NOTES ON PARKING

Campsea Ashe

There is a small church car park opposite the lychgate, which holds about 10 cars. Just beyond the church, turn right and right again for roadside parking on the minor road towards Eyke. Especially if you arrive early, there is a free car park at Campsea Ashe Station, where there is a café if you fancy a coffee before ringing! However, a local ringer told me that service can be a little slow. The station is about 5 minutes' walk from the church.

Tunstall

Park close to the church wall in order to allow room for farm vehicles to pass, please.

Aldeburgh

There is a large church car park.

Saxmundham

Parking available at the top of the church drive or in Waitrose/Tesco car park if no room left.

Yoxford

Parking available on the roadside in front of the church or at the village hall car park, a short walk away.
