall, Barton Mills, Nr. Mildenhall, for these handicapped young people. Please help us raise a further £80,000 for alterations, improvements and the providing of facilities and equipment.

You may like to give your time, services or donations, however small.

For further information contact

George and Diana Pipe,

8 Lansdowne Road,

Ipswich IP4 5AZ

Telephone Ipswich 75647

For over **200** years the Taylor sound has echoed from the steeple.

Drawing upon this long experience and using modern technology we are able to offer **the complete** service in every sphere of church bell work.

Guild Ringing Master and two representatives from each District

Restoration and Maintenance:
Guild Maintenance Officer, Technical Adviser and two representatives from each District.

INDEX AND DIRECTORY OF TOWERS

The following table is used to show the condition of the ring:

10 – Excellent, Ball bearings, modern frame and fittings.
9 – Excellent, Plain bearings, modern frame and fittings – or ball bearings in an old frame.
8 – Good going order.
7 – Fair going order.
6 – Poor going order.
5 – Ringable if cleaned up and odd fittings and ropes provided.
4 – Ringable with difficulty and a degree of risk after making odd repairs.
3 – Unringable mainly because of tower and/or frame arrangement and position.
2 – Unringable mainly because of frame and/or fittings.
1 – Hung dead.
0 – Some bells unhung and on the ground.

While every effort has been made to ensure that the information given is accurate, the Technical Adviser would be very pleased to hear of any corrections.

Key to Districts: 1 – N.E., 2 – S.E., 3 – N.W., 4 – S.W.

TREASURER'S REPORT

This year has again seen a number of fund raising events and we are very grateful for those members who have organised these events:–

	General Fund	Restoration Fund	Exning
1981 Calendar	£204	£204	–
S.W. Open Day	–	£206	–
S.W./N.W. Barn Dance	–	–	£105
N.W. Bookstall	–	£24	–

Subscriptions have now reached realistic levels in relation to our expenditure, (£3 for Ringing Members for 1981) and we can now look forward to only modest increases, probably below the rate of inflation, for the next few years. It is encouraging to note that our membership figures have kept up despite these increases in subscriptions and the challenge is there for all of us to keep on recruiting new members to replace those who leave the area and to try and retain for the exercise those who remain in the area.

Completion of the accounts has been unusually prolonged this year because the records for the North West District have been misplaced as a result of the District Secretary's move from the County. It has proved impossible to totally reconcile the transactions for that District and the miscellaneous expenditure item in the General Fund reflects that problem.

Donations have been made as usual to the Friends of the Cathedral, the Friends of St. Peter's Sudbury and the Suffolk Historic Churches Trust. The Guild's insurance policy continues to provide cover for third party liability for all members, the Guild's assets – handbells, shields, masters badge and library – and personal accident cover for the members of the Maintenance Committee.

It is encouraging to note that there have been three applications for grants from the Restoration Fund this year. Now that the Fund is in the position to give significant grants (about 10%) it is to be hoped that Parishes will come forward and start to clear some of the large backlog of restoration work that exists in Suffolk.

Mention should also be made of the new account appearing for this year only – St. Martin's Exning Augmentation Fund. This fund was established because the Restoration Fund cannot aid augmentation works; but the Guild felt that in the case of Exning there were exceptional reasons for augmentation to provide a ring of six in that area of the Guild. The grant which was approved at last year's A.G.M. has therefore been funded partly by special collection/fund raising events and partly from the General Fund. The grant should be paid over early in 1982.

RINGING MASTER'S REPORT - 1981

For most of my professional life the words 'steady progress' flowed from my pen on to countless reports and they are the most appropriate for ringing in the Guild during 1981.

117 peals were rung which is a return to a three-figure total after two rather lean years. Congratulations to the nine members who rang their first peal during the year – Peter J. Ablitt, Adrian J. Blumfield, Clare Christian, Amanda K. Fielden, Andrew D. Fisk, Robin Rowley, Robert J. Scase, James A. Smith and A. Deborah M. Thorley. Nicholas C. Wade and Deborah Thorley scored their first peals as conductor and joined the seventeen resident members who called peals in 1981.

Peals meriting a special mention are:– Bob Maximus by a N.E. District band; Bob Major by an all-ladies band (the first on the new light eight at St. Mary-le-Tower) and the new record length of Doubles for the Guild rung by a resident band.

After an absence of over ninety years the historic tower of Cretingham (home of the Wightman family) returned to the list of peal towers. Mrs. Patricia M. Bailey has now rung peals in 125 Suffolk towers and is the first to reach this total. Peals were rung to mark the Silver Wedding of George and Diana Pipe.

The Striking Contest was held at Buxhall on May 16th and St. Mary-le-Tower retained the Mitson Shield; the entry was down on previous years – eight bands competing.

There were no handbell peals in 1981 and throughout its history the Guild has been somewhat lacking in this respect so it was an encouraging sign that the first Handbell Training Day took place in Stowmarket on June 6th. This proved to be very arduous for the gallant tutors in charge of the various groups and I am very grateful to them for their efforts and also to the pupils who ventured into this demanding aspect of our art.

The Guild Training Day was again organised in and around Stowmarket but was poorly supported apart from the Grandsire group, which had been requested by members. A further effort has been scheduled for October 1982 and the Recruitment and Training Committee hope for a good turnout. Whether, after some years of being run on a Guild basis, this function would now achieve more real success by being organised at District level remains to be seen.

The level of quarter-peal ringing seems to have been maintained and shows the healthy state of many of our Sunday service bands. The Guild quarter-peal week again gave rise to several bands extending their expertise and furthering the progress of their beginners.

Finally a thought for 1982 and beyond – during the past three years only a handful of the Guild's peals in seven or more Minor methods have been rung by resident bands –plenty of scope for tower captains and ringing masters to encourage a little more adventure in our six-bell ringing.

J. Martin Thorley

SECRETARY'S REPORT

One of the enjoyable aspects of belonging to a Guild of Ringers is the hospitality which one receives as visits are made to meetings and services during the year. It is always good to see old friends and to make new ones and Shirley, Simon and I thank you all most warmly for the way in which we have been received wherever we have been. Our thanks are also due to District Officers and individual members for the support and help which they have willingly given during the year. Finally, but by no means least, our thanks are due to George Pipe who is not seeking re-election as Chairman. George has given much to ringing, especially to Suffolk ringing, and we shall remain in his debt for a very long time.

Throughout the year the routine of the Guild has proceeded smoothly. The Management Committee has met three times at Buxhall with reasonable attendance and your representatives went to the Central Council Meeting at Rochester. One of the contentious items discussed there was a scheme for grading ringers. More recently the Guild was invited to participate in the pilot scheme for this grading, but the Managing Committee decided not to take part. The Striking Competition took place at Buxhall; there was a Handbell Day and a Training Day at Stowmarket and the Social at Stonham Aspal. The Social format changed a little – the emphasis being on dancing of all kinds without the humorous sketches which have become more and more difficult to produce. Credit is due to all the people involved in the planning and organisation of these various events.

As part of our celebrations for 1983 – the Diamond Anniversary of the Guild – it is planned to hold a dinner at the Town Hall in Ipswich (only 120 tickets available). A record of Suffolk Bells is also planned.

Whilst thinking of the future we should also be thankful for those whose foresight in years gone by left us such a rich heritage of churches and bells. Unfortunately in Suffolk we can no longer rest on the good deeds of others and now we must realise how great is the responsibility resting on our shoulders for maintaining and restoring our bells. We have more to do in this county than most others and now is the time to realise just how great is the lead we are giving in the Exercise. Please back your Guild and District Officers in this very important work and if you can do nothing else at least you can covenant your subscription so that the Guild can derive more financial benefit from your money and thus be able to help more parishes with better grants towards their bell restoration work. In the long term it is not only a benefit to us now but also an investment, the value of which our children will surely thank us for. On the other hand, will they thank us for neglecting further the work which so urgently needs attention?

Let us look forward to a happy year of ringing in 1982 and couple with it a special effort to try and help in some way towards the restoration of our Suffolk bells.

J.L. Girt

TECHNICAL ADVISER'S REPORT

During 1981 your Adviser inspected the rings at Sudbury All Saints, Covehithe, Ipswich St. Matthew, Barking, Weybread and Thorndon. He visited Exning to give advice on the broken tenor wheel and Occold to get details of the cracked treble.

At All Saints Sudbury the heavy eight was rung for the first time for some 15 years, but even now only two faces of the tower have been restored and the other two do need attention. The pre-Reformation sixth bell is seriously worn where the clapper strikes and requires further turning. So at the moment ringing has to be limited to special occasions.

The Covehithe bells and towers are vested in the Redundant Churches Fund. The independent crown staple in the third bell has sheared off inside the headstock and the gudgeon pins knock in the bearings as the bell swings. The tenor's wheel needed repair and a new runner board was required. Other work was noted as desirable in the longer term. It was hoped to put the essential work in hand.

St. Matthew's Ipswich bells had an overhaul in 1903 and had a new frame and fittings; a treble was added in 1933. Now they are in only fair order due to wear in the moving parts. A full overhaul was recommended in five to ten years.

At Barking Alfred Bowell recast the old five bells into a ring of six with the same total weight in 1911 and he hung them in a new metal frame with new fittings. There were some minor defects, but they remain in quite good order. In the longer term, say twenty years, ball bearings should be fitted.

The very special ring of six at Weybread cast in 1879 by Messrs. Moore, Holmes and Mackenzie was the first ring by this firm of amateur bell founders. The bells and metal frame trial erected in their foundry yard are illustrated in 'Bells and Bellringing in Suffolk' page 50. Some of the fittings have been replaced since 1879 and the tenor is not ringable as the gudgeon pins bolted to a modern replacement headstock are not in alignment with the bearings. The writer recommended new fabricated mild steel headstocks, gudgeon pins, ball bearings, replacement or adaption of the present wheels to fit the new headstocks, new pullies, etc.

At Thorndon the six bells are only just ringable, and an overhaul is long overdue. The treble has worn bearings, the second has a makeshift locally fitted timber headstock in four pieces glued together which creaks as the bell swings, the second and third bells need turning and the frame support stucture is of questionable strength. The bells need a new frame and fittings.

At Cretingham the tower has been repaired and the bells rung; alas the rope guides have not been replaced and handling is a little difficult.

At Exning the shattered tenor wheel has been replaced. The cause of the accident was not apparent in spite of close inspection; something fouled the wheel when ringing was in progress which locked the rim to the frame. A new treble to make six has been cast and will have been fitted by the time this report is in your hands.

At Hadleigh the seventh bell's clapper has broken. Earlier the six and tenor clappers broke and were replaced in spheroidal graphite cast iron. Hopefully this will be the end of the matter as it is the larger bells which suffer from this problem with clappers made from modern 'wrought iron'. This is quite different from the wrought iron made by the puddling process which has excellent fatigue-resisting qualities.

At St. Mary's Woodbridge the writer roped the sixth bell on the other side of the wheel and this does appear to have had a beneficial effect on the go of this bell and

on the others swinging north-south. Taylors have fitted new pullies, new clapper bushes, refaced the clapper balls and fitted a new set of bell bolts. The ball bearings have been cleaned out and repacked with grease.

Advice has been given to Sproughton on strengthening the tower and to Chediston where repairing the cracked fifth would leave a tenor with badly worn bearings. It is hoped to make a full restoration in both towers.

Haverhill church tower has been restored and the timber props holding the pinnacles and parapets removed.

The writer has now held office as Hon. Technical Adviser for 25 years and it is interesting to see what has been done in this period. 17 rings have been rehung with new fittings and a new frame and seven others with new fittings in the old frame, on average one job a year. Additionally three rings have been hung in ball bearings for the first time.

In the 1958 Report an analysis of the state of our rings of bells was shown; the 1981 state compares as follows:

State	1958	1981
Excellent	51	58
Good	66	40
Fair	35	55
Poor	12	15
Codes 0 - 5	78	73
	242	241

There is one less ring of bells as we have lost the unringable five at Lydgate. We still have a great many rings hung in plain bearings which are reaching the end of their useful life. If one feels that one only ought to ring a peal on bells rated as good or excellent, one's choice has been reduced from 117 to 98. However the situation is not quite as bad as that as a number of rings rated as fair could be improved if time was spent on special maintenance work. Overall we are only just about holding our own on restoration work and much remains to be done.

The writer is not offering himself for re-election as he feels that it is important that others should have the opportunity to develop the skills necessary to do this work. He will, of course, retain his interest in Suffolk bells and hopes to continue to collect data for a second edition of Raven's The Church Bells of Suffolk in 1990 on the centenary of the first edition, as well as to advise on faculty applications relating to bells in the diocese.

He thanks everyone for their support over the last 25 years.

R.W.M. Clouston

MAINTENANCE OFFICER'S REPORT

1981 has turned out to be a quiet year maintenance-wise and your Maintenance Committee members received very few requests for assistance during the period under review. Indeed, much of my Report covers work which has been undertaken by enthusiastic 'locals'. In the N.E. District, Trevor Hughes and David Noy carried out general maintenance work at **Heveningham**, whilst at **Rendham** the Treble has been fitted with a new elm headstock which Trevor obtained from a local woodyard. At the same time John Powter replaced the original plain bearings with new ball bearings.

In the N.W. District, Dick Shipley and other members of the Bury Norman Tower band have carried out general maintenance work at **Dalham** and the enthusiastic local band at **Exning**, under the leadership of Ian Whitear, have played a major part in the recent augmentation of their bells from 5 to 6. The repainting of **Marlesford** bellframe , which I mentioned in my previous Report, has since been completed by members of a newly formed local band and so has the work at **Debenham** which I also reported on last time. At **Woodbridge** members of the local band have assisted Graham Knight of Taylor's to carry out some professional restoration work. The pulleys, clapper bushes and bell bolts have all been replaced and the ball bearings cleaned out and repacked with fresh grease (this latter operation necessitated raising each bell away from the bellframe). Taylor's are charging almost £1400 for this work – a sobering thought is it not!

Archie Fitch has done a tremendous amount of clearing out and cleaning up in **Sudbury All Saints'** belfry and, thanks largely to his sterling work, it is now possible to ring these bells again, albeit for a short while at any one time as further builders' work is necessary to the tower structure before any general ringing will be allowed there. I can also report that further progress has been made with the sound control installation at **Sudbury St. Peter's** and I am greatly indebted to our old friend Walter Perry for his considerable help with this project.

A final word of warning – please keep an eye on your clapper securing devices and make sure that castellated nuts are properly locked with a split pin. **Sudbury St. Gregory's** have been troubled of late with clappers working loose but fortunately no serious damage ensued.

Lastly, a very big 'thank you' on behalf of the Guild to all the above-mentioned 'do-it-yourselfers' and, of course, to anyone else who has done maintenance work which has not yet been brought to my notice. Please carry on the good work and so help to preserve as many of our 'rings' as possible for posterity.

Roland C. Whiting

OBITUARIES

F. Borley and E.J. Steed – Buxhall

Frank and Ted, two Country Gentlemen, and how we in the Guild and people in Buxhall miss them. They loved their village, their Church and their ringing and in true Christian spirit always gave a warm welcome to the belfry, happy to ring or to listen.

A. Brown – Ixworth

Arthur Brown took up ringing late in life but this in no way hindered his enthusiasm and he was a most useful and welcome member to the local company. With his flair for looking after the bells, providing diagrams, hospitality for visitors and the like we wish we had known him longer.

S. Bunting – Exning

Stan worked so hard to see Exning bells augmented to six but sadly died last March, in the knowledge, however, that the work would be done. He was ringing there between the wars and was a contemporary of that well-known Newmarket ringer and conductor, Albert Austin.

A.B. King – Rushmere and Hasketon

Bert King claimed links with the Art back to the mid 19th century when his father and grandfather were ringers at Hasketon and Woodbridge. A most interesting man, he kept a diary of his First World War experiences. After retirement he left his beloved Hasketon and joined the Rushmere band.

W.E. Maulden – Framlingham

Willoughby, known affectionately as Sonny, was a most talented ringer on Tower and in hand with quite the most beautiful handwriting one could wish to see. Despite his great age (nearly 90) his memory was amazing – something he shared with his lifelong friend, George Symonds; fellow ringers as they were at Framlingham in 1900. During a spell away from Suffolk at the beginning of this century Sonny became a member of Alfred H. Pullings famous handbell band. Like his whole demeanour, his striking was immaculate and how he loved Bristol, Double Norwich and Stedman.

G. Miller – Lakenheath

Gerald Miller, like many another in that somewhat remote part of Suffolk, never had ringing on a plate as the saying goes. Somehow this seemed to strengthen resolve and we have many instances of long and loyal service to Church and Guild in that area of which he was an example.

F. Mortlock – Lavenham

One word describes Fred, perhaps there were others – a Character! He was the last of old Arthur Symonds Lavenham band; one of over sixty ringers he taught. An engineer and staunch country boy Fred, like his contemporaries, learnt his theory on handbells and then under strict discipline the Art in the great tower there. It was a hard school no doubt, but he was proud of that pre-war band.

E. Murrell – West Stow

Ted was connected with West Stow tower for many years – one of those bright and cheerful people it's always nice to have around. He liked to teach as well and helped Chris Nunn, Brian Wells and others to 'master the intricacies'.

F. Ruffles – Earl Soham

Known to his close friends as 'Pudden', Frank was well-known in the Framsden-Debenham area, ringing before the war with such worthies as W.C. Rumsey and W.J. Groom. After 1945 he became one of Leslie Brett's band and enjoyed his Surprise Major, his outings and his cigarettes. Frank rang about 100 peals for the N.D.A. and Suffolk Guild and we shall miss his cheery face and dry comment.

A.W.J. Thompson – Southwold

Arthur (Pimp) Thompson was in essence an Edwardian athlete! Not only a ringer for over 50 years, he was a local identity in N.E. Suffolk playing successfully cricket, hockey, rackets and golf. Heavily involved in the town's affairs in Southwold and knowledgeable of its history, Pimp was also a coastguard and fireman. His daughter, Margot, is married to another former Chairman, John Blythe.

F.E. Wiseman – Rushmere St. Andrew

Frank was our senior member, in his ninties and a ringer for over seventy years. A watchmaker, he brought the same attention to detail into his ringing and was Captain at Rushmere for many years. The stern exterior hid a warm and kind personality and we mourn his passing.

We also remember any ringers' relatives who may have died during the past year and the families of the above.

May they rest in peace

The Very Reverend Eric Devonport, Bishop of Dunwich, Messrs. Trevor N.J. Bailey, Stanley Bloomfield, Arthur Ballam, John W. Blythe, Leslie Brett, Ranald W.M. Clouston, George Finch, Ernest Pearce, George W. Pipe, Rev. Lawrence R. Pizzey, Leslie Mills, H. Claude Rush, Samuel Twitchett.

Chairman:
Rev. Lawrence R. Pizzey, The Rectory, West Stow, Bury St. Edmunds. Tel. Culford 220

Ringing Master:
J. Martin Thorley, Spring Hall, Cake Street, Laxfield, Woodbridge. Tel. Ubbeston 432

General Secretary
John L. Girt, 22 Medway Road, Ipswich IP3 0QH. Tel. 74858

Treasurer
Alan Smith, Cuclestane, School Lane, Coddenham, Ipswich. Tel. Coddenham 296

Honorary Auditor:
Michael Whitby

Honorary Technical Adviser:
Ian Whitear, 107 Windsor Road, Newmarket. Tel. 664326

Maintenance Officer
Roland C. Whiting, 10 Harpers Hill Estate, Nayland. Tel. 262023

Honorary Librarian
Dennis Knox, 40 Princes Road, Felixstowe IP11 7QZ Tel. 6544

Report Editor:
Mrs. Shirley Girt, 22 Medway Road, Ipswich. IP3 0QH. Tel. 74858

Newsletter Editor:
Mrs. Shirley Girt, 22 Medway Road, Ipswich. IP3 0QH. Tel. 74858

Central Council Representatives:
T.N.J. Bailey, J.L. Girt, Rev. L.R. Pizzey, R.C. Whiting.

Pearson's Handbell Trustees:
Mrs. W. Lockwood, 2 Thorpes Hill Cottages, Hintlesham. IP8 3NL. Tel. 314 R.A. Knight, Chipley Abbey Cottages, Assington Green, Poslingford, Sudbury.

Management Committee:
Vice-Presidents, Chairman, Ringing Master, General Secretary, Treasurer, Technical Adviser, Maintenance Officer, Librarian, Report Editor, Newsletter Editor, C.C. Representatives, Handbell Trustees, two representatives from each District and two representatives each from the Recruitment and Training Committee and the Restoration and Maintenance Committee.

Recruitment and Training Committee:
Guild Ringing Master and two representatives from each District.

Restoration and Maintenance Committee:
Guild Maintenance Officer, Technical Adviser and two representatives from each District.

INDEX AND DIRECTORY OF TOWERS

The following table is used to show the condition of the ring:

10 – Excellent, Ball bearings, modern frame and fittings.
9 – Excellent, Plain bearings, modern frame and fittings – or ball bearings in an old frame.
8 – Good going order.
7 – Fair going order.
6 – Poor going order.
5 – Ringable if cleaned up and odd fittings and ropes provided.
4 – Ringable with difficulty and a degree of risk after making odd repairs.
3 – Unringable mainly because of tower and/or frame arrangement and position.
2 – Unringable mainly because of frame and/or fittings.
1 – Hung dead.
0 – Some bells unhung and on the ground.

While every effort has been made to ensure that the information given is accurate, the Technical Adviser would be very pleased to hear of any corrections.

TREASURER'S REPORT

This year has in many ways been quite satisfactory from the financial viewpoint. With the accumulated deficit on the General Fund being eliminated in 1981 this years surplus has enabled the accumulated surplus to grow towards an adequate balance. Our finances are now on a sound basis and we can look forward to very modest increases in future years. It should, however, be noted that a number of the expenses (hire of halls secretarial expenses and wreaths) were unusually low this year.

Membership levels have been maintained although a detailed examination of individual entries will show significant additions and deletions. The number of recruits who leave the ringing exercise in any year means that we must continue to recruit significant numbers of new members to the Guild if our membership is not to drop. The number of covenanted subscriptions continue to be disappointing; in fact as a result of deaths and movements out of the area etc. the number of covenantors actually declined during 1982. The unclaimed tax rebate on uncovenanted subscriptions amounts to over £400 each year.

Donations have been made as usual to the Friends of the Cathderal, the Friends of St. Peter's Sudbury and the Suffolk Historic Churches Trust. Donations were also made in 1982 to the Ringing World Editor's retirement gift and the presentation to the retiring Technical Adviser. The North East Open Day, which raised £91-50 more than financed these latter two items. The Guild's insurance policy continues to provide cover for third party liability for all members, the Guild assets (handbells, shields, master's badge and library), and the personal accident cover for the members of the maintenance committee.

This year two large grants of over £1,000 each (just over 10% of the cost of the work) have been promised from the Restoration Fund. Although there was no specific fund raising for restoration the fund income has maintained its level. However there is still a large backlog of restoration work to be done in Suffolk.

The records for the North West District for 1981 surfaced during the year and it proved possible to reconcile most of the entries. This year has been less fraught with this type of problem but the late payment of subscriptions etc. does pose difficulties when trying to close the accounts down by mid January. Assistance by Tower Captains/Secretaries and Deanery Reps in ensuring that all subscriptions are paid as soon as possible would be greatly appreciated.

Alan R. Smith, Honorary Treasurer, 7th February 1983.

Auditors Report:

I confirm that the attached balance sheet as at 31st December 1982, together with the statements of income and expenditure of the General and Restoration funds agree with the books, records and information made available to me.

M.G. Whitby, Honorary Auditor, 10th February 1983.

Ringing Master's Report for 1982

1982 must surely be the Year of the Doubles. More peals of Doubles were rung by the Guild than in any previous year although almost half of them were in 42 methods/variations. Two new Guild records were set in the Doubles sector - 52 m/v at Saxmundham in May and 12120 in 12 m/v at Brandeston in April. There are those who decry the ringing of Doubles but to them I would point out that 80% of Suffolks towers are fives and sixes (indeed only Northamptonshire has more fives) and that a large number of our Sunday Service ringers regularly ring Doubles - myself included.

With her total of 60 peals Mrs. Patrick M. Bailey has set up a new ladies' yearly total for the Guild. This surpasses the 1970 total of 53 by my eldest daughter Katharine, which in turn broke the record of Mrs. Sylvia Pipe who as Miss Bowyer scored 51 in 1938. The only other lady to have rung fifty plus for the Guild in a year is Mrs. Muriel Page who totalled 51 in 1970.

Mrs. Bailey has also now rung peals in 150 Suffolk towers, being the first to do so; Leslie Brett has pushed the highest individual peal total for the Guild beyond the 1100 mark - the 1100th being rung at Helmingham and the method was also Helmingham, fifty years after he had taken part in the first peal in this useful but neglected method. Heartiest congratulations.

Congratulations also to those who rang their first peal in 1982 - Kay D. Nunn, Clive A.J. Williams, Colin C. Morton, E. Linda Schofield, the Reverend Martin J. Turner, Mary P. Smith, Iain W. Mitchell, Ray Lewis, Mary G. Evelyn, Alison J. Evelyn, S. Norman Whiting; to David Noy who scored his first as conductor; to David Tovell who called the first peal for no fewer than seven of our pealers; and to Peter Archer who has joined the select band who have run peals in 100 Suffolk towers.

The Guild's Handbell Day was a disappointment and this function has been discontinued for the time being. The Striking Contest was won for the third time in succession by St. Mary-le-Tower but the entry was one of the lowest ever - it is to be hoped that this year with the experimental interdistrict eight-bell competition being held in the evening more teams will enter to commemorate the Guild's diamond jubilee. However the Training Day was a success, despite the cancellation of one group, and the Quarter Peal Week once again showed the strength of many of our local area bands.

During 1982 the Guild introduced Ipswich Delight to the exercise - ringing peals of it on 8, 10, and 12 bells. A peal of Stedman Cinques was rung at St. Mary-le-Tower in January as a thanksgiving for the ministry of Canon Geoffrey Tarris during whose incumbency the bells were restored. Peals of Bristol and Newgate Maximus were recorded and the Guild's heaviest peal so far - at Sherborne Abbey in February.

My remarks of last year seem to have been taken to heart and in 1982 the Guild rang a goodly number of peals of Minor in seven or more methods. May this continue in 1983 and may I also hope for a greater number of Guild members taking part in peals of Major. Although 1982 was the third most prolific year for peals in the Guild's history I would like 1983 to have a lot more peals BY the Guild rather than just for the Guild.

J. Martin Thorley

SECRETARY'S REPORT

1983 is now upon us and it seems only a very short time since I wrote my Report for 1981 but I must stir myself and report and record for posterity the events of 1982. Before I do I must offer my thanks to the many loyal members of the Guild for their support and help. Without you, the members, there would be no Guild and it is as well for some of us to remember this fact. Thank you all, too, for your welcome all over Suffolk - it really is appreciated. Very sincere thanks were expressed to Ranald Clouston when he retired from the post of Technical Adviser; the Guild presented Kitty and Ranald with a pair of engraved glass goblets as a gesture of our thanks. Ian Whitear succeeds Ranald and I am sure he will measure up to the high standards set by his predecessor.

Under the guidance of our new Chairman - the Reverend Lawrence Pizzey - the Management Committee has met regularly and your Council Representatives travelled to Bedford for the 1982 meeting. The usual Guild events were held at their appropriate times with the exception of the Social which was cancelled. The Management Committee felt that it was wise to do this because of the various difficulties and I feel they were right since little by way of protest has come to me. Perhaps it was time for a change anyway - inter District cricket matches, barn dances and other social events have been arranged during the year so it may be that this is the direction in which we should be moving.

