Foreword from the Chairman

2010 has been another successful year for the Suffolk Guild. Apart from the considerable ringing achievements (detailed in the Master's Report) the year saw the arrival of our new mini-ring, thanks to the generosity of our Patron and his family, its debut before 20,000 members of the public at the Henham Steam Rally, and the high-profile dedication service at Bury Cathedral. The Guild Social event, the Quiz at Ringsfield, was a triumph for the NE District, and we had a bumper attendance at the AGM at Ixworth, which included the very successful "fringe" meeting on Heritage Lottery Funding. Perhaps the biggest achievement, though, has been the launch of "Awl A'huld" our periodical magazine that I hope members will agree to continue when the matter is debated at this year's AGM.

One of the most satisfying things about ringing in Suffolk is the number of young people who are coming to prominence, and who promise a bright future for the Guild. In all corners of the county teenagers, some of whom only started to learn the day before yesterday (so it seems!), are now stalwarts of their local bands, and are ringing peals and quarter peals regularly, and putting more experienced ringers to shame with their striking. Two of our four districts have appointed under-eighteen year olds as Assistant Ringing Masters We must do what we can to encourage and support the new generation, including providing transport, tutorials and helpful advice. We do have to be mindful of Child Protection issues, but these problems are largely overcome by sharing the burden between members of the band, thus strengthening the team ethos that is so important in ringing.

As usual I am most grateful to your Guild Officers for the work they do in making things run smoothly. In particular, Mandy and Gordon have slotted seamlessly into their roles as Secretary and Treasurer respectively The biggest accolade, though, goes to Richy who retires as Master this year after five years of outstanding service in that role. He has earned a rest, but I hope we can find another role for him to make use of his expertise. After all, we do have to encourage youth!

Philip Gorrod, Guild Chairman

Trustees' Annual Report

The Trustees present their report and financial statements for the year ending 31 December 2010.

Charity

The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The charity's registered address is 21 Old Ipswich Road, Claydon, Ipswich IP6 0AB. It is governed under a constitution originally registered in 1977 and most recently revised in 2010.

Principal Objectives

The purpose of the charity is to promote and encourage the practice of bellringing within the Diocese of St Edmundsbury and Ipswich; to recruit, train and encourage bellringers in the practice of their art; and to cultivate the art of scientific change ringing, and to promote and advise on the preservation of bells in an efficient condition.

Trustees

The Trustees during the period were;

Chairman :	PJ Gorrod
Treasurer:	K Ashton Jones (to 10 April 2010); G E Slack (from 10 April 2010)
Secretary:	M S Garner (to 10 April 2010); A J Shedden (from 10 April 2010)

Review of Progress and Achievements

Bellringing Activities Throughout the year ringing has taken place for services in many of the (approximately) 200 towers with bells in the Diocese. Regular practices have been held in around 100 towers where training takes place for beginners and more experienced ringers. Each of the four Guild districts held monthly activities, both ringing and social. There were 135 peals rung for the Guild during 2010 in 57 Suffolk towers and 6 outside the county. Quarter peal ringing increased significantly once again to 594 quarter peals and this enables many ringers to improve their skills. Recruitment and Training strategies have been developed to maintain the improvement of skills in the Guild.

Restoration Activities A new grant application was received from Bury St Edmunds (Norman Tower) and projects at Hopton, Dennington and Wissett were completed, with much progress at Campsea Ashe. These projects employing professional bellhangers also use local labour from the ringers and congregations to assist wherever possible. In addition to work carried out on many towers by members of the Belfry Advisory Committee, two very successful maintenance courses were run by them for Guild members.

Guild Finances

Policies. All money in the Guild's funds not required for day-to-day working purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee. Grants from the Restoration Fund are authorised by the Guild Management Committee but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

General Fund. General Fund income, at £4,791 (after transfers to Restoration and Library Funds) represents an 8% increase compared to 2009. Excluding the purchase of the mini-ring, which has distorted the figures, General Fund expenditure has slightly reduced from last year. The production of three issues of a full-colour printed magazine in place of the photocopied newsletter was the only significant increase in expenditure. The increase was partly offset by additional advertising and this could prove more fruitful in the future. The membership will be invited to decide at the AGM whether they wish to continue with this publication.

Restoration Fund. For the second year in succession, Restoration Fund income has been affected by low interest rates with interest income this year at just over £300. At 2008 rates it would have been over £3,500. Excluding interest received, and transfers from the General Fund, income at £4,630 showed a 7% increase over 2009. Grant approval during the year totalled £5,500 (nil in 2009). The sum now available for allocation to new projects stands at £35,625.

Payments of previously allocated grants, totalling £18,000, were made for three projects completed in the year. The amount reserved for grants allocated to a further three projects still in progress stands at £18,100.

Mini-Ring During the year the new Guild Mini-Ring arrived and the old mini-ring was sold. The outstanding generous donation from the family of the late Edmund Vestey to fund the new mini-ring arrived too late to be included in the 2010 accounts, so in 2011 the General Fund will benefit from the remaining instalment.

Summary. The Guild finances remain in a reasonably healthy state, with the General Fund balance maintained from the previous year. The Restoration Fund again has a healthy balance available to contribute to projects that may arise in 2011.

Belfry Advisory Committee Report — Jonathan Stevens

This has been yet another busy year for the BAC during which we welcomed two new members; Carol Girling, long known for her sterling work alongside Winston, and Martin Croucher, who as a chartered structural and civil engineer adds further strength to an already strong team.

We had three meetings; these were held at Barking, Ipswich St Lawrence and Sudbury St Gregory. The approved minutes of BAC meetings can be found on the Guild website; these make interesting reading, showing the breadth of the work the BAC does caring for the Guild's towers.

Four restorations came on stream; Campsea Ashe, Dennington, Hopton and Wissett. Each had its own challenges, the heritage issues at Wissett needing particular care to resolve.

We ran two very successful belfry maintenance courses; one at Rougham, the other at Laxfield and Fressingfield. These had an in-depth theory seminar followed by practical sessions up the tower and on splicing ropes. Next year the emphasis will be on showing individual towers what to do and how to do it.

We have seen a lot of restorations over recent years; these installations need looking after just as much as our older rings if they are to be the pleasure to ring on they should be. Don't be content with poor going and odd-struck bells. The BAC is a valuable Guild resource; use it to ensure Suffolk's bells are in top condition.

RINGING MASTER'S REPORT — RICHARD MUNNINGS

All good things have to come to an end and so I find myself writing my last report as Guild Ringing Master after a thoroughly enjoyable five years.

I can't claim it's all been sunshine and flowers and I've been frustrated by the lack of enthusiasm by so many members in attending the social outlets that the various district and Guild practices, meetings, striking competitions, outings and socials represent. Some people spend much time and even money in preparing teas or booking towers all for large swathes of members to ignore their efforts often for no good reason. Yes, there can be travelling and time involved but these events are all set up to help those learning and need learners and experienced ringers in equal abundance to make them truly worthwhile. In any walk of life people come and go for various reasons and you need to make sure there are others coming in to replace them. That's why learners are welcome and indeed necessary and experienced ringers are needed to help guide them through. This applies at a tower, district and Guild level. So whatever level of ability you consider yourself to be at, come and support us to ensure that ringing can continue in Suffolk and importantly that all enjoy it!

Whilst this aspect of our Guild has remained, on many occasions there have been promising signs. There were finally over a hundred members at the most important event of the year, the AGM at Ixworth and although the meeting was one of the longest for some time, the rest of the day was a very, very enjoyable occasion with ringing at several towers, a fringe event, a superb tea and of course a good crowd in the pub afterwards!

This year William and Kate have ensured that there is an extra Bank Holiday on AGM weekend so people can get those odd jobs done and still attend what promises to be a wonderful day at Henley, my last as Ringing Master.

Growing crowds at the AGM have been a positive in my time as Master (though not necessarily down to me!) as have the fantastic turnouts at the Guild Striking Competitions, helped – I believe – by the introduction of the call-change element in the shape of The Lester Brett Trophy. In 2010, this was won by Debenham and The Mitson Shield by St Mary-le-Tower in the six-bell competition at Hasketon, whilst the North-East District were the worthy recipients of The Rose Trophy at Woodbridge in the evening. Well done to them and thank you to the judges Alban and Chris Forster, David Stanford and Jonathan Dickenson on sharing the duties.

Peals are another element of Suffolk ringing I have been very happy to see flourish, especially with the Guild Peal Week. This year's SGPW equalled that of 2009 in numbers and again contributed a healthy number of first-pealers and first-time conductors, providing all four first-pealers and two of the three first-time conductors.

Overall there was much achieved in peals, particularly with the following;

1st peal - Michelle Williams, Alex Tatlow, Alison Evans & George Salter
1st as conductor - Tom Britten, Philip Moyse & David Potts
1000th as conductor for the Guild – Stephen Pettman
850th for the Guild – Alan Mayle
600th for Guild – Mary Dunbavin
300th for Guild – Mary Garner
50th for Guild – Peter Harper, Gordon Slack
1700th as conductor & 2600th – David Salter
1300th – Gordon Birks
1000th – Adrian Knights

1000th together – David and Katharine Salter (1st Suffolk born couple to achieve this)
800th – Michael Edwards
500th – Winston Girling
450th as conductor – Alan Mayle
400th – Richard Rapior
200th – Thomas Scase & Peter Harper
25th – Tom Britten

Well done particularly to Arnie, who has deservedly reached his 1000th after decades of service to the Guild. Personally I have been greatly helped by his advice, often over a pint or three! I know this has been the case for many.

There were also significant peals rung at Fressingfield (first since being rehung), Campsea Ashe (last before restoration and augmentation) Dennington (first since restoration) and Bardwell (first since restoration and augmentation). Other notable peals included the impressive completely resident Reydon pealband and the first peal of Stedman Triples by a resident North-West band.

I often think that quarter-peal ringers don't always get the recognition for their achievements. Part of this is due to the sheer numbers rung by our members compared to peals and so from a practical side of things I couldn't possibly acknowledge everything done through this medium over the year, though I try to on my daily blog on the Guild's website. However, particular congratulations to Alex Scase, Mike Hill, Erin Coolbear, Joan Clinton, Catherine Looser, Richard George, Helen Naughton and Giles Croucher who rang their first quarter in 2010, Davids Steed and Howe on calling their first and at the other end of the spectrum Mike Whitby who rang his 1300th and called his 900th, Josephine Beever who rang her 900th and Marys Allum and Garner who rung their 800th. Well done to Pettistree and Offton in particular who again led the way in both numbers and variety.

Congratulations to all who achieved something either in a peal or quarter and apologies if I've missed anyone. There's just been so much going on.

As usual, dedications were a highlight of the year as they have been throughout my tenure and in 2010 I was delighted to help local and Guild ringers celebrate the projects carried out at Dennington and Ixworth as well as the dedication of the Guild's new mini-ring, the Vestey Ring at Bury St Edmunds Cathedral. All wonderful occasions.

The Vestey Ring is something we must make the most of. It is a superb tool for recruitment and training throughout Suffolk and on its first official outing to the Henham Steam Rally it attracted a huge amount of attention and I believe a handful of recruits.

Talking of Recruitment and Training, some headway has been made with meetings taking place and strategies laid out. However, we are going to need the help of members everywhere to ensure that ringing at all your towers can continue and thrive, surely something we should all be working towards.

It remains for me to say thank you to you all for your support and friendship particularly since 2006. I've had a great time travelling the county meeting members, taking in ringing at all sorts of places with all sorts of people for all sorts of reasons. Particular thanks to those officers past and present who have guided and advised me and most of all to Ruthie and Mason who have stoically put up with my role. I couldn't have done it without them.

I only hope I have been the Ringing Master you all deserve.

Secretary's Report — Mandy Shedden

As newly-elected Secretary, I have been introduced to the intricacies of GMC meetings and am gradually learning more about how the Suffolk Guild works. I am very impressed with how everyone acts and works together. New members are joining all the time and we have had a busy year promoting and increasing public awareness of the Guild, and bellringing in general. It is good to see members involved in Guild events: over one hundred members attended the AGM and the Guild Social in November was also very well attended. I am looking forward to getting to know more members as time goes by and I hope that by the end of my term of office I will have made a useful contribution towards the life of the Guild which I am honoured to serve as Secretary. Other newly-elected Officers include the Treasurer and Librarian and we have two new Central Council Representatives. I have already enjoyed working with many of the existing Officers as well as the new ones, so long may this continue.

Librarian's Report — Abby Antrobus

For the Guild library, 2010 was a year of change. Gillian Wakefield deservedly reclaimed space in her house after 15 years of curating, developing and cataloguing the collection, and as her successor I would like to express the Guild's thanks to her for her work and legacy.

The library consists of *Ringing Worlds*, periodicals, archive material and audio-visual items. While housing the library at the Wakefields' offered many benefits: visitor access to the entire collection; information at the Librarian's fingertips; and secure storage, it nevertheless demands all too valuable space. To secure it for the future, it was placed in the care of public institutions: audio-visual material at the specialist Archive Centre in Norwich, and documentary material and books at the Suffolk Records Office. At present, most of the material is still being catalogued in Ipswich, with the intention of a move to Bury.

Despite these arrangements, a significant development since April has been the return of non-Suffolk-related material from the Records Office. So far, the *Ringing Worlds* are temporarily with me until a new repository for them and the rest of the library can be found. Ideally, this should be permanent and public. Suggestions are welcome – the possibility of building a learning centre into any upcoming augmentation project is one very good idea.

Please use the library – it is valuable for all aspects of ringing, bells and the history of ringing in Suffolk. Enquiries can still be addressed and access arranged even during the changeover. The catalogue is a vital linking element now that the library is dispersed, and I plan to add the location, availability and reference numbers of items to the information that is available on the Guild website.

The updated catalogue will also show this year's additions. John Girt has offered to continue our run of *The Ringing World*, and we have purchased a searchable DVD of it from 1911-1940. Continuing the historical theme, David Rogers has donated an issue of *Picture Post* from July 1949 which features photographs and descriptions of the Lavenham ringers. The author observed that 'in the belfry all types and ages of men and women meet on common ground'. This still rings true, and in 60 years' time people may want to look back to today. I would therefore like to finish with a general plea for materials - orders of service, leaflets, photos (digital or otherwise), newspaper cuttings, videos, notes on trips and other items will all create an archive of today's Suffolk Guild of Ringers, so do please send or e-mail them.

PUBLIC RELATIONS OFFICER'S REPORT — BRUCE WAKEFIELD

This year saw the delivery of the Guild's new mini-ring, a generous gift from the estate of the former Patron of the Guild, Edmund Vestey. His son, George Vestey, the Guild's current Patron, says that he and his brothers, Timothy, James and Robin, are pleased to be able to help the ringers and, in doing so, provide a lasting memorial to their father. The ring is to be known as the Vestey ring. It was dedicated in the cathedral at Bury during evensong in the autumn. The mini-ring is proving to be a valuable tool to help with the promotion of bellringing in the county. Manned by members of the Guild, it has been taken along to a number of public events, including the Henham Steam Rally. At these events, members of the public have been actively encouraged to safely "have a go" at ringing.

Ringing at St Lawrence in Ipswich on Wednesday lunchtimes has now become a regular occurrence Any ringer who happens to be in Ipswich on Wednesday lunchtimes between 12:30pm and 1:00pm will be welcomed. Methods that are rung range from rounds and call-changes up to Stedman Doubles. If you haven't already rung on these historic bells this is a good chance to ring them. And of course, because the ringers can be clearly seen (if not heard) from the cafeteria in the main body of the church, ringing here is valuable from a public relations point of view.

BBC Radio Suffolk are still campaigning to raise the profile of Saint Edmund, hoping that in time he might be adopted as the country's Patron Saint. The station again gave wide coverage to the Guild's special ringing activities for St Edmunds Day. Our Chairman was interviewed on the Mark Murphy Show which was being broadcast from Bury St Edmunds, and later in the morning Abby Antrobus and Jed Flatters were interviewed by the presenter at the Norman Tower.

On the last Saturday before Christmas we managed to ring all the ringable bells in Ipswich together for half an hour around midday to remind the shoppers of the presence of the church in the town and of the true meaning of Christmas This is a feat that requires at least 51 ringers. In previous years, one or more of the Ipswich towers has been unavailable for one reason or another.

Earlier in the year the bells of St Mary's Woodbridge were rung for the special service in the church attended by the 23 Engineer Regiment (Air Assault), who are based at the Rock Barracks Woodbridge, prior to their deployment to Afghanistan.

Everyone must have heard via the media of the theft of the Campsea Ashe bells whilst they were at the bell hanger's works. Fortunately the stolen bells were able to be replaced, and Campsea Ashe now has a lovely ring of 6 bells which replaces the old ring of 4 that used to be in the tower.

If you have a newsworthy event to report, don't keep it to yourself. Let the Guild's PRO or the media know. The media is always willing to consider a good story for publication.

WEBMASTER'S REPORT — CHRIS GARNER

The Guild Website continues to grow. Information about towers, bells, ringers and events is constantly updated. The Ringing Master's Blog, now in its fourth year, is posted daily and generates friendly repartee in the Guest Book. A page on Facebook has been added. Please remember to send photos and snippets of news to the Webmaster for him to post on the site.

There has been an increased use of the email system and it is now used to circulate *What's On* to all those who would like to receive it. The email addresses are known only to the Webmaster and are not published even to other members. If you would like information distributed please email it to him. If you change your email address please let him know.

NOTES TO THE ACCOUNTS

Note 1 50% of the sum of subscriptions and peal fees is transferred to the Restoration Fund.
Note 2 The interest received from the CBF and Barclay's bank accounts and shown in the Jubilee, Restoration and Pipe Trust Funds has been apportioned in the ratio of their respective capital sums.

The independent examiners, Larking Gowen, had not completed their examination of these accounts at the time of printing. Their report will be published on the Guild website when it becomes available .

DIRECTORY OF SUFFOLK TOWERS

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Advisor or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place.

The table on the following pages shows details of every ring of four or more bells in the area covered by the Suffolk Guild of Ringers. The following details are included:

DISTRICT (DIST)

NE - North East	NW - North West	SE - South East	SW - South West

DEANERY (DNRY)

Bc - Beccles	Hl - Halesworth	Lo - Loes	St - Stowmarket
Bs - Bosmere	Ht - Hartismere	Lv - Lavenham	Sx - Saxmundham
Cl - Clare	Hx - Hoxne	Ml - Mildenhall	Th - Thingoe
Co - Colneis	Ip - Ipswich	Sd - Sudbury	Wd - Woodbridge
Hd - Hadleigh	Ix - Ixworth	Sm - Samford	

CONDITION OF THE RING (COND)

10 - Excellent. Ball bearings, modern frame and fittings.
9 - Excellent. Plain bearings, modern frame and fittings or ball bearings in old frame.
8 - Good going order.
7 - Fair going order.
6 - Poor going order.
5 - Ringable if cleaned up and odd fittings and ropes provided.
4 - Rung occasionally. Frame/fittings nearly life expired.
3 - Not to be rung mainly because of tower and/or frame arrangement and position.
2 - Not to be rung mainly because of frame and/or fittings.
1 - Hung dead.
0 - Some bells unhung on the ground.

Please note that the classification is based on the condition only at the last date of inspection, and any enquiries or requests for further inspections should be directed in the first instance to the Suffolk Guild Technical Advisor or Maintenance Officer.

KEY

The key of a ring (ie the note of the tenor) is given in cents (ie, hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C# -20, and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

CODE

G ground floor ring

SECRETARY'S REPORT — JULIE RAPIOR

The NE District has had another successful year. The year started well with a focused practice on plain minor methods beyond Bob Minor which has been built upon throughout the year with several 'first in method' quarter peals. The Surprise Major practices at Halesworth have been well attended and a quarter of Standard Eight Surprise Major was rung in August by an all-District band. Guild Peal Week saw two new conductors for the District and an impressive local band peal at Reydon. The District Striking Competition was well-attended again with lots of new call-change teams participating. The North East District were proud winners of the Rose Trophy at the Guild 8 Bell Competition a few weeks later.

In August Jonathan Stevens ran a workshop on belfry maintenance and passed on lots of useful information to those attending. We have had a lot of new younger members this year and they enjoyed a Young Ringers afternoon in the summer finishing with a barbecue.

The ADM in November was the first chance for many to try the new bells at Wissett, followed by a superb tea provided by the Wissett ringers.

The NE District also hosted the Guild Social in November with a quiz and meal at Ringsfield, which was enjoyed by the participants and the District planning team.

We hope we have produced another varied programme of events for 2011 but as always, we encourage members to contact us if they have suggestions or specific requirements.

SECRETARY'S REPORT — MANDY SHEDDEN

It has been another busy year for the North West District. Hosting the Guild AGM was a challenge, with a talk by Stuart Hobley from the Heritage Lottery Fund being held at a separate location from the main AGM events, so timing was of the essence. A lot of hard work by the District team made the day a great success.

The call change striking competition held at Pakenham, together with a barbecue, was a very enjoyable afternoon and the Pakenham Ringers were great hosts. The winners (Young Ringers) were presented for the first time with the Ivings Shield, a tribute to the lifelong love of ringing of Henry and Win Ivings of Euston.

Although there were no formal events during the summer months, there was plenty of ringing going on and in particular a group of young recruits met regularly throughout the summer holidays to practise and

consolidate. Many of them enjoyed a Young Ringers' training day in October half term which gave them an opportunity to get together and realise that they are not on their own even though their home towers are several miles apart. They were joined by some young ringers (and helpers) from other Districts, and Bardwell Church, normally a serene and quiet building was certainly buzzing in the early afternoon with sounds of several youngsters enjoying the mini ring, hunting answers to a quiz, using the simulator to "play" methods or ringing in the tower using real bells.

On a comparatively warm Saturday in November a small group enjoyed a day out in Cambridgeshire ringing at four towers within a six mile radius interrupted by a nicely cooked pub lunch in Swaffham Bulbeck. Two ultra keen members even left their car at the finish point and cycled between the churches. Now that is just too much exercise in one day!

Sadly, this year has been tinged with sorrow for all of us with the loss of four very dear members; Keith Rands, Albert Driver, Wendy Mason and Sue Munford. They all gave so much to ringing and we miss them very much.

I have really enjoyed being the District Secretary for the last six years, working within a team of enthusiastic people who really have made a difference in the District with their inclusive and encouraging attitude to ringers of all abilities, and I am looking forward to enjoying events in the coming year, in between weaning my Guild Secretary hat.

COMMITTEE REPORT — PETER HARPER

We started the year looking forward to the pre-Christmas ringing in Ipswich. In spite of the weather and a traffic jam caused by a police cordon, we managed to ring in most places. We enjoyed coffee and mince pies in St Margaret's Church Hall, when most of those unavoidably detained were able to join us. Our thanks to the St Margaret's ringers for the refreshments, and especially to Brian Redgers for his organisation.

There were several highlights during the year. Who can forget the cheesecake served at our successful meeting at St Lawrence and St Mary-Le-Tower? May was particularly busy with the District striking competition at Sproughton, followed almost immediately by the Guild competitions held at Hasketon and

Woodbridge. Thanks to everyone who helped in the smooth running of these events.

Kate organised another enjoyable tour to SW Norfolk (we won't mention the mannequins at Hilgay!), and in August we rang quarter peals, with those taking part meeting for a meal at Saxtead.

I must admit to some trepidation in proposing a quarter peal fortnight at the end of October, but in the event the District rose to the occasion with 24 quarters peals being rung, but, more importantly, 80 ringers took part, including three ringing their first quarters, as well as various firsts and personal targets achieved. Well done to everyone who took part. Do you think we can do better next year?

We finish the year as we started, looking forward to pre-Christmas ringing in Ipswich on Saturday 18th December.

My thanks to all district members for their help and cooperation with district activities.

SECRETARY'S REPORT — SUE FREEMAN

I am very pleased to report another good year for the South West District. All the practices, at Lavenham, Polstead, Sudbury, Kedington, Acton and Little Thurlow were extremely well attended. (There were excellent refreshments at Acton!) The striking competition was held at Polstead, always a popular venue for this event which is followed by a bring-and-share supper. The Kersey ringers were again the winners, the runners up being the Stratford St Mary band.

Christine and Richard Knight again organised a most enjoyable mini tour in October, this time to New Buckenham, Banham, Kenninghall and Hopton. A convivial meal was consumed afterwards at The Mill,

Market Weston. Richard and Christine have organised this annual event for many years but this year was the last. The District is very grateful for all the marvellous tours they have arranged.

The triples practices at Sudbury St Gregory's were held regularly throughout the year and a beginners' 10 bell practice at Sudbury St Peter's was extremely well attended. It has seemed a great pity that Sudbury, a sizeable town with three rings of bells, has, in recent years, had no ringers. John Smith has now started to teach a prospective new band at St Gregory's, to go some way towards rectifying this situation. It is hoped that in 2011 bells will be rung again in Sudbury on Sunday mornings.

At the ADM in November Rolie Whiting stood down as District Treasurer, a post he had held for many years. Indeed, he has been an officer of the district for over three decades. He was presented with a gift by the District Officers as a token of appreciation for all the work he has done for the South West District.

OBITUARIES

JULIA BARRY — Long Melford

Julia joined Long Melford Tower in spring 2007 where she learnt very quickly how to handle a bell, within 6 months she was ringing in rounds and call changes and at Sunday services, she also loved to get out and about visiting other towers. Julia had a very dry sense of humour and was never shy in telling other ringers if they were not 'focused enough' on the task. It is a year now since she lost her fight to cancer, but still we miss her and often comment how she would be 'glaring' at our mistakes as we learn new methods. Julia was a much loved and valued ringer and will be always remembered at Long Melford

D SIMON COTTRELL — Parham

Simon and his wife Audrey spearheaded the restoration and augmentation of the three medieval and unique bells at Parham to the present six. Simon was a terrific chap to work with; enthusiasm, kindness and generosity personified and good humour besides. It was his drive that saw this project through to completion. One applauded too his willingness to learn the Art so late in life, but he did it, and gave us as much pleasure as it obviously gave him.

ALBERT G. DRIVER — Redgrave

Albert was born at Moneypot Farm, Redgrave on 14th February, St Valentine's Day, 1915 and lived there all his life. He learnt to ring at the age of 8, being taught by his father Frederick. Albert rang the bells for Redgrave's Harvest Festival for 81 consecutive years. Peals were rung for his 60th and 70th anniversaries and the 80th anniversary was celebrated by a Quarter Peal of Grandsire Doubles on 21 September 2008; Albert ringing the tenor. In recent years Albert taught a new band using the bells at Rickinghall. It is a credit to him that four of them were able to ring in a quarter peal following his funeral. Full accounts of Albert's life and bellringing appear in the *Ringing World* at pages 876 and 1000.

DENNIS KIDDY — Cowlinge

Dennis was already in his forties when he was taught to ring at Cowlinge by Harry Stubbings. The band was very depleted and had merged with the one at Stradishall. Dennis joined the Suffolk Guild in 1975 and soon began training a new band at Cowlinge. He organised his own first peal there in 1976 to commemorate the 50th anniversary of the first peal on the bells. It was conducted by Walter Perry of Clare, who had helped with teaching recruits. Dennis rang just one other peal, but was proud to have rung 72 quarter peals. He was always looking out for new recruits, working extremely hard to maintain a band for regular service ringing at Cowlinge Stradishall bells were unringable for many years owing to tower problems, but once the tower was restored in the mid-1990s, Dennis began working tirelessly towards having the bells re-hung. The project came to fruition in 2007. Dennis died suddenly, aged 81, on 27th August 2010, at his life-long home, Hawbush Farm. He made a huge contribution to local ringing and he will be greatly missed.

JOHN MARDON — Sproughton

John and his wife Jean moved to Sproughton from Cock Clarks near Purleigh, Essex some 8 years ago and John immediately became an enthusiastic, regular and valuable member of the Sproughton band. John learnt to ring at Purleigh in his mid seventies. Sadly John suffered a stroke a couple of years ago and although he tried, he knew it was no longer practical for him to ring. John sadly suffered a further stroke in the autumn of 2009 and died Monday 11th Jan at the age of 89. His warm, kindly, generous, humorous and Christian personality will be missed.

ROBERT MARES — Edwardstone

Robert and his wife Mavis came to live at Groton in 1987. They were eager to participate in the various local activities on offer, one of which was church bellringing, and presented themselves for instruction in our noble art at St. Mary the Virgin church in the next door parish of Edwardstone. They were taught to ring by members of the local band under the captaincy of Sarah Titford, (the local Rector's wife), and became regular Sunday service ringers there for several years. Both Robert and Mavis were elected ringing members of the Suffolk Guild in 1990.

In 1997 the restoration of the eight bells in St Mary the Virgin church, Boxford, was completed and they became regular Sunday Service ringers at that tower. The advancing years began to take their toll on Robert's health however and, sadly, he eventually became unable to handle the bells.

WENDY MASON — West Stow

Wendy was the experienced ringer needed when teaching a new band from scratch at West Stow for the Millennium. She was born and brought up in the village and spent her whole life in that general area. She originally learnt to ring as a teenager in the fifties, being taught by Arthur Ballam. This was the era when each ringer had his own bell. Work and family took over and she had not rung for 40 years when a chance meeting persuaded her to have another go, and she found that she had not forgotten as much as she thought. She was a loyal member of the band that rang in the Lark Valley Benefice, ringing regularly there and with the Breckland ringers until May 2010 when she started feeling unwell. She died on 9 September 2010, aged 68 years. The bells at West Stow were rung open before her funeral as a celebration of her life.

SUSAN MUNFORD — Pakenham

Susan Tipple was born in Pakenham in 1958 and learnt to ring there in 1971 along with her future husband Stephen Munford. The tower at Pakenham became unsafe for ringing in 1976 and handbells were rung for their wedding in 1977. Susan became Secretary of the North West District of the Suffolk Guild between 1975 and 1976.

In 1993, following repair work on the tower, and the re-ordering of the bells, Susan and Stephen returned to St Mary's, bringing with them their son Carl and daughter Becky. Since then the family have been regular ringers, always reliable, and always ready to "have a go" at anything new. Susan rang six peals, including the first following the re-ordering of the bells at Pakenham in 1995, and the first after the addition of a sixth bell for the Millennium, and many quarters, among them several family-only, the four Munfords being joined by Susan's mother, Joan, and Stephen's brother-in-law, Maurice Rose. Their enthusiasm was such that they also rang at Great Barton, juggling Sunday services where possible, and were ever ready to help with teaching. Quietly confident, Susan was an asset to any team, and a pleasure to ring with.

H MALCOLM OLIVER — Nayland

Malcolm was a 'ready-made' ringer who came to live in north Colchester in the early 1980s in connection with his job as a railwayman. He joined the St. Peter's Colchester company and soon began to visit local towers in the North East Essex and South West Suffolk Districts on their respective practice nights. He became a member of the Essex Association and served as Master of their North Eastern District for several years. Malcolm was elected as a member of the Suffolk Guild under Nayland in 1985 and rang 7 peals for the Guild between 1986 and 1995. He remained a member of the Nayland band until his death but had not rung anywhere locally for many years as he became deeply involved in the running of the East Anglia Transport Museum at Carlton Colville during the latter part of his life which took up most of his leisure time.

KEITH RANDS — Old Newton

A loyal and supportive member of both the Old Newton and Buxhall bands, and a Stowmarket Sunday ringer, Keith died on 18th March 2010 at the age of 80. Keith was actively involved in the restoration of the Old Newton bells to 'full circle' ringing in 1999, ready for the Millennium.

His other great interest was choral singing and the church choir at Old Newton was delighted when Keith rejoined them, having left many years previously. He stayed in the choir until problems with breathing caused him to give up singing and also to restrict his bell ringing.

He is remembered fondly by his friends as a great lover of Stedman, and as a man with a very wry sense of humour.

DAVID TALLIS — Yoxford

A regular and loyal ringer who supported his local practice at Yoxford, but had not rung for many years.

GEOFFREY TIMMS — Reydon

A professional singer and musician, Geoffrey and his wife Josephine retired to Reydon in 1986, where he soon became involved in local choral activity and at the time of his death, aged 84, he was Conductor of the Blythe Consort, which benefited several East Anglian charities.

Soon after moving to Reydon, he was taught to ring at Southwold, becoming a regular member of the band. He also became a great supporter of the Reydon Bell Fund, which successfully augmented the one bell to a ring of six, and he looked forward to ringing without having to climb Southwold's 50 steps. Geoffrey was a witty and popular member of the band until motor neurone disease prevented him from taking part. The church at South Cove was overflowing for his funeral, and that evening, a well-struck quarter peal of mixed doubles was rung in his memory at St Margaret's, Reydon.

PEAL SECRETARY'S REPORT — CHRISTINE KNIGHT

There were 135 Suffolk Guild peals in 2010. These were rung in 57 towers in Suffolk and 6 towers outside the county, namely Campton in Bedfordshire, Chelmsford Cathedral and Belchamp St Paul in Essex, Great Yarmouth, Hagley in Worcestershire and Bitterne Park, Southampton.The Master had hoped for 150 peals during his last full year in office. We may have fallen slightly short, but so much has been done to promote peal ringing and widen participation by members, not least through Peal Week, which was re-introduced in 2007. The 2010 Peal Week equalled the 2009 total of 16 peals and, more importantly, there were 'firsts' of many kinds, including 4 first pealers. It has been particularly encouraging to trace the progress of younger members in Peal Weeks, and several have now joined the ranks of Guild conductors. Once again, St Edmund's Day was a superb PR exercise; 3 out of 4 attempts were scored and the Guild received excellent publicity, both in the press and on radio.

Peals to celebrate restoration featured again this year. In January, the first peal on the re-hung bells was rung at Fressingfield. A peal of Minimus at Campsea Ashe in March was the last peal on the bells prior to restoration and augmentation to six. July saw the first peal on the restored bells at Dennington. A peal of Double Norwich at Bardwell in November was the first peal on the bells since 1938 and also the first of Major, following augmentation from six to eight.

It is a noteworthy achievement to ring a local band peal in a village. A peal of Plain Bob Minor at Reydon on 14th February was rung by a band made up entirely of village residents, conducted by 15 year old Philip Moyse. During Peal Week, the NW District led the way in organising peals by a district band. There was a first pealer at Great Barton, and a district band, conducted by Ian Holland, achieved a peal of Stedman Triples at Elveden on 20th February, an excellent peal by all accounts. Peal Week also saw a footnote of historical interest: on 17th February, at The Wolery, George Salter became the fifth consecutive generation of his family to have rung a peal. Soon after, on 25th April at St Lawrence, Ipswich, his parents, David and Katharine Salter, rang their 1000th peal together, becoming the first Suffolk born couple to achieve this. Another personal milestone was achieved by Adrian Knights, who rang his 1000th peal on his birthday, 1st June, on the front eight at St Mary le Tower. A 5063 of Bristol S Major was composed by Brian Whiting to celebrate the occasion. On 19th June, Stephen Pettman became the first person to have conducted a thousand peals for the Guild, an incredible achievement. The peal of Grandsire Cinques was also the 750th peal on Grundisburgh bells.

Several trends in Guild peal ringing have been carried over from recent years. Surprise Minor has remained popular. At the Wolery, many individual methods have been pealed for the Guild for the first time and Spliced Surprise Minor has also been a focus. A peal of 41 Spliced Surprise Minor was rung there on 14th July. The Master has also led a band with this aim, and a peal in 27 Surprise Minor methods was rung at The Folly on 30th December. Stephen Pettman and Brian Whiting have retained their interest in composing peals of a commemorative length. There were 7 such peals in 2010, rung as birthday or memorial peals. The increased involvement of younger members in peal ringing is a very pleasing trend. Although they were very modest and did not claim an 'average age' footnote, it was good to see a very youthful band ring a peal of 7 Surprise Minor at Reydon on 11th August, conducted by Tom Britten. In me, progress and enthusiasm will, hopefully, generate more 10 and 12 bell peals, and also more peals if wrong place Surprise Major. Only 2 peals of Bristol Major were rung, and none of London. A very encouraging trend, though, has been the growing interest in conducting. In 2008, only 6 resident members called more than one peal for the Guild; by 2010, this total had doubled. I should like to extend my thanks to Ruth Suggett, Brian Whiting and David Salter for all their help, and also to those conductors who have submitted peal fees and compositions without needing to be reminded, making my job much easier.

Minutes of the Annual General Meeting of the Suffolk Guild of Ringers, Held at Ixworth, Saturday 10 April, 2010

1. The Chairman. Philip Gorrod (PJG) opened the meeting by giving a warm welcome to the one hundred and four members present. He thanked Gill Walker for taking the service and the organist, the local ringers, masterminded by Anita Rose (on her birthday), for the wonderful tea and the Girl Guides who had been serving teas all day. He thanked Ruth Suggett and Jonathan Stevens for organising the Restoration Seminar at Bardwell during the afternoon, which had been very well supported. The meeting stood in silence in remembrance of John (Jack) Banks from Bury St Edmunds, Henry Ivings from Euston, Dr David Pearson from Haverhill, David Rutherford from Long Melford, George Salter from Ipswich, Albert Wade from Haverhill, Ruth Wright from Halesworth and Woodbridge and three non resident members who had died during 2009.

2. Apologies were received from 51 members.

3. Election of New Members

Nine people were elected as members of the Guild: Rowan Patricia Wilson, Bury St Edmunds (Full), proposed by Mandy Shedden and seconded by Ian Holland. Ewan James Gadd, Great Barton (Junior), proposed by Jacky Savage and seconded by Sally Veal. Sue Tyler, Huntingfield (Full) proposed by Jason Busby and seconded by PJG. Sandra Elizabeth Harle, Leiston (Full), proposed by Cynthia Fitsell and seconded by Richard Rapior. Fiametta Buckley, (Full). Beatrice Buckley (Junior), Amelia Buckley (Junior), Edward Buckley (Junior) all from Thornham Magna, proposed by Sylvie Fawcett and seconded by St John Perry. Emma Creasey, Wickham Skeith (Junior), proposed by P J Davidson and seconded by St John Perry.

4. Minutes of the 2009 AGM

These minutes had been published in the Annual Report. Their acceptance was proposed by Peter Harper and seconded by Chris Garner and they were signed as a true record.

5. Officers' Reports:

Ringing Master: Richard Munnings (RJM) presented the Master's Report as printed in the Annual Report. The acceptance of his report was proposed by Robert Beavis, seconded by Alan Munnings and agreed by the meeting. Secretary: Mary Garner (MSG) proposed the acceptance of the Secretary's report as printed. This was seconded by Jane Harper and agreed by the meeting.

Treasurer: Keith Ashton Jones (KAJ) explained that his written report was contained in the Trustees' Report. It was explained that the Library expenses of £10 was the Guild subscription to the Central Council Library and the apparent disparity in the figures for the Mini Ring was due to the method of accounting which works on the day an item is received and paid for. It will resolve next year and show that it has cost us nothing. RJM proposed, seconded by Diana Pipe, that the accounts should be accepted. This was agreed by the meeting.

Public Relations Officer: Bruce Wakefield presented the Public Relations report as printed. The acceptance of his report was proposed by Veronica Downing, seconded by Alan Smith and agreed by the meeting.

Belfry Advisory Committee: Jonathan Stevens presented his report as printed with one amendment. He explained that Winston Girling had been omitted inadvertently in the report but that his name should appear on the list of Belfry Advisory Committee members. His report was proposed by Jason Busby, seconded by Chris Garner and agreed by the meeting.

Librarian: Gillian Wakefield presented her report as printed. Its acceptance was proposed by Shirley Girt, seconded by George Pipe and agreed by the meeting.

Peal Secretary: Christine Knight thanked Brian Whiting for producing the compositions section of her report, David Salter for allowing her to use his database for checking details and Ruth Suggett for her patience and support during the completion of her report. Her report as printed was proposed by Robert Beavis, seconded by Diana Pipe and agreed by the meeting.

Handbell Trustee: Brian Whiting reported that there had been little demand for the Handbells during 2009, saying that two sets were with members in the NE and the other two sets with him, one of 16 the other of 25. He reported that Winston Girling had complete minor refurbishment on the 16.

Webmaster: Chris Garner presented his report as printed, adding that the email system for contactin members was used mainly for distributing letters from PJG. He explained that there is an ema correspondent for almost every tower as well as many individuals. He stressed that emails were alway sent as blind copies, that is, ensuring nobody else's address was visible to other recipients. Th acceptance of his report was proposed by Robert Beavis, seconded by Veronica Downing and agreed b the meeting.

6. Trustees' Report: The Trustees for 2009, PJG, MSG and KAJ presented the report as printed. It acceptance was proposed by Jacky Savage, seconded by Valerie Eagle-Bott and agreed by the meeting

7. Central Council Report

PJG told the meeting that there were two reports on the website. He said that two of the Guil representatives were present, Laurence Pizzey and Richard Munnings. He invited questions but ther were none.

8. Subscriptions and Peal Fees for 2011

The GMC proposed that there should be NO CHANGES and that the 2011 subscriptions should be:

Ringing Member	£ 15.00	Associate Member £ 7.00
Ringing Member 65-74	£ 10.00	Non Resident Life Member £ 7.00
Members 75 and over	Free	Peal Fee £ 1.0
Ringing member in full time education	£ 7.00	

KAJ explained that since last year expenses were covered comfortably there was no need to consider a increase in subscriptions. The proposal was agreed by the meeting.

9. Proposed constitution changes

The following were proposed by GMC to take immediate effect:

B4 to read: Churches within the Diocese may be affiliated to the Guild on payment of an annual donatio of an amount at least equal to a Senior member's subscription. It was commented from the floor that n reference was made to Senior Members in the Annual Report. The following amendment was propose by MSG and seconded by John Girt:

B4 to read: Churches within the Diocese may be affiliated to the Guild on payment of an annual donatio of an amount at least equal to the subscription payable by a ringing member aged between 65 and 74.

PJG answered a question posed regarding qualification for Affiliation by explaining it was open to a parishes where the PCC likes to be associated with the Guild.

The amendment was carried and would have immediate effect.

D6. revised as follows:

D6 (6.1 & 6.2 to be unchanged.)

6.3 Vice-Presidents elected before 2010 shall hold office for life and shall not be required to pay a subscription.

6.4 A non-member may be elected as a Patron at an AGM. Patrons shall hold office without re-election, but may be removed by a resolution at an AGM.

6.5 (to be deleted)

PJG reminded the meeting that two proposals with regard to LHMs and VPs had been circulated for

discussion at each ADM. He reported that the districts displayed a great deal of agreement, that is VPs should keep their office for life but no further ones will be elected, adding that the SE had felt that VPs should not be required to pay a subscription. In reality many do not need to pay but do anyway, but the gesture is there.

The question about the need for a Patron was raised and PJG explained that it presented an opportunity for a non-member to support the Guild, especially financially. Our present Patron is funding a Mini Ring in memory of his father a previous Patron.

The proposal was carried with one against and two abstentions.

D8 Members shall be elected to the following Offices:

Change "Newsletter Editor" to "Magazine Editor", add "Mini-Ring Trustee".

The proposal was carried unanimously.

10 Election of Officers for 2010/2011:

Prior to the elections Maurice Rose explained that two officers had completed their term of office whilst wo more did not seek re election. He wished to record the thanks of the whole Guild to all the officers.

Chairman: Philip Gorrod had been proposed by Tom Britten and seconded by Stephen Pettman. RJM asked if there were any further nominations. There were none and PJG was elected unanimously. PJG said that he had enjoyed the last two years largely because of the excellent team of officers. Ringing Master: RJM was proposed by Louis Suggett and seconded by Maggie Ross and elected unanimously.

Secretary: PJG explained that MSG had been Secretary for five years and was not eligible for re-election. He thanked her for her work and for being a valuable member of the team. He said that Mandy Shedden was willing to stand, proposed by Mary Garner and seconded by Jacky Savage. He invited further nominations, but there were none. Mandy was elected unanimously.

Treasurer: PJG explained that KAJ had been Treasurer for five years and was not eligible for re-election. He praised KAJ's contribution to the team adding that his understanding of money meant that he always put the opposing view before standing down graciously for the business to continue. Gordon Slack, proposed by Keith Ashton-Jones and seconded by Mary Garner, was elected unanimously.

Technical Adviser: Jonathan Stevens, proposed by Chris Garner and seconded by Helen Price, was elected unanimously.

Chairman of the Belfry Advisory Committee: PJG explained that this job was separate from the Technical Advisor but was pleased that Jonathan had agreed to do this too. Jonathan Stevens, again proposed by Chris Garner and seconded by Helen Price, was elected unanimously.

Public Relations Officer: PJG reminded the meeting of the stunning success achieved during 2009 with regard to Publicity and was pleased that Bruce Wakefield was willing to stand for re-election. He was proposed by RJM, seconded by Gillian Waterson and elected unanimously.

Librarian: PJG told the meeting that Gillian Wakefield had been Guild Librarian for many years during which time the collection had grown a great deal. She had done a great job fielding requests, looking after the archive and keeping it updated. The meeting showed their appreciation with hearty applause. He was pleased to announce that Abby Antrobus was willing to take on this role, proposed by Gillian Wakefield and seconded by Mary Garner. Abby was elected unanimously.

Report Editor: PJG thanked Ruth Suggett for producing an excellent report and handbook. She was proposed by Veronica Downing, seconded by Louis Suggett, and elected unanimously.

Webmaster: PJG thanked Chris Garner for his work, saying that the website was regularly cited as comprehensive and up to date. This received hearty applause. Chris, proposed by Kate Eagle and seconded by was Maggie Ross, was elected unanimously.

Magazine Editor: PJG thanked Carol Girling for her work over the past few years. Alan Stanley, proposed by Mandy Shedden and seconded by Sue Freeman, was elected unanimously.

Peal Secretary: PJG thanked Christine Knight for keeping the records so efficiently. She explained that the job was quite bitty but that she had routines, which enabled her to keep everything up to date. Christine, proposed by Mary Garner and seconded by Gillian Waterson, was elected unanimously.
Handbell Trustee: Brian Whiting, proposed by Stephen Pettman and seconded by Helen Price, was elected unanimously.
Mini-Ring Trustee: PJG thanked Brian Whiting for all his work during the year, including writing a manual, taking bookings and moving the ring around the county. Brian, proposed by Stephen Pettman and seconded by Helen Price, was elected unanimously.
11. Election of Trustees
MSG proposed, seconded by John Girt that the Chairman, Secretary and Treasurer be the Trustees. They were elected unanimously.
12. Appointment of Independent Examiner
Larking Gowen was proposed by Keith Ashton Jones to be appointed as Independent Examiner for 2010. This was seconded by Philip Gorrod and carried unanimously by the meeting. When asked KAJ said that the examination of the accounts was done for nothing but that a token of appreciation was given.
13. Election of Central Council Representatives
PJG explained that these elections were for the posts in 2011, 2012 and 2013.
Canon Revd Lawrence Pizzey said that he had been a member of CCCBR since his election by the Guild in 1969. This received great applause. He thanked the Guild for having provided him with the privilege for so long. He explained that the Central Council has changed much in that time, with a great deal of work being done by committees. He had served on the committee for Peal Analysis for twelve years. There are many very experienced ringers who are on CC but also a great number of ordinary ringers. Their names do not appear in peal columns and they have no particular expertise as conductors, but are people who genuinely reflect the ringers both in this country and abroad. He repeated how privileged he had been and said that he was standing down now. John Girt endorsed what he said about CCCBR and added that Lawrence had been extremely modest about his contributions. David Salter, proposed by Glenys Fear and seconded by Winston Girling, and Stephen Pettman, proposed by Philip Moyse and seconded by Tom Scase, were standing for re-election. Alan McBurnie, proposed by Kate Eagle and seconded by Chris Garner, and Veronica Downing, proposed by Hugh Spink and seconded by Jason Busby, had expressed willingness to stand. He invited other nominations. There were none. The four nominees were elected unanimously.
14. Mini Ring
PJG explained that Brian Whiting had taken custody of the Mini Ring in August 2009. Brian told that meeting that since then it had been out to eight different venues, there had been five before. He had received bookings for eight events so far this year. Last year the first peal was rung which took place at Kimberley Hall. PJG added that this was an interim ring. Matthew Higby had promised the new ring (Vestey Ring) for this spring. Bishop Nigel has agreed to dedicate it when it arrives, at present negotiations are continuing between George Vestey, the Bishop and the Cathedral to find a suitable date, hopefully a Sunday evensong in July or August. He added that after that time there will be a second hand one for sale. The question was posed as to whether registry offices were aware of its availability. PJG replied that it was going to wedding fair in Halesworth and that it is something to encourage when the new ring arrives and has a large logo on display.
15. Child Protection – update
PJG explained that John Girt had filled this post as a temporary measure during last year. A new person will be appointed at the next GMC meeting.
16. Guild Library - update

Gillian Wakefield, outgoing Librarian addressed the meeting. She said that it had been a tremendous privilege to have custody of the valuable books and artefacts. The collection had grown over the years as generous donations were made by the families of ringers past and present and £50 a year had enabled her to buy appropriate publications as they became available. She thanked Ruth Suggett for her initial contact with the Office Manager at the Bury Record Office and MSG for her help setting up a meeting with the archivist along with herself. The AV items have been deposited at the Bury RO to be sent to the East Anglian Film Archive for conservation. It is these items that will deteriorate most rapidly and will need transferring to appropriate media in order to be heard and viewed. The remainder had been placed temporarily at Ipswich before being moved to Bury when space becomes available. The Bowell Papers are already at Ipswich and will remain there since Bowell was an Ipswich Bellfounder. The Ringing Worlds date back to the 1930s and have been referred to on a number of occasions. Everything is on long-term loan and remains the property of the Guild. The two handbells from Stradbroke remain in the care of Gillian & Bruce Wakefield. Regarding the *Ringing Worlds*, in recent years these have been donated by St Mary's Woodbridge, which will no longer be practical. Should the Guild wish this collection to be desirable it will need to consider how it will be carried out. She thanked her husband and Mary & Chris Garner for the morning spent in depositing the archive at Ipswich. Finally she expressed her delight that Abby has taken over as Libranan and hoped that she has as much fun as Gillian has with the care of the collection, and a feeling of pleasure that the library is in good hands at the RO.

17. Guild History – update

PJG invited George Pipe to talk about the book he is writing about the history of the Guild. George told the meeting that he was getting on quite well with the project and was keen that it would appeal to a wide range of people. He plans to include 30 chapters, the first 6 leading up to the establishment of the Diocese of St Edmundsbury & Ipswich and the formation of the Guild in 1923. Others would be about ringers and towers in various decades, VE & VJ days, handbell ringing, famous ringing families, the Millennium and the Guild today and looking to the future. In all about 100 photographs will be included. He hopes it will be published by the end of 2010. When asked about size and cost he was unable to give any indication but said that he had a friendly printer. A show of hands indicated that many would buy a copy. George jokingly added that signed copies would be £5 extra!

18. Guild Magazine

Alan Stanley talked about the first issue of the Guild Magazine. It has an editorial team who were hoping that the magazine would fulfill the needs of new and experienced ringers alike, forming a key part of communication in towers both to encourage and report on things happening in the Guild. He stressed that the team was keen to hear from members. They had discussed the possibility of defraying some of the expenses with advertising, and asked if anyone might be able to assist there. Some discussion followed complimenting the impressive style and questioning the quantity produced. It was explained that the greater number of copies was to enable a wider distribution, e.g. clergy, churchwardens, in the body of the church. PJG said that the GMC had agreed to underwrite for a year, but could not continue without considering increasing subscriptions or getting advertising. Further comments were made about printing out copies from the web, but it was felt that the good paper copy was important and helped keep members in touch, especially those who were unable to attend the tower regularly. PJG asked members to send any ideas to the editorial team.

19. Guild Social Event – Ringsfield 20th November 2010

PJG reminded the members of the great success of the Guild Social at Hadleigh last June. This year the NE are organizing the Guild Social on November 20th centred on Beccles and Bungay. Ringing in the afternoon will culminate with a meal and quiz night at Ringsfield. Tickets from Julie Rapior, price £7.50.

20. Any matters arising from the minutes of the 2009 AGM not already covered

There were no further matters arising from the 2009 AGM.

21. St Edmund's Clapper competition

Three teams were about equal in second place; the winners were Offton raising £300.

22. Date and Venue for 2011 AGM - SE District

Peter Harper, Chairman of the SE District invited the members to Henley on 30th April 2011.

23. Any Other Business

(i) Veronica Downing offered to sell a pair of silver earring and a silver charm which were left from the fundraising for the restoration at Chediston, the proceeds to go to the BRF

(ii) Ian Holland from The Norman Tower thanked the Guild for their financial support to augment from 10 to 12. He was hopeful that it would take place in 2011.

(iii) Ruth Suggett said that there were wooden items for sale, turned out of the old headstocks at Ixworth.

(iv) RJM reminded the members about the Guild Striking Competitions on 15th May.

(v) Please let RJM if you wish to ring in a peal on 20 November, St Edmund's Day. Radio Suffolk are keen to have more peals than ever rung, especially as it falls on a Saturday.

(vi) Alan McBurnie told the members that the concession for reclaiming VAT on repair work for churches is due to finish in 2011. He advised the membership that a petition against its finishing was available on the Government website. He was seeking the approval of the membership to inform them of its existence through the e-mail system. There was lively discussion, during which it was reiterated that that petition was not on the Guild website, and that the zero-rated new building works was set to continue. Richard Coe proposed that the email system could be used, with discretion, to advise members of items of importance to ringers in general. This was seconded by Robert Beavis and carried by the meeting with twelve against and five abstentions.

(vii) The Ringing Master was asked whether there were plans for ringing on St George's Day.

(viii) Peter Harper emphasised that mid week ringing was open to everyone. It took place monthly, the second Tuesday, an hour before and after a leisurely lunch.

(ix) Gillian Wakefield said that she had paintings and cards for sale in aid of the Guild.

(x) Sally Munnings said that she has one Guild fleece for sale, suitable for a large child.

THE SUFFOLK GUILD OF RINGERS
OBJECTS, CONSTITUTION AND RULES - 2010 REVISION

OBJECTS

The Guild shall promote ringing for Divine Service within the Diocese of St Edmundsbury and Ipswich by:

1. Promoting and encouraging the practice of bellringing.
2. Supporting the recruitment and training of bellringers.
3. Cultivating the art of scientific ringing.
4. Promoting an appreciation of the ringing chamber as part of God's house and encouraging care and attention to its cleanliness and proper equipment.
5. Promoting the preservation of bells in an efficient condition, recommending necessary repairs and renovations and providing reliable information and practical advice on the condition of bells and their fittings.
6. Supporting restoration and / or augmentation.

CONSTITUTION

A. Name

1 The Guild shall be known as the Suffolk Guild of Ringers for the Diocese of St Edmundsbury and Ipswich.

1.1 The Guild shall be affiliated to the Central Council of Church Bell Ringers.

1.2 The Guild shall be registered as a Charity at Law (Ref 266869).

1.3 The Trustees of the Guild shall be at least three members of the Guild Executive as defined in rule J 13, and shall be elected at the AGM.

B. MEMBERSHIP

2 Membership shall consist of the following categories:

2.1 Ringing Member: A person who can ring rounds, unaided, on a tower bell.

2.2 Associate Member: A person who wishes to support the Guild.

2.3 Life Honorary Member: A Ringing or Associate Member who has given outstanding service to the Guild.

2.4 Non-Resident Life Member: A person qualified to be a Ringing or Associate Member but who resides outside the Guild's territory and is not a member under 2.1, 2.2 or 2.3.

3 Only Ringing and Life Honorary Members may vote or hold office in the Guild.

4 Churches within the Diocese may be affiliated to the Guild on payment of an annual donation of an amount at least equal to the subscription payable by a ringing member aged between 65 and 74.

C. DISTRICTS

5 There shall be four Districts, comprising the following Deaneries:

1 North East: Beccles and South Elmham, Halesworth, Hoxne and Saxmundham.
2 North West: Ixworth, Hartismere, Mildenhall, Stowmarket and Thingoe.
3 South East: Bosmere, Colneis, Ipswich, Loes, Samford and Woodbridge.
4 South West: Clare, Hadleigh, Lavenham and Sudbury.

D. GOVERNMENT

6 6.1 The President shall be the Bishop of St Edmundsbury and Ipswich.

6.2 A Suffragan Bishop within the Diocese shall be a Vice-President.

6.3 Vice-Presidents elected before 2010 shall hold office for life and shall not be required to pay a subscription.

6.4 A non-member may be elected as a Patron at an AGM. Patrons shall hold office without re-election, but may be removed by a resolution at an AGM.

7 The Annual General Meeting (AGM) or any Special General Meeting (SGM) shall be the ultimate policy and decision-making body of the Guild. The AGM shall be held on the Saturday following Easter or as decided by the Guild Management Committee (GMC).

8 Members shall be elected to the following Offices:

Chairman	Technical Adviser
Ringing Master	Librarian
Secretary	Handbells Trustee
Treasurer	Peal Secretary
Chairman of the Belfry Advisory Committee	Public Relations Officer
Report Editor	Magazine Editor
Central Council Representatives	Webmaster
Mini Ring Trustee	

9 The Annual General Meeting shall appoint an Accountant, who is not a member of the GMC and need not be a member of the Guild, to act as Independent Examiner in accordance with The Charities Acts .

10 The following Committees shall be formed:

The Guild Management Committee (GMC), to co-ordinate Guild activities and publish a printed Annual Report and Accounts. It shall recommend the levels of subscriptions, peal fees, other methods of raising capital, authorise expenditure from Guild funds and may organise general meetings, ringing and social activities.

The Recruitment and Training Committee (RTC), to co-ordinate training and recruitment.

The Belfry Advisory Committee (BAC), to advise and assist on all matters connected with rings of bells. It shall maintain an up-to-date directory of towers, listing the condition of all Church bells in the Diocese.

E. Finance

11 All money in the Guild's funds not required for normal working purposes shall be invested or deposited by the Treasurer as may be directed by the GMC.

12 All cheques shall bear the signature of the Chairman, Secretary or Treasurer.

12.1 Any cheque greater than a limit set by the GMC shall bear the signatures of two of the above.

13 The expenses listed in Rule K16 shall be paid out of the General Fund.

14 The interest received on the Jubilee Fund shall be transferred to the Guild Restoration Fund. The capital element of the fund shall be retained intact.

15 Grants from the Restoration Fund shall be authorised by the GMC but shall only be paid after the work has been approved by the Guild Ringing Master and the Technical Adviser. Grants will normally be offered for work to restore bells and their fittings for full-circle ringing, but may include augmenting and other ancillary work associated with any such project.

16 The St Peter's Sudbury Fund shall be used for running expenses and minor repairs and refurbishments to St Peter's bells and fittings.

17 The Library Fund shall be used for the purchase and repair of books and other items for the library.

18 The Handbell Fund shall be used for the repair, maintenance, renovation or augmentation of the Guild's handbells.

19 The Pipe Family Trust Fund shall be used for the encouragement of beginners in the art of change ringing in the Suffolk Guild. The fund will be administered by the Guild executive.

20 The GMC may establish further funds and shall specify the aims and objectives of such new funds.

21 The GMC may transfer sums from the General Fund to any specific funds and, if the purposes of the specific funds cease to exist, close these funds and transfer the balance to the General Fund.

22 The GMC shall recommend the proportion of peal fees, subscriptions of Ringing and Associate Members and Non-Resident Life Membership fees which shall be transferred annually to the Restoration Fund from the General Fund.

F. Records and Handbells

23 All peals rung for the Guild and a summary of other peals and quarter-peals rung in the Diocese shall be published in the Annual Report.

24 The Librarian shall maintain an up-to-date inventory of publications owned by the Guild, and the Secretary shalll maintain an up-to-date inventory of other Guild assets.

25 The Handbells Trustee shall maintain the handbells in good condition and shall make recommendations for their repair to the GMC.

G. General

26 The Constitution and Rules may only be amended at an Annual or Special General Meeting of the Guild.
- 26.1 Fourteen days' notice of any proposed change must have been provided to members through the Ringing World and, unless it ceases to be published, the Guild Newsletter.
- 26.2 Any change must be approved by at least two-thirds of those present and voting and shall take effect from the date given in the proposal.
- 26.3 No amendment shall be authorised which shall have the effect of the Guild ceasing to be a Charity in Law.

27 In the event of dissolution of the Guild any assets remaining after the satisfaction of all its debts and liabilities shall not be paid to or distributed among the members of the Guild but shall be given or transferred to such other charitable institution or institutions having similar Objects to the Guild.

Guild Rules

H. Election of Members and Subscriptions

1 Ringing and Associate Members may be elected at any meeting by a majority of those present when proposed and seconded.
- 1.1 A member may belong to only one District, normally the District under which the member is shown in the Annual Report.

2 Subscriptions are due on election and thereafter, in advance, on January 1st each year, and shall be set at the preceding AGM, or a SGM. If a change in subscription has not been passed the existing rate shall continue.
- 2.1 No member shall be entitled to be heard, vote or hold office if subscription for the current year is unpaid.
- 2.2 The subscriptions of members elected during or after October shall cover the remainder of that year and the whole of the following year.
- 2.3 Persons in full time education and members over 65 years of age shall pay a reduced rate of subscription. Members over 75 years of age shall pay no subscription.

3 Life Honorary Members may only be nominated by the GMC or a District and shall only be elected at a Guild AGM. No further subscription is payable after election.

Ringing or Associate Members may, on leaving the Diocese, inform the Guild Secretary that they wish to become Non-Resident Life Members. No subscription is payable during the period of non-residence.

5 A person resident outside the Diocese who wishes to be associated with the Guild may be elected a Non-Resident Life Member. A one-off subscription is payable by such members. Any Non Resident Life membership ceases if the member takes up residency within the Diocese.

6 For the purposes of peal ringing, new members may be provisionally elected in the belfry. Membership is subject to confirmation at a meeting of the appropriate District in the case of a Ringing Member or at a meeting of the GMC in the case of a Non-Resident Life Member. If election is not confirmed the subscription shall be refunded.

7 Any member failing to conform to the Objects and Rules of the Guild may be expelled by the GMC which shall report the matter to the next Annual General Meeting. Such a member shall forfeit any payment made to the Guild.

I. ELECTION OF OFFICERS

8 All Officers shall retire at the Guild's AGM but shall be eligible for re-election. The Chairman, Ring Master, Secretary and Treasurer shall not serve more than five consecutive years in one post.

8.1 Nominations may be made in writing to the Guild Secretary or orally at the AGM providing the are proposed and seconded.

8.2 If more than one nomination for any office is received election shall be by paper ballot, the successful candidate being the one with the highest number of votes. In the event of a tie the Chairman shall have a casting vote.

8.3 Central Council Representatives shall be elected, in accordance with the rules of the Centra Council, during the second year of the triennium at the AGM of the Guild.

J. COMMITTEE STRUCTURE

9 The Guild Management Committee (GMC) shall consist of:

Guild Chairman	Treasurer
Ringing Master	Chairman of the Belfry Advisory Committee
Secretary	One Elected Representative from each Deanery

9.1 Four members of the Committee shall constitute a quorum.

9.2 The Chairman shall chair all Guild and GMC meetings. In his/her absence the chair shall be taken by the Ringing Master or in his/her absence by a person elected by the meeting.

10 The Recruitment and Training Committee (RTC) shall consist of the Guild Ringing Master as Conveno and two representatives from each District.

11 The Belfry Advisory Committee (BAC) shall consist of the Chairman BAC, the Technical Adviser anc such members as they may co-opt. Members shall be approved by the GMC.

12 Each Committee in Rules 9, 10, and 11 shall meet at least three times a year.

13 The Guild Executive shall consist of:

Chairman	Treasurer	Secretary
Ringing Master	Chairman of the Belfry Advisory Committee	

The Executive shall take such emergency decisions as may be required before it is practical for the GMC to meet. They shall also make a temporary appointment until a General Meeting can be convened if a Guild Office becomes vacant between AGMs.

14 The GMC may convene sub-committees and shall determine their terms of reference, powers, duration anc composition. All acts and proceedings of any such sub-committees shall be reported back to the GMC as soon as possible.

15. The GMC may request the attendance of other officers or members as may be required.

K. EXPENSES

16 The following shall be paid by the Treasurer out of Guild funds:

- The cost of printing the Annual Report and any other publications authorised by the GMC.
- The expenses of Guild Meetings (including District)..
- Stationery, postage, telephone, notices of all meetings and other incidental expenses.
- Guild insurances.
- Central Council fees and reimbursement of Representatives' expenses attending each Council meeting, not exceeding the second class return rail fare and a subsistence allowance as may be determined by the GMC.
- Such other expenses as the GMC may authorise.

L. Peal Records

17 All peals rung for the Guild must conform with the decisions of the Central Council. All those taking part must be members of the Guild.

18 Conductors shall forward the following to the Peal Secretary as soon as possible and not later than 15th January the following year.

(a) The names, addresses and subscriptions of any Non-Resident Life Members elected in the belfry.

(b) The appropriate peal fees.

(c) Compositions for peals of Triples and above and of such other peals as the Peal Secretary may request. Money received for items (a) and (b) shall be passed to the Guild Treasurer.

District Rules

9 Each District shall hold an Annual General Meeting during the last quarter of the year for the purpose of receiving a report from the District Committee for the year, election of Officers and arranging activities for the year beginning the following January. Members may vote or stand for Office only in the District through which they exercise membership in accordance with Guild Rule 1.

0 The following Officers shall be elected annually: Chairman; Ringing Master; Secretary/Treasurer; Newsletter Correspondent and Deanery Representatives. Each District shall also elect a representative from each Deanery (who may hold other office in the District) to serve on the GMC and two representatives to serve on the RTC.

20.1 The District Officers shall form the District Committee, which shall be responsible for the efficient management of the District's affairs and shall report to the District Annual Meeting on the year's work.

20.2 A District may elect additional Officers as required to assist in the running of the District.

1 The District Secretary and/or Treasurer shall:

- Collect all subscriptions and other moneys due and forward them to the Guild Treasurer.
- Submit a statement of accounts to the Guild Treasurer by 15th January.
- Submit a directory of tower correspondents and ringing times and a list of members to the Report Editor by 15th January.
- Submit a statement, to the Guild Secretary, of all members qualifying for inclusion in the insurance scheme by the Guild AGM.

2 The District Newsletter Correspondent shall report on District activities for the Guild Newsletter, the 'Ringing World' and local newspapers.

Regulations relating to the Suffolk Guild Handbells

The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells viz:

25 bells by Taylors	size 20 in C (2 chromatic octaves)
16 bells generally by Shaw	size 19 in F (diatonic 13 + 3 semitones)
13 bells by Warner	size 20 in E (diatonic 12 + 1 semitone)
13 bells by various founders	size 20 in F (diatonic 13)

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

The Mitson Shield, Lester Brett Trophy and Rose Trophy Striking Competitions

Rules:

1 The competitions shall take place on date(s) decided by the GMC.

2 All Ringing Members and Life Honorary Members of the Guild may compete providing their subscriptions are paid.

3 The Mitson Shield, Lester Brett and Rose Trophies shall be competed for as follows:

Mitson Shield and Lester Brett Trophy

3.1 Bands shall comprise six ringers fulfilling at least one of the following:
a) at least four are listed under the tower in the Annual Report
b) the ringers are a bona fide benefice (or similar) Sunday Service or practice night band.

3.2 a) For the Mitson Shield the test piece will be 240 true changes of any recognised Doubles or Minor method(s). Opening rounds will not be marked.

or b) For the Lester Brett Trophy call changes of at least eight minutes marked ringing, to include Queens, Whittingtons and Tittums. "Marked" changes start when the first change is made.

Rose Trophy

3.3 Bands shall comprise eight members of a district or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

3.4 The test piece will be at least 224 true changes of any recognised Triples or Major method(s), of which only the first 224 changes, excluding the opening rounds will be judged.

4 Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 3.

5 The times of the draws are to be advertised in the 'Ringing World' and each band must have a representative present at the relevant draw.

6 A total of two minutes practice ringing will be allowed before each test piece.

7 In the event of bands ringing Doubles or Triples a cover bell must be used.

8 The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.

9 In the event of a large entry the Ringing Master may choose to shorten the length of either test piece.

10 A reserve ringer, appointed by the Ringing Master, will be available at the Ringing Master's discretion, to bands meeting short.

11 A minimum of two judges appointed by the Ringing Master will be present. Their decision is final.

12 The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.

13 Interpretation of all rules is at the discretion of the Ringing Master.

FOREWORD FROM THE CHAIRMAN

The Suffolk Guild Annual Report is something members look forward to, and it is really uplifting to read about the Guild's achievements, for example, "Bailey Day", over the year just gone. This report is a credit to a large team across the Guild, all working with Ruth to make sure you are reading this before the AGM.

Teamwork is important throughout ringing. Here in Suffolk, with our membership spread thinly over the rings of bells available to us, it is not always easy to get bands together to ring, be it on Sundays, for weddings, or for peals and quarters. It takes considerable effort to bring together a team, and towers that are fortunate enough to have a thriving band have usually made their own luck by a lot of hard work.

Over the last few years the Guild has had a steady stream of new members: we now have 100 more members than when I became Chairman four years ago. This is not due to an influx of ready-made from foreign parts, but largely because of new recruits, which means a high proportion of the membership of our local teams is relatively inexperienced.

In a team activity though, inexperience must be accommodated. If eight ringers turn up at a tower, and seven can ring Surprise but one just call changes, then call changes is what is rung. In the process, however, the inexperienced ringer gains more experience and confidence. The opportunity to ring with more accomplished ringers is a fabulous resource, and I am disappointed that often new ringers seem reluctant to go to other towers to take advantage. "They won't want me messing things up" is often said, but all ringers get satisfaction from ringing simple things well and helping someone to improve in the process. I was only when, as a teenager, I was exposed to other ringers in other towers by a kindly mentor that my ringing began to climb out of mediocrity (albeit slowly!).

Being a member of the Suffolk Guild team is a privilege ,something to be proud of, but it also carries a responsibility: to do the best for the team, whoever and wherever that team happens to be. Getting out of bed to ring on a Sunday, doing your homework, and always trying to ring to the best of your ability, striking your bell as well as you can, that is what makes a good team member: I hope that's you!

Philip Gorrod, Guild Chairman

TRUSTEES' ANNUAL REPORT

The Trustees present their report and financial statements for the year ending 31 December 2011.

Charity

The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The charity's registered address is Millbeck House, Harleston Green, Shelland, Stowmarket IP14 3HU. It is governed under a constitution originally registered in 1977 and most recently revised in 2010.

Principal Objectives

The purpose of the charity is to promote and encourage the practice of bellringing within the Diocese of St Edmundsbury and Ipswich; to recruit, train and encourage bellringers in the practice of their art; and to cultivate the art of scientific change ringing, and to promote and advise on the preservation of bells in an efficient condition.

Trustees

The Trustees during the period were;

Chairman :	PJ Gorrod
Treasurer:	G E Slack
Secretary:	A J Shedden

Review of Progress and Achievements

Bellringing Activities

Ringing takes place in most of the towers with ringable bells, both for services and practices. Each of the four Districts holds regular activities for members. Striking competitions take place in each District, and the Guild holds an annual striking competition. A good number of peals and quarter peals are rung. The Vestey Ring has been used to demonstrate what the Guild does, at the Suffolk Show and other events.

Restoration activities

Major projects have been supported at Campsea Ashe and Helmingham. Members of the Belfry Advisory Committee, as well as other Guild members, frequently give advice and support, both for routine maintenance and restoration projects.

Guild Finances

Policies

All money in the Guild's funds not required for day-to-day working purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee. Grants from the Restoration Fund are authorised by the Guild Management Committee, but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

General Fund

Leaving aside the final donation to the Vestey mini-ring, General Fund income in 2011 was almost unchanged from 2010, with increases in subscription income and peal fees offset by a decrease in sales (primarily of rope). General Fund expenditure increased slightly from 2010. Significant savings were made in the printing of the 2010 Annual Report but these were balanced by increased administration costs and the purchase of a sizeable stock of badges. Administration costs are monitored carefully and the growth reflects increased activity within the Guild.

Restoration Fund

Restoration Fund income showed a 25% increase over 2010, primarily from an increase in the Gift Aid refund and donations from a variety of sources. Tower Affiliation income was up, as was income from Guild events, reflecting the additional activity referred to above. For the third year running, grant approval at £1,850 was low (£5,500 in 2010 and nil in 2009). The sum now available for allocation to new projects stands at £45,374.

Payments of previously allocated grants, totalling £13,750, were made for three projects completed in the year. The amount reserved for grants allocated to three projects still in progress stands at £5,200.

Summary

A satisfactory year financially with an increase in the General Fund balance. The Restoration Fund has a significantly higher balance available to contribute to projects that may arise in 2012.

Belfry Advisory Committee Report — Jonathan Stevens

As usual the BAC has been busy; as well as the hours of skilled volunteer labour helping major projects such as Helmingham's restoration (saving the parish many thousands of pounds), over fifty other parishes have benefited from help or advice from BAC members.

The BAC has a wealth of knowledge and experience about all things to do with bells and towers, from the mechanics to sound and design and layout of ringing chambers.

The BAC members like to keep active, so ringers, do ask for aid, where you perceive a need.

RINGING MASTER'S REPORT — JED FLATTERS

I would like to start my report by thanking everybody for helping me to slot into the Ringing Master's seat so easily, and especially Richy, who made sure that my first event, the Guild Striking Competition, was already well organised. A handy church hall, a large churchyard and Nayland's pleasant bells with a good turnout of 14 teams and supporters made for a superb afternoon. In the evening at Stoke by Nayland, five teams competed for the Rose Trophy on the tricky eight, with the SE District running out as worthy winners.

In the weeks before and after, I was able to attend all but the SE District's striking competitions, standing in as a spare ringer for two of the NE teams who, I am pleased to say, carried off trophies on the day.

On a regional level we hosted the Ridgman ten bell competition at St. Mary le Tower in June. Home advantage did not fully benefit us, although our ringing was more than creditable. This year we look forward to a better placing when we ring at Kempston in Bedfordshire.

I was privileged to attend George Pipe's master classes for learners held at Pakenham and Brandeston in March and June respectively. George's talk held us all, beginner and expert alike, as he drummed home the mantra of good handling being the key to progression and good striking. I was also pleased to be able to get over to the young ringers' day at Aldeburgh and Leiston to see the younger ringers in action. Well done to Maggie Ross for running this event.

Also we have to thank Maggie for organising the North East's novel ADM Open Day at some of the rarely rung fives. The hard work and resulting sore hands were well worth it though, for the ringer's tea with the famous cream meringues. Although not a Guild event, I was pleased to support Angela and Crawford Allen's Open Day in aid of the Elmsett augmentation, which gave me a chance to ring at many towers in the north of the county and meet up with ringing friends out for a grab. One pleasing aspect of this day was to see so many ringers enjoying the chance to ring on different and often difficult bells for the first time and gaining experience whilst doing so.

The Guild Social, held in the NW District, struggled for numbers due partly to Jason Busby's wedding meaning an almost total absence of NE ringers but we had a good evening and, on the plus side, made a small profit to keep Gordon happy. I am very much looking forward to this year's event, a barn dance at Sproughton barn, so please put the date in your diaries (Sat 15 Sept).

On the celebrations side, we supported Cindy Fitsell and the Leiston ringers helping them to celebrate the 100th anniversary of the Bailey brothers ringing a family peal. A peal band under Richy's guidance repeated the peal of Plain Bob Major, using the same composition, although their performance was somewhat quicker than the 1911 venture. Other ringers gathered for a buffet lunch before heading off for a series of quarter peals at various towers ably arranged by Maggie, and Jonathan Stevens, our Guild Technical Adviser, spent some considerable time armed with spanners and oil at Kelsale and made our task much easier. The day was rounded off by a fish and chip supper in the evening plus a few beers in the Engineer's Arms. We gained good coverage of this in the press and through the *Ringing World* and the *Church Times*.

