

Virtual Ringers Spring Tour April 17th 2020

Executive coaches from **Zoom Along** will provide our transport. Introduce yourselves to anyone you don't already know on board.

Please don't leave any of your belongings on the coach, as you may not be travelling in the same coach for each leg of the trip.

If you are unable to join us for the whole time, come when you can. If using your own car, note the postcodes provided below and also the parking instructions.

Bring your own food, beer, toilet & toilet roll. Smart casual, but no pyjamas please. For safety reasons, no flip flops or high heels.

Tower fees have been waived but please make an online donation to a charity of your choice.

Please be at the departure points promptly to ensure our tour runs to schedule. No I don't know what is happening either. Enjoy.