With three other members I went to Northampton in October to attend a Central Council Seminar on Bell Restoration Funds. It was a useful and very interesting day. How pleasing it was to discover how well we, in Suffolk, are doing in this field - as I said last year, leading the Exercise - and to realise the depth of knowledge held by and the respect given by others to our Treasurer Alan Smith. I make no excuse, therefore, for briefly returning to this theme and urging you all to do all you can, by whatever means, to further the restoration work of the Guild. We have one of the biggest jobs to tackle in the whole of the country and the help of every member is needed.

Over a period of time I have been asked at meetings and by individuals to give a 'job description' of the Deanery Representative's work. This I have done in some detail and by the end of 1982 it was in the hands of each District Chairman. Please ask them for details if you have not already heard them and if you have now seen them then please give some thought to the problems. If you, as an ordinary member, don't know your Deanery Rep. then consult the list of names given elsewhere in this Report and then seek out your Deanery Representative. They are the vital link between you and the various District and Guild Officers and they are the first to approach with your ideas and/or problems. I hope they will make themselves known to you and I hope you will help them to improve the way in which our Guild functions. It is at this level that the real work and improvements can be made.

As I have visited the various quarterly meetings during the year it has been very encouraging to see the considerable numbers of young people joining our ranks. Whilst I can appreciate their reluctance to air their views in front of some of the 'old stagers' let me assure them that their ideas are always welcomed. Some of them will have to shoulder the burden of office in future years and we must, therefore, help and guide them whenever possible.

Finally let me thank all my fellow Officers for their help and hard work during the year. It is their good will, patience and forbearance which keeps our Guild running in such a smooth manner. To them and to you all I wish happy ringing in 1983.

J.L. Girt

TECHNICAL ADVISER'S REPORT

It is with some trepidation that I start this report, it not being easy to follow in the footsteps of a man of the calibre of Ranald Clouston and to whom I owe a great deal of thanks for his support and teaching.

During the year as Technical Adviser, towers visited include Palgrave, Bardwell, Dalham, Felsham, Chevington, Tattingstone and Great Waldingfield.

During the visit to Palgrave the frame was tightened up and each bell rung singly. Here, however the basic problem is that the 1908 bell frame by Day is on three layers of much older timbers which are inadequate to prevent it moving both vertically and horizontally when the bells are rung. This decayed support structure needs to be replaced and, at the same time, the bells need to be overhauled.

Movement within the spiral staircase leading to the ringing chamber at Bardwell, has resulted, as a precaution, in ringing being restricted. Some strengthening work on the staircase may be necessary.

At Dalham only the three larger bells are capable of being rung for special occasions but with increased local interest in the bells it is hoped that some of the much needed short term restoration work will be done in the not too distant future thus enabling all five bells to be rung.

The bells at Felsham, are in need of an overhaul. The main cause for concern here is the state of the main bearings on the second, fourth and fifth bells to the extent that there is a risk that a gudgeon pin may shear and a bell may fall into the pit.

A gradual deterioration of the bells and frame can be seen at Chevington. The strengthening work done in 1970 has done little to prevent general movement of the frame and the associated bad going of the bells. There is a considerable amount of short term work that could be done to improve the situation here.

At Tattingstone the main cause for concern is the tower which is badly cracked to its full height so that when the bells are rung it tends to act as two separate sections. The installation of a reinforced concrete ring beam below the bell frame level may well be necessary before the situation can be stabilised.

The bells at Great Waldingfield are rung from a manual at ground level and a complete restoration with a new frame and fittings will be necessary, including the quarter turning of each bell because of the bad wear caused by the clappers. It would seem that the last time any work was done on these bells was in 1895.

Ringing at Ufford has been stopped because of the failure of one of the buttresses whilst at Framsden a gudgeon pin on the tenor has cracked and ringing is restricted to the front six bells for the present.

New rope guides have been fitted at Cretingham to improve the handling of the ropes but at Burgate frame movements make for difficulties when the bells are rung in changes.

The future looks bright for Euston and Harkstead where restoration and augmentation to six bells is planned for both towers. Let us hope that the enthusiasm and courage shown by these parishes will encourage others to do the same.

Ian Whitear

MAINTENANCE OFFICER'S REPORT

I began my 1981 Report with the observation that your Maintenance Officers had received very few requests for assistance during the year and the same must be said about 1982 which has turned out to be very similar in this respect. Please do not take this as a complaint - in some ways it is a relief since we all have quite a number of private commitments anyway.

According to Guild Rules each District Maintenance Officer should endeavour to inspect every belfry in his District at least once a year but I am sure you will agree that this is a very daunting task and a very expensive one in view of the high cost of transport these days. However we each have a genuine desire to do what we can to help maintain as many peals of bells in Suffolk as possible in a ringable condition so we gladly offer such help and advice as we are able to when the need arises.

Although our services have not been required for any major restoration projects during 1982, minor repairs and check-ups have been executed in a number of belfries in the Diocese. Blythburgh, Covehithe, Wenhaston and Wrentham have been inspected and general maintenance work has been carried out where it was found necessary. Blythburgh bell ropes have been extensively spliced with new top ends and bell rope repairs and renewals are currently in hand at Saxmundham and Theberton. Repairs and general maintenance have also been carried out to chiming apparatus installed at Great Glemham, Great Waldingfield and Groton churches by Maintenance Committee members. Sadly, none of these bells can be rung full circle but it was felt to be a useful publicity exercise on behalf of the Guild. This is the kind of work which we hope could be carried out by local people as the need arises and so spare your District Maintenance Officer for other, perhaps more formidable, projects. Please do not hesitate to ask his advice, however, as he has access to a certain amount of specialised information concerning bell maintenance and will also carry a small stock of lubricant and wood preservative for emergency use.

I would like to conclude my Report by thanking the various District Maintenance Officers and their assistants for the good work which they have undertaken on behalf of the Guild during 1982. To David Noy, Tony Petter and Robert Scase, none of whom are seeking re-election to the 1983 Committee, we offer a big "thank you" for the work which they have done.

Roland C. Whiting

OBITUARIES

A.P. Cannon - Dorking, Surrey

One of the best known ringers - probably of all time, Arthur Patrick Cannon died tragically in South Africa at the end of last year. He joined our Guild in the 1950's and was not only a tremendous enthusiast for bells, towers, ringers, teaching and records but a very fine heavy bell ringer too. A thousand pealer, many of these were for beginners, Pat never minded what he rang or with whom! His irrepressible humour endeared him to people the world over and volumes could be written of the experiences and achievements of the 'Tenor King'.

W. Cracknell - Stradbroke

Bill spent his ringing life in the Wilby - Laxfield - Stradbroke area, for many years call change bands. He learned his change ringing with William J.G. Brown when Wilby were six and enjoyed his Oxford Treble Bob.

A.A. Ling - Benhall

The Lings, Smys, Henry Puttock and others were immortalised in George Ewart Evans' book, "Ask the fellows who cut the hay" in that lovely chapter on Bell Ringing. Arthur, like them all, was a six-bell ringer, loyal to his Guild and his towers at Benhall and Blaxhall.

J.W. Paul - Elveden

Elveden ringing was Jim Paul - keen member for over fifty years in an area which has always had to struggle. He was a man of several talents, not least a noted local cricketer, but we shall remember most of all his welcome to his beloved tower of SS Andrew & Patrick. Let us hope these fine bells continue to ring in his memory.

Other ringers who have passed on to that higher belfry in 1982 but were not Guild members were A. Mumford from Redgrave and Arthur Mason, Newmarket. Especially we rememeber Stephen Oxford, a ringer at Polstead for sixty-two years. A staunch churchman, he was the epitome of dedication for which we give thanks. He took up method ringing late in life, ringing all his forty Quarters on his own bells.

We also remember any ringers' relatives who may have died during the past year and the families of the above.

May they rest in peace.

INDEX AND DIRECTORY OF TOWERS

The following table is used to show the condition of the ring:

10 – Excellent, Ball bearings, modern frame and fittings.
9 – Excellent, Plain bearings, modern frame and fittings – or ball bearings in an old frame.
8 – Good going order.
7 – Fair going order.
6 – Poor going order.
5 – Ringable if cleaned up and odd fittings and ropes provided.
4 – Ringable with difficulty and a degree of risk after making odd repairs.
3 – Unringable mainly because of tower and/or frame arrangement and position.
2 – Unringable mainly because of frame and/or fittings.
1 – Hung dead.
0 – Some bells unhung on the ground.

While very effort has been made to ensure that the information given is accurate, the Technical Adviser would be very pleased to hear of any corrections.

Key to Districts: 1 – N.E., 2 – S.E., 3 – N.W., 4 – S.W.

SUBJECT TO AUDIT

TREASURER'S REPORT

This year has in many ways again been quite satisfactory from the financial viewpoint. The surplus on the General Fund for the year has been maintained at £100 despite the transfer of £75 to the Handbell Fund; as a result the accumulated surplus continues to grow towards an adequate balance.

Membership levels have declined by a net 5% during 1983 although a detailed examination of the individual entries shows significant additions and deletions. The number of recruits who leave the ringing exercise in any year means that we must continue to recruit significant numbers of new members to the Guild if our membership is not to drop. The number of covenanted subscriptions continues to be disappointing; although this year showed an encouraging increase, and the resulting extra income from the Inland Revenue offset the loss from the lower membership. The unclaimed tax rebate on uncovenanted subscriptions amounts to about £400 each year.

Donations have been made as usual to the Friends of the Cathedral, the Friends of St. Peter's Sudbury and the Suffolk Historic Churches Trust. The Guild's insurance policy continues to provide cover for third party liability for all members, the Guild's assets [handbells, shields, master's badge and library], and the personal accident cover for the members of the maintenance committee.

This year two small grants have been promised from the Restoration Fund. It should perhaps be noted that there was no specific fund raising for restoration during 1982 or 1983 however, the fund income has maintained its level. The figures for interest earnt this year include 13 months interest on the deposits at the Central Board of Finance of the Church of England.

An examination of the Technical Advisers report will show the need for restoration work in Suffolk. Suffolk is almost unique in the scale of this need for restoration and this is one reason why your decision in the early 1970's to allocate half the subscription income to the Restroration Fund was so far-sighted.

Last year it was decided to transfer, from 1983 onwards, annually £75 from the General Fund to the Handbell Restoration Fund to start on the restoration of our sets of handbells. The Fund has also been swelled this year by sponsorship of members from Rushmere, Henley, and Debenham on the Orwell Walk, and by donations in memory of David Tovell. As a result the balance on the fund now represents about half the cost of the work required to the main set.

Ringing Master's Report For 1983

If 1982 was the year of the Doubles, what can I say about 1983? A new Doubles record set – 151 methods and a silent and non-conducted peal of 42 methods/variations. My congratulations to both bands.

1983 was a special year for me. The year in which I was elected Master and the year in which I was married. I hope that I performed both duties satisfactorily.

The week after my election was of course the Guild Diamond Anniversary Dinner at Ipswich Town Hall. This was a wonderful occasion enjoyed by about a hundred of our members, including three of the Founder Members.

As I write the senior member of the trio – George Finch – is in hospital recovering from illness and struggling to regain mobility. I am sure that we all extend our best wishes to our oldest member.

The Guild Dinner signalled the start of Peal Week during which 16 peals were rung. Many firsts were scored, including a peal of Suffolk Surprise Major.

The main event of May was the Striking Competition. The number of teams in both the six bell competition at Cavendish and the eight bell competition at Clare, was disappointing but perhaps the location did not help. In any event it was an enjoyable day with St. Mary le Tower just pipping Clare to the post in the six bell and the South East District winning the eight bell. My congratulations to all teams for participating. Let us hope that this year more teams will compete to make 1984 an even more enjoyable occasion.

In September I arranged an outing to London. Forty-one people came for what turned out to be an extremely good day, with only one slight hitch at St. Olaves, Hart Street. I am currently arranging a further outing for April 14th. 1984. Hopefully by the time you read this many of you will have enjoyed another fine day out.

October is the month of the Guild Training Day. This year's was again successful thanks to the hard work of Amanda Whiting. This day is my favourite day of the year. I urge everybody to consider the type of courses they require and let me or your District Ringing Master know as soon as possible so that we can get as many courses as possible arranged.

1983 was a good year for peals – 149 being scored. My congratulations to first pealers: Helen Leeson, Kate Moore, Kathleen Bellman, David Bellman, Tanya Ellis, Tracey Connolly, Tom Stevenson, Joy Hammond, Ralph Earey, Dawn Earey, Kim Doggett, John Riley, David Webb, Richard Rapier, David Hughes, and Julie Burgess. First conductors were James Smith and Simon Curl. Anniversaries of first peals were also recorded – Janice Baldry (10th with the same band as the original), Ernest Pearse (50th.) and Leslie Brett (60th.) Other personal achievements are worthy of mention: Michael Whitby – 100th. for the Guild, Martin Thorley – 250th. as conductor for the Guild, Roger Peters – 250th. peal, Peter Archer – 250th. for the Guild, Simon Rudd, Alan Mayle and Michael Baldry – 300th. peal, Patricia Bailey – 350th. for the Guild and 400th. peal.

The best performances in multi-methods ringing must be the 42 methods/variations rung silent and non-conducted and of course the Doubles methods series which culminated via 114 and 133 in 151 methods. I cannot finish this section without mentioning The Grandfather's peal at St. Mary le Tower. Well done all those concerned.

Peal footnotes also indicate that a number of ringers have progressed to peals on higher numbers and of greater intricasies of method.

Quarter peal ringing continues to provide a lot of firsts. The annual Quarter Peal Week seems to be flourishing, helping beginners on to more advanced methods.

Although Guild membership has dropped slightly, recruitment seems to be on the increase. Hopefully this will continue and ultimately provide more members. The National Open Week has provided us directly or indirectly with new recruits. This year the Guild will be arranging its own Open Day and will hopefully attract further recruits.

I would like to conclude by thanking all the District Officers for the excellent work that they do and for the welcome I have received whilst travelling around the county.

Stephen D. Pettman.

SECRETARY'S REPORT

How pleasant it is to be able to write a report of 1983 (or any year for that matter) where much which is good has been happening in the Guild. It is particularly pleasing because it was the year of the Guild Diamond Anniversary which, if we count the A.G.M. as the start of the Guild Year, began with a well organised, well attended and very much enjoyed celebratory Dinner. Our thanks must go to Brian Whiting who led the team of members who organised this event.

The 1983 Annual General Meeting was held at Debenham and following the service in the lovely old church we held the tea and business meeting at the High School. Martin Thorley stepped down from the post of Guild Master and we must record our thanks for the time and effort which Martin gave to Guild affairs during his period of office. Members elected Stephen Pettman to succeed Martin. For several years Stephen has been 'knocking at the door' of this post and already he has shown that he is worthy of members' confidence. Not content taking on the Master's job he also entered into the state of matrimony just a few months later! That job does not come up for annual election but let us not be flippant for we are, I am sure, very happy for Elizabeth and Stephen and we offer our congratulations to them.

During the year some other tireless work reached fruition and many of us were delighted to attend re-dedication services on the occassions of augmentations and restorations at Euston, Offton and Harkstead. Particular thanks and congratulations must go to Henry and Winifred Ivings for their singular efforts at Euston. Offton now have a splendid light eight while Harkstead are now a delightful and useful six. Can we not look round to see where we can carry out some more useful restoration work?

Fresh ground was broken on two occassions with the introduction of new Guild events. An eight bell striking competition was run in conjunction with the well established six bell competition and details are recorded elsewhere in this Report. The Master organised a Guild outing in September and this idea really went well. It was also innovative in that members travelled by train to London and then walked between towers. Congratulations on a very well organised day - and it even made a profit.

The Management and other Committees met regularly to run the affairs of the Guild. It was pleasing to see new faces keen enough to shoulder the burdens of organisation for their Districts and to those who relinquished office we certainly owe our gratitude for service given. Unfortunately only two of your Council Representatives were able to go to Lichfield - Rev. L.R. Pizzey and Trevor Bailey - and a full report of that event was published, as always, in 'The Ringing World' earlier in the year. The Annual Meeting elected the Master, Stephen Pettman, and the Treasurer, Alan Smith, to join Rev. Pizzey and Trevor as our Council Representatives for the next three years. In my humble opinion this was a very wise move.

It is a very sad duty to have to record the untimely death of David Tovell. David had done stirling work establishing a band at Rusmere St. Andrew and was, I think, heading for election as a Guild Officer. He had been, prior to coming to Suffolk, Treasurer for the Essex Association. In a short time David achieved a great deal and was highly thought of. We must be very grateful that we had the privelege of knowing him and experiencing his enthusiasm. To Linda we offer our profound sympathy and we must do all we can to support her.

Throughout the year it was very encouraging to be able to visit District Meetings and often to witness the elections of lots of new members. Welcome to you all. How saddening to record a drop in membership numbers - where have all those members gone? I suspect they have just 'lost touch' with the Guild but equally I believe the Guild has not been up to the mark in keeping contact with these people at tower level. Do you personally

know an ex member? Could you not persuade them to re-join? Whilst thinking of membership, how many of your parish clergy or P.C.C.s are Associate Members? We used to have quite a number but not, it seems, any longer. Why not try to encourage them to support the work of the Guild? The Guild can offer them services and support too.

Finally, but by no means least, I would like to express my thanks to all members for their help, support and welcome given to Shirley and me both on our visits and during the whole year. Thank you also to my fellow Officers for their help and support during 1983.

J.L. Girt.

Technical Adviser's Report for 1983

During the Guild's Jubilee Year, it was pleasing to see the successful completion of the augmentation/restoration at Euston and Harkstead, along with the augmentation at Offton, all due to the enthusiasm and dedication of the ringers at these towers.

At Euston, the ring of five has been augmented to six and rehung in a two tier mild steel frame by the Whitechapel Foundry. The new frame has been positioned lower in the tower to reduce the stresses imposed on the structure when the bells are rung.

At Harkstead, the ring of five has been rehung in the original frame built by Bowell and Son in 1899, with the new sixth bell using the spare pit provided at that time. The frame has also been stiffened by the installation of vertical tie bolts. Unfortunately the tenor bell was found to be cracked in the crown after removal of the canons at the foundry and had to be recast.

The ring of six at Offton has been augmented to eight by Taylors, with two new treble bells cast in part from metal from the treble from St. Peter's Ipswich, dating from 1902.

During the year your adviser has carried out inspections at St. Mary's Newmarket, Earl Stonham, Tuddenham St. Martin, Fressingfield, Barrow, Great Livermere and Ingham.

At St. Mary's Newmarket, the spire has been reshingled and the clock bell rehung in a new bell turret. The bell frame and fittings are in need of repainting and the gudgeon pins are in need of an overhaul.

The ring of five at Earl Stonham remain quite easy to ring, but are in need of an overhaul. The wheels are very weak and of slender design and have suffered worm attack in the rims and spokes.

At Tuddenham St. Martin the ring of six remain in good going order, but require some maintenance work to be done and the replacement of the third's headstock.

Following the failure of the tenor's bearings at Fressingfield, a full inspection was made of the bells and frame. The bells were rehung with new fittings and the frame restored by Days in 1874. Since then very little work has been done on the bells and their fittings. The bells are now in need of a complete overhaul and require rehanging in a new frame, possible positioned lower in the tower.

The ring of five at Barrow go quite well, but there are excessive frame movements which make for some difficulties in handling, which can only be reduced by the installation of additional tie bolts through the frame and support beams to stiffen the whole structure.

At Great Livermere, the bells remain quite easy to ring but are in need of short term maintenance work. The bells were all rehung by Bullock at the turn of the century and overhauled by Bowell in 1929. The main cause for concern is the large amount of debris in the bell chamber which encourages general decay and woodworm.

The bells at Ingham have not been rung in recent years, but with some maintenance work could be brought back into reasonable order. There has been some concern over the state of the tower and the resulting movements when the bells are rung. As your adviser, it is my opinion, that the bells could be rung without endangering the structure and I will be pursuing the matter with the church architect.

Movements in the spiral staircase to the ringing chamber at Bardwell will require major reapirs to be carried out before any further ringing can be allowed.

At Saxmundham, eight anchors have been fitted to the bell frame and it is now firm within the tower with no relative horizontal movement.

The Index and Directory of Towers has been revised to include all four bell towers within the diocese, making the total number of towers 252. A summary table of the number of rings and their condition is also included. Please note that this table will not agree with other published data which is based on the County Boundary.

Ian Whitear.

MAINTENANCE OFFICER'S REPORT

During the year no doubt much work has continued to be done up and down the county to keep the bells in ringable order, but not much news of what has been done has been brought to the notice of the Maintenance Committee.

Three of the five bells at Dalham are now ringable thanks to the work of Dick Shippey and the Norman Tower ringers.

At Copdock the louvres are to be fitted with wire netting to prevent birds entering the bellchamber and the belfry is to be cleaned out.

Ropes have been spliced at Blythburgh.

Lavenham tenor clapper has recently broken.

It has been reported that Rumburgh bells have been put back into ringing order and a band is being trained.

The sound-proofing work at St. Peter's Sudbury is still to be finished.

Neville Whittell.

OBITUARIES

Rupert Bray - Stoke-by-Nayland

An enthusiastic member of the Stoke by Nayland band, Rupert was tragically killed at the age of 31 in an aircraft disaster in Nigeria last December. A merchant banker by profession he was on a flight to Enugh when the tragedy occured.

Jack Pilgrim - Aldeburgh

A much loved and respected founder member of the Guild, Jack died last February aged 82. Nobody loved his bells, his church or his fellow men more and he will be greatly missed.

A schoolmaster, keen Freemason and generous supporter of our work, Jack was a man of many talents and with his brother Roy a capable handbell ringer too. It was through his friendship with Benjamin Britten that we were able to provide handbells for the first production of that delightful opera, Noyes Fludde.

Leslie Rivers - Grundisburgh

Descended from the Rivers family at Sproughton, Leslie spent much of his life in Leicestershire. On his return to his native Suffolk in the 1960's he became a loyal member of the Grundisburgh band.

Frank Sterry - Earl Stonham

Frank was a contemporary of such men as Garnham Blaxcell, William Button, Harry Lister and Bob Lester and most of his ringing was done in the Stowmarket district. He had been a member of our Guild since 1938 and in his quiet unassuming way gave long and loyal support.

David Tovell - Rushmere St. Andrew

Sadly taken from us at the young age of 46 the Guild was stunned at such a loss. David, always supported by his wife Linda, was a very public-spirited man moving here from the Essex Association quickly responded to the new challenge of teaching a band for the restored six at Rushmere. In his usual style he gave the task one hundred per cent, the fruits of which are now to be seen.

The packed church of St. Andrew on the day of the funeral was a fitting tribute to his memory and contribution.

We also remember at this time, Arthur Peck, many years a ringer in the Woolpit area and the wives and families of all the above. Especially in our prayers as we go to press the further loss to Linda Tovell of her new born baby.

May they rest in peace.

LIST OF MEMBERS FOR 1983

Abbreviations of Ringing Times:
Su. Sunday: Mn. Morning: Ev. Evening:
PN Practice Night: Alt. Alternate.

NORTH EAST DISTRICT

Chairman:	Mrs. P. Bailey, 19 Kilbrack, Beccles. Tel. 715818.

INDEX AND DIRECTORY OF TOWERS

The following table is used to show the condition of the ring:

10 - Excellent, Ball bearings, modern frame and fittings.
9 - Excellent, Plain bearings, modern frame and fittings - or ball bearings in an old frame.
8 - Good going order.
7 - Fair going order.
6 - Poor going order.
5 - Ringable if cleaned up and odd fittings and ropes provided.
4 - Ringable with difficulty and a degree of risk after making odd repairs.
3 - Unringable mainly because of tower and/or frame arrangement and position.
2 - Unringable mainly because of frame and/or fittings.
1 - Hung dead.
0 - Some bells unhung on the ground.

While every effort has been made to ensure that the information given is accurate, the Technical Adviser would be very pleased to hear of any corrections.

AUDITOR'S REPORT TO THE MEMBERS OF THE SUFFOLK GUILD OF RINGERS FOR THE DIOCESE OF ST. EDMUNDSBURY AND IPSWICH.

I have audited the financial statements on pages 6 to 8. My audit was conducted in accordance with approved Auditing Standards. In my opinion the financial statements, which have been prepared under the historical cost convention, give a true and fair view of the Guild's affairs at 31st December 1984 and its surplus for the year then ended.

Dennis Bugg

Ipswich

Dennis Bugg
Chartered Accountant

TREASURER'S REPORT

This year has ways again been quite satisfactory from the financial viewpoint. The surplus on the General Fund for the year has been maintained at £100 despite the transfer of £50 to the Tattingstone Bell Fund; as a result the accumulated surplus continues to grow towards an adequate balance and we can perhaps now contemplate less frequent increases in subscriptions in the future.

Membership levels have declined by 12% and 10% in two Districts and increased by 7% and 16% in the other two Districts. Overall, membership numbers were static but we must continue to be vigilant in recruiting new members and retaining existing members. The uptake of covenants continues to be somewhat disappointing but I am planning a new campaign for later in the year to coincide with the need to renew a number of the initial covenants - more on this at a later date !

Donations have been made as usual to the Friends of the Cathedral, the Friends of St. Peter's Sudbury and the Suffolk Historic Churches Trust. The Guild's insurance policy continues to provide cover for third party liability for all members, the Guild's assets [handbells, shields, master's badge and library], and the personal accident cover for the members of the maintenance committee.

The sound proofing work at St Peter's Sudbury has been carried out this year and this and the fund raising efforts of members, to whom we are most grateful, are recorded in that account. Accounts have been included this year to show the Guild's special contributions to the work at Tattingstone and Edwardstone. A further new account has also been included this year for the Guild Library, where the librarian has sold a number of spare copies of old reports and the proceeds of these sales are being used to augment the Guild Library - this fund can finance augmentations as well as restorations, but only of the books.

Alan R. Smith,
Guild Treasurer,
12th February 1985.

Secretary's Report

For all of us 1984 must have had its 'ups and downs' but when I look back on the events of the year in an attempt to make a reasonable record of them in my Report I am again delighted to see so many positive things going on. Sadness and disappointments there have been - the losses of Imogen Holst and George Finch to mention but two - and we must not overlook such things but I feel that the most important items to be recorded are those which indicate progress within the Guild.

1984 was the 70th Anniversary of the Diocese and this was marked by special ringing on a number of occasions. The Cathedral was visited by the Archbishop of Canterbury on 23rd June and the Norman Tower bells were rung prior to the Service which was held in the open air. A week earlier Long Melford celebrated the 500th Anniversary of the church there and both the S.W. District and the Guild rang Quarter Peals before the Morning and Evening Services. At the end of the year (Boxing Day) the representative Guild band rang the first peal on the ten bells of St. Peter's, Sudbury after the completion by Charles Ablitt of the soundproofing work there. Incidentally, our thanks and congratulations must go to quite a number of people, especially in the South-West, for the massive fund raising efforts (including a concert by 'The Sound in Brass') which have paid for this work.

A well attended Annual Meeting was held at Hadleigh where the Service was taken by the Dean and an ample tea provided by the local ladies. Sylvia Pipe was accorded the double honour of being elected a Vice President and a Life Honorary Member. Maurice Rose presented the Guild with a magnificent pewter Chalice as an Eight Bell Striking Competition Trophy - a gift from his family in recognition of the happiness and comradeship which they had all received from the Exercise.

The historic six bells at Weybread were rededicated in April and Tattingstone finally obtained and hung their new treble with the dedication held in early December. The work of fund raising at Sproughton continues despite the setbacks experienced. Some early setbacks were also experienced at Edwardstone where it is hoped to launch a joint venture between the parish and the Guild to restore the six bells. Preliminary discussions have produced very encouraging results and Guild Officers are hoping that this new and exciting aspect of our work will eventually lead to the Guild being able to offer more positive help to other parishes anticipating restoration of their bells.

Other well established Annual events took place at their appropriate times. Your Treasurer was, at his first Council Meeting, elected to the Central Council Bell Restorations Funds Committee. The Guild Management Committee held their usual three meetings at Buxhall. The Training Day in October was judged to have been the best so far; Guild Striking Competitions were held at Blythburgh and Halesworth and the Master again organised an Open Towers Day (now to be re-named Public Relations Day) and another Guild Outing to London.