This year we can look forward to the Queen's Diamond Jubilee, with the extended Bank Holiday weekend from 2 to 5 June, giving us plenty of chance to ring peals and quarter peals in celebration. We also have the opportunity to ring as the Olympic torch passes through the county on 5 and 6 July and, if you feel so inclined, you can ring Five Rings Triples, the special method designed for the event.

Despite what we do in the county as a Guild, we are judged from the outside by the number of peals rung and the mileposts passed. It has been another successful year for peal ringing with the total just slightly down on last year, but I would like to draw attention to the following achievements :-

2800th David Salter, also 1800th as conductor	250th for the Guild, Michael Edwards
1550th Alan Mayle	250th Tom Scase
1200th Mary Dunbavin also 700th for the Guild	100th Maggie Ross
700th Brian Whiting	100th Louis Suggett
500th Roger Whittell	75th for the Guild, Peter Harper
350th Mary Garner	50th Robert Beavis

Just starting on their peal careers are :- Chris Davies, Derek Rose, Andy Green, Clare Veal and Kay Lucas, and on the conducting front, well done to Robert Beavis and Alex Tatlow for calling their first peals.

It was reported last year that David Salter rang his 2600th peal and conducted his 1700th - this year he and Mary Dunbavin have rung their 750th together. Without their prolific achievements our totals would be all the poorer, although it is pleasing to see young Alex Tatlow rising to the challenge and bringing several youngsters with him. Also George Salter has moved from ringing behind when needed at the Wolery to new heights on an inside bell and, by the time you read this, Louis Suggett will probably be over the 200 mark as he continues to ring with the Birmingham band.

Coming from a bellfoundry background, I look forward to restorations and I am pleased to report on the first peal on Gislingham's restored and augmented bells and the first since 1889. At Helmingham, Doris Haas is to be congratulated on her efforts to get this historic ring put back into good order. The Dedication there took place on 15 October, and earlier in the year the new 8 at Hopton were dedicated. I was delighted to be asked in the first peal, which was dedicated to the memory of Stephen Young, whose efforts saw the old ring tuned and augmented. A worthy addition to the NW District. The first peal on the new six at Campsea Ashe was rung by a mostly local band and I hope to see many more on these handy bells in years to come.

I enjoyed my trip over to Pettistree in December to celebrate their 25th anniversary. It was good to go back for another ring on this well-used six that has now had over 700 quarter peals rung on them, some 500 or so called by Mike Whitby, who has developed the band from nothing. And on the personal side, I am looking forward to the Dedication of the two trebles at the Cathedral, but there is some hard work to do there first to get things right.

Congratulations must go to Sarah and Jason Busby and to Lesley and David Steed who were married this year. We are also pleased for Julie and Richard Rapior, on the birth of their daughter, Emily.

Sadly, several well known and well loved members passed away this year, and we especially remember Rod Pipe, who did so much for ringing composition and placed his adopted home of Birmingham at the top of 12 and higher numbered ringing. All will remain in our memory.

As we all know, the true measure of a Guild's achievement is at grass roots level in the commitment to Sunday service ringing and the number of quarter peals rung. Here are some more inspiring statistics:- (if I have missed anyone, please accept my sincere apologies).

1000th as C - Mike Whitby	500th David Steed	150th Robert Beavis & Alex Tatlow
1000th Jo Beever	450th Tom Scase & Pippa Moss	100th Philip Moyse
700th Lesley Wilson (now Steed)	250th Robert Scase	75th David Howe

As to the future, I will be looking into ways of keeping our membership levels buoyant and will work with the Recruitment and Training Committee to develop a new training regime. All too often we spend time bringing people to an acceptable standard only for them to drift away, or even worse, develop a poor handling style that severely hampers their progress. We need to ensure that we can give all of our new recruits the best grounding in an art that is now in its fourth century.

SECRETARY'S REPORT — MANDY SHEDDEN

2011 has been another busy year on all fronts for the Guild. Despite the Royal Wedding on the same weekend with the resulting extra bank holiday allowing people to get away, attendance at the AGM was only slightly down on the previous year.

Recruitment and training of a number of youngsters is encouraging and there has been an increase in members from older age groups as well in many towers within the Guild. The upward trend needs to continue both in growth and retention so hopefully in 2012 we will be able to adapt and put into practice some of the ideas discussed at the National Conference held at Wellesbourne in November.

One of the nice things about being the Secretary is that I learn about the great many people county-wide, who continue to work hard behind the scenes ensuring that the bells ring out in as many parishes as possible on a Sunday. Members of the Guild enjoy a good level of support for the hard work they put in, whether it be by training ringers, maintaining the belfry, or by encouraging good public relations within their communities.

Often in life it is easier to highlight the negatives rather than praise the positives but within this Guild we have a team spirit which we can be proud of. Our task for the future is to ensure that we have a new generation of ringers who can enjoy the benefits of the many towers that have recently had refurbishment or augmentations, all of which have been made possible by the fantastic enthusiasm and dedication of the members and their local public. To misquote a popular phrase -"The future is Suffolk".

LIBRARIAN'S REPORT — ABBY ANTROBUS

Following last year's deposition of most of the Guild Library with the Suffolk Records Office or East Anglian Sound and Vision Archive, 2011 has seen the acceptance by the GMC of a welcome offer: a new home for the rest of the material on purpose-built shelves in the Norman Tower. The *Ringing Worlds* and other non-Suffolk resources, scheduled to be returned from the Records Office (where the collection is still being catalogued), will be available to read there, and the conditions in the tower were considered satisfactory by an archivist from Bury Records Office. We are still to have discussions about binding the *Ringing Worlds*.

The library is still growing, and recent additions will also be stored in the Norman Tower until they are deposited with the rest of the collection. Do feel free to borrow items – the catalogue is online. A new highlight is a DVD, courtesy of Mr Pettman, with good footage of Italian bells and countryside taken this summer; some familiar 'campanari inglesi Suffolk' appear as handbell stars, and another can be spotted watching a rather more athletic display on some much bigger bells. I have received several requests for information about past ringers and local bells, from relatives, Guild members and the Central Council Biographies Committee. If you have any questions, requests or suggestions for items for the library, please do get in contact. I have also started a collection of digital photographs, so if you have any good ones, do please send them.

PUBLIC RELATIONS OFFICER'S REPORT — RICHARD MUNNINGS

It's been a busy year for publicity in the Suffolk Guild and it's hard to know how to squeeze it all in to a smaller space than I'm used to! I must start by thanking my predecessor Bruce Wakefield. Through both good and bad publicity, he always found the right person to front up to the right outlets. Thank you Bruce.

For me I've found two of our assets extremely useful PR tools. *Awl a'huld* is a superb publication, but isn't just for members. Please put it into your churches, doctor's waiting rooms, hairdressers; give them to incumbents – anywhere they can spread the word to the public. The other tool is The Vestey Ring, which has had a hectic 2011, most notably appearing at The Suffolk Show and the Henham Steam Rally. Our presence at the former event attracted Radio Suffolk, who also interviewed me about what we were doing for The Royal Wedding, Christmas ringing in Ipswich and St Edmund's Day. They also interviewed Philip Gorrod about Bailey Day, and some of these caught the attention of the *East Anglian Daily Times*. The *EADT* have been superb, featuring the Young Ringers' Outing in the summer, and the Dedications of both Helmingham and Campsea Ashe.

Meanwhile, ringing in Suffolk has had a high profile thanks to the Symphony of Bells, which kicked off this year's Ip-art Festival, and the Ridgman Trophy, the ten-bell striking competition for the Eastern region which was held at St Mary-le-Tower in June. It was also pleasing that our ringers played an important part in The Ringing World Centenary Celebrations, with 1911 peals at Leiston, Palgrave and Thornham Magna rung for the occasion.

2012 promises to be even busier, with the Olympics and Diamond Jubilee celebrations, so look out for more initiatives like Five Rings Doubles and Triples, and ringing along the Torch Relay route in July. And be wary of the Martin Creed project, more details of which can be found on my weekly blog on the Guild website.

Whilst I am the PR Officer for the Guild, I don't decree that every bit of ringing publicity in Suffolk comes through me! Indeed, much has been done off the backs of others which is great and bodes well for the future of our Guild. It would be helpful if people let me know about any PR they're doing to avoid any doubling up, though. Likewise, if you want to publicise something, I am more than happy to do so for you if you prefer! For now though, thank you to Mason and Ruthie for supporting me even when I should have been resting up after five years as Master and indeed to all who have helped me settle into the role.

WEBMASTER'S REPORT — CHRIS GARNER

The Guild Website still continues to grow. Information about towers, bells, ringers and events is constantly updated. *Richy's Blog*, a continuation of *The Ringing Master's Blog*, is now in its fifth year and is posted daily, generating friendly repartee in the Guest Book. Surprisingly, the Facebook page is used by only a few. Please remember to send photos and snippets of news to the Webmaster to be posted on the site.

There has been an increased use of the email system and it is now used to circulate *What's On* to all those who would like to receive it. The email addresses are known only to the Webmaster and are not published even to other members. If you would like any information to be distributed, please email it to me. A significant number of emails are returned as undeliverable so, if you change your email address, don't forget to let me know.

NOTES TO THE ACCOUNTS

Note 1. 50% of the sum of subscriptions and peal fees is transferred to the Restoration Fund.
Note 2. The interest received from the CBF and Barclay's bank accounts and shown in the Jubilee, Restoration and Pipe Family Trust Funds has been apportioned in the ratio of their respective capital sums.
Note 3. For clarity, the net cost each year is shown. The total mini-ring cost over three years is zero.

The independent examiners, Larking Gowen, had not completed their examination of these accounts at the time of printing. Their report will be published on the Guild website when it becomes available .

DIRECTORY OF SUFFOLK TOWERS

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Advisor or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place.

The table on the following pages shows details of every ring of four or more bells in the area covered by the Suffolk Guild of Ringers. The following details are included:

DISTRICT (DIST)

NE - North East	NW - North West	SE - South East	SW - South West

DEANERY (DNRY)

Bc - Beccles	Hl - Halesworth	Lo - Loes	St - Stowmarket
Bs - Bosmere	Ht - Hartismere	Lv - Lavenham	Sx - Saxmundham
Cl - Clare	Hx - Hoxne	Ml - Mildenhall	Th - Thingoe
Co - Colneis	Ip - Ipswich	Sd - Sudbury	Wd - Woodbridge
Hd - Hadleigh	Ix - Ixworth	Sm - Samford	

CONDITION OF THE RING (COND)

10 - Excellent. Ball bearings, modern frame and fittings.
9 - Excellent. Plain bearings, modern frame and fittings or ball bearings in old frame.
8 - Good going order.
7 - Fair going order.
6 - Poor going order.
5 - Ringable if cleaned up and odd fittings and ropes provided.
4 - Rung occasionally. Frame/fittings nearly life expired.
3 - Not to be rung mainly because of tower and/or frame arrangement and position.
2 - Not to be rung mainly because of frame and/or fittings.
1 - Hung dead.
0 - Some bells unhung on the ground.

Please note that the classification is based on the condition only at the last date of inspection, and any enquiries or requests for further inspections should be directed in the first instance to the Suffolk Guild Technical Advisor or Maintenance Officer.

KEY

The key of a ring (ie the note of the tenor) is given in cents (ie, hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C# -20, and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

SECRETARY'S REPORT — JULIE RAPIOR

The North East District has had another year with a varied programme of events. We hope that this has appealed to a wide cross section of our membership, but we always welcome members to contact us with suggestions or specific requirements.

The February Quarterly Meeting was combined with a training afternoon, 'First Steps on 8', including Call Changes and Plain Hunt, and this was well attended. During Guild Peal Week a District band rang a good peal of 4 Spliced Surprise Major at Wilby. Several members attended the Ringing World Centenary celebrations in London in March and enjoyed their day.

The District Striking Competition, held at Reydon, attracted a large number of teams from call change and method ringing bands, and it was good to see some of our newer bands and members entering. The Pat Bailey Shield was won by Aldeburgh, the Call Change Trophy was won by Sweffling and the Harry Archer Trophy was won by Halesworth.

In July, the young ringers enjoyed an afternoon ringing at Theberton and Aldeburgh, followed by a beach picnic and kite flying, and finishing at Leiston. The Handling Workshop, in October, was popular to help with either specific handling problems, or to give help with teaching new ringers. The November meeting saw members from the District (and beyond) on a 5 bell tower outing to some of our less regularly visited towers. There were plenty of tower grabbers at Brampton! The year finished with a ringers' and villagers' Carol Service at Wenhaston.

SECRETARY'S REPORT — ABBY ANTROBUS

Icy weather on the NW's first event of 2011 didn't dissuade a good crowd from ringing at the Norman Tower, lunching at the Flying Fortress, and holding the less formal of the year's meetings. The enthusiastic start was not false, and the district's workshops on handling, conducting and ten bell ringing were well attended. We thank George Pipe, Brian Whiting and David Stanford for tuition. In more clement June weather, the district Striking Competition, and now-traditional barbecue, was hosted by Wickham Skeith, and the Ivings Shield was won by the Norman Tower, in a close competition judged by David and Katharine Salter. In July, we hosted the Guild social, with ringing, a history trail and evening buffet (special thanks to Ruth Young, Gordon Slack and Janet Sheldrake for organising, and to Jed Flatters and Rowan Wilson for sorting the beer). April's Quarter Peal week scored 28 quarters that raised £541 for the MS Society -

several 'firsts' particularly represent the progress of developing bands. New district members from various towers (e.g. Mildenhall, Great Barton, Walsham and Pakenham) also show the dedication of recruits and teachers alike, and seven members are, as I write, proposed from the Hartismere deanery. Elveden practices have consolidated district 8-bell method ringing, and the NW came second in the Guild Striking Competition. The ADM and ringing on the new 8 at Hopton represented the business end of the year and I would like to thank outgoing Deanery Reps Craig Gradidge and Angela Packer. 2011 finished with a convivial Christmas social at Barrow, where Paul's sausage rolls and hot tea did just the job in taking the chill off. Events for 2012 include the now traditional carvery lunch, barbecue and Christmas nibbles – but it's not all about food in the North West, so here's to a good year of ringing too.

COMMITTEE REPORT — PETER HARPER

The Guild AGM, held at Henley, showed the District at its best, with plenty of support to ensure the day went smoothly and put on a good show. The District Striking Competition at Tunstall a week later was also well supported and a good social occasion, likewise, the quarter peal attempts at the beginning of August followed by a meal are proving increasing popular. There were other examples of the District coming together, such as the "Ipswich Bell Symphony" in June, and, of course the pre-Christmas ringing

in Ipswich. Mention must be made of the augmentation at Campsea Ashe, after an intense fund-raising campaign, and of the restoration of Helmingham bells. Both the dedication and rededication services were well supported, and these projects are a welcome addition to Suffolk ringing. Our monthly practices were reasonably well attended, although there were one or two when there were only just enough to keep ringing for the whole period. It was very sad that the summer outing had to be cancelled for lack of support, especially as Kate had put a great deal of work into the organisation, and her previous tours had been extremely enjoyable.

However, on the plus side, I am aware of the good work being done in various parts of the District to encourage ringers, with groups of towers coming together, and quarter peals being rung. This can only be to the benefit of the District and the Guild as a whole, and I am fairly optimistic about the future of ringing in our area. My thanks to incumbents, tower captains and all who ensure we can visit the District towers regularly.

SECRETARY'S REPORT — RICHARD GATE

I am pleased to report that the South West District has had a good year. All the practices at Hadleig Lavenham, Rattlesden, Monks Eleigh, Poslingford and Kersey were well attended. The District Striki Competition was held at Edwardstone, and a beautiful evening enhanced the success of the event. Kers were the winners and all the bands were encouraged and learnt much from the instructive criticism give by the judge.

This year the mini tour was organised by David and Linda Lee and ventured into the wilds of North E sex. Unfortunately, one of the towers failed to open for us but this simply meant that we got to the excellen evening meal that little bit earlier and an enjoyable time was had by all.

The Triples practices at St. Gregory's have continued with some success and the District has appreciated the effort the Deputy Ringing Master, John Smith, has put into this venture. He has also brought on some new ringers to form a band for Sudbury and it is encouraging to know that there are people who want to take up our interest in and continue the long tradition of church bellringing.

The lack of a Secretary during the last year was resolved at the ADM. An innovation that was agreed at the ADM is to have a series of Training/Teaching practices. These are intended to support towers that are teaching learners and also help established ringers gain the knowledge and confidence to teach beginners.

OBITUARIES

DAVID ALLSOPP — Ipswich, St Margaret

David will always be remembered for his ever present cheery smile and sparkling blue eyes. He was very modest character who began life as a Barnardo's Boy and eventually spent most of his working lif as a ship's "chippy". He began his bell ringing life learning to ring for the millennium and progressed a far as call changes. He was always reliable both in his ringing and in using his practical skills to help wit the usual bell maintenance work in the tower. Sadly he gave up ringing earlier this year because hi increasing health problems no longer enabled him to control his bell. A very sad loss both for his famil and the Exercise.

KEITH BAINBRIDGE — Cowlinge

Keith started ringing late in life, but quickly became a valuable member of the service band, ringing a both Cowlinge and Stradishall. Like a lot of people who start ringing when they are older, he found th complexities of change ringing something of a challenge, but he stuck at it with enthusiasm. He went o a ringing course and regularly attended the SW District outings.

The last time he attended a practice was at Stradishall. He commented that he was feeling very tire that day and almost hadn't come, but he then proceeded to ring three touches of Plain Bob Double better than he had ever rung before. He was rightly a proud man at the end of the practice. Sadly, th tiredness of which he complained was probably a symptom of what he was to suffer so bravely for mor than a year. He made many friends in ringing and it was no surprise that there was a good turnout fror across the region to ring at his funeral. He was a great friend and colleague and will be sorely missed.

ELSIE BRAYBROOK — Polstead

Elsie learned to ring at Polstead when the ban was lifted after the Second World War. She worke hard to help the fund-raising efforts when the bells at Polstead were re-hung in the fifties. During her lon ringing career of more than 50 years she rang a large number of quarter peals and two peals. Her mai interest, however, was in ringing every Sunday for service. She did this until back problems forced her t stop ringing soon after her 85th birthday. After that she continued to come to practice nights, to suppor the rest of us, almost till the end of her long life of 91 years.

Elsie worked for the church all her life. She was churchwarden for 25 years, organiser of flower rotas chief arranger of flowers for weddings, mower of the churchyard – you name it – she did it. She was mine of information about the church and an active member of the community up until the day she died.

In 2009, she was chosen to attend the Maundy Service, held that year at the Cathedral in Bury S Edmunds. It was a proud day for her to receive the Maundy money from HM the Queen. The ringers wi always remember the next practice night when Elsie brought her Maundy money to the tower to show everyone. She is very much missed.

JUDITH FROST — Haughley

In 1991, the rumour around Haughley was that two experienced ringers from Drinkstone had moved in Coincidentally, we in the village were trying to re-form a bell ringing team. So Judy and Dennis joined u and soon they were involved in Monday night practice, restoration work to the bells, and the necessar fund raising. Dennis became Tower Captain. One of the things we learnt is that after ringing practice, yo always go to the pub. A Drinkstone tradition - possibly? Monday Nights became one of the highlights

the week, always with Judy at the centre of it. A familiar face in the village, she worked in Palmer's Bake Office for 15 years, and when she retired she cared for her husband who had had a stroke. She had a great zest for life and she brought something special into the lives of all who knew her.

DENNIS LORD — Nayland

Dennis learnt to ring in his native village of St Osyth, Essex, soon after the end of the last war. National Service and his career as an electrician were to cause him to move to the Halstead area of Essex for the rest of his life, where he raised a family. Unfortunately, he was not to ring again until 1999 when the sound of the bells one Sunday morning in Clare encouraged him to have another go. He had suffered several strokes by this time, which prevented him from progressing beyond rounds and call changes, but he was an enthusiastic and loyal supporter at local and District ringing events. He particularly enjoyed attending the Monday afternoon practices at Nayland.

ARTHUR JAMES (JIM) NUNN — Framlingham

Jim was a dedicated bellringer and member of the choir at St Michael's Church, Framlingham, for 55 years. He was a much loved, respected and reliable man, who got on with things in a quiet way and with a quirky sense of humour. He was involved in several activities, both within the church and the community, as well as enjoying an interest in aircraft and caravanning. On Christmas morning he would play carols on the Ellecombe apparatus in the ringing chamber. A call change ringer for many years, Jim eventually trebled to doubles methods, but professed to not knowing how. He said he 'just filled in the gaps'. The Framlingham ringers will remember him with great affection.

ROY THOMAS (TOM) PARKE — Earl Stonham

Tom learned to ring at Brome where he was born, and at Oakley. He settled in Creeting St Mary, but maintained the connection with Brome. In later life he rang at Earl Stonham, Barking, Stonham Aspal and sometimes at Debenham and Walsham-Le-Willows. He was active in the restoration of Earl Stonham bells and was always busy, helping people, visiting friends and family or pursuing his interests. At his funeral in Brome church he received a true bell ringer's send-off which thrilled his family, and a peal was rung at Earl Stonham, and a quarter at Henley.

BERNARD POLLARD — Walsham le Willows

Walsham le Willows is personified by Bernard Pollard. He represented everything that was best about the village, but it was the church which was most important to him, being organist, Lay Reader, and PCC Treasurer over the years. Bernard joined the choir when he was five, and as a teenager started helping to ring the bells. In 1970 a new team of ringers was recruited and Bernard was made Tower Captain. He went on to train many new ringers and oversaw the restoration of the bells in 1988. Bernard is listed as a member since 1973 and rang 16 peals for the Guild. In 2009, Bernard was chosen to be one of the recipients of the Maundy Money distributed by The Queen in the Cathedral.

GEOFF PULFORD — Otley

Geoff took up ringing when he retired to Otley in the early 1990s. He was keen to master the art and very enthusiastic in his support of Otley and the surrounding towers. He enjoyed outings and visiting other practices, always keen to make progress. He rang several quarter peals and was particularly proud that he had managed to ring Stedman Triples. He was active in the District and Guild and eventually became a Life Honorary member. He was a reliable, committed and kind gentleman who is missed by many, especially the band at Otley where he was a real mainstay of the band.

SUSAN SCHURR **Pettistree**

Susan was in her 70s when she decided to become a Millennium ringer. A warm kindly lady with an open mind to new ideas and an enquiring nature, she won the hearts of the Pettistree band who willingly taught her the art of change ringing. She did her homework diligently, and gradually progressed through Doubles to Minor, and was not afraid to ask questions on points which she was uncertain about. She was able to ring Cambridge Minor, but her finest achievement was probably a quarter of Grandsire Triples at Ufford (another tower she regularly supported). In all she rang an amazing 56 quarter peals. Supported by her husband, Peter, she hosted the annual tower meeting in her home, providing refreshments and always ready with supportive comments on the band's progress. Sadly, age caught up with her, but her memory lives on. Pettistree church was packed for her memorial service in August, and she would have been thrilled that the local band have named a new method in her memory "Schurr Surprise Minor".

STEPHEN YOUNG **Hopton**

Stephen learnt to ring at Drayton, Oxfordshire in 1972. He moved to Beccles in 1982 and established regular ringing at Blythburgh and for some years was NE District Ringing Master. In 1993 Stephen married Ruth Bedford and they moved to Coney Weston. The bells at nearby Hopton were becoming increasingly difficult to ring and Stephen was the driving force in a project to re-hang and augment the bells to 8. The bells were taken out in March 2010, but Stephen had been diagnosed with a brain tumour. Thankfully, he was able to see the bells return in June 2010 and ring them for services until December when his condition worsened. We very much feel for Ruth in her loss. Stephen rang around 50 peals and a thousand quarters. A full obituary appeared in the *Ringing World* at page 688.

We also remember the following Non-Resident Life members who passed away in 2011;

Dennis Beresford	Devon
Noel J Diserens	Wallingford, Berkshire
Geoffrey Dodds	St Albans
Gerald Penny	St Albans
Roderick W Pipe	Birmingham
William J Ridgman	Cambridge

and we especially remember the family and friends of them all.

May they rest in peace

PEAL SECRETARY'S REPORT — CHRISTINE KNIGHT

There was a slight dip in the Guild peal total in 2011, to 128, but it was pleasing to see 58 Suffolk towers pealed during the year. There were just 2 peals outside the county, at Ardleigh, Essex, and Longstanton in Cambridgeshire. Three memorable events were a focus for peals in 2011. The centenary of *The Ringing World* was celebrated in March and peals were rung across the country at towers which had had peals published in the first issue on 24th March 1911. As part of this commemoration, a NW District band rang a peal of Grandsire Triples at Palgrave on 21st February, and a peal at Thornham Magna on 18th March replicated the 7 methods rung on that day in 1911. April saw the sudden death of Roderick W Pipe of Birmingham, an event which shocked the whole Exercise. It was fitting that 5 *in memoriam* peals were rung in his home county, including a 5070 of Stedman Cinques on 9th April at Grundisburgh, where he learned to ring. This was specially composed and conducted by Stephen Pettman. On the following day, Richard Munnings called one of Rod's compositions of Cambridge S Maximus at St Mary-le-Tower. October 22nd 2011 was dubbed 'Bailey Day'. On October 21st 1911, 8 of the 11 famous Bailey Brothers of Leiston rang the first peal by a band made up entirely of brothers. On the day following the centenary, this remarkable feat was commemorated with quarter peals, an exhibition and a re-run of the peal of Bob Major at Leiston, using the original Gabriel Lindoff composition. A lovely touch too, that Adrian Knights, the only surviving pupil of the brothers, rang the same bell (6th) as his tutor Ernest Bailey had a hundred years before.

The year saw 5 peals to celebrate restoration. A peal at Wissett on 10th February was the first on the bells since re-hanging, and since 1958. At Gislingham, a NW District band rang a peal of Grandsire Triples on 29th April to celebrate the marriage of HRH Prince William to Catherine Middleton, the first peal on the bells since restoration and augmentation, and the first peal in the tower since 1889. Sadly, this was the only successful Royal Wedding attempt for the Guild. The first peal on the newly restored and augmented bells was rung at Campsea Ashe on 12th October, and it was very pleasing that a first pealer rang in both this and the Gislingham peal. Restoration and augmentation at Hopton was completed just before the untimely death of the project leader, Stephen Young. The first peal on the eight was rung in his memory on 26th November. *The Ringing World* of 13th January 2012 featured a very interesting article by George Pipe on the restoration of the famous bells at Helmingham, given by the sixth Earl Tollemache to mark the victory at Waterloo. The restoration was celebrated by a peal of Yorkshire S Major on 10th December.

Once again, Peal Week took place in February. The former Master may have been disappointed that only 8 peals were rung, but despite several losses, it was good to see 2 firsts as conductor, a first pealer and peals by both NE and NW District bands. Richard Munnings deserves great credit for the reintroduction and development of Guild Peal Week. Since 2007, 58 peals have been rung in Guild Peal Weeks, involving 115 ringers, 22 conductors, no less than 14 first pealers and 6 firsts as conductor. The wider participation in peal ringing, and especially that of younger members, has been a huge achievement.

Several trends in Guild peal ringing have continued. Surprise Minor has remained popular at The Wolery. Richard Munnings continued a project to ring a peal of Spliced S Minor in 41 methods, and it was good to see the band achieve their goal at Brandeston on 14th November. Regular peals of Surprise Major have continued at Aldeburgh and the 200th peal of Surprise Major on the bells was recorded on 9th October. Stephen Pettman and Brian Whiting maintain their interest in composing peals of a commemorative length. 12 such peals were rung for a variety of birthdays and other anniversaries.

There are many positives to draw from the Guild's peal ringing in 2011. Six first pealers is an encouraging sign, as is the growing involvement of young members in peal ringing, including conducting. Foot-

notes have included a wide variety of achievements by younger members. Robert Beavis, Philip Moyse and Alex Tatlow all rang their first peal of Bristol S Major in 2011. Messrs Beavis and Tatlow also progressed through firsts of Stedman Triples, Caters and Cinques between August and December, all conducted by Stephen Pettman at Grundisburgh; a superb achievement. It remains disappointing that few 10 and 12 bell peals have been rung for the Guild in recent years. There was only one peal of Maximus and none of Royal in 2011. However, peals of Major as a percentage of the Guild's peal total showed a substantial increase from 30% in 2010 to nearly 43% in 2011. It is encouraging that a wide variety o 'firsts' was recorded in footnotes to peals of Major. The increase in peals of Surprise Major at The Wolery has contributed to this statistic, and it was good to see a peal of Bristol rung there on 9th November.

As ever, I should like to record my thanks to Ruth Suggett, Brian Whiting and David Salter for their invaluable help. Many thanks also to those conductors who have submitted peal fees and compositions promptly, but may I remind conductors that it is imperative to check the membership status of all members of the band before commencing a peal attempt.

from The Ringing World

In 2011, The Ringing World enjoyed a year of celebration and reflection on 100 years of life at the heart of change ringing. As we enter 2012, we are looking ahead and are excited to launch the first stage of our initiative to serve the needs of the ringing community in 2012 and beyond.

The Ringing World is delighted to present **BellBoard**, an exciting new online resource for the change ringing community. The site has been set up for individuals to register as a user, post peals and quarters and related compositions for public viewing, and submit these details to The Ringing World.

This is only the tip of the iceberg for **BellBoard**. Our vision for the website extends far beyond its current form. The Ringing World has engaged the very best skills and has the resources and ambition to develop and maintain a facility which will serve the ringing community for many years to come.

The Ringing World has set this up for you and we would love to see you using it! Go to:

MINUTES OF THE ANNUAL GENERAL MEETING OF THE SUFFOLK GUILD OF RINGERS, HELD AT HENLEY, SATURDAY 30 APRIL, 2011

The Chairman Philip Gorrod (PJG) opened the meeting by giving a welcome to the eighty-five members present. He thanked the local ringers in the South East District for the organisation of the day and Chris Farley for taking the service, Jane Harper and her team for the teas and Jonathan Stevens for organising the debate- "Bellframes: Repair or Replace?" with Mark Regan and Shawn Kholucy in Henley Community Centre before the meeting. Apologies were received from fifty five members.

The meeting stood in silence in remembrance of Stephen Young from Hopton, Julia Barry from Long Melford, Simon Cottrell from Parham, Albert Driver from Redgrave, Dennis Kiddy from Cowlinge, John Mardon from Sproughton, Robert Mares from Edwardstone, Wendy Mason from West Stow, Susan Munford from Pakenham, Geoffrey Pulford from Ottley, Malcolm Oliver from Nayland, Keith Rands of Old Newton, David Tallis from Yoxford and Geoffrey Timms from Reydon. There were also a number of NRI Members who had passed away recently, including Rod Pipe.

Election of New Members

The following were elected as members of the Guild;

Name	Tower	Proposed	Seconded
Nathan Colman	Stowmarket	Winston Girling	Mandy Shedden
David Ruffles	Bardwell	Ruth Suggett	Mandy Shedden
Mark Palmer	Mildenhall	Ruth Suggett	Louis Suggett
Abby Teague	Stoke Ash	Winston Girling	Carol Girling
Bill Lloyd	Pettistree	Mary Garner	Mike Whitby
Ian Wright	Rendham	Suzanne Stevens	Jonathan Stevens

Minutes of the 2010 AGM

These minutes had been published in the Annual Report. Their acceptance was proposed by John Girl and seconded by Mary Garner and agreed by the meeting

Officers' Reports

Ringing Master: Richard Munnings (RJM) presented the his report as printed in the Annual Report. Acceptance proposed by Mary Dunbavin and seconded by Maurice Rose. It was accepted by the meeting.

Secretary: Mandy Shedden (MJS) Mary Garner proposed and Chris Garner seconded acceptance of the Secretary's report as printed. The meeting accepted the report.

Treasurer's Report: Gordon Slack (GES) added that the Examiners had now approved the accounts. John Girt queried if insurance cover was in place for the replacement value of assets, in particular the Ringing Master's Badge of Office and the mini ring. GES replied that he would double check the insurance policy schedule to be certain. There being no other questions, Peter Harper proposed and Ruth Suggett seconded that the report be accepted by the meeting. The members agreed.

Technical Advisor/Belfry Advisory Committee: Jonathan Stevens (JJS) presented his report as printed, and informed the meeting that two more members of the BAC had joined, Carol Girling and Martin Croucher. He urged the members to use him and the committee members for free help and advice regarding maintenance of the bells in their towers. Winston Girling proposed acceptance and Derek Rose seconded this. The meeting accepted the report.

Public Relations Officer: Bruce Wakefield presented his report as written in the Guild Report and added that Richard Munnings had been very active and continues to give good PR for the Guild. Mary Garner proposed and Ruth Suggett seconded the acceptance of his report. The meeting agreed.

Report Editor: Ruth Suggett thanked everyone involved in the collation of the Report and ensuring that the material was submitted in good time for printing.

Magazine Editor: Alan Stanley spoke on behalf of his two other colleagues, Sue Freeman and Richard Gates, who work as a team. The average is one edition every three months and lots of positive feedback had been received. He offered his thanks to all the contributors and the team of Deanery Reps who are responsible for the delivery of the magazine to the whole county.

Librarian: In the absence of Abby Antrobus, the meeting was referred to her written report. Ann Pilgrim asked if the Library was accessible at the moment and she was told that Abby would be pleased to access any material that she needed. The report was proposed for agreement by Robert Scase and Mary Garner seconded it. The meeting accepted the report.

Peal Secretary: Christine Knight reported an error in the name of a new NRLM. Christopher CP Woodhouse should read Christopher CP Woodcock. Other than this, she offered her thanks to all who have helped collate the peal statistics and asked that her report should be accepted as written. David Potts proposed and Derek Rose seconded this and the meeting agreed.

Handbell/Mini Ring Trustee: Brian Whiting reported that one of the four sets of handbells owned by the Guild was on loan and this year donations totalling £73 had been received for the handbells. The new mini ring had been used at the Young Ringers training day in October 2010 and was in use here at the AGM. There were 10-12 bookings in place for the mini ring for the next two years and it was going to be used at the Suffolk Show this year. Trevor Hughes asked if preference would be given to Suffolk Guild members if the mini ring was asked for in two places at once. PJG replied that this would be difficult to implement if outside organisations were relying on the booking for an event and had asked for it in plenty of time. This is a matter that will be discussed at the GMC meeting. Mike Pilgrim reported that as a result of the presence of the mini ring at Henham he was now teaching two new recruits to ring.

Webmaster's Report: Chris Garner had nothing to add to his printed report but Veronica Downing praised his work in producing one of the best Guild/Association websites available. The meeting applauded her compliment. David Steed proposed and Ralph Earey seconded the adoption of the report. The meeting agreed.

Trustees' Report: PJG asked for the report to be accepted as printed. Chris Garner proposed and John Girt seconded this. The meeting agreed.

Central Council Report: Two reports from the CC Meeting had been posted on the website but none of the representatives who had attended were present. There were no questions

Subscriptions and Peal Fees for 2012

The GMC proposed that there should be NO CHANGES and that the 2012 subscriptions should be:

Ringing Member	£15.00	Associate Member	£7.00
Ringing Member 65-74	£10.00	Non Resident Life Member	£7.00
Members 75 and over	Free		
Ringing Member in FTE	£7.00	Peal Fee	£1.00

Maurice Rose proposed and Lesley Wilson seconded that the fees should be accepted. The meeting agreed.

Election of Officers for 2011/2012

Richard Munnings had to stand down as Ringing Master after five years in Office and Bruce Wakefielc resigned as Public Relations Officer. The following Officers were elected unopposed by the members present.

Elected	Proposed	Seconded
Chairman Philip Gorrod	Ole Jensen	Veronica Downing
Ringing Master Gerald Flatters	Ruth Suggett	David Rogers
Secretary Mandy Shedden	Jacky Savage	Mary Garner
Treasurer Gordon Slack	Mandy Shedden	Abby Antrobus
Technical Adviser Jonathan Stevens	Suzanne Stevens	Mary Garner
Chairman of the BAC Jonathan Stevens	Suzanne Stevens	Mary Garner
Public Relations Officer Richard Munnings	Bruce Wakefield	Kate Eagle
Librarian Abby Antrobus	Stephen Pettman	Alex Tatlow
Report Editor Ruth Suggett	Lesley Wilson	David Steed
Webmaster Chris Garner	Maggie Ross	Peter Harper
Magazine Editor Alan Stanley	Peter Harper	Jonathan Stevens
Peal Secretary Christine Knight	Mandy Shedden	Richard Munnings
Handbell Trustee Brian Whiting	Alex Tatlow	Jonathan Stevens
Mini-Ring Trustee Brian Whiting	Abby Antrobus	Alex Tatlow

Election of Trustees

The Trustees are currently the Chairman, Secretary and Treasurer, and their re-election was proposed by Mary Garner and seconded by Richard Munnings. The meeting agreed.

Appointment of Independent Examiner

The reappointment of Larking Gowen, the current Examiners, was proposed by Gordon Slack and seconded by the Chairman and agreed unopposed.

Election of Life Honorary Members.

Trevor D Hughes

The North East District proposed Trevor D Hughes. Jason Busby introduced him as a bellringing legend, who had worked very hard for the Guild over many years. JJS continued that he had given outstanding service as a committee member over a period of some 40 years. He has taught several of the current members to ring and been elected to several offices within the District, finally retiring as its Chairman recently in order that he could concentrate on teaching more new recruits Trevor was unanimously elected as a Life Honorary Member of the Guild. He thanked the Guild for electing him.

Mary S Garner

The South East District proposed Mary Garner. George Pipe spoke of her as a very worthy recipient of the honour, as she had worked tirelessly in many different ways for the District and the Guild. His comments were echoed by Peter Harper, the SE District Chairman. On her election as Life Honorary Member, Mary said that she felt honoured to be in this position especially as she was a relative newcomer of only 25 years membership.

Gillian Wakefield

Gillian was also proposed by the South East District. George Pipe spoke of her outstanding service as Guild Librarian of many years. For many years, Gillian had housed the contents of the library in her home and she was always willing for members to visit and use it, and was very hospitable when they did. Nothing was ever too much trouble. Gillian was elected by the meeting and she thanked everyone for this, saying she had enjoyed being the Librarian and felt privileged to have been in the position.

Guild Magazine

PJG said that he felt the magazine had been a success, but some concern had been expressed at the cost of production, which may have some impact on subscription levels in the future. Some of the costs could be defrayed by advertising revenue, but the Editors wanted to strike a healthy balance between adverts and content. JJS stated that the Editors had done a good job in producing a readable magazine which was of interest to the general public and not just the ringers. David Mulrenan asked about cost in relation to the previous cost of producing the newsletter, and whether there was any wastage or not. GES advised that the cost was £285 per issue of 500 copies and that the cost did not reduce proportionately if fewer copies were printed. Some of this figure had been reduced by advertising revenue so far. It was suggested that wastage could be addressed by everyone making a conscious effort to deliver copies to other places in the community such as GP surgeries. Shirley Girt commented that she sent out 12 copies to retired ringers who did not have access to the internet and that it was much appreciated because of the continuity of contact. Brian Whiting pointed out that the magazine cost approximately £1 per member to produce over the course of a year (3 copies per year). Shirley Girt proposed and David Mulrenan seconded a motion that the magazine should be continued. The meeting agreed.

Suffolk Show

The mini ring is going to be demonstrated at the Suffolk Show this year on the 1st and 2nd of June. PJG asked for two or three more volunteers to help with the manning of it. The Diocese and the GMC have between them agreed to pay half the entrance fee. An invitation had also been received to take the Mini Ring to Henham Steam Rally again this year.

Erratum in 2010 Report

On p.68 peal composition at top middle of page 5056 Spliced S Major: notes should read 5 part calling **Penultimate** course **NOT** last course. All unissued reports have been amended to the correct version.

Child Protection Update

Mary Garner reported that there had been no change in the law, and current guidelines previously issued should still be referred to.

Guild History Update

George Pipe reported that he has a rough draft done and that a third of the 40 chapters had been completed. He had hoped to have been taking it to the printers by now but for personal reasons he had been unable to work on it recently.

Guild Social

This is being hosted by the NW District on July 30th. Plans were for ringing at Bury and Horringer in the afternoon, an historical quiz around Bury St Edmunds, followed by food and drink in Whepstead Village Hall.

Matters Arising from 2010 AGM minutes not previously covered

No matters arising.

St Edmunds Clapper Competition

The winners of the competition this year were Ofton who raised £400 for the BRF. In second place was Swefflíng and third was The Folly. The clapper trophy will be retained by Offton who were the winners last year.

Date and venue for 2012 AGM

This will be held on April 14th at Edwardstone and Boxford. Full details will follow.

Any Other Business

i) John Girt drew attention to an article in the RW on 15 April regarding the Ringing Foundation and the intention of the CC to develop an Integrated Teacher Training Scheme to train new instructors which it was suggested all Guilds and Associations could adopt to complement any existing training for teachers that they already do. He asked that this could be taken further and PJG agreed that it would be put on the agenda for the next GMC meeting.

ii) George Pipe reported that the *Ringing World* had approached one subscriber in each of the Guilds and Associations to act as a spokesman for the publication, which is danger of becoming a casualty of the new digital age if subscriptions do not increase in number. In Suffolk out of over 700 members only 80 were subscribers. For less than the cost of a pint of beer per week, he urged each tower to subscribe to the *Ringing World* so that it could be shared amongst the ringers in the tower. It could be that as a result the number of personal subscriptions increases.

iii) RJM asked recently elected members who were present to collect their membership certificates from him.

iv) Trevor Hughes asked if Richard's blog would still be available now that he was no longer Master. Richard assured him that it would under a different guise.

v) Peter Harper asked if handbell ringing could be a regular feature during future AGM church services.

vi) Ann Pilgrim asked if a reminder of the subscription rates and when they were due be put on the *What's On*.

Vii) The BRF Collection during the service amounted to £135.36

THE SUFFOLK GUILD OF RINGERS
OBJECTS, CONSTITUTION AND RULES - 2010 REVISION

OBJECTS

The Guild shall promote ringing for Divine Service within the Diocese of St. Edmundsbury and Ipswich by:

1. Promoting and encouraging the practice of bellringing.
2. Supporting the recruitment and training of bellringers.
3. Cultivating the art of scientific ringing.
4. Promoting an appreciation of the ringing chamber as part of God's house and encouraging care and attention to its cleanliness and proper equipment.
5. Promoting the preservation of bells in an efficient condition, recommending necessary repairs and renovations and providing reliable information and practical advice on the condition of bells and their fittings.
6. Supporting restoration and / or augmentation.

CONSTITUTION

A. Name

1 The Guild shall be known as the Suffolk Guild of Ringers for the Diocese of St Edmundsbury and Ipswich.

1.1 The Guild shall be affiliated to the Central Council of Church Bell Ringers.

1.2 The Guild shall be registered as a Charity at Law (Ref.266869).

1.3 The Trustees of the Guild shall be at least three members of the Guild Executive as defined in rule J 13, and shall be elected at the AGM.

B. Membership

2 Membership shall consist of the following categories:

2.1 Ringing Member: A person who can ring rounds, unaided, on a tower bell.

2.2 Associate Member: A person who wishes to support the Guild.

2.3 Life Honorary Member: A Ringing or Associate Member who has given outstanding service to the Guild.

2.4 Non-Resident Life Member: A person qualified to be a Ringing or Associate Member, but who resides outside the Guild's territory and is not a member under 2.1, 2.2 or 2.3.

3 Only Ringing and Life Honorary Members may vote or hold office in the Guild.

4 Churches within the Diocese may be affiliated to the Guild on payment of an annual donation of an amount at least equal to the subscription payable by a ringing member aged between 65 and 74.

C. Districts

5 There shall be four Districts, comprising the following Deaneries:

1 North East: Beccles and South Elmham, Halesworth, Hoxne and Saxmundham.
2 North West: Ixworth, Hartismere, Mildenhall, Stowmarket and Thingoe.
3 South East: Bosmere, Colneis, Ipswich, Loes, Samford and Woodbridge.
4 South West Clare, Hadleigh, Lavenham and Sudbury.

D. Government

6 6.1 The President shall be the Bishop of St Edmundsbury and Ipswich.

6.2 A Suffragan Bishop within the Diocese shall be a Vice-President.

6.3 Vice-Presidents elected before 2010 shall hold office for life and shall not be required to pay a subscription.

6.4 A non-member may be elected as a Patron at an AGM. Patrons shall hold office without re-election, but may be removed by a resolution at an AGM.

7 The Annual General Meeting (AGM) or any Special General Meeting (SGM) shall be the ultimate policy and decision-making body of the Guild. The AGM shall be held on the Saturday following Easter or as decided by the Guild Management Committee (GMC).

8 Members shall be elected to the following Offices:

Chairman
Ringing Master
Secretary
Treasurer
Chairman of the Belfry Advisory Committee
Report Editor
Central Council Representatives
Mini Ring Trustee
Technical Adviser
Librarian
Handbells Trustee
Peal Secretary
Public Relations Officer
Magazine Editor
Webmaster

9 The Annual General Meeting shall appoint an Accountant, who is not a member of the GMC and need not be a member of the Guild, to act as Independent Examiner in accordance with The Charities Acts .

10 The following Committees shall be formed:

The Guild Management Committee (GMC), to co-ordinate Guild activities and publish a printed Annual Report and Accounts. It shall recommend the levels of subscriptions, peal fees, other methods of raising capital, authorise expenditure from Guild funds and may organise general meetings, ringing and social activities.

The Recruitment and Training Committee (RTC), to co-ordinate training and recruitment.

The Belfry Advisory Committee (BAC), to advise and assist on all matters connected with rings of bells. It shall maintain an up-to-date directory of towers, listing the condition of all Church bells in the Diocese.

E. Finance

11 All money in the Guild's funds not required for normal working purposes shall be invested or deposited by the Treasurer as may be directed by the GMC.

12 All cheques shall bear the signature of the Chairman, Secretary or Treasurer.

12.1 Any cheque greater than a limit set by the GMC shall bear the signatures of two of the above.

13 The expenses listed in Rule K16 shall be paid out of the General Fund.

14 The interest received on the Jubilee Fund shall be transferred to the Guild Restoration Fund. The capital element of the fund shall be retained intact.

15 Grants from the Restoration Fund shall be authorised by the GMC but shall only be paid after the work has been approved by the Guild Ringing Master and the Technical Adviser. Grants will normally be offered for work to restore bells and their fittings for full-circle ringing, but may include augmenting and other ancillary work associated with any such project.

16 The St Peter's Sudbury Fund shall be used for running expenses and minor repairs and refurbishments to St Peter's bells and fittings.

17 The Library Fund shall be used for the purchase and repair of books and other items for the library.

18 The Handbell Fund shall be used for the repair, maintenance, renovation or augmentation of the Guild's handbells.

19 The Pipe Family Trust Fund shall be used for the encouragement of beginners in the art of change ringing in the Suffolk Guild. The fund will be administered by the Guild executive.

20 The GMC may establish further funds and shall specify the aims and objectives of such new funds.

21 The GMC may transfer sums from the General Fund to any specific funds and, if the purposes of the specific funds cease to exist, close these funds and transfer the balance to the General Fund.

22 The GMC shall recommend the proportion of peal fees, subscriptions of Ringing and Associate Members and Non-Resident Life Membership fees which shall be transferred annually to the Restoration Fund from the General Fund.

F. Records and Handbells

23 All peals rung for the Guild and a summary of other peals and quarter-peals rung in the Diocese shall be published in the Annual Report.

24 The Librarian shall maintain an up-to-date inventory of publications owned by the Guild, and the Secretary shall maintain an up-to-date inventory of other Guild assets

25 The Handbells Trustee shall maintain the handbells in good condition and shall make recommendations for their repair to the GMC.

G. General

26 The Constitution and Rules may only be amended at an Annual or Special General Meeting of the Guild.

26.1 Fourteen days' notice of any proposed change must have been provided to members through the Ringing World and, unless it ceases to be published, the Guild Newsletter.

26.2 Any change must be approved by at least two-thirds of those present and voting and shall take effect from the date given in the proposal.

26.3 No amendment shall be authorised which shall have the effect of the Guild ceasing to be a Charity in Law.

27 In the event of dissolution of the Guild any assets remaining after the satisfaction of all its debts and liabilities shall not be paid to or distributed among the members of the Guild but shall be given or transferred to such other charitable institution or institutions having similar Objects to the Guild.

GUILD RULES

H. Election of Members and Subscriptions

1 Ringing and Associate Members may be elected at any meeting by a majority of those present when proposed and seconded.

1.1 A member may belong to only one District, normally the District under which the member is shown in the Annual Report.

2 Subscriptions are due on election and thereafter, in advance, on January 1st each year, and shall be set at the preceding AGM, or a SGM. If a change in subscription has not been passed the existing rate shall continue.

2.1 No member shall be entitled to be heard, vote or hold office if subscription for the current year is unpaid.

2.2 The subscriptions of members elected during or after October shall cover the remainder of that year and the whole of the following year.

2.3 Persons in full time education and members over 65 years of age shall pay a reduced rate of subscription. Members over 75 years of age shall pay no subscription.

3 Life Honorary Members may only be nominated by the GMC or a District and shall only be elected at a Guild AGM. No further subscription is payable after election.

4 Ringing or Associate Members may, on leaving the Diocese, inform the Guild Secretary that they wish to become Non-Resident Life Members. No subscription is payable during the period of non-residence.

5 A person resident outside the Diocese who wishes to be associated with the Guild may be elected a Non-Resident Life Member. A one-off subscription is payable by such members. Any Non Resident Life membership ceases if the member takes up residency within the Diocese.

6 For the purposes of peal ringing, new members may be provisionally elected in the belfry. Membership is subject to confirmation at a meeting of the appropriate District in the case of a Ringing Member or at a meeting of the GMC in the case of a Non-Resident Life Member. If election is not confirmed the subscription shall be refunded.

7 Any member failing to conform to the Objects and Rules of the Guild may be expelled by the GMC which shall report the matter to the next Annual General Meeting. Such a member shall forfeit any payment made to the Guild.

I. Election of Officers

8 All Officers shall retire at the Guild's AGM but shall be eligible for re-election. The Chairman, Ringing Master, Secretary and Treasurer shall not serve more than five consecutive years in one post.

8.1 Nominations may be made in writing to the Guild Secretary or orally at the AGM providing they are proposed and seconded.

8.2 If more than one nomination for any office is received election shall be by paper ballot. the successful candidate being the one with the highest number of votes. In the event of a tie the Chairman shall have a casting vote.

8.3 Central Council Representatives shall be elected, in accordance with the rules of the Central Council, during the second year of the triennium at the AGM of the Guild.

J. Committee Structure

9 The Guild Management Committee (GMC) shall consist of:

Guild Chairman	Treasurer
Ringing Master	Chairman of the Belfry Advisory Committee
Secretary	One Elected Representative from each Deanery

9.1 Four members of the Committee shall constitute a quorum.

9.2 The Chairman shall chair all Guild and GMC meetings. In his/her absence the chair shall be taken by the Ringing Master or in his/her absence by a person elected by the meeting.

10 The Recruitment and Training Committee (RTC) shall consist of the Guild Ringing Master as Convenor and two representatives from each District.

11 The Belfry Advisory Committee (BAC) shall consist of the Chairman BAC, the Technical Adviser and such members as they may co-opt. Members shall be approved by the GMC.

12 Each Committee in Rules 9, 10, and 11 shall meet at least three times a year.

13 The Guild Executive shall consist of:

Chairman	Treasurer	Secretary
Ringing Master	Chairman of the Belfry Advisory Committee	

The Executive shall take such emergency decisions as may be required before it is practical for the GMC to meet. They shall also make a temporary appointment until a General Meeting can be convened if a Guild Office becomes vacant between AGMs.

14 The GMC may convene sub-committees and shall determine their terms of reference, powers, duration and composition. All acts and proceedings of any such sub-committees shall be reported back to the GMC as soon as possible.

15. The GMC may request the attendance of other officers or members as may be required.

K. Expenses

16 The following shall be paid by the Treasurer out of Guild funds:

- The cost of printing the Annual Report and any other publications authorised by the GMC.
- The expenses of Guild Meetings (including District)..
- Stationery, postage, telephone, notices of all meetings and other incidental expenses.
- Guild insurances.
- Central Council fees and reimbursement of Representatives' expenses attending each Counc meeting, not exceeding the second class return rail fare and a subsistence allowance as ma be determined by the GMC.
- Such other expenses as the GMC may authorise.

L. Peal Records

17 All peals rung for the Guild must conform with the decisions of the Central Council. All those taking part must be members of the Guild.

18 Conductors shall forward the following to the Peal Secretary as soon as possible and not later than 15th January the following year:

(a) The names, addresses and subscriptions of any Non-Resident Life Members elected in the belfry.
(b) The appropriate peal fees.
(c) Compositions for peals of Triples and above and of such other peals as the Peal Secretary may request. Money received for items (a) and (b) shall be passed to the Guild Treasurer.

District Rules

19 Each District shall hold an Annual General Meeting during the last quarter of the year for the purpose of receiving a report from the District Committee for the year, election of Officers and arranging activities for the year beginning the following January. Members may vote or stand for Office only in the District through which they exercise membership in accordance with Guild Rule 1.

20 The following Officers shall be elected annually: Chairman; Ringing Master; Secretary/Treasurer, Newsletter Correspondent and Deanery Representatives. Each District shall also elect a representative from each Deanery (who may hold other office in the District) to serve on the GMC and two representatives to serve on the RTC.

20.1 The District Officers shall form the District Committee, which shall be responsible for the efficient management of the District's affairs and shall report to the District Annual Meeting on the year's work.

20.2 A District may elect additional Officers as required to assist in the running of the District.

21 The District Secretary and/or Treasurer shall:

- Collect all subscriptions and other moneys due and forward them to the Guild Treasurer.
- Submit a statement of accounts to the Guild Treasurer by 15th January.
- Submit a directory of tower correspondents and ringing times and a list of members to the Report Editor by 15th January.
- Submit a statement, to the Guild Secretary, of all members qualifying for inclusion in the insurance scheme by the Guild AGM.

22 The District Newsletter Correspondent shall report on District activities for the Guild Newsletter, the 'Ringing World' and local newspapers.

Regulations relating to the Suffolk Guild Handbells

1 The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells viz:

25 bells by Taylors	size 20 in C (2 chromatic octaves)
16 bells generally by Shaw	size 19 in F (diatonic 13 + 3 semitones)
13 bells by Warner	size 20 in E (diatonic 12 + 1 semitone)
13 bells by various founders	size 20 in F (diatonic 13)

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notic if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for the maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

The Mitson Shield, Lester Brett Trophy and Rose Trophy Striking Competitions

Rules:

1 The competitions shall take place on date(s) decided by the GMC.

2 All Ringing Members and Life Honorary Members of the Guild may compete providing their subscriptions are paid.

3 The Mitson Shield, Lester Brett and Rose Trophies shall be competed for as follows:

Mitson Shield and Lester Brett Trophy

3.1 Bands shall comprise six ringers fulfilling at least one of the following:
   a) at least four are listed under the tower in the Annual Report
   b) the ringers are a bona fide benefice (or similar) Sunday Service or practice night band.

3.2 a) For the Mitson Shield the test piece will be 240 true changes of any recognised Doubles o Minor method(s). Opening rounds will not be marked.

or b) For the Lester Brett Trophy call changes of at least eight minutes marked ringing, to include Queens, Whittingtons and Tittums. "Marked" changes start when the first change is made.

Rose Trophy

3.3 Bands shall comprise eight members of a district or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

3.4 The test piece will be at least 224 true changes of any recognised Triples or Major method(s), of which only the first 224 changes, excluding the opening rounds will be judged.

4 Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 3.

5 The times of the draws are to be advertised in the 'Ringing World' and each band must have a representative present at the relevant draw.

6 A total of two minutes practice ringing will be allowed before each test piece.

7 In the event of bands ringing Doubles or Triples a cover bell must be used.

8 The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.

9 In the event of a large entry the Ringing Master may choose to shorten the length of either test piece.

10 A reserve ringer, appointed by the Ringing Master, will be available at the Ringing Master's discretion, to bands meeting short.

11 A minimum of two judges appointed by the Ringing Master will be present. Their decision is final.

12 The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.

13 Interpretation of all rules is at the discretion of the Ringing Master.

FOREWORD FROM THE CHAIRMAN

I can hardly believe that this is my fifth and final annual report as Chairman of the Suffolk Guild – how time flies! In some ways though, it seems as if I have been doing the job forever and, on balance, I am pleased that my term of office is coming to an end. I think it is absolutely right that there should be a maximum term for the "big" jobs, and I think that five years is about right.

It is worth looking back over the five years to see how the Guild has progressed in that time. Peal ringing has really taken off, pushed initially by Richy when he was Master and continued since by .....well, you can all read *Campanophile!* Quarter peals too have burgeoned across the county. Membership has increased, and the number of active younger members is very pleasing, with a good showing in the National Youth Contest last year and regular practices since. We have our own mini ring, on which the first peal was rung this year, and our new promotional banners. The Guild handbells are being well-used with a number of quarter peals and practices. We have a highly successful and popular quarterly magazine, and the annual social events, such as the 2012 barn dance at Sproughton, have all been most enjoyable. We have a skilled and experienced Belfry Advisory Committee whose technical expertise, coupled with the grants we have given, has helped a large number of bell projects, such as that at Helmingham, to completion. Our AGMs see above average attendances, with innovative "fringe" meetings: in 2012 we held a debate on teaching, and in particular, the Integrated Teacher Training Scheme (ITTS) which now is being introduced by our Recruitment and Training Committee, led enthusiastically by Jed. The list goes on.

What could we do better? Well, there is always something, and I am not going to throw down a challenge to next year's Officers, but I am proud to have been part of a team which has helped steer the Guild to its current position with so many successes and achievements. My plea to you, the members, is to support your Officers as much as you can, be it at County or District level, and within your individual towers, and to help ensure that the next five years are as successful as the last.

Philip Gorrod

TRUSTEES' ANNUAL REPORT

The Trustees present their report and financial statements for the year ending 31 December 2012.

Charity

The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The charity's registered address is Millbeck House, Harleston Green, Shelland, Stowmarket IP14 3HU. It is governed under a constitution originally registered in 1977 and most recently revised in 2010.

Principal Objectives

The purpose of the charity is to promote and encourage the practice of bellringing within the Diocese of St Edmundsbury and Ipswich; to recruit, train and encourage bellringers in the practice of their art; and to cultivate the art of scientific change ringing, and to promote and advise on the preservation of bells in an efficient condition.

Trustees

The Trustees during the period were PJ Gorrod, G E Slack and A J Shedden

Review of Progress and Achievements

Bellringing Activities

In addition to regular ringing activities throughout the Guild, great emphasis has been given this year to the teaching of ringing, in particular the formal training and mentoring of teachers of ringing. The Vestey Ring was used around the County to demonstrate what the Guild does and was also loaned to neighbouring Guilds.

Restoration activities

The main activity was at the Norman Tower where the augmentation to 12 bells was completed. Members of the Belfry Advisory Committee continue to give advice and support, both for routine maintenance and restoration projects.

Guild Finances

Policies

All money in the Guild's funds not required for day-to-day working purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee. Grants from the Restoration Fund are authorised by the Guild Management Committee but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

General Fund

Leaving aside the final donation made in 2011 to the Vestey mini-ring, General Fund income in 2012 increased slightly from 2011 from increases in subscription income and peal fees. General Fund expenditure also increased from 2011 with the introduction of insurance for the Guild's handbells and the purchase of publicity banners. Further savings were made in the printing of the Annual Report and in administration costs, but a stock of rope was purchased for resale within the Guild. The net effect after an increased transfer to the Restoration Fund is a reduction in the General Fund of £359.

Restoration Fund

Restoration Fund income was down by 7% on 2011 although still significantly above the 2010 level. For the fourth year running Grant approval at £6,600 was relatively low (£1,850 in 2011, £5,500 in 2010 and nil in 2009). The sum now available for allocation to new projects stands at £49,078. The interest on our deposit account has diminished substantially in recent years as interest rates have fallen. To help offset this £45,000 has been invested in one-year bonds through the Charities Aid Foundation.

Of the previously allocated grants totalling £5,200, only £600 was paid in 2012 as the other projects are ongoing. The amount reserved for grants allocated to the four projects still in progress stands at £11,200.

Summary

The small reduction in the General Fund balance in 2012 was in line with budget. The Restoration Fund has again grown leaving the Guild in a strong position to assist with projects which may arise.

The following have been appointed as a Belfry Advisory Committee to give advice and assistance on all matters connected with rings of bells. No fees are charged but if expenses are incurred and requested they should be paid by the local Parochial Church Council. The Guild Maintenance Officer will be pleased to arrange inspections as required.

BELFRY ADVISORY COMMITTEE REPORT — JONATHAN STEVENS

I'll start this year's reflection with thank yous; not just a general one to the BAC Team, though they all deserve thanks, but more specifically. Suzanne Stevens has given up many hours as Secretary, to take the minutes in cold churches, but has chosen to give someone else a chance at this demanding position. Bruce Wakefield, after thirteen or so years on the committee, has decided it is time to hang up his boots. His sage advice will be missed, most recently of special value when updating the Guild Grant Conditions. John Pereira, stalwart and fearless workmate, welcomed on any restoration job (Helmingham comes clearly to mind) is moving out of the County. I hope your skills don't languish un-used, John. So this is a very public thank you for your work in enabling the betterment of Suffolk's bells.

Chris MacArthur has embraced the role of Secretary, already proving to be as useful here as in the belfry.

Nathan Colman has continued the family tradition by joining the team and Chris Davies is especially welcome, not just because of his extensive workshop but for his attendant skills.

The BAC minutes show a long list of towers that have been visited, advice or practical help being given, freely, as always; restoration projects are underway or planned and another belfry maintenance seminar was held at Rougham. The BAC is working and available to all Suffolk towers; a word is all that is needed and this vast reservoir of skills, knowledge and experience is yours. Do keep the BAC busy in 2013.

RINGING MASTER'S REPORT — JED FLATTERS

When we look back over 2012, I am sure we will all remember two things above all else. Firstly the Diamond Jubilee weekend with the flotilla of boats of all sizes moving majestically down the river Thames, led by the Thames barge with the ring of bells on top and the bells seen turning over and over as the band rang a celebratory peal, all in weather conditions that got worse and worse as the day progressed.

Secondly we had the Olympics and Paralympics with Team GB doing so well and, at the opening ceremony, Bradley Wiggins ringing "that bell".

As we always do in times like this, we went to the ropes and rang quarters and peals to mark the Queen's Diamond Jubilee and then again, either as the Olympic Torch Relay passed by our tower or as our team picked up medals. Though some of us thought little of it when first mooted, we also joined in the crazy Martin Creed Project giving the chance for many non ringers to come into the tower to see just what we did.

Attending the various District meetings gives me the chance to meet up with our grass roots members and to see how our learners are progressing from rounds and call changes into method ringing. Much is said about ringing being on the decline but reassuringly at each GMC meeting the Chairman and I sign a good number of new membership certificates.

As part of our initiative to bring more people in to ringing, we have embarked on the Integrated Teacher Training Scheme (ITTS) and have now held three courses for new teachers and mentors. This is now starting to show results as new recruits are stepping over the first big handling hurdle to take their place as Sunday Service ringers. Time will tell if this is successful but I do urge people not to knock this scheme without giving it a go.

On the weddings front I would like to congratulate Ruth and Richy Munnings and Maggie and Philip Gorrod for tying the knot.

The Guild six bell striking competition was held at Blythburgh, a good easy going ring, our judges for the day being Andrew Higson of John Taylor and Co and Iain Mitchell formerly of Taylor, Eayre & Smith. They spent a pleasant afternoon by the river listening to and marking the teams as they rang. After a massive tea with wonderful cream meringues they gave us the results, with Otley taking the Lester Brett trophy for some really good call changes and Pettistree coming out top in the Mitson Shield.

Rushing down the lanes to Leiston saw the draw for the eight bell competition where six teams competed and the NE district were rightfully declared the winners. Again I wish to thank our Guild Technical Advisor, Jonathan Stevens, for checking over the bells in both towers and doing a lot to correct the oddstruckness in Leiston's bells

At the Ridgman Trophy held at Kempston we did not sparkle, and although our ringing was of a good standard it only brought us 5th place.

On the national side we entered a youth team in the competition at Birmingham and elected to ring method when we could easily have played safe with call changes (as did several experienced bands). Again we were placed 5th. Next year we will have the core of a band to go one better so let's wish them luck at York.

On Easter Sunday the two new trebles for the Cathedral were dedicated by Bishop Nigel with many ringers present; on the following Tuesday they were lifted and hung, and the first peal on the twelve rung on the August bank holiday Saturday. The flat 6th was cast in November and we expect to hang it before too long.

The only other major restoration to report on is that at Beccles where new gudgeons and bearings have been fitted, the other fittings refurbished and the cracked third recast.

In 2013 we look forward to the restoration and augmentation of Redgrave, made possible by the legacy from Albert Driver and the persistence of Chris Davies on steering a way through the minefields of bureaucracy.

The big social event of the year was the barn dance at Sproughton Barns, where a good turnout danced the night away to Inertia Reel, and in typical ringers' fashion, drank the bar dry! In all it was a good night with the great majority showing their prowess on the dance floor. A fair profit was also made to add to the Restoration Fund.

Peal ringing has shown an increase this year due no doubt to the number of occasions to celebrate, and this would certainly have been higher still if David Salter had not had an enforced lay-off. In times like this someone will step up to the mark and push things on, so enter elder son George, who has taken over the reins of organising the young ringers and in doing so brought himself, Colin and Clare Veal forward in leaps and bounds.

Figures from the peal records show the following personal milestones passed:-

750	Brian Whiting
500	Richard Munnings and Christine Knight
350	Tom Scase
250	Ruth Eagle/Munnings
150	Julian Colman, David Potts
75	George Salter
50	Ruth Suggett, Alex Tatlow
25	Colin Salter, Philip Moyse

Quarter peals still feature strongly with Lesley and David Steed and friends pushing the numbers up most weekends and the Scase family doing likewise most Friday nights. Whilst in the east, the Pettistree ringers keep plugging away.

From the quarter peal records I note:-

1500	Mike Whitby (and 1100 as conductor)
1000	Mary Garner
900	Maggie Ross
500	Tom Scase
300	Robert Scase
150	Philip Moyse
50	Hugh Spink
25	Alex Rolph, Colin Salter and Clare Veal

I should also like to mention Nicole Rolph and Ambrin Williams, keep a look out for them in 2013. Our future is with young ringers!

I apologise if I have missed out any person's key events.

SECRETARY'S REPORT — MANDY SHEDDEN

2012 has flown by. Nationally of course there was much to celebrate, but in the confines of our rural corner of East Anglia here too we have much to be proud of. The Suffolk Guild continues to benefit from the freely given time and efforts of its members. Every month there is activity in each of the districts aimed at improving the abilities of all age groups, or promoting the social benefits of the art. Although Suffolk is a large county, members are always within reach of an event which will enhance their ringing experience in some way. As I write, we are preparing for the 90th Anniversary dinner, which is an achievement in itself. 90 years of existence of an organisation such as this, in a world where computers and micro technology rule many facets of our lives, and when there are many more demands on our time from other sources, is something to be proud of. Credit for this has to be given to the collective efforts of our members who are passionate about bellringing and who help the Guild to thrive. It is encouraging to see a growing number of young ringers, who by the means of social media, are managing to arrange ringing events for themselves. They are supported by older members whose input is invaluable. For the time being at least, it appears that the Suffolk Guild is bucking the national downward trend in attracting new and younger members. Forty two new membership forms have been received during the year and the total membership was 783 after the number of members who had passed away had been accounted for, but at the time of writing, this figure does not reflect those who may not have renewed their membership for whatever reason in 2012. Attendance at the AGM was lower than last year with 70 names signed in the register, although a further 60 members did send their apologies. GMC meetings have been well attended through the year with attendance figures of over 85% at each of the three meetings.

LIBRARIAN'S REPORT — ABBY ANTROBUS

This year, the Suffolk Records Office has been working through the Guild collection, packing and cataloguing the original material relating to ringing, bells and ringers in Suffolk. This material is accessible at the Records Office, and several people have made arrangements to study books and papers at the SRO in Gatacre Road, Ipswich. Once cataloguing is complete, it will be easy to pop in and request items, but for the present I am happy to help arrange appointments. Other resources will be returned to us, and are destined to be made available from the Norman Tower in Bury St Edmunds. The *Ringing Worlds* were returned earlier in the year, and are up on the mezzanine floor. As I write the rest is packed up ready to be picked up, once we have some shelves sorted out. An advance batch has been loaned to the Great Barton bell ringers, and it's good to see the books in demand. The catalogue on the Guild website will be updated to include information on what is where and how to borrow or consult it – otherwise, do please keep asking me. Ringing networks mean that there are always volunteers to ensure items reach their destination, and where I can e-mail or post information, I will endeavour to do so. I have received several requests for information about past ringers and local bells from relatives and Guild members, and requests for information from the *Ringing World* – either for personal or ringing records. The library is a living collection, and the Records Office have been very patient as I take things back with one hand and give them more material with the other. Recent depositions include *Awl A'huld* and Annual Reports to ensure they have full runs; Leslie Wright's ringing diaries and notebooks spanning 60 years; Dennis Knox's diaries (1950-1973); the Guild Account books 1957-1993, and blue lines for a range of less common surprise major methods drawn by Fred Bailey of Leiston and donated by Lynda Lazzerini. Our digital collection is also growing, including scans of older material (such as Fred Bailey's blue lines) and photos of new events. As for last year, if you have any questions, requests or suggestions for items for the library, please do get in contact. I haven't yet spent the year's library budget, but am developing a design for a custom 'ex libris' stamp.

PUBLIC RELATIONS OFFICER'S REPORT — RICHARD MUNNINGS

It's been a busy year for publicity, but not the easiest! The Diamond Jubilee, Torch Relay and Olympics were national events that offered PR opportunities, but they offered those same opportunities for just about every organization in the county, so it was hard work making ourselves heard! We managed it though, with both BBC Radio Suffolk and the *East Anglian Daily Times* giving us coverage over a hectic summer! On a national level, it was wonderful to see bells given such a huge platform, not least in the Royal Pageant on the River Thames for the Jubilee.

Before that, the resumption of ringing at Woodbridge was covered by the EADT and since then, the tremendous project at Redgrave was visited by the paper and BBC Look East. Beyond the new stuff, it was heartening to see Radio Suffolk continue to offer support in promoting the annual St Edmund's Day ringing on 20 November and the Christmas Ringing in Ipswich.

In the December edition of the *East Anglican* (the monthly magazine of the Diocese of St Edmundsbury & Ipswich) there was a page feature on the ringing at Helmingham, and the front cover was given over to bells!

And The Vestey Ring continues to offer us tremendous exposure at various events, not just in Suffolk but beyond. Whilst it was a shame that due to a miscalculation by the Diocese we were unable to pitch it up with their tent at the Suffolk Show, we didn't miss out too much as the weather was pretty terrible, to the extent that the second day of the Show was cancelled.

It is important to note that we are all ambassadors for ringing. Anything we say or show to non-ringers in relation to our art, is in itself PR. And not everything has to come through me. I appreciate it when I'm told about any PR for Suffolk ringing being done off someone else's backs, but it doesn't have to involve me if you don't want to! Likewise, if you want to publicize something ringing related, but don't know who to contact, how to go about it, or just want advice, then I am more than willing to help out to whatever extent you want me to.

PR isn't just external either. There is much happening within the Guild, with District and Guild events. Please use all the tools available to keep in touch – What's On, the website, *Awl a'huld* and my daily blog are all there to help inform and keep as many members as possible in the loop. Make sure that everyone in your band is aware of these means of catching up and help with PR on all levels.

WEBMASTER'S REPORT — CHRIS GARNER

The Guild Website still continues to grow. Information about towers, bells, ringers and events is constantly updated. Thank you to all those who have made contributions. *Richy's Blog* is now in its sixth year and is posted daily, generating friendly repartee on Facebook. Photos and snippets of news can be sent to the Webmaster to be posted on the website.

There has been increased use of the email system and it continues to be used to circulate *What's On* to all those who would like to receive it. The email addresses are known only to the Webmaster and are not published even to other members. If you would like information distributed please email it to the Webmaster. A significant number of emails are returned as undeliverable so, if you change your email address, don't forget let the Webmaster know.

DIRECTORY OF SUFFOLK TOWERS

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Adviser or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place.

The table on the following pages shows details of every ring of four or more bells in the area covered by the Suffolk Guild of Ringers. The following details are included:

DISTRICT (DIST)

NE - North East	NW - North West	SE - South East	SW - South West

DEANERY (DNRY)

Bc - Beccles	Hl - Halesworth	Lo - Loes	St - Stowmarket
Bs - Bosmere	Ht - Hartismere	Lv - Lavenham	Sx - Saxmundham
Cl - Clare	Hx - Hoxne	Ml - Mildenhall	Th - Thingoe
Co - Colneis	Ip - Ipswich	Sd - Sudbury	Wd - Woodbridge
Hd - Hadleigh	Ix - Ixworth	Sm - Samford	

CONDITION OF THE RING (COND)

10 - Excellent. Ball bearings, modern frame and fittings.
9 - Excellent. Plain bearings, modern frame and fittings or ball bearings in old frame.
8 - Good going order.
7 - Fair going order.
6 - Poor going order.
5 - Ringable if cleaned up and odd fittings and ropes provided.
4 - Rung occasionally. Frame/fittings nearly life expired.
3 - Not to be rung mainly because of tower and/or frame arrangement and position.
2 - Not to be rung mainly because of frame and/or fittings.
1 - Hung dead.
0 - Some bells unhung on the ground.

Please note that the classification is based on the condition only at the last date of inspection, and any enquiries or requests for further inspections should be directed in the first instance to the Suffolk Guild Technical Advisor or Maintenance Officer.

KEY

The key of a ring (ie the note of the tenor) is given in cents (ie, hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C# -20, and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

SECRETARY'S REPORT — JULIE RAPIOR

The NE District tried to provide a varied programme of events in 2012. We hope this had appealed to our members, but we would always welcome new faces at district practices and contact from those with specific requirements.

Maggie Ross organised a walking tour of Norwich in March which was well attended and very much enjoyed. In May, the District held its Striking Competition at Chediston and hosted the Guild competition at Blythburgh and Leiston, where the District team won the 8 bell competition. Throughout the District, there was ringing at several towers for the Olympic Torch Procession. The District also scored a gents' peal and a ladies' peal later on in the year.

The 10 bell practices have been well attended at Beccles and we look forward to ringing there again after their recent work. A Surprise Royal practice at Stradbroke in October was enjoyed by our District and visitors from the NW and SE. Finally, the District would like to congratulate Maggie Ross (District Ringing Master) and Philip Gorrod (Guild Chairman) on their wedding in October.

