

THE SUFFOLK GUILD OF RINGERS

INVITES YOU TO A SEMINAR ON

HERITAGE AND RESTORATION

GUEST SPEAKER

STUART HOBLEY, DEVELOPMENT MANAGER, HERITAGE
LOTTERY FUND

SATURDAY 10 APRIL 2010 at 2.30PM

at

BARDWELL TITHE BARN

This is a free event hosted by the Guild to look at some imaginative ways in which heritage in churches may be conserved and made available to a wider public. Many of us are concerned with how PCCs, ringers and other agencies can work together to restore and care for our bells, and how bell restoration can dovetail with wider church projects. This meeting will look at ways in which this may be achieved.

Also contributing will be

JAMES HALSALL, Secretary to the St Edmundsbury and Ipswich
Diocesan Advisory Committee, and

JONATHAN STEVENS, Technical Adviser to the Suffolk Guild of
Ringers

The event will last for approximately one hour and refreshments will be available afterwards.

Bardwell is situated off the A143 between Bury and Diss. Parking on the village green.

Everyone welcome! Further information from:

Ruth Suggett nwmaster@suffolkbells.co.uk or 01359 251896

This seminar is organised as part of a programme of events for the Guild AGM. The session will coincide with some open ringing at the newly-restored bells at Bardwell (3-4pm), followed by a service at Ixworth at 4.30pm, tea and meeting at Ixworth Village Hall at 5pm, and evening ringing at Ixworth till 9pm.

Please circulate this notice among your community as we hope it will be of interest to anyone concerned with any aspect of church restoration.