Activity at 'grass roots level' is increasing with quarter peals regularly being attempted by a number of towers while Practice Night activity is worthy of mention at Wilby, Saxmundham, Holbrook, Stratford St. Mary and Polstead. It is good to see the formation of new bands - why not try to offer them some support this year?

In conclusion my sincere thanks are due to my fellow Officers for their help and encouragement during the year and similarly I must also thank District Officers for their help. Special thanks are offered to all members for their welcoming smiles extended to Shirley and me when we have been to their various meetings. Happy ringing to you all in 1985.

J.L. Girt

Technical Adviser's Report for 1984

1984 has seen the restoration of the ring at Weybread completed and the augmentation of the bells at Tattingstone and Ringsfield. Work has started on the restoration at Sproughton with the bells currently at the foundry, whilst strengthening is carried out on the tower.

At Weybread the ring of six have been overhauled and rehung with new cast iron headstocks and ball bearings. Because of the unique nature of this ring, cast in 1897 by Moore, Holmes and Mackenzie, as much of the original fittings as possible have been retained.

The augmentation at Tattingstone to six has been achieved by the transfer of the former

treble at St. Mary's, Cricklade, Wilts; cast by Thomas Rudhall in 1779. The work of hanging the bell has been carried out using local voluntary labour.

At Ringsfield, the ring of three has been augmented to four, by the addition of a treble, cast and hung by Whitechapel Foundry.

During the year, your Adviser has carried out inspections at Framsden, Edwardstone, Ashbocking, Wickham Skeith and Fornham All Saints and visited Saxmundham to advise on weather proofing the bell chamber.

The tenor at Framsden has been rehung on ball bearings, following the failure of the gudgeon pin. The remaining bells are in quite good order, but are in need of an overhaul. They were last rehung by A. Bowell in 1914, who also recast the fourth bell at the same time.

At Edwardstone, the ring of six have not been rung in living memory and the present frame and fittings can never be used again for ringing in full circle. There is considerable local interest in restoring this ring of bells and a fund for that purpose has started.

The frame and fittings at Ashbocking have been painted by the local ringers and the installation is now generally in a very good condition.

At Wickham Skeith, the treble gudgeon pin has a lump missing, which will restrict ringing to the back five until the pin and deadstock are replaced. These bells were last rehung in 1892 by George Day and Son of Eye, since which time there appears to have been very little work carried out on them.

The ring of five at Fornham All Saints are in quite good order, the main cause for concern here being the tower. There are several major vertical cracks to the base of the tower, which means that it is effectively acting as three seperate structures. The situation is not helped by the lack of buttressess and the fact that four of the bells swing North/South, which is the weaker direction of the tower.

At Thrandeston, the bells remain in quite good order, though a leaking roof hatch cover has caused the north end of the fifths headstock to become rotten.

There are problems of decay to the frame at Stonham Aspal. The ten bells were rehung in 1884 by George Day and Son of Eye, at which time the northern part of the east side frame was found to be decayed. Remedial work carried out then has not arrested the decay and this has continued, such that some four feet of the bottom sill under the eighth bell has gone completely and three side-frame members dangle with no support at all.

Improvements have been made at Chevington by cleaning out all the debris in the bell chamber, replacing the thirds worm eaten slider and greasing the bearings. These improvements have allowed local people to be trained in order that the bells may be rung for Sunday Services.

Measurements of the horizontal rock at Mildenhall are verging on being unacceptably large and not good for the tower. The main cause of the problem is that both the ninth and tenor swing North/South, the weaker direction of the tower. In the short term the ninth bell can be rehung to swing East/West in order to reduce the movements. The longer term solution will require a reinforced concrete ring beam to be cast round and into the four walls with the bells rehung in a new properly designed frame, lower in the tower.

The need for a new strategy within the Guild towards bell restoration is again emphazised by the Summary at the end of the Directory of Towers. Whilst there are three less towers graded at or below five, there is an increase of five towers in the six/seven category. These are the vulnerable rings which will soon slip into the unringable range.

If we are to go any way towards arresting the problem, we have to be far more positive as a Guild in our outlook and thinking; be prepared to offer help to parishes as a package and be flexible in our approach.

Ian Whitear

Suffolk Guild Maintenance Officer's Report for 1984

During 1984 members of the maintenance committee carried out work at the following towers with local assistance in some cases:-

Ashbocking - Frame painted. Pulleys and tenor stay attended to.

Badingham - Ropes checked.

Barking - Bells oiled and checked. Ropes sleeved in the garter hole. Some ropes spliced.

Barrow - Clappers needed rebushing.

Baylham - Bells oiled and ropes checked. Some frame movement.

Chevington - Rubbish cleared out of bellchamber. A stay and slider have been replaced. Set of

second-hand ropes are to be fitted. Frame tightened up.
Helmingham - Missing step on ladder replaced.
Lavenham - Tenor clapper replaced.
Peasenhall - Tenor headstock replaced, but gudgeons out of alignment.
Polstead - Some work carried out on clappers.
Sudbury St. Peter - Sound-proofing work completed.
Theberton - Clappers tightened and new ropes fitted.
Wenhaston - Broken clapper staple replaced.
Winston - Rope maintenance carried out.
Yoxford - New ropes fitted and routine checks carried out.

Ringing Master's Report for 1984

1984 was a comparatively quiet year after the excitement of the Diamond Jubilee Year. However we had plenty of opportunity to celebrate the 70th Anniversary of the Diocese. There were many peals rung for theis, including some rare or first visitors to the peal lists.

The Guild outing in April was very well supported with ringing taking place at Stepney (10), Cubitt Town (8), Greenwich (10), Lewisham (8), Deptford (8) and Southwark Cathedral (12). Some 70 members and friends enjoyed a rather warm day. Another outing is planned for 20th April 1985, also to London.

The Guild striking competitions were as usual held in May, at Blythburgh and Halesworth. As in 1983, St. Mary-le-Tower won the 6 bell competition and The South East District won the 8 bell competition. It was good to see all four Districts and also an individual tower band enter the 8 bell competition.

This event seems now to be established following the donation of the excellent trophy by Maurice and Anita Rose. However I am still disappointed by the enty in the 6 bell competition. Gone are the days of 15+ tower teams. I hope bands are not being put off by St. Mary-le-Tower's recent good run in this competition, because it should be remembered that this band did not win at all during the first 15 years of the competition. So come on let us have a bumper entry at Gt. Barton.

June was the month of the Guild 'Open Day' with four towers being opened to the public in each district. Overall this event was a success although some towers had few visitors. I feel it is important that such events are well publicised locally - church magazine, parish notice boards etc. Another public relations exercise is planned for 29th June, 1985, but at the time of writing the exact towers have not been decided.

The training day in October was the success story of the year. Over 70 people attended at some stage during the day. Seven of the eight courses advertised were run. A good day was had by all. My sincere thanks to everybody who helped in any way but particualrly to Amanda Whiting. Hopefully 1985 will be even bigger and better.

165 peals were rung in 1984, another good year in terms of numbers. My congratulations to first pealers:- Janet Bailey, John Bonney, Richard, Bufton, Janet Butlin, Marie Eaton, Sarah England, Celia and Marie Hacker, Mary Halsall, Michael Rolf and Gordon Slack. First conductors were Andrew Fisk, Linda Tovell and Stephen Young. I cannot pass without mentioning Linda's peal at Rushmere in July, it was sponsored in aid of the Special Care Baby unit at Ipswich Hospital and demonstrates Linda's tremendous courage following her personal tragedies.

Personal achievements worthy of mention were:-
100th peal - Robin and Mary Allum, David Noy; 200th peal - Janice Baldry, Michael Whitby; 250th peal - Harry Archer, Roger Peters; 300th peal - Peter Archer; 350th peal - Alan Mayle; 400th peal - Simon Rudd; 450th peal - Peter Mayle; 600th peal - Trevor Bailey; 700th peal - George Pipe.
Peals for the Guild: 100th - Robin and Mary Allum, David Noy; 150th - John Girt; 200th - Alan Mayle; 300th - Peter Archer, Michael Baldry; 500th - Martin Thorley.
150th Suffolk Tower - Trevor Bailey; 200th Tower for a peal - Pat Bailey; 400th Suffolk Tower for a peal - Martin Thorley.

I cannot leave this section without mentioning Alan and Peter Mayles' 300th peal together, possibly the most father and son have rung together. No doubt I shall be corrected if this is not the case.

It is also pleasing to note that the first peal has been rung at St. Peter's Sudbury, following augmentation. Hopefully all districts will have the opportunity to ring peals there during 1985.

Peal footnotes also indicate that a number of ringers have progressed to peals on higher numbers and to methods of great intricacy.

Quarter peal ringing continues to be very popular and numerous firsts were scored during 1984. The Diocesan celebrations in June and the Guild Quarter Peal Week were significant in helping people to improve their ringing.

Our oldest surviving past Master, Leslie Brett, celebrated his 80th birthday this year. My congratulations and best wishes to him.

Finally I would like to thank all the district officers and Guild members for the hospitality I have been shown whilst travelling round the county to meetings and events. I hope they all continue their good work in 1985.

Stehpen D. Pettman

Peal Secretary's Report 1984

During the year 163 peals were recorded, the highest number since 1973. It is appropriate that such a figure should include 17 peals organised especially to mark the 70th anniversary of the Diocese, including a few rare towers to the peal columns.

First peals on the bells were rung at Dalham, Old Newton and Ringsfield, and the first peal since augmentation was rung a Harkstead and St. Peter's, Sudbury.

Welcome towers to the peal lists after a number of years absence include Haughley (56 yrs), Sudbury St. Peter (51 yrs), Hunston (31 yrs), Freckenham (25 yrs) and Long Melford (20+ yrs). At Newmarket All Saints, the first peal for the Guild was rung, this being only the second peal in over 70 years on the bells.

Peals worthy of individual mention are:-

Yorkshire Maximus at Ipswich, 5th May - first of Maximus by a regular Sunday Service and practice night band since 1939.

Plain Bob Royal at Beccles, 9th June - by members of the Sunday service band.

Rochester Maximus at Ipswich, 4th February - to mark the 50th anniversary of the first peal of Maximus in the method, (Ipswich 3rd February 1934).

Hasketon S. Major at Ipswich, 27th June - the first peal in the method.

Four peals of Stedman Doubles - a record number for the Guild. The peals included the first in the method on 5 bells for the Guild, and the first to be conducted by a lady ringer for the Guild.

Antelope Doubles at Benhall, 6th June - the first peal in the method for the Guild.

During the year the following peals were rung in the Diocese by other Societies, Guilds and Associations:-

MAXIMUS

DOUBLES

10 Mar	Acton	Essex A.	12 methods	C. Lamb
25 Apr	Badingham	Norwich D.A.	13 methods	J.M. Thorley
2 Jun	Badingham	Norwich D.A.	12 methods	J.M. Thorley
26 Nov	Blythburgh	Norwich D.A.	12 methods	J.M. Thorley
13 Dec	Badingham	Norwich D.A.	9 methods	J.M. Thorley

I would like to thank all those conductors who promptly settled their peal fees at the end of the year, but I would ask that, if possible, you pay during the year rather than a large 'one off' payment. It goes without saying that the sooner money is in the bank, the sooner the Guild will benefit, but in addition it is very easy to forget what one owes when 12 months have elapsed.

Finally, I hope that members will feel that the re-creation of this important job has been worthwhile and that it will remain a permanent position within the Guild. A number of new items have been introduced to the report this year, the Management Committee would welcome any comments you may like to make, or indeed, any new ideas.

Alan P. Mayle

OBITUARIES

The Right Reverend David Maddock M.A.

As a greatly loved Bishop of Dunwich, David Maddock served this Diocese from 1967-1976 and from 1976-1980 as Provost of the Cathedral. An enthusiastic supporter of our Guild he loved bells and had been involved in restorations in his native Dorset. Peals in his memory were rung at Dalham and Old Newton.

Arthur F. Ballam - West Stow

Arthur who would have been eighty in January was a founder member of our Guild. A loyal Sunday Service ringer he also served as a District Secretary. At home on Tower or Handbells Arthur loved good striking and was especially fond of his Grandsire Caters.

Thomas J. Brock - Kessingland

Lovable character was Tom, so much part of the North East scene and a keen ringer for both the N.D.A. and the Suffolk Guild. Many ringers from both counties attended his funeral at Kessingland, a tribute to his popularity. Tom rang 88 peals for the Guild.

John W. Crapnell - St. Margarets, Ipswich

Although not active for some years Jack was a regular ringer at both St. Margarets and Rushmere, following his father Charles and in turn teaching his son Dennis.

George Finch - Marlesford

Another Guild founder in 1923 and for twenty years before that an N.D.A. member, this wonderful Christian gentleman provided just about our last link with the 19th Century. How we miss George - his humour, generosity and humility - his presence at our meetings resplendent with red buttonhole; his fine bass voice; loved by young and old alike. Rejoicing with the Communion of Saints we rang and 'open' peal for him in his favourite methods, Double Court and Oxford, on his bells at Marlesford.

Imogen Holst - Aldeburgh

This great musician was not only a welcome Associate Member of our Guild but a great ambassador for ringing too. When interviewed for Desert Island Discs some years ago one of her eight records was Debenham Bells being rung to Bristol Surprise Major, a recording we made for the B.B.C. in the sixties.

Joseph Y. Parker - Mildenhall

Yorke Parker was an enthusiast, the sort of man it's always good to know! A quite remarkable pioneering engineer his name was legendary in the Fens.

He was not an advanced ringer but loved bells and the company of ringers. So keen was he in fact that he used to write to us in Australia in the fifties to learn what was happening in the art overseas. The Mildenhall and District ringers will greatly miss him.

Charles W. Roberts - Waltham Abbey

A Life Member, Charlie Roberts was one of the greatest ringers of all time. Composer and conductor, a thousand-pealer, at home anywhere in the circle on all numbers of bells, he was a member of William Pye's band with whom he rang many notable peals. He was also a fine musician and great listener of ringing too. A giant of the exercise.

Miss Ulla Simpson - Polstead

Ulla, sadly taken from us at the tender age of 21 lived her life to the full; involved in Guides, Community work, the local Youth Club as well as her ringing. Throughout her long illness her Christian faith never wavered - an inspiration and example to us. The local band at Polstead will miss her very much indeed.

Mrs. Madge Snowling and W. Muttitt - Blythburgh

These two good people were keen call change ringers at Holy Trinity in a church and area that needed their sort of support. One remembers the welcome and fine teas that were a feature of District meetings at Blythburgh.

Bert Smith - Hasketon

Bert belonged to the pre-war and immediate post-war Hasketon band whose conductor was Bill Sawyer. He and his brother Jim only rang on six but were fond of their College Exercise, Oxford and Woodbine.

Richard Thorpe - Stoke by Nayland

One of those quiet unassuming men; often the backbone of village and church life. Dick died in October at the age of 70. He had been a ringer at Stoke for many years and loved to hear his and other bells rung well - whether in call changes or in methods. Ringers in the area have lost a dear friend.

Norman Watson (N.R.L.M.) - Thetford

A tragic road accident has robbed the N.W. of our county of a fine man in only his middle years. Norman helped with ringing in towers like Elveden that so badly need support and we are grateful for his ringing amongst us.

We also remember Mrs. J. Bailey of Stratford St. Mary, Mrs. Violet (Dot) Button of Stonham Aspal and Mrs. C. Rodgers of Woolpit and any other relatives of our members.

May they rest in peace.

THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF ST. EDMUNDSBURY & IPSWICH

President: THE RIGHT REV. THE LORD BISHOP OF ST. EDMUNDSBURY & IPSWICH

BELFRY PRAYER

Lord, we thank you for the skills and opportunity you have given us to ring the bells in this place to your praise and glory. We ask that the sound of our bells may be a witness to your Good News for mankind, a summons to all who hear to worship in your house, and a comfort to those in need.

Bless the ringing that we do in your Name. Amen.

O Lord, open our lips.
Response: And our mouth shall proclaim Your Praise.

* * * * * * *

INDEX AND DIRECTORY OF TOWERS

The following table is used to show the condition of the ring:

10 - Excellent, Ball bearings, modern frame and fittings.
9 - Excellent, Plain bearings, modern frame and fittings - or ball bearings in an old frame.
8 - Good going order.
7 - Fair going order.
6 - Poor going order.
5 - Ringable if cleaned up and odd fittings and ropes provided.
4 - Ringable with difficulty and a degree of risk after making odd repairs.
3 - Unringable mainly because of tower and/or frame arrangement and position.
2 - Unringable mainly because of frame and/or fittings.
1 - Hung dead.
0 - Some bells unhung on the ground.

While every effort has been made to ensure that the information given is accurate, the Technical Adviser would be very pleased to hear of any corrections.

AUDITOR'S REPORT TO THE MEMBERS OF THE SUFFOLK GUILD OF RINGERS FOR THE DIOCESE OF ST. EDMUNDSBURY AND IPSWICH

I have audited the financial statements set out on pages 6 to 8 in accordance with approved auditing standards.

In my opinion the financial statements, which have been prepared under the historical cost convention, give a true and fair view of the Guild's affairs at 31st December 1985 and its surplus for the year then ended.

Dennis Bugg

Ipswich
1st March 1986

Dennis Bugg
Chartered Accountant

TREASURER'S REPORT

This year has ways again been quite satisfactory from the financial viewpoint. The surplus on the General Fund for the year increased to £210, there being no exceptional items, as a result the accumulated surplus has grown to an adequate balance and we can now contemplate some stability in subscriptions rates in the future.

Membership levels have declined by 11% and 9% in two Districts and increased by 4% and 17% in the other two Districts. Overall, membership numbers were static but we must continue to be vigilant in recruiting new members and retaining existing members.

Donations have been provided as usual to the Friends of the Cathedral, the Friends of St. Peter's Sudbury and the Suffolk Historic Churches Trust. The Guild's insurance policy continues to provide cover for third party liability for all members, the Guild's assets [handbells, shields, master's badge and library], and the personal accident cover for the members of the maintenance committee. The administrative etc expenses this year includes £46 for new receipt books.

This year has seen a record level of grants from the Restoration Fund which reflects the upsurge in interest in restoration in Suffolk. The uncommitted balance on the Fund of £860 is now very low (it has in fact all been committed at the February 1986 Committee Meeting), and if we are to continue to encourage restoration work consideration will need to be given to fund raising for the Restoration Fund.

Alan R. Smith,
Guild Treasurer,
6th March 1986.

Secretary's Report

When I wrote my Report for 1984 I was delighted to be able to write of positive and encouraging events which had taken place and again this year I am able to record further progress which has been achieved, often by hard and dedicated work, in different areas of the Guild.

Aldeburgh was the venue for the Annual Meeting where a good number of members attended the service and later sampled a sumptuous tea. Our thanks are in no small way due to our members there for the success of the meeting. Canon John Rutherford was elected a Life Honorary Member - we wish him well in his retirement - and Maurice Rose was elected a Vice-President. Management Committee Meetings have been held regularly. The clerk of the weather looked favourably upon us (as he always does) for Striking Competitions at Fornham St. Martin and Elveden (what a lovely setting!); the Guild Outing to London when a London Transport bus was hired to ferry us around; the Public Relations Day and the Training Day. All these events were again successfully arranged and provided enjoyable social gatherings for members.

At St. Peter's, Sudbury each District has now successfully completed a peal and the organisation of events at this tower has now been vested in a St. Peter's company with the Management Committee retaining the right to oversee the organisation. Restorations at Sproughton and St. Matthew, Ipswich, have been carried out and two more bells have been added at Kersey to augment that ring to eight.

Last year I wrote of hopes of beginning a joint venture between the Guild and the Parish to restore the bells at Edwardstone. There events have really snowballed with the amazing result that not only has almost all the money required been raised but also the bells will have been (by the time you read my Report, I hope) removed to the foundry. It is probable that they will be ringing by August - well before Christmas 1986 which was the date originally hoped for. After initial problems encountered in 1984 a similar success story appears to be breaking at Pettistree where, in December, a meeting was held to ascertain the feelings of the parishoners concerning a proposal to restore the bells. By the end of the meeting practically all the required funds had been raised or promised! A third joint venture is in the early stages of discussion at Horham where it now seems likely that at some time in the future that unique ring of eight will be ringable again and as I write this Report I have just received an enquiry asking what help and advice is available to assist the parish of Hoxne restore their bells. At long last we are being give the opportunity to help preserve and restore our heritage and to do it in a positive way. If you are asked to help these or maybe some other venture please give the request serious consideration - there must be some way in which you could help. At Edwardstone and Pettistree very valuable teaching assistance is being provided by bands at Kersey, Polstead, Bredfield and Wickham Market under the care of Neville Whittell, Eddie Hynard, Mike Pilgrim and others in their bands. Our thanks are certainly due to them for they are making it possible to have a band of ringers ready to receive the newly restored bells.

Almost at the end of the year - on Friday 13th December - our Chairman changed his allegiance from the North West District to the South West District. We wish him and his family every success in his new parishes.

Lastly, but by no means least, I again offer my sincere thanks to my fellow Officers for their hard work, help and support during the year and in a similar manner I extend my thanks to all the District Officers for their help. Thank you all, too, for your welcome where Shirley and I have been to meetings and events. Success and joyful ringing to you all in 1986.

John L. Girt.

Technical Advisers Report

1985 has been a very busy year for your Adviser, with inspections being carried out at Assington, Badwell Ash, Holbrook, Long Melford, Old Newton, Newmarket All Saints, Stoke by Clare, Stonham Aspal and Timworth; and the restoration of the rings at Sproughton, St Mary's Newmarket and St Matthew's Ipswich.

The ring of six at Sproughton have been rehung by Whites in a new wooden frame lower in the tower which has also been strengthened by a reinforced concrete ring beam. The fourth bell has been recast by the Whitechapel Bell Foundry whilst the fifth has been welded in the crown by Soundweld Ltd. The fitting of the clock chimes is outstanding, which when done, will see the completion of a very satisfactory restoration.

At St Mary's Newmarket, the four lighter bells have been rehung on ball bearings, the loose

gudgeon pin on the fifth replaced and the clappers refurbished.

The bells at St Matthews, Ipswich have been rehung in the existing Bowell frame, installed in 1903, with new fittings by Taylors of Loughborough.

The seventh's headstock at Henley developed a hairline crack on the underside near the gudgeon pin and has been replaced with a new one cast by Taylors and installed by the local ringers.

At Kersey the ring of six has been augmented to eight by the addition of two trebles cast by Taylors and installed by the local band together with the additional necessary framework.

The ring of five at Badwell Ash were last rehung in 1899 by Days of Eye. The fittings are generally in quite good condition, but in need of some maintenance work on them and a new set of ropes.

At Assington, movement of the frame means that the bells do not ring as well as they should. The six bells and fittings date from 1890 whilst the frame is older and originally held four bells.

The ring of eight bells at Long Melford was overhauled and rehung with new fittings in 1924 and remain in quite good order. The main cause for concern here is the unsafe clocking of the tenor from the ground floor, which could cause the bell to become cracked. The parish have been advised of the modifications necessary to ensure that the bell is clocked safely.

Work is proceeding on the restoration of the timber top to the tower at Stonham Aspal, but there are at present no plans for any major restoration work to the bells.

The six bells at Holbrook remain an easy peal to ring, but are in need of some maintenance work. The frame and fittings by Alfred Bowell date from 1907, are now badly rusted and in need of painting.

At Old Newton the condition of the bells has not changed substantially since 1961 when an inspection was made by Mr. R. Clouston. Since that time work has been done on the tower structure itself but some work will be necessary before the bells can all be rung full circle on a regular basis, including recasting or welding the cracked treble.

The ring of four at Timworth were rehung by G. Bullock of Ixworth in the late 19th Century. Generally the ring of bells is in quite fair condition but some short term work is required, much of which has been done prior to a recent peal.

There are no serious problems with the ring of six bells at Stoke by Clare. The 15th Century frame is a massive oak structure being some 6'4" tall and has areas of worm infestation which need treating so as not to weaken the overall structure.

Recent repair work to the top of the tower at All Saints Newmarket enabled the bells to be rung and measurements made of any movement across the vertical cracks further down the tower. The parish are keen to get the bells rung on a regular basis and this may be possible following some minor work on the fittings and replacement of four of the worst headstocks which have suffered worm attack.

At Lakenheath all ringing has had to cease due to widening of cracks in the tower.

In my report last year, mention was made of the need to develop a new strategy within the Guild towards bell restoration. With this in mind the Guild has been assisting with the proposed restoration at Edwardstone which should come to a successful conclusion in 1986.

A further proposed restoration is at Pettistree where the ring of six have not been heard since 1945. The parish are aiming to complete the project by Christmas 1986.

From the summary at the end of the Directory of Towers it can be seen that the number of towers in the five and below category has been increased by two. This is reflected partly in the decrease by four in the six/seven category with the restorations at Sproughton, St Matthew's Ipswich and St Mary's Newmarket also contributing to the reduction in this category.

Ian Whitear.

Suffolk Guild Maintenance Officer's Report

The Maintenance Committee held its usual three meetings during the year and matters reported to it included the following:-

Aldeburgh - Wire netting over the louvres had been replaced after storm damage.

Coddenham - Bells checked over prior to a peal attempt.

Clopton - Bells were checked over after a request for a peal attempt but it was found that the top of the frame moved and hit the tower walls when the bells were being rung.

Debenham - Seventh clapper retaining bolt had been replaced.

Little Glemham - General maintenance carried out.

Harkstead - Wire over louvres checked.

Hintlesham - Some work done to prevent treble slider jumping out and advice given to cure the problem permanently.
Holbrook - New stays fitted and frame to be painted.
Hollesley - Stays loose and difficult to tighten due to design of headstocks.
Huntingfield - New slider fitted.
Iken - New rope fitted and general maintenance carried out.
Ipswich - St. Lawrence - Straps on the fourth headstock replaced and the third wheel repaired and the tower generally cleaned out.
Ipswich - St. Mary at Quay- Tower cleaned up.
Leiston - The front six bells have been fitted with new ropes.
Long Melford - One of the bells was being unsafely clocked and the Technical Adviser had suggested an alternative arrangement. The stay on the second bell was far too large.
Polstead - Frame had been painted by the local ringers.
Rumburgh - Ropes checked and a replacement wheel (ex Sproughton) fitted.
Stratford St. Mary - During a quarter peal attempt one of the treble gudgeon pins broke causing extensive damage to the wheel (the remaining one was subsequently found to have been cracked for some time). Both were replaced with metal of a higher specification. Charles Ablitt repaired the broken wheel and the bell was rehung by the local ringers.
Stoke by Nayland - The Kersey ringers assisted by members of the Essex Association refitted the tenor clapper. A new set of ropes had been ordered. Pigeons have now been excluded from the tower and the steps up to the bellchamber and tower roof have been cleared of debris.
Winston - Headstocks tightened up and a clapper had been repaired.

N.F. Whittell

Ringing Master's Report for 1985

1985 was the year in which we saw the Guild taking a more active part in bell restorations. There have been several meetings at Edwardstone involving the local people and your Guild and District Officers, culminating, shortly before Christmas, with the news that all the money has now been raised. A splendid effort by all the locals, spearheaded by Sarah Titford and Maureen Palmer. However I am pleased to report that the Guild has also played a significant part in this venture, particularly with regard to training a band of ringers for Edwardstone. There are now enough Edwardstone ringers to ring the bells when they are returned and rededicated. We should be grateful to Eddie Hynard, Neville Whittell, Nick Wade and other members of the S.W. district for making this possible.

The Guild Officers have also been to meetings at Pettistree and Horham to offer our services. In the case of the former, it would appear that finance is not a problem but there is more concern about who is going to ring the bells. Hopefully the Guild will be able to assist. At Horham it is too early to give any definite news, but it looks possible that this historic ring may soon be restored.