SECRETARY'S REPORT — ABBY ANTROBUS

The ringing year started once again with ringing at the Norman Tower, followed by a carvery lunch for 32 and a meeting at the Flying Fortress in Bury St Edmunds. The January meeting in Bury has become a regular fixture, but the District continued to ring on higher numbers through the year, scoring several 10-bell quarters. Elveden practices have consolidated 8-bell ringing, and general progress was demonstrated in April's Quarter Peal Week, where the 18 quarters included 9 firsts of various kinds. In May and July, the North West ringers ventured out and about, visiting the Woodbridge area and completing a wet but enjoyable cycle tour-de-Huntingdon. The bells of the district sounded out for the Olympics, and marked the Queen's Jubilee with peals and quarters (Bardwell, Buxhall, Gislingham, Great Finborough, Old Newton, Walgrave, Stowmarket), general celebratory Yorkshire Maximus (Norman Tower), and ringing for services (Eye, Newmarket and Whepstead), parties (Euston) and picnics (Exning and Thornham Magna), not to mention the Bacton Benefice Bicycle Jubilee Jaunt. This year's ADM was hosted by Great Barton, with a

well-received bring and share tea and Evensong, and bring-and-share fare was also enjoyed at the Christmas social at Buxhall. The ADM was a significant one in that Ruth Suggett stepped down as Ringing Master after seven years of enthusiasm and hard work, and, although it has been a good sociable experience, I saw through my intention to not continue as Secretary. Finding a new Secretary remains an important priority - Ruth Young has kindly stepped in to fill the role as well as continue as Treasurer, but this should be a short term arrangement, and between all of us we should be able to find a volunteer. Maurice Rose has also indicated that as he will be 70 next year he will retire as Chair. At the opposite end of the spectrum to well-earned retirements, we have welcomed several new members to the District throughout the year, particularly from the Hartismere Deanery, and a desire to learn was shown by good attendance at a belfry maintenance session in Rougham in November, for which we thank Jonathan Stevens. We wish Winston luck as he takes up the reins as Ringing Master!

COMMITTEE REPORT — PETER HARPER

There have been several highlights during the year. We started with the ever popular pre-Christmas ringing in Ipswich for which we have to thank Brian Redgers for his organisation. Then there was the quarterly meeting at Badingham and Dennington where the local band really went to town and gave the District a wonderful welcome. Our morning practice at Henley over the Diamond Jubilee weekend was amazingly successful. This was followed by the now regular feature of quarter peals and meal at the

beginning of August, when for the first time all quarter peals were scored. We experimented with a "bring and share" tea at our quarterly meeting at Orford in September, and this proved successful. Also in September, we hosted the Guild Social in the form of a Barn Dance at Sproughton Tithe Barn. This was a huge success, with 92 tickets sold and we were able to pass £430 to the Guild Treasurer for the Bell Restoration Fund. Our grateful thanks to everyone who worked so hard to make the evening such an enjoyable occasion.

Just when we thought there would be a quiet end to the year, we had the District Outing to South Norfolk in November when almost 40 enjoyed a splendid day organised by Tom who had clearly encouraged the Debenham Supporters Club and others to join in.

Our practices have been well attended for the most part, although more entries in the District Striking Competition would be welcome. Unfortunately circumstances dictated that the quarter peal fortnight should be abandoned, but perhaps it could be resurrected next year if there is enough support.

My thanks to incumbents, tower captains, committee members and all who are so helpful and enable the District to hold its practices and meetings in their towers.

SECRETARY'S REPORT — RICHARD GATES

The South West District has had generally a good year. The newly instigated Teaching and Training days have been well supported and it is proposed to continue with this innovation as it allows beginners to improve with the help of experienced ringers. This is fortunate, as regrettably, the Triples practices held at St. Gregory's in Sudbury have had to be discontinued for the moment as the Deputy Ringing Master is suffering from medical problems. The committee is very appreciative of the work done to promote eight bell ringing in the district by John Smith.

Three members from the District have attended the ITTS course and they all felt that the information and advice that they gained was very helpful towards improving their teaching skills. A positive result of this course is that several new learners have started under their tuition and this can only benefit the District.

The Striking Competition held at Polstead on June 23 introduced two classes of competition: a trophy for

call change ringing and a second trophy for method ringing. It is hoped that this will encourage the less experienced bands to enter the competition with the knowledge that they will be competing against bands of a similar level, while more experienced bands can attempt something more challenging.

This year, the mini tour visited three Essex towers; Ardleigh, Langham and Little Horkesley. The tour, organised by David Lee, was very successful and ended with a dinner at the Eight Bells in Bures that was enjoyed by more than twenty ringers.

A great friend of the District, Jürgen Bath, passed away during the year and a peal in his memory was rung at Kersey in September. He had been taught to ring by Peter Cummings at Camelford, Cornwall, while on one of his many trips to the UK, and was a frequent visitor to practice nights in the SW District.

It is hoped that the forthcoming year will be as successful as the last.

OBITUARIES

PATRICIA BAILEY (née CLARKE) — Beccles

Pat was an Ipswich lass, taught to ring by Frank Wiseman at Rushmere St Andrew in the 1940s. Frank was a stern tutor but this stood Pat in good stead, and it wasn't long before she joined the Grundisburgh practice and later Helmingham and Framsden with their conductor Leslie (Lester) Brett. She took her ringing seriously and was soon capable in all the standard methods. At the age of 16. she rang Cambridge Maximus at the Tower, on the first attempt. She married Trevor Bailey at Beccles and they were blessed with twin daughters. Pat held Guild Office in the NE District and went on to ring 1,000 peals, the first Suffolk lady to do so. Sadly, a long illness curtailed her ringing in the last ten years of her life but she bore the disappointment with great fortitude. 'Lester's gals' - Pat, Muriel and Diana rang together and helped liven up the well known Framsden outings. May she rest in peace.

LESLIE CARTER — Marlesford

Leslie learned to ring at Little Glemham, where he worked on the Cobbold estate farm. He and his family moved to Marlesford in 1953 when Lord Marlesford offered him a job as gardener at Marlesford Hall, and they remained there until they moved into Wickham Market in 2002. Initially he worked as "boy" to George Finch, one of the founder members of the Suffolk Guild, who was at the time Head Gardener at the hall. When George died, Leslie took over as Head Gardener. He was Churchwarden for many years and was always a very keen and active member of the band. He was a Marlesford ringer for 50 years and a Guild member since 1981. He rang with many of the "old school" ringers of the time – Ernie Steward, George Finch and Joe Priestner. He didn't aspire to be a serious method ringer, he seemed just happy with call changes, but he was persuaded to his one and only quarter peal at Marlesford. He was always chuffed about that. Leslie had a wonderful sense of humour and was always great company - a true good old Suffolk boy.

BOB GOWAN — Stoke-by Clare

Bob learned to ring at Stoke-by-Clare over fifty years ago and was a valuable and totally committed member of the of the team. Although ill health forced him to give up at the age of 81, he continued to take a keen interest in the band, almost up until the time of his death in 3 July 2012, at the age of 89.

Being a carpenter, he used his practical skills to assist with bell maintenance work, as well as in many other ways. Many fine examples of his carpentry skills can be found, not only in the Church, but in the neighbourhood generally, which are a constant reminder of his skills and achievements.

His daughter - Mrs Valerie Jay - followed in her father's footsteps and has been a member of the Stoke-by-Clare team for over forty years. Bob was a valuable ringer and a fine carpenter: a real gentleman who is sadly missed by us all.

EPHRAIM (TINKER) LOCKWOOD — Hadleigh/Hintlesham

In the late 1950s Tinker and his wife Winnie were ringing at Barking and at Offton (6 bells in those days), and even with a young family they found time to attend practices and support Sunday service ringing. Winnie became District Secretary, and Tinker willingly played a very supportive role. He later went to work on a farm at Hintlesham where ringing was at a low ebb, but they soon livened things up and also Tinker did quite a lot of work on the bells. Eventually retirement came, and they moved to Hadleigh. Sadly ill-health curtailed and finally ended their ringing careers. For the Suffolk Guild, Tinker rang a total of 25 peals and numerous quarters. In any consideration of Tinker's work in both parish life and ringing in particular, mention of his devoted and generous wife Winnie always creeps in, simply because they always worked so closely together. Winnie now lives in Hadleigh, where anyone visiting would, as always, be most welcome.

ALAN W. ROGERS **Marlesford**

Alan and Katrina moved to Marlesford in the Autumn of 1987, when Alan took up the post of Buildings Manager on the Marlesford estate. He was encouraged to take up ringing by Leslie Carter who was Head Gardener on the estate. He and Katrina both learned to ring. In 1994, when the tower captain left to go to the USA, Alan took charge of the ringing. His combination of firm teaching and a great sense of humour made Marlesford a popular tower (it was the only ringing tower in the benefice at that time). Alan became SE District Ringing Master for a spell in the 1990s. Alan and Katrina were always there at ringing and social events, in fact the Christmas meal enjoyed by up 50 local ringers was organised by them. He also spent many hours helping with the Hacheston bells restoration, not forgetting his 53 peals and numerous quarters.

Alan was diagnosed with cancer in December 2001, but they both decided to carry on as normal, fighting it every step of the way. As we know, Alan's activities were curtailed by his illness, but he and Katrina made the most of the time they had together with frequent holidays, both at home and abroad. Wales was their favourite destination, and they went there so many times that they became part of the family near Llandiloes.

PHIL WILLIS **Wickham Market**

Phil was just 57 when he died earlier this year after a short illness. His passing was a real shock to us all. He learnt to ring at Wickham Market along with his daughter some 20 years ago and soon became a Guild member and remained so ever since. A keen and active member of the band, he became deputy tower captain and rarely missed a practice or Sunday service. He rang numerous quarter peals, but only one peal (knowing Phil, he probably felt it was too much like hard work). He was such a nice guy and great fun to be with, always lightening up the mood in the tower with his cheeky sense of humour. He loved his sweets and anyone who has visited Wickham in recent years will have seen the carefully stacked empty sweet tins in the alcoves of the ringing chamber. Whereas other towers have peal boards we have Cadbury's Roses & Quality Street tins – we suspect they will stay there for a very long time in memory of our dear friend Phil.

The following Non-resident members passed away in 2012;

Raymond Aldington	Kings Norton
Roy Duesbury	Thorington
Jack Dear	Hertford
Alison Regan née Surry	Worcester
Harold Rogers	Isleworth

And we also remember the family and friends of them all.
May they rest in peace.

PEAL SECRETARY'S REPORT — CHRISTINE KNIGHT

Two national events, the Diamond Jubilee of HM Queen Elizabeth II and the London Olympics were a focus for celebratory peals in 2012. There was also the eagerly anticipated first peal on the augmented ring at the Cathedral in Bury St Edmunds. 2012 was a very positive year for Suffolk Guild peal ringing. Not only did the Guild's peal total rise by 19 to 147, the highest total since 1999, but there were peals in 54 Suffolk towers and 7 out of county, namely at Ardleigh, Coggeshall, Great Dunmow, Mistley and Toppesfield in Essex, Thetford in Norfolk and Bristol, St John.

The Master decided to move Peal Week so that the Jubilee celebrations could be a focus for peal attempts. Six peals were rung during the Peal Week dates of 26 May to 3 June but, in all, 15 peals were dedicated to the Jubilee between May and July. There were also peals at Grundisburgh and Pakenham to mark the 60th anniversary of the Accession in February, and a peal at Hopton in April for HM Queen's 86th birthday. The other big national event of 2012, the Olympics, was marked by two peals in July. A peal of Olympic S Major, called by Stephen Pettman, was specially arranged for 5 July at Felixstowe so that the bells would ring out as the Olympic Torch Relay passed the church. There was also a peal at Freckenham on 28 July to celebrate the opening of the Olympics. At a more local level, the project to augment the Norman Tower bells culminated in a peal of Yorkshire S Maximus, conducted by Ian Holland, who had played a leading role in the project. Many members of the band had also worked towards the augmentation and the footnote recorded thanks to the Stannard and Vestey families for the new trebles, and to the late Dean of St Edmundsbury, the Very Revd Neil Collings, who had inspired the launch of the project. This was the first twelve bell peal on tower bells in West Suffolk, a landmark peal, and the start of increased opportunities for ringers in the west of the county to gain experience in twelve bell ringing.

Unusually for recent years, there were no peals to celebrate the completion of restoration projects, but there were several individual peals worthy of mention. On 7 January, Katharine Salter conducted a peal of Plain Bob Major at Rendham, in which the band consisted of four mothers and their sons, all Suffolk residents, to a composition by Suffolk-born Rod Pipe. This is believed to be only the second mother and son peal, the first having featured in 'The Ringing World' in 1951. On 21 March, David Salter became only the second person to have called a thousand peals for the Guild, an incredible achievement. It was good that he could share this peal at The Wolery with his wife Katharine and sons, George and Colin. It is always encouraging to see progress through local peals, such as the peal of Doubles at Reydon on 22 February, in which there was not only a first pealer, but also a 'first as conductor'. Also, it was pleasing that the first peal on the Vestey mini-ring was rung at High Hill House in Halesworth on 3 April, 7 Surprise, called by Richard Munnings.

David Salter leads the list of conductors by a considerable margin, even more remarkable as he was out of action for three months. No longer is the Conductors' List restricted to a few established names. Fourteen resident conductors called more than one peal in 2012, up from 12 in 2011, and only 6 in 2008. Such bare statistics do not reveal that the Conductors' List now has a considerably more youthful profile. George Salter and Michelle Williams recorded their first as conductor in 2012, and Alex Tatlow and Louis Suggett have become established conductors, who are also interested in composition. Alex called his own composition of Double Norwich at Elveden on 23 June, and Louis composed a peal of 4 Spliced S Major, which he called on 1 September, also at Elveden. David Potts has arranged regular attempts of Surprise Major and called his first of London S Major at St Mary-le-Tower in March, as well as his first of Maximus as conductor for the Jubilee in June. Stephen Pettman and Brian Whiting have maintained their interest in composing peals of a commemorative length. There were seven such peals during the year.

Stephen produced two compositions of 5060 Yorkshire S Major for the Jubilee, one to mark the Accession, which was rung at Grundisburgh on 8 February, and one rung during the main Jubilee celebration period on 6 June, also at Grundisburgh.

Footnotes record a wide variety of achievements in 2012 peals. Ten first pealers is an encouraging number for the Guild. Another cohort of young peal ringers is emerging, and the achievement of a first peal for the older members in the list is, in many ways, even more of a feat. For all age groups, the footnotes make positive reading. Four first peals inside, four firsts of Surprise Major, two firsts of Spliced Surprise Major, four firsts of Bristol S Major and two firsts on twelve is only a selection of the achievements recorded. Alex Tatlow rang his first of Royal and first of Maximus on consecutive days in March, a huge achievement. It would still be good to see more ten and twelve bell peals, but peals of Major as a percentage of the total continues to rise, with almost half of all the 2012 peals, 73 out of 147, being of Major. There have been more peals of wrong place standard Surprise Major methods, with nine peals of Bristol and one of London. Also, peals which deserve credit are the peal of Double Dublin S Major for St Patrick's Day at Debenham, and a peal of Glasgow S Major, rung at Ixworth on 9 August, which contained three firsts in the method. This was the first peal of Glasgow for the Guild for eight years. The peal columns reveal real enthusiasm for progress, which looks set to continue in 2013. As always, I should like to record my thanks to Ruth Suggett, Brian Whiting and David Salter for all their hard work and support.

First performances for the Guild during the year were:

Shorten to 5152 by calling S* at the previous Home to produce 62543 and omitting the course that S* was in (one part only). There are other options for reducing by a course according to taste. This arrangement can be further shortened (5022) by calling a Bob at Home at the course which would produce 34256 (4 leads from the end)

Quarter Peals in Suffolk Guild Towers

Details of Quarter peals rung in Guild towers and published on www.campanophile.co.uk, www.bb.ringingworld.co.uk and in the *Ringing World*, up to 13 January 2013. These statistics reflect the best efforts of Guild members to collate them from a variety of sources. Unlike peal data, there is no mandatory requirement for quarter peals to be formally recorded and so there may be some errors and omissions. As in recent years, quarter peal ringing in Suffolk has thrived.

Minutes of the 2011 AGM

These had been printed in the Annual Report. Their acceptance was proposed by John Girt and seconded by Peter Harper.

Officers' Reports

Ringing Master: Jed Flatters presented the Master's report as published. Acceptance proposed by Maurice Rose and seconded by Alan Munnings.

Secretary: Mandy Shedden presented her report as published. Acceptance proposed by Craig Gradidge and seconded by Derek Rose.

Treasurer: Gordon Slack said that the Examiner's report had been received and was now on the website. Insurance for handbells had been arranged with Mayola Music and the premium would appear in the 2012 accounts. Although a small loss in the General Fund is expected, it would not be necessary to raise the subscriptions. He thanked the District Secretaries and Treasurers for the efficient collection of Guild subscriptions. Acceptance proposed by Peter Harper, seconded by Brian Hale.

Technical Advisor/Belfry Advisory Committee: Jonathan Stevens said that Bruce Wakefield had resigned and been replaced by Nathan Colman and Chris Davies. Acceptance proposed by Suzanne Stevens, seconded by Maggie Ross.

Public Relations Officer: Richard Munnings presented his report as published. Acceptance proposed by Veronica Downing, seconded by Diana Pipe.

Report Editor: Ruth Suggett added her thanks to Brian Whiting, David Salter and Alex Tatlow for their contribution in compiling peal and quarter peal compositions.

Magazine Editor: Alan Stanley thanked all contributors, advertisers and distributors. Acceptance proposed by Ruth Suggett, seconded by Peter Harper.

Librarian: Abby Antrobus said that the Record Office were halfway through cataloguing the material. Acceptance proposed by Alex Tatlow, seconded by Robert Scase.

Peal Secretary: Christine Knight reiterated her thanks to David Salter, Brian Whiting and Ruth Suggett. Acceptance proposed by Richard Munnings, seconded by Maggie Ross.

Handbell/Mini Ring Trustee: Brian Whiting said that the handbells are underused at the moment bu remain in good order. The mini ring has had a canopy added and is booked out for 17 events already this year. Acceptance proposed by Maggie Ross, seconded by Alex Tatllow.

Webmaster's Report: Acceptance proposed by Robert Scase and seconded by Jennifer Scase.

Trustees' Report: The Chairman asked for the report to be accepted as printed on Page 3. Briony Davies proposed Alan Stanley seconded a motion to that effect which was carried.

Central Council Report: The reports from the CCCBR meeting had been posted on the website. Fou representatives attended the meeting. No questions were raised.

Subscriptions and Peal Fees for 2012

The GMC proposed that there should be NO CHANGES and that the 2013 subscriptions should be:

Ringing Member	£15.00	Associate Member	£7.00
Ringing Member 65-74	£10.00	Non Resident Life Member	£7.00
Members 75 and over	Free		
Ringing Member in FTE	£7.00	Peal Fee	£1.00

Proposed By Gordon Slack and seconded by Philip Gorrod; accepted.

Election of Officers for 2012/2013

The following were elected unopposed by the meeting

Elected	Proposed	Seconded
Chairman Philip Gorrod	Jason Busby	Jed Flatters
Ringing Master Jed Flatters	Alex Tatlow	Gordon Slack
Secretary Mandy Shedden	Mary Garner	Philip Gorrod
Treasurer Gordon Slack	David Steed	Lesley Steed

Magazine Editor Alan Stanley	Chris Garner	Michelle Williams
Peal Secretary Christine Knight	Stephen Cheek	Chris Garner
Handbell Trustee Brian Whiting	Chris Garner	Philip Moyse
Mini-Ring Trustee Brian Whiting	Chris Garner	Philip Moyse

Election of Trustees

The Trustees are currently the Chairman, Secretary and Treasurer, and the meeting agreed their re-election.

Appointment of Independent Examiner

The reappointment of Larking Gowen, the current Examiners, was proposed by Gordon Slack and seconded by the Chairman and agreed unopposed.

ITTS

Jed Flatters introduced the Integrated Teacher Training Scheme to the meeting, details of which had been obtained at the Wellesbourne Conference in November last year. Pip Penney and Graham Nabb have been using this successfully and Jed has set up a session at the Norman Tower taking a trainee teacher and a pupil from each of the four Districts. When they have successfully completed the whole course the trainees will then become accredited teachers. There was some concern from the meeting that people who had been teaching in their own towers for many years would now not be considered qualified to teach if they did not do the scheme even though they were very experienced and had taught many who had gone on to become successful ringers. The question of insurance for non-accredited teachers was also a worry. Jed assured the meeting that no-one would be excluded from the scheme. A proposal from the Chair that the Guild supports the Master in the adoption of the ITTS was carried overwhelmingly.

Mini Ring on Tour

The mini ring is booked to go to the Suffolk Show again following on from the success of last year and also Henham Steam Rally. The Chairman asked the meeting to consider volunteering to help with the mini ring at the Suffolk Show in return for reduced entry price. It is also being used by neighbouring associations which is good publicity for the Guild.

Deanery basis of representation

The Chairman explained that two deaneries in NE District had merged and other towers had changed benefices across District boundaries. The GMC had set up a committee with a representative from each District to consider how the constitution should be amended in the light of these changes and whether any changes in the existing makeup of the Districts were desirable. He asked members to give their views to their District representative so that any changes could be effected at next year's AGM.

Guild Social Events.

The NW District hosted the Guild Social on Saturday 30th July. Numbers were depleted due to the wedding of Jason and Sarah Busby, but a sizeable number enjoyed a historic quiz based on Bury St Edmunds Town Centre before moving on to a barbecue at Great Welnetham Village Hall. Jed Flatters ran a bar and it was an enjoyable evening.

It is the turn of the SE District to host the Guild social this year and tickets will be available for a barn dance at Sproughton Tithe Barn on Saturday 15th September. Next Year the Guild will be celebrating 90 years of existence with the 5 yearly Guild dinner.

National Youth Striking Competition

Alex Tatlow is organising practices for a group of young ringers from around the Guild to take part in the second National Young Ringers Striking Competition to be held in Birmingham at St Paul's on 30th June. The Chairman encouraged everyone to support our young people as this is quite an undertaking for the band, all of whom have to be under the age of 19.

Guild Clothing

Stephen Cheek is able to supply a variety of Guild Clothing with the Logo embroidered on it. The choice is wide e.g. T-shirts, fleeces, sweatshirts and polo shirts. Items can be ordered individually as there is not a minimum order required. A link to his website and his details can be found on the Guild website. The aim is not to be a profit-making venture, but rather to advertise the Guild.

Matters arising from 2011 AGM

George Pipe apologised for the fact that the History of the Guild book had not yet been published due to illness but he was able to show members a prototype cover which was very impressive.

Errata in 2011 Report

Ruth Darton erroneously recorded as Ruth Dalton

SW District Chairman telephone number is 01359 408247 not as printed

St Edmunds Clapper Competition

Four bands competed for this but again the trophy was won by Offton who had raised £300 for th BRF.

Date and venue for 2013 AGM

On behalf of the NE District, Maggie Ross invited the Guild to Stradbroke on Saturday 6 April, 2013.

Any Other Business

A) Maggie Ross highlighted the forthcoming Guild Striking Competitions on Saturday 21 May. Th Miston Shield and Lester Brett Trophy competitions will be held at Blythburgh and the Rose Trophy a Leiston.

B) Chris Davies asked members to give written support to the augmentation project at Redgrave.

(a) The names, addresses and subscriptions of any Non-Resident Life Members elected in the belfry.
(b) The appropriate peal fees.
(c) Compositions for peals of Triples and above and of such other peals as the Peal Secretary may request. Money received for items (a) and (b) shall be passed to the Guild Treasurer.

District Rules

19 Each District shall hold an Annual General Meeting during the last quarter of the year for the purpose of receiving a report from the District Committee for the year, election of Officers and arranging activities for the year beginning the following January. Members may vote or stand for Office only in the District through which they exercise membership in accordance with Guild Rule 1.

20 The following Officers shall be elected annually: Chairman; Ringing Master; Secretary/Treasurer, Newsletter Correspondent and Deanery Representatives. Each District shall also elect a representative from each Deanery (who may hold other office in the District) to serve on the GMC and two representatives to serve on the RTC.

20.1 The District Officers shall form the District Committee, which shall be responsible for the efficient management of the District's affairs and shall report to the District Annual Meeting on the year's work.

20.2 A District may elect additional Officers as required to assist in the running of the District.

21 The District Secretary and/or Treasurer shall:

- Collect all subscriptions and other moneys due and forward them to the Guild Treasurer.
- Submit a statement of accounts to the Guild Treasurer by 15th January.
- Submit a directory of tower correspondents and ringing times and a list of members to the Report Editor by 15th January.
- Submit a statement, to the Guild Secretary, of all members qualifying for inclusion in the insurance scheme by the Guild AGM.

22 The District Newsletter Correspondent shall report on District activities for the Guild Newsletter, the 'Ringing World' and local newspapers.

Regulations relating to the Suffolk Guild Handbells

1 The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells viz:

25 bells by Taylors	size 20 in C (2 chromatic octaves)
16 bells generally by Shaw	size 19 in F (diatonic 13 + 3 semitones)
13 bells by Warner	size 20 in E (diatonic 12 + 1 semitone)
13 bells by various founders	size 20 in F (diatonic 13)

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

The Mitson Shield, Lester Brett Trophy and Rose Trophy Striking Competitions

Rules:

1 The competitions shall take place on date(s) decided by the GMC.

2 All Ringing Members and Life Honorary Members of the Guild may compete providing their subscriptions are paid.

3 The Mitson Shield, Lester Brett and Rose Trophies shall be competed for as follows:

Mitson Shield and Lester Brett Trophy

3.1 Bands shall comprise six ringers fulfilling at least one of the following:
a) at least four are listed under the tower in the Annual Report
b) the ringers are a bona fide benefice (or similar) Sunday Service or practice night band.

3.2 a) For the Mitson Shield the test piece will be 240 true changes of any recognised Doubles or Minor method(s). Opening rounds will not be marked.

or b) For the Lester Brett Trophy call changes of at least eight minutes marked ringing, to include Queens, Whittingtons and Tittums. "Marked" changes start when the first change is made.

Rose Trophy

3.3 Bands shall comprise eight members of a district or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

3.4 The test piece will be at least 224 true changes of any recognised Triples or Major method(s), of which only the first 224 changes, excluding the opening rounds will be judged.

4 Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 3.

5 The times of the draws are to be advertised in the 'Ringing World' and each band must have a representative present at the relevant draw.

6 A total of two minutes practice ringing will be allowed before each test piece.

7 In the event of bands ringing Doubles or Triples a cover bell must be used.

8 The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.

9 In the event of a large entry the Ringing Master may choose to shorten the length of either test piece.

10 A reserve ringer, appointed by the Ringing Master, will be available at the Ringing Master's discretion, to band meeting short.

11 A minimum of two judges appointed by the Ringing Master will be present. Their decision is final.

12 The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.

13 Interpretation of all rules is at the discretion of the Ringing Master.

FOREWORD FROM THE CHAIRMAN

A number of officers both at Guild and District level have decided to pass on the baton or maybe just take a break. We should all thank all of them for their help and efforts. At the same time a number of ringers have taken on responsibilities at Guild and District level. I will not mention them specifically for fear of omission. The fact is that we are a ringing Guild so we will not have long queues forming to fill the officers' roles that are largely of an administrative nature; and this alone is cause for further thanks. We do have ringing officers of course in the five Ringing Masters at Guild and District Level and our debt to them is huge for organising ringing, particularly for our young ringers and for the help they give so willingly.

Although I have not seen the Report contents, a peek at the Guild website reveals that the year on year increase in the number of peals rung for the Guild continues its upward trend. At the same time reports of youth ringing; successes with the ITTS training scheme and numbers of new ringers all serve to inform that the Guild is in a healthy state.

As well as the Guild website there is also a strong presence on Facebook and more recently twitter which gives the Guild a younger feel, so important if we are to continue to raise the profile which in turn is key to our future. Two other threads that also lift our profile are our 'appearances' on local broadcast media and the Guild magazine.

Our outgoing chairman was coy last year about what could be improved, careful not to challenge the Guild's officers. Well, there always will be and we need help at Guild and District level to get them done. And that's where I came in.

I have had a great year getting round the Districts as much as possible and would like to thank again all of you for making those visits so enjoyable.

Alan Stanley

A MESSAGE FROM THE BISHOP

This year our Diocese celebrates its hundredth birthday. Congratulations and Many Happy Returns! But the story of our faith in Suffolk goes back much longer than that, to the days of Felix and Fursey, and will we trust stretch long into the future together, as we walk as Pilgrims in Time into God's good future.

Since the beginning the church in Suffolk has been committed to "being there" in our many communities. And the bells which ring out from our wonderful family of fine churches are our warm invitation to everyone to come and discover them as places of prayer and care.

So whether it is a strong tower ringing a peal, a few ropes faithfully pulled on Sunday morning, a verger counting out a passing bell or the vicar announcing his morning prayers – the church bells of Suffolk still tell the same story: your local place of prayer is there just as it always was, God's love and care is as deep as it ever was, and as we respond to the call of the bells together we can make a real difference to real lives wherever we live.

Thank you to all the ringers and their friends who have made that possible.

+David

The Right Reverend Dr David Thomson — Acting Bishop of St Edmundsbury & Ipswich

TRUSTEES' ANNUAL REPORT

The Trustees present their report and financial statements for the year ended 31 December 2013.

Charity
The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The Charity's registered address is Millbeck House, Harleston Green, Shelland, Stowmarket, IP14 3HU. It is governed under a constitution originally registered in 1977 and most recently revised in 2013.

Principal objectives
The purpose of the Charity is to promote and encourage the practice of bell ringing within the Diocese of St Edmundsbury and Ipswich; to recruit, train and encourage bell ringers in the practice of their art; to cultivate the art of scientific change ringing; and to promote and advise on the preservation of bells in an efficient condition.

Trustees
The Trustees during the period were A F Stanley (replacing P J Gorrod from April 6th), G E Slack, and A J Shedden.

Review of Progress and Achievements

Bell ringing The Guild continues to attain a presence on local broadcast media and is prominent on social networking sites. It has been another busy year for ringing as shown with the number of peals and quarter peals and other successful ringing events taking place. The advances made last year with the teaching of ringing and the mentoring of teachers have continued in 2013 and our young ringers have made real progress. A presentation from the Guild was made to our retiring President, Bishop Nigel, to express our thanks for his support.

The Pipe Trust Fund In addition to supporting a number of activities for beginners during the year, grants from the Pipe Family Trust Fund helped defray the travelling and accommodation costs of those taking part in the Young Ringers Striking Competition in York. We are pleased to acknowledge receipt of a further generous contribution to the Fund at the beginning of 2014 from the Pipe family, which will help us to continue to support our beginners in the future.

Restoration activities Our main contribution was to Clopton where the restoration of the bells was completed. We also made a further contribution to the Norman Tower as their augmentation reached completion. Members of the Belfry Advisory Committee continue to give advice and support, both for routine maintenance and restoration projects.

Guild Finances

Policies All money in the Guild's funds not required for day-to-day working purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee. Grants from the Restoration Fund are authorised by the Guild Management Committee but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

General Fund Income to the General Fund increased some 8% from 2012 primarily from increased sales of rope to towers in the Guild and from additional peal fees. Expenditure showed an increase of 4% although the only category to show a sizeable increase was our purchase of rope: both polyester and hardy hemp are now available for towers to purchase. The net effect after an increased transfer once again to the Restoration Fund is a reduction in the General Fund of £272 which is more than covered by the increase in our stock and assets.

Restoration Fund Restoration Fund income has increased by 25% on 2012, mainly from a large increase in donations and from an increase in interest as a result of the investment made last year in bonds through the Charities Aid Foundation. Grant approval was low once again continuing the pattern since 2009 and hence the sum available for allocation to new projects has increased to £58,369.
With the grants paid to Clopton and to the Norman Tower and other small grants paid, most of the previously allocated grants have now been paid.

Summary The small reduction in the General Fund balance in 2013 resulted from the increase in stock and assets. The Restoration Fund has again grown leaving the Guild in a strong position to assist with projects which we understand are in the pipeline.

Diocese Info

This year the Diocese of St Edmundsbury and Ipswich is 100 which marks a significant moment in time. Although many of Suffolk's fine churches are older than the Diocese, the Centenary Year is nonetheless significant.

To mark this you will see that the report contains a message of thanks from our Acting Bishop, but also throughout the report will be events that will mark this milestone for the Diocese which we serve. We are fortunate to be able to ring in a Diocese that is so rich in history, spirituality and community spirit. I hope people find the Diocese information both refreshing and encouraging. I hope people will join me in praying for another successful 100 years for our Diocese.

BELFRY ADVISORY COMMITTEE

The following have been appointed as a Belfry Advisory Committee to give advice and assistance on all matters connected with rings of bells. No fees are charged but if expenses are incurred and requested they should be paid by the local Parochial Church Council. The Guild Maintenance Officer will be pleased to arrange inspections as required.

BELFRY ADVISORY COMMITTEE REPORT — JONATHAN STEVENS

A typical year for the BAC and the Technical Advisor in that towers were inspected, projects guided, spanners and other key tools wielded All of this to keep Suffolk's bells ringing and to improve them. Clopton had its bells returned and re-hung in a new frame in the old ringing chamber, the ringers returning, thanks to English Heritage, to the original windowless ringing chamber. The Architect's insistence on hiding the foundation beam grout behind flints and lime mortar necessitated a number of visits to inspect the work in progress, making sure it met with Guild Grant Conditions. This is sadly very necessary, the flint and lime at Thurston proving to hide more flint and lime, which is now, because it has not stood up under the everyday stresses of ringing, being removed and replaced with cement based grout.

Rattlesden, who have long wanted a refurbishment are getting it; a Heritage Lottery Grant helping here. Wickham Market, who were last restored in very recent memory, are getting their poorly designed headstocks replaced, the clappering sorted and a new floor to the belfry, so the bells can be worked on safely and the sound level in the ringing chamber reduced. The Grant Conditions, a useful guide of what to aim at in a restoration, have been revised and can be found under Restoration, on the Guild website.

At the BAC meetings, we have started having a speaker, beforehand. So far Jed Flatters has talked about bell-hanging and Douglas Kent from the Society for the Protection of Ancient Buildings (SPAB) has told us about that body's policy towards bells and bell frames. All are welcome to come and listen, but the meeting itself is still for BAC members. During this Advisor's tenure, he has attended three Bell Advisors' Conferences, a number of bell related courses and worked hard to raise the awareness of the needs of ringers, steeple keepers and audience with the Bell hangers, DAC, English Heritage, Church Building Council and SPAB. Douglas had the pleasure of running three courses, introducing many members to the care of towers and belfries.

Douglas has been invited to write around sixty reports and make many more visits to parishes around the Diocese. Sound, both internal and external is a particular interest, with a number of sound surveys being completed with practical recommendations being put successfully in place. This work is making the bells more available, more clearly heard inside and out, and better balanced, again, inside and out.

Your new Technical Advisor and new Chairman of the BAC will be continuing the hard work. Do use them and the rest of the BAC Team in 2014.

RINGING MASTER'S REPORT — JED FLATTERS

This year could not have been more different to the last with only the Royal birth and the centenary of Benjamin Britten to call for major celebrations. To cap things off we lost Bishop Nigel as he moved on to become Bishop of Lambeth, a better champion for our cause will be hard to find. A highlight for me however was taking part in the Pilgrimage from St. Pauls in London to Bury, ringing as we went to great praise from our bishop.

Our Guild dinner was held in March using Woolpit village hall as a central venue with a good turnout supporting the Guild and listening to an interesting after dinner talk from Drew Craddock about his Pealbase creation.

The Guild Six Bell Striking Competition was held at Thornham Magna, a pleasant ring but with a couple of odd-struck bells which caught some out. Our judge for the day, Peter Hayward of John Taylor and Co., spent the afternoon sat under a gazebo in the churchyard, drinking tea and listening to and marking the teams as they rang. After tea he gave us the results with Debenham B taking the Lester Brett trophy and the Wolery ringing some excellent Norwich to take the Mitson Shield. Moving on quickly to Gislingham saw the draw for the eight bell competition where eight teams competed and the NE district were rightfully declared the winners. Peter was to have been assisted by his wife but due to family problems she had to remain at home; anyone who has judged a competition will know the effort required to maintain full attention.

The Ridgman Trophy was held at Surfleet this year where we rang a good practice piece and then failed to follow this up in the test piece getting a disappointing 6th place. All agreed that we needed to organise more practice sessions for the 2014 competition! On the national side we entered a youth team in the competition at York and, like last year, rang Plain Bob triples being placed 3rd in the method category and 8th overall. Support from parents has led to the setting up of a young ringers group with regular ringing sessions and hopefully a chance to get a good nucleus together to challenge at Worcester next year.

In spite of difficult financial times, a number of restorations and augmentations have been completed. On 17th May the flat 6th was delivered to the Cathedral and dedicated in a brief ceremony at the base of the tower by our ringing Precentor Philip Banks. About 150 people watched the ceremony before we lifted the new bell into place and tried it out that evening.

At Clopton a major restoration has seen the rough old six transformed into an easy going, tuneful, set of bells which will be of great use to us.

The cracked tenor at Woolpit has been successfully welded and rehung, so all six are back in use.

Sneaking in the new treble at Elmsett has seen a nice light ring of four being created, but get there quickly if you are a four bell ringer as the treble is soon to be bought!

Although there have been few major events this year our peal ringers continue to push up their totals. Figures from the peals show the following milestones passed:-

3000 David Salter
1650 Alan Mayle
1500 Jeremy Spiller
1400 Mary Dunbavin and Katharine Salter
1000 Mick Edwards and James Smith
900 Cherril Spiller
800 Brian Whiting
500 Richard Knight
400 Maunce Rose
350 Joan Garrett
250 Louis Suggett and Peter Harper
150 George Salter
100 Colin Salter (youngest Suffolk ringer to achieve this) and Robert Beavis
75 Oliver Thompson

I make special mention of John Taylor in scoring his first peal but will not embarrass him by mentioning his age and also congratulate Nicole and Ed Rolphe and Ambrin Williams on their first peals.

Quarter peals still feature strongly with Lesley and David Steed and friends pushing the numbers up most weekends and the Scase family doing likewise most Friday nights. Whilst in the east, the Pettistree ringers keep plugging away each Wednesday evening with different methods.

From the records I note the following quarter peal achievements:-
1600 Mike Whitby (and 1200 as conductor)
1000 Maggie Ross and Lesley Steed
850 David Steed
800 Pippa Moss and Ralph Earey
500 Ruth Suggett
350 Robert Scase
250 David Howe
200 Richard Brewster
150 Stephen Dawson
100 Michelle Williams , George Salter and Lucy Dawson
50 John Taylor and Clare Veal
25 Nicole Rolphe

I apologise if I have missed out any persons or key events.

In 2014 we can look forward to celebrating the centenary of the formation of our Diocese. I am planning to spend the first week of August ringing and cycling around our borders and will post details on our web site so please book the dates and join in. All are welcome, cycling or not, and you are welcome do your own thing at towers nearby as we pass through the districts.

SECRETARY'S REPORT — MANDY SHEDDEN

Another year has flown by and the Suffolk Guild has certainly kept up the trend we saw last year in an increasing number of new members. Forty eight new applications for membership were received during the year and although district membership totals are not available as I write at the end of 2012 there were 838 recorded members. Some members have passed away and there will be the inevitable loss of members through non- renewal for whatever reason but we still have membership totalling over 800. There were 90 members present at the AGM in Stradbroke and a further 63 tended their apologies. Attendance at the three GMC meetings held during the year has not been very good, at one meeting several important matters could not be dealt with as a result. Hopefully a change in the structure of the districts and an increase in the number of members who are eligible to attend from each district will rectify this situation in the future. The youngsters continue to enjoy a very good standard of ringing helped along by lots of enthusiasm and practical help from the not so young experienced members who regularly give of their time to help preserve the future of ringing in the county. A particularly pleasing fact to note about the youngsters who are learning at the moment is that a large percentage of them are not from ringing families. They are not just following in their ancestor's footsteps but are there because they have been attracted to and remain as active ringing members for reasons other than generational expectations. The presence of some of these youngsters at the 90th Anniversary Guild Dinner brought the average age of members present down considerably.

In a county where geographical distances between towers and ringers can cause some logistical problems which affect both practices and Sunday Service ringing, Suffolk continues to do very well in producing good standards of ringing and this has to be down to the dedication of many members who selflessly give of their time week in and week out for the reward of seeing improvement and success in those that they teach. Perhaps these valuable people should be named in the 2015 honours list.

LIBRARIAN'S REPORT — ABBY ANTROBUS

As I penned the Guild Library report for 2012, we were at any moment expecting to pick up from the Suffolk Records Office everything in our collections that was not original material relating to ringing, bells and ringers in Suffolk. A plea in *Awl A'Huld* for shelves on which to put the material was well met, and I would like to extend thanks to all who offered their spare furniture - special mention, however, goes to Brian Hale who donated a wooden bookcase and bought it up the Norman Tower for us. The books are now housed there in the ringing chamber, and I have a sign-out sheet system for loans. At present, the bookcase has a temporary paper sign on it, but I hope to arrange something more permanent. The *Ringing Worlds* are stored under the bells on the Mezzanine floor, along with duplicate reports, and conditions have so far proved stable and dry. I have re-sorted and catalogued everything that has been returned to us, and apologise that I have not yet typed this up into an up-to-date version of the catalogue as promised in my 2012 report. I will add in the Records Office reference numbers so that material there can easily be identified and requested. Investigating insurance is also on the library agenda.

In terms of digital resources, I will be ordering the next CD of digitised *Ringing Worlds*, 1941-1970, which should save a clamber down the trapdoor to retrieve issues from the floor under the belfry! Neil Dodge from Great Barton has also been doing an excellent job scanning and creating pdf files of the early annual reports. As for last year, if you have any questions, requests or suggestions for items for the library, please do get in contact. As well as historic material, I send the Records Office items relating to our current day activities. This year has several major anniversaries, including the 100th Anniversary of the Diocese and the commencement of World War I, so if you have any memorabilia from events in your tower, both national and local, do pass them on.

PUBLIC RELATIONS OFFICER'S REPORT — RICHARD MUNNINGS

2013 could've easily struggled to compete with 2012 in regards to PR. No Olympics, Torch Relay or Diamond Jubilee to get involved in. But of course it was the Guild's 90th anniversary, which offered an opportunity to promote what we do to the ever-responsive Radio Suffolk.

Our local BBC radio station has - as usual - been a good friend (and some of their presenters are members of the Guild's Facebook page), helping raise awareness of our ringing for St Edmund's Day, Christmas ringing in Ipswich, and our young ringers participation in the National Youth Striking Competition in York, as well as speaking to our young ringers themselves - particularly Neal Dodge - in regards to their activities. It bodes well that our youngsters are media savvy, and very proactive in raising the public's awareness of ringing.

The newspapers have been slightly slower in responding to requests for publicity, but the Ipswich Star/ East Anglian Daily Times came to a St Mary-le-Tower practice in August to interview and photograph local ringers, resulting in a superb double-page spread.

And right at the end of the year, on New Year's Eve, Betty Baines was in the news for her deserved MBE for services to ringing in Norfolk and North Suffolk, bringing some welcome positive PR for our art.

I managed to get mention of the South-East District Striking Competition at Brandeston advertised on the village website, and whilst no enquiries that I'm aware of came from it, I hope it at least gave local villagers more of an idea of what was going on that afternoon. It is perhaps worth notifying the local magazine and/or website when a district or Guild ringing event is taking place in a community.

Indeed, whilst I am always here to advise, guide and/or support on all matters PR, I am more than happy if members want to undertake their own PR, though if you are able to let me know that avoids any embarrassing mix-ups!

WEBMASTER'S REPORT — CHRIS GARNER

The Guild Website now contains over two thousand pages. Information about towers, bells, ringers and events is constantly updated. Pages for *Young Ringers' Practices* and for the *Suffolk Young Ringers* have been added recently. Photos and snippets of news can be sent to the Webmaster to be posted on the web site. *Richy's Blog* is now in its seventh year and is posted daily, generating friendly repartee on facebook. The Guild now has a Twitter account (@SuffolkBells). Thank you to all those who have made contributions.

The email system continues to be used to circulate *What's On* and news and now contains about the email addresses of about 450 members. The addresses are known only to the Webmaster and are not published even to other members. If you would like information distributed please email it to the Webmaster. A significant number of emails are returned as undeliverable so, if you change your email address, don't forget to let the Webmaster know.

DIRECTORY OF SUFFOLK TOWERS

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Adviser or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place.

The table on the following pages shows details of every ring of four or more bells in the area covered by the Suffolk Guild of Ringers. The following details are included:

DISTRICT (DIST)

NE - North East	NW - North West	SE - South East	SW - South West

DEANERY (DNRY)

Bc - Beccles	Hl - Halesworth	Lo - Loes	St - Stowmarket
Bs - Bosmere	Ht - Hartismere	Lv - Lavenham	Sx - Saxmundham
Cl - Clare	Hx - Hoxne	Ml - Mildenhall	Th - Thingoe
Co - Colneis	Ip - Ipswich	Sd - Sudbury	Wd - Woodbridge
Hd - Hadleigh	Ix - Ixworth	Sm - Samford	

CONDITION OF THE RING (COND)

10 - Excellent. Ball bearings, modern frame and fittings.
9 - Excellent. Plain bearings, modern frame and fittings or ball bearings in old frame.
8 - Good going order.
7 - Fair going order.
6 - Poor going order.
5 - Ringable if cleaned up and odd fittings and ropes provided.
4 - Rung occasionally. Frame/fittings nearly life expired.
3 - Not to be rung mainly because of tower and/or frame arrangement and position.
2 - Not to be rung mainly because of frame and/or fittings.
1 - Hung dead.
0 - Some bells unhung on the ground.

Please note that the classification is based on the condition only at the last date of inspection, and any enquiries or requests for further inspections should be directed in the first instance to the Suffolk Guild Technical Advisor or Maintenance Officer.

KEY

The key of a ring (ie the note of the tenor) is given in cents (ie, hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C# -20, and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

SECRETARY'S REPORT — JULIE RAPIOR

In 2013 the NE District organised a variety of events for both the district and the whole guild. The AGM at Stradbrooke was well attended as the guild thanked Philip Gorrod for his work as Chairman and welcomed Alan Stanley. The District Striking competition was held at Rumburgh and then a District band won the 8 bell competition at Gislingham a week later. In June we organised a district walk and picnic ringing at Tannington and Monk Soham which was enjoyed by all those who came. In October Maggie organised a walking tour around Ipswich which was very well attended and extremely successful with a full house at St Mary-Le-Tower. At the Annual District Meeting in November the district thanked Maggie for her hard work as Ringing Master and welcomed Michelle Williams as her successor. The year finished with a district carol service at Barsham. The committee would always be pleased to welcome ideas from district members for events which would help or interest them.

SECRETARY'S REPORT — RUTH YOUNG

2013 saw us using the usual format of starting the year with the first of our business meetings being held in January at Bury St Edmunds. After ringing at the Norman Tower where members enjoyed the challenge of ringing on the twelve, the meeting was held at the Flying Fortress following a carvery lunch for 28. In April during quarter peal week 18 quarters were rung with several firsts being achieved. May saw us heading to the Lowestoft area for an outing organised by Winston to all the Suffolk towers in the NDA and in June the striking competiton was held at Rickinghall Superior followed by a barbecue, thanks to Chris and Briony Davies for hosting this. In October the ADM was held at Eye and was attended by 23 members. At this meeting Maurice Rose retired as Chairman and was thanked for all his hard work during his time of office. David Steed was welcomed as the new Chairman.

During the year we also held practice meetings at Bacton, Wickham Skeith, Mildenhall and Hopton with the Christmas social at Rougham rounding off the year.

The Centenary souvenir book '100 Years, 100 Treasures' A Celebration of Suffolk Churches. AS featured on BBC Radio Suffolk with Rob Dunger and with Lesley Dolphin as well as the East Anglian Daily Times and Discover Heritage magazine, there is still a chance to snap up your very own copy of this little companion revealing the treasures inside 100 churches. For just £5 you get a history of the diocese, the stories of 100 treasures plus a guide to what else you can discover in each church, and a pull -out map. Order a copy at your local church so that they can benefit by keeping £2 from the sale for their upkeep, or pick one up at the Cathedral Shop, the Sanctuary Café, Ipswich, or Waterstones in Ipswich or Bury.

SECRETARY REPORT — RUTH MUNNINGS

It's been a very successful year for the District, with good attendances and support from members. We started the year with practices at Framlingham in January, and over to Stutton and Harkstead in February. This was followed by a large turnout at Debenham for the quarterly meeting, although ringing at Helmingham after the meeting was shorter than anticipated because of a clapper breaking! This year, the striking competition in May saw some old faces, and some young ones too. With the introduction of a call

change competition, it encouraged bands from Hollesley, Helmingham, Barking and a youngsters' band from Sproughton all to take part. Well done to Hollesley on being crowned the first victors of the David Barnard Trophy!! Also, congratulations to St Mary le Tower 'A' for winning the method trophy. In June the district ventured over to Barking and Coddenham for a short meeting, where it was lovely to see Alan Smith. Due to ill health he had not been able to attend district events. It was particularly poignant to see him as he died two months later. Following our visit to Cretingham and Monewden in July, we had such a successful quarter peal evening in August it became necessary to draft in two extra towers! Special thanks go to Tom Scase for organising the quarter peal bands, and to Kate Eagle for sorting the meal at The Three Tuns, Pettistree afterwards. The September meeting at Sproughton and Bramford was followed by a productive practice at Grundisburgh in October, and an enjoyable outing to North Essex in November before we saw out the year with the ADM at Ufford and Wickham Market and Christmas Ringing in Ipswich.

Our thanks go to Mary Garner, our acting Chairman for the year on keeping us in order, and to welcome Ralph Earey as our new Chairman. Also, my thanks go to tower correspondents, incumbents and to district members for your continued support. Let's continue for this year!

SECRETARY'S REPORT — RICHARD GATES

The South West District has had generally a good year. The Teaching and Training days have been well supported and have helped new ringers to progress and improve their ringing. It is particularly pleasing that experienced ringers are willing to give time to support these sessions.

It is also pleasing to see a steady number of beginners wishing to learn to ring. It goes without saying that the future of the district lies in the hands of those people, particularly young people, who we can encourage to take up ringing.

Although the district is not lucky enough to have a twelve bell tower we are planning to extend our practices to include more frequent visits to St. Peters Sudbury the only ten bell tower in the district in the expectation that this will give more experience to local ringers and provide some more challenging ringing for the more experienced members.

The district held its first carol service this year which was a pleasure to attend and is another way to unite the district in ways other than just ringing.

Generally speaking the feeling in the district is very positive and augurs well for the forth coming year.

OBITUARIES

John Bonney - St Margaret, Ipswich;

John E. Bonney is first recorded as a member of the Guild in 1982, soon after he became Head of St. Margaret's, Ipswich, C of E Primaary School. He joined the band of ringers at the time and it was understood that he had learnt much of his ringing during his service in the R.A.F in the Cheshire area. In 1986 he was elected District Chairman and held the post for three years. John also taught ringers at St. Margaret's and was a loyal supporter of practice nights and Sunday ringing. He was critical of poor ringing right up the eto nd of his life. Unfortunately he was unable to ring in the latter years, being afflicted with sciatica which prevented him from climbing the tower stairs. In 1988 he rang a peal of Rutland Surprise Major - a feat of which he was particularly proud. His favourite method, which he often conducted, was Grandsire Triples. As a Lay Preacher John was also very active in Church matters and, especially in his younger days, was also an active sportsman, playing tennis, golf and bowls. A true gentleman and devoted father, John died of a serious illness a little over a year after he had lost his wife.

Alan Smith - Coddenham;

Alan came to Suffolk from Kent in the mid 1970's. His ever cheerful smile quickly endeared him to all who met him. When he was elected to membership of The Suffolk Guild some of the more observant members soon recognised his financial skills. In 1978 Alan was elected Guild Treasurer, a post he held for eleven years. Upon election he immediately changed the system of accounting and this revealed a deficit in the General Fund. Because of this he sought, and achieved, a doubling of the subscription rates. You can imagine the shock waves which reverberated through the Guild members! Very rapidly he succeeded in putting the Guild finances on a sure footing.
1984 brought election to the Central Council of Church Bell Ringers where again his financial skills were recognised. He served on the Council's Bell Restoration Funds Committee from 1984 to 1999. Having attended twenty two Annual Council meetings, he retired from the Council in 2008. It was in this year that Alan was elected as an Honorary Life Member of the Guild.
Alan rang in eight peals, the last of which was rung at Coddenham, where he had been instrumental in achieving their re-hanging. Alan, your life's work has been well done, thou good and faithful servant. May you rest in peace.

Anne Lewis—Polstead;

Anne was taught to ring at Polstead by Ed Hynard during the 1970s. She rang her first quarter peal there in October 1979. Anne was a loyal member of the Sunday service band and could always be relied upon to be there. She worked indefatigably for St Mary's church in many ways; in her latter years she was a conscientious church warden. She is very much missed.

Michael Daniels– Bredfield;

Michael Daniels came from an old Bredfield family. In 1954 he learned to ring there, aged 12, under the guidance of Bob & Brenda Downing and Jim Pipe. After regular ringing at Bredfield ceased in 1958, he rang at Grundisburgh from 1961. His first peal was at Hasketon, and he rang 15 in all for the Suffolk Guild between 1963 and 1967. After about 20 years, due to family and work commitments he gave up ringing, but returned at the Millennium. He very much enjoyed re-learning methods at Bredfield and later at Pettistree. A faithful member of the Bredfield band, he helped greatly in training new recruits recently. In 2010 ill health kept him out of ringing for 6 months, but then he returned to it until a recurrence of his Leukaemia made it impossible for him to continue. He passed away peacefully on 14 October 2013, and our thoughts are with his widow Jenny, brother Peter, and all the family. A quarter of Ipswich Surprise was rung in his memory at Pettistree on 16 October, soon followed by a peal of Bristol Surprise Major at Grundisburgh and another in Four Minor methods at Bredfield. He will be sorely missed, may he now rest in peace.

Dennis Frost—Haughley:

Dennis learnt to ring in Drinkstone back in the 1970s, taught by Dick and Derek Rose. After ringing in Drinkstone for many years with his wife Judy (where they also kept the pub) they moved to Haughley in 1991. The ringers in the village were trying to form a band and soon Dennis and Judy were involved in Monday night practice, restoration work to the bells, and the necessary fund raising. Dennis became Tower Captain.
Dennis's last ring was in 2008 for a village funeral, ringing half muffled before the service. The ringers joined in the service, sitting in the back pew. During the first hymn Dennis suffered a stroke and was never able to ring again. He died on 2 April 2013.

Peter Mayle - Clare:

Peter was born in Clare and apart from his National Service lived there for his whole life. He was taught to ring at Clare by Sam Twitchett in the late 1940's when a new band was being formed. He took over as steeple keeper and clock winder in 1953 and continued to look after the bells and clock until ill health prevented him from climbing the stairs. The clock was electrified in 1989 but prior to that date he climbed the 60 steps to wind the clock every day. His contribution to the maintenance of bells in the local area will be much missed. He joined the Suffolk Guild in 1947 and remained a member for 66 years until his death. He rang a total of 610 peals including 358 for the Guild. It was his two sons, John and Alan, learning to ring in the late 1960's that led to many of these peals being rung. He rang 446 peals with Alan and although not having rung a peal for 8 years he was determined to ring in Alan's 1000th peal, at Clare on 17 February 2001, which was the last he rang. Despite failing health he continued to ring for Sunday Service until entering hospital for heart surgery where he passed away on 28 November 2013, aged 84.

PEAL SECRETARY'S REPORT — CHRISTINE KNIGHT

The Guild peal total of 155 was the highest since 1995. This resulted largely from the huge enthusiasm for peal ringing at The Wolery mini-ring, where 60 peals were recorded. It was the second most pealed tower nationally, only just behind Thorverton in Devon. In fact, milestones were reached at the top two Suffolk peal towers in October, with The Wolery reaching its 250th peal and Grundisburgh, the 800th peal on the bells. Peals were rung in 45 Guild towers in 2013 and 9 others, namely Lowestoft, Ardleigh, Helions Bumpstead, Belchamp St Paul, Putney, Garlickhythe (Greater London), King's Lynn, Thetford and Giggleswick-in-Craven.

Although 2013 saw no national events on the scale of the Diamond Jubilee or the London Olympics, peals were rung in June to celebrate the 60th anniversary of the Coronation of HM Queen Elizabeth II, at the Norman Tower, Horringer and Sudbury, All Saints. The latter saw the first peal on the bells since 1955, thanks to the efforts of the Guild maintenance team. The birth of HRH Prince George of Cambridge in July was also marked by peals at Grundisburgh and Great Barton. It has become customary, every five years, to celebrate the founding of our Guild, not only with a Guild Dinner, but also a peal of Suffolk S Major. This was duly rung at Helmingham on 6th August, a special length of 5090 changes, composed by Brian Whiting and conducted by Stephen Pettman to mark the Guild's 90th anniversary. In November, the centenary of Suffolk born composer, Benjamin Britten, Baron Britten of Aldeburgh, was commemorated by peals at the Norman Tower, and in the NE Distnct, at Southwold, Iken and Aldeburgh. The Iken peal was rung in 100 methods to emphasise the centenary. Equally noteworthy was the Aldeburgh peal of Kent TB Major as it was rung by a NE Distnct band and contained two firsts of Treble Bob.

The Master moved Peal Week back to February in 2013. Disappointing, perhaps, that only 5 peals were rung, but the usual emphasis on progression was evident, with a first pealer, a first of Surprise inside and a first peal on tower bells being recorded. In March, three peals were rung in memory of Howard W Egglestone, who was Guild Master from 1969-1974 and did much to advance the standard of ringing in Suffolk. These were at the Norman Tower, Bardwell, and his former home tower of Henley. On the theme of progression, another peal worthy of mention is that of Bristol S Maximus, called by Richard Munnings on 5th January at the Norman Tower. This was a very significant achievement as the peal contained 8 resident members and there were 2 firsts of Bristol Maximus as well as a first of Bristol as conductor. Another impressive achievement was the peal at Hacheston on 31st May, in which David Salter became the first person to ring 1500 peals for the Guild.

Four Guild members rang their first peal in 2013, a drop from the exceptional total of 10 first pealers in 2012, but the peal columns provide ample evidence of the progress of quite recent first pealers in peals on higher numbers, in more complex methods and, indeed, in conducting. There is now quite a youthful element in the list of Guild conductors, which bodes well for the future. It was good to see Clare Veal join this group, by achieving her first as conductor at The Wolery in November. The age range of 13 to 80 for the first pealers underlines the immense attraction of our Art, a mix of youth and maturity which adds so much to the social aspect of ringing. All 4 deserve the warmest congratulation on their achievement. It is also good to see younger ringers getting together to ring peals, as at Great Barton on 7th April. A band with an average age of 17 years and 8 days rang a peal of Great Barton Doubles, conducted by Alex Tatlow. Also deserving credit is the peal at The Wolery on 26th September, in which 15 year old Colin Salter became the youngest Suffolk born ringer to achieve 100 peals, beating his mother Katharine's record by approximately six months.

Many trends in Guild peal ringing continued during the year. There were regular peals of Surprise Major at Aldeburgh and The Wolery, and the interest in ringing peals of individual Surprise Minor methods at The Wolery culminated on 27 August in the completion of peals in each of the standard 41 Surprise Minor methods, believed to be the first tower to achieve this. Stephen Pettman and Brian Whiting have continued to pursue their interest in composing peals of a commemorative length. There were 8 such peals. It is pleasing that the twelve at the Norman Tower have been put to good use, with 4 peals of Surprise Maximus there during the year for the Guild. There were four peals of right place Surprise Royal, and the signs are that London and Bristol will follow. Unfortunately, the number of Suffolk towers pealed dropped from 54 in 2012 to 45. It would be good to see more peals to celebrate local occasions, which can be good PR for ringing among local congregations, and in the wider community. I should like to thank David Salter, Brian Whiting and the new Report Editor, George Reynolds, for their help in producing the peals section of this Report.

The Diocese of St Edmundsbury and Ipswich was founded on January 23 1914 and includes the county of Suffolk, except for an area of North East Suffolk around Lowestoft and one parish in the county of Essex.

It serves over 624,000 people living in a geographical area of over 1,400 square miles. Out of this population over 25,000 claim allegiance to the Church of England and over 19,000 attend church services every Sunday.

What's on during the Centenary Year

28-29 May: The Suffolk Show looks at past, present and future in 'Being There'

29 March: Launch of the Centenary Celebrations at the Cathedral with the Archbishop of Canterbury Justin Welby. Highlights of the day include: meeting with representatives of rural parishes; Eucharist with distribution of candles for each parish; launch of Centenary Fund; Choral Evensong with premiere of the winning choral anthem; meeting chaplains in the diocese.

March-October: A series of children's events inspired by John Bunyan's 'The Pilgrim's Progress' to include reflective storytelling, giant pilgrim puppets, pilgrim inspired Messy Church around parishes.

2-10 May: Pilgrimage to Santiago de Compostela led by Canon Philip Banks.

Sunday 6 July: Celebration services at the Ipswich Regent Theatre with Traditional Songs of Praise at 3pm and a Contemporary Worship event at 7pm. Visit the Centenary page at www.cofesuffolk.org for tickets and to download a special Centenary hymn for practising!

24-27 July: 'Reflections' Flower Festival at the Cathedral with over 80 displays.

24 November - 8 December: Pilgrimage to Kagera led by Dean Frances.

Sunday 23 November: Final Service 'St Edmundtide 2014' at the Cathedral at 3.30pm.

COMING SOON . . .
Pilgrimages in Suffolk brochure including two trails led by Bishop David and Dean Frances based on Angels & Pinnacles church trails.

THE CHURCHES CONSERVATION TRUST

MINUTES OF THE ANNUAL GENERAL MEETING OF THE SUFFOLK GUILD OF RINGERS, HELD AT STRADBROKE, SATURDAY 6 APRIL 2013

Welcome, Thanks and Apologies

The Chairman Philip Gorrod welcomed 90 members to the meeting and expressed his gratitude to the NE team of Julie Rapior, Julie Hughes and all their helpers who organised the meeting and the splendid tea. He also expressed thanks to Tamsin Earthy and Basil Jenkyns, speakers at the fringe meeting and Jonathan Stevens for organising it, and the organist and Roger Smith for the service.

Apologies from 63 members were recorded separately

Obituaries

The meeting stood in silence in remembrance of the following members who have passed away.

Barry Pickup, Pat Bailey, Leslie Carter, Bob Gowan, Tinker Lockwood, Alan Rogers and Phil Willis.

NRLM – Ray Addington, Roy Duesbury, Jack Dear, Alison Regan and Harold Rogers.

Election of New Members

The following were all elected as new members of the Guild

Joy Brandon Proposed by Peter Brasier and seconded by Carol Milligan

Rachel Kellett Proposed by Philip Gorrod seconded by Peter Lock

Sarah Jenkinson Proposed by Hugh Spink seconded by Philip Gorrod

Minutes of the 2012 AGM

The minutes of the 2012 AGM were proposed for adoption by John Girt and seconded by Alan Stanley.

Officers Reports

All the officer reports appeared in the Annual Report and were approved without exception. Peal Secretary Christine Knight added a note of thanks to everyone who contributed to the peal reports and especially to Ruth Suggett for her meticulous attention to detail. Trevor Hughes asked if handbell quarters could be included in future years' reports.

Vestey Ring/Hand Bell Trustee Report

Hand Bell Trustee, Brian Whiting reported that all 4 sets are in good order; 2 sets have been used for the most of the time but he reminded members that another two sets were available for use. The Vestey ring was used 12 times last year and was booked for 6 slots so far this year.

Guild Accounts prepared by Gordon Slack, Treasurer were approved, proposed by Peter Harper and seconded by Chris Davies.

Trustees Report. - Page 3 of Annual Report

Approval of the trustee's report was proposed by Gordon Slack and seconded by Philip Gorrod

CCCBR Report

Our CCCBR representative David Salter attended the meeting at Chester and had published a report on the Guild website.

Election of Trustees

The trustees are currently the Chairman, Secretary and Treasurer. Philip Gorrod proposed and Jonathan Stevens seconded that these officers should continue to remain as trustees. Alan Stanley, Mandy Shedden and Gordon Slack were elected

Appointment of Independent Examiner

Larking Gowen were proposed to continue as independent examiners of the accounts by Gordon Slack and Philip Gorrod seconded this.

13. Amendments to the Constitution and Rules.

Trevor Hughes raised an objection. Graham Downing would like the wording to be clearer and approval of GMC must be clarified. PJG reinforced that GMC would always oversee proposed changes and are not likely to approve unworkable changes.

John Girt stood to explain the reason for the current organisation. There used to be 5 districts and it was proposed that each district should have the same number of deaneries (C.1972) These were set out to divide the Guild into equal parts for representation of members on GMC.

PJG explained the reason for the changes to the rules to cover future events such as collapse of RW etc. He also explained the reason for change to Election of LHM This was to ensure that inappropriate proposals for LHM could no longer be made, although a GMC refusal could always be overturned by the members at an AGM.

GMC Deanery Representation. The idea behind this was that each district may elect up to 5 members to

sit on the GMC. It is hoped that the new system will encourage members who are interested in being part of the GMC to opt into being elected. Trevor Hughes said that he thought it was important that people interested in moving the Guild on should be taking part on the GMC.
PJG went on to further explain the reasons for changes to the rules. Essentially the districts should elect to the GMC those people that they feel would best serve the Guild.
Changes to Constitutions - Majority in favour one abstention
Changes to Rules - Overwhelming Majority 3 abstentions.

14. Election of LHM.

Maggie Ross explained that Helen Price of Southwold and Reydon has been a loyal and hard- working member of the NE District. She has taught many to ring, she undertook the new installation fundraising for Reydon. A member since 1979, she is always happy to try new things and goes the extra mile to encourage others. She has been district RM, and she has had a hand in all events including tower maintenance. She leads by example well worth following.
Helen Price stood to thank you to the meeting and to everyone who has supported her. She was unanimously elected as LHM.

15. ITTS

3 courses have been held in the county, two at level 1 which have progressed 15 new ringers, and 5 into membership of the Guild. There is a level 1 course being started at Mildenhall, and one in the SE District in conjunction with the Essex Association.

16. Mini Ring

The Vestey ring continues to appear at events both within and outside the county and promotes good publicity for the Guild.

17. Both the Guild Dinner at Woolpit and the barn dance at and Sproughton were very successful.

18. George Salter is leading a band to take part in the Young Ringers Striking competition being held at York.

19. A memorial weekend is being arranged to commemorate the life of Rod Pipe, a former Suffolk Ringer and brother to George Pipe. All Suffolk Guild members are invited and details will follow It is the weekend of 12th October

20. There were no matters arising from the minutes of the 2012 AGM

21. St Edmunds Clapper Competition was won yet again by Offton with a splendid effort in raising £385 for the BRF.

22. The 2014 AGM will take place on 26th April 2014 in Stowmarket at the invitation of the NW District.

23. Any other Business

On the 12th October ringing has been arranged in several towers in Ipswich and the NE District is organising a walking tour in Ipswich on that day so collaboration will be required.
A card is being circulated to send to George Pipe who is in Papworth awaiting heart surgery on Monday.
Mr Girt asked for a collection for the BRF from the meeting.£118.31 was raised and a further surplus of tea donations of £60.25 was also given to the BRF.
Brian Whiting asked if members were able to put names to all 140 members in the 1974 photo at BSE in the Ringing World as part of Harold Egglestone's obituary.
Chris Garner asked for email addresses from any members wishing to receive information.

THE SUFFOLK GUILD OF RINGERS
OBJECTS, CONSTITUTION AND RULES - 2014 REVISION

OBJECTS

The Guild shall promote ringing for Divine Service within the Diocese of St. Edmundsbury and Ipswich by:

1 Promoting and encouraging the practice of bellringing.

2 Supporting the recruitment and training of bellringers.

3 Cultivating the art of scientific ringing.

4 Promoting an appreciation of the ringing chamber as part of God's house and encouraging care and attention to its cleanliness and proper equipment.

5 Promoting the preservation of bells in an efficient condition, recommending necessary repairs and renovations and providing reliable information and practical advice on the condition of bells and their fittings.

6 Supporting restoration and / or augmentation.

CONSTITUTION

A. NAME

1 The Guild shall be known as the Suffolk Guild of Ringers for the Diocese of St Edmundsbury and Ipswich.

1.1 The Guild shall be affiliated to the Central Council of Church Bell Ringers.

1.2 The Guild shall be registered as a Charity at Law (Ref.266869).

Central Council Representatives	Webmaster
Mini Ring Trustee	

9 The Annual General Meeting shall appoint an Accountant, who is not a member of the GMC and need not be a member of the Guild, to act as Independent Examiner in accordance with The Charities Acts.

10 The following Committees shall be formed:

The Guild Management Committee (GMC), to co-ordinate Guild activities and publish a printed Annual Report and Accounts. It shall recommend the levels of subscriptions, peal fees, other methods of raising capital, authorize expenditure from Guild funds and may organize general meetings, ringing and social activities.
The Recruitment and Training Committee (RTC), to co-ordinate training and recruitment.
The Belfry Advisory Committee (BAC), to advise and assist on all matters connected with rings of bells. It shall maintain an up-to-date directory of towers, listing the condition of all Church bells in the Diocese.

E. FINANCE

11 All money in the Guild's funds not required for normal working purposes shall be invested or deposited by the Treasurer as may be directed by the GMC.

12 All cheques shall bear the signature of the Chairman, Secretary or Treasurer.

12.1 Any cheque greater than a limit set by the GMC shall bear the signatures of two of the above.

13 The expenses listed in Rule K16 shall be paid out of the General Fund.

14 The interest received on the Jubilee Fund shall be transferred to the Guild Restoration Fund. The capital element of the fund shall be retained intact.

15 Grants from the Restoration Fund shall be authorised by the GMC but shall only be paid after the work has been approved by the Guild Ringing Master and the Technical Adviser. Grants will normally be offered for work to restore bells and their fittings for full-circle ringing, but may include augmenting and other ancillary work associated with any such project.

16 The St Peter's Sudbury Fund shall be used for running expenses and minor repairs and refurbishments to St Peter's bells and fittings.

17 The Library Fund shall be used for the purchase and repair of books and other items for the library.

18 The Handbell Fund shall be used for the repair, maintenance, renovation or augmentation of the Guild's handbells.

19 The Pipe Family Trust Fund shall be used for the encouragement of beginners in the art of change ringing in the Suffolk Guild. The fund will be administered by the Guild executive.

20 The GMC may establish further funds and shall specify the aims and objectives of such new funds.

21 The GMC may transfer sums from the General Fund to any specific funds and, if the purposes of the specific funds cease to exist, close these funds and transfer the balance to the General Fund.

22 The GMC shall recommend the proportion of peal fees, subscriptions of Ringing and Associate Members and Non-Resident Life Membership fees which shall be transferred annually to the Restoration Fund from the General Fund.

F. RECORDS AND HANDBELLS

23 All peals rung for the Guild and a summary of other peals and quarter-peals rung in the Diocese shall be published in the Annual Report.

24 The Librarian shall maintain an up-to-date inventory of publications owned by the Guild and the secretary shall maintain an up-to-date inventory of other Guild assets.

25 The Handbells Trustee shall maintain the handbells in good condition and shall make recommendations for their repair to the GMC.

G. GENERAL

26 The Constitution and Rules may only be amended at an Annual or Special General Meeting of the Guild.

26.1 Fourteen days' notice of any proposed change to the Constitution and Rules of the Guild must have been provided to members through the Ringing World and the Guild website. 26.2 Any change must be approved by at least two-thirds of those present and voting and shall take effect from the date given in the proposal . 26.3 No amendment shall be authorized which shall have the effect of the Guild ceasing to be a Charity in Law.

27 In the event of dissolution of the Guild any assets remaining after the satisfaction of all its debts and liabilities shall not be paid to or distributed among the members of the Guild but shall be given or transferred to such other charitable institution or institutions having similar Objects to the Guild.

GUILD RULES

H. ELECTION OF MEMBERS AND SUBSCRIPTIONS

1 Ringing and Associate Members may be elected at any meeting by a majority of those present when proposed and seconded.

1.1 A member may belong to only one District, normally the District under which the member is shown in the Annual Report.

2 Subscriptions are due on election and thereafter, in advance, on January 1st each year and shall be set at the preceding AGM, or a SGM. If a change in subscription has not been passed the existing rate shall continue.

2.1 No member shall be entitled to be heard, vote or hold office if subscription for the current year is unpaid.

2.2 The subscriptions of members elected during or after October shall cover the remainder of that year and the whole of the following year.

2.3 Persons in full time education and members over 65 years of age shall pay a reduced rate of subscription. Members over 75 years of age shall pay no subscription.

3 Life Honorary Members may only be nominated by the GMC or a District and shall only be elected at a Guild AGM after their nomination has been approved by the GMC. No further subscription is payable after election.

4 Ringing or Associate Members may, on leaving the Diocese, inform the Guild Secretary that they wish to become Non-Resident Life Members. No subscription is payable during the period of non-residence.

5 A person resident outside the Diocese who wishes to be associated with the Guild may be elected a Non-Resident Life Member. A one-off subscription is payable by such members. Any Non Resident Life membership ceases if the member takes up residency within the Diocese.

6 For the purposes of peal ringing, new members may be provisionally elected in the belfry. Membership is subject to confirmation at a meeting of the appropriate District in the case of a Ringing Member or at a meeting of the GMC in the case of a Non-Resident Life Member. If election is not confirmed the subscription shall be refunded.

7 Any member failing to conform to the Objects and Rules of the Guild may be expelled by the GMC which shall report the matter to the next Annual General Meeting. Such a member shall forfeit any payment made to the Guild.

I. ELECTION OF OFFICERS

8 All Officers shall retire at the Guild's AGM but shall be eligible for re-election. The Chairman, Ringing Master, Secretary and Treasurer shall not serve more than five consecutive years in one post.

8.1 Nominations may be made in writing to the Guild Secretary or orally at the AGM providing they are proposed and seconded.

8.2 If more than one nomination for any office is received election shall be by paper ballot, the successful candidate being the one with the highest number of votes. In the event of a tie the Chairman shall have a casting vote.

8.3 Central Council Representatives shall be elected, in accordance with the rules of the Central Council, during the second year of the triennium at the AGM of the Guild.

J. COMMITTEE STRUCTURE

9 The Guild Management Committee (GMC) shall consist of the Guild Chairman, Ringing Master, Secretary, Treasurer and Chairman of the Belfry Advisory Committee, and up to five members from each District, elected in accordance with Rule 20.

9.1 Four members of the Committee shall constitute a quorum.

9.2 The Chairman shall chair all Guild and GMC meetings. In his/her absence the chair shall be taken by the Ringing Master or in his/her absence by a person elected by the meeting.

10 The Recruitment and Training Committee (RTC) shall consist of the Guild Ringing Master as Convener and two members from each District.

11 The Belfry Advisory Committee (BAC) shall consist of the Chairman BAC, the Technical Adviser and such members as they may co-opt. Members shall be approved by the GMC.

12 Each Committee in Rules 9, 10, and 11 shall meet at least three times a year.

13 The Guild Executive shall consist of: of the Guild Chairman, Ringing Master, Secretary, Treasurer and Chairman of the Belfry Advisory Committee

The Executive shall take such emergency decisions as may be required before it is practical for the GMC to meet. They shall also make a temporary appointment until a General Meeting can be convened if a Guild Office becomes vacant between AGMs.

14 The GMC may convene sub-committees and shall determine their terms of reference, powers, duration and composition. All acts and proceedings of any such sub-committees shall be reported back to the GMC as soon as possible.

15 The GMC may request the attendance of other officers or members as may be required.

K. EXPENSES

16 The following shall be paid by the Treasurer out of Guild funds:

- The cost of printing the Annual Report and any other publications authorized by the GMC.
- The expenses of Guild Meetings (including District).
- Stationery, postage, telephone, notices of all meetings and other incidental expenses.
- Guild insurances.
- Central Council fees and reimbursement of Representatives' expenses attending each Council meeting, not exceeding the second class return rail fare and a subsistence allowance as may be determined by the GMC.
- Such other expenses as the GMC may authorize.

L. PEAL RECORDS

17 All peals rung for the Guild must conform with the decisions of the Central Council. All those taking part must be members of the Guild.

18 Conductors shall forward the following to the Peal Secretary as soon as possible and not later than 15th January the following year:

(a) The names, addresses and subscriptions of any Non-Resident Life Members elected in the belfry.