Although 1985 may turn out to be a freak year in terms of new restorations being launched, perhaps now is the time to consider schemes for increasing the size of the bell restoration fund, so that we can continue to offer realistic grants. It is all very well the Guild trying to stimulate interest in some of our 'unringables' but we must also be financially viable. I have some ideas on this point which I hope to sound out with other members before the A.G.M.

Guild events during 1985 were reasonably well supported. In April approximately 70 members participated in the Guild outing to London. Ringing took place at the following towers (all rings of 8):- Holy Trinity, Wandsworth; Wimbledon; Putney; Clapham Common and St. George, Southwark. Another Guild outing is planned for 19th April 1986, again in London.

The Guild Striking Competitions were finally held at Fornham, St. Martin and Elveden following unprecedented problems with the towers originally selected by the district. St. Mary-le-Tower this year won both competitions. It is hoped that the proposed certificates will be available for presentation to the first six teams in the six bell competition in 1986. Again I would urge more towers to compete in what should be a very enjoyable and educational day.

The Guild Public Relations Day was held at the end of June. The format was similar to 1984 and was successful. It is proposed to limit 1986's activities to two centres:- Bury St. Edmunds and Ipswich during August. A rather different type of event is planned this year with the emphasis on exhibitions rather than practical displays.

The Training Day again proved to be highly successful. Eight courses were offered but only six

were actually run on the day due to lack of applications for the other two. In the evening many members enjoyed playing with the computer programmes available. The 1986 Training Day will again be held in October but I would be pleased to hear of any possible alternative venues in Mid Suffolk as it is unlikely that we shall be able to go to Stowupland again.

1985 seems again to have been a good year for peals, although at the time of writing I do not know the exact number rung, as they have not all yet been published.

My congratulations go to the following who rang their first peals during 1985:- David Barnard, Graham Bowles, Annie Clark, Rorie Dempster, Samantha Hacker, Elizabeth LeGrove, Kenneth Odam, Robert Orriss, Anna Simpson, Hilary Talbot, Elizabeth Tomkin, Andrew Thompson, James Watts and Hazel White.

During 1985 Maria Hacker conducted her first peal. Well done to her but it is a shame more people did not have a go. Another conductors course looks a must at the next Training Day.

Personal peal milestones reached include:-
Robin Allum (150) Trevor Hughes (150) Michael Whitby (250) Michael Baldry (350) Alan Mayle (400) Simon Rudd (450) Patricia Bailey (500) and John Loveless (1000).

During the year Harry Archer rang his 250th peal for the Guild and George Pipe his 500th.

Three husbands and wives achieved milestones together: Robin and Mary Allum (150), Michael and Janice Baldry (200) and Trevor and Pat Bailey (300). The latter being particularly interesting as they jointly conducted the peal.

Sylvia Pipe scored her 100th on Grundisburgh bells which also commemorated her 50 years as a ringer.

Martin Thorley achieved two interesting personal performances 300th as conductor for the Guild and also having rung peals on the 366 calendar days of the year.

I cannot leave this section on peals of note without mentioning the peal at Polstead which included five first pealers and Eddie Hynard. Well done all.

Footnotes to other peals indicate that a considerable number of ringers have progressed to peals on higher numbers and to methods of greater intricacy.

I am pleased to report that all four districts were successful with peals at St. Peters, Sudbury during 1985. I am arranging for six peals in 1986 to include two bands from other associations/ guilds. After that it is hoped that the local band will deal with all future arrangements.

Quarter peal ringing has again been popular and the Guild week was again successful.

This year for the first time, St Mary-le-Tower entered a band in the national twelve bell striking competition. Although not qualifying for the final, I am relieved to report that the band finished higher than Norwich.

I would like to take this opportunity of thanking all district officers for their work during 1985, and I wish them and any new officers a successful 1986. I would also like to thank all members for their hospitality and welcome during my visits around the county.

Stephen D. Pettman

Peal Secretary's Report

During the year 152 peals were rung for the guild, a good total when you consider the peak reached last year. It is interesting to note that quite a few peals have been rung outside of Suffolk and in a great many different methods on all numbers of bells.

First peals on the bells have been rung at Ampton, Timworth and Wattisfield; and the first peal since augmentation at Tattingstone. A few towers have appeared in the peal columns after varying lengths of absence, including Coddenham where the last peal was rang in 1939.

Towers and Peals worthy of individual mention are:

BENHALL
- 1st peal of Doubles spliced with Minor to be rung for the Guild.

BURY ST EDMUNDS
- Beodericsworth S. Royal - 1st peal in the method, 9th November.

IPSWICH - St. Mary Le Tower
- 1st peal of Lincolnshire Maximus to be rung in Suffolk.
- 1st peal of Superlative Maximus for the Guild since 1939.
- (both by Sunday Service Band)
- Peal to mark the centenary of the 1st peal of Double Norwich to be rung in Suffolk- 17th February 1885

Ipswich - St. Mary-le-Tower contd.

- 1st peal of Erin to be rung for the Guild (containing 342 calls)
- Peal of Grandsire Triples on the 'back 8' to mark the 250th anniversary of the first peal on the bells, December 1735.

POLSTEAD (11th May)

- First peal by an all Polstead band, and 1st peal (at 1st attempt) by five of the band.

SAXMUNDHAM

- 42 different extents of Grandsire Doubles 4th May - 456 calls.
- Peal by Sunday Service Band - 10th November

SUDBURY St Peter

- First of Royal and Surprise on the bells.

SUDBURY St. Gregory

- Peal of Grandsire Triples to mark the centenary of the first peal of Grandsire to be rung in Sudbury - 17th November

Peals were rung in the Diocese by the following Guilds/Associations :

CINQUES

TRIPLES

12 Jan	Elvedon	Norwich D.A.	Plain Bob	J.M. Thorley

MINOR

29 Mar	Harkstead	Non-Assoc.	Cambridge	A.D. Higson
3 Nov	Redgrave	Norwich D.A.	Plain Bob	H.B. Fuller
9 Nov	Nayland	Essex Assoc.	7 Methods	B.W. Fairhead

I would like to acknowledge the effort made during the year to pay peal fees in instalments during the 12 months, rather than a one off payment, please keep this up. However I must remind some conductors to submit compositions used in peals of triples or above, or else quote a recognised reference, e.g. Composition 500. This will make the collation of compositions for the report much more straight forward.

Alan P. Mayle

OBITUARIES FOR 1985

Leonard P Bailey - Leiston

Len was the last survivor of that truly remarkable family, the Bailey Brothers. There were eleven of them, ten of whom were ringers and he was the third youngest. At the great age of 95 he was a link with the last century and fascinating were his accounts of the Leiston scene, both in ringing and of course of Garretts, the engineering company where the brothers worked. Despite the fact that the height of their performances was in the days of the N.D.A., the Baileys strongly supported the formation of the Suffolk Guild.

Mrs N.V.A.M. Bittleston - St Mary le Tower

This gracious lady was an Associate member of the Tower and very proud of her membership. Avril Bittleston gave the third when the bells were recast in 1975 and always vowed she could hear it on Sunday mornings. Despite a long illness she nevertheless always enquired after belfry matters.

F. Charles Goodman - Norfolk

Charlie Goodman died at the age of 83 at Aylsham. A lovely person with a dry Norfolk wit, as a life member he used to enjoy Suffolk ringing and meetings and we, his company. Charles was happy ringing on any number with the beginner or the proficient; a sad loss indeed.

Roland C. Peck - Benhall

The Guild was sad at Roly's passing in middle age and a packed church at his funeral was testimony to his popularity. He was mainly a six bell ringer - always happy to help teach the Art. The Royal Humane Society gave him a Rescue Award for an unsung act of bravery.

Leonard Stillwell - Sussex

A gentleman of the exercise, Len was a life member of our Guild and died at the age of 95. What a ringing life he had; over 1000 peals but always in the service of others. He toured Suffolk in 1954 and became fond of our county. Of his many achievements one of which he was very proud was membership of the band that rings for royal events at the Windsor Castle campanile.

Samuel J. Twitchett - Clare

A large congregation in the great Parish Church at his funeral, and tributes in the Ringing World, emphasised the esteem in which Sam was held. His sometimes blunt and forthright manner hid a generous heart and a warm demeanour. Sam's priorities were his God, his family, Clare and other ringers in that order! A great character, supporter and striker of bells, his place will be hard to fill. He was a teacher of ringing, chorister too, but above all he was 'Sam'.

We also remember any relatives of our members
May they rest in peace.

EVERY RINGER SHOULD READ IT

THE RINGING WORLD

The Bellringers Own Weekly Newspaper

Contains:

News of all the happenings in the ringing exercise
Reports and notices of meetings and outings
Technical articles for ringers at all levels of competence
Peals and Quarter Peals
and lots of interesting articles

The continued existence of Ringing World is of paramount importance to the exercise.

FOR THE DIOCESE OF ST. EDMUNDSBURY & IPSWICH

President: THE RIGHT REV. THE LORD BISHOP OF ST. EDMUNDSBURY & IPSWICH

BELFRY PRAYER

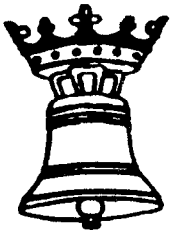

Lord, we thank you for the skills and opportunity you have given us to ring the bells in this place to your praise and glory. We ask that the sound of our bells may be a witness to your Good News for mankind, a summons to all who hear to worship in your house, and a comfort to those in need.

Bless the ringing that we do in your Name. Amen.

O Lord, open our lips.

Response: And our mouth shall proclaim Your Praise.

Guild Maintenance Officer, Technical Adviser and two representatives from each District.

INDEX AND DIRECTORY OF TOWERS

The following table is used to show the condition of the ring:

10 - Excellent, Ball bearings, modern frame and fittings.
9 - Excellent, Plain bearings, modern frame and fittings - or ball bearings in an old frame.
8 - Good going order.
7 - Fair going order.
6 - Poor going order.
5 - Ringable if cleaned up and odd fittings and ropes provided.
4 - Ringable with difficulty and a degree of risk after making odd repairs.
3 - Unringable mainly because of tower and/or frame arrangement and position.
2 - Unringable mainly because of frame and/or fittings.
1 - Hung dead.
0 - Some bells unhung on the ground.

While every effort has been made to ensure that the information given is accurate, the Technical Adviser would be very pleased to hear of any corrections.

Secretary's Report

It is with considerable pleasure that I am again able to report a year of consolidation and progress in our Guild. As the years pass it becomes increasingly obvious that although we are not right at the forefront of national events within the Exercise we are, nevertheless, amongst the leaders. The remarkable achievements reported last year at Edwardstone and Pettistree came to full fruition in 1986. They were reported by national radio and press and the leadership and enterprise of those responsible - particularly Sarah Titford and Albert Webster - must be recorded. A band was taught under the guidance of Mike Whitby so that the parishioners of Pettistree could hear their bells again at Christmas and while others of last year's projected restorations have not yet materialised there are signs of increasing activity.

The growing numbers of new faces which appear at meetings augurs well for the future and we must do our utmost to encourage and help others to increase their ringing knowledge and skills. We can all help in some way and the Recruitment and Training Committee are hoping to expand their activities beyond those of the annual Training Day. I understand that in this field of activity our Guild was not found lacking when some members attended a training seminar run by the Central Council at Northampton during last autumn. We can review the year with pride but let us not become complacent for much needs to be done in terms of fund raising for restoration work, in teaching and indeed in maintaining and improving our standards, the last of which is constantly a problem for each of us to seek to solve.

The Annual Meeting was held at Exning where attendance was a little lower than previous years and where a splendid welcome was extended to us by the North West District. I look forward to a good response from members to the invitation from the South East District to visit Grundisburgh in 1987. At Exning all the Vice-Presidents and Officers, together with the Council Representatives for 1987-89, were re-elected with the execption of the Librarian, Mrs. Stevenson, who left Suffolk during the summer of 1986. Mrs. H. Leeson was elected to this Office. Since the last Annual Meeting the new Bishop of the Diocese - The Right Reverend John Dennis, M.A. - has been pleased to accept the Presidency of the Guild. He is, as many will know, a ringer himself and is thus well aware of the workings of a ringer's Guild.

Other Guild events were held as indicated by the calendar and once again they provided enjoyable social contacts as well as achieving their primary aims. In 1987 there will be some changes to dates and events so please consult the calendar published at the beginning of the Report book. The Management Committee and its sub-committees held their usual meetings and members should note that at Grundisburgh some rule changes will be proposed and details of these have already been published in the Newsletter.

My thanks are extended to all members of the Guild for the way in which you enthusiastically tackle the daily problems of running a tower or the Guild. I and my fellow officers are grateful for your help and support and we particularly thank the various District Officers for the part they play in our Guild. Without you all there would be no Guild and that would be a very sad thing to happen. Welcome to the new District Officers and thank you for accepting the challenge of the added responsibility you now carry. I know you will receive support and help from members. Finally, thank you all for the very pleasant welcome extended to both Shirley and I as we have been to events in the Districts. Let us go into 1987 resolved to achieve even more than last year. Happy ringing to you all.

John L Girt

Technical Adviser's Report

Without a doubt the highlights of 1986 have been the restoration of the bells at Edwardstone and Pettistree, due, in no small part, to the drive and enthusiasm of the respective parishes where the bells have remained silent for many years.

At Edwardstone the six bells, which have not been rung in living memory, were removed from the tower in May and the five smaller bells sent to the foundry. There the bells were tuned and a new tenor cast to replace the original tenor, which is listed for preservation and has a large section missing from the lip. The bells have been rehung in a new cast-iron frame lower in the tower with new fittings by John Taylor & Co. of Loughborough, with the assistance of copious voluntary labour.

The six bells at Pettistree have not been rung since 1945. Here the old frame has been replaced with a new H frame lower in the tower, accommodating the five larger bells, with a lowside frame above for the treble. The bells have all been rehung with new fittings by John Taylor & Co. and were rededicated on the 14th December by the Bishop of St. Edmundsbury and Ipswich. At the time of

writing this report, there is some outstanding work, the main item being the installation of a floor below the bellframe, which is programmed to be done in January 1987.

At Sproughton the clock chimes have been fitted thus completing the restoration work here, whilst at Debenham the clappers have been rebushed, a new staple fitted to the seventh, new pulleys provided for the five larger bells and the bearings repacked on the 2nd, 3rd and tenor.

The gudgeon pins on the 4th and 7th bells at Grundisburgh have been replaced as has that on the 2nd at Bredfield following the discovery that one of them was broken.

At Stonham Aspal the ring of ten are now once more ringable following restoration of the tower and some strengthening of the frame where decay has weakened the lower external cills.

During 1986, inspections have also been carried out at Hoxne, Shimpling, St. Margaret's, Ipswich, Gt. Finborough, Dalham and Boxford.

At Hoxne the ring of five hang in a frame dating from the 16th Century or even earlier and will require rehanging in a new frame lower in the tower. The parish are proposing to restore this ring of bells in the near future and have set up a committee to raise the necessary funds.

At Shimpling an inspection was carried out following a request by the parish, but the condition of the frame and fittings means that a full restoration will be required before the bells are rung again, which at present is beyond the capacity of this small parish.

Whilst strengthening work has been carried out on the tower of St. Margaret's, Ipswich, an inspection of the main beams supporting the bell frame revealed that there was insufficient restraint to these beams at their ends where they are built into the walls. This reduces the ability of the beams to resist the torsional forces imposed by the bells when rung in full circle and may contribute to some of the handling difficulties of the tenor.

The cast-iron frame at Gt. Finborough is in need of repainting but generally the bells go well and just require more regular maintenance than they have received in recent years.

At Dalham measurements were taken of the frame movement whilst the bells were rung singly. These measurements showed that, whilst the movements were not excessive the frame is not strong enough to rehang the bells in, in the longer term.

The bells at Boxford will require to be rehung in a new frame lower in the tower before thay can be rung again in full circle. Strengthening work in the form of concrete ring beams will also be required since there are several longitudinal cracks in the middle and upper sections of the tower. There is now local interest in carrying out a restoration of this historic ring which contains three pre-reformation bells and a tenor reputed to weigh 22 cwt.

At Stansfield strengthening work has been carried out on the tower. Some work has also been done to clear the debris, clean up the fittings and rope the fourth bell on the opposite side of the wheel to reduce the horizontal thrusts when the bells are rung in rounds. It is hoped that this will enable the bells to be rung occasionally for major festivals.

Some maintenance work has been carried out at Gt. Glemham and one of the old Pettistree wheels fitted to the third, enabling the bells to be rung on special occasions.

At Rougham ringing has moved 'upstairs' with the installation of a gallery just below the cill of the west window.

From the summary at the end of the Directory of Towers, it can be seen that there has been a small improvement in the number of towers in the ringable category, i.e. in category six or above. However, there is still much to do before the percentage of unringables is substantially reduced.

Ian Whitear

Suffolk Guild Maintenance Officer's Report

Nineteen eighty-six has been an active year on the maintenance front. The usual three meetings have been held and the following work was carried out by local ringers and members of the committee.

Badwelll Ash - The rope guides and ceiling bosses have been rebored to take out rope grooves and a new set of ropes have been fitted.

Barking - The frame has been painted by the local ringers.

Benhall - General maintenance work has been carried out.

Covehithe - As reported in the Ringing World, work had been carried out to the rope guides and general oiling of fittings.

Debenham - Assistance was given to the bellhanger when the bearings were cleaned and regreased, the clappers rebushed and the pulley blocks refurbished.

Edwardstone - The General Secretary, committee members and ringers from the area helped the bell hanger with the removal and rehanging of the bells.

Grundisburgh - Local ringers removed two headstocks so that they could be returned to the bell foundry for the fitting of new gudgeon pins and refitted them on their return.
Hacheston - The frame and bells where checked and made safe so the treble and second bells could be chimed for services.
Henley - The fifth bell has received attention and now is evenly struck.
Higham - New ropes have been purchased.
Hintlesham - The clock weights have been made safe by the installation of a wooden case.
Horringer - The broken gudgeon pin on the third bell has been repaired and some maintenance work has been carried out on the other bells.
Ipswich, St. Stephen - These bells were rung again following work carried out by the Sproughton ringers.
Kersey - The bell frame has been painted by the local ringers.
Nayland - The fifth clapper has been rebushed.
Stoke-by-Nayland - Four clapper lubricators have been replaced and the cracked tenor clapper has been welded. The tower has been cleaned out and work on painting the frame has been started. A new set of ropes have been fitted.
Wrentham - The fourth bell has been giving trouble and this problem is being investigated.
Yoxford - General maintenance work has been carried out.

Neville Whittell

Ringing Master's Report

I started my last report with a degree of excitement about Guild restoration projects, 1986 has seen the completion of two important restorations - Edwardstone and Pettistree. Both have been achieved in a very short space of time, both have their own bands ringing regularly for divine service. 1987 could well be equally exciting with Horham, Hoxne and more recently Boxford now looking encouraging.

Turning now to more routine matters, I wish to place on record other successful Guild events during 1986.

The Guild outing in April was again well attended, London Transport excelled themselves this year by producing a 1959 Routemaster in immaculate condition. Towers visited were Bethnal Green (8), St. John at Hackney (8), St. John of Jerusalem, Hackney (8), Islington (6) and Shoreditch (12). The most interesting tower being Islington where it was not possible to have more than about ten ringers in the ringing chamber at any one time (an interesting climb made organisation even worse) yet everybody who wanted to had a ring.

The striking competitions were held at Bramford and Offton respectively. St. Mary-le-Tower won the six bell competition and the S.E. District won the eight bell competition.

The exhibition at Bury Et. Edmunds was very successful, over 150 members of the public took advantage of visiting the Norman Tower and viewing the static exhibition. My thanks to Jim and Janet Stannard and other local ringers for manning the tower.

The Guild training day was held in November and was enjoyed by over 100 members. The eight courses offered were all presented, although one turned out to be rather more tutorial than a course. The inter-district quiz in the evening provided much amusement and tension with the N.W. District emerging as winners after the final round. The training day in 1987 will take place in Septemeber to allow time for students to put into practice their knowledge during Guild Quarter Peal week.

The peal total for 1986 is likely, as I write,to be in the region of 150. Another good year in terms of numbers but again there is a predominance of doubles M/V. Perhaps 1987 will include more methods and less variations. There must come a time soon when we need to question the economics of publishing these peals in full format.

First pealers at the time of writing include:- Julie Anderson, Tim Barber, Sharon Baker, Audrey Barker, Dennis Bugg, Daniel Bye, Norma Bye, Helen Christian, David Doggett, Nicole Harris, Stan Harris, Robert Howe, David Lugg, Mervyn Scase, Mandy Shedden, George Whittell and Katherine Whittell.

Personal milestones have as usual been achieved notably:-
50th peal - Owen Claxton, Jim Hollins, Andrew Fisk : 100th peal - Amanda Whiting : 150th peal - James Smith : 350th peal - Peter Archer : 500th peal - Peter Mayle (400th on Tower bells) : 550th peal - Pat Bailey.

Peals for the Guild - 100th -Norman Cossey, Frank Arnold, David Salter : 150th - Robin Allum : 250th - Alan Mayle : 450th Pat Bailey : 600th - Martin Thorley.

100th Suffolk Tower as conductor - Trevor Bailey; 350th for Guild as conductor - Martin Thorley

It is also interesting to note that Alan and Peter Mayle rang their 350th peal together as did Pat and Trevor Bailey.

My congratulations to all first pealers and those who have reached milestones. My apologies to any that I have missed.

Four peals are particularly worthy of note:- Stowlangtoft - 20th anniversary of the first peal on the bells and indeed the first peal of minimus rung for the Guild.
Preston - First peal of surprise by four of the band in three methods.
Kersey - First peal since augmentation, rung by a Sunday Service Band.
Ipswich St. Mary-le-Tower-Peal of Bristol Surprise Maximus rung by a practice night band.

It is particularly true this year that more ringers have advanced their pealringing by ringing either peals in more methods and/or a greater number of bells.

Quarter peals continue to help ringers advance. Several firsts were scored during quarter peal week but not as many as in the past, I feel. Hopefully with the Guild Training Day before the Quarter peal week 1987 more firsts will be scored.

Ipswich St. Mary le Tower competed again in the national 12 bell competition in 1986. The team finished 3rd in their qualifying heat, one place off qualifying for the final, behind the College Youths and Bristol Perhaps 1987 will be the year.

In concluding I would again like to convey my thanks to all district officers for their work during 1986, both for their work and their hospitality. I wish new officers a successful 1987.

One final message from me - I started this report by mentioning the restorations at Edwardstone and Pettistree and the coming restorations. If we are to make any inroads into reducing the number of our unringables and still offer realistic grants the time has come for all of us to start contributing a more realistic amount. Therefore I urge you all to support the "Friends of Suffolk Bells" and ensure a good future for all ringers in this county.

Stephen D. Pettman

Peal Secretary's Report

During the year 149 peals were rung for the Guild (up to the time of going to press) giving an average number of 155 peals per year over the last five years - a remarkable figure. Of the 1986 peals 13 were rung outside the Diocese including peals rung at Lincoln Cathedral, St. Clement Danes (London) and St. Peter's Mancroft (Norwich).

During the year twenty-six peals were rung in the Diocese by other Societies, Guilds and Associations:-

15 Feb	Sudbury St Peter	Essex Assoc.	Yorkshire S. Royal	S.A. Waters
1 Mar	Stutton	Essex. Assoc.	Minor 7m	A.C. Malton
2 Mar	Long Melford	Essex Assoc.	Bristol S. Major	A.C.Malton
8 Apr	Euston	Lancs. Assoc.	Minor:2m	K.M. Price
8 Apr	Horringer	Lancs Assoc.	Grandsire Triples	K.M. Price
10 Apr	Hopton	Lancs. Assoc.	Plain Bob Minor	K.M. Price
10 Apr	Eriswell	Lancs. Assoc.	Doubles:102m/v	K.M. Price
3 May	Elveden	Essex Assoc.	Double Norwich C.B. Major	H.J. Millatt
5 May	Ipswich	London County Ass.	Stedman Cinques	N.W.M. Simon
10 May	Wickham Market	Essex Assoc.	S. Minor:11m	A.C. Malton
28 Jun	Bury St. Edmunds	Ely D. Assoc.	London (No.3) S. Royal	J.P. Loveless
5 Jul	Grundisburgh	Ely D. Assoc.	Bristol S. Royal	G. Davis
5 Jul	Beccles	College Youths	Cambridge S. Royal	J.B. Pickup
6 Jul	Long Melford	Essex Assoc.	Bristol S. Major	A.C. Malton
2 Aug	Bury St. Edmunds	Lancs Assoc.	Grandsire Caters	K.M. Price
5 Aug	Redgrave	Lancs Assoc.	S. Minor:3m	K.M. Price
18 Aug	Oakley	Norwich D.A.	Minor: 8m	J.M. Thorley
18 Aug	Theberton	Norwich D.A.	S. Minor: 4m	A.P. Mayle
23 Aug	Grundisburgh	Leeds U. Society	Yorkshire S. Royal	G.J. Audley
23 Aug	Grundisburgh	Yorkshire Assoc.	Yorkshire S. Royal	J. Robinson
13 Sep	Mildenhall	Ely D.Assoc.	Plain Bob Royal	K.J. Skillings
28 Sep	Redgrave	Norwich D.A.	Plain Bob Minor	M.J. Rose
4 Oct	Sudbury St Peter	Lincs. Guild	London (No.3) S. Royal	M. Maughan
15 Nov	Grundisburgh	Cumberland Youths	S. Minor: 3m	S.A. Rudd
20 Nov	Lavenham	College Youths	Stedman Triples (rung silent & unconducted)	
13 Dec	Elevdon	Ely D. Assoc.	London S. Major	J.P. Loveless

First peals have been rung on the bells at Gt. Glemham and Edwardstone; first peals since augmentation were rung at Kersey and first peals since restoration were rung at Ipswich St. Matthew, Newmarket St. Mary, and Sproughton. A peal was rung at Stowlangtoft exactly twenty years after the first, and was the second peal on the bells.

Peals worthy of individual mention are:

BARKING
12 April - 143 m/v, *Doubles : most m/v for the Guild.*
FRESSINGFIELD
25th January - Fressingfield S. Major : 1st peal in the method.
HASKETON
6 December - Hasketon S. Minor :: 1st peal in the method.
IPSWICH - St. Mary le Tower
13 December - Albanian S. Maximus : 1st peal in the method for the Guild.
20 December - Bristol S. Maximus : rung by the local band.
KERSEY
7 December - Plain Bob Major : rung by the local band.
OFFTON
12 April - Offton L.S. Major : 1st peal in the method.
RINGSFIELD
29 August - 11m, *minimus : most minimus methods for the Guild.*
WILBY
25th January - St. Simon's Triples : 1st peal in the method for the Guild.

However, the success of the year was somewhat marred by criticism of some peals rung. Whilst not wishing to take sides I would hope that conductors will continue to try for quality and not just quantity of peals. In addition an unfortunate error in method splicing occurred in a peal at Bramford which resulted in the peal being withdrawn. This incident also brought to light a peal rung in 1977 (No.4494) which also contained a similar extent and which the conductor has withdrawn. (The Guild records have been suitably amended).

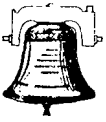

My thanks to all conductors and other officers for their co-operation and assistance throughout the years.

Alan P. Mayle

THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF ST. EDMUNDSBURY & IPSWICH

President: THE RIGHT REV. THE LORD BISHOP OF ST. EDMUNDSBURY & IPSWICH

BELFRY PRAYER

Lord, we thank you for the skills and opportunity you have given us to ring the bells in this place to your praise and glory. We ask that the sound of our bells may be a witness to your Good News for mankind, a summons to all who hear to worship in your house, and a comfort to those in need.

Bless the ringing that we do in your Name. Amen.

O Lord, open our lips.

Response: And our mouth shall proclaim Your Praise.