(b) The appropriate peal fees.

(c) Compositions for peals of Triples and above and of such other peals as the Peal Secretary may request. Money received for items (a) and (b) shall be passed to the Guild Treasurer.

DISTRICT RULES

19 Each District shall hold an Annual General Meeting during the last quarter of the year for the purpose of receiving a report from the District Committee for the year, election of Officers and arranging activities for the year beginning the following January. Members may vote or stand for Office only in the District through which they exercise membership in accordance with Guild Rule 1.

20 The following Officers shall be elected annually: Chairman, Ringing Master, Secretary/Treasurer, Magazine Correspondent, two members to serve on the RTC and up to five members to serve on the GMC.

20.1 A District may elect additional Officers as required to assist in the running of the District.

20.2 The District Officers shall form the District Committee, which shall be responsible for the efficient management of the District's affairs and shall report to the Annual District Meeting on the year's work.

21 The District Secretary and/or Treasurer shall:

- Collect all subscriptions and other moneys due and forward them to the Guild Treasurer.
- Submit a statement of accounts to the Guild Treasurer by 15th January.
- Submit a directory of tower correspondents and ringing times and a list of members to the Report Editor by 15th January.
- Submit a statement, to the Guild Secretary, of all members qualifying for inclusion in the insurance scheme by the Guild AGM.

22 The District Magazine Correspondent shall report on District activities for the Guild Magazine, the 'Ringing World' and local newspapers.

REGULATIONS RELATING TO THE SUFFOLK GUILD HANDBELLS

1 The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells viz:

25 bells by Taylors	size 20 in C (2 chromatic octaves)
16 bells generally by Shaw	size 19 in F (diatonic 13 + 3 semitones)
13 bells by Warner	size 20 in E (diatonic 12 + 1 semitone)
13 bells by various founders	size 20 in F (diatonic 13)

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further penod, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

THE MITSON SHIELD, LESTER BRETT TROPHY AND ROSE TROPHY STRIKING COMPETITIONS RULES:

1 The competitions shall take place on date(s) decided by the GMC.

2 All Ringing Members and Life Honorary Members of the Guild may compete providing their subscriptions are paid.

3 The Mitson Shield, Lester Brett and Rose Trophies shall be competed for as follows:

MITSON SHIELD and LESTER BRETT TROPHY

3.1 Bands shall comprise six ringers fulfilling at least one of the following:

a) at least four are listed under the tower in the Annual report

b) the ringers are a bona fide benefice (or similar) Sunday Service or practice night band.

3.2 a) For the Mitson Shield the test piece will be 240 true changes of any recognised Doubles or Minor Method(s) Opening rounds will not be marked.

or b) For the Lester Brett Trophy call changes of at least eight minutes marked ringing, to include Queens, Whittingtons and Tittums. "Marked" changes start when the first change is made.

ROSE TROPHY

3.3 Bands shall comprise eight members of a district or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

3.4 The test piece will be at least 224 true changes of any recognised Triples or Major method(s), of which only the first 224 changes, excluding the opening rounds will be judged.

4 Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 3.

5 The times of the draws are to be advertised in the 'Ringing World' and each band must have a representative present at the relevant draw.

6 A total of two minutes practice ringing will be allowed before each test piece.

7 In the event of bands ringing Doubles or Triples a cover bell must be used.

8 The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.

9 In the event of a large entry the Ringing Master may choose to shorten the length of either test piece.

10 A reserve ringer, appointed by the Ringing Master, will be available at the Ringing Master's discretion, to bands meeting short.

11 A minimum of two judges appointed by the Ringing Master will be present. Their decision is final.

12 The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.

13 Interpretation of all rules is at the discretion of the Ringing Master.

Foreword from the Chairman

How the year has flown. Another Annual Report is on my desk needing a Foreword; actually a relatively simple task compared with the huge amount of effort that goes into its production by the many contributors; George Reynolds, the Report Editor; with Maggie Ross who has done an excellent job of proof reading.

A foreward often gives an insight to content, but I am not going to steal anybody's thunder, well not to any great extent. Wherever you look in this report you will find success, progress, enjoyment, and contribution to the Guild. Even when looking sadly at the obituaries, you will find the same.

There is detail here describing a huge amount of ringing and non ringing activity, indicative of a successful and forward looking Guild celebrating its art while building for the future. Something we can all be proud of. The Guild Accounts continue to show a sound financial footing. The brevity of this comment is in stark contrast to the amount of work that goes into their production and presentation.

If one thing shines in common from each of the District Secretary's reports it is the participation and enjoyment of so many ringers in the various events held across the County throughout the year.

We are very fortunate to have the expertise and contribution of a number of people, some for a short term, some year in year out. But there remain a number of unfilled posts at district level and at executive level. The GMC is up to strength, while at the time of writing we have two members of the executive about to complete their maximum of five years in office, with no replacements yet identified. Fingers crossed.

A message from Bishop David

Ding dong merrily on high! With your kind help, for which many thanks, the Bells of Suffolk rang out last year for both our Diocesan centenary and the great festivals of our faith, as well marking the steady courses of our lives.

They are a vital and time-honoured part of the texture of our life, speaking of both time and eternity. Each bell rings with its own unique timbre, often known by its own name. But together they weave a pattern and a tune that in full change ringing takes us out to the mathematical extremities of the possible permutations – like the amazing profligacy of life itself – before returning in the end to the point from which it came, resting satisfactorily back (like the ringers!) into a renewed peace.

So here is an avocation (to use an old word) that is also a vocation into which we can be called and through which we can call others. We are given a work-out in body, mind (all that maths!) and spirit – and others are invited to share in it too. Most of that sharing is through listening; but if you are reading this and not already a bell-ringer, are reasonably sound of wind and limb, and are wondering what it would be like to pull a rope and make a merry sound – then do have a word with your local ringers or vicar and give it a try. I think you'll enjoy it.

+ David

Obituaries

Winifred Ivings - Euston

Win, 'Mrs Ivings' was a member of the Suffolk Guild from 1958. She and Henry were very much part of Euston life and together raised the money to rehang and augment the bells there in the early '80's. Win rang 26 peals for the guild and was the NW District secretary and treasurer for two years. Win enjoyed district events, outings, minibus tours and Sunday afternoon ringing at the Norman Tower and ringing for Bury in Bloom judging. Win had spent the last six years in a nursing home at Wickwar and passed peacefully away on 26 April aged 95 years.

Anthony Mitchell - Bardwell

Anthony joined the Bardwell band at the age of 78. He was a wonderful, happy, funny and caring man who relished Wednesday evenings in the tower. He adored bellringing and infused practice night with humour and jollity. He gave his time freely and he took the weekly commitment of service ringing and practice seriously, setting a shining example to the other members of the band. His death at the age of 80 was a blow, but his legacy is a burgeoning band of friends and ringers.

David Moyse - Reydon

Visitors to Reydon tower have frequently been greeted by the lovely Suffolk accent of David Moyse. Living only two fields away from St Margaret's, he was the first ringer to be taught there,when a peal of six was installed in 1996, joining the band who learnt at Southwold and attending regularly until his last short illness. He rang the tenor for several quarter peals, notably one for his 70th birthday with 13 year old grandson Philip (now Ringing Master of Southampton University) on the treble.

David was Steeplekeeper and an active member of the Suffolk Guild Belfry Advisory Committee. Active in the support of the community, his annual slide-show in aid of Reydon's spectacular Christmas lights was always a sell-out and left the audience better informed and chuckling at his anecdotes. He is sorely missed by ringers, his close family and beloved wife Joan.

Roger Peters - Benhall

Born on the 12 Dec 1925 Roger lived his early life at Barking Tye near Needham Market. His father Alfred was tower captain at Barking and would cart young Roger around on the back of his bike, hoping Roger would take up the art, but Roger resented being propped on window sills in the cold - no way was he going to learn to ring.

After leaving school Roger joined the Merchant, then the Royal Navy, serving until the end of the Second World War. Transferring to the Royal Engineers, he rose to the rank of Staff Sergeant and became a qualified Clerk of Works, moving back to Suffolk to become Clerk of Works for the Blyth District Council in Saxmundham and buying a house at Benhall. When Roger's father Alfred died, Roger deeply regretted never having rung with him. Finally in January 1969 Roger and second son Michael came under instruction from Peter

Bedford of Aldeburgh. Roger struggled to acquire rope sight in the early days and rang his first couple of quarter peals entirely by numbers, but he soon progressed.

Roger served as District Chairman and on the GMC. He was Benhall Tower Captain and correspondent for many years and the driving force behind the tower, ringing just on three hundred peals, from Doubles to Royal, including half a dozen handbell peals.

His other talents were drawing, painting, sign writing, making stained glass windows, wood carving, turning, home brewing and making teddy bears. He spoke six languages and his diary entries were in Arabic!

Roger was an unassuming man who led a relatively simple life. He never sought any reward, content that people got pleasure as he did, from the things he did or made. He died on 6th February 2014. Rest in peace you deserve it.

Simon Griffiths - St Mary Le Tower

In the early nineties a young man walked into St Mary Le Tower Belfry; none of us knew him except perhaps by name, because Simon was in the first peal ever of Orion Surprise Maximus. I quote from the Ringing World of March 19th 1982 "The most difficult single method ever attempted - Orion, was rung in Birmingham last week". Orion is still considered as such.

Simon was a Sutton Coldfield man and, happily for us here, was seconded to BT at Martlesham. He became a valuable member of the Tower band - someone who could ring anywhere in the circle and was a fine conductor too. He was not a keen peal ringer although whilst here he rang peals of Maximus in all the standard methods, plus York, Snow Tiger, Queenscliffe and Rochester.

What Simon loved best was a day's outing, good towers, preferably a ratio of 2 pubs to one tower, good company and good conversation. He was a very private man and was devoted to his wife Linda and his son James. His untimely death at 56 was a great shock to us all and we shall miss him keenly. Our sympathy goes out to his family.

Rev Janet Bufton - Winston

Janet followed two of her children, Richard and Sarah, to learn to ring at Debenham in the 1980s. She was a loyal and reliable ringer for several years. She rang quarter peals and enjoyed joining in with outings and other social activities. In the late 1990s she trained as a locally ordained priest for the Debenham and Helmingham benefice. Understandably her ringing had to take a back seat but she was always willing to help out when needed for weddings and services. She loved hearing the bells ring and enjoyed meeting visiting ringers when they visited her home village of Winston, where she remained tower correspondent until she died on 4 May 2014.

Those of us who knew her felt privileged to have been touched by this calm, quiet, spiritual lady who cared so much for her Church and for those around her.

Trustees' Annual Report

The Trustees present their report and financial statements for the year ended 31 December 2014.

Charity
The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The Charity's registered address is Millbeck House, Harleston Green, Shelland, Stowmarket, IP14 3HU. It is governed under a constitution originally registered in 1977 and most recently revised in 2013.

Principal objectives
The purpose of the Charity is to promote and encourage the practice of bellringing within the Diocese of St Edmundsbury and Ipswich, to recruit, train and encourage bellringers in the practice of their art; to cultivate the art of scientific change ringing; and to promote and advise on the preservation of bells in an efficient condition.

Trustees
The Trustees during the period were A F Stanley, G E Slack, and A J Shedden.

Review of Progress and Achievements

Bellringing
It has been another busy year for ringing, restoration, and social activities and we welcome the progress made by learners and young ringers. More ringers have completed teaching training and this should stand us in good stead for recruitment and retention of ringers. The Guild had a high profile in marking the centenary of the start of World War I and in celebrating the centenary of the Diocese. A well-attended AGM incorporated a valuable fringe meeting with guest speakers on the use of handbells in teaching church bell ringing; and an open forum on the Future of Ringing which in turn has led to actions being taken by the General Management Committee to consider how best the Guild can contribute, both financially and practically.

Restoration activities
Our main contribution was to Rattlesden where the restoration of the bells was completed. Smaller contributions were made to Stowmarket, Thurston and Thelnetham. Members of the Belfry Advisory Committee continue to give advice and support, both for routine maintenance and restoration projects.

Guild Finances

Policies
All money in the Guild's funds not required for day-to-day working purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee. Grants from the Restoration Fund are authorised by the Guild Management Committee but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

General Fund
Income to the General Fund decreased by 5% overall, although this conceals increases in some categories and decreases in others. The most notable change was a reduction in subscription income of 10%. Membership numbers have fallen and a further contributory factor is the increasing age profile of our members with more paying the senior rate or becoming free. We are grateful that many such members give a generous donation to the Restoration Fund in lieu of their subscription. Expenditure was virtually unchanged from 2013 although again there were increases and reductions. The Young Ringers raised sufficient funds for the Striking Competition to offset their costs and although this income and expenditure is included in the accounts, they virtually balanced out. Overall there was a small reduction in the General Fund of £162 which was anticipated in the budget for the year.

Restoration Fund
The significant increase in Restoration Fund income from donations and interest reported last year has meant that income this year is down by 20%, especially as interest rates have deteriorated further. Grants made were relatively low again at less than £7,500 but after several years where requests for grants were small, grants of over £21,000 were approved in 2014. As a result, the sum available for allocation to new projects has decreased to £46,600.

Summary
As anticipated, there was a small reduction in the General Fund balance in 2014 and the reduction in subscriptions is a cause for concern. It was encouraging to receive significant funding requests for restoration work after some years of declining activity.

Belfry Advisory Committee

The following have been appointed as a Belfry Advisory Committee to give advice and assistance on all matters connected with rings of bells. No fees are charged but if expenses are incurred and requested they should be paid by the local Parochial Church Council. The Guild Technical Adviser will be pleased to arrange inspections as required.

Belfry Advisory Committee's Report

Winston S Girling

After previously completing 17 years as BAC Chairman I now find myself having almost completed another year with the post of Technical Adviser added on. Because of the ever increasing workload facing myself steps are being taken with a view to appointing District Technical Advisers. This has been discussed both on a District and Guild level and has not been opposed in any way. I will of course still act as Guild Technical Adviser. At the moment we have Jonathans Stevens (NE) Winston Girling (NW) and Neville Whittell (SW) It is hoped that a suitable and willing candidate will be found for the SE in due course. Whilst the Guild wishes I will of course remain as Guild Technical Advisor.

After a great deal of work the Ranald Clouston Reports have finally been digitised. This includes the locations with one, two and three bells. I can now pass on a report (hopefully by email) but they are not being made public because of some of the information contained in them. I am grateful for the help and advice given by other Guild Members. I also organised a sponsored peal which raised enough money to buy an additional odd-struckness meter so that there will be one with Jonathan Stevens and one with myself, covering the north and south of Suffolk.

Restorations continue and Rattlesden were completed during 2014 by Taylors. These have been transformed into an easy going and very pleasant sounding six. Redgrave should have been under way by now, but in spite of planning permission being issued for the work at this redundant Church, the Churches Conservation Trust have stopped things in their tracks by ordering major changes to the proposed restoration. This is a pity because Albert Driver had already left the money for this work in his will. A solution is being sought. Horringer continue to raise money towards a major restoration and there are also moves at St Mary at Quay, Ipswich, to restore the bells. Little Cornard have also expressed an interest in restoration.

In conclusion I would like to thank all the Members of the BAC and others who have helped in any way to keep our bells in order. Thanks also to Jonathan, my very hard working predecessor, for all that he has done and continues to do so.

Ringing Master's Report
Jed Flatters

This year was always going to be about the centenary of the Diocese with peals arranged at some of our less well featured towers to celebrate the year long event. Our planned week long cycling tour around the border, ringing at most of the towers and cycling through the Suffolk lanes also helped us to commemorate the event. We received good support from each of the four districts and the East Bergholt ringers also did their bit to help by demonstrating this unique ring to us. In addition to this, we raised money for Guild funds.

Our Guild Social, hosted by the SW District, was held on a pleasant August evening in the wonderful setting of Hadleigh Guildhall. At one stage it looked as though apathy was going to win but on the night a good turnout made a success of the evening and everyone enjoyed the quiz, raffle, garden games, mini-ring , Guildhall tours and participating in an auction for two radio controlled cars. Richard Finch and his ringers also put on a good barbecue with ample food for all.

The Guild six bell striking competition was held at Ashbocking, a lovely easy going ring. Our judges for the day were Lesley Boyle and Gareth Davies. As is usual for these events we sat them in the churchyard in a quiet corner where they could hear the bells clearly and mark each of the teams as they rang. All went well until the thirteenth team took hold and the tenor rope decided to undo above the sally. A temporary repair saw things running again but crucial time was lost resulting in an unforeseen knock-on effect. Then it was on to the hall for a quick tea and results, the worthy winners of the Mitson Shield being St Mary le Tower whilst Hollesley claimed the Lester Brett call change trophy with a good steady piece of ringing. A mad rush through the lanes took us to Helmingham where a late start was made for the Rose Trophy. Unfortunately time was against us however and were it not for the voluntary withdrawal of the last two teams, the competition would not have been brought to a successful conclusion. The NW District team were judged the winners with a good rendition of Plain Bob Major. The Ridgman Trophy was more local this year being held at Coggeshall. The test piece was a touch of Stedman Caters ably called by Simon Griffiths though it was only good enough to place us fifth, one up from last year.

A good fund raising effort by the young ringers and their supporters raised sufficient monies to enable a team and their 'groupies' to travel to Worcester for the National Youth Contest where again our team rang method and were placed well being beaten by bands that were much more capable but chose to ring rounds and call changes. Monthly young ringer events are being run to improve standards but like all things they need good support if they are to continue, not just from the young learners but also from the more experienced members of the Guild.

It has been a very slow year with restoration work, only two major projects being completed. At Rattlesden the poor going ring of six have been transformed by careful tuning into a pleasant sounding ring that in spite of the long draught respond well. Well done to Dave Ward and his team and thanks to Ruth Suggett for help in submitting the application to Heritage Lottery whose grant made this project possible.

Last year I mentioned Elmsett and I am delighted to have helped install the new treble just before Christmas to make what is a super light ring of five. Well done to all in this project that has taken several years to bring to its conclusion. Although not really restorations we welcome ringing again at Copdock and Ingham where the bells are now in regular use.

Fittingly on St. Edmund's day we received news of the appointment of our new Bishop, the Rev. Canon Martin Seeley. We wish him well in his new post and look forward to welcoming him to future Guild events.

This year saw fewer people ringing Guild peals, a national trend I understand. Even so the following milestones were passed:-

3000	David Salter and 2000 as conductor as well as 1600 for the Guild
1700	Alan Mayle and 950 for the Guild
1000	For the Guild, Katharine Salter
500	Tom Scase
400	Mary Garner
300	George Salter
250	Colin Salter
150	Maggie Ross
100	Clare Veal

First peal congratulations go to 10 year old Richard Stevens.

Quarter peals still feature strongly with Lesley and David Steed and friends pushing the numbers up most weekends and the Scase family doing likewise most Friday nights, whilst in the east, the Pettistree ringers keep plugging away each Wednesday evening with different methods. From the records I note:-

1700	Mike Whitby (and 1300 as conductor)
1200	Lesley Steed and Jo Beever
1000	David Steed
750	Gordon Slack
600	Ruth Suggett
400	As conductor Philip Gorrod
300	Doug Perry
250	Philip Moyse and Richard Brewster
150	Stephen Dawson
100	Richard Walters
75	Clare Veal and Neil Dodge

Whilst I have only noted one first peal this year there are a number of ringers ringing their first quarter: Steve Wilson, Sange Wilson, Alex Brett-Holt, David Ruffles, Catherine Draper, Matthew Rolph, Sal Jenkinson, Gavin Alexander, Clare Goodchild, Tess Styles, Adam Shard Caroline Priestley and Richard Stevens. Well done all of you and hope that these are the first of many.

I apologise if I have missed out any persons or key events.

Secretary's Report
Mandy Shedden

As I write this I am nearing the end of my maximum term of 5 years as secretary and from a physical perspective I can't say with honesty that I will be sad to go. During my time in office it has been a pleasure to write and send letters offering the Guild's financial support to successful grant applicants for the numerous restorations and augmentations that have been completed. It is worrying though that the number of recruits into ringing may not be enough to sustain ringing in the future in Suffolk. Like everyone else, the recruits that stay long enough to become useful members of a ringing band are giving of their time voluntarily and there are many other demands on their time.

The whole structure of the Guild is dependent on volunteers giving of their time from teaching to administration, restoration and maintenance and like many other organisations the Guild is struggling to find willing bodies to take on these roles for the future. Looking at the list of officers both at county level and district level we see the same names in many cases fulfilling more than one role, and whilst this is admirable and we should be grateful for it, it is something that needs to be addressed in the longer term.

Despite this it is pleasing to see the amount of enthusiasm and energy being brought into some areas of the Guild, especially in a county where sustaining recruitment is difficult and the population density is low with a higher proportion of older people who are unlikely to become involved. Suffolk has a high proportion of retired people amongst the membership and many more of us are heading that way, so anything we as a Guild can do to ensure that Sunday Service ringing is maintained has to be welcomed.

Librarian's Report
Abby Antrobus

The main credit for library-related activities this year goes to those who have digitised some of our items. Neal Dodge has been scanning old Annual Reports, and a number are available on the Guild website (http://www.suffolkbells.org.uk/guildreports.php): thanks to him for devoting so much time to making the reports accessible. GMC also commissioned the scanning of Ranald Clouston's unpublished reports, compiled particularly throughout his DAC years. There are over 400 of these, relating to church and secular towers. Alongside recommendations for work, they contain illustrated information on the history and condition of bells and their frames, and are an invaluable resource for research and restoration projects. PDF files are available on request from Winston Girling or me.

A recent addition to the library is Heather Nicholas's campanological and social study, 'The Bells of Rattlesden: A History' - whilst the Guild website documents our recent activities, there is still call for interesting items to be deposited in the Guild library, to be kept either in the Norman Tower, or the Suffolk Records Office if directly relating to the history of the Guild. Our collection is gradually being catalogued (ref. GC522), and whilst mostly it is in Ipswich, staff can transfer items to Bury for viewing.

Public Relations Officer's Report

Richard Munnings

I'll be honest - I haven't been awfully proactive as Public Relations Officer this year for one reason or another!

That's not to say there hasn't been some good publicity out there for the Guild, mainly provided for by BBC Radio Suffolk. They were at Rendlesham's Village Fete on the August bank holiday Monday, as were a band of soggy ringers with The Vestey Ring, and although she was cut off in her prime due to technical problems, Sally Munnings gave an informative explanation of ringing to the Beeb s roving reporter live on air. St Edmund's Day and the Christmas ringing in Ipswich saw us get coverage to varying degrees, with myself being interviewed on the phone for the latter, and whilst I'm not aware that anything was ever broadcast, it is worth noting that Radio Suffolk approached us about what we might be doing for St George's Day having seen it mentioned on our website!

They also gave The Norman Tower's Open Day for the Heritage Day in September a plug, with the East Anglian Daily Times also mentioning this and the Mayor of Sudbury having a go at St Peter's for the same occasion. The newspaper also reported the news of the two bells stolen from the floor of Little Saxham church. Generally though, the EADT and the rest of our local media weren't as responsive as Radio Suffolk. It is a reminder that the best way of getting publicity is off our own back. The Open Day at St Mary-le-Tower in October was the textbook way to hold such an event, and I'm sure others have had similar successes with these - please consider opening your tower to your local community and don't be afraid to ask those who have done the same for tips.

Twitter, Facebook and Awl a'huld offer avenues to reach out to the public and each other, and I try to get across as much as I can through my daily blog on the website. Maybe we should also be looking at Instagram and even Wikipedia? Ultimately though, we are all responsible for the image of ringing when we speak and deal with non-ringers, so please put across the best impression you can. Whether you want me to publicise something or to tell me about publicity you are arranging, then please do not hesitate to contact me!

Webmaster's Report

Chris Garner

The Guild Website now contains over two thousand pages. Information about towers, bells, ringers and events is constantly updated. Photos and snippets of news can be sent to the webmaster for posting on the web site. Richy's Blog is now in its eighth year and is posted daily, generating friendly repartee on Facebook. The Guild also has a Twitter account (@SuffolkBells). Thank you to all those who have made contributions. The Guild email system continues to be used to circulate What's On and news and now contains the email addresses of about 450 members. The addresses are known only to the webmaster and are not published even to other members. If you would like information distributed please email it to the webmaster. A significant number of emails are returned as undeliverable so, if you change your email address, don't forget to let the webmaster know. The system itself has been changed recently. The Guild now uses a free system, MailChimp, instead of a program written by the webmaster. Emails are formatted and include the Guild logo. Members can now unsubscribe using a link in each email.

Directory of Suffolk Towers

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Adviser or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place. The table on the following pages shows details of every ring of four or more bells in the area covered by the Suffolk Guild of Ringers. The following details are included:

District (DIST) NE - North East NW - North West SE - South East SW - South West

Deanery (DNRY)

Bs – Bosmere
Cl – Clare
Co- Colneis
Hd – Hadleigh
Hl – Halesworth
Hx – Hoxne
Ip – Ipswich
Ix – Ixworth
Lo – Loes
Lv – Lavenham
Ml – Mildenhall
Sd- Sudbury
Sm- Samford
St – Stowmarket
Sx – Saxmundham
Th – Thingoe
Wd- Woodbridge
Wb - Waveney and Blyth

Condition of the ring (Cond)

10 Excellent. Ball bearings, modern frame and fittings.
9 Excellent. Plain bearings, modern frame and fittings or ball bearings in old frame.
8 Good going order.
7 Fair going order.
6 Poor going order.
5 Ringable if cleaned up and odd fittings and ropes provided.
4 Rung occasionally. Frame/fittings nearly life expired.
3 Not to be rung mainly because of tower and/or frame arrangement and position.
2 Not to be rung mainly because of frame and/or fittings.
1 Hung dead.
0 Some bells unhung on the ground.

Please note that the classification is based on the condition only at the last date of inspection, and any enquiries or requests for further inspections should be directed in the first instance to the Suffolk Guild Technical Advisor.

The key of a ring (ie the note of the tenor) is given in cents (ie, hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C# -20, and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

Secretary's Report - Chrissy Blunt

The District offered a wide variety of events over the year. The highlights included a well-attended quarterly meeting at Wissett, striking competition kindly hosted by Sweffling, walk and picnic (complete with zip wire and flypast!) and a quarter peal afternoon just over the border in Norfolk.

5th Friday Surprise Major at Halesworth and Beyond Bob Minor at Worlingham specialised practices continued. Whilst attendance fluctuated throughout the year, they still provided scope for learning along with consolidating quarter peal attempts.

In a break from the usual format, a 'Week of Firsts' in August was designed to link in with World War One outbreak commemorations and gave ringers of all abilities the chance to participate. The week provided 38 'firsts' recorded by 19 ringers at 9 towers which is an incredible effort. Thank you so much to all that took part and for making the Week of Firsts a success. We look forward to next year to see what the District Ringing Master has planned!

As a District, we made a concerted effort to support our young ringers once again, and 2014 saw them journey off to Worcester to take part in the Ringing World National Youth Competition and ringing events. It was a fantastic experience for all involved and particularly pleasing as we see our younger ringers go from strength to strength.

Thanks are also due to Jason Busby who stepped down as District Chairman at the end of the year and to Julie Rapior, who after many years, stepped down as District Secretary (although she continues to be District Treasurer). Thank you both for your support of the

Secretary's Report - Ruth Young

The best attended meeting of the year is always our first, held at Bury St Edmunds in January. This gives an opportunity for members of the District to ring on the twelve in the morning, followed by a carvery lunch and then our business meeting. In February and March we held practices at Barrow and Gislingham. In April we held our quarter peal week and the District hosted the Guild AGM at Stowmarket. In May we had an outing to the Soham area: thanks are due to Chris Davies for organising the towers. The District striking competition in June was cancelled due to lack of numbers which was disappointing; on a more positive note the District team won the Guild eight bell striking competition. October brought the ADM also held at Stowmarket. Winston Girling was thanked for all his hard work during his time as Ringing Master; Rowan Wilson was elected to succeed him. We held a practice at Walsham le Willows in November and our Christmas social once again at Rougham in December.

Secretary's Report - Ruth Munnings

2014 was, generally speaking, a well supported and enjoyable year within our District. We began at Henley in January, where approximately thirty members helped learners along towards the end of their Saturday morning practice. In February the District were at Marlesford where, again, ringing was well attended and varied from call changes to Surprise Minor. The quarterly meeting at Hollesley in March saw Ralph Earey chairing his first meeting since taking office and saw around forty members attend throughout the afternoon and evening (despite Richard and me moving house the same day)! This year the District has visited some towers that we had not been to for some time.

In April, we visited Earl Soham and retired to the nearby pub where some of us sampled some of the excellent local ale. Ringing here obviously did some good, as five days later Richard and I welcomed Alfie into the world! Getting used to having a newborn around, you would think that District business could take a back seat for a little while. Think again! May was Striking Competitions month in the district. Our own District competition was at Campsea Ashe, with an excellent bring and share tea following the formalities of the competition. Well done to Pettistree 'Them' and 'Us' teams on winning the method and call change trophies, and thanks to Glenys Fear and David and Gill Twissell for providing tea and coffee throughout the afternoon. Then came the Guild six and eight bell competitions, which were held in our District at Ashbocking and Helmingham. Thankfully, with the exception of a rope repair at Ashbocking and two of our districts teams having to withdraw from the eight bell due to time constraints, both competitions came together in the end. Many thanks must go to all those who helped make cakes and sandwiches for the tea, which was marvellous.

Attendances suffered going into the summer months. Ipswich was the town of choice for the June meeting, with St Margaret's and St Mary-le-Tower being the chosen towers, and around twenty members were present at the meeting and ringing. Though numbers may have been disappointing, it was a good opportunity to ring on ten and twelve for many of those there. Again, there was a select gathering at Offton in July, but a useful practice nonetheless. Once again, August was the quarter peal evening, with quarters being rung at Clopton, Ashbocking and Otley. Thanks once again go to Tom Scase for organising this, and to Kate Eagle for arranging the meal afterwards.

The District quarterly meeting in September (although in August) at Winston and Debenham was well attended, as were the outing in November and the District Annual meeting at Woodbridge in December. October, on the other hand, was not so well attended. Only eight members took part at the practice held at Tuddenham, which is a particularly poor show for the largest district in the Guild. Despite my grumble, this turned out to be a very useful practice for those who went along.

Once again, on the whole, it has been an eventful year for us in the South East, and I hope this continues. I would like to thank all those who has helped throughout the year with organising towers, keys, services and the teas, especially whilst I have been adjusting to life with Alfie. Particular thanks to Richy and our families for their support too. Here's to 2015!

Secretary's Report - Richard Gates

The South West District has had a generally good year. The teaching and training days have been well supported and have helped new ringers to progress and improve their ringing. It is pleasing that experienced ringers are willing to give time to support these sessions.

It is good to see a number of beginners wishing to learn to ring although it would be heartening if more young learners came forward. It goes without saying that the future of the District lies in the hands of those people, who we can encourage to take up ringing.

The more frequent use of the ten bells at St. Peter,s in Sudbury has been popular with both ringers and with the church trustees. However, Sudbury, in common with most of the District, is suffering from a shortage of ringers to provide bands for the three towers.

Thanks to the Hadleigh ringers the District hosted the Guild Social which proved to be a success even though some other District dates clashed. The planned carol service was cancelled because of a lack of support which was disappointing. It is difficult to know if any District activity outside ringing is worth putting on even when some of the ringers activities could be better supported.

All we can do is keep trying to make ringing an interesting and challenging activity for all of us who get so much pleasure from this past time.

Peal Secretary's Report
Christine Knight

Since 2006, when 93 peals were rung for the Guild, annual rises in the peal total had become an almost unbroken trend. This peaked at 155 in 2013, and the 2014 total of 121 is disappointing. The exceptional total of 60 peals at The Wolery in 2013 dropped to 46, and there were also 9 fewer peals at Grundisburgh.The decline in peals on higher numbers and less interest in Peal Week are also contributory factors. There are also relatively few members prepared to take on the, often frustrating, task of organising peals. 2014 was the first year since 1976 that no peals of Maximus were rung for the Guild. There were also no peals of Surprise Royal. Peals were rung in 49 Suffolk towers and just two outside the county, the church of Our Lady and the English Martyrs in Cambridge and Great Bentley in Essex.

Nationally, many peals were rung during the year to commemorate the centenary of the outbreak of the First World War and also to honour individual ringers who had made the ultimate sacrifice. A peal to mark the outbreak of the conflict was rung at Stoke Ash on 7th August. The loss of individual Suffolk ringers was commemorated at their home towers by peals at Great Barton and Wissett. Another focus for peals was the centenary of the founding of the Diocese of St Edmundsbury and Ipswich. Peals were rung to celebrate this at The Norman Tower, Pettistree, Gislingham, Kelsale and, perhaps most notably, Offton, where a peal of 5120 Spliced Edmundsbury and Ipswich S Major was conducted by Stephen Pettman on AGM Day. Appropriately, James Smith had produced a composition containing exactly the same number of changes of each method.

There were several individual peals worthy of note during the year. On 5th January, Wilby was the venue for a peal of 4 Spliced S Major, the very difficult Horton's 4 'all the work' composition of Glasgow, London, Bristol and Belfast. The project was organised by Maggie Ross and half the band came from Suffolk .This was the first performance of the Horton 4 for the Guild, for which the band deserves great credit. Another noteworthy peal was one of Stedman Cinques, rung at St Mary le Tower, Ipswich on 15th February. This was George Salter's first ever touch of Stedman Cinques as conductor and the band contained 5 firsts of Stedman Cinques and 2 firsts on 12. In June, Stephen Pettman's light-hearted response to Central Council rule changes in a peal of 22 methods and 18 blocks at Earl Stonham, was voted by ringers nationwide into the 'Featured Performance' slot on the 'BellBoard' website. Also in June, Katharine Salter rang her 1000th peal for the Guild in a peal at The Wolery, becoming only the fifth person, and the first female ringer, to achieve this landmark. There was just one peal to celebrate the completion of a restoration project. This was rung at Clopton on 11th January, and it was good to see a further 4 peals rung there for the Guild during the year. A very rare visitor to the peal columns was Stansfield, where a peal of Grandsire Doubles on 13th January marked the exact centenary of the only previous recorded peal on the bells, also Grandsire Doubles.

Once again, many trends of recent years have continued. There were regular peals of Surprise Major at The Wolery and Aldeburgh, the latter seeing the 300th peal on the bells for the Guild on 14th December. Surprise Minor also remained popular. There were no fewer than 16 peals of 7 Surprise during the year. At The Wolery, interest in peals of Spliced Surprise Minor continued, leading to 41 Spliced Surprise being rung three times during the year, all conducted by David Salter. Spliced Surprise Major has been a focus of attempts on the front eight at St Mary le Tower, conducted by Brian Whiting. Two peals of 10 Spliced were rung, with three of the band achieving their first of 10 Spliced on 21st May. Stephen

Pettman called 6 peals of a special commemorative length, of which 5 marked special birthdays or anniversaries. In contrast, a 5090 of Yorkshire S Major was rung at Debenham on 10th November to commemorate the 90th anniversary of the first peal of Yorkshire S Major rung for the Guild. Both peals were rung half-muffled on 10th November, the eve of the Armistice.

It is always pleasing to see young conductors emerging. On 29th January, Colin Salter rang his first peal as conductor, at The Wolery. Congratulations must also go to Richard Stevens who rang his first peal, at Monewden, on 1st November, aged just ten. Indeed, several members achieved personal milestones during the year, with 2 firsts on 12, 2 firsts on eight, 2 firsts of Surprise Major and a first of Spliced Surprise Major being recorded. It is a cause for concern, however, that there was only one first pealer. Especially in a rural area, peal ringing provides a vital opportunity to improve striking and gain experience in more complex methods. The diminishing interest in Peal Week is regrettable as it seemed to crystallise the theme of progression early in the year and act as a catalyst for further achievement. Peal Week 2014 generated only 4 peals, the lowest total since its reintroduction in 2007. At its peak, 16 peals were rung during the Peal Weeks of both 2009 and 2010, with a wide variety of 'firsts' achieved. It has also been proved in recent years that age need not be a barrier to ringing a first peal, and it would be good to see a wider cross section of the Guild membership ringing peals. Celebrating a local occasion with a peal can be excellent PR for ringing, and a means of stimulating interest in our Art. I should like to thank David Salter, Brian Whiting and George Reynolds for their hard work on the peals section of this Report.

Minutes of the Suffolk Guild Annual General Meeting held on Saturday 26th April 2014 at Stowmarket

Welcome, Thanks and Apologies
The Chairman, Alan Stanley, welcomed 87 members to the meeting and extended his thanks to the following:

Winston Girling for organising the day; Rev. Raymond Gilbert for presiding over the church service with John Ramsbotham (organist) and Pat wells who operated the public address system; Jonathan Stevens for organising the fringe meeting and Neil Thomas and Rosalind Martin the guest speakers; the team led by Philip Gorrod for the demonstration of handbell ringing; the team led by Josephine Beever who provided the excellent tea.
Apologies from 53 members were recorded separately.

Obituaries
The meeting stood in silence in remembrance of the following members who had passed away during the year-: John Bonney, Alan Smith, Anne Lewis, Michael Daniels, Dennis Frost, Peter Mayle, Martin Turner and Roger Peters.

Election of New Members
The following were elected as new members of the Guild:
Alex Brett-Holt (Woolpit) Proposed by Christopher Moore Seconded by Jed Flatters
Mandy Proctor (Tattingstone) Proposed by Richard Hobson Seconded by David Salter.
Alan Stanley presented the certificates of membership for those recently elected to the Guild.

Minutes of 2013 AGM
The minutes of the AGM held at Stradbrooke on 6th April 2013 were proposed for Adoption by Neal Dodge and John Girt seconded this.
There were no matters arising.

Officers' Reports.
All the officers' reports that appeared in the Annual Report were proposed for adoption by Veronica Downie and seconded by Leslie Steed.

Report Editor
George Reynolds thanked Ruth Suggett and Gordon Slack for their help and support during his first year as Report Editor. He reported that communications with the Diocese were well recieved and resulted in the Report including for the first time, a message from the Bishop. George also highlighted that the report made a record income from advertising.

Magazine Editor
The Magazine Editor Sue Freeman reported that the magazine continued to be well received and she encouraged members to submit photographs with copy for future editions. She thanked Richard Gates for his contribution to the editorial team and also all those involved in the distribution. More advertising is needed to help offset the cost of printing.

Vestey Ring/Handbell Trustee Report
Brian Whiting advised that 3 of the 4 sets of handbells have been used by the Districts and all remain in good order.
The Vestey Ring had appeared at 12 venues during the year and 6 of these were out of the

County. It was already booked for 10 venues for the coming year.
Alan Stanley thanked Brian for looking after the handbells and the mini ring.

Trustees' report.
Gordon Slack added to the report to explain that George Pipe had recently added funds to the Pipe Family Fund
The adoption of this report and the Guild accounts was proposed by Jed Flatters Seconded by Robert Scase.

Central Council Report
David Salter reported that this had been generated and published on the Guild website. Alan McBurnie mentioned that the Ringing Foundation is sponsoring the ITTS and it had been suggested at Central Council that more funds should be added to the scheme's finances. Veronica Downing on behalf of the Ringing trends Committee suggested that regional meetings should be convened to suggest ways of helping to retain ringers outside the church model e.g. after school clubs or youth organisations.

Subscription and Peal Fees for 2015
The GMC recommended to the meeting that no change be made to the level of subscriptions and peal fees for 2014. Rates therefore will be-:
Ringing Member £15.00 Associate Member £7.00
Ringing Member 65-74 £10.00 NRLM £7.00
Members 75 and over Free
Ringing member in full time education £7.00
Peal fee £1.00
David Steed proposed and Maurice Rose seconded that these rates should be adopted.

Election of Officers 2014-2015
The following officers were elected unanimously:

Office	**Officer**	**Proposer**	**Seconder**
Chairman	Alan Stanley	George Pipe	Jed Flatters
Ringing Master	Jed Flatters	Joan Garrett	David Stanford
Secretary	Mandy Shedden	Mary Garner	Alan Stanley
Treasurer	Gordon Slack	David Steed	Lesley Steed
Technical Adviser	Winston Girling	Jonathan Stevens	Chris MacArthur
BAC Chairman	Winston Girling	Jonathan Stevens	Chris MacArthur
Public Relations Officer	Richard Munnings	Ruth Munnings	Kate Eagle
Magazine Editor	Sue Freeman	Richard Gates	Rolie Whiting
Handbell Trustee	Brian Whiting	Ruth Suggett	Ruth Young
Mini Ring trustee	Brian Whiting	Ruth Suggett	Ruth Young
Webmaster	Chris Garner	Richard Munnings	Gill Waterson
Peal Secretary	Christine Knight	Brian Whiting	Maurice Rose
Librarian	Abby Antrobus	Mandy Shedden	Alan Stanley
Report Editor	George Reynolds	Jed Flatters	Alan Stanley

Maurice Rose stood to offer thanks for all the work the officers had put in over the year and the Chairman added that all the officers deserved thanks for the contribution that they make and thanks were due to all those who serve on various committees. The Guild Executives put in a lot of time on matters that mostly go unseen but nevertheless are important for the smooth running of the Guild. In particular he added that Jonathan Stevens had stepped down from office but was unable to be present at the meeting but Alan wanted to acknowledge the fantastic contribution that the BAC has made to so many projects under Jonathan's very capable chairmanship. The personal commitment Jonathan has made in reforming the way things are organised and the introduction of a revised

grants process together with the many hundreds of tower visits and his prompt attention to problems should not go unnoticed.

Election of Trustees.
The re-election of A F Stanley, G E Slack and A J Shedden as Trustees was proposed by Brian Redgers and seconded by Trevor Hughes.

Appointment of Independent Examiner
Gordon Slack proposed and Many Shedden seconded the re-appointment of Larking Gowen as Independent Examiners of the Guild Accounts. George Pipe proposed that a representative of Larking Gowen should be invited to the next Guild Dinner. Alan Stanley seconded this.

Guild Social Event
This will take the form of a general social afternoon on Saturday August 2nd at Hadleigh.

Ringing World National Youth Contest
Neal Dodge reported that a team will be travelling to Worcester to take part in the method competition. 28 young ringers will be going and it is felt that this will help with retention of the younger ringers. He asked for the members to give as much support as possible to the competition band members.

St Edmund's Clapper Competition
The results of this competition that aims to raise funds for the Bell Restoration Fund were as follows-:

Milbeck Ring	£50
Sproughton	£225
Offton	£475

Date and Venue for 2015 AGM
Ralph Earey confirmed that the South East District will host the Meeting on Saturday 11th April 2015.

Any Other Business
In the week commencing 4th August the Ringing Master and his wife will be cycling around the perimeter of Suffolk. Jed invited people to join them to help celebrate the centenary of the Diocese.

Peter Harper raised the possibility of issuing certificates for members who had achieved 50 years membership of the Guild. He asked members to let him know of names of eligible members for presentation during 2015.

Chris Garner asked people to let him know if they found any errors on the website, in particular in relation to tower correspondents.

John Girt reported that the St Nicholas Centre in Ipswich needed repair work to the bells which were rung for many events in the Diocese. There are processes which exist within the Guild to help with this and Winston Girling has agreed to start investigating. David Salter proposed and John Girt seconded that the Guild should approach the Diocese to sort the bells out.

Bruce Waterson asked if anybody could be available to ring at St Lawrence Ipswich on a Wednesday lunchtime as they were short of ringers on some occasions.
The members were reminded of the Veterans Day at Debenham on 9th July 2pm-6pm.

THE SUFFOLK GUILD OF RINGERS
OBJECTS, CONSTITUTION AND RULES – 2014 REVISION

OBJECTS

The Guild shall promote ringing for Divine Service within the Diocese of St. Edmundsbury and Ipswich by:

1 Promoting and encouraging the practice of bellringing.
2 Supporting the recruitment and training of bellringers.
3 Cultivating the art of scientific ringing.
4 Promoting an appreciation of the ringing chamber as part of God's house and encouraging care and attention to its cleanliness and proper equipment.
5 Promoting the preservation of bells in an efficient condition, recommending necessary repairs and renovations and providing reliable information and practical advice on the condition of bells and their fittings.
6 Supporting restoration and / or augmentation.

CONSTITUTION

A. NAME

1 The Guild shall be known as the Suffolk Guild of Ringers for the Diocese of St Edmundsbury and Ipswich.
1.1 The Guild shall be affiliated to the Central Council of Church Bell Ringers.
1.2 The Guild shall be registered as a Charity at Law (Ref.266869).
1.3 The Trustees of the Guild shall be at least three members of the Guild Executive as defined in rule J 13, and shall be elected at the AGM.

B. MEMBERSHIP

2 Membership shall consist of the following categories:
2.1 Ringing Member: A person who can ring rounds, unaided, on a tower bell.
2.2 Associate Member: A person who wishes to support the Guild.
2.3 Life Honorary Member: A Ringing or Associate Member who has given outstanding service to the Guild.
2.4 Non-Resident Life Member: A person qualified to be a Ringing or Associate Member, but who resides outside the Guild's territory and is not a member under 2.1, 2.2 or 2.3.
3 Only Ringing and Life Honorary Members may vote or hold office in the Guild.
4 Churches within the Diocese may be affiliated to the Guild on payment of an annual donation of an amount at least equal to the subscription payable by a Ringing Member aged between 65 and 74.

C. DISTRICTS

5 There shall be four Districts, North East, North West, South East and South West. Towers may move from one District to another with the agreement of both Districts and subject to approval by the Guild Management Committee (GMC).

D. GOVERNMENT

6.1 The President shall be the Bishop of St Edmundsbury and Ipswich.
6.2 A Suffragan Bishop within the Diocese shall be a Vice-President.

6.3 Vice-Presidents elected before 2010 shall hold office for life and shall not be required to pay a subscription.

6.4 A non-member may be elected as a Patron at an AGM. Patrons shall hold office without re-election, but may be removed by a resolution at an AGM.

7 The Annual General Meeting (AGM) or any Special General Meeting (SGM) shall be the ultimate policy and decision-making body of the Guild. The AGM shall be held on the Saturday following Easter or as decided by the GMC.

8 Members shall be elected to the following Offices:

Chairman	Technical Advisor	Ringing Master
Librarian	Secretary	Handbells Trustee
Treasurer	Peal Secretary	Chairman of Belfry Advisory Committee
Public Relations Officer	Report Editor	Magazine Editor
Central Council Reps	Webmaster	Mini Ring Trustee

9 The Annual General Meeting shall appoint an Accountant, who is not a member of the GMC and need not be a member of the Guild, to act as Independent Examiner in accordance with The Charities Acts.

10 The following Committees shall be formed:

The Guild Management Committee (GMC), to co-ordinate Guild activities and publish a printed Annual Report and Accounts. It shall recommend the levels of subscriptions, peal fees, other methods of raising capital, authorize expenditure from Guild funds and may organize general meetings, ringing and social activities.

The Recruitment and Training Committee (RTC), to co-ordinate training and recruitment.
The Belfry Advisory Committee (BAC), to advise and assist on all matters connected with rings of bells. It shall maintain an up-to-date directory of towers, listing the condition of all Church bells in the Diocese.

E. FINANCE

11 All money in the Guild's funds not required for normal working purposes shall be invested or deposited by the Treasurer as may be directed by the GMC.

12 All cheques shall bear the signature of the Chairman, Secretary or Treasurer.

12.1 Any cheque greater than a limit set by the GMC shall bear the signatures of two of the above.

13 The expenses listed in Rule K16 shall be paid out of the General Fund.

14 The interest received on the Jubilee Fund shall be transferred to the Guild Restoration Fund. The capital element of the fund shall be retained intact.

15 Grants from the Restoration Fund shall be authorised by the GMC but shall only be paid after the work has been approved by the Guild Ringing Master and the Technical Adviser. Grants will normally be offered for work to restore bells and their fittings for full-circle ringing, but may include augmenting and other ancillary work associated with any such project.

16 The St Peter's Sudbury Fund shall be used for running expenses and minor repairs and refurbishments to St Peter's bells and fittings.

17 The Library Fund shall be used for the purchase and repair of books and other items for the library.

18 The Handbell Fund shall be used for the repair, maintenance, renovation or augmentation of the Guild's handbells.

19 The Pipe Family Trust Fund shall be used for the encouragement of beginners in the art of change ringing in the Suffolk Guild. The fund will be administered by the Guild executive.

20 The GMC may establish further funds and shall specify the aims and objectives of such new funds.

21 The GMC may transfer sums from the General Fund to any specific funds and, if the

purposes of the specific funds cease to exist, close these funds and transfer the balance to the General Fund.

22 The GMC shall recommend the proportion of peal fees, subscriptions of Ringing and Associate Members and Non-Resident Life Membership fees which shall be transferred annually to the Restoration Fund from the General Fund.

F. RECORDS AND HANDBELLS

23 All peals rung for the Guild and a summary of other peals and quarter-peals rung in the Diocese shall be published in the Annual Report.

24 The Librarian shall maintain an up-to-date inventory of publications owned by the Guild and the secretary shall maintain an up-to-date inventory of other Guild assets.

25 The Handbells Trustee shall maintain the handbells in good condition and shall make recommendations for their repair to the GMC.

G. GENERAL

26 The Constitution and Rules may only be amended at an Annual or Special General Meeting of the Guild.

26.1 Fourteen days' notice of any proposed change to the Constitution and Rules of the Guild must have been provided to members through the Ringing World and the Guild website.

26.2 Any change must be approved by at least two-thirds of those present and voting and shall take effect from the date given in the proposal.

26.3 No amendment shall be authorized which shall have the effect of the Guild ceasing to be a Charity in Law.

27 In the event of dissolution of the Guild any assets remaining after the satisfaction of all its debts and liabilities shall not be paid to or distributed among the members of the Guild but shall be given or transferred to such other charitable institution or institutions having similar Objects to the Guild.

GUILD RULES

H. ELECTION OF MEMBERS AND SUBSCRIPTIONS

1 Ringing and Associate Members may be elected at any meeting by a majority of those present when proposed and seconded.

1.1 A member may belong to only one District, normally the District under which the member is shown in the Annual Report.

2 Subscriptions are due on election and thereafter, in advance, on January 1st each year and shall be set at the preceding AGM, or a SGM. If a change in subscription has not been passed the existing rate shall continue.

2.1 No member shall be entitled to be heard, vote or hold office if subscription for the current year is unpaid.

2.2 The subscriptions of members elected during or after October shall cover the remainder of that year and the whole of the following year.

2.3 Persons in full time education and members over 65 years of age shall pay a reduced rate of subscription. Members over 75 years of age shall pay no subscription.

3 Life Honorary Members may only be nominated by the GMC or a District and shall only be elected at a Guild AGM after their nomination has been approved by the GMC. No further subscription is payable after election.

4 Ringing or Associate Members may, on leaving the Diocese, inform the Guild Secretary that they wish to become Non-Resident Life Members. No subscription is payable during the period of non-residence.

5 A person resident outside the Diocese who wishes to be associated with the Guild may be elected a Non-Resident Life Member. A one-off subscription is payable by such members. Any Non Resident Life membership ceases if the member takes up residency within the Diocese.

6 For the purposes of peal ringing, new members may be provisionally elected in the belfry. Membership is subject to confirmation at a meeting of the appropriate District in the case of a Ringing Member or at a meeting of the GMC in the case of a Non-Resident Life Member. If election is not confirmed the subscription shall be refunded.

7 Any member failing to conform to the Objects and Rules of the Guild may be expelled by the GMC which shall report the matter to the next Annual General Meeting. Such a member shall forfeit any payment made to the Guild.

I. ELECTION OF OFFICERS

8 All Officers shall retire at the Guild's AGM but shall be eligible for re-election. The Chairman, Ringing Master, Secretary and Treasurer shall not serve more than five consecutive years in one post.

8.1 Nominations may be made in writing to the Guild Secretary or orally at the AGM providing they are proposed and seconded.

8.2 If more than one nomination for any office is received election shall be by paper ballot, the successful candidate being the one with the highest number of votes. In the event of a tie the Chairman shall have a casting vote.

8.3 Central Council Representatives shall be elected, in accordance with the rules of the Central Council, during the second year of the triennium at the AGM of the Guild.

J. COMMITTEE STRUCTURE

9 The Guild Management Committee (GMC) shall consist of the Guild Chairman, Ringing Master, Secretary, Treasurer and Chairman of the Belfry Advisory Committee, and up to five members from each District, elected in accordance with Rule 20.

9.1 Four members of the Committee shall constitute a quorum.

9.2 The Chairman shall chair all Guild and GMC meetings. In his/her absence the chair shall be taken by the Ringing Master or in his/her absence by a person elected by the meeting.

10 The Recruitment and Training Committee (RTC) shall consist of the Guild Ringing Master as Convener and two members from each District.

11 The Belfry Advisory Committee (BAC) shall consist of the Chairman BAC, the Technical Adviser and such members as they may co-opt. Members shall be approved by the GMC.

12 Each Committee in Rules 9, 10, and 11 shall meet at least three times a year.

13 The Guild Executive shall consist of: of the Guild Chairman, Ringing Master, Secretary, Treasurer and Chairman of the Belfry Advisory Committee. The Executive shall take such emergency decisions as may be required before it is practical for the GMC to meet. They shall also make a temporary appointment until a General Meeting can be convened if a Guild Office becomes vacant between AGMs.

14 The GMC may convene sub-committees and shall determine their terms of reference, powers, duration and composition. All acts and proceedings of any such sub-committees shall be reported back to the GMC as soon as possible.

15 The GMC may request the attendance of other officers or members as may be required.

K. EXPENSES

16 The following shall be paid by the Treasurer out of Guild funds:
- The cost of printing the Annual Report and any other publications authorized by the GMC.
- The expenses of Guild Meetings (including District).
- Stationery, postage, telephone, notices of all meetings and other incidental expenses.
- Guild insurances.
- Central Council fees and reimbursement of Representatives' expenses attending each Council meeting, not exceeding the second class return rail fare and a subsistence allowance as may be determined by the GMC.
- Such other expenses as the GMC may authorize.

L. PEAL RECORDS

17 All peals rung for the Guild must conform with the decisions of the Central Council. All those taking part must be members of the Guild.

18 Conductors shall forward the following to the Peal Secretary as soon as possible and not later than 15th January the following year:

a) The names, addresses and subscriptions of any Non-Resident Life Members elected in the belfry.

b) The appropriate peal fees.

c) Compositions for peals of Triples and above and of such other peals as the Peal Secretary may request. Money received for items (a) and (b) shall be passed to the Guild Treasurer.

M. DISTRICT RULES

19 Each District shall hold an Annual General Meeting during the last quarter of the year for the purpose of receiving a report from the District Committee for the year, election of Officers and arranging activities for the year beginning the following January. Members may vote or stand for Office only in the District through which they exercise membership in accordance with Guild Rule 1.

20 The following Officers shall be elected annually: Chairman, Ringing Master, Secretary/Treasurer, Magazine Correspondent, two members to serve on the RTC and up to five members to serve on the GMC.

20.1 A District may elect additional Officers as required to assist in the running of the District.

20.2 The District Officers shall form the District Committee, which shall be responsible for the efficient management of the District's affairs and shall report to the Annual District Meeting on the year's work.

21 The District Secretary and/or Treasurer shall:
- Collect all subscriptions and other moneys due and forward them to the Guild Treasurer.
- Submit a statement of accounts to the Guild Treasurer by 15th January.
- Submit a directory of tower correspondents and ringing times and a list of members to the Report Editor by 15th January.
- Submit a statement, to the Guild Secretary, of all members qualifying for inclusion in the insurance scheme by the Guild AGM.

22 The District Magazine Correspondent shall report on District activities for the Guild Magazine, the 'Ringing World' and local newspapers.

REGULATIONS RELATING TO THE SUFFOLK GUILD HANDBELLS

1 The Suffolk Guild Handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four distinct sets of handbells:

25 bells by Taylors	size 20 in C (2 chromatic octaves)
16 bells generally by Shaw	size 19 in F (diatonic 13 + 3 semitones)
13 bells by Warner	size 20 in E (diatonic 12 + 1 semitone)
13 bells by various founders	size 20 in F (diatonic 13)

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by another member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are re-turned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that committee.

THE MITSON SHIELD, LESTER BRETT TROPHY AND ROSE TROPHY STRIKING COMPETITIONS RULES:

1 The competitions shall take place on date(s) decided by the GMC.

2 All Ringing Members and Life Honorary Members of the Guild may compete providing their subscriptions are paid.

3 The Mitson Shield, Lester Brett and Rose Trophies shall be competed for as follows: Mitson Shield and Lester Brett Trophy

3.1 Bands shall comprise six ringers fulfilling at least one of the following:

a) at least four are listed under the tower in the Annual report

b) the ringers are a bona fide benefice (or similar) Sunday Service or practice night band.

3.2 a) For the Mitson Shield the test piece will be 240 true changes of any recognised Doubles or Minor Method(s) Opening rounds will not be marked.
b) For the Lester Brett Trophy call changes of at least eight minutes marked ringing, to include Queens, Whittingtons and Tittums. Marked changes start when the first change is made.

3.3 Bands shall comprise eight members of a district or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

3.4 The test piece will be at least 224 true changes of any recognised Triples or Major method(s), of which only the first 224 changes, excluding the opening rounds will be judged.

4 Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 3.

5 The times of the draws are to be advertised in the Ringing World and each band must have a representative present at the relevant draw.

6 A total of two minutes practice ringing will be allowed before each test piece.

7 In the event of bands ringing Doubles or Triples a cover bell must be used.

8 The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.

9 In the event of a large entry the Ringing Master may choose to shorten the length of either test piece.

10 A reserve ringer, appointed by the Ringing Master, will be available at the Ringing Master's discretion, to bands meeting short.

11 A minimum of two judges appointed by the Ringing Master will be present. Their decision is final.

12 The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.

13 Interpretation of all rules is at the discretion of the Ringing Master.

Foreword from the Chairman—Alan Stanley

I had an early sight of the reports from officers of the Guild so that I could put together some introductory notes, then found that rather than reading them for the purpose of producing a foreword, I was devouring the content and marvelling at the amount of effort and energy that our officers and so many other members put into this Guild.

Jed Flatters, our Ringing Master writes his final report in that capacity as he will complete his maximum allowed five terms this coming April. Whilst I strive not to single out individuals it would be remiss of me not to record, on behalf of the Guild our thanks to Jed for his massive contribution. And well done to those ringers who Jed names as having achieved personal milestones. From first quarters to four figure pealers and all those in between.

In a similar vein I would like to record our thanks to Richy Munnings as he completes his final of five years as the Guilds Public Relations Officer. A role he stepped into immediately following five years as Master. During his term as PRO, the Guild has very successfully embraced modern media as well as maintaining a presence in traditional media both broadcast and published.

This year's report contains the first report from our Membership Secretary, Mary Garner. The GMC made this new appointment in June, Mary having taken the lead in defining the role. It will strengthen and streamline Guild management over time as well as meeting the needs of HMRC with reference to Gift Aid. While on the subject of the GMC, I should also mention the introduction of a fast track process to provide funding for training with its particular emphasis on our younger ringers. This has taken a time but it stems directly from the open forum that was held after the formal business of the AGM at Stowmarket in 2014.

Guild membership shows a slight decline in numbers again, and this is something which we must find a way of addressing if we are to continue to play the very full role in Suffolk ringing that has been our privilege over so many years.

The Belfry Advisory Committee have had another busy year. I read that, amongst many other things Elmsett bells are now finished and remember fondly those Saturdays spent charging all over the County trying to get all twenty towers open on the day as a fundraiser.

The Annual Report itself is a mammoth task and my thanks go to Michelle Williams for her contribution as compiler and editor, and also to all contributors. I should also record our thanks to our advertisers whose continued support makes funding our report that little bit easier.

There is a huge amount more in these pages that illustrates commitment, energy and just the pure enjoyment of ringing. Recognition and thanks are due to so many of you. Enjoy the report; enjoy your ringing.

Obituaries

Matthew Warner - Stowmarket

Matthew's death came as a great shock to the Stowmarket ringers and to many other ringers in Suffolk. He was a single man and in 2012 he lived quite close to the church in Stowmarket. One Sunday morning he came up to the ringing chamber and introduced himself and asked if he could join us. He had not rung for a while, but had learnt to ring in the Great Ashfield area some years before. From that day he became a regular Sunday Service ringer and also joined the Suffolk Guild of Ringers.

Matthew came with us to ring at towers around Stowmarket which he enjoyed very much and soon became very popular wherever he rang. Everyone will remember his cheerful personality and ability to put people at ease. He was held in high regard by everyone that he met. If we saw him in town, he would wave and always come across to have a chat. He adored animals and had a rabbit, various cats and other pets.

This young man was taken from us in the prime of life, but our memories of him will never die. Rest in peace.

Benedict Powell - Theberton

Ben was a native of Suffolk, the youngest of seven children born near Ipswich. He lived much of his early life around Theberton and Walberswick and remembered as a child watching the Zeppelins and witnessed the R48 coming down.

On his retirement, Ben learnt to ring under the guidance of Trevor Hughes and quickly became the Tower captain at Theberton where he rang well into his nineties. A quarter peal was rung to celebrate his 100th birthday which he took great pleasure listening to from his garden, a celebratory glass of bubbly in hand and surrounded by his numerous family and friends. The bells were rung half muffled at his service of Thanksgiving on 7th November 2015.

Jack Bennett - Beccles

Jack moved to Beccles about 50 years ago and rang with Eddie Goate and with fellow-Lancastrian Barry Pickup. He became a very experienced bell handler and ringer. His engineering background was invaluable to Beccles, and Jack was steeple keeper for over 30 years. With assistant David Ellis he faithfully greased the bearings fortnightly until the restoration in 2012, replacing plain with ball bearings, rendered the job unnecessary.

He was a devoted family man, enthusiastic Scottish dancer and a great fundraiser, both for the local May centre and for the bell restoration, enlivening many a bell ringers' dinner with a quiz. He gave up attending practices as his health declined but maintained service ringing as long as he was able. He is much missed, both by his family and by the Beccles Company of Ringers.

Mike Warren - Hadleigh

Mike Warren was taught to ring by David Culham in 1964 at Little Horkesley. He was not the first ringer in his family as his father Harry and Uncle Arthur were already ringers. He remained a regular ringer at Little Horkesley until he moved to Suffolk. He rang his first quarter peal at Wormingford on 5th November 1964 and his first peal shortly after on 24th April 1965 at Shrub End, Colchester. Whilst living in Essex he also rang at Bures, Wormingford, St Leonard's at the Hythe Colchester, Stratford St Mary and Higham.

In the 1980s he attended the monthly eight bell practices at Stoke by Nayland and Hadleigh. His last peal was 7th September 1986 at Stoke by Nayland, rung by members of the Friday night practice band to mark the donation of new ropes. By the early 1990s Mike was attending practices at Grundisburgh and in late 1996 he helped train a new band for Stutton, remaining a regular ringer there until shortly before his death.

Mike only rang 13 peals: he much preferred quarter peals or outings. He was a member of the Essex Association, the Suffolk Guild and the Open University Society of Change Ringers. His favourite method was Double Norwich Court Bob Major and he regretted that it was not more popular. Mike died peacefully at home on Good Friday with his family around him, a week after his sixty-ninth birthday. He leaves behind his second wife, Jenny, and his two sons by his first marriage, Nicholas and Jeremy.

The Right Reverend Clive Young, the Venerable Terence Gibson and Dr John Blatchly M.A. MBE

In 2015 we lost three distinguished 'non-ringers' - scholars theologians and much more; Bishop Clive, Archdeacon Terry and John. These eminent men were enthusiastic about bells and ringing and each in their way supported the Suffolk Guild. Dedications preachments, history and archival work, all three in the calling contributed much to our social and spiritual lives. We thank them for their friendship and all they achieved. May they Rest in Peace and Rise in Glory and enjoy the ringing in the Heavenly Belfry, not made with hands.

Sal Burrows - Pakenham

Sal (Cynthia) was already an accomplished ringer when she moved to Pakenham with her family, having learnt to ring in her teens, at Eastington in Gloucestershire. At that time, Pakenham bells had been silent for years, but with the help of Harold Culpin (deceased) and Maurice Rose, she started a new band of ringers.

All of her six peals were rung at Pakenham, the first, most notably after the re-hanging of the bells in 1993. A few years later, she was instrumental in the augmentation to six. On the 1st of July 2000, she rang in the first peal on the bells as a six.

Sal was tower captain at Pakenham for many years where she continued to help young ringers progress and maintained weekly practices on Friday evenings. She also rang in many quarters of both plain and surprise methods until her health began to deteriorate. Sal passed away peacefully on the 1st January 2016. She will be greatly missed by the Pakenham ringers together with all those who had the pleasure of meeting and ringing with her.

Trustees' Annual Report

The Trustees present their report and financial statements for the year ended 31 December 2015.

Charity

The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The Charity's registered address is 2 Fredellen, Upper Street, Witnesham, Ipswich, IP6 9EW. It is governed under a constitution originally registered in 1977 and most recently revised in 2013.

Principal objectives

The purpose of the Charity is to promote and encourage the practice of bellringing within the Diocese of St Edmundsbury and Ipswich; to recruit, train and encourage bellringers in the practice of their art; to cultivate the art of scientific change ringing; and to promote and advise on the preservation of bells in an efficient condition.

Trustees

The Trustees during the period were Chairman: A F Stanley, Treasurer: G E Slack (to 11th April 2015); O P Claxton (from 11th April 2015), Secretary: A J Shedden; (to 11th April 2015); Revd C Melville (from 11th April 2015).

Review of Progress and Achievements

Bellringing

Although the peal total for the year is down on 2014, there has been an increase in the number of quarter peals rung. The quarter peals covered a wide range of methods, from Doubles to Maximus, involved a diverse range of towers and ringers, and benefitted all who took part. The Integrated Teacher Training Scheme (ITTS) continues the established training programme. Those who have participated agree that it is a valuable aid to the teaching and instruction of beginners, and a skills investment for the future.

Restoration activities

Our main contributions were to Wickham Market and Elmsett, with other contributions to Halesworth, St Mary le Tower Ipswich and Stoke Ash. Members of the Belfry Advisory Committee continue to give advice and support, both for routine maintenance and restoration projects. On 4th July a 'Maintenance Get Together' was held at Long Melford and well attended by Guild Members, with rope splicing and general routine maintenance of bells and their associated gear being demonstrated.

Guild Finances

Policies

All money in the Guild's funds not required for day-to-day working purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee. Grants from the Restoration Fund are authorised by the Guild Management Committee but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

In order to respond to the short term need to provide financial support to training activities the General Management Committee (GMC) have introduced a process to enable grants of up to £50 to be made immediately, at the discretion of the Ringing Master, and grants of up to £500 to be made within seven days at the discretion of the Guild Executive. In both cases subject to appropriate records being kept and presented to the GMC.

General Fund

Income to the General Fund decreased by 11% overall, although, as is always the case, some categories have increased, others decreased. Subscriptions were 1% higher than 2014, although this amounted to just £94 in total. A notable change was a 33% reduction in peal fees, obviously the result of fewer peals rung. Also, in the 2014 income account is £984 raised through 'Young Ringers Fundraising'. This was to cover specific expenditure, which if removed leaves a difference in incomes between the 2014 and 2015 of just £58 Expenditure was 28% less than in 2014. Again, some categories saw increases, some decreases and some very little change. Most of the difference arose from the absence of expenditure on digitisation of tower records and the Ringing World National Youth Contest. Overall there was a small increase, of £482, in the General Fund.

Restoration Fund

The Restoration Fund income, compared with 2014, is down by 20%. With the exception of interest received, which increased by £14, or 2%, income from all other categories has declined. Just two grant applications, for a total of £1800, were made and approved in 2015, the lowest for many years. As a result, the sum available for allocation to new projects has increased to over £53,000.

Summary

In 2015, there was a small increase in the General Fund balance and a small, but not significant, increase in subscriptions. Funding requests for restoration work was the lowest since before 2011.

Belfry Advisory Committee Report—Winston Girling

The Committee met in February, June and October, and 2015 was once again a busy year. A number of grant aided bell restorations/augmentations have been ongoing and your Committee worked at various towers to keep the bells in order. In July, a successful Maintenance Seminar was held at Long Melford and others will be arranged as soon as practicable.

Elmsett are now finished – a glorious little five and all down to the hard work and determination of Crawford Allen. The work at Wickham Market has been completed by Taylors and with local help are now ringing again. At Stoke Ash a large oak supporting beam had rotted at one end. Committee members spent many hours there fitting a steel beam to cleat and support the frame supports and these bells can now be rung normally again. We also removed all the clappers at Lavenham and these have been re-bushed and re-profiled with some new metal work and replaced and striking adjusted. The 137 steps to the bell chamber will be well remembered here. Thanks to all who helped.

At Palgrave we removed and reamed tight clappers. Despite Planning Permission being granted and many reports and visits at Redgrave, the C.C.T. have refused to allow a steel frame for nine bells to be erected at the present level. This was in spite of a scheme which went to great lengths to ensure the careful preservation of the present wooden frame and Albert Driver's will which specifically asked for augmentation.

Now the present wooden frame is to be repaired at huge expense and to have six bells only put back. This is a huge disappointment for Suffolk and Norfolk ringers and also the Redgrave Church Heritage Trust.

Little Cornard are still keen to progress and Whatfield (2 bells) have expressed an interest in restoration and augmentation. Proposed restorations at St Margaret's Ipswich, and Horringer are moving nearer. The bell frame has been de-rusted and painted at St Mary le Tower, Ipswich, and the front eight clappers replaced, all with local help. This was a mammoth task and the result is impressive.

At our last meeting we discussed the problems associated with retaining old wooden frames. Preservation issues together with an unfortunate tendency to generalise have not helped and it is clear that we do collectively require more information on those that presently remain in Suffolk towers. I am sure that all our metal frames will one day be historically interesting and worthy of the same degree of preservation.

Thank you to all our Members and helpers who have worked so hard and I apologise if I have missed anything out.

Ringing Master's Report -Jed Flatters

Three major events feature this year with the 800th anniversary of the signing of Magna Carta putting Bury in the spotlight as the original meeting place for the barons. A number of peals were arranged to celebrate this. Peals were also arranged to commemorate the 200th anniversary of the Battle of Waterloo and special mention should be made of the peal of Waterloo Bob Triples on the 1815 octave at Helmingham. Finally we celebrated Queen Elizabeth II becoming the longest serving monarch.

Our AGM was held at Felixstowe on 11th April and saw George Pipe mount a display of ringing memorabilia in the nearby Masonic Hall. This proved to be the collection of a lifetime with something of interest to all ringers, some of whom travelled many miles to see the artefacts.

This year we had a slightly different format for the Guild striking competitions, holding the six bell competitions in the morning at Rattlesden followed by lunch and results. Our judges for the day were Phillip Wilding and David Pipe helped by Alfie and Henry. After a quick ring, they were safely hidden around the back of the church and plied with tea, coffee, squash and biscuits whilst they got to work marking each test piece.

Good weather saw most people gathered in the churchyard to listen to each of the teams as they rang. Tea and coffee was provided by the catering team who at the same time were putting together an excellent meal. As the ringing finished we descended on the hall and in no time had demolished the food. Following this the results were given with suitable comment on the quality of the ringing as appropriate. The Lester Brett call change trophy was claimed by Rendham & Sweffling with a good steady piece of ringing whilst the Mitson Shield was retained by St Mary le Tower.

A scenic drive through the SW lanes then took us to Lavenham for the Rose Trophy. Here, six teams attempted to do justice to the fine octave. St Mary le Tower were adjudged the winners for their steady test piece of Grandsire Triples.

The Ridgman Trophy was held at Wisbech this year with the test piece being a half course of Cambridge Surprise Royal. We made the best of our practice session by ringing one test piece with some pace and the other more sedately and agreed that the slower approach was right for this slightly awkward ring. The judge for the day, David House, judged that all teams had rung the bells far too slowly for their weight but then confessed to have never rung on them! He then gave his results placing us second to The Ely DA, a good result which can hopefully be built on next year.

On the restoration front, I have been directly involved by helping with site work at St Mary le Tower in preparation for the professional descale and repainting of the two massive bell frames. I was also pleased to check over work at Wickham Market which has made these bells so much easier to ring and much safer to access. I also checked over the new sound proofing system fitted into the louvres at Halesworth and saw work completed by the Belfry Advisory team at Stoke Ash.

The trend of fewer people ringing guild peals has unfortunately continued and our total this year is the lowest in years; nonetheless we rose to the challenge set by the Central Council and contributed to their target of getting 300 people to ring their first peal in the year. I am very pleased to be able to congratulate our eight first pealers and the bands that helped them to do this. Well done to:-

Ruth Eyles, Adam Shard, William Lloyd, Kevin Ward, Peter Davidson, Matthew Kemsley, Matthew Rolph and Malcolm Westrup.

Other peal milestones are:-

1750 Alan Mayle

1500 Mary Dunbavin, and 900 for the Guild

350 George Salter

Lesley and David Steed continue with their quarter peal adventures into the standard 41 Surprise Minor methods, whilst, in the East, the Pettistree ringers keep plugging away each Wednesday evening with different methods totalling 74 quarters this year.

From the records, I note the following personal quarter peal milestones:-

1500 Lesley Steed

1300 David Steed

1250 Mary Garner

1000 Peter Harper

475 Pam Ebsworth

450 Paul Ebsworth

400 Stephen Dawson

150 Neal Dodge

A number of ringers rang their first quarters:-

Aisha Gilbert, Carina Winget, Ben Williamson, Steven Tye, John Massey, Zoe Wright, Julie Brown, Emma Goodchild, and Peter Stock . Well done to all of you and I hope that these are the first of many.

I apologise if I have missed out any persons or key events.

So it would appear that things have taken a downturn in the peal ringing department in terms of the number scored, but have shown a healthy increase in terms of newcomers. Quarter peal totals are down too. Many guilds are showing large falls in membership whilst we, at the moment, retain good levels. We cannot be complacent however and will need to ensure that all guild members are encouraged to take part in guild activity be it meetings, practices, social events, striking competitions or training events in order to boost attendance levels and ensure that our towers are “manned” for Sunday service ringing and local practices.

Secretary's Report - Rev Carl Melville

A report like this seems a difficult task as I haven't been secretary for long. Thank you to those who have helped me settle in this role and to those who will continue to help and guide.

The GMC continues to meet regularly, each time with a full agenda and good representation from the districts. The GMC continues to receive and discuss grant applications, ringing matters, finance, events, training, and competitions. It is also trying to improve communication between the various groups, events and meetings that are held. The magazine, website and What's On remain excellent tools to help us too.

Mary Garner's new vision, upheld by the GMC, to welcome new members is an initiative we should adopt and encourage. New members are, of course, vital for the Guild's future and the welcome and training of them is an essential part of the Guild's DNA.

Winston Girling and I are looking at revamping the Parish Affiliation Scheme, which brings in a steady annual income for the Guild. We would like to have more churches on board with us. On this note, we mark Sal Burrow's life and contribution to ringing and to the scheme as she sadly passed away at the turn of the new year.

I am looking forward to the Guild AGM this year and I will be trying to attend some of the district meetings as and when I can. Best wishes for the ringing year ahead.

Librarian's Report - Abby Antrobus

This year Neal Dodge has continued to scan old Annual reports for addition to the website – thanks again are due to him. In other library news, George and Diana Pipe are now looking after the two handbells from the Stradbroke ring of handbells (1910 and 1913), in view of Gillian and Bruce Wakefield's upcoming move – I'd like to take the opportunity to thank Gillian again for her years of work with the library. I have a batch of items ready to take to the Records Office to keep our collection 'live' (Annual Reports, and magazines), and the past year's batch of Ringing Worlds have been donated by John Girt and are in the Norman Tower with the rest of the collection – the mezzanine floor is as expected proving a dry and ideal storage area.