OBITUARIES FOR 1986

Thomas Cameron Ford - Palgrave

Tom was a master craftsman, part of a line of carpenters and wheelwrights in Palgrave for more than 200 years. He died in March at the wonderful age of 90, a Christian gentleman and family man with a great love of children.

His ringing career spanned most of this century in company with characters like John Souter, Clement More, Harry Moss and Bertie Harrison.

Clifford Roper Lovett - Grundisburgh

Cliff, a Sussex man, joined the Guild in 1954 and was a faithful Sunday service ringer until his death. A keen churchman, he was a warden at Grundisburgh for 16 years and, with his wife Margaret, entered fully into village life and affairs.

He rang seventy peals - most of which were for the Suffolk Guild.

Charles Marcus Clarke (Jnr) - Grundisburgh

Charles followed his father, Charles, and grandfather, Frederick, as a local ringer.

A poignant memory was his coming in army uniform to ring towards the end of the war - reminding us that many of his friends, and ours, in the village never came back.

Commander Edward Tyndale-Biscoe - Wickham Market and Debenham

Ted died in September robbing the Wickham Market - Debenham - Framlingham area of someone very special. A modest, unassuming man with a delightful puckish humour, he was a person one was always glad to see around.

Following a distinguished Naval career - Fleet Air Arm and then Royal Navy leading to Engineer in Chief on *HMS Belfast* in the Korean War, Ted became involved in teaching ringers and helping towers. My goodness, how indefatigable he was. When, once a quarter, he gathered the 'crew' around him to come to St. Mary le Tower for a special practice he would laughingly refer to it as like being on the quarter-deck.

Bernard Smith - Ipswich St. Matthew

Although not a ringer, his wife Freda, daughter Zoe, son-in-law Malcolm and their children were, Bernard's support and encouragement for the St. Matthew's belfry was monumental. A church-warden for thirty years he was one of the strong voices behind the restoration of the bells there.

He died on 29th December, aged 69, after several months of illness.

We also remember any relatives of our members.

May they rest in peace.

Guild Maintenance Officer, Technical Adviser and two representatives from each District.

INDEX AND DIRECTORY OF TOWERS

The following table is used to show the condition of the ring:

10 - Excellent, Ball bearings, modern frame and fittings.
9 - Excellent, Plain bearings, modern frame and fittings - or ball bearings in an old frame.
8 - Good going order.
7 - Fair going order.
6 - Poor going order.
5 - Ringable if cleaned up and odd fittings and ropes provided.
4 - Ringable with difficulty and a degree of risk after making odd repairs.
3 - Unringable mainly because of tower and/or frame arrangement and position.
2 - Unringable mainly because of frame and/or fittings.
1 - Hung dead.
0 - Some bells unhung on the ground.

While every effort has been made to ensure that the information given is accurate, the Technical Adviser would be very pleased to hear of any corrections.

TREASURER'S REPORT ON THE ACCOUNTS

Due to problems last year it was not possible to include any accounts in the 1986 Report. Unaudited accounts were presented to the AGM at Grundisburgh with the promise that copies of the audited accounts would be circulated to members at a convenient time. The accounts for 1986, which have been audited, appear at the left hand side of each of the two preceding pages of accounts.

Donations have been provided as usual to the Friends of the Cathedral, the Friends of St. Peter's Sudbury and the Suffolk Historic Churches Trust. The Guild's insurance policy continues to provide cover for third party liability for all members, the Guild's assets [handbells, shields, master's badge and library], and personal accident cover for the members of the maintenance committee.

Although the Restoration Fund is shown as over-committed at 31st December, it is not expected that we will be called on to honour our grant promises to Boxford or Chediston until 1989. It should however be noted that our 1988 expected income is all, in effect, committed. During the year there has been considerable efforts for the "Friends of Suffolk Bells Apppeal", the main sources of income shown in the Restoration Fund under this heading are:-

		£	£
1986	Orwell Walk - Elizabeth Pettman	140.00	
	Guild Training Day	140.16	
	Guild Open Day	26.20	
	Personal Donations	30.00	
			336.36
1987	Orwell Walk - Elizabeth Pettman	133.50	
	Guild Training Day	58.00	
	Guild Open Day Ipswich	101.20	
	Guild Open Day Norman Tower	71.35	
	Guild Open Day Kersey	20.00	
	North West Bazaar	150.00	
	South East October Fund Raising Event	197.00	
	Profit on AGM Tea	30.00	
	Profit on N W July Tea	16.00	
	Donation from Monewden PCC	100.00	
	Donation from Gunton Hall Holiday	50.00	
	Donation from Society of Roving Ringers	25.00	
	Personal Donations	50.00	
			1,002.05

Personal donations during 1986 and 1987 have been received from S Pettman, M Rose, J Stannard, Polstead PCC and an anonymous donor.

Membership levels are at an all time high, and it is encouraging to note the increase in Ringing Members which has to some extent come about because of the restoration work that has been undertaken. The membership summary is as follows:-

District	Ringing Members	Junior Members	Associate Members	TOTAL 1987	Total 1986
NORTH EAST	105	25	3	133	113
NORTH WEST	105	7	1	113	100
SOUTH EAST	183	38	12	233	195
SOUTH WEST	109	24	12	145	143
GUILD TOTAL 1987	502	94	28	624	
Guild Total 1986	431	94	26		551

As members will be aware this is my last year as Guild Treasurer, pressures of work prevent me standing for re-election at the AGM. Can I therefore take this opportunity to thank all Members and Guild Officers for their assistance, co-operation and welcome during the past eleven years, and especially for the early production of information for this years accounts.

Alan R. Smith, Guild Treasurer, February 1988.

THE SUFFOLK GUILD OF RINGERS.

Secretary's Report

Last year I was able to report a year of both consolidation and progress and it is with pleasure that I can tell you of a busy 1987. Though the events, activities and achievements have been of a different nature they again illustrate the steady progress and forward looking policies which we have come to expect from our Guild. Credit is due to you all for it is by constant discussion that ideas are conceived and plans nurtured to the stage where formal propositions are put to meetings for their discussion and, hopefully, approval. The most important meeting of these is the Annual Meeting and in 1986 this was held at Grundisburgh on a splendid April day. Attendance was slightly lower than usual but those who were there were warmly welcomed and amply fed by members of the local band.

Several important and far reaching decisions were taken at Grundisburgh and I hope they will further the work of the Guild in the years to come. The formation of a 'Friends of Suffolk Bells' committee was agreed and the terms of reference and membership of this body were agreed at the June Management Committee meeting. Nothing much appears to have happened because representatives from each District had to be elected to serve and this, of course, was a slow process. I trust that things will now begin to happen. The Treasurer's Report and audited accounts were, unfortunately, not available at the AGM but the accounts were duly audited in May and steps have now been taken to try to ensure that in the future all the relevant information and cash are received by the Treasurer to enable him to complete his report and accounts in time for publication in the Annual Report. Various additions and ammendments to the Constitution and Rules were made, the purposes of which were to remove anomolies and to allow for the more efficient operation of management affairs. The facility to establish further such sub-committees as the management Committee may deem necessary needs additional wording to the effect that the terms of reference of these sub-committees will need to be determined by the Management Committee before the Charity Commission will accept the change and this will be put before the 1988 AGM. A new set of Striking Competition rules was agreed and this particularly formalises the eight bell competition and unites the two competitions under one set of rules. The idea that all people who ring peals for the Guild should be encouraged to contribute to Church funds in recognition of the enjoyment they derive from their activity was discussed both at the AGM and by the Management Committee and finally at the Tower Captains' Seminar from where the results of their deliberations are awaited. This seminar was a new venture move at Grudisburgh to raise peal fees and to thus contribute more to restoration work but this good idea was thwarted by regulations later to be 'got round' by the Management Committee so that the original aim was achieved and out of a 60p rope fee per ringer, 40p will now go to restoration funds.

Most of the Guild Officers were re-elected but Mrs S. Girt, N.F. Whittell and R.A. Knight, not seeking nomination were replaced by Mrs Angela Harris as Newsletter Editor, Mrs Amanda Whiting as one of the Handbell Trustees and Ralph Earey as Maintenance Officer. We thank the retiring Officers for all they have done for the Guild. Mrs P. Bailey and Mrs S. Girt were elected Vice Presidents of the Guild and Mrs W. Lockwood was elected to Life Honorary Membership. Your Central Council representatives attended the meeting in Coventry with Rev. L.R. Pizzey being elected to serve on the Peals Analysis committee and A.R. Smith being re-elected to the Bell Restoration Funds committee. S.D. Pettman was nominated for the Education committee but unfortunately was not successful in the elections. Management Committee meetings have been regularly held and attendance has been good. I hope that the discussions and decisions have been reported to you at your District meetings. Perhaps the October meeting was notable in that virtually all members attended even though it was only a day after the severe storms and it must surely be the first to have been conducted by candlelight!

Guild meetings also have the very pleasant social aspect of the gatherings and this report must include the very enjoyable London Outing again superbly organised by the Master; the various very successful exhibitions/open days held in the Districts during August and the enjoyable and amusing end to the Training Day when an Inter District Quiz saw the North West District failing to keep up with the South East District who were able to correctly answer more brain teasers than the other Districts. Our thanks to the Recruitment and Training Committee for their organisation of this event.

It is with regret and sadness that I have to report the loss of some of the stalwart members of the Guild whose obituaries are recorded elsewhere. Their efforts on our behalf will long be remembered and our sympathy is extended to their families.

Having had much to report this year I must not fail to offer my sincere thanks to my fellow Officers

for their support and help; to the District Officers for similarly being of considerable assistance and to you all for the genuine and sincere welcome which has been accorded to Shirley and I as we have visited your District meetings.

J.L. Girt

Technical Adviser's Report

The past year has been a quiet one with regard to restorations but there has still been a considerable amount of effort which should bear fruit in the near future.

One such example is at Walsham le Willows where the six bells were dismantled and sent to the foundry in November. This ring will be rehung in the existing frame in the early part of 1988.

At Monewden the six bells are now ringable for special occasions due in no small part to the efforts of Ralph Earey and Stephen Pettman.

Another tower where ringing is now possible is Stansfield, following restoration work on the tower and the fourth bell being roped on the opposite side. Outstanding restoration work on the tower means that ringing is restricted to special occasions with no peal attempts.

During 1987 inspections have been carried out at Ipswich, St. Margarets; Haverhill; Bramfield; Lt. Waldingfield; Southwold; Metfield; Baylham and Lakenheath.

At St. Margarets Ipswich, additional beams have been inserted beneath the frame between the existing beams to stiffen the supports to the frame. The pulleys have been overhauled and the bearings repacked, which has gone a long way to improving the 'go' of these bells.

The ring of six at Haverhill requires some short term maintenance work with the main cause for concern being the state of the clapper joints. These are of a poor design which requires the clapper and staple to be sent to the foundry for new joints to be fitted.

At Bramfield consideration is being given to the installation of a concrete ring beam to hold the four quadrants of the tower together. Once this has been done, together with the regrouting of any loose flints, it would be possible for the bells to be rung again.

The fittings of the bells at Lt. Waldingfield are much decayed, such to the extent that despite refurbishment of the tower walls, the bells will require a complete rehanging before they can be rung.

The eight bells at Southwold are generally in a good condition but some short term maintenance work is required. These bells were last rehung in 1931 by Alfred Bowell whereas the oak bellframe was installed by George Day & Son of Eye in 1897. The tower is in good condition although the copper roofing was blown off in the great October storm.

At Metfield the ring of three is hung for swing chiming. There is now some local interest in restoring and augmenting the bells which would be a considerable task for such a small parish.

The tower at Baylham has been repointed and a new roof installed which will prevent the further ingress of rainwater into the bell chamber. The parish are hoping to do some minor work to keep the bells ringable but at present are unable to comtemplate a full restoration, their next priority being the nave roof.

At Lakenheath the bells can be rung again following repairs to the top of the tower, however on the debit side West Stow are now unringable due to the structural condition of the tower. Some immediate repairs have been carried out but it will be some time before the parish can raise the necessary funds to complete the work.

Ringing at Wickham Market is also restricted as a result of cracks in the base of the tower. It would appear that these cracks are due to weak foundations and not to the ringing of the bells. The situation will continue to be monitored.

At Lavenham the noise of the bells in the ringing chamber has been reduced by the fixing of additional boarding between the chamber and the bells. Thanks are due to Ronald Clouston for carrying out this work.

During the year I have represented the Guild at two Central Council Seminars. The first being on the subject of Bell Restoration Funds at Northampton and the second was for Bell Advisers at Coventry.

The observant will notice an increase in the total number of towers in the Summary. This is because of the inclusion of Combs and Darsham, both four bell towers, but unringable at the present time. Overall there has been very little change in the total number of unringable bells.

Ian Whitear

Maintenance Officer's Report 1987

Again we have had a busy year on the maintenance front. Various works have been carried out by members of the Maintenance Committee, ringers and local parishioners. Unfortunately the majority of problems in our Church bell towers are caused by the weather and birds, each causing deterioration of timber and metal. One or two birds can cause a lot of mess in a couple of days and can soon affect the 'go' of the bells by blocking rope holes and jamming pulleys, either with excrement or corpses, but prevention is always better than cure. It is therefore recommended that the openings in the bell chambers are closed with plastic or wire netting. Five minutes spent fixing wire netting is preferable to five days clearing out bird excrement! I am sure that a lot of people know of a tower which has birds getting inside it, either their local tower or a tower in their district. If this is the case and you haven't the time, netting or equipment to prevent the birds gaining access, or you know of any other maintenance problem, please contact a representative from the Maintenance Committee so that we can help solve the problem.

How nice it was to see the S.E. Ringing Master initiating a rope pool for the mutual benefit of all the towers in the district. Other districts please take note!

The towers that have featured in the three committee meetings are listed below:-

Barking - The Ellacombe mechanism has been repaired.

Baylham - The storm damage to the tower has been repaired. The bells are now ringable, but odd repairs are still needed.

Blythburgh - The broken third clapper has been repaired at Whitechapel.

Bredfield - After discovering that the gudgeon pins were broken on the second, a pair of new pins have been fitted by Taylors.

Bungay - The bells are now ringable after volounteers cleaned out the tower and carried out odd repairs.

Buxhall - The frame has been painted.

Darsham - The four bells have been inspected and briefly rung. Repairs to the frame need to be completed before the bells are rung on a regular basis.

Debenham - A seized pulley has been freed.

East Bergholt - The clappers have been rebushed.

Heveningham - The bells have been inspected and a rope spliced.

Hintlesham - The bells have received various repairs including some painting of the frame and fittings.

Hollesley - The 'toggle' part of the Hasting stay has been replaced as the old toggle broke due to corrosion.

Ipswich, St. Clement - The South side louvre netting has been repositioned after it was blown down in the wind. The tower is now bird free but requires cleaning.

Ipswich, St. Margaret - The bells have received a lot of attention from their new Tower Captain, including the cleaning and regreasing of both the bearings and the pulleys, the replacement of the clapper rubbers and the addition of an extra pulley on the treble.

Ipswich, St. Mary-le-Tower - An odd knocking noise has been cured by a piece being cut off the second's clapper flight.

Ipswich, St. Nicholas - The almost non-existant wire netting has been replaced with plastic netting and the whole tower has been cleaned out.

Leiston - The clapper of the fourth has been rebushed.

Long Melford - Various maintenance work has been carried out.

Monewden - The bells are now ringable after a wheel was fitted to the fifth bell, other wheels repaired and adjustments made to the frame.

Stansfield - The bells are now ringable for short periods until further strengthening of the tower is completed.

Stonham Aspal - The seventh bell has been tightened onto the headstock.

Thelnetham - The cracked fourth bell has been replaced by a bell from Whitechapel.

Tunstall - The rope guides have been repaired.

Walsham le Willows - The bells have been removed for rehanging.

The following towers have been inspected and are awaiting maintenance:- Copdock, Cotton, Little Waldingfield.

The following towers have shown interest in partial or complete restoration:- Boxford, Chediston, Clopton, Hoxne, Wisset.

Ralph Earey

Ringing Master's Report

1987 was a quiet year in terms of major events but we can hopefully look forward to a little more excitement during 1988 - the 65th anniversary of the Guild. There is still the very real prospect of seeing some major restorations and there is to be an anniversary dinner. 'Friends of Suffolk Bells' has not really taken off yet, but with the new committee having been set up, 1988 could well prove to be a successful year in this respect.

Returning to 1987, I wish to place on record brief details of Guild events.

The Guild outing was held this year in March and again we visited London. Towers visited were St. Luke, Chelsea (10), Chelsea Old Church (8), Chiswick (8), Acton (8) and St. Mary-le-Bow (12). As usual this event was well supported.

The striking competitions were held at Hintlesham and Kersey respectively. St. Mary-le-Tower, Ipswich won both competitions.

The public relations day was held in August. Successful exhibitions took place at Bury St. Edmunds (NW), Kersey (SW) and Ipswich (SE). The North East district held an exhibition weekend at Blythburgh the previous month which was also very successful. From my travels on PR day it was clear that several people had put in a lot of time and effort to provide interesting displays etc.

The Guild training day was held this year in September. Unfortunately support this year was not as good as in the previous few years.This may have been because of the earlier date which appeared to clash with weddings and other commitments. However six courses took place and those that did attend appeared to have enjoyed themselves and hopefully learned something! Due to popular demand an inter-district quiz was again held in the evening. This year it was won by the South-East district. The 1988 training day returns to its normal October date with quarter peal week following a week later.

A peal week was held during May. It was somewhat disappointing in terms of numbers of peals rung but the peals that were rung included several firsts. Another peal week is planned next year - it would be nice to see more peals across the county.

At the time of writing, the peal total looks likely to exceed 150. This is a remarkable number for what in terms of membership is quite a small Guild.

First pealers from peals published to date include:-
Persephone Booth, Stephen Claridge, Yvonne Cole, Penelope Davey, Mary Garner, Shirley Girt, Mark Glasswell, Carol Griffin, Tanya Grisby, Carol and Samantha Hall, David Hallett, Claire and Geoffrey Haynes, Damon Lyall, Elizabeth Parker, Peter Rothwell, Julian Thompson, Benedict, Gillian and Molly Waterson.

Two members called their first peal in 1987, both are notable achievements:- Katharine Whittell aged 13 called a peal of Bob Major and Owen Claxton called Stedman Triples.

Personal milestones have as usual been achieved, notably:-
50th peal - Adrian Blumfield, Simon Girt : 100th peal - Josephine Beever, Andrew Fisk, Chris Nunn : 200th peal - John Girt, Trevor Hughes, James Smith : 300th peal - Michael Whitby : 500th peal - Simon Rudd : 600th peal - Pat Bailey : 750th peal - Trevor Bailey : 2000th peal - Martin Thorley : 50th as conductor - James Smith.

Peals for the Guild:-
150th - David Salter, James Smith : 200th - David Salter, Michael Whitby : 300th - Harry Archer, Peter Mayle : 350th - Michael Baldry : 500th - Pat Bailey : 50th as conductor - David Salter.

It is also interesting to note that co-incidently both James Smith and Mike Whitby achieved personal and Guild milestones together, James - 200th peal and 150th for the Guild at St. Mary-le-Tower : Mike - 300th peal and 200th for the Guild at Framlingham.

Robin and Mary Allum rang their 200th peal together. Another interesting 'together' peal involving families was at East Harling where Pat and Trevor Bailey and Alan and Peter Mayle rung their 100th together as a foursome.

There have been several peals worthy of note which will no doubt be covered in the Peal Secretary's report but I would like to mention three:-
Cretingham (31.1.87) 42 methods doubles.
Hasketon (15.3.87) 210 m/v doubles - a new Guild record.
Ipswich, St. Mary-le-Tower (1.4.87) Erin Triples using only one type of call.

A quarter peal week was held in September/October. Quarter peals in general clearly help a wider range of ringers than peal ringing. It is noticeable that new bands have been strengthened by ringing quarters with experienced ringers from other towers.

Ipswich, St. Mary-le-Tower again took part in the national 12 bell competition in 1987. However the team did not ring as well as they might and failed to qualify for the final. A more structured practice system is planned for 1988, so hopefully a better result will be achieved.

One final comment from me - 1988 is the Guilds 65th anniversary. Let us try to make this year memorable and free from internal squabbles through the pages of the Ringing World. It is also the year in which I complete five years as Master and although I am happy to continue for another year or two, the membership should give some thought now to a successor.

Stephen D. Pettman

Peal Secretary's Report

1987 turned out to be another record year with 168 peals being rung for the Guild (being second only to 1973 with 178 peals). However, yet again the success of the year has been marred by controversy, but more of that later.

During the year 6 peals were rung by the Guild outside the Diocese including York Minster, but 17 peals were rung in the Diocese by/for other Societies, Guilds and Associations.

Surprisingly, we have no first peals on the bells this year or since re-hanging or augmentatiion, but we do have two rare visitors to the peal columns. Monewden has been pealed for the first time for 54 years and Framlingham after an absence of 15 years.

Peals worthy of individual mention include:-

ALDEBURGH

11 October - Marven's 6000 of Plain Bob rung by the Guild for the first time.

CARLTON COLVILLE

20 July - Single Canterbury P.B. Minor, 1st peal in the method by the Guild.

CLARE

28 February - Lincolnshire S. Major, a very good performance on difficult bells. (I hope I am excused from guilt in praising myself!)

GRUNDISBURGH

14 February - Westerfield S. Major, 1st peal in the method.

HASKETON

12 April- 210 m/v Doubles, most m/v rung by the Guild.

IPSWICH - St. Mary-le-Tower

21 February - Bristol Maximus, by the local band.

1 April - Erin Triples, 388 calls.

22 July - Spliced S. Major in 5 Suffolk methods, first time that these methods have been spliced.

OFFTON

9 May - Glasgow S. Major, 1st in the method by 7 of the band.

RINGSFIELD
19 August - Rev. Canterbury P.B. Minimus, 1st in the method by the Guild, and longest length of minimus (5544) for the Guild.
SOUTHWOLD
21 November - Rev. Canterbury P.B. Triples, 1st in the method by the Guild.
SUDBURY - St. Gregory
25 October - Plain Bob Major, rung on the centenary of the first peal on the bells.
SUDBURY - St. Peters
21 November - Plain Bob Major, rung on the 200th anniversary of the 1st peal on the bells.
WORLINGWORTH
19 December - Worlingworth S. Major, 1st peal in the method.

There has been some controversy over footnotes during the year, which looks likely to continue into 1988. It is a great disappointment that such arguments have to take place in the columns of the Ringing World, and thus bring the attention of the entire exercise upon what should be a Guild matter to resolve. I hope that the people concerned will think carefully about the outcome of their actions, both the conductor writing the footnote and the Guild member questioning it's validity.

In additioin, I was asked by Chris Rogers (Chairman, Peals Analysis Committee) to refuse acceptance of a peal rung at Stowlangtoft. The peal does not comply with the Central Council rules and therefore does not comply with Guild rules, and as such it would be improper to accept the peal at present. If however the C.C. were to decide at it's next meeting that it should be accepted then we could of course be in a position to review the situation.

Two footnotes that appear in this report are also incorrect.

Firstly, the peal of Oxford Bob Triples at Grundisburgh on May 4th was not the first in the method for the Guild, the first was rung at Debenham on September 28th 1965, conducted by Howard Egglestone; and secondly, the claim of the first peal of Bristol on Diss bells (May 24th) was disputed in the Ringing World by William Barrett who rang in at least one on the bells in the 1950's.

Care should be taken in making claims to make sure that the information is correct, especially when it is relatively easy to check through Guild records (although time consuming)

Finally I would like to thank all the conductors who paid peal fees' promptly, especially in December. I was somewhat disappointed that only four conductors informed me of peals rung in December, the absence of this information makes the collation of peals so much more difficult. An improvement in this at the end of 1988 would be appreciated.

Alan Mayle

OBITUARIES FOR 1987

David Barber - Hadleigh

Tragically David was taken from us at an early age, courageously fighting a long illness. We shall long remember his cheerfulness both in and out of the belfry. A happy memory is one of the quarter peal days to mark the Guild's Jubilee in 1973 - seven 8 bell quarters, and dinner in the evening!

Charles Stanley Bloomfield - Henley

He was just 'Stan' to everybody - young and old, prince and pauper. Warm, generous, helpful, committed - family man, ringer, Churchwarden, Stan Bloomfield was so much part of the Suffolk Guild scene. At Henley, Ashbocking, Hemingstone, Ipswich - all over the place this Christian gentleman was always giving. And do we miss him.

William John Button - Stonham Aspal

Joining the Guild in 1924 Billy rang with the famous Helmingham band whilst always supporting his own call-change tower. He held District office and scored over 300 peals for the Guild.

Joseph Thomas Corder - Hadleigh

When the ban was lifted in 1945 and the Guild needed rebuilding, Officers were rather scarce Joe Corder, one of a new band at Hadleigh became its District Secretary and served faithfully for a number of years. He rang a few peals, mostly on his own bells, when they really were a handful from the ground floor. Poor health forced his retirement from ringing. Joe was 78 when he died after a long illness.

Lewis Edward Etheridge - Fressingfield

One is reminded of the song of the Jolly Miller when remembering Ted, for that was his calling - farmer too and a great servant of ringing in the Waveney Valley. A lovely person and what a joy it was to have tea with him and Mrs Etheridge after a peal. Ted worked hard for ringing in the Fressingfield District and when time permitted he would ring peals at Redenhall, Bungay and 'sich-like' with the redoubtable Ernie Whiting. He died in July aged 83.

Preston Everett - Bury St Edmunds

The senior ringer at the famous Norman Tower, Preston died in September at the age of 84. He came from a tough school under the conductorships of Arthur Moore and Bill Stannard but his was a proud record of 65 years there, as well as being a founder member of the Guild when it was formed from the Ely and Norwich.

Russell G. Parker - Stonham Aspal

Russell's ringing career flourished in the fifties with the Framsden band under Leslie Brett's conductorship. He was a keen supporter of village affairs, football, youth club and the like and although he never spoke of it suffered at Japanese hands in the last war. As with his life-long friend Bill Button, Stonham Church was packed for the funeral service and a memorial peal was rung for them both in October.

Richard Somes Seabrook BEM - GLemsford

One of East Anglia's best known and best loved characters, Richard epitomised Suffolk's rural life. As shepherd, woodcutter, a marvellous family man, ringer and raconteur he was in great demand and people loved his company. His ringing centred around Hartest, teaching his family the Art and somehow managing to fit 30 hours into a 24 hour day. His passing leaves a huge gap.

Keith and Palmer Whittell - Ipswich, St Margaret

Although these brothers died twelve months apart one thinks of them in tandem in St Margaret's belfry where they rang for a great number of years. Taught at Bildeston in 1920 on the heavy six, sadly not ringable now, they were life-long friends of Harry Lister, John Euston and Ted Davey. Keith, in his day, was a keen peal ringer with almost 300 for the Guild.

Wilfred Williams - London

One of the greatest ringers of all time, Wilfred was a household name for nearly sixty years. He joined our Guild in 1930 with peals on the old 8 at Grundisburgh and Wenhaston and always had a fondness for Suffolk. A thousand pealer, fine conductor, brilliant heavy bell ringer, Wilfred rang all over the world and was reckoned to be the best informed of anybody on what was happening in the Exercise! An amazingly complex character he was, nevertheless, a very kind man and he will be talked about as long as bells are rung.

We also remember any relatives of our members.
May they rest in peace.

LIST OF MEMBERS FOR 1986

Abbreviations of Ringing Times:
Su. Sunday: Mn. Morning: Ev. Evening: PN Practice Night: Alt. Alternate.

Telephone Numbers:
with all addresses the name of the telephone exchange is given only where this is different from the last place name mentioned in the address.

THE SUFFOLK GUILD OF RINGERS

FOR THE DIOCESE OF ST. EDMUNDSBURY & IPSWICH

President: THE RIGHT REV. THE LORD BISHOP OF ST. EDMUNDSBURY & IPSWICH

BELFRY PRAYER

Lord we thank you for the skills and opportunity you have given us to ring the bells in this place to your praise and glory. We ask that the sound of our bells may be a witness to your Good News for mankind, a summons to all who hear to worship in your house, and a comfort to those in need.

Bless the ringing that we do in your Name. Amen.

O Lord, open our lips.

Response: And our mouth shall proclaim Your Praise.

Recruitment and Training Committee
Guild Ringing Master and two representatives from each District

Restoration and Maintenance
Guild Technical Adviser and two represenatives from each District.

THE SUFFOLK GUILD OF RINGERS
Objects, Constitution and Rules.

Objects

The Guild shall be established for the promotion of ringing for Divine Service and in furtherance of this object:

1.To promote and encourage the practice of bellringing.

2.To recruit, train and encourage bellringers in the practice of their art.

3.To cultivate the art of scientific ringing.

4.To promote a proper appreciation of the ringing chamber as part of God's house; to encourage the bestowal of care and attention on the cleanliness and proper equipment thereof, as well as the preservation of the bells in an efficient condition; to advocate needful repairs and renovations and to supply, when required, reliable information and advice of a practical character concerning the condition of the bells and their fittings.

Constitution.

A.Name

1.The Guild shall be known as the Suffolk Guild of Ringers for the Diocese of St.Edmundsbury and Ipswich.

(a) It shall be affiliated to the Central Council of Church Bell Ringers and registered as a Charity at Law.(Ref.266869)

(b) The President shall be the Lord Bishop of the Diocese and there shall be Patrons. Vice-Presidents shall be elected at the A.G.M. of the Guild.

B.Membership.

2.Membership shall consist of the following categories:

(a) Ringing Members. A person who can ring rounds efficiently on a tower bell.

(b) Associate Members. A person who wishes to support the Guild.

(c) Life Honorary Member. A Ringing or Associate Member who has given outstanding service to the Guild.

(d) Non-Resident Life Members. A person who is qualified to be a Ringing Member, or Associate Member, but who resides outside the territory of the Guild and who is not a member under either 2(a), (b) or (c).

3.Ringing and Life Honorary Members only shall have voting rights and be permitted to hold office in the Guild.

4.Churches within the Diocese may be affiliated to the Guild on payment of an annual donation.

C.Districts.

5.There shall be four Districts:

1.North East District consisting of the deaneries of Beccles and South Elmham, Halesworth, Hartismere, Hoxne and Saxmundham.

2.North West District consisting of the deaneries of Ixworth, Mildenhall, Stowmarket and Thingoe.

3.South East District consisting of the deaneries of Bosmere, Colneys, Ipswich, Loes, Samford and Woodbridge.

4.South West District consisting of the deaneries of Clare, Hadleigh, Lavenham and Sudbury.

D.Government

6.The Annual General Meeting of the Guild shall be held on the Saturday following Easter or as shall be decided by the Guild Management Committee

and shall be the ultimate decision making body of the Guild. It shall elect Guild Officers and set subscriptions and fees for the following year.

7.Members shall be elected to fill the following Offices: Chairman, Ringing Master, Secretary, Treasurer, Maintenance Officer, Report Editor, Newsletter Editor, Central Council Representatives, Technical Adviser, Librarian, Handbell Trustees, Peal Secretary, and any other such Officers as the Guild Management Committee shall see fit to approve.

8.In order that the Guild be run efficiently and its objects implemented there shall be three Committees established with the following responsibilities:

(a) The Guild Management Committee which shall co-ordinate all Guild activities; publish a printed Annual Report and audited Accounts and convene Sub-Committees as may from time to time be required, and shall recommend the levels of subscriptions and peal fees and other methods of raising money and shall organise general meetings and social activities.

(b) Recruitment and Training Committee which shall prepare training programmes for use in the Districts; provide courses for the training of teachers of ringing and assist Districts in the recruitment of Ringers.

(c) Restoration and Maintenance Committee which shall maintain an up-to-date directory of towers, listing the condition of all Church bells in the Diocese; which shall make recommendations concerning the preservation and use of bells from redundant churches; which shall advise incumbents and arrange such local restoration and maintenance work as may be necessary.

E.Finance

9.All money in the Guild's General Fund not required for normal working purposes shall be invested by the Treasurer as may be directed by the Guild Management Committee.

10.All money in the Restoration Fund and Jubilee Fund and such other funds as the Guild Management Committee may establish shall be invested by the Treasurer as may be directed by the Guild Management Committee. Grants for restoration work shall be made by the Guild Management Committee. Such grants shall only finally be made following the approval of the Guild Ringing Master and Technical Adviser.

10a.One half of the subscriptions of Ringing and Associate Members together with one half of all peal fees shall be transferred annually to the Restoration Fund from the General Fund.

11.All cheques shall bear the signature of the Secretary or the Treasurer or the Chairman but any cheque greater in value than the limit set annually by the Guild Management Committee shall bear the signature of two of these Officers.

F.Records and Handbells

12.The Report Editor shall record all peals rung for the Guild and Quarter Peals rung in the Diocese and publish them in the Annual Report.

13.The Librarian shall maintain an up-to-date inventory of publications owned by the Guild.

14.The Handbell Trustees shall maintain the Handbells in good condition and shall make such recommendations as may be necessary for the repair of the handbells to the Guild Management Committee.

G.General

15.The Guild shall be affiliated to the Central Council of Church Bell Ringers, and shall loyally abide by the rules and decisions thereof.

16.The Constitution may be amended by a two-thirds majority of the members present at an Annual or Special General Meeting provided that 14 days notice of the proposed amendment has been sent to all members and provided that nothing herein contained shall authorise any amendment which shall have the effect of the Society ceasing to be a Charity in Law.

17.In the event of dissolution of the Guild any assets remaining after the satisfactiom of all its debts and liabilities shall not be paid to or distributed among the members of the Guild but shall be given or transferred to such other charitable institution or institutions having similar Objects to the Guild.

Rules

Guild Rules.

A.Election of Members and Subscriptions

1.Ringing and Associate Members may be elected at any meeting by a majority of those present when proposed and seconded. Membership shall be exercised through only one District at a time, being the District under which the member is shown in the Annual Report. Subscriptions are due on election and thereafter in advance on the first day of January each year. Membership shall cease if such subscriptions are not paid by 31st.December of the year in which they become due. The subscriptions of members elected during or after October shall cover the remainder of that year and the whole of the next year.

2.The subscription rates for members shall be fixed at the Annual General Meeting and unless a change is agreed the existing rate shall continue. Full time students shall pay not less than half of the full rate and subscription shall be waived for members over the age of 70.

3.Life Honorary Members shall only be elected at an Annual General Meeting and nominations may only be made by the Guild Management Committee or District. No further subscription is payable after election.

4.Persons who have been Ringing Members or Associate Members for at least two years may, upon leaving the Diocese, inform their District Secretary that they wish to become Non-Resident Members. No subscription is payable during the period of non-residence. A person resident outside the Diocese who wishes to be associated with the Guild may be elected a Non-Resident Member as an alternative to Ringing or Associate Membership.

5.For the purposes of peal ringing new members may be provisionally elected in the belfry to the appropriate category of membership subject to the confirmation at a business meeting of the appropriate District in the case of a Ringing Member or at a meeting of the Guild Management Committee in the case of a Non-Resident Member. If election is not confirmed the subscription shall be refunded.

6.Any member failing to conform to the Objects and Rules of the Guild may be expelled by the Guild Management Committee which shall report the matter to the next Annual General Meeting. Such a member shall forfeit any payment made to the Guild.

B.Election of Officers.

7.All Officers shall retire at the Guild's Annual General Meeting but shall be eligible for re-election. Nominations may be made in writing to the Guild Secretary or orally at the Annual General Meeting provided always that they are proposed and seconded. If more than one nomination for any office is received then election shall be by paper ballot, the successful candidate being the one with the highest number of votes. In the event of a tie the Chairman shall have a casting vote. Central Council

Representatives shall be elected in accordance with the rules of the Central Council during the second year of the triennium at the A.G.M. of the Guild.

8.The Annual General Meeting shall appoint an Auditor who is not a member of the Guild Management Committee and need not be a member of the Guild.

C.Committee Structure.

9.The Guild Management Committee shall consist of: Vice-Presidents, Guild Officers as listed under paragraph 7 of the Constitution, two Representatives from each District and two Representatives from each of the other Committees listed under paragraph 8 of the Constitution. Nine members shall constitute a quorum. The Committee shall meet at least three times per year. The Chairman shall take the chair at all meetings of the Guild and Guild Management Committee. In his absence the Chair shall be taken by the Ringing Master or in his absence by a person elected by the meeting.

10.The Recruitment and Training Committee shall consist of the Guild Ringing Master as Convenor and two Representatives from each District.

11.The Restoration and Maintenance Committee shall consist of the Guild Maintenance Officer as Convenor, the Guild Technical Adviser and two Represenatives from each District.

12.Each of the above two Committees shall meet at least three times a year. At a meeting which shall be held in January they shall elect their two Representatives on the Guild Management Committee.

13.(a) The Chairman, Master, Secretary, Treasurer and Maintenance Officer shall form the Guild Executive. In the event of a Guild Office being vacated between A.G.M's they shall make a temporary appointment until a General Meeting can be convened.

(b) The Guild Management Committee may convene such sub-committees as it deems necessary from time to time and shall determine their terms of reference, powers, duration and composition. All acts and proceedings of any such sub-committee shall be reported back to the Guild Management Committee as soon as possible.

D.Expenses

14.The following shall be paid by the Treasurer out of Guild funds:

(a) The cost of printing the Annual Report and any other publications authorised by the Guild Management Committee.

(b) The expenses of Guild Meetings.

(c) Stationery, postage, telephone, notices of all meetings and other incidental expenses.

(d) Insurance of Guild property.

(e) Central Council fees and reimbursement of Representatives' expenses attending each Council meeting, not exceeding the second class return rail fare and a subsistence allowance as may be determined by the Guild Management Committee.

(f) Such other expenses as the Guild Management Committee may determine.

E.Peal Records.

15.All peals rung for the Guild must conform with the decisions of the Central Council. All those taking part must be members of the Guild.

16.Conductors shall forward the following to the Secretary as soon as possible and not later than 15th January the following year:

(a) The names, addresses and subscriptions of any Non-Resident Members elected in the belfry.
(b) The appropriate peal fees.
(c) Compositions for peals of Triples and above and compositions of such other peals as the Peal Secretary may request.
Money received for items (a) and (b) shall be passed to the Guild Treasurer.

F.Alteration of Rules.
17.No alteration or addition shall be made to the Rules of the Guild except as specified in paragraphs 16 and 17 of the Constitution.

District Rules.
18.Each District shall hold an Annual General Meeting during the last quarter of the year for the purpose of receiving a report from the District Committee for the previous year, election of Officers and arranging activities for the coming year. Members shall be eligible to vote or stand for Office only in the District through which they exercise membership in accordance with Guild Rule 1.
19.The following Officers shall be elected annually:
Chairman; Ringing Master; Secretary/Treasurer; District Maintenance Officer; Newsletter Correspondant.
The Chairman, Ringing Master and District Maintenance Officer shall normally represent the District on the Guild Management, Recruitment and Training, and Restoration and Maintenance Committees respectively but substitutes may be permitted. One other representative to each of the Guild Committees shall be elected. The District Officers and one elected member from each deanery shall form the District Committee. A District may elect additional working Officers at its discretion to assist the running of the District.
20.The District Secretary/Treasurer shall collect all subscriptions and other monies due and forward them to the Guild Treasurer. A statement of accounts shall be submitted to the Guild Treasurer by 15th.January. A Directory of tower correspondants, lists of members and ringing times shall be submitted to the Secretary by 15th January.
21.The District Maintenance Officer shall endeavour to arrange for the inspection of every belfry in the district at least once a year and shall report his findings to the Restoration and Maintenance Committee at their January meeting. He shall be available to advise incumbents and shall provide leadership at local working parties where necessary.
22.The District Newsletter Correspondant shall report on District activities for the Guild Newsletter, the 'Ringing World' and local newspaper.
23.The District Committee shall be responsible for the efficient management of the District's affairs and shall report to the District Annual Meeting on the year's work.

Regulations relating to the Pearson's Handbells.

1.The Pearson Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustees. They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.
2.The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustees by the borrower, and they may then be loaned for a further three

months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustees if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the proceeding borrower.

3.The bells are the responsibility of the borrower, after he has signed for them, until they are returned to the Trustees by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of both of the Trustees.

4.The bells must be returned to the Trustees upon request. The Trustees should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as posible.

5.If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6.The Trustees are responsible to the Committee of the Guild for the administration of the bells, and their decisions regarding the bells can be revoked by the committee.

7.The Trustees and the Committee of the Guild would be grateful for financial help for the maintenance of the handbells from members who have enjoyed the use of them.

The Mitson Shield and the Rose Trophy Striking Competitions Rules.

1.The competitions shall take place on the third Saturday in May or on any other date decided by the Guild Management Committee.

2.All Ringing Members and Life Honorary Members of the Guild may compete providing their subscriptions are paid.

3.No Member may ring more than once in each competition, except as specified in Rule 10.

4.Representative bands shall consist of:

(a) The Mitson Shield. Six ringers of which at least four are shown in the Annual Report as members of that tower, or who are bona fide Sunday Service Ringers at that tower.

(b) The Rose Trophy. Eight members of a district or eight ringers representing a tower, of which at least six are bona fide Sunday Service Ringers.

5.Neither the Mitson Shield nor the Rose Trophy can be held by any band not complying with the previous Rule.

6.Each band must have a representative present at the relevant draw. The times of the draws to be advertised in the 'Ringing World'.

7.A total of two minutes practice ringing and stand will be allowed before each test piece.

8.The test piece will be:

(a) The Mitson Shield. 240 true changes of any recognised Doubles or Minor Method(s).

(b) The Rose Trophy. At least 224 true changes of any recognised Triples or Major method(s).

In the event of bands ringing Doubles or Triples a cover bell must be used. For the Rose Trophy only the first 224 changes, excluding the opening rounds will be judged.

9.The length of either test piece may be shortened at the discretion of the Ringing Master in the event of a large entry.

10.A reserve ringer, appointed by the Ringing Master, will be available to bands meeting short, at the discretion of the Ringing Master.

11.Three judges appointed by the Ringing Master will be present. Their decision is final.

12.The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.

Auditor's Report to the Members of
The Suffolk Guild of Ringers
for the Diocese of St. Edmundsbury and Ipswich

I have audited the financial statements set out on pages 10 to 13 in accordance with approved auditing standards.

In my opinion, the financial statements, which have been prepared under the historical cost convention, give a true and fair view of the state of the Guild's affairs at the 31st December 1988 and of its income and expenditure for the year ended on that date.

TREASURER'S REPORT

I am pleased to report that 1988 has proved another successful year in the history of the Guild. Numerically, our total membership has risen a further 4% whereas, in financial terms it is comforting to show - (including the promises we have made for restoration grants) - that our capital base is, once more in modest surplus.

For this happy transformation from the 1987 year-end position we have to thank not only a dedicated and enthusiastic membership, but also a small but increasingly important band - "The Friends of Suffolk Bells". In this context with our Guild Membership Subscription being unchanged - and at such an incredibly low figure (less than 8p per week)-may I ask the members to consider a 'supplemental' regular gift / donation / covenant to the "Friends". For further information please contact your District "Friends of Suffolk Bells" representative or your District Secretary.

Terry Howe
Hon Treasurer

Secretary's Report

In each of the reports which I have written during the previous fourteen years I have tried to record the changes, innovations and advances made by the Guild in each preceding year. This report will be a little different in that I shall, towards the end, take the liberty of very briefly reviewing the events of fifteen years. But first 1988!!

The most significant event following the writing of each report has been the Annual Meeting which, this time, was held at Nayland. We were given a warm welcome and a sumptuous tea thanks to the incumbent and the local people. A small (not significant) rule change was agreed so that the Management Committee retains control over its various su committees of which the newest is 'The Friends of Suffolk Bells'. Considerable work has been done by this organisation with an appeal launch planned for later this year. After a review of Vice-Presidents, Guild Officers were re-elected with the exception of the Treasurer and Report Editor. Alan Smith - the first Guild Treasurer - was accorded special thanks for his years of service and it has soon become evident that Terry Howe, the new Treasurer, has a different but no less efficient style. Adrian Blumfield has brought a very energetic approach to the task of Report Editor and I suspect you may have taken note of some of his ideas. Recognition is given in the Report to District work and the work of the Public Relations Officer and Handbell Trustees by the addition of these reports.

Your various representatives to the Central Council meeting at Whitehaven (and on Council Committees) have been doing their work as have those attending our own Management meetings where a new brief for the Auditor to work to has been agreed. Display and exhibition material has been donated to the Guild and this is acknowledged with gratitude as is the superb effort of Sylvia Pipe, Liz Pettman and David Doggett who, between them, raised #350 for 'The Friends of Suffolk Bells' by completing the 'Orwell 25' walk - what stamina. Socially we have enjoyed another Guild outing; the annual Striking Competitions; another successful Seminar; an excellant Training Day (even yours truly was roped in to demonstrate his teaching skills); a very mouthwatering Guild 65th Anniversary Dinner (fine speeches too) as well as peal and quarter peal weeks. Our thanks must be expressed to the various organisers of these events and their helpers for enriching our calendar so effectively.

Now to look over my shoulder. When I was first elected the theoretical "job specification" included the work of Treasurer as well as that of Secretary and also embraced a fair amount of work on the Annual Report to assist the Editor. The job grew and Alan Smith gallantly accepted the Treasurer's post and, as it happened, relieved me of my Report work as well. He did a stirling job sorting out Guild finances and put us on a very sure base for the future. Other landmarks in our history were as I list below. A substantial review of the Guild Constitution and Rules was adopted and though (and rightly so) there have been subsequent changes the basic principles remain today. We became registered as a Charity - one of the few Guilds to have 'whole Guild' registration and we published our own rules book but that is now in need of re-printing. Guild property has been insured and some degree of insurance has been instigated for those working on bell installations. Various organising sub committees have been established with the newest star in the firmament being 'Friends of Suffolk Bells'. Whilst I make no claim as to originating these things - and it would be wrong of me so to do - I can but suggest the vast progress

we have made during my tenure of this Office. Unfortunately the Christmas Social has fallen by the wayside but other social events have proliferated. Some important Guild Anniversaries have been celebrated and, amongst the various bell restoration projects (all of them important to the individual concerned) perhaps we should record the unique restoration/augmentation at St.Peter's, Sudbury in a redundant church, and the massive restoration project at St Mary-Le-Tower, Ipswich with the result that twelve bell ringing in Suffolk has been restored to at least some of its former glory. It is safe to say that the band is at least in the 'top ten' nationwide. An eight bell striking competition (with a trophy donated by the Rose family of Rougham), peal and quarter peal weeks, training days, seminars and Guild outings all help to complete the picture of an increasingly active and enthusiastic membership.

Traditionally and sincerely I have completed my reports by thanking my fellow Officers for their help and support and by thanking you, the members, for your support and encouragement. I must also record the help and patience shown to me by my wife Shirley and my son Simon during my term of office. Truly, I could not have carried out my task without their quiet and continuing support. I have thoroughly enjoyed my term as Secretary and I hope that whoever you elect at Halesworth to suceed me will be given the help and support I have been given - I know they can expect that from you all. Thank you and every one of you for the privelege of being allowed to serve you for so long.

John L Girt.

The Pearson's Handbells Trustees Report

The Suffolk Guild now owns four sets of handbells including the newly restored set of 25. How good it would be to see greater use made of them.

In March, a set of 13 handbells were donated to the Guild by the late Stan Bloomfield's widow. A course of Grandsire Caters were rung on them during the AGM service.

The old tenor bell from the set of 25 was advertised for sale in the Ringing World in September. There was no response, so the Management Committee have loaned the bell for use in the Friends of Suffolk Bells exhibition.

Handbells have been loaned on five occasions during the year and a total of 25 has been received in donations towards the cost of insurance.

At the 1989 AGM, a rule change will be put to the members with a view to renaming the "Pearson Handbell Trustees" in order to accommodate Stan's handbells.

The set of bells are detailed below. Please contact either trustee if you would like to borrow a set.

RINGING MASTERS REPORT

1988 was an eventful year for the Guild which celebrated its 65th anniversary. The normal events were, as well, if not better supported than 1987 and the highlight of the year must have been the Anniversary Dinner held in November at Woolpit. Our thanks for this excellent evening, consisting of a dinner, speeches, handbells and general fellowship, must be placed on record to Amanda Whiting and her supporters.

During 1988 the "Friends of Suffolk Bells" committee has met on several occassions and much has been achieved towards putting the Guild in a better financial situation. There have been a number of events in aid of the appeal of which one is worthy of particular mention. Sylvia Pipe. David Doggett and my wife, Elizabeth, took part in the Orwell 25 mile walk and between them raised 350 for the 'Friends'. Sylvia at the age of 72 is believed to be the oldest person to complete the difficult circuit. 1989 will see the official launch of this appeal and I urge you all to keep the 15th July free to participate in this event, when it is hoped that all the ringable bells in the county will be rung at some time that day.

The Guild Outing was held in April and as usual was well supported. Towers visited were Dalston(8), West Ham(10), Ilford(8), St George-in-the-East(8) and All Saints, Poplar(10).

The Guild Striking Competitions were held at Yaxley and Eye. The entry in the 6-bell competition was significantly higher than in previous years which must be a sign that the Guild is enjoying a revival. The winners were St Mary-Le-Tower. The entry for the 8-bell competition also increased, the latter two teams consisting of 100% bona fide Sunday Service Bands. St Mary-Le-Tower completed a successful day by winning this trophy as well.

September was the month for the Steeple keeping Seminar. A very enjoyable afternoon from which many participants consolidated or gained knowledge. The September Seminar looks like becoming an established event in the Guild calendar and is certainly a good forum for discussion and informal learning.

The Training Day returned to its normal October date. Numbers were well up again compared with last year. Seven courses were run during the day. An inter-district quiz was again the evening entertainment - the S.E. district narrowly winning. Quarter peal week followed this event and it was pleasing to note several of the trainees achieved their goals for the Training Day.

The St Mary-Le-Tower band succeeded in qualifying for the final of the National 12 bell competition. They were placed 5th(out of 8), a performance of which the Guild should be proud. St Mary-Le-Tower hosts one of the semi-finals in March 1989, an event which I strongly urge all members to try to attend.

At the time of writing it would appear that 1988 was a record year for peals - with 211 peals being rung.

There were many notable acheivements of which I record a few:-

50th peal - Julian Colman, Paul Stannard

100th peal - Katharine Whittell(being the youngest Suffolk ringer of the Guild to reach this total.)

150th peal - Andrew Fisk

250th peal - Mary Allum

500th peal - Alan Mayle

550th peal - Peter Mayle

700th peal - Patricia Bailey
850th peal - Trevor Bailey
2000th tower bell peal - Martin Thorley

For the Guild:-
100th and 150th as conductor - David Salter
100th - Katharine Whittell
150th - Josephine Beever
200th - Mary Allum, James Smith
300th - Alan Mayle, David Salter
700th - Martin Thorley
400th as conductor - Martin Thorley

The have been numerous 'together' footnotes this year but the following deserve a specific mention:-
250th together - Trevor Bailey & Martin Thorley
400th together - Peter & Alan Mayle
500th together - Patricia & Trevor Bailey

First pealers include : Mark Armstrong, Clive Bignell, Jayne Cady, Paul Clarke, Peter Davies, Claire Hunt, Raymond Parker, Claire Reeve ,Ruth Symington, Colin D.Upton & Paul Norris. 1987 first pealers not included in my last report: Anthony Franklin and Geoffrey Haynes. David Barnard called his first peal during 1988.

Worthy of particular mention are the following:-

101m methods Doubles by the Offton Sunday Service Band.

The four peals of Minor rung in a day in 28 different methods.

The peal at Brandeston rung by six ladies.

The Surprise Minor band led by James Smith progressing up to the 41 methods (Harkstead 7,200) and the 41 'all the work' at Grundisburgh consisting of more than 12,000 changes.

In a year that saw so many peals it is inevitable that records were broken. David Salter rang 108 peals for the Guild, the most ever rung. Josephine Beever rang 78 peals for the Guild, the highest number ever rung by a lady. Well done to you both.

My apologies for any achievements I have overlooked or are unpublished at the time of writing.

It was also encouraging to see a few handbells being rung for the Guild - Adrian and Deborah Blumfield scoring their first 'in hand'.

Clearly many ringers have progressed, judging by the various footnotes to peal and quarters during 1988. It is good to know that the Guild is still active in the field of teaching.

At the 1989 A.G.M. John Girt will be retiring as General Secretary, I should like to place on record my thanks to him for all his help to me throughout many years. I am sure that this thought is echoed by many Guild members. I wish him well in his retirement from office but I am sure that he will continue to make his mark on our affairs. If I am re-elected in 1989, it will be my last year that I am prepared to serve as Master, so please bear this in mind over the coming year.

Finally I would like to thank all members for the welcome and support I have received during the last year and wish you all a sucessful and pleasurable 1989.

Stephen D.Pettman.

PUBLIC RELATIONS REPORT

The most encouraging thing to report is that there are so many encouraging things to report! Space allows only a brief summary.

First, towers that are intending to restore their bells, Framlingham and Worlingworth have both had inspections and quotations and I expect to be speaking to their PCC's this spring. Horham are forming a link with Horham Mass. USA; Hoxne too, having had a 'Guild' talk, are hopeful with their plans.

Boxford - this project, a quite daunting one in terms of money required (150,000 possibly) have made a marvellous start and the July weekend there was a real tour de force. My thanks especially to Dennis Bugg, Ralph Earey and other S.E.District members and for the Edwardstone support. It would have been nice to see a wider Guild representation at this major event but, nevertheless, a good start and a valuable exercise in public relations. The Fund has passed the 27,500 mark.

We had the presence at the AGM's of both the Suffolk Historic Churches Trust, when Ranald Clouston gave an excellant talk and handbells were rung, and the Ipswich Historic Churches Trust, through whom we liaise for the redundant churches with rings - St Clements, St Stephen, St Lawrence and St Nicholas and indirectly with St Mary at Quay.

Other P.R. opportunities were the Open Day at St Peter's Sudbury, the initiative of Maurice Rose, for Friends of Suffolk Bells - sadly very poorly attended but again valuable experience; handbell ringing at Littlewoods Store in Ipswich for the Hospice; the Orwell Walk, ringing for Cancer Care, Hospitals and Freemen of England services at St Mary Le Tower. We were also invited to ring for the Royal visit to Helmingham Hall.

Two unusual enquiries came my way for information about ringing. One from the Glasgow Herald, the other from the Christian Science Monitor in the USA.

In addition to the work by our Technical Advisers and Restoration and Maintenance Committees, I have given advice, talks or had contact with, on your behalf, Mendlesham (sound control), Little Blakenham, Nettlestead and Baylham (church guides), St Matthew's Ipswich (starting a new band), Bedfield and Monk Soham (storm damage), Witnesham, Bramfield, Bildeston, Framsden (louvres) and S.S.Mary at Elms and Nicholas, Ipswich.

Now for some general matters of interest and, I hope, help. I act as contact with Diocesan House on the matter of disposal of redundant bells. May I offer help when enquiries are made for Duke of Edinburgh Award or Scout/Guides campanology badge. On your behalf too, I maintain contact with the Diocesan Architects and also issue details of the year's Confirmation services to District Secretaries - important, I feel, we ring for these. Talks planned for 1989 in addition to above are Wickham Market: BT Martlesham and Ipswich Rotary.

It has been my privilege these last twenty years, though tinged with sadness, to write the obituaries for our Report. May I just say I am always pleased to receive whatever information the membership can provide - after all, our Annual Report is a pocket history too, and it is right for us to record detail about our departed brethren.

Finally, on a very happy note indeed, I am delighted to announce Mr Edward Vestey's agreement to suceed his worthy father 'R.A.' as patron of the Guild. We are grateful too, for his generous donation towards our funds and his identity with our work.