This year we have added to our collection 'The Bells Told: The story of ringers and ringing at St Peter Mancroft, Norwich' by Maureen Cubitt – do get in touch if you'd like to borrow it for a read (or available from the website, mancroft.bells.co.uk for £10 and postage and packing, with proceeds to the Mancroft 300 appeal). I also have a collection of the Friends of the Central Council Essays and newsletters, including the most recent issues not yet available online at http://www.cccbr.org.uk/library/.

Membership Secretary's Report - Mary Garner

I was appointed Membership Secretary by the GMC in October 2015 and would like to thank everyone for the magnificent response to updating membership information. Let me reassure you that this information will remain confidential.

If you move house, change your email address, wish to be added to or removed from the Gift Aid register etc., please let me know by contacting me by phone on 01728 746097, or membership@suffolkbells.org.uk Thank you again for your support.

Public Relations Officer's Report - Richard Munnings

My final year as Guild Public Relations Officer has been remarkably similar to many other years that I have been in the role. I got little response from our local newspapers, though others did, such as the ringers of St Margaret's in Ipswich who appeared in the East Anglian Daily Times in October to announce their stage one bid to the Heritage Lottery Fund to fund the project to move the bells and the ringing chamber down the tower was successful.

BBC Radio Suffolk was generally more forthcoming and most notably when they hosted George Pipe, handbell ringers Colin Salter, George Salter and George Vant and myself (plus Mason!) to promote GWP's exhibition of his tremendous collection of ringing memorabilia at April's AGM in Felixstowe. The event itself was a huge success and generally gave ringing and the Suffolk Guild some brilliant, positive PR.

Our local BBC radio station also gave the ringers of The Norman Tower in Bury St Edmunds some great coverage for their ringing for St Edmund's Day on 20th November, Lesley Dolphin also interviewed me to advertise the Christmas ringing in Ipswich and Jonathan Williamson was interviewed a couple of times over the year, with ringing featuring prominently and explained fantastically by this Ipswich ringer.

Awl a'huld continues to be displayed in churches throughout the county, offering an insight to the public of what we do, whilst the website, my daily blog, the Facebook page and Twitter feed give us a window to display our wonderful hobby.

Generally ringing not just here but across the country is getting far more publicity, with a greater number of outlets to showcase our art as was shown so successfully by our neighbours in Norfolk with the Mancroft 300 Appeal, but it is important that we all take the opportunity to promote ringing to non-ringers, even if it just comes up in conversation.

Finally, I'd like to thank those who have highlighted events in our ringing and those who have promoted Suffolk ringing not just in 2015 but since 2011 when I first took on the role, as well as to Ruthie, Mason and Alfie for their patience whilst I have been engrossed in PR business! I hope my successor gets the same support.

Webmaster's Report—Chris Garner

The Guild Website now contains over two thousand pages. Information about towers, bells, ringers and events is constantly updated. Photos and snippets of news can be sent to the webmaster for posting on the web site. *Richy's Blog* is now in its ninth year and is posted daily, generating friendly repartee on *Facebook*. The Guild also has a *Twitter* account (@SuffolkBells). Thank you to all those who have made contributions.

The Guild email system continues to be used to circulate *What's On*. As I write this, more than two thirds of the Guild membership can be contacted by email. The addresses are known only to the webmaster and the Membership Secretary. If you would like information distributed please email it to the webmaster. A significant number of emails are returned as undeliverable so, if you change your email address, don't forget to let the Membership Secretary know.

Directory of Suffolk Towers and Correspondents

The table on the following pages shows details of every ring of four or more bells in the area covered by the Suffolk Guild of Ringers.

Condition of the ring (Cond)

10 Excellent. Ball bearings, modern frame and fittings.
9 Excellent. Plain bearings, modern frame and fittings or ball bearings in old frame.
8 Good going order
7 Fair going order
6 Poor going order
5 Ringable if cleaned up and odd fittings and ropes provided
4 Rung occasionally. Frame/fittings nearly life expired
3 Not to be rung mainly because of tower and/or frame arrangement and position
2 Not to be rung mainly because of frame and/or fittings
1 Hung dead
0 Some bells unhung on the ground

Please note that the classification is based on the condition only at the last date of inspection, and any enquiries or requests for further inspections should be directed in the first instance to the Suffolk Guild Technical Advisor.

The key of a ring (i.e. the note of the tenor) is given in cents (i.e. hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C#-20m and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

Code: G Ground floor ring
A Anticlockwise rope circle
D Detached tower
R Round tower
S Simulator
T Toilets available

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Advisor or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place.

Secretary's Report—Michelle Williams

It has been a year of ups and downs for the District. However, there have been a number of practices that have stood out as being worthy of note; there were plenty of opportunities for development at the January District Practice, kindly hosted by Rumburgh and the rounds and call changes evening at Beccles in March saw many new people venture out and ring on 10 for the first time. Wenhaston hosted the striking competition with encouraging results on quite tricky bells in May.

The scaled back Guild Social in September included ringing at both Little Glemham and Great Glemham. For those that came along it was an ideal opportunity to experience the challenge of these towers, although it was especially disappointing to have to scale back activities for the Guild Social so drastically after much planning and organisation.

To end the year, a practice aimed specifically at learners took place at Blythburgh. There were 20 present in total including at least six ringers who have only just recently learnt. It was decided to continue these practices into 2016 as there was a good deal of positive feedback.

At the end of the year I stood down as District Ringing Master after two years (although I have been coerced to stay as on as District Secretary). Thank you everyone for your encouragement and support, I have learnt such a lot in a short space of time, and I trust the District will be just as supportive to Philip Gorrod who takes over the reins.

Secretary's Report—Ruth Young

District Practices have been generally successful with attendances of between 10-20 and 29 at the Norman Tower practice and meal in January although local band participation has been disappointing: 5 at Walsham le Willows, 2 at Newmarket and 6 at the Norman Tower. Method Highlights include Yorkshire S Royal and Erin Caters at the Norman Tower, Yorkshire and Superlative S Major at Ixworth.

Striking Competitions - The District 6 bell plan this year was run as a 'best on the day' at the Norman Tower using the strikeometer. Two teams rose to the challenge, Bardwell & Hopton and Hinderclay/Walsham. Although the strikeometer wasn't working properly both bands enjoyed ringing at the Cathedral in an informal situation. For the Guild 6 bell competition, Great Barton entered two teams coming 5th in the method and 2nd in the call change competitions. The Guild 8 bell saw us coming 5th this year.

Quarter peal week - 10 were scored (1 Surprise Royal, 2 Triples and 7 Minor) at 9 towers involving 32 ringers.

Training - An introduction to conducting was held on the simulator at the Norman Tower led by Brian Whiting, 10 people attended.

Outing - This was held in South Norfolk (Diss area). 21 people supported this including 9 cyclists. We rang at 6 towers, including helping out at a wedding in Gissing.

Young Ringers

There is an active group of Young Ringers in the Guild that ring together and support each other to further their ringing. Events have been held on Guild-wide basis, but we are likely to focus on more local practices to reduce travel. They have entered a team into the Ringing World National Youth Contest but this is not the only purpose of the group.
We ask for all Tower Captains to promote this group and encourage attendance.

If you're interested in joining the group and ringing with other young ringers please contact yrcoordinator@suffolkbells.org.uk

Secretary's Report - Ruth Munnings

As I write this, I am nearing the end of three years as Secretary, of which there have been some highs and some lows. It has been another mixed year in the District, with attendances starting off rather well, in particular the striking competition in May at Monewden with over fifty people there! On the other hand, there were only nine members at the October practice at Holbrook.

With my time increasingly being taken up by my family, I understand that sometimes going to a District practice or meeting can slide further and further down the list of priorities. However, if nothing is done about the attendance of the events, then there may be some doubt as to their frequency. We are ALL part of this District, it is not an elitist clique that some may feel they would not be welcomed into. You are already in it!

I would like to thank my fellow officers for their support, good humour and dedication to the District. In order for things to get better, we all have to pull together to make it better. Please support your District Officers (who are volunteers after all), so that the District has a brighter future!

Secretary's Report—Richard Gates

This year has been a disappointing one for the South West District. The ambition to have a district practice and a teaching and training practice every month too often resulted in dividing the support for either with the unfortunate result that sometimes there were only just enough ringers for a very limited practice be it district or teaching. The optimistic beginning of last year has not been maintained and consequently the district is reverting to a single district practice for each month. However in the hope of encouraging young ringers in the district there is a planned youth practice aimed at letting younger ringers meet each other and have an opportunity to ring together.

The district mini tour and the Hadleigh tower tour were both well supported and thoroughly enjoyed by those who took part. There can be little doubt that the opportunity to ring at different towers and experience different bells was much appreciated by those who are new to ringing.

Peal Secretary's Report—Christine Knight

There was a further sharp decline in peal ringing for the Guild during 2015. For the first time in nine years, the total fell below the century mark, to 95. Exactly 60 fewer peals were rung in 2015 than were as recently as 2013. The year started very slowly indeed. With no Peal Week to bolster the total, only four peals were rung in February and, by the end of April, the total was 25, only just over half the 49 reached by this point in 2014. The year saw an unusually large proportion of losses. It is notable, though, that almost half the Guild total, 47 peals, resulted from regularly organised attempts at The Wolery, on the front eight at St Mary le Tower and in the second Sunday peals at Aldeburgh and elsewhere. These involve a relatively small nucleus of ringers. Not only is it a great pity that the number of towers hosting peals is in decline, but it would be good to see a far wider cross section of our membership involved in peal ringing. Peals took place in just 42 Suffolk towers, and only one tower out of county, Ardleigh in Essex.

Peals were rung to mark five different national commemorations during the year. In May, peals at Aldeburgh and Bures marked the 70th anniversary of VE Day and, in June, as part of the Magna Carta 800 Weekend, peals were rung at The Norman Tower, Clare and Framlingham, all places with strong links to the barons and the build-up to the sealing of the Charter. Also in June, a peal of Waterloo Bob Triples at Helmingham commemorated the 200th anniversary of the victory at Waterloo. The bells were cast later in 1815 to celebrate the victory. Her Majesty Queen Elizabeth II became the longest reigning British monarch on 9th September. Peals were rung to celebrate this at Barrow and Tostock on the day, and later at Aldeburgh and Clopton. October saw the 600th anniversary of the Battle of Agincourt. A 5600 of Yorkshire S Major was composed and conducted by Alex Tatlow at Offton to mark this.

There were several noteworthy peals during the year. In the series of monthly Surprise Major attempts at St Mary le Tower conducted by Brian Whiting, a peal of 12 Spliced was rung on 22nd April, it being the most Spliced Surprise Major methods by all except one of the band. On 5th July, the first peal was rung on the five bells at Elmsett. This was the culmination of a long fund-raising project, led by Crawford and Angela Allen. The only peal following a restoration was at Wickham Market. Here, the first peal on the re-hung bells was rung on 28th November. A footnote which highlighted the long history of peal ringing in Suffolk followed a peal at Debenham to commemorate the 250th anniversary of the first peal recorded at Debenham, on 6th December 1765. A composition of 5250 Plain Bob Major, specially composed by Brian Whiting, was conducted by Tom Scase. Having achieved his first as conductor in 2014, Colin Salter is to be congratulated on his rapid progression to calling a 12 bell peal. The peal of Cambridge S Maximus at The Norman Tower on 24th October also contained a 'first on 12' and a 'first of Maximus'. In a rather negative year for Suffolk peal ringing, it is heartening that both peals of Maximus rung for the Guild were conducted by young ringers. Also, it was good to see another young ringer, Neal Dodge, join the list of conductors in December.

Everyone remembers their first peal; the blisters, the aching limbs, the relentless need to 'perform'. The huge sense of achievement gained from contributing to a successful team effort makes peal ringing a vital tool in raising standards, especially in a rural county where opportunities to progress at practices may be limited. Following an alarming decline in the number of first pealers nationally, the 'First Peal 2015' initiative was launched with the target of 300 first pealers in 2015. This was designed to coincide with the tercentenary of the first ever true peal, rung at St Peter Mancroft in Norwich on 2nd May 1715. After quite a slow start, the target was exceeded impressively, with 387 people worldwide ringing their first peal during the year. Of these, it is pleasing that eight were rung for the Suffolk Guild. Ruth Suggett organised attempts of Plain Bob Triples at Ixworth and Bardwell during the anniversary weekend in May, each containing a first pealer. Matthew Rolph deserves great credit for ringing his first peal at the age of thirteen, but others on the list proved that those of more mature years can still become peal ringers. There has been much debate about the percentage of first pealers who will progress to ring further peals, but inspiration must be taken from John Taylor who, having rung his first peal aged 80, went on to ring his second, aged 82, at Monewden on 13th June.

David and Katharine Salter have provided peal opportunities at The Wolery for young ringers seeking to progress from peals on six to Treble Bob Major and then Surprise Major. There have also been firsts on 10 and 12 recorded during the year, but the continuing decline in peals on higher numbers limits opportunities for progress. It has, indeed, been a dispiriting year for Suffolk peal ringing, but quoting too many negative statistics seems counterproductive. An annual peal total is not the only indicator of the health of a Guild or Association. Sunday Service ringing, and particularly the percentage of towers at which bells are rung regularly for service must be of prime importance, but encouraging a greater proportion of our membership to take part, to whatever extent, in peal ringing can only raise standards overall. The Suffolk Guild has an established reputation as a peal ringing Guild. We have a rich heritage of peal ringing in Suffolk, which we must continue to develop. Finally, I should like to thank David Salter, Michelle Williams and Brian Whiting for their hard work on the peals section of this Report.

First performances for the Guild during the year were:

Minutes of the Suffolk Guild Annual General Meeting held on Saturday 11th April 2015 at Felixstowe

Welcome

The Chairman Alan Stanley (AS) welcomed everyone to the meeting and expressed thanks to Rev Rachel Cornish for conducting the service and Jeremy Prentice the organist. He also thanked Jane Harper, Anne Buswell and all who contributed to the tea. Jenny and Richard Holland for their help with arrangements for the church and finally to George Pipe and all who were involved in making sure that his exhibition was displayed in the church hall. It was a welcome contribution to AGM day.
88 members signed the attendance book and apologies were received from 35 members.

Obituaries

The meeting then stood in silence to remember all who had died during the year. The names of the departed were read out from the Annual Report and Michael Warren who died recently was also included in the mark of respect.

Election of New Members

The following people were proposed and elected as members at the meeting:
Ben Eaden (Woolpit) Proposed by P Ebsworth, Seconded by J Flatters
Linda Rochester (Stowmarket) Proposed by W Girling, Seconded by C Girling
Ruth Eyles (Thurston) Proposed by N Dodge, Seconded by C Veal
Carmen Wright (Stowmarket) Proposed by W Girling, Seconded by C Girling
Margaret Lillyman (Lavenham) Proposed by R Bewster, Seconded by D Howe
Maureen Gardiner (Stowmarket) Proposed by W Girling, Seconded by C Girling

Minutes of the 2014 AGM

The minutes of the 2014 AGM were printed in the Annual Report and were available on the Guild Website and were accepted as a true record with one correction to Veronica Downing's name.
There were no matters arising.

Officer Reports

Lesley Steed Proposed and Derek Rose seconded that the reports that appeared in the Annual Report be accepted by the meeting. AS stated that the reports reflected only a small proportion of the work done by officers involved.

Report Editor

George Reynolds thanked Christine Knight, Brian Whiting and David Salter and for their help in compiling the peal data.
Phillip Gorrod then addressed the meeting in response to the Report Editor. He expressed concern at the lack of accuracy in the report and the hope that this should be addressed in time for the publication of the next report.

Magazine Editor's Report

Sue Freeman thanked everyone for their contribution to the magazine this year but pointed out that there had been instances where news had been submitted to the Ringing World from members who had not also sent the information to her and asked that in future newsworthy items should be included in the magazine as well as the Ringing World.
John Girt questioned whether the magazine was fulfilling members' needs, how many were produced, where they go and if content should be widened to encompass other potential recipients. He felt that we should widen our outlook and circulation of the magazine. AS asked Sue Freeman to add this to the agenda for a future GMC meeting.

Handbell and Mini Ring Trustee Report

Brian Whiting reported that the Guild owns 4 sets of handbells and 3 of them were out on loan to Guild members, he understands them to be in good order.

The Vestey Ring had 12 outings last year 50% of these were within county, the rest were to Essex Hertfordshire and Norfolk Associations and events. This year it was booked out for 5 events already.

Mary Dunbavin suggested that the donations offered for the loan of the handbells be increased to a higher level that they are at present.

Trustees Report

John Girt proposed and Chris Garner seconded that the trustees report that appeared in the Guild Report be accepted. The meeting agreed.

Central Council Report

Peter Harper had submitted a report to the GMC in June after the CC Meeting held in May last year and this was now available on the website.

Richard Knight asked if in future all verbal reports could be given to the secretary and then circulated before the meeting in order to save time.

Subscriptions and Peal Fees for 2016

The GMC had agreed that for the next year subscriptions and peal fees should remain unchanged but a table survey was conducted to ascertain the feelings of members as to whether or not the reduced subscription fees should be abolished.

Mike Pilgrim commented that if any changes were made then current recipients of free or reduced subs should not be adversely affected. Veronica Downing asked if an increase in subs could be made without altering the concessionary rates.

Election of Officers for 2015/16

Two nominations for the post of Report Editor necessitated a paper ballot to be held with Gordon Slack and Winston Girling acting as tellers. Before this was carried out, Michelle Williams was given the opportunity to speak to the meeting about her intentions if she was elected.

"For me, standing as Report Editor is about wanting to contribute on a Guild level, not just a District level and about fostering a positive and supportive approach to all contributors to the Guild Report. From my own experience, I know that submitting content on behalf of a District can be unnecessarily challenging. It is my intention to cut the red tape and bureaucracy where I can.

My aim is to concentrate on making the Guild Report an informative and an accurate document that values its contributors as part of a collective group, rather than an academic exercise where you feel tested.

From a personal level, I am happy to offer endless hours proof reading, have attention to detail along with the technical know-how to produce your report.

This is your document and your contributions matter. It's a representation of us as a Guild and as a team. Ringing is about teamwork, so let's practice this outside the ringing chamber as well as within. Thank you."

The paper ballot was conducted and the following people were elected into office.

Post	Elected	Proposed by	Seconded by
Chairman	Alan Stanley	George Pipe	Kay Lucas
Ringing Master	Jed Flatters	Brian Whiting	Joan Garrett
Secretary	Carl Melville	Winston Girling	Alan Stanley

Election of Trustees

Veronica Downing proposed and David Salter seconded that the elected Chairman, new Secretary and new Treasurer should be elected as trustees of the Guild, the meeting agreed.

Appointment of Independent Examiner

The Chairman proposed that Larking Gowen should remain as the Independent Examiner.

50 Year Membership Awards

Peter Harper initiated this new award in line with what many other associations and guilds have done. He was assisted in his research by Neal Dodge and David Salter. It is a way of recognising the long standing commitment of the rank and file members. Eligible members were identified up until the end of 2014 but Peter would like to hear if anyone has been inadvertently missed.

The following members were awarded a certificate commemorating their 50 years of membership and those at the meeting collected them in person: George Pipe, Daphne Pegg, Richard Pegg, Eddie Hynard, Walter Perry, Margaret Jarvis, Donald Mills, Kenneth Brown, Margot Blythe, Diana Pipe, Muriel Page, Alice Lester, Winston Girling, Hubert Mitson, John Girt, Maurice Rose, Roger Whittell, Trevor Hughes, Marian Saker, Shirley Girt, Alan Munnings, Lawrence Pizzey, Neville Whittell, Gordon Adams, Adrian Knights, Winnie Lockwood, Ruth Last.

BAC Role and Maintenance Sessions

Winston Girling reported: "*At a recent Guild Management Meeting the problems of regular maintenance at towers where there is no local band or any ringers to look after bells was raised. It was pointed out that in some cases the bells were pealed/quarter-pealed occasionally without any proper checks beforehand. The Belfry Advisory Committee then discussed this problem and the following actions were suggested by the Committee: Firstly, it should be incumbent upon the organisers of any peals/quarters to ensure that the bells they are about to ring are properly maintained. If they are not sure about this then ask, and if necessary speak to somebody on the BAC about it. In practice, most of the peals & quarters are organised by Suffolk ringers who are responsible about it, but there can be a tendency to obtain permission to ring from somebody at the church and to assume this means all is in order.*

From a BAC perspective, to arrange hands on maintenance instruction and to encourage as many people as possible who are willing to look after bells but need some instruction to come along.

The first of these will be in the South West District at Long Melford at 10.0am on Saturday, 4th July. Light refreshments will be available and all are welcome. The day is advertised on the Guild website and there will be similar events in other Districts in due course."

The Way Forward

Ralph Earey then addressed the meeting as to the way forward: *"When I re-joined the GMC in 2013, I asked the question whether we as a Guild had the ability to financially support activities that were not directly related to the refurbishment of bells and fittings. My concern was that whilst the Guild had a considerable amount in the restoration fund, I could see that if we're not careful we could end-up with lots of restored rings of bells and no-one the ring them. Thanks to those 65 people who stayed behind after the 2014 AGM to take part in the discussion forum entitled 'The future of ringing' many ideas were raised and passed onto the GMC (ranging from training days, ITTS, ringing schools, through to recruitment and encouragement of young ringers). I am pleased to say that, yes, the Guild is able to financially support such activities and it's now for all of us, the Guild, to determine what we are going to do ensure the future of ringing. I will hand-over to Jed who has a further update".*

RWNYC

George Salter reported that the young ringers were as yet undecided about entering the Ringing World National Youth Contest because they had lost a lot of eligible contestants. He went on to say that he and Amanda Richmond had organised a practice recently at Bury St Edmunds and further meetings have been arranged with a view to having a regular slot for young ringer's practices.

Guild Social

This will be held in the NE District and there will be events for all ages. Date is 26th September and possible activities include open towers and a brewery and distillery tour.

St Edmunds Clapper Competition.

The following fundraisers organised events in aid of the BRF: Sproughton Tower raised £200.
Jed Flatters and Rowan Wilson cycled around the Diocesan boundaries and raised £329 in sponsorship.
Ofton had their Annual barbecue and raised £400 so for another year were the winners of the St Edmunds Clapper trophy.

Any Other Business

GWP gave thanks to the members for allowing him to share his vast collection of Ringing memorabilia and for all the help he received enabling him to do so. It is his intention to create an inventory of all the material and record its' provenance.
Winston Girling reported that Mary Allum had suffered a broken leg in a fall and asked members to sign a Get Well card that was being circulated.
Ralph Earey thanked everyone for completing the Subscription survey and for appearing in the photograph that was taken after the tea. He asked that people could check their names had been recorded correctly alongside their appearance in the photograph.
Ruth Suggett announced that 2nd May marked the tercentenary of the first recorded peal in Norwich and on Bank Holiday Monday various events were being held in Norwich in aid of the Mancroft Appeal, she asked members for their support.

Date of Next Meeting Saturday 2nd April 2016 in the NE District

The Suffolk Guild of Ringers
Objects, Constitution and Rules - 2014 revision

OBJECTS

The Guild shall promote ringing for Divine Service within the Diocese of St Edmundsbury and Ipswich by:

1 Promoting and encouraging the practice of bellringing.

2 Supporting the recruitment and training of bellringers.

3 Cultivating the art of scientific ringing.

4 Promoting an appreciation of the ringing chamber as part of God's house and encouraging care and attention to its cleanliness and proper equipment.

5 Promoting the preservation of bells in an efficient condition, recommending necessary repairs and renovations and providing reliable information and practical advice on the condition of the bells and their fittings.

6 Supporting restoration and/or augmentation.

2.2 Associate Member: A Person who wishes to support the Guild.

2.3 Life Honorary Member: A Ringing or Associate Member who has given outstanding service to the Guild.

2.4 Non-Resident Life Member: A person qualified to be a Ringing or Associate Member, but who resides outside of the Guild's territory and is not a member under 2.1, 2.2 or 2.3.

3 Only Ringing and Life Honorary Members may vote or hold office in the Guild.

4 Churches within the Diocese may be affiliated to the Guild on payment of an annual donation of an amount at least equal to the subscription payable by a Ringing Member aged between 65 and 74.

C. DISTRICTS

5 There shall be four Districts, North East, North West, South East and South West. Towers may move from one District to another with the agreement of both Districts and subject to approval by the Guild Management Committee (GMC).

D. GOVERNMENT

6.1 The President shall be the Bishop of St Edmundsbury and Ipswich.

6.2 A Suffragan Bishop within the Diocese shall be a Vice-President.

6.3 Vice-Presidents elected before 2010 shall hold office for life and shall not be required to pay a subscription.

6.4 A non-member may be elected as a Patron at an AGM. Patrons shall hold office without re-election, but may be removed by a resolution at an AGM.

7 The Annual General Meeting (AGM) or any Special General Meeting (SGM) shall be the ultimate policy and decision-making body of the Guild. The AGM shall be held on the Saturday following Easter or as decided by the GMC.

8 Members shall be elected to the following Offices:

Chairman	Technical Advisor	Ringing Master
Librarian	Secretary	Handbells Trustee
Treasurer	Peal Secretary	Chairman of Belfry Advisory Committee
Report Editor	Magazine Editor	Public Relations Officer
Webmaster	Mini Ring Trustee	Central Council Reps

9 The Annual General Meeting shall appoint an Accountant, who is not a member of the GMC and need not be a member of the Guild, to act as Independent Examiner in accordance with The Charities Acts.

10 The following Committees shall be formed:

The Guild Management Committee (GMC), to co-ordinate Guild activities and publish a printed Annual Report and Accounts. It shall be recommend the levels of subscriptions, peal fees, other methods of raising capital, authorise expenditure from Guild funds and may organise general meetings, ringing and social activities.

The Recruitment and Training Committee (RTC), to co-ordinate training and recruitment. The Belfry Advisory Committee (BAC), to advise and assist on all matters connected with rings of bells. It shall maintain an up-to-date directory of towers, listing the condition of Church bells in the Diocese.

E. FINANCE

11 All money in the Guild's funds not required for normal working purposes shall be invested or deposited by the Treasurer as may be directed by the GMC.

12 All cheques shall bear the signature of the Chairman, Secretary or Treasurer.

12.1 Any cheque greater than a limit set by the GMC shall bear the signatures of two of the above.

13 The expenses listed in Rule K16 shall be paid out of the General Fund.

14 The interest received on the Jubilee Fund shall be transferred to the Guild Restoration Fund. The capital element of the fund shall be retained intact.

15 Grants from the Restoration Fund shall be authorised by the GMC, but shall only be paid after the work has been approved by the Guild Ringing Master and the Technical Advisor. Grants will normally be offered for work to restore bells and their fittings for full-circle ringing, but may include augmenting and other ancillary work associated with any such project.

16 The St Peter's Sudbury Fund shall be used for running expenses and minor repairs and refurbishments to St Peter's bells and fittings.

17 The Library Fund shall be used for the purchase and repair of books and other items for the library.

18 The Handbell Fund shall be used for the repair, maintenance, renovation or augmentation of the Guild's handbells.

19 The Pipe Family Trust Fund shall be used for the encouragement of beginners in the art of change ringing in the Suffolk Guild. The fund will be administered by the Guild executive.

20 The GMC may establish further funds and shall specify the aims and objectives of such new funds.

21 The GMC may transfer sums from the General Fund to any specific funds and, if the purposes of the specific funds cease to exist, close these funds and transfer the balance to the General Fund.

22 The GMC shall recommend the proportion of peal fees, subscriptions of Ringing and Associate Members and Non-Resident Life Membership fees which shall be transferred annually to the Restoration Fund from the General Fund.

F. RECORDS AND HANDBELLS

23 All peals rung for the Guild and a summary of other peals and quarter-peals rung in the Diocese shall be published in the Annual Report.

24 The Librarian shall maintain an up-to-date inventory of publications owned by the Guild and the Secretary shall maintain an up-to-date inventory of other Guild assets.

25 The Handbells Trustee shall maintain the handbells in good condition and shall make recommendations for their repair to the GMC.

G. GENERAL

26 The Constitution and Rules may only be amended at an Annual or Special General Meeting of the Guild.

26.1 Fourteen days' notice of any proposed change to the Constitution and Rules of the Guild must have been provided to members through the Ringing World and the Guild website.

26.2 Any change must be approved by at least two-thirds of those present and voting and shall take effect from the date given in the proposal.

26.3 No amendment shall be authorised which shall have the effect of the Guild ceasing to be a Charity in Law.

27 In the event of dissolution of the Guild, any assets remaining after the satisfaction of all its debts and liabilities shall not be paid to or distributed among the member of the Guild, but shall be given or transferred to such other charitable institution or institutions having similar Objects to the Guild.

GUILD RULES

H. ELECTION OF MEMBERS AND SUBSCRIPTIONS

1 Ringing and Associate Members may be elected at any meeting by a majority of those present when proposed and seconded.

1.1 A member may belong to only one District, normally the District under which the member is shown in the Annual Report.

2 Subscriptions are due on election and thereafter, in advance, on January 1st each year and shall be set at the preceding AGM, or SGM. If a change in subscription has not been passed, the existing rate shall continue.

2.1 No member shall be entitled to be heard, vote or hold office if subscription for the current year is unpaid.

2.2 The subscriptions of members elected during or after October shall cover the remainder of that year and the whole of the following year.

2.3 Persons in full time education and members over 65 years of age shall pay a reduced rate of subscription. Members over 75 years of age shall pay no subscription.

3 Life Honorary Members may only be nominated by the GMC or a District and shall only be elected at a Guild AGM after their nomination has been approved by the GMC. No further subscription is payable after election.

4 Ringing or Associate Members may, on leaving the Diocese, inform the Guild Secretary that they wish to become Non-Resident Life Members. No subscription is payable during the period of non-residence.

5 A person resident outside the Diocese who wishes to be associated with the Guild may be elected a Non-Resident Life Member. A one-off subscription is payable by such members. Any Non-Resident Life membership ceases if the member takes up residency within the Diocese.

6 For the purposes of peal ringing, new members may be provisionally elected in the belfry. Membership is subject to confirmation at a meeting of the appropriate District in the case of a Ringing Member or at a meeting of the GMC in the case of a Non-Resident life Member. If election is not confirmed the subscription shall be refunded.

7 Any member failing to conform to the Objects and Rules of the Guild may be expelled by the GMC which shall report the matter to the next Annual General Meeting. Such a member shall forfeit any payment made to the Guild.

I. ELECTION OF OFFICERS

8 All Officers shall retire at the Guild's AGM, but shall be eligible for re-election. The Chairman, Ringing Master, Secretary and Treasurer shall not serve more than five consecutive years in one post.

8.1 Nominations may be made in writing to the Guild Secretary or orally at the AGM providing they are proposed and seconded.

8.2 If more than one nomination for any office is received, election shall be by paper ballot, the successful candidate being the one with the highest number of votes. In the event of a tie the Chairman shall have a casting vote.

8.3 Central Council Representatives shall be elected, in accordance with the rules of the Central Council, during the second year of the triennium at the AGM of the Guild.

J. COMMITTEE STRUCTURE

9 The Guild Management Committee (GMC) shall consist of the Guild Chairman, Ringing Master, Secretary, Treasurer and Chairman of the Belfry Advisory Committee, and up to five members from each District, elected in accordance with Rule 20.

9.1 Four members of the Committee shall constitute a quorum.

9.2 The Chairman shall chair all Guild and GMC meetings. In his/her absence by a person elected by the meeting.

10 The Recruitment and Training Committee (RTC) shall consist of the Guild Ringing Master as Convenor and two members from each District.

11 The Belfry Advisory Committee (BAC) shall consist of the Chairman BAC, the Technical Adviser and such members as they may co-opt. Members shall be approved by the GMC.

12 Each Committee in Rules 9, 10 and 11 shall meet at least three times a year.

13 The Guild Executive shall consist of: Guild Chairman, Ringing Master, Secretary, Treasurer and Chairman of the Belfry Advisory Committee. The Executive shall take such emergency decisions as may be required before it is practical for the GMC to meet. They shall also make a temporary appointment until a General Meeting can be convened if a Guild Office becomes vacant between AGMs.

14 The GMC may convene sub-committees and shall determine their terms of reference, powers, duration and composition. All acts and proceedings of any such sub-committees shall be reported back to the GMC as soon as possible.

15 The GMC may request the attendance of other officers of members as may be required.

K. EXPENSES

16 The following shall be paid by the Treasurer out of Guild funds:

– The cost of printing the Annual Report and any other publications authorised by the GMC.

– The expenses of Guild Meetings (including District).

– Stationery, postage, telephone, notices of all meetings and other incidental expenses.

– Guild insurances.

– Central Council fees and reimbursement of Representatives' expenses attending each

– Council meeting, not exceeding the second class return rail fare and a subsistence allowance as may be determined by the GMC.

– Such other expenses as the GMC may authorise.

L. PEAL RECORDS

17 All peals rung for the Guild must confirm with the decisions of the Central Council. All those taking part must be members of the Guild.

18 Conductors shall forward the following to the Peal Secretary as soon as possible and not later than 15th January the following year:

a) The names, addresses and subscriptions of any Non-Resident Life Members elected in the belfry.

b) The appropriate peal fees.

c) Compositions for peals of Triples and above and of such other peals as the Peal Secretary may request. Money received for items (a) and (b) shall be passed to the Guild Treasurer.

M. DISTRICT RULES

19 Each District shall hold an Annual General Meeting during the last quarter of the year for the purpose of receiving a report from the District Committee for the year, election of Officers and arranging activities for the year beginning the following January. Members may vote or stand for Office only in the District through which they exercise membership in accordance with Guild Rule 1.

20 The following Officers shall be elected annually: Chairman, Ringing Master, Secretary/ Treasurer, Magazine Correspondent, two members to serve on the RTC and up to five members to serve on the GMC.

20.1 A District may elect additional Officers as required to assist in the running of the District.

20.2 The District Officers shall form the District Committee, which shall be responsible for the efficient management of the District's affairs and shall report to the Annual District Meeting on the year's work.

21 The District Secretary/Treasurer shall:

– Collect all subscriptions and other moneys due and forward them to the Guild Treasurer.

– Submit a statement of accounts to the Guild Treasurer by 15th January.

– Submit a directory of tower correspondents and ringing times and a list of members to the Report Editor by 15th January.

– Submit a statement, to the Guild Secretary, of all members qualifying for inclusion in the insurance scheme by the Guild AGM.

22 The District Magazine Correspondent shall report on district activities for the Guild Magazine, the 'Ringing World' and local newspapers.

REGULATIONS RELATING TO THE SUFFOLK GUILD HANDBELLS

1 The Suffolk Guild handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four sets of handbells:

25 bells by Taylors	size 20 in C (2 chromatic octaves)
16 bells generally by Shaw	size 19 in F (diatonic 13 + 3 semitones)
13 bells by Warner	size 20 in E (diatonic 12 + 1 semitone)
13 bells by various founders	size 20 in F (diatonic 13)

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by other member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without the prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to given seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that Committee.

THE MITSON SHIELD, LESTER BRETT TROPHY AND ROSE TROPHY STRIKING COMPETITION RULES:

1 The competitions shall take place on date(s) decided by the GMC.

2 All Ringing Members and Life honorary Members of the Guild may compete providing their subscriptions are paid.

3 The Mitson Shield, Lester Brett and Rose Trophies shall be competed for as follows:

Mitson Shield and Lester Brett Trophy

3.1 Bands shall comprise six ringers fulfilling at least one of the following:

a) at least four are listed under the tower in the Annual Report

b) The ringers are a bona fide benefice (or similar) Sunday Service or practice night band.

3.2 a) For the Mitson Shield the test piece will be 240 true changes of any recognised Doubles or Minor Method(s). Opening rounds will not be marked.

b) For the Lester Brett Trophy call changes of at least eight minutes marked ringing, to include Queens, Whittingtons and Tittums. Marked changes start when the first change is made.

Rose Trophy

3.3 Bands shall comprise eight members of a District or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

3.4 The test piece will be at last 224 true changes of any recognised Triples or Major method(s), of which only the first 224 changes, excluding the opening rounds will be judged.

4 Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 3.

5 The times of the draws are to be advertised in the Ringing World and each band must have a representative present at the relevant draw.

6 A total of two minutes practice ringing will be allowed before each test piece.

7 In the event of bands ringing Doubles or Triples a cover bells must be used.

8 The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.

9 In the event of a large entry the Ringing Master may choose to shorten the length of either test piece.

10 A reserve ringer, appointed by the Ringing Master, will be available at the Ringing Master's discretion, to bands meeting short.

11 A minimum of two judges appointed by the Ringing Master will be present. Their decision is final.

12 The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.

13 Interpretation of all rules is at the discretion of the Ringing Master.

Foreword from the Chairman—Alan Stanley

Once again this year, I have had the opportunity to read through the reports from officers of the Guild so as to write a Foreword. As I do so I am conscious that there is an amount of similarity, repetition almost, of last year's Foreword. I make no apology for this. There is just as much to celebrate and enthuse about in this report as there was last year, but the detail is different in a number of ways. We have the first annual report from our new Ringing Master Tom Scase, who again thanks his predecessor Jed Flatters for support, and then goes on to encourage attendance at District AGMs. I am hoping again for a good turnout at the AGM on 22nd April at Beccles so if you are reading this in advance of that date please clear your diary and come along. Tom mentions two first pealers and a number of personal milestones achieved by others as well. Congratulations are due to all of them and I am sure many, many others who have made progress toward their next personal milestone, whatever that may be.

It is no surprise that the Belfry Advisory Committee have had a busy year (it seems they always do) with involvement in projects large and small, and with plenty of work in the pipeline. Let there be no doubt that alongside the various Parish initiatives and local hard work there exists this very valuable supportive resource that not only offers advice and guidance, but rolls up its sleeves and gets stuck in. And there are more bells ringable, and going better in more Suffolk towers as a result. Winston Girling is chair and he thanks all BAC members.

You need last year's report to hand to make a comparison to appreciate another contribution made by Winston Girling and that is in the increased number of parishes participating in the Affiliation Scheme which Winston has taken charge of in the last twelve months or so. The Affiliation Scheme is a useful source of funding for the Guild.

Again we see a slight decline in membership, and I would appeal to each of you to try and recruit additional members when you are out ringing or socialising.

The Guild finances remain in good shape, although general running costs continue to increase slightly while subscription income falls slightly. That is the shortest of summaries that in no way reflects the very significant amount of work that goes into managing the finances and also into the preparation of the accounts by our Treasurer, Owen Claxton.

Well done and thanks to all other contributors not just for the reports but also for the huge amount of work done on behalf of all of us and the Guild. And thanks to Michelle Williams for another Annual Report. I should also like to record our thanks to our advertisers whose continuing support makes funding our report that little bit easier.

There is a huge amount more in these pages that reflects commitment, energy and just the pure enjoyment of ringing. Recognition and thanks are due to so many of you. Enjoy the report; enjoy your ringing.

Obituaries

Bridget Sayers – Earl Stonham

Bridget joined the Earl Stonham band about 15 years ago when she, and her husband Brian, moved to the area. Her father had been a previous Rector of Earl Stonham and her widowed mother was still living in the area. Bridget learnt to ring in Hythe about 40 years ago and had rung quarters and a peal. She and Brian quickly became valuable members of the church and of the ringing band, including being active in the restoration and augmentation in 2004. Her friendship and ringing ability was a great bonus to the band. She will be greatly missed by the Earl Stonham ringers and those who knew her.

Dr Peter S. Franks

Dr Peter S. Franks MBBS (Lon) DRCOG lived at Bacton, and latterly at Ardleigh, Essex.
Although he did not start to ring until the 1970's he always played the organ at Bacton. In 1973 the 5 bells at Bacton were restored and hung in a new steel frame and are now a superb 6. Peter and his wife Sheila were the prime movers in getting these bells restored and it is doubtful whether they would have been done without their tenacity and grit. Peter finally took up ringing when his son, Tim, was being taught, and he rang with Sheila in the first peal on the restored bells in 1973.
Peter and Sheila were synonymous with Bacton. As he said once, "I have brought half this village into the world and seen the other half out". He will always be remembered with great affection by all the villages he covered, and everyone will remember the great hospitality they insisted on at home, especially after ringing.

Ken Brown - Ixworth

Ken was taught to ring in 1950 by Harry King. Ken was a member at Ixworth but also rang at other local towers namely Pakenham, Great Barton, Rougham and Bury St Edmunds both at the Norman Tower and St Mary's. He gave up ringing because of his work as a milkman and a part time fireman. On retirement he came back to ringing and rang 129 peals and many quarter peals, also looking after his wife Wendy full time. Ken passed away in April 2016.

Valerie Jay – Stoke-by-Clare

The entire village of Stoke-by-Clare as well as many people from the surrounding area were totally shocked and saddened by the death on 9th June 2016, after only a very short illness, of Val, as she was respectfully known, at the age of 62 years. She was born in Stoke-by-Clare and was encouraged to take up ringing at the age of fourteen by her father, the late Bob Gowan, who was a member of the Stoke team, and was taught to ring by the then Tower Captain, Aubrey Peacock, and often assisted by another well known ringer, Walter Perry. Val became a very competent and much respected ringer not only at Stoke-by-Clare but at many other towers in the area where she was also a regular ringer.

She leaves behind her husband Leslie and her daughter Carolyn and son Christopher. A truly respected person who will be sorely missed not only amongst her bell ringing friends, but also by all who knew her so well in the many other organisations in which she was involved. The church at Stoke-by-Clare was full to capacity for her funeral with the bells being rung half-muffled both before and after the service. May her soul rest in peace.

Chris Plummer—Worlingham

It was with great sadness that the ringers in the North East District heard of Chris' death, shortly before Christmas. He had withstood serious illness with great fortitude for some years, but had retained his energy and enthusiasm right until the end.

Chris learned to ring at Worlingham in the late 60s. Shortly afterwards, when Worlingham had to cease ringing, he transferred his allegiance to Beccles. From then on, he regarded himself as a Beccles ringer, thoroughly enjoying ringing in Plain Bob Royal on Sundays unless it was the sailing season! He rang in a handful of peals, always viewing a peal of Yorkshire Major rung by a Beccles Sunday service band in 1988 as his high point.

Chris and his wife Sarah were a well-known ringing couple who first met in Beccles tower in 1982. They were married in Worlingham Church, Chris having earnestly requested that the organist (a fellow ringer) play Widor's Toccata 'as impressively as possible' even allowing for the limitations of the organ.

Although Chris did not ring so much as his illness progressed, he remained a strong supporter and was invaluable at practices standing behind people new to various methods. He was very popular with the local ringers for his kindness, sense of humour and ability to sing Plain Bob Doubles to help the striking!

The Beccles band was privileged to ring for Chris' Service of Thanksgiving in December, which was very well attended. Chris had a wide variety of interests, including sailing, and we were regaled with many anecdotes about his very active life.

A quarter peal of Plain Bob Royal was rung at Beccles on 8 February 2017 in memory of Chris.

Trustees' Annual Report

The Trustees present their report and financial statements for the year ended 31 December 2016.

Charity

The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The Charity's registered address is 2 Fredellen, Upper Street, Witnesham, Ipswich, IP6 9EW. It is governed under a constitution originally registered in 1977 and most recently revised in 2014.

Principal objectives

The purpose of the Charity is to promote and encourage the practice of bellringing within the Diocese of St Edmundsbury and Ipswich; to recruit, train and encourage bellringers in the practice of their art; to cultivate the art of scientific change ringing; and to promote and advise on the preservation of bells in an efficient condition.

Trustees

The Trustees during the period were:
Chairman A F Stanley, Secretary Revd C N Melville, Treasurer O P Claxton

Review of Progress and Achievements

Bellringing—107 peals were rung in 2016, an increase of 12 on 2015. Peals were rung in 43 towers. The number of quarter peals rung declined slightly from 552 in 2015 to 499 in 2016. Quarters were rung in 98 towers. Both peals and quarter peals covered a wide range of methods from Doubles to Maximus, involved a diverse range of towers and ringers, and benefited all who took part. These were the successful attempts, the number of peal and quarter peal attempts which were unsuccessful is not known, but nonetheless they too are an important learning experience. Established training programmes are used to develop the skills of new ringers, and those new to teaching people to ring. Participants agree it is a valuable aid to the teaching and instruction of beginners, and a skills investment for the future.

Restoration activities—Members of the Belfry Advisory Committee have been very active throughout the year, carrying out inspections and making repairs to installations. Work has been completed at Stoke Ash - renovating decayed frame mountings; Otley - rectifying loose clappers; Cretingham - advisory work on installation of new tenor and fittings; Eye - work on clappers; Thornham Magna - minor adjustments; Melton Old Church, and Levington, - repairs to chiming bells; Badwell Ash - inspection of installation. In addition support and advice has been given for routine maintenance.

Guild Finances

Reserves Policy— In line with advice from Larking Gowen, the appointed examiners for the Guild, the Trustees have formulated a Reserves Policy. The Guild will expect to hold at the bank, a surplus of approximately one year's running costs.

Policies—All money in the Guild's funds not required for day-to-day working purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee. Grants from the Restoration Fund are authorised by the Guild Management Committee but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

In order to respond to the short term need to provide financial support to training activities, the General Management Committee (GMC) have introduced a process to enable grants of up to £50 to be made immediately, at the discretion of the Ringing Master, and grants of up to £500 to be made within seven days at the discretion of the Guild Executive. In both cases subject to appropriate records being kept and presented to the GMC.

General Fund - Compared with the 2015 account, income to the General Fund decreased by just 6%, although, as is always the case, some categories have increased, others decreased. Subscriptions were down 4%, but peal fee income had increased by 28%, albeit from an unusual low in 2015. Expenditure was 29% more than in 2015. Exceptional items were the purchase of lapel badges at £758 and administration costs of £687: together they account for virtually all of the expenditure increase. The remaining categories, affiliation fees, insurance, donations etc showed little variation from previous years. After transfers to other accounts, the General Fund stood at £4,817.

Restoration Fund The Restoration Fund income has increased by 11% to £59,783. There are two grants outstanding, each for £12,000. That for the restoration of Horringer bells is expected to be claimed in early 2017. The other, for proposed restoration work at St Margaret's, Ipswich, which has not yet started, will be claimed at a later date. No other funding requests for restoration work have been received.

Summary In 2016, there was a decrease in the General Fund balance mainly because of increased expenditure. All restricted funds have a positive balance. There are no new funding requests for restoration work.

Belfry Advisory Committee Report—Winston Girling

2016 proved to be another busy year for the Committee. At our February, June and October meetings a great deal of ongoing work was discussed. This included some ongoing or proposed major restorations.

At Horringer the bells should have been up and ringing by Christmas 2016. I understand that this will now be delayed owing to some instability in an interior wall. We look forward to this new 8 and wish them every success. Redgrave should have the bells removed in July. Here the 1700's timber frame is to be repaired and returned to service for the existing 6 bells only. This is a shadow of what was originally envisaged but was required by the CCT who own the building. The viability of repairing and continued use of yet another timber bell frame will be evident as time progresses. Cretingham and St. Margaret's, Ipswich are fast approaching restorations and there is news that Whatfield are also in the pipeline. In addition, John Taylor is working hard to get Little Cornard restored. It is also proposed to carry out restoration at Stowmarket. This could well involve retaining 3 listed bells for chiming and the clock and providing a new lighter peal of 10 in a steel frame.

At Laxfield there is much vertical and horizontal movement of the timber frame and restoration is likely in the future. Brome have been inspected and some maintenance advised. Here the tower roof is leaking badly. At Wickham Market timber shafted clappers are to be fitted to 5 and 6 to stop these bells going up wrong. This may well have been completed as I write. Iken have had problems with the clapper bushes seizing in hot weather and these have now been reamed to prevent this happening in the future.

I recently reported on the bells at Badwell Ash and here it is proposed long term to install a kitchen and toilet on the ground floor of the tower, moving the ringing chamber to a gallery above, and to restore the bells and possibly augment to 6 in a steel frame lower in the tower.

Many small jobs have also been carried out by the team. I am grateful to our members for all their hard work and assistance over the year. I apologise if I have missed anything out.

Ringing Master's Report –Tom Scase

It's an honour to become only the 12th different Ringing Master of the Suffolk Guild of Ringers. I would like to thank my predecessor, Jed Flatters, for his contribution over the last five years and support since the Annual General Meeting. Indeed, I'm grateful for all the words of encouragement I have received since April and am reassured in the knowledge that there's valuable advice available from seven former Guild Ringing Masters living in the county!

Having been elected as Guild Ringing Master, I continued in my role as South East District Ringing Master until the Annual District Meeting (ADM) in December and this overlap of roles meant I didn't hit the ground running as fast as I would have liked.

Nevertheless, I still managed to attend three of the four ADMs: the North East at Stradbroke, the South East at Debenham and the South West at Sudbury. At these ADMs, I was pleased to note the willingness of those present to ensure the majority of District roles were filled. What's concerning, though, and this is no new concern, or indeed one unique to Suffolk, is the proportion of members attending. There is, alas, no 'click of the button' solution to encourage greater engagement of members. If there were, it would have been pushed long ago. What we, as a Guild, must do, is to continue to foster a Guild that promotes opportunities in ringing. This has many aspects and it's my mission to oversee and develop this intent into fruition. The Guild's objectives -read them - offer a clear and concise reminder of what this means.

I was unable to attend the Guild Striking competitions, held at Reydon and Southwold, owing to a prior commitment in Prague. I am grateful to Jed Flatters for ensuring the day went well. Our thanks go to James Smith for judging and to all taking part. Congratulations go to the winners: St Mary le Tower, Ipswich, in both the Mitson Shield (six bell method) and Rose Trophy (eight bell method); and to Hollesley in the Lester Brett Trophy (six bell Call Changes).

Ten members represented the Guild in the Ridgman Trophy, held on the glorious ten at Daventry. The test piece was 212 Erin Caters and although we rang without obvious mistakes, our ringing didn't settle as well as others; nevertheless, we were disappointed to be placed sixth out of seven. We will be looking to improve in Cambridge in 2017.

One of the mainstays and highlights of the ringing year is the annual Veterans' afternoon at Debenham, on the second Wednesday in July. 2016 was the 25th event, all of which have been organised by Muriel Page and her team. Muriel is now, deservedly, taking a back seat- thankfully future arrangements are in capable hands. I'm sure everyone who has attended over the years reiterates our thanks to Muriel.

I was pleased to join several members on the Guild Social, in September, hosted by the North West, with an enjoyable ring and walk between Thornham Magna and Wickham Skeith.

Slightly fewer quarter peals were rung in Suffolk in 2016 than in 2015. Neal Dodge's analysis makes interesting ringing - thanks Neal for compiling this. Congratulations to David and Lesley Steed who, once again, are the leading quarter peal ringers in Suffolk. Likewise, Pettistree remains the leading tower. Quarter Peals are a good means for consolidating methods and improving striking. Peals, however, provide a prolonged period in which to advance the aforementioned. It's pleasing, therefore, that the 2016 peal total shows a slight increase compared to 2015. It's still the second fewest peals rung for the Guild in the last ten years, though. I would very much like to see more members participating in peals. I am minded to re-introduce a Guild peal week, which has proved very successful in previous years, with a particular emphasis on encouraging greater involvement. Many congratulations to Adrian M Craddock and Sal Jenkinson on ringing their first peals. It's unfortunate there were not more first pealers.

Thanks to *Pealbase*, I note and congratulate the following personal achievements:

3,400th peal - David G Salter
1,800th peal - Alan P Mayle
1,600th peal - Stephen D Pettman
1000th peal as Conductor- Jeremy W Spiller
900th peal - Brian E Whiting
600th peal - Michael G Whitby
400th peal - Joan Garrett, Colin F Salter and George M Salter
300th peal - Katherine J Eagle
200th peal - Nigel F C Gale and Alex W Tatlow
100th peal - Ruth Suggett
50th peal - Neal T Dodge and Timothy P Hart

Apologies for any personal milestones that I may have inadvertently missed.

Recruitment and Training (R&T) is an important focus for the Guild and I'm grateful to Rowan Wilson for agreeing to chair and guide our R&T committee. The Association of Ringing Teachers (ART) training courses have been well publicised within the Suffolk Guild and to back this up, the Guild now offers training grants, the first of which have been granted in conjunction with members attending ART courses. Recruitment and subsequent retention of new ringers is one of the principal issues facing ringing across the board and here in Suffolk we need to be focusing our attention on continuing to address this fundamental matter.

I encourage all Guild members to get more involved with ringing across Suffolk, whether it's more practices, more quarters or peals, or most importantly, continuing to ensure Services are rung for.

Secretary's Report - Rev Carl Melville

The office of Guild Secretary is a rather odd job, often the "middle man" of many conversations and situations.

I receive news from the Central Council which I pass on to the relevant people. They are currently renewing their vision and strategy and it's worth checking their website for more details.

Guild communication is, I think, very good, thanks to various people including Chris Garner, who looks after the website and regular news by email, and Sue Freeman, who edits the Guild Magazine which is published three times a year. I often find that replies to emails I send to the various Districts come back very slowly. I'm getting used to this, but please remember that we each play a part in aiding good communication, which in turn speeds up the smooth running of the Guild between meetings and ringing. I say all this knowing that I failed to get last year's AGM agenda out in time – I hope things will run differently this coming year!

The Parish Affiliation Scheme has been revamped and renewed thanks to Winston Girling. This has taken a huge amount of time but brought in a large amount of income, some of which is new income.

Here's to another year of ringing!

Membership Secretary's Report - Mary Garner

Membership Data Forms continued to trickle in throughout most of the year. All the additions and amendments have been collated and it is hoped that this will enable tower listings to be even more accurate than in previous years. If your listing is incorrect please let me know. It will also mean that the Treasurer can make better predictions of subscription income.

The total membership by the end of 2016 was 727, compared with 749 in 2015. Twenty six people did not renew which was balanced exactly by the number of new members elected. Fewer than ten "rejoined", some stopped ringing, others moved away and a few passed away.

If a ringer in your tower is ready to join the Guild please ensure that an Application Form is completed and passed to your District Secretary for their election. If you move house, change your email address, change home tower, wish to be added to or removed from the Gift Aid register etc., please don't forget to let me know.

Public Relations Officer's Report - Neal Dodge

Since our last AGM I've been fortunate enough to fill the role of PRO, as Richard Munnings had decided to step down. So I'd like to thank Richy for all the effort that he devoted to the role as he enjoys a break from holding Guild Office.

My first task of 2016 came following the debate about whether ringing is a sport, as Radio Suffolk were intrigued by the rarely seen side of competitive ringing and wished to cover our Guild Striking contest. I gave two interviews on the day, to announce the winners in the middle of the football results! So at least Radio Suffolk sees ringing as a sport! The Lowestoft Journal also devoted a whole page to the event with some excellent photos.

Just as in previous years we were asked to ring to celebrate events including: the Queen's 90th Birthday, BBC Music Day, Heritage Open Days and many local occasions. Radio Suffolk covered these events so thanks to Philip Gorrod, Ralph Earey, Joe Lavington, and Matt Thomas for being interviewed live on air. Our local papers included many ringing related stories including the Lt Cornard Project, the Norman Tower, and the new bells at Horringer.

Another big event in 2016 was the Folk East festival where a band of willing volunteers ran a successful ringing workshop with the Vestey Ring. Their team taught over 100 people to ring rounds on the mini ring, and Catherine Draper produced a revised and updated leaflet on learning to ring, more copies of which will be printed for future use.

We were also invited to attend Kingsfleet Primary School's community day in Felixstowe where John Girt and Roger Coley ran a very worthwhile session and now 6 children and their parents have taken up ringing thanks to local ringer Jacky Savage.

The Guild twitter account, @suffolkbells, has grown considerably during the year. With 231 followers it has become one of the largest ringing accounts with some tweets being seen by over 4,000 users. It has become a great way to interact with the public. One tweet was even picked up by the Guardian and was featured in their article on the events at York Minster.

As we look into 2017 there will be some events in which bells will play their part so if you're doing some special ringing or having an open day please let me know as I'd be happy to help publicise or provide promotional material for your occasion. Equally if you're having complaints or trouble dealing with an organisation please do get in touch. It's what I'm here for! Finally I must thank all 700+ of you, because you're all ambassadors for ringing. People don't become ringers based on an article or a website they've read, but down to encouragement and explanation from you. So my challenge to all SGR members this year is to speak to your colleagues, neighbours, friends, and family and tell them what a great time can be had when you go ringing!

Webmaster's Report—Chris Garner

The Guild Website now contains over two thousand pages. Information about towers, bells, ringers and events is constantly updated. Photos and snippets of news can be sent to the Webmaster for posting on the web site. *Richy's Blog* is now in its tenth year and is posted daily, generating friendly repartee on *Facebook*. The Guild also has a *Twitter* account (@suffolkbells). Thank you to all those who have made contributions.

Various sections of the Guild may be contacted by email: all Members (527), Tower Correspondents & Email Contacts (132), Tower Captains (109), NE Members (101), NW Members (136), SE Members (194) & SW Members (91). The addresses are known only to the Webmaster and the Membership Secretary. If you would like information distributed please email it to the Webmaster. A significant number of emails are returned as undeliverable so, if you change your email address, don't forget to let the Membership Secretary (*membership@suffolkbells.org.uk*) know.

163 tower correspondents or tower email contacts now have generic email addresses (e.g. *pettistree@suffolkbells.org.uk*). This makes things easier when the correspondent changes.

Librarian's Report - Abby Antrobus

This year I have moved house and now live in Ipswich. Whilst the bulk of the library remains in the Norman Tower (in the Ringing Chamber and on the mezzanine floor), I have moved a few of the more fragile volumes with me - please do get in touch to borrow books.

Winston Girling has worked on digitising Ranald Clouston's tower reports, and they are due to appear on the Guild website over the course of the year. They will be password protected to ensure personal contact details that may appear on them are not directly available on the web, but viewable on request.

This year we have added DVDs to the library - 'Bell News + Ringing World 1941-1970', 'Ringing World 1971 - 2000', and 'Two Ringing Periodicals'.

Magazine Editor's Report—Sue Freeman

We have continued to produce three issues of the magazine in the year. Each District in turn is invited to contribute the front and back pages, featuring a church within the District. It is hoped that this will encourage all Districts to send in material for every issue, but sadly this has not always happened. The magazine will only continue to exist if Guild members contribute to it. In the last year we have been really delighted to receive stories and photographs quite unexpectedly – so much better than having to chase people for articles, although quite a lot of that goes on too!

Thank you to everyone who has sent in material in the last year, especially those faithful regulars without whom the life of the editor would be so much more difficult. Especial thanks to Richard Gates for his continued support and for Fairfax's cartoon characters Sally and Bob.

Distribution is sometimes difficult; many thanks to all those who help in this. Please note that District Secretaries are given a small number of spare copies of each issue so if you feel your tower has insufficient copies, please refer to your Secretary.

Guild Handbells & Mini Ring Trustee's Report—Brian Whiting

Guild Handbells

The Guild has four sets of handbells:
25 bells by Taylors size 20 in C (2 chromatic octaves)
16 bells generally by Shaw size 19 in F (diatonic 13 + 3 semitones)
13 bells by Warner size 20 in E (diatonic 12 + 1 semitone)
13 bells by various founders size 20 in F (diatonic 13)

They have been used intermittently during the year and currently all sets are back with the trustee, with the exception of one of the sets of 13, which is in the NE district. The bells remain in good order.

The loan of any of the sets of handbells is subject to the regulations printed on page 84 of this report.

Vestey Ring

The Vestey Ring is a portable peal of six, tenor 8lb 5oz in B.
Three promotional banners are available with the mini ring.
Details are available at http://www.suffolkbells.org.uk/towers/vesteyring1.php
The bells had eleven outings during 2016, two of which were out of county, details of which can be found at http://www.suffolkbells.org.uk/vesteyringbookingsall.php

Directory of Suffolk Towers and Correspondents

The table on the following pages shows details of every ring of four or more bells in the area covered by the Suffolk Guild of Ringers, along with the tower correspondent and their contact details where known.

All Guild tower correspondent email addresses are {towername}@suffolkbells.org.uk

Condition of the ring (Cond)

10 Excellent. Ball bearings, modern frame and fittings.
9 Excellent. Plain bearings, modern frame and fittings or ball bearings in old frame.
8 Good going order
7 Fair going order
6 Poor going order
5 Ringable if cleaned up and odd fittings and ropes provided
4 Rung occasionally. Frame/fittings nearly life expired
3 Not to be rung mainly because of tower and/or frame arrangement and position
2 Not to be rung mainly because of frame and/or fittings
1 Hung dead
0 Some bells unhung on the ground

Please note that the classification is based on the condition only at the last date of inspection, and any enquiries or requests for further inspections should be directed in the first instance to the Suffolk Guild Technical Advisor.
The key of a ring (i.e. the note of the tenor) is given in cents (i.e. hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C#-20m and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

Code: G Ground floor ring
A Anticlockwise rope circle
D Detached tower
R Round tower
S Simulator
T Toilets available

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Advisor or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place.

District Report—Kate Gill

I was pleased to be elected as the Secretary for the North East District, at the Annual District Meeting in November 2016. As a relatively new returner to this absorbing activity, it is a pleasure to become more closely involved in supporting ringing throughout our District. Mike Cowling is our new Chairman and Philip Gorrod remains as Ringing Master. Warm thanks are due to our previous Chairman and Secretary, Ed Rolph and Michelle Williams.

The District has had a busy year and we are pleased that we have attracted eleven new members. There has been a busy programme of focused training events, following tower liaison meetings in January to discuss their needs. These focused practice sessions have included bell handling for beginners at Blythburgh, call changes at Halesworth, Metfield and Yoxford, Plain Hunt at Rumburgh, and Plain Bob Doubles at Reydon and Theberton. Ten District members attended Module 1 of the ITTS held at Reydon and two others attended a similar course at Bury St Edmunds.

The District Striking Competition was held in May at Wissett, and there was a good entry, including bands that had not recently or regularly taken part. It was an enjoyable event and we hope that more bands will take part in the District Striking Competition on 13 May 2017 at Metfield. The District was also pleased to host the 2016 Guild Striking Competition at Reydon and Southwold.

We were asked to attend the FolkEast event in Little Glemham during three days in August, with a team of ringers available to help people try the mini-ring. We are grateful to ringers from other Districts who helped. Many people tried the mini-ring and we collected names of those interested in progressing further. However, this has not proved successful in terms of finding new recruits.

There were some notable successes in terms of ringing peals and quarter peals during the year. These are too numerous to mention individually, but included a first peal for Sal Jenkinson and first peals for many years for Mike Cowling, Jon Iles and Chrissie Pickup. First quarter peals were scored by Barry Kimber, Caron Harris and Dominic Parkes.

District Report—Ruth Young

We started in January in our customary fashion with ringing at the Norman Tower followed by a carvery lunch and meeting at the Bunbury Arms in Great Barton.

Practices – In an attempt to ensure that each practice would have enough people, we tried a new formula this year, a quarter peal attempt followed by open ringing: this we did in February, March, April and May. Although reducing the open practice time, this approach meant that those turning up were guaranteed a ring.

Striking competitions – We did not hold a District striking competition this year. We were represented in the Guild six bell by teams from Great Barton coming 3rd (method) and 2nd (Call Changes) and Pakenham 5th (Call Changes).

Quarter Peal Week - 21st to 29th May. We repeated last year's simultaneous quarter peals followed by a meal. During the week a total of 28 people participated with 11 quarters scored at 9 different towers.

Training – In June we held a training morning titled 'How to Improve your Striking' on the simulator at the Norman Tower. This was attended by 6 trainees from 4 different towers with 6 helpers.

Outing – Held in July, this year's outing was to Cambridgeshire. In spite of a long delay on the A14 we all made it to the first tower on time.

Focus practice – This was held in August and designed as follow up to the training morning. The Lakenheath ringers invited us to their practice where we assisted with rounds and Call

Changes and Plain Hunt Doubles. This was very well attended with 19 present.

The Guild Social – September. The Ring and Ramble + picnic was designed to ensure the event would happen regardless of numbers. 35 people (and two dogs) joined us with each District represented. The weather could have been better, but we didn't lose anyone on the footpaths around Thornham Magna and Wickham Skeith. Three table quizzes were provided for entertainment after the picnic in the village hall at Thornham Magna.

In October we held the ADM at Rougham and in November there was a quarter peal and open practice at Great Barton, with our Christmas social and ringing at Pakenham in December.

District events have been fairly well attended although we would welcome more District members and visitors in 2017.

District Report - Ralph Earey

2016 has seen a significant change in the calendar of District events. After a lot of analysis and discussion, the District chose to drop future quarterly meetings with immediate effect. This decision was not an easy one to take. There has, however, been a healthy level of District events; District practices, the training morning, quarters afternoon, quarter peal fortnight and the outing. We are grateful to Jane Harper who volunteered to take the role of Secretary (with reduced responsibilities) at the March meeting.

April saw the first District training day for a long while. Grundisburgh ringing room was full to capacity and, from the feedback we received, this session on ringing up and down was much appreciated by all those in attendance.

Ipswich Historic Churches Trust—George Pipe, who has represented the Guild's interests on the Trust for some 36 years, has stepped down. We owe a great deal to George for this unstinting service and are delighted that Katharine Salter has volunteered to take up this responsibility.

We were delighted that the District was well represented in the Guild's entry to the Ringing World National Youth Contest held in London in July. They attained a Grade B for their entry in the Call Change competition. I know the team are very grateful for the sponsorship from the Pipe Fund and general fundraising by members.

At the Guild AGM in April, Tom Scase was 'promoted' by election as the Guild Ringing Master. He kindly agreed to continue in both posts until the ADM. We are of course delighted for Tom and proud that this key Guild role has been filled by a District member.

Thank you all, and especially the District Officers, who have given freely of their time over the past year.

District Report—Pam Ebsworth

My first task as your new secretary is to thank all the District Officers who have kept things ticking along over the last 12 months. You know who you are! Monthly practices and other events have been held on 4th Saturdays at a variety of different towers, with ringing for all levels of ability. There has also been a monthly practice on Sunday afternoons at Sudbury, St Peter. These are your practices so please come and get a 'buzz' from helping our newer ringers to achieve or by challenging yourself to ring something different.

The District Striking Competition was held at Rattlesden on 25th June. We had a fabulous bring and share tea and thanks go to everyone who contributed to the success of this event by ringing and donating food. Also, a big thank you must go to Dave Ward and his team of happy helpers. We would like to see more ringers having a go at this, so please put June 24th in your diary and start practising! Congratulations are also due to the Woolpit team who came 2nd in the Guild 6 bell competition for the Mitson Shield, ringing Grandsire Doubles. I am sure that we have other ringers in our district who could enter a band for this or the Lester Brett Call-Change trophy – are you up for this challenge in 2017?

In July four district ringers attended an Association of Ringing Teachers Module 1 course (teaching Bell-handling) at The Norman Tower. They are all now actively teaching new

ringers at Hadleigh and Cavendish, with support from their assigned mentors. Watch this space for an increase in membership over the next 12 months! Anyone interested in the ART courses can read more at http://ringingteachers.org/

If you have young ringers at your tower please encourage them to attend the District Young Ringers events as it is much more fun ringing with people of your own age – contact Ruth Suggett yrcoordinator@suffolkbells.org.uk
Enjoy your ringing in 2017!

Recruitment and Training

Learning methods - first steps

1) Identify your learning style – do you prefer to learn by seeing, hearing or doing?
2) Learn the method in small bits to start with, then join the bits up
3) Relate any new method to what you already know
4) Familiarise yourself with new types of work
5) Learn where you pass the treble and where you work with it
6) A poor handling style can affect progress so get someone to video you then listen to their advice!
7) Try to maintain a constant rhythm (which should be the same as the rest of the band)
8) Stand behind someone and follow them ringing the method you are learning
9) Go out to other towers where they ring what you are learning (& attend Guild and District events)
10) Do not be afraid to ask for help – ask several people as they may explain things differently
11) Do your homework (before the practice night)

Learning methods - next steps

1) Learn the basics first and then build up to more complicated methods
2) Look for signposts (roll ups, familiar changes, passing & working with your before & after course bells)
3) Learn the place bell order and all of the starts
4) Learn the structure of the method by using the grid (shows blue line for each bell for one lead)
5) Learn the bobs and singles
6) Practise ringing the method on Abel
7) Do your homework (before the practice night)
8) Listen critically to your striking (whatever you are ringing)
9) Attend Training Days & Ringing Courses
10) Attempt a quarter peal

Peal Secretary's Report—Christine Knight

The rise in the Guild peal total to 107 in 2016 was very welcome after the big drop of the previous year. However, it is disappointing to note a further decline, to 40, in the number of Suffolk towers which hosted Guild peals during the year. Excursions out of county have also diminished recently. There were just two such peals, at Ardleigh in Essex and Elloughton in the East Riding of Yorkshire. There were no peals following restoration projects in 2016, but on 7th August the last peal was rung on the old bells at Horringer prior to the casting of an eagerly awaited completely new ring.

There were fewer national commemorations to act as stimuli for peals in 2016, but it was good to see the Suffolk Guild feature prominently in the record of peals to celebrate the 90th birthday of HM Queen Elizabeth II. Peals were rung at Felixstowe on 22ndApril and at Aldeburgh and Wenhaston on 12th June. Also, Brian Whiting composed and conducted special 5090's of Elizabeth R Surprise Royal and Queen Elizabeth II Delight Major, rung at the Norman Tower (11th June) and Offton (16th June) respectively. Nationwide, World War One centenary peals continued throughout the year, both to honour individuals who made the ultimate sacrifice and to commemorate major battles in the conflict. On 31st May, a new method was rung at Grundisburgh to mark the centenary of the Battle of Jutland. A 5100 of Battle of Jutland S Major was rung in memory of RSM James Bennett (RM), who was a survivor of that battle and had been a ringer at Grundisburgh. Another local ringer was remembered in a footnote to the peal at Pettistree on 17th November. The peal was rung on the exact centenary of the death of village resident Private Edward George Cooper. The centenary of the commencement of the Battle of the Somme on 1st July 1916 was also a focus for peals. Stephen Pettman conducted another Brian Whiting composition, this time a 5100 of Somme S Major at Henley on 1st July, it having been the worst day in the history of the British army, which suffered 57,470 casualties on that day alone.

The 'First Peal 2015' initiative produced eight first pealers for the Guild. Without this impetus, there were just two first pealers in 2016. Congratulations must go to Adrian Craddock and Sal Jenkinson. It is interesting that the peals in which each of these reached this milestone also contained someone ringing a peal after a very long gap. At Grundisburgh on 16th May, Joanna Crowe rang her first peal for 35 years, and the peal at Wenhaston on 12th June was Michael Cowling's first peal for 50 years, both huge achievements. In fact, 2016 could be seen as 'the year of the returnee', an exceptional year in that Joanna and Michael were joined by no less than four other ringers who had been absent from the peal columns for many years: Christine Pickup (Wissett, 2nd July) after a gap of 24 years, Rowan Wilson (Grundisburgh, 4th November) after 25 years and, although not claimed in footnotes, Martyn Crouch (Horringer, 7th August) after 19 years and Mark Ogden (Ufford, 30th July) after 25 years. Hopefully, they will be encouraged to ring further peals in the near future.

Many trends in Suffolk peal ringing have continued, with monthly attempts by the Aldeburgh peal band, and also attempts of Surprise Major on the light eight at St Mary-le-Tower. At The Wolery, the 350th peal on the bells was reached on 10th February. It was also pleasing to see more peals at Grundisburgh in 2016, where the 700th peal on the bells for the Guild was recorded on 9th April. After the huge dip in 10 and 12 bell peals in 2015, it is encouraging to see an increase, though still no peals of wrong place Royal or Maximus. Five handbell peals have boosted the Guild peal total, and it is good to see talented younger ringers taking part. On tower bells, one first each of Minor, Royal and Maximus, together with a first of Surprise Major, London Major and Bristol Major and three firsts of Cambridge Major were recorded; these are all encouraging, but there is scope for much more. It may be that there is a hiatus between a very able group of young ringers who are now well established and, in some cases, have left the county, and a new group of young ringers who are only just beginning to realise their potential in peal ringing. The peal rung on the Vestey Mini-Ring at Halesworth on 6th April, by a predominantly youthful band, with 5 firsts on a mini-ring, indicates that there is no lack of enthusiasm. Mini-bell ringing is a difficult skill, and the band is to be congratulated on this achievement. The List of Conductors also makes positive reading as 6 of the ringers

featured are aged under 30. Louis Suggett and Alex Tatlow maintain their interest in composition. Alex called his own composition of Yorkshire Major at Ixworth on 1st February, and Louis his own composition of Stedman Cinques at St Mary-le-Tower on 6th February. George Salter is also to be congratulated on calling a complex Alan Reading composition of Double Norwich at Ardleigh on 29th July. Stephen Pettman has always been keen to produce musical compositions and has developed an innovative series of compositions of Plain Bob using a 'shunt' call to shorten courses and cut out less musical parts. The Major version, rung at Leiston on 1st September, was particularly difficult to call.

As the number of peal venues declines, the number of Guild towers which used to host one or two peals a year, but now have not been pealed for several years is rising, with the regrettable effect that the difficulty of obtaining permission for a peal attempt can only increase. The peal rung at Clopton on 28th May during the church's flower festival is a good example of peal ringing for a local occasion, which, if organised carefully, can be such good PR for ringing in a local community. Such peals could, perhaps, involve ringers who ring peals infrequently, and thus bring the benefits of peal ringing to a wider cross section of our membership. Finally, I should like to thank David Salter, Brian Whiting and Michelle Williams for all their support in preparing the peals section of this Report.

Young Ringers

There is an active group of Young Ringers in the Guild that ring together and support each other to further their ringing. Events have been held on a Guild-wide basis, but we are likely to focus on more local practices to reduce travel. Previously we have entered teams into the Ringing World National Youth Contest, but this is not the only purpose of the group.
We ask for all Tower Captains to promote this group and encourage attendance.

If you're interested in joining the group and ringing with other young ringers please contact yrcoordinator@suffolkbells.org.uk

Safeguarding Statement

The Suffolk Guild of Ringers takes the safeguarding and protection of children (under 18s) and vulnerable adults very seriously. It recognises that the welfare of children and vulnerable adults is paramount and that we have a duty of care when they are in our charge. We will do everything that we can to provide a safe and caring environment whilst they attend our activities. All children and vulnerable adults will be treated with respect and dignity.

Safeguarding Policy

The Guild, as advised by the CCCBR, follows the Safeguarding Procedures of the St Edmundsbury & Ipswich Diocese:

- Local tower arrangements should always be approved by the PCC in line with the Parish Safeguarding Policy[1]. The Tower Captain should have a copy of the Parish Safeguarding Policy and ensure that ringers have access to it.
- All Tower Captains and ringing teachers MUST hold a current clear DBS check status **IF** their role includes the training of children or vulnerable adults
- In such circumstances Tower Captains and ringing teachers must attend Level 2 "face to face" Safeguarding Training (Raising Awareness of Safeguarding Vulnerable Groups) in the Diocese every three years.[2]
- Any ringer involved with training children or vulnerable adults should complete Level 1 Safeguarding Training (Induction Training) which is available to download from the Diocesan website, tinyurl.com/edind. Once completed the form should be seen and countersigned by the Parish Safeguarding Officer or the incumbent, who will store it securely.[3]
- Any person requiring safeguarding training in either of the above categories MUST also complete a Confidential Declaration Form, tinyurl.com/edcdec. The completed form should be handed to the incumbent for secure and confidential storage.

A ringer does NOT require a DBS check if acting in a supporting role, unplanned one-off teaching or deputising in an emergency, providing two adults (preferably one of each gender) are present, or transporting children or vulnerable adults as part of arrangements between families.