I look forward to vigorous P.R. involvement from as wide a range of members as possible during 1989 - do please contact me if I can help.

George W.Pipe.

MAINTENANCE OFFICERS REPORT

The list below shows that 1988 has been another busy year for maintenance on the towers, bells, and fittings in our county. Although the maintenance team always find enough work during the year to keep themselves busy we are always glad to hear from ringers discovering problems when out ringing peals, quarters or just visiting the towers which do not have a regular band.

In September we had a very sucessful and useful Steeple Keepers Seminar benefitting most if not all the people who attended.

The workload for the maintenance of the towers in our county always exceeds the supply of labour available and therefore if you are interested in helping with some practical work please contact a representative of the Maintenance Committee.

The towers that have featured in the three committee meetings and those which have come to my attention during 1988 are listed below.

Ampton - The treble wheel is warped, steel work is to be fitted to straighten the wheel. **Badwell Ash** - Some ropes have been replaced. **Baylham** - A new stay has been fitted to the fifth bell. **Bedfield** - There is a possibility of moving the bells in their present state to a lower position in the tower to prevent strain on the tower top. **Brampton** - The tower suffered some damage in the 1987 storm. **Brandeston** - The clappers have been tightened and new ropes fitted. **Charsfield** - The wooden pulleys have been smoothed to stop the chiming rope jamming. **Clare** - A new roof has been put on the tower and the walls repointed. **Copdock** - The Tower has been cleaned out but unfortunately there is no ringing due a crack in the tower. **Dallinghoo** - A pulley has been fitted to the single bell to enable it to be chimed. **Dennington** - The fifth bell was hitting the frame but since the removal of some rust it no longer hits. **Easton** - The tenor headstock crack was inspected & was found to be dormant. **Framsden** - The stonework of the lourves is loose but will be repaired in the near future. In the mean time the bells are still unringable. **Glemsford** - The stay mechanism is being updated. **Great Ashfield** - Some ropes have been replaced. **Holbrook** - The bells have been inspected, a pulley wheel is to be replaced and the grease in the bearings replaced with pads and oil. **Horringer** - The bearings have been repacked. **Ipswich St.Clement** - The tower has been cleaned out. **Ipswich St.Mary Le Tower** - An experiment using a set of 7.5" diameter plastic pipes to improve the external sound of the front eight was unsucessful. Some bricks are now to be taken out of the louves to try and produce the desired result. **Monewden** - A set of wooden rope shoots and a brand new set of ropes have been fitted. **Monks Soham** - The S.W buttress has been damaged by the 1987 storm. **Palgrave** - The tower is in scaffolding - I assume for repointing. **Rendham** - The bearings have been cleaned, reoiled and the frame tightened. **Rickinghall Superior** - The treble stay is cracked. **Stansfield** - New ropes have been fitted. **Sternfield** - The four bells have been inspected but they are in poor condition with no wheels and a corner of the frame is rotten. **Stonham Aspal** - All the clappers have been checked and the loose ones repositioned and tightened. **Syleham** - An enquiry has been made about possibly chiming the three bells. **Thrandeston** - The bells are unringable because the frame corner is damaged. **Walsham Le Willows** - The fourth bell has been replaced and the whole peal has been rehung. **Wickham Market** - The back four headstocks are cracked and the bells will be unringable until these are replaced by Whitechapel. **Witnesham** - Some work has been started to make the bells ringable. **Ufford** - The bells and fittings have been inspected and an extra new pulley on the third and other minor work is required.

The following towers have shown interest in partial or complete restoration:- **Fakenham Magna, Framlingham, Worlingworth.**

The following tower has shown interest in augmentation:- **Metfield.**

Ralph Earey

TECHNICAL ADVISER'S REPORT

The past year has been one of mixed fortunes with the completion of the Restoration at Walsham Le Willows on the plus side, offset by the decision of Chediston P.C.C. not to proceed with their proposed restoration because of the lack of finances.

At Walsham Le Willows the six bells have been rehung with new fittings, including ball bearings in the existing Day frame dating from 1900. The original fourth bell, cast by S.Tonni II in 1576, has been replaced by a new bell cast by Taylors. This was because the original bell was found on arrival at the foundary to be too thin for tuning.

At Fornham St.Martins the ring of six will soon be in need of a major restoration. The Frame, fittings and five of the bells date from 1844 with the fifth bell being recast in 1908. The bellframe, by G.Bullock of Ixworth, has areas of decay which have weakened an already not very substantial structure. As a result there are considerable movements when the bells are rung in full circle, which cause difficulties in the handling of the bells, particularly for the light treble bells.

At Bramfield restoration work on the detached round tower has been completed, enabling this ring of five to be once more rung in full circle following some maintenance work carried out on the bells by Trevor Hughes.

Four of the headstocks at Wickham Market are being replaced following the discovery of cracks. I am concerned that this should happen with an eight year old job, but it shows that regular inspections by steeple keepers should be made what ever the age of the bell installation. The cracks in the tower here are still being monitored with a slight widening of approximately one thousandth of an inch over the past year.

The church tower at Bredfield is also cracked in all four walls and an inspection has shown these to be active. Some strengthening of the tower walls will be necessary to prevent these cracks spreading into newly restored exterior work. Once the tower has been strengthened ringing of the bells at their current level within the tower should be possible without causing further damage. The fittings and frame here date from 1890 when the bells were restored by Days of Eye. The bearings are worn as are the clapper joints allowing the clapper balls to roll around the inside of the bells after striking.

At Worlingworth quotations have been received by the parish from both of the foundries with a view to restoring the eight bells here, which will need to include the recasting of the cracked tenor cast by Thomas Mears I in 1804.

The ring of eight at Framlingham are now in need of restoration. They were last rehung in 1892 by George Day of Eye with a new frame and fittings. The fittings are now well past their design life as evidenced by the knock in the bearings and their inablility to retain any lubricant. A restoration of these bells is being considered by the parish.

At Boxford the parish have started the task of fund raising for the restoration of the eight bells here but there is still some uncertainty over what work will be required on the tower before the bells can be rehung in a new frame situated lower in the tower than the present structure.

Ian J.D.Whitear

SUMMARY OF 1988 MEMBERSHIP

District	Ringing Members Adult	Juniors	Associate	Totals 1988 (87)	% Vary.
North East	98	18	5	121 (133)	-9%
North West	98	9	1	108 (113)	-4%
South East	206	45	12	263 (233)	+12%
South West	116	30	12	158 (145)	+9%
Guild Totals	518	102	30	650 (624)	+4%

INDEX AND DIRECTORY OF TOWERS

The following table is used to show the condition of the ring:

10 - Excellent, Ball bearings, modern frame and fittings.
9 - Excellant, Plain bearings, modern frame and fittings - or ball bearings in an old frame.
8 - Good going order.
7 - Fair going order.
6 - Poor going order.
5 - Ringable if cleaned up and odd fittings and ropes provided.
4 - Ringable with difficulty/a degree of risk after making repairs.
3 - Unringable mainly because of tower and/or frame arrangement and positior
2 - Unringable mainly because of frame and/or fittings.
1 - Hung dead
0 - Some bells unhung on the ground.

Key to the Table.

OBITUARIES FOR 1988

Charles Baldry - Worlingworth

Charlie - ruddy of countenance, was always pleased to see you, always there to give a warm welcome to WARL'N'WUTH. He died in May aged 75, one of a loyal call-change band that looked after several towers in the area. He was our last link with Edgar and David Collins who rang in the long peal at Debenham in 1892.

Charles Brown - Wingfield

Four score years and six, a good innings for a good man and one of the identities of the Wingfield area - fine churches, good farmland in the Waveney Valley and a band of ringers always prepared to use their resources wisley and manning several towers. What a privilege it was to attend his funeral service.

Dudley Hayward Pells Buxton - Rushmere St Andrew

This quiet, modest gentleman did a great deal for ringing both here and during his time in Surrey. A devoted Churchman and loyal member of the Rushmere band he taught scores of ringers and was no mean performer himself with peals up to Stedman Cinques. Dudley loved his family, his ringing, especially outings, his fellow men and above all his God.

Edwin T.Chapman - Gosberton, Lincs.

Ted was a school teacher and spent some time in Norfolk in the late 1950's ringing several peals in Suffolk. He loved his ringing; 'Go-anywhere Ted' Lester Brett used to say of him when he was Master. He was a fine performer on all numbers and now his is a sad loss in South Lincolnshire.

Stephen Claridge - Wickham Market

Stephen's tragic death at 45 reminded us that life can be fragile but how glad we were to have known him. He was an enthusiastic member of a wide group that brought new energy to ringing in several towers around Wickham. A keen community man too.

Edward Edwards - Stowmarket

One of hundreds of people up and down the land who Sunday by Sunday quietly go about their business of service ringing - perhaps only call changes but sounding God's message to His people and enjoying the skill and camaraderie in so doing.

George Ellis - Rattlesden

Living in Suffolk from 1964 George was Tower Captain at Rattlesden - that pretty church high above the village stream. The community will miss his contribution to everyday life there.

Archibald Arthur Fitch - Sudbury

Although a keen supporter of Sudbury towers - he was so trilled when St Peter's and St Gregory's were both going - a little impatient that All Saints were not - one remembers Archie mostly for his love of new towers mostly garnered, in all weathers, by motor cycle! He was also a very hardworking and efficient District Secretary from 1945 to 1951; report and

accounts right on time. One happy memory was seeing him at the Edwardstone dedication - something he admitted he hadn't expected to see!

Bertie Gogle - Yaxham, Norfolk

One of the best-loved and well known Norfolk ringers of the last sixty years Bert died, in the summer, at the fine age of 89. His early ringing was in the Wisbech area with Fred Wigmore and around Fakenham - never a strong area. He was a close friend too, of the great Tony Price. Post-war he became one of Nolan Golden's band and what good things they did for thirty years - a great crowd. Bert could ring on all numbers and was a competent conductor too. We were always glad to see him in Suffolk.

Alan Leach - Debenham

When Debenham was chosen as the tower for a pilot scheme in teaching by Howard Egglestone, Alan came forward as one willing to be taught. A great help and support he was too and those efforts of the early 70's have meant continuity of ringing there ever since.

Claude Jack Marjoram BEM - Grundisburgh

Claude was a member of the local band after 'demob' from the army in 1945. Always cheerful, especially when about his work as an Eastern Counties Bus Driver, he will be missed.

Frederick Harry Mussett - Hintlesham

Fred was Mr Hintlesham and our senior member - passing on peacefully in July at the marvellous age of 97. What tales of the village he could tell especially when the pre-war Sproughton or Ipswich ringers called at the George on their way home!

Frederick Nicholls - Ufford

The boy Freddie! - tales about his exploits especially on outings are legion and legendary, some character! Taught by the brothers Fisher, Charles and Frank and watched over by the gentle Father Herbert Drake he was a capable ringer - scoring a peal of Stedman Triples on his own bells. He liked his pint(s) too!

Charles Orves - Redgrave

One of a gallant band that rang in the local towers of the Upper Waveney Valley. Charles was essentially a six bell ringer and a loyal Sunday service man. Along with Arthur Cook of Rickinghall he did much for that part of our Guild, especially in the 40's and 50's.

Frederick Payne - Hartest

Straight after the war the name of Fred Payne appeared under the Sudbury district and for the next 45 years Fred rang in the Hartest area. He was proud of his bells and the fine church and village where they are.

Ernest George Brunning Pearce - Grundisburgh

Another character (Pickles and Nicholls on the same outing, something for the specialist!) and here one can say with confidence that a policeman's lot was a very happy one. Although learning to ring in Wenhaston in the 1920's it wasn't until he came to Sutton and Hollesley in the fifties that his ringing took off in earnest, so to speak. He rang over 650 peals, 581 of which were for our Guild.

Stanley Pipe - Grundisburgh

Living in the village all his life Stan learned to ring with his first cousin Cecil W., and several other lads just after the first world war. Although not a peal ringer he rang several quarters on the tenor behind including Grandsire Caters: the tenth member of the family to do so.

Judy Pulford - Woodbridge

Dear Judy - a fine lady and someone who will be a sad loss to Woodbridge - especially in St Mary's church life. She was a call-change ringer, taught by the late Stanley Woodard and a founder member of the Guild of St Edmund.

Walter Ruffles - Debenham

Not many ringers now have direct links with the 19th century - Walter was one. A super person, real Suffolk, even down to vernacular that is fast disappearing (hayr yew got enow' t'gither? - lovely to listen to). Walter learnt at Monk Soham and for some years knew nothing more than 'four and twenties' - extents of minimus with the tenor behind. Then came the influence of Ted Jenkins and Bill Crickmer, 'go to Debenham' they said. From then on with Bill Groom the Rumsey's, the Grimes and Tom Chappell he never looked back. A first class striker on six and eight with a sense of rhythm reminiscent of the Baileys of Leiston in their prime. Walter rang 138 peals for the Guild and several for the 'Norwich Diocese'.

Ronald Vestey Esq. - Gt Thurlow

Ronald Vestey was Patron of our Guild from 1958 until his death and a good friend to ringers and the churches of this Diocese and beyond. A devout churchman he was also responsible for the building of the mighty central tower of Liverpool Cathedral and led the appeal for own Cathdral extension. Mr Vestey was High Sheriff of Suffolk in 1961 and Deputy Lieutenant in 1970. We are glad that his son Edmund Vesty has graciously agreed to suceed 'R.A.' as our Patron - already himself a keen supporter of bells and the work of the exercise.

We also remember any relatives of our members.
May they rest in peace.

North-East District Report on 1988.

As with most years recently, 1988 had its positive and its negative side for the North-East District but progress is being made gradually in many areas and the positives seem to have outweighed the negatives.

Looking first on the bright side, it is pleasing to note developments at various unringable towers which either have led, or may eventually lead, to their being restored to a ringable condition. Bramfield's unusual detached round tower has been repaired and the bells may now be rung for short periods and their are moves afoot to improve the situations at Brampton, Thrandeston and Brome.

The district's "stalwart" towers continue to ring regularly for services and practices, as well as supporting the District Striking Contest which this year drew nine entries. Beccles earning the right to inscribe their name on the George Finch Shield again. Theirs is still the only name on it !! A pleasing development is the formation of a band in the "The Saints" (South Elmham) where help from district ringers has enabled a good nucleus of ringers to be trained. District meetings have generally been well supported and ringing at these and the monthly practices has varied from rounds to Surprise Major. The District outing in July visited six towers in Central Suffolk and was much enjoyed, although it would have been nice to see a few more members joining in. Teams from the District also fared well in the Guild Striking Contests, 2nd place in the 8-bell being a real high point!

On the negative side, ringing in this district is still concentrated in the coastal area, stretching inland to Beccles. West of this there are large areas with very few ringers, meaning that bells there are seldom rung, and it is difficult to see how this state of affairs can be improved. Meetings and practices there tend to be sparsely attended and visiting on a regular basis to train a band is not feasible due to distances involved. It is also a fact that many of the District's activities are supported by only a minority of its members and it would be nice to think that 1989 might see the regulars augmented by some of the less well-known faces at District events.

Woodbridge: Audrey Barker, Mount Pleasant, Clopton. (Grundisburgh 213)

South East District Report on 1988.

The South East District has enjoyed a sucessful year. Membership continued to grow as does the number of active towers. Sucess does not just happen, an active District Committee and particularly the work put in by the Deanery Representatives have contibuted to this, not to mention the individual work put in by ringers and bands. One problem is that a number of bands lack the resources to progress beyond call changes or plain hunt while all the more able ringers are already committed elsewhere. We need to consolidate and build on our achievements.

District practices cater for a wide range of abilities. While the planned training programme using District Practices has lost its way a little, these practices have still provided an opportunity for ringers at whatever stage.

Attendances at Quarterly Meetings has been variable, ranging from over 60 in March to just under 40 for the two summer meetings when holidays and ringing for weddings kept the numbers down. A disappointing aspect of our meetings is the number of people attending the churchs service which always seems to be less than those ringing beforehand or eating tea afterwards. The ADM, held at St Margaret's, Ipswich in December saw the election of a new District Chairman and Secretary in John Girt and Gill Waterson respectively.

The District has set up a pool of good restored secondhand ropes which are available as replacements where needed.

On the maintenance front our Maintenance Officer, David Lugg has put in a tremendous amount of work across the District at a large number of

towers. We were all saddened by the death of Steve Claridge, our assistant Maintenance Officer, during the year. Iain Mitchell was later co-opted on to the committee as his sucessor.

For the first time in recent years the District organised a coach outing on Easter Monday. The destination was Norfolk and all was going smoothly unitl we reached the Reedham Ferry. Our tea awaited us just over the water but the state of the tide prevented the ferryman from taking us across. We had to detour via Yarmouth. Nonetheless a very enjoyable day out and another outing(without the ferry) is planned for 1989.

The District Striking competition was held at Ashbocking on a sunny Saturday afternoon on earley May. With an entry of fourteen towers teams ranging from call changes to surprise minor. The judges must have had a difficult time although there can be no doubt that St Mary-Le-Tower were worthy winners with an excellent piece of ringing.

I am already mentioned the death of Steve Claridge. It has been a year in which we have lost old friends and ringing colleagues - among them Walter Ruffles, Stanley Pipe, Ernest Pearce, Dudley Buxton, Alan Leach and Fred Mussett. Their contribution to ringing over many years will be sadly missed.

Finally I would like to thank all the District Officers who have given their time and effort in 1988. Without them and the ringers who so regularly support District events we would not have such a thriving District, or such a thriving Guild.

David Barnard.

North West District Report for 1988.
Meetings were well supported on the whole except the August meeting at Hopton when only eight ringers attended. Ten new members were elected during the year. Six teams entered the striking competition and Stowmarket were the winners.
Our District outing went to Hertfordshire and we rang at Sawbridgeworth, Broxbourne, Hertford, Knebworth, Tewin and Aspenden. A joint NW/SW outing was arranged by Maurice Rose and we rang at Coventry Cathedral, Wolston, Dunchurch, Southam and Staverton. Both outings were enjoyed by all.
Seven quarter peals were rung in the District during quarter peal week.
Jim Stannard retired as District Ringing Master at our A.D.M. after five years. Joan Garrett was elected to the office and we wish her well.

Paul V.Stannard.

South West District Report for 1988.

My initial thoughts as I began to write this report were that 1988 has been a 'very quite year' in the South West District. Judging by the low attendance figures , our quarterly business meetings were obviously not very popular amongest the members and the South West District Annual Disttrict outing, which has been a regular event in our calendar for many a good year, had to be cancelled at short notice due to lack of support.

On a brighter note however, our District Striking Competition, which we had decided to hold in the evening(instead of in the afternoon as hitherto) in order to ease the problem of wedding ringing disrupting the arrangements, received much better support that it had done of late and the barbecue, which ran concurrently with the competition, turned out to be a popular additional attraction.

Our District was able to provide considerable assistance to Messrs George Pipe, Ralph Earey and Dennis Bugg in the organisation and running of the "Boxford Bells" weekend at the end of July, which attracted alot of interest and enthusiasm for the campaign by Boxford P.C.C. to raise enough monay to pay for their bells to be rung.

The joint outing with our neighbours in the North West District which Maurice Rose organised at the end of August was very well supported.

A number of personal 'milestones' have been reached by South West Members during 1988. Several have acheived 'First Quarters' and others first as Conductor and I feel special congratulations are due to Nick Wade (a former S.W. district Ringing Master) upon his election as a College Youth and also to 15 years old Katharine Whittell of the Kersey band who sucessfully acheived her ambition to ring 100 peals before her 16th birthday.

On a sadder note, I understand that George Bloomfield of Glemsford and Owen Ballard of Cavendish have now 'retired' from ringing of their respective towers. This seems as opportune moment to record our grateful thanks to them both for their many years of faithful service and to wish them every happiness for the future.

The great sucess story of 1988 would seem to be the level of service ringing which is being maintained in our district and the increased strenghts of individual tower bands.

New active towers are Stansfield and Glemsford where things have 'got going again.' Clare bells are back in operation. The newly formed Preston St Mary band is maintaining regular ringing there and has forged links with Lavenham. Long Melford bells are regularly rung by a local company, and a group of Girl Guides which has strengthened the Acton band. Rougham and Hadleigh are training new ringers and Edwardstone are going 'great guns'.

So may things are not too bad after all, and, on reflection, my earlier pessimism was unfounded. What a comforting thought!!

Rolie Whiting.

PEAL SECRETARY'S REPORT

1988 was a record year, 211 peals being rung almost half(103) being of minor - perhaps the Central Councils' message in repect of peals of minor was heard in Suffolk.

The first peal on the bells since rehanging was rung at Walsham Le Willows, and rare visitors to the peal columns included Badwell Ash,Thelnetham and Winston. A peal was rung at Poslingford on the exact centenary of the first peal on the bells , the same methods being used.

Peals worthy of individual mention include:-

Maximus - Beodericsworth S.(Ipswich 12/11) - 1st peal in the method.
Mellor S.(Painswick 30/5) - 1st peal in method for Guild.
18 Spliced S.(Ipswich 18/9) - Most S.Maximus for the Guild.

Caters - Canterbury Pleasure Bob.(Grundisburgh 12/11) - 1st peal in method for the Guild.

Major - Ytterbium S.(Debenham 20/2) - 1st peal in method for Guild.
Hollesley L.D.(Hollesley 17/4) - 1st peal in the method.
Yorksire S.(Ufford 22/10) - Rung by Beccles Sunday Service Band.
6048 Plain Bob(Stowmarket 15/10) - A long length on heavy bells.
Single Canterbury P.B.(Helmingham 6/8) - 1st peal in method for the Guild.

Minor - A great number of peals are notable in this catagory, especially the drastic increase in the number of multi-surprise peals rung. The acheivement of the year must be the two peals of 41 Surprise, includind 41 all the work at Grundisburgh (12240 Changes)
Double Oxford B.(Oakley 19/10) - 1st in method for Guild.
Four peals in one day in 28 different methods - (Burgh, Otley, Ashbocking, Grundisburgh.)

Doubles - 101m (Often 6/4) - Rung by Sunday Service Band.
183m/v (Whepstead 15/5)
St.Remigius B.(Stoke Ash 16/10)-1st in method for Guild.
Huntley Place (Wetheringsett 30/2) - 1st peal in method for the Guild.

Thank you to all conductors who have paid peal fees promptly and sorted out the usual December problems - it is appreciated.

Alan P.Mayle.

Convenant Secretary's Report

I have now completed my second year in this post and am pleased to report that the concerted effort to encourage convenanted subscriptions has resulted in sbdy-three new ones being taken out this year. This is in addition to an existing twenty-three convenants from previous sources, and has resulted in the Guild being able to reclaim £168 of tax deemed to have been deducted at source.

I would like to thank those members who have made convenants, and the District Secretaries for their assistance. However it is still apparent that many members who could covenant have failed to do so, given that the Guild has an adult membership of 496. The response of members has varied, the district with the smallest membership (North-West) has produced thirty-two new convenants, over half the total! Therefore I urge all members where possible to convenant their subscription as the procedures are relatively simple. I will gladly assist members with this task and answer any queries they may have.

The 'Friends' have also received seven new convenanted donations during the year, and tax amounting to £240 will be reclaimed on this. Hence a total of £408 has been generated for the Guild this year through convenanted payments which would otherwise have been lost, so do please convenant your payments in future.

Andrew D Fisk

Secretary's Report

As I write this report I am conscious of the fact that to many of you I may be comparatively unknown, especially in the regions beyond Woodbridge, having been a member of the Suffolk Guild for only a few years. My ringing career, though, does span some 35 years or more, firstly in Gloucestershire, then in Oxford, Liverpool and London. However since the AGM last April when you appointed me as the Guild's General Secretary, I have attempted to attend as many of the District's meetings as I could to try to get to know you. Apologies to the NW District. I promise I will visit you during 1990.

Looking back over the past 9 months, I believe the most important event to have been the launch of the 'Friends of Suffolk Bells' appeal. The county is blessed with many fine rings of bells, but at the same time has many towers that are sadly in need of restoration. We, as ringers, all derive pleasure from ringing the bells in the county, and so must play our part in ensuring that the ringers of the future also have bells on which to practice our ancient and unique art. We cannot leave it all to the small rural communities to maintain bells for our pleasure. The appeal needs the support of all of us

The Annual Meeting this year took place at Halesworth. A good number of members converged on the church during the afternoon, along three different routes, where, following a short period of ringing, the service was held. An excellent tea was provided in the nearby church hall by the local ringers and friends, after which members returned to the church for the meeting itself. There it was reported that Mr Edmund Vesty had accepted the invitation to become the new patron of the Guild. The decision to increase Guild subscriptions was ratified. A new post of Convenanting Secretary was created , and Mr Andrew Fisk agreed to take on this important work. The Chairman and all Guild officers with the exception of Secretary and Auditor were reelected. The new Auditor is Mr Peter Faiers. The retiring Secretary, Mr John Girt, was created a VicePresident in recognition of his many years of service to the Guild, and was presented with a gift of a glass paperweight from the members of the Guild.

The Management Committee, and various subcommittees have met regularly throughout the year, and members of these committees must be thanked for the hard work and dedication that they put into their various tasks, much of which takes place behind the scenes.

Those of us who attended the Guild Seminar at the end of September found it a most worthwhile and constructive afternoon. The discussions that took place (this year the topic was Recruitment and Training) were very wide-ranging, with a variety of views expressed, and valuable conclusions were reached. It is an occasion that I can honestly recommend to others. Also thanks to the hospitality of Amanda and Brian Whiting, the event proved once again to be a very enjoyable social event.

The Training Day too proved to be as sucessful as ever and thanks must be given to the organisers tutors, helpers and students for making it so.

The St Mary le Tower, Ipswich, band once again reached the final of the National 12 bell striking competition, reminding the country that Suffolk still remains a centre of excellance for ringing. In addition, a band representing the Guild this year won the East of England 10 bell striking competition . We congratulate those who took part in these events, and wish success to those who will be chosen to take part in 1990.

Finally, as I come to the end of my first year in office, I would like to thank John Girt and my fellow officers for the help and encouragement that they have given me during the change over. I consider it a privilege to have been invited to join such a dedicated team. I have found it a most enjoyable experience, and I hope that I will be able to get to meet more of you during 1990.

Bruce Wakefield

Ringing Master's Report

1989 was a relatively quiet year for the Guild. The A.G.M. saw the departure of two longstanding officers, namely John Girt and Trevor Bailey. Bruce Wakefield has made a very good start as Guild Secretary in his quiet efficient manner and deserves all our thanks for taking on this onerous task. Not many people would have the courage to try to follow in John's footsteps. Trevor was not re-elected to the Central Council, following a period of faithful service for as long as I can remember - at least 20 years. I should like to record my thanks to him.

The Guild Outing was again held in April and as usual well supported. Towers visited were Aldgate (8), Cornhill(12), St Andrew's, Lambeth(8), St John's, Waterloo Road(8) and Queen Anne Tower, Imperial College(10). The latter provided lots of entertainment\frights due to the tower sway, following a long climb. I hope everyone who attended has now recovered!

The Guild Striking Competitions were held at Buxhall (6 bell) and Stowmarket (8 bell). There were good entries for both competitions, which produced an encouragingly high standard. Both trophies were won by St Mary Le Tower but not without a fight. My congratulations to them for maintaining their high standards.

The peal week did not produce as many peals as I had hoped for various reasons. However firsts were scored in peals which otherwise may not have been attempted.

A seminar was held in September on teaching beginners and their recruitment and retention. This produced some exciting debate on methods to be used to teach handling. At the end of the afternoon lots of ideas had been discussed and I think everyone benefited. It is a shame that this now established Guild event does not attract more members.

October saw yet another sucessful Training Day, only marred by Buxhall tenor being out of action due to a faulty clock hammer. Many Guild members had the opportunity to improve their skills through theory and practical sessions. The event ended with an inter-district quiz won by the South-East District.