Where there is cause for concern this should be reported to the Parish Safeguarding Officer or Incumbent immediately.[4]

1 The Parish Safeguarding Statement / Policy should be displayed in the church together with the name and contact details of the Parish Safeguarding Officer.

2 The Parish Safeguarding Officer will keep a register of Level 2 courses attended but ringers are advised to keep their own record too to ensure that their qualifications do not lapse.

3 It is only necessary to print page 9.

4 The Parish Safeguarding Officer or Incumbent will refer immediately to Suffolk County Council Customer First – 0808 800 4005.

If there is risk of immediate harm call the police – 999

Mary Garner

Safeguarding Officer, Suffolk Guild of Ringers

Minutes of the Suffolk Guild Annual General Meeting held on Saturday 2nd April 2016 at Hadleigh

1. Welcome, Thanks and Apologies
The Chairman expressed the meeting's thanks to The Very Revd Martin Thrower for leading the service and to the Church for its hospitality.
The Chairman then expressed his thanks to Derek and Penny Rose and the whole team for an excellent tea.
Thanks were given to Philip Gorrod for demonstrating handbells this afternoon and to members of the BAC who were on hand to give advice.
£191 was raised for the Young Ringers to enter RWNYC 2016 in the raffle.
There was an excellent response to the subscriptions tabletop survey that Ralph Earey organised for the 2015 AGM which showed that responders would be largely supportive of a reduction / removal of age related concessions. Results and analysis are on the website
82 members signed the attendance book. 27 gave their apologies.

2. Absent Friends
The meeting stood for a minute's silence to remember: Matthew Warner, Benedict Powell, Jack Bennett, Mike Warren, The Rt Revd Clive Young, the Ven Terence Gibson, Dr John Blatchly, Sal Burrows and Peggy Mayle.

3. Election of New Members
Terry Langland (Hadleigh), proposer Richard Finch, seconder Derek Rose.
Judith Raven (Wenhaston), proposer Michelle Williams, seconder Philip Gorrod.
Duly elected.

4. Minutes of the 2015 AGM Annual Report page 80
The minutes of the last meeting were signed as a true account of the meeting.

4. Matters Arising from the minutes
None

5. Officers reports
Maurice Rose proposed and Carl Melville seconded that the reports appearing in the annual Report be adopted by the meeting. The Chairman thanked all the officers in advance, especially to those stepping down and those taking up new roles within the Guild.

i. Ringing Master Annual Report page 13
ii. Secretary Annual Report page 15
iii. Guild accounts Annual Report page 17
The Guild accounts were accepted by the meeting.
Proposed Maurice Rose, seconded John Girt. All in favour.

v. Public Relations Officer Annual Report page 16
vi. Magazine Editor
Thank you to all those who have sent contributions to the magazine in the last year. I apologise if your piece has not yet appeared –sometimes it is not possible to fit everything in, or your piece has arrived after the copy deadline.
We have produced three issues since the last AGM and kept to much the same format each time. This means that the districts in turn are asked to provide the front and back pages, the chairman is given a slot and all the districts are invited to contribute some news of their ringing activities. On page 2 you will always find information about the deadline for the next issue and details of how to submit your articles.
After that we are keen to receive any other bell related stories, preferably with photographs. We are particularly interested in covering news of training events and of the activities of our young ringers. We would also like to congratulate bands or individuals on notable performances. Ideas for future articles would be gratefully received.

Especially thanks to our cartoonist who never fails to produce another episode in the lives of those well known ringers Bob and Sally.

I apologise for the unfortunate timing of the latest issue, which was delivered to the District Secretaries just after they had finished distributing the Annual Reports. This means that it is quite likely that some towers have not yet received the spring issue. Many thanks to all those who assist in distributing the magazine. - Sue Freeman.

vii. Librarian Annual Report page 15
viii. Peal secretary Annual Report page 48
ix. Mini-ring and Handbell Trustee Report
The Guild has four sets of handbells. 25 bells by Taylors size 20 in C (2 chromatic octaves), 16 bells generally by Shaw size 19 in F (diatonic 13 + 3 semitones), 13 bells by Warner size 20 in E (diatonic 12 + 1 semitone), 13 bells by various founders size 20 in F (diatonic 13).
They have been used intermittently during the year and currently the sets of 25 and 16 are back with the trustee. The two sets of 13 are in the NE and NW districts respectively. The bells remain in good order.
The Vestey Ring is sought after in the Guild and beyond and is used about 12 times a year. Details of its visits are on the Guild Website. There were signs of some wear and tear because of transportation etc. This was to be expected but ongoing maintenance would be needed. - Brian Whiting

x. Webmaster Annual Report page 16
xi. Report Editor
Hopefully by now you will all have had time to familiarise yourselves with the 2015 Guild Report. Production has been a labour of love, particularly with an early Easter bringing tight deadlines for completion.
For the first time, tower and correspondent details are provided together in one place. We have also made a good start on providing @suffolkbells.org.uk email address contacts for those towers with an email-able correspondent and ringable bells. Information has been cross checked against the website, but is still very much a work in progress.
If you know of additional correspondent email details, or have any other amendments to give, then please do let me know, so that details can be changed.
There are so many of you who helped make the Report possible this year. To everyone that contributed, even in the smallest way – thank you. Special thanks are due to District Secretaries and Treasurers, the peal team of Christine, David and Brian, to Neal for quarter peal data, Winston for tower details and to Chris Garner, our webmaster, for the massive task of setting up the Guild tower email addresses.
I have a final thank you to my ringing friends and family for proof reading the Report endless times and for putting up with me being grumpy. The Report is a true team effort. Thank you all; I couldn't have done it without you! - Michelle Williams

John Girt asked that postal addresses be re-instated. Some debate ensued and the chairman asked that John put his views to the GMC through Ralph Earey so that the GMC could discuss and provide direction to the Report Editor.
John Girt further pointed out to the Report Editor that elements of information had been omitted not only in the 2015 report but also from the 2014 report. The Chairman interjected to inform the meeting that there had been no proper handover to the Report editor and that under those circumstances he felt she had made a good job of a very difficult task.

xii. Young Ringers
Following a lacklustre start to the year, we are now in the process of organising a band and entering the Ringing World National Youth Contest. We are also now proud to have Ruth Suggett as our co-ordinator who will run the Young Ringers and give us some much needed expertise.
This band, who will be representing Suffolk in The National Youth Contest, will be travelling down to London and will be put through their paces in the heats. The successful teams from the heats will then go into the final and compete for the trophy.

With promising new ringers in each districts, particularly in the South West and North East Districts, we hope to produce some Young Ringers and this will give us a good boost, both in terms of numbers and the presence of Young Ringers in the Guild. - Ambrin Williams

7. Trustees' Report Annual Report page 9

8. Central Council Report
As seen on the website.

9. Subscriptions and Peal Fees for 2017
Fees this year remain unchanged. However, the results from the AGM 2015 survey show that removing age concessions to increase subscriptions revenue would be acceptable to respondents. The Chairman went on to remind members that one way to avoid future increases in subscriptions would be to recruit new members.

10. Election of Officers for 2016/2017
The Chairman thanked all the officers of the Guild, particularly those stepping down this year and to those who work behind the scenes.
The chairman made specific mention of Jed Flatters' contribution as Ringing Master and that of Richard Munnings as Public Relations Officer for five years immediately following his five years as Ringing Master.

There were single nominations for each of the following and the officers were appointed without the need for election

Post	Elected	Proposed by	Seconded by
Chairman	Alan Stanley	Kay Lucas	Carl Melville
Ringing Master	Tom Scase	Jed Flatters	Maurice Rose
Secretary	Carl Melville	Alan Stanley	Winston Girling

11. Election of Trustees

Maurice Rose proposed and Jed Flatters seconded that the Chairman, Secretary and Treasurer be Trustees for the Guild. All in favour.

12. Election of Central Council Rep's for 2017 -2019

Name	Proposer	Seconder
Veronica Downing	Ed Rolph	Lesley Steed
Stephen Pettman	Ed Rolph	Lesley Steed
Neal Dodge	Mary Garner	Philip Gorrod

13. Appointment of Independent Examiner
Ian Webster from Larking Gowen would remain Independent Examiner.
Proposed Maurice Rose, seconded Diana Pipe.

14. 50 Year Membership Awards
Certificates for 50 years membership to the Guild were presented to Ernie Bishop. Ernie was unable to attend the meeting today due to ill health, but Maurice Rose would get the certificate to him.

15. Guild Social Event 2016
This year will be held in the NW district. 3rd Saturday of September. Gislingham area, Ring and Ramble in Thornham Walks with a picnic. Details to follow soon.

16. St Edmund's Clapper competition
Three contestants: Sproughton £200, Offton £440, Millbeck ring £50. Awarded to Offton. Jed said the field is open for more competition next year as Offton would not be entering. Funds raised by Offton would go toward their own project.

17. Any Other Business
Mary Garner has had over 500 membership forms back. It has gained more email addresses to aid Guild communications. There have been 90 or so amendments to Gift Aid. Mary asked that we make use of the membership secretary.

John Girt has brought with him a Guild report collection for people to take home if they wish. They date from 1971- present.

David Stanford asked that ringers make use of Clopton bells over the bank holiday weekend of May 30th, which is Clopton Church flower festival. They would like the bells rung all three days. Offers of peals and quarters welcome.

Mike Whitby said that Richard Munning's blog was interesting and useful to the Guild. Will he carry on? Richard said he would!

18. Date of next AGM: Saturday 22nd April 2017 in the NE District

The Suffolk Guild of Ringers
Objects, Constitution and Rules - 2014 revision

OBJECTS

The Guild shall promote ringing for Divine Service within the Diocese of St Edmundsbury and Ipswich by:

1 Promoting and encouraging the practice of bellringing.

2 Supporting the recruitment and training of bellringers.

3 Cultivating the art of scientific ringing.

4 Promoting an appreciation of the ringing chamber as part of God's house and encouraging care and attention to its cleanliness and proper equipment.

5 Promoting the preservation of bells in an efficient condition, recommending necessary repairs and renovations and providing reliable information and practical advice on the condition of the bells and their fittings.

6 Supporting restoration and/or augmentation.

CONSTITUTION

A. NAME

1 The Guild shall be known as the Suffolk Guild of Ringers for the Diocese of St Edmundsbury and Ipswich.

1.1 The Guild shall be affiliated to the Central Council of Church Bell Ringers.

1.2 The Guild shall be registered as a Charity at Law (Ref. 266869).

1.3 The Trustees of the Guild shall be at least three members of the Guild Executive as defined in rule J13, and shall be elected at the AGM.

B. MEMBERSHIP

2 Membership shall consist of the following categories:

2.1 Ringing Member: A person who can ring rounds, unaided, on a tower bell.

2.2 Associate Member: A Person who wishes to support the Guild.

2.3 Life Honorary Member: A Ringing or Associate Member who has given outstanding service to the Guild.

2.4 Non-Resident Life Member: A person qualified to be a Ringing or Associate Member, but who resides outside of the Guild's territory and is not a member under 2.1, 2.2 or 2.3.

3 Only Ringing and Life Honorary Members may vote or hold office in the Guild.

4 Churches within the Diocese may be affiliated to the Guild on payment of an annual donation of an amount at least equal to the subscription payable by a Ringing Member aged between 65 and 74.

C. DISTRICTS

5 There shall be four Districts, North East, North West, South East and South West. Towers may move from one District to another with the agreement of both Districts and subject to approval by the Guild Management Committee (GMC).

D. GOVERNMENT

6.1 The President shall be the Bishop of St Edmundsbury and Ipswich.

6.2 A Suffragan Bishop within the Diocese shall be a Vice-President.

6.3 Vice-Presidents elected before 2010 shall hold office for life and shall not be required to pay a subscription.

6.4 A non-member may be elected as a Patron at an AGM. Patrons shall hold office without re-election, but may be removed by a resolution at an AGM.

7 The Annual General Meeting (AGM) or any Special General Meeting (SGM) shall be the ultimate policy and decision-making body of the Guild. The AGM shall be held on the Saturday following Easter or as decided by the GMC.

8 Members shall be elected to the following Offices:

Chairman	Technical Advisor	Ringing Master
Librarian	Secretary	Handbells Trustee
Treasurer	Peal Secretary	Chairman of Belfry Advisory Cmttee
Report Editor	Magazine Editor	Public Relations Officer
Webmaster	Mini Ring Trustee	Central Council Reps

9 The Annual General Meeting shall appoint an Accountant, who is not a member of the GMC and need not be a member of the Guild, to act as Independent Examiner in accordance with The Charities Acts.

10 The following Committees shall be formed:

The Guild Management Committee (GMC), to co-ordinate Guild activities and publish a printed Annual Report and Accounts. It shall recommend the levels of subscriptions, peal fees, other methods of raising capital, authorise expenditure from Guild funds and may organise general meetings, ringing and social activities.

The Recruitment and Training Committee (RTC), to co-ordinate training and recruitment. The Belfry Advisory Committee (BAC), to advise and assist on all matters connected with rings of bells. It shall maintain an up-to-date directory of towers, listing the condition of Church bells in the Diocese.

E. FINANCE

11 All money in the Guild's funds not required for normal working purposes shall be invested or deposited by the Treasurer as may be directed by the GMC.

12 All cheques shall bear the signature of the Chairman, Secretary or Treasurer.

12.1 Any cheque greater than a limit set by the GMC shall bear the signatures of two of the above.

13 The expenses listed in Rule K16 shall be paid out of the General Fund.

14 The interest received on the Jubilee Fund shall be transferred to the Guild Restoration Fund. The capital element of the fund shall be retained intact.

15 Grants from the Restoration Fund shall be authorised by the GMC, but shall only be paid after the work has been approved by the Guild Ringing Master and the Technical Advisor. Grants will normally be offered for work to restore bells and their fittings for full-circle ringing, but may include augmenting and other ancillary work associated with any such project.

16 The St Peter's Sudbury Fund shall be used for running expenses and minor repairs and refurbishments to St Peter's bells and fittings.

17 The Library Fund shall be used for the purchase and repair of books and other items for the library.

18 The Handbell Fund shall be used for the repair, maintenance, renovation or augmentation of the Guild's handbells.

19 The Pipe Family Trust Fund shall be used for the encouragement of beginners in the art of change ringing in the Suffolk Guild. The fund will be administered by the Guild executive.

20 The GMC may establish further funds and shall specify the aims and objectives of such new funds.

21 The GMC may transfer sums from the General Fund to any specific funds and, if the purposes of the specific funds cease to exist, close these funds and transfer the balance to the General Fund.

22 The GMC shall recommend the proportion of peal fees, subscriptions of Ringing and Associate Members and Non-Resident Life Membership fees which shall be transferred annually to the Restoration Fund from the General Fund.

F. RECORDS AND HANDBELLS

23 All peals rung for the Guild and a summary of other peals and quarter-peals rung in the Diocese shall be published in the Annual Report.

24 The Librarian shall maintain an up-to-date inventory of publications owned by the Guild and the Secretary shall maintain an up-to-date inventory of other Guild assets.

25 The Handbells Trustee shall maintain the handbells in good condition and shall make recommendations for their repair to the GMC.

G. GENERAL

26 The Constitution and Rules may only be amended at an Annual or Special General Meeting of the Guild.

26.1 Fourteen days' notice of any proposed change to the Constitution and Rules of the Guild must have been provided to members through the Ringing World and the Guild website.

26.2 Any change must be approved by at least two-thirds of those present and voting and shall take effect from the date given in the proposal.

26.3 No amendment shall be authorised which shall have the effect of the Guild ceasing to be a Charity in Law.

27 In the event of dissolution of the Guild, any assets remaining after the satisfaction of all its debts and liabilities shall not be paid to or distributed among the members of the Guild, but shall be given or transferred to such other charitable institution or institutions having similar Objects to the Guild.

GUILD RULES

H. ELECTION OF MEMBERS AND SUBSCRIPTIONS

1 Ringing and Associate Members may be elected at any meeting by a majority of those present when proposed and seconded.

1.1 A member may belong to only one District, normally the District under which the member is shown in the Annual Report.

2 Subscriptions are due on election and thereafter, in advance, on January 1st each year and shall be set at the preceding AGM, or SGM. If a change in subscription has not been passed, the existing rate shall continue.

2.1 No member shall be entitled to be heard, vote or hold office if subscription for the current year is unpaid.

2.2 The subscriptions of members elected during or after October shall cover the remainder of that year and the whole of the following year.

2.3 Persons in full time education and members over 65 years of age shall pay a reduced rate of subscription. Members over 75 years of age shall pay no subscription.

3 Life Honorary Members may only be nominated by the GMC or a District and shall only be elected at a Guild AGM after their nomination has been approved by the GMC. No further subscription is payable after election.

4 Ringing or Associate Members may, on leaving the Diocese, inform the Guild Secretary that they wish to become Non-Resident Life Members. No subscription is payable during the period of non-residence.

5 A person resident outside the Diocese who wishes to be associated with the Guild may be elected a Non-Resident Life Member. A one-off subscription is payable by such members. Any Non-Resident Life membership ceases if the member takes up residency within the Diocese.

6 For the purposes of peal ringing, new members may be provisionally elected in the belfry. Membership is subject to confirmation at a meeting of the appropriate District in the case of a Ringing Member or at a meeting of the GMC in the case of a Non-Resident life Member. If election is not confirmed the subscription shall be refunded.

7 Any member failing to conform to the Objects and Rules of the Guild may be expelled by the GMC which shall report the matter to the next Annual General Meeting. Such a member shall forfeit any payment made to the Guild.

I. ELECTION OF OFFICERS

8 All Officers shall retire at the Guild's AGM, but shall be eligible for re-election. The Chairman, Ringing Master, Secretary and Treasurer shall not serve more than five consecutive years in one post.

8.1 Nominations may be made in writing to the Guild Secretary or orally at the AGM providing they are proposed and seconded.

8.2 If more than one nomination for any office is received, election shall be by paper ballot, the successful candidate being the one with the highest number of votes. In the event of a tie the Chairman shall have a casting vote.

8.3 Central Council Representatives shall be elected, in accordance with the rules of the Central Council, during the second year of the triennium at the AGM of the Guild.

J. COMMITTEE STRUCTURE

9 The Guild Management Committee (GMC) shall consist of the Guild Chairman, Ringing Master, Secretary, Treasurer and Chairman of the Belfry Advisory Committee, and up to five members from each District, elected in accordance with Rule 20.

9.1 Four members of the Committee shall constitute a quorum.

9.2 The Chairman shall chair all Guild and GMC meetings. In his/her absence by a person elected by the meeting.

10 The Recruitment and Training Committee (RTC) shall consist of the Guild Ringing Master as Convenor and two members from each District.

11 The Belfry Advisory Committee (BAC) shall consist of the Chairman BAC, the Technical Adviser and such members as they may co-opt. Members shall be approved by the GMC.

12 Each Committee in Rules 9, 10 and 11 shall meet at least three times a year.

13 The Guild Executive shall consist of: Guild Chairman, Ringing Master, Secretary, Treasurer and Chairman of the Belfry Advisory Committee. The Executive shall take such emergency decisions as may be required before it is practical for the GMC to meet. They shall also make a temporary appointment until a General Meeting can be convened if a Guild Office becomes vacant between AGMs.

14 The GMC may convene sub-committees and shall determine their terms of reference, powers, duration and composition. All acts and proceedings of any such sub-committees shall be reported back to the GMC as soon as possible.

15 The GMC may request the attendance of other officers of members as may be required.

K. EXPENSES

16 The following shall be paid by the Treasurer out of Guild funds:

- The cost of printing the Annual Report and any other publications authorised by the GMC.
- The expenses of Guild Meetings (including District).
- Stationery, postage, telephone, notices of all meetings and other incidental expenses.
- Guild insurances.
- Central Council fees and reimbursement of Representatives' expenses attending each Council meeting, not exceeding the second class return rail fare and a subsistence allowance as may be determined by the GMC.
- Such other expenses as the GMC may authorise.

L. PEAL RECORDS

17 All peals rung for the Guild must conform with the decisions of the Central Council. All those taking part must be members of the Guild.

18 Conductors shall forward the following to the Peal Secretary as soon as possible and not later than 15th January the following year:

a) The names, addresses and subscriptions of any Non-Resident Life Members elected in the belfry.

b) The appropriate peal fees.

c) Compositions for peals of Triples and above and of such other peals as the Peal Secretary may request. Money received for items (a) and (b) shall be passed to the Guild Treasurer.

M. DISTRICT RULES

19 Each District shall hold an Annual General Meeting during the last quarter of the year for the purpose of receiving a report from the District Committee for the year, election of Officers and arranging activities for the year beginning the following January. Members may vote or stand for Office only in the District through which they exercise membership in accordance with Guild Rule 1.

20 The following Officers shall be elected annually: Chairman, Ringing Master, Secretary/ Treasurer, Magazine Correspondent, two members to serve on the RTC and up to five members to serve on the GMC.

20.1 A District may elect additional Officers as required to assist in the running of the District.

20.2 The District Officers shall form the District Committee, which shall be responsible for the efficient management of the District's affairs and shall report to the Annual District Meeting on the year's work.

21 The District Secretary/Treasurer shall:

- Collect all subscriptions and other moneys due and forward them to the Guild Treasurer.
- Submit a statement of accounts to the Guild Treasurer by 15th January.
- Submit a directory of tower correspondents and ringing times and a list of members to the Report Editor by 15th January.
- Submit a statement, to the Guild Secretary, of all members qualifying for inclusion in the insurance scheme by the Guild AGM.

22 The District Magazine Correspondent shall report on District activities for the Guild Magazine, the 'Ringing World' and local newspapers.

REGULATIONS RELATING TO THE SUFFOLK GUILD HANDBELLS

1 The Suffolk Guild handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four sets of handbells:

25 bells by Taylors	size 20 in C (2 chromatic octaves)
16 bells generally by Shaw	size 19 in F (diatonic 13 + 3 semitones)
13 bells by Warner	size 20 in E (diatonic 12 + 1 semitone)
13 bells by various founders	size 20 in F (diatonic 13)

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by other member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without the prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that Committee.

THE MITSON SHIELD, LESTER BRETT TROPHY AND ROSE TROPHY STRIKING COMPETITION RULES:

1 The competitions shall take place on date(s) decided by the GMC.

2 All Ringing Members and Life honorary Members of the Guild may compete providing their subscriptions are paid.

3 The Mitson Shield, Lester Brett and Rose Trophies shall be competed for as follows:

Mitson Shield and Lester Brett Trophy

3.1 Bands shall comprise six ringers fulfilling at least one of the following:

a) at least four are listed under the tower in the Annual Report

b) The ringers are a bona fide benefice (or similar) Sunday Service or practice night band.

3.2 a) For the Mitson Shield the test piece will be 240 true changes of any recognised Doubles or Minor Method(s). Opening rounds will not be marked.

b) For the Lester Brett Trophy call changes of at least eight minutes marked ringing, to include Queens, Whittingtons and Tittums. Marked changes start when the first change is made.

Rose Trophy

3.3 Bands shall comprise eight members of a District or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

3.4 The test piece will be at least 224 true changes of any recognised Triples or Major method (s), of which only the first 224 changes, excluding the opening rounds will be judged.

4 Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 3.

5 The times of the draws are to be advertised in the Ringing World and each band must have a representative present at the relevant draw.

6 A total of two minutes practice ringing will be allowed before each test piece.

7 In the event of bands ringing Doubles or Triples, a cover bell must be used.

8 The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.

9 In the event of a large entry, the Ringing Master may choose to shorten the length of either test piece.

10 A reserve ringer, appointed by the Ringing Master, will be available at the Ringing Master's discretion, to bands meeting short.

11 A minimum of two judges appointed by the Ringing Master will be present. Their decision is final.

12 The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.

13 Interpretation of all rules is at the discretion of the Ringing Master.

Foreword from the Chairman

This is the fifth foreword that I have provided for the Annual Report and it marks the conclusion of the maximum term that can be served as Chairman. The Guild has moved ahead in many ways over the last five years most notably in the areas of youth ringing and its increased prominence in public perception.

Once again I have had a sight of the Officers' reports that appear in the following pages ahead of publication as part of my preparation of this foreword, and once again I am amazed at the effort and the accomplishments of our Officers, our Committee members and our ringers.

I am going to keep this shorter than it might otherwise be by not summarising what you will find, you will have to read it for yourself. But there are a couple of things that I can not let go without a mention. Winston Girling highlights the massive amount of work undertaken and advice provided by the BAC. This is not ringing; this sleeves up, hard work on the one hand and investigation, consultation and report writing on the other. And ringing in Suffolk is the better for it. Efforts made in the arena of public relations are also not ringing; it might seem simple to do, but preparing press information and live broadcast interviews are hard work, I know from my very limited experience, and they are scary.

The other thing that emerges when you read these Officers' reports is the astonishing degree to which they refer to the achievements and commitments in other areas. This is perhaps the single most encouraging indicator that we are a healthy, progressive joined-up organisation.

The Ringing Master in his report returns a number of times to his theme of opportunity. An excellent principle and something we can all contribute to by creating and promoting opportunities for others in as many ways as we can; and then by supporting them in their endeavours.

And there is a real highlight in the Trustees' report where it is recorded that The Guild has been successful in being shortlisted for the Suffolk Heritage Award category within the High Sheriff's Awards. (I can now add, that on 15th February Neal Dodge and I attended the awards event at Wherstead Park Ipswich, and we were honoured to receive the award on behalf of the Guild).

Personally, these past five years have been hugely rewarding, but it is always good to have a change. A new Chairman will bring fresh energy and fresh ideas. Have I achieved all that I set out to achieve? Not entirely, but that is not so bad. I read somewhere recently that if you don't fail, you will never know how far you could have gone. That applies in so many ways to ringing. It's just great to keep going and testing those personal boundaries. Enjoy your ringing.

Read the report and be proud of our Guild.

Obituaries

Andrew Halsall, Polstead

Andrew was taught to ring at Polstead by Ed Hynard and for over twenty years was a loyal and always reliable member of the Sunday band. He did not often ring at other towers, apart from on organised tower ringing tours, which he enjoyed very much. He loved to ring at weddings, particularly for local couples.

Andrew was always helpful, locking up the church after practice on a Monday night and always first to offer his rope to any visiting ringer, to whom he always introduced himself as 'the boy learner.' In his retirement, which was sadly cut cruelly short, Andrew enjoyed holidaying with his wife Maggie and their two 'westies' in their caravan. Locally he helped with the village lunch, became involved with the local shoot and was always busy with family and friends. A measure of his generosity to others was the fact that he was a regular blood donor, having donated blood on 98 occasions. He was looking forward to scoring his century, but sadly that was not to be.

He is very much missed in the tower and throughout the village.

Susan Dalziel, Tunstall

Susan was one those who responded to the challenge to join the campaign for new bell-ringers at the time of the millennium. Her real joy was to be able to ring for a church service and that is how we shall remember her. A loyal ringer at Tunstall but Susan also rang at Iken where on more than one Sunday morning she would ponder upon the many ringers who, on the same bells, had called people to worship over the last five hundred years or so. She is sadly missed by the local ringers.

Canon Geoffrey Smith – Newmarket

Geoffrey was rector at Walberswick and Blythburgh from 1972 – 1985, Halesworth 1981 - 1985 and Newmarket 1985 – 2000. He retired to Eastgate Street, Bury St Edmunds and until last year had helped out at the Cathedral and with funerals at the crematorium. He was a member of the Suffolk Guild continuously since 1973 being listed at Blythburgh 1973 – 1985 and Newmarket 1986 to date.

Connie Wright – Rougham

Connie came to Rougham when she married Les Wright. Maurice Rose taught her to ring, she only rang rounds and call changes but was a loyal Sunday service ringer and regular at practice nights. Connie passed away suddenly in August aged 92, a month after moving into a care home at Felixstowe to be near her daughter.

Lord Bridges - Orford

Tom spent his career as a UK Ambassador, with postings in Rome, Moscow and Washington. The family bought 'Great House' in Orford during this time, to be their base in Britain, and this was where he and his wife, Rachel, settled full-time on retirement (with Tom commuting down to London to sit in the House of Lords, where he was a cross-bencher). They were very involved in village life and when the plan to re-hang and augment the ring of bells at Orford for the millennium was decided, Tom and Rachel gave a significant donation to the project and also volunteered to be part of the new band of ringers. The team trained at Tunstall tower until the Orford bells were installed.

Rachel's death in 2005 was a terrible blow to Tom, but he continued ringing for some years. Sadly in his last few years he was afflicted by that distressing condition of Alzheimer's disease, which eventually meant he had to leave his beloved Orford to go into a specialist care home in London. The bells were rung at his funeral, where his great achievements and sincere personality were celebrated. We plan to have a quarter peal in his memory during 2018 at Orford.

Obituaries

Derek Peck, Wetherden and Haughley

Derek came late in life to bellringing whilst in his sixties. With his strong upper body strength from being a shoe repairer and keen gardener, he loved the feel of the bellropes and, of course, the sound of the bells. Derek was taught to ring by Ken Mulley of Wetherden.

The knowledge he gained through bellringing was a constant source of pleasure to Derek. He also rang at Haughley for services and attended Ixworth practice nights regularly together with his fellow Wetherden ringers.

Much to Derek's delight, his daughter Teresa joined the band at Wetherden to learn to ring followed by his son in law Graham, upon his own retirement, learning to ring at Buxhall.

Although poor health caused Derek's attendance to cease, he always loved to chat about whether Plain Hunt, Bob Doubles or Grandsire had been rung on practice nights.

Bellringing was a big part of Derek's retirement life, enjoying in particular, the camaraderie of being part of the Wetherden team. Derek left this life on 15th September 2017 aged 84.

Frank Bloomfield, Hadleigh, Lincs and Felixstowe

Frank was a Hadleigh boy and proud of it. Along with Ed Hynard he maintained that Hadleigh tenor had the edge on Lavenham's famous bell!

A capable ringer and conductor, Frank rang 331 peals up to Surprise Maximus. His work with Fisons took him to Immingham and while in Lincolnshire he came under the influence of Jack Millhouse and met his future wife Gwen (Rusby).

Frank liked teaching too and was a keen Sunday service ringer. On retirement to Felixstowe he and Gwen gave valuable help to the new eight at St John's. We've lost a good friend.

Derek Martin, Easton

Derek was brought up in Essex and worked for the BBC, first as a cameraman and then as a producer. He was a keen sportsman and at the earliest opportunity he transferred to the sports division working on programmes such as Grandstand and other outside broadcasts. As recently as 2010 he went to the Commonwealth Games in Delhi to cover the tennis.

Retirement meant he could develop his hobby of bird watching as well continuing with sporting activities including swimming, cycling and running. He competed in a triathlon aged sixty nine.

Derek learned to ring at Wickham Market and was elected to the Guild in 2008. He helped teach the next group of learners there. Ever keen to extend his skills he regularly attended practices at Ufford and Pettistree. Latterly Derek was a loyal member of the Sunday service band at Pettistree. He was always enthusiastic and had a great sense of humour, keen to share photographic tips and join in all the tower activities.

Derek died very suddenly in May 2017. The church at Easton was full for his funeral, with ringing before and after the service. Several quarters were rung locally in his memory.

He is greatly missed especially by his ringing friends.

Trustees' Annual Report

The Trustees present their report and financial statements for the year ended 31 December 2017.

Charity

The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The Charity's registered address is 2 Fredellen, Upper Street, Witnesham, Ipswich, IP6 9EW. It is governed under a constitution originally registered in 1977 and most recently revised in 2017.

Principal objectives

The purpose of the Charity is to promote and encourage the practice of bellringing within the Diocese of St Edmundsbury and Ipswich; to recruit, train and encourage bellringers in the practice of their art; to cultivate the art of scientific change ringing; and to promote and advise on the preservation of bells in an efficient condition.

Trustees

The Trustees during the period were:
Chairman, A F Stanley, Secretary, C N Melville, Treasurer, O P Claxton

Review of Progress and Achievements

Bellringing - 103 peals were rung in 2017, 4 less than 2016. Peals were rung in 41 Suffolk towers. There was a drop in the number of successful 10 and 12 bell peals. Peal attempts had been arranged, but lost, however they are still a very useful learning experience.
In 2017, at Suffolk Guild venues, 439 tower bell quarter peals and 2 handbell quarters peals were rung. These involved 379 bellringers, 71 conductors, and 97 venues across the county. Over all, the number of peals and quarter peals rung suggest a healthy level of activity through the Guild. In addition most towers hold a regular practice night and ring for Sunday services, and special occasions.
The number of training programmes used to develop the skills of new, and established ringers, and those new to teaching people to ring, has increased. These are proving to be a valuable aid and a skills investment for the future.

Restoration activities - Members of the Belfry Advisory Committee have been very active through out the year, carrying out inspections and making repairs to installations. Over 23 towers have been inspected. Some required minor work like at Chevington, where loose bolts and a noise problem were the issue, others sought support and advice on routine maintenance. At Horringer, on completion of the £110,000 tower restoration and installation of a complete ring of new bells, the finished work was thoroughly inspected, and deemed as meeting the required standard for payment of the Guild £12,000 grant.

The Guild has been successful in being shortlisted for the Suffolk Heritage Award category within the High Sheriff's Awards which recognises and rewards a society, voluntary group or other organisation, that cherishes Suffolk's history, heritage or built environment and that helps people access and understand that heritage.'

Guild Finances

Reserves Policy - In line with advice from Larking Gowen, the appointed examiners for the Guild, the Trustees have formulated a Reserves Policy. The Guild will expect to hold at the bank, a surplus of approximately one years running costs.

Policies - All money in the Guild's funds not required for day-to-day working purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee. Grants from the Restoration Fund are authorised by the Guild Management Committee but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project.

As an enabling measure, the Public Relations Officer has been given a budget. The purpose being to enable greater flexibility, and faster reaction, to PR recruitment opportunities when they arise.

General Fund Compared with the 2016 account, income to the General Fund increased by 8%, although, as is always the case, some categories have increased, others decreased. Expenditure was 10% less than 2016. There were no exceptional items. Net income 48% up on 2016.

Restoration Fund - The Restoration Fund stands at £69,942. There are four grants outstanding, totalling £27,250. That for St Margaret's Ipswich, of £12,000, is expected to be claimed in early 2018. That for Little Cornard, of £10,000, is for work still in progress. That for Cretingham, of £4,000, is expected to be claimed in early 2018, as is the grant for Offton, of £1,250. No other funding requests for restoration work have been received.

Summary: In 2017, there was an increase in the General Fund balance mainly because of decreased expenditure. All restricted funds have a positive balance. There are no new funding requests for restoration work.

Belfry Advisory Committee Report—Winston Girling

2017 has been a demanding year for the Committee. A number of major restorations are at various stages at the close of the year and there are several other towers where Alan Moult and I have visited and reported with a view to future restorations.

I am pleased to report that the new peal of eight bells at Horringer are now up and running and excellent reports are being received from all who ring on them. Congratulations to everyone at Horringer and beyond who worked hard to see this project through.

Other restorations in progress are Little Cornard where the bells were removed from the tower by Taylors in November. Also in November the bells were removed from Redgrave where the 1700's timber frame is to be repaired and the present six returned to it. At Cretingham the bells were removed in October and should be returned soon. These bells will be augmented to six. St. Margaret's Ipswich has had the new frame support beams installed and a new, steel frame will be erected in January beneath the existing frame which will remain in place. In February the bells will be installed in the new frame.

Stowmarket are busy raising funds for re-hanging in a new, steel frame and augmenting to ten. Laxfield are likewise raising funds to install a new, steel frame lower in the tower and augmentation to eight.

A replacement sixth bell for Offton has been cast and is awaiting installation. At Brandeston the fourth bell has been removed from the tower and is waiting for welding to repair a crack in the crown. The clappers have been returned to St. Matthews, Ipswich, and Bacton following re-bushing. A new chiming apparatus is being installed at St. Clements, Ipswich and Katherine and David Salter are carrying out cleaning of the tower and bell chamber and painting of the metal frame. It is hoped that the profile of this tower can consequently be raised. Other work is also being carried out at Tattingstone. Neville Whittell is in the process of carrying out work on the bells at Hintlesham.

The Guild has been asked to assist with removing a single chiming bell at Nettlestead and your advisor and Alan Moult will be taking the bell out in early January. Nicholson's are to ultimately restore and re-hang this bell on some new steels so that it can be safely chimed.

Your advisor has sadly had to recommend that Mendlesham are no longer rung in full circles as these bells now require a major restoration and are well beyond any limited repairs to keep them ringing. Cotton bells remain out of action because of the condition of one of the main timber support beams.

The Guild has purchased a chain hoist for use by the Committee and strict safety rules apply to its use. The hoist is presently held by Jed Flatters.

I would like to thank all the Guild Members, Committee Members and others who have worked so hard to keep our bells up and running and continue to do so. Many small jobs are therefore resolved on almost a daily basis. I have no doubt that 2018 will be just as challenging! If I have missed anything or anyone out I apologise.

Ringing Master's Report –Tom Scase

In this report last year, I highlighted what I consider a fundamental objective of the Guild: to promote and deliver opportunities in ringing. Bearing this in mind, 2017 had glimpses of what we can achieve. There is, however, more to do. In 2017, through the role of Ringing Master, I sacrificed more time than I'd have liked to, in relation to issues that have no direct correlation with the notion of opportunity. In 2018, I'm hoping a greater proportion of this time can be spent focusing on promoting ringing opportunities.

I attended the four Annual District Meetings at Buxhall, Halesworth, Boxford and Brandeston and it's encouraging to see the majority of District roles filled. Attendances remain low as a proportion of District members. There is no mandate to attend – it would be good, though, if more members were inclined to participate.

The Guild Striking Competitions in May provide a good opportunity for bands to concentrate on achieving good striking. The 2017 six-bell competitions were held at Walsham le Willows. Congratulations to Ipswich, St Mary le Tower and Pakenham on jointly winning the Mitson Shield method competition and to Hollesley on winning the Lester Brett call change competition. The eight-bell competition was held at Horringer. Congratulations to the North East District on winning the Rose Trophy competition, in what was a close result, with only a few faults separating the four teams. Our thanks go to Faith Pearce and Richard Carter for judging.

The Ridgman Trophy was held at Great St Mary, Cambridge, and the ten ringers representing the Guild did reasonably well coming fourth – still plenty of room for improvement! The 2018 competition is being held at St Peter's, St Albans; let's see if we can succeed.

For the last 25 years, Muriel Page organised the annual Veterans afternoon at Debenham. In 2017 Jenny Scase and Margaret Cherry took over the reins and, as usual, an enjoyable afternoon ensued.

I'm pleased to hear the second Tuesday mid-week ringing continues with monthly visits across the county. If you're looking for an opportunity for more ringing, check the monthly What's On – I know you'd be welcome.

The South East District hosted the Guild Social and while there was little enthusiasm for the ringing on offer, the main event, the Barn Dance, was a great success.

Once again, quarter peals have been rung throughout Suffolk and provide an excellent opportunity for progression. There were, however, fewer quarter peals in 2017 compared to 2016, and indeed the 2017 total is around 100 fewer than 2015. Pettistree retains its status as the leading tower, and Lesley and David Steed remain the most prolific quarter peal ringers. Neal Dodge's quarter peal analysis again makes fascinating reading – thanks Neal for compiling this – and details a number of impressive personal achievements. Eight ringers rang their first quarter peal – well done to Paul Ashton, Gill Durrant, Joe Findlay, Dave Goodlad, Joan Puckey, Jill Rood, Penny Rose and Jimmy Yeoman.

Four fewer peals were rung for the Guild in 2017 than in 2016. What's more noticeable, though, is significantly fewer people rang peals for the Guild in 2017. 89 in 2017 compared to 123 in 2016. Mark Steggles was the only member to ring their first peal during the year – congratulations Mark. With the re-introduction of peal-week (in February 2018), I hope this goes someway to encouraging wider participation and recognition of the merits of peal ringing.

Thanks to *Pealbase*, I congratulate the following on their achievements: 3,500th peal and 1,750th peal for the Guild: David G Salter; 1,700th peal Jeremy W Spiller; 1,600th peal: Katharine J Salter; 1,300th peal as conductor: Stephen D Pettman; 1000th peal for the Guild: Alan P Mayle; 950th peal: Brian E Whiting; 500th Peal: George M Salter; 500th peal and 100th peal as conductor: Louis P H Suggett; 450th peal: Mary S Garner; 350th peal: Ian J Culham; 300th peal: Peter W Harper. Apologies if I've missed any.

Throughout the year, I've attended the Belfry Advisory Committee (BAC) meetings. The amount of time, effort and commitment that BAC members demonstrate in offering their expertise, advice and carrying out work, often goes unseen. We should be extremely grateful to Winston Girling, the BAC members and others for all their efforts in helping maintain our rings across the Guild. The restoration at Horringer concluded during 2017 and an excellent ring they are. A number of other restorations are underway and, with others in the pipeline, it's an exciting time.

The restoration of rings inescapably leads to the question of recruitment and retention of ringers. The publicity already arising from the national linkage between ringing and the commemorations of the 100th anniversary of the end of World War I, provides an opportunity for the Guild to increase the awareness and profile of ringing in Suffolk. The Recruitment and Training committee has a role to play in this. Indeed, a significant donation from the Golden Bottle Trust, of £5,000 (to aid in the teaching of ringing within the Guild), will require careful consideration in relation to how it's best utilised. We must thank Jacky Savage for her efforts in helping secure this grant.

If we all do more ringing in 2018, including for as many services as possible, we'll continue to provide opportunities and promote ringing across Suffolk.

Guild Handbells & Mini Ring Trustee's Report—Brian Whiting

Handbells
The Guild has four sets of handbells:
25 bells by Taylors size 20 in C (2 chromatic octaves)
16 bells generally by Shaw size 19 in F (diatonic 13 + 3 semitones)
13 bells by Warner size 20 in E (diatonic 12 + 1 semitone)
13 bells by various founders size 20 in F (diatonic 13)

The set of 25 and the set of 16 have been used for tune ringing during the year and currently all sets are back with the trustee, with the exception of one of the sets of 13, which is in the NE district. The clapper of the 15C of the 25 broke and is to be replaced otherwise the bells remain in good order.

The loan of any of the sets of handbells is subject to the regulations printed on page 85 of this report.

Vestey Ring
The Vestey Ring is a portable peal of six, tenor 8lb 5oz in B. Three promotional banners are available with the miniring. Details are available at http://www.suffolkbells.org.uk/towers/vesteyring1.php

The bells had six outings during 2017, all in county, details of which can be found at http://www.suffolkbells.org.uk/vesteyringbookingsall.php

Secretary's Report - Rev Carl Melville

The past year has seen a huge amount of change from the Central Council as they further develop and strengthen their strategy and aims.

My role as secretary is primarily for Guild meetings. There is now a fantastic team of people who do so much of the communication side of the job, including Chris Garner as webmaster, Sue Freeman as newsletter editor, Neal Dodge as PRO as well as the many others who share in the Guild's secretarial running. I'd also like to thank the Chairman for taking on the organisation of the Guild Dinner this year, which sadly, due to time constraints, I simply could not manage.

There will be a number of changes throughout the Guild that correspond with a change in the law or in Diocese policy. Two of the biggest you may hear about will be the Data Protection policy and the new Safeguarding initiatives. Although it's easy to discuss or moan about such topics, please do work with those involved in implementing any changes to ensure the smooth running of the Guild and the enjoyment of ringing for all.

Finally, thanks to those on the GMC and within the Guild who support my role as secretary.

Membership Secretary's Report - Mary Garner

The total membership by the end of 2017 was 747, compared with 727 in 2016. Forty five new members were elected during 2017, including two NRLMs who moved into our Diocese. Ten current or recent members passed away. Thirty people did not renew, a handful "rejoined" and a small number moved away.

If a ringer in your tower is ready to join the Guild please ensure that an Application Form is completed and passed to your District Secretary, together with their subscription, for their election. Once the form is received by the membership secretary a welcome letter from the chairman is despatched together with a leaflet which contains information about Guild contacts and the Central Council of Church Bell Ringers and more besides. A certificate of membership is prepared.

If you move house, change your email address, change home tower, wish to be added to or removed from the Gift Aid register etc., please don't forget to let me know.

Public Relations Officer's Report - Neal Dodge

2017 was another bumper year for ringing publicity, and kicked off with the AGM where the NE organising committee and specifically Kate Gill not only laid on the arrangements for a fabulous day in Beccles but got the event covered by the local press. Who said AGMs were boring!

In May, Jonathan Williamson (the SE District Ringing Master) and I were invited on to BBC Radio Suffolk's Jon Wright show, where he admirably tried to make sense of a Stedman single as part of publicity for the Guild Striking contest. This provided some excellent coverage of the little known competitive element of our art and was one of numerous radio features that ringing was given in 2017: thank you to all those who spoke so passionately about ringing in Suffolk.

Then came the inaugural Suffolk Day in June where 17 towers rang out across Suffolk in celebration of our wonderful county, a great achievement given this was a weekday. Rowan Wilson was interviewed live on Radio at the Norman Tower and several column inches in most of our local papers were given over to ringing. Suffolk Day 2018 is planned to be bigger and better, so if your tower can ring at anytime on the 21st June, please let me know and hopefully more towers can ring out on this special day.

Bell Restorations continued to attract welcome attention with Horringer, Little Cornard, and St Margaret's Ipswich all being featured by press, radio, and even television. This provides the public with an important reminder of the role we play in keeping our heritage alive. I look forward to future restorations at places like Stowmarket and Laxfield developing this further.

There's also the internal side of public relations in communicating to Guild members, so I must pay tribute to the professional dedication of Sue Freeman in diligently editing our magazine, John Taylor for keeping our diaries up to date with 'What's On', Chris Garner in maintaining our extensive and ever useful website, and to Richard Munnings for writing his daily blog on ringing in Suffolk. Richy's blog is unparalleled in the exercise and still manages to be an interesting read more than 10 years on from his first entry!

On the social media front, our twitter account @SuffolkBells, continues to grow with our tweets being seen by around 5,000-10,000 users a month. It's become a great way to interact with the public and other organisations who comment about ringing.
The lively debate continues on our Guild Facebook Group with over 200 members. Please do sign up and join in the conversation.

The most unexpected and delightful element of 2017 has been the sheer volume of enquiries I've received from the general public who want to learn to ring, with the vast majority coming as a result of a pieces of publicity, which makes all our efforts worthwhile.

November 2018 will mark the 100th anniversary of the end of WWI. The plan proposed by our Ringing Master and myself is to have every tower in our Guild ring out at some point on Sunday 11th November. This will be part of the national ringing campaign, 'Ringing for Peace: Armistice 100.' We feel this is an appropriate way to commemorate this solemn occasion and is achievable if we all plan ahead. Please get in contact if you are planning to ring so Guild Officers can identify the gaps. We've already had one radio interview and press article on this, so this will certainly attract a lot of attention.

If you're doing some special ringing or having an open day please let me know as I'd be happy to help publicise or provide promotional material for your occasion. Equally if you're having complaints or trouble dealing with an organisation please do get in touch. It's what I'm here for!

Lastly, but most importantly I must thank all 700+ of you, because you are all ambassadors for ringing, as most people take that first step based on encouragement and explanation from you as their friends or family. So my challenge to Guild members this year is to speak to your colleagues, neighbours, friends, and family and tell them what a great time can be had when you climb the tower steps and go ringing!

Librarian's Report - Abby Antrobus

This year a significant addition to the library is a donation made by John Symonds, whose father, grandfather and great-grandfather were Dennis, Stedman Harry (1889-1966) and Arthur Symonds (b.1858), who are particularly associated with Lavenham. John has given papers relating to Essex to the Essex Association, and, to the Suffolk Guild, a collection of papers relating to our county. These include personal ringing records, beautifully inked peal records dating to 1895-1900, diaries, ringing notes, pamphlets, newspaper clippings, postcards (often written with correspondence between ringers) and cards recording peals and handbell peals, dating to 1913-15. Of particular relevance to the centenary of Armistice in 2018, the collection includes the ringing diaries of Arthur and Stedman Harry Symonds which span the Great War. John would like the papers to be safe and accessible to those who would like to look at them, and we will entrust them to Suffolk Records Office along with the rest of the Guild historic archive. John has also generously given a set of handbells to the Guild, which were rung by his family in the Lavenham area.

I have a request for Michael Milsom's *'Bells and Bell Founding'* (published 2017) – do get in touch with any other suggestions for additions to the library.

Each year, John and Shirley Girt donate copies of *The Ringing World* to the library to keep our run going. A point that we may like to consider is whether the Guild would like to continue to collect paper copies of the Ringing World, or whether people would be more likely to use digital resources?

Webmaster's Report—Chris Garner

The Guild Website now contains over two thousand pages. Information about towers, bells, ringers and events is constantly updated. Photos and snippets of news can be sent to the Webmaster for posting on the web site. *Richy's Blog* is now in its eleventh year and is posted daily, generating friendly repartee on *Facebook*. The Guild also has a *Twitter* account (@SuffolkBells). Thank you to all those who have made contributions.

Various sections of the Guild may be contacted by email: all Members (488), Tower Correspondents & Email Contacts (147), NE Members (98), NW Members (121), SE Members (171) & SW Members (95). The addresses are known only to the Webmaster and the Membership Secretary. If you would like information distributed, please send copy to the Webmaster who will do this.

All 35 Guild and District officers have @suffolkbells.org.uk email addresses. This makes things easier when personnel change.

A significant number of emails are returned as undeliverable so, if you change your email address, don't forget to let the Membership Secretary (*membership@suffolkbells.org.uk*) know.

Magazine Editor's Report—Sue Freeman

Firstly, I have to apologise for only having produced two issues of the magazine in the last year and for sadly having retired now from this post. This was due to family illness and associated commitments. There just wasn't time for the magazine, which took many, many hours to put together each time. Thank you everyone who helped in any way, particularly the regular contributors.

I have very much enjoyed being involved with the production of the magazine since its first issue in the spring of 2010 when I managed to feature Polstead on the very first cover!

I hope, under a new editor, that the magazine will go from strength to strength.

Directory of Suffolk Towers and Correspondents

The table on the following pages shows details of every ring of four or more bells in the area covered by the Suffolk Guild of Ringers, along with the tower correspondent and their contact details where known.

All Guild tower correspondent email addresses are {towername}@suffolkbells.org.uk

Condition of the ring (Cond)

10 Excellent. Ball bearings, modern frame and fittings.
9 Excellent. Plain bearings, modern frame and fittings or ball bearings in old frame.
8 Good going order
7 Fair going order
6 Poor going order
5 Ringable if cleaned up and odd fittings and ropes provided
4 Rung occasionally. Frame/fittings nearly life expired
3 Not to be rung mainly because of tower and/or frame arrangement and position
2 Not to be rung mainly because of frame and/or fittings
1 Hung dead
0 Some bells unhung on the ground

Please note that the classification is based on the condition only at the last date of inspection, and any enquiries or requests for further inspections should be directed in the first instance to the Suffolk Guild Technical Advisor.
The key of a ring (i.e. the note of the tenor) is given in cents (i.e. hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C#-20m and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

Code: G Ground floor ring
A Anticlockwise rope circle
D Detached tower
R Round tower
S Simulator
T Toilets available

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Advisor or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place.

District Report

The District continued to work on developing skills, recruiting new ringers and electing new Members. 18 new Members were elected during the year.

Our Ringing Programme for 2017 was developed after two productive liaison meetings with tower representatives and included events every month for differing levels of abilities, ranging from listening and better striking skills, to improving eight bell ringing, and ringing up and down in peal. There was also a handbell event, which was much enjoyed. It was pleasing that most of the events, especially those focused on less advanced ringing, were well attended, including by some Members who were elected during the year.

The District Quarter Peal day in August consolidated some of this learning, with firsts in methods for some, with 7 out of 8 quarters scored.

Two towers in the District, Yoxford and Laxfield, have had notable success in attracting new ringers. Other relatively new bands continue to improve, as evidenced by the good call changes performance in the District Striking Competition by Metfield.

An ART follow up session was held in March. Some of our newly trained teachers have had the opportunity to start teaching, with some towers having recruited new learners.

The importance of observing safeguarding requirements, as set out in the Guild Safeguarding Policy, has been reinforced at each District meeting and the ADM.

The District was pleased to host the Guild AGM in April. The event went well, both in terms of the arrangements for the meeting and tea, and the ringing in various towers beforehand. Thanks are due to the many people who helped with manning towers, making goodies for the tea and helping on the day.

District Report

We started the year with our annual visit to the Norman Tower followed by a carvery lunch at The Bunbury Great Barton.

Once again we used the same format for our District Practices – a quarter peal followed by open ringing. These have proved successful with local band members being included where possible, and in some cases a 'first' was achieved.
November - Great Barton (Cambridge S Minor – Sally Veal's first of treble bob on the treble), February - Bardwell (Lincolnshire S Major), March – Great Finborough (Doubles), April – Eye (attempted Grandsire Triples), September – Exning (Doubles – Jimmy Yeoman's first QP), November – Thornham Magna (Grandsire Doubles).

The NW District hosted the Guild Striking competitions in May, the 6 bell at Walsham Le Willows and the 8 bell at Horringer. We were represented in the 6 bell competition with teams from Pakenham, who came joint first in the Mitson shield, and Great Barton who came 5th in the Mitson shield and 2nd in the Lester Brett trophy (call changes). In the 8 bell competition, the District team came second.

Quarter Peal week was held from 27th May - 4th June. We again held a quarter peal afternoon/evening on the Friday (2nd June). Five quarters were attempted starting at Tostock, then on to Wetherden, Woolpit, Stowmarket and Buxhall followed by a meal at Onehouse. A total of 31 people (including ringers from the SE & SW Districts and Essex) took part over the week with 12 quarter peals scored at 12 different towers.

In June we held a training morning on Plain Hunt at the Norman Tower, this was followed by a District visit to Eye with 6 members of their band attending along with 7 helpers.

In July the District outing was to the Downham Market area with 16 ringers attending.

District Report

At November's ADM, Ralph Earey as outgoing Chairman was pleased to report that the District is in good form, with an event held every month and with increased attendances at practices. We started 2018 with a recorded attendance of 29 people at January's practice at Pettistree.

Jonathan Williamson has built on the good work that Tom did as Ringing Master, and in addition has introduced some new ideas to bring focus to district practices, with clear objectives advertised in advance. Special effort to ensure that there have been sufficient numbers of experienced helpers at sessions has helped make sure that those with less experience got the full benefit from them - an approach which has paid dividends.

The District training day was held on April Fool's Day at St. Mary-Le-Tower, covering Stedman Triples. The session was a sell out and the theory was well received by the pupils making the most of the facilities available at Church House. There is an open invitation for District members to let the Ringing Master know if they have any further ideas or requests for training sessions.

Sat 16th September 2017 saw the district hosting the Guild Social, a Barn Dance in the Tithe Barn at Sproughton, for which over 80 tickets were sold. The Guild danced to the popular band, Inertia Reel, with additional entertainment from Acafella, and enjoyed a fish and chip

supper and a bar serving a variety of drinks, including real ale. Whilst the event was never designed to make a profit, £209 in proceeds were sent to Guild funds.

At the ADM, vacancies of Chairman, Secretary and Treasurer were duly filled. The complement of GMC reps is consolidated by Jenny Scase and Eric Brown, who have volunteered to act as reserve reps. Thanks are given to outgoing committee members who have given freely of their time over the years.

District Report

We have had a very good year with 10 new members being elected – Well done: to Clare, Glemsford, Hadleigh, Kedington, Lavenham, Long Melford, Nayland and Sudbury St Gregory. There have been 8 District Practices, an ART Handling Confidence Course, Striking Competition, Mini Outing, Open Day and ADM with average attendance at 17.

At our district striking competition at Woolpit: Hadleigh won the call-change competition, followed by Rattlesden; Woolpit won the method competition followed by Kersey. In the Guild competitions Woolpit came 7th in the Mitson Shield (6 bell method) and the SW District came 3rd in Rose Trophy (8 bell). Congratulations to all those who had the courage to take part!

Our Open Day raised a fantastic total of £842 towards the restoration of the bells at Little Cornard. Thanks go to David Lee for organising, John Taylor for help with the plans and John Hall for helping to remove the bells to Loughborough.

Thanks also go to David Lee and Richard Finch for organising enjoyable ringing tours, Tony for his full and very comprehensive accounts, Derek for running the show, despite having health issues, and Sue for keeping the magazine articles fresh and interesting. We are sorry to lose Derek Rose and Sue Freeman to family commitments and would like to thank them for all their help and support over many years.

We welcome Paul Ebsworth as our new Ringing Master and Richard Gates as our new Magazine Correspondent. The Quarter Peal Month in August is the time for lots of you to ring a quarter peal. Now is the time to book a date and a tower and ask for help if you need it. There are plenty of ringers available, who would love to help you, so please ask Paul or Pam to help you to complete your band.

Peal Secretary's Report—Christine Knight

The peal total of 103 in 2017 was very similar to that of the previous year. Peals were rung at 41 Suffolk towers and just two venues out of county, Colchester, St Peter, and Great Ryburgh in Norfolk. One of the highlights of the year was the completion of the project to install a new ring of eight at Horringer. The superb new octave was pealed for the first time to Double Norwich CB Major on 18th March, conducted by Brian Whiting. The last peal of the year was at Thurston, where the five bells were augmented in 2012, but the peal rung there on 28th December was the first on the six.

Nationwide, World War One centenary peals continued throughout the year. Individual ringers who made the ultimate sacrifice were commemorated at Helmingham and Monewden. At Helmingham, a 5100 of Yorkshire S Major, which was specially composed by Stephen Pettman, was rung on 19th August to honour Lance Corporal Albert Staff, who had been a ringer at the tower. A peal of Minor (7m) at Monewden on 26th September was rung on the centenary of the death of Private Percy John Garwood, who was a ringer at Stanstead. There were also peals to commemorate other local men who gave their lives at Great Ryburgh, Cavendish and Poslingford. The Platinum Wedding Anniversary of HM Queen and HRH Prince Philip was celebrated with a large number of peals across the country, a record of which was presented to the Palace in a special edition of 'The Ringing World'. Two peals from Suffolk appear in this collection, a peal of Eves S Major rung at The Wolery Mini-Ring on 15th November, and on the anniversary day itself (20th November), a specially composed 5070 of Platinum S Major, which was rung at Sudbury, St Gregory.

There were several other noteworthy peals during the year. Footnotes to a peal of 5250 Plain Bob Major at Debenham provide a glimpse into the rich history of peal ringing in Suffolk. The special length marked the 250thanniversary of a long length of 10,080 Bob Major rung there on 16th March 1767. It has been good to see more handbell peals rung for the Guild. At Bacton on 25th March, a peal of Spliced Surprise Minor in 41 methods was rung by a resident band, conducted by Jeremy Spiller. This was the first performance of 41 Spliced on handbells for the Guild, a performance which was repeated by the same band on 18th July. Another notable peal was 23 Spliced S Major, which was rung at Bardwell on 27th June, conducted by Louis Suggett, and using his own composition. This composition was then called again by Louis at Ixworth on 18th July, on the very same day that he called the second performance of 41 Spliced S Minor on handbells, a magnificent achievement. Each of the 23 Spliced peals contained four resident members. 23 Spliced S Major has been rung only twice before for the Guild. Then Master, Howard Egglestone, organised a series of peals, which culminated in a peal of 23 Spliced 'all the work' to the famous Norman Smith composition at Grundisburgh on 11th July 1972. This was a remarkable feat as it was rung with a resident band. More recently, J R Taylor's arrangement of Smith's composition was rung at Hollesley on 1st December 1990, but with only two resident members in the band.

Second Sunday peal attempts continue at Aldeburgh, and it was in a peal of Yorkshire there on 12th November that David Salter reached the impressive landmark of 500th peal of Surprise Major as conductor. Monthly attempts also continue on the light eight at Ipswich, St Mary-le-Tower. It has been pleasing to see one first of 5, and then 6 Spliced S Major and two firsts of 8 Spliced there during the year. A first of 8 Spliced was also achieved at Grundisburgh and there have been firsts of Double Norwich CB Major, Yorkshire S Major and a first on ten. The trend in Guild peal ringing has moved significantly towards peals of Major, with 54% of the overall peal total being of Major, as opposed to 43% in 2016. This has provided many opportunities, but the majority of those taking part are already experienced peal ringers. There was only one first in a Standard Eight method in the whole year and few firsts in peals of Minor, reinforcing the point made previously that we are still waiting for the next group of promising young ringers to become established on the peal ringing scene.

On a more positive note, of the six ringers who rang peals after long gaps in 2016 (one as long as 50 years), all but one rang further peals in 2017. It had seemed that we might not have a first pealer in 2017, but hearty congratulations go to Mark Steggles, who rang his first peal, Plain Bob Minor, at Bacton on 23rd December. There have been other noteworthy milestones during the year. Alan Mayle is to be congratulated on becoming the sixth person to ring a thousand peals for the Guild on 9th April at Aldeburgh, and Stephen Pettman and Jeremy Spiller for having conducted a peal on every day of the year.

Twelve bell peals often contain quite high proportions of Non-Resident Life Members so statistics about the Guild's twelve bell activity can be unrepresentative of the involvement of the resident membership in peals on higher numbers. Nonetheless, it is very disappointing that there were no twelve bell peals at all in 2017. Not since 1976 has there been a year with peals of neither Maximus nor Cinques. In fact, the only peals rung on more than eight bells in 2017 were two peals of Yorkshire S Royal. Ten and twelve bell peals are an essential element in progression. Several talented younger peal ringers have left the county in 2017 so it is to be hoped that the young ringers about to start their peal ringing careers will have as many opportunities as possible. The Master's re-introduction of Guild Peal Week in February 2018 is a very positive step and, at the time of writing, plans are taking shape for a variety of 'firsts'. Once again, I should like to thank Michelle Rolph, David Salter and Brian Whiting for all their hard work on the peals section of this Report.

Safeguarding Statement

The Suffolk Guild of Ringers takes the safeguarding and protection of children (under 18s) and vulnerable adults very seriously. It recognises that the welfare of children and vulnerable adults is paramount and that we have a duty of care when they are in our charge. We will do everything that we can to provide a safe and caring environment whilst they attend our activities. All children and vulnerable adults will be treated with respect and dignity.

Safeguarding Policy

The Guild, as advised by the CCCBR, follows the national "Promoting a Safer Church" policy as adopted by the diocese of St Edmundsbury & Ipswich:

- Local tower arrangements should always be approved by the PCC in line with the Parish Safeguarding Policy[1]. The Tower Captain should have a copy of the Parish Safeguarding Policy and ensure that ringers have access to it.

- All ringers should complete the online safeguarding training course 'C0' as advised by the PSO[2] or Incumbent for the tower where they are listed. It is accessible via this web address https://safeguardingtraining.cofeportal.org/ The certificate awarded should be retained and the date of completion notified to the PSO.

- Tower Captains and ringing teachers must complete 'C0' first, then attend a "face to face" half day course, 'C2 Safeguarding Leadership', in the Diocese every three years.[2]

- All Tower Captains and ringing teachers MUST hold a current clear DBS check status **IF** their role includes the training of children or vulnerable adults.

- Any person requiring a DBS check must first complete a Confidential Declaration Form, available here http://www.cofesuffolk.org/uploads/safeguarding/014_Confidential_Declaration_Form_-_Revised_Sept_2015.pdf The completed form should be handed to the Incumbent or PSO for secure and confidential storage.

A ringer does NOT require a DBS check if acting in a supporting role, undertaking unplanned one-off teaching or deputising in an emergency, providing two adults (preferably one of each gender) are present, nor for transporting children or vulnerable adults as part of arrangements between families.

Where there is cause for concern this should be reported to the Parish Safeguarding Officer or Incumbent immediately.[3]

---

1 The Parish Safeguarding Statement / Policy should be displayed in the church together with the name and contact details of the Parish Safeguarding Officer.

2 The PSO, Parish Safeguarding Officer, will keep a register of C2 courses attended but ringers are advised to keep their own record too to ensure that their qualifications do not lapse.

3 The Parish Safeguarding Officer or Incumbent will refer immediately to Suffolk County Council Customer First – 0808 800 4005.

If there is risk of immediate harm call the police – 999

Mary Garner
Safeguarding Officer, Suffolk Guild of Ringers
February 2018

Draft Minutes of the Suffolk Guild Annual General Meeting held on Saturday 22nd April 2017 at Beccles

1. Welcome, Thanks and Apologies
The Chairman welcomed everyone to the meeting.
93 people signed the attendance book; 37 people gave their apologies.

The Chairman thanked everyone who had made the AGM day successful, including Philip Gorrod, Mike Cowling, Kate Gill and those who arranged the flowers on the tables and the contributors to the tea and the catering team, too numerous to mention. Thanks were also extended to Ambrin Williams for organizing the raffle, Chris Garner for putting out the many communications relating to the AGM and to the ringers who were stationed at each church throughout the day.
Thanks were extended to the Revd Rich Henderson for conducting the Service in St Michael's Church, to Jason Busby for playing the Organ and to Faith Darch, the Beccles Tower Captain.

2. Absent Friends
The Chairman invited everyone to stand in silence as we remembered all those listed in the Annual Report who had died in the past year, also in remembrance of Frank Bloomfield.

3. Election of New Members
Peter Twiss, Metfield; Michael Bunting, Wetherden; Sonya Smart, Bardwell; Peter Stock, Offton; Jill Ashton, Yoxford; Julian Lock, Yoxford; John McMinn, Yoxford.
All agreed.

4. Minutes of the 2016 AGM **Annual Report page 76**
Ed Rolph proposed and Neal Dodge seconded that the minutes of the last AGM be signed as a true record.

5. Matters Arising from the Minutes
5.x.i The content of the Annual Report was discussed at length at the last meeting and at subsequent GMC meeting and had been produced accordingly.

6. Trustees' Report **Annual Report page 9**

7. Officers Reports

i. **Ringing Master** **Annual Report page 13**
Philip Gorrod asked the Ringing Master about a Peal Week. The Ringing Master said that he hoped it would be in November.

ii. **Secretary** **Annual Report page 15**

iii. **Guild Accounts** **Annual Report page 18**
Philip Gorrod proposed and Carl Melville seconded that the Guild Accounts be adopted.

iv. **Belfry Advisory Committee** **Annual Report page 11**

v. **Public Relations Officer** **Annual Report page 16**

vi. **Magazine Editor** **Annual Report page 17**

vii. **Librarian** **Annual Report page 17**

viii. **Peal Secretary** **Annual Report page 50**

David Salter asked about paying fees electronically. The Peal Secretary replied that this is possible but full referencing of the peal should be sent to the Treasurer as she doesn't have sight of the daily Guild Account. The Treasurer urged online payments to be referenced very clearly.
The Treasurer and the Peal Secretary will review with a view to issuing any necessary or desirable clarification.

ix. Guild Handbells and Mini Ring Trustee **Annual Report page 16**

x. Webmaster **Annual Report page 16**

Mark Ogden asked if the Annual Report could go on the website. It was agreed at a recent GMC that the Report would be sent out to members electronically. The GMC will review this.

xi. Membership Secretary **Annual Report page 15**

All reports were adopted by the meeting.

8. Annual Report Editor's Report

John Girt congratulated the editor on reinstating the list of tower correspondents' addresses.

9. Central Council Report

The CC report for 2016 is on the website for viewing.

10. Subscriptions and Peal Fees for 2017

The Chairman reported that this has been discussed at the GMC and it was pleased to report that they would remain unchanged for another year.

11. Election of Officers for 2017/2018

Post	Elected	Proposed by	Seconded by
Chairman	**Alan Stanley**	Kay Lucas	George Pipe
Ringing Master	**Tom Scase**	Tracey Scase	John Taylor
Secretary	**Carl Melville**	Tom Scase	Owen Claxton
Treasurer	**Owen Claxton**	Brian Whiting	Ralph Earey
Chair of the BAC	**Winston Girling**	Tom Scase	Carl Melville
Technical Advisor	**Winston Girling**	Tom Scase	Carl Melville
PRO	**Neal Dodge**	Katharine Salter	Lesley Steed
Report Editor	**Michelle Rolph**	Philip Gorrod	Carl Melville
Magazine Editor	**Sue Freeman**	Penny Rose	Derek Rose
Librarian	**Abby Antrobus**	Jed Flatters	Carl Melville
Peal Secretary	**Christine Knight**	Maurice Rose	Brian Whiting
Handbell Trustee	**Brian Whiting**	Carl Melville	Gordon Slack
Mini ring Trustee	**Brian Whiting**	Carl Melville	Gordon Slack
Webmaster	**Chris Garner**	Richard Munnings	Mike Cowling

The Chairman thanked all Guild Officers for their unseen but significant contribution during the year and appreciation was shown by all at the meeting.

12. Election of Central Council Reps

The Guild has one two-year termed vacancy for a CC rep. There being no nominations from the floor, it remains vacant.

13. Election of Trustees

Michelle Rolph proposed and Derek Rose seconded that the trustees remain the same: Alan Stanley, Owen Claxton and Carl Melville. All agreed.

14. Rule Change (details previously notified)

The Treasurer and Treasurer acted as tellers 102 members were counted as being eligible to vote.

14.1 Insert at the end of Rule D7 the sentence: *At any AGM or SGM a quorum shall be 5% of members eligible to vote.*
A discussion was held about the rule change. Members questions if we even had 5% of membership here today? Trevor Hughes, stated that he thought 5% was too small a percentage of membership. Questions were raised about the rule being vague in its wording.
Alan Stanley Proposed the change and Carl Melville seconded.
In favour 74. Against 14. Abstentions indicated 6
Amendment passed.

14.2 To amend Rule J 9.1 to: *Nine members of the committee shall constitute a Quorum*
Alan Stanley Proposed the change and Carl Melville seconded.
In favour 81. Against 0. Abstentions indicated 3.
Amendment passed.

14.3 Replace rule H 5, with the two new paragraphs H 5.1 and H 5.2 as below.
5.1 Any person resident outside the Diocese who wishes to be associated with the Guild may be elected a Non-Resident Life Member. A one-off subscription is payable by such members.
5.2 Any Non-Resident Life Membership ceases if the member takes up residency within the Diocese. The person may become a Ringing Member, without re-election, provided that the person was previously elected as a Ringing Member. The person must then pay the appropriate subscription.

A discussion was held about the rule change. David Salter commented that the rule does not reflect what we want to happen in practice. It was noted that any person who rings in Suffolk should be eligible to be a Guild member. A discussion about a particular case was held and the meeting felt this was against Guild Rules. It was noted that the rules required residency.
Jed Flatters said that NRLMs are elected to ring peals and should be good enough to be members without election. Philip Gorrod said that this is what we wanted to combat. Katharine Salter said that the value in electing ringing members was that sometimes over a long period of time their standard of ringing changes, we must be mindful of that. She commented on the wording of the rule.
The Chairman refused any counter amendments to the proposal, after having informed members that these should be with the Secretary by 31st March. None were received.
A discussion was held about the wording and nature of the rule change.

Alan Stanley proposed and Neal Dodge seconded.
In favour 58. Against 17. Abstentions indicated 9.
Amendment passed.

15. 50 Year Membership Awards

Certificates were presented to Stephen Christian, Ruth Young and James Wightman with the Chairman's congratulations and support of the meeting.

16. St Edmund Clapper Competition

Last year £690 was raised.

This year, £190 was raised with £165 of that raised by Sproughton. So the 2017 winner is Sproughton. Ralph Earey accepted the trophy on their behalf.

17. Appointment of Independent Examiner

The meeting appointed Ian Webster on behalf of Larking Gowen.
Owen Claxton proposed and all were in favour.

18. Guild Social Event 2017

This year the SE district would host the social with a Barn Dance at Sproughton on Saturday 16th September. Tickets can be purchased from Ralph.

19. Any Other Business

Jenny Scase	Wednesday 12th July, Veteran's Day at Debenham. More details to follow.
Neal Dodge	Neal has a number of 'Learning to Ring' leaflets which should be used around the county. Suffolk Day, 21st June, BBC Radio Suffolk – any ringing events sent to Neal. Heritage Open Days, 7th-10th September – towers can be open Details to follow
Carl Melville	Guild Dinner – Saturday 3rd March 2018, Elmswell, to celebrate the Guild 95th Anniversary. Details to follow shortly.

20. Date of the next AGM: Saturday 7th April 2018 in the NW District

The meeting closed at 7.33pm

The Suffolk Guild of Ringers
Objects, Constitution and Rules - 2017 revision

OBJECTS

The Guild shall promote ringing for Divine Service within the Diocese of St Edmundsbury and Ipswich by:

1 Promoting and encouraging the practice of bellringing.

2 Supporting the recruitment and training of bellringers.

3 Cultivating the art of scientific ringing.

4 Promoting an appreciation of the ringing chamber as part of God's house and encouraging care and attention to its cleanliness and proper equipment.

5 Promoting the preservation of bells in an efficient condition, recommending necessary repairs and renovations and providing reliable information and practical advice on the condition of the bells and their fittings.

6 Supporting restoration and/or augmentation.

CONSTITUTION

A. NAME

1 The Guild shall be known as the Suffolk Guild of Ringers for the Diocese of St Edmundsbury and Ipswich.

1.1 The Guild shall be affiliated to the Central Council of Church Bell Ringers.

1.2 The Guild shall be registered as a Charity at Law (Ref. 266869).

1.3 The Trustees of the Guild shall be at least three members of the Guild Executive as defined in rule J13, and shall be elected at the AGM.

6.2 A Suffragan Bishop within the Diocese shall be a Vice-President.

6.3 Vice-Presidents elected before 2010 shall hold office for life and shall not be required to pay a subscription.

6.4 A non-member may be elected as a Patron at an AGM. Patrons shall hold office without re-election, but may be removed by a resolution at an AGM.

7 The Annual General Meeting (AGM) or any Special General Meeting (SGM) shall be the ultimate policy and decision-making body of the Guild. The AGM shall be held on the Saturday following Easter or as decided by the GMC. At any AGM or SGM a quorum shall be 5% of members eligible to vote.

8 Members shall be elected to the following Offices:

Chairman	Technical Advisor	Ringing Master
Librarian	Secretary	Handbells Trustee
Treasurer	Peal Secretary	Chairman of Belfry Advisory Cmttee
Report Editor	Magazine Editor	Public Relations Officer
Webmaster	Mini Ring Trustee	Central Council Reps

9 The Annual General Meeting shall appoint an Accountant, who is not a member of the GMC and need not be a member of the Guild, to act as Independent Examiner in accordance with The Charities Acts.

10 The following Committees shall be formed:

The Guild Management Committee (GMC), to co-ordinate Guild activities and publish a printed Annual Report and Accounts. It shall recommend the levels of subscriptions, peal fees, other methods of raising capital, authorise expenditure from Guild funds and may organise general meetings, ringing and social activities.

The Recruitment and Training Committee (RTC), to co-ordinate training and recruitment. The Belfry Advisory Committee (BAC), to advise and assist on all matters connected with rings of bells. It shall maintain an up-to-date directory of towers, listing the condition of Church bells in the Diocese.

E. FINANCE

11 All money in the Guild's funds not required for normal working purposes shall be invested or deposited by the Treasurer as may be directed by the GMC.

12 All cheques shall bear the signature of the Chairman, Secretary or Treasurer.

12.1 Any cheque greater than a limit set by the GMC shall bear the signatures of two of the above.

13 The expenses listed in Rule K16 shall be paid out of the General Fund.

14 The interest received on the Jubilee Fund shall be transferred to the Guild Restoration Fund. The capital element of the fund shall be retained intact.

15 Grants from the Restoration Fund shall be authorised by the GMC, but shall only be paid after the work has been approved by the Guild Ringing Master and the Technical Advisor. Grants will normally be offered for work to restore bells and their fittings for full-circle ringing, but may include augmenting and other ancillary work associated with any such project.

16 The St Peter's Sudbury Fund shall be used for running expenses and minor repairs and refurbishments to St Peter's bells and fittings.

17 The Library Fund shall be used for the purchase and repair of books and other items for the library.

18 The Handbell Fund shall be used for the repair, maintenance, renovation or augmentation of the Guild's handbells.

19 The Pipe Family Trust Fund shall be used for the encouragement of beginners in the art of change ringing in the Suffolk Guild. The fund will be administered by the Guild executive.

20 The GMC may establish further funds and shall specify the aims and objectives of such new funds.

21 The GMC may transfer sums from the General Fund to any specific funds and, if the purposes of the specific funds cease to exist, close these funds and transfer the balance to the General Fund.

22 The GMC shall recommend the proportion of peal fees, subscriptions of Ringing and Associate Members and Non-Resident Life Membership fees which shall be transferred annually to the Restoration Fund from the General Fund.

F. RECORDS AND HANDBELLS

23 All peals rung for the Guild and a summary of other peals and quarter-peals rung in the Diocese shall be published in the Annual Report.

24 The Librarian shall maintain an up-to-date inventory of publications owned by the Guild and the Secretary shall maintain an up-to-date inventory of other Guild assets.

25 The Handbells Trustee shall maintain the handbells in good condition and shall make recommendations for their repair to the GMC.

G. GENERAL

26 The Constitution and Rules may only be amended at an Annual or Special General Meeting of the Guild.

26.1 Fourteen days' notice of any proposed change to the Constitution and Rules of the Guild must have been provided to members through the Ringing World and the Guild website.

26.2 Any change must be approved by at least two-thirds of those present and voting and shall take effect from the date given in the proposal.

26.3 No amendment shall be authorised which shall have the effect of the Guild ceasing to be a Charity in Law.

27 In the event of dissolution of the Guild, any assets remaining after the satisfaction of all its debts and liabilities shall not be paid to or distributed among the members of the Guild, but shall be given or transferred to such other charitable institution or institutions having similar Objects to the Guild.

GUILD RULES

H. ELECTION OF MEMBERS AND SUBSCRIPTIONS

1 Ringing and Associate Members may be elected at any meeting by a majority of those present when proposed and seconded.

1.1 A member may belong to only one District, normally the District under which the member is shown in the Annual Report.

2 Subscriptions are due on election and thereafter, in advance, on January 1st each year and shall be set at the preceding AGM, or SGM. If a change in subscription has not been passed, the existing rate shall continue.

2.1 No member shall be entitled to be heard, vote or hold office if subscription for the current year is unpaid.

2.2 The subscriptions of members elected during or after October shall cover the remainder of that year and the whole of the following year.

2.3 Persons in full time education and members over 65 years of age shall pay a reduced rate of subscription. Members over 75 years of age shall pay no subscription.

3 Life Honorary Members may only be nominated by the GMC or a District and shall only be elected at a Guild AGM after their nomination has been approved by the GMC. No further subscription is payable after election.

4 Ringing or Associate Members may, on leaving the Diocese, inform the Guild Secretary that they wish to become Non-Resident Life Members. No subscription is payable during the period of non-residence.

5.1 Any person resident outside the Diocese who wishes to be associated with the Guild may be elected a Non-Resident Life Member. A one-off subscription is payable by such members.

5.2 Any Non-Resident Life membership ceases if the member takes up residency within the Diocese. The person may become a Ringing Member, without re-election, provided that the person was previously elected as a Ringing Member. The person must then pay the appropriate subscription.

6 For the purposes of peal ringing, new members may be provisionally elected in the belfry. Membership is subject to confirmation at a meeting of the appropriate District in the case of a Ringing Member or at a meeting of the GMC in the case of a Non-Resident life Member. If election is not confirmed the subscription shall be refunded.

7 Any member failing to conform to the Objects and Rules of the Guild may be expelled by the GMC which shall report the matter to the next Annual General Meeting. Such a member shall forfeit any payment made to the Guild.

I. ELECTION OF OFFICERS

8 All Officers shall retire at the Guild's AGM, but shall be eligible for re-election. The Chairman, Ringing Master, Secretary and Treasurer shall not serve more than five consecutive years in one post.

8.1 Nominations may be made in writing to the Guild Secretary or orally at the AGM providing they are proposed and seconded.

8.2 If more than one nomination for any office is received, election shall be by paper ballot, the successful candidate being the one with the highest number of votes. In the event of a tie the Chairman shall have a casting vote.

8.3 Central Council Representatives shall be elected, in accordance with the rules of the Central Council, during the second year of the triennium at the AGM of the Guild.

J. COMMITTEE STRUCTURE

9 The Guild Management Committee (GMC) shall consist of the Guild Chairman, Ringing Master, Secretary, Treasurer and Chairman of the Belfry Advisory Committee, and up to five members from each District, elected in accordance with Rule 20.

9.1 Nine members of the Committee shall constitute a quorum.

9.2 The Chairman shall chair all Guild and GMC meetings. In his/her absence by a person elected by the meeting.

10 The Recruitment and Training Committee (RTC) shall consist of the Guild Ringing Master as Convenor and two members from each District.

11 The Belfry Advisory Committee (BAC) shall consist of the Chairman BAC, the Technical Adviser and such members as they may co-opt. Members shall be approved by the GMC.

12 Each Committee in Rules 9, 10 and 11 shall meet at least three times a year.

13 The Guild Executive shall consist of: Guild Chairman, Ringing Master, Secretary, Treasurer and Chairman of the Belfry Advisory Committee. The Executive shall take such emergency decisions as may be required before it is practical for the GMC to meet. They shall also make a temporary appointment until a General Meeting can be convened if a Guild Office becomes vacant between AGMs.

14 The GMC may convene sub-committees and shall determine their terms of reference, powers, duration and composition. All acts and proceedings of any such sub-committees shall be reported back to the GMC as soon as possible.

15 The GMC may request the attendance of other officers of members as may be required.

K. EXPENSES

16 The following shall be paid by the Treasurer out of Guild funds:

- The cost of printing the Annual Report and any other publications authorised by the GMC.
- The expenses of Guild Meetings (including District).
- Stationery, postage, telephone, notices of all meetings and other incidental expenses.
- Guild insurances.
- Central Council fees and reimbursement of Representatives' expenses attending each Council meeting, not exceeding the second class return rail fare and a subsistence allowance as may be determined by the GMC.
- Such other expenses as the GMC may authorise.

L. PEAL RECORDS

17 All peals rung for the Guild must conform with the decisions of the Central Council. All those taking part must be members of the Guild.

18 Conductors shall forward the following to the Peal Secretary as soon as possible and not later than 15th January the following year:

a) The names, addresses and subscriptions of any Non-Resident Life Members elected in the belfry.

b) The appropriate peal fees.

c) Compositions for peals of Triples and above and of such other peals as the Peal Secretary may request. Money received for items (a) and (b) shall be passed to the Guild Treasurer.

M. DISTRICT RULES

19 Each District shall hold an Annual General Meeting during the last quarter of the year for the purpose of receiving a report from the District Committee for the year, election of Officers and arranging activities for the year beginning the following January. Members may vote or stand for Office only in the District through which they exercise membership in accordance with Guild Rule 1.

20 The following Officers shall be elected annually: Chairman, Ringing Master, Secretary/ Treasurer, Magazine Correspondent, two members to serve on the RTC and up to five members to serve on the GMC.

20.1 A District may elect additional Officers as required to assist in the running of the District.

20.2 The District Officers shall form the District Committee, which shall be responsible for the efficient management of the District's affairs and shall report to the Annual District Meeting on the year's work.

21 The District Secretary/Treasurer shall:

- Collect all subscriptions and other moneys due and forward them to the Guild Treasurer.
- Submit a statement of accounts to the Guild Treasurer by 15th January.
- Submit a directory of tower correspondents and ringing times and a list of members to the Report Editor by 15th January.
- Submit a statement, to the Guild Secretary, of all members qualifying for inclusion in the insurance scheme by the Guild AGM.

22 The District Magazine Correspondent shall report on District activities for the Guild Magazine, the 'Ringing World' and local newspapers.

REGULATIONS RELATING TO THE SUFFOLK GUILD HANDBELLS

1 The Suffolk Guild handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four sets of handbells:

25 bells by Taylors	size 20 in C (2 chromatic octaves)
16 bells generally by Shaw	size 19 in F (diatonic 13 + 3 semitones)
13 bells by Warner	size 20 in E (diatonic 12 + 1 semitone)
13 bells by various founders	size 20 in F (diatonic 13)

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by other member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without the prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that Committee.

THE MITSON SHIELD, LESTER BRETT TROPHY AND ROSE TROPHY STRIKING COMPETITION RULES:

1 The competitions shall take place on date(s) decided by the GMC.

2 All Ringing Members and Life honorary Members of the Guild may compete providing their subscriptions are paid.

3 The Mitson Shield, Lester Brett and Rose Trophies shall be competed for as follows:

Mitson Shield and Lester Brett Trophy

3.1 Bands shall comprise six ringers fulfilling at least one of the following:

a) at least four are listed under the tower in the Annual Report

b) The ringers are a bona fide benefice (or similar) Sunday Service or practice night band.

3.2 a) For the Mitson Shield the test piece will be 240 true changes of any recognised Doubles or Minor Method(s). Opening rounds will not be marked.

b) For the Lester Brett Trophy call changes of at least eight minutes marked ringing, to include Queens, Whittingtons and Tittums. Marked changes start when the first change is made.

Rose Trophy

3.3 Bands shall comprise eight members of a District or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

3.4 The test piece will be at least 224 true changes of any recognised Triples or Major method(s), of which only the first 224 changes, excluding the opening rounds will be judged.

4 Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 3.

5 The times of the draws are to be advertised in the Ringing World and each band must have a representative present at the relevant draw.

6 A total of two minutes practice ringing will be allowed before each test piece.

7 In the event of bands ringing Doubles or Triples, a cover bell must be used.

8 The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.

9 In the event of a large entry, the Ringing Master may choose to shorten the length of either test piece.

10 A reserve ringer, appointed by the Ringing Master, will be available at the Ringing Master's discretion, to bands meeting short.

11 A minimum of two judges appointed by the Ringing Master will be present. Their decision is final.

12 The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.

13 Interpretation of all rules is at the discretion of the Ringing Master.

Foreword from the Chairman

It's amazing to think that I've already been in post for nearly 9 months as the time has flown by. I have tried to hit the ground running by attending events and meetings in all of the Districts so I can get some ideas to boost attendance and fuel enthusiasm across the Guild. The recent ADMs have been quite revealing in this respect and have confirmed my suspicions that there is no one solution to the question of how we can provide something for everyone.

Those of you who have read my 'meet the Chairman' page on the Guild website will know that I am keen to make what we do as a Guild more sustainable by making better use of our resources, YOU the members. Perhaps the best example of this was the response we had for the 100th anniversary of the Armistice on Sunday 11th November with ringing at all but three of our ringable towers for this special occasion. We even received a letter of thanks from the Lord Lieutenant of Suffolk, Clare, Countess of Euston, which is now available on the Guild website. She referred to the fact that more bells were rung in more church towers in Suffolk than in any other county in the land and went on to say 'it reminded us all what good strong people we are, and what can be achieved when we all stand together'.

This could not have been achieved without some excellent team-work (and multiple email conversations) to ensure that enough ringers were in the right place at the right time. I am aware that some of the groups who organised 'mini outings' were already in existence but I'm hoping that other groups who formed specifically for the occasion may now go on to support each other for other events such as practices, weddings, outings and meetings etc. As ringers, we are always keen to tell new recruits what a happy and sociable bunch of people we are, so maybe the solemn occasion we have just marked could be the start of a more productive sharing of our resources across all Districts of the Guild.

I don't wish to steal the thunder from the other Guild Officers regarding their reports for 2018 but other notable achievements this past year within the Guild include:-

- Enabling nine members to ring their first peals within Guild peal week (RM report)
- Winning the High Sheriff's award for Suffolk Heritage (PRO report) – the High Sheriff joined us at the Guild's 95th Anniversary Dinner in March where 84 attended the hastily reorganised event due to the arrival of the 'Beast from the East' earlier that month
- Completing major restoration/augmentation work at Cretingham, Little Cornard and St. Margaret's Ipswich (BAC report)
- Maintaining an excellent Guild website with over 2,000 pages of content – while I recognise that 'surfing' is not everyone's idea of fun and that some members do not have access to the website, this is a very valuable communication tool (Webmaster's report)
- 'Hatching' the idea, organising, hosting and taking the top two places in the first George W Pipe 12 bell striking competition (Norman Tower 1st, St Mary le Tower, Ipswich 2nd)

Although 2019 does not perhaps have the same focus as 2018 it promises to be another busy year. The Guild will be hosting the Ridgman 10 bell striking competition at the Norman Tower in June 2019 so please come along and support the team. Mancroft Ringing Discovery Centre – at the time of writing, two District training events have been booked at this fantastic resource in Norwich (SE in April & NW+SW in June). I would urge all members to consider booking a session here as it truly has something for everyone, whatever your aspirations as a ringer.

And finally, I will continue to post a document on the website showing which Tower, District and Guild events I'm planning to attend so do please take the opportunity to come and ring with me and share your thoughts and ideas!

Obituaries

Gill Waterson, Pettistree

Gill learned to ring at Grundisburgh in the mid-1980s. Although her initial visits to the tower were as transport for son Ben and daughter Molly, Gill was persuaded into handling lessons and quickly discovered an enjoyment of ringing which continued for the next three decades. Her first peal was at Grundisburgh in 1987, in a band that also included Ben and Molly, but her peal total never reached double figures. Instead she loved quarter peals, ringing around 1500 in total, particularly at her home tower of Pettistree, where she was a loyal member of the band for many years. She also became involved in the wider ringing scene in Suffolk, with stints as Southeast District Secretary and Loes Deanery Rep.

Gill passed away in July 2018 after a short battle with an aggressive brain tumour. She will be remembered as a steady, reliable ringer who rarely made a mistake, and was always there to provide smiling support for learners and friends.

Alan Foreman, Ipswich, St Matthew

Alan, along with his wife Audrey, were amongst a number of volunteers who came forward from the congregation at St. Matthew's to learn to ring in the early 1990s. Like so many who learn late in life, Alan never found ringing easy, but enjoyed what he did. He was a regular Sunday service ringer at St. Matthew's and attended weekly practices at Sproughton. A gentle, quiet and unassuming gentleman, Alan had a cheeky sense of humour and hugely enjoyed any ringing-related social gathering, particularly in the years following Audrey's passing. He was genuinely surprised and delighted to have found both a new skill to learn in later life and the associated camaraderie that came with learning to ring.

Rolie Whiting, Nayland

Rolie learned to ring after his family moved from Clacton on Sea to Nayland in 1940. He lived the rest of his life in Nayland. He took the lead in having the bells rehung in 1972 and was Tower Captain for over thirty years. During that time, he taught many people to ring, including his wife Diana and daughter Christine. Many of them fondly recall his infinite patience with them while they were learning.

A quiet, thoughtful man, uncomfortable in the limelight, Rolie nevertheless made many ringing friends in the surrounding towers of SW Suffolk and NE Essex and held various offices in the Suffolk Guild of Ringers; SW District secretary for many years, Guild Chairman 1977-1980, and a Vice President. He was so well-known in Suffolk and Essex that Christine often finds herself being introduced to ringers as 'Rolie Whiting's daughter'.

Rolie was also instrumental in providing a set of handbells for Nayland church, and conducted the handbell group in concerts featuring favourite tunes or Christmas carols. Entertaining the residents of the local old people's home was a favourite venue.

Although ill-health meant that he had to give up ringing in later life, Rolie still attended practices when he could. He was delighted when in January 2018 a peal was rung at Nayland to celebrate his 90th birthday. Another was planned for October to celebrate his and Diana's Diamond (60th) Wedding Anniversary, but sadly it was not to be. He was taken to hospital the day before it was due to be rung and he died peacefully there on 30th November. The postponed anniversary peal was instead rung in his memory on 8th December. He will be greatly missed by his family and his many ringing friends.

Maureen Slinger, Palgrave

Maureen was formerly the Tower Captain at Palgrave. She died on 5th October and on 29th October on the afternoon of her funeral a quarter peal was rung in her memory at Oakley.

Obituaries cont'd

Arthur Finch, Long Melford

Arthur passed away peacefully in his sleep at his home in Burwell. Arthur was a member of the Essex Guild, ringing at Foxearth, where he was also the Headmaster of Foxearth Primary School. When he retired from teaching he moved to Long Melford where he joined the Suffolk Guild and was a member for nearly 50 years. Arthur rang regularly at Holy Trinity, Long Melford and supported the SW District for many years, climbing many towers including Lavenham right up until he moved to Burwell to be closer to his 3 daughters. He was 92 years young at this point. A regular cyclist, Arthur took part in the Church bike ride every year, clocking up 20 churches each time, except on one occasion where he had a puncture and was disappointed that he had only done 19, especially as he didn't have too far to go. On 24th February 2018, we not only lost a ringer but also a very close friend, who is sadly missed by many.

Charlie Ablitt, Stratford St Mary

Charlie Ablitt, a long standing ringer at Stratford St Mary, died in hospital on 6th December 2018 after a period of ill health. Charlie was involved with the Suffolk Guild of Ringers for many years. Until a few years ago, he had been Tower Captain at Stratford for over 40 years and had taught countless people to ring. He was also a close friend of Rolie Whiting who sadly died six days earlier. He was taught bellringing by Walter Bailey and he rang two peals, both at Higham, and both credited to the Suffolk Guild. His first peal was Plain Bob Minor on September 27th 1973. He rang the 4th and his daughter Deborah, whom he had taught to ring (along with his other two children) rang the treble. The other peal was on 16th May 1981, Kent and Plain Bob Minor. Charlie rang the treble to this peal. His other daughter, Sarah, rang the second, one of two first-pealers that day. Charlie taught many youngsters to ring and a number of them went on to ring peals which was a huge achievement for him. Charlie also served as SW District Chairman for a number of years and was a very competent hand-bell ringer. Charlie and Pat celebrated their Golden Wedding Anniversary in 2006 and the Guild rang a peal to commemorate this; and again in 2010 to celebrate Charlie's 80th Birthday.

Charlie's death is a huge loss to ringing, to the village of Stratford St Mary, his many friends and of course, most of all to his family.

Ray Rivers, Unattached (Great Yarmouth Minster)

Ray Rivers, who was 85, lived at Oulton Broad, but did much of his ringing with the Suffolk Guild. He was a regular ringer at Halesworth for some years and more recently at Rumburgh. He learned to ring at Hurst in Berkshire in his teens. Later in life he lived and rang at Great Yarmouth. After a few years' gap he returned to ringing in 1992 when his wife Bel learned to ring. Together they helped develop the band at Yarmouth and Ray called a local band peal there for the Millennium. In all, he rang 29 peals, 8 for the Suffolk Guild, and numerous quarters, mostly in Suffolk. He was a gentle, likeable man who would go out of his way to support ringing within a wide radius of his home.

Don Mills, Bures

Don passed away on 2nd April 2018. He was a great family man who had a life-long association with bell ringing with most of his ringing along the Suffolk/Essex border. Don was taught to ring by his father Leslie and together with his mother they formed a talented ringing family. A peal of Minor at Wormingford in 1953 was Don's first as conductor. A peal of Plain Bob Minor at Pebmarsh in February 1954, by a teenage all-Bures band, average age 15 years 1 month and called by Don, set a record for the youngest band ever to have achieved this.
Don's father Leslie was instrumental in augmenting the ring to eight in 1951, which Don managed as tower captain when his father retired. Don was a highly talented ringer who taught many people to handle a bell and subsequently gave great support to anyone learning.
A peal was rung in his memory at St. Mary's, Bures on 19th July 2018. May he rest in peace.

Trustees' Annual Report

The Trustees present their report and financial statements for the year ended 31 December 2018.

Charity

The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The Charity's registered address is Denton House, Colchester Road, Ardleigh, Colchester, CO7 7NS. It is governed under a constitution originally registered in 1977 and most recently revised in 2017.

Principal Objectives

The purpose of the Charity is to promote and encourage the practice of bellringing within the Diocese of St Edmundsbury and Ipswich; to recruit, train and encourage bellringers in the practice of their art; to cultivate the art of scientific change ringing; and to promote and advise on the preservation of bells in an efficient condition.

Trustees

The Trustees during the period were, 1st Jan-7th April 2018:

Chairman: A F Stanley	Treasurer: O P Claxton	Secretary: C N Melville

7th April – 31st December 2018

Chairman: R P Wilson	Treasurer: S A Cheek	Secretary: C N Melville

Review of Progress and Achievements

Bellringing

The Guild aims to offer support to its members to not only ring for Sunday service and practice nights but also to improve and progress their ringing. District events have been held across the whole Guild including open practices, quarter peal weeks/months, training activities, outings and social gatherings. Whilst the number of people attending these events is difficult to gauge, a broad spectrum of the membership get involved with these and hopefully benefit from the opportunity to ring at different towers and meet other ringers.

The total of quarter peals rung has increased this year to 450 (441 in 2017) but the number of people involved remains fairly steady at 374 (379 in 2017) as does the number of towers at 98. Peals rung in 2018 have also increased from 103 to 108 (the highest since 2014) in 48 Suffolk towers and this year includes two 12 bell peals. This increase is due largely to the re-introduction of peal week which also enabled nine ringers to ring their first peals.

The Recruitment and Training Committee continues to hold quarterly meetings to review training and recruitment activities and opportunities across the Guild. This year the committee attended Gather 2018 and used the mini ring to encourage young people from across the Diocese to 'have a go'. An exciting new opportunity also now exists in Norwich with the opening of the Mancroft Ringing Discovery centre and members are being encouraged to make use of these state of the art training facilities.

The commemoration of the end of WW1 created a lot of opportunities in 2018 through peals (13 rung), quarter peals and Ringing Remembers with 30 new ringers being recruited. Armistice 100 on Sunday 11th November was the pinnacle of achievement for the year with ringing at all but three of the ringable towers in the Guild at some point during the weekend.

The excellent news that we had won the Suffolk Heritage Award was announced at the Guild's 95th Anniversary Dinner held at Elmswell in March which was attended by the High Sheriff himself. Even the Beast from the East couldn't stop 84 people from enjoying this five yearly occasion although it did delay it by three weeks!

Restoration activities

2018 has been another busy year for the Belfry Advisory Committee with three major restorations being completed at Cretingham, Little Cornard & St. Margaret's Ipswich. The teams of people who worked on these prominent restorations are to be congratulated for their determination and hard work as the resulting peals of bells are an important addition to the rings of bells rated as condition 10 within the Guild. The work of the BAC is never-ending however and projects in the pipeline include Redgrave, Stowmarket, Laxfield, Fornham St. Martin, Combs and Hitcham.

Guild Finances

Reserves Policy

In line with advice from Larking Gowen, the appointed examiners for the Guild, the Trustees have formulated a Reserves Policy. The Guild will expect to hold at the bank a surplus of approximately one year's running costs.

Policies

All money in the Guild's funds not required for day-to-day purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee (GMC). Grants from the Restoration Fund are authorised by the GMC, but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project. In order to respond to the short-term need to provide financial support to training activities, the GMC introduced a process to enable grants of up to £50 to be made immediately, at the discretion of the Ringing Master, and grants of up to £500 to be made within seven days at the discretion of the Guild Executive, in both cases subject to appropriate records being kept and presented to the GMC. As an enabling measure, the Public Relations Officer has been given a budget, the purpose being to enable greater flexibility, and faster reaction, to PR recruitment opportunities when they arise.

General Fund

Net income to the General Fund, before transfers to the Restoration Fund, was 51% up on 2017. However, after transfers for subsidising the Guild Dinner and half of all subscriptions/ peal fees, there was an increase of just £1,744.15 year on year. It should be noted that this modest increase resulted mainly from an extraordinary donation of £1,000 from the Suffolk Community Foundation, and as in recent years the only guaranteed income to the General Fund (i.e. 50% of subscriptions) did not meet our expenses.

Restoration Fund

At year end the Restoration Fund totalled £57,795.64, including £38,850.00 already allocated for approved grants and awaiting payment. This leaves just £18,945.64 available for new grant applications.

During the year grants totalling £28,900.00 were approved for Stowmarket (£11,000), Laxfield (£12,000), Fornham St Martin (£5,600) and Gt Barton (£300).

Other Restricted Funds:

The Golden Bottle Trust Fund provided £142 for training activities and stands at £4858.00.

All other restricted funds (Library Fund, Handbell Fund, Jubilee Fund, Pipe Family Trust Fund and St Peter's Sudbury Fund) have positive balances.

Belfry Advisory Committee Report—Winston Girling

The Committee met in February, June and October in 2018 and discussed a great deal of voluntary work carried out by Members. Together with the usual jobs, both small and large, a lot of time was taken up in discussing applications for grants from the Guild Restoration Fund. Three major restorations have completed during 2018, and there are also several others where your Technical Advisor and also the Diocesan Advisor have visited and reported with a view to restoration.

In my view the crowning glory of 2018 must be the completion of restoration at St. Margaret's, Ipswich. At the Dedication on 29th April, before a packed Church, the bells were rung and proved that this project has been a great success. John and Shirley Girt and all involved are to be complimented on their hard work, overcoming many difficulties along the way, to bring this to such a successful conclusion. It was a great privilege to be asked to ring in the touch after the service.

The bells at Cretingham were completed after major restoration and augmentation to six. Similarly, Little Cornard bells have now been dedicated and at both towers the result has been very successful, providing two, easy-to-ring and pleasant sixes. Together with St. Margaret's we now have three more peals of bells which can be rated as condition 10. Again, all concerned are to be complimented on their worthwhile hard work and determination.

In addition, as I write, I understand that Redgrave bells, together with the repaired timber frame, should be returned to the tower and all up and ringing by very early in 2019. It will be interesting to see and hear the results of this difficult and protracted major restoration. Originally these bells should have been augmented. However, major objections by the owners of this redundant church left only the option of keeping the original 6 bells and returning them to the timber frame.

Grants have also been offered to Stowmarket, Laxfield and Fornham St. Martin. In addition there are several other towers, including Combs and Hitcham, where restorations may soon be underway.

I would like to thank the Members of the BAC who, along with others, have worked hard to keep our bells up and running and will continue to do so. No doubt 2019 will be just as challenging.

Ringing Master's Report –Tom Scase

In the Annual Report last year, I mentioned 2017 had glimpses of what we can achieve in terms of promoting and delivering opportunities in ringing, and hoped 2018 would see a greater proportion of time spent focusing on this. In this respect, I feel we have made progress.

The re-introduction of a peal week, for example, saw nine first pealers – congratulations to: Joe Findlay, Matt Newson, Tig Sweet, Yasmin Haddock, Carmen Wright, Zoe Wright, Joshua Watkins, Kate Gill and Jimmy Yeoman. Congratulations to Sue Williamson who also rang her first peal during the year. Ten first pealers during the year is a significant achievement – particularly compared with recent years. It would be good, though, to see these first pealers being encouraged to ring more; as I write, only Joshua and Jimmy have gone on to ring another peal.

The initiative to ring at as many towers as possible on Sunday 11th November 2018 for Armistice 100 was a great success, both as a commemoration of the Great War and as a means of promoting our art. Only a handful of rings across the Guild were not rung at some point on Saturday 10th/Sunday 11th November 2018 – thank you to everyone who gave up their time to help achieve this. Thank you, also, to all involved in helping bring this to fruition, particularly Neal Dodge whose coordination was invaluable, and to Councillor, and former ringer, Robin Vickery whose conversation with me back in June 2017 was the catalyst for this idea.

I was pleased to have attended the South East and North East Annual District Meetings (ADMs); unfortunately I was unable to attend the South West or North West ADMs, due to other commitments. I would like to attend more District events and practices in 2019, and will endeavour to do so, although it's difficult to fit everything in sometimes!

Each year, the Guild Striking Competitions provide an incentive to focus on good striking. The 2018 six bell competitions were held at Earl Stonham. Congratulations to Ipswich, St Mary Le Tower on winning the Mitson Shield method competition and to Great Barton on winning the Lester Brett call change competition. The eight bell competition was held at Debenham. Congratulations to the South East District on winning the Rose Trophy Competition. Our thanks go to Cherril and Jeremy Spiller for judging, and delivering very constructive comments. I appreciate feedback, and there have been various suggestions and discussions about the possibility of re-introducing a set method and touch for the eight bell competition in 2019. The rules allow for this, and as such it's an approach I'll give serious consideration to. If you have a view, do let me know.

The 2018 Ridgman Trophy competition was held at St Peter's, St Albans, and the ten ringers representing the Guild were placed fourth, as was the case in 2017. Once again, this was a respectable placing, though, if the truth is told, the three teams above us had significantly fewer faults, so there's still some way to go. The Ridgman Trophy is due to be held in Bury St Edmunds in 2019, let's see whether home advantage helps.

Quarter peal ringing continues throughout Suffolk and, as usual, Neal Dodge's excellent analysis is an interesting read. There were a few more quarters in Suffolk in 2018 compared to 2017; however the number is still fewer than 2016 and over 100 fewer than 2015. I don't think the details of my next sentence have changed from any of my previous reports! This is because Pettistree remains the leading tower for quarter peals, and David and Lesley Steed the most prolific quarter peal ringers in Suffolk. Eight ringers rang their first quarter peals during the year – well done to: Tim Forsey, Helen Bridgman, Derek Gadd, Rachel Tunbridge, Ellie Harle, Ben Turpin, Sidney Ricketts and Keith Dennis. Apologies if I've missed any.

Turning to peal ringing, I have already highlighted the success of peal week; however in overall terms, peals for the Guild remain in a relatively healthy state, particularly when compared with some of our neighbouring Associations. Peals rung for the Guild in 2018

remain at comparatively consistent number, increasing by five, to 108, compared with 2017. More Guild members, 123, rang a peal for the Guild in 2018 (34 more than in 2017). However, some of this can be attributed to a notable number of Non-Resident Life members ringing peals with our Guild.

Thanks to Pealbase, I note the following personal achievements: 2,200th as conductor – David G Salter; 1,900th peal and 700th as conductor – Alan P Mayle; 1,600th peal – Mary E Dunbavin; 1,100th peal – Cherril Spiller; 1,000th peal – Brian E Whiting; 600th peal – Christine A Knight, Richard Munnings and Winston Girling; 400th peal – Neville F Whittell; 350th peal – Ian J Culham; 300th peal – Jed Flatters; 250th peal – Nigel F C Gale; 200th peal – David A Potts and P Mark Ogden; 50th peal – Michael J Cowling and Rowan P Wilson. Apologies if I've missed any.

The annual Veterans' afternoon at Debenham was, as usual, an enjoyable event. Held on the afternoon of the second Wednesday in July, each year, this is an event to put in your diaries now!

The Suffolk Guild Dinner, despite the unavoidable postponement of the original date due to snow, was an enjoyable event – thanks to Carl Melville and particularly Alan Stanley for their efforts in ensuring this all came together.

I have continued to attend some Belfry Advisor Committee (BAC) meetings throughout 2018, and would like to reiterate our thanks to Winston Girling and the BAC members for all the time and hard work they put in, in helping maintain our rings. Equally, there are other members who have helped with restorations and maintenance and we are grateful to them for their support too – I know, for example, Jed Flatters' assistance with the re-hanging and augmentation at Cretingham was greatly appreciated.

In 2019, let's all continue to support our Guild, the events our Districts organise for the benefit of each and every member, our local practice nights, and most importantly service ringing. In doing this, and more, we will continue to provide ringing opportunities across Suffolk.

Guild Handbells & Mini Ring Trustee's Report—Brian Whiting

Handbells

The Guild has five sets of handbells:

25 bells by Taylors size 20 in C (2 chromatic octaves)
16 bells generally by Shaw size 19 in F (diatonic 13 + 3 semitones)
13 bells by Warner size 20 in E (diatonic 12 + 1 semitone)
13 bells by various founders size 20 in F (diatonic 13)
14 bells by probably Mears size 18 in G (diatonic)

The set of 25 have been used for tune ringing during the year and currently all sets are back with the trustee, with the exception of one of the sets of 13, which is in the NE district. The clapper of the 15C of the 25 broke and has been replaced; otherwise the bells remain in good order with the exception of the set of 14 bells which were donated to the Guild in 2017 by John Symonds of Lavenham.

The loan of any of the sets of handbells is subject to the regulations printed on page 85 of this report.

Vestey Ring

The Vestey Ring is a portable peal of six, tenor 8lb 5oz in B.

Three promotional banners are available with the miniring.

Details are available at http://www.suffolkbells.org.uk/towers/vesteyring1.php

The bells had ten outings during 2018, all bar three in Suffolk, details of which can be found at http://www.suffolkbells.org.uk/vesteyringbookingsall.php

Secretary's Report - Rev Carl Melville

This year has been particularly quiet. I am asked for fewer and fewer hard copies of the report as more information is found on our brilliant Guild website, church websites and on the web in general.

General Management Committee meetings usually run smoothly and my thanks go to Neal Dodge in particular who has helped with minute taking and meeting paperwork in my absence.

Membership Secretary's Report - Mary Garner

The total membership at the end of 2018 was 756, compared with 749 in 2017. Forty two new members were elected during 2018. Sadly eight members passed away during the year. Twenty five people did not renew, a handful "rejoined" and a small number moved away.

A General Data Protection Regulation (GDPR) exercise was undertaken at the beginning of May. I believe that all those members and non members whose details appear on the website and in the Handbook have given their agreement as necessary.

If a ringer in your tower is ready to join the Guild please ensure that an Application Form is completed and passed to your District Secretary, together with their subscription, for their election. Once the form is received by the Membership Secretary a welcome letter from the Chairman is despatched together with a leaflet which contains information about Guild contacts and the Central Council of Church Bell Ringers and more besides. A certificate of membership is prepared.

If you move house, change your email address, change home tower, please don't forget to let me know.

Public Relations Officer's Report - Neal Dodge

2018 commenced with Alan Stanley and I having the pleasure of accepting the High Sheriff's Suffolk Heritage Award on behalf of the Guild from the Suffolk Community Foundation. This was in recognition of the Guild's role in cherishing our county's history and heritage. We were up against some extremely tough competition, so it just proves that the work we undertake is outstanding and literally award-winning! We don't often consider the wider role the Guild and our members play in the local community, so it was wonderful to be recognised for the hard work that we do in keeping the bells ringing that brings joy to so many people.

At the excellently hosted striking contest in May at Earl Stonham and Debenham, we were joined by George Vestey our Guild Patron, and High Sheriff of Suffolk for 2018/19. George's family has a long connection with the Guild since his Grandfather became a Patron in 1958, a connection which George is keen to continue. He was most pleased to hear how his father's legacy, The Vestey Ring, was being put to good use both in and outside of Suffolk.

On the second annual Suffolk Day in June, we rose to the challenge and 26 towers rang out in celebration of our wonderful county, including 10 quarter peals and a peal. A quarter peal at Theberton was featured on ITV Anglia news and both of Suffolk's Bishops started the day by chiming the bells at Ipswich St Nicholas. Suffolk Day 2019 is already being planned, so please put Friday 21st June in your diaries and hopefully even more towers can ring out on this special day, in which bells play a key role.

On the social media front, our Twitter account @SuffolkBells, continues to grow with our tweets being seen by around 5,000 users a month. It's become a great way to interact with the public and other organisations who comment about ringing. The lively debate continues on our Guild Facebook Group with nearly 250 members. Please do sign up and join in the conversation.

The highlight of the year has to be the nationwide Ringing Remembers campaign. This campaign aimed to recruit and teach 1,400 new ringers in time for Armistice 2018, symbolically replacing those ringers killed in WW1. The Guild has recruited 30 new ringers to date, but overall, the national target of 1,400 was nearly doubled. The initiative has provided a lasting legacy of a new generation of ringers, alongside a greater public awareness of ringing.

November marked the 100th anniversary of the Armistice that the Ringing Remembers campaign was building towards. Our plan was to have every tower in the Guild ring out on Sunday 11th November. This was a little daunting when it was first mooted back in November 2017, but yet again, we rose to the challenge with the bells from nearly every ringable tower in the Guild sounding out at some point that weekend, which amounts to 200 towers in total! This level of near complete Guild coverage was not attempted or achieved anywhere else, so it can be said more towers were rung in Suffolk than any other county. Even looking back through history, this was potentially the largest ever piece of collective ringing in Suffolk. What an achievement!

Lastly, but most importantly I must thank all of you, because we're lucky enough not just to have one Public Relations Officer, but over 700; for we are all ambassadors of ringing. Most people take their first steps based on encouragement and explanation from you, so my challenge to Guild members this year is to speak to your colleagues, neighbours, friends, and family and tell them what a great time can be had when you go ringing!

Librarian's Report - Abby Antrobus

This year I have had requests for information (photographs, old minutes), and questions about books with Suffolk connections that we may wish to add to the library. John Loveless has also sent items from Howard Egglestone's papers relating to Suffolk, some of which were featured in his articles in the Ringing World this year that celebrated 72 years of the Mills family connection to Bures (pages 760-1 and 788-9, August 10th and August 17th 2018). The papers include a photo of the band who rang the 10,080 at Debenham in March 1968 - taken in the pub. The article highlights that more ringing history could and should be written, and to make it a bit easier in Suffolk, the Records Office has provided an extract of their catalogue details for our collection, so I can amend our own with reference numbers for anyone wishing to look at items there.

At the time of writing, I am planning a visit to the Norman Tower to check the library. Please do send any papers/leaflets – for example, from dedication services - the collection in the Records Office is live and we can add to it and ensure that it captures something of our activities today.

Webmaster's Report—Chris Garner

The Guild Website now contains over two thousand pages. Information about towers, bells, ringers and events is constantly updated. Photos and snippets of news may be sent to the Webmaster for posting on the web site. Richy's Blog is now in its twelfth year and is posted daily whilst Facebook generates friendly repartee. The Guild also has a *Twitter* account (@SuffolkBells). Thank you to all those who have made contributions.

Various sections of the Guild may be contacted by email: all Members, Tower Correspondents and Email Contacts, NE Members, NW Members, SE Members and SW Members. Emails may also be sent to any group of members. Email addresses are known only to the Webmaster and the Membership Secretary. If you would like information distributed, please send copy to the Webmaster.

A significant number of emails are returned as undeliverable so, if you change your email address, don't forget to let the Membership Secretary (membership@su*ff*olkbells.org.uk) know.

193 tower correspondents or tower email contacts and all 35 Guild and District officers have generic email addresses (e.g. *pettistree@suffolkbells.org.uk*). This makes things easier when personnel change.

Directory of Suffolk Towers and Correspondents

The table on the following pages shows details of every ring of four or more bells in the area covered by the Suffolk Guild of Ringers, along with the tower correspondent and their contact details where permission has been given for their inclusion.

All Guild tower correspondent email addresses are {towername}@suffolkbells.org.uk

Condition of the ring (Cond)

10 Excellent. Ball bearings, modern frame and fittings.
9 Excellent. Plain bearings, modern frame and fittings or ball bearings in old frame.
8 Good going order
7 Fair going order
6 Poor going order
5 Ringable if cleaned up and odd fittings and ropes provided
4 Rung occasionally. Frame/fittings nearly life expired
3 Not to be rung mainly because of tower and/or frame arrangement and position
2 Not to be rung mainly because of frame and/or fittings
1 Hung dead
0 Some bells unhung on the ground

Please note that the classification is based on the condition only at the last date of inspection, and any enquiries or requests for further inspections should be directed in the first instance to the Suffolk Guild Technical Advisor.
The key of a ring (i.e. the note of the tenor) is given in cents (i.e. hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C#-20m and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Advisor or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place.

Code: G Ground floor ring

District Report

We had a successful year recruiting new ringers and are working on retaining them. Beccles has been particularly successful with its recruitment approach. During the year we elected 11 new members to the Guild and hope that some less advanced learners are in the pipeline to become members next year. We mounted an excellent turnout for Ringing For Peace, ringing at all bar one of the ringable towers in the District, following some essential repairs at a few towers. We were pleased that this ringing included many of our new recruits.

Our 2018 ringing programme had mixed success. Sessions dedicated to handling and conducting were well attended. The schedule of monthly district practices was not so successful, with a couple of exceptions. We are therefore revisiting this approach for next year.

There were two peals rung by the District, compared to none last year, including a first for Kate Gill.

The importance of safeguarding has been reinforced throughout the year, together with encouraging ringers to complete the C0 Diocesan course.

Our thanks are given to Mike Cowling, our retiring Chairman, and welcome to Sal Jenkinson, our new Chairman elected at the ADM in November.

District Report

We started the year with our annual visit to the Norman Tower followed by a carvery lunch at The Bunbury Arms, Great Barton.

Once again, we used the same format for our District Practices – a quarter peal followed by open ringing. These have proved successful with local band members being included where possible, and in some cases, a "first" was achieved:
November at Thornham Magna (Grandsire Doubles – (half muffled), February at Tostock (Zylverne Bob Minor – first in method for all), March at Elveden (Grandsire Triples – Jimmy Yeoman's first of Grandsire and WW1 commemorative quarter peal), May at Brandon (Cambridge S Minor) – Josh's first Surprise Minor and September at Horringer (attempted Cambridge S Major).

The District hosted the Guild AGM in April at the Norman Tower, with ringing both before and after a well-attended evensong in the Cathedral and the tea in Pilgrim's Kitchen.

At the Guild six bell striking competition in May, Pakenham came 4th in the Mitson Shield and Great Barton came 6th; however in the Lester Brett Trophy (call changes) Great Barton came 1st and Thurston 2nd. The Guild eight bell striking competition saw the NW finish in 3rd place.

Quarter Peal week was held from 26th May - 3rd June. We again held a quarter peal afternoon/evening followed by a meal on Friday 3rd June. In the course of the week 13 quarter peals were rung comprising 1 Surprise Royal, 1 Surprise Major, 7 Minor and 4 Doubles. 37 people took part with 8 different conductors, and with Jimmy Yeoman conducting his first quarter peal.

The District outing in July was to 6 towers in South Norfolk. Last minute pub closures and seized clapper bushes did not, thankfully, spoil the day out for the 12 people who supported us this year.

The ADM in October was held at Stowmarket and the Christmas social at Bacton.

District Report

In 2018, we welcomed fifteen recruits, including a number through Ringing Remembers. There were five first peals, and completed projects at Cretingham and Ipswich St Margaret.

We started the year with ringing at Pettistree and Felixstowe in January and February. In April at Holbrook, there was a raising-and-lowering session, and an ART Module 1 Course held in May at Ipswich St Matthew.

Ten teams were judged by Philip Gorrod and Matthew Rolph at our striking competition at Rushmere in May, with sunshine and tea provided by the band there. St Mary le Tower won the Cecil Pipe Memorial Bell, and Hollesley the David Barnard Memorial Trophy. The Guild Striking competitions were held at Earl Stonham and Debenham, with a win for the district of the 8-bell Rose Trophy; the Debenham band provided lunches.

On a sunny afternoon in June we rang at Dennington and Framlingham, and Orford in July

was well attended despite clashing with an England World Cup quarter-final. The 'quarter peal and meal' event in August saw scores at Holbrook, Harkstead and Stutton, and patronage of the King's Head. In September we met in Ipswich St Clement and St Lawrence, with another ART event on the simulator at St Margaret's. October's outing to Norfolk started at Aylsham and ended at Little Walsingham.

We met in November at Cretingham. Armistice 100 saw ringing at every ringable tower in the District – an impressive achievement.

The ADM in December was held at Campsea Ashe and Wickham Market, with tea provided by the Wickham Market band. Christmas ringing in Ipswich took a different format, with a tour and quarter peals at St Lawrence; refreshment was provided by St Margaret's.

The 'Beast from the East' necessitated cancellation of March's meeting at Coddenham and Barking but we rearranged for January 2019, and the presentation of fifteen bakes for 'Cake-Off' bodes well for our hosting of April's AGM. Thanks are again given to outgoing committee members.

District Report

Paul reported that we have held 9 practices with average attendance holding at a respectable 17, a District Striking Competition and David Lee's Outing. The Quarter Peal Month in August saw 8 quarters rung with many achievements: 1st quarters for Heather Sinclair, Jill de Laat and Ben Turpin; 1st inside, first of minor and first on 8 for Tim Forsey and 1st as conductor for Joshua Watkins. This was an excellent achievement for all concerned and our thanks go to all those who supported these up-and-coming ringers.

The District Striking Competition was a little disappointing in the number of entries; however, Haverhill came first of 4 teams in call changes and Woolpit/Drinkstone were the only method entry. In the Guild Competitions Woolpit came second of nine in the Mitson Shield – well done! Our thanks go to David Lee for an excellent outing topped off with a most enjoyable meal. In the hope of encouraging more of our less adventurous members to come along, a special method has been nominated for each practice in the coming year. We will, of course, still endeavour to meet individual requests.

A refurbished and augmented, delightful ring of 6 were dedicated at Little Cornard on 1st December followed by cakes galore and some very happy ringing. Thank you to so many local people and ringers whose efforts and enthusiasm made all this possible.

For the year up to October 2018 we have 144 paid up members which is an increase of 4 (10 new members, 3 not renewed and 3 who have died). Thank you to the following towers who have invested time in teaching our new members: Lavenham, Sudbury St Greg's, Monks Eleigh, Woolpit and Long Melford. Thank you also to our district officers and representatives for all their hard work, and welcome to Richard Knight as a District Representative on the Guild Management Committee.

We list, with regret, the following members who have died during the last 12 months: Arthur Finch (Long Melford), Don Mills (Bures), Rolie Whiting (Nayland), Charlie Ablitt (Stratford St Mary) and Graham Morrey (Lavenham). Our sympathies go to all their families and friends.

Peal Secretary's Report—Christine Knight

The Guild peal total of 108 was the highest since 2014, due largely to the highly successful reintroduction of Guild Peal Week in February, during which fifteen peals were rung. The year also saw the first peal on the restored ring at St Margaret's, Ipswich, widely acclaimed as a magnificent transformation achieved by the team led by John and Shirley Girt. A peal of Double Norwich CB Major on 4th August was the first peal on the restored bells. During the year, peals were rung at 48 Suffolk towers and two other venues, Ardleigh in Essex and Lichfield Cathedral.

Mirroring the national picture, World War 1 centenary peals continued throughout the year. In all, thirteen peals were rung to commemorate those who gave their lives. As the centenary of the Armistice approached, awareness of the enormity of the sacrifice in individual parishes became more apparent. Ten peals were rung between September and November alone. At Little Thurlow, Hacheston, Elmsett, Ipswich, St Margaret, Offton and Bardwell peals were rung to honour the memory of local men who made the ultimate sacrifice. There were also peals to mark the centenary of the deaths of local ringers. A peal at Pettistree on 25th March remembered Private David Leggett, and Bombardier William Lovett was commemorated by a peal at Aldeburgh on 17th June. No less than three ringers were lost at Monks Eleigh; a peal on this challenging six was rung on 27th October in memory of Private Edward Hollox, Corporal Robert Keeble and Private Charles Varo. The Great War also claimed the lives of three Lavenham ringers, Private George Lambert, Private Charles Poulson and Lance Corporal Thomas Pryke. As Lavenham was formerly in the Ely Diocese, a joint Suffolk Guild/Ely DA band was assembled to ring a peal in their honour on 24th November. On the Armistice Centenary weekend, the bells of the Cathedral's Norman Tower were rung half-muffled on 10th November to a peal of Grandsire Cinques. On 11th November, Armistice Centenary Day itself, a peal of 7 Surprise Minor was rung at Buxhall. At Horringer, a specially composed 5100 of Armistice S Major , conducted by Stephen Pettman, was rung on 30th November, it also being the 100th peal in the tower.

Peals were also rung nationwide to mark the 300th anniversary of the first peal of Grandsire Triples, which was rung at St Peter Mancroft in Norwich on 26th August 1718. Two peals were rung by the Guild as part of this commemoration. Louis Suggett called his own composition of Grandsire Triples at Bardwell on 25th August. On 29th August at Grundisburgh, Stephen Pettman called what is thought to be the original composition by John Garthon, which includes a special call known as a 'hic'.

Some other individual peals deserve special mention. On 7th February, in a peal at The Wolery, Mary Dunbavin became the seventh person to ring a thousand peals for the Guild. Brian Whiting also achieved a very significant milestone by ringing his thousandth peal, Plain Bob Major at Horringer on 15th February. He chose to share this occasion with local ringer Joshua Watkins, who rang his first peal on that day. An incredible example of teamwork was evident at Tostock on 10th June, when a peal of 41 Spliced Surprise Minor was rung by a NW District band, conducted by Nigel Gale. The footnotes make very impressive reading, being the first peal of Spliced for three members of the band, most methods for two, and also first peal of Spliced as conductor: a magnificent achievement. Also worthy of mention is the peal of Double Norwich CB Major rung on the back eight at Ipswich, St Mary- le-Tower on 16th September. This was a challenging method on a 34cwt eight, especially for the tenor ringer, Ian Culham.

Many of the patterns in Guild peal ringing remained unchanged in 2018. Attempts by the Aldeburgh Second Sunday Band have continued and their final peal of the year, Triduum Surprise Major on 9th December was also the 350thpeal on the bells and the 250th of Surprise Major there. Regular attempts at the Wolery Mini-Ring also continued, with the 400th peal

on the bells being reached on 4th July. In the monthly attempts on the light eight at St Mary-le -Tower, the focus has shifted recently to 'Project Pickled Walnut', a project to ring Surprise Major methods named after Suffolk towns and villages. So far two peals have been rung, Framlingham S Major and Clare S Major. Interest in Spliced Surprise Minor continues, and 41 Spliced was rung three times during the year, twice on towerbells and once on handbells.

It is always pleasing to see the 'firsts' achieved by less experienced ringers in peal footnotes. In Peal Week, in addition to the nine first pealers, there was a first of Grandsire Caters, a first of Surprise Royal and a first on handbells. Later in the year, there was also a first on 12 and another first pealer in a peal at St Matthew's, Ipswich on 24th June. It was also good to see two 12 bell peals as 2017 was the first year since 1976 with no 12 bell peals at all. Two peals of Grandsire Cinques were rung, both at the Norman Tower, but one by a predominantly non –resident band. Peals on higher numbers are a vital opportunity for progression. It is disappointing that no peals of Maximus have been rung for the Guild since 2016.

There are many positives to take from the Guild's peal ringing activity. In regularity and annual totals, peal ringing is more deeply embedded in the culture of the Guild than in some of our neighbouring associations. However, the majority of our peals continue to be organised for experienced peal ringers. Some very talented young ringers have left the county in recent years and learning opportunities are needed throughout the year to enable budding peal ringers of all ages to develop their skills. From just one first pealer in 2017 to a total of ten in 2018 is a magnificent achievement. However, only two of the nine first pealers from Peal Week rang further peals later in the year. In fact, outside Peal Week there were just two peals which were obviously organised as learning opportunities for less experienced ringers. Peals like the Minor (3m) rung at Wissett on 20th May, which contained a '1st inside' and 'most methods' and the Minor (7m) at Exning on 16th August, which was also a '1st inside' are invaluable stepping stones. The Master made a tremendous effort to open up peal ringing to a wider cross-section of our membership in Peal Week. Hopefully, more peal organisers will emulate this by providing opportunities for progression during the year. As always, I should like to thank Michelle Rolph, Brian Whiting and David Salter for their work on the peals section of this Report. Special thanks go to David Salter for providing information and support whilst recovering from serious illness.

Tips for Learning Methods

Learning methods - first steps

1) Identify your learning style – do you prefer to learn by seeing, hearing or doing?
2) Learn the method in small bits to start with, then join the bits up
3) Relate any new method to what you already know
4) Familiarise yourself with new types of work
5) Learn where you pass the treble and where you work with it
6) A poor handling style can affect progress so get someone to video you then listen to their advice!
7) Try to maintain a constant rhythm (which should be the same as the rest of the band)
8) Stand behind someone and follow them ringing the method you are learning
9) Go out to other towers where they ring what you are learning (& attend Guild and District events)
10) Do not be afraid to ask for help – ask several people as they may explain things differently
11) Do your homework (before the practice night)

Learning methods - next steps

1) Learn the basics first and then build up to more complicated methods
2) Look for signposts (roll ups, familiar changes, passing & working with your before & after course bells)
3) Learn the place bell order and all of the starts
4) Learn the structure of the method by using the grid (shows blue line for each bell for one lead)
5) Learn the bobs and singles
6) Practise ringing the method on Abel
7) Do your homework (before the practice night)
8) Listen critically to your striking (whatever you are ringing)
9) Attend Training Days & Ringing Courses
10) Attempt a quarter peal

Safeguarding Statement

The Suffolk Guild of Ringers takes the safeguarding and protection of children (under 18s) and vulnerable adults very seriously. It recognises that the welfare of children and vulnerable adults is paramount and that we have a duty of care when they are in our charge. We will do everything that we can to provide a safe and caring environment whilst they attend our activities. All children and vulnerable adults will be treated with respect and dignity.

Safeguarding Policy

The Guild, as advised by the CCCBR, follows the national "Promoting a Safer Church" policy as adopted by the Diocese of St Edmundsbury & Ipswich:

- Local tower arrangements should always be approved by the PCC in line with the Parish Safeguarding Policy[1]. The Tower Captain should have a copy of the Parish Safeguarding Policy and ensure that ringers have access to it.

- All ringers should complete the online safeguarding training course 'C0' as advised by the PSO[2] or Incumbent for the tower where they are listed. It is accessible via this web address https://safeguardingtraining.cofeportal.org/ The certificate awarded should be retained and the date of completion notified to the PSO.

- Tower Captains and ringing teachers must complete 'C0' first, then attend a "face to face" half day course, 'C2 Safeguarding Leadership', in the Diocese every three years.[2]

- All Tower Captains and ringing teachers MUST hold a current clear DBS check status IF their role includes the training of children or vulnerable adults.

- Any person requiring a DBS check must first complete a Confidential Declaration Form, available here http://www.cofesuffolk.org/uploads/Lay_Confidential_Declaration_Form1.pdf The completed form should be handed to the Incumbent or PSO for secure and confidential storage.

A ringer does NOT require a DBS check if acting in a supporting role, undertaking unplanned one-off teaching or deputising in an emergency, providing two adults (preferably one of each gender) are present, nor for transporting children or vulnerable adults as part of arrangements between families.

Where there is cause for concern this should be reported to the Parish Safeguarding Officer or Incumbent immediately.[3]

---

1 The Parish Safeguarding Statement / Policy should be displayed in the church together with the name and contact details of the Parish Safeguarding Officer.

2 The PSO, Parish Safeguarding Officer, will keep a register of C2 courses attended but ringers are advised to keep their own record too to ensure that their qualifications do not lapse.

3 The Parish Safeguarding Officer or Incumbent will refer immediately to Suffolk County Council Customer First – 0808 800 4005.

If there is risk of immediate harm call the police – 999

Draft Minutes of the Suffolk Guild Annual General Meeting
held on Saturday 7th April 2018 at St Edmundsbury Cathedral

1. Welcome, Thanks and Apologies

The chairman welcomed everyone to the meeting. He then thanked Canon Philip Banks for the welcome to the cathedral and for the service. He extended thanks to Rowan Wilson, David Steed, Ruth Young and Neal Dodge who organised the ringing and the day's proceedings. Thanks were given to the Norman Tower ringers and to the NW district for providing support at the open towers and to Philip Gorrod for the PA system. Thanks were shown to the Cathedral catering staff for the provision of food and tea.

The chairman described two trophies that the Guild has earned from the High Sheriff's Award, to acknowledge those contributing to the heritage to the county of Suffolk. Alan Stanley highlighted the fact that Neal Dodge had done all the hard work on the application and he (Neal) was thanked by the meeting. As well as trophies a cheque for £1,000 was given.

The chairman announced changes and errors to the Agenda that was sent out earlier in the month.

He thanked Chris Garner for advertising everything on the website so efficiently.

2. Absent Friends

The meeting stood for those mentioned in the Annual Report and also Don Mills of Bures.

3. Election of New Members

Mrs Joanna Butlin, Harkstead. Prop Janet Looser, Sec Ali Looser. Mr Alistair Ian McArthur, Woolpit. Prop Pam Ebsworth, Sec Chris McArthur. After ascertaining that the required ringing standard had been attained they were duly elected.

4. Minutes of the 2017 AGM

Minutes accepted as a true record. Proposed Lesley Steed, Seconded Diana Pipe. Meeting agreed.

5. Matters Arising from the Minutes

Peal fees – review outstanding.

7.10 – The Annual Report was not circulated electronically as promised and the Chairman stated that this is under consideration by the GMC.

6. Trustees' Report — Annual Report, page 9

7. Officer Reports

Ringing Master — Annual Report page 13
Secretary — Annual Report page 15
Guild Accounts — Annual Report page 18

Katharine Salter asked why the grant for St Margaret's Ipswich was not mentioned in the account this year. Owen Claxton responded that they won't appear yet but the money has been granted.

Belfry Advisory Committee — Annual Report page 11
Public Relations Officer — Annual Report page 16

Veronica Downing wanted to show thanks to Neal Dodge who is on Central Council Publications working party.

Magazine Editor — Annual Report page 17
Librarian — Annual Report page 17

John Girt asked if the decision about keeping the Ringing World electronically had been made. AA replied that no decision had been made yet.

Peal secretary — Annual Report page 50

Guild Handbells & Mini-ring Trustee Annual Report page 14

David Salter asked why there were very few donations, yet insurance was so high.

Brian Whiting replied that the bells were not utilised fully.

The GMC will consider whether or not the insurance premium is suitable for us or not. David Salter asked if we needed all the sets of bells anyway. GMC will review the use of handbells.

David Salter asked where the precise history of the Pearson bells was.

Webmaster Annual Report page 17

The chairman thanked Chris Garner for his hard work. Sally Munnings commented that ours was the best website out of other ringing sites she had looked at.

Julian Colman asked if the Data Protection changes in the law (GDPR) had been updated within the Guild particularly the website. Mary Garner said that the she had reviewed this and that the membership forms acted as consent and that emails were blind copied to members and that data was under password protection.

Membership Secretary Annual Report page 15

Proposer David Salter, Sec John Girt. The meeting adopted these reports.

8. Annual Report, Editor's Report

Michelle Rolph gave a short report to thank everyone who contributed this year. The meeting showed their appreciation to Michelle Rolph for doing a great job on the report.

9. Central Council Report

A report on the CC 2017 Annual meeting is in minutes of the June 2017 GMC Meeting and can be found on the Guild website.

Veronica Downing gave a report and said that it is really important that Suffolk knows of their place on the Central Council national board. The committee members will become working parties, which Neal Dodge is part of. She asked the meeting's full support for Neal Dodge.

10. Subscriptions and Peal Fees for 2019

These remain unchanged.

11. Election of Officers for 2018/2019

John Girt said that this is the first time that the Guild has elected a female Chairman and that we should fully support her.

Post	Elected	Proposed by	Seconded by
Chairman	Rowan Wilson	Alan Stanley	Philip Gorrod
Ringing Master	Tom Scase	Owen Claxton	Tracey Scase
Secretary	Carl Melville	Michelle Rolph	Alan Stanley

Mini ring Trustee	**Brian Whiting**	Gordon Slack	Janet Sheldrake
Webmaster	Chris Garner	Tom Scase	Mike Whitby

Philip Gorrod thanked the outgoing Chairman for all his work over the past five years saying that he knew what a hard job it was. The meeting gave their appreciation to Alan Stanley.

The Chairman thanked Owen Claxton for his marvellous accounting skills in being Treasurer, for preparing reports and guiding us financially over the past few years.

Neal Dodge gave advance notice that this will be his last year as Public Relations Officer. The meeting was encouraged to look for a replacement.

The Vacancy of Newsletter Editor will be discussed at GMC.

The Chairman paid tribute to those who take on roles and who put so much time into achieving the things they do. The meeting gave their appreciation to those in post.

The Membership Secretary and Safeguarding Officer, Mary Garner, was thanked by the meeting.

12. Election of Central Council Reps

1 Vacancy one year term to align with others. No nominations.

13. Election of Trustees

Alan Stanley and Owen Claxton are stepping down.

Rowan Wilson and Stephen Cheek were nominated, being elected to Chairman and Treasurer. Proposed by Jed Flatters, Seconded by Maurice Rose. Duly elected with none opposing.

14. 50 Year Membership Awards

Brian Whiting received a 50 year membership award and the meeting showed their appreciation and thanks.

15. St Edmunds' Clapper Competition

Owen Claxton gave the results of the St Edmunds' Clapper Competition.

There were two entries raising £215.00 in total.

Donations were received by the Millbeck Ring and from the Burns Night social.

Sproughton won by raising £165.00

16. Appointment of Independent Examiner

Ian Webster, Larking Gowen, Proposed by Owen Claxton, Seconded by Maurice Rose. The meeting agreed.

17. Feedback from Guild Social Event 2017

Ralph Earey reported that 85 people came along to the Barn Dance last year and that it made a profit of £209.00.

18. Any Other Business

i. Freda Smith – Jonathan Williamson reported:- whilst not a long serving member of the Guild, Freda Smith of St. Matthew's Ipswich will turn 100 years old on 27th June this year. I think she was first elected along with the rest of the band we taught there in 1992 though she had been a ringer before that time. She was one of only two volunteers who could already ring when we started at St. Matthew's with over 20 volunteers and her support was invaluable. She is still a member of St. Matthew's and still going strong, though no longer ringing. She is now supporting the revitalized efforts at St. Matthew's to keep the bells going. So well done Freda Smith.

ii. Annual Report: Julian Colman asked if we needed a hard copy of the Annual Report or Newsletter given that many reports are all online. He said that the Guild could save money for the Restoration Fund.

Richard Knight said that the document was a historical document but that most people were now online.

Sally Munnings asked if several copies per family are required. In the Peterborough Guild reports can be purchased for use by a tower or personal use.

It was noted that the newsletter was the Guild Magazine and was a document for places beyond the Guild members. Shirley Girt said that the magazine was great for those no longer able to ring and was a link from one generation to another.
Katharine Salter said that the amount of money we would save was negligible when thinking about PR and front of house productions.
Jed Flatters asked if we could have a show of hands to get a general feeling of who wanted what. A straw poll was taken. Nearly 80% of those present felt it necessary to keep a hard copy.

iii. Armistice Ringing: Jonathan Williamson asked the meeting to consider Guild activities about this event. Tom Scase, Ringing Master, wanted us to ring at as many towers as possible on 11th November. Neal Dodge had requested that tower names were sent to him ASAP for PR. John Girt said that Suffolk was very bad at registering towers.
The chairman encouraged everyone to be active.

iv. Veterans Day: Jenny Scase said that this was on Wed 11th July, 2pm at Debenham.

v. Safeguarding: Mary Garner said that information was sent round to everyone on the Guild lists, and this information was produced in line with the Diocese of St Edmundsbury and Ipswich policy. The policy holds true and that training should be completed.
Brian Whiting asked how the system was monitored. Mary Garner said that Parish Safeguarding Officer of each parish should keep a list of relevant documents and details.

vi. CCCR: David Stanford asked what views the CCCR reps would be taking to the next meeting. The chairman stated that the reps were not directed by the GMC but where important votes were concerned the GMC might state their position as had been the case with the CRAG report. Veronica Downing said that the changes at CCCR are going ahead as of votes made last year.

19. Date of the next AGM: Saturday 27th April, 2019, in the SE District

Simon Rudd, chairman of the Mancroft Appeal 300 project, was welcomed to speak following the meeting. He spoke about the facilities available and provided a number of leaflets.

2.4 Non-Resident Life Member: A person qualified to be a Ringing or Associate Member, but who resides outside of the Guild's territory and is not a member under 2.1, 2.2 or 2.3.

3 Only Ringing and Life Honorary Members may vote or hold office in the Guild.

4 Churches within the Diocese may be affiliated to the Guild on payment of an annual donation of an amount at least equal to the subscription payable by a Ringing Member aged between 70 and 79

C. DISTRICTS

5 There shall be four Districts, North East, North West, South East and South West. Towers may move from one District to another with the agreement of both Districts and subject to approval by the Guild Management Committee (GMC).

D. GOVERNMENT

6.1 The President shall be the Bishop of St Edmundsbury and Ipswich.

6.2 A Suffragan Bishop within the Diocese shall be a Vice-President.

6.3 Vice-Presidents elected before 2010 shall hold office for life and shall not be required to pay a subscription.

6.4 A non-member may be elected as a Patron at an AGM. Patrons shall hold office without re-election, but may be removed by a resolution at an AGM.

7 The Annual General Meeting (AGM) or any Special General Meeting (SGM) shall be the ultimate policy and decision-making body of the Guild. The AGM shall be held on the Saturday following Easter or as decided by the GMC. At any AGM or SGM a quorum shall be 5% of members eligible to vote.

8 Members shall be elected to the following Offices:

Chairman	Technical Advisor	Ringing Master
Librarian	Secretary	Handbells Trustee
Treasurer	Peal Secretary	Chairman of Belfry Advisory Cmttee
Report Editor	Magazine Editor	Public Relations Officer
Webmaster	Mini Ring Trustee	Central Council Reps

9 The Annual General Meeting shall appoint an Accountant, who is not a member of the GMC and need not be a member of the Guild, to act as Independent Examiner in accordance with The Charities Acts.

10 The following Committees shall be formed:

The Guild Management Committee (GMC), to co-ordinate Guild activities and publish a printed Annual Report and Accounts. It shall recommend the levels of subscriptions, peal fees, other methods of raising capital, authorise expenditure from Guild funds and may organise general meetings, ringing and social activities.

The Recruitment and Training Committee (RTC), to co-ordinate training and recruitment. The Belfry Advisory Committee (BAC), to advise and assist on all matters connected with rings of bells. It shall maintain an up-to-date directory of towers, listing the condition of all Church bells in the Diocese.

E. FINANCE

11 All money in the Guild's funds not required for normal working purposes shall be invested or deposited by the Treasurer as may be directed by the GMC.

12 All cheques shall bear the signature of the Chairman, Secretary or Treasurer.

12.1 Any cheque greater than a limit set by the GMC shall bear the signatures of two of the above.

13 The expenses listed in Rule K16 shall be paid out of the General Fund.

14 The interest received on the Jubilee Fund shall be transferred to the Guild Restoration Fund. The capital element of the fund shall be retained intact.

15 Grants from the Restoration Fund shall be authorised by the GMC, but shall only be paid after the work has been approved by the Guild Ringing Master and the Technical Advisor. Grants will normally be offered for work to restore bells and their fittings for full-circle ringing, but may include augmenting and other ancillary work associated with any such project.

16 The St Peter's Sudbury Fund shall be used for running expenses and minor repairs and refurbishments to St Peter's bells and fittings.

17 The Library Fund shall be used for the purchase and repair of books and other items for the library.

18 The Handbell Fund shall be used for the repair, maintenance, renovation or augmentation of the Guild's handbells.

19 The Pipe Family Trust Fund shall be used for the encouragement of beginners in the art of change ringing in the Suffolk Guild. The fund will be administered by the Guild executive.

20 The GMC may establish further funds and shall specify the aims and objectives of such new funds.

21 The GMC may transfer sums from the General Fund to any specific funds and, if the purposes of the specific funds cease to exist, close these funds and transfer the balance to the General Fund.

22 The GMC shall recommend the proportion of peal fees, subscriptions of Ringing and Associate Members and Non-Resident Life Membership fees which shall be transferred annually to the Restoration Fund from the General Fund.

F. RECORDS AND HANDBELLS

23 All peals rung for the Guild and a summary of other peals and quarter-peals rung in the Diocese shall be published in the Annual Report.

24 The Librarian shall maintain an up-to-date inventory of publications owned by the Guild and the Secretary shall maintain an up-to-date inventory of other Guild assets.

25 The Handbells Trustee shall maintain the handbells in good condition and shall make recommendations for their repair to the GMC.

G. GENERAL

26 The Constitution and Rules may only be amended at an Annual or Special General Meeting of the Guild.

26.1 Fourteen days notice of any proposed change to the Constitution and Rules of the Guild must have been provided to members through the Ringing World and the Guild website.

26.2 Any change must be approved by at least two-thirds of those present and voting and shall take effect from the date given in the proposal.

26.3 No amendment shall be authorised which shall have the effect of the Guild ceasing to be a Charity in Law.

27 In the event of dissolution of the Guild, any assets remaining after the satisfaction of all its debts and liabilities shall not be paid to or distributed among the members of the Guild, but shall be given or transferred to such other charitable institution or institutions having similar Objects to the Guild.

GUILD RULES

H. ELECTION OF MEMBERS AND SUBSCRIPTIONS

1 Ringing and Associate Members may be elected at any meeting by a majority of those present when proposed and seconded.

1.1 A member may belong to only one District, normally the District under which the member is shown in the Annual Report.

2 Subscriptions are due on election and thereafter, in advance, on January 1st each year and shall be set at the preceding AGM, or SGM. If a change in subscription has not been passed, the existing rate shall continue.

2.1 No member shall be entitled to be heard, vote or hold office if subscription for the current year is unpaid.

2.2 The subscriptions of members elected during or after October shall cover the remainder of that year and the whole of the following year.

2.3 Persons in full time education and members over 70 years of age shall pay a reduced rate of subscription. Members over 80 years of age shall pay no subscription.

3 Life Honorary Members may only be nominated by the GMC or a District and shall only be elected at a Guild AGM after their nomination has been approved by the GMC. No further subscription is payable after election.

4 Ringing or Associate Members may, on leaving the Diocese, inform the Guild Secretary that they wish to become Non-Resident Life Members. No subscription is payable during the period of non-residence.

5.1 Any person resident outside the Diocese who wishes to be associated with the Guild may be elected a Non-Resident Life Member. A one-off subscription is payable by such members.

5.2 Any Non-Resident Life membership ceases if the member takes up residency within the Diocese. The person may become a Ringing Member, without re-election, provided that the person was previously elected as a Ringing Member. The person must then pay the appropriate subscription.

6 For the purposes of peal ringing, new members may be provisionally elected in the belfry. Membership is subject to confirmation at a meeting of the appropriate District in the case of a Ringing Member or at a meeting of the GMC in the case of a Non-Resident life Member. If election is not confirmed the subscription shall be refunded.

7 Any member failing to conform to the Objects and Rules of the Guild may be expelled by the GMC which shall report the matter to the next Annual General Meeting. Such a member shall forfeit any payment made to the Guild.

I. ELECTION OF OFFICERS

8 All Officers shall retire at the Guild's AGM, but shall be eligible for re-election. The Chairman, Ringing Master, Secretary and Treasurer shall not serve more than five consecutive years in one post.

8.1 Nominations may be made in writing to the Guild Secretary or orally at the AGM providing they are proposed and seconded.

8.2 If more than one nomination for any office is received, election shall be by paper ballot, the successful candidate being the one with the highest number of votes. In the event of a tie the Chairman shall have a casting vote.

8.3 Central Council Representatives shall be elected, in accordance with the rules of the Central Council, during the second year of the triennium at the AGM of the Guild.

J. COMMITTEE STRUCTURE

9 The Guild Management Committee (GMC) shall consist of the Guild Chairman, Ringing Master, Secretary, Treasurer and Chairman of the Belfry Advisory Committee, and up to five members from each District, elected in accordance with Rule 20.

9.1 Nine members of the Committee shall constitute a quorum.

9.2 The Chairman shall chair all Guild and GMC meetings. In his/her absence the chair shall be taken by the Ringing Master or in his/her absence by a person elected by the meeting.

10 The Recruitment and Training Committee (RTC) shall consist of the Guild Ringing Master as Convenor and two members from each District.

11 The Belfry Advisory Committee (BAC) shall consist of the Chairman BAC, the Technical Adviser and such members as they may co-opt. Members shall be approved by the GMC.

12 Each Committee in Rules 9, 10 and 11 shall meet at least three times a year.

13 The Guild Executive shall consist of:

Guild Chairman Ringing Master Secretary

Treasurer Chairman of the Belfry Advisory Committee.

The Executive shall take such emergency decisions as may be required before it is practical for the GMC to meet. They shall also make a temporary appointment until a General Meeting can be convened if a Guild Office becomes vacant between AGMs.

14 The GMC may convene sub-committees and shall determine their terms of reference, powers, duration and composition. All acts and proceedings of any such sub-committees shall be reported back to the GMC as soon as possible.

15 The GMC may request the attendance of other officers or members as may be required.

K. EXPENSES

16 The following shall be paid by the Treasurer out of Guild funds:

- The cost of printing the Annual Report and any other publications authorised by the GMC.
- The expenses of Guild Meetings (including District).
- Stationery, postage, telephone, notices of all meetings and other incidental expenses.
- Guild insurances.
- Central Council fees and reimbursement of Representatives' expenses attending each Council meeting, not exceeding the second class return rail fare and a subsistence allowance as may be determined by the GMC.
- Such other expenses as the GMC may authorise.

L. PEAL RECORDS

17 All peals rung for the Guild must conform with the decisions of the Central Council. All those taking part must be members of the Guild.

18 Conductors shall forward the following to the Peal Secretary as soon as possible and not later than 15th January the following year:

a) The names, addresses and subscriptions of any Non-Resident Life Members elected in the belfry.

b) The appropriate peal fees.

c) Compositions for peals of Triples and above and of such other peals as the Peal Secretary may request. Money received for items (a) and (b) shall be passed to the Guild Treasurer.

M. DISTRICT RULES

19 Each District shall hold an Annual General Meeting during the last quarter of the year for the purpose of receiving a report from the District Committee for the year, election of Officers and arranging activities for the year beginning the following January. Members may vote or stand for Office only in the District through which they exercise membership in accordance with Guild Rule 1.

20 The following Officers shall be elected annually: Chairman, Ringing Master, Secretary/ Treasurer, Magazine Correspondent, two members to serve on the RTC and up to five members to serve on the GMC.

20.1 A District may elect additional Officers as required to assist in the running of the District.

20.2 The District Officers shall form the District Committee, which shall be responsible for the efficient management of the District's affairs and shall report to the Annual District Meeting on the year's work.

21 The District Secretary and/or Treasurer shall:

- Collect all subscriptions and other moneys due and forward them to the Guild Treasurer.
- Submit a statement of accounts to the Guild Treasurer by 15th January.
- Submit a directory of tower correspondents and ringing times and a list of members to the Report Editor by 15th January.
- Submit a statement, to the Guild Secretary, of all members qualifying for inclusion in the insurance scheme by the Guild AGM.

22 The District Magazine Correspondent shall report on District activities for the Guild Magazine, the 'Ringing World' and local newspapers.

REGULATIONS RELATING TO THE SUFFOLK GUILD HANDBELLS

1 The Suffolk Guild handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of four sets of handbells:

25 bells by Taylors	size 20 in C (2 chromatic octaves)
16 bells generally by Shaw	size 19 in F (diatonic 13 + 3 semitones)
13 bells by Warner	size 20 in E (diatonic 12 + 1 semitone)
13 bells by various founders	size 20 in F (diatonic 13)

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2 The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by other member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3 The bells are the responsibility of the borrower, after he/she has signed for them, until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without the prior consent of the Trustee.

4 The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.

5 If the bells are required for a particular occasion, they can be reserved up to three months in advance.

6 The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.

7 The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that Committee.

THE MITSON SHIELD, LESTER BRETT TROPHY AND ROSE TROPHY STRIKING COMPETITION RULES:

1 The competitions shall take place on date(s) decided by the GMC.

2 All Ringing Members and Life honorary Members of the Guild may compete providing their subscriptions are paid.

3 The Mitson Shield, Lester Brett and Rose Trophies shall be competed for as follows:

Mitson Shield and Lester Brett Trophy

3.1 Bands shall comprise six ringers fulfilling at least one of the following:

a) at least four are listed under the tower in the Annual Report

b) The ringers are a bona fide benefice (or similar) Sunday Service or practice night band.