The quarter peal week in November was, like the peal week, a little disappointing in terms of numbers rung. However it is clear that a lot of them were specially arranged and less experienced members were helped to do something different.

St Mary Le Tower hosted one of the eliminating heats for the National 12 bell competition, in which they finished a very good second. Unfortunately they did not do as well in the final as in 1988, finishing seventh.

A band representing the Guild competed for the first time in the Eastern Counties 10 bell Competition held at Peterborough Cathedral. The team won and a very handsome trophy is currently on display at St Mary Le Tower. It would be encouraging to see members from ALL districts volunteering their services in 1990, rather than leaving it to the South East District to provide the band.

At the time of writing, there would not appear to be as many peals rung as in previous years, but n evertheless there are some good achievements. Some of these are listed below:-

Peals

50th: Marie Carson;**100th** Winston Girling;**200th** Josephine Beever;**250th** Robin Allum;**800th** Pat Bailey;**900th** Trevor Bailey;**1000th** Major, Martin Thorley.

Conductor

175th Alan Mayle;**200th** David Salter

For the Guild

200th Robin Allum, Josephine Beever;**350th** David Salter; **600th** Pat Bailey

200th as conductor for the Guild: David Salter

250th together: Mary and Robin Allum

550th together: Pat and Trevor Bailey

First pealers include: John Hobson, Hazel Meeking, Brian Martin, Karen Woods.

Handbell ringing continues to increase, notably by the Moats Tye / Fern Cottage band. This year has seen peals of 7 surprise minor and up to 12 methods minor (the most for the Guild), Cambridge, Yorkshire Major and Little Bob Royal.

Many people or whole (or nearly whole) bands rang their first in a method or most methods.

My apologies for any notable achievements I have missed or are not published at the time of writing this report.

Turning now to Friends of Suffolk Bells, a successful launch was held in July with virtually every ringable peal of bells being rung. A splendid effort by district officers and members. We received a great deal of publicity in the local press and on both the local television news programmes. However the appeal has floundered to a greater extent since then mainly due to poor attendances at committee meetings. I cannot believe that there are not at least two people in each district who are not concerned enough about the future of Suffolk bells and ringing to devote some time and effort towards this appeal. Yet there are still districts with vacancies on this important committee or representatives who, for a variety of reasons, find it difficult to attend meetings. The options are simple:either we have an active and productive FOSB committee which generates ideas to raise money and coordinates their implementation, or subscriptions are raised to a realistic level to ensure that the Restoration Fund is adequately resourced. There was more than mild concern at the last Management Committee about the fact that we were being asked to commit in grants more than we actually have available or indeed are likely to have by the end of 1990. Although it is tremendous that there is a lot of restoration work planned in the county, again the options are simple, either bolster the Restoration Fund or we step back 15 years and reduce grants to pathetic amounts. I favour the first option. Supposing we raised subscriptions by £4.00 a year which was all transferred into the Restoration Fund, this would generate about £2,500 at current membership levels - One average size grant nowadays. Perhaps now is the time to forget about fund raising activities and realistically increase our subscriptions to cover our likely needs and also possibly start to set a capital fund, which in time would reduce the need to increase subscriptions so frequently. Often quoted by those advocating increases in subscriptions are Golf Clubs, however they are an extreme case. the example I put to you is that of the Girl Guide, who pays a sub. each week. Each year the Guide has to pay a minimum of £12.00, often more. with little direct return. Any extra activities other than the weekly meeting have to be funded by the Guides participating. Perhaps we should consider £12.00 as a starting point - £1.00 a month, possibly paid by standing order.

The Guild Seminar in September which will be an open forum to discuss the structure of the Guild, its policies and activities, will I am sure address the types of issues such as funding, subscriptions, etc., so if you have strong views, make sure you are there to air them rather than moan afterwards.

Returning to less contentious issues, looking back on my seven years as master, I have been fortunate to preside over two Guild Anniversary Dinners, both of which are memorable occasions. Peal ringing has flourished, particularly 12 bell peals, and 1988 saw a new record number. Restoration work has increased with the Guild taking on a far more active role. Bands from Suffolk are now competing on regular basis in the National 12 bell Competition and the Eastern Counties 10 bell Competition.

I cannot end this report without mentioning James Smith, who has now taken up residence in Australia. James has in recent years broken into new ground for the Guild in peal ringing and throughout remained loyal to his band at Rushmere and to the South East District, where he held office until December 1988. He is sadly missed for his tireless contribution to our art. Our loss is Australia's gain.

There are many people I would like to thank for their support over the past seven years but the Report Editor will not thank me if I do it here. I would particularly like to thank the other Guild Officers, especially John Girt for his unfailing patience with me, the Recruitment and Training Committee, especially Amanda Whiting for taking a lot of work off my shoulders, and all the District officers who have always made me feel welcome at their functions. I hope my successor enjoys the same support.

Stephen D Pettman

The Suffolk Guild Handbells Trustees Report

We are very pleased to report that very good use has been made of the two larger sets of handbells throughout the year. A record £60 has been received in donations towards the cost of insurance and maintenance.

The newly restored Taylors set of twenty five bells, has been in particular demand for both tune and method ringing. Several peals have been rung on them, including a Suffolk Guild peal of Yorkshire S.Major just prior to Christmas.

The Management Committee has asked the Trustees to obtain estimates for the restoration of the Warners and Dobsons sets of bells, both of which are in fairly poor condition. The Shaws set of sixteen was restored some twenty years ago and are still in good order.

We hope that good use will continue to be made of the bells in 1990. Please contact either Trustee if you would like to borrow a set.

Amanda M Whiting

Winnie Lockwood

Librarian's Report

The Library continues to grow due to donations of books both old and new. There have been a large number of loans by the library, still remaining a valuable scource of material for those needing information.

For those who are not aware the library contains many books, lists of compositions, scrap books full of cuttings, some photographs and postcards, the Guild Album, past reports of the Suffolk Guild and pre Guild reports, a full set of Ringing Worlds dating back to 1952, also a couple of handbells plus many other articles.

They are available to any member of the Guild. I am giving up the post of Honorary Librarian this year and Jonathan Williamson has kindly (and bravely) offered to stand for election to this position.

Helen Leeson

Public Relations Report

'Public Relations' is what its name implies, our relationship & communication with the listening or interested public. So we're all P.R.O's - or should be !

Thanks to those who, in 1989 have helped promote the Guilds' work.

Elsewhere you will read of progress on various restoration projects in hand. Talks have been given at Framlingham, exhibitions & open days at Worlingworth & Metfield (a most imaginative weekend). The length of time taken to bring their endeavours to function indicates to me how important our involvement & FINANCIAL SUPPORT is. We really must move on from the the notion that the squire or that mythical 'someone' will pay for the work. The maintenance of the heritage of bells that is ours is now just a duty, it is a privilege.

Another sucessful open weekend was Bredfield\Dallinghoo. The Revd. Keith Jones of St Mary Le Tower spoke on bells on Radio Orwell, & wrote in the Evening Star as his Christmas message. He a lso vested Simon Rudd's mastership of the Tower within the Parish Eucharist thus, involving two hund red people or so. I gave talks on your behalf at Newmarket, Wickham Market, British Telecom (very captive audience there!) and our farm engagement for the Norwich Rotary Club, at the invitation of the Mancroft Master, Michael Roberts.

An interesting event for Ranald Clouston and I was the French Arts Council video on bells and ringing in Britain, resulting in two visits to East Berghoit. We thank the locals for demonstrating their skills to Madame Golfier and her team so well, thus enabling us to keep our long forgotten french to a minimum !

George W.Pipe

Maintenance Officer's Report

The list below of towers featured in the three committee meetings and those which have come to my attention during 1989 shows yet another busy year for maintenance in Suffolk towers. However, this list includes several items of work still outstanding work which requires local support and enthusiasm perhaps cleaning down and painting the bell frame work which without this support will unfortunately remain outstanding. Thanks are due to all those who have helped in anyway during the year.

Aldeburgh: Bells & fittings inspected by Taylors no need for repacking bearings at present. All iron work has been painted. **Ampton:**A lot of work is required and at present the bells are unringable. **Badingham:** There are cracks in the ring-beam and the 3rd clapper staple is loose. **Barking:** A damaged wheel spoke is to be repaired. **Bayiam:** The rope chamber floor and the treble's broken stay have been replaced. **Brandeston:** Five of the clappers have been refurbished. **Bredfield:** The tenor clapper broke and has been welded and replaced. **Broome:** The tower is being repointed. **Burstall:** The 3 bells have been inspected, ropes spliced and bearings regreased. **Cavendish:** Two stays have been replaced but the headstocks need repairing together with other belfry miantenance. **Clopton:** The ringing chamber has been moved up a floor and this has made a considerable improvement to the 'go' of the bells. **Cotton:** The frame needs repainting and the N.E. corner requires strengthening. **Dalham:** No ringing at present following quinquennial inspection which reported rotten soles on two wheels. **Earl Stonham:** The plain bearings are packed with grease instead of oil. **Framsden:** The bells are now ringable following repairs to the louvre stonework. **Fressingfield:** The 4th is loose on the headstock. **Helmingham:** The 3rd is loose on the headstock & the top ends of the ropes are in need of repair. **Hinderclay:** The frame needs painting together with other general maintenance. **Hintlesham:** The bells have been inspected and work on improving the state of the bells is to start in 1990.

Hollesley: The 6th toggle has broken, a replacement is being made locally. **Iken:** The 3rd's rotten pulley has been replaced by a secondhand unit. **Ipswich St.Clement:** A report of a knocking noise has been investigated nothing found. **Ipswich St MaryleTower:** The clapper shackle on the tenor has been replaced by Taylors to cure a metalic knocking noise. The clapper on the sharp 2nd, which has had a piece cut off the end of the flight, has now half the piece welded back on - finally curing the knocking noise. **Lakenheath:** The ringing chamber is to be moved to a new first floor. **Marlesford:** The frame is being repainted. **Monewden:** A bolt securing the frame sheared, causing the bell to fall into it's pit. The bolt was replaced and the bell rehung locally. The bells have now been lowered to the ground ready for restoration. **Monks Eleigh:** The bells have been rung with both the architect and the structural engineer present. Unfortunately there was movement in the cracks at the base of the tower. The bells therefore remain unringable for the time being. **Rendham:** The gudgeon pin on the 2nd has broken hope of rehanging locally. **Rougham:** The tenor headstock has a vertical crack. **Stonham Aspal:**Several of the bells were loose but have been tightened to the headstocks. A problem exists with tightening the bolts securing the gudgeon pins to the headstock. **Stowlangtoft:** There is some frame movement and general work is required including an additional rope. **Stratford St Mary:** New tap end fitted. **Tattingstone:** The treble pulley requires rebushing and there are signs of woodworm in the headstock. **Whepstead:** The tower is being repointed. **Witnesham:** Work has almost been completed, including fitting a wheel to the treble reinforcement of the frame and various repairs. The bells have now been rung for a short time (repairs are still necessary to the treble headstock).

The following two towers have shown interest in restoration: **Haverhill, Southwold.**

The following towers have plans to augment: **Grundisburgh** from 10 to 12. **Kettleburgh** from 3 to 6.

Ralph N Earey

Obituaries

George Broom - Otley

George ('Dawdy') learnt to ring at Clopton where his father was a call change ringer before him. A countryman through and through, he was a great racouteur, it was he who told me of the one occasion when Joseph Last at Burgh, who habitually placed his pocket watch on the floor for a peal, emphasised how good the ringing had been by bringing his foot hard down. The watch flew in to a thousand pieces !

Kitty Clouston - Hartest

A gracious and generous Christian lady, Kitty's immeasurable contribution to the affairs of the Guild was her support of Ranald, out Technical Adviser for over thirty years. Herself a ringer and teacher of ringing her many gifts extended to nursing, the Church, embroidery and so much more.

Frederick Barrett - Great Thurlow

Some thirty years ago Fred was taught by Sam Twitchett, Clare. For many years he worked on the Vesty estate. A churchman and loyal call change ringer .

Stella Magaret Foan - Horringer

A loyal & reliable member of the Horringer band for several years, she would always have a go. The raising of bells singly and her target of trebling to Bob Minor she acheived before her death. Stella and her husband Eric helped with many Fund raising events and her death is a great loss to the Horringer band.

TECHNICAL ADVISER'S REPORT

The past year has been a quiet one with regard to restoration work, but there has still been a considerable amount of effort which should bear fruit in the near future.

At Monewden it is proposed to rehang the six bells in a new frame at a lower level in the tower and at the same time install a ringing gallery. It is planned to remove the bells from the tower and transport them to the foundry early in the new year.

Plans to restore the eight bells at Framlingham are progressing and it is hoped to complete the work during 1990, the 800th anniversary of the castle. At Grundisburgh fund raising is in progress with the aim of overhauling the existing ring of ten and augmenting them to twelve bells.

The eight bells at Cotton are only rung occasionally and are in reasonable order, but the metal frame and steel support girders, dating from 1951, are very rusty and some woodworm is to be found in the elm headstocks. Both of these problems should be dealt with as a matter of urgency to prevent any further deterioration.

At Bures the bells and their fittings remain in quite good order, but the tenor clapper has excessive sideways roll due to a worn timber connector which needs replacing.

The main problem at Brome is the badly cracked base of the round tower and the state of its outer casing. These bells were last overhauled in about 1920 by 'Days of Eye' when they were hung with new fittings in a new oak frame. There is now woodworm infestation due to bird debris being brought into the tower via defective netting over the louvred openings.

At Hinderclay the six bells were overhauled and rehung with new fittings in a metal two tier frame in about 1935 by John Taylor & Co. Maintenance has been neglected since which has resulted in the frame becoming extremely rusty with no paint visible anywhere.

An inspection at Stowlangtoft, where the existing four bells hang in a six bell frame dating from 1865 , revealed the need for some maintenance work but in the longer term these bells will need to be completely overhauled.

The ring of six at Hintlesham were last overhauled 84 years ago and their present state can only be described as fair with the main cause for concern being the split elm headstock on the second bell. To keep these bells ringable will require a greater attention to routine maintenance. In the longer term the bells will need to be completely overhauled.

At Barrow the five bells remain in quite good order. Apart from the ball bearings the fittings date from 1900 and the second bell's elm headstock is seriously weakened by extensive woodworm attack

The four bells at Ampton require urgent maintenance work before they can be rung again in full circle. The frame and fittings date from 1888 and were installed by G.Bullock of Ixworth. The headstocks are in a poor state, the treble having a bad split on the north side, the third and tenor's are badly wormeaten and split, whilst the second bell is very loose in the headstock.

A trial ring of the bells at Monks Eleigh has been carried out with the church architect taking simultaneous measurements of the tower and crack movements. Unfortunately, whilst the bells were quite easy to ring and in relatively good going order, there were significant movements across some of the cracks near the base of the tower which will restrict any further progress in getting these bells ringing again in the near future.

At Witnesham it is hoped that the six bells will be able to be rung for special occasions in the near future when some restoration work has been completed.

The tenor headstock at Rougham has split, preventing further use of this bell until the headstock is replaced. The headstock for the fifth is also showing similar signs of distress and it is planned to replace this headstock at the same time as the tenor's.

With regard to the Directory of Towers there has been a major review of the information to reflect

the current estimated tenor weights and notes based on measurements taken during inspections over recent years. This has resulted in some cases to significant changes but I consider that the information contained is now a more accurate record. This means that there are now major differences with other published data such as that contained in the seventh edition of Dove.

I.J.D.Whitear

Index and Directory of Towers

The following table is used to show the condition of the ring:

10 - Ball bearings, modern frame and fittings.

9 - Excellent. Plain bearings, modern frame and fittings - or ball bearings in an old frame.

8 - Good going order.

7 - Fair going order.

6 - Poor going order.

5 - Ringable if cleaned up and odd fittings and ropes provided.

4 - Ringable with difficulty and a degree of risk after making odd repairs.

3 - Unringable mainly because of tower and/or frame arrangement and position.

2 - Unringable mainly because of frame and/or fittings.

1 - Hung dead.

0 - Some bells unhung on the ground.

Key to the Table.

North-East District

List of Officers.

Chairman: Trevor Hughes, The Brickworks, Aldeburgh (452982)

Ringing Master: Barry Pickup, 1 Brick Kiln Avenue, Beccles (715616)

Secretary & Treasurer: Ann M Lea, 2 Marsh Lane, Gillingham, Beccles (715778)

Maintenance Officer: Michael Rolph, Caroline Cottage, Sizewell, (Leiston 832263)

Asst. Maintenance Officer: Richard Raplor, 119 Saxmundham Rd, Aldeburgh (453855)

Newsletter Corresp: Sarah Plummer, 25 Park Drive, Worlingham, Beccles (715472)

Representatives on Guild Committees:

Management: Ann M Lea, address as above

Recruitment & Training: Ann-M Lea, address as above

Restoration & Maintenance: Richard Raplor, address as above

Friends of Suffolk Bells: Vacant

Deanery Representatives:

Beccles: Barry Pickup, 1 Brick Kiln Av, Beccles (715616)

Halesworth: Jack Thurlow, Gable End, Chediston, Halesworth (2274)

Hartismere: Vacant

Hoxne: Robin Allum, 28 Mill Road, Laxfield, Woodbridge, Ubbeston (790)

Saxmundham: A Harry Archer, 56 Saxon St.,Saxmundham (2855)

North-East District Report on 1989.

Although attendance at the quarterly meetings has averaged thirty during 1989, there has been a number of new members elected. Seven junior and twelve ringing members.

As well as ringing continuing at the more established towers in the district it has been encouraging to note a new band has been formed at Stradbroke by Robin Allum, and that eight of the new members elected are members of the Stradbroke team.

Unfortunately, the district striking competition was cancelled due to lack of support, this situation hope fully will be rectified in 1990, as a more central venue has been chosen at Blythburgh.

District practices have been held between the quarterly meetings, and have attracted welcome visitors from other districts, some have been very well attended whilst others, although short on numbers have benefited those who attended.

The new officers elected during 1989 are looking forward to 1990 and hope to continue to encourage all ringers in the district.

South East District Report on 1989.

The South East has enjoyed another varied and successful year with progress made across the district. Our district practices and meetings held on the first Saturday of each month have been well attended and it's been particularly pleasing to see several new faces joining the band of 'regulars' - we hope to welcome more of you in 1990.

The district striking competition held at Earl Soham in May was one of the high spots of the year with a record seventeen teams taking part. A minor miracle of timing and planning by the ringing-master resulted in everybody ringing their set piece in time for the church service, with St Mary-le-Tower beating Grundisburgh 'A' into second place and taking the trophy once again. If any extra teams enter this year we may have to make it an all day event!!

In March a merry band of South Eastern members travelled westwards to Cambridgeshire, picking up one or two South-Western oddments on the way, for our annual district outing. The sun shone down on us and it was impossible for anybody not to enjoy the day with its

assorted bells and lovely villages. This year's outing is to Hertfordshire and we look forward to another day of ringing.

The launch of the 'Friend's of Suffolk Bells' in July saw the bells rung at every ringable tower in the SouthEast with roving bands of itinerant ringers reaching the parts other bands couldn't reach. If you havn't had the pleasure of ringing at St Stephen's in Ipswich then I can thoroughly recommend it for your next outing: Otley and Sproughton bells were televised with a high standard of ringing at both.

The district maintenance team of David Lugg, Iain Mitchell and others have put in a lot of hard work over the year. Both Witnesham and Framsden have been made ringable again after many years of silence and we look forward to the rehanging of Framlingham and Monewden bells and the augmentation to twelve of Grundisburgh.

Two new faces have joined us on the district committee for 1990. We welcome Yvonne Cole who replaces Shirley Girt as Ipswich deanery rep. and Philippa Rixon who bravely volunteered to take over as newsletter correspondent for Dennis Bugg.

A thought to leave you with:- for the future of the district we must continue to put our time and efforts into recruitment and retention of new ringers. I believe there is no single, magic factor that enables us to do this but that it rests with each and every one of us to help in small ways by the welcome and encouragement we give in our home towers. My thanks to all of you who have supported the district in 1989.

Gill Waterson (S.E.Secretary.)

Thingoe: Mary Mitchell, 11 Manners Road, Fornham St Martin, Bury St.Edmunds (761266)

North West District Report 1989

The North West District has had another good year with all ringing and social events being well supported. Special methods were chosen for the meetings and all were rung.

Eight teams entered the District striking competition which was won by Stowmarket.

The District outing went to Bedfordshire and the joint outing to Leicestershire.

A treasure hunt and bar-b-que were also enjoyed. The N.W had an open towers day as part of the launch of 'Friends of Suffolk Bells'. This attracted several ringers from other parts of the country. In December the District had a Christmas dinner at Beyton White Horse.

Fourteen new members were elected during the year. We look forward to seeing them at future meetings !

Sadly Stella Foan at Horringer died during the year, her determination was an example to all.

On a happier note the bells in the district were rung to celebrate personal milestones: Winston & Sue Girling their Silver Wedding; Winifred and Henry Ivings, Beatrice and Harry Fuller their respective Golden Weddings and Charlie Stannard his 80th birthday. All have given valued service to the life of the district for many years.

Sudbury: Ranald Clouston, Pippin Cottage, Shimpling Road, Hartest, Bury St Edmunds, IP29 4ET, (Bury St Edmunds 830087)

South West District Report for 1989.

Having been invited to write a report of the major activities in the S.W.District during 1989. I have been 'racking' my brain to find something to say.

The one social event of our year was the District Striking Competition held at Preston St Mary at the beginning of July. This followed the same pattern as the 1988 competition being held in the evening in conjunction with a bar-b-que provided by members of the local band which was very well patronised.

Only three business meetings were held during the year instead of the customary four. Each of these meetings attracted a reasonable attendance by district members and the experiment is being repeated in 1990.

Although there is a low level of activity Guildwise in our District we have maintained a good record at local level. There are 23 active local tower bands who ring regularly every Sunday and the remaining seven towers are manned on special occasions by local arrangement. Sadly there is still no resident band at St.Gregory's Sudbury, so these bells continue to be rung entirely by ringe rs from the surrounding district.

Regular practices are being maintained at St.Peter's Sudbury on the second and fourth Wednesdays of each month under the captaincy of Alan Mayle: visitors are always welcome.

It is pleasing to be able to report an increase level of activity in the Lavenham deanary where there are currently strong local bands ringing at Rattlesden (where a considerable amount of maintenance work has been carried out by local ringers to improve the 'go' of the bells), Drinkstone and Woolpit and several of these good folk have been have been elected to District Office for 1990.

Several other new names appear in the list of District Officers for the 1990 and hopefully our District will have reaped the benefits of an influx of fresh ideas by this time next year.

Lastly on a personal note, I have decided to take a rest from the awesome responsibilities of Guild Office and would like to pinch a few lines of my allotted space to express my grateful thanks to all the good people who have befriended me during my excursions around the diocese on behalf of our Guild(whilst wearing a variety of official hats) and to wish every one who undertakes any sort of office the very best of luck (especially the District Secretary!!)

Rolle Whiting.

Peal Secretary's Report

After 1988's record 211 peals, it was likely that 1989 was going to be less notable, but with a total of 158 it was no disappointment. The peal at Whepstead on 15th May 1988 (183m\/'s) is currently under discussion by the Central Council at it apparently fails to meet the rules and past decisions of the Council. This matter will be decided at the 1990 meeting and may need amending in the Guild Report.

1989 produced many good performances in a wide field of methods and towers. Rare visitors to the peal coloumns include Clopton (last peal 24\12\48 according to my records!), Peasenhall (78) and Yaxley (76). Peals were rung by the Guild outside the county at Ashford, Kent; Bedford; Gt Yarmouth; Kirby Le Soken and notably Inveraray Scotland. A peal was rung at Saxmundham (14\1) to mark the centenary of the first peal on the bells. The increase in handbell peals is very encouraging in methods up to 7 surprise methods and Yorkshire S.Major, I feel that it's a pity that other handbell peals rung in the county are being credited to other Guilds and Associations or worse still published as Non-Association.

Peals worthy of individual mention include:-

MAXIMUS

Yorks S.(Ipswich 11/2) - To mark the 50th anniversary of the 1st peal in the method, also at Ipswich.

ROYAL

Single Canterbury P.B.(Bury St Edmunds 8/7) - 1st peal of Royal in the method for the Guild

MAJOR

Xalanga S.(Aldeburgh 10/9) - 1st peal in method for the Guild

D.N.C.B.(Wilby 18\3) To mark the 50th anniversary of Pat Canon first conducting a peal of DNCB, ru ng at Wilby for the Guild (19/3/39)

Single Hunslet B.(Eye 18/2) - 1st of major in the method for the Guild.

TRIPLES

Hunslet B.(Helmingham 3/6) - 1st of Triples in the method for the Guild.

MINOR

Single Cumbria P.(Peasenhall 14/5) - 1st in method for the Guild

Delight 7m.(Rougham 20/5) - 1st of 7 Delight for the Guild

Cambridge S.- Variable Hunt (Tannington 6/5) - 1st variable hunt by all.

Single Wreford B.(Yaxley 8/4) - 1st in the method for the Guild.

DOUBLES

Stedman - 42 different extents (Buxhall 12/3)

Wainfleet P.(Earl Stonham 12/3) - 1st in the method for the Guild

Blackburn P.B.(Hevenlngham 22/4) - 1st in the method for the Guild

81m (Badingham 8/12) - A series of multi-method peals, presumably not yet complete !

"POST-SCRIPT NOTES" to the 1989 Accounts

Restoration Fund - Income v Grants Approved

The attached chart details the original sources and the annual commitments to Grant-Aid over the last four years.

As can be seen, whilst the inflow of funds, overall, has been rising we have 'approved' grants at a much faster rate (1988 excepted) - The dangers of allowing this trend to continue are all too obvious! We need to address the problem, now!

For 1990 your Management Committee have already endorsed recommendations for new initiatives in supporting a drive for;

(i) New members - Membership numbers in 1989 were slightly down on the previous year. A target of 10% increase for each of the four Districts should be achievable.

(ii) Covenanted Subscriptions - The scheme is now up-and-running but needs (and deserves) more 'followers'. (See separate report form the Covenant Secretary) - Please contact Andrew Fisk today on 0359/Pakenham - 31382 - or at the AGM .

(iii) Friends of Suffolk Bells - Contributions from the "Friends" is rising most generously - but more 'friends' are needed. Surely it ought to be possible for most (if not all) adult ringing members of the Guild to encourage and enlist the support of one new 'Friend' for 1990 ?

For 1991 - I believe we need also to increase, substantially, our hitherto modest contribution from the Guild's General Funds - even though this will mean putting up subs! Just look again at the Chart - In 1986 the General Fund Subsidy for Restoration Projects was nearly 40% of Restoration Fund Income. Last year-(1989)-it had actually dropped to about 23% and yet, on the other hand, total Grants 'requested and Approved' had risen from £2680 to £9540.

The figures speak for themselves-but if any member is still unconvinced let them consider;

(a) The enormous potential we all know exists in this Diocese for extremely worthwhile Restoration projects.
(b) The number of new projects we know are already in the pipe-line or are under consideration.
(c) The fact that, in the first two months only of 1990, your Management Committee have received and approved requests for Grants totalling £4,225. (Which we don't yet have!)
(d) What immense privileges and opportunities membership of the Suffolk Guild provides. How does each one of us value our many friendships within the Guild ?

Please consider all these facets, facts and figures -most carefully - then be sure to come along to the AGM and let your view on this important subject be heard.

(Terry Howe) Hon. Treasurer 24.2.90.

Terry Howe

Calendar of Events 1990-91

1990

April

28 Guild Outing to London

May

Guild Seminar on the Proposed Reorganisation of the Guild

- What do you want from your Guild in the 90's and beyond ?
- Here is your chance to say what you really think and how you would like to see it altered.
- It will be no good what so ever if you start moaning after the reorganisation. Every one has had the advanced warning of the event. The venue will depend on the numbers attending. Further details to follow.

It is your chance so use it !!