3.2 a) For the Mitson Shield the test piece will be 240 true changes of any recognised Doubles or Minor Method(s). Opening rounds will not be marked.

b) For the Lester Brett Trophy call changes of at least eight minutes marked ringing, to include Queens, Whittingtons and Tittums. Marked changes start when the first change is made.

Rose Trophy

3.3 Bands shall comprise eight members of a District or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

3.4 The test piece will be at least 224 true changes of any recognised Triples or Major method(s), of which only the first 224 changes, excluding the opening rounds will be judged.

4 Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 3.

5 The times of the draws are to be advertised in the Ringing World and each band must have a representative present at the relevant draw.

6 A total of two minutes practice ringing will be allowed before each test piece.

7 In the event of bands ringing Doubles or Triples, a cover bell must be used.

8 The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.

9 In the event of a large entry, the Ringing Master may choose to shorten the length of either test piece.

10 A reserve ringer, appointed by the Ringing Master, will be available at the Ringing Master's discretion, to bands meeting short.

11 A minimum of two judges appointed by the Ringing Master will be present. Their decision is final.

12 The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.

13 Interpretation of all rules is at the discretion of the Ringing Master.

Foreword from the Chairman

2019 has been another busy year for the Guild with many achievements at all levels. We took the mini ring to The Gather event again in September; this annual event for young people was held at the Cathedral and gave us an opportunity to promote ringing to young church-goers and was certainly worthwhile with 50+ people having a go. A new initiative to link Taster sessions with a larger non-ringing event was also launched in September when a Heritage Open Day event at Halesworth was chosen as the 'pilot' and feedback from this was very positive. The NE District then went on to host the Guild Social, on the same day, and tested our observation skills with a tricky treasure hunt!

Opportunities for members to take part in 12 bell ringing are on the increase with more 12 bell peals but also the GWP 12 bell striking competition. Held at Saffron Walden in February 2019, the Guild was well represented by two Suffolk teams, with St Mary le Tower, Ipswich lifting the trophy and the Norman Tower coming 3rd. The Ridgman Trophy 10 bell striking competition was held at the Norman Tower in June but sadly we couldn't make the most of our home advantage; we did however attain our highest position for a while narrowly missing 2nd place by 1% (with Hertford County Association retaining the Trophy). The Ridgman will be held at Boston in Lincolnshire in June 2020 where the long climb to the ringing chamber might be a significant factor. Closer to home the Guild 8 bell striking competition was disappointingly only a competition between the SE and the NW with just four bands taking part. The competition will have a new look in 2020 in an attempt to raise the profile and encourage more 8 bell teams to rise to the challenge.

My first AGM as Chairman was quite a scary prospect I must admit but, with the magnificent organisation and support of the SE District team, I actually quite enjoyed it! I realise that meetings, be they GMC, AGMs or ADMs are not everyone's idea of fun but I would encourage you to at least take a look at the minutes these meetings generate as they are held with the aim of improving day to day issues associated with ringing.

I have tried hard to attend meetings, practices and other events across the four Districts and was very pleased to be able to attend all of the ADMs. These gave me a useful insight into how the different Districts work and, in an attempt to encourage more members to take on roles and responsibilities within the Guild at all levels, I am currently working on some role descriptions.

All of the Guild and District roles are important to ensure that ringing within our county thrives and grows; from promoting our Guild and bellringing as an activity which is open to all, to encouraging and enabling our members to broaden the scope of their ringing through peals and striking competitions; keeping the finances ticking along to ensure that we can support the restoration, augmentation and a lot of behind-the-scenes work to keep the bells in good working order; ensuring that all new members are welcomed on joining and that activities and events across the Guild are well co-ordinated and publicised. This all takes considerable time and commitment so thank you to all of the Guild and District post holders and GMC members who make this possible.

A final acknowledgement and a big thank you must go to Michelle Rolph and Mark Ogden who have produced this year's Report and to all of the people who have contributed to it. Michelle stood down at the 2019 AGM but Mark has kindly agreed to take on this role and has made a magnificent start!

Obituaries

Hubert Alan Mitson, Buxhall

Hubert died suddenly at home on 20th January; he was born to farmers at Leffey Hall, Buxhall on 21st May 1920, the eldest of three brothers. Their mother, Eva, took up the reins of the farming enterprise after her husband Alan died when Hubert was still only nine years old. As soon as they were able, Hubert and his brothers joined the business which remains to this day a successful family business.

Hubert spent his entire life working on the farm and also worked for and cared passionately about the wellbeing of the village and neighbourhood of Buxhall and its residents.

He was Churchwarden at St Mary's church for 28 years from 1954 to 1982 and during this period developed an interest in bell ringing. Hubert learnt to ring some time after the Buxhall bells were augmented to 6 in 1952. He became a member of the Guild in 1956-57, and rang a total of 72 peals, with his first being on 2 March 1957. Hubert took also took an active part in the Guild, holding the offices of Secretary to the West Central District, Chairman of the Central District and Handbell Trustee. In 1963 the first Guild striking competition was held for which Hubert donated the trophy, and the 6-bell method ringing competition is still for the Mitson Shield.

Hubert's last peal was in 1972, his last quarter peal was at Buxhall in 1998 (in memory of Ted Cracknell) when he was aged 78. Hubert continued to ring for Sunday service until October 2006 when at the age of 86, he finally had to give up ringing due to failing eyesight.

The church bells were rung in honour of Hubert before and after his memorial service by fellow ringers who had rung with him in the past.

David Smith, Stoke by Clare

David Smith died on Sunday 13th October after a long illness. He was tower captain at Stoke by Clare and also a loyal Sunday Service ringer at Clare and Haverhill. He will be greatly missed in the SW District, particularly in the Clare Deanery.

A Service of Thanksgiving was held at Stoke by Clare Parish Church, attended by over 300 people. The local band that David had trained rang before the service with open ringing afterwards by the many friends that David had made amongst the ringing community.

A member of the Suffolk Guild of Ringers for 50 years, he served as Clare Deanery representative to the SW District and as a member of the Guild's Management Committee. As tower captain at Stoke by Clare he was fastidious in maintaining and repairing the bell chamber.

David completed three peals in 1972, 1974 and 2003, all with another Stoke ringer, Valerie Jay. The early peals were quite exceptional, rung by relative novices and a first peal completed for five ringers in the band. In two years, they progressed from ringing Doubles to ringing a peal of Minor. The last peal was rung to mark the exact centenary of the first peal on the bells at Stoke on 16th February 2003.

We were especially grateful to David and his wife Pam for the hospitality they showed to the local ringers by hosting 'drinks and nibbles' parties for ringers in the Clare Deanery.

Monica Taylor, Otley

Monica and Stan Taylor came to Suffolk from Middlesex in 1977 moving into a new house in Otley, next to the church. Before long, Monica was introduced to ringing by one of her daughters. She became a stalwart of the Otley practice night and service ringing for over twenty years and was a serious student of ringing. For a time, she also regularly attended the Grundisburgh practice and, whilst there, mastered Stedman Triples. She moved to Grundisburgh in 2005 after Stan's death and enjoyed a happy last few months at Witnesham Nursing Home earlier this year. A quarter peal was rung in her memory at Otley on the day of her funeral in May. The Otley band has lost a kind, loyal and inspiring friend.

Sheila Franks, Ardleigh, Essex

Sheila died on 15th November, aged 88 years. Although resident in Essex she will be remembered from when, with her general practitioner husband, Peter, they settled at Bacton, just opposite St. Mary's Church in 1960. Sheila was already a bell ringer and Peter very soon also learned to ring. At this time Bacton bells were a time expired five hanging in a timber frame which had certainly seen better days. 1973 saw the bells restored and augmented to six. This was a tremendous achievement which was entirely down to much hard work and effort by Sheila and Peter. The very pleasant six at Bacton remain as a great tribute to both of them.

Sheila was born in Bermondsey, London, and as a child experienced the horrors of the blitz, sheltering in premises under a railway arch. Her mother was killed by a bomb and she was evacuated soon after. She was also on a train involved in the 1957 Lewisham train crash in which she was not badly hurt. Sheila stayed on the scene, sitting with a young man critically injured until he eventually died in her arms.

Both Sheila and Peter served as Officers in the Central District of the Suffolk Guild. This District was absorbed into the North West District in the 1970s. She will be remembered for her infectious smile and laughter mixed with Peter's quiet thoughtfulness and also the hospitality provided when ringing at Bacton, by inviting everyone to their home after ringing.

They are both fondly regarded as synonymous with Bacton. When Stowmarket bells are restored and augmented to ten during 2020, the new treble bell will carry an inscription in their memory.

Eric Bull, Stutton

Eric started ringing in 1996 after Rev Ida Fryer sought people to take up the challenge of learning to ring for the millennium. He and several others, started initially at Holbrook, being taught by Steve Durrant. David Salter was subsequently approached by the Holbrook band for assistance to teach at Stutton. He was helped by Katharine, John Malster, Jenny and Mike Warren accompanied by George Salter in his baby chair!

Progress was slow but with patience and visits to other towers the band grew in confidence and Eric rang his first of three peals in November 1997 at Horham. In 2000 he became Guild treasurer, a post he held for five years.

Eric helped David Salter convert some old computers into simulators one of which was installed at Stutton. This helped a number of people with their ringing. In the early days he was steeple keeper, and when John and Sandra Pereira moved to Hampshire he took over as Tower Captain.

Never proceeding to much beyond Bob Minor he was nevertheless a faithful member at practices, Sunday ringing and other occasions, also participating in numerous outings. In recent years the ringing at Stutton has declined, but Eric will be remembered by those who knew him for his enthusiasm and dedication over 20 years.

Peter Hamilton-Jones, Orford

Captain Peter Hamilton-Jones (RN Retired). Born in Paris, Peter became a midshipman just as World War Two was finishing and in 1946 joined HMS Vanguard for the Royal Tour of South Africa. On the way there he crossed the equator and played deck games with the two royal princesses. There followed postings in the Persian Gulf and the Mediterranean before he became a submariner and went to Australia, USA, Northern Ireland and Scotland. For three years in the 1970s he served as the Naval Adviser in New Delhi, India.

In the 1990s he swapped a life on (and below) the waves and moored up in Orford, a stone's throw from St Bartholomew's. For more than twenty years he was a familiar figure selling poppies and helping with the Town Museum. When the millennium bells were installed in Orford Church he joined the regular band of bell ringers and was dogged in his pursuit of the art, climbing the stairs to the loft in Orford Church through all weathers. He died suddenly in August 2019 aged 91 and would have been delighted that the bells were rung at his funeral.

Janet Croughton (previously Stannard), Barrow

Janet was born at Thorrington, Essex where she learnt to ring. She met Jim Stannard purely by chance one Easter Monday, intended going to Norwich, but when the train stopped at Ipswich she got off there. That day they toured the town churches together. They married in 1955. Jim's work took them to North Norfolk but in 1963 they moved to Barrow. Jim had always kept up ringing at the Norman Tower, leading to Janet attending practice night and Sunday service ringing both there and at Barrow. She became a member of the Suffolk Guild in 1979. Janet enjoyed the social side of ringing and was a support to Jim and Paul during their years as district and guild officers. Janet enjoyed bell ringing holidays, the Norfolk and Suffolk Border ringers tours, Paul's minibus tours and numerous days outings organised by groups and individuals and visited around 5,000 towers. She was a driving force behind the Barrow bells augmentation and re hanging project and with Paul gave the treble bell in memory of Jim who died in 1993. Janet met Godfrey on day trips and romance blossomed again during Paul's minibus holiday based in Melton Mowbray 1995. Janet married Godfrey in 1996 and they enjoyed 23 years together.

Janet kept very detailed records and scrap books of ringing events over the years and after her move to Kent she still kept up with what was going on in Suffolk and it was to Suffolk she returned for her funeral service at Barrow and burial at Denham St Mary where she always attended service when she was in Suffolk.

Ernie Bishop, Bury St Edmunds

Ernie died on 17th November, one day short of his 95th birthday; he was a member of the Suffolk Guild of Ringers for 70 years joining under Ixworth in 1949. When he moved into Bury St Edmunds in 1973, he joined the band at the Norman Tower. He was always keen to help at other local churches too, especially Rougham. In total Ernie rang 18 peals, the first on 20 March 1951 and the last on 8 May 1995. Notably he rang in the first peal on the restored 10, and the date happened to coincide with his birthday!

Ernie was a very regular, loyal and capable ringer although, due to ill health, he had been unable to ring with us at the Norman Tower for the last 10 years. A peal and quarter peal were rung at the Norman Tower as a thanksgiving for his life.

Alan Feaver, Rougham

Alan was born at Rochester in April 1934, but spent most of his childhood and teenage years in Woolpit and Elmswell. As a young teenager he learnt to ring at Woolpit with friends John Wybrew and David Brand, spending many hours cycling and using public transport visiting local churches for practice nights and ringing peals. His first peal was at Rougham in February 1953, and one of his highlights was a peal of 10080 Minor at Holbrook in November 1953. After serving three years in the Royal Army Medical Corps, Alan, then living in Bury St Edmunds, joined the team at the Norman Tower where he also enjoyed handbell ringing and the "refreshments" afterwards. In 1968 he met his future wife Dorothy at a district meeting at Debenham, and they went on to ring over 50 peals together. Alan rang over 130 peals in total, ranging from Plain Bob Doubles to Surprise Royal. When appointed Area Commissioner of St John Ambulance his ringing activities were somewhat curtailed, but he never lost his enthusiasm for ringing and listening to bells being rung, especially when travelling around the country on his narrow boat in his retirement. In later years Alan was able to renew friendships from his early days of ringing and spent many hours reminiscing. One of Alan's last outings was to the Retired Bell Ringers Tea at Debenham where he was reunited with many ringing friends from the past. A very fitting farewell.

Also remembered are:

Graham Morrey (Lavenham), Douglas Pope (Southwold) and Sue Lucas (Huntingfield)

Trustees' Annual Report

The Trustees present their report and financial statements for the year ended 31 December 2019.

Charity

The Suffolk Guild of Ringers was registered with the Charity Commission on 10 December 1975, registration number 266869. The Charity's registered address is Denton House, Colchester Road, Ardleigh, Colchester, CO7 7NS. It is governed under a constitution originally registered in 1977 and most recently revised in 2019.

Principal Objectives

The main purposes of the Charity are: to promote and encourage the practice of bellringing within the Diocese of St Edmundsbury and Ipswich; to recruit, train and encourage bellringers in the practice of their art; to cultivate the art of scientific change ringing; to promote and advise on the preservation, renovation and augmentation of bells in an efficient condition.

Trustees

The Trustees during the period were:

1st January to 27th April

Chairman - R P Wilson Treasurer - S A Cheek Secretary - C N Melville

27th April to 31st December

Chairman - R P Wilson Treasurer - S A Cheek Ringing Master - T G Scase

Review of Progress and Achievements

Bellringing

The total number of quarter peals rung has increased again this year to 517 (450 in 2018) and encouragingly the number of people has also increased slightly to 383 (374 in 2018). The number of towers has significantly increased to 115 (from 97/98 in the last 3 years) with 5 of these towers hosting a quarter peal for the first time in 10 years. The peal total has decreased from 108 in 2018 to 87 in 42 Suffolk towers (and 3 out of county towers) but promisingly includes 4 peals of Surprise Maximus which were the first for the Guild since 2016. Three of these peals were rung at the Norman Tower, Bury St Edmunds and, with 11 resident members ringing Yorkshire Surprise Maximus in April, indicates that more members are having an opportunity to ring on 12. Another successful peal week enabled 3 ringers to ring their first peals, with another first being achieved later in the year.

The Recruitment & Training committee has built on the successes of last year with attendance at the Gather event at the Cathedral for a second year which provided another excellent opportunity to promote the Art to young church-goers. In an attempt to focus some resources on the recruitment of new ringers county wide, the Guild held its first Taster Day at Halesworth in September linking with a Heritage Open Day event; linking with a larger (unrelated) event proved to be beneficial so these Taster Days will become an annual event in future. Current members of the Guild have also been encouraged to make use of the resources available on the website and to visit the new training facilities at St Peter Mancroft in Norwich; this has been communicated using regular all-member email updates.

The Guild also hosted the Ridgman Trophy 10 bell striking competition at Bury St Edmunds in June. Eight teams competed for the Trophy and the Suffolk Guild achieved a creditable 3rd, our highest placing for a few years, with the Hertford County Association retaining the Trophy.

Restoration

The Belfry Advisory Committee members have been kept busy again this year with major work being completed at Hitcham, Yaxley, Cotton & Hintlesham. Much of this hard work has enabled the bells to be rung again with two peals being rung at Cotton, the go of the bells being improved at Yaxley and Hintlesham and the Hitcham bells being removed from the tower ready for Taylors of Loughborough to install them in a new eight bell steel frame.

Other projects in the pipeline include Combs, Laxfield, Fornham St Martin, Buxhall, Hoxne and Stowmarket where work to restore and augment the bells will start in April 2020.

Guild Finances

Reserves Policy

The Trustees have formulated a Reserves Policy, in which The Guild will expect to hold at the bank a surplus of approximately one year's running costs.

Policies

All money in the Guild's funds not required for day-to-day purposes is invested or deposited by the Treasurer, as directed by the Guild Management Committee (GMC). Grants from the Restoration Fund are authorised by the GMC, but are only paid after completed work has been approved by the Guild Ringing Master and the Technical Adviser. Grants are normally only offered for work to restore bells and their fittings for full-circle ringing, but may include augmentation and other ancillary work associated with any such project. In order to respond to the short-term need to provide financial support to training activities, the GMC introduced a process to enable grants of up to £50 to be made immediately, at the discretion of the Ringing Master, and grants of up to £500 to be made within seven days at the discretion of the Guild Executive, in both cases subject to appropriate records being kept and presented to the GMC. As an enabling measure, the Public Relations Officer has been given a budget, the purpose being to enable greater flexibility, and faster reaction, to PR recruitment opportunities when they arise.

General Fund

Net income to the General Fund was marginally up on 2018. Administration costs were higher, but these were somewhat compensated for by a reduction in insurance costs. Savings were also achieved in the cost of producing the annual report. Subscription income was slightly up, bolstered towards the end of the year by some members paying their 2020 subscriptions early.

Restoration Fund

At year end the Restoration Fund totalled £67,931.08, including £43,550.00 already allocated for approved grants and those awaiting payment. This leaves £24,381.08 available for new grant applications.

During the year new grants totalling £15,754.18 were approved (Combs £8,000), Hitcham (£6,700), Hintlesham (£600) and Yaxley (£434.18).

Other Restricted Funds

Belfry Advisory Committee Report—Winston Girling

The Committee met in February, June and October in 2019 and there has been a great deal of work carried out by Members and others. Applications for Grants from the Guild Restoration Fund have been discussed and the General Management Committee have requested that in future the Recruitment and Training Committee be asked to look into the availability of ringers at a church requesting grant aid. This will include whether and how any potential new ringers are being taught and this information is to be available to the Belfry Advisory Committee Meeting advising on the grant offer.

At the time of writing the six bells at Hitcham have been removed from the tower to Taylors of Loughborough and will be installed in a new, eight bell steel frame in due course. Combs have now been informed that they can have a Warner eight from a redundant church in Leeds and are on course to have them installed in a new ten bell frame including augmentation to ten. I understand that one of the augmenting bells will be available from Keltec. The existing four bells will be installed in the original timber frame for chiming. At Laxfield, a grant has been offered for complete restoration but I have no further information on progress. At Fornham St. Martin progress is being made towards restoration in a new steel bell frame. Buxhall are also

considering installing two new bells and augmenting to eight.

Hoxne, a derelict heavy five, are looking to have their bells completely restored but this is still in the early stages. However, a local band has been taught to ring already. This has been done at Bacton and Oakley so that as soon as the bells are restored they will be able to ring them. Much work has been carried out at Yaxley, where the tenor had become unringable. New bearings and bedplates have been fitted to bells five and six and all new pulley blocks installed by the Belfry Advisory Committee. Following tightening of the bell frame these bells now go much better. The tower roof at Brome has had major work done and a massive amount of sticks and debris cleared from the bell chamber. Some work on the bells is still required, but following this it should be possible to ring the bells again. Cotton bells are now back ringing following a great deal of work by Committee members and these bells have recently had two peals rung on them. At Hintlesham the bells were difficult to ring. All six will eventually be fitted with modern self-aligning bearings instead of plain bearings. At least half of them have been done so far.

St. Peters, Sudbury has been visited at the request of the architects who are planning to extend galleries in the church which will include a ringing gallery. This is possible but so far nothing further has been heard.

Your technical adviser visited Akenham, near Ipswich to report on the single bell for the Churches Conservation Trust. The bell frame is in a poor condition for what is a relatively heavy bell and the CCT are looking at the necessary work to be able to swing chime this single bell.

Finally, work on Stowmarket to restore and augment the bells starts on 20th April, 2020, and I am informed that the bells should return in late July.

Thank you to everyone who has worked so hard throughout the last year to keep our bells in Suffolk in order and ringing out across the towns and villages.

Ringing Master's Report –Tom Scase

In the concluding paragraph of my report last year, I encouraged members to continue to support our Guild, the events our Districts organise, our practice nights and service ringing. I am pleased to see this in evidence throughout 2019.

During the final quarter of 2019, I attended the four Annual District Meetings at Bildeston, Stowmarket, Beccles and Debenham. Again, I am pleased to see the majority of District positions being filled. We rely on these post-holders to take up the challenge of ensuring effective and functioning Districts, continuing to provide opportunities for members. Encouraging wider participation from members, through, for example, proactive engagement and heightened communication is contributing towards achieving this. I am grateful this is happening across our Guild, particularly when we consider all officers are volunteers giving freely of their time.

The re-introduction of a peal week in 2018 saw a remarkable nine members ring their first peal; it was improbable we would see as many firsts in 2019. During the 2019 peal week there were three first peals – congratulations to: Hilary Stearn, Ben Keating and Sally Veal. I am pleased both Sally and Ben have gone on to ring a second peal in 2019. Congratulations, too, to Tim Forsey who later in the year rang his first peal, in an attempt originally scheduled to be in peal week.

As usual, the Guild Striking Competitions provide a good opportunity for bands to focus on achieving accurate striking. The 2019 six bell competitions were held at Polstead. It was disappointing that, although overall there was a reasonable turnout, we had no representation from any North East towers and only one from the South West. Congratulations to Pettistree on winning the Mitson Shield (by a not insignificant margin) and to Great Barton on winning the Lester Brett Trophy (for the second year running). The eight bell competition was held at Lavenham, where there were four entries, albeit with representation from only two Districts: the North West and the South East. Congratulations to the North West District on winning the Rose Trophy competition. I would like to reiterate my thanks to Sue Freeman and her team for coordinating the lunch arrangements, at quite short notice – it is appreciated. Our thanks also go to Andrew Kelso and Brian Meads for judging all three competitions, very capably, on what I appreciate is a long day of listening intently to ringing. Partly with this in mind, our Chairman, Rowan, has proposed, and the Guild Management Committee agreed, to separate the six and eight bell competitions in 2020. The six bell competitions will still be on the third Saturday in May (16th), however the eight bell competition will be held in September and combined with the Guild Social – look out for further details in due course. Hopefully this will encourage greater participation and interest from all the Districts in our Guild.

In June, the Suffolk Guild hosted the Ridgman Trophy, at The Norman Tower, Bury St Edmunds. I would like to thank Rowan Wilson for her arrangements, ensuring we hosted the event successfully. The Suffolk Guild band was placed third, out of eight entries. This is an improvement on our 2018 placing, with the gap between us and the teams above much reduced – to the extent we were disappointed not to have done better. 2020 will see the Ridgman Trophy hosted by Boston, Lincolnshire – perhaps our practices should include training for climbing the many steps!

Quarter peal ringing in Suffolk continues to thrive, with Neal Dodge's analysis of quarter peals rung in Suffolk showing an increase in the number rung in 2019. It would be interesting to delve deeper and analyse whether the number of quarter peals rung by Suffolk bands has increased or whether the numbers have been distorted as a result of quarters rung by visiting and touring bands. As has become customary, Pettistree remains the leading tower for quarter peals, and David and Lesley Steed the most prolific quarter peal ringers in Suffolk – will this change in 2020?

The number of peals rung for the Guild in 2019 was 87, the fewest since 2005. 101 Guild members rang a peal for the Guild, 22 fewer than in 2018. Considered in isolation, this is disappointing; however, the overall total is not the only indicator of success. It is pleasing, for example, to see four peals of Maximus rung for the Guild in 2019, after none since 2016.

Thanks to Pealbase, I congratulate the following on their achievements:
650th peal – Christine A Knight; 550th peal – Louis P H Suggett
500th peal – Richard T L Rapior; 400th peal – Ian J Culham and David I Stanford
150th peal – Ruth Suggett; 100th peal – Maximillian L D Drinkwater and Neal T Dodge.
Apologies if I have missed any.

Unfortunately, I only made it to one Belfy Advisory Committee (BAC) meeting during 2019, although it would have been two if an exhaust hadn't fallen off in Rishangles! Nevertheless, I have experienced the work BAC members continue to carry out, specifically at Hintlesham and Yaxley where there is a marked improvement with these rings, following voluntary work led by Neville Whittell and Winston Girling respectively. Our thanks go to BAC members who help ensure our towers across the Guild remain available for ringing.

The annual Veterans' afternoon at Debenham was, once again, an enjoyable event. It was pleasing to see such a good turnout in 2019.

The Guild Social, hosted by North East District was an enjoyable event, even if a few of the clues were challenging! Our thanks go to all who helped organise the day.

Let's all continue into 2020 maintaining the support shown in 2019; in doing so, we will carry on providing ringing opportunities throughout our Guild.

Secretary's Report—Kate Gill

I took up the role of Guild Secretary in June 2019. I am also Secretary to the North East District. My Guild Secretary duties have been relatively light, thanks to the elements of the role already being undertaken by other Guild officers. From time to time I receive enquiries from various bodies, for example researching information about deceased Guild members. I am very grateful to Neal Dodge for continuing to take the Guild minutes.

Guild Handbells & Mini Ring Trustee's Report—Brian Whiting

Handbells

The Guild has five sets of handbells:

- 25 bells by Taylors size 20 in C (2 chromatic octaves)
- 16 bells generally by Shaw size 19 in F (diatonic 13 + 3 semitones)
- 13 bells by Warner size 20 in E (diatonic 12 + 1 semitone)
- 13 bells by various founders size 20 in F (diatonic 13)
- 14 bells by probably Mears size 18 in G (diatonic)

The set of 25 have been used for tune ringing during the year and currently all sets are back with the trustee, with the exception of one of the sets of 13, which is in the NE district. The bells remain in good order with the exception of the set of 14.

The loan of any of the sets of handbells is subject to the regulations printed on page 81 of this report.

Vestey Ring

The Vestey Ring is a portable peal of six, tenor 8lb 5oz in B.

Three promotional banners are available with the mini-ring.

Details are available at http://www.suffolkbells.org.uk/towers/vesteyring1.php

The bells had ten outings during 2019, all bar two in Suffolk, details of which can be found at http://www.suffolkbells.org.uk/vesteyringbookingsall.php

Public Relations Officer's Report - Neal Dodge

2019 has been a packed year of promotion for the Guild with plenty of ringing and media coverage. In February Radio Suffolk invited me to speak to them as part of a series on charities in the county. It was rewarding to be able to share some of the great things we've achieved in terms of restoration of Suffolk's oldest instruments and in keeping our cultural heritage alive. Even I was amazed to learn that since 2012 we have given over £75k towards £700k worth of restoration work, to say nothing of the thousands of hours we give each week.

In April, the Archbishop of Canterbury made a call for ringing across England in solidarity with the people of Paris following the devastating fire at Notre Dame Cathedral. Suffolk rose to this challenge and 80 performances were recorded on BellBoard with many other towers taking part. It was most pleasing to see many 'non change ringing' towers included in the list. We had great coverage of the ringing from Radio Suffolk who spoke with myself and Kate Gill who gave an excellent interview. Over the past couple of years it's been very rewarding to develop the Guild's relationship with the Diocese through their communications manager. This paid off with the ringing request for Notre Dame being sent out to all in the Diocese and getting strong coverage of Suffolk Day with an interview with Katharine Salter.

The restorations at Stowmarket and Hitcham have also garnered substantial coverage both on the radio and in the papers.

In May I was lucky enough to be invited to represent the Guild at a reception hosted by US ambassador 'Woody' Johnson at Winfield House in Regents Park. Around 120 ringers attended from across the U.K. where the ambassador spoke of the shared connection between our two countries and his admiration for bell ringing.

The Guild Striking Contest, was hosted by the SW District at Polstead and Lavenham, great locations and good weather. George Vestey, the Guild's Patron, opened the contest where he spoke with admiration of our achievements over the past year, particularly Armistice 100, while encouraging members to step up and fill any vacant officer posts. He stayed and listened to the excellent ringing and chatted at great length about the state of the Guild with those present, Guild officers and new ringers alike. He enjoyed it so much so that he stayed several hours longer than planned!

Rowan gave a super interview with Radio Suffolk in June on the Ridgman Trophy striking contest at the Norman Tower. She did an excellent job in explaining to the listeners the intricacies of striking contests and ringing in general while promoting the Guild as well.

Now in its 3rd year, Suffolk Day has certainly established itself as part of the Guild's ringing calendar, as such 25 towers rang out across the county (and beyond!) including 8 QPs and one peal. A big thank you to all those who took part.

Next year Suffolk Day is on a weekend so it'll be a perfect opportunity to host a tower open day and take advantage of some extra publicity, plenty of promotional materials are available on the website.

In November there was an unusual request from a production company to film some ringing in Suffolk for the BBC. Kersey was selected as a suitable venue and members gladly came forward to help. The footage will feature in an episode of Arena based on a novel in the trilogy that charts the life of Thomas Cromwell ; another opportunity to give ringing wider exposure, plus the Guild received a donation for our efforts!

The Christmas ringing in Ipswich had plenty of attention in 2019 including articles in the local paper, and the bells of St Matthew's were even broadcast live on Radio Suffolk along with an interview with David Salter. Thank you to Katharine Salter for pushing the message out so successfully to the local media.

In 2020, the big event for the year will be the 75th Anniversary of VE Day on 8th May. Our aspiration is to replicate the ringing that would have taken place in 1945.

Thank you to all of you who have promoted ringing in so many ways in 2019.

Membership Secretary's Report - Mary Garner

The total membership by the end of 2019 was 776, compared with 756 in 2018, a net gain of 20. Forty seven new members were elected during 2019, including 9 in full time education. Sadly fourteen members passed away during the year. Forty people did not renew for various reasons and thirteen "re-joined".

Certificates recognising 50 years of continuous membership of the Suffolk Guild are awarded at the AGM. In 2019 eight such certificates were awarded.

If a ringer in your tower is ready to join the Guild please ensure that an Application Form is completed and passed to your District Secretary, together with their subscription, for their election. Once the form is received by the Membership Secretary a welcome letter from the Chairman is despatched together with a leaflet which contains information about Guild contacts and the Central Council of Church Bell Ringers and more besides. A certificate of membership is prepared.

If you move house, change your email address or change home tower, please don't forget to let me know.

Librarian's Report - Abby Antrobus

This year I have made a visit to the Norman Tower and can report that the conditions in there are good for both the books and volumes in storage and for the books on the shelf. I cross-checked the catalogue to books on the shelves, and still need to undertake the promised update with information on what is where and details from the Suffolk Records Office catalogue.

As for last year, do send any material that you would like included in the archive, and do send any requests for books or material. Also, if anyone is interested in taking on the role of librarian, do let me know. I have some items to add to the archives in Suffolk Records Office but cannot now deposit them until June 2020, when The Hold (new archive facility) opens.

We continue to support the Friends of the Central Council Library.

Webmaster's Report—Chris Garner

The Guild Website now contains more than two thousand pages and five thousand images. Information about towers, bells, ringers and events is constantly updated. Photos and snippets of news may be sent to the Webmaster (webmaster@suffolkbells.org.uk) for posting on the web site. Richy's Blog is now in its thirteenth year and is posted daily, generating friendly repartee on Facebook. The Guild also has a Twitter account (@SuffolkBells). Thank you to all those who have made contributions.

Various sections of the Guild may be contacted by email: all subscribers (559), Members (523), Tower Correspondents & Email Contacts (161), NE Members (104), NW Members (118), SE Members (187) & SW Members (109). Emails may also be sent to any group of members. Email addresses are known only to the Webmaster and the Membership Secretary. If you would like information distributed, please send copy to the Webmaster (webmaster@suffolkbells.org.uk).

A significant number of emails are returned as undeliverable so, if you change your email address, don't forget to let me know.

152 tower correspondents or tower email contacts and all 33 Guild & District officers now have generic email addresses (e.g. pettistree@suffolkbells.org.uk or master@suffolkbells.org.uk). This makes things easier when personnel change.

District Report

2019 was a good year for the District, in terms of increasing quantity and complexity of quarter peal ringing. Over 50 quarter peals were rung by predominantly district bands, more than double the previous year's total. This includes regular monthly quarter peal afternoons (2 QPs in one afternoon) at Worlingham, and the project to ring the standard 41 Surprise Minor methods, 12 completed so far, rung mainly at Blythburgh. We plan to continue with both these initiatives in 2020. There was a good turn out for the district striking competition at Theberton in May, with nine teams, ringing both call changes and methods. The district is benefiting from the new ringing facility at the Mancroft Ringing Discovery Centre. We are pleased that several of our new ringers have visited this facility.

We have aimed to include all levels of experience in our ringing activities and ensure that newer ringers are enabled to progress. Our district outing in the spring, to towers which were new to many ringers, was successful and enjoyed by all. Again, we plan to repeat this in 2020.

We hosted the Guild Social in September - a successful event, with over 60 tickets sold. It was an enjoyable afternoon and evening, with a tricky treasure hunt round four NE towers, followed by a supper, with kind weather! The event was well-attended, and we returned a surplus to the Guild.

Discussions are ongoing about the installation of a simulator in the 8 bell tower at Southwold.

District Report

I'm pleased to report that the NW District continues to remain buoyant with plenty going on, and with enthusiastic ringers supporting events and practices. We were sorry to see Rowan Wilson stand down as Ringing Master at our ADM in October as she donned fully the mantle of Guild Chairman, but we anticipate that our newly-elected Ringing Master, Maureen Gardiner, will continue the good work in a varied programme of ringing (and other related treats).

The year started with our now customary practice at the Norman Tower, followed by lunch at the Bunbury Arms. This is always a good event with ringers and non-ringers joining together for an afternoon's socialising. District practices through the year were attended by a good number of ringers of all abilities. To encourage more local ringers to come to the practices to see how they can benefit from them, Rowan arranged quarter peals at some of the towers before practices with the intention of giving the home ringers the chance to ring something they may have been practising, and so rang Plain Bob Major at Gislingham in February for Sylvie Fawcett, Doubles (3m/8v) at

Thurston in March for Doug and Jill Rood and Norwich S Minor at Redgrave in February. More news later on how this idea will be developed by Maureen!

In May, bands from the district took part in the three competitions that go to make up the Guild Striking Competition. Great Barton and Pakenham were split by one mark in the Mitson Shield coming 5th and 6th respectively but the Great Barton team were triumphant in winning the Lester Brett Trophy with Thurston coming 3rd, and the day crowned by the district band winning the 8-bell Rose Trophy at Lavenham. Congratulations to all who took part.

Quarter peal week in May was another success with 17 successful attempts, with the following achievements amongst them: most methods: Rachel Tunbridge (on treble) and Simon Veal • first multi-method quarter and first of St Simon's B Doubles: Sally Veal • first in method for all in the quarters of Newton-le-Willows B Minor, Ascension Day TB Minor, Winchendon B Triples and Golborne B Minor • first in St Clement's CB Minor and Double Oxford B Minor: Mark Steggles and Serena Steggles • first Maximus: Tim Smith • first Cambridge Maximus: Nathan Colman and Julian Colman • first on 8: Ben Keating • first Surprise Major as conductor: Rowan Wilson • 250th qp: Neal Dodge

In June Rowan organised a visit to the Mancroft Ringing Discovery Centre in conjunction with the SW District, and those who attended rated it as a very useful trip, which may well be repeated in 2020. Our district outing in July included a return visit to Mancroft as part of a walking tour of Norwich towers, where district ringers were joined by one man and his dog from a neighbouring district (thank you Brian!).

Our ADM in October was at Stowmarket with a truly memorable and excellent ringers' tea (thank you to those who prepared this, who are not all ringers). Food was again to the fore at the very well attended Christmas social at Pakenham, with a bring and share lunch following the ringing, and a chocolate quiz from Becky Munnings.

Finally, we would like to thank incumbents, tower captains and all who allowed us to ring around the district this year and look forward to ringing with many more of you during the coming year.

District Report

It's been another busy year in the South East District. We have welcomed 13 new members, and attendance has been good at events and practices.

In February, we visited Parham and Hacheston, and March saw a practice at Offton that ranged from rounds-and-call-changes to Bristol Surprise Major. In April, a group of 16 developing ringers and helpers visited the new training facility at St Peter Mancroft and used it in a wide variety of ways under the guidance of Nikki Thomas.

Also in April, the district hosted the Guild AGM in Ipswich with ringing at towers throughout the town and a safeguarding course, service, tea and meeting at St

Matthews. For the event, Jonathan Williamson wrote a new ringers hymn, complete with Suffolk-specific verses.

May's striking competition was held at Sproughton, with St-Mary-le-Tower winning both competitions, and the district was well-represented in the Guild 6 and 8 bell competitions, with Pettistree winning the 6-bell change ringing competition.

In June, East Bergholt ringers provided a demonstration, and we were then also warmly welcomed at Stratford St Mary (just outside district borders) for tea, ringing and a brief business meeting. In July, a determined group braved the inclement weather and walked and rang at Grundisburgh and Hasketon, with good ringing at both.

In August, quarter peals were scored at Sproughton, Bramford and Coddenham, with a pub meal at the Sorrel Horse in Barham.

We enjoyed a visit to Iken and Tunstall in September, an outing to Hertfordshire in October, and a practice at Ufford in November.

The ADM was hosted by the Debenham band. Jonathan stood down as ringing master, and welcomed Jenny Scase to the role. He and the committee were thanked for their contributions. We took a new approach to electing representatives at the meeting to allow more flexibility in towers being represented. David Stanford was also press-ganged as another rep during drinks in the pub afterwards.

Approximately 40 people attended the first practice of 2020 at Woodbridge for the new ringing master's first practice, and the committee also met and have made progress developing the ringing programme for 2020; suggestions, ideas and feedback are welcome.

Additionally, there were good attendances at the Veterans afternoon and for the 2nd Tuesday ringing, and for Christmas ringing in Ipswich organised by Katharine Salter.

District Report

In the last 12 months we have held our ADM, 7 practices, a training visit to St Peter Mancroft in Norwich, a Striking Competition, David Lee's Outing and Meal and a Quarter Peal Month.

The District has a total of 145 members compared to 144 last year. Six new members joined during the year; 2 members died and 3 did not renew.

We shared a visit, with the NW District, to the Mancroft Ringing Discovery Centre in Norwich where they have a ringing room with 8 training bells connected to simulators. The ropes hang in a proper circle and each 'bell' has its own set of headphones and a laptop. Students had some individual time with their teacher/mentor and also ringing together time doing some ART foundation activities. Thank you to Rowan for organising this experience for us.

In the Striking Competition at Little Cornard 7 teams entered, with Kersey coming first in the Method section and Haverhill coming first in the Call-change section. Congratulations, and thank you to all who helped with refreshments, our judges and to Vicky de Vries for her excellent account of the competition.

Once again we thank David Lee for doing a grand job of organising our Summer afternoon outing and evening meal. Next year we hope to have an additional outing with 'festive' meal in November, when more people will be free of holidays and wedding ringing!!

Six quarter peals were rung in August; Paul Mitchell rang his first Quarter Peal; John Game rang his first of Doubles inside; Ben Keating rang his first of St Simon's and St Martin's Doubles and Tim Forsey rang his first of Minor inside. Congratulations to all of you and many thanks to those who organised and rang in support of these ringers.

Thanks go to our retiring district officers, Pam Ebsworth, Paul Ebsworth and Tony Read who have done sterling work over several years – they will be missed. Thanks also to those continuing in post including Pauline Brown our Chairman and the GMC and Deanery Representatives. We welcome new district officers: Tim Forsey, Nigel Gale and David Lee.

Finally, with regret, we record the death of David Smith, who was tower captain at Stoke by Clare and a regular service ringer there and at Clare and Haverhill. Our sympathies go to his family and friends.

Ringing World National Youth Contest

Directory of Suffolk Towers and Correspondents

The table on the following pages shows details of every ring of four or more bells in the area covered by the Suffolk Guild of Ringers, along with the tower correspondent and their contact details where permission has been given for their inclusion.

All Guild tower correspondent email addresses are {towername}@suffolkbells.org.uk

Condition of the ring (Cond)

10 Excellent. Ball bearings, modern frame and fittings
9 Excellent. Plain bearings, modern frame and fittings or ball bearings in old frame
8 Good going order
7 Fair going order
6 Poor going order
5 Ringable if cleaned up and odd fittings and ropes provided
4 Rung occasionally. Frame/fittings nearly life expired
3 Not to be rung mainly because of tower and/or frame arrangement and position
2 Not to be rung mainly because of frame and/or fittings
1 Hung dead
0 Some bells unhung on the ground

Please note that the classification is based on the condition only at the last date of inspection, and any enquiries or requests for further inspections should be directed in the first instance to the Suffolk Guild Technical Advisor.

The key of a ring (i.e. the note of the tenor) is given in cents (i.e. hundredths of a semitone) from the given note; usually, for simplicity this is a white note. In explanation there are 1200 cents in an octave; a key given as C+80 could be written as C#-20m and the notes given are those of the standard equal tempered scale with note 'A' vibrating at 440Hz.

The Suffolk Guild of Ringers will not support or condone any attempts by its members or indeed anyone else to ring on bells which are classified as condition 3 or below. At these churches the Suffolk Guild Technical Advisor or deputy, and if necessary the architect concerned, must be present when assessment of the bells or tower is taking place.

Code: G Ground floor ring
A Anticlockwise rope circle
D Detached tower
R Round tower
S Simulator
T Toilets available

Peal Secretary's Report—Christine Knight

There was a significant drop in the Guild peal total in 2019 to 87, down from 108 in the previous year. In part, this was caused by the major illness of one of our leading conductors, but also by the lack of a national impetus for peals, such as the World War One commemorative peals of recent years. However, August saw the welcome return of David Salter to peal ringing and, although fewer in number, there are many positive aspects to the Guild's peals, not least four first pealers. Peals were rung at 42 Suffolk towers and at three other venues, Saints Philip and Jacob, Bristol, Helions Bumpstead, Essex, and Histon in Cambridgeshire.

At Cretingham, the first peal since augmentation to six was rung on 21st February. Another noteworthy peal was the 5095 of Suffolk Surprise Major, which was specially composed by Brian Whiting and conducted by Stephen Pettman to celebrate the Guild's 95th anniversary in 2018. The peal was rung just inside the anniversary year at Grundisburgh on 16th March. Making a return to peal ringing after a long gap has featured several times in recent years and it was good to see this continue at Monewden in Peal Week, with Tracey and Mervyn Scase ringing their first peal for more than twenty five years. On 14th December, one of the county's most active towers, Pettistree, hosted its annual peal for the anniversary of the first peal on the re-dedicated bells, this year the 32nd. It was good to see Michael Whitby conduct another milestone peal there in November, which was the 100th peal on the bells. Another very active tower is Great Barton. The band there deserves great credit for its enthusiasm in introducing members to peal ringing. Two peals were rung there in Peal Week, each containing a first pealer, both of whom then progressed to ringing their first peal 'inside' on 15th December. Neal Dodge conducted this peal and it was rung by a Great Barton practice night band, a commendable achievement, which it would be good to see replicated across the Guild.

The year saw another very successful Peal Week. It would have been extremely difficult to emulate the achievements of Peal Week 2018 (the year of its re-introduction), when nine members rang their first peal. However, there were three first pealers in Peal Week 2019 and other 'firsts' too in the nine peals rung. Another positive aspect of the year was the opening up of peal ringing on twelve to more members. The four peals of Surprise Maximus rung during the year were the first peals of Maximus for the Guild since 2016. The twelve at the Norman Tower, Bury St Edmunds, have been put to good use with three of the peals having been rung there. There were two 'firsts of Maximus', one on 2nd February, and one on 13th April. Twelve bell peals, by their very complexity, are often rung by bands from a large geographical area so it is very encouraging that the peal of Yorkshire Maximus at the Norman Tower on 13th April contained eleven resident members.

There are now four regular peal bands in Suffolk, which have monthly attempts. Peals of Surprise, and sometimes, Delight Major, continue at Aldeburgh. The evening attempts on the light eight at St Mary le Tower, Ipswich, have a different focus. The band has moved away from ringing methods bearing Suffolk place names and is in the early stages of a project to ring Norman Smith's 23 Spliced Surprise Major. So far, 10 Spliced has been rung, on 28th August, conducted by Brian Whiting. Rowan Wilson and Julian Colman also organise monthly attempts, but their bands ring at a wide variety of towers. In all, 26 of the Guild's 87 peals were rung by these regular peal bands. Their focus on Surprise Major explains the rising percentage of peals of Major rung for the Guild. In 2019, it was 56%, up from 48% in the previous year. The Ringing World's 'Method of the Month' initiative proved to be of interest, generating peals of Cooktown Orchid, Deva, Painswick and Turramurra Surprise Major. The series focuses on musical methods of varying degrees of difficulty.

A peal of Hollesley Little Delight Major, which was rung in Peal Week at Saints Philip and Jacob, Bristol, resulted, no doubt, from the presence in the band of three ringers who learned in Suffolk. Another two young, talented Suffolk ringers have left the county for Bristol in recent years. It is interesting to view this migration against the backdrop of an exceptional year for peals to mark the 50th anniversaries of a first peal. In date order, six members, Brian Whiting, Amanda Richmond, Joan Garrett,

John Mayle, Stephen Pettman and Richard Knight are to be congratulated on reaching this milestone. With the exception of former resident, John Mayle, all are prominent members of the Guild, between them having given many years of service in a variety of offices. The Guild should be proud of the number of highly talented young ringers who have learned to ring in Suffolk in the last decade, but many have left the county now and may not return. Several ring peals with some of the most talented bands in the country, a path now opening up for Jimmy Yeoman from Exning, who has made incredible progress since his first peal in 2018. Their leaving highlights the need to invest continuously in encouraging people of all ages into peal ringing, with all the well documented benefits peals have in raising overall standards in ringing. Once again, I should like to thank Michelle Rolph, Mark Ogden, Brian Whiting and David Salter for their hard work on the peals section of this Report.

Safeguarding Statement

The Suffolk Guild of Ringers takes the safeguarding and protection of children (under 18s) and vulnerable adults very seriously. It recognises that the welfare of children and vulnerable adults is paramount and that we have a duty of care when they are in our charge. We will do everything that we can to provide a safe and caring environment whilst they attend our activities. All children and vulnerable adults will be treated with respect and dignity.

Safeguarding Policy

The Guild, as advised by the CCCBR, follows the national "Promoting a Safer Church" policy as adopted by the diocese of St Edmundsbury & Ipswich:

- Local tower arrangements should always be approved by the PCC in line with the Parish Safeguarding Policy①. The Tower Captain should have a copy of the Parish Safeguarding Policy and ensure that ringers have access to it.
- All ringers should complete the online safeguarding training course 'Basic Awareness' (previously called C0) as advised by the PSO② or Incumbent for the tower where they are listed. It is accessible via this web address

  https://safeguardingtraining.cofeportal.org/

  The certificate awarded should be retained and the date of completion notified to the PSO.
- Tower Captains and ringing teachers must complete 'Basic Awareness' first, then attend a "face to face" half day course, 'Leadership' in the Diocese every three years②, (previously called C2 / C3). A course may be booked at

  https://www.eventbrite.co.uk/o/diocese-of-st-edmundsbury-and-ipswich-11874263047
- All Tower Captains and ringing teachers MUST hold a current clear DBS check status IF their role includes the training of children or vulnerable adults.
- Any person requiring a DBS check must first complete a Confidential Declaration Form, available here

  https://www.cofesuffolk.org/uploads/
  Church_of_England_Confidential_Declaration_Form_Nov_2019_-_FINAL.docx

  The completed form should be handed to the Incumbent or PSO for secure and confidential storage.

A ringer does NOT require a DBS check if acting in a supporting role, undertaking unplanned one-off teaching or deputising in an emergency, providing two adults (preferably one of each gender) are present, nor for transporting children or vulnerable adults as part of arrangements between families.

Where there is cause for concern this should be reported to the Parish Safeguarding Officer or Incumbent immediately③.

---

1 The Parish Safeguarding Statement / Policy should be displayed in the church together with the name and contact details of the Parish Safeguarding Officer.

2 The PSO, Parish Safeguarding Officer, will keep a register of C2 courses attended but ringers are advised to keep their own record too to ensure that their qualifications do not lapse.

3 The Parish Safeguarding Officer or Incumbent will refer immediately to Suffolk County Council Customer First – 0808 800 4005. If there is risk of immediate harm call the police – 999

Mary Garner, Safeguarding Officer, Suffolk Guild of Ringers
Revised January 2020

Draft Minutes of the Suffolk Guild Annual General Meeting held on Saturday 27th April 2019, Ipswich (St Matthew's)

1) Welcome, thanks and apologies

The chairman opened the meeting by thanking The Rev Nick Atkins, St Matthew's, Stephen Cheek for playing the organ and Jordan for manning the PA system. Thanks were given to the SE district members for organising the AGM day, car parking, ringing towers, teas, service etc. The meeting thanked Chris Garner for promoting the AGM really well on behalf of the Guild and to Mary Garner for organising the C2 Safeguarding morning. The meeting showed their appreciation.

2) Absent Friends

The meeting stood in silence to remember those mentioned in the report, plus Hubert Mitson, Graham Morrey, Douglas Pope, John Newson and Janet Stannard (who died last week). The chairman invited Chris McArthur to say a few words about John Newson.

3) Election of New Members

The following were elected as new members

David Baldwin, Cretingham; Leonie Smith, SMLT; Karina Wiseman, SMLT; Peter Hayward, Cretingham. All in favour.

4) Minutes of the 2018 AGM Annual Report page 76

These were signed as a true record of the meeting. Proposed David Steed, Seconded John Girt.

5) Matters arising from the minutes

There were no matters arising from the minutes.

6) Trustees' Report Annual Report page 9

The Trustees' report was adopted by the meeting. Proposed Ed Rolph, Seconded Mark Ogden.

7) Officers' reports: (within the Annual report)

	Page		Page
Ringing Master	13	Librarian	17
Secretary	15	Peal Secretary	49
Guild Accounts	18	Guild Handbells & Mini-ring Trustee	14
Belfry Advisory Committee	11	Webmaster	17
Public Relations Officer	16	Membership Secretary	15

The Officers' reports were adopted by the meeting. Proposed Ed Rolph, Seconded Mark Ogden.

8) Annual Report - Editor's report

The chairman thanked Michelle for the excellent report and thanked all who helped with its production. Michelle Rolph said the GDPR management had had an impact on the production on the report this year as people now have to give permission for their details to be published. Michelle thanked everyone who contributed in any way to the report. Thanks go to David Salter who contributed despite sickness. Michelle is stepping down from the post this year and the post will be vacant, however Michelle will support her successor through their first report. The meeting showed their appreciation to Michelle for her hard work.

9) Central Council Report

This report has only just appeared on the Guild website. The meeting was asked to read and make comment directly to the chairman.

10) Subscriptions and Peal Fees for 2020

The chairman explained that the Guild is a charity that gives back directly to its members in many ways. She said that for the Guild to succeed it would be necessary to increase Guild subs for 2020 and that this increase has the full backing of the GMC.

The treasurer explained the situation we are in financially and why we needed to find a larger income. For the last few years the Guild has been running into the negative. Subs need to go up or our expenditure needs to decrease dramatically.

Peter Harper was surprised that there are concessions within our Guild. He is familiar with many Guilds paying a flat rate for all members. He would like to see everyone paying the same rate of £15.

David Salter said he had no objections to the increases. However, he questioned the value for money. He said that the Guild fundraising efforts were poor compared to other Guilds.

The proposal is to raise the subscriptions as follows

	Current	Proposed
Full adult member	£15	£20
Member over 65	£10	£15
Member over 75	FREE	-
Member in FT Education	£7	£10
Associates and NRLM	£7	£10

Proposed Richard Knight, Seconded Cath Colman. 4 against, 6 abstentions. Proposal carried.

11) Election of Officers for 2019

Post	Elected	Proposed by	Seconded by
Chairman	Rowan Wilson	Philip Gorrod	Mike Cowling
Ringing Master	Tom Scase	Malcolm Westrup	Abby Antrobus
Secretary	VACANT		
Treasurer	Stephen Cheek	Richard Munnings	Amanda Richmond
Chair of the BAC	Winston Girling	Cath Colman	Chris McArthur
Technical Advisor	Winston Girling	Cath Colman	Chris McArthur
PRO	Neal Dodge	Veronica Downing	David Salter
Report Editor	VACANT		
Librarian	Abby Antrobus	Tom Scase	Amanda Richmond
Peal Secretary	Christine Knight	Brian Whiting	Maurice Rose
Handbell Trustee	Brian Whiting	Gordon Slack	Janet Sheldrake
Mini ring Trustee	Brian Whiting	Janet Sheldrake	Gordon Slack
Webmaster	Chris Garner	Ruth Munnings	Mike Whitby

The chairman thanked all the officers who put so much hidden hard work into their roles. She also explained that she is in the process of writing job guidelines for each of the posts to give a bit more detail re the specific tasks and responsibilities required.

12) Election of Central Council reps

Elected	Proposed by	Seconded by
Stephen Pettman	Rowan Wilson	Carl Melville
Neal Dodge	Carl Melville	Rowan Wilson
Chris Birkby	Neal Dodge	Jed Flatters
VACANT		

13) Election of Trustees

The following were elected as Trustees to the Guild: Rowan Wilson, Stephen Cheek, Tom Scase and Proposed Julian Colman, Seconded Cath Colman. All in favour.

14) Rule change

14.1 To amend rule H 2.3. Pupils in fulltime education and members over 70 years of age shall pay a reduced rate of subscription. Members over 80 years of age shall pay no subscription.

14.2 To amend constitution B 4. Churches within the Diocese may be affiliated to the Guild on payment of an annual donation of an amount at least equal to the subscription payable by a Ringing Member aged between 70 & 79.

Jacky Savage asked if the increase of £10 for a few people is fair.

Mary Dunbavin said we should raise the fees more often rather than sitting on them for a long time as we have done recently.

John Girt asked if we should dispose of all concessions as was proposed earlier in the meeting.

Many members said their subscriptions to other Guilds, choirs etc were considerably higher and many of them have no concessions.

Ralph Earey asked the meeting to focus more on recruiting new members which would help solve our financial situation.

The Rule Change was Proposed by Brian Whiting, Seconded John Girt. Against 5, Abstentions 3.

15) Resolution to adopt the Objects of the Guild Annual report page 80

Stephen Cheek asked the meeting to vote that the Objects of the Guild be:

1. The Guild shall promote ringing for Divine Service within the Diocese of St Edmundsbury and Ipswich by:
2. Promoting and encouraging the practice of bellringing.
3. Supporting the recruitment and training of bellringers.
4. Cultivating the art of scientific ringing.
5. Promoting an appreciation of the ringing chamber as part of God's house and encouraging care and attention to its cleanliness and proper equipment.
6. Promoting the preservation of bells in an efficient condition, recommending necessary repairs and renovations and providing reliable information and practical advice on the condition of the bells and their fittings.
7. Supporting restoration and/or augmentation.

Proposed Jed Flatters, Seconded Gordon Slack. All in favour.

16) 50 Year Membership Awards

The chairman congratulated the following who had achieved 50 years of membership: Stephen Pettman, Amanda Richmond, Elizabeth Tydeman, Richard Knight,

Michael Parker, Sheila Franks, Christopher Nunn, Brian Wells. She then gave a brief summary of their achievements for the Guild:

Rather than talking about their achievements as individuals (as ringing is always a team effort), between them they have 400 years of membership (which equates to a lot of cash for the Guild fund) and have rung over 2500 peals for the Guild. Amongst them there have been two Guild Ringing Masters (one being the first female GRM in 1990) and a district Chairman but three of them are still working for the Guild as CC rep, GMC member and BAC member.

I appreciate that these members may not have all joined in 1969 but in the Annual Report for that year, Ringing Master (Howard Egglestone) asked members to "Support your local tower captain and back up your district officers, but above all always give of your best whilst in the tower". Wise words indeed and still very relevant today and these 8 members have certainly supported the Guild with their 50 years of membership. Subs were a bit different in 1969 though – 5s membership fee (juniors 2 ½ s) and 6d peal fee.

17) St Edmund's Clapper competition

There were two entries this year, with the winner being Sproughton, who raised £250.00. The runners up were The Millbeck Ring who raised £50.00.

18) Appointment of Independent Examiner

Stephen Cheek proposed that we change our Independent Examiner to BAS Accountants, who will charge half of what we are paying now. Proposed Stephen Cheek, Seconded Gordon Slack. All in favour. A letter of thanks to be sent to Larking Gowen

19) Guild Magazine Team

The GMC discussed the various options in October 2018 and decided that an enthusiastic team of people would be required to restart the magazine. Sadly, as no one had come forward to take this on, the chairman suggested that this format of communication had perhaps had its day and that new and existing ways of communicating news should be pursued.

20) Guild Social Event 2019 – NE District Saturday 21st Sept

Kate Gill said that the social will be in the NE in the form of a treasure hunt around four towers. This will be followed by a sausage supper. It will be £10 a head. Members were asked to spread the word and look for the flyer on the website and email in the coming weeks.

21) Golden Bottle applications

The chairman explained that the Guild had received a generous donation which needs to be spent on training so the Recruitment and Training committee have proposed that the funds be used to install a simulator in each District of the Guild.

How to apply - Each District (through the District Secretary &/or Ringing Master) will invite expressions of interest from towers and then advise the Recruitment & Training committee.

Guidelines for applications

Members were asked to contact the R&T cmte for a full set of guidelines but ideally the towers will:-

1. Have the backing of the PCC
2. Agree to install and maintain the simulator (technical advice will be available)
3. Agree to make the simulator and bells (silenced) available to Guild members at all reasonable times

4. Have appropriate facilities for groups of learners, including kitchen & toilet facilities

The maximum grant payable will be £1250.

Jacky Savage explained the history of the Golden Bottle Trust, which was set up by her family's bank. She thanked C Hoare & Co for their generous donation.

John Girt congratulated the R & T committee but suggested that the key to training and retaining new ringers was the appropriate training of the teachers.

22) Any Other Business - (discussion only)

Jonathan Williamson explained how the SE District had used the training facilities at MRDC, Norwich and encouraged all members to go and visit the centre. Simon Rudd also encouraged us to visit and make use of the excellent facilities.

The GMC have discussed the possibility of holding taster days to promote bellringing and recruit new members. This could be linked to Suffolk Day (21st June) but this is probably too soon for 2019.

Maybe a more realistic target would be Open Churches/Heritage Open Days in Sept 2019. Ideas so far include a demonstration of bellringing + have a go using the mini ring.

Ideally these taster days would be held at key locations in each District and would be held regularly in the future.

The chairman thanked everyone who rang for Notre Dame Cathedral at the request of the Archbishops. So far 66 Suffolk towers had recorded their performance on Bellboard and she encouraged everyone to do so.

The chairman congratulated Jimmy Yeoman of Exning who received the ART Learning the Ropes Achievement award in March 2019. Jimmy learnt to ring in October 2016 and rang his first quarter peal on 16th September 2017, his first tower bell peal on 16th February 2018, followed by his first handbell peal on 11th July 2018. Shortly after this he celebrated his birthday by ringing a peal!

Veterans Day is on 10th July at Debenham at 2pm. All welcome.

4. Promoting an appreciation of the ringing chamber as part of God's house and encouraging care and attention to its cleanliness and proper equipment.
5. Promoting the preservation of bells in an efficient condition, recommending necessary repairs and renovations and providing reliable information and practical advice on the condition of the bells and their fittings.
6. Supporting restoration and/or augmentation.

CONSTITUTION

A. NAME

1. The Guild shall be known as the Suffolk Guild of Ringers for the Diocese of St Edmundsbury and Ipswich.

1.1 The Guild shall be affiliated to the Central Council of Church Bell Ringers.

1.2 The Guild shall be registered as a Charity at Law (Ref. 266869).

1.3 The Trustees of the Guild shall be at least three members of the Guild Executive as defined in rule J13, and shall be elected at the AGM.

B. MEMBERSHIP

2. Membership shall consist of the following categories:

2.1 Ringing Member: A person who can ring rounds, unaided, on a tower bell.

2.2 Associate Member: A Person who wishes to support the Guild.

2.3 Life Honorary Member: A Ringing or Associate Member who has given outstanding service to the Guild.

2.4 Non-Resident Life Member: A person qualified to be a Ringing or Associate Member, but who resides outside of the Guild's territory and is not a member under 2.1, 2.2 or 2.3.

3. Only Ringing and Life Honorary Members may vote or hold office in the Guild.

4. Churches within the Diocese may be affiliated to the Guild on payment of an annual donation of an amount at least equal to the subscription payable by a Ringing Member aged between 70 and 79.

C. DISTRICTS

5. There shall be four Districts, North East, North West, South East and South West. Towers may move from one District to another with the agreement of both Districts and subject to approval by the Guild Management Committee (GMC).

D. GOVERNMENT

6.1 The President shall be the Bishop of St Edmundsbury and Ipswich.

6.2 A Suffragan Bishop within the Diocese shall be a Vice-President.

6.3 Vice-Presidents elected before 2010 shall hold office for life and shall not be required to pay a subscription.

6.4 A non-member may be elected as a Patron at an AGM. Patrons shall hold office without re-election, but may be removed by a resolution at an AGM.

7. The Annual General Meeting (AGM) or any Special General Meeting (SGM) shall be the ultimate policy and decision-making body of the Guild. The AGM shall be held on the Saturday following Easter or as decided by the GMC. At any AGM or SGM a quorum shall be 5% of members eligible to vote.

8. Members shall be elected to the following Offices:

Chairman	Technical Advisor	Ringing Master
Librarian	Secretary	Handbells Trustee
Treasurer	Peal Secretary	Chairman of Belfry Advisory Cmttee
Report Editor	Magazine Editor	Public Relations Officer
Webmaster	Mini Ring Trustee	Central Council Reps

9. The Annual General Meeting shall appoint an Accountant, who is not a member of the GMC and need not be a member of the Guild, to act as Independent Examiner in accordance with The Charities Acts.

10. The following Committees shall be formed:

The Guild Management Committee (GMC), to co-ordinate Guild activities and publish a printed Annual Report and Accounts. It shall recommend the levels of subscriptions, peal fees, other methods of raising capital, authorise expenditure from Guild funds and may organise general meetings, ringing and social activities.

The Recruitment and Training Committee (RTC), to co-ordinate training and recruitment. The Belfry Advisory Committee (BAC), to advise and assist on all matters connected with rings of bells. It shall maintain an up-to-date directory of towers, listing the condition of Church bells in the Diocese.

E. FINANCE

11. All money in the Guild's funds not required for normal working purposes shall be invested or deposited by the Treasurer as may be directed by the GMC.

12. All cheques shall bear the signature of the Chairman, Secretary or Treasurer.

12.1 Any cheque greater than a limit set by the GMC shall bear the signatures of two of the above.

13. The expenses listed in Rule K16 shall be paid out of the General Fund.

14. The interest received on the Jubilee Fund shall be transferred to the Guild Restoration Fund. The capital element of the fund shall be retained intact.

15. Grants from the Restoration Fund shall be authorised by the GMC, but shall only be paid after the work has been approved by the Guild Ringing Master and the Technical Advisor. Grants will normally be offered for work to restore bells and their fittings for full-circle ringing, but may include augmenting and other ancillary work associated with any such project.

16. The St Peter's Sudbury Fund shall be used for running expenses and minor repairs and refurbishments to St Peter's bells and fittings.

17. The Library Fund shall be used for the purchase and repair of books and other items for the library.

18. The Handbell Fund shall be used for the repair, maintenance, renovation or augmentation of the Guild's handbells.

19. The Pipe Family Trust Fund shall be used for the encouragement of beginners in the art of change ringing in the Suffolk Guild. The fund will be administered by the Guild executive.

20. The GMC may establish further funds and shall specify the aims and objectives of such new funds.

21. The GMC may transfer sums from the General Fund to any specific funds and, if the purposes of the specific funds cease to exist, close these funds and transfer the balance to the General Fund.

22. The GMC shall recommend the proportion of peal fees, subscriptions of Ringing and Associate Members and Non-Resident Life Membership fees which shall be transferred annually to the Restoration Fund from the General Fund.

F. RECORDS AND HANDBELLS

1. All peals rung for the Guild and a summary of other peals and quarter-peals rung in the Diocese shall be published in the Annual Report.

2. The Librarian shall maintain an up-to-date inventory of publications owned by the

Guild and the Secretary shall maintain an up-to-date inventory of other Guild assets.

3. The Handbells Trustee shall maintain the handbells in good condition and shall make recommendations for their repair to the GMC.

G. GENERAL

26. The Constitution and Rules may only be amended at an Annual or Special General Meeting of the Guild.

26.1 Fourteen days notice of any proposed change to the Constitution and Rules of the Guild must have been provided to members through the Ringing World and the Guild website.

26.2 Any change must be approved by at least two-thirds of those present and voting and shall take effect from the date given in the proposal.

26.3 No amendment shall be authorised which shall have the effect of the Guild ceasing to be a Charity in Law.

27. In the event of dissolution of the Guild, any assets remaining after the satisfaction of all its debts and liabilities shall not be paid to or distributed among the members of the Guild, but shall be given or transferred to such other charitable institution or institutions having similar Objects to the Guild.

GUILD RULES

H. ELECTION OF MEMBERS AND SUBSCRIPTIONS

1. Ringing and Associate Members may be elected at any meeting by a majority of those present when proposed and seconded.

1.1 A member may belong to only one District, normally the District under which the member is shown in the Annual Report.

2. Subscriptions are due on election and thereafter, in advance, on January 1st each year and shall be set at the preceding AGM, or SGM. If a change in subscription has not been passed, the existing rate shall continue.

2.1 No member shall be entitled to be heard, vote or hold office if subscription for the current year is unpaid.

2.2 The subscriptions of members elected during or after October shall cover the remainder of that year and the whole of the following year.

2.3 Persons in full time education and members over 70 years of age shall pay a reduced rate of subscription. Members over 80 years of age shall pay no subscription.

3. Life Honorary Members may only be nominated by the GMC or a District and shall only be elected at a Guild AGM after their nomination has been approved by the GMC. No further subscription is payable after election.

4. Ringing or Associate Members may, on leaving the Diocese, inform the Guild Secretary that they wish to become Non-Resident Life Members. No subscription is payable during the period of non-residence.

5.1 Any person resident outside the Diocese who wishes to be associated with the Guild may be elected a Non-Resident Life Member. A one-off subscription is payable by such members.

5.2 Any Non-Resident Life membership ceases if the member takes up residency within the Diocese. The person may become a Ringing Member, without re-election, provided that the person was previously elected as a Ringing Member. The person must then pay the appropriate subscription.

6. For the purposes of peal ringing, new members may be provisionally elected in the belfry. Membership is subject to confirmation at a meeting of the appropriate District in the case of a Ringing Member or at a meeting of the GMC in the case of a Non-Resident life Member. If election is not confirmed the subscription shall be refunded.

7. Any member failing to conform to the Objects and Rules of the Guild may be expelled by the GMC which shall report the matter to the next Annual General

Meeting. Such a member shall forfeit any payment made to the Guild.

I. ELECTION OF OFFICERS

8. All Officers shall retire at the Guild's AGM, but shall be eligible for re-election. The Chairman, Ringing Master, Secretary and Treasurer shall not serve more than five consecutive years in one post.

8.1 Nominations may be made in writing to the Guild Secretary or orally at the AGM providing they are proposed and seconded.

8.2 If more than one nomination for any office is received, election shall be by paper ballot, the successful candidate being the one with the highest number of votes. In the event of a tie the Chairman shall have a casting vote.

8.3 Central Council Representatives shall be elected, in accordance with the rules of the Central Council, during the second year of the triennium at the AGM of the Guild.

J. COMMITTEE STRUCTURE

9. The Guild Management Committee (GMC) shall consist of the Guild Chairman, Ringing Master, Secretary, Treasurer and Chairman of the Belfry Advisory Committee, and up to five members from each District, elected in accordance with Rule 20.

9.1 Nine members of the Committee shall constitute a quorum.

9.2 The Chairman shall chair all Guild and GMC meetings. In his/her absence the chair shall be taken by the Ringing Master or in his/her absence by a person elected by the meeting.

10. The Recruitment and Training Committee (RTC) shall consist of the Guild Ringing Master as Convenor and two members from each District.

11. The Belfry Advisory Committee (BAC) shall consist of the Chairman BAC, the Technical Adviser and such members as they may co-opt. Members shall be approved by the GMC.

12. Each Committee in Rules 9, 10 and 11 shall meet at least three times a year.

13. The Guild Executive shall consist of: Guild Chairman, Ringing Master, Secretary, Treasurer and Chairman of the Belfry Advisory Committee. The Executive shall take such emergency decisions as may be required before it is practical for the GMC to meet. They shall also make a temporary appointment until a General Meeting can be convened if a Guild Office becomes vacant between AGMs.

14. The GMC may convene sub-committees and shall determine their terms of reference, powers, duration and composition. All acts and proceedings of any such sub-committees shall be reported back to the GMC as soon as possible.

15. The GMC may request the attendance of other officers or members as may be required.

K. EXPENSES

16. The following shall be paid by the Treasurer out of Guild funds:

- The cost of printing the Annual Report and any other publications authorised by the GMC.
- The expenses of Guild Meetings (including District).
- Stationery, postage, telephone, notices of all meetings and other incidental expenses.
- Guild insurances.
- Central Council fees and reimbursement of Representatives' expenses attending each Council meeting, not exceeding the second class return rail fare and a subsistence allowance as may be determined by the GMC.
- Such other expenses as the GMC may authorise.

L. PEAL RECORDS

17. All peals rung for the Guild must conform with the decisions of the Central Council. All those taking part must be members of the Guild.

18. Conductors shall forward the following to the Peal Secretary as soon as possible and not later than 15th January the following year:

- The names, addresses and subscriptions of any Non-Resident Life Members elected in the belfry.
- The appropriate peal fees.
- Compositions for peals of Triples and above and of such other peals as the Peal Secretary may request. Money received for items (a) and (b) shall be passed to the Guild Treasurer.

M. DISTRICT RULES

19. Each District shall hold an Annual General Meeting during the last quarter of the year for the purpose of receiving a report from the District Committee for the year, election of Officers and arranging activities for the year beginning the following January. Members may vote or stand for Office only in the District through which they exercise membership in accordance with Guild Rule 1.

20. The following Officers shall be elected annually: Chairman, Ringing Master, Secretary/Treasurer, Magazine Correspondent, two members to serve on the RTC and up to five members to serve on the GMC.

20.1 A District may elect additional Officers as required to assist in the running of the District.

20.2 The District Officers shall form the District Committee, which shall be responsible for the efficient management of the District's affairs and shall report to the Annual District Meeting on the year's work.

21. The District Secretary and/or Treasurer shall:

- Collect all subscriptions and other moneys due and forward them to the Guild Treasurer.
- Submit a statement of accounts to the Guild Treasurer by 15th January.
- Submit a directory of tower correspondents and ringing times and a list of members to the Report Editor by 15th January.
- Submit a statement, to the Guild Secretary, of all members qualifying for inclusion in the insurance scheme by the Guild AGM.

22. The District Magazine Correspondent shall report on District activities for the Guild Magazine, the 'Ringing World' and local newspapers.

REGULATIONS RELATING TO THE SUFFOLK GUILD HANDBELLS

1. The Suffolk Guild handbells are the property of the Suffolk Guild of Ringers, under the care of the Trustee. They consist of five sets of handbells:

25 bells by Taylors	size 20 in C (2 chromatic octaves)
16 bells generally by Shaw	size 19 in F (diatonic 13 + 3 semitones)
13 bells by Warner	size 20 in E (diatonic 12 + 1 semitone)
13 bells by various founders	size 20 in F (diatonic 13)
14 bells by probably Mears	size 18 in G (diatonic)

They are loaned to any member of the Guild whose name appears in the current Annual Report, according to the regulations relating to the handbells.

2. The bells are loaned in the first instance for a maximum period of three months. At the end of this period they are to be returned to the Trustee by the borrower and they may then be loaned for a further three months if they are not required by another member of the Guild. If they are borrowed for this further period, the borrower may be asked to return the bells to the Trustee if they are required by other member of the Guild. A member from another tower has priority over a member from the same tower as the preceding borrower.

3. The bells are the responsibility of the borrower, after he/she has signed for them,

until they are returned to the Trustee by the borrower. The bells are not to be loaned to anyone by the borrower without the prior consent of the Trustee.

4. The bells must be returned to the Trustee upon request. The Trustee should endeavour to give seven days notice if they require the bells and should return them to the borrower as soon as possible.
5. If the bells are required for a particular occasion, they can be reserved up to three months in advance.
6. The bells are maintained by the Suffolk Guild. Borrowers are requested to give a donation for their maintenance and insurance.
7. The Trustee is responsible to the Guild Management Committee for the administration of the bells and decisions regarding the bells can be revoked by that Committee.

THE MITSON SHIELD, LESTER BRETT TROPHY AND ROSE TROPHY STRIKING COMPETITION RULES

1. The competitions shall take place on date(s) decided by the GMC.
2. All Ringing Members and Life honorary Members of the Guild may compete providing their subscriptions are paid.
3. The Mitson Shield, Lester Brett and Rose Trophies shall be competed for as follows:

Mitson Shield and Lester Brett Trophy

3.1 Bands shall comprise six ringers fulfilling at least one of the following:

- at least four are listed under the tower in the Annual Report
- The ringers are a bona fide benefice (or similar) Sunday Service or practice night band.

3.2 a) For the Mitson Shield the test piece will be 240 true changes of any recognised Doubles or Minor Method(s). Opening rounds will not be marked.

b) For the Lester Brett Trophy call changes of at least eight minutes marked ringing, to include Queens, Whittingtons and Tittums. Marked changes start when the first change is made.

Rose Trophy

3.3 Bands shall comprise eight members of a District or eight ringers representing a tower, of whom at least six are bona fide Sunday Service Ringers.

3.4 The test piece will be at least 224 true changes of any recognised Triples or Major method(s), of which only the first 224 changes, excluding the opening rounds will be judged.

4. Neither the Mitson Shield nor the Rose Trophy can be held by a band not complying with Rule 3.
5. The times of the draws are to be advertised in the Ringing World and each band must have a representative present at the relevant draw.
6. A total of two minutes practice ringing will be allowed before each test piece.
7. In the event of bands ringing Doubles or Triples, a cover bell must be used.
8. The Guild Ringing Master may, at his discretion, specify the method and composition which are to be rung. Any band ringing a method or composition different from that specified shall be unable to hold the Mitson Shield or Rose Trophy.
9. In the event of a large entry, the Ringing Master may choose to shorten the length of either test piece.
10. A reserve ringer, appointed by the Ringing Master, will be available at the Ringing Master's discretion, to bands meeting short.
11. A minimum of two judges appointed by the Ringing Master will be present. Their decision is final.
12. The Mitson Shield and the Rose Trophy are, and shall always remain, the sole property of the Guild, which may at any time give directions for their locations and safe keeping.
13. Interpretation of all rules is at the discretion of the Ringing Master.
